 **Motion Chain**

 **Human**

Predict the next possible motion after and show me.

 **Motion Chain**

 **Human**

What is the person in the motion doing?

 **Motion Chain**

The person is walking slowly while looking at the ground, maintaining a bent over posture as if sneaking.

 **Human**

What is the person looking for?

 **Motion Chain**

It is difficult to say exactly what the person is looking for, but it could be a tool or equipment related to their job.

 **Human**

What may the person do after bending over?

 **Motion Chain**

It is unclear what the person does after bending over. However, they could continue with their task or move on to something else entirely.

 **Human**

Is there any equipment or tools used during this motion?

 **Motion Chain**

No, there are no equipment or tools used during this motion. It is a simple body movement.
