

Figure 1 consists of three parts, (a), (b), and (c), each showing an infinite binary string with a specific period. Part (a) shows the string 'abaababaab...' with a period of 8. The string is divided into segments of length 8, each containing the sequence 'abaababaab'. Part (b) shows the string 'abaababaababa...' with a period of 10. The string is divided into segments of length 10, each containing the sequence 'abaababaababa'. Part (c) shows the string 'abaababaababaababaababaababaababaababaababa...' with a period of 16. The string is divided into segments of length 16, each containing the sequence 'abaababaababaababaababaab'.
