

*Supersymmetry in  
Quantum Mechanics*

**Quantum Randomness  
Through Correlators**

What is the nature  
of Randomness  
In Supersymmetric  
Quantum Mechanics ?

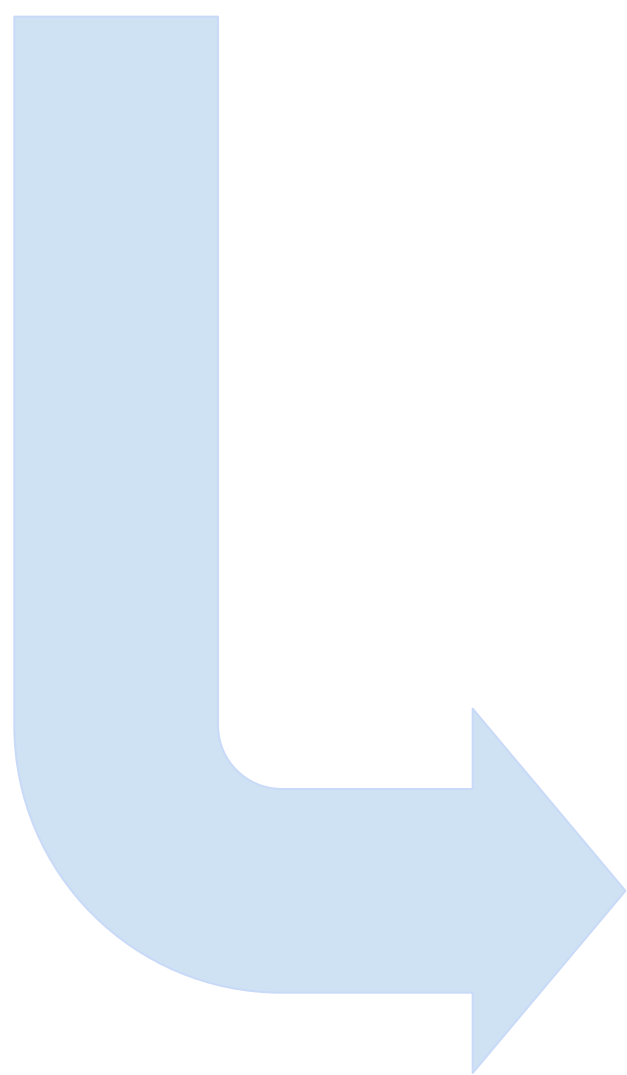

**Superpotential  
Formalism**

**SUSY  
Harmonic Oscillator**

**SUSY  
1D Potential well**

**Eigenstate  
Representation  
Of Correlators  
And Partition  
functions**

Partition functions

2-pt Correlation Functions

4-pt Correlation Functions
