

# 2019 NYC High School Directory

# High School Admissions TRUTHS

- 1** Applying to 12 programs makes it more likely you'll get an offer to a program of your choice.

**True!** 97% of students who listed 12 programs got an offer in Round 1 last year.

- 2** It is important to list program choices in your true order of preference.

**True!** High schools will not see how you order programs on your application—they won't know if you list them as your first choice or your last.

- 3** You can still apply to a screened or audition program if your academic record falls below the selection criteria ranges shown on its school page.

**True!** The ranges of grades and test scores listed in a program's selection criteria show how the school ranked applicants for that program last year. These ranges may vary year to year.

- 4** Students learning English can apply to all programs in this High School Directory or NYC School Finder.

**True!** All New York City public high schools provide English Language Learner (ELL) services for students. Read **Section 8.2** in this directory to learn about our three types of service delivery models offered in high schools.

- 5** Students with disabilities can apply to all programs in this High School Directory or NYC School Finder.

**True!** All New York City public high schools provide services for students with disabilities. There are seats for students with disabilities in every program.

- 6** You do not have to register for the Specialized High Schools Admissions Test (SHSAT) if you plan on only auditioning for Fiorello H. LaGuardia High School.

**True!** Although LaGuardia High School is one of the nine specialized high schools, it is not a testing school.

**TIP** Use this High School Directory, and NYC School Finder ([schoolsfinder.nyc.gov](https://schoolsfinder.nyc.gov)) to create a broad list of choices based on your interests.

**TIP** Make sure to submit a balanced application that includes your reach, target, and likely program choices.

**TIP** Don't treat these grade and test score ranges as cutoffs. If your academic record falls below the listed range, you can still apply, but consider this a reach program on your application. No matter what your academic record is, be sure to list 12 programs and to limit the number of reach programs on your list.

**TIP** There are admissions programs for students who are learning English. These programs admit students according to home language, years in this country, or English proficiency.

**TIP** On each school page, you can see how many seats each program had for students with disabilities last year.

**TIP** Read the Specialized High Schools Student Handbook to help prepare for auditions or the SHSAT. Register for auditions and the SHSAT by mid-October!

## ABOUT THE COVER

**Student:** Badiallo Diawara | **Teacher:** Evelyn Loveras | **Principal:** Moses Ojeda

Each year, the NYC Department of Education and Cooper Hewitt, Smithsonian Design Museum partner on a cover design competition for public high school students. This directory's cover was designed by Badiallo Diawara, a student at Thomas A. Edison Career and Technical Education High School. Badiallo's design is inspired by NYC middle school students taking flight, exploring, and finally landing at the high schools that feel right for them. For more information, including how to enter next year's competition, ask your art teacher or visit [schools.nyc.gov/CoverDesign](https://schools.nyc.gov/CoverDesign).

# 2019 NYC High School Directory

# WELCOME

## TO HIGH SCHOOL ADMISSIONS

New York City students applying to DOE public high schools have more choices than students living in any other city in the country. There are more than 700 programs at over 400 high schools across the city, and you can apply for 12 programs on one application. You can also test or audition to apply to the nine specialized high schools.

Use this directory to learn about high school admissions, discover schools and programs, and find out what makes a strong Round 1 application.

### STAY ENGAGED WITH ADMISSIONS

**High School Admissions Website** | [schools.nyc.gov/High](https://schools.nyc.gov/High) | Starting this fall, apply to high school online! Get the latest updates, additional resources, and dates for high school fairs, admissions workshops, open houses, and auditions.

**High School Admissions Email List** | [schools.nyc.gov/Subscribe](https://schools.nyc.gov/Subscribe) | Sign up for our email list to get admissions tips and key date reminders.

### EXPLORE HIGH SCHOOLS

**NYC School Finder** | [schoolfinder.nyc.gov](https://schoolfinder.nyc.gov) | Explore 12 choices for your high school application on your desktop or mobile device. Find high schools based on what your interests are, where you live, and more. Look for the School Finder tip icon  throughout this guide for search tips and more.

**Find a School** | [schools.nyc.gov/SchoolSearch](https://schools.nyc.gov/SchoolSearch) | Use your address to learn if you have a zoned high school.

**Trip Planner** | [mta.info](https://mta.info) | Find the best route from home to school by subway or bus.

### LEARN ABOUT SPECIALIZED HIGH SCHOOLS

**Specialized High Schools Website** | [schools.nyc.gov/SHS](https://schools.nyc.gov/SHS) | Get more information about the nine specialized high schools and read the Specialized High Schools Student Handbook.

**Specialized High Schools Email List** | [schools.nyc.gov/Subscribe](https://schools.nyc.gov/Subscribe) | Sign up for our email list to get admissions tips and key date reminders.

### GET HELP WITH YOUR APPLICATION

**Your School Counselor** | Your counselor will guide you through the admissions process and help you build your best possible high school application.

**Family Welcome Centers** | [schools.nyc.gov/WelcomeCenters](https://schools.nyc.gov/WelcomeCenters) | Visit a Family Welcome Center to get help with your high school application—locations and hours are listed on the website.

**NYC Department of Education** | **718-935-2009** | [HSEnrollment@schools.nyc.gov](mailto:HSEnrollment@schools.nyc.gov) | Call or write us if you have questions about high school admissions.

---

---

# HOW TO

## USE THIS DIRECTORY

---

There are five steps in the high school admissions process. Use this directory as your guide.

### 1. Understand your high school options

- Learn about the paths in admissions for high school and the specialized high schools in **Section 1.0**.
- Find out about several types of high schools in **Section 3.2**.

### 2. Find programs that interest you.

Start exploring schools and programs in the summer after seventh grade. What matters to you most in a high school? Is it a theme, school size, specific academics, sports, or a music program?

- Learn how to read a school page in **Section 3.0**.
- Browse the school pages in this directory and use NYC School Finder to discover high school options across New York City. Find out about specific programs and activities and think about your daily commute.
- Build a list of programs that interest you. Discuss it with your family and your school counselor.

### 3. Learn your chances of getting an offer from programs of interest.

Find out why each program might be a reach, target, or likely program for you in **Section 4.0**—learn about program demand, admissions priorities, admissions methods, and more. Use the activities in **Sections 4.4** and **4.9** to help choose 12 programs for a balanced application.

### 4. Create your own admissions calendar.

Use the Action Checklist on the next page as a guide.

- Identify any programs that require auditions or assessments.
- Register for the Specialized High Schools Admissions Test or LaGuardia High School auditions by **October 11, 2018**.
- Go to high school fairs and visit schools. Learn more in **Section 5.0**.

### 5. Apply to high school online, through your school counselor, or at a Family Welcome Center by December 3, 2018.

- Learn how and when to get, complete, and submit the Round 1 application in **Section 2.0**.
- List 12 programs on the application in your true order of preference.
- Get your Round 1 results in March. Learn about high school offers in **Section 6.0** and Round 2 applications in **Section 7.0**.

# HIGH SCHOOL

## ACTION CHECKLIST

### TIP

Find dates for family workshops, high school fairs, open houses, and other high school admissions events at [schools.nyc.gov/High](https://schools.nyc.gov/High)—click on the calendar icon to find events by borough, district, and more.

### JUNE-AUGUST

- Use the 2019 NYC High School Directory and NYC School Finder ([schoolfinder.nyc.gov](https://schoolsfinder.nyc.gov)) to build a list of programs that interest you. Check your commute to each program of interest.
- Look at your June 2018 final report card and compare it to selection criteria shown for programs that use a screened or audition admissions method.
- Go to the family workshops for high school and specialized high schools admissions.
- Plan your admissions calendar for the fall—find each school's open house date on our website's calendar or by contacting schools directly.
- Specialized high schools** | Read the Specialized High Schools Student Handbook to prepare for the Specialized High Schools Admissions Test (SHSAT) and LaGuardia High School auditions.

### SEPTEMBER-NOVEMBER

- Attend the high school fairs in September and October—see the back cover for dates. Check our website for up-to-date information on locations and times.
- For audition programs, find audition dates for specific programs and learn how to register in the school pages of this directory, or contact schools directly for up-to-date information.
- For screened programs, find admissions requirements and instructions for specific programs in the school pages of this directory.
- Meet with a counselor at your school or a Family Welcome Center to discuss your Round 1 application.
- Attend open houses for high schools.
- Review the admissions priorities for programs of interest. Learn which priority group you're in for each program.
- For audition programs, go to auditions, interviews, and information sessions.
- For screened programs, complete school-based assessments and/or submit portfolios.
- Specialized high schools** | Register for the SHSAT and/or LaGuardia High School auditions through a counselor at your school or a Family Welcome Center by **October 11, 2018**.
- Specialized high schools** | Get your SHSAT ticket and/or LaGuardia High School audition ticket. The ticket will show your test/audition dates, times, and locations.
- Specialized high schools** | Take the SHSAT and/or audition for LaGuardia High School as scheduled in October or November. Taking the test or auditioning means you have applied.

### DECEMBER

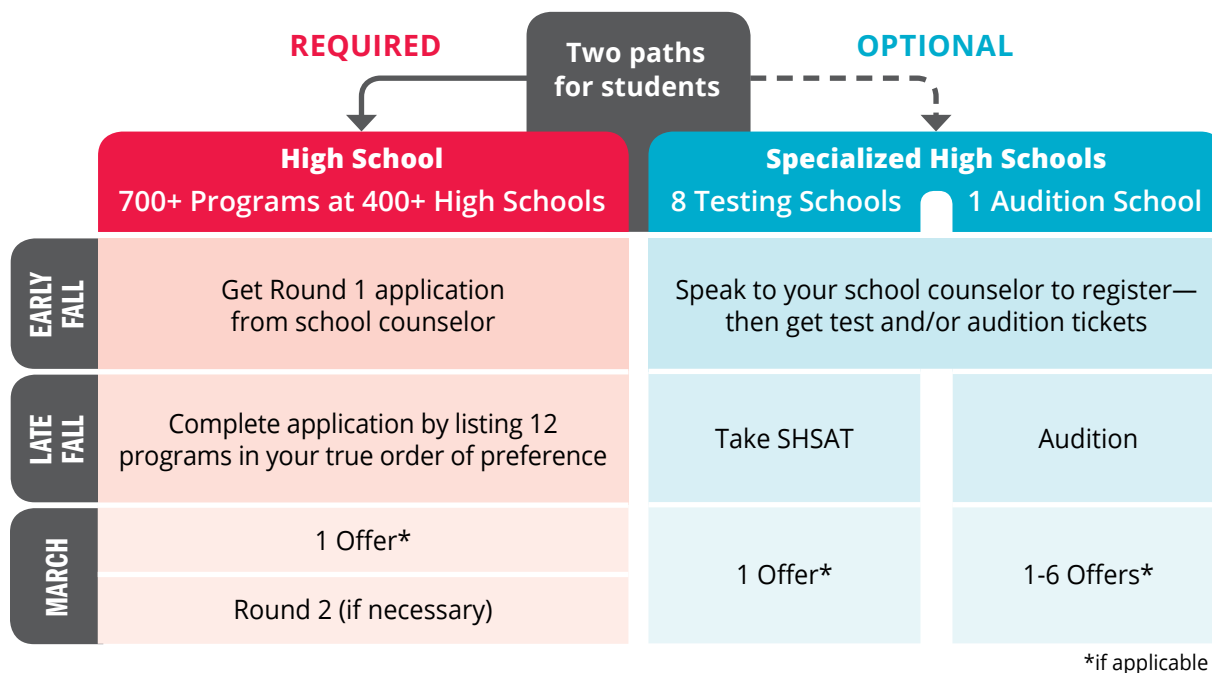

- Submit your Round 1 application by **December 3, 2018**. **Apply one of three ways.**
  1. Online at [schools.nyc.gov/High](https://schools.nyc.gov/High)
  2. Through your school counselor
  3. At a Family Welcome Center—find locations at [schools.nyc.gov/WelcomeCenters](https://schools.nyc.gov/WelcomeCenters)
- Continue to complete any assessments, attend any auditions or interviews, and/or submit portfolios by school deadlines.

### MARCH

- Get your Round 1 results letter, which may include a high school offer and, if applicable, your specialized high schools results. You may get one offer, multiple offers, or no offer in Round 1.
- If you don't get an offer in Round 1:** Apply in Round 2.
  - Get the Round 2 application and program list; explore Round 2 options in NYC School Finder.
  - Attend the Round 2 high school fair.
  - Submit your Round 2 application.

## 1.0 Know the Paths to High School

There are two paths in DOE public high school admissions—applying to high schools (required) and testing or auditioning for specialized high schools (optional).

### 1.1 Applying to High School

Submit a Round 1 application by **December 3, 2018**, online, through a school counselor, or at a Family Welcome Center—find locations and hours at [schools.nyc.gov/WelcomeCenters](http://schools.nyc.gov/WelcomeCenters). You can apply to 12 programs on your application. In March, you will get your Round 1 results letter, which may include a high school offer, as well as any offers to specialized high schools; learn more below.

Be sure to apply in Round 1 with a complete application! There is a Round 2 of high school admissions, but there will be fewer options in that round. If you do not get a Round 1 offer, submit a Round 2 application.

### 1.2 Testing or Auditioning for the Specialized High Schools

All students are also welcome to apply to the specialized high schools. These nine schools offer a broad liberal arts curriculum in addition to courses in their area of specialization. Read about each specialized high school on its school page in this directory (look for the 🏛️ icon) to see if it's a good fit for you.

There are two types of specialized high schools.

- 1. Testing.** Eight of the specialized high schools require students to register for and take a test—the Specialized High Schools Admissions Test (SHSAT)—for admission. Register for the SHSAT by **October 11, 2018**. These schools make offers to applicants based on their SHSAT scores, the order applicants list these schools on their test answer sheets, and seat availability. They do not consider students' academic records. Apply to these schools by taking the SHSAT; your test is your application. Applicants who score high enough will get one offer.

The testing specialized high schools are:

- High School of American Studies at Lehman College
- The Bronx High School of Science
- The Brooklyn Latin School
- Brooklyn Technical High School
- High School for Math, Science, and Engineering at City College of New York
- Queens High School for the Sciences at York College
- Staten Island Technical High School
- Stuyvesant High School

**2. Audition.** One of the specialized high schools, Fiorello H. LaGuardia High School of Music & Arts and Performing Arts, requires students to register and audition for any of these six studios: Dance, Drama, Fine & Visual Art, Instrumental Music, Technical Theater, and Vocal Music. Register for these auditions by **October 11, 2018**. Offers to these studios are determined by applicants' audition performances or submissions. LaGuardia High School also reviews applicants' academic record and attendance information from the prior school year. Apply to LaGuardia High School by auditioning; the audition is your application.

If you take the SHSAT or audition for LaGuardia High School, your Round 1 results letter may include offers from these specialized high schools. These schools do not participate in Round 2, and you can't submit an appeal to a specialized high school.

**TIP**

Use the Specialized High Schools Student Handbook to learn how to register and prepare for the SHSAT and LaGuardia High School auditions—learn more about each school and take practice tests.

### 1.3 Who Can Apply?

You must be a current New York City resident and an eighth grade student or first-time ninth grade student to apply to DOE public high schools.

All of the following students are welcome to apply to any of the programs listed in this directory or in NYC School Finder:

- Current public district or charter school students, private school students, and parochial school students
- Students with accessibility needs—learn more in **Section 8.1**
- Students learning English—learn about English Language Learner (ELL) service delivery models in **Section 8.2**
- Students with disabilities—learn more in **Section 4.7**
- Students in District 75 programs—learn more in **Section 8.4**
- Students in temporary housing—learn more in **Section 8.5**
- Students with children—learn about LYFE programs in **Section 8.6**
- LGBTQ and gender nonconforming students—learn more in **Section 8.7**
- Students new to NYC public schools

If you move to New York City during the school year and need to find a high school now, visit our New Students page ([schools.nyc.gov/NewStudents](https://schools.nyc.gov/NewStudents)) to learn how to enroll.

## 1.4 Applying to Charter Schools

Charter schools are free public schools that are open to all New York City students and that operate independently from the Department of Education (DOE). Instead, charter schools operate under a performance contract, or charter, issued by a New York State authorizer. Charter schools are accountable for meeting specific academic goals and often try different approaches to ensure their students meet these goals.

Charter schools have a separate high school application process. If you would like to apply to high school at a charter school, please contact that school directly to learn about their enrollment and admissions. Note that some charter high schools only admit students who attend eighth grade at one or more partner charter middle schools.

Any student eligible for admission to a DOE public school is eligible for admission to a public charter school. For a list of charter high schools, turn to the back of this directory. Visit [schools.nyc.gov/Charters](https://schools.nyc.gov/Charters) or call **212-374-5419** for more general information about charter schools in New York City.

## 2.0 Apply to High School

Apply to high school by **Monday, December 3, 2018**. The high school application will be available in the fall.

### 2.1 How to Apply

You can apply to high school **one of three ways**.

**1**

#### Online at [schools.nyc.gov/High](https://schools.nyc.gov/High)

During the application period, this option will be available 24 hours a day in English, Spanish, Chinese, Bengali, Russian, Arabic, Urdu, Haitian Creole, Korean, and French.

or

**2**

#### Through your school counselor

Speak to your counselor this fall about submitting a Round 1 application through the school. Even if you plan to apply online, make an appointment to talk to your counselor about your application choices.

or

**3**

#### At a Family Welcome Center

Find locations and hours at [schools.nyc.gov/WelcomeCenters](https://schools.nyc.gov/WelcomeCenters). You can apply in person in over 200 languages. If you speak a language other than English, ask for an interpreter.

Find the most up-to-date information on how to apply at [schools.nyc.gov/High](https://schools.nyc.gov/High).

## 2.2 Student Information

---

If you are a current NYC public school student, some sections of the high school application will be completed for you. Check to make sure each of the following is correct and complete—if not, tell your counselor.

### Your Information

- Your full name and date of birth
- Your student ID number
- Your current address and, if applicable, your zoned high school—learn if you have a zoned school at [schools.nyc.gov/SchoolSearch](https://schools.nyc.gov/SchoolSearch)
- Information about your Individualized Education Program (IEP), if you have one—learn more about special education in **Section 4.7**
- Information about any accessibility needs—learn more in **Section 8.1**
- Information about any English Language Learner (ELL) services—learn more in **Section 8.2**
- A parent or guardian's name and phone number

### School Information

- Which seat group you are eligible for: general education or students with disabilities—learn more in **Section 4.7**
- Your current grade level (8 or 9) and current school
- Your academic record—learn more in **Section 4.9**
  - New York State ELA and math test scores and dates, if applicable
  - Your final attendance report from the 2017-2018 school year
  - Your final June 2018 report card grades (no health or physical education grades included)
  - Your guaranteed offer (zoned or continuing) program, if applicable

If you have any extenuating circumstances regarding attendance, grades, or test scores, tell your counselor.

If you are new to NYC public schools, call **718-935-2009** or visit a Family Welcome Center—find locations and hours at [schools.nyc.gov/WelcomeCenters](https://schools.nyc.gov/WelcomeCenters).

## 2.3 High School Program Choices

---

On your application, you will list the 12 high school programs that interest you the most. Always list programs in your true order of preference, with your favorite choice as #1 and your least favorite choice as #12. If you have a guaranteed offer to a particular program, this program's information should be in your application. You will be asked to provide the following information for each program when you apply:

- The four-digit program code—see the Programs Offered section on the school's page
- The program's full name
- The school's full name

### TIP

Listing more choices improves your chances of getting an offer from a program of your choice. Last year, 97% of students who listed 12 choices on their applications got an offer from one of those choices. Learn how to make thoughtful choices and create a balanced application in **Section 4.0**.

---

## 3.0 Learn About Schools and Programs

### 3.1 School Pages

A school's page in this directory or on NYC School Finder ([schoolfinder.nyc.gov](http://schoolfinder.nyc.gov)) can help you decide if it might be a good place for you.

Here is what a sample school page looks like. As you look at each section of the school page, consider how a school's offerings line up with your interests. Are its courses and activities ones that you enjoy, do well at, or would like to explore?

Please note that all the information on a school page refers to information from the previous school year and may change for the 2018-2019 school year. Contact schools directly for the most up-to-date information.

**Chambers Street High School | 99S123**

Chambers Street High School is committed to academic excellence. We have an innovative program focusing on Science, Technology, Engineering, and Mathematics (STEM), as well as a performing arts program that offers extensive training in acting technique, voice, diction, and dramatic writing. Students at Chambers Street High School have opportunities to visit cultural institutions in New York City, and are regularly accepted into competitive four-year colleges.

**ACADEMICS**

- CTE program(s) in: Business, Health Science, Information Technology
- iLearnNYC: Program for expanded online coursework and self-paced learning
- Saturday Academy for tutoring and enrichment
- SAT Preparatory Classes

**English Language Learner Programs:** English as a New Language (ENL); Transitional Bilingual Education: Spanish

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Calculus, Computer Science, Environmental Science, U.S. Government and Politics, Spanish

**Diploma Endorsements:** Arts, CTE, Math, Science

**ACTIVITIES**

Dance Club, National Honor Society, Mouse Squad, Student Government, Peer Tutoring, Mock Trial, Theater, GSA, Model UN, Chess, Gardening, School Newspaper, Jazz Band, Debate, Anime Club

**PSAL Sports—Boys:** Baseball, Basketball

**PSAL Sports—Girls:** Softball, Volleyball

**School Sports:** (NCAA Cleared) Girls' Softball, Girls' Volleyball, Boys' Baseball, and Boys' Basketball

**PERFORMANCE**

- 86% of students graduate in four years
- 61% of students enroll in college or career programs within 6 months
- 90% student attendance
- 92% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 85% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

*Search 99S123 at [schools.nyc.gov/accountability](http://schools.nyc.gov/accountability) for more about this school.*

Learn if schools are only open to certain students. Schools open to all NYC residents are marked with the 🍏 icon. Learn more about eligibility in [Section 4.3](#).

Certain school types and schools that offer tenth grade seats are marked with icons—learn more about school types in [Section 3.2](#).

Use a school's location information to consider what your daily commute would be like.

See if a school has a LYFE program for students who have children—learn more in [Section 8.6](#) and at [lyfenyc.org](http://lyfenyc.org).

Call or email about a school's open house or to ask questions.

Learn more about accessibility in [Section 8.1](#).

Consider how a school's size, schedule, and other features might affect your daily learning experience.

**School Eligibility**

- 🍏 Open to all NYC residents (also check program eligibility)

**School Type**

- 10 10th Grade Seats Also Offered

**Neighborhood:** Central Bronx

**Address:** 123 Chambers Street, Bronx NY 99999

**Shared Space:** No

**LYFE Program:** Yes

**Subway:** 🚇 🚝 🚘

**Bus:** Bx1, Bx3, Bx40, Bx42

[schools.nyc.gov/SchoolSearch](http://schools.nyc.gov/SchoolSearch)  
212-555-5555 | 212-555-5556 (fax)

**Accessibility:** Fully Accessible ♿  
See [Section 8.1](#) for more information.

**Grades:** 6-12 | **Students:** 1050

**Typical Schedule:** 7:45am-4pm

College trips • Community Service Expected • Extended Day Program • Health Center • Internship Expected • Online Grading System • Saturday Programs • Student/Parent Orientation • Summer Bridge Program • Uniform • Community School

## 3.2 School Types

Learn about some types of high schools. Most of these types are marked with icons on the school page.

### Schools Offering 10th Grade Seats in Admissions

If you are a current first-time ninth grade student, you can apply to these programs—they have seats set aside specifically for students who will be starting tenth grade in the fall of 2019.

**School Finder Tip:** Filter for programs with **10th grade seats available** on NYC School Finder ([schoolfinder.nyc.gov](https://schoolfinder.nyc.gov)).

### Schools for New Arrivals

Schools for new arrivals, including schools within the International Network for Public Schools, serve students who are new to the country. All have requirements regarding home language, English proficiency, and/or the amount of time a student has lived in the United States. Before you apply to a school for new arrivals, look at their eligibility, admissions priorities and selection criteria.

**School Finder Tip:** Filter for programs with a **screened: language** admissions method on NYC School Finder ([schoolfinder.nyc.gov](https://schoolfinder.nyc.gov)).

### Community Schools

Community schools offer an integrated focus on academics, health and wellness services, youth development, expanded learning opportunities like after-school and summer enrichment activities, and family and community supports to ensure that students are ready and able to learn, to graduate college, and to be career-ready. Each community school serves as a hub where parents/guardians and family members, community-based partners, community members, and school staff come together to coordinate and integrate a range of supports based on the assets and needs of individual students.

**School Finder Tip:** Use the search term **community school** on NYC School Finder ([schoolfinder.nyc.gov](https://schoolfinder.nyc.gov)) for a list of schools.

### Career and Technical Education (CTE) Programs and Schools

Career and Technical Education (CTE) schools and programs offer students rigorous academic coursework, including a sequence of courses to develop applied skills in a career path. Beyond the classroom, students can take part in career exploration and development activities including career mentoring, workplace tours, job shadowing, internships, and other preparatory real-life experiences. CTE programs offer the following:

- A wide range of industry options for students leading to potential postsecondary and career opportunities.
- The opportunity to earn Advanced Regents diplomas, a CTE pathway to graduation, pursue industry-recognized credentials and additional industry training, and/or get support to enter the workforce.

Learn if a school has a CTE program in the Academics section of a school's page in this directory. Find a full list of CTE programs at [schools.nyc.gov/CTE](https://schools.nyc.gov/CTE) or ask schools directly whether they offer any CTE programs. Learn more at [cte.nyc](https://cte.nyc).

**School Finder Tip:** Use the search term **CTE programs** on NYC School Finder ([schoolfinder.nyc.gov](https://schoolfinder.nyc.gov)) for a list of schools that offer these programs.

## Early College

Early college high schools blend a rigorous college-prep curriculum with the opportunity to earn up to two years of college credit toward a liberal arts Associate degree while in grades 9-12 at the high school level at no cost to students. These schools maintain a partnership with a college to provide academic and social supports to help students develop the knowledge and skills needed to succeed in college. Find more information on a school's early college degree course offerings on its school page, or contact a school directly.

### 14 Early College and Career Schools Grades 9-14

Early college and career schools, also called NYC P-TECH Grades 9-14 schools (Pathways in Technology Early College High Schools), offer a six-year program where students can earn a high school diploma and a no-cost, career-specific Associate degree (or up to two years of transferable college credits), plus gain valuable workplace skills. As both an early college and a Career and Technical Education (CTE) school, each school has a specific science, technology, engineering, or math-based career theme for its rigorous academic and CTE program. Students participate in career exploration activities with the school's lead industry partners, including work-based projects and internships. Students may also begin taking tuition-free college classes as early as tenth grade at the partnering college and have until the fourteenth grade to complete the college credits towards an Associate degree. Through these partnerships, graduates are prepared to begin their careers and continue their postsecondary education. Find more information on a school's career theme and early college degree pathway on its school page in this directory, or contact the school directly.

**School Finder Tip:** Use the search term **9-14** on NYC School Finder ([schoolfinder.nyc.gov](https://schoolfinder.nyc.gov)) for a list of schools.

## Performance Assessment Schools

Instead of requiring that students pass certain Regents exams, these schools' graduation requirements include performance assessments in major subject areas. Assessments involve extensive research projects, presentations, and defense of your work. These schools have a waiver from the New York State Education Department permitting them to award diplomas to students who earn the required course credits and complete the following assessments:

- New York Performance Standards Consortium schools require you to pass the English Language Arts Regents and complete performance assessments in science, social studies, and math.
- Other performance assessment schools require you to pass the ELA and math Regents and complete performance assessments in science and social studies.

**School Finder Tip:** Use the search term **performance assessment school** on NYC School Finder ([schoolfinder.nyc.gov](https://schoolfinder.nyc.gov)) for a list of schools.

## Transfer Schools

Transfer schools are academically rigorous high schools designed to serve students who, based on their grade or age, are significantly off track to accumulate sufficient academic credits to meet high school graduation requirements. If you are 16-21 years old and have fallen behind in credits or left school for an extended period of time, a transfer school can help you get back on track toward graduation; some schools accept students who are 15 years old. Some schools are traditional high schools with a transfer school program. Student success in these schools is strongly supported by a matching process conducted during individual admission interviews.

If you are interested in a transfer school, reach out directly to the school for further information.

**School Finder Tip:** For transfer schools, filter for programs with a **transfer** admissions method on NYC School Finder ([schoolfinder.nyc.gov](https://schoolfinder.nyc.gov)). For all transfer program options, including traditional schools with transfer school programs, use the search term **transfer program**.

### 3.3 School Performance

In this section on the school page, you will find data about school performance and quality for the 2016-2017 school year.

**PERFORMANCE**

- 86% of students graduate in four years
- 90% student attendance
- 85% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- 61% of students enroll in college or career programs within 6 months
- 92% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

Search 995123 at [schools.nyc.gov/accountability](https://schools.nyc.gov/accountability) for more about this school.

Here are some city averages so you can see how specific schools compare:

Percentage of students who earned a high school diploma four years after entering ninth grade.

Student opinions on school safety, as reported on the NYC School Survey

Percentage of students who graduated from high school four years after they entered ninth grade and then enrolled in college, a vocational program, or a public service program within six months of graduation

**CITY AVERAGE PERFORMANCE**

- 74% of students graduate in four years
- 89% student attendance
- 74% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- 57% of students enroll in college or career programs within 6 months
- 84% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

Student opinions on school offerings, as reported in the NYC School Survey

Daily attendance rate of the school's students

If you have questions about school performance or quality data, speak with your school counselor. You can also visit [schools.nyc.gov/Accountability](https://schools.nyc.gov/Accountability) to read our School Quality Reports, which include more detailed information on each school's performance. Additionally, the New York State Education Department (NYSED) determines the school accountability based on its own set of measures—learn more on their website ([data.nysed.gov](https://data.nysed.gov)).

### 3.4 Programs Offered

When you apply to high school, you are not just applying to schools—you are applying to programs. Think of a program as a doorway to get into the school. If a school has multiple programs, you can apply to more than one program at that school. For instance, a school might have an arts program and a technology program; if you were interested in both dancing and computer programming, you might apply to the same school twice—once through each of these programs.

The information on the school pages in this directory and on NYC School Finder ([schoolfinder.nyc.gov](https://schoolfinder.nyc.gov)) can help you see if specific programs and schools might be good places for you.

Use the Programs Offered section of a school page to figure out your chances of getting an offer to a specific program.

**PROGRAMS OFFERED**

**Science, Technology, Engineering and Mathematics** Code: S34A ♥ Reach ♥ Target ♥ Likely

**Admissions Method:**  
 Screened

**Interest Area:** STEM

**10th Grade Seats Offered:** 15

**Program Description:** Comprehensive CTE program that includes rigorous study in Science, Technology, Engineering, and Mathematics fields. Includes work-based learning experiences with partner organizations, including local hospitals and engineering firms.

**Admissions Priorities:** 👤 Priority to continuing 8th graders—**60%** of offers went to this group 👤 Then to Bronx students or residents—**40%** of offers went to this group 👤 Then to New York City students or residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Course Grades: English (85-100), Math (80-100), Social Studies (90-100), Science (85-100)
- Standardized Test Scores: English Language Arts (2.9-4.5), Math (3.2-4.5)
- Attendance and Punctuality

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	48	No	336	7
Students with Disabilities	12	No	72	6

---

**Theater Arts** Code: S34B ♥ Reach ♥ Target ♥ Likely

**Admissions Method:**  
 Ed. Opt.

**Interest Area:** Performing Arts

**Program Eligibility:** Open only to Bronx students or residents.

**10th Grade Seats Offered:** No

**Program Description:** Small group instruction in a variety of courses focusing on the theater arts, including acting, singing, dancing, stagecraft, and technical theater. Opportunities to participate in twice-yearly theater productions, and to intern at a variety of New York City theater organizations.

**Admissions Priorities:** 👤 Priority to continuing 8th graders—**40%** of offers went to this group 👤 Then to Bronx students or residents—**60%** of offers went to this group

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	72	Yes	360	5
Students with Disabilities	18	Yes	108	6

## 4.0 Know Your Chances of Getting In

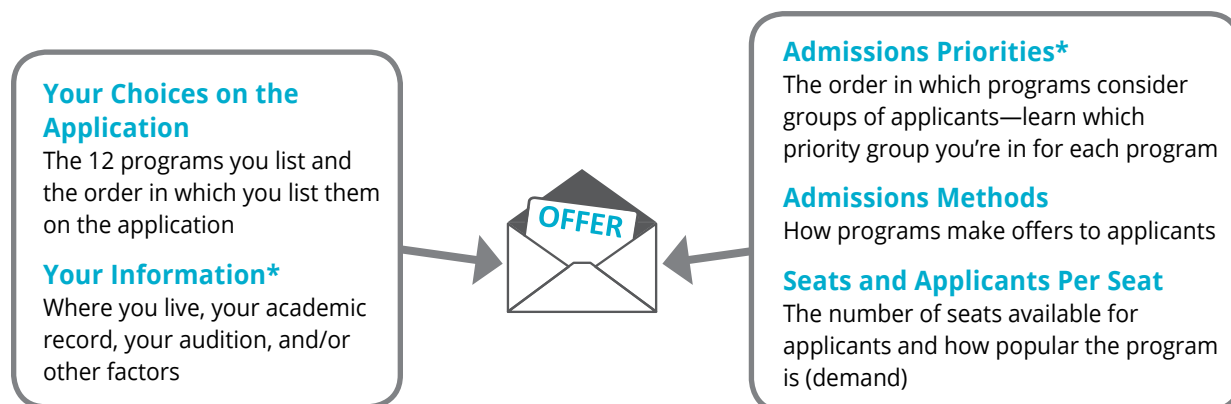

How can you know your chances of getting an offer from your favorite schools and programs? How do you increase your chances of getting an offer from one of your application choices?

A good way to know your chances of getting an offer is to figure out if each program you like is reach, target, or likely for you.

- ♥ **Reach** Lower chance you'll get an offer
- ♥ **Target** Average chance you'll get an offer
- ♥ **Likely** Higher chance you'll get an offer

Several factors determine whether a program is a reach, target, or likely program for you.

Some of these factors are ones you can control; others are determined by the school. Learning about all of these factors can help you make smart choices about where to apply. These are the factors:

\*Only for some programs

## 4.1 Your Choices on the Application

The number of program choices you list on the application and the order in which you list them matter! Adding more choices increases your chance of getting an offer from a program you want. Last year in Round 1, 56%\* of students who listed just one choice on their application got an offer, while 97% of students who listed twelve choices got an offer. Listing fewer than 12 works against you by lowering your chances of getting a Round 1 offer.

\* Percentage does not include students who applied only to their guaranteed (zoned or continuing) programs.

### TIP

List programs on your application in your true order of preference. High schools will not see your application choice order, so they will not know if they are your first or twelfth choice.

## 4.2 Your Information

Some programs give an admissions priority to students who live or attend school within a particular borough or district. Other programs may look at an applicant's academic record, so your performance matters. See **Section 4.8** to learn which programs consider where you live or your academic record when making offers.

## 4.3 Eligibility

Some programs are only open to students who live or go to school in a certain borough, who speak a home language other than English, or who meet another eligibility requirement.

In the following example, this program's eligibility is "Open only to Bronx students or residents." This means that if a student lives or attends school in a different borough, they can't list this program on their application.

**Theater Arts** Code: **S34B**

**Admissions Method:**  
△ Ed. Opt.

**Interest Area:** Performing Arts

**Program Eligibility:** Open only to Bronx students or residents.

**10<sup>th</sup> Grade Seats Offered:** No

**Program Description:** Small group instruction in a variety of courses focusing on the theater arts, including acting, singing, dancing, stagecraft, and technical theater. Opportunities to participate in twice-yearly theater productions, and to intern at a variety of New York City theater organizations.

**Admissions Priorities:** ① Priority to continuing 8th graders—**40%** of offers went to this group ② Then to Bronx students or residents—**60%** of offers went to this group

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	72	Yes	360	5
Students with Disabilities	18	Yes	108	6

### TIP

A program's eligibility may be more specific than its school's eligibility. Look for a program's eligibility requirements in the Program Eligibility section of its school page. If no program eligibility is listed, all students can apply.

## 4.4 Admissions Priorities

A program's admissions priorities determine the order in which groups of applicants are considered for offers to each program.

- Students are considered in groups, and all students in the first priority group will be considered first.
- If seats are available, students in the second priority group will be considered next, and so on.

Look at the following example.

**Science, Technology, Engineering and Mathematics** Code: **S34A** ♥ Reach ♥ Target ♥ Likely

**Admissions Method:**  
 📄 Screened

**Interest Area:** STEM

**10th Grade Seats Offered:** 15

**Program Description:** Comprehensive CTE program that includes rigorous study in Science, Technology, Engineering, and Mathematics fields. Includes work-based learning experiences with partner organizations, including local hospitals and engineering firms.

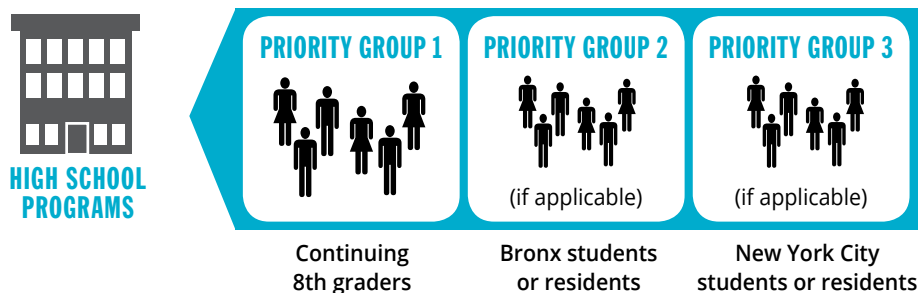

**Admissions Priorities:** 1 Priority to continuing 8th graders — **60%** of offers went to this group  
 2 Then to Bronx students or residents— **40%** of offers went to this group  
 3 Then to New York City students or residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Course Grades: English (85-100), Math (80-100), Social Studies (90-100), Science (85-100)
- Standardized Test Scores: English Language Arts (2.9-4.5), Math (3.2-4.5)
- Attendance and Punctuality

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	48	No	336	7
Students with Disabilities	12	No	72	6

Think about it this way.

This means...

- All continuing eighth grade students who apply to this program are in the first priority group. They will be considered first for offers. Last year, 60% of offers to this program went to continuing eighth-grade students.
- All other eighth grade Bronx applicants are in the second priority group; they will be considered next for offers. Last year, 40% of offers went to this group of students.
- Lastly, eighth grade applicants from all other boroughs are in the third priority group, and will be considered for any remaining seats. Last year, no students from outside of the Bronx got offers to this program.

### Your Chances – Priority

Apply to programs where you are in the first priority group. The higher (1 is highest) your priority group is for a program, the higher the chance you will get an offer. Whenever possible, apply to programs where you are in the first priority group.

### Students at Continuing or with Zoned Schools

If your Round 1 application indicates a guaranteed offer to a particular program, place this program on the application in your order of preference—you do not have to list it first to keep your guarantee. You will receive an offer to this program if you do not receive an offer to a program listed higher on the application. This guarantee would be your continuing school if you attend one, or your zoned school if you have one.

# ACTIVITY

## Understand Admissions Priorities

Chambers Street High School is a continuing school with grades 6-12. Read this program’s admissions priorities and help the three students below think about their chances of getting an offer to this program.

Science, Technology, Engineering and Mathematics
Code: S34A
♥ Reach ♥ Target ♥ Likely

**Admissions Method:**  
Screened

**Interest Area:** STEM

**10th Grade Seats Offered:** 15

**Program Description:** Comprehensive CTE program that includes rigorous study in Science, Technology, Engineering, and Mathematics fields. Includes work-based learning experiences with partner organizations, including local hospitals and engineering firms.

**Admissions Priorities:** ❶ Priority to continuing 8th graders — **60%** of offers went to this group  
 ❷ Then to Bronx students or residents— **40%** of offers went to this group ❸ Then to New York City students or residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Course Grades: English (85-100), Math (80-100), Social Studies (90-100), Science (85-100)
- Standardized Test Scores: English Language Arts (2.9-4.5), Math (3.2-4.5)
- Attendance and Punctuality

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	48	No	336	7
Students with Disabilities	12	No	72	6

Learn About These Students	Jacob	Carmen	Julia
Student lives in and attends school in:	Bronx	Bronx	Queens
Is the student a current eighth grade student at Chambers Street High School?	No	Yes	No

Answer these questions:

1. Which students are eligible to apply to the Science, Technology, Engineering and Mathematics Program?  
 \_\_\_\_\_  
 Why? \_\_\_\_\_
  
2. Which student is in the first priority group? \_\_\_\_\_  
 Why? \_\_\_\_\_
  
3. Which student is in the second priority group? \_\_\_\_\_  
 Why? \_\_\_\_\_
  
4. Which student is in the third priority group? \_\_\_\_\_  
 Why? \_\_\_\_\_

Answers:

1. Jacob, Carmen, and Julia are all eligible for this program, because there are no program eligibility listed.  
 2. Carmen, because she is a continuing eighth grade student.  
 3. Jacob, because he is not a continuing eighth grade student but lives and goes to school in the Bronx.  
 4. Julia, because she is not a continuing eighth grade student and does not live or go to school in the Bronx.

## 4.5 Diversity in Admissions Pilots

High schools across the city are participating in an effort to increase diversity in their programs. The current list of schools participating in diversity pilots is available on our website—learn more at [schools.nyc.gov/DiversityAdmissions](https://schools.nyc.gov/DiversityAdmissions).

## 4.6 Seats and Applicants Per Seat

Look at the Prior Year Admissions section of a school page to learn how popular a program is. This is called demand. Note that all numbers are from last year.

Science, Technology, Engineering and Mathematics Code: S34A ♥ Reach ♥ Target ♥ Likely

Admissions Method: Screened

Interest Area: STEM

10th Grade Seats Offered: 15

**Program Description:** Comprehensive CTE program that includes rigorous study in Science, Technology, Engineering, and Mathematics fields. Includes work-based learning experiences with partner organizations, including local hospitals and engineering firms.

**Admissions Priorities:** 1 Priority to continuing 8th graders — 60% of offers went to this group  
2 Then to Bronx students or residents— 40% of offers went to this group 3 Then to New York City students or residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Course Grades: English (85-100), Math (80-100), Social Studies (90-100), Science (85-100)
- Standardized Test Scores: English Language Arts (2.9-4.5), Math (3.2-4.5)
- Attendance and Punctuality

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	48	No	336	7
Students with Disabilities	12	No	72	6

How many seats the program has

If the program filled all seats in Round 1

How popular the program is (demand)

How many students applied to the program

### Your Chances - Demand

The applicants per seat for a program gives a sense of how in-demand or popular the program is—this can help you know your chances of getting an offer from that program.

- If a program has **ten or more** applicants per seat, it is in high demand. This program is a **reach** for you or any applicant.
- If a program has **four to nine** applicants per seat, it is in average demand. Consider more factors to determine if this is a **target** or **likely** program for you.
- If a program has **three or fewer** applicants per seat, it is in lower demand. Consider more factors to determine if this is a **target** or **likely** program for you.

#### TIP

Listing some lower demand programs on your application gives you a better chance of getting an offer from your application.

## 4.7 Seat Groups – General Education and Students with Disabilities

Seats are divided into two groups— general education and students with disabilities. Your application will show which seat group you are in: general education or students with disabilities. It is not something you choose.

General Education Seats	Students with Disabilities Seats
<ul style="list-style-type: none"> <li>For students who receive general education instructional programming.</li> <li>For students who receive special education instructional programming for <b>20% or less</b> of their academic program as indicated on their current IEP.</li> </ul>	<ul style="list-style-type: none"> <li>For students who receive special education instructional programming for <b>more than 20%</b> of their academic program as indicated on their current IEP.</li> </ul>

Special education instructional programming includes Integrated Co-Teaching (ICT) classes, Special Class (SC), and Special Education Teacher Support Services (SETSS). Related services, such as speech, occupational therapy (OT), and physical therapy (PT), are not considered special education instructional programming for the purposes of high school admissions.

The number of general education and students with disabilities seats in each program is based on the percentage of students with disabilities in that school's borough. These seat groups are used for admissions purposes only.

Every high school participating in high school admissions is expected to welcome and serve students with disabilities in accordance with their Individualized Education Programs (IEPs). The IEP team at the high school will review the IEP to ensure that all services and supports are in place. In some cases, the IEP team may meet to refine the IEP to better meet student needs.

For more information, visit [schools.nyc.gov](http://schools.nyc.gov) and select the Special Education menu.

## 4.8 Admissions Methods

Admissions methods are the ways programs make offers to students. Admissions methods also describe what you need to do to be considered for a program. In most cases, all you have to do is list the program on your application. A school with multiple programs may have programs with different admissions methods.

Science, Technology, Engineering and Mathematics
Code: S34A
♥ Reach

## 4.9 Selection Criteria

---

Programs that have a screened or audition admissions method, or sometimes an educational option admissions method, make offers based on specific selection criteria. Look up a program's selection criteria on the school page to learn if that program will evaluate you based on last year's course grades, standardized test scores (ELA and math), and/or attendance and punctuality, or if they require additional assessments such as an interview, essay, portfolio, or on-site assessment (including an audition).

The selection criteria that a program uses to evaluate applicants and the way the program explains these criteria is called a rubric. Student information is then applied to the rubric to determine a ranking order.

### Your Chances – Selection Criteria

The ranges shown in a screened or audition program's selection criteria refer to the actual ranges of grades, attendance records, and test scores from eighth grade general education students who got offers to this program last year. For example, a program's range for social studies course grades might be 78-100.

The ranges may vary from year to year depending on applicants.

- If your academics are on the **high ends** of a program's selection criteria ranges, you are in the first priority group, and the program is in lower demand, this is a **likely** program for you.
- If your academics are in the **middle** of a program's selection criteria ranges, you are in the first priority group, and the program is in lower to average demand, consider this program a **target**.
- If your academics are on the **low end** of a program's selection criteria ranges, consider this program a **reach**.

The academic ranges for students with disabilities who received offers may be different and are often wider than ranges for general education students.

### No Test Scores?

Consistent with New York State law, New York State ELA and math test results will not be the sole, primary, or major factor in admissions decisions. Students without test scores are eligible to apply to programs with academic ranges listed in a program's selection criteria—schools have been instructed to develop policies for evaluating these students.

#### TIP

Reach out to schools directly to learn about their rubrics. Reading through a rubric helps you learn a program's expectations for its students. It also helps you assess your chances of getting an offer.

---

## What Makes a Balanced Application?

---

A balanced application has a mix of **reach** programs (lower chance of getting an offer), **target** programs (average chance of getting an offer), and **likely** programs (higher chance of getting an offer). School pages do not label programs as reach, target, or likely because one student's target program is another student's likely program—your location, grades, the number of other students applying to the program, and other factors are all part of what makes a program reach, target, or likely for you. Use the questions in the activity that follows to learn if a program of your choosing is a reach, target, or likely choice for your application.

#### TIP

Even if a program is a reach for you, consider applying! Just be sure to include a mix of programs that are target for you and programs that are likely for you on your application, too. This will give you the best possible chance to get a Round 1 offer to one of your choices.

---

Choose a program of interest from the school pages of this directory or from NYC School Finder ([schoolfinder.nyc.gov](http://schoolfinder.nyc.gov)). Practice using the Programs Offered table (or the information in NYC School Finder) to figure out your chances of getting an offer.

**TIP**

Before you begin, copy this activity and use it for each program that interests you. This can help you narrow your list to 12 choices and build a balanced application. Use the inside back cover to keep track of your choices.

Fill in the blanks with information about this program of interest.

**School:** \_\_\_\_\_

**Program Name:** \_\_\_\_\_ **Program Code:** \_\_\_\_\_

Circle one. **Your seat group is:** ( general education | students with disabilities )

Consider the following program factors to learn if this is a reach, target, or likely program for you.

### Factor 1: Is This a High Demand Program?

Learn more in  
**Section 4.6**

The number of applicants per seat shows how popular a program is. This is called demand.

Look up “Applicants Per Seat” in the program table and find the number for your seat group. Then fill in the blank below.  
This program has \_\_\_\_\_ applicants per seat for my seat group.

If the program has **10 or more** applicants per seat, it’s a high demand program. This means it’s a **reach** for you or any student. *Skip to the end of this activity and shade the Reach heart.*

If the program has **4-9** applicants per seat, it’s a low or average demand program—consider other factors to know if the program is **target** or **likely** for you. *Go on to Factor 2.*

or

If the program has **3 or fewer** applicants per seat, it’s a lower demand program—consider other factors to know if the program is **target** or **likely** for you. *Go on to Factor 2.*

## Factor 2: Which Admissions Method Does the Program Use?

Learn more in  
Section 4.8

Look up "Admissions Method" in the program table. Then fill in the blank below.

This program uses the \_\_\_\_\_ admissions method.

If you filled in "screened," "audition," or "screened: language & academics" go on to ask...

### How Does Your Academic Record Compare?

Learn more in  
Section 4.9

For these programs, school pages list the ranges of grades, attendance records, and test scores from students who got offers to this program last year. In the "Selection Criteria" section on the school page, look up these students' academic ranges and compare them with your own record.

Circle your answer. Your New York State ELA and Math test scores and final June 2018 report card grades for this program are mostly...

( **below or at the low end of the range** | **in the middle of the range** | **on the high ends of the range** )

If you circled "below or at the low end of the range," this is a **reach** program for you, regardless of other factors. Skip to the end of this activity and shade the Reach heart.

If you circled "in the middle of the range," this program is a **target** for you, regardless of other factors. Skip to the end of this activity and shade the Target heart.

If you circled "on the high ends of the range," or if this program's admissions method is educational option, screened: language, zoned, or open, consider other factors to see if this is a **target** or **likely** program for you—go on to Factor 3.

## Factor 3: Are You in the First Priority Group?

Learn more in  
Section 4.4

Look up "Admissions Priorities" in the program table. Then circle your answer below.

For this program you are... ( **In the first priority group** | **NOT in the first priority group** )

If you circled "In the first priority group" and this is a lower demand program (see Factor 1), this is a **likely** program for you. Shade the Likely heart at the bottom of the page.

If you circled "In the first priority group" and this is a low or average demand (see Factor 1), this is a **target** program for you. Shade the Target heart at the bottom of the page.

If you circled "NOT in the first priority group," this is a **reach** program for you. Shade the Reach heart at the bottom of the page.

## Is This a Reach, Target, or Likely Program for You?

Shade the heart next to your answer; shade the same heart on this program's school page.

♥ Reach   ♥ Target   ♥ Likely

## 5.0 Go to Events and Visit Schools

Most of the high school admissions process happens in the fall, between September and November. You will need to create an admissions calendar to keep track of the dates and times of high school fairs, open houses, auditions, and appointments for programs that require interviews or on-site assessments.

### 5.1 High School Fairs

Attend the high school fairs in September and October. At these events, you can meet with representatives from different schools on the same day, in the same place. Visit [schools.nyc.gov/High](https://schools.nyc.gov/High) for the latest news on dates and locations for each borough's fair.

### 5.2 School Visits

Visiting a school is the best way to see if it might be a good place for you. It's also a helpful way to test the commute and see how long the trip is from home. Contact schools directly to find out if they have special events, open house listings, or student-guided tours.

Our website's calendar is the best way to find a specific school's open house or information session dates—visit [schools.nyc.gov/High](https://schools.nyc.gov/High) and click on the calendar icon.

#### TIP

When visiting schools, always ask questions—use the activity in this section as a guide. On sign-in sheets, write your contact information clearly.

### 5.3 Assessments and Auditions

Some programs may require you to come in for an evaluation based on your performance in a specific arts area or for an on-site assessment.

Audition programs will list audition dates and times on their school pages in this directory. It's a good idea to refer to a school's website, too, for the most up-to-date audition information.

Screened program assessments may include an interview, portfolio, or on-site essay or exam. Programs must list assessments in the Selection Criteria section of their school pages. However, specific dates and times may be found on the schools' websites.

### 5.4 Common Audition Components

A select group of schools have programs that offer common audition components, indicated by the ★ icon next to the audition admissions method in the Programs Offered section of the school page. These programs all share the same audition components so if a student prepares for one, they may be ready to audition at another participating program. The programs listed on the next page offer common audition components.

	<b>School Name   DBN</b>	<b>Participating Program(s)</b>
<b>BRONX</b>	The Celia Cruz Bronx High School of Music   10X442	Instrumental Music: Concert Band/Jazz Band/ Piano (X33A), Vocal Music: Chorus/Piano (X33B), Instrumental Music: Orchestra/Strings/Piano (X33M)
	Fordham High School   10X437	Dance, Drama, Instrumental Music, Visual Art, Vocal Music (X51A)—Note that the common components do not apply to this program's Technical Theater auditions.
	Theatre Arts Production Company School   10X225	Instrumental Music (X20B), Vocal Music (X20C), Dance (X20R), Drama (X20S), Visual Arts & Technology (X20T)
<b>BROOKLYN</b>	Brooklyn High School of the Arts   15K656	Visual Arts (K47J), Instrumental Music (K47K), Dance (K47L), Vocal Music (K47M), Drama (K47R)
	Fort Hamilton High School   20K490	Joffrey Ballet Dance Academy (K17J), Instrumental Music (K17R), Vocal Music (K17S), Dramatic Arts Academy (K17T)
	Edward R. Murrow High School   21K525	Vocal Music (K57J), Fine and Visual Arts (K57K), Instrumental Music (K57L), Studio Theater (K57P)
<b>MANHATTAN</b>	Art and Design High School   02M630	Commercial Art and Design (M60P), Architectural Design (M60N), Film/Video Production (M60Q), Digital Arts (M60R)
	Gramercy Arts High School   02M374	Fine & Visual Arts (M66A), Performing Arts (M66B)
	The High School of Fashion Industries   02M600	Art, Illustration and Graphics (M68J), Fashion Design and Related Fields (M68L), Business Marketing and Visual Merchandising (M68M)
	Fiorello H. LaGuardia High School of Music & Art and Performing Arts   03M485	Fine & Visual Art, Dance, Instrumental Music, Vocal Music, Drama (No codes: specialized high school)
	Professional Performing Arts School   02M408	Musical Theater (M81H), Drama (M81J), Classical Vocal Music (M81K), Dance (M81N)
	Repertory Company High School for Theatre Arts   02M531	Theater Arts (M20X)
	Special Music School   03M859	Voice, Instrument, and Composition (A85A)
	Talent Unlimited High School   02M519	Musical Theater (M42J), Dance (M42L), Instrumental Music (M42P), Vocal Music (M42K), Drama (M42N)
	Wadleigh Secondary School for The Performing & Visual Arts   03M415	Theater Arts (M26A), Visual Arts (M26J), Vocal Music (M26R), Dance (M26D), Instrumental Music (M26M)
<b>QUEENS</b>	Bayside High School   26Q495	Music: Performance & Production (Q12B)
	Forest Hills High School   28Q440	Drama Academy (Q19N), Academy of Instrumental and Vocal Music (Q19P)
	Frank Sinatra School of the Arts High School	Instrumental Music (Q40K), Dance (Q40M), Drama (Q40N)

The table that follows summarizes the common audition components for each type of arts program. Additional information may be found on each school page.

Program	Definition
<b>Visual Arts</b>	Prepare and present a portfolio with 8-15 pieces of original artwork with a diversity of subject matter and use of media. Three-dimensional pieces may be photographed and included in the portfolio. Complete up to three drawing assignments at the audition. Drawing assignments may include: the human figure and drawing from observation or imagination. Check school websites for examples.
<b>Instrumental Music</b>	You may audition on more than one instrument. Perform a prepared solo selection. Bring your own instrument(s) except piano, tuba, double bass, harp, percussion, and guitar amplifiers, which are provided by the school. Audition includes on-site music tasks (may include singing back melodic patterns, tapping back rhythmic patterns, playing selected scales, or completing a sight reading, music theory, or improvisation task).
<b>Vocal Music</b>	Perform a song that you have prepared and bring the sheet music in your key. Song recommendations may also be listed on school websites. Vocal singers will also be asked to repeat vocal phrases to test rhythm, tonal memory, and basic vocal technique. Ability to incorporate directions from teacher will be considered.
<b>Dance</b>	Participate in both a ballet class and a modern dance class. Applicants must wear ballet shoes and fitted dance attire. Refer to a school's directory page or website to see if a prepared solo is necessary.
<b>Drama</b>	Perform two memorized contrasting monologues (one minute each), for example dramatic/comedic, classical/contemporary, or theater/film. Choose characters close to your age and decide who your characters are talking to and why. Perform an on-demand dramatic or movement activity (e.g. impromptu reading from provided script or improvisation). Wear attire that allows free movement.
<b>Musical Theater</b>	Prepare to audition in all three areas: drama, dance, and vocal music. Drama: Students will perform a one-minute monologue from memory. The monologue should be from a published script. Choose characters close to your age and decide who your characters are talking to and why. Refer to school websites for recommended monologues. Dance: Students should be prepared to demonstrate a modern dance or jazz combination prepared by the dance faculty. Please wear jazz shoes, ballet shoes or bare feet and fitted dance attire. Vocal Music: Students should be prepared to sing 16 bars of a memorized Broadway song. Choose a song performed by a character close to your age. Please bring sheet music in your key for an accompanist.
<b>Film</b>	Portfolio including two storyboards (each a minimum of ten frames each) depicting a scene from imagination and a 250-word essay describing your interest in filmmaking. At the audition, students will be given a description of a short action and will be asked to draw a storyboard on the spot. Optional: Submit a sample of any film or films you have participated in. Films should be submitted on a USB thumb drive, in .mov or .mp4 format. Describe your role in the making of the film in an accompanying written statement.

When you speak with a school representative at a fair or open house, try to ask one question from each box. Create your own questions to learn more about a school.

**Your Questions:**

**School Culture**

How do you support students looking for extra help with their classes?  
Are there opportunities to volunteer or be involved in the community?

**Typical Ninth Grade Program**

What time does the day start and end?  
What time do students usually finish their clubs and activities?  
Are there classes or activities specifically for ninth-graders?  
How does your school communicate with new students the summer before ninth grade?

**Courses**

What are some examples of courses students can take?  
What are your most popular courses?  
What language courses do you offer?  
What makes your school's courses different from other schools?

**College and Career Readiness**

How do you support students towards college?  
What colleges do students from your school usually go to? Why?  
What CTE certification programs does your school offer?

**Admissions**

If you have a screened program, what are your selection criteria?  
Are there any special steps I should take to be considered?  
What are your admissions priorities?

**Admissions True or False?**

Read each statement about applying to high school. Circle if the statement is true or false.

- |   |                      |
|---|----------------------|
| 1. I should list 12 programs on my high school application.   | <b>True or False</b> |
| 2. I can apply to high schools outside my neighborhood and district.  | <b>True or False</b> |
| 3. I'll get offers from several programs I listed on my high school application.  | <b>True or False</b> |
| 4. If a high school has multiple programs, I can list more than one of them on my application.                          | <b>True or False</b> |
| 5. The Round 1 application I'm filling out this fall is the best opportunity I'll have to apply to high schools in NYC. | <b>True or False</b> |
| 6. If I'm happy with my Round 1 offer I should apply to Round 2.  | <b>True or False</b> |

**Answers:**

1. True - 97% of students who listed 12 programs received an offer to one of the programs on their high school application.
2. True - You can apply to high schools throughout New York City. Check the school's eligibility to make sure you can apply; learn and think about how long it will take you to get to school each day before you apply.
3. False - You will receive only one offer from your high school application; list programs in your true order of preference to increase your chances of receiving an offer to a top choice.

4. True - You can list as many programs from a school as you are eligible for; think about the different admissions methods and interest areas of each program at a school before applying.
5. True - Round 1 is your only opportunity to apply to schools when there is complete availability; spend time to explore your options and complete a balanced application.
6. False - You should only apply in Round 2 if you don't have a Round 1 offer or if you prefer a program with Round 2 availability over your Round 1 offer.

## 6.0 Get Your Round 1 Results

In March, your school counselor will give you the Round 1 results letter. This letter may include an offer from your Round 1 application and any offer from a testing specialized high school and/or any of the studios at LaGuardia High School. If you receive multiple offers, you must choose one.

## 7.0 Learn About Options After Round 1

If you do not get an offer, participate in Round 2 of high school admissions.

### 7.1 Round 2

Round 2 takes place in March, and you can only apply to programs that have availability. You can request a Round 2 application and a list of available programs from your school counselor. Specialized high schools do not participate in Round 2.

Apply in Round 2 if any of the following is true:

- You did not apply in Round 1.
- You applied in Round 1 and did not receive an offer.
- You prefer a program with Round 2 availability over your Round 1 offer.

Choose up to 12 programs from the Round 2 program list and submit a Round 2 application. A Round 2 offer replaces a Round 1 offer—you cannot choose between these offers. All eligible students get high school offers by the end of Round 2, and school counselors will distribute Round 2 results letters in May.

### 7.2 Appeals

In May and only at the end of Round 2, you can appeal your offer due to a hardship. You may be required to provide documentation to support your hardship reason, including any of the following.

- Travel hardship
- Housing hardship
- Medical hardship
- Safety issue
- Gender identity issue
- Data entry error
- Special education classification change
- ELL program need
- Accessibility need

You should not submit an appeal to be considered again for a program you applied to in Round 1 or Round 2. If necessary, speak with your school counselor for more information on this process.

### 7.3 Students Who Move During the Admissions Process

If you are new to New York City or moving to the city soon, you can apply to high school by visiting a Family Welcome Center. Find locations and hours at [schools.nyc.gov/WelcomeCenters](https://schools.nyc.gov/WelcomeCenters). Also visit [schools.nyc.gov/NewStudents](https://schools.nyc.gov/NewStudents) to learn how to enroll and learn what documents you need to register.

### 8.1 Students with Accessibility Needs

We are committed to ensuring that our programs, services, and activities are accessible to staff, members of the school community, students, and family members with disabilities. Facilities categorized as fully accessible are all buildings constructed post-1992 or partially accessible buildings that have been assessed and where it was determined all programs and services are accessible. Partially accessible buildings allow for persons with mobility impairments to enter and exit the building, access most relevant programs, and have use of at least one restroom, but the entire building may not be accessible.

We continually assess all of our buildings to determine levels of accessibility and ways to improve it. For the most up-to-date information on school building accessibility, please visit our website ([schools.nyc.gov/BuildingAccessibility](https://schools.nyc.gov/BuildingAccessibility)) or contact the school directly. We encourage you to visit schools to learn more about their accessibility.

### 8.2 English Language Learners

All NYC public schools provide a range of supports and services for English Language Learners (ELLs) to develop their English proficiency and prepare them for success in school, college, and/or careers. We offer three ELL service delivery models in NYC public high schools:

Program	Definition
English as a New Language (ENL)	English as a New Language programs, formerly called English as a Second Language or ESL, provide instruction in English with support in the students' home language so that they can learn to read, write, and speak English. Students in this program can come from many different language backgrounds, and English may be the only common language among them.
Transitional Bilingual Education (TBE)	Transitional Bilingual Education programs provide reading, writing, and other classes in English and in the student's home language. As students' English improves, time spent learning in English increases and time spent learning in the home language decreases. Once a student is no longer identified as an English Language Learner, they will exit the program.
Dual Language (DL)	In Dual Language programs, students are taught in two languages: English and their home language, such as Spanish, Chinese, or French, among others. The goal of this program is for students to be able to read, write, and speak in both English and their home language. In Dual Language classes, the home language and English are used equally.

For more information, visit [schools.nyc.gov/ELL](https://schools.nyc.gov/ELL).

### 8.3 Testing Accommodations

If a student's IEP shows testing accommodations, the accommodations (as long as they do not change what the test or task is measuring) will be provided during the Specialized High Schools Admissions Test (SHSAT) administration, school-based (on-site) screening activities, and auditions. Learn more about testing accommodations on our website at [schools.nyc.gov](https://schools.nyc.gov)—select the Special Education menu and look for the page called Instructional Supports.

### 8.4 Students in District 75 Programs

Students with disabilities who are recommended for and have attended a District 75 program and are considering a high school outside of District 75 should work with their IEP team to determine whether the recommendation for District 75 for high school is still appropriate.

- If the student's IEP team determines that the student no longer needs District 75, then the student participates in high school admissions through the current District 75 school.
- If a student's IEP currently recommends a District 75 program and the IEP team determines that the student will continue in District 75 for high school, the District 75 Placement Office will notify the student of his or her District 75 high school placement in May or June.

## 8.5 Students in Temporary Housing

Students in temporary housing may apply to any of the programs listed in this directory, even if their housing situation is uncertain. Students in temporary housing, as defined by The McKinney-Vento Homeless Assistance Act, are not required to submit documentation (including address, proof of date of birth, and immunization) in order to participate in an admissions process or enroll in school.

## 8.6 Students with Children

**Living for the Young Family through Education (LYFE)** is a NYC DOE program whose mission is to foster a generational impact that positively influences the life outcomes of student parents and their children. LYFE provides free, high-quality early childhood education to children between the ages of six weeks and four years of age who are not yet age-eligible for Pre-K for All. LYFE supports student parents through academic guidance and social advocacy, helping student parents stay on track toward graduating from high school. Learn more at [lyfenyc.org](http://lyfenyc.org).

**School Finder Tip:** Search for **LYFE** on NYC School Finder ([schoolfinder.nyc.gov](http://schoolfinder.nyc.gov)) for a list of schools with on-site LYFE programs.

## 8.7 LGBTQ and Gender Nonconforming Students

High schools admit transgender and gender nonconforming students to programs and schools, including single-gender (female students only or male students only) programs, in accordance with their gender identity consistently asserted at school, regardless of sex assigned at birth. A transgender student interested in a single gender school should ask their school counselor to assist in the application process. Families can learn more at [schools.nyc.gov/TransgenderStudentGuidelines](http://schools.nyc.gov/TransgenderStudentGuidelines).

**School Finder Tip:** Use the search term **GSA** on NYC School Finder ([schoolfinder.nyc.gov](http://schoolfinder.nyc.gov)) for a list of schools with a club or instructional program that supports LGBTQ students.

## 8.8 Diploma Endorsements

Students may earn diploma endorsements after successfully completing additional courses and exams.

Types of diploma endorsements include:

- **Arts Endorsement:** Students must complete 10 credits in one art form (visual arts, music, dance, or theater arts) and pass the corresponding arts assessments.
- **CTE Endorsement:** Students in approved CTE programs must meet alternative credit and assessment requirements.
- **Mastery in Math (Advanced Regents diploma only):** Students must score 85 or higher on each of the three required math Regents exams (Algebra I, Geometry, and Algebra II).
- **Mastery in Science (Advanced Regents diploma only):** Students must score 85 or higher on any three Science Regents exams.

Learn which diploma endorsements a school's graduating students received last year in the Academics section of its school page.

# Listing 12 Choices Matters!

**97%**

received an offer in Round 1

## What High School Programs Are Available in the Bronx?

- 112 district high schools
- 155 programs, plus two specialized high school programs
- Over 12,000 seats for ninth grade students
- 62 schools offer tenth grade seats

## What Are the Program Admissions Methods in the Bronx?

In the Bronx, there are many schools that use an Educational Option (Ed. Opt.) admissions method. 50% of offers are to students who are randomly selected. This means there's nothing you need to do before you apply.

The Academy for Language and Technology (ALT) nurtures inquiry learning, character development, and community building. Our focus is to prepare students to compete in the global economy. Students connect technology to real-world experiences via internships and they develop literacy in both Spanish and English. Ninth graders enter one of our three technology-focused programs: media communications, computer networking, or computer technology. Our school environment—built on community, leadership, and social activism—encourages our students to grow into articulate, responsible citizens.

## ACADEMICS

- CTE program(s) in: Information Technology & Media Communications
- iLearnNYC: Program for expanded online coursework and self-paced learning
- Saturday academy
- Academic intervention services
- Regents preparatory classes, SAT preparatory classes, AP courses and exam preparation

Our school provides a challenging and innovative education focused on math, science, and the integration of technology into all subject areas. Our classes feature inquiry- and project-based curricula and the use of remote response systems. Our non-traditional physical education classes expose students to new experiences that they otherwise might never have. Our students are grouped into four Houses which are divided into smaller advisory groups led by a faculty member. Although classes change, students remain with their House structure and House advisors until graduation. Our students graduate with the knowledge of math, science, and technology applications they need in order to succeed in today's digital society.

## ACADEMICS

- Syracuse University Project Advance (SUPA) partnership offers grades 11 and 12 students college credit in a variety of college courses.
- SUPA courses include Biology, Statistics & Probability, Psychology, College Writing, Forensic Science, Two Comp Science courses, US History, Human Development, and Sport. We add more each year.
- College courses also available through partnerships with Monroe College Jumpstart Program and CUNY College Now.
- Full catalog of Apex online courses available for credit recovery
- Integrated use of technology in all disciplines.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

## ACTIVITIES

After-School Tutoring, Anime Club, Book Club, Chess Club, Dance Club, Knitting Club, National Honor Society, Robotics, Saturday Academy, Student Council, Talent Show

**PSAL Sports—Boys:** Baseball, Basketball, Fencing

**PSAL Sports—Girls:** Basketball, Cross Country, Indoor Track, Outdoor Track, Softball, Volleyball

**PSAL Sports—Coed:** Stunt

**School Sports:** We are also developing a Girls Fencing Team and our Track athletes also participate in Road Runners and Mighty Milers.

Astor Collegiate Academy (ACA) is a college preparatory high school. Our focus on college begins in the summer STEM program prior to 9<sup>th</sup> grade and builds each year as students are given the opportunity to earn college credits through our Advanced Placement (AP) and CUNY College Now programs. Students are required to take a minimum of two advanced math courses, four years of science and earn a diploma with college readiness recognition. In the four years at Astor, students will develop and refine skills in critical thinking, inquiry, and collaborative approaches as they learn to self-advocate and take responsibility for their own learning. Socio-emotional habits are developed and sustained through advisory and college & career seminar courses each year.

**ACADEMICS**

- Incoming 9<sup>th</sup> grade students are strongly encouraged to register for the July Summer STEM program.
- All students are required to take four years of science and math classes. All students are required to wear PE uniform.
- Students may be programmed into AP and CUNY College Now classes beginning their sophomore year.
- Elective courses are zoology, genetics, astronomy, forensics, introduction to statistics, financial literacy, human biology and microbiology.
- Some CUNY College Now courses include DNA Detectives, Precalculus, Fundamentals of Sociology, General Psychology, Problems in Philosophy, and College Algebra.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, English Literature and Composition, Environmental Science

Belmont Preparatory High School was founded in 2002 for academically talented students. The curriculum is based in the humanities and uses an interdisciplinary approach to challenge our scholars in all subjects so that they are college and career-ready upon graduation. We have incorporated numerous activities and programs geared towards achieving these goals including: Six AP courses, CUNY College Now college courses, a full-time college advisor, SAT Prep for juniors and seniors, partnerships with Fordham University, the opportunity to visit almost 100 elite colleges during and universities, PSAL athletics, and extensive student activities; International and Domestic Educational Excursions, and National Honor Society.

## ACADEMICS

- Academic programs are humanities-based and aligned to Common Core standards which ensure that students are prepared for college and university life.
- First-year students are given an additional team-taught science course designed to prepare them for their first Regents exam in Living Environment.
- 10<sup>th</sup> and 11<sup>th</sup> grade students visit select universities in the Northeast and Mid-Atlantic. 11<sup>th</sup> and 12<sup>th</sup> grade students are provided SAT Prep classes.
- Earn college credits through: CUNY College Now, AP US History, AP Environmental Science, AP English Literature, AP Spanish Literature, AP Computer Science, AP Calculus
- Academic partnerships with Fordham University Mentoring Latinas, College Bound @ Fordham, STEP with Bronx Community College, Fordham University Summer Bridge

**English Language Learner Programs:** English as a New Language

## PROGRAMS OFFERED

### College and University Transitional Seminar

Code: X42A

♡ Reach

♡ Target

♡ Likely

#### Admissions Method:

Screened

**Interest Area:** Humanities & Interdisciplinary

**Program Description:** Our early college awareness program helps students explore at an early age the academic, social, financial, and personal rewards of college and to address their areas of concern and build on their strengths. In order to facilitate our mission of college preparation, all juniors and seniors are invited to participate in SAT prep courses. A college advisor and guidance staff direct students from 9-12<sup>th</sup> grade in facilitating college awareness and understanding the application process.

**Admissions Priorities:** 1 Priority to Bronx students or residents—100% of offers went to this group  
2 Then to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Standardized Test Scores: English Language Arts (1.8-4.5), Math (1.6-4.5)
- Demonstrated Interest: School Visit
- Writing Exercise (on-site)

BASE is a CTE high school focusing on computer science and social justice. Courses such as Mobile App Design use the tools of software engineering to focus on real-world problem solving. Internships with industry leaders give students experience with cutting-edge technology. Seminar classes help students make connections across their academic classes, get to know each other, and develop post-graduation plans. BASE will also begin offering an early college and career program in fall 2018 to strengthen students' readiness for college and workforce entry. BASE graduates are prepared to develop their skills in college, enter the software industry as programmers or website designers, and understand and help the communities they live in.

## ACADEMICS

- CTE program in Computer Science
- Internships with industry partners; mentors for every student
- Classes in software development, computer programming, and app development
- Individual academic and career planning
- Project-based learning; project-based activities in science and math

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Computer Science, English Literature and Composition, Statistics, U.S. History

## ACTIVITIES

After-School Tutoring; Clubs including: Anime/Manga, Chess, Community Service, Debate, Fitness Club, GSA, Mouse Squad, Robotics Teams, Student Council. All grades go on college trips.

**PSAL Sports—Boys:** Baseball, Basketball

**PSAL Sports—Girls:** Softball, Volleyball

## PERFORMANCE

- 78% of students graduate in four years

#### Admissions Method:

📄 Ed. Opt.

**Interest Area:** Computer Science & Technology

**Program Description:** All BASE students take four years of computer science, learning programming languages like HTML5, Javascript, and Java. Students use Design Thinking, a human-centered problem-solving approach to solve real-world problems. Seniors do a capstone project where they use skills from across disciplines to address a problem in their community. BASE students participate in citywide hackathons sponsored by groups like Code/Interactive and Forbes, and have had internships at SCENYC, Alvin Ailey, and Gilt.

**Admissions Priorities:** 1 Priority to Bronx students or residents—100% of offers went to this group  
 2 Then to New York City residents

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	85	Yes	1,316	15
Students with Disabilities	23	Yes	417	18

Our mission is to support students in becoming competent, self-confident, and responsible citizens who are ready to participate productively in our democratic society. As a college preparatory high school, we are committed to providing the best opportunities for academic and social growth for all of our students. In keeping with its health theme, BAHC exposes students to a variety of health professions to help them make better career choices. Presently, BAHC is a CUNY College Now, College Access for All, and an Advanced Placement for All school! Students considering applying should be excelling in Math and Science. BAHC is a uniform school.

## ACADEMICS

- Emphasis on Science and Math; CUNY College Now courses begin in 10<sup>th</sup> grade, AP for All, College Access for All, Honor's Program
- CPR/First aid certification, Bronx Community College Medical Billing and Coding certification, Peer Mediation cert., Math diploma endorsement
- Student academic services include PM and Saturday tutoring, SAT Prep, Google Classroom, I-Learn courses
- School activities: career day, college fairs, parent summit, college workshops, FAFSA night, SUNY college trips, PSAL, and the Beacon Program
- Partnerships with New Yorkers Against Gun Violence, NYC Commission of Human Rights, Community Word Project, World Vision, and College Access for All

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, English Literature and Composition, Environmental Science

**Diploma Endorsements:** Math

## ACTIVITIES

We have many clubs such as: Cooking Club, the Dance Club, Multicultural Events, Pep Rallies, Science Club, and Step Club. Students with the desire to start a club may do so with the permission of administration. The following after-school activities are offered through our campus Beacon Program: Cheerleading, CIT Program, Cookshop, Entrepreneur 101, Fashion 101, FlexNYC, Gamer's Choice, Instrumental Life, MMCC Youth Council, Passport to Manhood, SAT Prep, SMART Girls, Writers Corner

**PSAL Sports—Boys:** Baseball, Basketball, Cross Country, Football, Indoor Track, Outdoor Track, Soccer, Swimming

**PSAL Sports—Girls:** Basketball, Cross Country, Indoor Track, Outdoor Track, Softball, Swimming, Volleyball

**School Sports:** PSAL Sports-Boys: Baseball, Basketball, Cross Country, Football, Indoor Track, Outdoor Track, Soccer, Swimming PSAL Sports-Girls: Basketball, Cross Country, Indoor Track, Outdoor Track, Softball, Swimming, Volleyball

## PERFORMANCE

- 81% of students graduate in four years
- 59% of students enroll in college or career programs within 6 months
- 88% student attendance
- 64% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 57% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

Bronx Aerospace High School (BAHS) is a college preparatory school. All students must wear a uniform. BAHS teaches the necessary skills to not only be accepted into a four-year university, but to successfully earn a college degree. Students have access to SAT prep, literacy building, and AP Courses. Qualified students enroll in our Aviation program. These students attend Vaughn College to learn the principles of the aerodynamics behind flying aircrafts. Students will work towards passing the FAA Written Exam and graduate having logged flight hours. Students in this program will learn and practice using the FMX Redbird Simulator. This program is designed for those interested in the engineering field of aviation or becoming pilots.

## ACADEMICS

- The Aviation program teaches the engineering and aerodynamics involved in flying aircrafts to complete Ground School and pass the FAA Written Exam
- The Aviation program is designed for those interested in the engineering field of Aviation or becoming pilots
- AP Courses
- Civil Air Patrol Squadron (CAP)
- CUNY College Now, SAT Bronx prep

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, English Language and Composition, Spanish, Statistics, U.S. History

Our school is designed for English Language Learners, including students whose native language is Bengali, Arabic, French, or Spanish. At Bronx Bridges High School, all teachers and staff work closely with students to achieve their academic goals and explore their interests and passions. Our students' cultural and linguistic backgrounds are an integral part of their academic work. We are committed to assisting students in maintaining the richness of their personal histories and providing them with a sense of their place in the greater community. Capstone Projects are an integral part of our curricula. Our graduates are prepared to meet the challenging demands of a college education and ready to succeed in a 21<sup>st</sup> century workplace.

Our school couples relevant internship experiences with rigorous academic learning. Students learn to be prompt, prepared, positive, and productive and strive to embody our core principles as they develop responsibility, teamwork, and the resiliency needed to enter college and to exceed academic and industry-based standards. We provide our students small class size, advisory, internships, and quality college and career readiness instruction and training to ensure that **100%** of students graduate prepared for college and careers. There is a strong culture that mirrors college and employment where students respect teachers, work hard, and arrive on time. We ensure that each student is cognitively engaged, fully valued, and fully heard.

## ACADEMICS

- Summer orientation, college and career program, internships, AP for All, advisory program
- Job opportunities, overnight college trips, career planning in the areas of medical, law, cooking, entrepreneurship, performing arts and computers.
- We offer AP English courses, AP Environmental Science, and AP History courses.
- All ninth grade students participate in an entrepreneurial program with BUILD. Students learn how to build a company/business from the ground, up.
- We provide in class tutoring during the lesson for students in need of additional supports.

The Bronx Center for Science and Mathematics offers challenging academic programs integrating technology across the curriculum. We meet students' emotional, intellectual, and social needs via a support structure linking faculty, students, and parents. The foundation of our school rests on Seven Core Virtues of citizenship: Respect, Integrity, Honor, Excellence, Commitment, Perseverance, and Service. Our college readiness success is supported by private/public funders who provide science research, robotics equipment, a computer lab, free SAT Prep, mentoring, and underwrite experiential learning and service trips to Nicaragua, Ecuador, Denmark, and Mali. Partners include Hayden and Heckscher foundations, PDT Partners, and Travelers Insurance.

Bronx Collaborative students are academic detectives, bringing New York City's unique resources and rich history into the classroom to investigate and solve real-world challenges. Teachers connect students with community leaders, organizations, and professionals to collaborate on exciting projects. These real-world teamwork experiences offer students feedback that prepares them for success in college and careers. Teachers and counselors know our families, recognize students' talents, and support their needs from the first day of school to graduation. We prepare students for success after high school with special attention to preparing for four-year colleges. Restorative practices and social justice are key features of the school activities.

## ACADEMICS

- Performance-Based Assessment Tasks (PBATs) replace Regents. Papers (15 pages) and oral defense presentations—English, math, science, and history.
- All students take English Regents with a 75 or higher goal which allows them to attend Lehman College classes for free and earn up to 12 credits.
- In all departments, faculty create courses based on their expertise: ex. Food Chemistry, Sports Algebra, Horror Novels, Coding, Japanese Diaspora.
- 11<sup>th</sup> and 12<sup>th</sup> Grade students have “student choice” of major courses and advanced electives customized to their college interests and needs.
- Our 9<sup>th</sup> grade courses are all Pre-AP; we offer an AP Capstone Diploma sequence on the study of language, world cultures, psychology, and the arts.

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

**Language Courses:** Japanese, Spanish

Bronx Compass High School's mission is for all students to graduate equipped to succeed in the college and career of their choice. We instill in our students to have GRIT: Guts, Responsibility, Integrity and Tenacity, and our entire staff works closely with individual students to demonstrate these core values. During 9<sup>th</sup> and 10<sup>th</sup> grade, students take career exploration courses after school to learn what fields they are most passionate about. During 11<sup>th</sup> and 12<sup>th</sup> grade, students obtain internships with real world industry leaders to prepare for the 21<sup>st</sup> century workplace. In addition to college-readiness coursework, all students visit college campuses and research college options each year to determine the college of their dreams.

## ACADEMICS

- Seminar courses for all students in 9<sup>th</sup> through 12<sup>th</sup> grade to have individualized support through college and career exploration.
- CUNY College Now courses offered at Bronx Compass High School with CUNY Professors.
- Internships for 11<sup>th</sup> and 12<sup>th</sup> grade students mentored with industry leaders throughout New York City.
- Students prepare farm to table meals weekly and visit farms outside New York City through our partnership with Stone Barns Farm.
- Courses in Culinary Arts, Computer Science, 3-D Printing, Graphic Design, Film Studies, Anime, Music Appreciation, SAT Prep and Dance.

**English Language Learner Programs:** English as a New Language

Bronx Design and Construction Academy is a Career and Technical Education high school that offers rigorous integrated instruction that prepares students for entry into the competitive construction trades and post-secondary education. The skills students learn through their CTE coursework are applicable throughout the United States. NYS approved programs include Carpentry, Plumbing, Heating, Ventilation and Air Conditioning Technologies, Electrical Engineering, and Architectural Engineering. As a collaborative community, engaging staff, parents, students, and industry partners, we ensure our students are prepared for both direct entry into construction fields and college upon completion of high school.

## ACADEMICS

- CTE program(s) in: Architectural Engineering, Electrical Engineering
- CTE program(s) in: Plumbing Technology, Carpentry Technology, Heating Ventilation, and Air Conditioning Technology
- Interdisciplinary Curriculum, Advanced Placement (AP) Courses, CUNY College Now courses, College credit-bearing CTE courses
- Work-Based Learning: Industry-led Internships (Industry Scholars Program), Construction Skills, Scholars at Work, OSHA-10 certification, Driver's Ed
- College Access for All, Algebra for All, Annual CTE Competitions (SkillsUSA), Tech Squad

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** U.S. History

**Diploma Endorsements:** CTE

## ACTIVITIES

# Bronx Engineering and Technology Academy | 10X213

Bronx Engineering and Technology Academy is a nurturing and challenging learning environment that supports students' ability to think critically, creatively, and collaboratively both inside and outside the engineering and technology fields. Engineering and technology is used as a lens through which everyday problems are analyzed, approached, and solved. It is our commitment to empower and prepare students to become technologically literate citizens with the skills necessary to succeed at the university level in any field of choice. Students are equipped with the knowledge, skills, and ethical values necessary to assume leadership roles in an increasingly global, technological, and culturally-diverse society.

## ACADEMICS

- CTE program(s): in Architectural Drafting with required internship programs (Engineering)
- STEM School: Students are expected to complete four years of math, technology, and science as well as complete a Career and Financial Management Class.
- Computer Science Academy option beginning in 10<sup>th</sup> grade: Three-year sequence concluding with AP Computer Science Processing; after-school option available.
- College Readiness & Preparation expected: 75 on English Regents, 70 on Math Regents. All students participate in the College Access Advisory Program.
- Internship Requirement for all Students: Some Internship partners are BUILD, Code Interactive, Pencil, ACE (Architecture/Construction/Engineering)

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Calculus AB, Computer Science, English Literature and Composition, European History, U.S. History

**Diploma Endorsements:** CTE

## ACTIVITIES

Bronx Envision Academy (BEA) empowers students by emphasizing artistic and academic achievement. At BEA, the learning process in all academic disciplines mirrors the artistic process and we believe students learn best by doing—imagination is the key to success. We promote student success in partnership with teaching artists, arts organizations, and local businesses. Through our partnership with the College Bound Initiative, our students research colleges and tour colleges beginning in ninth grade. Dedicated to providing students with the resources necessary for their success, BEA enables students to master challenging coursework to graduate as creative and analytical thinkers ready for college and beyond.

## ACADEMICS

- Our portfolio program includes round-table reviews. Juniors present in-depth independent arts and research projects. Seniors lead capstone seminars.
- iLearnNYC: Program for expanded online coursework and self-paced learning
- Small group advisory, strong independent reading program, off-site and project-based learning; portfolio development
- Career & college counseling, partnerships with arts institutions (including Park Avenue Armory paid internships), PENCIL Partnership business class.
- Arts electives, CUNY College Now, Jump Start college credit at Monroe College, Arts-Endorsed Regents diploma

This school is designed for students to explore the health sciences and related health career opportunities. Our young adults are equipped with the necessary literacy and scientific problem solving skills that enable them to become life-long learners while gaining a sense of personal and community responsibility. We emphasize literacy, character development, sensitivity, tolerance, and leadership as crucial components. Through partnerships with Lehman College and Council for Unity, students are exposed to special programs and resources. Academic requirements include the completion of four years of science, math, health sciences, community service, internships, and a portfolio assessment.

Our school offers a small, academically-challenging high school experience to students who wish to enter the fields of medical science and health. Science courses are embedded into all curricular areas. At our school, the first three years of study are devoted to the completion of all requirements for graduation, while the last year is devoted to CUNY College Now coursework. Over the course of their high school experience, students become 'resident experts' in a topic of their choice and are required to compile a variety of reports, experiments, and artifacts culminating in a senior year presentation to their peers.

## ACADEMICS

- Students have the opportunity to shadow health care professionals during the school day, after-school, on weekends, and in the summer
- Students apply to a competitive program and conduct research under the supervision of trained personnel in various areas
- CUNY College Now

**English Language Learner Programs:** English as a New Language

We offer a challenging, sequential, four-year pre-professional art program and an interdisciplinary academic curriculum within a close-knit school community. We offer two visual arts programs: one focuses on developing general knowledge, while the other prepares students to become professional graphic designers. Both programs emphasize skill-building, student creativity, interests, and community contributions. Our cultural partners provide learning experiences and additional resources for students and their families. Our small class size and project-based, student-centered curriculum provide individualized attention and prepare students for college and careers in the arts.

## ACADEMICS

- CTE program(s) in: Graphic Design
- Studio Art, Portfolio, Digital Media, Photography, Museum Apprenticeships/ Internships, CUNY College Now, AP Courses, Syracuse University Courses
- College Now-Lehman and Hostos, Counseling in Schools, Bronx Museum, Global Kids, the Leadership Program, Syracuse University, AP for All

Parent Orientation

We value rigorous academics, college and career preparation, and participation in extracurricular activities. We offer academic support through lunch and learns, after-school and Saturday tutoring, and advisory periods where students engage in college and career exploration beginning in the 9<sup>th</sup> grade. We are a community of writers. Students compose poetry, drama, fiction, non-fiction, and songs. We write for school publications, participate in poetry slams, act in school plays, make films, and create artwork with professional writers, actors, and artists from our lead partners Epic Theatre Ensemble, DC-TV, and Community-Word Project. We encourage all students to take part in extracurriculars like anime, film, and songwriting all four years.

**ACADEMICS**

- Additional Advanced Placement (AP) courses: World History, Spanish
- 1:1 iPad technology in every class
- Access to CUNY College Now college credit-bearing courses
- Stand alone theater and embedded drama program all four years of high school
- School day and after-school film making program with DC-TV

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, English Literature and Composition, Environmental Science, U.S. History

**ACTIVITIES**

BHSWCA offers attendance intervention and emotional counseling, a GSA, a Young Men of Color film program, and a Her-Story girls group. We host an after-school theater program with the award winning Epic Theatre Ensemble, a film program with the internationally recognized DC-TV, an art and mural society with Community Word Project, an anime club, and a song writing and instrument club with guitar and piano. Bronx Community College students provide tutoring. We have an active student government.

The mission of the Bronx International High School is to empower our students to become active participants in today's interdependent and diverse world. We accomplish this by helping enhance our students' cultural awareness, English and native language proficiencies, and intellectual and collaborative abilities. We are dedicated to serving the academic and social needs of recently immigrated young people and their families. By critically analyzing and responding to complex world issues, students achieve academic, personal, and professional success as they become advocates for themselves and their communities.

Founded on the principles of the Coalition of Essential Schools, our school offers a personalized learning community in which teachers develop trust and high expectations. Our courses are inquiry-based and help students develop critical thinking, research, and analytical skills. Our four-year advisory curriculum focuses on the academic, organizational, and social-emotional skills necessary for college. In our Office of College Placement students work with full-time counselors to explore post-secondary goals while completing college and scholarship applications. Since 2008, our graduates have succeeded in city, state, and private colleges and are pursuing careers in business, media, social work, education, and technical fields.

**ACADEMICS**

- Students complete portfolios in English, math, social studies, & science ending in Performance-Based Assessment Tasks (PBATs) replacing most Regents.
- Students must complete, present, and defend academic portfolios to meet graduation requirements. We offer a comprehensive senior internship program.
- Our students spend four years with their advisory group improving leadership skills, building friendships, and preparing for college.
- CUNY College Now classes hosted at Lehman College, College Trips, SAT Prep; Partnerships: ISA, Here2Here, Big Picture Learning and The Mountain School
- All 9<sup>th</sup> graders are mentored by upperclassmen through our Peer Group Connection. They experience Service Learning projects and college trips.

The Bronx Latin School is a college preparatory school for students in grades 6-12. We offer a rigorous program of arts and sciences and encourage serious scholarship, independent thought, and clarity of expression. We work to inspire students to achieve their personal best through collaboration, inclusion, and goal-setting in a supportive environment of high expectations. We believe every child has the right to an exemplary education. We strive to empower our students to thrive in and graduate from college and positively impact their communities.

**ACADEMICS**

- Bronx Latin has an academically rigorous curriculum for students who all take four years of math and science, with Socratic Seminars in all subjects.
- Bronx Latin has an advisory program and a partnership with College Bound Initiative (CBI) guiding students through the college process.
- Bronx Latin offers multiple opportunities for college credit attainment including AP classes and the College Now program offered through Lehman College.
- Bronx Latin offers a lot of academic support through after-school tutoring, online math enrichment and test prep, Regents prep, and Saturday Academy.
- Our college focus includes our CBI partnership, multiple college visits in all grades, and A-List SAT preparatory classes.

Our School's Mission is to 'Engage Minds, Develop Leaders, Explore Possibilities.' Our goal is to ensure we meet students at their level and improve their academic skills with rigorous curriculum to be college and career ready by graduation. This is coupled with supporting their social and emotional development where they can thrive in "life beyond high school" and find their sense of purpose and place in the community and world. We aim to build relationships and offer individualized educational opportunities that develop our students into leaders able to achieve their fullest potential in college and careers. In order to model the professionalism we believe essential for our students' success, all students at BLA II wear a school uniform.

To create an exceptional school, we offer the following programs and services: 1) Advisory: All students have the same Teacher Advisor for their entire high school career. Advisories meet every day in 9<sup>th</sup> grade, and twice a week thereafter, 2) Blue Engine: We are partnered with Blue Engine, who recruits recent college graduates from top universities across the country to serve as Teaching Assistants in all of our ELA and Math classrooms. We currently have 16 Teaching Assistants who facilitate small-group instruction as well as lunchtime and after-school tutoring every day, 3) College Prep: All students take College Prep classes in junior and senior year, where we guide students through the entire college application process.

**ACADEMICS**

- AP for ALL campus, students have access to over 14 Advanced Placement (AP) courses.
- Instructional Focus is Literacy across the curriculum using the Hochman Writing Method in all content areas.
- Blue Engine teaching assistants is all freshman and sophomore ELA classes and all freshman Algebra classes.

We offer students the opportunity to earn a Regents diploma with an arts endorsement by adopting the model of a theater company. Our students stage plays, musicals, and their own original works to explore the universal themes of the human experience and acquire skills and knowledge to meet the learning standards outlined by the NY State Board of Regents. We utilize project-based learning and engage students as artists-at-work. Our program provides the college and career readiness skills for students to succeed in a post-secondary setting. Teaching artists work with teachers to create an ensemble for students to work together, learn together, and become strong contributors to society.

**ACADEMICS**

- Theater Arts courses: Performance, Set Design, Costume Design, Theater Business, and Playwriting
- AP courses, CUNY College Now, arts-related field trips; math, science, and humanities, AP for All, NHS, Naviance, Kinvoled
- Advisory, academic support in PM school and tutoring, Regents prep, college prep, SAT prep, career development internships, driver's education

Our school fosters a realistic, relevant, and hands-on educational experience for students. We use collaborative approaches that benefit students by teaching them skills they will need beyond high school, such as the ability to work in teams, solve multi-faceted problems, and apply what they learn in various settings. Our class sizes are approximately 22 students per academic course, and advisory sections have an average of 15 students each. We have an extended school day to provide structured time, individual attention, and other supports students may need to succeed, and have folded tutoring into the school day. Bronxdale helps each child develop the critical-thinking skills and habits of work necessary for success beyond high school.

**ACADEMICS**

- College Readiness: Performance Assessment pilot (PBAT); Albany science research; inquiry-based learning; capstones projects and socratic seminar
- College and Career Planning: Institute for Student Achievement partner; College Bound Initiative; dedicated college counselor; internships & WBL
- Restorative School & Student Support: advisory; support team; peer mentors; peer mediation; lunch clubs and after-school clubs, community school
- Arts & Electives: Dance with endorsement; Visual and Graphic Arts; Culinary Arts CTE; Drama Partnerships with organizations across NYC; Campus Band
- Tech in every classroom: Google platform; SmartBoard, document camera, and laptops in every room; Coding and Gaming; One-to-one Sprint Hotspot phones

At BPA, we believe all students can succeed with proper guidance and support. We look to awaken in our students a passion for learning that continues throughout their lives. We believe in developing our students into young scholars prepared to meet the challenges of the world. Our small class size offers individualized attention to our students. We have a strong emphasis on reading and writing across the curriculum. Students work with state-of-the-art technology infused throughout the curriculum. At Bronxwood Preparatory Academy, we believe that with teamwork we become "The Home of Achievers!"

At Careers in Sports High School we are preparing our students to interact with the larger world effectively. Aside from the academic skills that students need in order to be successful in life, we also focus on their social/emotional development. We believe that in order to prepare our students for the world at large, we must develop them into resilient leaders who are able to solve problems and communicate effectively. We offer a rigorous college-preparatory curriculum that includes opportunities to explore careers in sports-related fields. Interested students have the opportunity to become involved in extracurricular college-level classes, mentoring programs, clubs, community service projects, and internships.

The Celia Cruz Bronx High School of Music is a small school for students who are passionate about continuing their music studies while pursuing a challenging academic course of study. In addition to music instruction, students are expected to complete course requirements that lead to an Advanced Regents Diploma, college acceptance, and career readiness. The school curriculum requires a commitment of four years of music instruction. In addition, our school has partnerships with Metropolitan Opera, Carnegie Hall, American Museum of Natural History, CUNY Lehman College, and Tony Bennett's Exploring the Arts Foundation.

## ACADEMICS

- Advanced Regents Diploma program; Chancellor's Arts Endorsed Diploma, double periods of Ensemble, Music Electives, SAT prep, and six AP courses
- Jazz Band, Latin Band, String Orchestras, Full Orchestra, Piano, and Choirs
- Honors Courses, CUNY College Now, STEM Focus Courses & Activities, Community Service Partnerships, and National Honor Society
- Minimum of two major performances yearly, evaluated by New York State School Music Association (NYSSMA) as soloists and ensembles
- International Performances, Educational Opportunities & Trips: Ireland, Vienna, Canada, Spain, Costa Rica

**English Language Learner Programs:** English as a New Language

The Cinema School offers a rich liberal arts education grounded in creative activity. Filmmaking serves as the core of a strong academic program that prepares students for a wide range of careers. Students take the required courses for an Advanced Regents diploma which will prepare them for admissions to competitive four-year universities. In addition to providing students with essential creative and technological skills, filmmaking also deepens learning by building confidence, responsibility, teamwork, and leadership. We offer a supportive small school community and individualized attention.

- Summer Bridge Program

The mission of Claremont International High School is to build upon the diverse linguistic and cultural backgrounds of English Language Learners (ELLs) in New York City to create an academically stimulating and nurturing learning community that prepares students for success in college and beyond. Our students cultivate intellectual curiosity, advance critical-thinking skills, and develop empathy as global citizens through the integration of language and the arts in all classes. Students complete an internship during their junior year and have the opportunity to participate in CUNY College Now courses.

## ACADEMICS

- Students complete Performance-Based Assessment Tasks (PBATs) as a replacement for some Regents exams.
- Visual and performing arts electives
- Advisory, Service Learning, CUNY College Now courses

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Spanish

## ACTIVITIES

Community Service, Culture Clubs, Dance, French Language Program, GLOW, Homework Help, Math Tutoring, Newsletter, Photography, SING Club, Student Government, Theater, Visual Arts

**PSAL Sports—Boys:** Baseball, Basketball, Soccer

**PSAL Sports—Girls:** Basketball, Soccer, Volleyball

**PSAL Sports—Coed:** Table Tennis

**School Sports:** Soccer Club

## PERFORMANCE

- 62% of students graduate in four years
- 49% of students enroll in college or career programs within 6 months
- 84% student attendance
- 87% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 92% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

Search **09X564** at [schools.nyc.gov/accountability](https://schools.nyc.gov/accountability) for more about this school.

## School Eligibility

Open only to New York City residents living in the United States four years or fewer who are English Language Learners per New York City Department of Education guidelines scoring at the Entering, Emerging or Transitioning levels on the NYSESLAT, NYSITELL, or LAB-R (also check program eligibility)

Community School for Social Justice (CSSJ) is an active and caring learning community where young people create and develop the intellectual and social skills to become thoughtful and engaged community members. We honor our students' heritage and values. We embrace a climate of social activism in which students are confident about addressing issues that affect their lives. We provide the emotional and academic supports they need to graduate and succeed in life. Our students learn how to ask questions and examine real-life problems. We guide them toward a sense of power and personal discovery to make change for themselves, their futures, and the world in which they live.

**ACADEMICS**

- Students complete Performance-Based Assessment Tasks (PBATs) in Math, English, S.S., and Science as a replacement for some of the NYS Regents exams.
- PBATs are where students complete, present, and defend academic portfolios for graduation.
- CUNY College Now classes-Hostos Community College, Law & Justice Class, Playwriting Class-Manhattan Theater Club & Tectonic Theater Project
- Our students spend four years with their Family Group improving leadership skills, building friendships, and preparing for college.
- 9<sup>th</sup> grade students must complete the Project Exhibition & Community Membership PBAT. 10<sup>th</sup> grade students must complete a Humanities and STEM PBAT.

At the Comprehensive Model School Project (CMSP), children are our first priority. We are an inclusive community comprised of students, parents and educators dedicated to high academic achievement and the complete social-emotional development of each student. We are a community that respects and honors diversity. Students are valued members of our school community who understand the importance of self-respect and respect for others. The academic success of our students is a collaborative effort and is the result of our staff's expertise, planning and professionalism, extensive parent involvement, students' commitment to success, and an atmosphere of social equity in our school.

## ACADEMICS

Our mission is to partner with families and local organizations to serve English Language Learners who have recently immigrated to the United States from countries around the globe. Our graduates are prepared for success both in college and in careers in media & communications. Our school and classes are small; every student is known and supported to achieve. Staff and students work and learn collaboratively in heterogeneous groups. Students develop English language literacy and critical thinking skills by engaging in classroom projects, service learning, and internship programs. They learn to advocate for themselves and their families and to become active leaders in their communities.

**ACADEMICS**

DeWitt Clinton High School has a rich history of educating students in the Bronx for over 100 years. This comprehensive high school offers a wide variety of programs to fit every student's needs. These programs are structured as pathway majors where students choose their program of interest. The majors offer their own four year course sequence, exposing students to college readiness. Students benefit from the care of their major within a large school environment and from the range of instructional programs and activities that only a large school can offer. Students receive Chromebooks and utilize Google Classroom to complete assignments, receive feedback, and receive personalized learning supports.

## ACADEMICS

- Majors: Macy Early College, Health, Engineering, Instrumental, Vocal, Fine Arts, Theater, Environmental Sustainability and Culinary, Sports Journalism
- Macy Honors Program offers a liberal arts college experience, where students to take Advanced Placement (AP) courses, PLTW Biomed or Engineering, and Arts
- Health Professions (Macy) & Engineering offer four-year course sequences, Project Lead the Way (PLTW), Biomedical Sciences, and Engineering.
- Performing Art and Design provides four-year course sequences in Instrumental, Vocal, Theater, Fine Arts; with over 15 elective courses.
- Lehman College Now and Monroe College Partnership; Air Force Junior Reserve Officers' Training Corps (AFJROTC); Google Classroom and Laptops for All

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

At Discovery, students are prepared for college and life after high school. Students learn how to reflect upon their own thinking and acquire the skills they need to be successful in the world of tomorrow. At our school, every student discovers and explores his or her potential. In addition to the strong emphasis on academics and preparation for college, Discovery emphasizes the importance of developing family-like bonds, both between the teachers and their students, and between the students themselves. Discovery strives to create a nurturing culture in which students enjoy learning and can be creative while maintaining healthy social bonds and relationships.

Dreamyard Prep's mission is to support young people in becoming Life-Ready, which means that they will be accepted to a college of their choice with a clear career path. All students will declare an Arts Major in their junior and senior years. We promote community-building by using Restorative Practices to address social-emotional challenges and Circles to address conflict. All students have opportunities to engage in community service and paid internships. We conduct college visits starting in 9<sup>th</sup> grade, and all 10<sup>th</sup> and 11<sup>th</sup> Grade students participate in yearly college overnight trips. Our elective classes include visual art, dance, digital media, choral music, theater, digital photography, culinary arts and musical production.

## ACADEMICS

- CUNY College Now classes, SAT Preparation, Life-Ready Class, Senior Seminar, Poetry, Cosmetology, Fashion Design, Barbershop, Technology Classes
- AP Government, AP English Language, AP Spanish Language, AP Psychology, AP Computer Science
- Arts Integrated Classes, Advisory, Arts Electives in 9<sup>th</sup> and 10<sup>th</sup> grades
- Arts Major in 11<sup>th</sup> and 12<sup>th</sup> grades, School-wide display of student artwork
- Honors courses in ELA

**English Language Learner Programs:** English as a New Language

The Eagle Academy for Young Men is a college-preparatory school committed to the school's guiding principles of academic excellence, mentoring, leadership, integrity, character development, and community service. Rigorous academic opportunities include AP courses, CUNY College Now, and off-site internships. We commit to partnering with parents to develop our young men to facilitate strategic academic and personal growth. Scholars are expected to conduct themselves professionally, wear uniforms, and participate in cultural rituals as part of school routines. Professional mentors from a wide array of careers provide scholarship and leadership opportunities, partnering with students in their overall academic, social, and emotional development.

## ACADEMICS

- **Software Engineering:** all scholars take at least one course in computer programming, with more available, culminating in AP Computer Science A course.
- **Facing History & Research Writing:** teachers and scholars think critically about history and examine events/issues through culturally relevant topics.
- **SEO Scholars:** a free eight-year academic program that gets underserved public high school students to and through college.
- **Fordham STEP:** an academic enrichment program preparing scholars for college and careers in STEM-related fields and other licensed professions.
- **CBI:** We partner with the College Bound Initiative to support scholars with a college advisor and to provide access to college courses and advisories.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Calculus AB, Computer Science, English Literature and Composition, Environmental Science, U.S. History, World History

## ACTIVITIES

Our students have the opportunity to participate in a wide variety of extra-curricular activities, including Global Glimpse international service-learning, Student Government, the Moot Court and debate team, Peer-to-Peer mentoring, and a student-led Technology Club. We partner with the Eagle Academy Foundation ([www.eafny.com](http://www.eafny.com)) to provide our scholars with small group mentoring, career exploration, and internships at various corporations and city agencies throughout New York.

**PSAL Sports—Boys:** Baseball, Basketball, Wrestling

**School Sports:** NCAA Cleared

East Bronx Academy for the Future is a technology-based school for students in grades 6-12. Our students learn the content and skills required by the New York State Board of Regents combined with project-based learning and a focus on using technology in the classroom. Students learn in small classes, using computers and completing hands-on projects. Accelerated students take college courses in partnership with Lehman College. East Bronx Academy students graduate from high school ready for college and the world of work. Our graduates are linked to careers that employ technology such as journalism, the arts, engineering, architecture, and urban planning.

## ACADEMICS

Eximius College Preparatory Academy is dedicated to developing high-achieving students of good character who use academic, technological, and social skills to inspire others and contribute to their community. Our values are academic excellence, community citizenship, self-determination, compassion, integrity, reflective living, and unity of being. Students must aspire to personal excellence to be successful and we help them master the challenges of a college preparatory curriculum, guide them through the college entrance process, and prepare them for success. Our coursework is designed to give students the knowledge, skills, and strategies to pass the Regents, excel on the SAT, and succeed in college and life.

As a Computer Science and Technology major, computer courses will be a key part of your studies. Students with a four-year educational experience will develop skills that are needed in high demand 21<sup>st</sup> century careers. In 9<sup>th</sup> grade students will take Principal Information Technology and Computer Systems. In 10<sup>th</sup> grade students will take Digital Media and Introduction to Programming. In 11<sup>th</sup> grade students will take Computer Applications and Animation, Game Design, and Internship. In 12<sup>th</sup> grade students will take Web Design and Multimedia, Internships, Computer Science, Advanced Placement (AP) Computer Science, Graphic Design, and Computer Systems and Programming. Our students have the unique opportunity to graduate in three years instead of four years.

## ACADEMICS

- Through the CUNY College Now program: our students in grades 11 and 12 can take college classes and earn college credits while in High School.
- Advanced Placement for All: offers students the opportunities to earn college credits in HS in English, Spanish, Psychology, Biology, and US History.
- College Access for All: offers monthly college and career fairs with college lessons and activities in grades 9-12 and college workshops for parents.
- Rowe Scholars College Program: offers our students college and career planning, college trips, SAT prep, college and financial aid application support
- Extended Learning Opportunities: Online classes, Saturday and after-school programs, and peer-tutoring and small group instruction Regents preparation

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** Biology, English Language and Composition, Psychology, U.S. History

## ACTIVITIES

We offer the following clubs: Culinary, Debate, Drama, Hip Hop, Latin Dance, Music, National Honor Society, Poetry Jam, Rubix Cube, Step Dance, School Newspaper, Student Government, Year Book. Our Mouse-Tech Team works in our school-paid internships to trouble-shoot all technical issues. Three talent shows for our students to showcase their abilities in arts, music, and dance. Educational trips to support student learning beyond the classroom and field trips to celebrate student achievements.

**PSAL Sports—Boys:** Baseball, Basketball, Soccer

**PSAL Sports—Girls:** Flag Football, Softball, Volleyball

**School Sports:** Basketball, Flag Football, Intramural Coed Volleyball, Morning Basketball, Soccer, Students vs. Staff Games

Since 1994, our graduates have gone on to succeed in city, state, and private colleges and pursue careers in business, media, social work, education, and technical fields. Through college classes, internships, and digital courses, we provide a broad range of learning opportunities and we leverage technology to maximize individualization, independence, and depth of learning. Our four-year Advisory curriculum focuses on the academic development, knowledge, as well as the critical thinking, research, and analytical skills necessary for college. At the Children's Aid Society Student Success Center, students work with a team of full-time counselors to explore college and career goals and complete college and scholarship applications.

## ACADEMICS

- We require an academic portfolio for graduation: all students must complete seven portfolios and four Performance-based Assessment Tasks (PBATS).
- Students create a portfolio of rich, personal work in seven areas: literature, math, social studies, science, social issues, art, STEAM, and electives
- Online courses are available for students wishing to register for courses not offered at the school.
- CUNY College Now and NYU Partnership college courses; community outreach, internship and entrepreneurship programs
- After school technology club that focuses on Science, Technology, Engineering, Art and Math (STEAM) to make positive impact on community issues.

Fordham High School for the Arts (FHSA) offers a rigorous academic and arts curriculum which leads students towards an Advanced Regents diploma, college acceptance, and career readiness. Students pursue a four-year sequence in either instrumental music/music production and engineering, vocal music, drama, technical theater, visual arts, or dance. Numerous partnerships with Roundabout Theatre Company, New York Theatre Workshop, Carnegie Hall, Lincoln Center Theatre, Studio in a School, and residencies with professional artists afford students the opportunity to explore and develop their talents in various mediums of artistic expression. Work-Based Learning Internships allow students an opportunity to explore career paths in the arts and beyond.

## ACADEMICS

- CTE program(s) in: Dramatic Arts, Technical Theater, Dual-Enrollment with Syracuse University
- Project Student Opportunities for Academic Reinforcement (Project SOAR), Tutoring, Counseling, SAT Prep, CUNY College Now

Fordham High School for the Arts

Code: X51A

♥ Reach

♥ Target

♥ Likely

**Admissions Method:**

🎤 Audition ★

**Interest Area:** Performing Arts/Visual Art & Design

**10<sup>th</sup> Grade Seats Offered:** 10

**Program Description:** A four-year sequence in chosen major prepares students for a Chancellor's Endorsed Diploma in one of the following: Dance, Drama, Instrumental/Music Production, Vocal Music, Visual Art, or Technical Theater.

\*Opportunities for a minor in musical theater and musical production. Along with arts major courses, FHSA strives to integrate the arts into all classrooms.

\*\* See common application and school website: [www.fordhamhsforthearts.com](http://www.fordhamhsforthearts.com) for more information about audition requirements and majors at FHSA. Students are required to audition in their interest area of study which includes a writing prompt. Please see school website for department specific audition requirements.

**Dance:** Participate in either a ballet class or a modern dance class. Applicants must wear ballet shoes and fitted black dance attire. Refer to school's directory page or website to see if a prepared solo is necessary.

**Drama:** Perform two contrasting monologues (one minute each). Perform an on-demand dramatic or movement activity (e.g. impromptu reading from provided script or improvisation). Wear attire that allows free movement.

**Music Production/Instrumental:** Students are encouraged to bring any of the following that apply. These components are not necessary but will provide a great benefit to the audition.

1. Music made using computer software on a computer or a flash drive.
2. 1 piece of music to be performed on an instrument of student choice. Modern Band Instruments such as guitar, bass, drums, and keyboards are encouraged. Song can be performed solo or over an existing piece of music brought on a flash drive.

Students must be prepared to

1. Listen to and clap back 5 rhythms molded by teacher
2. Listen to and identify major and minor chords

**Vocal Music:** Perform a song in a medium key that you have prepared and bring the sheet music. Song recommendations may also be listed on schools' websites. Vocal singers will also be asked to repeat vocal phrases to test rhythm, tonal memory, and basic vocal technique. Ability to incorporate directions from teacher will be considered.

**Visual Art:** Prepare and present a portfolio with 8-15 pieces of original artwork with a diversity of subject matter and use of media. Three dimensional pieces may be photographed and included in the portfolio. Complete up to three drawing assignments at the audition. Drawing assignments may include: the human figure and drawing from observation or imagination. Check school's website for examples. Sketchbooks are welcomed as extra drawings.

**Technical Theater:** Applicants are expected to bring a prepared 3D design model/diorama for presentation, based on the reading of any fairy tale. Applicant should be prepared to discuss their fairy tale, justify design choices and speak to the process of making their model. Applicants will be asked to participate in a hands-on practical in one or more aspects of technical theater.

**Admissions Priorities:** ① Priority to Bronx students or residents—**100%** of offers went to this group  
② Then to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Standardized Test Scores: English Language Arts (2.0-4.5), Math (1.8-4.5)
- Audition

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat

Frederick Douglass Academy III builds in young scholars the cultural awareness, self-confidence, and academic rigor they need to prosper. With our learning community's high expectations & cultural consciousness our scholars are empowered, realize their full potential, & advocate for their education. FDA III graduates are leaders who use their knowledge and education to challenge and inspire their world. FDA III's commitment to service the whole scholar, 'every scholar every day', transforms FDA III into a hub of supports and resources that empower the greater community. Our learning community values the contributions of the greater community and partners with the greater community for our scholars' learning.

## ACADEMICS

- Our core values: community awareness, respect, professionalism, and education are embedded in the education experience.
- Peer Group Connection (9<sup>th</sup> grade): near peer mentoring program pairs seniors (trained leaders) with a group of 10-12 freshmen to mentor.
- Spark House (10<sup>th</sup> grade): poetry and social justice course empowers scholars to write and perform original poems about topics that interest them.
- College Prep: SAT class prepares scholars with test taking skills. The college readiness class supports scholars as they begin applying to college.
- Supports include: tutoring, after-school programming, health & wellness supports, parent engagement, and professional development.

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** Biology, Psychology, U.S. History

At HERO High, students learn how to save lives and serve their communities by preparing for a career as a registered nurse or community health worker. Students take college classes starting in 10<sup>th</sup> grade and can earn a two-year Associate Degree with help from a small school environment. Our academic program prepares every student to succeed in college and career through hands-on, real-world problem solving, advanced work in math and science, and challenging reading and writing tasks in every class. Start your technical training early through internships in clinical nursing and community health work. Sometimes even heroes need extra help, so we offer tutoring in every subject area.

## ACADEMICS

- CTE program(s) in: Nursing
- Free two-year Associates degree in Applied Science in Nursing or Community Health Work
- Early college classes available at HERO High or on the campus of our partner, Hostos Community College
- Paid internships in nursing and community health; advisory and tutoring in every subject
- Lots of electives, including Dance, Music, Visual Art, Food Studies, Hip-Hop, Honors Humanities, and Spanish Native Language Arts.

English Language Learner Programs: English as a New Language

Language Courses: French, Spanish

## ACTIVITIES

Chorus, Drama, Rainbow Alliance, Spoken Word and Hip-Hop, Student Government, Student-Led Clubs, The Clarion Monthly Magazine, Tutoring in Every Subject, Yoga

PSAL Sports—Boys: Baseball, Basketball, Outdoor Track

PSAL Sports—Girls: Basketball, Softball

School Sports: Cheerleading, Soccer, Volleyball

Our school is writing a new chapter in our history as the best-kept secret in the Bronx. We have taken the small school feeling and combined it with the variety of courses, diverse student body, and world-class facilities that you can only get in a large high school environment. Our students take core academic courses and commit to one of six career academies. Our 12<sup>th</sup> graders earn millions of dollars in scholarships every year to attend universities like Fordham, NYU, St. John's, DePauw University, and Penn State. Students ask: "Why would I go anywhere else?" It is a class-leading education close to home. If it sounds too good to be true, come and visit for yourself.

Guaranteed offer to students who live in the zoned area

We are committed to preparing a diverse community of students to become life-long learners. Our curriculum is embedded with health-related themes while focused on the sciences. Students may earn college credits through our partnerships with CUNY Hostos Community College. All students are required to complete 120 hours of fieldwork in one of our internships. With a deep focus on Wellness our students have an opportunity to earn certifications of Home Health Aide, Certified Nursing Assistant, Personal Trainer, CPR/AED for Health Care Providers. We employ a full-time College Bound Initiative counselor to support us in College and Career Readiness. Every incoming 9<sup>th</sup> grader has an opportunity to participate in four weeks Summer Bridge.

## ACADEMICS

- Home Health Aide certifications, Certified Nursing Assistant Certification, Billing and Coding, Radiology Technician, Phlebotomist certification
- Forensic Program Programs in Personal Trainer Certification, Sports Nutrition Consultant Certification, CPR/AED for health care providers
- Internships in Health-Related Careers, PENCIL Internships, Department of Aging Partnership College Bound Initiative
- Diverse Art Program: Dance, Visual Arts, Artistic Textiles, Chorus, Film and Media, Drama

**English Language Learner Programs:** English as a New Language

**Language Courses:** Japanese, Russian, Spanish

**Advanced Placement (AP) Courses:** Calculus AB, English Language and Composition, English Literature and Composition, Spanish, U.S. History

Priority to students who live in the zoned area

We are a collaborative learning community that combines a challenging curriculum consisting of humanities, science, and math with an intensive arts program. The Arts studios bring together study in the traditional arts (dance, theater, fine arts, and music) with contemporary arts (film, multimedia graphic design, and animation). Through our partnerships our students gain special residencies both within and outside the school. Our students have the opportunity to participate in special programs, performances, exhibitions, mentorships, and internships. The entire school is actively involved in the process of building a democratic, self-governing community.

## ACADEMICS

- Additional Advanced Placement (AP) courses in: Biology and Environmental Science
- Visual, audio, media, and performing arts
- Internships with colleges, museums, arts companies, and individual artists
- Opportunities to gain college credits through CUNY College Now program partnering with Lehman College and Hostos Community College

The High School for Violin and Dance (HSVD) is one of four schools on the Morris Educational Campus. HSVD offers every student classes in string orchestra and dance (ballet, jazz, modern, tap, hip hop). No prior experience is necessary, but students are expected to have a serious interest in the two performing arts and be ready to participate in intensive training in daily classes. With consistent practice, our students achieve competence, confidence, good citizenship, and maturity-qualities that are the foundation for success in high school. There are culminating string orchestra and dance performances at the end of the school year.

## ACADEMICS

- Our students are required to take four years of string orchestra and/or dance. We also offer Graphic/Visual Arts.
- CUNY College Now Monroe Jump Start
- Regents Prep Classes and a Saturday school program when we get closer to the administration of Regents exams.
- Forensics and Anatomy are offered to Senior students.

**English Language Learner Programs:** English as a New Language

Our school emphasizes the study of American history and offers a well-rounded academic program that aims to prepare students for admission to highly competitive colleges and for a wide range of careers in politics, law, journalism, business, science, mathematics, and the arts. All students engage in a three-year chronological study of American history. Through our collaboration with Lehman College, students have access to its campus library and athletic facilities, and take credit-bearing college classes and seminars in their junior and senior years. In all endeavors, we seek to encourage in our students a love for learning and an inquisitive spirit.

## ACADEMICS

- Honors-level, AP, and Lehman College courses in all subjects
- Required courses in American History, Research Methodology, and Grammar
- Constitutional and Criminal Law, Film, Foreign Policy, Political Science, Intellectual History, European History, Period Studies, NYC History
- Architectural History and Drafting, Photography, Advanced Drawing and Painting, Music History, Journalism, Poetry, Creative Writing, Drama, Acting

# High School of Computers and Technology | 11X275

The High School of Computers and Technology provides an environment where students prepare for a career in the computer industry as they are building a foundation to further their education in college or a post-secondary technical school. Mutual respect, understanding, value for community, and a quest for knowledge serve as guiding principles for our students and staff. All instruction is interdisciplinary and hands-on, with project-based learning. Students will be able to obtain certification(s) in specific fields while earning a Regents diploma.

## ACADEMICS

- CTE program(s) in: Information Technology
- Students may receive CTE endorsement in Computer Technology.
- Internet and Computing Core Certification (IC3), A+ Computer Repair, Network +, Senior Internship

**English Language Learner Programs:** English as a New Language

**Language Courses:** Japanese, Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, English Literature and Composition, Statistics, U.S. History

**Diploma Endorsements:** CTE

## ACTIVITIES

**PSAL Sports—Boys:** Baseball, Basketball, Cross Country, Football, Indoor Track, Outdoor Track, Soccer, Swimming

**PSAL Sports—Girls:** Basketball, Cross Country, Indoor Track, Outdoor Track, Softball, Swimming, Volleyball

**School Sports:** NCAA Cleared

## PERFORMANCE

- 61% of students graduate in four years
- 62% of students enroll in college or career programs within 6 months
- 87% student attendance
- 83% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 77% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

The High School of Language and Innovation seeks students who value a diverse community and enjoy working in teams. We prepare newcomer immigrants for college and careers in the United States. Math and English courses include small group instruction to help all students develop strong skills and prepare for college. Our school also offers rigorous STEM courses including Computer Science, Chemistry, and Environmental Science. Staff works closely with students to provide a personalized and supportive learning environment.

## ACADEMICS

- English Language Learner support: After-school and Saturday tutoring, Regents preparation, and extra English as a New Language classes.
- AP Courses & College Courses: AP Spanish, CUNY College Now, AP Environmental Science, AP English, SAT prep, shared campus AP courses in all subjects
- College Applications: College counselors provide support throughout the college application and financial aid process.
- Trips & Activities: Staff-student sports tournaments, cultural food nights, field trips to cultural and historic sites in New York City and beyond.
- Elective Classes: Graphic Design, Technology, Tae Kwon Do, Photography, Art, Writing, Computer Science

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

**Language Courses:** Korean, Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, Environmental Science, Spanish

Our motto is: “Children First-No Excuses-High Standards.” The English as a New Language, Dual Language, and CTE Culinary Arts instructional programs enrich students’ life skills. We build on students’ rich identities and cultural beliefs to prepare them to be successful and fluent in English. The Dual Language strand offers monolingual-English, multilingual-English, and Spanish-proficient students the opportunity to become bilingual and biliterate in English and Spanish. The CTE program allows students the chance to gain skills-based experience and knowledge in the realm of culinary arts. The English as a New Language, Dual Language, and CTE programs can be taken independently or together.

## ACADEMICS

The mission of Holcombe L. Rucker School of Community Research is to foster a collaborative community that produces confident young adults with a commitment to creative learning and academic excellence. We promote high expectations for students in all areas: academic, artistic, physical, health, citizenship, and service. We commit the resources necessary to establish and maintain a respectful and caring environment that offers student-centered instruction based on research and data-driven decision making. Our challenging curriculum emphasizes community research and collaboration with outside partners to enhance student learning.

IN-Tech Academy is a magnet school for applied global technology serving students in grades six through twelve. IN-Tech students become independent learners and creative thinkers through our technology, Advanced Placement (AP) and arts programs. We encourage students to use technology and other resources to compile, organize, analyze, create, and present new information which will ensure success in our competitive, fast-changing world. Our goal: When students finish their studies at IN-Tech Academy, they are fully prepared to choose from the many opportunities that will be available to them.

We are a community of English Language Learners from all parts of the world, learning and working together in teams. Our school and classes are small. Students receive personal attention from teachers and school staff. We have 1 counselor available per 100 students. Students work collaboratively in small groups to learn English in every subject. Students are given a college preparatory experience, with internship opportunities in preparation for life after high school. We are part of the Internationals Network for Public Schools with over 30 years of successful experiences working with recent immigrant teens and their families.

## ACADEMICS

- Additional Requirements: Internship course and placement, Performance-Based Assessment Tasks (PBATS) in all subjects areas, computer science/coding
- College Readiness: Nuclear chemistry & statistics collegiate preparatory courses, CUNY College Now, mentoring, & college counseling team and programs
- Chancellor's Equity & Excellence Initiatives: Single Shepherd, College Access for All, and Computer Science For All
- Career & Career Exploration: Real work experience/internships, resume building, career talks, mock-interviewing, AP computer science/app development
- Students Support: Students receive support for English language development while incorporating their home languages and resources in the classrooms.

We nurture our students to become fully functional in both English and their home language, Spanish. They will graduate with the tools necessary to compete in the 21<sup>st</sup> century. We believe our students are assets to the community and will serve as role models who respect and are proud of their own culture as well as the culture of others. The International School for Liberal Arts (ISLA) is designed to foster success for all students so that they graduate prepared for college and careers.

Kingsbridge International High School is a small school. We value and nurture each member of our diverse school community. Our mission is to empower recent-immigrant English Language Learners. We prepare our students with the language, academic, and cultural skills needed for success in college and beyond. Classes integrate language development and content using cooperative learning strategies. Students work together to complete in-depth projects and develop their communication skills. Our students' distinct and varied backgrounds are valuable, and we see them as an asset to be developed and appreciated.

## ACADEMICS

- English Language development in all subject areas, with additional small-group English Language instruction.
- Numerous college-accredited courses in a variety of subject areas in partnership with Lehman College and Monroe College.
- Extensive after-school and Saturday academy for English Language supports, tutoring, and enrichment, including counseling and college preparation.
- Coursework focuses on collaborative group work and project-based instruction.
- Advanced Regents Diploma program, with elective coursework offered in visual arts, forensics, psychology, creative writing, and statistics.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, Psychology, Statistics

## ACTIVITIES

Art Club, Basketball Club, Chess Club, Culture Club, Drama and Musical Theater through Opening Act, Field Trips to Philadelphia and Washington D.C., Free Summer Bridge program for incoming 9th graders, Homework Help, Music Production Club, Peer Mentoring, Recycle-a-Bicycle Club, Robotics Club, SAT Prep through Lehman College and Fordham University, School Leadership Club, Senior Committee, Stoked Skateboarding Club, Student Council

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Handball, Indoor Track, Outdoor Track, Soccer, Volleyball

**PSAL Sports—Girls:** Basketball, Bowling, Softball, Swimming, Table Tennis, Tennis, Volleyball

## PERFORMANCE

- 57% of students graduate in four years
- 32% of students enroll in college or career programs within 6 months
- 87% student attendance
- 84% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 78% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

KAPPA International is an International Baccalaureate (IB) World School that offers the IB Diploma to all juniors and seniors, which can provide students the opportunity to receive up to one year of college credit. KAPPA believes strongly in providing students with authentic, experiential learning opportunities, where students learn critical thinking skills as they apply their learning to real-world problems. This includes a week long intensive where students choose an area of focus, from Forensic Science to Culinary Arts. Our advisory program provides support in social-emotional learning as well as college & career planning. To complement classroom learning, scholars are annually offered the opportunity to travel internationally.

**ACADEMICS**

- International Baccalaureate Program: IB scholars complete 150 hours of community service and a 4,000-word research paper in addition to IB exams.
- Experiential Learning focus: Provides real-world application of classroom learning through visits to various locations in and near NYC
- College & Career Readiness Programs: Partnerships include CUNY College Now, GEARUP, Kaplan SAT Prep & Co-Op Tech.
- Performing & visual arts courses for both beginners and experienced artists and performers.
- Doctors of Tomorrow Program: includes partnerships with NYU and Mentoring in Medicine

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** Computer Science

**ACTIVITIES**

Adventure Club, Capital One Paid Internships, Dance Club, Gay-Straight Alliance (GSA), Grade Level Socials, Ice Skating Club, Intramural Sports, JROTC, KAPPA Beats, Lifeguard Certification, Multicultural Club, NYU Mini-Meds, Recording Studio, Robotics, Rock Band, Science Pathfinders Program, Town Hall Meetings, Yoga Club

**PSAL Sports—Boys:** Baseball, Basketball, Swimming, Volleyball

**PSAL Sports—Girls:** Basketball, Cross Country, Indoor Track, Outdoor Track, Softball, Volleyball

**School Sports:** Baseball, Basketball, Cheerleading, Flag Football, Softball, Swimming, Track and Field, Volleyball

**PERFORMANCE**

- 91% of students graduate in four years
- 64% of students enroll in college or career programs within 6 months
- 88% student attendance
- 94% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

Our school sets a high academic bar that challenges students to expand their personal and academic visions of themselves. Through partnerships with outside organizations students learn by connecting with professionals. Students pick an academic focus in either finance, technology, or language studies. We have a one-to-one Chromebook program, enabling all students to access technology in the classroom and at home. As a Consortium school, all courses place emphasis on research and writing, culminating in Performance Based Assessment Tasks. In addition, through a partnership with Blue Engine, all students receive individualized support in their 9<sup>th</sup> and 10<sup>th</sup> grade English and Math courses.

## ACADEMICS

- Students complete Performance-Based Assessment Tasks (PBATs) as a replacement for some Regents Exams.
- Technology, Languages, Finance, Professional Certification and/or College Credit, College Trips, Internships, Research, College Application
- New auditorium, fitness center, and library on campus.

We are a community of visionary scholars with growth mindsets who are committed to changing the world. Our scholars are driven by the collaborative work of their peers and service learning opportunities. It is our core belief that when scholars possess a growth mindset, they will demonstrate determination and persistence. With our brand new recording studio, app development program, and technology and design classes, our scholars are prepared for careers and/or college. Teachers and administrators effectively collaborate to build college-level curriculum, strong relationships with their and scholars as well as structure learning opportunities inside and outside the classroom. Our motto is "Learning is done best through a Growth Mindset."

General Education	42	Yes	270	6
Students with Disabilities	12	Yes	12	1

Our goal is to inspire students to learn as much as they can about health to prepare them for life experiences and future careers in health-related professions. Students will master skills in literacy, technology, and community responsibility. Graduates will succeed as a result of advanced level courses in math, science, and our interdisciplinary health curriculum. Courses are infused with various themes, skills, and contemporary issues prominent in the field of health. Students receive classroom visits from health care professionals and may take trips to observe them in the workplace. Our partnerships provide students with academic support, mentoring, and extended learning opportunities.

**ACADEMICS**

Millennium Art Academy is a small, award-winning high school dedicated to fostering education through the arts. The school's exceptional visual and theater arts programs help students to develop creatively, emotionally, and intellectually. Students learn by doing, exploring, discovering, connecting, creating, discussing, debating, writing, revising, and sharing. Faculty and visiting artists work together, along with our school's nurturing support team, to provide students with the tools needed to become confident, morally responsible adults. Emphasis is placed on teaching students to be accountable for their learning choices, and actions. Our staff goes beyond the call of duty on a daily basis.

At Morris Academy for Collaborative Studies our students learn by doing. Our staff connects with students, parents, and community partners to build and refine a framework that supports the whole student as we put students first. Our students work collaboratively and take charge of their learning while developing into creative problem-solvers who lead by example and thrive in college, career, and community endeavors. The most effective way to achieve our vision is through projects-based learning, a series of data-informed, student-centered initiatives that meet student needs, and socio-emotional support for students. Projects increase academic rigor for students and provides opportunities for instruction to be relevant to students' lives.

**ACADEMICS**

- Advanced Placement (AP) classes, CUNY at Home Program, CUNY College Now classes, Computer Science, full time college counselor, SAT Prep

Mott Hall Bronx High School offers open access to the prestigious International Baccalaureate (IB) Diploma. The IB Programme provides a demanding, internationally-recognized high school curriculum that prepares students for college-level work. Students engage in learning experiences beyond the typical high school curriculum, including community service, an independent research project, and an introductory philosophy course that investigates ways of knowing. Students who earn certificates or the full diploma in the program can earn up to one year of college credit. The school provides a family-like atmosphere where students are challenged and enriched by activities that address their development.

## ACADEMICS

- Authorized by the International Baccalaureate (IB) Organization to offer the Diploma Programme
- International Baccalaureate (IB) Programme, College 101-401 (targeted college readiness support courses)
- International travel opportunities through partnerships with buildOn and Summer Search
- SAT prep classes, after-school tutoring
- College planning beginning in ninth grade; small group instruction, College Bound Initiative (CBI)

**English Language Learner Programs:** English as a New Language

**Language Courses:** French

New Directions Secondary School is a transfer High School which includes sixth-eighth grades. We offer small class sizes (9 to 20), individualized academic and counseling support. Acceleration towards high school graduation is offered through our school's online courses, extended day courses and summer course credit opportunities. We offer arts instruction in visual arts, media arts and music for both middle and high school grades. We participate in campus-wide PSAL teams, provide college and career readiness courses, service learning opportunities and paid internships. Students participate in college tours as well.

## ACADEMICS

- Multi-media arts courses allow students to use our production studio to produce and publish webinars, videos, record songs, and other creative items.
- Online access to student grades and graduation progress trackers for all students and families.
- Paid internships for high school students, with support to obtain and keep jobs outside of school.
- Access to a fitness-club-grade weight room with PE courses and after-school clubs.
- Support groups during lunch time on topics which students choose.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

## ACTIVITIES

During-School Day Mentoring and/or Counseling, Glee and other music clubs, PSAL Sports, School Wellness Council sponsored activities, Student Interest Groups. Different college and career readiness activities for all grades, ranging from job shadowing to college tours. Student government within our school and representation on the Taft Campus Student Council. Regents preparation sessions with certified teachers throughout the semester. Student-produced literary magazine and artistic shows.

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Indoor Track, Outdoor Track, Soccer, Volleyball, Wrestling

**PSAL Sports—Girls:** Basketball, Cross Country, Flag Football, Indoor Track, Outdoor Track, Softball, Volleyball, Wrestling

**PSAL Sports—Coed:** Double Dutch

**School Sports:** Fitness Club (including weight room use) and 3-on-3 Basketball Tournaments; Staff vs. Student Games

## PERFORMANCE

- N/A** of students graduate in four years
- N/A** of students enroll in college or career programs within 6 months
- 65%** student attendance
- 86%** of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 84%** of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

Our school focuses on the language acquisition needs of all students in all subjects. We engage all students in acquiring and developing the skills necessary for success by integrating English as a New Language (ENL) and technology into all content areas of instruction. Our classes are small and our academic program is challenging. We expect our students to transition out of the English as a New Language program, attend college courses beginning in the 11<sup>th</sup> grade, and graduate in four years. Students share their native cultures and languages and learn to become active citizens in their new country. Our staff works closely with students to ensure progress throughout the high school years and into higher education.

## ACADEMICS

- Advisory, student support services, career interest and self assessment, college visits, SAT and Regents preparation, trips, cultural events
- Internet after-school, arts and music enrichment, journalism; opportunities to take college courses, online courses, scientific webinars
- Trips to cultural, historic, and recreational sites in and out of New York City
- Extra classes required based on academic needs and post-secondary goals; focus on learning English and preparedness for college
- Partnerships with City University of New York (Lehman College), Columbia University School of Engineering and Wave Hill

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

**Language Courses:** Spanish

## ACTIVITIES

**PSAL Sports—Boys:** Basketball, Bowling, Lacrosse, Soccer

**PSAL Sports—Girls:** Basketball, Bowling, Outdoor Track, Soccer, Volleyball

**School Sports:** Baseball, Basketball, Lacrosse, Rugby, Soccer, Softball, Table Tennis, Track, Volleyball, Weight Training

## PERFORMANCE

- 88%** of students graduate in four years
- 93%** student attendance
- 88%** of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- 77%** of students enroll in college or career programs within 6 months
- 87%** of students feel safe in the hallways, bathrooms, locker room, and cafeteria

We are a small learning community of recently-immigrated English Language Learners. Our primary focus is on English language development while providing opportunities to enrich Spanish language skills. Math, science, social studies, technology, arts, portfolio assessment, social service, and internships are elements of the program that help students develop their English language proficiency, gain real-world experiences, and enrich their native language capabilities. Our students graduate with the skills necessary for success in college and beyond.

**ACADEMICS**

At Pelham Lab High School, we value equity, communication, collaboration and character. We encourage students to ask questions such as, 'What keeps an electron spinning?' and, 'How do we know the difference between right and wrong?' As a student of Pelham Lab, it is not enough to simply say that electrons travel around an atomic nucleus or that something is correct. Asking the right questions is equally as important as knowing the right answers. We believe that by encouraging you to ask deep questions, by engaging you in creative experiences outside of the classroom, and by ensuring that your social, academic, and emotional needs are met, you will set and achieve challenging but worthwhile goals in your future life.

**ACADEMICS**

- Students take Crew class all four years of High School. Advisory focuses on team-building, academic skills and college and career preparation.
- Pelham Lab is a member of the AP for All program on the Lehman Educational Campus. AP English Language and AP Environmental Science are currently offered.
- Students are able to take other AP courses, including Computer Science, Chemistry, US History, Calculus, and World History at other schools on campus.
- Through Pelham Lab's partnership with SUNY-Albany and Syracuse University students participate in Science Research classes for college credit.
- Electives include Coding/Robotics, Vocal Music, Spanish 1-6, Weightlifting, Statistics, Science Inquiry and Financial Literacy.

Our small school's familial atmosphere gives students the support and guidance necessary for success both in high school and as they plan for college and/or careers. Teachers and staff use a variety of resources and technology to address the varied learning needs of the student population to ensure that they have access to rigorous and engaging curriculum. In addition, students have access to AP classes, the Advancement Via Individual Determination (AVID) program, student council, club activities (including Musical Theater, Dance, and Drama), and the CUNY College Now at Lehman College program. Renaissance provides opportunities for all students interested in the arts to explore the different art forms for self-expression.

**ACADEMICS**

- After-school and Saturday tutoring, credit bearing courses, Regents prep, AVID program, CUNY prep courses
- Access to courses in a variety of art forms in drama, instrumental music, vocal music, and studio art. Students of all levels welcome to participate.
- Access to rigorous courses via CUNY College Now at Lehman College and AP classes offered on campus via the AP for All program.
- Partnership with College Bound Initiative to cultivate a college going culture from 9<sup>th</sup> through 12<sup>th</sup> grade. Full time college counselor on staff.
- Student support via attendance outreach, tutoring, credit recovery programs, counseling, mentoring services, and an advisory program.

Our students participate in civic and interactive educational fieldwork in order to gain academic, social, and cultural experiences. We provide multicultural curricula that integrate the arts in academic classes, extended periods, small classes, computers, laptops, tablets, updated SMART Boards, advisory support, and an extended-day program. We use traditional assessments to prepare students for Regents Exams. We prepare students for college starting in the 9<sup>th</sup> grade with counseling, college/career activities and trips to colleges. Our students are prepared for higher education and careers and are ready to assume their roles as citizens of our country and the world.

**ACADEMICS**

- Arts integration theme in classes: Poetry, Painting, Drawing
- Network for Teaching Entrepreneurship (NFTE)
- After-school and Saturday tutoring/Regents prep, CUNY College Now at Hostos Community College, SAT Prep, CUNY Linct, College Bridge for All

Our students are prepared for success in college and careers through a series of learning experiences in an environment where each student is known well by our staff. Work-based learning experiences including college and job-site visits, job shadowing, and industry-based internships help our students develop the academic and business skills needed in today's competitive job market. In addition to our focus on the Hotel/Lodging sector of the Hospitality Industry, 2017 brings the opening of our brand new learning kitchen offering students the opportunity to pursue a career in the Culinary Industry. Combined with a rigorous academic program and a robust sports program our students have a rich school experience.

**ACADEMICS**

- Advisory, college and career counseling, specialized tutoring, job shadowing/internship experiences
- Technology-driven instruction/blended learning
- Career Technical Education courses are: Business Management, Hospitality, Food and Beverage Management, Computers

English Language Learner Programs: English as a New Language

Schuylerville Preparatory High School is a college-preparatory institution that serves scholars from grades 9-12. Our community supports scholars holistically, with specific attention to academics, ethics, and discipline. At SPSHS, scholars receive individualized attention that enables them to explore their interests and develop goals while engaging in rigorous curricula across all disciplines. Our course offerings will include Advanced Placement (AP) courses in English, participation in campus-wide AP courses across all subject areas, electives in journalism, communication, environmental science and mathematics, and a partnership with Lehman College and College Now with Bronx Community College.

**ACADEMICS**

- AP courses
  - CUNY College Now Program
  - Theater Development Fund programs in Theater Arts
  - College and Career counseling and an advisory program
  - SAT preparation and Saturday programs with Lehman College
- English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, English Literature and Composition

**ACTIVITIES**

Chess, Dance and Salsa, Debate, Entrepreneurship, Health and Fitness, Model UN, Newspaper, Step Team, Student Government, Yearbook and partnerships with various organizations for after-school programs.

**PSAL Sports—Boys:** Baseball, Basketball, Football, Indoor Track, Lacrosse, Outdoor Track, Rugby, Soccer, Tennis, Wrestling

**PSAL Sports—Girls:** Basketball, Bowling, Cross Country, Flag Football, Indoor Track, Lacrosse, Outdoor Track, Soccer, Softball, Tennis, Volleyball

**PSAL Sports—Coed:** Cricket, Stunt

**School Sports:** Developmental Baseball, Developmental Softball, Intramural Boys & Girls Basketball

In collaboration with the College Board, our school assists students in mastering a challenging curriculum, guiding them to college entrance, and preparing them for success. Through exposure to state-of-the-art instruction and support, in a respectful and welcoming environment, students are inspired to set the highest academic standards and career goals for themselves. Our students learn to think critically, communicate effectively, and be open to new experiences. They are trained to become lifelong learners who are receptive to a wide range of ideas and beliefs. In turn, a strong school community-families, teachers, and staff equally committed to these high ideals-supports our students and provides a solid foundation for their success.

Featured in US News and World Report's Best High Schools in America '16 & '17, students graduate with the skills necessary for success in the 21<sup>st</sup> century. Our freshman students major in Theater, Dance, Vocal Music, Instrumental Music, or Visual Studies. We typically achieve a 99% college acceptance rate with over \$800,000 in offered scholarships. We have the DOE's only rooftop garden/outdoor performance space with a sustainable living-oriented curriculum. Our school's philosophy is to "take care of ourselves and each other." We use the Arts and Technology to provide innovative and engaging instruction that inspires students to develop their academic, creative, and world-citizen potential through a heart and hands on approach to learning.

**ACADEMICS**

- Saturday Academy, Regents Prep, SAT Prep, Lehman College Now, the LINCT program for raising Math & ELA Regents' scores to increase college readiness.
- Theater, Dance, Vocal Music, Instrumental Music, or Visual Studies (Studio & Digital-Video) are our primary tracks in the Arts.
- College Readiness for All, DOE Learning Partners Host School, Heckscher Scholars

Our school feels like college. We provide a rich and authentic learning environment that is rigorous, college and career focused, family oriented and dedicated to cultivating successive generations of citizens prepared to constructively participate in the society of their time. Students can earn up to 18 college credits through our partnership with CUNY and choose from Advanced Placement (AP) courses and STEM electives. Liberal arts and humanities electives include theater, photojournalism, media and broadcasting, band, business, and entrepreneurship. Students also gain real world experience through our executive internship program. Our curriculum fosters independence, critical thinking, and social responsibility.

Students with Disabilities	13	Yes	183	14

Our school was founded on the idea that students who can express themselves in writing can succeed in any path. Writing is another way where we leverage student voice and strengthen social justice! In addition to our inquiry-based college preparatory curriculum, students participate in regular field trips to arts institutions, overnight trips to universities, SAT prep, and enriching community-building activities. Our student services team connects students to jobs, internships, and programs that allow them to travel all over the world. We celebrate hard work, curiosity, self-expression, and service. Our graduates are critical readers and writers, fully prepared to maximize their learning and change the world.

## ACADEMICS

- Our in-residence program offers activism, writing, theater and music to our scholars, taught by industry leaders.
- Our full-time enrichment & partnership coordinator supports students in finding internships, extra curricular activities, & study abroad experiences.
- Structured yearly day trips means that three times a year, all students will visit colleges, museums, and engage in community service
- Students take part in yearly exhibitions where they present college level research projects to the community, highlighting their learning and skills.
- With house council, peer-group connection, IntegrateNYC, peer mediators, UP! and other organizations on campus, BAL develops student leaders.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Arabic, Spanish

**Advanced Placement (AP) Courses:** English Literature and Composition, Environmental Science, Statistics, U.S. History

The Urban Assembly School for Applied Math and Science strives to develop and prepare all of our students to become compassionate, critical thinkers capable of successful pursuits after high school. We expect that all of our students will be prepared for college-level study and will be equipped with the skills to make solid career choices. We operate on the premise that as critical thinkers attempt to make sense of the world around them, they tend naturally to engage deeply with mathematics, and that applied mathematics can be a powerful unifying force in the school experience. As a result, the mathematical sciences are celebrated at this school.

**ACADEMICS**

- Comprehensive advisory program, providing small-group support and communication with families.
- College office provides comprehensive support throughout the college application process, including trips, FAFSA sessions, and application support.
- SAT/ACT Test Preparation, partnerships with many summer academic and enrichment programs.

Validus Preparatory Academy is a small high school serving students in grades 9-12. Our mission is to provide students with an education that empowers them academically, socially, and economically, with an emphasis on careers in the healthcare profession. Validus offers a rigorous curriculum, leading to New York State Regents and Local diplomas. Some of the colleges and universities our graduates attend include Vanderbilt, Syracuse, NYU, Boston College, UMass, SUNY Binghamton, Brandeis, and Borough of Manhattan Community College. We serve a diverse student body, supported by a safe, inclusive, character-building environment. Parents are engaged as well, participating in active forums for input on substantive issues.

**ACADEMICS**

- Mock Regents to prepare students for the January and June exams. Results determine strengths and areas for improvement.
- All juniors and seniors are enrolled in our College and Career, PSAT, and SAT prep classes.
- Credit recovery for students to make up for shortfalls in required courses.
- Saturday Academy for credit recovery and Regents prep.

The West Bronx Academy for the Future (WBA) is a high-tech school that prepares its graduates to participate fully in the social, civic, and economic life of their city. Students learn in integrated classes and are supported by a guidance system featuring small numbers of students with long-term teacher involvement. Our program is enhanced by real-world, project-based learning and the thorough integration of technology. Students are able to use two computer labs (Mac and HP) while working on integrated curriculum.

**ACADEMICS**

- Integrated Curriculum; Technology is used to enhance teaching and learning.
- Access to computers equipped with software to enrich school-based curricula

English Language Learner Programs: English as a New Language

Our mission is to develop confident readers, writers, and speakers who are connected to and supported by the school community. We prepare students for college with a liberal arts curriculum focused on writing, critical thinking, and peer discussion. We give them the opportunity to connect with their passions through elective coursework in the arts, sciences, and humanities. Our nurturing school culture encourages reflection, collaboration, and project-based learning. Regardless of entry program, students have a common 9<sup>th</sup> grade experience and opt-in to honors coursework starting their sophomore year.

**ACADEMICS**

- Honors and Advanced Placement (AP) courses
- Socratic Seminars, international travel opportunities, college prep courses
- iLearnNYC: Program for expanded online coursework and self-paced learning
- We currently offer pre-AP classes for 10<sup>th</sup> grade students
- Peer Mediation/Mentoring Program (Peer Group Connection)

In September 1994, the New York City Department of Education, the Center for Collaborative Education, and the Coalition of Essential Schools sponsored the first systemic effort to redesign a large high school in the Bronx. Wings Academy was one of five pioneering small schools resulting from that effort, founded on the premise of helping young people use their minds well. Our primary goal is to develop students' habits of mind, which will encourage respect for lifelong learning, purposefulness, and success.

The Women's Academy of Excellence is an all-girls public high school, serving grades 9-12. Our mission is to create a community of lifelong learners, to nurture the intellectual curiosity and creativity of the scholars, and to empower them as young women. The school community seeks to cultivate a dynamic, participatory learning environment that enables scholars to achieve academic success on many levels, specifically in the fields of math, science, and civic responsibility. The scholars are exposed to a challenging curriculum that supports them in becoming college and career ready. The young ladies are encouraged to become leaders within their communities and to use their voices for positive change. Our motto: GIRLS MATTER! Web: thewae.org.

World View High School (WVHS) is a rigorous college preparatory school with a primary focus on mathematics and the sciences. WVHS utilizes project-based learning to prepare students for college and careers. As members of our community, students are expected to present their research projects in every discipline twice every school year and maintain a college and career-ready profile. Students build rigorous research and evidence based skills while fostering their social and emotional growth as a member of an increasingly global community. WVHS teachers guide students through mentoring and advisory classes to ensure academic and personal success on their path towards becoming leaders in the school community and world beyond.

**ACADEMICS**

- WVHS students have the opportunity to start taking college courses in the 10<sup>th</sup> grade through the College Now program at Lehman College.
- Science: Environmental Science, Living Environment, Chemistry, Physics; Mathematics: Algebra 1, Geometry, Algebra 2, Pre-Calculus
- Students in the Spanish Transitional Bilingual Education program will take classes primarily in English by year three.
- Language/Cultural Immersion-international trips: Granada and Madrid (2017), Montreal and Quebec (2018); Berlin and Prague (expected 2019)
- Experiential learning: Medieval Times, Holocaust Museum, Japan Society (Social Studies); Safari (Biology) and Rides (Math/Physics) at Six Flags

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

Our school community consists of confident and compassionate young women. We specialize in mathematics, science, and technology. Personal and academic growth is supported in a strong advisory program. We focus on female adolescent development, positive self-image, effective communication, leadership development, and college awareness. Learning is dynamic and our small class sizes enable students to experience great success on many levels. The educational experience is enhanced only through strong partnerships with The Young Women’s Network, College Bound Initiative, and College Now with Lehman College. With their support, we are able to replicate the best practices of a private and independent girl’s school and provide a quality education.

**ACADEMICS**

- AP courses offered as well as College Now course offerings at Lehman College for upperclassmen.
- Smartboards and laptops in every classroom to allow for blended learning opportunities that prepare students for college using platforms such as iLearn.
- Summer opportunities that include sleep away camps and the Smith College summer program.
- Community Service required by all students.
- School uniform required that includes shirt and pants/skirt with school logo and gym uniform.

## PROGRAMS OFFERED

### Veterinary Sciences And Animal Care

Code: **K24A**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

Ed. Opt.

**Interest Area:** Animal Science

**Program Eligibility:** Open only to Brooklyn students or residents

**10<sup>th</sup> Grade Seats Offered:** 15

**Program Description:** A three-year program for students with a strong interest in a future career in animal care and health. Coursework focuses on small and large mammals, reptiles, fish, and birds. Students in the program score higher than their peers on Science Regents Exams, possibly earn college credit, gain hands-on experience with animals in our labs and at work sites.

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	107	Yes	583	5
Students with Disabilities	23	Yes	138	6

### Virtual Enterprise

Code: **K24B**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

Ed. Opt.

**Interest Area:** Business

**Program Eligibility:** Open only to Brooklyn students or residents

**Program Description:** VE replicates all the functions of real businesses in both structure and practice. Under the guidance of a teacher-facilitator and business mentors, students create and manage their virtual businesses from product development, production and distribution to marketing, sales, human resources, accounting/finance, and web design. Through the VE program, students develop vital skills that place them ahead of the curve when they enter college and the workforce.

**Digital Media**

Code: **K24C**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

📄 Ed. Opt.

**Interest Area:** Communications

**Program Eligibility:** Open only to Brooklyn students or residents

**10<sup>th</sup> Grade Seats Offered:** 10

**Program Description:** This program introduces students to the world of media production. Students develop their creative ideas and learn how to share them with the world through professional-quality video production. Regular live broadcasts of Lincoln's prestigious athletic programs train students in a 'real time' production environment. Working with Adobe premiere and professional cameras and editing equipment, students share and edit their own projects.

**Computer Science**

Code: **K24J**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

📄 Screened

**Interest Area:** Computer Science & Technology

**Program Eligibility:** Open only to Brooklyn students or residents

**10<sup>th</sup> Grade Seats Offered:** 10

**Program Description:** In today's world, technology is the driving force of change. Through the four-year Computer Science Program, students study the design and development of software and hardware to solve real world problems in a variety of business and social contexts. Students develop critical thinking and problem solving skills, while coding a computer to think like a human. Computer Science students leave Lincoln amply prepared for the changes and the challenges of the world of technology.

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Punctuality
- Standardized Test Scores: English Language Arts (1.8-4.5), Math (1.6-4.5)

We prepare all students to enter college and employment through our multi-disciplinary curriculum that integrates challenging academics with modern technology at its core. Students participate in career-rotations and internships to gain real world work and industry experience. Through partnerships with Long Island University, Berkeley College, and CUNY, we provide students with opportunities to earn college credit, beginning in their third year. Our Science and Technology Engineering Program integrates science and math education with academic support, science enrichment, and academic and career counseling. Our robust arts programming, in partnership with BRIC Arts Media, allows students to explore digital, visual, and fine arts.

**ACADEMICS**

- Microsoft Imagine Academy
- Internships, Career Rotations and Mentoring Programs at universities, private colleges, community-based organizations, and businesses
- College Now partnership supported by New York City College of Technology (CUNY) and Long Island University
- After School Success Academy
- CUNY-sponsored SAT and Regents preparation

This is a small learning community with a supportive culture. We prepare students with knowledge, skills, confidence, and motivation to succeed in college. Our instructional program focuses on developing critical thinking, problem-solving, collaboration, and the application of real-world concepts. Through our partnerships with Cornell University, Brooklyn College, and Medgar Evers College, we provide a rigorous curriculum emphasizing the sciences and technology. We provide students with internship opportunities, numerous Advanced Placement (AP) courses, and early college courses. Through dedicated staff, rigorous and engaging coursework, and individualized instruction our students are empowered to succeed in their future endeavors.

## ACADEMICS

- iLearnNYC: Program for expanded online coursework and self-paced learning through APEX and blended learning.
- Science and Health Institute: Focuses on Environmental Science and Health Professions
- Technology and Visual Arts Institute: Focuses on Computer Science, Robotics, and Digital Art
- Advanced Placement Courses and a variety of elective courses offered each semester
- Early College credits earned through Medgar Evers College.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Calculus AB, English Language and Composition, English Literature and Composition, U.S. History

## ACTIVITIES

ACE Hornets Basketball Team, Cooking, Cultural Club, Chess Club, Dance, Fashion, Fitness, Paid Summer Internship with the Nature Conservancy (LEAF), Peer Mediation, SAVE, Senior Council, Student Organization, Sustainability

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Football, Indoor Track, Outdoor Track, Soccer, Volleyball, Wrestling

**PSAL Sports—Girls:** Basketball, Bowling, Cross Country, Handball, Indoor Track, Outdoor Track, Softball, Volleyball

**School Sports:** (NCAA Cleared) ACE Hornets Basketball Team, ACE Hornets Cheerleading Team

## PERFORMANCE

- 81% of students graduate in four years
- 48% of students enroll in college or career programs within 6 months
- 82% student attendance
- 77% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 66% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

We are a small, innovative learning community with a collaborative approach to teaching and learning that seeks to empower students to become responsible leaders. We strive to make students part of a global response to preserving our environment. Every student is held to the highest standards and has constant opportunities for intellectual engagement. All students are expected to be college and career ready prior to graduation. We welcome parental involvement, which is essential to the success of our school. Our instructional focus is on reading and writing across all content areas. All students are expected to take a math and science course each semester. Our teachers use technology to engage our students and apply learning to the world.

## ACADEMICS

- Advanced Placement Environmental Science class takes place in our newly constructed NY Sunworks sponsored hydroponics lab (or green classroom).
- We seek to empower students through rigorous instruction to become self-reliant/resilient, responsible leaders, caretakers of the Earth and others.
- Students gain hands-on experience by preparing soil, composting, producing seedlings in our green classroom and studying food justice systems.
- When students actively build on each other's ideas, ask questions and discuss, they intellectually engage in the work and their performance improves.
- We will achieve this by incorporating the citywide instructional expectations and preparing rigorous lessons with the Common Core Standards in mind.

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, English Literature and Composition, Environmental Science, Studio Art: Drawing, U.S. Government and Politics, U.S. History

Young Writers is a small supportive community where excellent teaching, close relationships, and high expectations lead students to college and career. We value respect, kindness, safety, and empathy. Classes are student-centered and project-based. We focus on developing reading, writing, discussion, and presentation skills, while encouraging the exploration of STEM topics and self-expression through the arts. Advisory classes are the foundation of our community and support a restorative approach to discipline. Students are encouraged to build trusting relationships, to be themselves, to take risks, and to undergo personal growth over their four years. We seek parents and students who are interested in belonging to close-knit school community.

## ACADEMICS

- Advanced Placement (AP English Language & Literature, Computer Science, Biology, US History), College Now, College Trips, College Counselor
- Computer science, coding, and robotics courses, integrated technology use across the curriculum, Google apps, Chromebooks, iPads, and SMART Boards
- Restorative Justice: Advisory focused on community building, peer mediation, senior buddies, RJ ambassadors, student leadership
- Exhibition-Based Academic Program (grades primarily based on student exhibitions/projects), Annual Portfolios, Habits of Mind, Senior Projects
- Raven Press: All students publish original writing each year as part of a class anthology and have the opportunity to self-publish their writing

We prepare all students to enter college and employment after four years of a multi-disciplinary curriculum that integrates challenging academics with state-of-the-art technology. We offer CTE pathways in Web Design, Video Game Design, Computer Repair, Robotics, and Graphic Design with industry recognized certifications in each area. Additionally, industry specialists co-teach many of our CTE classes in order to bring current industry standards into the classroom. Students participate in internships aligned to their CTE course of study to gain real world work experience after completing our intensive job readiness program. At AoIT we ensure students will gain the experience to become confident, skilled, and productive citizens.

## ACADEMICS

- CTE Programs: Web Design, Computer Repair, Video Game Design, Robotics (US FTC Robotics Challenge), Graphic Design
- Industry Certifications: A+ Computer Repair, CISCO/Networking, Adobe Dreamweaver, Photoshop, and UNITY Certified Developer
- Partnerships: ScriptEd, NAF/National Academy Foundation, CHLDC/Work, Learn, Grow, Eye Beam, Verizon iDT, & various professionals on our advisory board
- Internships: Students complete a semester long job readiness program culminating with job placements across the NYC area (both summer & after-school).

This school is more than just automotive repair and technology. We have evolved to develop future leaders to meet academic and workforce challenges of the 21<sup>st</sup> century in Visual Arts, Software Engineering, Automotive Design, and Technology. Students receive personalized guidance and support in small classes. All students are offered the courses needed for the Advanced Regents Diploma and can earn college credits through CUNY College Now and Advanced Placement. Here, students learn 'grit', responsibility, creativity, and leadership skills. We empower them to create and follow the academic and social paths that will lead to success.

## ACADEMICS

- CTE program(s) in: Automotive Technology, Visual Arts (Automotive Design, DDP)
- Honors and AP courses in all content areas to challenge students academically leading to college credits and Advanced Regents diplomas.
- Paid and non-paid industry internships and Work-Based Learning opportunities beginning in the 11<sup>th</sup> grade.
- Yearly international and domestic travel opportunities to cultural events, post-secondary institutions, and community building atmospheres.
- Advanced Regents diplomas, blended learning through iZone, Software Engineering offerings (HTML, Java, Python, Robotics)

**English Language Learner Programs:** English as a New Language

**Language Courses:** Italian, Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, Environmental Science, U.S. History

**Diploma Endorsements:** CTE

Interest Area: Culinary Arts

**Program Description:** Under our IB program, the College, Career & Culinary concentration is a four-year, rigorous sequence of courses designed to train future chefs and small business entrepreneurs. Entering freshmen are programmed for introductory kitchen skills, concepts in nutrition and wellness, hospitality, and entrepreneurship. All students entering are required to fulfill IB requirements and coursework. Our partnership with C-CAP prepares students to complete internships with local area restaurant chefs.

**Admissions Priorities:** ❶ Priority to continuing 8<sup>th</sup> graders—**10%** of offers went to this group ❷ Then to District 15 students or residents—**27%** of offers went to this group ❸ Then to Brooklyn students or residents—**63%** of offers went to this group ❹ Then to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Punctuality
- Course Grades: English (63-100), Math (60-100), Science (65-100), Social Studies (62-100)
- Standardized Test Scores: English Language Arts (1.9-4.5), Math (1.8-4.5)

General Education	21	Yes	120	6
Students with Disabilities	4	Yes	54	14

The historic Boys and Girls High School is a renown educational institution that provides multiple pathways to engage students in the learning process. Our instructional practices empower students to take ownership of their learning, develop critical-thinking skills and get them ready for the demands of the 21<sup>st</sup> century global community and the workforce. Students have the opportunity to participate in Career and Technical Educational programs, such as electrical installation, architectural drafting, theater arts, or get a jump start for college by taking college courses while they are still in high school. All students are enrolled in engaging and academically challenging courses taught by high quality teachers.

## ACADEMICS

- CTE Programs: Electrical Installation, Architectural Drafting, Computer Programming and Theater Arts
- College Level Courses at Long Island University and CUNY College Now at New York College of Technology
- Success Mentoring Program, Daily Advisory Classes and Team-Building Activities
- SAT Preparation, College and Career Advisement, College and Career Trips, Saturday Tutoring Academy, Regents Prep Boot Camp
- Community Partnerships: Manhattan Theater Club, Brooklyn Navy Yard (STEAM)

**English Language Learner Programs:** English as a New Language

**Language Courses:** American Sign Language, Spanish

**Advanced Placement (AP) Courses:** Calculus AB, Computer Science, English Literature and Composition

## ACTIVITIES

After-School Tutoring, Cheerleading, Choir, Dance, Fashion Shows, LGBTQ club, Library Squad, Men In Progress Boys Mentoring Program, Music Production Studio, NYC Lutheran School-Based Health Clinic, National Honor Society, Oratory Competitions, Photography Club, Poetry Slam, Regents: Operation Preparation, Student Advisory, Student Government, Talent Shows, Theater, Wellness and Meditation Center, Women on the Move Girls Mentoring Program, Yearbook

**PSAL Sports—Boys:** Basketball, Cross Country, Football, Handball, Indoor Track, Outdoor Track, Soccer, Tennis, Volleyball

**PSAL Sports—Girls:** Basketball, Cross Country, Handball, Indoor Track, Outdoor Track, Volleyball

**School Sports:** NCAA Cleared

## PERFORMANCE

- 63% of students graduate in four years
- 25% of students enroll in college or career programs within 6 months
- 85% student attendance
- 81% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 82% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

The Brooklyn Academy of Science and the Environment (BASE) is a small public high school in partnership with the Brooklyn Botanic Garden. At BASE, learning moves beyond the classroom walls, starting with our signature Field Studies program. Using the world-renowned Brooklyn Botanic Garden as their living classroom, students learn inquiry-based science research skills from BBG experts and dedicated, highly qualified teachers.

## ACADEMICS

- Field Studies for ninth graders allows students to leave the classroom once per week to conduct science research at the Brooklyn Botanic Garden.
- After-School tutoring, Saturday Regents Prep, and credit recovery once per month on Wednesday afternoons offer additional support.
- Electives include: Computer Science, Earth Science, Geology, Anatomy and Physiology, Science and Sustainability, Computer Art, Theater.
- College courses offered through CUNY College Now at Medgar Evers and LIU Early Scholars program. College trips and SAT Prep classes offered.
- Internships and paid positions available at Brooklyn Botanic Garden, Prospect Park, Nature Conservancy, Brooklyn Museum and many more.

Brooklyn Collaborative is a diverse and respectful Expeditionary Learning Education School, in partnership with NYC Outward Bound Schools, committed to developing students and staff who are kind, open-minded, persistent, responsible, and courageous. With support from peers, staff, families, and school partners, students engage in challenging academic and social experiences that prepare them for college-level learning and full participation in civic life. Students learn to apply their intellect and effort to benefit themselves and their community.

## ACADEMICS

- Academic Portfolio required for graduation: Students write and present four in-depth Mastery Passage Performance-Based Assessment Task (PBAT) papers
- Presentations of Learning: Students participate in roundtables in each core class every year where they defend their writing to external panelists
- Expeditionary Thursdays: Students engage in fieldwork expeditions outside of the building every other Thursday all year round
- Groupwork: Students regularly work in teams and participate in crew advisory daily. Freshmen participate in a week-long Crew Camping Orientation.
- Electives include Fitness, Yoga, Dance, Philosophy, Art, Journalism, American Sign Language, Creative Writing, Drafting, Restorative Practices

**English Language Learner Programs:** English as a New Language

**Language Courses:** American Sign Language, French, Spanish

Our staff mentors students before, during, and after-school. Students have a voice here and become lifelong learners. A strong school community equally committed to these ideals supports our students. BC is committed to developing well-rounded individuals. We offer college courses and specialize in college tours; a typical BC student will have visited 12-15 colleges by senior year. We have an outstanding after-school program with varied activities including AA basketball programs for girls and boys. Many of our students have earned academic or athletic scholarships to college. BC is a place where friends are made for life and where graduates know they will always be welcomed back home. We are 'The Home of Urban Scholars.'

Our motto is: "Academic, artistic, and professional preparation for the 21<sup>st</sup> Century." Students achieve best when learning is applied to research, experimentation, creativity, and projects. Students participate in a four-year college preparatory curriculum, AP courses, many college partnerships, and present a college prep portfolio at the end of each school year. Students study visual art, design/photography, and film-making and complete four years of special arts topics seminars. Many enroll in accelerated visual, performing, and media arts academies. Our Advisory-Family program provides support and a strong peer community. Through student-centered learning and strong relationships, we nurture students' development and their potential.

**ACADEMICS**

- Four-year college prep curriculum: college counselor, College Confident, CUNY College Now, LIU Early College, Pratt Institute Art Scholars
- Four-year media arts professional specialization: studio art, photography, filmmaking, accelerated arts academies, internship, media job training
- Advanced Placement (AP) for All school: multiple AP courses in English, History, Mathematics, Science
- Algebra for All school: accelerated focus and support on college preparatory Mathematics and early completion of all Regent/Common Core exams
- Intensive Language Travel Abroad Program: Spanish language study, BCAM Globetrotters completing international travel in Spring (Spain '16, Japan '17)

English Language Learner Programs: English as a New Language

Brooklyn Frontiers High School serves entering ninth grade students who have fallen behind their peers by two or more years. We offer a personalized educational experience for students, recognizing the unique strengths and needs of each individual. The academic program is designed to challenge each learner and is implemented in a supportive environment that emphasizes the value of critical thinking skills, personal relationships, and student self-advocacy. We are committed to ensuring that students stretch their goals beyond graduation and gain the skills and self-confidence to successfully transition to college and careers.

## ACADEMICS

- Partnership with Good Shepherd Services: coaches for students to create personalized academic plans and guidance
- Small classes, many co-taught by two teachers
- Many opportunities for tutoring and support, both during the day and after-school

<b>Program Eligibility:</b> Open only to 15-16-year-old New York City residents entering high school for the first time. Students must have a record of being held back two times in elementary and/or middle school.						

This school invites students and families to a four-year conversation to ensure they graduate with competence and confidence. Our students receive intensive, small group instruction on a daily basis and complete projects that connect learning to life. Brooklyn Generation School students benefit from our month-long College and Career Intensives, with dedicated time to focus on the college process and career exploration. Our teachers continually monitor and assess each student's progress and keep parents informed of their child's academic strengths and challenges. Our liberal arts curriculum provides students with the skills, knowledge, and experience needed to become active and productive members of their community.

**ACADEMICS**

- Foundation courses prepare students for state-mandated Regents and success beyond high school.
- Studio courses provide a range of academic, remedial, and enrichment opportunities.
- Students prepare for college entrance exams with CUNY At Home in College Classes and earn college credit.

**Visual Arts**

Code: **K47J**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

🎤 Audition ★

**Interest Area:** Visual Art & Design

**10<sup>th</sup> Grade Seats Offered:** 5

**Program Description:** The Visual Arts Studio is a rigorous four year curriculum that develops the student’s technical abilities, critical-thinking skills and personal voice. Students have received honors like the Scholastic Art Awards, exhibition awards at the MOMA, admission to pre-college programs at local schools and scholarships for college. Courses include Foundational Art, Advanced Drawing, Painting, Mixed Media, Sculpture, Advanced Gallery, and Senior Portfolio Preparation, as well as Digital Art and Design.

**Audition Information:** Prepare a portfolio of 8-15 pieces of original work. Include examples of observational drawings. Complete up to three drawing assignments at the audition. Check school’s website for examples.

**Admissions Priorities:** ① Priority to Brooklyn students or residents—**92%** of offers went to this group ② Then to New York City residents—**8%** of offers went to this group

**Selection Criteria:**

- Audition

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	67	Yes	583	9
Students with Disabilities	14	Yes	161	12

**Instrumental Music**

Code: **K47K**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

🎤 Audition ★

**Interest Area:** Performing Arts

**10<sup>th</sup> Grade Seats Offered:** 10

**Program Description:** Students pursue a rigorous program of solo and ensemble playing as well as studying basic music theory and music history. Students have the opportunity to work closely with top professional musicians in the New York scene through our various partnerships. Classical, contemporary and “pop” literature, as well as world music, is studied and performed. Offerings include String Orchestra, Concert Band, Jazz Band, Guitar, and Digital Music, as well as Music Theory and Composition courses.

**Audition Information:** Beginners are welcome. You may audition on more than one instrument. Perform a prepared solo selection. Bring your own instrument(s) (except piano, tuba, double bass, harp, percussion and guitar amplifiers, which are provided by the school). Audition includes on-site music tasks (may include singing back melodic patterns, tapping back rhythmic patterns, play selected scales, or completing a sight reading, music theory or improvisation task).

**Admissions Priorities:** ① Priority to Brooklyn students or residents—**85%** of offers went to this group ② Then to New York City residents—**15%** of offers went to this group

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

🎤 Audition ★

**Interest Area:** Performing Arts

**10<sup>th</sup> Grade Seats Offered:** 16

**Program Description:** The studio offers dance students the opportunity to develop skills in professional venues with professional teaching artists. Students gain performance skills and understanding of the techniques of Lester Horton and Martha Graham. Students develop their talents in classical ballet, contemporary and modern dance. Technique classes include ballet, modern, and jazz. Two years of specialty classes in choreography, composition, pointe, college portfolio, and audition classes are offered as well.

**Audition Information:** Participate in both a ballet class and a modern dance class. Applicants must wear ballet shoes and fitted black dance attire. A brief exam will be given to determine their level of dance knowledge.

**Admissions Priorities:** ① Priority to Brooklyn students or residents—**98%** of offers went to this group ② Then to New York City residents—**2%** of offers went to this group

Brooklyn International helps English Language Learners develop language, intellectual, and collaborative abilities so that they may become active participants in today's world. Students work collaboratively on interdisciplinary projects that they present to community members. To ensure our goal of college and career readiness, students complete internships in 11<sup>th</sup> grade, gaining real-world work experience, and exploring career paths. With access to a computer lab, digital fabrication lab, and one-to-one laptop program, graduates leave with the skills necessary to succeed in our rapidly evolving world. Finally, students' native languages and cultures are an asset to our school—we are proud to honor them, and to learn from and about them.

## ACADEMICS

- Our school requires an Academic Portfolio of Performance-Based Assessment Tasks (PBATs) for graduation
- College Course offerings: CUNY College Now; St. Joseph's College Bridge Program

We are a learning community that believes all students can learn to become leaders of tomorrow, build the dreams that are within them, and become passionate lifelong learners. In our ever-changing world, our students will be able to cope with our global economy by using skills and knowledge derived from our curriculum. We are committed to designing and building meaningful, challenging classes and projects that are framed by collaborative classrooms, close relationships, and high expectations. Our students will be well-known throughout their time in our school and be supported by our Circle program. We believe with the support of caring teachers, dynamic instructional practices, AVID, and cultural sensitivity our students will succeed.

Modeled after the prestigious Boston Latin school and founded in 2006, The Brooklyn Latin School provides a liberal arts curriculum with an emphasis on the Classics and Latin language instruction. Early instruction emphasizes the acquisition of core knowledge of the key academic disciplines which students use as a foundation for deeper exploration in the upper grades. Widely regarded around the world as the most rigorous and comprehensive course of study at the high school level, the International Baccalaureate (IB) Programme is integral to our curriculum. In all classes, students experience a strong and consistent emphasis on analytical thinking, structured writing, and public speaking, preparing them for the challenges of college work.

**ACADEMICS**

- IB Programme: extended independent essay, on a subject of choice, the completion of which correlates closely to college-level research writing
- 150 hours of Creativity, Action, and Service (CAS), which may include volunteering or engaging meaningfully with the community outside of TBLS

**English Language Learner Programs:** English as a New Language

**Language Courses:** Greek, Latin, Spanish

**Diploma Endorsements:** Math, Science

**ACTIVITIES**

Certamen (Latin Competition), Drama, Garden Club, Global Awareness, Law Club, Legati, Math Team, Model UN, Moot Court, Muslim Student Association, National Honor Society, Photography, Public Declamation, Saltare (Dance), Stoked Skateboarding, Student Senate, Studio Art, The Latineer School Newspaper, Viajeros, Yearbook

BP students push themselves to be college-ready from the moment they arrive. We set high expectations and our small supportive environment allows students to work hard to meet them. All students challenge themselves by taking multiple AP courses, doing extended-day and maintaining an 85+ average. In turn, our College Bound team is committed to getting BP students into their dream colleges. BP students build lasting personal connections with BP staff through a four-year advisory program, individualized support classes, and a strong guidance team. Our well-rounded students choose from the wide variety of classes listed below. From Calculus to Sociology, Mentoring to Photography, at BP your choices are endless; success is mandatory.

## ACADEMICS

- STEM offerings include Coding, Chemistry, Financial Literacy, Java, Physics, Science Genius, ScriptEd, & Three STEM AP courses
- Humanities offerings include Dual Credit English, Gender Studies, Race and Media, African-American Studies, Sociology, & Creative Writing
- Leadership offerings include Peer Advisory Leaders, Peer Mentoring, Restorative Justice Coordinators, Teachers Assistants, and Learning Leaders
- Other Electives include 10 different art and music classes (e.g. Photography, Multimedia Art, Piano, Hip Hop), Culinary Arts, Cinema Studies, etc.
- Small group advisories that focus on community circles, social emotional support, academic & social bonding, trips, and academic portfolio assessment

**English Language Learner Programs:** English as a New Language

The Brooklyn School for Math and Research wants each of its graduates to make significant contributions to the world. To make that happen, we provide our students with the knowledge and skills they need to master mathematics and research. We use math to develop a framework for understanding the world around us and we use research to validate our theories about how the world works. Every student will develop competence, confidence, and the ability to critically think. All assets necessary to drive their success in college and beyond.

**ACADEMICS**

- All incoming 9<sup>th</sup> grades students are programed for three periods of math daily as well as physics
- College Prep Curriculum features the opportunity to take 6 Advanced Placement (AP) courses
- Free college credit courses at CUNY City Tech through CUNY College Now
- SAT prep offered for all 11<sup>th</sup> grade students
- Advisory classes featuring AVID curriculum

Brooklyn School for Music & Theatre (BSMT) uses our academic program to accommodate the intellectual, social, and emotional needs of creative high school students. Our vision is to provide a model professional environment where respect is mutual, ideas are shared, and learning is not limited to the classroom. We prepare students for higher education through our rigorous academic program while simultaneously allowing them to develop professional careers in the music and theater industries.

## ACADEMICS

- We offer a CTE program(s) in: Arts, A/V Technology & Communication
- We use iLearnNYC, which is a program for expanded online coursework and self-paced learning.
- We support our students in the arts through our partnerships with Roundabout Theatre, TDF Stagedoors, and the Center Theatre Group.
- We offer Advanced Placement classes for our upper level students through our AP For ALL program.
- We offer college-credited classes to our upper level students through our College Now partnership with Medgar Evers College.

Brooklyn Studio Secondary School believes that all students are capable of being strategic learners. We believe in teaching students how to learn. Our school community works tirelessly to achieve this through a curriculum that challenges and supports all of our students through individualized learning. Although considered a small school, we pride ourselves on offering programs comparable to a large school. Our students have the opportunity to take numerous electives, including Advanced Placement (AP) courses, courses affiliated with St. Francis College and CUNY College Now. Additionally, students can participate in extracurricular activities including clubs, performance ensembles, and athletic teams.

## ACADEMICS

- CTE program(s) in: Digital Media Communications
- Instructional Program in Instrumental Music: Performance music sequence aligned to NYC Blueprint for the Arts
- Inclusive Special Education Program grounded in the Instructional Co-Teaching model; Supportive English as a New Language program in ELA and core academic courses.
- Rigorous instructional intensive through tutoring and credit-earning classes to support credit accumulation.
- Advisory/Guidance support program grades 9-12 addressing social/emotional needs and college- and career-readiness.

 Target

 Likely

**Admissions Method:**

 For Continuing 8<sup>th</sup> Graders

**Interest Area:** Humanities & Interdisciplinary

**Program Eligibility:** Open only to continuing eighth graders

**Program Description:** Students will select either the Instrumental Music Program or the Digital Communications Program by the spring term of ninth grade.

Guaranteed offer to continuing 8<sup>th</sup> grade students

Brooklyn Tech is the nation's largest high school. Much of the school's facilities have been reborn for the 21<sup>st</sup> century, the school is a national model for excellence and has a stimulating environment that fosters transformational education and personal growth. Through input from its STEM partners, our classrooms and labs are on par with university and industry standards. The very active Brooklyn Tech Alumni Foundation enriches the culture of the school, supports student and faculty initiatives and is an incubator for new school programs. Students are provided an immersive experience that includes 10 courses in one of 19 different majors as well as the opportunity to participate in the largest Advanced Placement program in the world!

## ACADEMICS

- CTE Programs: Architecture; Engineering (Aerospace, Civil, Electrical, Industrial Design, Mechatronics, and Robotics) and Law; Media/Digital Animation
- Gateway to Medicine, Biological Science, LIU Pharm D (which is a gateway program to a doctorate in Pharmacy), and Chemistry majors
- Humanities focused programs in Social Science Research and Law and Society as well as a robust arts program with 15 elective music classes.
- Additional majors in: Environmental Science, Finance & Economics, Math, Physics, and Software Engineering

Bushwick Leaders High School for Academic Excellence is a collaboration between East Brooklyn Congregations, the Department of Education, and community educators and leaders. It provides a quality education to students in the Bushwick community by building relationships among parents, teachers, and students in a nurturing environment where students learn by doing. Students explore career opportunities through community service, college trips, a corporate mentoring program, and an integrated arts program. With a focus on a challenging academic curriculum, all students are prepared for work and college. As a result of our programming, students receive maximum instructional time as well as the opportunity for extra help in all subject areas.

City Polytechnic High School for Engineering, Architecture, and Technology is a 9-14, P-TECH school that prepares our students for college study and careers in Construction Management, Civil Engineering, and Architectural Technology. All City Poly students have the opportunity to begin college earlier than their peers in other NYC public schools after completing their third year of high school successfully. Our scholars have access to participate in four semesters of full-time eligibility beyond high school. In the four semesters at City Tech, students can earn up to 60 (or more) college credits toward their associate's and/or bachelor's degree.

**ACADEMICS**

- CTE program(s) in Civil Engineering, Architectural Technology, and Construction Management
- Fuel Education: Program for expanded online coursework and self-paced learning
- New York City College of Technology courses, paid industry internships

**English Language Learner Programs:** English as a New Language

At Cobble Hill, our vision is to know and empower our students as individuals so they will reach their maximum potential, make informed choices, and create meaningful lives. Through our programs and partnerships, our four-year sequence in Pre-Law, our four-year sequence in Biomedical Sciences, our AVID focus empowering students with the college-readiness skills necessary for the 21<sup>st</sup> Century, and our CUNY College Now courses, students explore career options and areas of interest in a learning community that values achievement in character, culture, and academics. Our students graduate with a strong knowledge of how history informs our decision-making, pride in work and achievement, and a strong ability to advocate for themselves and others.

## ACADEMICS

- Four-year sequence in biomedical sciences (STEM) Project Lead the Way; Two-semester sequence in engineering; Health Occupations Students of America
- Gilder Lehrman Affiliate School; CTE: Four year Pre-Law Institute: Family & Civil Law, Constitutional Rights, Criminal Law, Syracuse University credit
- Moot Court, Mock Trial, International Moot Court Team, Drama (Opening ACT), CUNY College Now at City Tech, College Writing
- Visual Arts sequence, College Summit, Advancement via Individual Determination (AVID) college-readiness advisory in all grades
- Classroom Inc, Castle Learning, SAT; Counseling in Schools: Stepping Stones, Five AP Courses, Experiential Learning opportunities such as Model Senate

Our school has a performing and visual arts program that serves a diverse population through a comprehensive range of academic and supportive curricula. We offer a nurturing and supportive academic learning environment. Dr. Susan S. McKinney Secondary School of the Arts is a part of the first cohort recognized in New York City as a Nationally Certified Advancement Via Individual Determination (AVID) school. To ensure that students are college and career ready, we have implemented iLearn courses to aid under-credited students in fulfilling their credit requirements. Based on our work with School Time Labs, we have programmed a College and Career Readiness course for all high school students with goal extending to grades six through eight.

**ACADEMICS**

- iLearnNYC: Program for expanded online coursework and self-paced learning
- Visual Arts, Vocal and Instrumental Music, Dance, Drama; Marching, Concert, and Jazz Bands; Technical Theater
- AP for All, College Advisory, Summer School, McKinney After-School Academic Program, CUNY College Now, Algebra For All, Software Engineering

We are a grade 6-12 school that develops young men to be critical thinkers and active citizens who embody our Five Eagle Pillars: Commitment to Excellence, Resilience, Confidence, Leadership, and Effort. Our scholars follow individual schedules. We offer a range of courses, extracurriculars, and extended-learning opportunities. Our teachers understand and embrace the challenges of teaching our unique population and take strategic risks grounded in research-based practices. Eagle is more than a school: we are a family dedicated to ensuring that all of our young men reach their full potential as globally conscious and competitive Eagle Scholars.

**Typical Schedule:** 8:45am-3pm

Our educational philosophy is based upon the growth of kindness, curiosity, and critical thinking—traits necessary for achievement in higher education, the professional world, and one's personal life. Ninety-minute periods, an average class size of 21, and a dedicated group of teachers create a learning experience that motivates and challenges our students. We offer an accelerated Regents program that provides students the opportunity to complete all required Regents exams by the end of sophomore year. Many of our students choose to complete Advanced Regents diplomas, advanced coursework, and examinations that better prepare them for a college education upon graduation.

**ACADEMICS**

- Saturday Academy and PM School (provide students with test prep); Tutorial, Credit Recovery, Art
- Instrumental Music, Chorus, Drama
- Students have the opportunity to complete a foreign language sequence that will lead to an Advanced Regents diploma.

EBC High School for Public Service-Bushwick is a small school focused on individual excellence, high academic standards, and service to the community. We have an educational culture that instills respect, self-discipline, and strong intellectual values. At EBC, students are offered the opportunity to serve their community and are supported by our staff through an advisory program. Students, staff, and parents/guardians thrive in a school that values personalization in education and prepares students for college and life after high school while nurturing and empowering students to serve as tomorrow's leaders today!

## ACADEMICS

- TDF is a program for elementary and secondary school students in the Tri-State area, offering them the opportunity to attend Broadway performances.
- AVID is a non-profit organization that provides professional learning for educators to improve college readiness for all students.
- The Medgar Evers College Pipeline is a program in Central Brooklyn that helps students going into college. Students are given dual credits.
- Educators Rising provides young people with hands-on teaching experience, sustains their interest in the profession, and helps them become educators.

Leaders High School engages students with innovative teaching and hands-on learning experiences. We support our students as they challenge themselves to step outside of their comfort zones to excel. As a graduation requirement, our students complete and present PBATs. These in-depth analytical papers and projects require extensive reading, writing, and research. We promote college and career readiness by providing rigorous college prep classes, a full-time college counselor, and internships for every student. All of our students are part of a crew, a small, tight-knit, group with a teacher providing ongoing support. Through these experiences, students learn to embody our four core values of leading, learning, contributing, and exploring.

## ACADEMICS

- As a graduation requirement, students complete and present Performance-Based Assessment Tasks (PBATs) instead of taking Regents Exams (except ELA).
- Our full-time internship/community service coordinator places every 11<sup>th</sup> grade student in an internship based on their interests.
- During our intensives, classes are paused for a week and students explore fascinating topics through exciting hands-on experiences outside of school.
- Through AP for All, we offer AP courses such as Psychology, Calculus, Spanish, English, Environmental Science, US History, and Computer Science.
- Elective courses include Photography, Theater, Debate, Sociology, Robotics, Computers, Choir, Dance, Poetry, Weight Training, Graphic Novels, and Art.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Calculus AB, English Literature and Composition, Environmental Science, Psychology, Spanish, U.S. History

We work in collaboration with the New York City Fire Department to offer an exceptional education that introduces the benefits of the Fire and Emergency Medical Services (EMS). Upon passing the New York State EMS Certification Exam in the 12<sup>th</sup> grade, our students can roll into a full-time position with the FDNY. In addition to our career path, we also prepare our students for their college pursuits. Over the four-year program, our students have a chance to take five AP Courses to earn college credits upon their high school graduation. Our students study courses dealing with biology, life-saving skills, human anatomy, fire science, extinguishing agents and their chemical make-up, and official procedures for becoming a NYC firefighter.

**ACADEMICS**

- CTE program(s) in: Health Science
- Introduces the occupational benefits of the Fire and Emergency Medical Services (EMS)
- New York State EMS Certification Exam
- Biology, Life-Saving skills, Human Anatomy, Fire Science, extinguishing agents and their chemical make-up
- Students learn official procedures for becoming a NYC firefighter

Democracy cannot succeed unless those who express their choice are prepared to choose wisely. "The real safeguard of democracy, therefore, is education." -Franklin Delano Roosevelt. Our vision is to provide the best education and preparation for college and career to every student who walks into our building. We do this by supporting all learners, both academically and emotionally, while providing access to a wide variety of coursework and educational experiences. The FDR learning community celebrates the diversity within our family and works together to graduate young adults who will continue to serve the greater community. FDR High School: Brooklyn's Bridge To Your Future.

## PROGRAMS OFFERED

### STEAM -Robotics/Programming

Code: **K16A**

#### Admissions Method:

Ed. Opt.

**Interest Area:** Computer Science & Technology

**Program Eligibility:** Open only to Brooklyn students or residents

**10<sup>th</sup> Grade Seats Offered:** 20

**Program Description:** Students will explore the field of robotic design using a variety of hands on activities. Students begin with an introduction to the tools used to create robotic devices. As they progress through the series of classes, computer programming becomes an essential and vital element. This culminates in a capstone design project and teaching assistant positions for students to mentor our incoming engineers. Our Robotics Academy offers opportunities for scholarships and research opportunities.

All students will graduate on time with viable college and career options. Our community uses positive reinforcement for academic excellence, attendance, and effort to meet this goal. Our college and industry partnerships provide our students with opportunities to earn industry certifications and college credits. We are proud to be the only CTE school in the Brooklyn STEAM Center. Students may apply to Computer Information Systems and Repair, Culinary, Electrical Installation and Practice, Multimedia Internet Technology, and the Brooklyn STEAM Center. Upon completion of a three-year course of study, they are eligible to receive a New York State Career and Technical Education (CTE) Endorsement in our approved CTE programs.

## ACADEMICS

- CTE programs: Electrical Installation and Practice, Culinary Arts, Computer Information Systems (repair, networking, security), Multimedia, and STEAM
- Industry-recognized certifications: NYC Department of Health Food Handlers' Certificate, CCENT/CCNA (Cisco), A+, NOCTI, NCCER and OSHA (10 hr).
- AP courses: English Literature & Composition, English Language & Composition, US History, World History, Computer Science Principles, Environmental Science.
- College credit opportunities: CUNY College Now, Pace Upward Bound, Medgar Evers Early College, St. Joseph's College
- Restorative Practices and Positive Behavior Intervention and Support Programs; Internships

We are a small high school with strong community ties focused on arts and arts-related professions. As a consortium school with a Regents waiver from the state, our students complete five Performance Assessment Tasks (PBATs) instead of Regents but still earn a Regents diploma. ICT classrooms with two teachers ensure students with IEPs receive personalized support in meeting their academic and social-emotional goals. We value social justice and use Restorative Justice practices. We take frequent class trips. We are a Community Learning School site, which brings resources to our school like Peer Group Connection mentoring program, cooking, fashion, dance, and drama clubs, and connections to after school and summer programs all over NYC.

## ACADEMICS

- Students graduate by passing five Performance-Based Assessment Tasks (PBATs) and the ELA Regents. Gotham Academy graduates earn a Regents Diploma.
- All students select an Arts track to complete their required Art PBAT. Art tracks include: Visual Art Production, Art Criticism, or Theater/Acting.
- We are a College Access for All school. Annual college and career days and college visits expose all students to college and career options.
- Frequent class trips and partnerships with community organizations allow us to use the city as our classroom and expose students to new opportunities
- We are a school founded on a commitment to social justice and Restorative Justice principles that ensure our community is safe and equitable for all.

**English Language Learner Programs:** English as a New Language

**Language Courses:** American Sign Language

## ACTIVITIES

Anime Club, Fashion Club, Improv Acting Club, Dance Club, GSA, Peer Group Connection (student-to-student mentoring program), Before- and After-School Tutoring and Academic Support, Saturday Enrichment (once a month)

**PSAL Sports—Boys:** Basketball, Cross Country, Football, Handball, Indoor Track, Outdoor Track, Soccer, Tennis, Volleyball

**PSAL Sports—Girls:** Basketball, Cross Country, Handball, Indoor Track, Outdoor Track, Volleyball

## PERFORMANCE

- 55% of students graduate in four years
- 78% student attendance
- 64% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- 50% of students enroll in college or career programs within 6 months
- 76% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

The High School for Enterprise, Business & Technology is located in Williamsburg. Our school's partnerships with colleges, corporations, and community organizations provide students with many opportunities to work in business settings. We prepare all students to participate fully in the complex world they will enter upon graduation. School service, community service projects, and internship requirements help our students hone the skills they need to achieve excellence. We utilize a project-oriented, student-centered approach, which focuses on helping students create and reach their own goals. Using a hands-on approach, students learn to analyze information, research issues, and solve problems as productive members of society.

## ACADEMICS

- CTE program(s) in: Hospitality and Tourism, Information Technology
- Students may major in music; Performing arts department consists of concert bands, jazz bands, choral ensembles, dance ensembles, and chamber groups
- No previous experience is necessary to join the performing arts department
- The instrumental, choral, and dance programs draw from all three campus schools, allowing students to perform at their ability level
- All musical ensembles compete annually at the New York State Music Association festival

Our partnership with the advertising industry provides a strong educational program that prepares students for college and careers. Mentorships, internships, and long-term advertising projects reflect real-world experience. Students may receive certifications in Microsoft Office and Adobe software. Those who complete the CTE sequence receive a certification in Communications and Advertising Design and are eligible for an industry scholarship to continue their studies in college. We also offer a four-year program in Software Engineering. Students will learn topics such as robotics, programming languages such as Python, Arduino, game design, web design, mobile app development, and AP Computer Science over the four years of study.

## ACADEMICS

- Advanced Regents Diploma, Microsoft Office Specialist Certifications, Adobe Certified Associate Program
- Advisory classes in grades 9-12 focusing on college exploration-application and restorative practices.
- CTE program(s) in: Computer Software and Media Applications, Computer Science (Fall 2018) Industry internships and mentorships for CTE students.
- BUILD Entrepreneurship program (Grade 9 & 10): All ninth grade students take a year-long class where they develop a new product and business.
- Communications and Advertising Design Certification, Innovation in Advertising and Media Industry Endorsement, Industry Internships & Mentor Program

The High School for Public Services enables students to develop a strong foundation of academic and social skills necessary to be productive contributors to our society. We offer a small and dynamic learning environment with many service-learning opportunities which serves as a major component of our school and student life. Our mission to perform community service is visible in our school and throughout the local neighborhoods. Students graduate with a resume of impressive credentials and experiences aligned to activism, workplace skills, and bringing positive changes to society. They are encouraged to strive for excellence through challenging coursework in our Medical Academy, Law Academy, and Community Action programs.

The High School for Service & Learning at the Erasmus Campus is a small High School specializing in providing students with individual and group service learning projects. Our mission is to provide educational experiences that meet the needs of our diverse student population and prepare them for various college and career paths. We build on the potential of our students, both as individuals and as valued members of our society, through a focus on culture, community, and civic engagement. With the help of peers, parents, partners, and teachers, students are empowered to become lifelong learners and agents of change, ready to make decisions and lead productive lives in a fast-paced, global environment.

Our school is truly a school for the 21<sup>st</sup> century, enhancing rigorous academics in the liberal arts tradition with the most advanced technologies. Our small and ethnically diverse student body and our outstanding faculty work together to explore and maximize each student's individual strengths. Through an incredibly rich array of programs, electives, teams, and clubs, we offer students the opportunity to find a niche and to develop into responsible and productive citizens. We are very proud that our graduates have demonstrated their ability to be successful in the finest universities in the nation. In addition to our challenging educational program, we are an exceptionally friendly school—one of the best-kept secrets in the city.

We are a small school that works in teams to prepare new immigrant students for college and life after high school while they learn English. We value all that our students bring to our school, especially their native languages and culture. At our school students learn what they need to learn—academically, socially and emotionally—to achieve success in college, career, and in life no matter where they begin. Our extensive college advisory program helps all of our students graduate with a plan that connects them with programs and scholarships for college in and out of state. We offer a rich academic experience that also includes the arts, sports, computer science, after-school programs and activities, and internships outside in the community.

## ACADEMICS

- We are a Performance-Based Assessment school, where students must present graduation worthy portfolios to graduate.
- Safe, supportive, and nurturing environment where students learn English and prepare for college.
- We are a Computer Science for All school. Through our programs all students have at least one full year course in computer science.
- All students are matched to an internship in the community in a field of their interest.
- Afterschool programs include: Peer Tutoring, Art Club, Writing Center, The Moth, Music Club, Chorus, Photography, New Media Club, Dream Team.

The mission of James Madison High School is to engage, challenge, and educate the minds of our students. Our classroom communities inspire and encourage our students to ask questions, seek answers, and taken an ownership role in their education. Our educators, staff, and students herald community connectedness within the walls of our school itself and strive to give back to the communities around us. In our efforts to continue our growth as individuals, all members of James Madison High School ask, "What's next?" Our collective responses continue to shape us as individuals and grow our academic, athletic, and creative communities.

## ACADEMICS

We offer an innovative form of education that empowers students to make responsible decisions. Our school is comprised of five small learning communities. Our small learning communities allow teachers to work with students for enrichment, remediation, and social engagement. Students receive the individualized attention found in a small school within the setting of a comprehensive high school. Our small learning communities prepare students for a variety of career pathways and college-readiness programs in core subject areas including the arts, business, STEM, law, and health professions.

At Campos, students are afforded the opportunity to earn college credits through Advanced Placement courses and engage in our rigorous STEM science and mathematics CUNY PERC program in which students master content while tutoring their peers. In addition, we provide our students with a diverse arts education connecting students to major institutions across New York. Students may take classes in visual and/or performing arts and many graduate with an Arts-Endorsed Regents diploma. Students are provided step by step guidance in applying to college through our College Bound Initiative program. Last year, students earned over \$300,000 in scholarships and every single graduate had an acceptance into a 2 or 4 year college.

## ACADEMICS

- Visual Arts, Band, Chorus, Dance, or Theater courses culminate in an Arts Endorsed Regents Diploma
- College readiness counseling provided by College Bound Initiative counselor; CUNY At Home In College English and math courses
- Blended/online learning for credit through APEX/AVENTA; Mentoring with working professionals through iMentor
- Art installations in local galleries through partnerships with BRIC Rotunda and NURTUREart; Technology courses
- Stem-CUNY PERC

Khalil Gibran International Academy (KGIA) is an International Baccalaureate (IB) school that offers students the opportunity to study the Arabic and French languages, and explore careers that require bilingual and multicultural skills such as international business, diplomacy, linguistics, journalism, and other related fields. In developing these skills, students will be well-prepared for college, careers, and positions as civic leaders in their community. Our students graduate with an understanding of different cultural perspectives, a love of learning, and a desire for excellence. We are committed to providing a challenging education where students can reach their full potential and become effective leaders in the world.

## ACADEMICS

At Kingsborough Early College School (KECS), all students have the opportunity to earn a tuition-free associate degree from Kingsborough Community College (KCC) during their time in secondary school. We offer instructional support, small class sizes, and access to the KCC campus as early as sixth grade. To promote higher-order thinking, students learn through inquiry, enrichment, and a challenging academic program. Our focus on youth development fosters confidence and self-advocacy resulting in students becoming successful adults prepared to continue their studies.

The Kurt Hahn Expeditionary Learning School is a 9-12 school working in partnership with New York City Outward Bound and Expeditionary Learning Schools to arm students with the knowledge, skills, and character necessary to serve as informed, thoughtful, and courageous civic leaders in their own communities and beyond. Students at the Kurt Hahn School will enroll in a challenging standards based curriculum that readies them for successful graduation from four-year colleges. The Kurt Hahn School emphasizes the interdisciplinary, in-depth study of compelling topics which develop students' abilities to creatively solve problems and think critically.

## ACADEMICS

- Students complete Performance-Based Assessment Tasks (PBATs) as a replacement for all but the English Regents Exams.
- New York Performance Standards Consortium: Students present four graduation level PBATs in English, math, social studies, and science.
- Twice a year, students host student-led conferences to show their best work and set goals for personal growth.
- This hallmark of our school builds public speaking skills and self-confidence.

The mission of Liberation Diploma Plus High School, is to develop the student academically, socially, and emotionally. We will equip students with the skills needed to evaluate their options so that they can make informed and appropriate choices and create personal goals for success. Our year-round model (trimesters plus summer school) provides students the opportunity to gain credits and attain required graduation competencies at an accelerated rate. Our partners offer all students career preparation and college exposure. Students have the opportunity to earn college credit(s). In addition to fulfilling New York City graduation requirements, students are required to complete a portfolio to receive a high school diploma.

We prepare students for college, healthy adulthood, and lifelong learning. As a NYS Performance Standards Consortium school, students are exempt from taking Regents exams except the ELA for graduation. Instead, students present final Performance-Based Assessment Tasks (PBATs). Ninth and tenth grade students participate in roundtables where they present a final piece of work to staff, families, and visitors in small groups. Eleventh and twelfth grade students complete semester-long projects in a given content area. All students have an advisor and are offered elective classes to pursue their individual academic and career interests. We are a Restorative Justice school, offering support and structure, not punishment, for disciplinary matters.

**ACADEMICS**

- NYS Performance Consortium: students complete four graduation-level Performance-Based Assessment Tasks in lieu of Regents except the ELA Regents
- Curricula reflects students, their communities and interests. Student choice built into research papers, experiments, and other academic projects.
- Field Studies: weekly academic trips throughout New York City connected to the educational program, including world religions and public works.
- Electives: filmmaking, baking, zoology, mentoring, comp sci, robotics, forensics, art, theater, sewing, carpentry, music, EMT training and internships
- Personalized educational support and community building through advisory, Restorative Justice processes and internships.

English Language Learner Programs: English as a New Language

Language Courses: Spanish

**ACTIVITIES**

Art and Theater, Chess, Community Action, Dance, El Puente, Fundraising Club, Homework Help, Music, Peer Mediation, Peer Mentorship, Peer Tutoring, Restorative Justice, Talent Shows, Theater, Yearbook, Spectrum (Gay-Straight Alliance)

PSAL Sports—Boys: Baseball, Wrestling

PSAL Sports—Girls: Cross Country, Volleyball

School Sports: Cheerleading, NYISL Soccer, NYSAA Basketball, NYSAA Flag Football, Volleyball

**PERFORMANCE**

- 65% of students graduate in four years
- 40% of students enroll in college or career programs within 6 months
- 81% student attendance
- 81% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 77% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

College Trips - Health Center - Internships - Online Grading System - Student Parent Orientation

Our students take challenging courses that include four years of English Language Arts (ELA), mathematics, science, and technology and three years of a foreign language. Students complete at least one Advanced Placement (AP) course. Students also enroll in college courses and research internships at Medgar Evers College, City University of New York (CUNY) in the 11<sup>th</sup> grade and earn up to 15 college credits each semester. Student creativity, character development, and social responsibility are cultivated through individualized guidance, college advisement, athletics, clubs, fine and performing arts events, community service, and mentorships.

## ACADEMICS

- AP Capstone is an innovative diploma program that provides students with an opportunity to engage in rigorous scholarly academic practice
- Technology, EXCEL/Honors, Science Research, Leadership Academy, Pre-Med Mentoring, CUNY College Now, Robotics

Midwood High School celebrates a long tradition of academic excellence. Our school has been nationally ranked as one of the best schools in New York City by the New York Post, Newsweek and The Washington Post. Our school consists of three institutes. Placement in our Medical Science and Humanities Institutes is highly competitive and dependent upon strong academic performance. Our school currently offers 21 different Advanced Placement courses. The Liberal Arts & Science Institute serves students who reside in the geographical catchment area. These students are selected for one of three programs: LASI Honors Academy, College and Careers, or College Support. These programs provide students with rigorous college and career-based instruction.

## ACADEMICS

- Special program(s) in: Media Arts, Law and Public Safety, Scientific Research, Social Science Research and Engineering/Robotics
- Students may receive CTE endorsement in Engineering/Robotics, Media Arts, or Law
- Highly competitive gifted and talented honors program in medical science and humanities.
- Instrumental and Vocal Music, CUNY College Now, Advanced Placement (AP) Capstone Certificate and Diploma, 21 Advanced Placement courses offered.
- Ranked as a top high school in New York City by the Washington Post, US News and World Report, the New York Post and the Daily News.

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Calculus BC, Chemistry, Computer Science, English Language and Composition, English Literature and Composition, Environmental Science, Human Geography, Macroeconomics, Physics, Psychology, Research, Seminar, Spanish, Statistics, U.S. Government and Politics, U.S. History, World History

Our school is dedicated to helping English Language Learners (ELLs) develop their English proficiency. We believe that mastery of the English language is essential for college and work. Students are offered additional training in English as a New Language, technology, and other subjects during our extended-day program and on Saturdays. Classes are designed to prepare students to meet graduation requirements and the challenges of college and career. Supportive teachers will assist students as they meet their academic potential and become well-rounded, productive members of society. Newcomers are welcome.

## ACADEMICS

- We are a Transitional Bilingual Program. To help our students adjust in a new country, we provide all of our new students with a Peer Group Mentor.
- We offer small class sizes that integrate academic content with English Language Development.
- CUNY College Now and AP Courses (AP English Language, AP Spanish Language, AP Spanish Literature, AP Environmental Science, and AP Human Geography).
- We provide internship opportunities in various fields.
- AVID School.

**English Language Learner Programs:** English as a New Language; Dual Language: Spanish; Transitional Bilingual Education: Spanish

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Computer Science, English Language and Composition, Environmental Science, Spanish

The mission of the Nelson Mandela School for Social Justice is to create lifelong, socially conscious leaders who use education as a powerful tool to change the world. All work within our community is guided by our core values: service, perseverance, leadership, respect, and reflection. We explore social justice themes through a challenging and engaging academic curriculum as students develop critical-thinking, analytic, and problem-solving skills. Service learning, collaborative projects, travel abroad, and internships will prepare our students for the demands of college and careers, and define their purpose and responsibility as global citizens.

## ACADEMICS

**Program Description:** Comprehensive academic program. Guaranteed offer to students who live in the zoned area

Origins prepares students for success in college by building on strengths and being attentive to individual needs. We make it a priority to know our students and their families through our advisory program. Our inquiry-based curriculum asks students to develop questions, conduct research, and prepare in-depth projects that exhibit their learning. Origins' challenging liberal arts education is grounded in small group work, reading analysis, and an emphasis on writing. Students present portfolios of work to panels of teachers and community members yearly. And our robust arts program offers students multiple outlets for expressing their creativity. At Origins, our students graduate as active, confident learners, and problem-solvers.

**ACADEMICS**

- Students complete academic portfolio presentations in the 9<sup>th</sup> and 10<sup>th</sup> Grades, and capstone projects and presentations as juniors and seniors
- Our curriculum is technology-integrated and all 9<sup>th</sup> graders take a Digital Literacy, Research, and Writing course
- We offer individualized college, academic, and career counseling, a junior/senior internship program, and CUNY College NOW courses
- Art course offerings include: Instrumental Music, Guitar, Digital Photography & Graphic Design, Ceramics, Studio Art, Sculpture, Print-Making, Drawing
- Elective offerings include: Journalism, Graphic Novel, Playwriting, Literature of New York, Urban Sustainability, Foreign Languages and more

**English Language Learner Programs:** English as a New Language

**Language Courses:** Italian, Mandarin, Russian

**Advanced Placement (AP) Courses:** Biology, Calculus AB, English Language and Composition, English Literature and Composition, World History

**ACTIVITIES**

After-School Tutoring, Peer Mediation, and Student Council are available year round; We also offer a variety of clubs and enrichment activities throughout the year, based on student interest, including: Ceramics & Painting, Cheerleading, Dance, Digital Photography, GSA, Green Team/ Garden Club, Mock Trial, Moot Court, Robotics and Space, Rock and Pop Music Program, Yearbook, Young Women's and Young Men's Groups

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Football, Outdoor Track, Soccer, Volleyball, Wrestling

**PSAL Sports—Girls:** Basketball, Bowling, Cross Country, Flag Football, Gymnastics, Indoor Track, Outdoor Track, Softball, Volleyball

**School Sports:** Badminton

We believe that students learn best in a diverse and integrated environment where they can compare what they think with the knowledge of adults and their classmates. Students learn to read, write and think critically, debate, and develop new knowledge and ideas. Through CUNY's PERC program, peer tutors work alongside teachers in algebra and living environment courses. Students in every grade can participate in writing and theater workshops with the Atlantic Theater Company teaching artists. Social studies teachers engage students in projects and seminars culminating in our Senior Brooklyn History exhibit. Weekly Circles of 10-15 students and 1 faculty create the community and camaraderie essential to a truly integrated school.

**ACADEMICS**

- Rigorous curricula in all core subjects prepare students for any course of study in college
- Four years of science and math include: Living Environment, Physics, Chemistry, Computer Programming, Algebra, Geometry, Trigonometry, and Calculus.
- Senior English and Participation in Government have both received the advanced DOE designation as college preparatory courses.
- Our full-time college counselor guarantees that all students apply to a variety of colleges and receive support with financial aid applications.
- All juniors participate in off-campus internships.

At Pathways in Technology Early College High School (P-TECH), students drawn to future careers in information technology (IT), computers, engineering, math, and science receive individualized support in preparing for and securing an entry-level position in the highly competitive IT industry. As a founding partner of the school, IBM (and other corporations) will provide all students with internship and training opportunities, exposing them to real-world technology careers. In addition, P-TECH students are able to earn an Associate degree or up to two years of college credit from CUNY's New York City College of Technology-at no cost-while still in high school.

## ACADEMICS

In partnership with CAMBA, Professional Pathways High School is a small school dedicated to educating and motivating students in an alternative setting through a personalized approach to learning and development. The school's mission is to support the academic and social needs of students through strong partnerships between all members of the school community, re-engaging students academically through project-based learning with an emphasis on post-secondary readiness and literacy, and building college/career readiness through computer literacy and career exposure. We will ensure that each student graduates with clearly articulated goals and a plan for post-secondary success.

## ACADEMICS

- We offer Learning to Work services, internships, computer skills and career development courses, trips, and individual/group and college counseling.
- LTW offers career exploration through paid internships that prepare students for rewarding educational and employment experiences after graduation.
- The LTW partner for Professional Pathways High School is CAMBA.

Our mission is to provide a strong core academic curriculum with a concentration in marine sciences. Imagine an education being delivered along the shores of the Atlantic Ocean in the legendary community of Coney Island, surrounded by the New York Aquarium's collection of marine mammals, fish, and invertebrates. Our partnerships with the New York Aquarium and the Brooklyn Center for the Urban Environment offer students a world-class, challenging, standards-based education.

## ACADEMICS

- We're affiliated with the NY Aquarium in Coney Island. Our students participate in internships, summer and other programs and get to work with animals
- We offer various art courses including a ceramics program that provides our students the space to be creative and productive.
- We offer a Science Research class through which students design and execute their own experiments and compete in science competitions
- We offer a Marine Technology course through which students design and build underwater robots to compete in state and national competitions
- We offer College Now Courses through Kingsborough Community College through which students can acquire college credit while in high school

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Computer Science, English Language and Composition, English Literature and Composition

Small Community. Big Heart. Our educational premise is that all students deserve grade-level instruction that is challenging, yet engaging, rigorous, yet motivational. The majority of our elective courses revolve around theater arts. Resulting performances are staged by students guided by faculty. Additionally, we offer Advanced Placement courses in Environmental Science, Biology, Language and Composition, Government and Statistics. These courses are open to all students, in particular, those students who prefer an intensive academic schedule in lieu of theater arts classes. We partner with Medgar Evers College and College Confident.

**ACADEMICS**

- Theater: Acting, movement, improvisation, etc.; Teaching artists collaborate with our teachers so that our students have a vibrant drama experience.
- Every student has an advisor. Advisory meets weekly and is comprised of activities designed to promote connectedness, positivism and purpose.
- All students can opt for the Science Research path that leads to Chemistry, AP Environmental ,and AP Biology courses.
- College classes are also available to our 11<sup>th</sup> and 12<sup>th</sup> graders through the College Now program.
- A resident college advisor guides each of our 11<sup>th</sup> and 12<sup>th</sup> graders through the entire college admission process.

English Language Learner Programs: English as a New Language

Language Courses: Spanish

Advanced Placement (AP) Courses: Biology, English Language and Composition, Environmental Science, Statistics, U.S. Government and Politics

**ACTIVITIES**

Students are highly encouraged to participate in our after-school clubs and activities: Academic Tutoring, Culinary Club, ELL Extended-Day Program, Enrichment Classes, Fitness Club, Homework Support, LGBTQ (GSA) Club, Music Club, Regents Preparation Sessions, SAT preparation, Science Research, Theater Club

PSAL Sports—Boys: Basketball

PSAL Sports—Girls: Basketball

Science, Technology and Research Early College High School at Erasmus (STAR) is a small Early College Network school. Our dynamic team of high school teachers and Brooklyn College professors are eager to prepare students interested in science, mathematics, and technology for college and the world of work. With our partners, we offer a range of challenging academic courses that give students first-hand exposure to the demands of high school and college by using field-based and hands-on methods of instruction. Students use the rich resources on the Brooklyn College and other City University of New York (CUNY) campuses as their learning laboratories. In addition to their high school diploma, students may earn 30 or more college credits.

**ACADEMICS**

- CTE program(s) in: Web & Digital Media Communications

Our schools introduces a new approach to high school education that prepares students to be tomorrow's innovators, scientists, graphic designers, and computer engineers. Our model blends the mind of a scientist/technologist with that of an artist/designer, enabling students to explore the captivating area where STEM, the arts, humanities (Great Books Program), and the future intersect. We are a high school re-imagined. We offer students an exciting approach to learning that opens their eyes to the possibilities and prepares them with the knowledge skills to thrive in tomorrow's workplace. Our program features real-world problem-solving, design engineering, social-emotional learning, in-depth exploration, and critical questions.

**ACADEMICS**

- STEAMD—{STEM + Art & Design} Entrepreneurship Accelerator; iLearnNYC: Program for expanded online coursework; All classes have an Honors option
- Students pursue 3 concentrations: Computer Action Lab, Graphic Design Lab, Digital Media Lab (Podcast Booth, Multimedia Audio and Video Center)
- School Curriculum has 5 components: STM, Humanities, Digital Graphic Design, Digital Media Arts, Crash Courses (Modules—Challenged Based)
- US History, Govt & Politics, Seminar, Research, Studio Art, Comp Sci Principles
- College Readiness Advising, STEAMD StartUp Company, Virtual Reality & Robotics, Senior Capstone Project Digital Portfolio

This is a small 6<sup>th</sup> through 12<sup>th</sup> grade school where students receive personal and individualized attention as they focus on their rigorous academic and creative work. We offer project-based learning that challenges students to question, discuss, collaborate, develop critical thinking skills, and solve problems. We incorporate the arts, critical literacy, and technology in all subjects. We believe that the key to achievement is to not only involve our students, but also their families—parents appreciate our focus on collaboration and communication and they can expect regular contact with our school. Our approach to education and relationships between all stake holders emphasize community responsibility, citizenship, and personal agency.

**ACADEMICS**

- State of the art school facility equipped w/science labs; all classrooms have SmartBoards, laptop carts, document cameras, video production equipment
- Small Advisories; Diverse Electives
- Emphasis on arts residencies and arts integration across grades, content, and curriculum.
- Focus on inquiry and project-based learning.
- Opportunities for accelerated coursework and credit accumulation: AP Classes and additional opportunities added as High School grows each year.

English Language Learner Programs: English as a New Language

Language Courses: French

Sunset Park High School is a diverse and inclusive school that prepares all students for post-secondary education and the challenging demands of a changing world. Our school is divided into three small learning communities for grades 9-11 that use teams of teachers to provide personal attention, including advisory, to each student. In the 12<sup>th</sup> Grade Academy, students move into a school-wide small learning community giving them the opportunity to experience a rehearsal for college life enabling them to meet students from across the school and to have choices in courses. Our school is committed to college readiness, parent engagement, community involvement, and enrichment/tutoring opportunities through a comprehensive after-school program.

**ACADEMICS**

- Early college opportunities including: AP for ALL, College Now through Brooklyn College, UHS Program through the University at Albany and more.
- All students take coursework leading to an Advanced Regents Diploma for those who meet requirements; school-wide electives offer student choice.
- All students take three years of arts coursework including: Visual Art, Music, Dance, and Media Studies (digital arts-based class).
- Science courses include core courses plus Environmental Science and choices in courses such as Advanced Biology, Forensic Science, and more.
- Computer Science courses including: Exploring Computer Science, Game Design, and AP Computer Science Principles.

**English Language Learner Programs:** English as a New Language; Dual Language: Spanish

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, Computer Science, English Language and Composition, English Literature and Composition, Spanish

**ACTIVITIES**

Art, Chorus, Dance, Debate, Homework Help/Tutoring, Internship Program, Knitting, Literary Magazine, Makers-Club, Music Production, National Honor Society, Photography, SAT Prep, Student Council, Theater, Urban Barcode Club (Science Focused—DNA), Yearbook; Opportunity for more student-led clubs—In addition to a school-wide Student Council, students can also participate in a small learning community-based student leadership team. Student voice and leadership are highly valued.

**PSAL Sports—Boys:** Badminton, Baseball, Basketball, Handball, Soccer, Wrestling

**PSAL Sports—Girls:** Basketball, Soccer, Softball, Volleyball, Wrestling

**School Sports:** In addition to PSAL Sports: Cheerleading, Fitness, and Track.

**PERFORMANCE**

- 77% of students graduate in four years
- 87% student attendance
- 87% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- 51% of students enroll in college or career programs within 6 months
- 90% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

The mission of Urban Action Academy (UAA) is to provide one child at a time with a unique educational experience that empowers them with an “I Can” mentality to serve as community leaders and facilitate public discourse with self-confidence and humility. Our academic program is structured to teach students to harness the energy of self-confidence and reinforce the discipline of hard work. All students of UAA will graduate equipped with the knowledge, skills, and personal choice to pursue college and/or professional careers in public service. Our UAA graduates will serve as public ambassadors propelled with a renewed sense of urgency to take action on a civic calling within their community, city, and nation.

The Urban Assembly School of Music and Art prepares students for college and the world of work. Our program integrates literacy and the arts into all aspects of our instructional program. Students learn to be critical thinkers and creative communicators. They learn to process and analyze complex information, view information in context, connect it to prior learning, and convey their ideas in a purposeful and convincing manner. Our program capitalizes upon our students' love of the arts and their desire to engage in self-expression. We create an environment where students understand the practical relevance of their learning to be able to fulfill their visions for the future.

## ACADEMICS

The Urban Assembly Institute of Math and Science for Young Women is an all-girls school dedicated to educating and advancing young women in the fields of math, science, and technology. Our college-preparatory curriculum ensures that students graduate with the skills and knowledge to one day enter into challenging and rewarding careers. UAI's college counselors also provide intensive support around the college application process, ensuring that our students get accepted into and finish college. Our network of partners also offers opportunities to explore math, science, and other career fields, connecting students with mentors that inspire our students to challenge self-perceptions and resist stereotypes about acceptable roles for women.

At UASCH, we prepare students for college and careers with a broad and deep focus on unique healthcare sectors. Coursework is as challenging as it is supportive with a strong emphasis on cross-curricular and project-based learning. As a member of the highly successful Urban Assembly network, UASCH has established partnerships with top-tier healthcare facilities that work in order to bring timely healthcare topics into the classroom and expose students to modern healthcare facilities. UASCH values parents as partners and cultivates a strong school-parent relationship. Our trimester system allows students to rapidly accumulate credits thereby making it possible for them to pursue off-site educational opportunities in the 12<sup>th</sup> grade.

The Urban Assembly School for Criminal Justice (UASCJ) is an all-girls school that prepares students for college and the world of work, teaching them the content and skills necessary for future success. We help develop the work habits and study skills that promote academic achievement. Students are also encouraged to participate in the many after-school and extracurricular activities we offer as they are integral to future educational and work success. As an all-girls school, our students are part of a tight-knit, diverse community and they benefit greatly from our small size and unique personal attention.

The Urban Assembly School for Law and Justice (SLJ) offers a challenging academic program with an emphasis on law and justice. We offer a nationally recognized college and career readiness curriculum. Through integrated partnerships, supportive relationships, and rigorous coursework, students develop strong communication skills and an understanding of the role law plays in society. SLJ students participate in the democratic process through Student Council, Town Hall meetings, and Youth Court. SLJ graduates are strong readers and writers who think critically, work cooperatively, and question constantly. Families and community members stay involved through an open door policy, frequent home contact by advisors, and monthly family events.

## ACADEMICS

We provide a challenging academic program that fosters self-awareness and strong work habits. Our graduates are prepared for higher education and careers. We provide opportunities for students to share ideas with each other, the staff, and the community. Our students participate in project-based learning and demonstrate mastery. The advisory program offers students an opportunity for personal development and academic growth while building close relationships within the school community. Our staff makes every effort to know each student and family well through small class sizes and a personalized approach to education which provides a structure for success. Seniors go on internships in their spring semester.

At W.E.B. DuBois High School, students are educated in a small learning environment with a personalized structure to meet their academic and social needs. In addition to our experienced teaching staff, students are supported by our community-based partners who provide counseling, tutoring, and enrichment services. It is our mission to ensure that each and every student graduates from our school with a firm post-secondary plan and the knowledge and skills needed for college and career success.

Located in one of New York City's premier neighborhoods along the Brooklyn waterfront, Williamsburg High School for Architecture and Design (WHSAD for short) offers students a unique and engaging four-year course sequence with a focus in architectural drafting, design principles, and historic preservation. Our inter-disciplinary and hands-on approach to architecture, design, and the visual arts integrates internship experiences and skills training throughout core academic content areas. WHSAD students can earn a Career & Technical Education (CTE) endorsed diploma in Architectural Drafting & Design, and up to six college credits upon graduation from our program.

**ACADEMICS**

- Four-year Career & Technical Education (CTE) program: Architectural & Design
- Distinctive course of study that promotes both creative thought and technical proficiency.
- Coursework teaches marketable and unique skill sets that bolster student employability and college admissions.
- Paid internship opportunities with professional industry partners.
- Guidance-driven approach to support students' learning styles and academic goals.

English Language Learner Programs: English as a New Language

Language Courses: Spanish

Advanced Placement (AP) Courses: English Language and Composition, Environmental Science, Human Geography, Spanish, U.S. History

Diploma Endorsements: CTE, Math

**ACTIVITIES**

Students organize to establish clubs that interest them, such as: Architecture, Art & Design, Electrical Installation, Music, Photography, Woodworking, and Video Gaming. WHSAD invites students who make the honor roll to free incentive field trips after the end of an academic term, which in the past have included: basketball games at Barclays, bowling, ice skating at Prospect Park, rock-climbing, movie showings, and Broadway musicals. PSAL coordinates team sports offerings for WHSAD students.

PSAL Sports—Boys: Baseball, Basketball, Cross Country, Handball, Indoor Track, Outdoor Track, Volleyball

PSAL Sports—Girls: Basketball, Flag Football, Softball, Volleyball

School Sports: (NCAA Cleared) PSAL Boys: Baseball, Basketball, Cross Country, Handball, Indoor Track, Outdoor Track, Volleyball; PSAL Girls: Basketball, Flag Football, Softball, Tennis, Volleyball

This is a small college preparatory high school that values rigorous instruction, community mindset, and emotional support. Our curriculum emphasizes hands-on learning opportunities, providing students with the interpersonal and academic skills essential for college and the modern workplace. With our trimester system, students can complete their high school credits by the end of their junior year and earn up to 21 college credits on 2 different college campuses—Medgar Evers and CityTech. We also provide diverse learning opportunities, which include our Software Engineering track, leading to Advanced Placement (AP) Computer Science and an infusion of art throughout student course work.

**ACADEMICS**

- College courses at CUNY-New York City College of Technology available to Juniors and Seniors
- Electives courses include: studio art, photography, peer mediation, and peer leadership.
- Students also develop professional skills in our computer programming and teaching assistant programs.
- Electives include: Peer Mediation and Internships; Creative Movement, Dance, Theater, Art

Williamsburg Preparatory High School is a small school with a big mission. We take ordinary kids and get extraordinary results. We provide a college preparatory education that focuses on supporting the whole child. Our school is built on four SHIPs: relationship, citizenship, leadership, and scholarship, and students are given individual attention to meet the expectations of these SHIPs. During 9<sup>th</sup> and 10<sup>th</sup> grade, students learn the skills necessary to be successful in high school, and take a majority of their Regents exams while being regularly exposed to a Common Core-aligned curriculum. In 11<sup>th</sup> and 12<sup>th</sup> grade, students concentrate on college preparatory courses to prepare them for the next stage of their life.

The Young Women's Leadership of Brooklyn empowers young women to become confident and compassionate leaders. We nurture the intellectual curiosity of the whole girl to maximize her academic achievement, socio-emotional well-being, and post-secondary success. TYWLS is supported by Young Women's Leadership Network and its CollegeBound Initiative in order to replicate the best practices of private and independent girls schools. TYWLS of Brooklyn opened in 2008 as the 5<sup>th</sup> school in the network. TYWLS strives to instill in students a sense of self-efficacy and community responsibility, characteristics which will support them as they become the leaders of the next generation.

# Listing 12 Choices Matters!

# Manhattan

Of Manhattan students who listed **12 choices** on their application

# 97%

received an offer in Round 1

## What High School Programs Are Available in Manhattan?

- 107 district high schools
- 154 programs, plus eight specialized high school programs
- Over 14,000 seats for ninth grade students
- 79 schools offer tenth grade seats

## What Are the Program Admissions Methods in Manhattan?

In Manhattan, pay attention to the demand of programs. Remember that a high number of applicants per seat decreases your chances of receiving an offer.

## Interest Area

## Programs

Architecture	4
Business	8
Communications	3
Computer Science & Technology	8
Culinary Arts	1

At “47” the American Sign Language and English High School, we believe that all students have the right to learn in an inclusive, academically rigorous environment. Our graduates emerge proficient in American Sign Language (ASL). Our small school community nurtures responsible citizens of the world, addressing all aspects of young adult development by providing the necessary individual supports for our students to be college and career ready.

**ACADEMICS**

- Small class sizes, after-school tutoring and after-school enrichment programs .
- Partnerships: Baruch College Now, yearly programs at various CUNY campuses, College Summit and collaboration with Cooperative Technical Education.
- Intensive instruction in ASL, Mindfulness Practices, Arts Matter Partnership, Dance and Art Studios.
- Community-Based Internships, Mindfulness Practices

**English Language Learner Programs:** English as a New Language

**Language Courses:** American Sign Language

**Advanced Placement (AP) Courses:** Biology, English Language and Composition, English Literature and Composition

**ACTIVITIES**

After-School Tutoring, Archery, ASL Performance, ASL Poetry, Chess, Chorus, Coding Club, Computer Science, College Tours, Creative Writing, Dance, Drama, Drumming, Food & Nutrition, Forensics, Knitting, SAT Prep, School Web Design, Student Council, Studio Art, Video Production and Editing, Visits to ASL Interpreted Broadway Shows, Weight Room, Yearbook, Yoga

**PSAL Sports—Coed:** Stunt

**School Sports:** Clubs: Archery, Basketball, Cheerleading (All Coed), Soccer, Volleyball

**PERFORMANCE**

- **91%** of students graduate in four years
- **86%** student attendance
- **55%** of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- **62%** of students enroll in college or career programs within 6 months
- **92%** of students feel safe in the hallways, bathrooms, locker room, and cafeteria

# A. Philip Randolph Campus High School | 06M540

We provide students with the opportunity to take in advanced courses in medicine, engineering, and humanities. Students who distinguish themselves in their coursework have the opportunity to enroll in free college courses through The City College of New York (CUNY) and Touro Colleges, participate in special programs such as the Gateway Pre-Med Honor Society, and apply for internships. We offer a wide range of extracurricular and athletic activities to broaden and engage our students outside of the classroom. Our after-school activities range from activities such as musical and arts productions to exciting Science, Technology, Engineering, and Mathematics (STEM) activities, such as the FIRST Robotics Competition.

## ACADEMICS

**English Language Learner Programs:** English as a New Language; Dual Language: Spanish

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, English Language and Composition, English Literature and Composition, Spanish, U.S. History

**Diploma Endorsements:** Math, Science

# Academy for Software Engineering (AFSE) | 02M546

Our school prepares students to design and create the next generation of software and applications. Partnering directly with NYC's technology and entrepreneurial community, students learn advanced computing skills to foster innovations in the arts, sciences, and business. Academically challenging classes in all content areas coupled with individualized academic support, problem-solving learning experiences, and career mentoring ensure every student has a personalized pathway to college, career, and life. Our students represent tomorrow's inquisitive problem-solvers, collaborative leaders, and innovative entrepreneurs: the young people who dare to dream that anything is possible through innovation, technical design and software engineering.

## ACADEMICS

- Mastery-based learning and grading system
- Four-year professional mentorships, industry internships, hackathons, computer science, and software engineering courses including 3D modeling
- Individualized student support, advisory program, personalized college and career planning, field trips to software companies
- Annual freshmen class overnight trip, college and career-focused academic program
- CTE program(s) in: Computer Science and Software Engineering

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Computer Science, English Language and Composition

## ACTIVITIES

Community Service, Culture Club, Cyberpatriots, Entrepreneur/Start-up Workshops, Film Club, Gaming, Model Congress, Modern Band, National Honor Society, Photography, Programming and Software Development, Restorative Justice Team, SAT Prep, Student Government, Yearbook

**PSAL Sports—Boys:** Baseball, Basketball, Handball, Soccer, Volleyball

**PSAL Sports—Girls:** Basketball, Softball, Volleyball

## PERFORMANCE

- **85%** of students graduate in four years
- **90%** student attendance
- **78%** of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- **82%** of students enroll in college or career programs within 6 months

Art & Design prepares students for careers in the arts. Our CTE programs include Film/Video, Photography, Animation, Architectural and Graphic Design, Illustration, Fashion, and Cartooning. Our instruction positions students for acclaimed awards and scholarships and facilitates entry into choice colleges. Teachers develop curriculum collaboratively with industry partners and colleagues in higher education. Students learn Adobe Suite and AutoCAD programs required for their field of study and achieve certification. We offer Advanced Placement (AP) and CUNY College Now courses. Our internships enable students to explore art careers. Our mission is to prepare students for college and career readiness through hands on studio work and challenging academics.

## ACADEMICS

- CTE programs: Film/Video, Commercial Photography, Cartooning, Animation, Illustration, Graphic Design, Architectural Design, and Fashion Design
- AP: Global, US History, Government, ELA, Literature, Calculus, Biology, Chemistry, 2D Design, Drawing, Psychology, and College Now through CUNY Hunter
- Internships through Work Based Learning as well as Apollo Theater, Bloomberg, Center for Arts Education, The Mayor's Office of Media & Entertainment
- Partnerships: Met Museum, Frick, Studio in a School, Society of Illustrators, Apollo Theater, Manhattan Graphics, Adobe School of Inter-Active studies.
- Enrichment: Museum Exploration Program, AIGA mentoring, Art Students League, Studio in a School, Kaplan Saturday SAT prep, Saturday Art Directors Club

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** Art History, Biology, Calculus AB, Chemistry, English Language and Composition, English Literature and Composition, Environmental Science, Psychology, Studio Art: 2-D Design, Studio Art: Drawing, U.S. Government and Politics, U.S. History, World History

**Diploma Endorsements:** Arts, CTE

## ACTIVITIES

Clubs: 3D Printing/Sculpture, Animation, Art & Design Newscast, Calisthenics, Cartooning, Chess, Drama, Dungeons & Dragons, Fashion Design, Game Design, Gay-Straight Alliance, Girls Soccer, Literacy Arts Journal, Murals, NHS, Newspaper, Painting, Sewing, Student Exhibitions in Kenny Gallery, Yearbook, Zine. Tutoring before and after school in core academic subjects. School-Wide: Drama productions in Black Box, Draw-A-Thon, Fashion Show, Film Festival, Spring Arts Festival.

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Fencing, Handball, Soccer, Volleyball

**PSAL Sports—Girls:** Basketball, Soccer, Softball, Table Tennis, Volleyball

**School Sports:** (NCAA Cleared) Aerobic Training, Basketball, Intramural Sports, Nautilus Training, Spinning, Volleyball, Weight Training; Student-Faculty Games

## PERFORMANCE

**Admissions Method:**

🔗 Audition ★

**Interest Area:** Architecture

**10<sup>th</sup> Grade Seats Offered:** 10

**Program Description:** Program includes study of structures, space, color, form, with a focus on hand drafting as well as software applications, architectural design, model making, sketching, and AutoCAD. Seniors complete city planning design project to address current zoning issues. Students visit museums and professional studios, design showrooms and hear from professionals. Student projects are critiqued and reviewed by industry partners in order to provide students with specific, relevant industry feedback.

**Audition Information:** Portfolio with 8-12 pieces of original artwork created from observation and students' own imagination with a diversity of subject matter and use of media. Please include examples of line drawings as well as value studies of geometric shapes and forms. You should also include a drawing of your neighborhood and a plan of your bedroom or your apartment. Three-dimensional pieces can be photographed. You will be required to draw from observation and memory.

**Admissions Priorities:** 📍 Open to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Course Grades: Average (67-100)
- Standardized Test Scores: English Language Arts (1.9-4.5), Math (1.6-4.5)
- Audition
- Portfolio of Student Work

**Admissions Method:**

🎤 Audition ★

**Interest Area:** Film/Video

**10<sup>th</sup> Grade Seats Offered:** 25

**Program Description:** Our comprehensive, three-year, studio-based curriculum immerses students in the pre-production, production, and post-production process. Through hands-on filmmaking, students learn film theory, film analysis, scriptwriting, editing in Adobe Premiere Pro, and gain industry-based technical and theoretical knowledge. Students have access to state-of-the-art equipment, participate in contests and film festivals, and meet visiting artists and professionals.

**Audition Information:** Portfolio including two storyboards (each a minimum of ten frames each) depicting a scene from imagination and a 250-word essay describing your interest in filmmaking. At the audition, students will be given a visual representation and will be asked to develop a story that could be used as the basis for a film. Be prepared to address these questions: What is the story about? Who are the main characters? What are the conflicts? What type of film? How does it end? Materials are supplied at audition.

**Admissions Priorities:** 📍 Open to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

Bard High School Early College Manhattan (BHSEC Manhattan) was founded on the belief that many students are ready to do serious college work at age 16. Bard College partnered with the NYC Department of Education to create an innovative program that enables high school students to move in four years from 9<sup>th</sup> grade through the first two years of college, earning a high school diploma, up to sixty college credits, and an Associate of Arts (AA) degree upon graduation.

## ACADEMICS

- First two years at BHSEC: courses for grounding in mathematics, science, history, English, and a foreign language, arts classes, PE, and Health.
- Work in the college program builds on high school studies and offers a variety of college courses, as well as independent study opportunities.
- Students must complete 60 college credits to receive the Bard College AA degree.
- Our curriculum is designed to enable students to transfer to colleges and universities with up to two years of college credit.

**English Language Learner Programs:** English as a New Language

**Language Courses:** German, Greek, Latin, Mandarin, Spanish

## ACTIVITIES

Anime Club, Art Magazine, Asian Culture Club, Bardvark Student Newspaper, BHSEC Student Activist Network, Black Students Association, Chinese Language and Culture, Current Events, Debate Team, Diversity Initiative, Eco Club, GSA, Karaoke, Literary Magazine, Model UN, Muslim Students Association, Philosophy Club, Quiz Bowl, Step Team, Student Union, Table Tennis, Theater Production, Winter and Spring Concerts, Yearbook

**PSAL Sports—Boys:** Basketball, Soccer, Tennis

**PSAL Sports—Girls:** Basketball, Cross Country, Outdoor Track, Soccer, Tennis, Volleyball

**School Sports:** (NCAA Cleared) Coed Ultimate Frisbee

## PERFORMANCE

- **99%** of students graduate in four years
- **98%** of students enroll in college or career programs within 6 months
- **95%** student attendance
- **96%** of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- **90%** of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

📄 Screened

**Interest Area:** Humanities & Interdisciplinary

**Program Description:** Comprehensive liberal arts early college program. Students earn a high school diploma and a tuition-free Associate Degree from Bard College.

**Admissions Priorities:** 📍 Open to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Course Grades: Average (88-100)
- Individual Interview (on-site)
- Math Test (on-site)
- Writing Exercise (on-site)

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat
General Education	124	Yes	4,299	35
Students with Disabilities	26	No	209	8

## ASSESSMENT INFORMATION

- To be considered for admission to BHSEC (Manhattan and/or Queens Campus), student report cards should reflect a cumulative average of an 85 or above in English, math, science, and social studies.
- Students may apply to both schools. They must, however, indicate each one as a separate choice on the Department of Education High School Application.
- Students only need to take one assessment in order to apply to either or both schools. The assessment may be taken in either our Manhattan or Queens location.
- All students wishing to be considered for admission to BHSEC (Manhattan and/or Queens Campus) must register online via the school's website at [www.bard.edu/earlycollege](http://www.bard.edu/earlycollege). Registration for the assessment begins September 5, 2018.
- Students who demonstrate strong abilities in their grades and the assessment will be invited to an interview at BHSEC. Students receive an email invitation for an interview.
- When evaluating applicants, BHSEC seeks to build an incoming ninth grade class that is representative of the entire City of New York.

## School Eligibility

Baruch College Campus High School (BCCHS) collaborates with Baruch College to create a challenging, interdisciplinary, liberal arts high school. This intensive four-year program asks students to explore the philosophical, ethical, and aesthetic dimensions of the human experience. We expect our students to become socially conscious, responsible leaders in our transforming world. BCCHS is committed to our Core Values for developing life-long learners: Rigor, Community, Real World Connections, and Global Citizenship. Baruchians embody our 3 Es: Empathy, Extraordinariness and Enthusiasm.

## ACADEMICS

- Four-year course of study in science, math, English, and history; three years of Spanish; all of our classes are taught at the Honors level.
- Students interested in visual arts can complete a three year art sequence, taking art in 10<sup>th</sup> grade and Advanced Art in 11<sup>th</sup> & 12<sup>th</sup> grade.
- Four-year Advisory: students set and monitor their academic goals through advisory; senior institute (college applications support)
- Senior Courses: exit project (defended before a panel); internships; senior mentors, dual-credited college calculus in partnership with Baruch College
- Mentoring; electives vary annually and have included Tech Team, Current Affairs, Writing, Computer Science, Art

**English Language Learner Programs:** English as a New Language

We are a CTE high school focused on Business Management & Entrepreneurship. We expect our students to learn the fundamentals of business and to graduate prepared for college and careers as business analysts, marketers, entrepreneurs, and journalists. Students have many opportunities for real-world learning and building their own personal networks in the sports management industry through internships and other work-based learning activities. Each student is also paired with a professional mentor, and through our Sports Business Speaker Series, our students have frequent opportunities to network with current industry professionals. Our graduates may also earn industry certifications in Microsoft Office and Workplace Readiness.

## ACADEMICS

- New York State endorsement in CTE program: Business Management & Entrepreneurship
- Students are matched with a four-year mentor from the business world through iMentor, Morgan Stanley, and Big Brothers Big Sisters.
- Students earn early college credit through Advanced Placement (AP) and CUNY College Now classes. After-school tutoring and enrichment and Saturday Academy.
- Students complete Internships, Virtual Enterprise, Microsoft Office Specialist certification, and NOCTI Workplace Readiness certification
- CollegeSpring: All students complete year-long SAT preparation class and four diagnostic exams during their Junior year.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, Environmental Science, Psychology, U.S. History

**Diploma Endorsements:** CTE

## ACTIVITIES

**College Preparation:** CollegeBound Initiative, College Trips, National Honor Society, SAT Prep; **Clubs:** Cheerleading, Chess, Cycling, GSA, International Travel, Sneaker Design, Yoga, Weight Training; **Leadership:** Internships, Navy JROTC, Student Government, Peer Group Connection (PGC); **Career Connections:** Mentoring Partnerships (iMentor, NFL, American Express, CBS, Morgan Stanley), Sports Business Speaker Series: Student Support: Advocate Groups, After-School Tutoring, Saturday Academy

Central Park East HS embodies New York City, a cultural Mecca. Our academic program provides a wide range of accelerated courses which prepare our students for the most competitive colleges and universities. Students also build community through clubs like Green Team, Anime, Running, Improv, and many more. While academic excellence is deeply rooted in the culture of the school community, students are also expected to give back through programs that support and enrich students' lives academically and socially. Eleventh graders support 9th graders in the Peer Group Connections mentoring program. Our school's staff is deeply committed to education and care about each student's social and emotional well being.

## ACADEMICS

The Clinton School is an authorized International Baccalaureate (IB) World School, offering the Diploma Programme (DP), a globally recognized honors program. We encourage our students to become active, compassionate and lifelong learners. We have paired Diploma Programme with The Yale Center for Emotional Intelligence’s RULER framework in order to support the development of balanced, well-rounded global citizens. Our upper grades program is built as an “International Baccalaureate for ALL” model, with students completing NYS Regents requirements by the end of 10<sup>th</sup> grade in order to participate in IB Language and Literature, IB Spanish, IB Mathematics, IB Science, IB Individuals and Societies, and IB Film in 11<sup>th</sup> and 12<sup>th</sup> grades.

**ACADEMICS**

- IB for All-11<sup>th</sup> and 12<sup>th</sup> grade Clintonians take three higher level and three standard level International Baccalaureate courses.
- Current IB courses include: Biology, History, Film, Language and Literature, Mathematics, and Spanish.
- Students must devise (CAS) creativity, activity, service projects, and reflect on how the experiences helped them develop IB Learner Profile traits.
- Students must take a Theory of Knowledge course, that asks students to reflect on the nature of knowledge and reflect on how we know what we know.
- Students must independently complete an extended essay on a subject of choice with limited support from a staff advisor.

English Language Learner Programs: English as a New Language

Language Courses: Spanish

**ACTIVITIES**

Art Club, Chasing Corals Ambassadors, Cheer, Chess, Climbing Club, Clinton Soup (Literary Magazine), CUNY College Now with Baruch College, The Clinton Post (School Newspaper), Dungeons and Dragons, Film Club, Gender Equality, GSA, Math Team, Model UN, National Honor Society, Pre-Med Club, School Leadership Team, SETA, Social Justice Club, Student Council

The College Academy (TCA) is a college preparatory school dedicated to providing our students with academic curricula in a small learning environment. At TCA each student receives personalized attention, guidance, and academic support throughout their high school career. Students have access to Advanced Placement (AP) Courses and College Courses that lead to college credits and college readiness during their junior and senior year. Our students have access to over eight AP Courses throughout the educational campus. The goal of our school is to develop literate, self-reliant, high achieving students who are able to transfer their knowledge and skills to real life situations and are prepared to succeed in college and the world at large.

Columbia Secondary School (CSS) is a school serving grades six through twelve which specializes in academically talented students who have an interest in a selective and demanding program focusing on math, science, and engineering. CSS immerses students in science and math as a way of making sense of the world. Learning experiences focus on active exploration of major concepts, ideas, and theories that respond to life's big questions. Our students become aware of their responsibilities to their communities and to the world. At CSS, students engage in their own explorations so that they may experience the excitement of discovery.

We provide a small school setting in which students learn about health-related issues facing our community. Our goal is that each student will understand and internalize the physical, emotional, and academic qualities of health that are developmentally appropriate to his or her age. We prepare our graduates for careers in healthcare through our use of a health-themed curriculum and mentoring programs supported by community partnerships, with health professionals. These opportunities promote awareness of healthy lifestyles and ensure that our students become agents of change within the community.

## ACADEMICS

- Advisory, Remediation, Enrichment, Research Courses, Writing Electives, Integrated Health Curriculum, Grade-Level Projects, AVID
- Problem-Based Learning (PBL), College Awareness, Career Awareness, SAT Prep (11<sup>th</sup> grade), Intro to Community Health, Concepts in Wellness

Eagle Academy Harlem is a 6 through 12 college preparatory school that develops young men to be critical thinkers and active citizens who embody excellence in both character and scholarship. We prepare our young men for life after high school. Our young men give back to their communities through service opportunities and social justice experiences. We believe that young men are best developed when being supported through uniting the work of dedicated educators, supportive parents, and actively engaged mentors. We are focused and committed to the school's guiding principles of Academic Excellence, Mentoring, Leadership, Integrity, Character Development, and Community Service.

## ACADEMICS

- Business, Law, Social Justice & Technology elective tracks.
- Small school with individualized programs to meet the needs of all scholars.
- College and career counseling starting in ninth grade; Internships; College-level and Advanced Placement (AP) courses will be offered in upper grades.

We are a small college preparatory school that takes pride in our engaging and challenging curriculum. In our small classes, our students creatively apply what they learn to complete interesting, relevant and rigorous projects. Our teachers know our students well and provide the support they need to succeed. Because we believe that it is important for students to discover and develop their passions, we offer our students an amazing amount of extracurricular activities and travel opportunities that they enjoy tremendously. East Side is a great setting for students who are interested in being part of a vibrant and diverse community that focuses on academic, social, and emotional growth.

## ACADEMICS

- All students develop graduation portfolios in the core subjects and present and defend their work in roundtables to committees each semester.
- In addition to several AP & College Prep classes, our College Now program offers students 15-20 college classes each semester at Hunter College
- Full-time college counselor, through the College Bound Initiative, works with each student to effectively navigate the college application process.
- Electives: Visual & Digital Art, Photography, Music, Chess, Coding, Theater, Skateboarding, Action Sports Marketing, Dance, Yoga, Journalism
- Advisory system ensures that we know every student well and have a strong connection with their families each year and throughout the college process

Esperanza Preparatory Academy (EPA) is a dual-language college preparation school. Students master Spanish as a native or second language, as well as academic, social, and communication skills. We offer students Spanish courses with the goal that they will be able to take college and Advanced Placement (AP) courses in Spanish Literature, and become proficient in both Spanish and English. We prepare students for college by providing them with internship opportunities and a mentor that will expose them to college life/academics. Students work collaboratively with their mentors to arrange college tours and develop college portfolios, and have the opportunity to take college courses.

At Essex Street Academy, students learn to be critical, creative thinkers in a diverse and supportive school community. Graduates demonstrate mastery of skills and content in each discipline by completing in-depth, inquiry-based projects. Through small classes and advisories, teachers get to know their students as individuals while nurturing their intellectual curiosity and emotional development. Students are encouraged to explore opportunities outside the classroom through partnerships with local universities, professional internships, international study, and outdoor leadership programs; and to become active members of their community both inside and outside of school.

**ACADEMICS**

- Students complete Performance-Based Assessment Tasks (PBATs) as a replacement for Regents exams. Courses focus on in-depth, theme-based content.
- Study abroad opportunities in France; exchange program with Denmark.
- Arts programs in Music, Theater, Vocal, Visual Arts, Photography, and Creative Writing.
- College Guidance Program: Dedicated College Guidance Courses, Overnight Trips to Colleges and Universities, In-House SAT prep with College Spring
- Advanced courses in English, Spanish, French, calculus, computer science. Students take free college classes at NYU and CUNY College Now.

Our school graduates lifelong learners who are leaders in their communities. Our students complete inquiry based, Performance-Based Assessment Tasks (PBATs) as a replacement for the Regents exams (except ELA) and graduate with a Regents Diploma. We prepare our students academically, socially, and emotionally through project based learning, art integration with studio classes, a College 101 course, and a four-year advisory program. We foster a college-going culture and provide a great deal of support to our students for college and career readiness. In choosing FHS, you are choosing to think deeply about yesterday, today, and tomorrow, and how to make positive difference in the world.

## ACADEMICS

- Performance-Based Assessments (PBATs): Students present projects in all core subjects and take the ELA Regents to graduate with a Regents diploma.
- Our lead partner, Facing History, supports engaging, real-world curriculum, opportunities for internships, leadership, and community involvement.
- Students are members of an advisory class that meets everyday with an advisor. The class supports students emotionally and academically while at FHS.
- Urban Arts Partnership offers a variety of art classes and opportunities like Digital Music, Visual Art, Digital Photo, Film Production, etc.
- College Prep includes SAT class, senior year College 101 class, scholarship opportunities & AP courses. All graduating seniors apply to college.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** U.S. History

## ACTIVITIES

After-School Tutoring, Anime, Chess, Coding, Community Service, Conflict Resolution, Dance, Drumming, GSA, Human United Strength Organization (Club that uses exercise and mentoring to support strong minds, bodies and positive living habits), Photography, Poetry, Running Club, School Government, Soccer Club, Step Team, Substance Over Surface (Music Production and Performance Club), Unity (Girls Group), Video Game Club, Visual Arts, Yearbook; Additional clubs are created based on student interest.

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Soccer, Tennis, Volleyball

**PSAL Sports—Girls:** Basketball, Volleyball

**School Sports:** Activities to be formed based on student interest

We have an international reputation as the first and foremost high school committed to nurturing students dedicated to the arts. Our dual mission provides a uniquely balanced educational experience that includes both demanding conservatory-style training and a rigorous, comprehensive academic program. Our world-class facilities include a concert hall and two theaters; art, dance, music, recording and theater studios; science and computer labs; and a professional art gallery. We structure student schedules to allocate multiple periods of arts each day. Graduates gain admission to highly selective schools and distinguish themselves in every field, including the arts and sciences, medicine, law, business, education, and public service.

**ACADEMICS**

- Successful completion of graduation requirements, studio coursework, and exams lead to the Chancellor’s Arts Endorsement on the High School diploma.
- Students have a daily schedule that includes both a multi-period conservatory program and a full college preparatory academic course load.
- Each studio has a four-year sequence of courses and opportunities for students to participate in performances or exhibitions.
- There are over 40 performances each year and over 24 Advanced Placement (AP) courses. Students may gain college credit while still in high school.
- First and only New York State approved Career and Technical Education (CTE) program in Technical Theater.

**Drama**

**NO CODE**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

🎤 Audition ★

**Interest Area:** Performing Arts

**10<sup>th</sup> Grade Seats Offered:** 5

**Program Description:** The Drama program focuses on acting preparation through block-programmed courses in acting (Meisner and Stanislavsky method), voice and diction, physical techniques, theater history, musical theater, acting on film, career management, and script analysis. Students have numerous opportunities to perform in professional theater spaces throughout their four years, culminating in our Senior Drama Festival.

**Audition Information:** Applicants should be prepared to perform two contrasting one-minute monologues. Applicants will be asked to do an impromptu reading and participate in an interview. Attire should allow free movement since applicants may be asked to demonstrate how well they move physically.

**Admissions Priorities:** 📍 Open to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Academic information will be considered for students who successfully auditioned
- Attendance and Punctuality
- Course Grades: English (85-100), Math (81-100), Science (84-100), Social Studies (84-100)
- Standardized Test Scores: English Language Arts (3.0-4.5), Math (2.6-4.5)

**Fine & Visual Art**

**NO CODE**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

🎤 Audition

**Interest Area:** Visual Art & Design

**10<sup>th</sup> Grade Seats Offered:** 5

**Program Description:** The first two years comprise of training in traditional skills and disciplines, which include drawing, painting in water-based media, graphic design, and painting in oils and acrylics. After taking the core art courses, students take advanced courses in the subjects listed and with other elective offerings such as architecture, art history, ceramics, computer graphics, digital media, fashion illustration, mural painting, photograph, print making, and sculpture.

**Audition Information:** Applicants must bring a portfolio of 8-15 pieces of original artwork done in a variety of media. The artwork should be from observation, imagination, and memory, and labeled appropriately. Photographs-not originals-of three-dimensional (3D) works may be included. For the audition, applicants will be given three drawing assignments, including drawing the human figure from observation, drawing a still life from memory, and creating a drawing in color, based on imagination. All drawing materials for auditions will be supplied by the school at the audition.

**Admissions Priorities:** 📍 Open to New York City residents

We offer an academically challenging CTE program focusing on the culinary arts and finance. Since we believe that food is fundamental to personal, social, economic, and ecological health, the themes of food and finance are integrated into our curriculum and school environment. Cornell University Extension, our lead partner, brings expertise in science, sustainable food production, nutrition, and other topics. Students develop critical thinking skills while engaged in projects, internships, and entrepreneurial ventures. In addition to the state endorsed CTE diploma, students are expected to take a series of industry-recognized certification examinations.

**ACADEMICS**

- CTE program(s) in: Culinary Arts
- Students may receive CTE endorsement in Culinary Arts
- Cooking, Baking, Food and Culture, Food-Related Financial Management, Entrepreneurship, Internships
- New York City Food Handlers Certificate and ProStart Certification with National Restaurant Association Educational Institute
- Financial Literacy Certification, PSAT/SAT

At Frank McCourt High School (FMHS), we prepare our students to be articulate and effective communicators in every medium. In particular, we will develop students' communication skills through their writing, presentations, classroom discussions, and peer dialogue. In developing these skills, students will also sharpen their critical and analytical thinking. Every student will graduate from FMHS armed with the curiosity and intellect of a true lifelong learner. We are committed to helping our students become engaged citizens and thoughtful civic leaders who can communicate their vision with clarity and eloquence.

GLC students participate in a rich interdisciplinary curriculum designed to explore what makes a global citizen. Our English and double-period Global History courses emphasize a strong writing foundation from which students build their knowledge of the world and themselves. Our World Dance program allows students to experience the history and creativity of our world's cultures as expressed through music and dance. Math and science classes explore the impact of sustainable energy sources. All students are encouraged to pursue our ten Advanced Placement (AP) courses and CUNY College Now coursework. Our extra-curriculars foster advocacy through Model UN, Generation Citizen, Mock Trial and Study Abroad. Interested GLC students can also graduate early.

**ACADEMICS**

- Additional AP Classes: World History, Spanish Literature, and French Literature
- College Partners: College Now at Hunter College, Science and Technology Entry Program at Fordham University, NYU Advising Corps
- Academic Partners: Hochman Writing, Generation Citizen, Solar One, Project Rousseau at Columbia University, Road Trip Nation, College Access for All
- Art Programs/Enrichment: World Dance, Ceramics, One to World, Creative Art Works, Mindfulness classes for 9<sup>th</sup> graders, SAT Prep
- Parent Workshops: English as a New Language, College Readiness, Financial Aid/Scholarship Night, Computer Literacy, Art Therapy

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Italian, Spanish

**Advanced Placement (AP) Courses:** Calculus AB, Computer Science, English Language and Composition, English Literature and Composition, Environmental Science, Spanish, U.S. Government and Politics, U.S. History

Gregorio Luperon High School for Science and Mathematics opened in 1994 as the first school in Washington Heights to serve newly arrived immigrant Latino students. GLHS provides the avenue that enables students to explore the fields of science, technology, engineering, arts and mathematics through language acquisition. We prepare our students to achieve high standards of scholarship and equip them with the necessary skills to be successful in their college and professional careers. We enforce strong community ties that allow our students to become successful leaders with integrity, solidarity, and excellence.

Harvest Collegiate High School offers a rich and challenging intellectual education that engages students in the natural process of experience, questioning, the pursuit of precision, and reflection—the way people really learn. We believe in cultivating students’ power to produce and reflect, rather than simply consume, as a fundamental way of being in the world. We aspire to being and contributing creatively to a ‘sane society,’ one of peace, growth, and joy. We believe all young people flourish in conditions that challenge and support. We prepare students for success in college and for participatory leadership that promotes values of active responsibility for mankind and our world.

## ACADEMICS

- Students complete Performance-Based Assessment Tasks (PBATs) in lieu of Regents. They must complete 4 Capstones to graduate and 4 “Gateways” in 10<sup>th</sup>.
- Two-year Houses to develop our core habits of mind: Curiosity, Evidence, Perspective, Connection, Voice, Responsibility, and Creative Contribution
- Dedicated Daily Reading Time; students choose some courses—like Computer Game Design, Forensics, or Pre-Med—from a course catalog like in college.
- All students learn a musical instrument—with a choice of Band, Guitar, Piano, or Percussion.
- Advisory program prepares students for college and diverse relationships; all students are required to participate in Extracurriculars twice a week.

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** English Literature and Composition, Macroeconomics, U.S. History

## ACTIVITIES

Advisory Reps (student government), Ambassadors, Art, Basketball, Book Club, Ceramics, Chorus, CORE, Dance Company, Debate Team, Fashion, Feminism, Fitness, GSA, Guitar, Harvest Love (community service), Hip Hop Heads, Jazz Band, K-Pop, Mindfulness, Model United Nations, The Moth Storytelling, Newspaper, Photography, Radio Show, Robotics, Sailing and Boatbuilding, SAT Prep, Songwriting, Swimming, Table Tennis League, ThinkTANK (philosophy), Tutoring/Office Hours, Ukulele, Writing Center, Yearbook

The Heritage School, founded in 1996, is a partnership between the New York City Department of Education and Teachers College, Columbia University. We are a small learning community that fosters the development of respectful citizens and leaders who possess the academic and social skills as well as the habits of mind to be successful in higher education and the world beyond. In addition to our comprehensive curriculum, The Heritage School is fortunate to be in a building and neighborhood that is immersed in culture, community, and pride.

## ACADEMICS

- A Humanities and Interdisciplinary approach for 9<sup>th</sup> and 10<sup>th</sup> grade; additional math and science for 11<sup>th</sup> and 12<sup>th</sup> grade students
- College Now courses offered by our CUNY partner Hunter College. Courses offered during Fall, Spring, and Summer sessions.
- Additional Advanced Placement (AP) courses include: US History, Art, Spanish, Chemistry, and Calculus
- Full-time college counselor provided through our Partnership with CBI (College Bound Initiative). Princeton Review SAT preparation courses.
- Heckscher Scholars Program offered through our partnership with The Heckscher Foundation; includes: Salsa, Hip Hop, Coding, and Music Production.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, Studio Art: 3-D Design

## ACTIVITIES

In addition to our Restorative Justice-based Advisory classes, students are selected to serve as Peer Mediators and Circle Keepers throughout the day and can continue to develop their craft after-school. After-School culture includes Coding, Double Discovery (Columbia University), Hip-Hop, Minds Matter (Columbia University), Music Productions, National Honor Society, Salsa, SAT preparation, Student Government, and Tutoring.

Our school is committed to providing our students with a comprehensive academic education. We offer AP courses, and on campus free college courses offered by The City College of New York. Our students are supported academically, socially, and emotionally by the entire school community with on-site support through various on-site community-based programs including an on-site Health Clinic. We offer a full time College Counseling Staff. Our students are an integral part of the school community. They serve on The Student Government Committee, and other school committees. Our after-school programs offer many extra-curricular activities in the arts and music. We are proud of a very safe school environment for learning and teaching.

## ACADEMICS

- Additional Advanced Placement (AP) courses in Spanish, History, and Biology.
- Courses offered in Pre-Calculus, Hydroponics, Aquaponics, Stem labs, Robotics, Computer Science, CTE health, Anatomy and Physiology and ROTC program.
- Online coursework in a computer lab and self-paced learning is available for qualified students.
- We offer after-school homework help and tutoring. We also offer Saturday School for credit accumulation, Regents Prep Tutoring, and SAT Preparation.
- Students attend CUNY College Now to earn college credits. We offer Advisory, and College and Career preparation during day school and after school.

**English Language Learner Programs:** English as a New Language; Dual Language: Spanish; Transitional Bilingual Education: Spanish

We believe that education is not a solitary endeavor; students and teachers must be active learners. We strive for excellence through a challenging, innovative, student-centered curriculum where students develop analytical skills to become critical, independent thinkers and lifelong learners. Students gain knowledge about the public sector, law, and their ability to make positive changes in the community. Parents, caregivers, and staff work together to provide students with opportunities to become invested in their communities through service learning, internships, mentoring programs, and partnerships. Their experiences allow them to apply their academic knowledge to real-life settings.

## ACADEMICS

Our mission is to create a climate that promotes excellence in learning. Our students develop into intelligent, critical thinkers who are supportive members of their communities. We accomplish this through collaboration and a personal learning atmosphere. Our culture celebrates success with high expectations for students as well as adults. The students will be immersed in the study, inquiry, and advocacy of law, with required involvement in community service, thus enabling them to realize their individual potential throughout the greater community. Our hope is that students will view themselves as pioneers of the new millennium, and we expect them to be counted among the great success stories of tomorrow.

HSMSE @ CCNY provides a unique and unparalleled collaborative educational experience. The school's mission is to encourage students to develop the habits of inquiry, written and verbal expression, and critical thinking. Students are drawn from all five boroughs, making it one of the most ethnically diverse schools in New York City. The academically rigorous learning environment focuses on mathematics, science, and engineering, while emphasizing civic responsibility and the value of acquiring knowledge for its own intrinsic reward. The deep professional and personal experiences of the faculty enrich the learning community; many faculty members have earned doctorates and distinguished themselves in business, engineering, and other fields.

## ACADEMICS

We are a small learning community whose mission is to provide a rigorous education that encourages and inspires inquiry, creativity, critical thinking, and free expression. We will provide a learning environment that is engaging, culturally and socially responsive, and prepares students for success in the future. In our school, students take different courses in media to develop different skills designed to succeed in the 21<sup>st</sup> century using tools such as Garageband, Adobe Premier, and Photoshop. Our College Office staff supports and guides students in the college application process as early as the 9<sup>th</sup> grade. Ultimately, we develop lifelong learners who will prosper in college and future careers.

## ACADEMICS

- Media courses include: Introduction to Media, Media Production, Video Editing, History of Film and Television, Journalism, Graphic Design, and more
- Additional courses include: Leadership, Writing for College, Creative Writing, SAT Preparation, and online courses available in all subject areas.

We offer a rigorous academic program for all students, including a four-year academic program in economics and finance with many Advanced Placement (AP) and CUNY College Now courses. Our diverse, welcoming community extends beyond our doors to corporate partners such as Citi Bank, Deutsche Bank, Etsy, and more. Students have opportunities to work with our private and public sector partners for job shadowing, internships and mentoring. Our full-time college advisement staff coordinates the college admissions process that helps our students earn millions of dollars in scholarships. All students find enrichment in various athletics, civic, artistic, and cultural programs and have access to our state-of-the-art library and technology center.

HSFI has it all—rigorous academic classes; cutting edge programs in Fashion Design, Business, & the Arts; and a multi-million dollar school-based health center where students receive free medical and dental care. HSFI excels at guiding students through the college application and financial aid process with College access classes given during the school day, a full-time College counselor, as well as current HSFI students and alumni who are trained as college counselors to support their peers. Through our corporate Advisory Board and industry partnerships, HSFI provides students with hands-on experience with NYC companies in the fashion, business and design worlds. All of our classrooms are air conditioned to ensure student comfort.

## ACADEMICS

- Through our corporate Board, HSFI has an Industry Partnership Program that provides students with real world experiences in the business world.
- Our industry partners include Barneys, Kleinfeld Bridal, ADIDAS, Saks Fifth Avenue, Macys, Swarovski, and the International Center of Photography.
- HSFI partners with the Yale University Center for Emotional Intelligence to develop students' social emotional skills to handle teenage stress.
- HSFI has a full menu of rigorous academic classes that includes Advanced Placement (AP), CUNY College Now, Chemistry, Physics, Calculus, and Coding.
- Our major programs are industry recognized and state certified with annual events including our Fashion Show, Senior Art Show & 'HSFI Shark Tank.'

**English Language Learner Programs:** English as a New Language

The High School of Hospitality Management (HSHM) is a New York City public high school established in 2004. HSHM is located in the heart of the resurgent Clinton area of Manhattan, where there is the highest concentration of hotel and hospitality establishments in New York City. We provide traditional academic courses as well as career and technical courses. The curriculum enables students to develop problem-solving skills that prepare them for post-secondary education, as well as exciting careers in hospitality management and the culinary arts. Our professional staff, parents, and students are equal stakeholders in the creation of an invigorating and supportive learning environment.

## ACADEMICS

Independence High School embraces teaching and learning in a small, caring environment with high academic standards. We offer a multicultural, interdisciplinary curriculum with an infusion of arts and technology. Every student receives personalized counseling, with an advisor who helps them achieve goals and set post-secondary plans. Our community is actively engaged in helping students maintain academic excellence, foster self-esteem, and make healthy decisions. We nurture a passion for learning and problem-solving using Restorative Practices in an environment built on high accountability and support. Families maintain a high level of engagement with the school. Students participate in assemblies, college visits, and career fairs.

The Institute for Collaborative Education (ICE) is founded on the principles of the Coalition of Essential Schools and is a member of the New York State Performance Standards Consortium. As a progressive school, our courses and units of study are inquiry-based and designed to develop students' critical thinking skills. Students engage in academically-challenging, performance-based assessment tasks (PBATs) that demonstrate their understanding of course material. ICE provides students advanced learning opportunities through our collaborations and partnerships with local universities, colleges, and community-based organizations.

## ACADEMICS

- Assessment is based on academic projects and portfolios
- Academic program that culminates in PBAT Graduation Requirements in all core subject areas: History, Literature, Math, Science, and Spanish
- Senior Circle Electives: Multimedia Technology, Songwriting/Poetry, Studio; Digital & Performing Arts, Photography, Intro to Psychology/Philosophy
- Math Magic, Health and Nutrition Awareness, Computer Game Programming; Music; Studio Art; HS Jazz Band and multiple ensembles
- Neuroscience program; Collaboration with The City University of New York (CUNY) and New York University (NYU) Neuroscience Labs

IEC is a career and technical education, early college school partnered with NY Presbyterian Hospital, Microsoft, and Bronx Community College. Through mastery based learning, students earn a regents diploma with technical certifications, an Associate degree at no cost, and work-based experience preparing them for technology or health related careers. Our students are future computer network administrators, cyber security specialists, game and device designers, medical professionals, artists, and entrepreneurs. Students have up to six years to earn their associate's degree in technology or the biological sciences before deciding to move directly into the job market or continue their education through the Bachelor's Degree level and beyond.

Our students actively participate in the curriculum and school activities and are programmed based on their needs & interests. JKO is a school of International Business Studies; all students complete eight credits in Business. Virtual Enterprise (VE), Hospitality & Tourism and Accounting are the core areas of study. We have developed strong relationships with various partners, including Viacom, Roundabout Theatre, and El Museo Del Barrio. We believe in educating the whole child; we take advantage of our prime location. All incoming freshmen are expected to take two Advanced Placement (AP) courses prior to graduation in the four-year cycle; coupled with our anticipated CTE approval, we are structured to ensure college and career success.

## ACADEMICS

- iLearnNYC: Program for expanded online coursework and self-paced learning
- Business Programs aligned to CTE mandates in Business, Management & Administration, Hospitality and Tourism, Virtual Enterprise
- CUNY College Now
- Mentoring opportunities-Big Brother, Big Sister and Peer Mentoring

We are a small, college-preparatory school that offers a challenging academic curriculum with a strong emphasis on reading, collaboration, and project-based learning. All students have the opportunity to graduate with thirteen college credits through our College Now For All initiative. We are part of the NY Consortium, and students present and defend six PBATs (performance-based assessment tasks) before a committee in order to graduate. The PBAT process is rigorous, and helps to prepare students for the research and writing demands of college. Our advisory program ensures that all students have strong and trusting relationships with adults and peers in order to support a close-knit, positive learning culture.

**ACADEMICS**

- Performance-based assessments required for graduation in all core subject areas.
- College Opportunities: College Now For All, Upward Bound, College Trips, Full-Time College Counselor; Partnerships with Baruch and John Jay Colleges
- Special programs: Midori Foundation Music Classes, Hudson Sailing Program, After-School and Summer Internship Opportunities, SAT Prep Classes
- Elective courses offered for all students, including American Sign Language, Chess, Photojournalism, Coding, Music production, and Newsletter.
- After-school clubs and activities for all students, including: PSAL Sports, Dance Team, Poetry Club, LGBT Club, and Coed Teacher-Student Softball.

**English Language Learner Programs:** English as a New Language

**Language Courses:** American Sign Language, Italian

**ACTIVITIES**

After-school clubs and activities are offered for all students, including: Coed Teacher-Student Softball, Dance Team, Drumming, Homework Help, LGBT Club, Poetry Club, PSAL Sports, School Newsletter, Senior Committee, Student Council

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Soccer, Volleyball, Wrestling

**PSAL Sports—Girls:** Basketball, Bowling, Softball, Tennis, Volleyball

**School Sports:** (NCAA Cleared) Cheerleading, Coed Teacher-Student Softball, Flag football

**PERFORMANCE**

- 65% of students graduate in four years
- 36% of students enroll in college or career programs within 6 months
- 81% student attendance
- 85% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 66% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

At the Leadership and Public Service High School, we believe that education is a portal to developing tomorrow's leaders. It is the school's mission to have families, students, administration, and staff collaborate to identify issues, define goals, and reach academic success. Our curriculum includes athletic, civic, and social programs, and connects learning to life beyond the classroom. We offer a strong advisory course that allows our students to form close relationships with our faculty members. Our students learn through innovative teaching practices which help them develop a deeper understanding of themselves, others, and our world.

LoMA is a small, multicultural school that focuses on academic excellence through the arts. We support each student's intellectual, emotional, and cultural growth with the goal of success in a four-year college or career. These expectations require that all students take additional math, science, reading, internship, and arts classes. Every student must also take part in an extended-day program at least twice a week. To support our students' success at meeting these higher standards, we maintain an intimate, nurturing community with a large number of adults watching over and taking care of our students.

## ACADEMICS

- Internships for all seniors, artists-in-residencies for all majors, project-based learning in academic classes, daily advisory, daily reading period
- Instead of AP classes, most seniors take actual college classes of their choice on the campuses of NYU and John Jay College.
- After completing a 9<sup>th</sup> grade rotation of all of the arts, students select a major in Art, Music, Dance, or Drama.
- To ensure that all students are college ready, all students must complete four years of science, math, English, social studies, and arts.
- After-School tutoring plays a major role in our school culture of academic success.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

## ACTIVITIES

LoMA students are required to participate in two days of extracurricular activities or tutoring a week: Computer Coding, Cheerleading, Chorus, Henna Club, LoMA Cares Volunteer Group, LoMA Dance, LoMA Theater Ensemble, Step-Up Mentoring, Student Council, Swimming, Theater Tech and Stage Crew, Weight Room, Yoga.

**PSAL Sports—Boys:** Badminton, Baseball, Basketball, Bowling, Handball, Volleyball, Wrestling

**PSAL Sports—Girls:** Badminton, Basketball, Bowling, Softball, Table Tennis, Tennis, Volleyball

**School Sports:** (NCAA Cleared) Intramural Sports: Basketball, Soccer, Swimming

## PERFORMANCE

- 81% of students graduate in four years
- 88% student attendance
- 86% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- 58% of students enroll in college or career programs within 6 months
- 86% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

Manhattan/Hunter Science High School is an early college high school partnership between Hunter College and the New York City Department of Education. Our program provides students with the tools, guidance, and support they need to become successful college students, as well as leaders in a range of careers, not limited to science and technology. Students who graduate from our program will have completed several college courses, a cumulative research program, a Congressional Award School certificate, and the requirements for a New York State Regents Diploma with a semester of college credits.

## ACADEMICS

- Hunter College's Senior Year Program, Research Courses, Internship Opportunities, Additional Academic Supports, After-School Homework Center
- Seniors will attend Hunter College; Other students have an opportunity for Hunter's research methodology course and internships.
- College credited courses in computer science and Foreign Language in grades 10, 11.
- All students are provided with Kindles to support academic learning and achievement.
- The only Congressional Award school in the nation. Students graduate with Congressional certificate for community service/personal goal achievement.

**English Language Learner Programs:** English as a New Language

We are a college preparatory high school. Course offerings and high standards enable students to succeed after graduation at the nation's most selective colleges. Our teachers provide each student with personalized attention and guidance. We provide four years of science and math with extensive liberal arts. Every freshman will take a year-long writing intensive small class-size English course to prepare them for college. Most students take Advanced Placement (AP) courses. Many of our students take college courses through Columbia University DDC and CUNY College Now program. Our students participate in scientific research with university mentors, some resulting in publication. A new SAT/ACT initiative helps students' competitive standings.

## ACADEMICS

- Grade 11 students take a mandated SAT prep program designed and taught by MCSM teachers. This program has significantly raised average SAT scores.
- We have begun to offer College Now on site, as a CCNY professor teaches Psychology at MCSM. Many students attend College Now at CUNY campuses.
- International Student and Teacher Exchange Program (ISTEP), Advanced Science Research (ASR), Mount Sinai MedDOCS Cardiology Program
- Project Boost (college tour program), Comprehensive after-school program for tutoring and clubs, Columbia University Double Discover Program.
- Mount Sinai Center for Excellence in Youth Education, Sponsors for Educational Opportunity (SEO), Fordham STEP Program, NYPL Bridge Up

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

**Language Courses:** French, Spanish

**Advanced Placement (AP) Courses:** Art History, Biology, Calculus AB, Calculus BC, Chemistry, Computer Science, English Language and Composition, English Literature and Composition, Environmental Science, Macroeconomics, Physics, Spanish, Statistics, U.S. Government and Politics, U.S. History, World History

# Manhattan Early College School for Advertising | 02M280

Through close partnerships with the Borough of Manhattan Community College (BMCC) and with the advertising and media industry, our school prepares students for success at four-year colleges and competitive careers. Students have the option to remain at our school for up to six years and can earn an associate degree at no cost in addition to their CTE-endorsed high school Regents diploma. In the first four years, students participate in job shadowing, field trips, training seminars, and summer internships. All of our community members are accountable for our five pillars: Scholarship, Creativity, Character, Responsibility, and Empathy. Students are held to high standards and expected to participate in the development of our community.

## ACADEMICS

- CTE program(s) in: Computer Software & Media Applications, Graphic Design, Information Technology
- Accelerated academic program where students can earn up to 36 college credits by the end of 12<sup>th</sup> grade.
- A six-year early college option leading to one of four Associate degrees from BMCC in Multimedia Arts and Technology or Business.
- Small advisory groups led by faculty mentors and professional mentor program.
- Adobe Certified Associate Program, Microsoft Office Specialist Certifications, Communications and Advertising Design Certifications

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** U.S. History

## ACTIVITIES

Advertising Competitions, Advertising Industry Council, Art Club, Book Club, Brotherhood, Dance, Drama, Film Making, GSA, MECA-Zine, Music, Photography, Saturday Academy, Sorority, Student Government, Technology Club, Yearbook

**PSAL Sports—Boys:** Baseball, Basketball, Cross Country, Indoor Track, Lacrosse, Outdoor Track, Soccer, Table Tennis, Volleyball, Wrestling

Students with Disabilities	14	No	29	2

Our mission is to prepare our students to have access to the best colleges, universities, and careers in the country through a disciplined education in the liberal arts, math, and sciences. All incoming 9<sup>th</sup> grade students and 10<sup>th</sup> grade transfer students are strongly advised to attend the Critical Thinking Academy in July to prepare them with the foundation of Critical Thinking needed to succeed in their Portfolio classes (which are based on performance-based assessments) as well as in their Regents classes. Students without this foundation have historically been at an academic deficit in being prepared for college-level work, as a result.

## ACADEMICS

- Five Performance-Based Portfolio Assessments, Four Years of Lab-Based Science, Honors Courses, Four-Year College Guidance Plan
- New York University (NYU) Preview, CUNY College Now, Opportunity Network, Sponsors for Educational Opportunity (SEO), Let's Get Ready
- SAT Prep, Saturday Academy, PM School, College Trips for 10<sup>th</sup> and 11<sup>th</sup> graders; College-level Globalization course
- Instrumental Music; Nine Regents Exams required for graduation
- 17 AP Courses to choose from, which are open to all students.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Latin, Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Computer Science, English Language and Composition, English Literature and Composition, Environmental Science, European History, Human Geography, Macroeconomics, Psychology, Spanish, Statistics, U.S. History, World History

**Diploma Endorsements:** Math, Science

## ACTIVITIES

Art, Book, Chess, MVA Band, MVA Senior Class Fundraising Committee, National Honor Society, PM School & Saturday Academy, Recycling/Environmental, Spirit Week, Student Council, Talent Show, Tour Guiding, Yearbook

**PSAL Sports—Boys:** Baseball, Basketball, Soccer

**PSAL Sports—Girls:** Basketball, Softball

**School Sports:** (NCAA Cleared) Boys and Girls Basketball, Boys Soccer, Girls Cheerleading, Girls Softball, Girls Step

## PERFORMANCE

- 99% of students graduate in four years
- 91% of students enroll in college or career programs within 6 months
- 98% student attendance
- 93% of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 53% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

Marta Valle High School is a growing school community that believes all students possess the intrinsic capabilities to achieve at high levels. We tailor our curriculum and instruction toward subjects that are academically rigorous and culturally responsive to our students' needs and preferences. This instruction is further enriched by experiences in the visual, performing, and culinary arts that take place both during the school day as well as during our after school program. Through a foundation of social-emotional support and academic achievement, all students at MVHS are provided with an educational experience that brings out their unique capabilities and will lead to success in their lives beyond high school.

The Maxine Greene High School for Imaginative Inquiry (MGHS) is a learning community in which deep engagement with works of art enhances the imaginative capacity of all students. In partnership with The Maxine Greene Institute our teachers work with the Institute's Teaching Artists to explore Imaginative Inquiry across the curriculum. Since we opened in 2005, we have partnered with Lincoln Center Education. Through our Restorative Practices, we work to foster the sense of self-worth, empathy, and agency necessary for students to become participatory citizens who will create a more just, humane, and vibrant world.

## ACADEMICS

- CTE program(s) in: Business, Management & Administration
- Arts and aesthetic inquiry-based instruction is integrated across the curriculum.
- Arts units of study are planned and taught with teaching artists from the Maxine Greene Institute and from Lincoln Center Education.
- Upper-grade students are eligible for internship opportunities at Lincoln Center.
- Tuition-Free courses are offered through CUNY College Now at John Jay College of Criminal Justice and the City University of New York.

**English Language Learner Programs:** English as a New Language

Our mission is to provide a challenging academic program. Students take core curriculum courses in grades 9 and 10 that includes biology, chemistry, English, math, and global studies. They choose their courses in grades 11 and 12. Every entering 9<sup>th</sup> grader is assigned an advisor and an advisory group of 15 to 20 students for all 4 years. We offer a comprehensive college counseling program, which includes direct instruction and individualized support in the college application process from our college counselors. An 18-week college process curriculum, spanning 11<sup>th</sup> and 12<sup>th</sup> grades, is delivered to advisory groups during dedicated sessions throughout the school day.

## ACADEMICS

- Art: AP Studio Art, Art 9, Art 10, Graphic Design, Mixed Media, Photography
- History: Economics, Global 9, Global 10, Government, United States History
- Mathematics: Algebra I, Algebra II, Applied Math, Geometry, Precalculus
- Science: Advanced Physics, Biology, Chemistry, Engineering, Environmental Studies, Physics

Mott Hall High School was founded in September 2004. Mott Hall High School's instructional program is designed to provide students with the knowledge base, attitudes, and competencies they need in order to pursue higher learning. Utilizing a challenging curriculum, we focus on academics, college, and career readiness. Students use technology in the classroom and are active participants in their learning and education—students are challenged to question, anticipate, and solve problems. The staff at Mott Hall High School not only encourage creativity and critical thinking, but self-discipline and responsibility. We are committed to helping students grow into leaders, independent thinkers, and enthusiastic lifelong learners.

## ACADEMICS

- iLearnNYC: Program for expanded online coursework and self-paced learning.

Murray Hill Academy has a unique admissions model: 80% of the students are admitted through the High School Admissions process and 20% are admitted as transfer students throughout the year. Our school offers students a challenging curriculum with blended learning. We learn inside and outside the traditional classroom, including online courses with in-school mentors and internships. We are committed to academic progress, as well as the social and emotional growth of our students. Our goal is to have our students graduate prepared for college and careers and ready to become successful and productive citizens. Every child can fulfill his/her potential, one successful step at a time.

## ACADEMICS

- We offer a challenging curriculum with blended learning.
- We learn inside and outside the traditional classroom, including online courses with in-school mentors and internships.
- Each major subject area offers Honors-level work to all students. Honors courses are infused in everyday classes.
- College Now program with the CUNY campuses of Borough of Manhattan Community College and Baruch College.
- Cooperative Technology High School: 11<sup>th</sup> and 12<sup>th</sup> graders can enroll in the career courses and internships.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, Environmental Science, U.S. History

## ACTIVITIES

The mission of Murry Bergtraum (MBHS) is to equip our students with the skills and knowledge to enter and succeed in post-secondary institutions. The Ninth Grade Academy provides the academic support, skills, and resources in a small nurturing environment needed for students to graduate in four years. As students progress, internships and mentoring opportunities support our academic goals with real-world experiences. The Blazer Early College Preparatory Academy, a STEM program, emphasizes analytical and critical-thinking skills through an early reinforcement of college learning across a rigorous curriculum. Relationships established with our corporate and academic partners are at the foundation of our program.

## ACADEMICS

NEST+m is a Citywide G&T K-12 school. Our academically rigorous program has made us one of the finest schools in the city. We are committed to developing each student's capacity for academic and intellectual achievement through individual and collaborative learning. We provide a range of services for students with disabilities including a full-inclusion program. NEST+m students blossom into practitioners: scientists, mathematicians, engineers, artists, writers, historians, musicians, painters, and linguists who approach their studies with passion and purpose. Multiple opportunities exist for students to have internships at local universities in the sciences and the arts.

## ACADEMICS

- Minds Matter, SEO Scholars, POSSE Scholarship, CUNY College Now, Computer Science Partnership with Harvard University and Microsoft—CS50 Curriculum
- Wide array of Advanced Placement (AP) College-Level courses in Math, Science, and the Humanities
- Ninth grade theater and literacy program
- Elective courses in science, engineering, and the humanities that culminate in publications: Literary Magazine and STEM Journal
- Music and Arts program including: Studio Art, Theater, Beginning Band, Wind Ensemble and Jazz Ensemble with bi-annual music concerts and art shows.

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Latin, Mandarin, Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Calculus BC, Chemistry, Computer Science, English Language and Composition, English Literature and Composition, Physics, Psychology, Spanish, Statistics, U.S. History, World History

**Diploma Endorsements:** Math, Science

## ACTIVITIES

Art Exhibitions, Bi-annual Writing Competitions, Black Student Union, Borough Advisory Student Council, Chess Competitions, Comedy Troupe, Creative Writing Club, Debate, Dream Team, Girls Who Code, GSA, Hackathons, Key Club, Literary Magazine, Math Team/Contests, Model United Nations, Muslim Student Association, National Honor Society, NHS Peer Tutoring, Open Mic Events, Peer Leaders, Robotics, Student Government, Talent Show, Winter and Spring School Plays

**PSAL Sports—Boys:** Basketball, Fencing, Indoor Track, Soccer

**PSAL Sports—Girls:** Basketball, Fencing, Indoor Track, Soccer, Softball, Table Tennis, Volleyball

**School Sports:** (NCAA Cleared) Badminton, Basketball, Cricket, Dance, Fencing, Indoor Track, Soccer, Softball, Table Tennis, Volleyball

## PERFORMANCE

- 97% of students graduate in four years

We offer a unique program that uses the city's museums and other cultural institutions to enrich our curricula. Our current partners are the Metropolitan Museum of Art, Japan Society, and Hudson River Community Sailing, who each become extensions of our classrooms, affording the hands-on experience needed to make learning deep, challenging, and engaging. Our students learn to emulate the work of scholars in the fields of science, history, technology, and the arts. Classroom instruction draws upon learning that takes place in the field, and deepens it with content that compels questioning, reflection, and insight. We accept students from all five boroughs and are able to provide a college preparatory experience to our diverse student body.

**ACADEMICS**

- There are 12 museum module courses throughout 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> grades.
- Students can participate in the sailing program with Hudson River Community Sailing and earn credits in physical education, math, and/or science.
- Our instructional periods are longer and there are only six throughout the day (53 minutes each) in addition to lunch.
- Students can take College Now courses through Baruch College if qualified, beginning in 11<sup>th</sup> grade.

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Japanese, Spanish

Orchard Collegiate Academy (OCA) is a supportive, high-quality community school with a focus on college and career readiness. At OCA, our mission is to educate the whole child, exposing them to an array of academic and extracurricular opportunities including music and arts classes, AP classes, leadership roles. Our school partners with the Henry Street Settlement to provide additional college prep, arts programming, social-emotional support, and resources/referrals for the entire family. Students benefit from a full-time college counselor who provides one-on-one counseling and trips to all students. Our partnership with the Abrons Arts Center allows students to enroll in world-class performing arts classes, such as Drama, Music, and Dance.

## ACADEMICS

- Ninth grade literacy block, science bridge elective course for AP Biology, AP U.S. History, AP English, Pre-Calculus
- Enrichment elective courses: debate, technology (coding), rocket science, forensics, and digital audio production
- College Access For All program featuring college courses embedded in students' regular day program starting in 9<sup>th</sup> grade
- SAT Prep course and CUNY College Now program for 11<sup>th</sup> and 12<sup>th</sup> Graders in partnership with BMCC
- NYU partnership (student panel discussions); Partnership with NYC Center for Space Science Education; partnership with Abrons Art Center

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, U.S. History

## ACTIVITIES

Aerospace and Aeronautics Class, Community Service Opportunities, Computer Programming, Concert Band, Dance Club, Debate Club, Fitness Club, Music and Audio Club, Social Support Club, Social Emotional Learning Groups, Social Justice Club, Student Government/Leadership, Yearbook; OCA houses a school-based mental health clinic, run by the Henry Street Settlement. Students and families are seen for individual and family therapy.

**School Sports:** Basketball, Boxing, Soccer, Wrestling

## PERFORMANCE

Our motto is 'Purpose, Preparation, Pride.' We are a school that values community, and strong relationships to engage academic success. Our students graduate prepared for college. Our classes and highly structured four-year advisory system help students develop individual and social responsibility by setting the highest personal and academic standards. Our students acquire a set of values and a sense of kinship that allows them to reach ambitious goals. We develop rich, caring, and warm relationships with our students through our bustling sports and after-school programs. Our students are welcomed and valued members for our school community.

**ACADEMICS**

- College-Prep support courses (9-12) such as freshman, sophomore, junior, and senior seminar as well as a Library Research class for all 10<sup>th</sup> graders.

## PROGRAMS OFFERED

### Musical Theater

Code: **M81H**

Reach

Target

Likely

#### Admissions Method:

Audition ★

**Interest Area:** Performing Arts

**10<sup>th</sup> Grade Seats Offered:** 5

**Program Description:** In partnership with Rosie's Theater Kids students receive pre-conservatory training in vocal music, dance, and acting. All first and second year students participate in an annual musical theater concert. All third and fourth year students perform in an end-of-year main-stage musical production. Audition Location: Marvel Arts Center, 445 W 45<sup>th</sup> Street.

**Audition Information:** Each applicant will be required to act, sing and dance at this audition. Please prepare the following: Acting: Present a one-minute memorized monologue (comedic or dramatic) from a published play. Singing: Present 32 bars of a memorized Broadway song (age-appropriate) - an accompanist will be provided, so bring sheet music in the appropriate key. Dancing: Be prepared to learn a short theater dance combination - please wear clothing that allows for freedom of movement, as well as jazz shoes or sneakers.

**Admissions Priorities:** 1 Priority to continuing 8<sup>th</sup> graders—100% of offers went to this group  
2 Then to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Course Grades: Average (83-100)
- Standardized Test Scores: Average (2.4-4.5)
- Audition

**Admissions Method:**

🎤 Audition ★

**Interest Area:** Performing Arts

**10<sup>th</sup> Grade Seats Offered:** 5

**Program Description:** In partnership with the professional theater company Waterwell, and built around the core values: engagement and empathy. Students take daily conservatory-style class in acting, movement/devising, voice & speech and theater studies. Each grade also participates in supplementary performance projects including classics, new play commissions, and student-created work. Goal is to develop exemplary artists who are equally engaged citizens. Audition Location: PPAS, 328 West 48<sup>th</sup> Street.

**Audition Information:** Prepare two contrasting monologues (one minute each), for example: dramatic/comedic, classical/contemporary, published/original, or theater/film. Choose characters close to your age or life experience, decide who your characters are talking to and why, and completely memorize both pieces.

**Admissions Priorities:** ① Priority to continuing 8<sup>th</sup> graders—**100%** of offers went to this group  
② Then to New York City residents

**Admissions Method:**

🎤 Audition ★

**Interest Area:** Performing Arts

**10<sup>th</sup> Grade Seats Offered:** 5

**Program Description:** In partnership with National Chorale, students attend conservatory classes in vocal technique, sight reading, musicianship, ear training, and ensemble singing. Students study an extensive vocal repertory, music history, theory, performance technique, and movement for singers. Students participate in ensemble and solo performances throughout the year. Audition Location: PPAS, 328 West 48<sup>th</sup> Street.

**Audition Information:** Present a memorized classical music selection. The song must demonstrate vocal skills and ability. Classical selections can be found in either 'Twenty-Four Italian Songs and Arias' or 'The Art Song Anthology.' Do not present rock, pop, gospel, country, musical theater, Disney or contemporary music. You must bring sheet music for your song to the audition; an accompanist will be provided. Vocal musicianship (the ability to sing scales, sing a cappella, etc.) will be tested at the audition.

We offer a college-preparatory program and New York City's only comprehensive three-part theater arts sequence, where students hone their skills in music, dance, and acting. Students completing our program graduate with an Advanced Regents diploma with an Arts Endorsement in Theater. Our location in Times Square supports our school's focus. Our small size offers students an intimate environment to explore all aspects of theater from production to performance. Students participate in numerous class-based productions each year, and also have the opportunity to participate in our mainstage musical and straight play productions. Our balance of arts and academics allows our graduates to pursue a multitude of post-secondary paths.

## ACADEMICS

Our school is centrally located in a historic building overlooking Bowling Green, Battery Park, and New York Harbor. Students enroll in either the Teaching Academy or the Liberal Arts Academy. Our Teaching Academy develops students with a lasting commitment to education who participate in offsite internships in neighboring schools. Our Liberal Arts Academy develops students as mentors, and offers a range of engaging electives that build transferrable skills. This learning community has a rich array of college preparatory programs as well as extracurricular activities determined by student interests.

# School of the Future High School | 02M413

The School of the Future is a student-centered and challenging school with the goal of preparing all graduates to enter the college or profession of their choice. Our students learn to think critically and solve problems in a supportive environment. We challenge our students to exceed the expectations set by the New York State Board of Regents by preparing them for research-based exhibition presentations in order to graduate.

## ACADEMICS

- Students complete Performance-Based Assessment Tasks (PBATs) as a replacement for some Regents Exams.
- Four years of math and science, technology; Annual school trips—past trips include Paris, Spain, Costa Rica, Egypt, Iceland, and China
- Free college classes, AP classes, Honors classes, electives in documentary film making, BEATs music production, and Chinese Calligraphy
- Theater and Set Design; Drama, Music theory, Studio Art, SAT Prep; Computer Science
- Foreign language classes in Spanish and Mandarin.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Mandarin, Spanish

**Advanced Placement (AP) Courses:** Computer Science, English Language and Composition, English Literature and Composition, U.S. Government and Politics

## ACTIVITIES

**Extended Day Program:** Academic Enrichment, After-School Tutoring, Arts, Band, Dance, Rooftop Garden, Studio Art, Technology, Theater; **Clubs:** Chorus, Debate Team, Drama, Gay-Straight Alliance, Global UN, Games Club, The MOTH Storytellers, Science Club, School Newspaper, Ski & Snowboard, Student Senate, Yearbook

**PSAL Sports—Boys:** Baseball, Basketball, Soccer, Volleyball

**PSAL Sports—Girls:** Basketball, Handball, Soccer, Softball, Volleyball

**School Sports:** NCAA Cleared

## PERFORMANCE

- **99%** of students graduate in four years
- **94%** student attendance
- **76%** of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- **79%** of students enroll in college or career programs within 6 months
- **90%** of students feel safe in the hallways, bathrooms, locker room, and cafeteria

SMS is a public school open to musically gifted students. The school admits 50 students per grade and combines rigorous academics with intensive music instruction. The school is a partnership between Kaufman Music Center and the NYCDOE. Our mission is to develop students who have the skills, competencies, and knowledge necessary for successful 21<sup>st</sup> century music careers. The 21<sup>st</sup>-Century musician can analyze, compose, and perform music at the highest level, has a strong sense of his/her own artistic voice, and is fluent in current music technologies. He/She possesses strong academic knowledge, skills, and habits, and is also community-minded, inventive, and resourceful.

## ACADEMICS

- Conservatory-level core classes and ensembles update the traditional model of classical music education and prepare students for careers as musicians.
- Students major in Instrumental, Voice, or Composition and develop the fundamentals of music theory, history, technology, and technique.
- Student-centered learning environment develops graduates with the skills of research, academic collaboration, and critical and creative thought.
- Small classes afford individualized learning experiences and strong teacher-student relationships.
- SMS fosters the habits of mind necessary for ethical and empathic community members and curious, imaginative, and resilient learners.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, English Language and Composition, English Literature and Composition, Music Theory, Statistics, U.S. Government and Politics, U.S. History

**Diploma Endorsements:** Arts, Math

## ACTIVITIES

Monthly performance classes, juries, SMS Onstage Concert Series, Cabaret and Concerto Competitions provide opportunities to showcase solo and ensemble repertoire. Monthly Town Halls feature a Cover Me competition; Advisory meets weekly and addresses community building, life skills, goal setting, organization, and school citizenship; Student-Led Clubs & Initiatives: GSA, National Honor Society, Practice Partners, Radio, Sailing, Senior Committee, Student Government, Sustainability, Yearbook

**PSAL Sports—Boys:** Badminton, Baseball, Basketball, Bowling, Cross Country, Handball, Outdoor Track, Soccer, Volleyball, Wrestling

**PSAL Sports—Girls:** Badminton, Basketball, Bowling, Flag Football, Handball, Indoor Track, Soccer, Softball, Volleyball, Wrestling

**PSAL Sports—Coed:** Double Dutch

Are you looking for a quality high school that leads you to college, a rewarding career, or both? Do you value a positive school culture? Do you like challenging projects, working with your hands, learning by doing? How about fieldtrips and exploring the outdoors? Are you a positive risk-taker? Are you creative, action-oriented, responsible, collaborative, and conscientious? At Mather, you will prepare for college and career through hands-on/minds-on learning and skills training. With our great partner the National Park Service (NPS), we offer a CTE pathway in the building arts (carpentry/decorative finishing/masonry) and landscape management through a historic preservation lens. Skills you learn here will open doors to a successful future.

## ACADEMICS

- You can take AP classes, plus college classes through Syracuse University, earning transferable college credits awarded on Syracuse transcripts.
- As a freshman, you take an "Intro to Historic Preservation" course, a combination hands-on/minds-on class with six work-based learning field trips.
- New freshmen attend a three-day 'Freshman Kickoff', plus an overnight trip where you work with peers in team building activities (like rope-climbing).
- All students have many opportunities for after-school and summer paid internships with the National Park Service, SCA, Prospect Park, among others.
- After-school and Saturday tutoring and enrichment classes are available, and students complete the CTE sequence/endorsement in Historic Preservation.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Spanish, U.S. History

**Diploma Endorsements:** CTE

## ACTIVITIES

Our students have opportunities to lead and participate in: Anime, Board Games Club, Community Service, Film Club, International Travel, Love is Love the LGBTQ/GSA Organization, Matherizers Band, National Honor Society, Naval JROTC, "The Howl" Newspaper, Peer Mediation, Performing Arts Club, Student Ambassadors, Student Government, Summer Internships, Tutoring/Peer Tutoring, Visual Arts, Yearbook, and tons of culture-building activities like Mather Gather, Fleek Week, and the Mather Move-up.

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Handball, Outdoor Track, Soccer, Volleyball

**PSAL Sports—Girls:** Basketball, Flag Football, Soccer, Softball, Volleyball

**School Sports:** (NCAA Cleared) 3-on-3 Student Basketball Tournament, Aerobic Training, Annual Student vs. Staff Basketball Game, Dance, Flag Football, Intramural Soccer, Martial Arts, Running Club, Weightlifting, Yoga, and others upon request

## PERFORMANCE

College Trips - Student Parent Orientation

We celebrate learning in the performing and liberal arts, challenging our students with a rigorous student-centered curriculum. Every student completes two course sequences all four years: the Performing Arts sequence prepare them for a conservatory or BFA program; the Liberal Arts sequence simultaneously prepares them for a traditional college or university. The balance of the two supports all students to become life-long artists. Our learning community is located one block from our CUNY partner Hunter College in the Upper East Side and is comprised of diverse families from all five boroughs in an inclusive, caring environment that fosters individuality and expression.

## ACADEMICS

- Sequence: Four-year performing arts and liberal arts exceeding Advanced Regents Diploma requirements, including diverse options in math and science.
- College and Career Ready Courses: Advanced Placement (AP), College Now (with Hunter College), Math, Science, Robotics, Theatrical Design
- Partners: American Folk Art Museum, Buffalo State, ETA, Park Avenue Armory, Roundabout Theatre, TDF, Tribeca Film Institute, UCB, Western Wind
- Partners: Ballet Hispanico, Dance Wave, Lar Lubovitch, Martha Graham, Opus Dance, Paul Taylor, Pascal Rioult, SUNY Brockport, Young Dancemaker's
- Teachers: Five Academy for Teachers Fellows; 57% of full-time math and science faculty are Math for America Fellows.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Literature and Composition, Music Theory, U.S. History

#### Admissions Method:

🎤 Audition ★

**Interest Area:** Performing Arts

**10<sup>th</sup> Grade Seats Offered:** 2

**Program Description:** A four-year rigorous curriculum prepares students for college and career. Students take acting, vocal, and musical theater dance classes with specific focus on tuning their physical instruments in preparation for full productions as upperclassmen. Students study musical theater history, ensemble-building, improvisation, and acting through song. In addition, the senior year includes specialized units in college audition readiness, industry exposure, and theater as a business.

**Audition Information:** Come prepared to (1) sing a memorized song from a Broadway musical; AND (2) present a memorized one-minute monologue from a published play or musical. Applicants must bring the sheet music in the key in which they will sing, hole-punched and must sing with the provided accompanist. Applicants may also be asked to repeat vocal phrases in order to demonstrate rhythm, tonal memory and basic vocal technique and/or replicate a dance combination. Ability to take direction will be strongly considered.

**Admissions Priorities:** 📍 Open to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Course Grades: Average (73-100)
- Standardized Test Scores: English Language Arts (2.1-4.5), Math (1.9-4.5)

## Vocal Music: Classical and Contemporary

Code: M42K

## Admissions Method:

Audition ★

Interest Area: Performing Arts

10<sup>th</sup> Grade Seats Offered: 3

**Program Description:** A four-year rigorous curriculum prepares students for college and career. Students take daily solo voice and ensemble classes, studying repertoire in English, Italian, French, and German. Students perform on the main stage all four years, including a fully staged opera in 12<sup>th</sup> grade. Students study piano, musicianship/theory, and phonetics. Students may complete internships with cultural organizations, perform in events including NYSSMA adjudication, and graduate with an arts-endorsed diploma.

**Audition Information:** Come prepared to sing from memory, in a medium tempo (A) Amazing Grace, Over the Rainbow, Silent Night, or The Star Spangled Banner; OR (B) a classical or musical theater selection. For the classical or musical theater selection applicants must bring the sheet music in the key in which they will sing. Applicants must sing with the provided accompanist. Applicants should be able to demonstrate both chest and head voice and will be asked to repeat vocal phrases in order to demonstrate rhythm, tonal memory and basic vocal technique. Ability to take direction will be strongly considered.

**Admissions Priorities:** 📍 Open to New York City residents

## Drama

Code: M42N

## Admissions Method:

Audition ★

Interest Area: Performing Arts

10<sup>th</sup> Grade Seats Offered: 2

**Program Description:** A four-year rigorous curriculum prepares students for college and career. Students take daily drama and movement classes on acting techniques and tuning their physical instruments in preparation for full productions in 11<sup>th</sup> and 12<sup>th</sup> grades. Students study theater history, voice and speech, improvisation, and digital filmmaking. Students complete internships with cultural organizations, compete yearly in the National Shakespeare Competition, and graduate with both a CTE and arts endorsement.

**Audition Information:** Come prepared to present two memorized one-minute monologues from published playwrights. Characters chosen should be age-appropriate.

**Admissions Priorities:** 📍 Open to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Course Grades: Average (74-100)
- Standardized Test Scores: English Language Arts (2.3-4.5), Math (1.7-4.5)
- Audition

## Admissions Method:

🎵 Audition ★

Interest Area: Performing Arts

10<sup>th</sup> Grade Seats Offered: 1

**Program Description:** A four-year rigorous curriculum prepares students for college and career. Students rehearse daily in large ensembles and have diverse performance opportunities throughout all four years. Students study music theory, history, and piano in 9<sup>th</sup> and 10<sup>th</sup> grades, and study solo repertory and chamber music in 11<sup>th</sup> and 12<sup>th</sup> grades. Students may complete internships with cultural organizations, perform in special events including NYSSMA adjudications, and graduate with an arts endorsement diploma.

**Audition Information:** Come prepared to demonstrate competence and agility on your instrument by playing a selection of medium difficulty. Applicants must bring their instruments and two copies of the sheet music. The following instrument/equipment will be provided: baritone sax, guitar amplifier, tuba, double bass, percussion (bring your own drumsticks and mallets). Applicants will be asked to play two scales from memory and sight-read excerpts.

**Admissions Priorities:** 📍 Open to New York City residents

**Selection Criteria** (prior year ranges—learn more in the introduction):

- Attendance
- Course Grades: Average (69-100)
- Standardized Test Scores: English Language Arts (2.0-4.5), Math (1.9-4.5)
- Audition

This is a small CTE high school with big dreams of helping students prepare for health careers not only in pharmacy and dentistry, but also in many other science, technology, engineering, and math (STEM) areas. The focus on STEM helps students market their skills in the growing job industries. Our unique project-based instructional approach uses activities that engage students' interest and motivation as they solve problems using an inquiry approach. These activities are designed to answer a question or solve a problem and generally reflect the types of learning and work people do in the everyday world outside the classroom.

## ACADEMICS

- **Experiential Learning:** Students complete projects and activities that reflect the real-world tasks of professionals in health science careers.
- **Advisory Program:** Peer Group Connection for 9<sup>th</sup> grade and iMentor program for 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> grade into Freshman year of college.
- **Work-Based Learning Program:** 12<sup>th</sup> grade students participate in internships in the healthcare industry (hospitals, dental clinics, pharmacies)
- **College Bound Initiative (CBI):** CBI counselors ensure awareness, access, and financial aid awards for college bound students.
- **Community Partners:** Vineyard Theater; Battery Dance Company; Cleary Law Firm, NYU College of Dentistry, St. Johns University, YMCA

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, English Language and Composition, English Literature and Composition, European History, U.S. History, World History

**Diploma Endorsements:** CTE

## ACTIVITIES

We take pride in our nurturing environment where all students can reach their fullest potential. We stress student-teacher connection to provide guidance and support to all of our students. Our young people develop and enhance their skills at their own pace. Students are engaged in a challenging Common Core Learning Standards-aligned academic program that prepares them for higher education programs and achieving their career goals. We examine all assessment data in order to develop alternative academic programs to strengthen student performance. We utilize differentiated instruction and technology to deliver a diversified curriculum, as well as to offer enrichment programs that promote creativity and student engagement.

UNHS offers challenging curricula with individualized support, empowering students to prosper in higher education and the work force. Our students can earn up to 30 tuition-free college credits before graduating high school through Advanced Placement (AP) courses and CUNY College Now classes. In our NAF Academy of Hospitality and Tourism, students develop college and workplace skills, explore various careers through internships, and graduate with a CTE-endorsed diploma. Our arts program, which includes visual arts, dance, and music, allows students to graduate with an Arts-endorsed diploma. In all, UNHS creates an environment in which every student can succeed and be accepted into competitive four-year colleges.

## ACADEMICS

- Earn up to 30 tuition-free college credits taking CUNY College Now classes at Baruch College, LaGuardia College, or on the UNHS campus.
- The NAF Hospitality and Tourism program leads to a CTE-endorsed diploma.
- In the four-year arts sequence program, students can choose to major in dance, music, or visual arts and earn an Arts-endorsed diploma.
- All core classrooms are equipped with laptops or iPads, and students use Google Classroom to write their assignments and to submit homework.
- English as a New Language classes are offered to current and former ELLs and their families before school, after school, and on Saturdays.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Mandarin, Spanish

**Advanced Placement (AP) Courses:** Computer Science, Spanish, Studio Art: 2-D Design, U.S. History

## ACTIVITIES

Clubs: Art, Band, Book, Chess, Computer, Dance, Debate, LGBTQ, Music, National Honor Society, School Newspaper, Student Government, Travel, Young Women's Empowerment. Extra Support: Lunchtime/After-school/Saturday Regents Prep, English as a New Language, Enrichment, Tutoring.

**PSAL Sports—Boys:** Basketball, Bowling, Handball

**PSAL Sports—Girls:** Bowling, Softball

**School Sports:** Baseball, Basketball, Bowling, Flag Football, Girls Softball, Handball, Soccer, Weight Training

At The Urban Assembly Academy of Government and Law (AGL), we are preparing students to be successful in life beyond high school. As a college and career readiness high school, and a school that promotes social justice, we are committed to ensuring that all students are matched with a post-graduation opportunity. Through our law and government theme, we provide students with real-life and hands-on experiences such as participating in moot court, mock trial, and community service activities that will equip them with the academic and social skills needed for their next step in life. At AGL, we are planting the seeds for future success.

**ACADEMICS**

- College readiness courses that prepare students for Regents and Advanced Regents diplomas including advanced math courses, AP, and law themed classes.
- All students take at least one Advanced Placement (AP) course starting in 11<sup>th</sup> grade and can take CUNY College Now courses to earn college credit.
- Eleventh and twelfth grade students take a college lab class to prepare them for the college application process.
- Ninth grade Bridge to High School program that includes a ninth period extended-day program and academic advisement.

Our mission is to engage students through inventive problem-solving that integrates innovative technology with the habits of mind that prepare them for college, careers, and life. Graduates will be college and career-ready, prepared in digital animation & design, information technology & systems, or software engineering. Students will engage in other technologies, including film making/editing, audio production, engineering, gaming, software design, and robotics. Creative and connected teaching and learning with our award-winning staff takes place in a technology-rich environment with fully operational tech labs, and laptops available during & after school. Our campus also has a new media center/library that includes additional resources.

## ACADEMICS

- CTE programs in: Digital Design & Animation, Information Technology & Systems, Software Engineering (Interdisciplinary Tech Projects & ePortfolios).
- Industry Certifications: Adobe Photoshop & Illustrator, Strata, A+ and Net+; Tech competitions: SkillsUSA, Hackathons, Robotics
- Technology coursework in: Networking, Cybersecurity, Photoshop, Illustrator, MAYA & 3D Animation, Java, Javascript, Python, Scratch, HTML/CSS, CFM
- Partner-Site visits, college exploration, enrichment & visits, CUNY College Now, Upward Bound, work-based learning partnerships, international travel
- Four-year College Plus, Regents curriculum & ongoing academic advisement; Daily small group tutoring to support various learners (ask us about \*GOLD\*)

UA Maker prepares students to find and solve challenges and create positive change. Our school uses design thinking and mastery-based grading to support all students for college and career success. All students take classes in coding and graphic design in addition to Regents based classes. You will use a laptop in class to support your studies in school as you develop the technology skills essential to a 21<sup>st</sup> century world. Your classes will challenge you to explore new ideas and technologies. UA Maker is a community of learners dedicated to growth mindset, self-awareness, and mastery.

## ACADEMICS

- Regents prep curricula, academic coaching, small group advisory.
- College and career counseling beginning in students' first year.
- Field trips to colleges and worksites, and other work-based learning opportunities.
- Internships available to on-track students.
- Partnership with BMCC and CUNY College Now for college courses.

**English Language Learner Programs:** English as a New Language

**Language Courses:** American Sign Language, Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, Environmental Science, U.S. History

## ACTIVITIES

Urban Assembly New York Harbor School focuses on marine science, marine technology, and marine policy. We believe in learning by doing. Students should expect to spend time outdoors in sites all over New York Harbor in all seasons. With our partners, including the Billion Oyster Project, we work to develop authentic activities on, around, and related to the water that create a sense of responsibility to New York Harbor and develop a new generation of maritime advocates, enthusiasts, workers, and decision-makers. New York Harbor School's location on Governors Island is easily accessible from Lower Manhattan via the Governors Island ferry.

## ACADEMICS

- Aquaculture, Marine Systems Technology, Ocean Engineering, Marine Biology Research, Vessel Operations, Scuba Diving, Marine Policy & Advocacy
- All 9<sup>th</sup> graders take a year-long field class called Introduction to New York Harbor in which they experience all seven CTE programs.
- At the end of 9<sup>th</sup> grade, each student chooses a CTE program of study in Marine Science and/or Marine Technology.
- Each program of study concludes with a senior internship at a relevant maritime or marine-related business in the New York City area.
- CUNY College Now program prepares students for college and career experiences in maritime-related courses. Advanced Placement (AP) courses are also offered.

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Mandarin, Spanish

**Advanced Placement (AP) Courses:** Calculus AB, English Literature and Composition, Environmental Science

**Diploma Endorsements:** CTE, Math, Science

## ACTIVITIES

Aquaponics, Boat Building, Chess Club, Garden Club, GSA, Harbor Corps, Harbor Seals, Student Council, Waterfront Club, Welding, Yearbook, Young Women's Leadership Club

**School Sports:** Basketball, Fishing, Rowing, Sailing, Soccer, Swimming

The Urban Assembly School for Emergency Management is a Career and Technical Education high school that prepares students for the college of their choice and career of their dreams through hands-on and work-based learning. We believe that students learn best by doing and when there is a clear, real-world purpose. Our students engage in paid internships, emergency simulations, trips around New York City and outside of the country, community service, mentoring programs, free Emergency Medical Technician certification, and cultural events. UASEM is a small school where we know every student's name. Staff, students, and parents work together to tailor each student's education and extracurricular involvement based on his/her needs and passions.

**ACADEMICS**

- Response & Recovery, Emergency Medical Technical certification, Computer Science, and Cyber Security
- Advanced Placement (AP) courses include Government
- Credited college classes through BMCC and The Metropolitan College of New York
- Emergency Medical Technical (EMT) certification program with the FDNY

**English Language Learner Programs:** English as a New Language

**Language Courses:** French

**Advanced Placement (AP) Courses:** Calculus AB, English Language and Composition, English Literature and Composition, Environmental Science, U.S. History

UASGC provides students with a career-centered, college-preparatory education focused on business and engineering pathways in the field of global commerce. Our small size ensures that all students are known well and strongly supported by their teachers in and out of the classroom. Industry partners provide students with paid internships starting as early as 10<sup>th</sup> grade. Students go on frequent field trips to industry sites to learn about different career pathways. Class sizes are small, with a focus on collaborative learning through rigorous coursework. AP Courses are offered starting in 10<sup>th</sup> grade, along with two language programs in Spanish and Mandarin (Chinese). Eleventh graders can attend Hostos Community College for college coursework.

## ACADEMICS

- CTE program(s) in: Scientific Research and Engineering, Transportation, Distribution & Logistics

UAGC is a progressive high school with a comprehensive sustainability-focused technical science program. In addition to our college-preparatory curriculum, we offer students majors in Building Science and Horticulture. Our core values of collaboration, intention, and responsibility, live in everything we offer our students. We are looking for students who are inquisitive, collaborative learners who are interested in coursework that expects them to fully engage with the environment and the people around them in a reciprocal relationship. Our students finish high school with leadership, cooperative problem-solving, and superior written and verbal communication skills. A UAGC experience uniquely prepares students for a 21<sup>st</sup> century world.

## ACADEMICS

- Technical science major in Horticulture: Urban Agriculture, Food and Natural Resources
- Technical science major in Building Science: Sustainable Architecture/Design, Engineering; Nationally recognized industry certification in engineering
- Learning cultures curriculum—progressive pedagogical model emphasizing student agency and intention
- Four-year writing program
- CUNY College Now

UAM is a school that is focused on bringing out the best in all students' thinking so that they are able to achieve at high levels. UAM graduates are able to respond to the world by making choices that maximize positive outcomes for themselves and others. UAM is focused on students becoming better critical thinkers, not just acquiring more knowledge. As a result our students are able to respond productively in novel situations. UAM students are able to solve problems, access, analyze, and evaluate information and messages from a range of media, make a decision, and express their thinking verbally and in writing. As a result, UAM students are prepared to perform well in college, their career, life and be productive members of communities.

## ACADEMICS

- Various Media Classes such as: Drama, Visual Thinking, Printmaking, Photo Journalism
- Partnerships: YMCA, Peer Health Exchange, ICP, Sadie Nash, Big Brother/ Big Sister, Bloomberg, The Door, Studio Museum, Bank of America, DCTV, & Pencil

The Urban Assembly School for the Performing Arts (UASPA) is a college-preparatory, performing arts high school. At UASPA, we believe that all students deserve access to a rigorous academic and artistic high school experience; therefore, we do not screen or audition our students. We have partnerships with organizations, such as Tony Bennett Foundation/Exploring the Arts, Martha Graham Dance Company, and EPIC Theatre Ensemble, that support our teachers with improving arts-infused instruction and provide students with exceptional art and career based learning experiences. We are also partnered with College Bound Initiative, a vital partner that enables us to maximize students' college awareness, access, placement, and financial aid awards.

## ACADEMICS

- Performing Arts conservatory education with college-preparatory course work in English (AP), History (AP), Math (AP), Science (AP), foreign language.
- After an introduction to dance, vocal music, theater, and technical theater, students audition for an arts major of their choice.
- At the end of their four years of study, students take the Arts Exit Exam allowing them to earn an arts-endorsed diploma.
- All students participate in our advisory program that focuses on the development of social-emotional skills.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, Psychology, Statistics, U.S. History

**Diploma Endorsements:** Arts

## ACTIVITIES

Musical After-School Programs: EPIC Theatre Shakespeare Remix, Gospel Choir, GSA, Hip Hop, Song Writing Club, Student Ambassadors, Student Government, Team Sports, Tutoring, Yearbook, Young Women's & Young Men's Mentoring Groups; Performing Arts Majors: Dance, Theater, Vocal; Technical Theater Performances: Winter Showcase, Performing Arts Major Performances, Jam Sessions

**PSAL Sports—Boys:** Basketball

**PSAL Sports—Girls:** Softball

**PSAL Sports—Coed:** Stunt

**School Sports:** Basketball, Cheerleading, Flag Football, Softball, Step Team, Volleyball

## PERFORMANCE

- 73%** of students graduate in four years
- 68%** of students enroll in college or career programs within 6 months
- 81%** student attendance
- 84%** of students feel safe in the hallways, bathrooms, locker room, and cafeteria
- 80%** of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school

The Urban Assembly School of Business for Young Women (UASBYW) offers an enriching, comprehensive educational model centered on academic excellence, cultural diversity and creative energy. Our small-school environment provides students with a strong sense of community and school spirit, and allows for maximum individualized support from teachers and staff. UASBYW's focus on business allows for specialized programming devoted to college preparation, career exploration, women's empowerment and leadership training. We partner with groups like Women's Bond Club and Goldman Sachs to offer guest speaker events, career days, and structured mentoring programs. Each year, UASBYW sends graduates to top colleges in New York City and across the nation.

All boroughs and all programs welcome	Saturday, December 1, 2018	11:30am

We provide a small, nurturing environment for adolescents, a place where high expectations, excellent academic practices, and dedicated faculty provide differentiated instruction to students. Our mission is to work with families to prepare each student academically, emotionally, intellectually, and socially to succeed in college and beyond. Our unique internship program allows students to take advantage of partnerships with New York City organizations and businesses. Consider our school if you strive to become a skilled problem-solver and effective communicator, adventurous and willing to take intellectual risks, and an active and positive contributor to the school and local community.

## ACADEMICS

- Academic Portfolio for Assessment and Mastery-Based Grading
- Expeditionary Learning Curriculum
- Intensive mini-courses to explore student's area of interest.
- Significant CUNY College Now course offerings hosted on-campus and available on college campuses.
- Crew Advisory—15 students work with a staff member to receive leadership development, college prep, and community building.

We promote and support scholarly endeavors through a rich and varied curriculum, emphasizing our core values of creativity, compassion, wonder, and resilience. Through an interdisciplinary approach, utilizing New York City as a learning lab, students experience rigorous coursework through authentic expeditions, which culminate in public presentations of learning. Expeditions engage students in case studies that examine and analyze compelling topics from a variety of perspectives. All students work towards achieving an Advance Regents diploma and have the opportunity to take several Advanced Placement (AP) courses. WESS offers extensive opportunities to participate in sports, clubs, course-related travel, and service learning.

## ACADEMICS

- Passages: Our Senior Project requires 12<sup>th</sup> grade students to present a portfolio of their learning process to their family, the faculty, and mentors

The Young Women's Leadership School of East Harlem opened in 1996 as the first in a national network of all-girls college prep schools. TYWLS nurtures the intellectual curiosity and creativity of young women by supporting the whole girl in order to maximize academic achievement, social and emotional well-being, and post-secondary success. Our support structures include daily advisory, after-school academic tutoring, and regular contact with parents. The Young Women's Leadership Network supports our school with a wide range of leadership programs. The CollegeBound Initiative (CBI) provides college access support with a full-time CBI college counselor on our staff who guides each of our students through the college application process.

## ACADEMICS

- All students engage in an academically rigorous college-prep course of study, with the opportunity to take upper level science and math courses.
- Classes use collaborative engagement with intellectually rigorous and interesting content to prepare students to be successful on standardized exams.
- Teachers partner with outside organizations to enrich the curriculum with numerous museum visits, theatrical performances, and scientific fieldwork.
- Electives include Art classes, Music classes, and computer coding, and a film class taught in conjunction with Metropolis Studios.
- Students can take courses for college credit at Hunter College through the College Now program.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Biology, English Literature and Composition, Spanish, Statistics, U.S. History

Our school prepares students for careers in movie and television production. As a small school, we provide individualized academic support and extensive career mentoring. Students learn by working alongside industry professionals with state-of-the-art equipment. Our career programs are complemented by rigorous academic classes which prepare students for competitive post secondary options and, in the fall of 2018, we will begin offering an early college and career program to provide our students a more direct connection to college and workforce experiences while in high school. Teachers use films in classes to enhance lessons and our school is a leader in using technology in innovative ways to support learning.

Our college preparatory school focuses on American history and its interdisciplinary connections. Students learn in a supportive environment, allowing them to grow socially, emotionally, and academically. As the flagship high school of the Gilder Lehrman Institute of American History, we provide insights into America's history through a rigorous curriculum that includes study in art, music (with a focus on opera), theater, and journalism. Our Advanced Placement (AP) program and partnerships with CUNY and St. John's University allow students to earn college credits. Our curriculum is enriched with trips to historical sites, the theater, and the opera, as well as community service, sports, and additional activities.

**ACADEMICS**

- College preparatory, rigorous, enriched academic program across all four years including traditional coursework and online learning to support growth.
- Enriched courses in American History and Law; Senior Thesis; trips to historic sites; trips overseas; advanced classes in all academic areas.
- Ten CUNY College Now classes, ten AP classes, College Advantage (St. John's University); many college credits can be gained onsite!
- Linkages with the Metropolitan Opera, Noguchi Museum, 92nd Street Y, Museum of Modern Art, Theatre for a New Audience; community service activities.
- Connections with The Gilder Lehrman Institute of American History, New York State Theatre Education Association, Center for Arts Education.

We provide students with a rich education through the lens of the healthcare professions. We fulfill the need for quality clinicians, nurses, and doctors. Students gain the skills necessary to become members of a healthcare team. We stress a hands-on approach to the sciences and STEM education. Our Medical Scholars program is in partnership with Plaza College where students receive free college credits. Additionally, our clinical internship program through St. John's Hospital provides real-world career experiences for students in a healthcare setting. Here at AMT, we help all students learn, grow, and become our future.

**ACADEMICS**

- Many opportunities to accelerate and earn college credit while still in high school through our Medical Scholars Program through Plaza College.
- Our clinical internships prepare students for academic challenges as well as future career goals.
- STEM education is the backbone of future success. Our science instruction stresses hands-on problem solving and deep understanding of science content.

At August Martin High School, where dreams take flight, scholars learn through engaging inquiry, problem-solving, performance-based instruction, and assessment. Our interdisciplinary focus allows our scholars to be college and career ready. Our students engage in authentic interdisciplinary learning experiences which prepare them for all their future academic endeavors. The Culinary and Aviation Career pathways provide academic and technical preparation for pursuing high-demand and high-skill careers in related and growing industries. It is our mission to graduate lifelong learners who will be change agents within their communities, chosen professions, and the world.

## ACADEMICS

- Advanced courses in aviation allow students to sit for the Federal Aviation Administration (FAA) exams toward the Private Pilot License.
- Advanced courses in Culinary Arts allow students an opportunity to serve in internships and graduate with licensing in food service.
- Beginner, intermediate, and advanced ELL services. Students can integrate into all general education courses.
- Individualized learning environment that promotes a loving, scholar centered environment that teachers leadership through academics.
- Communication Arts Academy offers Career Development and Arts Administration Workshops, Internships, and Summer College Bridge Program

We provide a challenging and supportive environment for every student, from every background. Our state-endorsed CTE program provides a world-class education. This unique curriculum prepares students for success in college and allows them to earn Federal Aviation Administration (FAA) certification as Aircraft Maintenance Technicians, leading to exciting and lucrative careers in the aerospace industry. All members of our school community work to create a culture that instills respect and self-discipline to meet the demands of today's colleges, universities, and work force. Our world-renowned reputation for excellence reflects our tradition, mission, and commitment to our students' futures and the future of the aerospace industry.

## ACADEMICS

- Multi-period CTE program where students earn FAA certification in Airframe & Powerplant Aircraft Maintenance with optional Honors Fifth Year Program.
- Annex Program at John F. Kennedy (JFK) International Airport with Internships at major airlines and the Port Authority of NY/NJ.
- Tuition-free college classes offered at LaGuardia Community College and our school through CUNY College Now Program.
- Comprehensive college preparatory curriculum including AP Classes starting in the 10<sup>th</sup> grade and work readiness training.
- Air Force JROTC, FIRST Robotics, Honor Society, Key Club, Moot Court & thirty five other clubs and activities to satisfy any student's interests.

Bard High School Early College Queens (BHSEC Queens) was founded on the belief that many students are ready to do serious college work at age 16. Bard College, in partnership with the New York City Department of Education, has created an innovative program that enables high school students to move, in four years, from ninth grade through the first two years of college. During this time, students will earn a high school diploma, up to 60 college credits, and an Associate of Arts (AA) degree upon graduation. We have a very welcoming environment for all students with over 30 different home languages, a gender neutral bathroom, and a variety of clubs to celebrate the strength and unity of our differences.

## ACADEMICS

- Please visit [bhsec.bard.edu/queens/academics/courses-past/](http://bhsec.bard.edu/queens/academics/courses-past/) to view and download past college course guides.
- In their first two years, students receive a solid foundation in mathematics, science, history, English, a foreign language, and the arts
- In the final two years, the college program balances core requirements with opportunities for students to pursue their individual interests
- We offer a variety of college courses and opportunities for students to engage in independent studies of their own design
- Students completing 60 college credits will receive the Bard College AA degree and may transfer these credits to colleges and universities.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Arabic, Latin, Mandarin, Spanish

## ASSESSMENT INFORMATION

- To be considered for admission to BHSEC (Manhattan and/or Queens Campus), student report cards should reflect a cumulative average of an 85 or above in English, math, science, and social studies.
- Students may apply to both schools. They must, however, indicate each one as a separate choice on the Department of Education High School Application.
- Students only need to take one assessment in order to apply to either or both schools. The assessment may be taken in either our Manhattan or Queens location.
- All students wishing to be considered for admission to BHSEC (Manhattan and/or Queens Campus) must register online via the school's website at [www.bard.edu/earlycollege](http://www.bard.edu/earlycollege). Registration for the assessment begins September 5, 2018.
- Students who demonstrate strong abilities in their grades and the assessment will be invited to an interview at BHSEC. Students receive an email invitation for an interview.
- When evaluating applicants, BHSEC seeks to build an incoming ninth grade class that is representative of the entire City of New York.

Cardozo High School prides itself on being a school of excellence with a heart. Known for a longstanding tradition of academic achievement, our mission is to design, operate, and implement classes and programs that prepare all of our students for success in college, career, and beyond. We promote character by creating a community in which each individual is valued, respected and supported to achieve both within and outside of the classroom. We believe that the whole student must be nurtured throughout high school so in addition to our high academics expectations, which are reflected in our many advanced and specialty offerings, we offer extensive arts, athletics, and extra curricular programs to enhance the growth of all of our learners.

Students attending Business Technology Early College High School (BTECH) use technology, collaboration and problem-solving skills to solve everyday problems to compete in our global economy. Students have the opportunity to receive a high school diploma in four years and begin college classes in 10<sup>th</sup> grade at our college partner, Queensborough Community College (QCC). Our 9-14 model culminates in an applied Associate degree, free-of-cost, in Information Internet Technology or Computer Information Systems. Students also have the opportunity to apply for internships with various corporations. Additionally, SAP, our industry partner, provides site visits, job shadowing, and other Work-Based Learning (WBL) engagements.

**ACADEMICS**

- Early College and Career Model offering college and career advisement through college and industry partnerships.
- Small school community that provides individualized support to students and families.
- Restorative Justice school that implements restorative practices within the school community.
- Family engagement includes Parent Mixer nights and Student Led Conferences in lieu of traditional Open Houses or Parent Teacher nights.
- Access to technology and business labs with PCs, student resource center, and our FAB Lab (Fabrication Lab) including 3D printers and MAC computers.

As an Expeditionary Learning school, our approach to curriculum connects learning to real-world issues. Our Learning Expeditions and field visits get students out of the classroom and into the practice of investigating solutions to real-world problems. Our Expeditionary Learning emphasis invests students in their community, teaches them the value of leadership and service, and establishes a solid academic base from which students can launch careers in fields such as science, government, medicine, law, research technology, robotics, and education. Character development is our foundation; students' habits of work and learning are service, trust, accountability, and respect (STAR).

## ACADEMICS

- STEM, iLearnNYC, Drone Technology, Engineering, Calculus, and Physics
- Early College, Advanced Placement (AP) Classes, CUNY College Now, Kaplan SAT Prep, ACT Prep, Pre-Law, Forensics, Marine Biology, and Robotics

Civic Leadership Academy is a small school offering a challenging academic program with the goal of every student going to college. Our high expectations and focus on strong work habits, combined with an emphasis on critical reading, writing, and thinking skills, promote college and career readiness. The learning environment is highly personalized and supported by a dedicated and caring staff. Our curriculum is enhanced by a focus on community service, which gives students opportunities to discover their place in the world and their capacity to make a difference in their communities. We encourage parents to take an active role in helping us reach the goal of every student going to college.

Eagle Academy III is an all-male college preparatory school (grades 6-12) that educates and develops young men into future leaders. This is done through strategic partnerships between our scholars, administrators, teachers, parents, mentors, and community supporters. Through Eagle Academy's mission to cultivate integrity, students learn team-building and engage in community service while working in a nurturing and academically rigorous environment. Eagle Academy's young men develop core values of academic excellence, leadership, and character, supported by the following initiatives: Mentoring, Saturday Institute, Summer Programs, Community Service, Parental Engagement and Extended Learning Opportunities.

## ACADEMICS

- iLearnNYC: Program for expanded online coursework and self-paced learning

We are a small, inclusive school guided by four pillars: Honor, Excellence, Curiosity, and Celebration. Ninety-eight percent of our students go to college. Students engage in a college-bound academic program of Regents, AP, CUNY College Now courses, and study Chinese, Korean, or Japanese. We offer a robust after-school club culture supported by our student government. We encourage acts of kindness through Rachel's Challenge, an anti-bullying program. Our Parent Coordinator keeps parents informed through biweekly postcards, a newsletter, and First Fridays. Grades and progress reports are available online. Seniors attend college prep classes. Our NEST program provides significant individual support for students with autism.

## ACADEMICS

- College Bound Initiative with a dedicated full-time college counselor
- CUNY College Now courses are offered on site for free college credits after school and on-campus at Queens College and LaGuardia Community College
- Pre-Calculus; TEALS Computer Science classes; Regents in: Chemistry, Physics
- Opportunities for study abroad (China, Japan, Korea)
- Mighty Milers; Dance, Drama, Chorus; Judo

**English Language Learner Programs:** English as a New Language

**Language Courses:** Japanese, Korean, Mandarin, Spanish

At Energy Tech, students interested in engineering, science, math, and technology follow a unique pathway to college degrees and high-demand tech careers. To prepare for these competitive engineering careers and courses of study, we provide extensive in-school and out-of-school programs, mentoring, and advisement. Our students problem solve in and out of the classroom through partnerships with LaGuardia Community College, Con Edison, and National Grid. Students can remain at our school for up to six years, earning a high school diploma and an engineering Associate degree—free of cost—while participating in internships and other career activities. Students leave ready to go directly into careers or as strong candidates for four-year college.

**ACADEMICS**

- CTE program(s) in: Energy Technology (Electrical and Mechanical). Students take rigorous early college coursework with an engineering focus.
- Associate Degree: Up to two years of college coursework in engineering; college classes as early as 10<sup>th</sup> grade; students declare major in 12<sup>th</sup> grade.
- Internship and other career opportunities required; offsite technical training; networking fairs and career classes offered to all students.
- Industry mentoring program, college and career trips, team-building activities; FRC and FTC robotics; fabrication and maker classes at Cornell Tech.
- Monthly Town Hall meetings, weekly advisory groups, extended day/week/year; tutoring and office hours available; student leadership opportunities.

English Language Learner Programs: English as a New Language

Language Courses: Spanish

Advanced Placement (AP) Courses: Spanish

Diploma Endorsements: Math, Science

We are a vibrant, international community of students, educators, families, and community leaders working together to develop active, independent learners and productive global citizens. Our mission is to prepare students to graduate with the skills required for college and career success, and a well-developed concept of individual and civic responsibility. Our programs provide a rigorous, standards-based education so that students can meet the academic, career, and societal demands of the 21<sup>st</sup> century. All school administrators, teachers, and support staff accept responsibility for creating a nurturing learning environment for students.

Priority to students who live in the zoned area

We serve recent immigrants who are both new to the United States and new learners of English. Teachers and students work in teams and teachers know their students well. Teams of teachers integrate interdisciplinary curriculum in which students work on projects that connect ideas from different classes. Both native language and English language development are supported across content areas. Students present graduation-level portfolio tasks as a requirement for graduation. Our program is designed to help immigrant students succeed in college and the world of work.

## ACADEMICS

- Performance-based assessment tasks (PBATs) in English, Math, Science, History, and Native Language.
- iLearnNYC: Program for expanded online coursework and self-paced learning
- Collaborative group work and interdisciplinary study; Small group advisories; Elective courses in academic subjects, arts, and technology
- Internships in technology, arts and community-based organizations, as well as at local businesses
- CUNY College Now program where students can take high school and college credit courses at Queens College for free

**English Language Learner Programs:** English as a New Language

## ACTIVITIES

Arts and Crafts, Before- and After-School Academic Support, Chess, Creative Writing, Digital Video/Photography, Drama, Dream Team, Easy English Academy, Food and Cultural Explorers, Green Team, Guitar, IT, Korean Fan Dancing, Newspaper, Regents Prep, SAT Prep, Science Challenge, Student Government, Video

**PSAL Sports—Boys:** Badminton, Baseball, Basketball, Soccer

**PSAL Sports—Girls:** Badminton, Handball, Volleyball

**School Sports:** Badminton, Baseball, Handball, Soccer, Table Tennis, Volleyball

#### Admissions Method:

Screened: Language

**Interest Area:** Project-Based Learning

**Program Eligibility:** Open only to New York City residents living in the United States four years or fewer and are English Language Learners per New York City Department of Education guidelines scoring at the Entering, Emerging, or Transitioning levels on the NYSESLAT, NYSITELL, or LAB-R.

**Program Description:** Offers a supportive yet challenging learning environment for new arrivals. All of our teachers are language teachers so that students are developing their English while learning content in every class. The curriculum is project-based and interdisciplinary so that students learn to be problem-solvers and critical thinkers. Students are supported not only in their academic learning but also their social-emotional learning through our advisory program.

Guaranteed offer to students who live in the zoned area

It is the policy of Frank Sinatra School of the Arts (FSSA) High School that every student receives the most challenging academic and arts program possible. We offer every student the opportunity to take four years of science and math in addition to four years of English and social studies. The studio arts program provides students an intensive sequential study of an art form that includes the chance to explore the history, cultural significance, and aesthetics of their selected art form. Students will be introduced to all of the disciplines offered at FSSA through a curriculum that enables students to make connections with all art forms, fostering a true artistic community.

## ACADEMICS

- Advanced placement courses in science, social studies, ELA, math and the arts
- 90-120-minute classes per day in major, Enrichment Programs, Internships with Arts Agencies
- Apprenticeships with artists, projects with cultural institutions, community service through the arts, CUNY College Now

Frederick Douglass Academy (FDA) VI High School is a high school built on Dr. Lorraine Monroe's vision of academic and personal excellence for all students. The emphasis on college preparation is supported by a challenging academic program and cultural enrichment. A set of core rules visible at every Frederick Douglass Academy signals the seriousness of purpose for the school, its students, and teachers. All students must adhere to a code of student conduct and a uniform code. Students are also required to participate in extensive after-school academic enrichment programs.

The mission of our school is to provide students with an in-depth, well-rounded education that emphasizes science and mathematics. Classroom teaching and learning are complemented with authentic, inquiry-based research experiences. The combination of research and teaching experience prepares students to become critical-thinkers and problem-solvers who pursue careers in biological sciences, physical sciences, mathematics, engineering, and veterinary sciences. The physical, emotional, and social well-being of our student body is nurtured through advisories, community service, and a small and personalized learning community.

This is a CTE school that prepares students for college, technical school, and apprenticeships in construction trades, engineering, and architecture. We have state-of-the-art facilities that support computer-aided design, mechanical drafting, technical drawing, model building, construction technology, electrical installation, digital electronics, and engineering. We partner with construction, architecture, and engineering firms and non-profits. We allow students to explore their talents and interests while receiving a solid academic foundation that prepares them for college and careers. Our learning environment promotes academic achievement through the integration of career interests and making connections between learning and the world.

## ACADEMICS

- Industry and NYSED approved CTE program(s) in Construction Trades, Engineering, & Architecture recognized by college articulation agreements
- Students may receive CTE endorsement in the following areas: Construction Trades, Engineering and Architecture
- Themed/integrated curriculum geared for college, careers, internships, mentoring, job shadowing, industry certification, & apprenticeships
- Advisory Board; ACE Mentor Program; SkillsUSA; Honors and Advanced Placement (AP) courses, CUNY College Now
- Studio Art

**English Language Learner Programs:** English as a New Language

Hillcrest is a STEAM (Science, Technology, Engineering, Arts and Mathematics) school that proudly offers its students a world-class education with a dynamic faculty and challenging curriculum. Our students get the benefits of a small school setting with our seven Small Learning Communities (SLC) in a large comprehensive high school. Every SLC is run by one teacher-leader, one school counselor, and teachers who use rigorous instruction to ensure student success. Each SLC has connections to the professional world with various partnerships and internships with elite organizations in New York City. Hillcrest offers students programs such as Virtual Enterprise, Model United Nations, Moot Court, Junior Achievement, Journalism, and Theater.

**ACADEMICS**

- Honors Pre-Med provides STEM classes built on science research & exploration; Health Sciences offers CTE Nursing Assistants as well as Sports Medicine.
- Honors Humanities allows students to explore their media & writing, artistic, and musical talents in a variety of performance and publishing mediums.
- Biz-Tek offers CTE Virtual Enterprise as well as CADD/CAM Engineering & Computer Science; Theater offers acting skills, stagecraft, & film making.
- Public Service studies in Constitutional Law, Forensics and Criminal Justice; Teachers of Tomorrow provides teaching training through TAS/PERC Program
- CUNY College Now Program includes English, Computer Application, Criminal Justice, Psychology, Science & Technology, Speech Communication, and others

The mission of Hillside Arts & Letters Academy is to offer students a challenging curriculum with a special emphasis on visual arts, music, and writing. Students at our school become self-directed and resourceful learners with a deep appreciation for the arts. We prepare students to graduate as independent thinkers who are academically well-rounded, creative, and especially well-prepared to innovate and collaborate. Our school ensures student success by providing support through advisory classes, youth development programs, and a deep commitment to our students.

Humanities & Arts challenges students to dream big and accomplish even more. Our strong academic focus is coupled with an equally strong sequence in Visual Arts that culminates in AP Studio Art in senior year. Performance Arts includes theater, music, and dance. Our college-going culture is fostered by a continuing partnership with Queensborough Community College, with the Pathways to Nursing Program, the Connect to College Program (part of the high school day program), and Project Prize. Students can earn as many as 21 credits towards an Associate degree free of cost, beginning in 9<sup>th</sup> grade. CUNY College Now classes are also available at Queens College for eligible students.

## ACADEMICS

- iLearnNYC: Program for expanded online coursework and self-paced learning
- APEX online courses, Advanced Regents in Visual Arts, Introduction to Computer Science, and Digital Art Design and Technology; Art Regents diploma

The Institute for Health Professions at Cambria Heights is a New York Performance Standards Consortium school that prepares students for college and career through a challenging and rich curriculum. The school meets individual learning needs by tapping into our students' passions. Students take their learning beyond the classroom by collaboratively solving problems and completing labs based on the realities of emergency medicine and hospital care. Students will participate in training exercises at Northwell Health's Center for Learning and Innovation, complete rotations on an ambulance or in a long-term care facility, and earn CTE certification in Emergency Medical Services.

**ACADEMICS**

- CTE program(s) in: Health Science
- Students complete Performance-based Assessment Tasks (PBATs) as a replacement for some Regents Exams.
- Advisory ensures that every student and their family is known well by the staff.
- Students take college courses (Computer Science, Pre-Calculus, Psychology, Sociology) at York College through the College Now program.
- The school is partnered with the Northwell Health, Hofstra University, and the National Academy Foundation.

We are a small, multicultural high school on the campus of LaGuardia Community College. All of our students are new to the country. We focus on English language development. Our teachers collaborate on interdisciplinary teams. We prepare English Language Learners for success in college and careers. Students develop their academic and English skills by completing individual and group projects. Students present portfolios for graduation and are able to stay for a free year of college as part of our Early College Program after they complete their high school graduation requirements within four years. While in the Early College Program, we provide students with academic support classes to ensure their success in college.

## ACADEMICS

- Students complete Performance-based Assessment Tasks (PBATs) as a replacement for some Regents Exams.
- English instruction in all content classes with native language support; students grouped in small interdisciplinary learning communities
- Early College Program option to remain a fifth year and earn a free Associate's degree from LaGuardia Community College
- Tuition-free college courses including Math, Science, English, History, Psychology, Sociology, Art, Music, native language classes and more
- Internship program in the 11<sup>th</sup> and 12<sup>th</sup> grades

**English Language Learner Programs:** English as a New Language

**Language Courses:** Arabic, Bengali, French, Korean, Mandarin, Polish, Portuguese, Russian, Spanish, Urdu

## ACTIVITIES

After-School Tutoring, Art, Computer Lab, Cultural Clubs, Dance, Garden Club, GSA, International Food Festival, LaGuardia Community College Classes and Gym Facilities, Liberty Partnership, Music Club, Newspaper, Photography, SAT Prep, Saturday Literacy Explorers Program, Student Government, Theater Program, YMCA for After-School Sports (Badminton, Volleyball, Soccer, Basketball)

We offer English Language Learners who are new to the country an opportunity to develop skills necessary to pursue college and careers in healthcare. Classes focus on reading, writing, and communicating in English while also providing opportunities to maintain students' native languages. We give our students experiences in local healthcare settings before they graduate. Students gain practical skills including CPR and first aid, explore careers through 11<sup>th</sup> grade internships at local medical centers, and take early college coursework with our university partners. These hands-on opportunities both provide a context for language acquisition and allow students to use their native language as an asset in their service to the community.

## ACADEMICS

- IHS-HS administers Portfolio Assessments for core courses alongside Math and ELA Regents.
- Students complete Performance-based Assessment Tasks (PBATs) as a replacement for some Regents Exams.
- Extended class periods, small class sizes, project-based instruction, emphasis on collaborative coursework
- Medical career focus, team setting, advisory courses, internships, early college programs

Jamaica Gateway to the Sciences focuses on students interested in the pursuit of science and health-related careers. The school is affiliated with the Gateway Institute for Pre-College Education at City College. Our mission is to encourage the consistently high achievement of, and provide advanced academic preparation for, high school students financially disadvantaged and historically underrepresented in higher education institutions. Students will graduate academically, socially, and emotionally prepared for rigorous college coursework and the pursuit of health- and science-related careers.

Guaranteed offer to students who live in the zoned area

All of our students graduate as literate, committed, inquisitive learners. We provide students with a challenging learning community that prepares them for college and careers. We seek to strengthen our community so that parents are involved in our academic vision. It is our goal to develop strategies which engage in rigorous academics, enhance relations, and improve communication among students of different backgrounds, foster positive attitudes towards school and learning, strengthen community feeling, and propel students into their future aspirations. Each student is motivated to meet the Common Core Learning Standards, to respect and appreciate individuals of different cultures, and to be a contributing citizen to their community.

**ACADEMICS**

- Bowne offers programs in Science, Technology, Engineering, and Math (STEM), Agriculture, Academy for Creative Artists, Bowne Law Institute, and JROTC.
- The Academy for Creative Artists provides an enriched artistry program through a sequence of highly varied writing and performance courses.
- NYS approved Agriculture program where students receive CTE endorsement in plant and animal sciences and work on our four acre farm; CTE Law program
- Bowne Law Institute collaborates with the St. John’s University Law Program to provide students with law topics in our new model courtroom.
- S.T.E.M. students participate in an Honors Academy with a focus in science and math with enrichment classes in research, engineering, and AP classes.

Martin Van Buren High School is a Noble institution proudly offering rigorous STEM programs in Pre-Med, Robotics, and Engineering. Law & Humanities students develop artistic, writing, and research skills. Our students are supported in Small Learning Communities with teacher-leaders and staff who care about the success of each individual student. We challenge all students inside the classroom with a variety of AP, CUNY College Now, and Syracuse University classes. Outside the classroom, we connect our students to various colleges and internships around NYC. Our students showcase their talents through activities and competitions around NYC via our teams in Robotics, Math Olympiad, Model United Nations, Mock Trial, SING, and Journalism.

## ACADEMICS

- Our Pre-Med students take a rigorous slate of Honors and AP STEM classes while interning at prestigious universities and health facilities
- MVB's award-winning Robotics team is cultivated through a sequence of Engineering and Robotics classes supplemented by Honors and AP STEM classes
- Law students take Civil, Criminal & Constitutional Law classes while performing in Moot Court & Mock Trial; Partnerships at Columbia, NYU, John Jay
- Humanities students will explore their musical and artistic talents through performance-based classes leading to careers in the arts
- Students can earn up to 15 college credits through our partnerships with various colleges and universities

**English Language Learner Programs:** English as a New Language

**Language Courses:** American Sign Language, French, Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Chemistry, Computer Science, English Language and Composition, English Literature and Composition, Environmental Science, Spanish, U.S. History, World History

Maspeth High School was founded in September 2011. We operate under the classical philosophy that all knowledge is interrelated. We expect all of our students to graduate with an Arts Endorsed, Advanced Regents diploma in four years and attend top four-year colleges and universities. A graduate of Maspeth High School will have taken four years of Classical Language, Latin or Mandarin, and be fully prepared for college, career, and productive citizenship.

**ACADEMICS**

- Classical liberal arts curriculum. Students are required to read and write on a daily basis using technical speech and critical thinking skills.
- Four years of History, Mathematics, Science, English, and Classical Language are required.
- Maspeth High School offers an extensive fully-integrated fine arts program featuring Visual Arts, Orchestra, Dance, Theater, and Choir.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Latin, Mandarin

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Chemistry, Comparative Government and Politics, English Language and Composition, English Literature and Composition, Environmental Science, Music Theory, Physics, Psychology, Studio Art: Drawing, U.S. Government and Politics, U.S. History, World History

**Diploma Endorsements:** Arts

We follow the EL Education model, in which students engage in learning expeditions and have multiple opportunities for hands-on learning. Students participate in fieldwork experiences with civic leaders, industry figures, and environmental scientists who take them outside of the classroom and give them a chance to experience the concepts they are learning. Students receive a strong background in science, technology, and sustainability and have many opportunities to apply the ideas learned in class to real-world after-school projects.

## ACADEMICS

- Crew: Crew is a small advisory group of no more than 16 students, which focuses on community, academics, and college.
- Project-based learning: students engage in relevant learning and projects connected to the real world, not based in textbooks.
- Fieldwork—students take part in experiences outside the school building that are connected to their classroom learning.
- Student-led conferences—instead of traditional parent-teacher conferences, students reflect on and present their learning to parents and teachers.
- Travel Abroad/Cultural Exchange Program—students have opportunities to take educational and service trips to other countries.

Our mission is to offer students opportunities to achieve success by providing a small personalized environment on a college campus. We provide tangible experiences that help students connect to the next stages of their academic and social lives as well as their careers. There is open access to the campus of LaGuardia Community College and students may enroll in college classes as part of their high school instructional program. All students are expected to graduate with a minimum of 24 college hours.

**ACADEMICS**

- Performance/Portfolio-based assessment tasks (PBATs) required in sophomore (Gateway) and senior (Oral Defense) year.
- The focus in 9<sup>th</sup> and 10<sup>th</sup> grades is academic and literacy skill development to prepare students for college course work.
- Starting in the 10<sup>th</sup> grade, students become eligible to apply for college courses.
- During 12<sup>th</sup> grade students can apply to remain a fifth year to receive their Associate Degree or earn college credits from LaGuardia Community College
- All students enroll in college classes and receive extra support through seminar classes.

Newcomers is internationally recognized for the exceptional quality of teaching, learning, and support services for English Language Learners offered at the school. The outstanding educational program provides a pathway for new immigrants to pursue their academic dreams. Recognizing that students initially face challenges when transitioning to a new educational, social, linguistic, and cultural setting, one essential component of the school is an orientation program that begins on the first day. The program eases the transition to a new school and assists students in acquiring necessary survival skills, from learning about the subway system to adopting key phrases to help them function in their daily lives.

Pan American International High School is a diverse learning community of recently-immigrated English Language Learners (ELLs). Our primary focus is English language development, while providing opportunities for students to enhance their Spanish language skills. Our partnerships with organizations such as Urban Arts cultivate the leadership of students in their communities through service, learning projects, internships, and the arts. We are committed to creating an environment that celebrates students' individual identities while preparing them to be successful in college and become productive members of the global community.

## ACADEMICS

- Students complete Performance-based Assessment Tasks (PBATs) as a replacement for some Regents Exams.
- Partnerships with: CUNY LINCT, State University of Albany, La Guardia Community College Now, Theater Development Fund, Repertorio Espanol
- Electives: Photography, Psychology, Comic Books, Latin and Modern Dance, Drumming, Yoga and Community Service and Internships
- Advanced Placement in: Computer Science, Spanish Language, Spanish Literature, Biology, English and Studio Art.
- Successful Completion of CTE Programs could lead to certifications: Web Design, Computer Science, Information Technology, Coding and A+ Computer Repair

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Computer Science, Spanish

Preparatory Academy for Writers: A College Board School is a 6<sup>th</sup> through 12<sup>th</sup> grade school committed to providing our students with a challenging curriculum with a focus on writing and publishing as well as a strong community of students and adults who support each other academically, socially and emotionally. Through our school's unique instructional model focused on reading, writing and discussing, students learn to think critically, communicate effectively, and be open to a wide range of ideas and experiences. With middle school students taking high school courses and high school students taking college courses, the Preparatory Academy for Writers supports our students in writing successful futures.

**ACADEMICS**

- Students receive weekly college and career planning in partnership with the College Board, CFES, and the Child Center of New York.
- Our school uses a non-traditional schedule in order to allow most students to meet all high school graduation requirements after three years.
- Students can write for a nationally recognized, award winning literary magazine, Ink, our newspaper, PAW Print, or our theater production class.
- Our video production course teaches students to use professional audio/video equipment to produce short films, original music, documentaries, etc.

**English Language Learner Programs:** English as a New Language

Orientation

We provide a challenging academic program to students of diverse backgrounds, achievement levels, and interests in a small, student-centered learning community. As a Community School, we partner with community-based organizations to help our students physically, mentally, and academically. Our students participate in scientific research, web-based communication, and problem-solving projects. We help each child become college ready through rigorous coursework, SUNY Albany University in the High School program, Advanced Placement (AP) classes, and CUNY College Now courses. Our goal is for each student to acquire the ability to access, interpret, and use information and technology to meet the challenges in this ever-changing world.

**ACADEMICS**

Queens HS for Language Studies is a committed, caring community of learners. Located in Flushing, Queens, we are a small, close-knit high school with the opportunities of a large campus. In addition to taking a challenging core curriculum, every student at QHSL is learning language. Half our students are native-Chinese speakers learning English as a new language, and half are English-speakers learning Chinese as a foreign language throughout all four years of high school. All students are expected to achieve an Advanced Regents diploma, and with the support of dedicated teachers, counselors, and fellow classmates, our students are prepared for the next stage, confident in their academic skills and ready for success in college.

**ACADEMICS**

- CUNY College Now classes at Queens College: students can take enrichment classes for high school and college credit.
- iLearnNYC: Program for expanded online coursework and self-paced learning
- Our program is designed for students to work towards an Advanced Regents Diploma
- Four-year Chinese language program with extended day for electives (theater, statistics, computer programming, visual arts)
- SAT Prep, college admissions counseling, college access classes, and internship opportunities in 11<sup>th</sup> and 12<sup>th</sup> grade.

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Chinese

**Language Courses:** Mandarin

**Advanced Placement (AP) Courses:** Biology, Calculus BC, English Literature and Composition, U.S. History

**Diploma Endorsements:** Math, Science

**ACTIVITIES**

Arts, Chess and Games, Computer Programming, Dance and K-Pop, Drama, Engineering, Green Team, GSA, Key Club, Math Team, Music, Student Government; Students are encouraged to form additional clubs. Tutoring is offered Monday to Thursday until 5:30PM; Saturday Regents Prep is offered in January, May, and June. SAT Prep is also offered on Saturdays.

**PSAL Sports—Boys:** Badminton, Baseball, Basketball, Bowling, Football, Handball, Soccer, Table Tennis, Tennis, Volleyball, Wrestling

**PSAL Sports—Girls:** Badminton, Basketball, Handball, Indoor Track, Soccer, Softball, Table Tennis, Volleyball, Wrestling

**School Sports:** Intramural Badminton

**PERFORMANCE**

- **95%** of students graduate in four years
- **95%** student attendance
- **84%** of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- **N/A** of students enroll in college or career programs within 6 months
- **94%** of students feel safe in the hallways, bathrooms, locker room, and cafeteria

Queens High School for the Sciences at York College is dedicated to preparing students for college and career by providing them with a rigorous curriculum that emphasizes the sciences and mathematics. The school philosophy is to educate the “whole child.” In addition to emphasis on academics, there is a strong focus on the liberal arts and on the development of student interpersonal, intrapersonal, collaborative, and communication skills. Ultimately, we believe that through academic preparation and emphasis on the soft skills, students will become lifelong learners and independent thinkers and make tremendous contributions to our society.

**ACADEMICS**

- Students have the opportunity to enter science, mathematics, and technology competitions at the city, state, and national levels

QHST is a rigorous college preparatory high school on a beautiful and safe, 32-acre campus. With a new NCAA regulation sports complex and 21<sup>st</sup> Century College and Career Research Center, we prepare students for success in high school, college, and beyond. Students are programmed into one of three Small Learning Communities where they are known well by all. Our model supports students' achievement of some of the highest attendance and graduation rates citywide. We offer college level credit-bearing and AP courses, a daily literacy (DEAR) program, advisory program, senior electives, and a Teaching Institute. Community partnerships and our extended-day programs ensure that students continue academic and social learning beyond the school day.

**ACADEMICS**

- iLearnNYC: Program for expanded online coursework and self-paced learning

Queens Metropolitan High School is a college preparatory school with a mission to have all its students attend and graduate from a college of their choice. In order to prepare for college, students are required to push their thinking in all content areas. They are frequently asked to write, defend their answers, and apply what they are learning to new situations. In addition to coursework, students take college trips and research college options to determine the college of their dreams.

Queens Preparatory Academy (QPA) is committed to academic excellence. We offer a college preparatory curriculum emphasizing math and science achievement as well as an arts program giving students the opportunity to develop talent in instrumental music or visual arts. Our advisory/college education program assists scholars in developing the academic, social and emotional skills to promote academic success. We value college- and career-planning as our scholars participate in a four year college and career planning course. Scholars at QPA have the opportunity to lead and engage in community service projects, participate in job/career shadowing and develop their leadership skills through a variety of student clubs and activities.

The Queens School of Inquiry is an early college school designed to prepare students to succeed in college. Our students have the opportunity to earn up to 62 tuition-free Queens College credits while still in high school. We help students develop academic skills in an environment that promotes inquiry-based learning and self-management. A close collaboration with CUNY, Queens College, along with a dedicated faculty, enables us to promote college readiness and career awareness. We are a neighborhood school that emphasizes real-life applications of academic content in our effort to educate caring and ethical citizens.

**ACADEMICS**

Queens Technical High School provides students with opportunities that prepare them for success after high school. We pride ourselves on combining traditional secondary education with the rigorous courses and hands-on experiences of a technical college. Students are prepared for area-specific certifications and licenses that make them top candidates for employment upon graduation. In addition to being prepared for the work force, our students are exposed to multiple post-secondary options, such as college and university, where they can build upon their already existing knowledge or tap into other areas of interest. Despite the high level of rigor, our students engage in a positive family-like school community.

**Pre-Engineering Electronic Technology**

Code: **Q68L**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

📄 Screened

**Interest Area:** Engineering

**10<sup>th</sup> Grade Seats Offered:** 10

**Program Description:** Prepares students with entry-level knowledge of Engineering, offering Dual College Enrollment Courses (8 credits). Certifications: OSHA, Copper-Based, Fiber-Based Networking Systems, Smart Home Technology, and Electronics Technician Association (DC, AC & Digital Electronics). Students participate in US FIRST Robotics Club.

**Admissions Priorities:** 📍 Open to New York City residents

**Selection Criteria:**

- Attendance
- Punctuality
- Course Grades: Average
- Standardized Test Scores: English Language Arts, Math

**Prior Year Admissions:** This program does not offer 9<sup>th</sup> grade seats

**Exploratory: Introduction to Occupations**

Code: **Q68M**

♥ Reach ♥ Target ♥ Likely

**Admissions Method:**

📄 Ed. Opt.

**Interest Area:** Engineering

**Program Description:** Through six six-week rotations, this program provides students with experience in: Introduction to Barbering, Business, Electrical Installation, Plumbing, Graphic Arts, Cosmetology, and Electronics.

**Admissions Priorities:** 📍 Open to New York City residents

Prior Year Admissions	Seats	Seats Filled	Applicants	Applicants Per Seat

Audition Groups	Date	Arrival Time
All Boroughs—Audition and Interview	Saturday, November 15, 2018	9am

Richmond Hill High School supports students in exploring their individual interests and talents through career-themed academies, such as Robotics & Engineering, Software Engineering, Hospitality & Tourism, Criminalistics & Forensics, Art & Design, and Health Sciences, which offer paid internship opportunities. Students take a unique college-planning class that supports them through the test preparation, research, application, and financial aid/scholarship processes. Students are also offered Advanced Placement, CUNY College Now, and SUNY College in the Classroom courses, which can earn students up to 18 college credits. We have strong community ties and use these relationships to benefit families with social and emotional supports.

**ACADEMICS**

- Software Engineering program provides students with skills in computer programming, robotics, web & game design, physical computing, and 3D printing.
- Criminalistics and Forensics Institute allows students to apply scientific techniques, such as fingerprinting and DNA analysis, to solving crimes.
- Health Sciences Academy prepares students for success in the fast-growing health industry, with courses in anatomy, physiology, and biotechnology.
- The Academy of Hospitality and Tourism, our NAF-affiliated CTE program, focuses on careers in the exciting restaurant, hotel, and travel industries.
- Robotics & Engineering Academy prepares the next generation of A.I. designers for an industry that is predicted to approach \$100 billion by 2020.

**English Language Learner Programs:** English as a New Language; Transitional Bilingual Education: Spanish

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** Calculus AB, English Language and Composition, English Literature and Composition, Spanish, U.S. History, World History

**ACTIVITIES**

Clubs: A+ Cert., ARISTA, Ambassadors, Anime, Art, Art/Music Fair, Board Games, Bollywood, Book Club, Breast Cancer Walk, Coding, Crafting, Dance, Drama, Fashion/Talent Show, GSA, Health Occupations Students of America (HOSA), Horticultural, Key Club, Law, Leadership, March of Dimes Walk, Mock Trial, Museum Exploration, Pep Rallies, Photography, Red Cross, Robotics, SAT Prep, SAYA!, Sports Night, Step Team, Student Government, Tutoring & Regents Prep, Wellness Through Fitness, Yearbook, etc.

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Handball, Indoor Track, Outdoor Track, Soccer, Swimming, Tennis, Volleyball

**PSAL Sports—Girls:** Basketball, Bowling, Indoor Track, Outdoor Track, Soccer, Softball, Swimming, Tennis, Volleyball

**PSAL Sports—Coed:** Cricket, Golf

**School Sports:** (NCAA Cleared) Additional sporting events take place through our Community Based Organization: SAYA!

**PERFORMANCE**

- 69% of students graduate in four years
- 87% student attendance
- 86% of students feel that this school offers a wide enough variety of programs, classes, and activities to keep them interested in school
- 42% of students enroll in college or career programs within 6 months
- 80% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

**10<sup>th</sup> Grade Seats Offered:** Yes

**Program Description:** Based on students' ninth grade interests, they can choose from the following options: Software Engineering, Robotics, Hospitality & Tourism, Engineering, Health Sciences, Art & Design, and A+ Certification. Participation in these pathways leads to internship opportunities and work-based learning opportunities. Partnerships with both SUNY and CUNY allow students to earn up to 18 college credits.

Priority to students who live in the zoned area

This is a small, college preparatory high school that offers Honors, Advanced Placement (AP), and ICT classes. Our College Head Start Program enables students to earn college credits in 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grades during the school day, after school and on Saturdays. We provide a challenging academic curriculum, Smartboards, computer labs, comprehensive student activities, and personalized counseling program. RFK provides students with an extensive array of Academic Intervention Services, including: Saturday Academy, Free SAT Prep Courses, Saturday and After-School College Advisement, and Saturday and After-School Regents Preparation. Students of Robert F. Kennedy Community High School are required to complete 50 hours of community service.

Our school is known for being academic, artistic, and athletic while providing a warm and welcoming community. Our teachers meet weekly in either grade teams or departments to create rich and meaningful experiences for students. All students have a CORE teacher responsible for monitoring their academic and social/emotional progress. We have a partnership with College Bound Initiatives (CBI) which provides our students and families with a full-time college counselor. Come to a place where people know you well and are dedicated to supporting your future goals. Many of our staff members have been here for more than 10 years and our graduates often come back and visit. Be a part of the Wagner family!

## ACADEMICS

- Students have a myriad of academic opportunities including, but not limited to, art classes which include Visual Art, Drama, and Digital Arts.
- We offer Advanced Placement courses in English, World History, US History, Spanish, Environmental Science, and Calculus.
- Year-long CORE courses for ninth graders; Student Government Association
- National Honors Society, Music Club, Visual Arts, Theater, Advanced Theater
- CUNY College Now; Early College opportunities; College Bound Initiative (CBI), monthly town hall meetings

Goddard High School for Communication Arts and Technology provides students with a challenging academic program to prepare them to be successful in high school and college. We foster critical thinking and creative artistic expression to give our students the skills they need to achieve their future goals. Classrooms are equipped with the most cutting-edge technology to fully immerse and engage students in the content they are learning. Our STEM science lab and digital art studio allow students to generate expressive and compelling projects through the use of a 3-D printer, Apple Macbook Pros, and Photoshop. Enrichment activities include theater productions, college trips, trips to science laboratories, and visits to the MOMA and MET.

At Rockaway Collegiate High School (RCHS), our students are engaged in enriched college preparatory and early college access programs. We offer a collaborative educational experience in which talented students are challenged by our nurturing staff to expand their intellect and develop the habits of inquiry, expression, critical thinking, problem-solving, research, and presentation. We value educating the whole child through academics, our advisory program, sports, community programs, and a variety of trips. New ninth grade students are paired with a peer mentor who will assist and encourage them on their journey to college and beyond.

Scholars' Academy is an academically accelerated high school that prepares students for college and careers of the 21<sup>st</sup> century. Comprised of multi-talented students, our diverse student body is challenged by an ambitious curriculum in English, math, science, social studies, Spanish language, and the arts. Teachers work closely with students on an individual basis within a school-wide cooperative group structure to ensure their success. High school students follow a strict dress policy and students are expected to perform at a high level academically. Scholars' Academy is ranked on the Best NYC High Schools by US News and World Report.

**ACADEMICS**

- Accelerated curriculum allows most students to complete Regents requirements early and begin college and AP courses as early as sophomore year.
- Advanced Placement and college level courses in English, history, mathematics, biology, chemistry, physics, Spanish language, visual arts, and music
- Two-year Visual Arts track or Music track required for students; elective options available in visual arts, music, drama, and technology
- A comprehensive college awareness program is weaved into the curriculum, including opportunities for up to five visits to college campuses
- School based internship program is available in senior year

English Language Learner Programs: English as a New Language

Language Courses: Spanish

Advanced Placement (AP) Courses: Art History, Biology, Calculus AB, Calculus BC, Chemistry, Computer Science, English Language and Composition, English Literature and Composition, Music Theory, Physics, Psychology, U.S. History, World History

Townsend Harris is an academically selective high school that is recognized nationally as a model of secondary education. The culturally diverse student body comprises approximately 1,100 individuals who have demonstrated evidence of high academic motivation and achievement. Our program emphasizes mastery in the humanities, mathematics, science, and classics, and requires of our students the leadership skills, discipline, and work ethic expected by the most demanding colleges and careers.

**ACADEMICS**

- All courses are honors, Advanced Placement, or college-level. Our humanities-focused curriculum includes a freshman Writing Process course.
- We offer Concert Band, Chamber Music, Jazz Ensemble, & Music Theory. Advanced electives include Social Science and Science Research.
- All students study two years of Classical Greek or Latin in addition to a modern language (Spanish, French, Japanese).
- Seniors take 12 tuition-free college credits at Queens College including 2 electives and 2 semesters of Humanities Seminar.
- CTE program(s) include Arts, A/V Technology & Communication, Law, Robotics & Pre-Engineering, Biomedical Technology & Scientific Research.

**English Language Learner Programs:** English as a New Language

**Language Courses:** French, Greek, Japanese, Latin, Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Calculus BC, Computer Science, English Language and Composition, English Literature and Composition, Environmental Science, Human Geography, Japanese, Macroeconomics, Music Theory, Physics, Psychology, Spanish, Statistics, U.S. Government and Politics, U.S. History, World History

**Diploma Endorsements:** Math, Science

**ACTIVITIES**

American Classic League Awards, Archon, Arista, Art, Brain Bee, Concerts, Consultative Council, Festival of Nations, Grade Leaders, History Days, Journalism, Literary Art Magazine, Math Team, Mock Trial, Model UN, Moot Court, NYC Science Fair, NYS Honor Societies, Robotics, SING, School Play, Science & Humanities Symposium, Science Olympiad, Senior Council, Student Government, Yearbook; and thirty clubs.

**PSAL Sports—Boys:** Badminton, Baseball, Basketball, Bowling, Cross Country, Fencing, Handball, Indoor Track, Outdoor Track, Soccer, Tennis, Volleyball, Wrestling

**PSAL Sports—Girls:** Badminton, Basketball, Bowling, Cross Country, Fencing, Flag Football, Handball, Indoor Track, Outdoor Track, Soccer, Softball, Swimming, Table Tennis, Tennis, Volleyball, Wrestling

**School Sports:** (NCAA Cleared) Co-ed Baseball, Soccer, Swim Clubs (Off-Season)

At World Journalism Preparatory School (WJPS), journalism is a tool used to share learning and practice the habits of critical thinking in regard to citizenship and democracy. Student publications include an award winning school newspaper, news broadcast program, and yearbook. Opportunities to be immersed in journalism exist through fieldwork, creative projects, performances and interviews. Students visit television networks, newspapers, publishers and colleges. WJPS also offers many opportunities for students to earn college credit before graduating from high school.

**ACADEMICS**

- iLearnNYC, a program for expanded online coursework and self-paced learning; CUNY College Now at QCC and Queens College; Advanced Placement Courses
- Four years of English, Math, Science, and Social Studies courses
- Advisory program supports social and emotional learning and provides college and career readiness. Portfolios of student work teach self reflection.
- Pupil Path and Naviance online systems help students and parents/guardians keep track of student progress and stay in touch with teachers and staff.
- WISE Mentorship program for seniors; Financial Literacy Certification

The mission of York Early College Academy is to develop the skills needed for success in college and careers. College preparation is continually communicated to our students. This goal is expressed by teachers, parents, and the surrounding, supportive community. In addition to a challenging and advanced academic curriculum, we are pleased to offer students the opportunity to graduate from our school with 40-60 college credits. Our students have the full support of York College, the Early College Initiative, and the Department of Education. York Early College Academy is an open road to college.

# Young Women's Leadership School, Astoria (TYWLS) | 30Q286

The Young Women's Leadership School of Astoria opened in 2006 as part of a national network of college prep schools for young women. TYWLS nurtures the intellectual curiosity and creativity of young women by supporting the whole girl in order to maximize academic achievement, social and emotional well-being, and postsecondary success. Our school is established to include advisory, rigorous STEM, humanities, and arts opportunities in a 21<sup>st</sup> century learning environment. The Young Women's Leadership Network supports our school with a wide range of leadership programs. The College Bound Initiative (CBI) provides college access support with a full-time CBI college counselor who guides each student through the college application process.

## ACADEMICS

- Students engage in an academically rigorous college prep course of study, with the opportunity to take Advanced Placement and CUNY College Now courses.
- Twenty-first century skills are embedded into a mastery based approach to grading with technology infused courses and a project based mindset.
- Eligible students participate in focused pathways such as Advanced Placement For All, Software Engineering For All, and Algebra For All.
- Mid-Year intensive courses that provide real-world learning and application, collaborative group work, and project-based instruction.
- Electives include Filmmaking with Tribeca Film Institute, Drama, Musical Theater, Game Design, 3-D Design, Mobile App Development, and Music.

**English Language Learner Programs:** English as a New Language

**Language Courses:** Spanish

**Advanced Placement (AP) Courses:** English Language and Composition, English Literature and Composition, Environmental Science, Psychology, Studio Art: 2-D Design, World History

Our challenging and academically demanding program is designed around college preparedness and aligned to Common Core Learning Standards. High standards, rigor, and global themes are infused throughout subjects. Exceptionally high standards around student conduct, school tone, and academic citizenship are strictly maintained. Students are required to present comprehensive portfolios and engage in summer research projects. Teachers work to challenge students' thinking, build student ownership of learning, and prepare students for college. Students have opportunities to travel and foster cross-cultural learning. All students must undertake at least three years of world language, including Mandarin Chinese or Spanish, building global competence.

## ACADEMICS

- College courses with CUNY College of Staten Island, and some tuition waivers.
- Four year Advisory class for students to enrich communication skills, social/emotional proficiency, global competence, and college/career readiness.
- CUNY College Now, Int'l Journalism, Global Art, Digital Photography, Forensics, Physics, Honors Classes and Dual HS/College Credit Program.
- Strong academic/college prep. with strict policy on timely homework (late work not graded), strong school tone: zero tolerance of student misconduct.
- International travel opportunities and language immersion programs (three-year requirement of a world language is mandated in Chinese or Spanish).

**English Language Learner Programs:** English as a New Language

Curtis High School is a Community School whose mission statement declares: "Curtis will be a nurturing community where all of its members will have the desire and opportunity to achieve their fullest potential." Curtis continually seeks to provide academic, extracurricular, social-emotional, and health and wellness services that are comprehensive, coordinated, and responsive to the evolving needs of our community. Curtis consists of small learning communities (houses) giving students and faculty the opportunity to teach and learn with a more personalized approach. All students, supported by our faculty and a wealth of community partnerships and resources, pursue curricula that challenge and prepare them for a world beyond Curtis.

**ACADEMICS**

- International Baccalaureate (IB): Curtis HS is authorized by the IB Organization to offer the Diploma Programme.
- CTE Programs: NYS-approved Career and Technical Education (CTE) programs in Practical Nursing, Nursing Assistant, and New Media.
- Foreign Exchange: Yearly exchange programs are available between Curtis students and students from France, Israel, Italy, the Netherlands, and Spain.
- CUNY College Now: Nationally recognized high school-to-college partnership with CUNY offering rigorous college coursework without cost to students.
- Forward PASS: An extensive after-school academic program for Curtis students supported by the Heisman Trust and the AthLife Foundation.

Our school provides a small, academically-challenging learning community, in partnership with NYC Outward Bound Schools and EL Education, that prepares students for college success and beyond. Our community is supported by problem-solving strategies to build perseverance, develop student character and respect for excellence in scholarship, and to energize student creativity. Our students give back to our city through multiple community service opportunities, including an annual Day of Service. They dive deeply into unique elective topics during Intensives Week. It's all about attitude-wanting to excel, striving to meet potential, overcoming challenges, and looking to make a difference.

## ACADEMICS

- NYC Outward Bound Schools: In-depth expeditions that incorporate real-world connections, project-based learning, and character development.
- Crew: Advisory group of 18 students who work with one staff member to receive guidance, develop leadership, support academics, and build character.
- Intensives Week: Students engage in a one week exploration of a topic and present their learning to an authentic audience at the end of the week.
- Day of Service: Students give back to the Staten Island and greater NYC area, performing community service in memory of Gaynor McCown.

Guaranteed offer to students who live in the zoned area

Port Richmond High School is a comprehensive Community School that empowers students to reach their highest academic potential in a nurturing environment. Small, interest-based learning communities and a rigorous honors program are open to all students and offer a variety of services to our students and families through our new Port Richmond High School Health and Wellness Center. During students' first year, the Freshman Academy provides a culture of high standards, advanced courses, and academic support systems that address individual students' needs. Students are exposed to a wide array of extracurricular and athletic activities in combination with a challenging academic program that prepares them for college and the world of work.

**ACADEMICS**

- Med Tech, Virtual Enterprise, Culinary Arts, Communications/TV Media, iLearnNYC: Program for expanded online coursework and self-paced learning.
- Dual Language: a model of bilingual education. Students are taught literacy and content in two languages. Program leads to a NYS Seal of Biliteracy.
- Wagner College Partnership Program, College courses, CUNY College Now Program offering college credit courses without cost to students.
- Ninth Grade Success Program: Each student is assigned a Community School staff mentor to provide academic/social emotional support throughout the year.
- CTE program(s) in: Academy of Hospitality and Tourism, Bio Med Technology, Culinary Arts, Entrepreneurship/Virtual Enterprise

**English Language Learner Programs:** English as a New Language; Dual Language: Spanish

**Language Courses:** Italian, Spanish

**Advanced Placement (AP) Courses:** Biology, Calculus AB, Computer Science, English Language and Composition, English Literature and Composition, Environmental Science, Psychology, Spanish, U.S. Government and Politics, U.S. History, World History

**Diploma Endorsements:** Math, Science

**ACTIVITIES**

ARISTA-NHS, Anti-Bullying Presentations, Careers through Culinary Arts Program, Chess, Chorus, Cooking Club, Council for Unity, Culture Clubs, Dance, Drama Club, Fashionville, Field Trips, Fitness, Gay-Straight Alliance, Guitar Ensemble, International Club, Journalism, JROTC, Marching Band, Peer Mediation/Conflict Resolution, Ping Pong, PM School, Poetry, SING, Steppers Dance, Student Government, Theater, TV Production of Good Morning Port Richmond, Yearbook, Yoga, Zumba

**PSAL Sports—Boys:** Baseball, Basketball, Bowling, Cross Country, Football, Handball, Indoor Track, Lacrosse, Outdoor Track, Soccer, Swimming, Tennis, Volleyball, Wrestling

**PSAL Sports—Girls:** Basketball, Bowling, Cross Country, Flag Football, Gymnastics, Indoor Track, Outdoor Track, Soccer, Softball, Swimming, Tennis, Volleyball

**PSAL Sports—Coed:** Golf, Stunt

**School Sports:** (NCAA Cleared) Cheerleading

**PERFORMANCE**

- 📈 67% of students graduate in four years
- 📈 36% of students enroll in college or career programs within 6 months
- 📈 86% student attendance

Susan E. Wagner High School consists of 14 unique small learning communities referred to as Learning Centers. Each Learning Center has an assigned assistant principal, teacher coordinator, counselor, dean, and attendance assistant, all of whom work together to provide a nurturing environment and a wide range of academic support services. In addition to our academic programs, our many extracurricular and co-curricular activities help to develop well-rounded, socially conscious, respectful citizens who are prepared to enter college and the work force.

## ACADEMICS

# NEW YORK CITY CHARTER HIGH SCHOOLS

This is a list of New York City charter high schools that are projected to serve at least one high school grade (grades 9-12) during the 2019-2020 school year. For the most current admissions information, visit our website or contact each school directly. Every charter high school is monitored and evaluated by its authorizer to ensure it is meeting appropriate performance goals, delivering its proposed educational program, and is in compliance with all applicable laws. Each authorizer produces reports with performance information for its charter schools. Performance reports for each of the following schools can be found on the authorizer's website.

# Your Choices

Use this page to help prepare for your high school application. List your program choices below in your true order of preference. Bring this list when you meet with a counselor at school or a Family Welcome Center—find locations and hours at [schools.nyc.gov/WelcomeCenters](https://schools.nyc.gov/WelcomeCenters).

## TIP

Try the activity in **Section 4.9** of this book to learn your chances (reach, target, or likely) of getting an offer from each program of interest. This can help you narrow your choices. A balanced application includes a mix of programs that are reach, target, and likely for you. Shade the heart next to “Reach,” “Target,” or “Likely” for each program on this list.

1. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
2. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
3. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
4. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
5. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
6. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
7. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
8. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
9. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
10. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
11. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely
12. Program Name: _____	Program Code: _____	<input type="checkbox"/> Reach	<input type="checkbox"/> Target	<input type="checkbox"/> Likely

## Listing 12 choices matters!

The more choices you list on your application, the more likely you are to get an offer in Round 1. For example, last year only 56%\* of students who listed one program on their application got an offer in Round 1, but 97% of students who listed 12 programs on their application got an offer in Round 1.

\* Percentage does not include students who applied only to their guaranteed (zoned or continuing) programs.

56%\*

97%

Chances of getting a Round 1 offer if you list one program

Chances of getting a Round 1 offer if you list 12 programs

## KEY DATES

### High School Fairs

### Specialized High Schools Admissions Test

For current eighth grade and first-time ninth grade students

### Specialized High Schools Admissions Test

- For eighth and first-time ninth grade students who are English Language Learners or students with disabilities who have Individualized Education Programs or approved 504 plans
- For make-up test requests

## GET HELP

### **NYC School Finder** | [schoolfinder.nyc.gov](http://schoolfinder.nyc.gov)

Explore 12 choices for your high school application on your desktop or mobile device. Find high schools based on your interests, where you live, and more!

### **High School Web Page** | [schools.nyc.gov/High](http://schools.nyc.gov/High)

Learn how to apply to high school. Get the latest updates, additional resources, and dates for high school admissions events.
