

A bound on the size of linear codes

Eleonora Guerrini (eleonora.guerrini@ens-lyon.fr)
Ecole Normale Supérieure de Lyon, France.

Massimiliano Sala (maxsalacodes@gmail.com)
Department of Mathematics, University of Trento, Italy.

New version

A new version of this preprint “*A bound on the size of linear codes (E. Guerrini, M. Sala)*” is available following this link:

arxiv.org/submit/501864/view

under the title “*A bound on the size of linear codes and systematic codes (E. Guerrini, E. Bellini, M. Sala)*”.
