

The diagram consists of five overlapping rectangular regions within a black border. Region P1 (Class A) is a light gray rectangle in the top-left. Region P2 (Class B, 80%) is a darker gray rectangle in the top-right, overlapping P1. Region P3 (Class E, 70%) is a blue rectangle in the center-right, overlapping P2 and extending downwards. Region P4 (Class C) is a light gray rectangle in the bottom-left, overlapping P1. Region P5 (Class D) is a light gray rectangle in the bottom-right, overlapping P3. Dashed lines outline each region, and a solid line separates the top row (P1, P2) from the bottom row (P4, P5).

P1
Class A

P2 Class B
(80%)

P3
Class E
(70%)

P4
Class C

P5
Class D
