Permission is required from the International Society for Environmental Information Sciences (ISEIS) for reusing an excerpt of 100 words or more from any ISEIS journal or proceeding paper (JEI and JEIL), or reusing any figure, table, chart, or image from any ISEIS journal or proceeding paper (JEI and JEIL).

The applicant agrees the following terms and conditions to this transaction.

- Every permission is unique, covering only the terms and conditions specified in it. Even if the applicant obtain a permission for certain ISEIS copyrighted content, the applicant will need to obtain another permission if the applicant plan to reuse that content outside the terms of the existing permission.

- ISEIS may deny permissions at sole discretion at any time, for any reason or no reason. Notice of such denial will be made using the contact information provided by the applicant. Failure to receive such notice will not alter or invalidate the denial. In no event will ISEIS be responsible or liable for any costs, expenses or damage incurred by the applicant as a result of a denial of the permission request.

- A full credit line must be added to the material being reprinted. For reuse in non-ISEIS publications, "With permission from ISEIS" must be added to the source citation. For Intranet posting, the notice "This material may be downloaded for personal use only. Any other use requires prior permission of ISEIS." must be added.
