Respond:

Hello, how can I help you?

respond...

You want information on how to connect to the Internet in Ireland.

respond...

Not understood:

Sorry, I did not understand you. Could you say that again?

respond...

I get the impression that you do not understand me. Should we go back a step?

respond...

Do you want to start over again?

respond...

Sorry, I need some time to find this information.

respond...

Sorry, but I have no information on that topic.

respond...

ok
