

Embry-Riddle Aeronautical University Catalogs

As you explore programs of study at Embry-Riddle Aeronautical University, you can use the online catalog for your campus – Daytona Beach, Prescott, Worldwide or Asia – to view program requirements, course descriptions, policies, and more.

Though you are bound to the campus catalog requirements of your program entry year, you may still wish to refer to the current catalog to track your progress.

The **2024-2025** catalog is effective May 1, 2024 for Daytona Beach and Prescott campuses and July 1, 2024 for the Worldwide and Asia campuses.
