

American Olean Products Included in Product Specific Type 3 Environmental Product Declarations (EPD)

The table below lists the products that are included in American Olean EPDs. As product names often change, this list will be updated on a bi-annual basis. If a product is not listed, please check with your sales representative to confirm the manufacturing location of the product. The manufacturing location will correspond to the correct EPD. Please refer to www.americanolean.com and <http://www.nsf.org/certified-products-systems> for details or contact information.
