

(A) Colleges are shown as circle marks. The region attribute is tapped to see the number of colleges in each region.

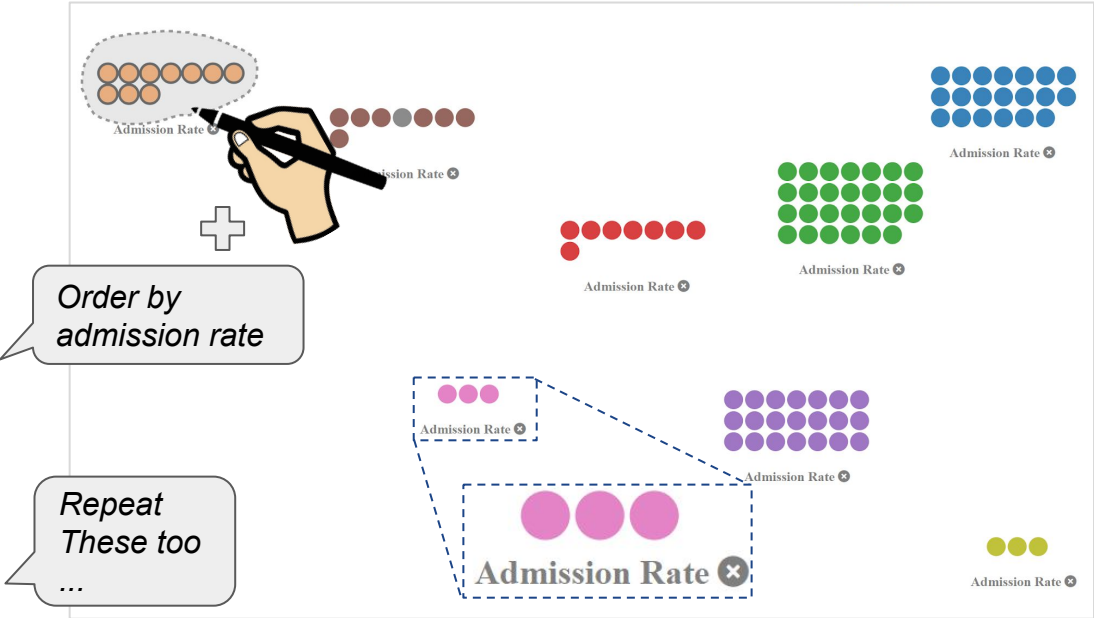

(B) Colleges are grouped horizontally based on the different US regions.

(C) Colleges in the Far West region transition to the top left corner of the canvas.

(D) Colleges are placed in custom locations using a series of point-and-speak actions.

(E) Colleges are regionally ordered by admission rate using a sequence of select-and-speak actions.

(F) Points are sized by Average Cost and colleges with an Average Cost of more than 30,000 are removed.
