

The Holiday Season

This festive holiday season is a time for gathering and celebrating with family and friends. A time for gift giving, reflection, and giving thanks. To commemorate this time of year, the Census Bureau presents the following holiday-related facts and figures from its vast collection of statistics.

Did you know?

 The value of imports of Christmas tree lights was **\$550.3 million** in **2021**. Cambodia led the way with **61.9%** of the total.

 The value of imports of Christmas decorations from China was **\$2.9 billion** in **2021** – that's **91.3%** of total U.S. imports of Christmas decorations.

 There are many holiday-sounding places in the United States. Here are some highlights:
