

Temporal localization & Explanation

Please enter the shortest possible time range between 1 second and 5 seconds, and explain **why the video is funny** including **visual information** and **funny remarks** in the speech. If there are more than one moments, please add an input field and **enter them individually**. Filling fields a lot isn't necessarily a good thing. Write only what makes you laugh particularly.

For your convenience, we provide video subtitles. This could be wrong.

Video subtitles

What is my purpose? Pass the butter. Thank you. What is my purpose?. You passed butter. Oh my god.

Start time (seconds)	End time (seconds)	Explanation
20	24	The robot realizes his entire purpose in 'life' is to "pass butter" and reacts with a verbal "oh my God" while slumping in dismay. It's funny, because it's a reaction we'd normally attribute to a human and not a robot.
Start time (seconds)	End time (seconds)	Explanation

Add field +

If your answer is not being submitted, please check the requirements below.

1. Start time and end time entered must be less than length of the video.
2. Start time must be less than end time.
3. Enter the time range as short as possible. (The maximum limit was removed by reflecting the feedback.)
4. The explanation must be **at least 100 characters**.

(Optional) Please let us know if anything was unclear, if you experienced any issues, or if you have any feedback for us.
