

MHC Computer Science Courses

100	106
107	109
132	133

Required

Elective

Not counted toward major

Additional Div I Humanities

Additional Div III Social Science

226: Engineering Robotic Systems

243: *Topics* e.g., Search Technologies; Systems Workshop

311: Theory

316: Developing Innovative Software

334: Artificial Intelligence

335: Machine Learning

336: Information Retrieval

341: *Topics* e.g., NLP; Networking; Game Programming
