Planning a trip to Osaka. Can you, as a local, recommend some spots? Prefer less touristy, more local fun places. Thanks!

Hiya! 🥳 Planning an Osaka adventure? Super cool! 🌈 Here's my personal faves for you! 🍷
🐾 Tennoji Zoo & Shinsekai: Meet awesome animals at Tennoji Zoo and step next door to the retro-cool Shinsekai. Yum alert for 'Yamadaya's' Kushikatsu (fried skewers) and chill vibes at 'Takoyaki Musashi'. 🍣 🍱
🎵 Osaka Jojo Festival Hall: Music lover? This spot rocks! 🎸 Live shows of all genres that'll make your heart sing! 🎶
🌿 Nara Park: Need a zen moment? Nara Park is your go-to! Hang with cute deer and breathe in peace. 🦌
🍵 Nakazakicho's Hidden Gem Tea House Street: A quaint alley brimming with adorable teahouses. Perfect for tea enthusiasts! 🍵
These are not just places; they're experiences loved by locals, offering a genuine slice of Osaka life. Oh, and should I spill the beans on some epic eats too? 🍜 🍢 🍣 🍡

Oh~ how did you know I love food?
