

# Multiplexer

k: length of address bits  
A: address bits  
d: data bit index  
(among data bits)  
D: data bit position

Mux data bit

$\text{int}(D)$

Data bit  
Position

$\text{int}(d)$

Data channel

$\text{String}(A)$

Address Bits

$\text{int}(k)$

Address  
Length

$\text{int}(k)$

Multiplexer  
Input bitstring

Data Bit
