<p>I’ve said it was <u>China</u> for one year.</p> <p><u>China</u> is a much bigger <b>intellectual</b> threat. They come to our universities &amp; we give away our <b>knowledge</b> &amp; <u>Chinese</u> use it again us ...</p>		

“Is anyone going  
to prison for  
covering up ...  
about Hillary and  
the Democrats?”

<p>I thought she said <u>Hillary</u> stuff were hacked by somebody else?</p> <p>They better put a guard or two on her. <u>Hillary</u> doesn’t play nice.</p>		

“So instead of  
investigating the  
hacks, FBI sat  
quietly, and did  
nothing to ...”

<p>Trump is always 10 steps ahead of everything. How many times he publicly stated about such <u>conspiracy</u></p> <p>Doesn’t make sense imo. <u>FBI</u>’s international collaboration of <u>intelligence</u> and w/ <u>China</u>?</p>		

“According to  
testimony ...  
China hacked  
the DNC  
server...”
