NOTE: LEED's Pilot Credit 112 for Certified Multi-Attribute Praducts and Materials (MRpc112) provides 1 point for encouraging the use of products and materials for which life-cycle information is available and that have environmentally, economically, and socially preferable life-cycle impacts, such as those certified through the BiFMA's LEVEL program. Pilot Credit 112 may be found at the following link: https://www.usgbc.org/node/10399220?return-/pilotcredits/Commercial-Interiors/all
