

FPGA

The label 'FPGA' is located in the top right corner of the diagram, indicating the overall system architecture.

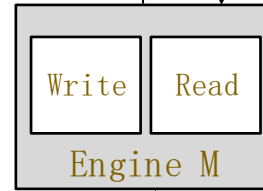

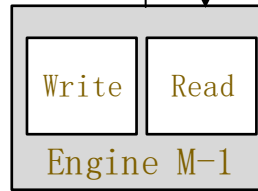

PCIe:250MHz
HBM:450MHz

Two labels on the left side of the diagram: 'PCIe:250MHz' in blue and 'HBM:450MHz' in green, separated by a dashed horizontal line.

...

An ellipsis indicating that there are more engines between Engine 2 and Engine M-1.

M AXI channels

A label at the bottom of the diagram indicating the total number of AXI channels.
