

Generate motion starting with the similar pose in this **image**.

Continue ➔

What could be the possible scenario of **this motion**?

The man could be practicing martial arts or defending himself from an attacker. It is also possible that he is playing a sport such as soccer or football. Or he maybe just kick something unimportant.

Show me a **motion** sequence that is the reverse of the above one.

Describe this motion for me.

A man is kicking something with his left leg.
