Energy system and resources, environmental system and resources, global climate change, life cycle assessment, green chemistry and materials, sustainable technologies.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 335 Soil Mechanics**

3 cr. Undergraduate.

Fundamentals of soil mechanics; soil classification; seepage analysis; principle of effective stress; stress distribution; 1-D consolidation theory; shear strength; laboratory experience.

**Prerequisites:** junior standing; admis to an Engineering major;

CIV ENG 203(P) or CIV ENG 303(P); or graduate standing.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 360 Introduction to Structural Analysis**

3 cr. Undergraduate.

Elementary structural analysis techniques; beams, trusses, statically determinate frames, influence lines; analysis of indeterminate structures by superposition and computer analysis.

**Prerequisites:** CIV ENG 203(P) or CIV ENG 303(P); ELECENG 234(C).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 372 Introduction to Structural Design**

4 cr. Undergraduate.

Intro to design of reinforced concrete, steel, and wood structures; material properties; codes; design for flexure, shear and axial loads; connections.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P);

Math 233(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 401 Intermediate Strength of Materials**

3 cr. Undergraduate/Graduate.

Area moment, conjugate beam, deflection due to shear, bending of unsymmetrical beams, curved beams, shear flow, shear center, stresses in open sections, theories of failure, plastic stress-strain relations, plastic deformation, limit analysis, and energy methods.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 401G Intermediate Strength of Materials**

3 cr. Undergraduate/Graduate.

Area moment, conjugate beam, deflection due to shear, bending of unsymmetrical beams, curved beams, shear flow, shear center, stresses in open sections, theories of failure, plastic stress-strain relations, plastic deformation, limit analysis, and energy methods.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 411 Engineering Principles of Water Resources Design**

3 cr. Undergraduate/Graduate.

Principles of hydraulics; steady and non-steady flow in closed conduits and open channels; hydraulic design of structures, surge tanks; hydraulic model studies.

**Prerequisites:** junior standing or above, advanced to Engineering major, and MECHENG 320(C); or graduate standing.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 411G Engineering Principles of Water Resources Design**

3 cr. Undergraduate/Graduate.

Principles of hydraulics; steady and non-steady flow in closed conduits and open channels; hydraulic design of structures, surge tanks; hydraulic model studies.

**Prerequisites:** junior standing or above, advanced to Engineering major, and MECHENG 320(C); or graduate standing.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 412 Applied Hydrology**

3 cr. Undergraduate/Graduate.

Applied hydrology with emphasis on analysis of rainfall, runoff and streamflow processes, hydrologic forecasting and simulation, urban hydrology, hydrologic design and modelling.

**Prerequisites:** junior standing; MATH 233(P) & MECHENG 320(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 412G Applied Hydrology**

3 cr. Undergraduate/Graduate.

Applied hydrology with emphasis on analysis of rainfall, runoff and streamflow processes, hydrologic forecasting and simulation, urban hydrology, hydrologic design and modelling.

**Prerequisites:** junior standing; MATH 233(P) & MECHENG 320(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 413 Environmental Engineering**

3 cr. Undergraduate/Graduate.

Water pollution and control; hazardous substances and risk assessment; water and wastewater treatment systems; air-pollution and emission control; solid wastes; design of treatment facilities.

**Prerequisites:** junior standing and advanced to major in an Engineering major or graduate standing.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 413G Environmental Engineering**

3 cr. Undergraduate/Graduate.

Water pollution and control; hazardous substances and risk assessment; water and wastewater treatment systems; air-pollution and emission control; solid wastes; design of treatment facilities.

**Prerequisites:** junior standing and advanced to major in an Engineering major or graduate standing.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 431 Materials of Construction**

3 cr. Undergraduate/Graduate.

Investigation covering engineering properties of metals, timber, concrete, masonry, plain and reinforced plastics, glues; thermal effects.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 431G Materials of Construction**

3 cr. Undergraduate/Graduate.

Investigation covering engineering properties of metals, timber, concrete, masonry, plain and reinforced plastics, glues; thermal effects.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 455 Construction Planning, Equipment, and Methods**

3 cr. Undergraduate/Graduate.

This course introduces students to construction planning, equipment, and selected construction methods. This includes economy, selection, the productivity of common construction equipment, and construction procedures for industrial, heavy civil, and commercial construction projects.

**Prerequisites:** junior standing or greater and CIV ENG 431(P); or graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 455G Construction Planning, Equipment, and Methods**

3 cr. Undergraduate/Graduate.

This course introduces students to construction planning, equipment, and selected construction methods. This includes economy, selection, the productivity of common construction equipment, and construction procedures for industrial, heavy civil, and commercial construction projects.

**Prerequisites:** junior standing or greater and CIV ENG 431(P); or graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 456 Foundation Engineering**

3 cr. Undergraduate/Graduate.

Site investigation; foundation bearing capacity and settlement; design of spread and combined footings; lateral earth pressures; retaining wall design; slope stability analysis; pile foundations.

**Prerequisites:** junior standing; CIV ENG 335(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 456G Foundation Engineering**

3 cr. Undergraduate/Graduate.

Site investigation; foundation bearing capacity and settlement; design of spread and combined footings; lateral earth pressures; retaining wall design; slope stability analysis; pile foundations.

**Prerequisites:** junior standing; CIV ENG 335(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 463 Introduction to Finite Elements**

3 cr. Undergraduate/Graduate.

Generation and assembly of finite element matrices in one- and two-dimensional problems. Modeling and practical applications in solid mechanics, heat transfer and fluid flow.

**Prerequisites:** junior standing; CIV ENG 203(P), CIV ENG 303(P), or ELECENG 234(P); and MECHENG 311(C), MECHENG 320(C), or MECHENG 321(C).**Course Rules:** CIV ENG 463 and MECHENG 462 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 463G Introduction to Finite Elements**

3 cr. Undergraduate/Graduate.

Generation and assembly of finite element matrices in one- and two-dimensional problems. Modeling and practical applications in solid mechanics, heat transfer and fluid flow.

**Prerequisites:** junior standing; CIV ENG 203(P), CIV ENG 303(P), or ELECENG 234(P); and MECHENG 311(C), MECHENG 320(C), or MECHENG 321(C).**Course Rules:** CIV ENG 463 and MECHENG 462 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 466 Design of Composite Structures**

3 cr. Undergraduate/Graduate.

Hands-on design, analysis, and manufacturing of composite fiber reinforced plastic beams, columns, and plates; failure analysis and damage tolerance design of composite structures; bolted and bonded joints.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P)**Course Rules:** CIV ENG 466 and MECHENG 466 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 466G Design of Composite Structures**

3 cr. Undergraduate/Graduate.

Hands-on design, analysis, and manufacturing of composite fiber reinforced plastic beams, columns, and plates; failure analysis and damage tolerance design of composite structures; bolted and bonded joints.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P)**Course Rules:** CIV ENG 466 and MECHENG 466 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 469 Introduction to Biomechanical Engineering**

3 cr. Undergraduate/Graduate.

Mathematical modeling of human body; dynamics of human motion; neuromuscular control human movement; stress analysis of bones and joints; concurrent mechanical problems in medicine.

**Prerequisites:** CIV ENG 202(P) and CIV ENG 303 (P); or consent of instructor.**Course Rules:** MECHENG 469 and CIV ENG 469 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 469G Introduction to Biomechanical Engineering**

3 cr. Undergraduate/Graduate.

Mathematical modeling of human body; dynamics of human motion; neuromuscular control human movement; stress analysis of bones and joints; concurrent mechanical problems in medicine.

**Prerequisites:** CIV ENG 202(P) and CIV ENG 303 (P); or consent of instructor.**Course Rules:** MECHENG 469 and CIV ENG 469 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 480 Software Applications for Civil Engineering**

3 cr. Undergraduate.

General knowledge and techniques in using computer software in civil engineering design/ Software packages include Autodesk Civil 3D and Revit Structure.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P).**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 490 Transportation Engineering**

3 cr. Undergraduate/Graduate.

Technological and common elements of all modes of transportation; their effect on performance, demand, and outputs of a transportation system. Development of new transportation systems.

**Prerequisites:** junior standing or higher, advanced to an Engineering major, and IND ENG 367(C); or graduate standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 490G Transportation Engineering**

3 cr. Undergraduate/Graduate.

Technological and common elements of all modes of transportation; their effect on performance, demand, and outputs of a transportation system.

Development of new transportation systems.

**Prerequisites:** junior standing or higher, advanced to an Engineering major, and IND ENG 367(C); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 492 Environmental Impact Assessment**

3 cr. Undergraduate/Graduate.

Study and evaluation of the impacts of large scale projects on the quality of the environment with emphasis on the assessment of physical and community impacts. Impact statement preparation.

**Prerequisites:** senior standing.

**Last Taught:** Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 492G Environmental Impact Assessment**

3 cr. Undergraduate/Graduate.

Study and evaluation of the impacts of large scale projects on the quality of the environment with emphasis on the assessment of physical and community impacts. Impact statement preparation.

**Prerequisites:** senior standing.

**Last Taught:** Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 494 Principles of Civil Engineering Design**

1 cr. Undergraduate.

Project identification and planning for senior design project; proposals, project management and team procedures. Technical communications. Professional engineering responsibilities. Intended for first semester seniors.

**Prerequisites:** senior standing in Civil Engineering, CIV ENG 335(C), CIV ENG 372(C), CIV ENG 411(C), CIV ENG 413(C), and CIV ENG 490(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 495 Senior Design**

3 cr. Undergraduate.

Team design project involving application of fundamental civil engineering concepts. Discussion of specifications, contracts and implementation. Written and oral presentations. Intended for second semester seniors.

**Prerequisites:** CIV ENG 411(P), CIV ENG 413(P), and CIV ENG 494(P); and CIV ENG 335(P), CIV ENG 372(P), and CIV ENG 490(P) for Civil Engineering students; or CIV ENG 311(P), CIV ENG 412(P), and CIV ENG 521(C) for Environmental Engineering students; or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 496 Fundamentals of Engineering Exam Seminar**

0 cr. Undergraduate.

Review of topics on the Fundamentals of Engineering (FE) exam and presents problems from the various sub-areas. The (FE) exam is the first of the two exams engineers for the professional license.

**Prerequisites:** senior standing; Civil Engineering or Environmental Engineering major.

**Course Rules:** Fee for 1 cr assessed. Satisfactory/Unsatisfactory only.

Counts as a repeat of CIV ENG 691 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 499 Ad Hoc:**

1-12 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

**Prerequisites:** none; additional prerequisites may be assigned to specific topic.

**Course Rules:** May be retaken with change in topic. Requires department and associate dean approval.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 502 Experimental Stress Analysis**

3 cr. Undergraduate/Graduate.

Basic stress strain relations; demonstration of experimental methods of determining stresses and strains; use of mechanical strain, electric strain, and strain gages, optical photoelastic equipment, brittle lacquers, models.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P).

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 502G Experimental Stress Analysis**

3 cr. Undergraduate/Graduate.

Basic stress strain relations; demonstration of experimental methods of determining stresses and strains; use of mechanical strain, electric strain, and strain gages, optical photoelastic equipment, brittle lacquers, models.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P).

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 511 Water Supply and Sewerage**

3 cr. Undergraduate/Graduate.

Resources of water supply quality and quantity requirements. Principles of hydraulic design of water supply and sewerage systems; pumping stations. Principles of sewage disposal. Problems of management involving hydrological, engineering, institutional, legal and economic aspects.

**Prerequisites:** junior standing; CIV ENG 411(P).

**Course Rules:** Design project.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 511G Water Supply and Sewerage**

3 cr. Undergraduate/Graduate.

Resources of water supply quality and quantity requirements. Principles of hydraulic design of water supply and sewerage systems; pumping stations. Principles of sewage disposal. Problems of management involving hydrological, engineering, institutional, legal and economic aspects.

**Prerequisites:** junior standing; CIV ENG 411(P).**Course Rules:** Design project.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 521 Water Quality Assessment**

3 cr. Undergraduate/Graduate.

Laboratory techniques for detecting and measuring physical, chemical and biological characteristics of water and wastewater. Water quality requirements. Design of sampling programs.

**Prerequisites:** senior standing; CIV ENG 411(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 521G Water Quality Assessment**

3 cr. Undergraduate/Graduate.

Laboratory techniques for detecting and measuring physical, chemical and biological characteristics of water and wastewater. Water quality requirements. Design of sampling programs.

**Prerequisites:** senior standing; CIV ENG 411(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 555 Sustainable Construction Materials and Technologies**

3 cr. Undergraduate/Graduate.

Sustainable construction materials and methodologies related to commercial construction, LEED/Green certifications, material selection.

**Prerequisites:** junior standing.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 555G Sustainable Construction Materials and Technologies**

3 cr. Undergraduate/Graduate.

Sustainable construction materials and methodologies related to commercial construction, LEED/Green certifications, material selection.

**Prerequisites:** junior standing.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 560 Intermediate Structural Analysis**

3 cr. Undergraduate/Graduate.

Topics in traditional analysis methods; indeterminate structures, load & load paths, moment distribution, approximate methods, elementary plate analysis.

**Prerequisites:** junior standing, CIV ENG 360(P), AND CIV ENG 372(P).**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 560G Intermediate Structural Analysis**

3 cr. Undergraduate/Graduate.

Topics in traditional analysis methods; indeterminate structures, load & load paths, moment distribution, approximate methods, elementary plate analysis.

**Prerequisites:** junior standing, CIV ENG 360(P), AND CIV ENG 372(P).**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 571 Design of Concrete Structures**

3 cr. Undergraduate/Graduate.

Topics in reinforced concrete design; indeterminate reinforced concrete beams and frames; length effect in columns; torsion; two way floor systems; yield line theory.

**Prerequisites:** junior standing; CIV ENG 360(C), CIV ENG 401(C), and CIV ENG 372(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 571G Design of Concrete Structures**

3 cr. Undergraduate/Graduate.

Topics in reinforced concrete design; indeterminate reinforced concrete beams and frames; length effect in columns; torsion; two way floor systems; yield line theory.

**Prerequisites:** junior standing; CIV ENG 360(C), CIV ENG 401(C), and CIV ENG 372(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 572 Design of Steel Structures**

3 cr. Undergraduate/Graduate.

Topics in design of steel structures; tension, compression, and beam members; combined axial and bending; connections; frames; serviceability.

**Prerequisites:** junior standing; CIV ENG 360(C), CIV ENG 401(C), and CIV ENG 372(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 572G Design of Steel Structures**

3 cr. Undergraduate/Graduate.

Topics in design of steel structures; tension, compression, and beam members; combined axial and bending; connections; frames; serviceability.

**Prerequisites:** junior standing; CIV ENG 360(C), CIV ENG 401(C), and CIV ENG 372(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 573 Design of Masonry and Wood Structures**

3 cr. Undergraduate/Graduate.

Properties of masonry materials, loads, design codes, reinforced & unreinforced members, composite & cavity walls, shear walls. Properties of wood, design of wood structural members by LRFD including beams, columns and connections.

**Prerequisites:** junior standing; CIV ENG 360(C) and CIV ENG 372(P).**Last Taught:** Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 573G Design of Masonry and Wood Structures**

3 cr. Undergraduate/Graduate.

Properties of masonry materials, loads, design codes, reinforced & unreinforced members, composite & cavity walls, shear walls. Properties of wood, design of wood structural members by LRFD including beams, columns and connections.

**Prerequisites:** junior standing; CIV ENG 360(C) and CIV ENG 372(P).**Last Taught:** Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 574 Design of Prestressed Concrete Structures**

3 cr. Undergraduate/Graduate.

Design of prestressed concrete structures; methods of prestressing; loss of prestress; design for flexure, shear, torsion; camber and deflections; continuity; connections; fire rating; circular prestressing.

**Prerequisites:** junior standing; CIV ENG 360(C), CIV ENG 372(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 574G Design of Prestressed Concrete Structures**

3 cr. Undergraduate/Graduate.

Design of prestressed concrete structures; methods of prestressing; loss of prestress; design for flexure, shear, torsion; camber and deflections; continuity; connections; fire rating; circular prestressing.

**Prerequisites:** junior standing; CIV ENG 360(C), CIV ENG 372(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 579 Earthquake Engineering**

3 cr. Undergraduate/Graduate.

Earthquake mechanics and effects, structural dynamics, seismic hazard analysis, design guidelines, design of steel and concrete buildings for earthquake loads.

**Prerequisites:** senior standing; CIV ENG 571(P) or CIV ENG 572(P); or consent of instructor; or graduate standing.**Course Rules:** Counts as repeat of CIV ENG 891 with similar topic.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 579G Earthquake Engineering**

3 cr. Undergraduate/Graduate.

Earthquake mechanics and effects, structural dynamics, seismic hazard analysis, design guidelines, design of steel and concrete buildings for earthquake loads.

**Prerequisites:** senior standing; CIV ENG 571(P) or CIV ENG 572(P); or consent of instructor; or graduate standing.**Course Rules:** Counts as repeat of CIV ENG 891 with similar topic.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 580 Engineering Analysis in Applied Mechanics**

3 cr. Undergraduate/Graduate.

Engineering analysis of initial and boundary value problems in applied mechanics. Application of various methods to investigate a variety of engineering situations.

**Prerequisites:** junior standing; ELECENG 234(P).**Course Rules:** CIV ENG 580 and MECHENG 580 are jointly offered and count as repeats of one another.**Last Taught:** Fall 1998, Fall 1996.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 580G Engineering Analysis in Applied Mechanics**

3 cr. Undergraduate/Graduate.

Engineering analysis of initial and boundary value problems in applied mechanics. Application of various methods to investigate a variety of engineering situations.

**Prerequisites:** junior standing; ELECENG 234(P).**Course Rules:** CIV ENG 580 and MECHENG 580 are jointly offered and count as repeats of one another.**Last Taught:** Fall 1998, Fall 1996.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 590 Urban Transportation Planning**

3 cr. Undergraduate/Graduate.

Techniques used to plan urban transportation systems; data collection, trip generation, trip distribution, factors underlying the choice of mode, traffic assignment, modeling and evaluation techniques.

**Prerequisites:** senior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 590G Urban Transportation Planning**

3 cr. Undergraduate/Graduate.

Techniques used to plan urban transportation systems; data collection, trip generation, trip distribution, factors underlying the choice of mode, traffic assignment, modeling and evaluation techniques.

**Prerequisites:** senior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 592 Traffic Control**

3 cr. Undergraduate/Graduate.

Control of transportation systems with emphasis on traffic engineering principles. Data collection, capacity analysis, traffic improvements, signalization, signs and markings, channelization, intersection, speeds and safety considerations.

**Prerequisites:** senior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 592G Traffic Control**

3 cr. Undergraduate/Graduate.

Control of transportation systems with emphasis on traffic engineering principles. Data collection, capacity analysis, traffic improvements, signalization, signs and markings, channelization, intersection, speeds and safety considerations.

**Prerequisites:** senior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 594 Physical Planning and Municipal Engineering**

3 cr. Undergraduate/Graduate.

Organization and structure of local government, zoning and planning, subdivision layout, street design, transit service, urban drainage, storm and sanitary sewer, water supply and other public works activities.

**Prerequisites:** senior standing.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 594G Physical Planning and Municipal Engineering**

3 cr. Undergraduate/Graduate.

Organization and structure of local government, zoning and planning, subdivision layout, street design, transit service, urban drainage, storm and sanitary sewer, water supply and other public works activities.

**Prerequisites:** senior standing.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 596 Transportation Facilities Design**

3 cr. Undergraduate/Graduate.

Physical design of transportation facilities including geometric design and terminals for highway, rail, air and water transportation. Student project work will be required.

**Prerequisites:** junior standing; CIV ENG 490(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 596G Transportation Facilities Design**

3 cr. Undergraduate/Graduate.

Physical design of transportation facilities including geometric design and terminals for highway, rail, air and water transportation. Student project work will be required.

**Prerequisites:** junior standing; CIV ENG 490(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 598 Pavement Analysis and Design**

3 cr. Undergraduate/Graduate.

Pavement types, design factors, traffic loading and volume, materials characterization, drainage design, flexible and rigid pavements design, stresses and deflections, overlay design, pavement rehabilitation.

**Prerequisites:** junior standing and CIV ENG 335(P); or graduate standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 598G Pavement Analysis and Design**

3 cr. Undergraduate/Graduate.

Pavement types, design factors, traffic loading and volume, materials characterization, drainage design, flexible and rigid pavements design, stresses and deflections, overlay design, pavement rehabilitation.

**Prerequisites:** junior standing and CIV ENG 335(P); or graduate standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 610 Introduction to Water and Sewage Treatment**

3 cr. Undergraduate/Graduate.

Characteristics of water and sewage. Principles of physical, chemical and biological processes for water and sewage treatment. Design project.

**Prerequisites:** senior standing; CIV ENG 413(P).**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 610G Introduction to Water and Sewage Treatment**

3 cr. Undergraduate/Graduate.

Characteristics of water and sewage. Principles of physical, chemical and biological processes for water and sewage treatment. Design project.

**Prerequisites:** senior standing; CIV ENG 413(P).**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 614 Hazardous Waste Management**

3 cr. Undergraduate/Graduate.

Hazardous waste; regulatory process; fate and transport of contaminants; treatment and disposal methods; site remediation; quantitative risk assessment; design project.

**Prerequisites:** junior standing; CIV ENG 413(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 614G Hazardous Waste Management**

3 cr. Undergraduate/Graduate.

Hazardous waste; regulatory process; fate and transport of contaminants; treatment and disposal methods; site remediation; quantitative risk assessment; design project.

**Prerequisites:** junior standing; CIV ENG 413(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 616 Computational Hydraulics and Environmental Flows**

3 cr. Undergraduate/Graduate.

Numerical analysis applied to fluid flows and transport phenomena.

Applications in environmental flows, water quality models, transport of pollutant, long wave propagation, etc.

**Prerequisites:** junior standing and CIV ENG 411(P).**Course Rules:** Counts as repeat of CIV ENG 691 with the same topic.**Last Taught:** Spring 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 616G Computational Hydraulics and Environmental Flows**

3 cr. Undergraduate/Graduate.

Numerical analysis applied to fluid flows and transport phenomena.

Applications in environmental flows, water quality models, transport of pollutant, long wave propagation, etc.

**Prerequisites:** junior standing and CIV ENG 411(P).**Course Rules:** Counts as repeat of CIV ENG 691 with the same topic.**Last Taught:** Spring 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 691 Topics in Civil Engineering:**

1-3 cr. Undergraduate/Graduate.

Topics vary. Study of topics in theory and practice of civil engineering.

Specific topics and any additional prerequisites will be announced in Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken to a max of 6 cr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 691G Topics in Civil Engineering:**

1-3 cr. Undergraduate/Graduate.

Topics vary. Study of topics in theory and practice of civil engineering.

Specific topics and any additional prerequisites will be announced in Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken to a max of 6 cr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CIV ENG 699 Independent Study**

1-3 cr. Undergraduate/Graduate.

Independent study on a topic of choice. Credit hours to be arranged between student and staff on an individual basis.

**Prerequisites:** junior standing and consent of instructor.**Course Rules:** May be retaken to max of 6 cr toward the undergraduate degree.**Last Taught:** Spring 2023, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 699G Independent Study**

1-3 cr. Undergraduate/Graduate.

Independent study on a topic of choice. Credit hours to be arranged between student and staff on an individual basis.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken to max of 6 cr toward the undergraduate degree.

**Last Taught:** Spring 2023, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 700 CEAS Graduate Seminar**

1-3 cr. Graduate.

Seminar in professional ethics, oral and written communication, contemporary social issues, career development, time management, and laboratory safety.

**Prerequisites:** graduate standing.

**Course Rules:** CIV ENG 700, COMPSCI 700, ELECENG 700, IND ENG 700, MATLENG 700 and MECHENG 700 are jointly offered and count as repeats of one another

**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 701 Advanced Strength of Materials**

3 cr. Graduate.

Beams of elastic foundations; advanced energy methods; thick walled cylinders; torsion of non-circular sections; approximate methods for stresses in plates, stress concentrations, contact stresses, interaction curves, elastic and inelastic buckling, elasticity; matrix & tensor applications.

**Prerequisites:** graduate standing, CIV ENG 203(P) or CIV ENG 303(P) and CIV ENG 401(C) or consent of instructor.

**Last Taught:** Spring 2021, Spring 2018, Fall 2016, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 702 Elastic Stability**

3 cr. Graduate.

Sending of bars under simultaneous action of axial and lateral loads; buckling of compressed bars, rings, and tubes; lateral buckling of beams; torsion of i-beams; buckling of thin plates.

**Prerequisites:** graduate standing, CIV ENG 401(P) and ELECENG 234(P).

**Last Taught:** Fall 2006, Spring 1988, Spring 1986, Spring 1984.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 708 Fate and Transport of Micro and Nano Particles in the Environment**

3 cr. Graduate.

Fundamentals governing fate and transport of micro and nano particles, e.g. inorganic particles, bacteria, viruses and protozoan in aquatic environment and porous media including soil, sand and filtration system.

**Prerequisites:** grad st; Civ Eng 411(P) or 413(P) or cons instr

**Last Taught:** Spring 2021, Spring 2019, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 710 Industrial Waste Treatment**

3 cr. Graduate.

Principles and theories of treating industrial wastes. Characterization of industries and their wastes. Treatment processes including tertiary and advanced wastewater separation techniques. Hazardous wastes management. Administration of industrial waste control. Programs.

**Prerequisites:** graduate standing; CIV ENG 521(P) and CIV ENG 610(P) or consent of instructor.

**Last Taught:** Spring 2010, Fall 2004, Fall 1995, Fall 1986.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 712 Ground Water Flow and Seepage**

3 cr. Graduate.

Linear and non-linear seepage laws; theoretical models; electro-osmosis in soils; analytical solution to steady state problems; numerical solutions to transient problems; analytical solutions to transient problems; experimental methods and models; design of dewatering systems.

**Prerequisites:** graduate standing; CIV ENG 411(P).

**Last Taught:** Fall 2017, Spring 2015, Spring 2011, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 714 Unit Operations in Environmental Engineering**

3 cr. Graduate.

Unit operations of physicochemical and biological aspects employed in water and wastewater treatments. In-situ treatment of contaminated groundwater. Theory and development of design criteria.

**Prerequisites:** graduate standing and CIV ENG 610(P) or consent of instructor.

**Last Taught:** Spring 2009, Fall 2005, Fall 2003, Spring 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 716 Sediment Transport**

3 cr. Graduate.

Physical properties of sediment; incipient motion, bed forms, suspended load, bed load, total load, natural river processes.

**Prerequisites:** graduate standing; CIV ENG 411(P).

**Last Taught:** Fall 2019, Spring 2018, Spring 2016, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 717 Open Channel Flow**

3 cr. Graduate.

Basic equations of continuity, mechanical energy and momentum; uniform, gradually varied, and spatially varied flows; hydraulic structures; governing equations of unsteady flow and numerical solutions.

**Prerequisites:** graduate standing; CIV ENG 411(P) or equivalent.

**Last Taught:** Fall 2020, Fall 2016, Spring 2010, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 718 Biological Processes for Water and Wastewater Treatment**

3 cr. Graduate.

Biological and engineering principles related to trickling filters, activated sludge plants, lagoons, rotating biological contactors, aerobic and anaerobic digesters, nutrient removal and bioremediation.

**Prerequisites:** graduate standing; CIV ENG 413(R) or CIV ENG 610(R).

**Last Taught:** Spring 2022, Spring 2020, Spring 2017, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 719 Pollutant Dispersion Process**

3 cr. Graduate.

Classical diffusion theories; longitudinal dispersion, vertical and transverse mixing in free-surface turbulent flow, application to natural channels.

**Prerequisites:** graduate standing; CIV ENG 411(P).

**Last Taught:** Fall 2021, Fall 2018, Spring 2017, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 721 Advanced Water Analysis**

3 cr. Graduate.

Advanced analytical methods for evaluating sources, distribution patterns, concentrations, and biological effects of pollutants in natural waters. Tracers, nuclear techniques, organics, metals, bioassays. Lecture and laboratory.

**Prerequisites:** graduate standing and CIV ENG 521(P) or consent of instructor.

**Last Taught:** Fall 2008, Fall 2002, Fall 1998, Spring 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 725 Finite Element Methods in Engineering**

3 cr. Graduate.

Formulation and assembly of finite elements. Tools in numerical analysis, interpolation, integration. Trusses, beams, plates, two-dimensional problems. Generalized field problems: heat transfer, fluid flow. Emphasis on practical application.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023, Spring 2020, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 726 Mechanical Vibrations**

3 cr. Graduate.

Free and forced vibrations of multiple degree of freedom systems using modern matrix methods.

**Prerequisites:** graduate standing; MECHENG 475(P) or equivalent.

**Course Rules:** CIV ENG 726 and MECHENG 726 are jointly offered and count as repeats of one another. Students may not receive credit for both courses.

**Last Taught:** Spring 2000, Spring 1999, Spring 1996, Spring 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 731 Properties of Concrete**

3 cr. Graduate.

Advanced course in portland cement concrete; proportioning methods, theories of hardening and setting, properties, prefabricated concrete, precast concrete, construction methods, light-weight aggregates and concrete, causes of disintegration, protective treatments, specifications, cost estimates.

**Prerequisites:** graduate standing and consent of instructor.

**Last Taught:** Fall 2022, Fall 2019, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 732 Fatigue in Engineering Materials**

3 cr. Graduate.

Influence of repeated stress in engineering design, fatigue testing machines, and procedures, factors influencing fatigue properties, theories of fatigue failure.

**Prerequisites:** CIV ENG 401(P) or consent of instructor.

**Last Taught:** Spring 2015, Fall 2012, Fall 2010, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 735 Advanced Soil Mechanics**

3 cr. Graduate.

Advanced treatment and application of theories and principles of soil mechanics; permeability and seepage; elastic theories of stress distribution; consolidation theories; shearing strength and failure criteria; plastic equilibrium.

**Prerequisites:** graduate standing and CIV ENG 335(P).

**Last Taught:** Spring 2020, Fall 2016, Fall 2014, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 756 Advanced Foundation Engineering**

3 cr. Graduate.

Critical study of actual engineering projects; introduction to existing design procedures and the basis for foundation recommendations.

**Prerequisites:** graduate standing; CIV ENG 456(P).

**Last Taught:** Spring 2021, Fall 2019, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 761 Advanced Structural Analysis**

3 cr. Graduate.

Analysis of structures utilizing matrix stiffness techniques; material and geometric nonlinearities, volume changes, extreme loadings.

**Prerequisites:** graduate standing; CIV ENG 360(P); CIV ENG 463(P).

**Last Taught:** Spring 2019, Spring 1997, Fall 1995, Spring 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 771 Advanced Concrete Design**

3 cr. Graduate.

Advanced topics in design of concrete structures; structural systems & bracing, two-way slab, walls, construction phase assessment, joints & ductility, design for fire, seismic design.

**Prerequisites:** graduate standing; CIV ENG 571(P).

**Last Taught:** Spring 2023, Spring 2019, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 772 Advanced Steel Design**

3 cr. Graduate.

Advanced topics in design of steel structures; plate girders, moment resisting frames, stability & bracing, connections, torsion, seismic design, fatigue & fracture.

**Prerequisites:** graduate standing; CIV ENG 572(P).

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 773 Advanced Dynamics**

3 cr. Graduate.

General theory of dynamic behavior from the viewpoint of Lagrangian and Hamiltonian mechanics. Application of energy principles to dynamical analysis of mechanical systems.

**Prerequisites:** graduate standing; MECHENG 580(P) or CIV ENG 580(P); or consent of instructor.

**Course Rules:** CIV ENG 773 and MECHENG 773 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 774 Shock and Vibration Analysis**

3 cr. Graduate.

Dynamic response of mechanical systems to complex shock and vibration conditions; application of the eigenvalue and transform methods of analysis to the solution of engineering problems.

**Prerequisites:** graduate standing; MECHENG 475(P) and MECHENG 580(P).

**Course Rules:** CIV ENG 774 and MECHENG 774 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 775 Analysis and Design of Bridges**

3 cr. Graduate.

Bridge types; loads and AASHTO specifications; analysis and design of superstructures; substructure design; computer applications.

**Prerequisites:** graduate standing, CIV ENG 463(P), CIV ENG 571(P), and CIV ENG 572(P); or consent of instructor.

**Last Taught:** Spring 2021, Spring 2018, Spring 2016, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 777 Design of Multistory Buildings**

3 cr. Graduate.

Topics in design of multistory building systems; planning & environmental criteria, loading, analysis, design, construction, lateral systems, foundation, cladding, building service & management.

**Prerequisites:** graduate standing; CIV ENG 463(P), CIV ENG 571(P), and CIV ENG 572(P).

**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 785 Dynamics of Structures**

3 cr. Graduate.

Analysis and design of structures subjected to dynamic loads; effects of damping and inelastic action; multi-degree of freedom and continuous systems; numerical techniques; seismic design.

**Prerequisites:** graduate standing and CIV ENG 463(P) or consent of instructor.

**Last Taught:** Spring 2017, Spring 2013, Spring 2011, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 790 Transportation Systems Design**

3 cr. Graduate.

Principles of systems analysis as they relate to the planning, design and operation of transportation systems. Model building, evaluation, systems management.

**Prerequisites:** graduate standing and CIV ENG 590(P).

**Last Taught:** Spring 2019, Fall 2013, Fall 2011, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 792 Methods of Transportation Analysis**

3 cr. Graduate.

Mathematical tools useful in analysis of transportation systems. Process of modeling and simulation, matrix techniques, network analysis, statistical analysis, etc. As related to transportation. Use of standard packaged computer programs. Class project may be utilized to develop these skills.

**Prerequisites:** graduate standing, COMPSCI 151(P) or equivalent, and CIV ENG 590(P).

**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 794 Traffic Planning and Operations**

3 cr. Graduate.

Planning and design of traffic systems, delay and capacity of signalized intersections, freeway controls, traffic system management and optimization, queues, traffic assignment and simulation.

**Prerequisites:** graduate standing and CIV ENG 592(C).

**Last Taught:** Spring 2021, Spring 2018, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 801 Applied Elasticity**

3 cr. Graduate.

Equations of elasticity in two and three dimensions; two dimensional problems in rectangular polar and curvilinear coordinates; torsion of noncircular shafts; bending of prismatic bars.

**Prerequisites:** graduate standing and CIV ENG 401(P) or consent of instructor.

**Last Taught:** Fall 2001, Fall 1999, Fall 1997, Fall 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 804 Theory of Plasticity**

3 cr. Graduate.

Yield conditions, stress strain relations; plastic potential, hardening theories, torsion, bending, thick walled spherical and cylindrical shells under internal pressure; plane strain of perfectly plastic material.

**Prerequisites:** graduate standing and CIV ENG 805(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 880 Bioengineering Seminar**

1 cr. Graduate.

Presentations by bioengineering affiliated faculty, invited speakers, and graduate students.

**Prerequisites:** graduate standing.

**Course Rules:** CIV ENG 880, COMPSCI 880, ELECENG 880, IND ENG 880, MATLENG 880, and MECHENG 880 are jointly offered and count as repeats of one another. May be repeated to 3 cr max.

**Last Taught:** Spring 2018, Fall 2015, Spring 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirements.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2022, Fall 2019, Spring 2019, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 891 Advanced Topics in Civil Engineering:**

1-3 cr. Graduate.

Topics vary. Study of advanced topics of theory and practice of structural engineering. Specific topic and any additional prerequisites will be announced in the schedule of classes each time the course is offered.

**Prerequisites:** graduate standing.

**Course Rules:** Retakeable with change in topic to max of 9 cr.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 921 Internship in Civil & Environmental Engineering**

3 cr. Graduate.

Immersive learning experience within a professional engineering environment. Through supervised work placements, students will have the opportunity to apply theoretical knowledge gained in the classroom to real-world engineering projects.

**Prerequisites:** completion of at least 6 graduate-level credits in CIV ENG; department consent required.

**Course Rules:** Retakeable to 6 credits max. Non-thesis students only.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 940 Topics in Transportation:**

1-3 cr. Graduate.

Topics vary. Topics and problems of current interest in transportation; readings and review of

**Prerequisites:** recent literature and development of a critical analysis or paper. Subject matter may be student initiated.

**Last Taught:** Fall 2019, Spring 2012, Spring 2005, Spring 2000.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 990 Masters Thesis**

1-9 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 18 cr max. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 998 Doctoral Thesis**

1-12 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor and graduate program committee.

**Course Rules:** Satisfactory/Unsatisfactory only. Repeatable.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CIV ENG 999 Advanced Independent Study**

1-3 cr. Graduate.

**Prerequisites:** graduate standing, consent of instructor and graduate program committee.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Classics (CLASSIC)

**CLASSIC 101 Words Matter. How Greek and Latin Shape Our Language**

3 cr. Undergraduate.

A comprehensive study of the basic Greek and Latin word elements underlying modern English usage and their Indo-European background.

**Prerequisites:** none.

**Course Rules:** Not recom for ESL students.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 170 Classical Mythology**

3 cr. Undergraduate.

A survey of Classical myths in the written sources and in artistic representations.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 171 Classical Mythology: An Audio-Visual Supplement**

1 cr. Undergraduate.

Slide series depicting the influence of classical myth on art and music reinforcing the material presented in Classic 170.

**Prerequisites:** Classic 170(C).

**Course Rules:** Not open for cr to students who have earned 3 or more cr in Classic 170(ER).

**General Education Requirements:** HU

**Last Taught:** Spring 2012, UWinteriM 2011, Fall 2010, Summer 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 192 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2020, Fall 2012, Spring 2004, Spring 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 201 Introduction to Greek Life and Literature**

3 cr. Undergraduate.

Ancient Greek life and literature, emphasizing the surviving works of earliest authors, Homer and Hesiod.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 202 Introduction to Roman Life and Literature**

3 cr. Undergraduate.

Roman life and literature, emphasizing events before the death of Augustus.

**Prerequisites:** none; Classic 170(R).

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 211 Alexander the Great to Augustus**

3 cr. Undergraduate.

An introduction to literature, history, and art in Greek culture from Alexander the Great to Augustus.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 274 Ancient Egyptian Civilization**

3 cr. Undergraduate.

Culture of Egypt, with particular attention to its literature reflecting social, political, and religious conditions; emphasis on Egyptian-Hebrew contacts during the second millennium.

**Prerequisites:** none.

**Course Rules:** Classic (Hebr St) 274 & Hist 274 are jointly offered; they count as repeats of one another.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 289 Internship in Classics, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Classics in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Classics; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.

**Course Rules:** One credit for 45 hrs research. May be retaken to 9 cr max in any combination of UROP apprenticeship courses. Not open to jrs & srs.

**Last Taught:** Fall 2009, Spring 2009, Fall 2008, Spring 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2014, Spring 2012, UWinterIM 2004, Spring 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2008, Spring 1997, Fall 1984.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 301 The Life and Literature of Classical Athens: Herodotus and Dramatists**

3 cr. Undergraduate.

Classical Greek drama and the writings of Herodotus in translation; their historical background.

**Prerequisites:** junior standing or consent of instructor.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Fall 2021, Spring 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 302 War and Politics in Ancient Greece**

3 cr. Undergraduate.

Thucydides' history and selections from Plato's works in translation; their historical background.

**Prerequisites:** jr st or instructor approval

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2022, Fall 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 303 The Life and Literature of the Roman Empire**

3 cr. Undergraduate.

Major literary works from the early Roman empire in translation; their historical background.

**Prerequisites:** jr st.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 304 The Graeco-Roman World:**

3 cr. Undergraduate/Graduate.

Life and literature (in translation) of the ancient Greco-Roman world.

**Prerequisites:** junior standing; CLASSIC 301(R), CLASSIC 302(R), or CLASSIC 303(R).

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 304G The Graeco-Roman World:**

3 cr. Undergraduate/Graduate.

Life and literature (in translation) of the ancient Greco-Roman world.

**Prerequisites:** junior standing; CLASSIC 301(R), CLASSIC 302(R), or CLASSIC 303(R).

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 312 Ancient Epic Oral Traditions**

3 cr. Undergraduate.

Epic oral traditions of Greece and other ancient and more modern world-wide traditions.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Classic 304 w/similar topic.

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CLASSIC 351 Ancient Greek Religion**

3 cr. Undergraduate.

Ancient Greek religious practices, surveying textual and archaeological evidence as well as major scholarly work in the field. Knowledge of Ancient Greek is not required.

**Prerequisites:** jr st; satisfaction of OWC-A; CLASSIC 201(R).

**General Education Requirements:** HU, OWCB

**Last Taught:** Fall 2022, Spring 2021, Fall 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CLASSIC 370 Hittite Myth and History**

3 cr. Undergraduate.

Origins and history of the Hittites; their myths, culture, and connections with ancient Greece, Troy, Egypt, and Assyria.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Classic 304 w/same subtitle.

**General Education Requirements:** HU

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CLASSIC 390 Egyptian Mythology**

3 cr. Undergraduate.

Egyptian myths and ancient religious practices, emphasizing religious thought in Greco-Roman Egypt.

**Prerequisites:** jr st.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CLASSIC 489 Internship in Classics, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of classics in a business, organizational, educational, political, or other appropriate setting.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CLASSIC 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2016, UWinterIM 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CLASSIC 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2016, UWinterIM 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CLASSIC 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st. Add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CLASSIC 699 Directed Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a Classics faculty or instructional academic staff member. Students must submit a study proposal. For more information, consult Classics prog coord.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 2022, Spring 2017, Spring 2011, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## **College of Health Professions and Sciences (CHPS)**

### **CHPS 100 New Student Seminar in Health Professions**

1 cr. Undergraduate.

Exploration of the UWM campus community, strategies for academic and personal success, and skill development in communication, teamwork, interprofessional education and career/major choices.

**Prerequisites:** none.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## **Communication (COMMUN)**

### **COMMUN 101 Introduction to Interpersonal Communication**

3 cr. Undergraduate.

Basic concepts for understanding communication in interpersonal relationships. Combines a theoretical approach with a skills approach to the study of interpersonal communication.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **COMMUN 103 Public Speaking**

3 cr. Undergraduate.

Principles of public address in informative, persuasive and special occasion situations with emphasis on the theory, composition, and presentation of speeches.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **COMMUN 105 Business and Professional Communication**

3 cr. Undergraduate.

Analysis and application of communication principles and practices (interpersonal communication, teamwork issues, public speaking, technological communication) fundamental to successful participation in organizational and professional activities.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 192 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 199 Independent Study**

1-3 cr. Undergraduate.

Independent study under the supervision of an appropriate faculty or staff member. For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2014, Fall 2013, Spring 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 264 Persuasive Speaking**

3 cr. Undergraduate.

Designed specifically to increase students' understanding of and proficiency in various techniques and modes of persuasive speaking.

**Prerequisites:** Commun 103(P).

**Last Taught:** Spring 2021, Spring 2006, Fall 2005, Fall 1993.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 285 Communicating with Older Adults**

3 cr. Undergraduate.

Application of communication research and theory to the understanding of communication with, about, and among older adults.

**Prerequisites:** none

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 288 Research Practicum**

1-3 cr. Undergraduate.

Research experience under the supervision of a member of the Commun faculty.

**Prerequisites:** Commun 200(P); 3.00 overall gpa; satisfaction of GER English Composition competency req; writ cons instr.

**Course Rules:** Offered as cr/no cr only. May be retaken to 6 cr max, w/3 cr max from any one faculty member.

**Last Taught:** Spring 2019, Fall 2016, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.

**Course Rules:** One credit for 45 hrs research. May be retaken to 9 cr max in any combination of UROP apprenticeship courses. Not open to jrs & srs.

**Last Taught:** Spring 2013, Fall 2011, Spring 2011, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** UWinterIM 2024, Fall 2023, Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 298 Internship in Communication**

1-3 cr. Undergraduate.

Field experience in profit/nonprofit organization; course examines professional communication issues.

**Prerequisites:** 2.0 gpa overall; writ cons internship dir.

**Course Rules:** May be retaken to 6 cr max. Offered as cr/no cr only.

**Last Taught:** Summer 2017, Spring 2017, Fall 2016, Summer 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 300 Interviewers and Interviewing**

3 cr. Undergraduate.

Focuses on information-getting interviews. Discussion, practice, and analysis of interviewer effects, setting, question form, sequence, and wording.

**Prerequisites:** sophomore standing and satisfaction of English Composition competency requirement.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 301 Interpersonal Communication Processes**

3 cr. Undergraduate.

Focused analysis of the processes involved in face to face communication, includes the examination of the communication variables which define, sustain, or change interpersonal relationships.

**Prerequisites:** sophomore standing, COMMUN 101(P), and satisfaction of GER English Composition competency requirement.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 310 Communication in Organizations**

3 cr. Undergraduate.

Factors affecting structure and function of communication in organizations. Emphasis on concepts and principles enhancing effective management of communication processes.

**Prerequisites:** sophomore standing and satisfaction of GER English Composition competency requirement or consent of instructor.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 311 Communication and Leadership**

3 cr. Undergraduate.

Examination of communication related to leadership theory, practice, processes, and outcomes.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Spring 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 313 Human Communication and Technology**

3 cr. Undergraduate.

Examination of the actual and potential role of technology in facilitating satisfying communication relationships.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; or cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 320 Nonverbal Communication**

3 cr. Undergraduate.

Reviews theory and research in nonverbal aspects of human communication. Consideration of specific research in such areas as proxemics, kinesics, paralanguage, interpretation of nonverbal messages.

**Prerequisites:** sophomore standing and satisfaction of GER English Composition competency requirement.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 323 Communication in Groups and Teams**

3 cr. Undergraduate.

Analysis of communication processes in groups and teams; includes examination of theories and research findings; addresses group and team participation and decision-making skills.

**Prerequisites:** sophomore standing, COMMUN 105(P), and satisfaction of GER English Composition competency requirement; or consent of instructor.**Last Taught:** Spring 2023, Fall 2022, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 327 Instructional Communication for Human Resource Trainers**

3 cr. Undergraduate.

Theory and practice of instructional communication methods used to train employees of profit and nonprofit organizations.

**Prerequisites:** jr st; Commun 103(P) or 105(P); satisfaction of GER English Composition competency req.**Last Taught:** Spring 2018, Fall 2017, Spring 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 335 Critical Analysis of Communication**

3 cr. Undergraduate.

Nature, development, and applications of criticism, with major emphasis on contemporary communication situations.

**Prerequisites:** jr st; satisfaction of Oral and Written Communication Part A GER.**General Education Requirements:** OWCB**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 350 Intercultural Communication**

3 cr. Undergraduate.

Overview of U.S. intercultural communication, including communication issues for interracial and interethnic communication.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.**General Education Requirements:** CD, SS**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 360 Entertainment and Politics**

3 cr. Undergraduate.

Social, cultural, political, technical and economic forces that shape the messages communicated by the entertainment media; impacts that these messages have on individuals and society.

**Prerequisites:** sophomore standing.**Course Rules:** Counts as a repeat of JAMS 380 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 362 Argumentation and Debate**

3 cr. Undergraduate.

The theory and practice of argumentation with emphasis on critical thinking, argument analysis, and preparation of policy and evaluative arguments.

**Prerequisites:** sophomore standing and satisfaction of GER English Composition competency requirement.**General Education Requirements:** HU**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 363 Communication in Human Conflict**

3 cr. Undergraduate.

Investigation of the relationship between communication and the processes of human conflicts. Focus upon the nature and origin of human conflict and communicative strategies which may be used to manage conflict situations.

3 cr. Undergraduate/Graduate.

Theories and research related to the role of communication in cultural adjustment processes, cultural training, and evaluation of training.

**Prerequisites:** jr st; Commun 350(P) or 450(P); satisfaction of GER English Composition competency req; or cons instr.

**Last Taught:** Spring 2021, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 665 Introduction to Mediation**

3 cr. Undergraduate/Graduate.

Course focuses on learning about the mediation process, related theories, and its application in a variety of contexts. Students receive twenty hours of mediation training.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 665G Introduction to Mediation**

3 cr. Undergraduate/Graduate.

Course focuses on learning about the mediation process, related theories, and its application in a variety of contexts. Students receive twenty hours of mediation training.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 667 Great American Speakers and Issues**

3 cr. Undergraduate/Graduate.

Selected great speakers and their speeches on major issues in American history.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 667G Great American Speakers and Issues**

3 cr. Undergraduate/Graduate.

Selected great speakers and their speeches on major issues in American history.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 672 Communication and Social Order**

3 cr. Undergraduate/Graduate.

The role of communication in both maintaining and challenging social structures and hierarchies.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 672G Communication and Social Order**

3 cr. Undergraduate/Graduate.

The role of communication in both maintaining and challenging social structures and hierarchies.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 698 Internship in Communication**

3 cr. Undergraduate.

Field experience in a profit/nonprofit organization; course examines professional communication issues.

**Prerequisites:** jr st; declared Commun major or approved program of study; 9 cr Commun 300-level or above; 2.5 overall gpa; satisfaction of GER English Composition and Math competency reqs; writ cons internship dir.

**Course Rules:** May be retaken w/chg in organization to 6 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 699 Advanced Independent Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a Commun faculty or instructional academic staff member. Students must submit a study proposal. For more information, consult dept dir of undergrad stds.

**Prerequisites:** jr st; 2.0 GPA; satisfaction of GER English Composition competency requirement; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Spring 2018, Fall 2015, Fall 2014, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 700 Quantitative Research in Communication**

3 cr. Graduate.

Introduction to the methods and techniques of quantitative research in communication, with special focus on problems of experimental and field research.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 701 Critical Analysis of Communication**

3 cr. Graduate.

Introduction to the methods and techniques of humanistic research in communication, with special focus on problems of criticism and history.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 702 Qualitative Research in Communication**

3 cr. Graduate.

Methods and techniques of qualitative research in communication; special focus on problems of discourse analysis and interaction observation.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Spring 2022, Spring 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 735 Rhetorical Theory**

3 cr. Graduate.

Critical study of various humanistic theories of rhetorical communication. Major emphasis on contemporary theories, trends, and concepts.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022, Fall 2020, Spring 2018, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 750 Theory and Research in Intercultural Communication**

3 cr. Graduate.

Major theories and contemporary research in the field of intercultural, cross-cultural, and global communication.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 762 Argumentation in Theory and Practice**

3 cr. Graduate.

Argumentation theories in a performance-based context to train citizen-scholars. Assumes no prior knowledge of argumentation theories.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Fall 2015, Fall 2012, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 772 Rhetorical Leadership and Ethics**

3 cr. Graduate.

The practice of responsible leadership from the humanities-based perspective of rhetoric.

**Prerequisites:** grad st.

**Last Taught:** Spring 2021, Fall 2018, Spring 2016, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 800 Proseminar: The Discipline of Communication**

3 cr. Graduate.

The theoretical, conceptual, and pedagogical parameters of communication as a discipline.

**Prerequisites:** grad st; admission to Commun M.A. Program or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 801 Seminar in Interpersonal Communication**

3 cr. Graduate.

Overview of current perspectives and critical analysis of research in verbal and nonverbal aspects of interpersonal communication.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2021, Fall 2017, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 802 Marital and Family Communication**

3 cr. Graduate.

Examination of how communication functions to develop, maintain, enrich, or limit family relationships.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022, Fall 2020, Spring 2013, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 805 Seminar on Issues in Interpersonal Communication:**

3 cr. Graduate.

In-depth study and discussion of application of interpersonal communication research and theory.

**Prerequisites:** graduate standing.

**Course Rules:** Counts as repeat of COMMUN 860 with same subtitle.

Retakable with change in topic to 9 cr max.

**Last Taught:** Spring 2022, Spring 2020, Spring 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 806 Understudied Close Relationships**

3 cr. Graduate.

How communication functions to develop, maintain, enrich, or limit understudied close relationships.

**Prerequisites:** grad st.

**Course Rules:** Counts as a repeat of Commun 805 w/similar topic.

**Last Taught:** Spring 2022, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 810 Studies of Communication in Organizations**

3 cr. Graduate.

Surveys theory and research on communication processes that constitute and maintain organizations. Topics include communication and networks, managerial hierarchy, power, and organizational culture.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022, Fall 2019, Spring 2016, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 813 Seminar in Mediated Communication**

3 cr. Graduate.

Advanced course focusing on theory and research pertaining to relationships between human communication processes and interactive technologies.

**Prerequisites:** grad st.**Last Taught:** Fall 2021, Spring 2019, Spring 2016, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 814 Communication Technologies in Relationships**

3 cr. Graduate.

In-depth study and discussion of theory and research pertaining to how, why, and with what effects people use communication technologies for interpersonal communication in a variety of contexts.

**Prerequisites:** graduate standing.**Course Rules:** Counts as a repeat of COMMUN 805 with the same topic.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 816 Media Effects**

3 cr. Graduate.

Cross-disciplinary examination of theoretical approaches, research methods, and findings in the study of the effects of media on beliefs, opinions, behavior, and policy; design and execution of a research project.

**Prerequisites:** graduate standing.**Course Rules:** Previously JAMS 810.**Last Taught:** Spring 2019, Fall 2014, Spring 2013, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 818 Politics and the Media**

3 cr. Graduate.

In-depth examination of the relationships between the media and politics in the United States.

**Prerequisites:** graduate standing.**Course Rules:** Previously JAMS 835.**Last Taught:** Spring 2019, Spring 2015, Spring 2010, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 823 Seminar in Small Group Communication**

3 cr. Graduate.

Examination of theory and research in small group communication: methods, applications, and problems of small group communication.

**Prerequisites:** grad st.**Last Taught:** Fall 2021, Spring 2020, Spring 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 825 Work/Life Intersections and Communication**

3 cr. Graduate.

Discussion and analysis of current communication research and work to extend understanding about how communication creates, frames, perpetuates, and challenges conceptualizations of the public (paid work) and private (life) spheres.

**Prerequisites:** graduate standing.**Course Rules:** Counts as a repeat of COMMUN 860 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 830 Negotiation**

3 cr. Graduate.

Theory and research addressing negotiation as fundamentally a communicative process.

**Prerequisites:** grad st.**Course Rules:** Counts as repeat of Commun 860 w/ same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 835 Seminar in Contemporary Public Address**

3 cr. Graduate.

Observation and analysis of verbal and nonverbal messages, forms, situations, strategies and media in contemporary public communication.

**Prerequisites:** grad st.**Last Taught:** Spring 2022, Spring 2019, Spring 2013, Summer 1999.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 837 Instructional Communication in the College Classroom**

3 cr. Graduate.

Theory and practice of instructional communication in the college classroom; research connected to students' own teaching development.

**Prerequisites:** grad st**Last Taught:** Spring 2023, Spring 2021, Fall 2016, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 850 Seminar in Intercultural Communication**

3 cr. Graduate.

Examination of advanced theory and research in intercultural and international communication; methods and problems of intercultural communication research.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 852 Critical Approaches to Intercultural Communication**

3 cr. Graduate.

Critical approaches to culture, identity, and intercultural communication using both classical and contemporary texts; emphasis on scholars of color and other marginalized groups.

**Prerequisites:** graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 860 Seminar: Issues in Communication:**

3 cr. Graduate.

In-depth study and discussion of application of communication research and theory. Content varies.

**Prerequisites:** graduate standing.**Course Rules:** Retakable with change in topic to 9 cr max.**Last Taught:** Fall 2023, Fall 2021, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 862 Public Deliberation**

3 cr. Graduate.

Emerging literature on deliberative democracy; ethical, practical, and political possibilities for public argument and decision making.

**Prerequisites:** grad st**Last Taught:** Fall 2022, Fall 2013, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 864 Communication and Social Influence**

3 cr. Graduate.

Advanced theory and experimental studies in persuasion.

**Prerequisites:** grad st.**Last Taught:** Fall 2016, Fall 2012, Spring 2010, Summer 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 872 Rhetorics of Constituting Community and Social Controversy**

3 cr. Graduate.

Advanced theories of promoting and disrupting identification or division and social conflict through rhetoric.

**Prerequisites:** grad st.**Last Taught:** Spring 2022, Spring 2020, Spring 2017, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 873 The Digital Mirror**

3 cr. Graduate.

Public messages about a wide range of technologies as purposeful statements about our identity as a technoculture and technocitizens.

**Prerequisites:** grad st**Last Taught:** Spring 2019, Spring 2015, Fall 2011, Fall 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 874 Rhetoric of Women's Rights in the US**

3 cr. Graduate.

The rhetorical tradition of women's rights in the U.S. and its use as a lens to reflect on rhetorical theory and criticism.

**Prerequisites:** grad st**Last Taught:** Fall 2022, Spring 2018, Fall 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 875 Rhetoric of Space and Mobility**

3 cr. Graduate.

The intersections of rhetoric, space, and mobility.

**Prerequisites:** graduate standing.**Course Rules:** Counts as a repeat of COMMUN 973 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2023, Spring 2019, Summer 2015, Summer 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 893 Rhetoric of/and the Internet**

3 cr. Graduate.

The concept of 'The Internet' in popular culture; opportunities and obstacles the internet presents to rhetorical communication.

**Prerequisites:** grad st**Last Taught:** Spring 2022, Fall 2019, Fall 2009, Fall 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 900 Philosophy and Practice of Communication**

3 cr. Graduate.

Philosophical and theoretical perspectives on the scholarly study of human communication.

**Prerequisites:** grad st**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 902 Advanced Qualitative Research in Communication - Interviewing**

3 cr. Graduate.

Advanced methods and techniques of qualitative research in communication; special focus on interviewing.

**Prerequisites:** graduate standing and COMMUN 702(P); or consent of instructor.**Course Rules:** Counts as repeat of COMMUN 860 with the same topic.**Last Taught:** Spring 2023, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 913 Advanced Topics in Group Communication:**

3 cr. Graduate.

Theory of and research on emerging issues related to the study and teaching of group communication.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 950 Theory Building in Communication and Culture**

3 cr. Graduate.

The processes of conducting scientific inquiry about communication and culture.

**Prerequisites:** grad st; Commun 750(P); Commun 850(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 971 Meta-Analysis: Practice and Application**

3 cr. Graduate.

Meta-analysis as means of quantitative literature summary for social sciences with application to education and health.

**Prerequisites:** grad st.**Course Rules:** Counts as repeat of Commun 972 w/similar subtitle.**Last Taught:** Fall 2017, Fall 2014, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 972 Advanced Methods in Communication Research:**

3 cr. Graduate.

Multivariate statistical methods. Advanced and emerging new methodologies for communication research.

**Prerequisites:** grad st; Commun 700(P), 701(P), 702(P), 770(P); or cons instr**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Fall 2020, Fall 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 973 Topics in Rhetorical Research:**

3 cr. Graduate.

In-depth examination of a particular area of rhetorical research, with focus on methodologies; students reflect on epistemic, publication, and professional issues.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 9 cr.**Last Taught:** Fall 2023, Fall 2021, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMMUN 990 Research and Thesis**

1-12 cr. Graduate.

Production of a thesis under the supervision of student's major professor with consultation of the degree committee.

**Prerequisites:** grad st & cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 998 Communication Internship**

1-3 cr. Graduate.

Student applies course work in profit or nonprofit setting; synthesizes course and work experience in graded paper.

**Prerequisites:** grad st; 12 grad cr Commun or, for mediation interns, 6 grad cr from Mediation Cert course list; writ cons sponsoring agency or organization; cons supervising faculty member & Commun grad prog dir.

**Course Rules:** Retakable to 3 cr max.

**Last Taught:** Summer 2023, Fall 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMMUN 999 Independent Study**

1-3 cr. Graduate.

Supervised investigation of a particular topic area either not covered by other communication courses or at a level of sophistication beyond that in other courses.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Retakable to 3 cr max for M.A. students, and 9 cr max for Ph.D. students.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Communication Sciences and Disorders (COMSDIS)

**COMSDIS 210 Survey of Communication Disorders**

3 cr. Undergraduate.

A broad overview of speech, language, and hearing disorders. Normal development, adult functions and cultural differences are explored, as well as general approaches to rehabilitation.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 220 Anatomy and Physiology of Speech, Hearing, and Language Mechanisms**

4 cr. Undergraduate.

Structures and functions involved in normal speech, hearing, and language.

**Prerequisites:** Bio Sci 202 (P) or cons instr.

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 230 Introduction to Phonetics**

4 cr. Undergraduate.

Descriptive study of the production and perception of English speech sounds; broad phonetic transcription; introduction to physiological, acoustic, and clinical phonetics.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 240 Normal Speech and Language Development**

3 cr. Undergraduate.

Intensive study of children's speech and language acquisition and research techniques for investigating children's speech and language behavior. Interrelationship with other development areas also discussed.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 245 Client Diversity in Health Sciences: An Interdisciplinary Perspective**

3 cr. Undergraduate.

Interdisciplinary instruction on effective service delivery in the health sciences to culturally diverse individuals and families. Emphasis on the complexity of an individual's cultural identity.

**Prerequisites:** soph st or cons instr.

**Course Rules:** BMS(C L Sci)/ComSDis/HCA/Kin(HMS)/OccThpy/TherRec 245 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 250 Interprofessional Communication in the Health Sciences**

3 cr. Undergraduate.

Introduction to best-practices in interprofessional communication within the Health Sciences; emphasis on patient-provider interactions, regulations, health literacy, and interprofessional communication.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 350 Clinical Process I: Articulation and Phonology Disorders**

3 cr. Undergraduate.

Introduction to the clinical process and its application to the assessment and intervention of articulation and phonology disorders in children.

**Prerequisites:** jr st; admis to major; ComSDis 220(NP), 230(NP), 240(NP).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 351 Clinical Process II: Child Language Disorders**

3 cr. Undergraduate.

The clinical process and its application to the assessment and intervention of language disorders in children.

**Prerequisites:** jr st; admis to major; ComSDis 350(NP).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 380 Bases of Hearing Science**

3 cr. Undergraduate.

Consideration of fundamental physical and psychophysical concepts in hearing science and advanced topics in auditory physiology promoting a basic understanding of hearing and hearing measurement.

**Prerequisites:** ComSDis 220(NP) or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 450 Bases of Fluency and Voice Disorders**

3 cr. Undergraduate.

Overview of the basic requirements for fluent speech and voice production. Also includes an introduction to the disorders of fluency and voice.

**Prerequisites:** jr st; admis to major; ComSDis 220(NP), 230(NP), 240(NP) or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 460 Survey of Adult Neurogenic Language and Speech Disorders**

3 cr. Undergraduate.

Principles and concepts underlying acquired adult neurogenic language and speech disorders. Topics include aphasia, apraxia, dysarthria, dementia, closed head injury, and right hemisphere disorders.

**Prerequisites:** jr st; admis to major; ComSDis 220(NP), 230(NP), 240(NP) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 470 Introduction to Audiology**

3 cr. Undergraduate.

Overview of clinical hearing assessment including principles of assessment, instrumentation and calibration, basic audiometry, interpretation of audiometric results, and hearing disorders. Participation in laboratories required.

**Prerequisites:** jr st; ComSDis 220(NP), 380(NP) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 480 Speech Science**

3 cr. Undergraduate.

Study of anatomic, physiologic, acoustic and perceptual parameters involved in speech production and perception; exposure to instrumentation for clinical application/research.

**Prerequisites:** jr st; admis to major; ComSDis 380 or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 490 Audiologic (Re)Habilitation**

3 cr. Undergraduate.

Study of the fundamentals of (re)habilitative audiology. Includes study of current comprehensive audiologic (re)habilitative approaches with pediatric through geriatric populations.

**Prerequisites:** jr st; ComSDis 470(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 500 Clinical Practice in Speech-Language Pathology:**

3 cr. Undergraduate.

Initial supervised practicum experience with articulation, phonology, and/or child language disorders.

**Prerequisites:** jr st; admis to major; ComSDis 351(P); cons instr.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 520 Counseling in Communication Disorders**

3 cr. Undergraduate/Graduate.

Current theories in counseling and guidance, procedures designed specifically for use with the communicatively impaired. Opportunity for application of knowledge will be provided.

**Prerequisites:** jr st; admis to major or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 520G Counseling in Communication Disorders**

3 cr. Undergraduate/Graduate.

Current theories in counseling and guidance, procedures designed specifically for use with the communicatively impaired. Opportunity for application of knowledge will be provided.

**Prerequisites:** jr st; admis to major or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 579 Special Topics in Communication Sciences and Disorders:**

1-3 cr. Undergraduate/Graduate.

Specific topic and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to max of 6 cr.

**Last Taught:** Summer 2020, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 579G Special Topics in Communication Sciences and Disorders:**

1-3 cr. Undergraduate/Graduate.

Specific topic and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to max of 6 cr.

**Last Taught:** Summer 2020, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 580 Communication Problems of the Older Adult**

3 cr. Undergraduate/Graduate.

Study of the impairments to the communicative process caused by physiological, environmental, and social psychological changes which come with aging.

**Prerequisites:** sr st; ComSDis 460 or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 580G Communication Problems of the Older Adult**

3 cr. Undergraduate/Graduate.

Study of the impairments to the communicative process caused by physiological, environmental, and social psychological changes which come with aging.

**Prerequisites:** sr st; ComSDis 460 or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 620 Craniofacial Disorders**

2 cr. Undergraduate/Graduate.

Genetic, embryological, anatomical and physiological aspects of craniofacial disorders, including cleft lip and palate; associated communicative disorders; diagnostic and therapeutic approaches for related speech-language problems.

**Prerequisites:** ComSDis 350(P), 351(P), 480(P); cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 620G Craniofacial Disorders**

2 cr. Undergraduate/Graduate.

Genetic, embryological, anatomical and physiological aspects of craniofacial disorders, including cleft lip and palate; associated communicative disorders; diagnostic and therapeutic approaches for related speech-language problems.

**Prerequisites:** ComSDis 350(P), 351(P), 480(P); cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 630 Communication Disorders in Multicultural Populations**

2 cr. Undergraduate/Graduate.

Application of theoretical models and research perspectives to the assessment and treatment of communication disorders in children from multicultural populations.

**Prerequisites:** sr st; cons instr.

**Last Taught:** Fall 2008, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 630G Communication Disorders in Multicultural Populations**

2 cr. Undergraduate/Graduate.

Application of theoretical models and research perspectives to the assessment and treatment of communication disorders in children from multicultural populations.

**Prerequisites:** sr st; cons instr.

**Last Taught:** Fall 2008, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 634 Collaborative Consultation/Teaming-Serving Young Children with Disabilities**

3 cr. Undergraduate/Graduate.

Focus on development of collaboration and consultation skills for professionals employed in interdisciplinary and interagency settings.

**Prerequisites:** jr st.

**Course Rules:** ExcEduc 634, Occthy 634, & ComSDis 634 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 634G Collaborative Consultation/Teaming-Serving Young Children with Disabilities**

3 cr. Undergraduate/Graduate.

Focus on development of collaboration and consultation skills for professionals employed in interdisciplinary and interagency settings.

**Prerequisites:** jr st.

**Course Rules:** ExcEduc 634, Occthy 634, & ComSDis 634 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 640 Clinical and Research Instrumentation in Communication Sciences & Disorders**

2 cr. Undergraduate/Graduate.

Hands-on laboratory experience with several clinically practical and non-invasive instrumentation systems for analyzing, monitoring, documenting normal as well as abnormal articulation, voice and prosody.

**Prerequisites:** sr st; ComSDis 480(P); cons instr.

**Last Taught:** Spring 2009, Summer 1988.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 640G Clinical and Research Instrumentation in Communication Sciences & Disorders**

2 cr. Undergraduate/Graduate.

Hands-on laboratory experience with several clinically practical and non-invasive instrumentation systems for analyzing, monitoring, documenting normal as well as abnormal articulation, voice and prosody.

**Prerequisites:** sr st; ComSDis 480(P); cons instr.

**Last Taught:** Spring 2009, Summer 1988.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 650 Communication Assessment and Intervention for Persons with Disabilities**

3 cr. Undergraduate/Graduate.

Application of various theories and models of communication assessment and intervention for persons with severe/profound disabilities.

**Prerequisites:** sr st; cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 650G Communication Assessment and Intervention for Persons with Disabilities**

3 cr. Undergraduate/Graduate.

Application of various theories and models of communication assessment and intervention for persons with severe/profound disabilities.

**Prerequisites:** sr st; cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 660 School-Age Language**

2 cr. Undergraduate/Graduate.

Language disorders in older children and adolescents; application of developmental theory to assessment and intervention.

**Prerequisites:** sr st; cons instr.

**Last Taught:** Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 660G School-Age Language**

2 cr. Undergraduate/Graduate.

Language disorders in older children and adolescents; application of developmental theory to assessment and intervention.

**Prerequisites:** sr st; cons instr.

**Last Taught:** Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 661 The Role of the Speech-language Pathologist in Literacy**

2 cr. Undergraduate/Graduate.

Language theory related to reading and writing disorders. Speech-language pathologist's role in assessment and intervention.

**Prerequisites:** sr st; cons instr.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 661G The Role of the Speech-language Pathologist in Literacy**

2 cr. Undergraduate/Graduate.

Language theory related to reading and writing disorders. Speech-language pathologist's role in assessment and intervention.

**Prerequisites:** sr st; cons instr.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 670 Advanced Procedures in Aural Rehabilitation for the SLP**

3 cr. Undergraduate/Graduate.

Examination of hearing disorders and their impact on speech and language. Audiogram interpretation, treatment of hearing disorders, and aural rehabilitation techniques for B-3 through geriatric populations.

**Prerequisites:** senior standing, COMSDIS 470(P); or consent of instructor.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 670G Advanced Procedures in Aural Rehabilitation for the SLP**

3 cr. Undergraduate/Graduate.

Examination of hearing disorders and their impact on speech and language. Audiogram interpretation, treatment of hearing disorders, and aural rehabilitation techniques for B-3 through geriatric populations.

**Prerequisites:** senior standing, COMSDIS 470(P); or consent of instructor.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 688 Evaluation and Diagnosis in Speech-Language Pathology**

2 cr. Undergraduate/Graduate.

The diagnostic process in speech-language assessment: case histories and interviewing, formal and informal assessment, interpretation of results, and report writing.

**Prerequisites:** sr st; ComSDis 351(P); or cons instr.**Last Taught:** Fall 2023, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 688G Evaluation and Diagnosis in Speech-Language Pathology**

2 cr. Undergraduate/Graduate.

The diagnostic process in speech-language assessment: case histories and interviewing, formal and informal assessment, interpretation of results, and report writing.

**Prerequisites:** sr st; ComSDis 351(P); or cons instr.**Last Taught:** Fall 2023, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 690 Cognitive Communication Disorders in Adults**

2 cr. Undergraduate/Graduate.

Communication disorders related to traumatic brain injury and dementia in adults. Emphasis on neuropathology, symptomatology, assessment, and management.

**Prerequisites:** sr st, ComSDis 460, and cons instr; or grad st.**Last Taught:** Spring 2013, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 690G Cognitive Communication Disorders in Adults**

2 cr. Undergraduate/Graduate.

Communication disorders related to traumatic brain injury and dementia in adults. Emphasis on neuropathology, symptomatology, assessment, and management.

**Prerequisites:** sr st, ComSDis 460, and cons instr; or grad st.**Last Taught:** Spring 2013, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 699 Advanced Independent Study**

1-3 cr. Undergraduate.

Individual program of supervised study.

**Prerequisites:** sr st; cons instr & faculty advisor; completion of advanced independent study form.**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Fall 2017, Spring 2017, Fall 2016, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 701 Research Design and Methods in Communication Sciences and Disorders**

3 cr. Graduate.

Introduction to strategy, design, and methodology in quantitative research; includes considerations in evaluating and understanding components of research articles, and integrating research into clinical practice.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 702 Clinical Phonology and Articulation**

2 cr. Graduate.

Normal and disordered aspects of articulation and phonology. Emphasis on theoretical and practical considerations for clinical assessment and treatment.

**Prerequisites:** grad st; cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 703 Voice Disorders**

2 cr. Graduate.

Diagnosis and treatment of hyperfunctional disorders; psychogenic voice disorders; organic diseases, trauma, and congenital disorders of the larynx; resonance disorders; and alaryngeal speech.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 704 Speech Fluency and Stuttering**

3 cr. Graduate.

Theory and research related to the nature and treatment of stuttering. Discussion of factors important to the clinical management of fluency in children and adults.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 705 Aphasia in Adults**

2 cr. Graduate.

Nature of aphasia and related communication disorders. Study of pertinent diagnostic and prognostic techniques and therapeutic procedures.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2011, Fall 2010, Fall 2009, Fall 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 706 Language Assessment and Intervention**

3 cr. Graduate.

Application of various theoretical models and research perspectives to the assessment and treatment of children with language impairments.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 709 Evaluation and Management of Swallowing Disorders**

3 cr. Graduate.

Study of normal and abnormal swallowing across the lifespan, with emphasis on etiologies, clinical and instrumental evaluation techniques, and management.

**Prerequisites:** grad st; ComSDis 712(P); cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 710 Motor Speech Disorders**

3 cr. Graduate.

Basic neurological substrates of the dysarthrias and apraxia, differential diagnosis and treatment of acquired and developmental communication disorders associated with apraxia and dysarthria.

**Prerequisites:** grad st; ComSDis 703(P) & 712(P).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 711 Applied Speech Science**

3 cr. Graduate.

Advanced study of physiological, acoustical, and perceptual perspectives of normal and abnormal speech production mechanisms; laboratory experience with speech science instrumentation for research/clinical application.

**Prerequisites:** grad st; cons instr.**Course Rules:** Counts as repeat of ComSDis 801.**Last Taught:** Spring 2018, Spring 2017, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 712 Acquired Neurogenic Communication Disorders in Adults**

3 cr. Graduate.

Nature of acquired neurogenic communication disorders, including aphasia, TBI, RHD and dementia. Study of pertinent diagnostic and prognostic techniques and therapeutic procedures.

**Prerequisites:** grad st**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 713 Degenerative Cognitive Communication Disorders in Older Adults**

2 cr. Graduate.

Nature of healthy cognitive aging and cognitive and communicative disorders of dementia. Study of pertinent diagnostic and prognostic techniques and therapeutic procedures.

**Prerequisites:** grad st; cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 715 Assessment and Intervention in Augmentative and Alternative Communication**

3 cr. Graduate.

Application of current research in augmentative and alternative communication (AAC) for assessment, prescription of AAC systems, and intervention planning for individuals with severe communication disorders.

**Prerequisites:** grad st; cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 717 Special Populations in Communication Disorders**

2 cr. Graduate.

Seminar reviewing the current literature on selected populations of individuals with communication disorders and the implications of this literature on clinical practice.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 720 Advanced Clinical Practice in Speech-Language Pathology:**

1-3 cr. Graduate.

Supervised clinical practice with different speech and language problems in children and adults.

**Prerequisites:** graduate standing; consent of instructor.**Course Rules:** Counts as a repeat of COMSDIS 902. Retakable as necessary to fulfill competency requirements. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 721 The Clinical Process**

1 cr. Graduate.

Analysis of the clinical process with application to clients with different speech-language disorders.

**Prerequisites:** grad st**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 724 Advanced Clinical Experiences in Speech-Language Pathology**

1-3 cr. Graduate.

Supervised clinical experience in medical or educational settings.

**Prerequisites:** graduate standing in COMSDIS program and consent of instructor.**Course Rules:** Retakeable to 6 credits max. Satisfactory/Unsatisfactory only.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 725 Speech/Language Services in Educational and Medical Environments**

2 cr. Graduate.

Methods and professional issues related to the speech-language pathologist employed in the educational and medical environments.

**Prerequisites:** grad st, ComSDis 709(C) or cons instr.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 726 Speech-Language Pathology Externship in Medical Environments**

6 cr. Graduate.

Supervised clinical experience in medical and rehabilitation settings.

**Prerequisites:** grad st; COMSDIS 709(P); COMSDIS 725(P); cons instr & grad advisor.**Course Rules:** Counts as a repeat of COMSDIS 903. May be repeated to 12 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 727 Speech-Language Pathology Externship in Educational Environments**

6 cr. Graduate.

Supervised clinical experience in educational environments.

**Prerequisites:** grad st; ComSDis 660(P) or 706(P); ComSDis 725(P); cons instr & grad advisor.**Course Rules:** Counts as repeat of ComSDis 905. May be repeated to 12 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 728 Instrumentation Laboratory**

1 cr. Graduate.

Hands-on experience with speech science instrumentation for analysis of voice, prosody, and resonance.

**Prerequisites:** grad st; ComSDis 703(C) or cons instr.**Course Rules:** Counts as repeat of ComSDis 908.**Last Taught:** Spring 2008, Spring 2007, Fall 2006, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 729 Speech-Language Pathology Internship Course in Medical Environments**

2 cr. Graduate.

Cultivation and enhancement of the critical thinking abilities and collaborative skills of student clinicians within the context of clinical placements. Active analysis, evaluation, and synthesis of clinical scenarios, case studies, internship experiences.

**Prerequisites:** graduate standing, COMSDIS 709(P), and COMSDIS 725(P).**Course Rules:** May be repeated to 4 credit max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 730 Speech-Language Pathology Internship Lab In Medical Environments**

4 cr. Graduate.

Supervised clinical experience in the field of speech language pathology in medical settings.

**Prerequisites:** graduate standing, COMSDIS 709(P), and COMSDIS 725(P).**Course Rules:** Repeatable to 8 cr max. Satisfactory/Unsatisfactory only.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 731 Speech-Language Pathology Internship in Educational Environments**

2 cr. Graduate.

Lecture, analysis, and discussion related to the roles and responsibilities of an educational speech and language pathologist.

**Prerequisites:** graduate standing, COMSDIS 660(P) or COMSDIS 706(P), COMSDIS 725(P), and COMSDIS 732(C); or consent of graduate advisor.**Course Rules:** Repeatable to 4 credit max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 732 Speech Language Pathology Internship Lab in the Education Environment**

4 cr. Graduate.

Supervised clinical experience in educational environments. Correlated with COMSDIS 731.

**Prerequisites:** graduate standing, COMSDIS 660(P) or COMSDIS 706(P), COMSDIS 725(P), and previous completion or concurrent enrollment in COMSDIS 731; or consent of graduate advisor.**Course Rules:** May be repeated to 8 cr max. Satisfactory/Unsatisfactory only.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 770 Clinical Practice in Audiologic Assessment**

3 cr. Graduate.

Supervised clinical experience at Community Audiology Services, West Allis, WI. Activities include audiologic assessment and (re)habilitation with children and adults (adult emphasis).

**Prerequisites:** grad st; ComSDis 670(521); cons instr.**Course Rules:** Counts as repeat of ComSDis 906.**Last Taught:** Spring 2010, Fall 2009, Summer 2009, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 771 Clinical Practice in Audiologic (Re)Habilitation:**

2-3 cr. Graduate.

Supervised experience in audiologic (re)habilitation with pediatric or adult clients at on-campus or community sites.

**Prerequisites:** grad st; ComSDis 670(521) & 706 (for pediatric placements); cons instr.**Course Rules:** Counts as repeat of ComSDis 907. May be repeated to 4 cr max.**Last Taught:** Summer 2020, Fall 2019, Summer 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 784 Professional Portfolio Development I**

1 cr. Graduate.

Students are guided through the second (working) review of their professional development portfolios.

**Prerequisites:** grad st**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 785 Professional Portfolio Development II**

1 cr. Graduate.

Students are guided through the final process of designing a professional development portfolio.

**Prerequisites:** grad st; ComSDis 784(P).**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 790 Research and Thesis**

1-6 cr. Graduate.

Independent research and writing under the supervision of a graduate faculty member.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 791 Research Experience in Communication Sciences and Disorders**

1-3 cr. Graduate.

Supervised research in communication sciences and disorders under the direction of an approved mentor.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 799 Independent Studies**

1-3 cr. Graduate.

Independent pursuit of a creative project designed by the student and supervised by a faculty or instructional academic staff member.

**Prerequisites:** grad st; cons grad advisor.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMSDIS 802 Seminar in Applied Phonology:**

1 cr. Graduate.

Specific topic and any additional prerequisites announced in the Timetable each time the course is offered. May be repeated w/chg in topic to 7 cr max.

**Prerequisites:** grad st; cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 804 Seminar in Stuttering and Fluency:**

1 cr. Graduate.

Specific topic and any additional prerequisites announced in the Timetable each time the course is offered.

**Prerequisites:** grad st; cons instr.

**Course Rules:** May be repeated w/chg in topic to 7 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Summer 2013, Summer 2010, Summer 2008, Spring 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMSDIS 909 Guided Teaching Experience in Health Sciences**

3 cr. Graduate.

This course provides the student, under the supervision of a faculty member, with the opportunity to design, deliver, and evaluate an undergraduate course.

**Prerequisites:** graduate standing, one of the following: ATRAIN 900(P), OCCTHPY 900(P), PRPP 900(P), or PT 900(P), and consent of instructor.

**Course Rules:** Satisfactory/Unsatisfactory only. ATRAIN 909, BMS 909, COMSDIS 909, HCA 909, KIN 909, OCCTHPY 909, PT 909, and PRPP 909 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Comparative Literature (COMPLIT)

**COMPLIT 133 Contemporary Imagination in Literature and the Arts**

3 cr. Undergraduate.

Introduction to comparative literature, focusing on the study of world literatures and their relations to other arts, and to cultural and social currents.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 135 Experiencing Literature in the 21st Century:**

3 cr. Undergraduate.

Critical study of literary forms (e.g. romance, comedy, short story) and their connections with other arts and media, such as cinema, TV, and music.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 199 Independent Study**

1-6 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Summer 2011, Spring 2011, Spring 2010, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 207 Global Literature from Antiquity to the 1600s:**

3 cr. Undergraduate.

Literary analysis through a survey of world literature from antiquity through the 1600s.

**Prerequisites:** none.

**Course Rules:** May not be retaken for cr.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 208 Global Literature from the 17th Century to the Present:**

3 cr. Undergraduate.

Literary analysis through a survey of world literature from the 1600s to the present.

**Prerequisites:** none.

**Course Rules:** May not be retaken for cr.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 230 Literature and Society:**

3 cr. Undergraduate.

Relationships between literature and aspects of society, e.g., philosophical movements; history; gender, race, class, or sexuality.

**Prerequisites:** none.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2020, Spring 2018, Summer 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 231 Literature and Religion:**

3 cr. Undergraduate.

A close study of the interrelationship of literature and religion across a wide historical spectrum.

**Prerequisites:** none.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2021, Fall 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 232 Literature and Politics:**

3 cr. Undergraduate.

Multiple ways literature and politics shape and influence one another, with particular focus on links between literary and political representation.

**Prerequisites:** COMPLIT 133(R).

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2013, Fall 2009, Spring 2008, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 233 Literature and Film:**

3 cr. Undergraduate.

Themes, styles, and ideology in cinematic and literary texts.

**Prerequisites:** none.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2022, Fall 2021, Fall 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 289 Internship in Comparative Literature, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of comparative literature in a business, organizational, educational, political, or other appropriate settings.

**Prerequisites:** CompLit 100- or 200-level course; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 2022, Spring 2022, Fall 2019, Summer 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 1999.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 309 Great Works of Modern Literature:**

3 cr. Undergraduate/Graduate.

Literature of the twentieth and twenty-first centuries, with emphasis on theme, movement, trend, genre, or mode.

**Prerequisites:** jr st; CompLit 207(R) or 208(R).**Course Rules:** May be retaken w/chg in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 309G Great Works of Modern Literature:**

3 cr. Undergraduate/Graduate.

Literature of the twentieth and twenty-first centuries, with emphasis on theme, movement, trend, genre, or mode.

**Prerequisites:** jr st; CompLit 207(R) or 208(R).**Course Rules:** May be retaken w/chg in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 316 World Cinema:**

3 cr. Undergraduate.

National cinemas in first, second, and/or third world nations; relationships among representation, narrative, and social forms.

**Prerequisites:** jr. st or English 290(P); satisfaction of OWC-A.**Course Rules:** Retakable w/chg in topic to 9 cr max. CompLit 316, English 316 & FilmStd 316 are jointly offered; w/same topic, they count as repeats of one another.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 340 Studies in Literary Genres and Modes:**

3 cr. Undergraduate/Graduate.

Literary genres and modes from at least one international cultural context.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 340G Studies in Literary Genres and Modes:**

3 cr. Undergraduate/Graduate.

Literary genres and modes from at least one international cultural context.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 350 Topics in Comparative Literature:**

3 cr. Undergraduate/Graduate.

One or more areas of comparative literature across periods, genres, or regions.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Fall 2020, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 350G Topics in Comparative Literature:**

3 cr. Undergraduate/Graduate.

One or more areas of comparative literature across periods, genres, or regions.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Fall 2020, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 360 Seminar in Literature and Cultural Experience:**

3 cr. Undergraduate/Graduate.

How culture is expressed in literary works with specific emphasis on how dominant and marginalized groups are represented in literature.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 6 cr max.**Last Taught:** Fall 2022, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 360G Seminar in Literature and Cultural Experience:**

3 cr. Undergraduate/Graduate.

How culture is expressed in literary works with specific emphasis on how dominant and marginalized groups are represented in literature.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 6 cr max.**Last Taught:** Fall 2022, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPLIT 365 Literatures and Cultures of the Americas:**

3 cr. Undergraduate/Graduate.

Comparative study of the literatures and cultural expressions of three or more national, ethnic, or linguistic traditions within North and South America and the Caribbean.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2022, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 365G Literatures and Cultures of the Americas:**

3 cr. Undergraduate/Graduate.

Comparative study of the literatures and cultural expressions of three or more national, ethnic, or linguistic traditions within North and South America and the Caribbean.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2022, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 381 Honors Seminar:**

3 cr. Undergraduate.

Critical study of a problem in comparative literary relations.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2021, Spring 2017, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 457 Topics in French and Francophone Studies in Translation:**

3 cr. Undergraduate/Graduate.

Critical reading, lectures, and discussion of important works on a topic, genre, or historical period, with particular emphasis on intellectual and cultural context.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** COMPLIT 457 & FRENCH 457 are jointly offered; they count as repeats of one another. May be retaken with change in topic to 9 cr max.

**Last Taught:** Summer 2020, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 457G Topics in French and Francophone Studies in Translation:**

3 cr. Undergraduate/Graduate.

Critical reading, lectures, and discussion of important works on a topic, genre, or historical period, with particular emphasis on intellectual and cultural context.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** COMPLIT 457 & FRENCH 457 are jointly offered; they count as repeats of one another. May be retaken with change in topic to 9 cr max.

**Last Taught:** Summer 2020, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 461 Film-Fiction Interaction:**

3 cr. Undergraduate/Graduate.

Growth and development of film in conjunction with literary devices (narrative, setting, etc.), novels, plays, biographies, and poetry. Mutual influences of literary and cinematic arts.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 461G Film-Fiction Interaction:**

3 cr. Undergraduate/Graduate.

Growth and development of film in conjunction with literary devices (narrative, setting, etc.), novels, plays, biographies, and poetry. Mutual influences of literary and cinematic arts.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 463 Literary Criticism: Major Authors**

3 cr. Undergraduate/Graduate.

The development of critical theories from Plato to the present.

**Prerequisites:** jr st.

**Last Taught:** Spring 2014, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 463G Literary Criticism: Major Authors**

3 cr. Undergraduate/Graduate.

The development of critical theories from Plato to the present.

**Prerequisites:** jr st.

**Last Taught:** Spring 2014, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 464 Seminar in Comparative Literary Criticism:**

3 cr. Undergraduate/Graduate.

Principles and theories of literary criticism in a given period; major approaches to literature.

**Prerequisites:** jr st, completion of OWC-A; or grad st.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 464G Seminar in Comparative Literary Criticism:**

3 cr. Undergraduate/Graduate.

Principles and theories of literary criticism in a given period; major approaches to literature.

**Prerequisites:** jr st, completion of OWC-A; or grad st.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 489 Internship in Comparative Literature, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of comparative literature in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in CompLit; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Last Taught:** Spring 2017, Fall 2016, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** junior standing and acceptance for Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 2023, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** junior standing and acceptance for Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 2023, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 699 Advanced Independent Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a Complit faculty or instructional academic staff member. For further information, consult Complit prog coord.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 2017, Spring 2017, Summer 2016, Summer 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPLIT 789 Graduate Internship in Comparative Literature**

1-31 cr. Graduate.

Application of advanced principles of comparative literature in a business, organizational, educational, political, cultural, or other appropriate setting. Retakable to 6 cr max.

**Prerequisites:** grad st; 3.0 GPA; cons supervising faculty member.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Computer Science (COMPSCI)

**COMPSCI 101 Introduction to PC Application Software**

3 cr. Undergraduate.

Introduction to software applications of the personal computer, including word processing, desktop publishing, spreadsheets, and databases.

**Prerequisites:** none.

**Course Rules:** Not open to COMPSCI students for credit.

**Last Taught:** Fall 2017, Fall 2016, Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 111 Introduction to Unix**

1 cr. Undergraduate.

Introduction to basic user skills for Unix operating systems. File system structure and access control. Basic user commands. Text editing. Internet utilities.

**Prerequisites:** none.

**Last Taught:** Fall 2010, Fall 2009, Spring 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 112 Introduction to the Internet and the World Wide Web**

3 cr. Undergraduate.

Survey of the technologies that enable common Internet applications and their security/privacy issues. Topics include HTTP, TCP/IP, DNS, email protocols, search engines, encryption, digital signatures and malware.

**Prerequisites:** none.

**Last Taught:** Fall 2012, Fall 2011, Fall 2009, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 113 Introduction to Web Document Production**

3 cr. Undergraduate.

An introduction to the computer languages used in World Wide Web documents. Design principles; techniques for form processing and inclusion of multimedia content.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 132 Introduction to Computers and Programming**

3 cr. Undergraduate.

How computers work; communicating with computers; introductory programming in a high-level language; elementary problem solving.

**Prerequisites:** Level 30 on Math Placement Test or MATH 105(C).

**Last Taught:** Spring 2010, Spring 2009, Fall 2007, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 140 Introduction to the Computer Science Laboratories**

1 cr. Undergraduate.

Survey of the programming tools available in the Computer Science laboratory environment.

**Prerequisites:** COMPSCI 201(C).

**Last Taught:** Fall 2008, Spring 2008, Fall 2007, Spring 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 150 Survey of Computer Science**

3 cr. Undergraduate.

A survey of computer science. Topics include data storage and manipulation, operating systems and networks, algorithms and data structures, programming languages, artificial intelligence, and computability.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of COMPSCI 299 with similar topic.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 151 Introduction to Scientific Programming in Fortran**

3 cr. Undergraduate.

Design and implementation of computer programs in fortran; stress will be placed on applications to different fields of science and engineering.

**Prerequisites:** MATH 231(C) or MATH 226(C).

**Last Taught:** Spring 2020, Spring 2018, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 160 Introduction to Computer Game Design and Programming**

3 cr. Undergraduate.

An overview of computer game history; design concepts and considerations; implementation using a modern software development platform, such as GameMaker.

**Prerequisites:** none.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 202 Introductory Programming Using Python**

3 cr. Undergraduate.

Programming in Python. Basic control structures including recursion. Basic and library data types. Problem solving with objects. Writing classes. Basic software development skills.

**Prerequisites:** Level 30 on Math Placement Test, or a grade of C or better in MATH 105, MATH 108, or MATH 116.

**Course Rules:** Not open for students who have taken COMPSCI 251.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 240 Introduction to Engineering Programming**

3 cr. Undergraduate.

Problem solving with structured programming techniques using an engineering oriented programming language, such as MATLAB, including control structures, functions, arrays and matrices.

**Prerequisites:** Math Placement Level 40 or MATH 116(P).

**Last Taught:** Spring 2022, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 241 C Programming for Embedded Systems**

3 cr. Undergraduate.

Problem solving with structured programming techniques, using the C programming language; Topics include using arrays and pointers, memory management, unions, structures, files and low level IO, and process's and inter-process communication.

**Prerequisites:** a grade of C or better in COMPSCI 202(P), COMPSCI 240(P), or COMPSCI 250(P).

**Last Taught:** Spring 2022, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 250 Introductory Computer Programming**

3 cr. Undergraduate.

Problem solving with structured programming techniques using an object-oriented programming language, including control structures, functions, arrays, vectors, and pre-defined objects.

**Prerequisites:** Math Placement level 30.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 251 Intermediate Computer Programming**

3 cr. Undergraduate.

Problem solving with objects. Writing classes. Use of standard data structures. Basic software development skills including text analysis tools, debugging, and configuration management.

**Prerequisites:** Math Placement Level 40 or 45; or MATH 115(P), MATH 116(P), MATH 211(P), MATH 221(P), or MATH 231(P); and a grade of C or better in COMPSCI 250(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 290 Introductory Topics in Computer Science:**

1-3 cr. Undergraduate.

Lectures on new introductory material in computer science. Variable-content course.

**Prerequisites:** specific courses dependent on topic.

**Course Rules:** May be retaken to max of 6 cr with change in topic.

**Last Taught:** Fall 2017, Spring 2017, Summer 2016, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 315 Introduction to Computer Organization and Assembly Language Programming**

3 cr. Undergraduate.

Introduction to number systems, arithmetic and Boolean operations.

Digital computer organization. A specific computer system, assembly and machine language programming.

**Prerequisites:** Math Placement Level 40 or MATH 116(P) or

MATH 211(P); COMPSCI 250(P).

**Last Taught:** Spring 2022, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 317 Discrete Information Structures**

3 cr. Undergraduate.

Introductory discussion of logic, proof techniques, sets, functions, relations, combinatorics, probability, and graphs.

**Prerequisites:** Math Placement Level of 35 or higher, or a grade of C or better in MATH 115(P), MATH 116(P) or MATH 211(P); and a grade of C or better in COMPSCI 250(P).

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 318 Topics in Discrete Mathematics**

3 cr. Undergraduate.

Number theory topics related to cryptography; discrete structures including graphs, partial orders, Latin squares and block designs; advanced counting techniques.

**Prerequisites:** a grade of C or better in COMPSCI 317(P) or MATH 341(P).

**Course Rules:** COMPSCI 318 and MATH 318 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 337 System Programming**

3 cr. Undergraduate.

Introduction to the application programmer interface for a modern operating system. Overview of mechanisms for object oriented programming and memory management

**Prerequisites:** a grade of C or better in COMPSCI 251(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 351 Data Structures and Algorithms**

3 cr. Undergraduate.

Programming in a structured, high-level, object-oriented language.

Implementation of data structures and algorithms and their application.

**Prerequisites:** Math Placement Level 40 or MATH 116(P) or

MATH 211(P); a grade of C or better in COMPSCI 251(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 361 Introduction to Software Engineering**

3 cr. Undergraduate.

Introduction to core topics of software engineering including requirements analysis, object-oriented design, testing, and project management. Overview of ethical and social issues in computing.

**Prerequisites:** a grade of C or better in COMPSCI 351 (P), satisfaction of GER English Composition competency requirement.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 395 Social, Professional, and Ethical Issues**

3 cr. Undergraduate.

The social, professional and ethical issues that arise in the context of professional computing.

**Prerequisites:** sophomore standing or consent of instructor.

**Last Taught:** Spring 2022, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 411 Machine Learning and Applications**

3 cr. Undergraduate/Graduate.

Important topics and application in machine learning, including deep learning. Provides hands-on experience with machine learning software and libraries.

**Prerequisites:** completion of one of the following: COMPSCI 202(P), COMPSCI 241 (P), or COMPSCI 250(P); or consent of instructor.

**Course Rules:** COMPSCI 411 and ELECENG 411 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 411G Machine Learning and Applications**

3 cr. Undergraduate/Graduate.

Important topics and application in machine learning, including deep learning. Provides hands-on experience with machine learning software and libraries.

**Prerequisites:** completion of one of the following: COMPSCI 202(P), COMPSCI 241 (P), or COMPSCI 250(P); or consent of instructor.

**Course Rules:** COMPSCI 411 and ELECENG 411 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 417 Introduction to the Theory of Computation**

3 cr. Undergraduate/Graduate.

Introduction to formal languages, grammars and automata. Finite state automata, pushdown automata, turing machines. Regular, context-free recursive and recursively enumerable languages. Decidability.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 317(P) or MATH 341(P).

**Last Taught:** Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 417G Introduction to the Theory of Computation**

3 cr. Undergraduate/Graduate.

Introduction to formal languages, grammars and automata. Finite state automata, pushdown automata, turing machines. Regular, context-free recursive and recursively enumerable languages. Decidability.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 317(P) or MATH 341(P).

**Last Taught:** Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 422 Introduction to Artificial Intelligence**

3 cr. Undergraduate/Graduate.

Introduction to core techniques and broad survey of AI. Topics include: Lisp, heuristic search, knowledge representation, planning, vision, learning.

**Prerequisites:** junior standing; a grade of C or better in COMPSCI 317(P) and COMPSCI 351(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 422G Introduction to Artificial Intelligence**

3 cr. Undergraduate/Graduate.

Introduction to core techniques and broad survey of AI. Topics include: Lisp, heuristic search, knowledge representation, planning, vision, learning.

**Prerequisites:** junior standing; a grade of C or better in COMPSCI 317(P) and COMPSCI 351(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 423 Introduction to Natural Language Processing**

3 cr. Undergraduate/Graduate.

Introduction to natural language processing programs and an overview of the field. Topics include syntactic frameworks, parsing, semantics, interpretation, and applications.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 351(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 423G Introduction to Natural Language Processing**

3 cr. Undergraduate/Graduate.

Introduction to natural language processing programs and an overview of the field. Topics include syntactic frameworks, parsing, semantics, interpretation, and applications.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 351(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 425 Introduction to Data Mining**

3 cr. Undergraduate/Graduate.

Algorithms for uncovering useful information from data. Topics include data exploration, association rules, clustering, supervised learning, and mining structured data (e.g., sequences or graphs).

**Prerequisites:** junior standing; COMPSCI 251(P), MATH 221(P) or MATH 232(P).

**Course Rules:** Counts as repeat of COMPSCI 657 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 425G Introduction to Data Mining**

3 cr. Undergraduate/Graduate.

Algorithms for uncovering useful information from data. Topics include data exploration, association rules, clustering, supervised learning, and mining structured data (e.g., sequences or graphs).

**Prerequisites:** junior standing; COMPSCI 251(P), MATH 221(P) or MATH 232(P).

**Course Rules:** Counts as repeat of COMPSCI 657 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 431 Programming Languages Concepts**

3 cr. Undergraduate/Graduate.

Examination of abstract features of languages. Study of syntactic and semantic models; design and programming in procedural, object-oriented, functional and logical languages. Implementation methods.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 351(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 431G Programming Languages Concepts**

3 cr. Undergraduate/Graduate.

Examination of abstract features of languages. Study of syntactic and semantic models; design and programming in procedural, object-oriented, functional and logical languages. Implementation methods.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 351(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 443 Intelligent User Interfaces and Usability Assessment**

3 cr. Undergraduate.

Critical reading and discussion of scientific literature on the principles, methods, and current research in intelligent user interfaces including applications, architectures, and evaluation.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023, Spring 2022, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 444 Introduction to Text Retrieval and Its Applications in Biomedicine**

3 cr. Undergraduate/Graduate.

Introduction to text retrieval, text classification and their biomedical applications; topics include: indexing, query processing, and document retrieval methods.

**Prerequisites:** junior standing; COMPSCI 351(P) or HCA 442(P).

**Course Rules:** COMPSCI 444 and HCA 444 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 444G Introduction to Text Retrieval and Its Applications in Biomedicine**

3 cr. Undergraduate/Graduate.

Introduction to text retrieval, text classification and their biomedical applications; topics include: indexing, query processing, and document retrieval methods.

**Prerequisites:** junior standing; COMPSCI 351(P) or HCA 442(P).

**Course Rules:** COMPSCI 444 and HCA 444 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 458 Computer Architecture**

3 cr. Undergraduate/Graduate.

Processor organization, memory hierarchy, pipelining, computer architectures exploiting instruction/data/thread level parallelism, warehouse scale computers.

**Prerequisites:** sophomore standing and a grade of C or better in COMPSCI 241(P) or COMPSCI 251(P).

**Course Rules:** COMPSCI 458 and ELECENG 458 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 458G Computer Architecture**

3 cr. Undergraduate/Graduate.

Processor organization, memory hierarchy, pipelining, computer architectures exploiting instruction/data/thread level parallelism, warehouse scale computers.

**Prerequisites:** sophomore standing and a grade of C or better in COMPSCI 241(P) or COMPSCI 251(P).

**Course Rules:** COMPSCI 458 and ELECENG 458 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 459 Fundamentals of Computer Graphics**

3 cr. Undergraduate/Graduate.

Scan-line algorithms, object representation, homogeneous coordinates, geometric transformations, viewing curves, illumination models, interactive input methods, texture mapping.

**Prerequisites:** junior standing and COMPSCI 251(P); and MATH 211(P), MATH 213(P), MATH 221(P), or MATH 231(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 459G Fundamentals of Computer Graphics**

3 cr. Undergraduate/Graduate.

Scan-line algorithms, object representation, homogeneous coordinates, geometric transformations, viewing curves, illumination models, interactive input methods, texture mapping.

**Prerequisites:** junior standing and COMPSCI 251(P); and MATH 211(P), MATH 213(P), MATH 221(P), or MATH 231(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 469 Introduction to Computer Security**

3 cr. Undergraduate/Graduate.

Privacy and authenticity of data and programs, communication, operating systems, network and database security, computer viruses, cryptography, private and public key cryptosystems, protocols.

**Prerequisites:** junior standing; a grade of C or better in both COMPSCI 317(P) and COMPSCI 251(P).

**Last Taught:** Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 469G Introduction to Computer Security**

3 cr. Undergraduate/Graduate.

Privacy and authenticity of data and programs, communication, operating systems, network and database security, computer viruses, cryptography, private and public key cryptosystems, protocols.

**Prerequisites:** junior standing; a grade of C or better in both COMPSCI 317(P) and COMPSCI 251(P).

**Last Taught:** Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 481 Server-side Internet Programming**

3 cr. Undergraduate/Graduate.

Introduces students to the concept of server-side programming and web applications development. Topics include dynamic web site development, session management, security, and relational databases.

**Prerequisites:** junior standing; one of COMPSCI 113(P), INFOST 320(P), or ART 324(P); a grade of C or better in COMPSCI 202(P), COMPSCI 361(P) or COMPST 702(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 481G Server-side Internet Programming**

3 cr. Undergraduate/Graduate.

Introduces students to the concept of server-side programming and web applications development. Topics include dynamic web site development, session management, security, and relational databases.

**Prerequisites:** junior standing; one of COMPSCI 113(P), INFOST 320(P), or ART 324(P); a grade of C or better in COMPSCI 202(P), COMPSCI 361(P) or COMPST 702(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 482 Rich Internet Applications**

3 cr. Undergraduate/Graduate.

Create standard-compliant web applications using client-side JavaScript and the Document Object Model.

**Prerequisites:** junior standing; COMPSCI 361(P) or COMPSCI 481(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 482G Rich Internet Applications**

3 cr. Undergraduate/Graduate.

Create standard-compliant web applications using client-side JavaScript and the Document Object Model.

**Prerequisites:** junior standing; COMPSCI 361(P) or COMPSCI 481(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 511 Symbolic Logic**

3 cr. Undergraduate/Graduate.

First-order predicate calculus; formal properties of theoretical systems; chief results of modern mathematical logic; advanced topics such as completeness and computability.

**Prerequisites:** junior standing; PHILOS 212(P) or 6 cr of Math at the 300-level or above; or graduate standing.

**Course Rules:** COMPSCI 511, MATH 511 and PHILOS 511 are jointly offered and count as repeat of each other.

**Last Taught:** Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 511G Symbolic Logic**

3 cr. Undergraduate/Graduate.

First-order predicate calculus; formal properties of theoretical systems; chief results of modern mathematical logic; advanced topics such as completeness and computability.

**Prerequisites:** junior standing; PHILOS 212(P) or 6 cr of Math at the 300-level or above; or graduate standing.

**Course Rules:** COMPSCI 511, MATH 511 and PHILOS 511 are jointly offered and count as repeat of each other.

**Last Taught:** Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 520 Computer Networks**

3 cr. Undergraduate/Graduate.

Layered network architecture, protocols, data transmission, local area networks, multiplexing and switching, routing flow and congestion control, internetworking, wireless networking, network reliability and security.

**Prerequisites:** junior standing; COMPSCI 315(P), COMPSCI 458(P) or ELECENG 367(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 520G Computer Networks**

3 cr. Undergraduate/Graduate.

Layered network architecture, protocols, data transmission, local area networks, multiplexing and switching, routing flow and congestion control, internetworking, wireless networking, network reliability and security.

**Prerequisites:** junior standing; COMPSCI 315(P), COMPSCI 458(P) or ELECENG 367(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 522 Computer Game Design**

3 cr. Undergraduate/Graduate.

Design of rules, environments, rewards, and punishments, Game metrics, Including artificial intelligence in games, Puzzle generation, Automatic design, Humanness test, Influence maps, Diversity, Unpredictability.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 317(P).

**Course Rules:** Counts as repeat of COMPSCI 657 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 522G Computer Game Design**

3 cr. Undergraduate/Graduate.

Design of rules, environments, rewards, and punishments, Game metrics, Including artificial intelligence in games, Puzzle generation, Automatic design, Humanness test, Influence maps, Diversity, Unpredictability.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 317(P).

**Course Rules:** Counts as repeat of COMPSCI 657 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 530 Computer Networks Laboratory**

3 cr. Undergraduate/Graduate.

Experimentation with Wired and Wireless Computer Networks Design. Data Link and MAC Protocols, LANs, WANs, Routing, Transport Layer Protocols, Congestion Control, Network Security, Network Management.

**Prerequisites:** junior standing and COMPSCI 520(P).

**Last Taught:** Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 530G Computer Networks Laboratory**

3 cr. Undergraduate/Graduate.

Experimentation with Wired and Wireless Computer Networks Design. Data Link and MAC Protocols, LANs, WANs, Routing, Transport Layer Protocols, Congestion Control, Network Security, Network Management.

**Prerequisites:** junior standing and COMPSCI 520(P).

**Last Taught:** Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 535 Algorithm Design and Analysis**

3 cr. Undergraduate/Graduate.

Introduction to abstract data structures, analysis of time and space requirements of numerical and non-numerical algorithms methods for data manipulation.

**Prerequisites:** junior standing; MATH 211(P), MATH 213(P), MATH 221(P) or MATH 231(P); a grade of C or better in COMPSCI 351(P) and COMPSCI 317(P); or MATH 341(P) and MTHSTAT 361(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 535G Algorithm Design and Analysis**

3 cr. Undergraduate/Graduate.

Introduction to abstract data structures, analysis of time and space requirements of numerical and non-numerical algorithms methods for data manipulation.

**Prerequisites:** junior standing; MATH 211(P), MATH 213(P), MATH 221(P) or MATH 231(P); a grade of C or better in COMPSCI 351(P) and COMPSCI 317(P); or MATH 341(P) and MTHSTAT 361(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 536 Software Engineering**

3 cr. Undergraduate/Graduate.

Software engineering, the software life cycle, qualities of software; design, specification and verification of software, programming environments and tools, object oriented programming.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 251(P).

**Last Taught:** Spring 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 536G Software Engineering**

3 cr. Undergraduate/Graduate.

Software engineering, the software life cycle, qualities of software; design, specification and verification of software, programming environments and tools, object oriented programming.

**Prerequisites:** junior standing and a grade of C or better in COMPSCI 251(P).

**Last Taught:** Spring 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 537 Introduction to Operating Systems**

3 cr. Undergraduate/Graduate.

Process management including process creation, switching, multithreading, scheduling, communication and concurrency control; memory management including paging, segmentation and virtual memory; systems programming.

**Prerequisites:** junior standing; COMPSCI 337(P); and COMPSCI 458(C) or ELECENG 458(C).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 537G Introduction to Operating Systems**

3 cr. Undergraduate/Graduate.

Process management including process creation, switching, multithreading, scheduling, communication and concurrency control; memory management including paging, segmentation and virtual memory; systems programming.

**Prerequisites:** junior standing; COMPSCI 337(P); and COMPSCI 458(C) or ELECENG 458(C).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 545 FPGA Embedded CPUs & Firmware Development**

3 cr. Undergraduate/Graduate.

Use of modern embedded system central processor units (CPUs) with integrated field-programmable gate arrays (FPGAs). Design and implementation of firmware for these devices.

**Prerequisites:** junior standing, ELECENG 367(P) and ELECENG 457(P).

**Course Rules:** COMPSCI 545 and ELECENG 545 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 545G FPGA Embedded CPUs & Firmware Development**

3 cr. Undergraduate/Graduate.

Use of modern embedded system central processor units (CPUs) with integrated field-programmable gate arrays (FPGAs). Design and implementation of firmware for these devices.

**Prerequisites:** junior standing, ELECENG 367(P) and ELECENG 457(P).

**Course Rules:** COMPSCI 545 and ELECENG 545 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 547 User-Centered Interaction Design**

3 cr. Undergraduate/Graduate.

Introduction of human-computer interaction theories and design processes. Emphasis is on applied user experience (UX) design.

**Prerequisites:** senior standing.

**Course Rules:** COMPSCI 547 and INFOST 547 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 547G User-Centered Interaction Design**

3 cr. Undergraduate/Graduate.

Introduction of human-computer interaction theories and design processes. Emphasis is on applied user experience (UX) design.

**Prerequisites:** senior standing.

**Course Rules:** COMPSCI 547 and INFOST 547 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 552 Advanced Object-Oriented Programming**

3 cr. Undergraduate/Graduate.

An advanced course in object-oriented programming. Abstraction; single and multiple inheritance; dynamic binding of functions; polymorphic types and operators; survey of object-oriented techniques.

**Prerequisites:** junior standing and a grade of C or better in both COMPSCI 351(P) and COMPSCI 361(P).

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 552G Advanced Object-Oriented Programming**

3 cr. Undergraduate/Graduate.

An advanced course in object-oriented programming. Abstraction; single and multiple inheritance; dynamic binding of functions; polymorphic types and operators; survey of object-oriented techniques.

**Prerequisites:** junior standing and a grade of C or better in both COMPSCI 351(P) and COMPSCI 361(P).

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 557 Introduction to Database Systems**

3 cr. Undergraduate/Graduate.

General database system concepts. Physical data organization. Data models and database systems. Database design theory. Query optimization. Transaction management. Logic and database.

**Prerequisites:** junior standing and COMPSCI 251(P) or equivalent.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 557G Introduction to Database Systems**

3 cr. Undergraduate/Graduate.

General database system concepts. Physical data organization. Data models and database systems. Database design theory. Query optimization. Transaction management. Logic and database.

**Prerequisites:** junior standing and COMPSCI 251(P) or equivalent.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 581 Web Languages and Standards**

3 cr. Undergraduate.

Introduction to languages and standards for Web applications, including markup, schema, style, transformation, and metadata languages. Document programming interfaces. Emphasis on programming language principles.

**Prerequisites:** junior standing; COMPSCI 431(P); COMPSCI 417(R).

**Last Taught:** Spring 2009, Spring 2007, Fall 2005, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 594 Capstone Project Preparation**

1 cr. Undergraduate.

Student teams will develop requirements and functionality specifications for their capstone projects and conduct the necessary research on the prior art and technologies to be used.

**Prerequisites:** senior standing.

**Course Rules:** Meant to be taken in the semester immediately prior to the one in which the student will take COMPSCI 595.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 595 Capstone Project**

3 cr. Undergraduate.

Students will integrate their knowledge of the undergraduate computer science curriculum by implementing a significant computer science team project.

**Prerequisites:** senior standing, COMPSCI 351(P), COMPSCI 361(P), COMPSCI 594(P) and credit in at least 6 credits of 400 or higher COMPSCI or ELECENG courses.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 599 Senior Thesis**

3 cr. Undergraduate.

Independent scholarly research in Computer Science supervised by a faculty member.

**Prerequisites:** senior standing and consent of instructor.

**Last Taught:** Fall 2021, Spring 2019, Spring 2018, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 620 Undergraduate Seminar in Algorithms:**

1 cr. Undergraduate.

Variable topics seminar in algorithms.

**Prerequisites:** COMPSCI 535(P).

**Course Rules:** Retakable to 6 cr max with change in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 654 Introduction to Compilers**

3 cr. Undergraduate.

Fundamentals of compiler construction for modern programming languages. Syntax analysis, table organization, storage administration, semantic routines and code generation

**Prerequisites:** junior standing, COMPSCI 431(P), and COMPSCI 655(C).

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 655 Compiler Implementation Laboratory**

3 cr. Undergraduate/Graduate.

Implementation of compiler phases: scanner, parser, semantic analysis; code generation and optimization.

**Prerequisites:** Prereq. junior standing, COMPSCI 431(P); COMPSCI 654(C) or COMPSCI 754(C).

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 655G Compiler Implementation Laboratory**

3 cr. Undergraduate/Graduate.

Implementation of compiler phases: scanner, parser, semantic analysis; code generation and optimization.

**Prerequisites:** Prereq. junior standing, COMPSCI 431(P); COMPSCI 654(C) or COMPSCI 754(C).

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 657 Topics in Computer Science:**

1-4 cr. Undergraduate/Graduate.

Lectures on recent advances in computer science. Specific credits and any additional prerequisites will be announced in Schedule of Classes whenever course is offered.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 657G Topics in Computer Science:**

1-4 cr. Undergraduate/Graduate.

Lectures on recent advances in computer science. Specific credits and any additional prerequisites will be announced in Schedule of Classes whenever course is offered.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 658 Topics in Applied Computing:**

1-4 cr. Undergraduate.

Lectures on recent advances in applied computing. Specific credits and any additional prerequisites will be announced in Schedule of Classes whenever course is offered.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2021, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 699 Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken to max of 6 cr by undergraduates.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 699G Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken to max of 6 cr by undergraduates.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 700 CEAS Graduate Seminar**

1-3 cr. Graduate.

Seminar in professional ethics, oral and written communication, contemporary social issues, career development, time management, and laboratory safety.

**Prerequisites:** graduate standing.

**Course Rules:** CIV ENG 700, COMPSCI 700, ELECENG 700, IND ENG 700, MATLENG 700 and MECHENG 700 are jointly offered and count as repeats of one another

**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 704 Analysis of Algorithms**

3 cr. Graduate.

Introduction to concrete complexity theory and efficient algorithms. Fast data structure and graph algorithms, matrix multiplication, algebraic and numeric algorithms, reducibilities and np-completeness. Exponential and non-elementary lower bounds.

**Prerequisites:** graduate standing, COMPSCI 217(P) and COMPSCI 535(P).

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 708 Scientific Computing**

3 cr. Graduate.

Fundamental algorithms and practical issues of scientific computing, including Monte Carlo simulations, data fitting, fast Fourier transform, optimization, numerical integration & differentiation, parallel computing, selected biomedical applications.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2020, Fall 2018, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 710 Artificial Intelligence**

3 cr. Graduate.

AI programming, search techniques game playing, knowledge representation, knowledge acquisition, expert systems, selected topics from learning. Natural language understanding, vision and robotics.

**Prerequisites:** graduate standing, COMPSCI 351 or COMPST 751, and COMPSCI 535(P).

**Course Rules:** COMPSCI 710 and ELECENG 710 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2021, Fall 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 711 Introduction to Machine Learning**

3 cr. Graduate.

Introduction to machine learning techniques and applications, including optimal classification, regression, support vector machines, boosting, deep learning, and clustering.

**Prerequisites:** graduate standing.

**Course Rules:** COMPSCI 711 and ELECENG 711 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 712 Image Processing**

3 cr. Graduate.

This course covers the materials required to process and enhance photographic images, remote sensor multispectral scanner data and others. Topics include transform techniques, recorders, discriminate function, and associated hardware.

**Prerequisites:** graduate standing.

**Course Rules:** COMPSCI 712 and ELECENG 712 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 714 Computational Geometry**

3 cr. Graduate.

Special data structures and algorithmic techniques for representing and manipulating geometric objects, such as points, lines and polygons. Applications to vlsi design and robotics.

**Prerequisites:** graduate standing and COMPSCI 535(P).

**Last Taught:** Fall 2012, Spring 2010, Fall 2006, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 715 Programming for Machine Learning**

3 cr. Graduate.

Introduction of Python for machine learning. including Python constructs, imperative, functional, and object-oriented programming using Python, Python's concurrency models, and its applications in machine learning and scientific computing.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 718 Advanced Computer Graphics: Modeling and Animation**

3 cr. Graduate.

Advanced graphics topics on mesh processing, illumination models, ray-tracing, and volumetric data visualization; popular animation approaches such as keyframes, particles, fluids and rigid bodies.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2021, Spring 2019, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 720 Computational Models of Decision Making**

3 cr. Graduate.

Theoretical foundations and practical problems of formulating and constructing computational models of decision making.

**Prerequisites:** basic course in Probability or Statistics.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 722 Artificial Intelligence Planning Techniques**

3 cr. Graduate.

Algorithms and representations for classical and more expressive planning, search control techniques, study and comparison of a variety of planners, applications of planning.

**Prerequisites:** graduate standing and COMPSCI 535(P).

**Last Taught:** Fall 2011, Spring 2008, Spring 2006, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 723 Natural Language Processing**

3 cr. Graduate.

Principles and problems of natural language processing with emphasis on recent advances and open problems. Topics: lexicons, parsing, interpretation, discourse structure, generation, and collaborative interfaces.

**Prerequisites:** graduate standing and COMPSCI 351 or COMPST 751.

**Course Rules:** Not open to students with credit in COMPSCI 423.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 724 Distributed Algorithms**

3 cr. Graduate.

Identification of canonical problems in distributed computing, design and analysis of algorithms to solve these problems. Formal proof techniques and impossibility results.

**Prerequisites:** graduate standing and COMPSCI 517(P), COMPSCI 535(P), or COMPSCI 523(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 725 Robot Motion Planning**

3 cr. Graduate.

Configuration space, C-obstacles, sampling-based algorithms, potential fields, coverage, hierarchical motion planning, human control, relaxation, moving or deformable obstacles, multirobot motion planning, metrics, outdoor planning.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 729 Real-Time Operating Systems**

3 cr. Graduate.

Fundamentals of real-time operating systems with emphasis on scheduling and resource management.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2017, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 730 Advanced Computer Networks**

3 cr. Graduate.

Network architecture, protocols, routing, congestion control, traffic management, ATM, optical networks, TCP/IP, LANs, WANs, QOS, wireless and mobile networks, mobility management, security, multimedia, network management.

**Prerequisites:** COMPSCI 520(P).

**Last Taught:** Fall 2019, Fall 2014, Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 732 Type Systems for Programming Languages**

3 cr. Graduate.

Lambda calculus, simple types, record types, subtypes, polymorphic types, type reconstruction, universal types, bounded quantification, higher-order types.

**Prerequisites:** graduate standing and COMPSCI 431(P).

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 737 Software Project Management**

3 cr. Graduate.

Concepts and techniques for management of large software projects. Life cycle models; team organization; cost estimation and budgeting; schedule and risk management; software metrics.

**Prerequisites:** graduate standing and COMPSCI 361(P) or equivalent.

**Last Taught:** Spring 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 738 Program Analysis for Software Engineering**

3 cr. Graduate.

Static techniques for determining run-time properties of a program: data-flow analysis, abstract interpretation.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023, Spring 2021, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 743 Intelligent User Interfaces**

3 cr. Graduate.

Principles, methods, and current research in intelligent user interfaces including applications, architectures, knowledge representation, and evaluation.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Spring 2022, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 744 Text Retrieval and Its Applications in Biomedicine**

3 cr. Graduate.

Fundamental issues and current research in text retrieval, text classification and their biomedical applications; programming and use of indexing, query processing, and document retrieval methods.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** COMPSCI 744 and HI 744 are jointly offered and count as repeats of one another. Not open to students who have cr in COMPSCI 744, COMPSCI 444 or HCA 444.

**Last Taught:** Fall 2021, Spring 2020, Fall 2018, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 747 Principles & Practices of User Interface Design**

3 cr. Graduate.

Principles and practices of user interface design for desktop, web, and mobile applications: interaction principles; UI design elements; user-centered design process and practices.

**Prerequisites:** graduate standing.**Last Taught:** Spring 2016, Spring 2014, Spring 2012, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 754 Compiler Construction and Theory**

3 cr. Graduate.

Fundamentals of compiler construction for modern programming languages. Syntax analysis, table organization, storage administration, semantic routines and code generation.

**Prerequisites:** graduate standing.**Course Rules:** Not open to students with credit in COMPSCI 654.**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 755 Information and Coding Theory**

3 cr. Graduate.

Information measures, entropy, source coding, Shannon's theorems, channel capacity, error correcting codes, linear codes, convolutional codes, arithmetic codes, encoding and decoding algorithms.

**Prerequisites:** graduate standing.**Course Rules:** COMPSCI 755 and ELECENG 755 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 757 Data Base Organization and File Structure**

3 cr. Graduate.

Introduction to automatic information organization and retrieval. Dictionary construction and operation, statistical and syntactic operations, performance evaluation of retrieval systems, design of query languages, models of database systems, database security.

**Prerequisites:** graduate standing; COMPSCI 217(P) and COMPSCI 535(P).**Last Taught:** Spring 2014, Fall 2011, Spring 2010, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 758 Advanced Computer Architecture**

3 cr. Graduate.

Advanced topics in computer architecture including pipeline processing, multiple and parallel processing systems, performance enhancement issues and vlsi computing structures.

**Prerequisites:** graduate standing and COMPSCI 458(NP) or ELECENG 458(NP).**Course Rules:** COMPSCI 758 and ELECENG 758 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2013, Fall 1997, Fall 1995, Spring 1994.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 759 Data Security**

3 cr. Graduate.

Protection of data in computer and communication systems, cryptography, classical one key and public key cryptosystems, database protection, operating system security.

**Prerequisites:** graduate standing and COMPSCI 317(P).**Last Taught:** Spring 2019, Spring 2018, Spring 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 760 Computer Systems Performance Evaluation**

3 cr. Graduate.

Performance measurement and tools, workload characterization, markov models, queueing theory, simulation, benchmarks, data analysis, parallel systems performance analysis.

**Prerequisites:** graduate standing, COMPSC 458(P) or ELECENG 458(P).**Course Rules:** COMPSCI 760 and ELECENG 760 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2017, Fall 2016, Fall 2014, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 761 Software Testing and Verification**

3 cr. Graduate.

Software testing techniques: test case generation, test oracles, regression testing, structural testing, test coverage, mutation testing, and model-based testing. Testing for object-oriented and distributed software. Security testing.

**Prerequisites:** graduate standing and COMPSCI 361(P) or equivalent.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 762 Fault-Tolerant Computing**

3 cr. Graduate.

Faults in digital circuits, fault detection, fault location, system reconfiguration or repair, system recovery, design for testability, self-checking circuits, fault-tolerant interconnection networks, systems level fault-diagnosis, fault-tolerant software.

**Prerequisites:** graduate standing and ELECENG 354(P).**Course Rules:** Not open to students with cr for ELECENG 762.**Last Taught:** Spring 2002, Spring 2000, Spring 1997, Spring 1995.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 780 Multimedia Systems**

3 cr. Graduate.

Survey of principles and applications of multimedia computer systems. Media fundamentals. Networking, architecture, software engineering, and user interface issues.

**Prerequisites:** COMPSCI 537(P).**Last Taught:** Spring 2015, Spring 2010, Spring 2005, Fall 2001.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 790 Advanced Topics in Computer Science:**

3 cr. Graduate.

Discussion of special advanced topics in theoretical as well as applied areas in computer science.

**Prerequisites:** graduate standing. Additional prerequisites may be required for scheduled topics and will be published in the Schedule of Classes.**Course Rules:** Retakable with change in topic to 9 cr max. Specific topics may be combined with the curricular code PHILOS.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPSCI 805 Randomized Algorithms; Pseudorandom Numbers**

3 cr. Graduate.

Probabilistic algorithms in number theory, combinatorics, graph theory, and computational geometry. Sorting and searching. Applications to parallel computation. Interactive proofs. Derandomization of algorithms.

**Prerequisites:** COMPSCI 704(P) and COMPSCI 523(R).**Last Taught:** Fall 2013, Fall 2010, Spring 2007, Fall 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 810 Knowledge Representation**

3 cr. Graduate.

Study of the design and properties of formalisms for representing knowledge in computational systems. Topics include: first-order logic, nonmonotonic logic, uncertainty, time, space, beliefs, plans.

**Prerequisites:** graduate standing and COMPSCI 710(P).

**Last Taught:** Fall 2014, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 811 Advanced Machine Learning**

3 cr. Graduate.

Advanced topics and applications in machine learning, including deep learning, recurrent neural networks, EM algorithm and clustering, reinforcement learning, Markov models and MCMC, and variational inference.

**Prerequisites:** ELECENG 711(P) or ELECENG 420(P) and COMPSCI 411(P); or consent of instructor.

**Course Rules:** COMPSCI 811 and ELECENG 811 are jointly offered and count as repeats of one another; they also count as a repeat of COMPSCI 890 or ELECENG 890 with similar topic 'Advanced Machine Learning'.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 854 Advanced Compiler Techniques**

3 cr. Graduate.

Details of compiler construction: syntax theory, attribute grammars, implementing advanced language features, optimization

**Prerequisites:** graduate standing and COMPSCI 654(P) or COMPSCI 754(P).

**Last Taught:** Fall 2018, Fall 2015, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 859 Advanced Cryptography and Security Protocols**

3 cr. Graduate.

Elliptic curve cryptography, AES, cryptanalysis, secret sharing, zero knowledge proofs, provable security.

**Prerequisites:** graduate standing; COMPSCI 469(P) and COMPSCI 535(P); or COMPSCI 759(P).

**Last Taught:** Spring 2012, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 870 Medical Informatics Seminar**

1 cr. Graduate.

Presentations by medical informatics affiliated faculty and invited speakers. Graduate students may present their work or published research from recent medical informatics journals or conferences.

**Prerequisites:** graduate standing.

**Course Rules:** Meets once every two weeks for 100 minutes.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 880 Bioengineering Seminar**

1 cr. Graduate.

Presentations by bioengineering affiliated faculty, invited speakers, and graduate students.

**Prerequisites:** graduate standing.

**Course Rules:** CIV ENG 880, COMPSCI 880, ELECENG 880, IND ENG 880, MATLENG 880, and MECHENG 880 are jointly offered and count as repeats of one another. May be repeated to 3 cr max.

**Last Taught:** Spring 2015, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 990 Masters Thesis**

1-4 cr. Graduate.

Masters Thesis.

**Prerequisites:** graduate standing; consent of instructor.

**Course Rules:** Repeatable. Students may not enroll in more than 4 credits per term.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 995 Master's Capstone Project**

1-3 cr. Graduate.

Independent project supervised by student's adviser

**Prerequisites:** graduate standing, consent of instructor and graduate program committee.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 998 Doctoral Thesis**

1-12 cr. Graduate.

**Prerequisites:** graduate standing, consent of instructor and graduate program committee.

**Course Rules:** Repeatable.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPSCI 999 Advanced Independent Study**

1-3 cr. Graduate.

**Prerequisites:** graduate standing, consent of instructor and graduate program committee.

**Course Rules:** Repeatable to 15 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Computer Studies (COMPST)

**COMPST 701 Computing Fundamentals for IT Professionals**

3 cr. Graduate.

A survey of computer science fundamentals. Topics include data storage and manipulation, operating systems and networks, algorithms and data structures, programming languages, artificial intelligence, parallel computing, and computability.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COMPST 702 Introductory Programming Using Python**

3 cr. Graduate.

Programming in Python. Basic control structures including recursion. Basic and library data types. Problem solving with objects. Writing classes. Basic software development skills.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPST 703 Software Development Life Cycle**

3 cr. Graduate.

Introduction to core topics of the software development life cycle including requirements analysis, object-oriented design, testing, maintenance and project management. Overview of ethical and social issues in computing.

**Prerequisites:** COMPSCI 701(P) or equivalent.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPST 750 Problem Solving with Object-Oriented Programming**

3 cr. Graduate.

Problem solving with object-oriented programming language. Topics include arrays, strings, classes, standard data structures, graphical user interfaces, exceptions, files, debugging, and configuration management.

**Prerequisites:** Previous programming experience such as COMPSCI 702(P), COMPSCI 240(P), or COMPSCI 250(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPST 751 Data Structures and Algorithms**

3 cr. Graduate.

Programming in a structured, high-level, object-oriented language. Implementation of data structures and algorithms and their application.

**Prerequisites:** COMPST 750(P); COMPSCI 251(R).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COMPST 790 Advanced Topics in Computer Studies:**

3-9 cr. Graduate.

Discussion of special advanced topics in the study of computing. Retakable with change in topic to 9 cr max.

**Prerequisites:** grad st; add'l prereqs depending on topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Conservation and Environmental Sciences (CES)

**CES 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** Retakable to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 210 Introduction to Conservation and Environmental Science**

3 cr. Undergraduate.

Relations between human populations and resource depletion, pollution and ecosystem disturbance; search for solutions. Discussion section includes some community activities with environmental organization. 2 hrs lec, 1 hr dis

**Prerequisites:** none.**General Education Requirements:** NS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 289 Internship in Environmental Studies, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of environmental studies in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in CES; 2.50 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. Retakable to 6 cr max.**Last Taught:** Fall 2023, Fall 2021, Spring 2011, Summer 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM-sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Fall 2022, Spring 2022, Fall 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Spring 1984.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 451 Field Methods in Conservation**

3 cr. Undergraduate/Graduate.

Introduction to methods, techniques and tools for natural area management, including plant/animal surveys, vegetation/habitat description, and incorporating hands-on experience. 2 hr lec, 3 hrs lab.

**Prerequisites:** jr st; Bio Sci 310(P) or equiv or cons instr.**Course Rules:** Jointly offered with and counts as repeat of Bio Sci 451.**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 451G Field Methods in Conservation**

3 cr. Undergraduate/Graduate.

Introduction to methods, techniques and tools for natural area management, including plant/animal surveys, vegetation/habitat description, and incorporating hands-on experience. 2 hr lec, 3 hrs lab.

**Prerequisites:** jr st; Bio Sci 310(P) or equiv or cons instr.**Course Rules:** Jointly offered with and counts as repeat of Bio Sci 451.**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CES 461 The Politics and Policy of Sustainability**

3 cr. Undergraduate/Graduate.

Principles of environmental policy, governance, and management for global sustainability.

**Prerequisites:** junior standing; CES 210(P) or consent of instructor.**Course Rules:** CES 461, FRSHWTR 461, & GLOBAL 461 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 461G The Politics and Policy of Sustainability**

3 cr. Undergraduate/Graduate.

Principles of environmental policy, governance, and management for global sustainability.

**Prerequisites:** junior standing; CES 210(P) or consent of instructor.**Course Rules:** CES 461, FRSHWTR 461, & GLOBAL 461 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 471 Practicum in Natural Resources Management**

4 cr. Undergraduate/Graduate.

Preparation and presentation of a natural resource or environmental management plan for a real-world client. 3 hrs lec, 1 hr dis.

**Prerequisites:** sr st; Bio Sci 310(P); declared CES major; or cons instr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 471G Practicum in Natural Resources Management**

4 cr. Undergraduate/Graduate.

Preparation and presentation of a natural resource or environmental management plan for a real-world client. 3 hrs lec, 1 hr dis.

**Prerequisites:** sr st; Bio Sci 310(P); declared CES major; or cons instr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 489 Internship in Environmental Studies, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of environmental studies in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Conservation & Environmental Sciences; 2.5 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. Retakable to 6 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Spring 2023, Fall 2019, Fall 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Spring 2016, Fall 2015, Fall 2014, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 515 Environmental Law for Natural Resource Managers**

3 cr. Undergraduate/Graduate.

Overview of United States environmental and natural resource law.

**Prerequisites:** jr st or cons instr.**Course Rules:** Counts as repeat of CES 499 with same topic.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 515G Environmental Law for Natural Resource Managers**

3 cr. Undergraduate/Graduate.

Overview of United States environmental and natural resource law.

**Prerequisites:** jr st or cons instr.**Course Rules:** Counts as repeat of CES 499 with same topic.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 550 Introduction to Science Interpretation**

3 cr. Undergraduate/Graduate.

Concepts and practices of presenting science information for audience understanding of impact of science on daily life. Interpretation techniques for science content in nonformal settings.

**Prerequisites:** jr st; CES 210(P) or cons instr.**Last Taught:** UWinterIM 2017, UWinterIM 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 550G Introduction to Science Interpretation**

3 cr. Undergraduate/Graduate.

Concepts and practices of presenting science information for audience understanding of impact of science on daily life. Interpretation techniques for science content in nonformal settings.

**Prerequisites:** jr st; CES 210(P) or cons instr.**Last Taught:** UWinterIM 2017, UWinterIM 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 651 Principles of Stream Management and Restoration**

3 cr. Undergraduate/Graduate.

Stream management and restoration, open-channel hydraulics, stream geomorphology, stable channel design, sediment transport, and in-stream aquatic ecology and riparian corridor habitats.

**Prerequisites:** jr st; Bio Sci 310(P) or equiv; Math 211(P) or equiv; or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CES 651G Principles of Stream Management and Restoration**

3 cr. Undergraduate/Graduate.

Stream management and restoration, open-channel hydraulics, stream geomorphology, stable channel design, sediment transport, and in-stream aquatic ecology and riparian corridor habitats.

**Prerequisites:** jr st; Bio Sci 310(P) or equiv; Math 211(P) or equiv; or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CES 699 Advanced Independent Study**

1-3 cr. Undergraduate.

Advanced level independent work under the supervision of CES faculty or academic staff member.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** Retakable with change in topic to 9 cr max.

**Last Taught:** Fall 2022, Spring 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Counseling (COUNS)

**COUNS 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** cons instr; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 403 Overview of Counseling Skills**

3 cr. Undergraduate.

An applied course which introduces students to the basic interpersonal skills required in the counseling process. Designed for students interested in counseling and related fields.

**Prerequisites:** jr st

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st, cons instr, acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st, cons instr, acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 579 Current Topics in Counseling:**

1-3 cr. Undergraduate/Graduate.

Specific topic and prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Fall 1996, Summer 1992.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 579G Current Topics in Counseling:**

1-3 cr. Undergraduate/Graduate.

Specific topic and prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Fall 1996, Summer 1992.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 600 Introduction to Clinical Mental Health Counseling**

3 cr. Undergraduate/Graduate.

Survey of history of counseling; systems of counseling; credentialing in community counseling, counseling techniques; behavior modification and behavioral counseling; group processes in counseling.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 600G Introduction to Clinical Mental Health Counseling**

3 cr. Undergraduate/Graduate.

Survey of history of counseling; systems of counseling; credentialing in community counseling, counseling techniques; behavior modification and behavioral counseling; group processes in counseling.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 602 Introduction to School Counseling**

3 cr. Undergraduate/Graduate.

Survey of history of school counseling, counseling techniques, systems of counseling, group counseling in schools.

**Prerequisites:** jr st

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 602G Introduction to School Counseling**

3 cr. Undergraduate/Graduate.

Survey of history of school counseling, counseling techniques, systems of counseling, group counseling in schools.

**Prerequisites:** jr st

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 701 Psychosocial Aspects of Disability in Rehabilitation Counseling**

3 cr. Graduate.

Psychological adjustment to disabling conditions by clients and families; case management practices with non-physical disabilities; substance abuse among persons with disabilities.

**Prerequisites:** grad st; Couns 601(C)

**Last Taught:** Spring 2008, Spring 2007, Spring 2006, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 702 Neuroscience and Medical Aspects of Counseling**

3 cr. Graduate.

Neuroscience and medical practices related to emotional and behavioral conditions with emphasis on appropriate intervention strategies.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 704 Multicultural Mental Health Guidelines and Ethics Overview**

3 cr. Graduate.

Basic concepts in multicultural psychology and how they interact to shape the individual.

**Prerequisites:** grad st**Last Taught:** Fall 2016, Fall 2015, Summer 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 705 Multicultural Practice: Awareness and Knowledge of Others**

3 cr. Graduate.

Understanding and knowledge related to mental health practices of individuals from diverse cultural groups.

**Prerequisites:** grad st; Couns 704**Last Taught:** Spring 2017, Spring 2015, Spring 2014, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 710 Counseling: Theory and Issues**

3 cr. Graduate.

Counseling theories and issues, associated research, and application of theory to counseling practice.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 711 Foundations in Career Development**

3 cr. Graduate.

Educational, psychological, and sociological bases for career development; evolution of career development research; consideration and application of educational-occupational-social information through individual and group counseling approaches.

**Prerequisites:** grad st.**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 714 Essentials of Counseling Practice**

3 cr. Graduate.

Experience and practice in basic counseling skills related to the helping process. Analysis of barriers and hazards in the counseling process.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 715 Multicultural Counseling**

3 cr. Graduate.

Understanding the impact of culture on behavior and how to use that knowledge to increase effectiveness in counseling individuals from other cultures.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 740 Multicultural Mental Health Guidelines for Working with Latinos**

3 cr. Graduate.

Information about the Hispanic/Latino population in the U.S. through concepts such as identity, acculturation, language, family values, religion, gender, and social class.

**Prerequisites:** grad st; Couns 704 & 705 (P)**Last Taught:** Spring 2017, Spring 2015, Spring 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 741 Multicultural Mental Health Guidelines for Working with LGBT Individuals**

3 cr. Graduate.

Essential multicultural mental health information as it pertains to the LGBT population in the U.S. Areas related to demographics, historical factors, sociopolitical issues and their influence on mental health.

**Prerequisites:** grad st; Couns 704 & 705 (P)**Last Taught:** Spring 2016, Fall 2014, Summer 2013, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 742 Multicultural Health Guidelines for Working with Asian Americans**

3 cr. Graduate.

Understanding and knowledge related to mental health practices of individuals of Asian descent living in the U.S.; demographic, historical, and sociopolitical factors influencing mental health.

**Prerequisites:** grad st; Couns 704 & 705 (P)**Last Taught:** Fall 2015, Fall 2013, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 743 Multicultural Mental Health Guidelines for Working with African Americans**

3 cr. Graduate.

Multicultural mental health information as it pertains to African Americans in the U.S.; addresses demographics, historical factors, and sociopolitical issues and their impact on mental health.

**Prerequisites:** grad st; Couns 704 & 705 (P)**Last Taught:** Summer 2015, Spring 2014, Fall 2012, Summer 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 744 Multicultural Mental Health Guidelines, Working with First Nations Persons**

3 cr. Graduate.

Pan-cultural information about the mental health issues facing the First Nations populations in North America.

**Prerequisites:** grad st; Couns 704 & 705 (P)**Last Taught:** Spring 2015, Spring 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 745 Multicultural Mental Health Guidelines for Working with Men**

3 cr. Graduate.

Understanding how the traditionally socialized male gender role affects the lives of men and therapeutic techniques for working with men from a gender sensitive perspective.

**Prerequisites:** grad st; Couns 704 & 705 (P)**Last Taught:** Spring 2016, Spring 2014, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 751 Multicultural Considerations in Lifespan Psychopathology**

3 cr. Graduate.

Etiology and pathogenesis of mental disorders as they occur throughout the lifespan, with special attention paid to the multicultural influences.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2022, Summer 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 755 Counseling Pre-Practicum**

3 cr. Graduate.

Introductory experience for Master's level counseling students, and is designed to meet the Wisconsin licensing requirement of 100 hours of supervised experience.

**Prerequisites:** graduate standing; COUNS 600(P), COUNS 710(P), COUNS 714(P), and COUNS 715(P).

**Course Rules:** Counts as repeat of COUNS 779 with same topic.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 764 Supervised Practicum 1 in School Counseling**

3 cr. Graduate.

Practical, intensive and continuous experience in school settings that utilize counseling personnel.

**Prerequisites:** graduate standing; field placement; COUNS 602(P), COUNS 710(P), COUNS 714(P), and COUNS 715(P); consent of instructor; competency requirement.

**Course Rules:** Retakable to 9 cr max. Satisfactory/Unsatisfactory grade only.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 765 Supervised Practicum 1 in Clinical Mental Health Counseling**

3 cr. Graduate.

Practical, intensive, and continuous experience in community settings working with professional counseling personnel.

**Prerequisites:** graduate standing; field placement; COUNS 600(P), COUNS 710(P), COUNS 714(P), COUNS 715(P), and COUNS 755(P); consent of instructor; competency requirement.

**Course Rules:** Retakable to 9 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 774 Trauma Counseling I: Theory and Research**

3 cr. Graduate.

Seminar examining impact of trauma experience on individuals, groups and communities following a catastrophic event. Explores traumatic events, mental injuries and impact on memory, learning, physical health and dysfunctional behavior.

**Prerequisites:** grad st.

**Course Rules:** COUNS 774, NURS 774, OccThpy 774, and Soc Wrk 774 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 775 Trauma Counseling II: Diagnosis and Treatment**

3 cr. Graduate.

Seminar on diagnosis and assessment instruments as well as intervention and therapeutic techniques used to address trauma issues in counseling acute and chronic traumatized clients.

**Prerequisites:** graduate standing, COUNS 744(P), NURS 775(P), OCCTHPY 774(P) or SOC WRK 774(P); or consent of instructor.

**Course Rules:** COUNS 775, NURS 775, OCCTHPY 775, and SOC WRK 775 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 776 Supervised Practicum 1 in Rehabilitation Counseling**

3 cr. Graduate.

Practical, intensive, and continuous experience in settings that utilize rehabilitation counseling personnel.

**Prerequisites:** grad st; field placement; COUNS 710(P) & 714(P); cons instr; competency requirement.

**Course Rules:** Retakable to 9 cr max. Sat/Unsat grade only.

**Last Taught:** Summer 2007, Spring 2007, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 779 Current Topics in Counseling:**

1-3 cr. Graduate.

Specific topic and prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** grad st.

**Course Rules:** Retakeable with change in topic to max of 9 cr.

**Last Taught:** Spring 2017, Fall 2016, Spring 2016, Spring 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 790 Research or Thesis**

1-3 cr. Graduate.

For graduate students needing to complete master's paper.

**Prerequisites:** grad st (master's level in COUNS/Rehab COUNS); cons instr.

**Last Taught:** Fall 2020, Spring 2018, Fall 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 799 Independent Reading**

1-3 cr. Graduate.

For the benefit of graduate students unable to secure needed content in regular courses.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Fall 2021, Summer 2020, Summer 2019, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 800 Group Counseling Theory**

3 cr. Graduate.

Theories of groups, group counseling strategies, group structure, latent structural analysis, and educational methodologies.

**Prerequisites:** graduate standing; COUNS 600(P) or COUNS 602(P); COUNS 710(P) and COUNS 714(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 803 Vocational Psychology**

3 cr. Graduate.

Vocational theories and research; understanding of individual in relation to world of work; understanding of role of assessment in vocational counseling; multicultural vocational research and counseling.

**Prerequisites:** grad st; Ed Psy 720; COUNS 711 or equiv; COUNS 714

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 805 Consultation Strategies for Counselors and School Psychologists**

3 cr. Graduate.

Analysis of consultation models; investigation of intervention strategies; and evaluation of the consultation process.

**Prerequisites:** 21 grad crs in Ed Psy &/or COUNS.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 807 Advanced Counseling Strategies:**

1-3 cr. Graduate.

Variable content lecture-laboratory class. This course provides an in-depth view of counseling strategies based on the precepts of a particular theoretical model. Specific topics and any additional prerequisites will be announced in the schedule of classes each time the course is offered.

**Prerequisites:** grad st; COUNS 714**Last Taught:** Spring 2019, Spring 2017, Spring 2015, Spring 2001.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 810 Counseling in the Schools**

3 cr. Graduate.

Exploration of counseling functions in schools. The rationale, scope and nature of school counseling. Theories, techniques and principles of counseling process are emphasized.

**Prerequisites:** graduate standing, COUNS 710(P) and COUNS 714(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 812 Clinical Studies in Counseling**

3 cr. Graduate.

Problem behaviors that clients bring to the counseling situation; atypical behaviors; techniques by which counselors deal with those behaviors. Emphasis on case material.

**Prerequisites:** graduate standing, COUNS 710(P) and COUNS 714(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 814 Professional, Ethical and Legal Issues in Counseling Psychology**

3 cr. Graduate.

Examination of professional, legal and ethical issues affecting the practice of counseling psychology. Introduction to the scientist-practitioner model and the profession of counseling psychology.

**Prerequisites:** grad st; 21 crs in COUNS or equiv.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 815 Advanced Multicultural Counseling**

3 cr. Graduate.

Multicultural counseling models and related strategies for professionals working in multicultural educational and community settings.

**Prerequisites:** grad st; COUNS 714; COUNS 715; COUNS 774**Last Taught:** Spring 2023, Spring 2021, Fall 2018, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 816 Counseling Children and Adolescents**

3 cr. Graduate.

This course will describe various counseling issues and strategies applicable to working with children and adolescents in both school and community settings.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 819 Group Assessment for Adults**

3 cr. Graduate.

This course is designed to prepare students in adult group assessment. Students will become familiar with instruments used in personality, vocational, and interest assessment.

**Prerequisites:** grad st; Ed Psy 624; Ed Psy 720**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 820 Counseling Appraisal and Clinical Decision-Making**

3 cr. Graduate.

Course will integrate science of psychology with counseling practice in order to promote development of advanced interviewing skills and intake reporting.

**Prerequisites:** graduate standing; COUNS 600(P), COUNS 710(P), COUNS 714(P), and COUNS 751(P).**Last Taught:** Summer 2023, Summer 2022, Spring 2022, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 830 Proseminar 1: Introduction to Counseling Psychology; Multiculturalism**

3 cr. Graduate.

Introduction to the profession; multicultural counseling and APA's code of ethics covered in depth.

**Prerequisites:** grad st, cons instr**Last Taught:** Fall 2011, Fall 2010, Fall 2009, Fall 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 831 Proseminar 2: Psychotherapy Interventions**

3 cr. Graduate.

Psychotherapy models and associated techniques.

**Prerequisites:** grad st; cons instr**Last Taught:** Spring 2012, Spring 2010, Spring 2009, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 840 Psychological Assessment**

3 cr. Graduate.

Use of psychological assessment in counseling psychology practice.

**Prerequisites:** grad st; cons instr**Last Taught:** Spring 2023, Spring 2021, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 841 Proseminar 4: Vocational Psychology; Social Justice**

3 cr. Graduate.

Advanced vocational psychology including career theory, career counseling, and social justice.

**Prerequisites:** grad st; cons instr**Last Taught:** Spring 2011, Spring 2010, Spring 2009, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 850 Proseminar 5: Supervision and Consultation**

3 cr. Graduate.

Provides an introduction to and practice in supervision in counseling psychology.

**Prerequisites:** grad st; cons instr**Last Taught:** Fall 2012, Fall 2011, Fall 2010, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 860 Capstone-Research in Counseling Psychology**

3 cr. Graduate.

Analysis of research trends; examination of critical issues; reports of student research projects.

**Prerequisites:** grad st; cons instr**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**COUNS 873 Fieldwork in Student Personnel Services**

3-6 cr. Graduate.

**Prerequisites:** grad st; major in area & cons instr**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2021, Spring 2020, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 904 Family Systems Theory, Research, and Practice**

3 cr. Graduate.

Introduction to systems theory, major approaches to family therapy, and the research on family systems concepts, in-session processes, and therapy outcomes.

**Prerequisites:** grad st; Couns 710(P).

**Last Taught:** Summer 2023, Summer 2022, Spring 2022, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 917 Supervision of Counseling**

3 cr. Graduate.

An examination of research and strategies for the supervision of counseling; experience in the actual process of supervision.

**Prerequisites:** grad st; Couns 970

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 968 Supervised Practicum 2 in School Counseling**

3 cr. Graduate.

Supervised practice in cooperating K-12 school settings.

**Prerequisites:** graduate standing; field placement; COUNS 764(P); consent of instructor; competency required.

**Course Rules:** Retakable to 9 credits max. Satisfactory/unsatisfactory grade only.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 970 Supervised Practicum 2 in Clinical Mental Health Counseling**

3 cr. Graduate.

Practice in cooperating colleges, agencies, and other community settings.

**Prerequisites:** graduate standing; field placement; COUNS 765(P); consent of instructor; competency required.

**Course Rules:** Retakable to 9 credits max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 971 Supervised Practicum in Group Counseling**

3-9 cr. Graduate.

Controlled practicum in group counseling with cooperating schools, colleges and agencies.

**Prerequisites:** master's degree in Ed Psy; acceptance by Couns area; letter of recomm from agency or school

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 972 Internship in Counseling I**

6 cr. Graduate.

Practical experience in a cooperating school involving counseling procedures. Supervised by qualified staff at the employing unit and by counselor education faculty. Seminar participation required.

**Prerequisites:** master's degree in Ed Psy with specialization in Couns & writ cons instr.

**Last Taught:** Fall 2003, Fall 2002, Fall 2001, Fall 2000.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 974 Internship in Rehabilitation Counseling**

3-6 cr. Graduate.

Supervised experience in a public or private rehabilitation agency. Stress on case management and counseling procedures with a variety of clients.

**Prerequisites:** admis to rehab couns concentration; writ cons instr & agency.

**Last Taught:** Fall 2007, Summer 2007, Spring 2007, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 975 Doctoral Practicum in Counseling 3**

3 cr. Graduate.

A supervised counseling experience with emphasis on the process and techniques of assessment, individual, and group counseling. Opportunity for consultation and feedback on counseling issues.

**Prerequisites:** graduate standing; field placement; admitted to the PhD program in Counseling Psychology; consent of instructor.

**Course Rules:** Sat/Unsat grade only. Retakable to 12 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 976 Doctoral Practicum in Counseling 4**

3 cr. Graduate.

A supervised counseling experience with a broad range of clients within a clinical setting. Opportunity for consultation and feedback on counseling issues, and experience at providing supervision of masters' level students.

**Prerequisites:** graduate standing; field placement; admitted to the PhD program in Counseling Psychology; COUNS 975(P); consent of instructor.

**Course Rules:** Retakable to 12 cr max. Sat/Unsat grade only.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 977 Advanced Doctoral Practicum in Counseling 5**

3 cr. Graduate.

Advanced supervised training in specialized areas of counseling psychology: psychological assessment; individual, family, or group therapy; and consultation in outpatient, inpatient, or community mental health settings.

**Prerequisites:** graduate standing; field placement; admitted to the PhD program in Counseling Psychology; COUNS 976(P); consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 990 Research or Thesis**

1-3 cr. Graduate.

**Prerequisites:** grad st; cons major professor.

**Course Rules:** Considered full time for FA purposes.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**COUNS 999 Independent Reading**

1-3 cr. Graduate.

For benefit of doctoral students unable to secure needed content in regular courses.

**Prerequisites:** doctoral st & cons instr.**Last Taught:** Fall 2020, Summer 2018, Summer 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Criminal Justice & Criminology (CRM JST)

**CRM JST 105 Orientation for Social Welfare Students**

1 cr. Undergraduate.

Prepares students to participate in UWM's educational process and to explore career choices in social welfare.

**Prerequisites:** fr st only.**Course Rules:** Counts as repeat of Crm Jst 88. Jointly offered with & counts as repeat of Soc Wrk 105.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 110 Introduction to Criminal Justice**

3 cr. Undergraduate.

Survey of the present structure, philosophy, procedures, future prospects of police, courts, corrections, and of the penal system in American society.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 271 Introduction to Policing**

3 cr. Undergraduate.

An interdisciplinary analysis of the role of police in a democratic society; emphasis on historical development of police institution, cultural attributes, accountability, occupational socialization, police-behavior, and selected current issues.

**Prerequisites:** CRM JST 110(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 273 Introduction to Corrections**

3 cr. Undergraduate.

Analysis of role of corrections in American criminal justice. Emphasis on describing and assessing the effectiveness of correctional models in prisons, jails, probation, and parole.

**Prerequisites:** CRM JST 110(P).**Last Taught:** UWinteriM 2024, Fall 2023, Spring 2023, UWinteriM 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 275 Introduction to Criminal Courts**

3 cr. Undergraduate.

Examination of criminal judicial process from setting bail through sentencing, role of courts within criminal justice. Analysis of structure, professional roles, and procedural law governing processing.

**Prerequisites:** CRM JST 110(P).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 281 Dead Men Do Tell Tales: An Introduction to Forensic Science**

3 cr. Undergraduate.

A multidisciplinary view of how forensic scientists contribute to the many ways that physical evidence is collected, analyzed, and evaluated.

**Prerequisites:** none.**Course Rules:** ANTHRO 281, BMS 281, CHEM 281, and CRM JST 281 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 285 Medicolegal Death Investigation**

3 cr. Undergraduate.

Lectures on the fundamentals of death investigation as outlined by national guidelines for death investigators.

**Prerequisites:** none.**Course Rules:** Jointly offered with & counts as repeat of Anthro 285, Chem 285, & BMS(C L Sci) 285.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 291 Current Issues in Criminal Justice:**

1-3 cr. Undergraduate.

Selected current issues in criminal justice.

**Prerequisites:** none.**Course Rules:** May be retaken with change in topic to max of 6 cr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** May be retaken with change in topic.**Last Taught:** UWinteriM 2024, Spring 2022, UWinteriM 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 300 Criminal Process**

3 cr. Undergraduate.

Analysis of the problems of the criminal justice system in separating the guilty and the innocent. Discussion of constitutional issues and technical procedural problems involved.

**Prerequisites:** jr st; Crm Jst 110(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 301 Criminal Law**

3 cr. Undergraduate.

Principles, theories and doctrines of the law of crimes with a unified study of legal defense.

**Prerequisites:** jr st; Crm Jst 110(P).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 304 Gangs and Organized Crime**

3 cr. Undergraduate.

Provides an overview of domestic and international gangs and organized crime networks. The challenges these organizations bring to the criminal justice system are also discussed.

**Prerequisites:** none

**Course Rules:** Counts as repeat of Crm Jst 291 with same topic.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 305 Criminological Theory and Policy**

3 cr. Undergraduate.

Examination of criminal justice policy through analysis of relevant theory, research findings, and implications.

**Prerequisites:** CRM JST 110(P).

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 310 Race, Crime, and Criminal Justice**

3 cr. Undergraduate.

Issues of race and ethnicity in the criminal justice system. Emphasis on research examining social construction of race and ethnicity.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of CRM JST 291 with same topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 311 Field Experience Practicum**

3-6 cr. Undergraduate.

Placement in a faculty unit or project in a criminal justice setting, either public or private. Minimum 120 hours per semester under supervision.

**Prerequisites:** jr st; Crm Jst 110(P); writ cons instr. Regis priority for students admitted to Crm Jst major.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 340 Policing the Streets**

3 cr. Undergraduate.

Analysis of policing from the perspective of the front line police officer, including societal expectations, legality, use of force, discretion, and psychological aspects.

**Prerequisites:** none

**Course Rules:** Counts as repeat of Crm Jst 291 w/same topic.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 350 White Collar Crime**

3 cr. Undergraduate.

The nature and extent of white collar crime in the United States, especially the harmful and criminal acts of the rich and powerful

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 370 Criminal Justice Administration**

3 cr. Undergraduate.

Analysis of operational and administrative issues in criminal justice drawn from organizational theory, management theory; discussion of organizational technology, structure, environment; and organizational assessment.

**Prerequisites:** jr st; Crm Jst 110(P).

**Last Taught:** Fall 2014, Fall 2013, Spring 2008, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 380 Victimology**

3 cr. Undergraduate.

An overview of conceptual and substantive issues in victim centered theory and research, including past, present and future models of victim participation in criminal justice.

**Prerequisites:** jr st; Crm Jst 110(P).

**Last Taught:** UWinterIM 2024, Fall 2023, Summer 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 385 Women and Criminal Justice**

3 cr. Undergraduate.

A study of female crime and delinquency, and how the criminal justice system responds to female crime.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 386 Criminal Intelligence**

3 cr. Undergraduate.

Contemporary responses to police problems, the tenets of various police styles and tactical crime analysis.

**Prerequisites:** Crm Jst 110(P).

**Course Rules:** Counts as repeat of Crm Jst 592 with same subtitle.

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 410 Comparative Criminal Justice**

3 cr. Undergraduate.

Comparative study of criminal justice components of selected countries. Emphasis will be on cultural influences on the principles and operation of criminal justice systems.

**Prerequisites:** jr st or cons instr.

**General Education Requirements:** SS

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 416 Intimate Partner Violence**

3 cr. Undergraduate.

An examination of the criminal justice response to intimate partner violence. Theoretical and practical issues are explored in the context of physical child abuse, intimate partner violence, teen dating violence, and elder abuse.

**Prerequisites:** none.

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 420 Violence and the Criminal Justice System**

3 cr. Undergraduate.

Historical and contemporary study of violent crime and its relationship to the criminal justice system.

**Prerequisites:** jr st; Crm Jst 110(P) & 150(P).

**General Education Requirements:** SS

**Last Taught:** Spring 2022, Fall 2019, Fall 2018, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 421 Cybercrime**

3 cr. Undergraduate/Graduate.

Legal issues associated with cybercrimes, including response, investigation and prosecution.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Crm Jst 592/970 with same topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 421G Cybercrime**

3 cr. Undergraduate/Graduate.

Legal issues associated with cybercrimes, including response, investigation and prosecution.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Crm Jst 592/970 with same topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 422 Cyber Crime, Law & Public Policy**

3 cr. Undergraduate/Graduate.

Overview of the current legal challenges related to cyber crime and public policy responses. Relevant court cases and public policy initiatives will be discussed.

**Prerequisites:** junior standing or graduate standing.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 422G Cyber Crime, Law & Public Policy**

3 cr. Undergraduate/Graduate.

Overview of the current legal challenges related to cyber crime and public policy responses. Relevant court cases and public policy initiatives will be discussed.

**Prerequisites:** junior standing or graduate standing.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 423 Investigating the Dark Web**

3 cr. Undergraduate/Graduate.

Survey of criminal activity and investigative methods towards dark web related cyber crime offenses.

**Prerequisites:** junior standing or graduate standing.

**Course Rules:** Counts as a repeat of CRM JST 291 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 423G Investigating the Dark Web**

3 cr. Undergraduate/Graduate.

Survey of criminal activity and investigative methods towards dark web related cyber crime offenses.

**Prerequisites:** junior standing or graduate standing.

**Course Rules:** Counts as a repeat of CRM JST 291 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 424 Sex Crimes, Human Trafficking, and the Internet**

3 cr. Undergraduate/Graduate.

Survey of criminal activity and investigative methods towards cyber crime focused on human trafficking and other sex crimes.

**Prerequisites:** junior standing or graduate standing.

**Course Rules:** Counts as a repeat of CRM JST 291 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 424G Sex Crimes, Human Trafficking, and the Internet**

3 cr. Undergraduate/Graduate.

Survey of criminal activity and investigative methods towards cyber crime focused on human trafficking and other sex crimes.

**Prerequisites:** junior standing or graduate standing.

**Course Rules:** Counts as a repeat of CRM JST 291 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 430 Punishment**

3 cr. Undergraduate.

Critical examination of theoretical justifications of punishment, corresponding sentencing structures, and recent empirical evidence addressing the utilitarian aims of punishment. Seminar.

**Prerequisites:** jr st or cons instr.

**General Education Requirements:** SS

**Last Taught:** Fall 2016, Spring 2014, Fall 2003, Fall 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 460 The Federal System: Law Enforcement, Courts, and Corrections**

3 cr. Undergraduate.

Aspects of the federal criminal justice system; how law enforcement, courts, and corrections at the federal level are organized as well as special topics within these areas.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 480 Criminal Evidence and Investigation**

3 cr. Undergraduate/Graduate.

Examination of the criminal investigation process with emphasis on theory of investigation, role of criminal evidence, and effectiveness of the process.

**Prerequisites:** junior standing and CRM JST 110(P) or graduate standing.

**Course Rules:** Counts as repeat of CRM JST 970 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 480G Criminal Evidence and Investigation**

3 cr. Undergraduate/Graduate.

Examination of the criminal investigation process with emphasis on theory of investigation, role of criminal evidence, and effectiveness of the process.

**Prerequisites:** junior standing and CRM JST 110(P) or graduate standing.

**Course Rules:** Counts as repeat of CRM JST 970 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 481 Criminalistics**

3 cr. Undergraduate.

Instruction on collection, preservation, and analysis of physical evidence from crime scenes. Instruction on the rules of evidence and expert testimony.

**Prerequisites:** jr st; admis to Forensic Sci cert program; Crm Jst/Anthro/Chem/BMS(C L Sci) 281(P); Crm Jst 480(P).

**Course Rules:** Anthro 481, Chem 481, BMS(C L Sci) 481, and Crm Jst 481 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 490 Drugs, Crime and Criminal Justice**

3 cr. Undergraduate/Graduate.

Overviews illicit drug use, the relationship between drugs and crime, and responses of criminal justice agencies to illegal drug use.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Crm Jst 592/970 w/same topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 490G Drugs, Crime and Criminal Justice**

3 cr. Undergraduate/Graduate.

Overviews illicit drug use, the relationship between drugs and crime, and responses of criminal justice agencies to illegal drug use.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Crm Jst 592/970 w/same topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 497 Study Abroad:**

1-6 cr. Undergraduate/Graduate.

Variable content (subtitle is area of concentration). Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** UWinteriM 2024, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 497G Study Abroad:**

1-6 cr. Undergraduate/Graduate.

Variable content (subtitle is area of concentration). Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** UWinteriM 2024, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 510 Introduction to Crime Analysis**

3 cr. Undergraduate.

Introduction to crime analysis and crime mapping. Examines techniques, theory, data collection methods, statistics used, history of and career opportunities in crime analysis.

**Prerequisites:** Crm Jst 110(P).

**Course Rules:** Counts as repeat of Crm Jst 592 w/same topic.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 520 Analysis Oriented Technology: Spatial Data Analysis; Crime Mapping; ArcGIS**

3 cr. Undergraduate/Graduate.

Examines theories and applications to analyze data. Approaches include crime mapping and spatial analysis; strategic, administrative, and tactical crime analysis. Other methods are also covered.

**Prerequisites:** jr st; Crm Jst 110(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 520G Analysis Oriented Technology: Spatial Data Analysis; Crime Mapping; ArcGIS**

3 cr. Undergraduate/Graduate.

Examines theories and applications to analyze data. Approaches include crime mapping and spatial analysis; strategic, administrative, and tactical crime analysis. Other methods are also covered.

**Prerequisites:** jr st; Crm Jst 110(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 530 Data Driven Policing Strategies and Police Intelligence**

3 cr. Undergraduate.

Examines data driven policing strategies and police intelligence. Approaches covered include: Problem-oriented Policing (POP), Smart Policing, Intelligence-led Policing, and Place-based Policing.

**Prerequisites:** Crm Jst 110(P).

**Last Taught:** Fall 2023, Fall 2021, Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 585 Internship in Forensic Toxicology**

1-3 cr. Undergraduate.

Practical experience in a forensic toxicology laboratory under the supervision of a toxicologist.

**Prerequisites:** jr st; admis to Forensic Sci cert prog; Anthro/Chem/BMS(C L Sci)/Crm Jst 281(P) & 285(P); Chem 221(P) or 223(P); Crm Jst 480(P); Hepatitis B vaccine series or waiver.

**Course Rules:** Anthro 585, Chem 585, BMS(C L Sci) 585, & Crm Jst 585 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 589 Internship in Death Investigation**

1-3 cr. Undergraduate.

Practical experience in death investigation under the supervision of a death investigator and forensic pathologist.

**Prerequisites:** jr st; admis to Forensic Sci certif prog; Crm Jst/Anthro/Chem/BMS(C L Sci) 281(P); Crm Jst 480(P); BMS(C L Sci) 620(R); Hepatitis B vaccine series or waiver.

**Course Rules:** Anthro 589, Chem 589, BMS(C L Sci) 589 & Crm Jst 589 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 591 Senior Thesis**

1-3 cr. Undergraduate.

Thesis written under supervision

**Prerequisites:** sr st, 2.5 GPA; writ cons instr & dept.

**Last Taught:** Summer 1991.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 592 Critical Issues in Criminal Justice:**

1-3 cr. Undergraduate.

Explores interests of special concern in criminal justice. Specific credits announced in Schedule of Classes whenever course is offered.

**Prerequisites:** jr st.**Course Rules:** May be retaken to max of 6 cr with change of topic.**Last Taught:** UWinteriM 2023, Fall 2022, UWinteriM 2022, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 594 Internship in Forensic Science**

1-3 cr. Undergraduate.

On-site shadowing of evidence analyst at State Crime Laboratory.

**Prerequisites:** jr st; admis to Forensic Sci cert prog; Anthro/Chem/BMS(C L Sci)/Crm Jst 281(P); Chem 221(P) or 223(P); Crm Jst 480(P); Hepatitis B vaccine series or waiver.**Course Rules:** Anthro 594, Chem 594, BMS(C L Sci) 594, & Crm Jst 594 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 599 Independent Reading**

1-3 cr. Undergraduate.

Reading may be in any field for which the student has an adequate background.

**Prerequisites:** sr st; writ cons instr & coord; gpa 2.5 or above.**Course Rules:** May be retaken to max of 6 cr.**Last Taught:** Spring 2022, Summer 2021, Summer 2018, Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 662 Methods of Social Welfare Research**

3 cr. Undergraduate.

Analysis of methods used in social welfare research and problems in project design and programming. Distinctive characteristics of investigations directed to planning, administrative, and scientific objectives.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 663 Criminal Justice Capstone Seminar**

3 cr. Undergraduate.

Synthesis of criminal justice theories, empirical research and program creation and implementation.

**Prerequisites:** jr st.; completion of OWC-A GER.**General Education Requirements:** OWCB**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 671 Juvenile Justice**

3 cr. Undergraduate/Graduate.

Structure of juvenile justice system – police, courts, and corrections; analysis of structure of subsystems of the juvenile justice process; introduction to literature and research.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 671G Juvenile Justice**

3 cr. Undergraduate/Graduate.

Structure of juvenile justice system – police, courts, and corrections; analysis of structure of subsystems of the juvenile justice process; introduction to literature and research.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 680 Jails**

3 cr. Undergraduate/Graduate.

The primary purpose is to develop a comprehensive understanding of the role of the jail in contemporary society.

**Prerequisites:** jr st; Crm Jst 110 (P).**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 680G Jails**

3 cr. Undergraduate/Graduate.

The primary purpose is to develop a comprehensive understanding of the role of the jail in contemporary society.

**Prerequisites:** jr st; Crm Jst 110 (P).**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 713 Measuring Crime & Analyzing Crime Data**

3 cr. Graduate.

This course discusses various measures of crime, how different measures affect outcomes, and strategies to analyze and visualize crime data.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 716 Advanced Analytic Techniques for Crime Analysts**

3 cr. Graduate.

Current methods and analyses commonly used by crime analysts, including the identification of crime patters, risk factors, and intelligence gathering strategies.

**Prerequisites:** Grad st; Crm Jst 520(P), Crm Jst 713(P), Crm Jst 716(P)**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 743 Proseminar: Administration of Criminal Justice Systems**

3 cr. Graduate.

An examination of criminal justice organizations from a public administration focus, integrating organizational theory and political theory for the analysis of criminal justice administration.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 756 Proseminar: Analysis of Criminal Justice Research**

3 cr. Graduate.

A study of the application of social science research methods to criminal justice issues.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CRM JST 773 Criminological Perspectives**

3 cr. Graduate.

An in-depth analysis of the etiology of criminal behavior; processes of becoming a criminal; patterns of criminal behavior; and policy and individual consequences of decriminalization.

**Prerequisites:** grad st.**Course Rules:** Jointly offered; CRM JST 773 and SOC WRK 773 count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 775 Race, Crime and Criminal Justice**

3 cr. Graduate.

A study of crime and criminal justice issues as they impact major racial groups such as Blacks, American Indians, and Hispanics

**Prerequisites:** grad st.**Last Taught:** Spring 2013, Spring 2011, Fall 2008, Fall 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 783 Data Mining and Predictive Modeling for Crime Analytics**

3 cr. Graduate.

Explores data mining and predictive analytics for crime analysts. Theoretical and practical applications of these techniques are explained.

**Prerequisites:** grad st.**Last Taught:** Spring 2020, Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 795 Issues in Law Enforcement Practice and Policy**

3 cr. Graduate.

An examination of police practice in a democratic society from an operational, legal, and sociological perspective

**Last Taught:** Fall 2023, Spring 2022, Fall 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 810 Police Administration**

3 cr. Graduate.

An application of management principles to the police organization.

**Prerequisites:** grad st.**Last Taught:** Spring 2014, Fall 2012, Spring 2011, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 820 Police and the Multicultural Community**

3 cr. Graduate.

A study of the critical issues facing police officers and administrators in relation to policing a diverse society, with particular emphasis on training leadership, minorities and women police officers, and police - community relations.

**Prerequisites:** grad st.**Last Taught:** Fall 2018, Fall 2016, Spring 2012, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 830 Intervention Strategies for Correctional Clients**

3 cr. Graduate.

A review and analysis of intervention approaches and programs used with correctional clients, both juvenile and adult, with emphasis on diversion, prevention, and rehabilitation strategies.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 840 Philosophical Foundations of Policing**

3 cr. Graduate.

An in-depth analysis of the social theory of policing. The most significant theoretical and empirical works on policing are examined.

**Prerequisites:** grad st**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 850 Issues in Correctional Practice and Policy**

3 cr. Graduate.

Overview of significant issues facing corrections, including sentencing, life imprisonment, violence and victimization in prison, supermax, evidence-based practices, and parole revocation.

**Prerequisites:** grad st**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 910 Methods and Practice Capstone for Crime Analysts**

3 cr. Graduate.

Seminar in use of crime analysis techniques and synthesis of prior empirical research using crime analysis techniques.

**Prerequisites:** grad st**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 920 Criminal Justice Masters Capstone Seminar**

3 cr. Graduate.

Seminar involving synthesis and integration of degree coursework on criminal justice theories, empirical research and program creation and implementation.

**Prerequisites:** grad st**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 970 Readings in Criminal Justice Research:**

3 cr. Graduate.

Variable content research oriented course involving systematic analysis and investigation of criminal justice topics.

**Prerequisites:** grad st; cons instr.**Course Rules:** May be retaken to max of 9 cr.**Last Taught:** UWinterIM 2024, Summer 2023, Spring 2023, UWinterIM 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 990 Thesis or Research Project**

1-3 cr. Graduate.

**Prerequisites:** grad st; writ cons instr & coord grad prog.**Course Rules:** May be repeated once for cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CRM JST 999 Independent Reading in Criminal Justice**

1-3 cr. Graduate.

Work suited to individual graduate students arranged.

**Prerequisites:** grad st; cons instr & coord Grad Prog.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Curriculum and Instruction (CURRINS)

### **CURRINS 110 Reading Proficiency for College Students I**

1 cr. Undergraduate.

Presentation of techniques for the acquisition of basic reading skills. Emphasis on vocabulary building, text organizational structures, and comprehension.

**Prerequisites:** completion of Nelson-Denny reading test.

**Last Taught:** Fall 2014, Spring 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 111 College Research Literacy and Strategies**

2 cr. Undergraduate.

Understanding and application of college level research and strategies.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of CURRINS 279 with same topic. May be retaken to a max of 6 credits.

**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 112 Chemistry Reading Group**

1 cr. Undergraduate.

Prepares students to work with chemistry-specific texts and research.

**Prerequisites:** none.

**Course Rules:** May be retaken to max of 3 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 140 Field Experience with Families & Communities**

1 cr. Undergraduate.

Field experience in local agencies providing services to families.

**Prerequisites:** CURRINS 312(C) or consent of instructor.

**Course Rules:** Counts as repeat of TCH LRN 109.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 233 Introduction to Children's and Young Adult Literature**

3 cr. Undergraduate.

Introductory survey will focus on the literary merit and cultural contexts of works written for children and young adults.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 234 Teachers as Writers**

3 cr. Undergraduate.

Focus on various rhetorical modes of writing, stylistic strategies, and grammatical constructions from a teaching perspective.

**Prerequisites:** OWC Part A.

**General Education Requirements:** HU, OWCB

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 240 Field Experience with Dual Language Learners**

2 cr. Undergraduate.

Field experience with dual language learners in various settings.

**Prerequisites:** CURRINS 140(P) and CURRINS 501(C); or consent of instructor.

**Course Rules:** Counts as a repeat of TCH LRN 209.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 250 1st-Year Student Seminar: Early Childhood Education**

1 cr. Undergraduate.

Introductory seminar for first-year and transfer Early Childhood Education intended students.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of CurrIns 279 with same topic.

**Last Taught:** Spring 2013, Fall 2012, Spring 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 279 Current Topics in Curriculum and Instruction:**

1-3 cr. Undergraduate.

Special topics for undergraduates will be offered from time to time. See Schedule of Classes.

**Prerequisites:** none.

**Last Taught:** Spring 2019, Spring 2013, Spring 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** cons instr; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2022, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 300 Introduction to Teaching: Colloquium and Fieldwork**

3 cr. Undergraduate.

Introduction to the teaching profession and teaching in urban schools.

Provides an overview of educational, multicultural, social, economic, and political issues that influence urban schools.

**Prerequisites:** sophomore standing.

**Course Rules:** Counts as repeat of CURRINS 100.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **CURRINS 301 Infants and Toddlers: Curriculum and Teaching**

3 cr. Undergraduate.

Approaches to infant/toddler care and education; instructional material and techniques to foster infant/toddler development; strategies for administering and managing learning environments.

**Prerequisites:** sophomore standing and admission to the School of Education; or consent of instructor.

**Course Rules:** Counts as a repeat of TCH LRN 568 or EXCEDUC 568.

**Last Taught:** Fall 2022, Summer 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 302 Curriculum Design in Early Childhood**

3 cr. Undergraduate.

Curriculum design and unit development in pre-primary and early primary classrooms.

**Prerequisites:** junior standing and admission to the School of Education; or consent of instructor.

**Course Rules:** Count as a repeat of TCH LRN 302.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 306 Initial Clinical Experience in Elementary and Middle Education**

1-2 cr. Undergraduate.

Clinical experience focusing on individual and small group instruction.

**Prerequisites:** junior standing, admis to SOE, CURRINS 536(C) and CURRINS 556(C); or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 307 Clinical Experience in Elementary and Middle Education**

3 cr. Undergraduate.

Clinical experience focusing on instructional practices in elementary and middle education.

**Prerequisites:** junior standing, admis to SOE, CURRINS 306(P) and CURRINS 557(C); or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 310 Curriculum for the Pre and Early Adolescent**

1-4 cr. Undergraduate.

The determination of curriculum and instructional approaches appropriate for the pre and early adolescent age group.

**Prerequisites:** admis to School of Educ.

**Last Taught:** Spring 2013, Spring 2012, Spring 2011, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 312 Models and Issues for Early Childhood Education**

3 cr. Undergraduate.

Overview of content, methods, and issues pertaining to the organization of early childhood programs for developmentally-diverse, monolingual and bilingual learners.

**Prerequisites:** CURRINS 140(C).

**Course Rules:** Counts as a repeat of TCH LRN 312.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 313 Teaching Economics in the Social Studies Curriculum**

2 cr. Undergraduate.

Approaches to teaching economics in the social studies curriculum.

Latest research and teaching practices. A study of cooperative enterprises to meet Wisconsin's statutory requirement.

**Prerequisites:** ECON 103(P) or ECON 104(P).

**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 314 Field Work I in Early Childhood Education - PreK/K**

1 cr. Undergraduate.

Field experience with children in prekindergarten or kindergarten.

Planning and implementation of learning opportunities in the classroom.

**Prerequisites:** jr st, CURRINS 302(C)

**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 316 Field Work in Secondary Reading in Content Areas, Grade 6-12:**

3 cr. Undergraduate.

Field-based application of subject matter methods and instructional strategies in vocabulary development and comprehension, and assessment of student understanding of subject matter texts.

**Prerequisites:** jr st; admis to School of Educ; CURRINS 545 or equiv; & conc reg in subject matter methods course.

**Course Rules:** Cr/no cr only.

**Last Taught:** Fall 2013, Fall 2012, Fall 2011, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 320 Introduction to Critical Media Literacy**

1 cr. Undergraduate.

Introduction to media literacy and applications of instructional technology to support student learning.

**Prerequisites:** admis to SOE or cons instr.

**Last Taught:** Fall 2017, Spring 2017, Fall 2016, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 321 Introduction to the Teaching of Social Studies**

1-2 cr. Undergraduate.

Methods and content introducing the teaching of social studies.

**Prerequisites:** junior standing and admis to the School of Education.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 323 Teaching of Social Studies:**

1-4 cr. Undergraduate.

An examination of the purposes of social studies education in the schools with work in content selection, educational process and the nature of inquiry.

**Prerequisites:** junior standing and admission to the School of Education.

**Course Rules:** Counts as a repeat of TCH LRN 323.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 325 Instructional Strategies for Using Technology**

1 cr. Undergraduate.

Examination of the instructional uses of technology.

**Prerequisites:** junior standing and admis to the School of Education.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 326 Environmental Education for Teachers**

1 cr. Undergraduate.

Study of environmental issues and problems affecting local, state, and national resources. Fulfills WI DPI certification required for teachers.

**Prerequisites:** jr st, admis to School of Educ.

**Last Taught:** Spring 2013, Fall 2012, Summer 2012, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 327 Teaching of Science in the Elementary School**

1-4 cr. Undergraduate.

The objectives, materials, and techniques of teaching elementary science.

**Prerequisites:** jr st; admis to School of Educ; CURRINS 306(P).

**Course Rules:** May not be retaken for degree cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 328 Introduction to Teaching Science and Mathematics in Middle and High School**

3 cr.

Exploration of science and mathematics teaching through developing some foundational teaching strategies and working with students in middle and high schools.

**Prerequisites:** none.**Course Rules:** CURRINS 328 and CGS EDU 328 are jointly offered, and count as repeats of one another.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 330 Teaching of Mathematics 1**

3 cr. Undergraduate.

Methods and curriculum for facilitating the learning of mathematics with children ages 3-8. Emphasis on number concepts, problem solving, and intuitive geometry.

**Prerequisites:** junior standing, admission to the School of Education, and a grade of C or better in MATH 176(P); or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 331 Teaching of Mathematics 2**

3 cr. Undergraduate.

Methods and curriculum for teaching mathematics. Emphasis on children's development of whole number reasoning, spatial reasoning, and geometry.

**Prerequisites:** junior standing, admis to the School of Education, and CURRINS 306(P); or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 332 Teaching of Mathematics 3**

2-3 cr. Undergraduate.

Advanced methods and curriculum for the teaching of mathematics. Emphasis on children's development of rational numbers, algebra, statistics, and applications.

**Prerequisites:** junior standing, admis to the School of Education, and CURRINS 331(P).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 333 Introduction to Teaching, Grades 1-8**

3 cr. Undergraduate.

Introduction to the teaching profession in grades 1-8 in urban setting. Overview of educational, multicultural, social and economic, and political issues that influence urban schools.

**Prerequisites:** ED PSY 330(C) or cons instr.**Last Taught:** Spring 2017, Spring 2016, Fall 2015, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 334 Teaching of Modern Foreign Languages**

1-4 cr. Undergraduate.

The study of modern foreign language; application of teaching methods to the teaching of modern foreign languages.

**Prerequisites:** jr st; admis to School of Educ.**Last Taught:** Fall 2006, Fall 2005, Fall 2004, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 335 Instructional Computing I for Teachers**

1 cr. Undergraduate.

Introduction to instructional computing for teachers with emphasis on primary grades.

**Prerequisites:** admis to Collaborative Teacher Ed Prog for Urban Communities.**Last Taught:** Fall 2007, Spring 2007, Fall 2006, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 336 Instructional Computing II for Teachers**

1 cr. Undergraduate.

Instructional computing for teachers with emphasis on intermediate grades.

**Prerequisites:** admis to MCEA prog.**Last Taught:** Spring 2014, Fall 2013, Spring 2013, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 337 Instructional Computing III for Teachers**

1 cr. Undergraduate.

Instructional computing with emphasis on electronic portfolio development.

**Prerequisites:** admis to MCEA (Middle Childhood through Early Adolescence) program and CURRINS 336(P).**Last Taught:** Fall 2014, Spring 2014, Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 338 Teaching of Science in Early Childhood**

3 cr. Undergraduate.

Objectives, materials, and teaching methods for science in Early Childhood.

**Prerequisites:** junior standing, admission to the School of Education, CURRINS 540(C), and CURRINS 302(P); or consent of instructor.**Course Rules:** Counts as a repeat of TCH LRN 338.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 340 Field Experience in Preschool and Kindergarten Classrooms**

2 cr. Undergraduate.

Field experience with children in prekindergarten/kindergarten. Focus on early literacy lesson planning.

**Prerequisites:** CURRINS 240(P), CURRINS 502(C), and admission to the School of Education; or consent of instructor.**Course Rules:** Counts as a repeat of EXCEDUC 648 or TCH LRN 309.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 343 Teaching of Reading**

1-4 cr. Undergraduate.

An introductory course in the teaching of reading. Involves fieldwork. Designed for students without teaching experience.

**Prerequisites:** admis to School of Educ or cons instr.**Last Taught:** Fall 2012, Spring 2012, Fall 2011, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 350 Field Seminar in Language Education**

1 cr. Undergraduate.

Accompanies pre-student teaching in order to provide students a structured opportunity to share what is happening in the classroom, what's going well, and in what areas support is needed.

**Prerequisites:** junior standing, CURRINS 437(C) or CURRINS 443(C); or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 375 Using Technology for Teaching and Learning**

1 cr. Undergraduate.

Introduce students to various forms of technology used in the PK-12 classrooms.

**Prerequisites:** none.

**Course Rules:** Jointly offered with and counts as repeat of EXCEDUC 375.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 376 Understanding and Developing the edTPA**

1 cr. Undergraduate.

In-depth overview of all components of the edTPA; practice of skills including video recording, uploading and compressing video, writing summaries.

**Prerequisites:** none.

**Course Rules:** Jointly offered with and counts as repeat of EXCEDUC 376.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 377 Wisconsin Foundations of Reading**

1 cr. Undergraduate.

Foundational literacy assessment and instruction for diverse learners to prepare for the Wisconsin Foundations of Reading test. Focus on reading development grades PreK-8.

**Prerequisites:** none.

**Course Rules:** Jointly offered with and counts as repeat of EXCEDUC 377.

Credit/No Credit only.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 378 Implementing the edTPA in a Clinical Setting**

1-4 cr. Undergraduate.

In-depth overview of all components of the edTPA. Opportunities to engage in learning activities and assignments that will increase understandings of the edTPA requirements.

**Prerequisites:** none.

**Course Rules:** May be retaken for credit. Credit/no credit only.

**Last Taught:** Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 380 Teaching Music in Elementary Schools I, II**

2 cr. Undergraduate.

Methods, materials and observation of teaching vocal music in grades K-6. Includes junior participating experience.

**Prerequisites:** jr st & admis to school of educ or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 400 Field Work in Curriculum and Instruction:**

1-6 cr. Undergraduate.

Credit value determined by faculty advisor and student based on the nature of the project, amount of time student will spend with the project, and relevant evaluation criteria agreed upon in advance.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken for cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 401 Seminar for Student Teaching**

1 cr. Undergraduate.

Collaboration around solving problems encountered in urban teaching through a structured inquiry format with others involved in the student teaching experience.

**Prerequisites:** jr st; admis to School of Educ.

**Last Taught:** Spring 2014, Fall 2013, Spring 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 402 Student Teaching in Nursery and Kindergarten**

6 cr. Undergraduate.

**Prerequisites:** jr st; admis to School of Educ.

**Last Taught:** Spring 2014, Fall 2013, Spring 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 404 Student Teaching in Primary Grades**

6 cr. Undergraduate.

**Prerequisites:** jr st & admis to student teaching.

**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 406 Advanced Clinical Experience in Elementary and Middle Education**

3-4 cr. Undergraduate.

Advanced clinical experience focusing on instructional practices in elementary and middle education.

**Prerequisites:** junior standing, admis to the School of Education and CURRINS 558(C); or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 407 Student Teaching in Elementary and Middle Education**

5-9 cr. Undergraduate.

Student teaching in grades K4-9.

**Prerequisites:** junior standing, admis to the School of Education, CURRINS 471(C) and CURRINS 406(P); or consent of instructor.

**Course Rules:** Repeatable to a max of 12 credits.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 415 Preliminary Student Teaching:**

1-6 cr. Undergraduate/Graduate.

Initial Student Teaching Experience for EAA Licensure Candidates.

**Prerequisites:** jr st; eligibility for student teaching & dept req.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 415G Preliminary Student Teaching:**

1-6 cr. Undergraduate/Graduate.

Initial Student Teaching Experience for EAA Licensure Candidates.

**Prerequisites:** jr st; eligibility for student teaching & dept req.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 423 Student Teaching in Social Studies**

10-12 cr. Undergraduate/Graduate.

Final Student Teaching Semester for EAA Social Studies Licensure Candidates.

**Prerequisites:** jr st; eligibility for student teaching & dept req.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 423G Student Teaching in Social Studies**

10-12 cr. Undergraduate/Graduate.

Final Student Teaching Semester for EAA Social Studies Licensure Candidates.

**Prerequisites:** jr st; eligibility for student teaching & dept req.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 427 Student Teaching in Science**

2-6 cr. Undergraduate.

**Prerequisites:** jr st; eligibility for student teaching & dept req.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 428 Student Teaching Science Seminar**

3 cr. Undergraduate/Graduate.

Seminar to support secondary science student teachers. Planning and debriefing lessons, analyzing pedagogy and student work, preparation for teaching licensure assessments.

**Prerequisites:** jr st; eligibility for student teaching.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 428G Student Teaching Science Seminar**

3 cr. Undergraduate/Graduate.

Seminar to support secondary science student teachers. Planning and debriefing lessons, analyzing pedagogy and student work, preparation for teaching licensure assessments.

**Prerequisites:** jr st; eligibility for student teaching.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 430 Student Teaching in Computer Science**

2-6 cr. Undergraduate.

**Prerequisites:** jr st; eligibility for student teaching & dept req.**Last Taught:** Fall 2013, Spring 2011, Fall 2009, Spring 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 431 Student Teaching in Mathematics**

2-6 cr. Undergraduate.

**Prerequisites:** jr st; eligibility for student teaching & dept req.**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 432 Student Teaching Mathematics Seminar**

3 cr. Undergraduate/Graduate.

Seminar to support secondary mathematics student teachers. Planning and debriefing lessons, analyzing pedagogy and student work, preparation for teaching licensure assessments.

**Prerequisites:** jr st or grad st; eligibility for student teaching.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 432G Student Teaching Mathematics Seminar**

3 cr. Undergraduate/Graduate.

Seminar to support secondary mathematics student teachers.

Planning and debriefing lessons, analyzing pedagogy and student work, preparation for teaching licensure assessments.

**Prerequisites:** jr st or grad st; eligibility for student teaching.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 437 Pre-Student Teaching in World Language Education**

2-12 cr. Undergraduate.

Students pursuing World Language teacher certification.

**Prerequisites:** junior standing; eligibility for pre-student teaching; or consent of instructor.**Course Rules:** May be retaken to max of 12 cr.**Last Taught:** Fall 2023, Fall 2019, Spring 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 438 Student Teaching in World Language Education**

2-12 cr. Undergraduate.

Students pursuing World Language teacher certification.

**Prerequisites:** junior standing; eligibility for student teaching; or consent of instructor.**Course Rules:** May be retaken to max of 12 cr.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 440 Field Experience in the Primary Grades**

2 cr. Undergraduate.

Field experience with children in primary grades. Focus on literacy lesson planning.

**Prerequisites:** junior standing, admission to the School of Education, CURRINS 340(P) and CURRINS 504(C); or consent of instructor.**Course Rules:** Counts as a repeat of TCH LRN 409 or EXCEDUC 649.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 442 Student Teaching in Bilingual Education**

2-12 cr. Undergraduate.

Students pursuing a supplemental certification in bilingual: EC, MC-EA, EA-A, or EC-A.

**Prerequisites:** jr st & admis to student teaching.**Course Rules:** May be retaken to 12 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 443 Pre-Student Teaching in English as a Second Language Education**

2-12 cr. Undergraduate.

Students pursuing English as a Second Language teacher certification.

**Prerequisites:** junior standing; eligibility for student teaching; or consent of instructor.**Course Rules:** May be retaken to max of 12 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 444 Student Teaching in English as a Second Language Education**

2-12 cr. Undergraduate.

Students pursuing ESL teacher certification.

**Prerequisites:** junior standing; eligibility for student teaching; or consent of instructor.

**Course Rules:** May be retaken to max of 12 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 445 Seminar in Language Education**

3 cr. Undergraduate.

Provides student teachers in the Language Education program support to reflect on their student teaching experience and successfully complete the program portfolio.

**Prerequisites:** Admis to School of Educ; CURRINS 437(C), CURRINS 438(C), CURRINS 442(C), CURRINS 443(C), or CURRINS 444(C).

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 452 Student Teaching in English**

2-6 cr. Undergraduate.

**Prerequisites:** jr st; eligibility for student teaching & dept req.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 470 Professional Urban Teaching Linking Seminar:**

2 cr. Undergraduate.

Facilitates professional growth and development of teachers through structured inquiry, professional collaboration to solve problems in urban teaching, and personal assessment of progress using portfolios.

**Prerequisites:** jr st; admis to School of Educ.

**Course Rules:** May be retaken/chg in topic to max of 8 cr.

**Last Taught:** Fall 2014, Spring 2014, Fall 2013, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 471 Student Teaching Seminar: The Effective Urban Educator**

3 cr. Undergraduate.

Seminar to support student teachers in elementary and middle education. Emphasis on reflective practice, culturally responsive teaching, and professionalism.

**Prerequisites:** junior standing, admis to the School of Education and CURRINS 407(C); or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 497 Study Abroad**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** junior standing, consent of instructor, and acceptance for Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Summer 2023, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 497G Study Abroad**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** junior standing, consent of instructor, and acceptance for Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Summer 2023, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 499 Independent Reading:**

1-4 cr. Undergraduate.

**Prerequisites:** jr st.

**Course Rules:** May be retaken.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 500 Workshop in Curriculum and Instruction:**

1-6 cr. Undergraduate/Graduate.

Development of teacher growth through problem solving, self-expression, group thinking, and individual study. Individuals or small groups work on problems growing out of their professional needs. Specific topics and any additional prerequisites will be announced in Timetable each time the course is offered.

**Prerequisites:** jr st or grad st.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2009, Summer 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 500G Workshop in Curriculum and Instruction:**

1-6 cr. Undergraduate/Graduate.

Development of teacher growth through problem solving, self-expression, group thinking, and individual study. Individuals or small groups work on problems growing out of their professional needs. Specific topics and any additional prerequisites will be announced in Timetable each time the course is offered.

**Prerequisites:** jr st or grad st.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2009, Summer 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 501 Language Acquisition for Children of Diverse Backgrounds**

3 cr. Undergraduate.

Examination of theories of language acquisition and development for children of diverse backgrounds. Teaching methods for developing literacy and biliteracy. Methods of sheltered language instruction.

**Prerequisites:** sophomore standing, admission to the School of Education, CURRINS 312(P) and CURRINS 240(C); or consent of instructor.

**Course Rules:** Counts as a repeat of TCH LRN 501.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 502 Emergent Literacy and Biliteracy in the Early Childhood Classroom**

3 cr. Undergraduate.

Study of literacy and biliteracy development of young children and teaching methods to support this development in the early childhood classroom.

**Prerequisites:** jr st, admis to School of Educ, CURRINS 501(P) and CURRINS 340(C); or con instr.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 503 Assessment Issues in Language Education**

3 cr. Undergraduate/Graduate.

Approaches to assessment of first and second language learning including rationale, traditional and alternative strategies, interpretation of results for placement, instruction, and program evaluation.

**Prerequisites:** jr st or instr cons; admis to School of Educ or grad st.

**Last Taught:** Summer 2016, Summer 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 503G Assessment Issues in Language Education**

3 cr. Undergraduate/Graduate.

Approaches to assessment of first and second language learning including rationale, traditional and alternative strategies, interpretation of results for placement, instruction, and program evaluation.

**Prerequisites:** jr st or instr cons; admis to School of Educ or grad st.

**Last Taught:** Summer 2016, Summer 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 504 Methods for Biliteracy and Language Arts in Primary Grades**

3 cr. Undergraduate.

Study of literacy and biliteracy development of young children and teaching methods to support this development in the primary grades.

**Prerequisites:** jr st, admis to SOE, CURRINS 502(P) and CURRINS 440(C); or cons instr.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 505 Collaborative Relationships with Families, Schools and Communities**

3 cr. Undergraduate.

Theory and strategies for developing effective family-school relationships, with a focus on urban issues. Topics include: teacher-family communications, family education and support, community resources.

**Prerequisites:** jr st; admis to SOE; or cons instr.

**Last Taught:** Fall 2016, Summer 2016, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 508 Language and Urban Schooling**

3 cr. Undergraduate/Graduate.

General overview of the major issues in both first and second language acquisition, and the relevant implications for urban schooling.

**Prerequisites:** jr st & admis to School of Educ, or grad st; or cons instr.

**Last Taught:** Fall 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 508G Language and Urban Schooling**

3 cr. Undergraduate/Graduate.

General overview of the major issues in both first and second language acquisition, and the relevant implications for urban schooling.

**Prerequisites:** jr st & admis to School of Educ, or grad st; or cons instr.

**Last Taught:** Fall 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 509 Reading and Social Welfare**

1 cr. Undergraduate/Graduate.

Reading process, characteristics of effective reading programs and bibliotherapy as they relate to the work of school social workers.

**Prerequisites:** admis to Helen Bader School of Social Welfare.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 509G Reading and Social Welfare**

1 cr. Undergraduate/Graduate.

Reading process, characteristics of effective reading programs and bibliotherapy as they relate to the work of school social workers.

**Prerequisites:** admis to Helen Bader School of Social Welfare.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 510 Cooperative Strategies for Pre and Early Adolescents**

1-3 cr. Undergraduate/Graduate.

Teaching and management strategies consistent with fostering productive learning environments for pre and early adolescents.

**Prerequisites:** admis to School of Educ, or grad st.

**Course Rules:** May be retaken to max of 3 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 510G Cooperative Strategies for Pre and Early Adolescents**

1-3 cr. Undergraduate/Graduate.

Teaching and management strategies consistent with fostering productive learning environments for pre and early adolescents.

**Prerequisites:** admis to School of Educ, or grad st.

**Course Rules:** May be retaken to max of 3 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 511 Curriculum and Guidance for Social-Emotional Learning**

3 cr. Undergraduate.

Study of classroom teaching strategies and curriculum and guidance methods designed to enhance children's social/emotional learning.

**Prerequisites:** junior standing and admission to the School of Education.

**Course Rules:** Counts as a repeat of TCH LRN 511.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 512 Reflective Practice in Early Childhood Teaching and Learning**

3 cr. Undergraduate.

Examination of connections between the urban context, ways of understanding diversity, and professional practice in early childhood classrooms, including implications of pedagogy, curriculum, and instruction.

**Prerequisites:** sophomore standing, admission to the School of Education, and CURRINS 312(P); or consent of instructor.

**Course Rules:** Counts as a repeat of TCH LRN 512.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 514 Field Work II in Early Childhood Education-Primary**

1 cr. Undergraduate.

Field experience with children in grades 1 through 3. Completion of assignments associated with CURRINS 504 while gaining practical experience in the classroom.

**Prerequisites:** jr st, CURRINS 502(P) and CURRINS 504(C).

**Last Taught:** Spring 2016, Fall 2015, Spring 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 516 Field Work in Middle School**

2-6 cr. Undergraduate/Graduate.

Implementation of strategies learned in the 6-12 teacher education program

**Prerequisites:** admis to School of Educ or grad st.

**Course Rules:** May be taken to max of 6 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 516G Field Work in Middle School**

2-6 cr. Undergraduate/Graduate.

Implementation of strategies learned in the 6-12 teacher education program

**Prerequisites:** admis to School of Educ or grad st.

**Course Rules:** May be taken to max of 6 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 518 Science Methods I: Middle/Secondary Methods and Fieldwork**

3-6 cr. Undergraduate/Graduate.

The objectives, curriculum, instructional strategies, and assessment of middle/secondary school science.

**Prerequisites:** admis to School of Educ, or grad st.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 518G Science Methods I: Middle/Secondary Methods and Fieldwork**

3-6 cr. Undergraduate/Graduate.

The objectives, curriculum, instructional strategies, and assessment of middle/secondary school science.

**Prerequisites:** admis to School of Educ, or grad st.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 519 Science Methods II: Middle/Secondary Methods and Fieldwork**

3-6 cr. Undergraduate/Graduate.

The objectives, curriculum, instructional strategies, and assessment of middle/secondary school science. Includes fieldwork in middle/secondary school.

**Prerequisites:** admis to School of Educ or grad st.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 519G Science Methods II: Middle/Secondary Methods and Fieldwork**

3-6 cr. Undergraduate/Graduate.

The objectives, curriculum, instructional strategies, and assessment of middle/secondary school science. Includes fieldwork in middle/secondary school.

**Prerequisites:** admis to School of Educ or grad st.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 520 Developing Mathematical Thinking in Young Children**

3 cr. Undergraduate/Graduate.

Teaching and learning of mathematics, grades pre k-3. Emphasis on problem-solving, communication, developmentally appropriate experiences with whole numbers, fractions, geometry, measurement, and data analysis.

**Prerequisites:** junior standing, admis to the School of Education, and a grade of C or better in MATH 176(P); or consent of instructor.

**Last Taught:** Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 520G Developing Mathematical Thinking in Young Children**

3 cr. Undergraduate/Graduate.

Teaching and learning of mathematics, grades pre k-3. Emphasis on problem-solving, communication, developmentally appropriate experiences with whole numbers, fractions, geometry, measurement, and data analysis.

**Prerequisites:** junior standing, admis to the School of Education, and a grade of C or better in MATH 176(P); or consent of instructor.

**Last Taught:** Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 522 Economic Education**

3 cr. Undergraduate/Graduate.

Approaches to teaching economic principles. Applications of economic reasoning to current problems. Curricular implications for school programs, grades K-12.

**Prerequisites:** jr st.

**Last Taught:** Fall 2006, Summer 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 522G Economic Education**

3 cr. Undergraduate/Graduate.

Approaches to teaching economic principles. Applications of economic reasoning to current problems. Curricular implications for school programs, grades K-12.

**Prerequisites:** jr st.

**Last Taught:** Fall 2006, Summer 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 523 Current Issues and Practices in the Teaching of Social Studies**

3 cr. Undergraduate/Graduate.

Examination of current issues in social studies curriculum reform. Emphasis on the latest research and teaching practices.

**Prerequisites:** CURRINS 323(P) or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 523G Current Issues and Practices in the Teaching of Social Studies**

3 cr. Undergraduate/Graduate.

Examination of current issues in social studies curriculum reform.

Emphasis on the latest research and teaching practices.

**Prerequisites:** CURRINS 323(P) or grad st.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 525 Environmental Resources Workshop:**

1-3 cr. Undergraduate/Graduate.

Methods and curriculum for teaching about environmental problems.

Topic-specific prereq will be published in the Schedule of Classes

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to max of 6 cr.**Last Taught:** Summer 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 525G Environmental Resources Workshop:**

1-3 cr. Undergraduate/Graduate.

Methods and curriculum for teaching about environmental problems.

Topic-specific prereq will be published in the Schedule of Classes

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to max of 6 cr.**Last Taught:** Summer 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 527 Science in the Elementary School**

3 cr. Undergraduate/Graduate.

Study of science curriculum materials; instructional procedures; analysis of pupil learning modes; experience with science equipment; teaching of science as inquiry; individual problems and projects.

**Prerequisites:** jr st & admis to School of Educ; or grad st.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 527G Science in the Elementary School**

3 cr. Undergraduate/Graduate.

Study of science curriculum materials; instructional procedures; analysis of pupil learning modes; experience with science equipment; teaching of science as inquiry; individual problems and projects.

**Prerequisites:** jr st & admis to School of Educ; or grad st.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 530 Workshop in Computer Instruction in the Schools**

3 cr. Undergraduate/Graduate.

Examination, construction and evaluation of computer extended instruction. Emphasis on participant development of curriculum materials and instructional procedures centered on pupil development.

**Prerequisites:** jr st; cons instr.**Course Rules:** Not open to students who have cr in ED PSY 530, which is identical to CURRINS 530.**Last Taught:** Summer 2005, Summer 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 530G Workshop in Computer Instruction in the Schools**

3 cr. Undergraduate/Graduate.

Examination, construction and evaluation of computer extended instruction. Emphasis on participant development of curriculum materials and instructional procedures centered on pupil development.

**Prerequisites:** jr st; cons instr.**Course Rules:** Not open to students who have cr in ED PSY 530, which is identical to CURRINS 530.**Last Taught:** Summer 2005, Summer 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 531 Teaching of Computer Science**

3 cr. Undergraduate/Graduate.

Methods and curriculum for the teaching of computer science in the secondary schools. A brief introduction to management of a computer laboratory.

**Prerequisites:** jr st & admis to School of Educ and COMPSCI 351(P); or grad st.**Last Taught:** Summer 2013, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 531G Teaching of Computer Science**

3 cr. Undergraduate/Graduate.

Methods and curriculum for the teaching of computer science in the secondary schools. A brief introduction to management of a computer laboratory.

**Prerequisites:** jr st & admis to School of Educ and COMPSCI 351(P); or grad st.**Last Taught:** Summer 2013, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 532 Teaching of Mathematics: Secondary**

3 cr. Undergraduate/Graduate.

Methods and curriculum for the teaching of mathematics in middle and high schools.

**Prerequisites:** jr st; admis to School of Educ.**Last Taught:** Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 532G Teaching of Mathematics: Secondary**

3 cr. Undergraduate/Graduate.

Methods and curriculum for the teaching of mathematics in middle and high schools.

**Prerequisites:** jr st; admis to School of Educ.**Last Taught:** Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 533 Foreign Language Workshop**

1-4 cr. Undergraduate/Graduate.

Analysis of current developments and changes in foreign language education. Critical examination of specific problems, conflicts, and trends -e.g. in teaching basic skills, teaching culture and literature, use of audio-visual materials and the language laboratory; the effect of current competition and foreign language student teaching supervision. Study of curriculum revision and of instructional materials. Individual curriculum projects or research possibilities.

**Prerequisites:** jr st & cons dept. Not available for grad cr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 533G Foreign Language Workshop**

1-4 cr. Undergraduate/Graduate.

Analysis of current developments and changes in foreign language education. Critical examination of specific problems, conflicts, and trends -e.g. in teaching basic skills, teaching culture and literature, use of audio-visual materials and the language laboratory; the effect of current competition and foreign language student teaching supervision. Study of curriculum revision and of instructional materials. Individual curriculum projects or research possibilities.

**Prerequisites:** jr st & cons dept. Not available for grad cr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 534 Instructional Strategies in Early Childhood Education**

3 cr. Undergraduate.

Study of instructional strategies and practices in the early childhood classroom to promote effective teaching and engaged learning for all children.

**Prerequisites:** jr st & admis to SOE; or cons instr.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 535 Methods and Techniques in Affective Education**

1-3 cr. Undergraduate/Graduate.

Basic principles and practical techniques for instruction in the affective domain are modeled and practiced. Although process oriented, the course does not neglect theoretical frameworks.

**Prerequisites:** jr st.**Last Taught:** Fall 2009, Spring 1990.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 535G Methods and Techniques in Affective Education**

1-3 cr. Undergraduate/Graduate.

Basic principles and practical techniques for instruction in the affective domain are modeled and practiced. Although process oriented, the course does not neglect theoretical frameworks.

**Prerequisites:** jr st.**Last Taught:** Fall 2009, Spring 1990.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 536 Literacy 1: Assessing and Teaching Early Literacy**

3 cr. Undergraduate/Graduate.

Addresses early reading and language arts assessment and instruction with diverse learners. Includes concurrent clinical experience.

**Prerequisites:** jr st, CURRINS 306(C) & admis to SOE; or cons instr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 536G Literacy 1: Assessing and Teaching Early Literacy**

3 cr. Undergraduate/Graduate.

Addresses early reading and language arts assessment and instruction with diverse learners. Includes concurrent clinical experience.

**Prerequisites:** jr st, CURRINS 306(C) & admis to SOE; or cons instr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 537 Literacy 2: Assessing and Teaching Literacy through Early Adolescence**

3 cr. Undergraduate/Graduate.

The role of reading and language arts assessment and instruction with diverse learners elementary and middle school classrooms with particular emphasis on comprehension, vocabulary, and disciplinary literacy.

**Prerequisites:** junior standing and admis to the School of Education; or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 537G Literacy 2: Assessing and Teaching Literacy through Early Adolescence**

3 cr. Undergraduate/Graduate.

The role of reading and language arts assessment and instruction with diverse learners elementary and middle school classrooms with particular emphasis on comprehension, vocabulary, and disciplinary literacy.

**Prerequisites:** junior standing and admis to the School of Education; or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 538 Literacy 3: Introduction to New Literacies**

3 cr. Undergraduate/Graduate.

Examines research based processes for literacy instruction, effects of and approaches for the use of technology on literacy development.

**Prerequisites:** jr st, admis to SOE and CURRINS 537(P); or cons instr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 538G Literacy 3: Introduction to New Literacies**

3 cr. Undergraduate/Graduate.

Examines research based processes for literacy instruction, effects of and approaches for the use of technology on literacy development.

**Prerequisites:** jr st, admis to SOE and CURRINS 537(P); or cons instr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 540 Advanced Field Experience in Early Childhood Education**

3-6 cr. Undergraduate.

Advanced field experience, culmination of pre-student teaching experiences.

**Prerequisites:** sr st, admis to SOE and CURRINS 440(P); or cons instr.**Course Rules:** May be retaken to 9 cr max.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 541 Principles and Methods of Teaching ESL**

3 cr. Undergraduate/Graduate.

Techniques of introducing ESL at the K-12 level. Teaching of basic language skills, especially listening comprehension and speaking. Curriculum materials and current literature in ESL. Micro teaching provided.

**Prerequisites:** jr st and admis to SOE; or cons instr**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 541G Principles and Methods of Teaching ESL**

3 cr. Undergraduate/Graduate.

Techniques of introducing ESL at the K-12 level. Teaching of basic language skills, especially listening comprehension and speaking. Curriculum materials and current literature in ESL. Micro teaching provided.

**Prerequisites:** jr st and admis to SOE; or cons instr**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 542 History and Politics of Second Language Education**

3 cr. Undergraduate/Graduate.

General overview of the history, politics, legal and social contexts of language education in the United States today.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 542G History and Politics of Second Language Education**

3 cr. Undergraduate/Graduate.

General overview of the history, politics, legal and social contexts of language education in the United States today.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 543 Developing Bilingual Literacy**

3 cr. Undergraduate/Graduate.

Stresses the practical application of theory and research on language development in a bilingual setting. The development of primary language skills is emphasized.

**Prerequisites:** jr st or cons instr; admis to School of Educ, or grad st.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 543G Developing Bilingual Literacy**

3 cr. Undergraduate/Graduate.

Stresses the practical application of theory and research on language development in a bilingual setting. The development of primary language skills is emphasized.

**Prerequisites:** jr st or cons instr; admis to School of Educ, or grad st.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 544 Improving the Teaching of Reading:**

1-3 cr. Undergraduate/Graduate.

Focuses on instructional problems of teachers in teaching developmental reading. Specific topic and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st; teaching experience.**Course Rules:** May be retaken w/chg in topic to max of 6 cr.**Last Taught:** Fall 2004, Summer 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 544G Improving the Teaching of Reading:**

1-3 cr. Undergraduate/Graduate.

Focuses on instructional problems of teachers in teaching developmental reading. Specific topic and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st; teaching experience.**Course Rules:** May be retaken w/chg in topic to max of 6 cr.**Last Taught:** Fall 2004, Summer 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 545 Reading in the Content Areas: Middle, Junior, and Senior High School**

3 cr. Undergraduate/Graduate.

Survey of reading process and developmental reading in the middle, junior and senior high school. Emphasis on application of instructional techniques relating the use of reading within subject matter fields.

**Prerequisites:** jr st; admis to School of Educ or grad st.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 545G Reading in the Content Areas: Middle, Junior, and Senior High School**

3 cr. Undergraduate/Graduate.

Survey of reading process and developmental reading in the middle, junior and senior high school. Emphasis on application of instructional techniques relating the use of reading within subject matter fields.

**Prerequisites:** jr st; admis to School of Educ or grad st.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 546 Language, Content, and Comprehensible Input**

3 cr. Undergraduate/Graduate.

Theories and methods for delivering content to second language learners. Models of sheltered and learning strategies instruction will be explored.

**Prerequisites:** junior standing or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 546G Language, Content, and Comprehensible Input**

3 cr. Undergraduate/Graduate.

Theories and methods for delivering content to second language learners. Models of sheltered and learning strategies instruction will be explored.

**Prerequisites:** junior standing or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 547 Curricular Applications of the Internet**

3 cr. Undergraduate/Graduate.

Analysis and construction of internet based instruction focusing on the use of interactive media in grades 1-12.

**Prerequisites:** jr st & admis to School of Educ, or grad st.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 547G Curricular Applications of the Internet**

3 cr. Undergraduate/Graduate.

Analysis and construction of internet based instruction focusing on the use of interactive media in grades 1-12.

**Prerequisites:** jr st & admis to School of Educ, or grad st.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 550 Using Children's Literature to Explore Latin Am/Latino Cultural Heritage**

3 cr. Undergraduate/Graduate.

Using children's books that explore Latin American/Latino cultural heritage.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of CURRINS 579 with similar topic.**Last Taught:** Summer 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 550G Using Children's Literature to Explore Latin Am/Latino Cultural Heritage**

3 cr. Undergraduate/Graduate.

Using children's books that explore Latin American/Latino cultural heritage.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of CURRINS 579 with similar topic.**Last Taught:** Summer 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 551 Teaching of Language Arts**

1-4 cr. Undergraduate/Graduate.

Survey of curriculum, methods and materials in skills and expressive areas of language, linking theory with practical instructional strategies in both preschool and elementary settings.

**Prerequisites:** jr st & admis to School of Educ; or grad st.**Last Taught:** Summer 2010, Summer 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 551G Teaching of Language Arts**

1-4 cr. Undergraduate/Graduate.

Survey of curriculum, methods and materials in skills and expressive areas of language, linking theory with practical instructional strategies in both preschool and elementary settings.

**Prerequisites:** jr st & admis to School of Educ; or grad st.**Last Taught:** Summer 2010, Summer 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 552 Teaching Reading, Grades 1-3**

3 cr. Undergraduate/Graduate.

Foundations of reading and instructional strategies which support the development of literacy learning in the primary grades (grades 1-3) with concurrent teaching field experience.

**Prerequisites:** jr st, Admis to School of Educ; or grad st.**Course Rules:** Counts as repeat of 3 cr of CURRINS 506.**Last Taught:** Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 552G Teaching Reading, Grades 1-3**

3 cr. Undergraduate/Graduate.

Foundations of reading and instructional strategies which support the development of literacy learning in the primary grades (grades 1-3) with concurrent teaching field experience.

**Prerequisites:** jr st, Admis to School of Educ; or grad st.**Course Rules:** Counts as repeat of 3 cr of CURRINS 506.**Last Taught:** Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 553 Teaching Language Arts and Children's Literature, Grades 1-3**

3 cr. Undergraduate/Graduate.

Language arts instruction and children's literature in the middle childhood grades (grades 1-3) with concurrent teaching field experience.

**Prerequisites:** jr st; admis to School of Educ; or grad st.**Course Rules:** Counts as repeat of 3 cr of CURRINS 506.**Last Taught:** Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 553G Teaching Language Arts and Children's Literature, Grades 1-3**

3 cr. Undergraduate/Graduate.

Language arts instruction and children's literature in the middle childhood grades (grades 1-3) with concurrent teaching field experience.

**Prerequisites:** jr st; admis to School of Educ; or grad st.**Course Rules:** Counts as repeat of 3 cr of CURRINS 506.**Last Taught:** Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 554 Teaching Reading and Adolescent Literature, Grades 4-8**

3 cr. Undergraduate/Graduate.

Reading instruction and literature for early adolescents, grades 4-8 with concurrent teaching field experience.

**Prerequisites:** jr st; admis to School of Educ; CURRINS 552(P); or grad st.**Course Rules:** Counts as repeat of 3 cr of CURRINS 507.**Last Taught:** Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 554G Teaching Reading and Adolescent Literature, Grades 4-8**

3 cr. Undergraduate/Graduate.

Reading instruction and literature for early adolescents, grades 4-8 with concurrent teaching field experience.

**Prerequisites:** jr st; admis to School of Educ; CURRINS 552(P); or grad st.**Course Rules:** Counts as repeat of 3 cr of CURRINS 507.**Last Taught:** Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 555 Teaching Language Arts, Grades 4-8**

3 cr. Undergraduate/Graduate.

Language arts instruction in the early adolescent grades, grades 4-8, with concurrent teaching field experience.

**Prerequisites:** jr st; admis to School of Educ; CURRINS 553(P); or grad st.**Course Rules:** Counts as repeat of 3 cr of CURRINS 507.**Last Taught:** Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 555G Teaching Language Arts, Grades 4-8**

3 cr. Undergraduate/Graduate.

Language arts instruction in the early adolescent grades, grades 4-8, with concurrent teaching field experience.

**Prerequisites:** jr st; admis to School of Educ; CURRINS 553(P); or grad st.**Course Rules:** Counts as repeat of 3 cr of CURRINS 507.**Last Taught:** Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 556 Professional Linking Seminar 1**

3 cr. Undergraduate/Graduate.

Linking seminar connected to Professional Semester 1 field experience.

**Prerequisites:** junior standing, admission to the School of Education, and CURRINS 306(C); or consent of instructor.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 556G Professional Linking Seminar 1**

3 cr. Undergraduate/Graduate.

Linking seminar connected to Professional Semester 1 field experience.

**Prerequisites:** junior standing, admission to the School of Education, and CURRINS 306(C); or consent of instructor.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 557 Professional Linking Seminar 2**

3 cr. Undergraduate/Graduate.

Linking seminar connect to Professional Semester 2 field experience.

**Prerequisites:** junior standing, admission to SOE, CURRINS 556(P) and CURRINS 307(C); or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 557G Professional Linking Seminar 2**

3 cr. Undergraduate/Graduate.

Linking seminar connect to Professional Semester 2 field experience.

**Prerequisites:** junior standing, admission to SOE, CURRINS 556(P) and CURRINS 307(C); or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 558 Professional Linking Seminar 3**

3 cr. Undergraduate/Graduate.

Linking seminar connected to Professional Semester 3 field experience.

**Prerequisites:** junior standing, admission to SOE, CURRINS 557(P) and CURRINS 406(C); or consent of instructor.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 558G Professional Linking Seminar 3**

3 cr. Undergraduate/Graduate.

Linking seminar connected to Professional Semester 3 field experience.

**Prerequisites:** junior standing, admission to SOE, CURRINS 557(P) and CURRINS 406(C); or consent of instructor.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 560 Improving Mathematics Teaching and Learning:**

1-3 cr. Undergraduate/Graduate.

Focuses on instructional and curricular issues in mathematics. Specific topics and any additional prereqs will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st or grad st.**Course Rules:** May be retaken w/chg in topic to 18 cr max.**Last Taught:** Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 560G Improving Mathematics Teaching and Learning:**

1-3 cr. Undergraduate/Graduate.

Focuses on instructional and curricular issues in mathematics. Specific topics and any additional prereqs will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st or grad st.**Course Rules:** May be retaken w/chg in topic to 18 cr max.**Last Taught:** Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 561 Mathematics Learners in Special Education I**

3 cr. Undergraduate/Graduate.

Introduction to the teaching and learning of mathematics in special education. Emphasis on students' mathematical development, assessment, instructional approaches, and curricular supports.

**Prerequisites:** jr st; MATH 176(P); admis to Exceptional Education cert prog.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 561G Mathematics Learners in Special Education I**

3 cr. Undergraduate/Graduate.

Introduction to the teaching and learning of mathematics in special education. Emphasis on students' mathematical development, assessment, instructional approaches, and curricular supports.

**Prerequisites:** jr st; MATH 176(P); admis to Exceptional Education cert prog.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 562 Mathematics Learners in Special Education II**

3 cr. Undergraduate/Graduate.

Continued study of students mathematical development, instructional approaches, and curricular supports in K-12 mathematics.

**Prerequisites:** jr st; CURRINS 561(P); admis to Exceptional Education certificate program.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 562G Mathematics Learners in Special Education II**

3 cr. Undergraduate/Graduate.

Continued study of students mathematical development, instructional approaches, and curricular supports in K-12 mathematics.

**Prerequisites:** jr st; CURRINS 561(P); admis to Exceptional Education certificate program.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 565 Pedagogy Labs:**

1 cr. Undergraduate.

Students concurrently or previously enrolled in content-specific courses will study issues of teaching pedagogy related to that content.

**Prerequisites:** cons instr.**Course Rules:** May be retaken w/chg in topic to 6 credit max.**Last Taught:** Fall 2012, Summer 2012, Spring 2012, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 566 Pedagogy Labs - Linking English Content and Processes with Pedagogy**

1 cr. Undergraduate.

Examines the instructional implications for English content and processes and is taken concurrently with ENGLISH 201.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of CURRINS 565 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 567 Pedagogy Labs - Linking History Content and Processes with Pedagogy**

1 cr. Undergraduate.

Examines the instructional implications for history content and processes and is taken concurrently with HIST152.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of CURRINS 565 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 569 Pedagogy Labs - Linking Mathematics Content and Processes with Pedagogy**

1 cr. Undergraduate.

Examines connections between the content material of mathematics courses MATH 175, MATH 176, MATH, 275, MATH 276, MATH 277, MATH 278 and K-12 pedagogical practices. Taken concurrently with one of the courses listed.

**Prerequisites:** one of the following: MATH 175(C), MATH 176(C), MATH 275(C), MATH 276(C), MATH 277(C) or MATH 278(C).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 570 Improving Science Teaching and Learning:**

1-3 cr. Undergraduate/Graduate.

Focuses on instructional and curricular issues in science. Specific topics and any additional prereqs will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st; teaching experience.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Summer 2015, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 570G Improving Science Teaching and Learning:**

1-3 cr. Undergraduate/Graduate.

Focuses on instructional and curricular issues in science. Specific topics and any additional prereqs will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st; teaching experience.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Summer 2015, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 579 Current Topics in Curriculum and Instruction:**

1-3 cr. Undergraduate/Graduate.

The specific topic will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st, cons instr.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr including cr earned under CURRINS 779.

**Last Taught:** Summer 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 579G Current Topics in Curriculum and Instruction:**

1-3 cr. Undergraduate/Graduate.

The specific topic will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st, cons instr.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr including cr earned under CURRINS 779.

**Last Taught:** Summer 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 580 Mathematics Education:**

1-3 cr. Undergraduate/Graduate.

Analysis of school and classroom practices in mathematics. Specific topics and any additional prereqs will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st or grad st.

**Course Rules:** Retakeable.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 580G Mathematics Education:**

1-3 cr. Undergraduate/Graduate.

Analysis of school and classroom practices in mathematics. Specific topics and any additional prereqs will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st or grad st.

**Course Rules:** Retakeable.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 585 Best Practices in Early Childhood for Children and Families**

3 cr. Undergraduate/Graduate.

Child care as a family-friendly community including integration of child growth and development principles into all aspects of the program.

**Prerequisites:** junior standing; admis to child care director's program or consent of instructor.

**Last Taught:** Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 585G Best Practices in Early Childhood for Children and Families**

3 cr. Undergraduate/Graduate.

Child care as a family-friendly community including integration of child growth and development principles into all aspects of the program.

**Prerequisites:** junior standing; admis to child care director's program or consent of instructor.

**Last Taught:** Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 593 Supervision of Student Teaching**

1 cr. Undergraduate/Graduate.

Roles and responsibilities of the supervising teacher in planning, guidance and evaluation of the learning experiences of prospective teachers.

**Prerequisites:** current teacher certification.

**Last Taught:** Summer 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 593G Supervision of Student Teaching**

1 cr. Undergraduate/Graduate.

Roles and responsibilities of the supervising teacher in planning, guidance and evaluation of the learning experiences of prospective teachers.

**Prerequisites:** current teacher certification.

**Last Taught:** Summer 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 601 Early Childhood Seminar in Student Teaching**

3 cr. Undergraduate.

Collaboration around challenges encountered in urban student teaching through a structured inquiry format with peers.

**Prerequisites:** senior standing, admission to the School of Education, and CURRINS 640(C); or consent of instructor.

**Course Rules:** Counts as a repeat of TCH LRN 601.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 602 Early Childhood Education**

1-4 cr. Undergraduate/Graduate.

Basic principles of curriculum planning for young children. Education in nursery schools, day care centers, kindergartens and primary grades. A study of the materials of instruction and techniques of teaching at this level.

**Prerequisites:** jr st.**Last Taught:** Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 602G Early Childhood Education**

1-4 cr. Undergraduate/Graduate.

Basic principles of curriculum planning for young children. Education in nursery schools, day care centers, kindergartens and primary grades. A study of the materials of instruction and techniques of teaching at this level.

**Prerequisites:** jr st.**Last Taught:** Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 612 Collaborations for Teachers with Families, Schools, and Communities**

3 cr. Undergraduate/Graduate.

Theory/strategies for developing effective family-school relationships, with a focus on urban issues, inclusive classrooms, teacher-family communications, family education and support, and community resources for teachers.

**Prerequisites:** jr st; admis to SOE; or cons instr.**Course Rules:** Counts as repeat of CURRINS 505 and EXCEDUC 651.

Jointly offered with and counts as repeat of EXCEDUC 612.

**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 612G Collaborations for Teachers with Families, Schools, and Communities**

3 cr. Undergraduate/Graduate.

Theory/strategies for developing effective family-school relationships, with a focus on urban issues, inclusive classrooms, teacher-family communications, family education and support, and community resources for teachers.

**Prerequisites:** jr st; admis to SOE; or cons instr.**Course Rules:** Counts as repeat of CURRINS 505 and EXCEDUC 651.

Jointly offered with and counts as repeat of EXCEDUC 612.

**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 624 Instructional Trajectories for Fraction Concepts and Operations**

3 cr. Undergraduate/Graduate.

Examination of mathematical trajectories for teaching fractions with focus on evidence-based instructional and assessment strategies and analysis of curriculum.

**Prerequisites:** jr st; teaching experience, or cons instr.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 624G Instructional Trajectories for Fraction Concepts and Operations**

3 cr. Undergraduate/Graduate.

Examination of mathematical trajectories for teaching fractions with focus on evidence-based instructional and assessment strategies and analysis of curriculum.

**Prerequisites:** jr st; teaching experience, or cons instr.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 625 Principles and Practices of Teaching Geometry and Geometric Thinking**

3 cr. Undergraduate/Graduate.

Examination of instructional sequences for geometry and analysis of teaching strategies for developing and assessing students' geometric thought.

**Prerequisites:** jr st; teaching experience.**Course Rules:** Counts as repeat of CURRINS 560 with topic Geometry and Geometric Thinking.**Last Taught:** Fall 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 625G Principles and Practices of Teaching Geometry and Geometric Thinking**

3 cr. Undergraduate/Graduate.

Examination of instructional sequences for geometry and analysis of teaching strategies for developing and assessing students' geometric thought.

**Prerequisites:** jr st; teaching experience.**Course Rules:** Counts as repeat of CURRINS 560 with topic Geometry and Geometric Thinking.**Last Taught:** Fall 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 626 Principles and Practices of Teaching Algebraic Reasoning**

3 cr. Undergraduate/Graduate.

Examination of instructional trajectories for algebra and analysis of teaching strategies for developing and assessing students' algebraic reasoning.

**Prerequisites:** jr st; teaching experience.**Last Taught:** Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 626G Principles and Practices of Teaching Algebraic Reasoning**

3 cr. Undergraduate/Graduate.

Examination of instructional trajectories for algebra and analysis of teaching strategies for developing and assessing students' algebraic reasoning.

**Prerequisites:** jr st; teaching experience.**Last Taught:** Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 629 Change and Change Strategies in Education**

1-4 cr. Undergraduate/Graduate.

This course will involve students in an exploration of individual groups and institutions as these elements relate to change processes in education. Models and strategies will be studied and applied to change problems.

**Prerequisites:** jr st; teaching experience.**Course Rules:** May be retaken to a 4 cr max.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 629G Change and Change Strategies in Education**

1-4 cr. Undergraduate/Graduate.

This course will involve students in an exploration of individual groups and institutions as these elements relate to change processes in education. Models and strategies will be studied and applied to change problems.

**Prerequisites:** jr st; teaching experience.

**Course Rules:** May be retaken to a 4 cr max.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 630 Methods for Teaching, Managing, and Assessing English and Language Arts I**

6 cr. Undergraduate/Graduate.

Objectives, materials, and techniques for managing, teaching, and assessing the subject of English and language arts I.

**Prerequisites:** junior standing and admission to ELA Education 4-12 program; or graduate standing; or permission of program director.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 630G Methods for Teaching, Managing, and Assessing English and Language Arts I**

6 cr. Undergraduate/Graduate.

Objectives, materials, and techniques for managing, teaching, and assessing the subject of English and language arts I.

**Prerequisites:** junior standing and admission to ELA Education 4-12 program; or graduate standing; or permission of program director.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 631 Methods for Teaching, Managing, and Assessing English and Language Arts II**

6 cr. Undergraduate/Graduate.

Objectives, materials, and techniques for managing, teaching, and assessing the subject of English and language arts II.

**Prerequisites:** junior standing, admission to ELA Education 4-12 program, and CURRINS 630(P); or graduate standing; or permission of program director.

**Course Rules:** CURRINS 631 is taken concurrently with CURRINS 632 unless permission is granted by the program director.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 631G Methods for Teaching, Managing, and Assessing English and Language Arts II**

6 cr. Undergraduate/Graduate.

Objectives, materials, and techniques for managing, teaching, and assessing the subject of English and language arts II.

**Prerequisites:** junior standing, admission to ELA Education 4-12 program, and CURRINS 630(P); or graduate standing; or permission of program director.

**Course Rules:** CURRINS 631 is taken concurrently with CURRINS 632 unless permission is granted by the program director.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 632 Fieldwork in English and the Language Arts**

5 cr. Undergraduate/Graduate.

Implementation of strategies learned in the English and Language Arts, 4-12 teacher education program.

**Prerequisites:** junior standing, admission to ELA Education 4-12 program, and CURRINS 630(P); or graduate standing; or permission of program director.

**Course Rules:** CURRINS 632 is taken concurrently with CURRINS 631 unless permission is granted by the program director.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 632G Fieldwork in English and the Language Arts**

5 cr. Undergraduate/Graduate.

Implementation of strategies learned in the English and Language Arts, 4-12 teacher education program.

**Prerequisites:** junior standing, admission to ELA Education 4-12 program, and CURRINS 630(P); or graduate standing; or permission of program director.

**Course Rules:** CURRINS 632 is taken concurrently with CURRINS 631 unless permission is granted by the program director.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 633 English and Language Arts Student Teaching Seminar**

3 cr. Undergraduate/Graduate.

Provides student teachers in the English and Language Arts 4-12 education program support to reflect on their student teaching experience and successfully complete their capstone assessment for Wisconsin State certification.

**Prerequisites:** junior standing and admission to ELA Education 4-12 program; a grade of C+ or better in CURRINS 630(P) and CURRINS 631(P); or graduate standing; or permission of program director.

**Course Rules:** CURRINS 633 is taken concurrently with CURRINS 452 or CURRINS 700 unless permission is granted by the program director.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 633G English and Language Arts Student Teaching Seminar**

3 cr. Undergraduate/Graduate.

Provides student teachers in the English and Language Arts 4-12 education program support to reflect on their student teaching experience and successfully complete their capstone assessment for Wisconsin State certification.

**Prerequisites:** junior standing and admission to ELA Education 4-12 program; a grade of C+ or better in CURRINS 630(P) and CURRINS 631(P); or graduate standing; or permission of program director.

**Course Rules:** CURRINS 633 is taken concurrently with CURRINS 452 or CURRINS 700 unless permission is granted by the program director.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 637 World Language Methods and Materials**

3 cr. Undergraduate/Graduate.

Basic principles and practical instructional techniques intended to prepare teachers with experiences and background to teach world languages.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 637G World Language Methods and Materials**

3 cr. Undergraduate/Graduate.

Basic principles and practical instructional techniques intended to prepare teachers with experiences and background to teach world languages.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 639 Critical Issues and Methods in World Language Education**

3 cr. Undergraduate/Graduate.

Advanced preparation for teachers of world languages that will equip them for teaching world languages to students from early childhood through adolescence.

**Prerequisites:** jr st, CURRINS 637(P) or equiv, or cons instr.**Last Taught:** Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 639G Critical Issues and Methods in World Language Education**

3 cr. Undergraduate/Graduate.

Advanced preparation for teachers of world languages that will equip them for teaching world languages to students from early childhood through adolescence.

**Prerequisites:** jr st, CURRINS 637(P) or equiv, or cons instr.**Last Taught:** Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 640 Student Teaching in Early Childhood**

6-12 cr. Undergraduate.

Full semester experience in an early childhood classroom.

**Prerequisites:** sr st; admis to SOE; CURRINS 601(C); CURRINS 540(P); or cons instr.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 642G Teaching Standard English as an Alternate Dialect in Urban Schools**

1-4 cr. Undergraduate/Graduate.

Offered once per academic year, once every second summer. Linguistic aspects of application of research and scholarship to the problems of teaching standard english in urban schools. Includes recent curricular developments and micro teaching.

**Prerequisites:** jr st.**Course Rules:** Available as grad level only.**Last Taught:** Fall 1985.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 643 Balanced Literacy Instruction in the Elementary School**

1-3 cr. Undergraduate/Graduate.

Study and implementation of assessment and teaching strategies for balanced literacy instruction including phonics.

**Prerequisites:** jr st.**Course Rules:** May be retaken to 6 cr max. Not open for cr to students with CURRINS 343(ER) or equiv.**Last Taught:** Summer 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 643G Balanced Literacy Instruction in the Elementary School**

1-3 cr. Undergraduate/Graduate.

Study and implementation of assessment and teaching strategies for balanced literacy instruction including phonics.

**Prerequisites:** jr st.**Course Rules:** May be retaken to 6 cr max. Not open for cr to students with CURRINS 343(ER) or equiv.**Last Taught:** Summer 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 644 Enhancing Literacy Learning for Diverse Learners:**

3 cr. Undergraduate/Graduate.

Teaching reading and writing to diverse learners.

**Prerequisites:** currently teaching with at least 2 yrs experience; cons instr.**Course Rules:** Jointly offered with & subtitles count as repeat of same title of EXCEDUC 644. CURRINS 644 & EXCEDUC 644 may be retaken w/ chg in topic to combined 9 cr max.**Last Taught:** Fall 2004, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 644G Enhancing Literacy Learning for Diverse Learners:**

3 cr. Undergraduate/Graduate.

Teaching reading and writing to diverse learners.

**Prerequisites:** currently teaching with at least 2 yrs experience; cons instr.**Course Rules:** Jointly offered with & subtitles count as repeat of same title of EXCEDUC 644. CURRINS 644 & EXCEDUC 644 may be retaken w/ chg in topic to combined 9 cr max.**Last Taught:** Fall 2004, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 646 University of Wisconsin System Reading Research Symposium**

1-3 cr. Undergraduate/Graduate.

Updates students on most recent reading research. Students are required to attend the two-day symposium.

**Prerequisites:** jr st.**Course Rules:** May be retaken for credit.**Last Taught:** Summer 2023, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 646G University of Wisconsin System Reading Research Symposium**

1-3 cr. Undergraduate/Graduate.

Updates students on most recent reading research. Students are required to attend the two-day symposium.

**Prerequisites:** jr st.**Course Rules:** May be retaken for credit.**Last Taught:** Summer 2023, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 647 Early Reading Empowerment: Part 1**

3 cr. Undergraduate/Graduate.

First semester of a 2 semester practicum designed for practicing teachers; develop expertise in assessing and teaching reading to struggling early literacy learners.

**Prerequisites:** currently teaching, at least 2 years teaching experience, cons instr.**Last Taught:** Fall 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 647G Early Reading Empowerment: Part 1**

3 cr. Undergraduate/Graduate.

First semester of a 2 semester practicum designed for practicing teachers; develop expertise in assessing and teaching reading to struggling early literacy learners.

**Prerequisites:** currently teaching, at least 2 years teaching experience, cons instr.

**Last Taught:** Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 648 Early Reading Empowerment: Part 2**

3 cr. Undergraduate/Graduate.

Second semester of a 2 semester practicum designed for practicing teachers; develop expertise in assessing and teaching reading to struggling early literacy learners.

**Prerequisites:** CURRINS 647(P), currently teaching, at least 2 years teaching experience, cons instr.

**Last Taught:** Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 648G Early Reading Empowerment: Part 2**

3 cr. Undergraduate/Graduate.

Second semester of a 2 semester practicum designed for practicing teachers; develop expertise in assessing and teaching reading to struggling early literacy learners.

**Prerequisites:** CURRINS 647(P), currently teaching, at least 2 years teaching experience, cons instr.

**Last Taught:** Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 649 Children's Literature**

1-4 cr. Undergraduate/Graduate.

To acquaint students with the wide range of good books for children and to provide wide reading experiences in children's literature; evaluation and use of current materials.

**Prerequisites:** jr st & admis to School of Educ; or grad st.

**Last Taught:** Spring 2007, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 649G Children's Literature**

1-4 cr. Undergraduate/Graduate.

To acquaint students with the wide range of good books for children and to provide wide reading experiences in children's literature; evaluation and use of current materials.

**Prerequisites:** jr st & admis to School of Educ; or grad st.

**Last Taught:** Spring 2007, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 650 Reading Interests of Adolescents**

3 cr. Undergraduate/Graduate.

Recently published literature for adolescents - types, themes, issues related to school programs.

**Prerequisites:** jr st.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 650G Reading Interests of Adolescents**

3 cr. Undergraduate/Graduate.

Recently published literature for adolescents - types, themes, issues related to school programs.

**Prerequisites:** jr st.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 651 Literature for the Young Child**

3 cr. Undergraduate.

Examines literature with young children to develop verbal fluency, aesthetic awareness and interest in reading. Rationales, specific instructional strategies, illustration styles and genres are discussed.

**Prerequisites:** soph st.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 653 Children's Literature: The Past Five Years**

3 cr. Undergraduate/Graduate.

Analysis of children's books published in the past five years. Arranged by genres, this course considers issues, trends, evaluative criteria, and classroom uses of books.

**Prerequisites:** jr st; CURRINS 649(P) or equiv.

**Last Taught:** Summer 2001, Summer 2000.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 653G Children's Literature: The Past Five Years**

3 cr. Undergraduate/Graduate.

Analysis of children's books published in the past five years. Arranged by genres, this course considers issues, trends, evaluative criteria, and classroom uses of books.

**Prerequisites:** jr st; CURRINS 649(P) or equiv.

**Last Taught:** Summer 2001, Summer 2000.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 655 Applied Educational Linguistics**

3 cr. Undergraduate/Graduate.

Explanation of linguistic principles which can be applied to language-based activities in the classroom and which can be useful in solving language-learning problems.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 655G Applied Educational Linguistics**

3 cr. Undergraduate/Graduate.

Explanation of linguistic principles which can be applied to language-based activities in the classroom and which can be useful in solving language-learning problems.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 657 Approaches to Teaching and Assessing Texts in the Secondary Schools**

3 cr. Undergraduate/Graduate.

Pedagogy and assessment of literature and other texts and their classroom applications: canonical and diverse literary selections; literary critical theory.

**Prerequisites:** jr st.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 657G Approaches to Teaching and Assessing Texts in the Secondary Schools**

3 cr. Undergraduate/Graduate.

Pedagogy and assessment of literature and other texts and their classroom applications: canonical and diverse literary selections; literary critical theory.

**Prerequisites:** jr st.**Last Taught:** Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 658 Teaching and Assessing English**

3 cr. Undergraduate/Graduate.

The objectives, materials, techniques and assessments of teaching English. Covers language and writing methods.

**Prerequisites:** jr st, Admis to SOE & CURRINS 657(P); or grad st.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 658G Teaching and Assessing English**

3 cr. Undergraduate/Graduate.

The objectives, materials, techniques and assessments of teaching English. Covers language and writing methods.

**Prerequisites:** jr st, Admis to SOE & CURRINS 657(P); or grad st.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 659 Teaching and Assessing Grammar to Enrich Writing**

2-3 cr. Undergraduate/Graduate.

Current research about teaching grammar, and the historical, social, and political consequences associated with various approaches to grammar instruction and assessment.

**Prerequisites:** jr st.**Course Rules:** English Educ Cert students enroll for 2 cr; other Cert students enroll for 3 cr.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 659G Teaching and Assessing Grammar to Enrich Writing**

2-3 cr. Undergraduate/Graduate.

Current research about teaching grammar, and the historical, social, and political consequences associated with various approaches to grammar instruction and assessment.

**Prerequisites:** jr st.**Course Rules:** English Educ Cert students enroll for 2 cr; other Cert students enroll for 3 cr.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 664 Dramatizing Literature in Elementary Classrooms**

1-4 cr. Undergraduate/Graduate.

Nature of creativity in children; basic principles of informal playmaking, including movement, mime, characterization, dialogue, and conflict. Using children's ideas to develop literature-based dramatizations.

**Prerequisites:** jr st.**Last Taught:** Spring 2013, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 664G Dramatizing Literature in Elementary Classrooms**

1-4 cr. Undergraduate/Graduate.

Nature of creativity in children; basic principles of informal playmaking, including movement, mime, characterization, dialogue, and conflict. Using children's ideas to develop literature-based dramatizations.

**Prerequisites:** jr st.**Last Taught:** Spring 2013, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 668 Introduction to Instructional Technology**

1-4 cr. Undergraduate/Graduate.

The utilization of instructional technology. Emphasis is placed upon the effective integration and utilization of instructional media as based upon a systems approach to organization. Laboratory exercises included.

**Prerequisites:** jr st. Not available for grad cr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 668G Introduction to Instructional Technology**

1-4 cr. Undergraduate/Graduate.

The utilization of instructional technology. Emphasis is placed upon the effective integration and utilization of instructional media as based upon a systems approach to organization. Laboratory exercises included.

**Prerequisites:** jr st. Not available for grad cr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 675 Making Schools Work: Promoting Positive Change in Chronic Problem Behavior**

3 cr. Undergraduate/Graduate.

Methods of applying system theory, cybernetics, and communication theory concepts in classrooms and schools to help solve recurring interpersonal problems and improve educational effectiveness.

**Prerequisites:** grad st or cons instr.**Last Taught:** Spring 2009, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 675G Making Schools Work: Promoting Positive Change in Chronic Problem Behavior**

3 cr. Undergraduate/Graduate.

Methods of applying system theory, cybernetics, and communication theory concepts in classrooms and schools to help solve recurring interpersonal problems and improve educational effectiveness.

**Prerequisites:** grad st or cons instr.**Last Taught:** Spring 2009, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 700 Field Work in Schools, Agencies and Institutions:**

2-6 cr. Graduate.

Supervised field experience planned in conference with the student's major professor. An evaluation report required.

**Prerequisites:** grad st & cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 701 Curriculum Planning and Ideologies**

3 cr. Graduate.

The concept of elementary and secondary curriculum in modern american education. Foundation principles and major objectives.

**Prerequisites:** grad st.**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 702 Curriculum Problems and Practices in Early Childhood Education**

4 cr. Graduate.

Current trends in the education of children in day care centers, nursery schools, kindergartens and primary grades. Opportunities for study of individual problems of teachers at this level.

**Prerequisites:** grad st.**Last Taught:** Spring 2015, Spring 2012, Spring 2010, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 703 Advanced Curriculum in Early Childhood Education**

4 cr. Graduate.

Theoretical foundations of curriculum planning in early childhood education programs.

**Prerequisites:** grad st.**Course Rules:** Counts as repeat of CURRINS 779 with same topic.**Last Taught:** Fall 2014, Fall 2012, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 705 Research in Schools and Communities**

3 cr. Graduate.

Overview of content and inquiry in curriculum and instruction.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 710 Curriculum for Early Adolescents**

2-3 cr. Graduate.

Functions and purposes of schools for early adolescents; historical developments; types of curricula; instructional methods and techniques; recent developments and trends.

**Prerequisites:** grad st.**Last Taught:** Summer 1993, Spring 1993, Summer 1992, Spring 1992.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 714 Analysis of Instruction to Improve Teaching and Learning**

3 cr. Graduate.

Study of teaching behaviors and models. Examination of factors involved in deciding how to teach. Opportunity to analyze teaching and clarify personal teaching preferences.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 715 Guiding Instructional Improvement**

3 cr. Graduate.

Methods of applying the knowledge of instruction to solve instructional problems; ways of working with teachers to improve the quality of instructional behavior, styles and strategies.

**Prerequisites:** grad st; CURRINS 714(P) or cons dept.**Last Taught:** Summer 2023, Fall 2022, Summer 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 716 Teaching in Urban & Diverse Communities**

1-4 cr. Graduate.

Teaching in a culturally pluralistic setting. An examination of how the law, school policy and equity issues affect curriculum and instructional practices.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 720 Curriculum and Standards for School Mathematics**

3 cr. Graduate.

Overview of historical and current perspectives on curricular reforms and the standards movement in mathematics education.

**Prerequisites:** grad st.**Course Rules:** Counts as repeat of CURRINS 579 with topic National Mathematics Standards.**Last Taught:** Summer 2023, Fall 2020, Spring 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 721 Advanced Problems in the Teaching of Social Studies**

3 cr. Graduate.

For teachers with experience who wish to improve their understanding and skill; equal emphasis on theory and practice.

**Prerequisites:** grad st & cons instr.**Last Taught:** Summer 2021, Summer 2016, Spring 1990, Summer 1988.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 724 Advanced Problems in Science Education**

3 cr. Graduate.

Study of current issues and problems related to science instruction and curriculum developments, course planning, analysis of learning in the science classroom, techniques of evaluation, review of research in science education.

**Prerequisites:** grad st & science teaching experience.**Last Taught:** Fall 1993, Fall 1991, Spring 1990, Spring 1988.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 725 Improving Teaching and Learning with Classroom-Based Assessments**

3 cr. Graduate.

Development and implementation of classroom-based assessment instruments within existing large-scale state and district accountability systems.

**Prerequisites:** grad st.**Course Rules:** Jointly offered w/ & counts as repeat of ED PSY 725(P).**Last Taught:** Spring 2017, Spring 2014, Spring 2011, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 729 Qualitative Research and Field Studies in Educational Settings**

3 cr. Graduate.

Examination of qualitative techniques as applied to educational research and evaluation in schools, classrooms, and other educational settings.

**Prerequisites:** grad st; ED PSY 528(P) or equiv.**Course Rules:** Not open to students who have cr in AD LDSP 729 which is identical to CURRINS 729.**Last Taught:** Fall 2022, Fall 2021, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 730 Mathematics in Elementary Education**

3 cr. Graduate.

Current trends in mathematics instruction. Investigation of curricular scope and sequence as it relates to mathematics learning by children. Emphasis on special issues.

**Prerequisites:** grad st; teaching experience.**Last Taught:** Fall 2023, Spring 2021, Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 731 Mathematics in the Secondary School**

3 cr. Graduate.

Current trends in curriculum and instruction. Opportunity to work on special problems.

**Prerequisites:** grad st.

**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Fall 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 734 Advanced Problems in the Teaching of Foreign Languages**

3 cr. Graduate.

Close re-examination of instructional practices and the soundness of the underlying principles in a period of transition regarding aims, methods, content and psychological aspects of foreign language learning. The teaching of culture and other timely material in changing curricular expectations.

**Prerequisites:** grad st & teaching experience.

**Last Taught:** Fall 2006, Fall 2005, Fall 2001, Fall 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 740 UWM Writing Project: Teachers as Writers**

3 cr. Graduate.

Develop self-awareness as writer and compare understanding to theories of writing instruction. Analyze writing opportunities and reflect on experience in relation to classroom practice.

**Prerequisites:** grad st; acceptance into UWM Writing Project.

**Course Rules:** Counts as repeat of CURRINS 779 w/ same topic.

Concurrent enrollment in CURRINS 741 required.

**Last Taught:** Summer 2013, Summer 2012, Summer 2011, Summer 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 741 UWM Writing Project: Teacher Leadership in Writing**

3 cr. Graduate.

Analyze theory and research about writing in classrooms. Synthesize and evaluate various methods that enhance writing instruction leading to developing teacher as leader in writing.

**Prerequisites:** grad st; acceptance into UWM Writing Project.

**Course Rules:** Concurrent enrollment in CURRINS 740 required.

**Last Taught:** Summer 2016, Summer 2015, Spring 2015, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 742 UWM Writing Project:**

1-3 cr. Graduate.

Develop as a writer. Analyze theory and research about writing in classrooms. Synthesize and evaluate various methods that enhance writing instruction leading to developing teacher as leader in writing.

**Prerequisites:** graduate standing and acceptance into UWM Writing Project.

**Course Rules:** Retakable to 9 cr max.

**Last Taught:** Summer 2023, Summer 2022, Summer 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 744 Secondary Developmental Reading Practicum**

2-4 cr. Graduate.

Analysis of developmental reading methods, assessment devices for secondary students, supervised classroom teaching practicum of secondary students.

**Prerequisites:** grad st; CURRINS 747(P) & CURRINS 545(P).

**Last Taught:** Summer 1997, Summer 1996, Summer 1995, Summer 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 746 Advanced Reading Education**

3 cr. Graduate.

Analysis and evaluation of research on reading processes, including psycholinguistic perspectives. Evaluation of reading models. Application to current approaches to teaching reading emphasized.

**Prerequisites:** grad st; CURRINS 643(P) or equiv.

**Last Taught:** Fall 1996, Fall 1995, Spring 1995, Spring 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 747 Reading Assessment and Instruction with Practicum: K-12 Part I**

3 cr. Graduate.

Analysis of the factors contributing to reading difficulty; use of formal and informal assessments with implications for instruction. Includes work with student who have reading difficulties.

**Prerequisites:** grad st; CURRINS 504(P), CURRINS 506(P),

CURRINS 544(P), CURRINS 545(P) or equiv; or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 748 Reading Assessment and Instruction with Practicum, K-12: Part II**

3 cr. Graduate.

Diagnosis, teaching, curriculum planning and materials for disabled readers. Students will work with small groups of elementary age disabled readers in a supervised tutorial situation.

**Prerequisites:** grad st; CurrIns 747(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 751 Language Arts in the Elementary School**

3 cr. Graduate.

Survey and critical appraisal of programs, practices and trends, emphasis on oral and written expression including spelling and handwriting; specific study of individual problems.

**Prerequisites:** grad st.

**Last Taught:** Fall 1986.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 753 Teaching Language and Composition**

3 cr. Graduate.

Consideration of problems, curricular materials and teaching procedures in the areas of language, grammar and written composition, with emphasis on language history and applications of linguistic knowledge.

**Prerequisites:** grad st.

**Last Taught:** Fall 2002, Spring 1985.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 754 Teaching Literature**

3 cr. Graduate.

Curriculum materials, methods of organization and approaches to the study of literature, with attention to problems of teaching prose fiction and nonfiction, drama and poetry. Micro teaching used.

**Prerequisites:** teaching experience & grad st.

**Last Taught:** Fall 2019, Fall 2016, Fall 2009, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 761 Mathematics Instructional Leadership**

3 cr. Graduate.

Study and development of teacher leadership for supporting effective mathematics instruction and high-leverage mathematics teaching practices through collaborative cultures and content-focused coaching.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2021, Spring 2021, Fall 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 774 College Teaching**

3 cr. Graduate.

Analyzes curricular issues and instructional practices in college and adult programs. Research on youth, college influences and adult change will be reviewed.

**Prerequisites:** grad st.**Last Taught:** Summer 2017, Summer 2016, Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 779 Current Topics in Curriculum and Instruction:**

1-3 cr. Graduate.

Specific topic announced in schedule of classes each time course is offered.

**Prerequisites:** grad st, cons instr.**Course Rules:** May be repeated with change in topic to max of 9 cr, including grad cr earned under CURRINS 579.**Last Taught:** Spring 2019, Fall 2017, Spring 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 799 Independent Reading:**

1-3 cr. Graduate.

**Prerequisites:** enrollment in master's prog.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 800 Master's Seminar in Curriculum and Instruction**

3 cr. Graduate.

Required for all curriculum and instruction students. Students develop and defend a seminar project. Master's examination is in conjunction with the seminar.

**Prerequisites:** grad st; 27 grad cr; cons dept; cons advisor**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 801 Urban Education: Doctoral Seminar in Curriculum & Instruction**

3 cr. Graduate.

Curriculum and instruction goals, programs, and practices in urban schools, as analyzed in varying critical perspectives.

**Prerequisites:** admis to PhD prog; Educ 701(P).**Last Taught:** Spring 2009, Spring 2008, Fall 2006, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 802 Recent Research in the Field of Early Childhood Education**

4 cr. Graduate.

A study of recent research in the area of early childhood education and in child development at these levels. Practical applications to the programs of day care centers, nursery schools, kindergartens and primary grades will be made.

**Prerequisites:** grad st.**Last Taught:** Summer 2016, Summer 2013, Summer 2010, Summer 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 803 Reflective Practice: Urban Early Childhood Teaching**

4 cr. Graduate.

The relationships between teaching practice and the socio-cultural-historical contexts of teaching; application to teaching through reflective analysis.

**Prerequisites:** grad st**Last Taught:** Fall 2015, Fall 2013, Fall 2011, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 805 History Of Curriculum Development**

3 cr. Graduate.

A study of the history of curriculum development in american education including major issues, movements and figures.

**Prerequisites:** grad st; ED POL 650(P); cons dept.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 813 Instructional Research and Theory**

3 cr. Graduate.

Examination of current research and theory concerning teacher behavior and its antecedents and consequences. Implications for teaching teacher training, evaluation of teaching, and classroom research.

**Prerequisites:** grad st; CURRINS 714(P) or cons dept.**Last Taught:** Fall 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 814 Seminar in Instruction**

3 cr. Graduate.

Individual instruction problems are examined. Emphasis is placed upon developing and carrying out a research project dealing with instruction.

**Prerequisites:** grad st; CURRINS 714(P) or cons dept.**Last Taught:** Fall 2014, Spring 2004, Summer 2001, Spring 1986.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 816 Curriculum Designs for Urban Schools**

3 cr. Graduate.

Examination of the problems of urban schools and the implications of these problems for the design of school curriculum.

**Prerequisites:** grad st; CURRINS 701(P) or CURRINS 716(P); or cons instr.**Last Taught:** Fall 2023, Summer 2023, Summer 2022, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 819 Theory and Design of Curriculum**

3 cr. Graduate.

Examination of the essential operations of curriculum from the point of view of common curriculum patterns, development of the theoretical considerations underlying the application of these operations to curriculum planning and development.

**Prerequisites:** grad st; CURRINS 701(P).**Last Taught:** Summer 2023, Spring 2023, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 829 Advanced Qualitative Research Techniques for Education Settings**

3 cr. Graduate.

Advanced examination of qualitative research techniques in three areas: conceptual design; data collection methods; and data analysis and reporting.

**Prerequisites:** AD LDSP 729(P)/CURRINS 729(P) or cons instr.**Course Rules:** Jointly offered and counts as repeat of AD LDSP 829.**Last Taught:** Spring 2000, Spring 1999, Spring 1998, Spring 1997.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 830 Seminar in Elementary School Mathematics Education**

3 cr. Graduate.

Critical issues in arithmetic instruction. Survey of research studies and their implications for instruction. Development and discussion of individual research problems.

**Prerequisites:** grad st; cons dept.**Last Taught:** Fall 2018, Summer 2014, Spring 2003, Summer 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 839 Practicum in Writing from Qualitative Research for Educational Settings**

3 cr. Graduate.

Practice in writing from qualitative research data and analysis of qualitative text.

**Prerequisites:** grad st; AD LDSP 829(P)/CURRINS 829(P) and AD LDSP 829(P)/CURRINS 829(P).**Course Rules:** Jointly offered with and counts as a repeat of AD LDSP 839.**Last Taught:** Summer 2018, Summer 2017, Summer 2016, Summer 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 846 Seminar in Developmental Reading:**

3 cr. Graduate.

Topics will vary. In-depth study of implications of trends and research for improving instruction and k-12 curriculum planning. Specific topic and any additional prerequisites will be announced in schedule of classes each time course is offered.

**Prerequisites:** grad st; CURRINS 746.**Course Rules:** May be retaken with change in topic to max of 6 cr.**Last Taught:** Summer 2012, Summer 2011, Summer 2010, Summer 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 849 Guiding and Directing School Reading Programs K-12**

3 cr. Graduate.

The role of the Reading Specialist/Literacy Coach in guiding and directing K-12 reading programs and supervising literacy instruction. Required for WI Reading Specialist license.

**Prerequisites:** grad st; CURRINS 747(P) and CURRINS 748 (P); CURRINS 646(P) or cons instr.**Last Taught:** Summer 2023, Summer 2021, Summer 2019, Summer 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 861 Seminar in Mathematics Urban Education**

3 cr. Graduate.

Focus on issues of equity and access to high-quality mathematics teaching, curriculum, and assessment for students with diverse cultural, linguistic, and economic backgrounds.

**Prerequisites:** grad st**Last Taught:** Spring 2020, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 864 Integrating Mathematics Education Research into Curriculum and Instruction**

3 cr. Graduate.

Using results from research on mathematics teaching and learning to shape teaching practice, including impacts on curriculum development, implementation, and pedagogical practice.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Spring 2021, Spring 2019, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 865 Mathematics Program Design and Development**

3 cr. Graduate.

Research-based practices for guiding and developing school and district mathematics curriculum and programs. Inquiry into problems of practice in mathematics education.

**Prerequisites:** grad st.**Last Taught:** Fall 2021, Spring 2021, Fall 2019, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 870 Research Practicum**

1-3 cr. Graduate.

Independent research practicum. Application of qualitative and quantitative research methods to conduct a small-scale research study. Develop research questions, collect and analyze data, and report findings.

**Prerequisites:** grad st.**Course Rules:** Course is re-takeable to 30 credits.**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 880 Proseminar in Urban Education: Curriculum and Instruction**

2 cr. Graduate.

An examination of selected problems and issues in urban education.

**Prerequisites:** grad st; admis to urban educ doctoral prog.**Last Taught:** Fall 1985, Spring 1985, Fall 1984, Spring 1984.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Spring 2020, Fall 2018, Spring 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 890 Master's Research or Thesis**

3-6 cr. Graduate.

Research or thesis work for students in the master's program in curriculum and instruction.

**Prerequisites:** grad st; cons advisor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 900 Seminar In Curriculum Construction**

3 cr. Graduate.

Opportunity to develop curriculum materials or work on individual problems.

**Prerequisites:** grad st; cons dept.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**CURRINS 990 Doctoral Research or Thesis**

1-3 cr. Graduate.

**Prerequisites:** admis to doctoral prog.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 993 Seminar in the Pre-Service and In-Service Education of Teachers**

3 cr. Graduate.

For advanced students interested in problems of teacher education.

**Prerequisites:** grad st; cons dept.

**Last Taught:** Spring 2021, Spring 2006, Spring 1993, Summer 1990.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**CURRINS 999 Independent Reading**

1-3 cr. Graduate.

For the benefit of doctoral students unable to secure needed content in regular courses.

**Prerequisites:** post-masters or doctoral st; cons instr.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Dance (DANCE)

**DANCE 103 Introduction to Yoga**

2-3 cr. Undergraduate.

Fundamental components of yoga presented to enrich artistic appreciation of yoga as a philosophy and a physical art form through in-depth study and practice of asana (postures) and the historical and philosophical principles of yoga.

**Prerequisites:** none.

**Course Rules:** May be retaken to max of 3 sem. Dance majors register for 2 cr. Non-majors register for 3 cr.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 110 Bodies in Motion: Dance, Identity and Culture**

3 cr. Undergraduate.

Survey of Dance as an active agent in cultural production as we explore dance as a rich human activity with many different manifestations and applications.

**Prerequisites:** none.

**Course Rules:** May be retaken to a max of 2 semesters.

**General Education Requirements:** A

**Last Taught:** Spring 2022, Spring 2020, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 111 Ballet I**

2-3 cr. Undergraduate.

This beginning level class introduces ballet principles for those with little or no previous studio training. Alignment, verticality, and basic ballet movements are stressed.

**Prerequisites:** none.

**Course Rules:** May be retaken to a max of 3 sem. Dance majors register for 2 cr. Non-majors register for 3 cr.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 112 Contemporary Dance Practice: Ballet Tradition II**

2-3 cr. Undergraduate.

A continuation of Dance 111.

**Prerequisites:** Dance 111(P) or Dance major.

**Course Rules:** May be retaken to max of 3 sem.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 113 Modern Dance Technique I**

2-3 cr. Undergraduate.

Introduction to basic elements and principles of modern dance.

Anatomically correct use of body, moving with awareness, and use of varied movement qualities are stressed.

**Prerequisites:** none.

**Course Rules:** Dance majors register for 2 cr. Non-majors register for 3 cr. May be retaken to max of 9 cr.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 114 Contemporary Dance Practice: Modern Tradition II**

2-3 cr. Undergraduate.

Continuation of Dance 113.

**Prerequisites:** Dance major or Dance 113(P).

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 115 Jazz Dance I**

1-3 cr. Undergraduate.

Basics of percussive and lyrical jazz styles.

**Prerequisites:** none.

**Course Rules:** May be retaken to a max of 3 sem.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 116 Jazz Dance II**

1-3 cr. Undergraduate.

A continuation of Dance 115.

**Prerequisites:** Dance 115(P) or cons instr.

**Course Rules:** May be retaken to max of 3 sem.

**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 117 Tap I**

1-3 cr. Undergraduate.

The basics of tap dancing designed to instill rhythm and a sense of style.

**Prerequisites:** none.

**Course Rules:** May be retaken to max of 2 sem.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2022, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 122 African Dance & Diaspora Technique I**

2-3 cr. Undergraduate.

Philosophical and applied foundations of African-American dance.

Aesthetics, style, musical accompaniment, the role of dance as expression of socio-cultural experience. Emphasis on movement.

**Prerequisites:** none.

**Course Rules:** May be retaken to max of 3 sem.

**General Education Requirements:** A, CD

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 123 African Dance & Diaspora Technique II**

2-3 cr. Undergraduate.

A continuation of Dance 122.

**Prerequisites:** Dance 122(P) or cons instr.**Course Rules:** May be retaken to max of 3 sem.**Last Taught:** Spring 2016, Spring 2015, Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 133 Creative Movement I**

2-3 cr. Undergraduate.

A class to develop the creative potential of each student in rhythm and movement.

**Prerequisites:** none.**Course Rules:** May be retaken to max of 9 cr. Dance BFA majors enroll in for 2 cr. Dance BA majors and non-majors enroll for 3 cr.**General Education Requirements:** A**Last Taught:** Fall 2014, Fall 2013, Fall 2011, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 135 Introduction to Dancemaking Skills**

3 cr. Undergraduate.

A broad introduction to contemporary dancemaking choreographic and improvisational skills.

**Prerequisites:** Dance major.**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 192 Freshmen Seminar**

1 cr. Undergraduate.

Seminar to orient Dance majors to UWM, PSOA, Dance Department, Milwaukee dance community, and successful life as a dancer.

**Prerequisites:** Dance major.**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 209 Dance Production**

2 cr. Undergraduate.

Introduction to dance production theory, design and practical skills.

**Prerequisites:** Dance major or cons instr.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 211 Contemporary Dance Practice: Ballet Tradition III**

2-3 cr. Undergraduate.

A continuation of Dance 112.

**Prerequisites:** Dance 112(P) or cons instr.**Course Rules:** May be retaken to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 212 Contemporary Dance Practice: Ballet Tradition IV**

2-3 cr. Undergraduate.

A continuation of Dance 211.

**Prerequisites:** Dance 211(P) or cons instr.**Course Rules:** May be retaken to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 213 Contemporary Dance Practice: Modern Tradition III**

2-3 cr. Undergraduate.

Continuation of Dance 114.

**Prerequisites:** Dance 114(P) or cons instr.**Course Rules:** May be retaken to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 214 Contemporary Dance Practice: Modern Tradition IV**

2-3 cr. Undergraduate.

A continuation of Dance 213.

**Prerequisites:** Dance 213(P) or cons instr.**Course Rules:** May be retaken to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 217 Tap II**

2-3 cr. Undergraduate.

Continued exploration of tap dance technique. Study of complex rhythmic combinations and movements.

**Prerequisites:** Dance 117 (P) or cons instr.**Course Rules:** May be retaken to a max of 3 sem.**Last Taught:** Spring 2018, Spring 2016, Spring 2014, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 219 Arts in Community Service**

3 cr. Undergraduate.

Students acquire means to assess personal learning and techniques to assess impact of their service-learning work on community partner organizations. Prereq for regis in service-learning component of a dance course.

**Prerequisites:** none.**Last Taught:** Spring 2017, Spring 2016, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 220 Body Sense**

3 cr. Undergraduate.

This course intends to provide an environment for creative exploration of individual body awareness, integration of body-mind and experiencing the body in space.

**Prerequisites:** none.**Course Rules:** May be retaken to max of 6 cr.**General Education Requirements:** A**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 221 Body Sense II**

2-3 cr. Undergraduate.

Movement exercises from varied theories; intensified self-observation and documentation of experience. Stress on intrapersonal, interpersonal, emotional, and existential intelligences.

**Prerequisites:** Dance 220(P).**Course Rules:** May be retaken to max of 2 sem.**Last Taught:** Spring 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 222 African Dance & Diaspora Technique III**

2-3 cr. Undergraduate.

A continuation of Dance 123.

**Prerequisites:** Dance 123(P) or cons instr.**Last Taught:** Spring 2023, Fall 2022, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 223 African Dance & Diaspora Technique IV**

2-3 cr. Undergraduate.

A continuation of Dance 222.

**Prerequisites:** Dance 222(P) or cons instr.

**Last Taught:** Spring 2023, Spring 2015, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 231 Music and Dancers I**

3 cr. Undergraduate.

Beginning study of the relationship between dance and music. Emphasis on musical awareness, development of listening skills and the application of such skills to movement experiences.

**Prerequisites:** Dance or Inter-Arts major or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 233 Improvisation for Dancemaking**

3 cr. Undergraduate.

A structured exploration of movement invention process, and structuring movement sequences through use of movement games and systems.

**Prerequisites:** Dance major or cons instr.

**Course Rules:** May be retaken to max of 2 sem.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 250 Sophomore Seminar**

0 cr. Undergraduate.

Discussion of topics for 2nd year Dance majors.

**Prerequisites:** Dance 192(C).

**Course Rules:** Fee for 1 cr assessed.

**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 251 Laban/Bartenieff Movement Analysis**

3 cr. Undergraduate.

Exploration of the dynamics of movement, including space/time weight flow combinations, the body's approach to space, basic spatial forms (dimensional cross, planes, cube, tetrahedron), introduction to phrase writing.

**Prerequisites:** successful completion of GER QL-A.

**General Education Requirements:** QL B

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 261 Junior Seminar**

0 cr. Undergraduate.

Discussion of topics for 3rd year Dance majors.

**Prerequisites:** Dance 250(C).

**Course Rules:** Fee for 1 cr assessed.

**Last Taught:** Spring 2015, Fall 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 270 Hip-Hop Foundations I**

2-3 cr. Undergraduate.

Introduction to the dance, history, culture, and music of the hip hop movement forms and style.

**Prerequisites:** none.

**Course Rules:** Counts as a repeat of DANCE 370 with similar topic.

Repeatable to 9 cr max.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 272 Salsa, Merengue, and Bachata I**

2-3 cr. Undergraduate.

Exploration of Salsa, Merengue, and Bachata dance forms through partnering, footwork, and group performance and examines these movement styles and musical structures as entry points for studying cultural practices of the Latin Diaspora.

**Prerequisites:** none.

**Course Rules:** Counts as a repeat of DANCE 370 with similar topic.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 309 Dance Production Practicum**

1 cr. Undergraduate.

Dance 309 is a continuation of Dance 209 focusing on the application of an array of production skills.

**Prerequisites:** Dance 209(P) or cons instr.

**Last Taught:** Spring 2017, Fall 2016, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 310 Jazz III**

2-3 cr. Undergraduate.

Continued study of jazz dance vocabulary and movement concepts.

**Prerequisites:** Dance 116 (P) or cons instr.

**Course Rules:** May be retaken to a max of 3 sem.

**Last Taught:** Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 311 Contemporary Dance Practice: Ballet Tradition V**

3 cr. Undergraduate.

Continuation of Dance 212.

**Prerequisites:** Dance 212(P) or cons instr.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 312 Contemporary Dance Practice: Ballet Tradition VI**

3 cr. Undergraduate.

Continuation of Dance 311.

**Prerequisites:** Dance 311(P) or cons instr.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Fall 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 313 History of Dance in the African Diaspora**

3 cr. Undergraduate.

The dance traditions of Africa and the Diaspora.

**Prerequisites:** successful completion of OWC-A

**General Education Requirements:** A, CD, OWCB

**Last Taught:** Fall 2012, Fall 2011, Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 314 Contemporary Dance History**

3 cr. Undergraduate.

Developments in modern dance from 1890's to the present with emphasis on comparative philosophies.

**Prerequisites:** successful completion of OWC-A

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 315 History of the American Musical Theater**

3 cr. Undergraduate.

Introduction to the origins, development and evolution of the American musical theater.

**Prerequisites:** successful completion of OWC-A.**General Education Requirements:** A, OWCB**Last Taught:** Fall 2018, Fall 2014, Fall 2011, Fall 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 317 Contemporary Dance Practice: Modern Tradition V**

3 cr. Undergraduate.

Continuation of Dance 214.

**Prerequisites:** Dance 214(P) or cons instr.**Course Rules:** May be retaken to max of 9 cr.**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 318 Contemporary Dance Practice: Modern Tradition VI**

3 cr. Undergraduate.

Continuation of Dance 317.

**Prerequisites:** Dance 317(P) or cons instr.**Course Rules:** May be retaken to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 319 Dance Service-Learning**

1-3 cr. Undergraduate/Graduate.

Service-Learning as field work in a community partnership setting under supervision of Dance faculty member.

**Prerequisites:** jr st; Dance 219(P), & cons instr.**Course Rules:** Conc reg in dance course which allows Dance 319 component by cons instr. May be retaken to max of 4 sem or 9 cr.**Last Taught:** Spring 2022, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 319G Dance Service-Learning**

1-3 cr. Undergraduate/Graduate.

Service-Learning as field work in a community partnership setting under supervision of Dance faculty member.

**Prerequisites:** jr st; Dance 219(P), & cons instr.**Course Rules:** Conc reg in dance course which allows Dance 319 component by cons instr. May be retaken to max of 4 sem or 9 cr.**Last Taught:** Spring 2022, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 320 Rituals and Culture**

2-3 cr. Undergraduate.

Sources, dimensions, and elements of ritual; values being ritualized.

Creating ritual components through storytelling, singing/chanting, movement/gestures, wearing/carrying special clothing/objects.

**Prerequisites:** soph st.**Course Rules:** May be retaken to max of 2 sem.**General Education Requirements:** A**Last Taught:** Spring 2016, Fall 2014, Spring 2014, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 321 Alexander Technique for the Performer**

2-3 cr. Undergraduate.

Introduction to the principles of Alexander Technique as it applies to performing artists and new media collaborations.

**Prerequisites:** none.**Course Rules:** Dance Majors and Somatics Minors enroll for 2 cr; all other majors enroll for 3 cr. May be retaken to max of 6 cr.**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 322 African Dance & Diaspora Technique V**

2-3 cr. Undergraduate.

A continuation of Dance 223.

**Prerequisites:** Dance 223(P) or cons instr.**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 323 Body Conditioning: Pilates Method**

2-3 cr. Undergraduate.

Supervised exercises providing special training for strength, balance, and endurance as well as anatomical study.

**Prerequisites:** none.**Course Rules:** May be retaken to max of 6 cr.**Last Taught:** Summer 2023, Spring 2023, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 325 Pointe and Variations**

2 cr. Undergraduate.

The study of pointe technique and Ballet variations.

**Prerequisites:** Dance major or cons instr.**Course Rules:** May be retaken to max of 2 sem.**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 327 Dance for the Musical Theatre I**

2-3 cr. Undergraduate.

Study of the role and use of dance in theatrical productions.

**Prerequisites:** Dance 111(P) and 115(P), or cons instr.**Course Rules:** May be retaken to a max of 3 sem.**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 331 African Percussion Ensemble**

3 cr. Undergraduate.

Hands-on experience in drumming and percussion techniques from Africa and the Diaspora.

**Prerequisites:** Dance or Inter-Arts major or cons instr.**Last Taught:** Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 350 Upper-Level Seminar**

0 cr. Undergraduate.

Discussion of topics for upper-level Dance majors.

**Prerequisites:** Dance 250(C).**Course Rules:** Fee for 1 cr assessed.**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 352 Digital Media Portfolio for Performers**

3 cr. Undergraduate.

Introduction to digital tools for technique and choreographic portfolios.

**Prerequisites:** jr st or cons instr

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 360 Movement and Learning**

3 cr. Undergraduate.

Effect of movement on learning. Learned movement patterns as learning preparation. Centering, focusing, mind-clearing activities. Creative movement activities for creative problem-solving.

**Prerequisites:** none.

**Course Rules:** May be retaken to max of 6 cr.

**General Education Requirements:** A

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 403 Intermediate Yoga For Dancers**

2-3 cr. Undergraduate/Graduate.

A continuation of Dance 103 stressing the performance and integration of more advanced asanas.

**Prerequisites:** Dance 103, or grad st in Dance component of MFA prog, or cons instr.

**Course Rules:** May be retaken to a max of 2 sem.

**Last Taught:** Fall 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 403G Intermediate Yoga For Dancers**

2-3 cr. Undergraduate/Graduate.

A continuation of Dance 103 stressing the performance and integration of more advanced asanas.

**Prerequisites:** Dance 103, or grad st in Dance component of MFA prog, or cons instr.

**Course Rules:** May be retaken to a max of 2 sem.

**Last Taught:** Fall 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 411 Field Work in Dance**

2 cr. Undergraduate.

Dance education field experiences in schools, agencies and institutions.

**Prerequisites:** Dance majors and Dance 361(P) or 362(P) & cons instr.

**Last Taught:** Fall 2013, Spring 2013, Spring 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 412 Dance Composition I**

3 cr. Undergraduate.

Resources for discovering and inventing movement material, and for developing concepts and structures to give this material perceptual, emotional validity.

**Prerequisites:** Dance major or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 413 Dance Composition II**

3 cr. Undergraduate.

A continuation of Dance 412.

**Prerequisites:** Dance 412(P) or cons instr.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 414 Dance Composition III**

2-3 cr. Undergraduate.

Investigation of advanced choreographic, musical, technical challenges in making site-specific performance work.

**Prerequisites:** Dance 412(P) & 413(P) or cons instr.

**Last Taught:** Spring 2018, Spring 2017, Fall 2016, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 415 Movement and New Media Collaborations**

3 cr. Undergraduate.

Required collaborative new media composition course in the IAT Post-Portfolio Core. Integration of movement and new media.

**Prerequisites:** Dance or Inter-Arts/IAT major or cons instr.

**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 420 Creating Dance in the Community**

3 cr. Undergraduate.

Understanding and mastering artistic and collaborative/interactive skills for use in community and artistic settings.

**Prerequisites:** Dance 219(P) or cons instr.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 421 Alexander Technique Practicum**

2 cr. Undergraduate.

Dance 421 is a continuation of Dance 321 focusing on more in-depth study and application of Alexander Technique for performers.

**Prerequisites:** Dance 321(P) or cons instr.

**Course Rules:** May be retaken to max of 3 sem.

**Last Taught:** Spring 2021, Spring 2017, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 427 Dance for the Musical Theatre II**

2-3 cr. Undergraduate.

Continued advanced study of dance for theatrical productions. Includes analysis of signature dances from Broadway and film musicals.

**Prerequisites:** Dance 327(P) or cons instr.

**Course Rules:** May be retaken to a max of 3 sem.

**Last Taught:** Spring 2022, Spring 2019, Fall 2016, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 441 History of African Dance Theory I**

3 cr. Undergraduate.

Aesthetics and movement sensibilities throughout the African Diaspora.

**Prerequisites:** Dance 313(P) or cons instr.

**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 460 Teaching Dance in Community Settings**

3 cr. Undergraduate.

Prepare dance artists to teach and create dance experiences for people in all ages of the human lifespan, and in a wide range of community settings.

**Prerequisites:** Dance or Education major or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 485 Student Teaching in Dance in Elementary Schools**

1-9 cr. Undergraduate.

Teaching experience in cooperating school systems in or near Milwaukee; supervision by critic teacher and members of the dance faculty; weekly seminar at the university.

**Prerequisites:** BFA in Dance or equiv & admis to teaching cert prog in Dance.

**Last Taught:** Fall 2013, Spring 2013, Fall 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 486 Student Teaching in Dance in Secondary Schools**

1-9 cr. Undergraduate.

Teaching experience in cooperating school systems in or near Milwaukee; supervision by critic teacher and members of the dance faculty; weekly seminar at the university.

**Prerequisites:** BFA in Dance or equiv & admis to teaching cert in Dance.

**Last Taught:** Fall 2013, Spring 2013, Fall 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 489 Workshop in Dance:**

1-6 cr. Undergraduate.

An opportunity for students to deal independently in diversified creative aspects of dance such as choreo-cinema or environmental dance.

**Prerequisites:** dance major or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2022, Summer 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 490 Repertoire and Ensemble**

0-3 cr. Undergraduate.

Practicum in group performance in dance productions, touring groups and performances related to the department. Includes original works from classical and contemporary repertoire.

**Prerequisites:** Dance major or cons instr.

**Course Rules:** When taken for 0 credit, fee for 1 credit assessed. May be retaken to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 491 Repertory/Student Choreographer**

0-1 cr. Undergraduate.

Practicum in performing with undergraduate student choreographers on senior projects or composition showings.

**Prerequisites:** Dance major or cons instr.

**Course Rules:** When taken for 0 credit, fee for 1 credit assessed. May be retaken to 4 cr max.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 497 Study Abroad in Dance:**

1-12 cr. Undergraduate/Graduate.

Interdisciplinary and foundational learning in the area of world dance through interactions with and explorations in differing cultures and areas.

**Prerequisites:** jr st or cons instr; & acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic to max of 12 cr.

**Last Taught:** Summer 2019, Summer 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 497G Study Abroad in Dance:**

1-12 cr. Undergraduate/Graduate.

Interdisciplinary and foundational learning in the area of world dance through interactions with and explorations in differing cultures and areas.

**Prerequisites:** jr st or cons instr; & acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic to max of 12 cr.

**Last Taught:** Summer 2019, Summer 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 522 African Dance & Diaspora Technique VI**

2-3 cr. Undergraduate.

A continuation of Dance 322.

**Prerequisites:** Dance 322(P) or cons instr.

**Last Taught:** Spring 2015, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 541 History of African Dance Theory II:**

3 cr. Undergraduate.

Further study in the aesthetics and movement sensibilities throughout the African Diaspora.

**Prerequisites:** Dance 441(P) or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 601 Senior Project**

3 cr. Undergraduate.

Composition of an original work to be presented for performance, or planning and implementation of a major dance project on the campus or in the community.

**Prerequisites:** Dance major, Somatics minor or cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 611 Pilates Method Observation and Practice**

1 cr. Undergraduate.

Students will engage in Pilates Method observation and teaching practice.

**Prerequisites:** Pilates certificate student or consent of instructor.**Course Rules:** Retakeable to 2 cr max.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 623 Body Conditioning: Pilates Method II**

2-3 cr. Undergraduate.

Concentrated and advanced study of the Pilates Method incorporating Pilates equipment to enhance skills developed in Dance 323.

**Prerequisites:** Dance 323(P) or cons instr.**Course Rules:** May be retaken to max of 3 sem.**Last Taught:** Fall 2023, Summer 2023, Fall 2021, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 624 Feldenkrais for Performers**

2 cr. Undergraduate.

How the teaching pedagogy and theories of The Feldenkrais Method® is applicable to any movement-focused situation, especially dance.

**Prerequisites:** jr st. or cons instr.**Course Rules:** Counts as repeat of Dance 489 and 889 with same topic.

May be retaken to 6cr max.

**Last Taught:** Fall 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 685 Seminar in Pilates Student Teaching**

2 cr.

Student teaching practices in Pilates Method.

**Prerequisites:** Pilates certificate student or consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 699 Independent Study in Dance**

1-4 cr. Undergraduate.

Individual program of supervised study in Dance under the direction of the instructor.

**Prerequisites:** cons instr.**Course Rules:** May be retaken to max of 12 cr.**Last Taught:** Spring 2022, Spring 2021, Fall 2020, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 701 Dance Composition I**

3 cr. Graduate.

An investigation of resources for discovering and inventing movement material, and for developing concepts and structures to give this material perceptual, emotional validity.

**Prerequisites:** grad st in MFA in Dance; conc reg Dance 733(C).**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 702 Dance Composition II**

3 cr. Graduate.

A continuation of Dance 701.

**Prerequisites:** grad st in MFA in Dance; Dance 701(P), conc reg Dance 734(C).**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 711 Theory and Techniques of Ballet: Intermediate**

2 cr. Graduate.

Technical study of classical ballet.

**Prerequisites:** grad st in MFA in Dance prog & audition.**Course Rules:** May be repeated twice for cr.**Last Taught:** Spring 2020, Spring 2017, Spring 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 712 Theory and Techniques of Ballet: Intermediate**

2 cr. Graduate.

A continuation of Dance 711.

**Prerequisites:** grad st; Dance 711 or audition.**Course Rules:** May be repeated twice for cr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 717 Theory and Techniques of Contemporary Concert Dance: Intermediate**

2-3 cr. Graduate.

An intensive course designed to develop understanding of the major techniques of contemporary concert dance.

**Prerequisites:** graduate standing in the MFA in Dance program and audition.**Course Rules:** May be repeated twice for credit.**Last Taught:** Summer 2023, Fall 2022, Summer 2022, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 718 Theory and Techniques of Contemporary Concert Dance: Intermediate**

2-3 cr. Graduate.

A continuation of DANCE 717.

**Prerequisites:** graduate standing in the MFA in Dance program and DANCE 717(P); or audition.**Course Rules:** May be repeated twice for credit.**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 721 Alexander Technique, Developmental Movement and Dance**

1-3 cr. Graduate.

A hands-on exploration of the application of the Alexander Technique to advanced dance training through developmental movement.

**Prerequisites:** grad st in MFA in Dance prog or cons instr**Last Taught:** Spring 2023, Fall 2018, Summer 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 722 Alexander Technique Practicum**

1-3 cr. Graduate.

Continuation of Dance 721 focusing on a more in-depth study and application of Alexander Technique for advanced dancers.

**Prerequisites:** grad st in MFA in Dance prog & Dance 721**Last Taught:** Summer 2016, Spring 2016, Summer 2015, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 723 Pilates Technique and Applications**

1-3 cr. Graduate.

Use of Pilates method to understand and articulate essential concepts and theories of movement, and refine dance technique.

**Prerequisites:** graduate standing in Dance, MFA or consent of instructor.**Course Rules:** May be retaken once.**Last Taught:** Fall 2023, Summer 2023, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 724 Feldenkrais for Performers**

3 cr. Graduate.

Application of the pedagogical theories and practical strategies of The Feldenkrais Method® to any movement-focused situation, from dance to music or athletics.

**Prerequisites:** grad st.**Course Rules:** Retakeable to 6 credits max.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 733 Improvisation 1**

3 cr. Graduate.

Techniques and structures for improvisation—the development of processes for evolving movement material from an exploration of the dynamics of inter and intra-relationships, and environment.

**Prerequisites:** admission to MFA in Dance program.**Last Taught:** Summer 2022, Summer 2021, Summer 2020, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 734 Improvisation 2**

3 cr. Graduate.

A continuation of Dance 733.

**Prerequisites:** grad st MFA in Dance; Dance 733(P) & conc reg in Dance 702(C).**Last Taught:** Summer 2022, Fall 2021, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 743 Dynamic Analysis of Movement I**

2 cr. Graduate.

Exploration of personal patterning and discovery of movement sources at the body level. Incorporates material from bartenieff fundamentals, feldenkrais, and sweigard.

**Prerequisites:** grad st in MFA in Dance prog.**Last Taught:** Fall 2016, Spring 2015, Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 744 Dynamic Analysis of Movement II**

2 cr. Graduate.

A continuation of Dance 743. Advanced body level work, application of bartenieff fundamentals to dance technique.

**Prerequisites:** grad st MFA in Dance & Dance 743(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 751 Laban Movement Analysis**

3 cr. Graduate.

Theory and movement practice in effort/shape for use both in performance and in choreography.

**Prerequisites:** grad st in MFA in Dance prog.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 761 Survey of Dance Literature and Bibliography**

3 cr. Graduate.

Lecture, research, and discussion of the major English language dance reference works, and of dance research publications.

**Prerequisites:** grad st in MFA in Dance prog.**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 762 Dance in Secondary Education and College**

3 cr. Graduate.

Methods and philosophy of teaching dance in the secondary school.

Theory and practice in solving problems arising in practical teaching situations. Observation of dance lessons.

**Prerequisites:** grad st & admis to MFA in Dance prog.**Last Taught:** Spring 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 771 History of Renaissance and Baroque Dance**

3 cr. Graduate.

Lecture, discussion of readings of the periods (in translation). Emphasis also upon performing some of the period dances.

**Prerequisites:** grad st in dance component of mfa prog.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 772 American Concert Dance of the 20th and 21st Century**

3 cr. Graduate.

Graduate seminar in special topics of American concert dance of the twentieth and twentieth first century.

**Prerequisites:** admis to MFA in Dance prog.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 775 Valuing and Evaluation of Dance**

3 cr. Graduate.

Observing and describing dancing and choreography and shaping values.

**Prerequisites:** grad st.**Last Taught:** Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 781 Theories of the Body**

3 cr. Graduate.

Introduction to multiple perspectives and theories on the body and embodied performance to examine how human bodies are framed and deployed for cultural and political purposes and how they circulate or are constrained.

**Prerequisites:** graduate student in MFA in Dance program.**Course Rules:** Counts as a repeat of DANCE 889 with the same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 790 Repertoire and Ensemble**

1-3 cr. Graduate.

Practicum in group performance in dance department productions, touring groups, and performances related to the dance department. Includes original works from classical and contemporary repertoire.

**Prerequisites:** grad st in MFA in Dance program.**Course Rules:** May be repeated to max of 12 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DANCE 799 Independent Study**

1-3 cr. Graduate.

Individual faculty and student will define the teaching/learning contract for the semester and agree on the credit.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 801 Choreography I**

3 cr. Graduate.

Creating fully mounted works; choreography, performance quality, lighting decor, costumes.

**Prerequisites:** grad st in Dance choreography track of MFA in Dance prog; Dance 701(P) & 702(P) or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 802 Choreography II**

3 cr. Graduate.

Creating fully mounted works of greater length and complexity.

**Prerequisites:** grad st in Dance Choreography track of MFA in Dance prog; Dance 701(P), 702(P), 801(P), or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 831 Sound Design for Dance**

3 cr. Graduate.

This course explores the theoretical, technical, and creative work of sound design as it relates to the contemporary dance artist.

**Prerequisites:** grad st in MFA in Dance.**Last Taught:** Fall 2022, Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 861 Research Methodology for Dance**

3 cr. Graduate.

Lecture, formulation of research proposal, research and write-up of a dance research problem.

**Prerequisites:** grad st & admis to MFA in Dance prog.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 871 Applied Anatomy for Dance**

2-3 cr. Graduate.

Study of human bony and neuromuscular structures in theory and movement. Lec only for 2 cr; lec & lab for 3 cr.

**Prerequisites:** grad st in dance component of MFA prog; Dance 711(P) & 717(P) or cons instr.**Last Taught:** Spring 2017, Spring 2007, Spring 2003, Spring 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 873 Field History: Contemporary Dance Festivals**

2-4 cr. Graduate.

Research, reading, attendance and documentation on selected festivals/series events. Pre-study of choreography/performance style, background, influences, artistic themes. Group discussions and evaluations.

**Prerequisites:** grad st in MFA in Dance prog.**Course Rules:** May be repeated with permission to max of 9 cr.**Last Taught:** Fall 2019, Fall 2018, Summer 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 880 Developing Performance Quality**

1-3 cr. Graduate.

Studies in dynamics of specific choreography.

**Prerequisites:** grad st in MFA in Dance prog; Dance 711 & 717 or cons instr.**Course Rules:** Cr determined prior to regis. May be repeated for up to 6 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 889 Special Workshops:**

1-3 cr. Graduate.

Workshops and graduate seminars presented by guest artists and faculty on specialized topics.

**Prerequisites:** graduate standing in MFA in Dance program or consent of instructor.**Course Rules:** May be retaken to max of 15 cr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DANCE 990 Dance Final Thesis/Project**

2-4 cr. Graduate.

Final demonstration of craft and artistry mastered in program, when completion approved by project committee.

**Prerequisites:** grad st MFA in Dance; cons dept chair.**Course Rules:** May be repeated to max of 8 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Diagnostic Imaging (DMI)

**DMI 101 Introduction to Medical Imaging**

1 cr. Undergraduate.

Introduction to Diagnostic Medical Imaging modalities with a special emphasis on Radiologic Technology and Diagnostic Medical Sonography.

**Prerequisites:** none.**Course Rules:** Counts as repeat of BMS 290 with similar topic.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 300 Diagnostic Medical Imaging Fundamentals**

2 cr. Undergraduate.

Introduction to physics as it relates to Diagnostic Medical Imaging. Students will explore the fundamental principles of physics and its application to Medical Imaging equipment and instrumentation.

**Prerequisites:** Radiography or Diagnostic Medical Sonography intended student or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 306 Imaging Procedures I**

5 cr. Undergraduate.

Radiographic anatomy and procedures related to upper and lower extremities, chest, abdomen, and barium studies. Pediatric imaging is discussed.

**Prerequisites:** jr st; BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 307 Seminar in Radiography I**

3 cr. Undergraduate.

Basic concepts of patient care, including consideration for the cultural, physical and psychological needs of the patient and family.

**Prerequisites:** jr st; BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 308 Imaging Procedures II**

5 cr. Undergraduate.

Radiographic anatomy and procedures for the bony thorax, vertebral column, and iodinated studies will be covered. Pediatric imaging for each procedure will be discussed.

**Prerequisites:** jr st; BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 309 Imaging Procedures III**

3 cr. Undergraduate.

Radiographic anatomy and procedures for the cranium and facial bones; pediatric imaging for each procedure will be discussed.

**Prerequisites:** none.

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 310 Introduction to Sonography**

3 cr. Undergraduate.

Introduction to Diagnostic Medical Sonography with an overview of basic terminology, techniques, and equipment.

**Prerequisites:** jr st; BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 311 Abdominal Sonography-I**

3 cr. Undergraduate.

Anatomy, physiology, pathology, and pathophysiology of the abdominal vessels and organs as they relate to sonography.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 312 Abdominal Sonography-II**

3 cr. Undergraduate.

Anatomy, physiology, pathology, and pathophysiology of the kidneys and abdominal organs as they relate to sonography.

**Prerequisites:** jr st BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 313 Sonography Clinical Education I**

3 cr. Undergraduate.

Introduction to sonography scanning and development of clinical skills.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 319 Abdominal Sonography III**

3 cr. Undergraduate.

Normal gross, cross-sectional, relational and sonographic anatomy of superficial structures including male pelvis, thyroid, parathyroid glands. Pathologic findings are correlated with causative etiologies utilizing lab values in conjunction with ultrasound protocols.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Summer 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 320 Obstetrics/Gynecology Sonography I**

3 cr. Undergraduate.

Normal gross, relational and sonographic anatomy of the female pelvic region. Physiology and related laboratory and clinical findings for disease processes are discussed.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 321 Obstetrics/Gynecology Sonography II**

3 cr. Undergraduate.

Gravid uterus and fetal development. Gestational dating methods, embryology, and maternal and fetal anatomy.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 322 Obstetrics/Gynecology Sonography III**

3 cr. Undergraduate.

Fetal anomalies, disease processes, and pathologies. Various fetal and maternal pathologies explained in sonographic terms.

**Prerequisites:** jr st in Bio Med Sci prog or cons instr.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 323 Sonographic Principles and Instrumentation**

3 cr. Undergraduate.

Characteristics of sound and mechanism of sonographic image production and display. Potential biological effects. Safety and mathematical principles.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 324 Sonography Clinical Education II**

3 cr. Undergraduate.

Clinical practicum rotations including abdominal and OB/GYN imaging, and vascular technology.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 325 Specialized Sonography**

3 cr. Undergraduate.

Embryology, structure, physiology, and pathology of the thyroid, breast, and testicle. Normal and abnormal gross, cross-sectional, and relational sonographic anatomy.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 326 Sonography Clinical Education III**

3 cr. Undergraduate.

Clinical practicum rotations including abdominal and OB/GYN imaging, and vascular technology.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 327 Foundations of Sonography I**

2 cr. Undergraduate.

Initial introduction to diagnostic medical sonography with an overview of basic terminology, techniques, and equipment.

**Prerequisites:** jr st; BioMed Sci prog or cons instr.

**Last Taught:** Summer 2020, Summer 2019, Summer 2017, Summer 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 328 Foundations of Sonography II**

1 cr. Undergraduate.

Introduction to diagnostic medical sonography with an overview of basic techniques and equipment.

**Prerequisites:** DMI 327(P); jr st; BioMed Sci prog or cons instr.

**Last Taught:** Fall 2020, Fall 2019, Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 329 Abdominal Sonography IV**

3 cr. Undergraduate.

Anatomy, physiology, pathology and pathophysiology of the adult prostate, penis, and GI tract and the pediatric abdomen and neck as seen on normal and abnormal sonograms.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 330 Introduction to Breast Imaging**

3 cr. Undergraduate.

This course focuses on the normal gross, cross-sectional, relational, and sonographic anatomy of the breast and associated structures.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 336 Cardiovascular Principles I**

3 cr. Undergraduate.

Introduction to cardiac physiology, mechanical events, left ventricle function indicators, timing of mitral and aortic flow, auscultation, phonocardiography, hemodynamics and Doppler applications of echocardiography.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 337 Clinical Education I - Echocardiography**

3 cr. Undergraduate.

Clinical practicum rotations including adult echocardiography.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 338 Cardiovascular Physiology**

3 cr. Undergraduate.

This course will discuss cardiac physiology and electrophysiology, auscultation, mechanical and electrical events of the heart, chronotropic and inotropic forces, and components of the cardiac cycle including IVRT, IVCT, systole, preload, and afterload.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 340 Embryology of the Cardiovascular System**

2 cr. Undergraduate.

Development and developmental anomalies of the cardiovascular system.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2021, Spring 2020, Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 341 Adult Echocardiography - Valvular Pathology**

3 cr. Undergraduate.

Introduction to cardiac pathology seen on echocardiograms in the adult population.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 342 Clinical Education II - Echocardiography**

3 cr. Undergraduate.

Clinical practicum rotations including adult and pediatric echocardiography.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 345 Pediatric Echocardiography I**

3 cr. Undergraduate.

Introduction to various types of congenital heart disease and pediatric cardiac procedures.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 346 Adult Echocardiography II - Cardiomyopathies**

3 cr. Undergraduate.

Cardiovascular disease and diagnostic cardiac procedures in the adult population.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Summer 2023, Summer 2021, Summer 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 347 Clinical Education III - Echocardiography**

3 cr. Undergraduate.

Clinical practicum which includes adult and pediatric echocardiography clinical rotations with focus on advanced adult competencies.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 350 Introduction to Radiologic Science and Healthcare**

2 cr. Undergraduate.

Introduction to Radiologic Technology imaging principles and equipment. Basic concepts of patient care, emergency care, CPR, medical ethics, legal issues, and cultural diversity.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 351 Radiation Protection**

2 cr. Undergraduate.

All aspects of radiation protection including radiation safety, detection, and measurement relevant to Radiologic Technology.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 353 Principles of Imaging I**

3 cr. Undergraduate.

Radiographic qualities and factors influencing those qualities. X-ray tube, beam restricting devices, exposure factors, grids and scatter radiation.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 354 Radiographic Procedures I**

3 cr. Undergraduate.

Introduction to radiographic positioning of the chest, upper extremities, urinary and digestive systems. Pharmacology of contrast media.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 355 Radiography Clinical Education I**

3 cr. Undergraduate.

Students rotate through all aspects of the radiologic science field. A total of 65 competencies must be achieved in two years of clinical education.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 360 Radiation Biology**

2 cr. Undergraduate.

Effects of radiation from the cellular level to the entire human body. Long and short term somatic effects and genetic effects.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 362 Principles of Imaging II**

3 cr. Undergraduate.

Radiographic qualities and the factors influencing those qualities. Systems and chemicals used in radiographic processing. Film and processor sensitometry.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 363 Radiographic Procedures II**

3 cr. Undergraduate.

Introduction to radiographic positioning for lower extremities, spine, and digestive system. Students learn to identify anatomy on radiographs and evaluate them for acceptability.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Spring 2020, Spring 2019, Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 364 Radiography Clinical Education II**

3 cr. Undergraduate.

Students rotate through all aspects of the radiologic science field. A total of 65 competencies must be achieved in two years of clinical education.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 370 Human Structure & Function III**

1 cr. Undergraduate.

Anatomy and physiology of the human body as they relate to the radiography of the skull, facial bone, and circulatory system.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Summer 2020, Summer 2019, Summer 2018, Summer 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 371 Radiographic Procedures III**

2 cr. Undergraduate.

Basic concepts of advanced imaging, special procedures, and supplementary imaging modalities.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Summer 2020, Summer 2019, Summer 2018, Summer 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 372 Radiographic Clinical Education III**

4 cr. Undergraduate.

Clinical Education allows students to rotate through all aspects of the radiologic science field. A total of 65 competencies must be achieved in two years of clinical education.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 401 Seminar in Radiography II**

2 cr. Undergraduate.

Evaluation of all aspects of the imaging system from processor to generator.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 402 Introduction to MSK Sonography**

3 cr. Undergraduate.

Study of anatomy (to include anatomic variants), physiology, pathophysiology and the sonographic appearance of the musculoskeletal system as evaluated by diagnostic medical sonography.

**Prerequisites:** junior standing in Biomedical Science program or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 435 Adult Echocardiography - Advanced Pathology**

3 cr. Undergraduate.

Cardiovascular pharmacology and the potential effects of cardiac medications on echocardiographic images.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 436 Pediatric Echocardiography II**

3 cr. Undergraduate.

Advanced instruction in various types of congenital heart disease and pediatric echocardiography.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 437 Stress Echocardiography**

3 cr. Undergraduate.

Indications, utility, limitations and technical procedures related to exercise stress echocardiography.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 438 Clinical Education IV - Echocardiography**

3 cr. Undergraduate.

Clinical practicum rotations including advanced adult and pediatric imaging of the heart with focus on advanced pediatric competencies.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 439 Clinical Education V - Echocardiography**

3 cr. Undergraduate.

Clinical practicum rotations including exercise and pharmacological stress, echocardiograms and transesophageal echocardiograms.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 440 Clinical Education VI - Echocardiography**

3 cr. Undergraduate.

Clinical practicum including advanced imaging in echocardiography techniques.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Summer 2021, Summer 2020, Summer 2019, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 441 Special Procedures in Echocardiography**

3 cr. Undergraduate.

Indications, utility, limitations and technical procedures related to transesophageal echocardiography.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 450 Vascular Sonography I**

3 cr. Undergraduate.

Anatomy, physiology, pathology, and pathophysiology of the peripheral vascular subset of the cardiovascular system as it relates to sonography.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 451 Vascular Sonography II**

3 cr. Undergraduate.

Anatomy, physiology, pathology, and pathophysiology of the cerebrovascular subset of the cardiovascular system as it relates to sonography.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 452 Sonography Clinical Education IV**

3 cr. Undergraduate.

Clinical practicum including abdominal and OB/GYN imaging, and vascular technology.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 453 Seminar in OB/GYN Sonography**

3 cr. Undergraduate.

The role of ultrasound in assisting with treatment as it relates to women's reproductive health and prenatal care.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 454 Embryology of the Heart**

3 cr. Undergraduate.

Echocardiographic examination of the fetal heart including normal anatomy and congenital heart disease.

**Prerequisites:** junior standing in Biomedical Science program or consent of instructor.

**Last Taught:** Spring 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 455 Vascular Sonography III**

3 cr. Undergraduate.

Doppler principles, spectral display, hemodynamics of abdominal, transplant organ, and penile vascular techniques; vascular statistics.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 457 Sonography Clinical Education V**

3-4 cr. Undergraduate.

Clinical practicum including abdominal and OB/GYN imaging, and vascular technology.

**Prerequisites:** senior standing in Biomedical Science program or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 458 Seminar in Advanced Medical Imaging**

3 cr. Undergraduate.

Comparison of normal and pathological anatomy cases combining diagnostic medical sonography, computed sonography and magnetic resonance imaging.

**Prerequisites:** junior standing in BioMedical Science program or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 458X Seminar in Advanced Medical Imaging**

3 cr. Undergraduate.

Comparison of normal and pathological anatomy cases combining diagnostic medical sonography, computed sonography and magnetic resonance imaging.

**Prerequisites:** junior standing in BioMedical Science program or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 460 Professional Development in Sonography - Seminar**

3 cr. Undergraduate.

Current trends in health care and sonography. Federal regulations, Medicare, managed care, professional organizations, and certification exam preparation.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Summer 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 461 Sonography Clinical Education VI**

3 cr. Undergraduate.

Clinical practicum including abdominal and OB/GYN imaging, and vascular technology.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Summer 2021, Summer 2020, Summer 2019, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 463 Seminar in Education and Management in Medical Imaging**

3 cr. Undergraduate.

Problem solving of management issues relating to diagnostic medical sonography and exploring educational strategies employed in ultrasound education.

**Prerequisites:** junior standing in BioMedical Science program or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 463X Seminar in Education and Management in Medical Imaging**

3 cr. Undergraduate.

Problem solving of management issues relating to diagnostic medical sonography and exploring educational strategies employed in ultrasound education.

**Prerequisites:** junior standing in BioMedical Science program or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 464 Introduction to Pediatric Sonography/Neurosonography**

3 cr. Undergraduate.

Anatomy, physiology, pathology, pathophysiology and the sonographic appearance of the normal and abnormal fetal and neonatal brain.

**Prerequisites:** junior standing in Biomedical Sciences program or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 470 Radiographic Physics**

2 cr. Undergraduate.

Atomic and subatomic theories, electrical theory, interaction of x-rays with matter, production of radiation, equipment maintenance, x-ray circuits, tubes, and cooling charts.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 471 Digital Imaging**

3 cr. Undergraduate.

Radiographic qualities and factors influencing those qualities. Principles of fluoroscopy, AEC, tomography, and other accessory equipment.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 473 Imaging Procedures IV**

2 cr. Undergraduate.

Skull positioning advanced skills, special procedures, and supplementary imaging modalities.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 474 Radiography Clinical Education IV**

3 cr. Undergraduate.

Students to rotate through all aspects of the radiologic science field. A total of 65 competencies must be achieved in two years of clinical education.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 475 Seminar in Radiography III**

2 cr. Undergraduate.

Current concepts in radiologic technology.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DMI 477 Cross Sectional Anatomy**

3 cr. Undergraduate.

Structure and physiology of the human body as it appears in cross section. Diagrams, CT, and MRI images are utilized.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 478 Radiologic Pathology**

3 cr. Undergraduate.

Changes that occur in disease and injury and their applications to radiography.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 479 Radiography Clinical Education V**

3 cr. Undergraduate.

Students rotate through all aspects of the radiologic science field. A total of 65 competencies must be achieved in two years of clinical education.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 480 Seminar in Radiography IV**

2 cr. Undergraduate.

Current concepts in radiologic technology.

**Prerequisites:** sr st in BioMed Sci prog or consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 482 Radiography Clinical Internship I**

6 cr. Undergraduate.

600 hours of clinical experience. The student will begin surgical and evening rotations.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 483 Radiography Clinical Internship II**

3 cr. Undergraduate.

Rotations through the Emergency Department, diagnostic area outpatient and orthopedic clinics, CT, MRI, and interventional radiology.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 484 Radiography Clinical Internship IV**

1 cr. Undergraduate.

70 hours of clinical practice. Opportunity to rotate through any area of interest in a variety of imaging modalities.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 485 Professional Development in Radiography**

2 cr. Undergraduate.

Federal regulations and legislation as they relate to the health care profession and radiology. Preparation for the certification exam.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 486 Radiography Clinical Education VI**

4 cr. Undergraduate.

Students rotate through all aspects of the radiologic science field. A total of 65 competencies must be achieved in two years of clinical education.

**Prerequisites:** sr st in BioMed Sci prog or cons instr.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 489 Radiography Clinical Internship III**

4 cr. Undergraduate.

400 hours of clinical practice. Opportunity to rotate through any area of interest in a variety of imaging modalities.

**Prerequisites:** jr st in BioMed Sci prog or cons instr.**Course Rules:** Counts as repeat of BMS 590 with similar topic.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 496 Professional Growth and Career Advancement in Diagnostic Imaging Professions**

3 cr. Undergraduate.

Exploration and discussion of volunteerism and leadership in professional associations, professional advocacy, emerging trends in certification, re-certification and career pathways related to career advancement.

**Prerequisites:** admis to BMS major; or cons instr.**Course Rules:** Counts as repeat of BMS 590 w/ same topic.**Last Taught:** Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 496X Professional Growth and Career Advancement in Diagnostic Imaging Professions**

3 cr. Undergraduate.

Exploration and discussion of volunteerism and leadership in professional associations, professional advocacy, emerging trends in certification, re-certification and career pathways related to career advancement.

**Prerequisites:** admis to BMS major; or cons instr.**Course Rules:** Counts as repeat of BMS 590 w/ same topic.**Last Taught:** Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DMI 599 Independent Study**

1-3 cr. Undergraduate.

Individualized experience which enables the student to study current topics of interest in Diagnostic Medical Imaging. Level of credit assigned based on time required for completion.

**Prerequisites:** consent of Program Director.**Course Rules:** May be retaken to 15 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Digital Arts and Culture (DAC)

**DAC 113 Internet Culture**

3 cr. Undergraduate.

Social, cultural, and historical dimensions of the Internet.

**Prerequisites:** none.**Course Rules:** DAC 113 and JAMS 113 are jointly offered and count as repeats of one another.**General Education Requirements:** HU**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DAC 140 Games and Society**

3 cr. Undergraduate.

Cultural and social contexts of play and games; institutions, technology, and games. 2 hrs lec, 1 hr dis.

**Prerequisites:** none.**Course Rules:** ANTHRO 140 and DAC 140 are jointly offered count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 199 Independent Study**

1-3 cr. Undergraduate.

Independent work supervised by Digital Arts and Culture faculty or staff member. Written course proposal required prior to reg. For additional information, consult prog coord.

**Prerequisites:** 2.0 GPA; consent of instructor, program coordinator, and Assistant Dean for Student Academic Services.**Course Rules:** Retakable with change in topic to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 289 Internship in Digital Arts and Culture, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Digital Arts and Culture in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** 2.5 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. Retakable to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 296 UROP Apprenticeship, Lower Division**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.**Course Rules:** One credit for 45 hrs research. Retakable to 9 cr max in any combination of UROP apprenticeship courses.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 336 Media Graphics**

3 cr. Undergraduate.

Production and analysis of mass media graphics, photographs, and illustrations.

**Prerequisites:** junior standing; JAMS major/minor or Digital Arts and Culture (DAC) status; grade of C or better in ART 118(P) or JAMS 113(P).**Course Rules:** DAC 336 and JAMS 336 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 408 Nonprofit Information Technology**

3 cr. Undergraduate.

Provides experiential project-based learning opportunities to UWM students while working on a technology project for a local nonprofit organization.

**Prerequisites:** none.**Course Rules:** ART 408, DAC 408, and INFOST 408 are jointly offered and count as repeats of one another. Repeatable to 9 cr max.**Last Taught:** Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 489 Internship in Digital Arts and Culture, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of Digital Arts and Culture in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 2.5 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. Retakable to 6 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 496 UROP Apprenticeship, Upper Division**

1-3 cr. Undergraduate.

Advanced-level undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** jr st; acceptance to UROP; prior or conc reg in UROP seminar.**Course Rules:** One credit for 45 hrs research. Retakable to 9 cr max in any combination of UROP apprenticeship courses.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 661 Digital Engagement Seminar**

3 cr. Undergraduate/Graduate.

Production of a digital portfolio demonstrating achievement of DAC program learning goals.

**Prerequisites:** declared DAC major; completion of 12 cr approved DAC courses.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**DAC 661G Digital Engagement Seminar**

3 cr. Undergraduate/Graduate.

Production of a digital portfolio demonstrating achievement of DAC program learning goals.

**Prerequisites:** declared DAC major; completion of 12 cr approved DAC courses.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DAC 699 Advanced Independent Study**

1-3 cr. Undergraduate.

Independent work supervised by Digital Arts and Culture faculty or staff member. Write course proposal req'd prior to reg. For additional information, consult prog coord.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, program coordinator, and Assistant Dean for Student Academic Services.

**Course Rules:** Repeatable with change in topic to 9 cr max.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DAC 700 Core Seminar in Digital Cultures**

3 cr. Graduate.

Concepts, tools, and methods for critically examining digital cultural products and digitally-mediated social action, combining perspectives from the humanities and the humanistic social sciences.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DAC 701 Digital Cultures Colloquium**

1 cr. Graduate.

Engagement with readings, topics, and speakers in conjunction with the Center for 21st Century Studies, Digital Humanities Lab, or related programming. Students will attend events, participate in course discussions, and complete critical papers.

**Prerequisites:** graduate standing.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DAC 788 Digital Cultures Practicum**

1 cr. Graduate.

Practical experience with the production of digital culture within various topics. Examples include digital production and streaming of artistic and community-engaged media (including digital games and other media forms) and the production of digital archives.

**Prerequisites:** graduate standing.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**DAC 840 Digital Anthropology: Code, Architecture, Process**

3 cr. Graduate.

Introduces students from anthropology and related fields to anthropological approaches to digitally-mediated social action.

**Prerequisites:** graduate standing.

**Course Rules:** Counts as a repeat of ANTHRO 940 with topic 'Anthropology and the Digital.' ANTHRO 840 and DAC 840 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Economics (ECON)

**ECON 100 Introductory Economics**

3 cr. Undergraduate.

A one semester survey of current national and international economic problems. Useful as preparation for Econ 103 and 104. Not required of economics majors.

**Prerequisites:** none.

**Course Rules:** Not open for cr to students who have cr in Econ 103 & 104.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 103 Principles of Microeconomics**

3 cr. Undergraduate.

Economic reasoning; price determination, specialization, and efficiency. Applications include international trade, antitrust, environmental protection, highway congestion.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 104 Principles of Macroeconomics**

3 cr. Undergraduate.

Composition of national income, interrelationship of sectors; determination of national income and productivity; relationship between national income, inflation, money, interest rates; U.S. global economies interaction.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 110 Economics of Personal Finance**

1 cr. Undergraduate.

Economics of personal financial management; development of successful financial skills; activity-based course with assignments emphasizing students' individual situations.

**Prerequisites:** none.

**Course Rules:** No cr for students who have cr in Econ 258 w/same topic.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 193 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Spring 2018, Fall 2016, Spring 2008, Fall 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 210 Economic Statistics**

3 cr. Undergraduate.

Basic probability and statistics; numerical and graphical methods of describing data, elementary probability, random variables and probability distributions, hypothesis testing, simple linear regression.

**Prerequisites:** Math 105(P), or Math 108(P), or Math Placement Level 30 or higher.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 231 Analysis of American Industries**

3 cr. Undergraduate.

Performance of key U.S. industries (e.g. education, beer, cars, medicinal drugs, radio, television, sports, steel, food, music recording); their responses to changing national/international economic conditions.

**Prerequisites:** soph st; Econ 103(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 248 Economics of Discrimination**

3 cr. Undergraduate.

Use of economic theory to examine the history, current status, and policies regarding various minority groups in the United States.

Applications include education, housing, jobs.

**Prerequisites:** none.

**General Education Requirements:** CD, SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 258 Selected Topics in Economics:**

1-3 cr. Undergraduate.

Focus on special topics not normally discussed in detail in other existing courses.

**Prerequisites:** sophomore standing; consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Spring 2023, Spring 2020, Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 289 Internship in Economics, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of economics in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** 100-level course in Econ; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr granted for academic work based on 40 hrs in the internship. May be retaken to 6 cr max.

**Last Taught:** Summer 2004, Spring 2004, Summer 2002, Spring 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 301 Intermediate Microeconomics**

3 cr. Undergraduate.

Contemporary theory of consumption, production, pricing, resource allocation, and distribution.

**Prerequisites:** Econ 103(P).

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 302 Intermediate Macroeconomics**

3 cr. Undergraduate.

Analysis of savings, production, investment and other aggregates in the national and international economy as related to the determination of national income, inflation, and unemployment.

**Prerequisites:** Econ 104(P).

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 310 Research Methods for Economics**

3 cr. Undergraduate/Graduate.

Statistical research methods, especially cross-sectional and panel-data regression and hypothesis testing, applied to the evaluation of empirical data and a directed research project using programming languages (STATA, R, Python, Matlab, etc.)

**Prerequisites:** junior standing; ECON 210(P) or consent of instructor.

**Course Rules:** Not open for cr to students who have cr in ECON 513(531).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 310G Research Methods for Economics**

3 cr. Undergraduate/Graduate.

Statistical research methods, especially cross-sectional and panel-data regression and hypothesis testing, applied to the evaluation of empirical data and a directed research project using programming languages (STATA, R, Python, Matlab, etc.)

**Prerequisites:** junior standing; ECON 210(P) or consent of instructor.

**Course Rules:** Not open for cr to students who have cr in ECON 513(531).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 325 Money and Banking**

3 cr. Undergraduate.

Stocks, bonds, derivatives, foreign exchange. Analysis of commercial banks, investment banks, brokerages, etc. Domestic and international monetary theory and policy. Risk insurances, regulations, deregulation..

**Prerequisites:** Econ 104(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 328 Environmental Economics**

3 cr. Undergraduate.

Evaluating public policy of environmental and natural resources. Regulation of pollution, endangered species, natural resources, and other case studies.

**Prerequisites:** Econ 103(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 335 Economics of Antitrust Laws**

3 cr. Undergraduate.

Examination of laws intended to increase competition; their evolution through landmark cases involving price fixing, mergers toward monopoly, and unfair competition including IBM, AT&T, Microsoft.

**Prerequisites:** Econ 103(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 351 Introduction to International Economic Relations**

3 cr. Undergraduate.

International economics and finance, determinants and structure of international trade, commercial policy, foreign exchange markets, and balance of payments.

**Prerequisites:** Econ 100(P); or both 103(P) & 104(P).

**Course Rules:** Not open for cr to students who have cr in both Econ 454 & 455.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 353 Economic Development**

3 cr. Undergraduate.

Examination of determinants of growth, modernization, poverty, and inequality in developing countries of Africa, Asia, and Latin America. Analysis of development strategies.

**Prerequisites:** Econ 103(P) & 104(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 381 Honors Seminar.**

3 cr. Undergraduate.

Examination of current economic issues such as energy, environment, poverty, and human resource development.

**Prerequisites:** sophomore standing; HONORS 200(P); consent of Honors College director.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** SS

**Last Taught:** Fall 2016, Spring 2015, Spring 2006, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 404 Economic Applications of Game Theory**

3 cr. Undergraduate.

Strategic interaction among decision makers. Studies multi-party decision problems of a firm, a government, or a country.

**Prerequisites:** jr st; Econ 301(R) or cons instr.

**Last Taught:** Spring 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 411 Economic Forecasting Methods**

3 cr. Undergraduate/Graduate.

Economic time series, analysis, forecasts. Trends, seasonality, cycles. Univariate and multivariate time series models. Application of machine learning models to macro and financial data. Extensive use of econometric and statistical software.

**Prerequisites:** junior standing, ECON 210(P), and ECON 310(P); or consent of instructor.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 411G Economic Forecasting Methods**

3 cr. Undergraduate/Graduate.

Economic time series, analysis, forecasts. Trends, seasonality, cycles. Univariate and multivariate time series models. Application of machine learning models to macro and financial data. Extensive use of econometric and statistical software.

**Prerequisites:** junior standing, ECON 210(P), and ECON 310(P); or consent of instructor.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 413 Statistics for Economists**

3 cr. Undergraduate/Graduate.

Elements of probability; joint marginal and conditional distributions; measures of central tendency and dispersion, calculus of expectations; central limit theorem. Estimation and testing of economic relations.

**Prerequisites:** jr st; Econ 210(P); Math 211(P) & cons instr, or Math 231(P). Math 232(R) & 233(R).

**Last Taught:** Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 413G Statistics for Economists**

3 cr. Undergraduate/Graduate.

Elements of probability; joint marginal and conditional distributions; measures of central tendency and dispersion, calculus of expectations; central limit theorem. Estimation and testing of economic relations.

**Prerequisites:** jr st; Econ 210(P); Math 211(P) & cons instr, or Math 231(P). Math 232(R) & 233(R).

**Last Taught:** Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 415 Economics of Employment and Labor Relations**

3 cr. Undergraduate/Graduate.

Analysis of wage setting, labor markets, human capital and collective bargaining. Study of labor standards, regulation and the role of unions and government.

**Prerequisites:** jr st; Econ 103(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 415G Economics of Employment and Labor Relations**

3 cr. Undergraduate/Graduate.

Analysis of wage setting, labor markets, human capital and collective bargaining. Study of labor standards, regulation and the role of unions and government.

**Prerequisites:** jr st; Econ 103(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 426 Public Economics**

3 cr. Undergraduate/Graduate.

Economic analysis of government and policy, including taxation and expenditures, policy responses to market failures, redistributive programs, and related topics.

**Prerequisites:** jr st; Econ 104(P) & 301(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 426G Public Economics**

3 cr. Undergraduate/Graduate.

Economic analysis of government and policy, including taxation and expenditures, policy responses to market failures, redistributive programs, and related topics.

**Prerequisites:** jr st; Econ 104(P) & 301(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 432 Industrial Organization**

3 cr. Undergraduate/Graduate.

Economic analysis of asymmetric information, barriers to competitive entry, licensing, pricing practices/transactions costs; application to markets for insurance, computers, health care, used cars, food.

**Prerequisites:** jr st; Econ 301(P).**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 432G Industrial Organization**

3 cr. Undergraduate/Graduate.

Economic analysis of asymmetric information, barriers to competitive entry, licensing, pricing practices/transactions costs; application to markets for insurance, computers, health care, used cars, food.

**Prerequisites:** jr st; Econ 301(P).**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 447 Labor Economics**

3 cr. Undergraduate/Graduate.

The economics of unions, minimum wage, poverty and welfare programs; influence of international trade on domestic labor markets. Study of labor supply and labor demand.

**Prerequisites:** jr st; Econ 301(P).**Last Taught:** Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 447G Labor Economics**

3 cr. Undergraduate/Graduate.

The economics of unions, minimum wage, poverty and welfare programs; influence of international trade on domestic labor markets. Study of labor supply and labor demand.

**Prerequisites:** jr st; Econ 301(P).**Last Taught:** Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 448 Economics of Human Resources**

3 cr. Undergraduate/Graduate.

The economics of education, training, discrimination, and workplace incentives. Study of hiring, promotion, and job search.

**Prerequisites:** jr st; Econ 103(P) or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 448G Economics of Human Resources**

3 cr. Undergraduate/Graduate.

The economics of education, training, discrimination, and workplace incentives. Study of hiring, promotion, and job search.

**Prerequisites:** jr st; Econ 103(P) or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 450 Health Economics**

3 cr. Undergraduate/Graduate.

Efficiency of medical care, health insurance and access to care, alternative models of health care delivery, health behaviors and public policy.

**Prerequisites:** jr st; Econ 103(P).**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 450G Health Economics**

3 cr. Undergraduate/Graduate.

Efficiency of medical care, health insurance and access to care, alternative models of health care delivery, health behaviors and public policy.

**Prerequisites:** jr st; Econ 103(P).**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 454 International Trade**

3 cr. Undergraduate/Graduate.

Why countries trade; who wins, who loses; facts about world trade; political economy of trade. Balance of payments, Asian crisis, European Union, American wage dispersion.

**Prerequisites:** jr st; Econ 301(P).**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 454G International Trade**

3 cr. Undergraduate/Graduate.

Why countries trade; who wins, who loses; facts about world trade; political economy of trade. Balance of payments, Asian crisis, European Union, American wage dispersion.

**Prerequisites:** jr st; Econ 301(P).**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 455 International Finance**

3 cr. Undergraduate/Graduate.

International monetary system; spot and foreign exchange markets; balance of payments; international adjustment mechanisms; international finance policy; history and institution.

**Prerequisites:** jr st; Econ 302(P).**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 455G International Finance**

3 cr. Undergraduate/Graduate.

International monetary system; spot and foreign exchange markets; balance of payments; international adjustment mechanisms; international finance policy; history and institution.

**Prerequisites:** jr st; Econ 302(P).**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 458 Selected Topics in Economics:**

3 cr. Undergraduate/Graduate.

Variable content course designed to focus on special topics not normally discussed in detail in other existing courses.

**Prerequisites:** jr st & cons instr.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 458G Selected Topics in Economics:**

3 cr. Undergraduate/Graduate.

Variable content course designed to focus on special topics not normally discussed in detail in other existing courses.

**Prerequisites:** jr st & cons instr.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 489 Internship in Economics, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of economics in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Econ; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr granted for academic work based on 40 hrs in the Internship. May be retaken to 6 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2023, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2023, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 2002, Fall 1993.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 506 Mathematical Economics I**

3 cr. Undergraduate/Graduate.

Mathematical techniques used in economic analysis, including calculus and matrix algebra. Applications include optimizing behavior of firms and consumers.

**Prerequisites:** jr st; Econ 301(P); Math 211(P) & cons instr, or Math 231(P). Math 232(R) & 233(R).**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 506G Mathematical Economics I**

3 cr. Undergraduate/Graduate.

Mathematical techniques used in economic analysis, including calculus and matrix algebra. Applications include optimizing behavior of firms and consumers.

**Prerequisites:** jr st; Econ 301(P); Math 211(P) & cons instr, or Math 231(P). Math 232(R) & 233(R).**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 513 Introduction to Econometrics**

3 cr. Undergraduate/Graduate.

Multiple regression, generalized least squares, specification analysis, multicollinearity, multiple equations including simultaneous equations.

**Prerequisites:** jr st; Econ 413(P).**Last Taught:** Spring 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 513G Introduction to Econometrics**

3 cr. Undergraduate/Graduate.

Multiple regression, generalized least squares, specification analysis, multicollinearity, multiple equations including simultaneous equations.

**Prerequisites:** jr st; Econ 413(P).**Last Taught:** Spring 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 525 The Economics of Water**

3 cr. Undergraduate/Graduate.

Comprehensive development of water resource economics for engineers, scientists, and economists; analysis of the public and private sector economics of water resources.

**Prerequisites:** jr st; Econ 103(P); Math 231(P); a statistics course; or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 525G The Economics of Water**

3 cr. Undergraduate/Graduate.

Comprehensive development of water resource economics for engineers, scientists, and economists; analysis of the public and private sector economics of water resources.

**Prerequisites:** jr st; Econ 103(P); Math 231(P); a statistics course; or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 606 Mathematical Economics II**

3 cr. Undergraduate/Graduate.

Difference and differential equations applied to economic variables such as human capital, consumption, learning, energy use, and pollution.

Essential preparation for graduate work.

**Prerequisites:** jr st; Econ 506(P).**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 606G Mathematical Economics II**

3 cr. Undergraduate/Graduate.

Difference and differential equations applied to economic variables such as human capital, consumption, learning, energy use, and pollution.

Essential preparation for graduate work.

**Prerequisites:** jr st; Econ 506(P).**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 699 Independent Work**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of an ECON faculty or instructional academic staff member.

**Prerequisites:** jr st, 2.0 GPA; consent of instructor, Department Chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2022, Summer 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 701 Economic Theory: Microeconomics**

4 cr. Graduate.

Conventional theory of the behavior of firms, consumers, and markets; partial and general equilibria.

**Prerequisites:** grad st; Econ 301(P). Econ 506(R).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 702 Economic Theory: Macroeconomics**

4 cr. Graduate.

Aggregative economic analysis, problems of aggregation and significant aggregates; national income, flow-of-funds, and input-output.

**Prerequisites:** grad st; Econ 302(P). Econ 506(R).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 703 Econometrics**

4 cr. Graduate.

Regression theory, generalized least squares, heteroscedasticity, autocorrelation, multi-colinearity, distributed lags, and discrete variable models, system of equations.

**Prerequisites:** grad st**Course Rules:** No cr for students who have grad cr in Econ 513.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 706 Mathematical Economics**

3 cr. Graduate.

Mathematical analysis of modern economic problems; dynamic input-output system, stability analysis, general equilibrium analysis, optimizing theory including linear and non-linear programming, activity analysis and turnpike theory, and mathematical growth models.

**Prerequisites:** grad st; Econ 506(P) & 606(P).**Last Taught:** Fall 2007, Fall 2005, Fall 2004, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 708 Industrial Organization I**

3 cr. Graduate.

Exploration of the relationship between industrial structure and market performance. Topics covered include r&amp;d, advertising and government regulations. Prereq: grad st; Econ 301(P), 302(P) &amp; 506(P), or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 709 Industrial Organization II**

3 cr. Graduate.

Evaluation of the economic impact of the anti-trust laws. Topics covered include horizontal restraint, vertical restraint, patent, and mergers.

**Prerequisites:** grad st; Econ 301(P), 302(P), & 413(P).**Last Taught:** Spring 2019, Spring 2018, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 710 Applied Econometrics**

3 cr. Graduate.

Application of econometrics and data science to economics and finance. Study big data and machine learning models in economics. Extensive use of statistical software including R and Python.

**Prerequisites:** graduate standing; ECON 703(P).**Last Taught:** Fall 2023, Fall 2022, Spring 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 712 Urban Economic Theory**

3 cr. Graduate.

Trends in U.S. urbanization and suburbanization. Studies of urban household and firm behavior. General equilibrium analytical and simulation models of urban structure.

**Prerequisites:** grad st; Econ 301(P).**Last Taught:** Fall 2008, Spring 1996, Spring 1992, Spring 1990.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 713 Regional Economic Theory**

3 cr. Graduate.

Location theory and land-use patterns, regional social accounts and input-output models, shift-share analysis, regional econometric model, and growth policies.

**Prerequisites:** grad st; Econ 301(P) or cons instr; Econ 413(431)(R).**Last Taught:** Spring 2009, Fall 1995, Fall 1992, Fall 1991.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 731 Money, Income, and Prices**

3 cr. Graduate.

Analysis of the demand for money by monetary theorists. Integration of theories into general equilibrium macro-models.

**Prerequisites:** grad st; Econ 302(P). Econ 702(R).**Last Taught:** Fall 2018, Fall 2016, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 734 Foundation of Econometric Methods**

3 cr. Graduate.

Statistical and econometric methods for econometrics research. Asymptotic theory; maximum likelihood, instrumental variables, generalized method of moments estimation; linear regression model; resampling methods; machine-learning-based methods (model selection, tree-based models, deep neural network).

**Prerequisites:** graduate standing, ECON 413(P) and ECON 506(P) or consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 735 Econometric Methods I**

3 cr. Graduate.

Review asymptotic distribution theory, linear models and linear estimators, and their extensions. Estimation and testing of econometric models; topics including estimators for panel data models, difference-in-differences, regression discontinuity, limited dependent variable models, machine learning estimators.

**Prerequisites:** graduate standing and ECON 734(P) or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 749 Urban Public Finance**

3 cr. Graduate.

Analysis of state and local government expenditures and revenues; demand for urban services, costs of supplying them, and methods of financing them.

**Prerequisites:** grad st; Econ 301(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 751 Labor Economics I**

3 cr. Graduate.

Human capital investments: determinants of earnings (education, experience, incentives, discrimination, unions, compensating differentials); public sector labor markets; issues of retirement and aging.

**Prerequisites:** grad st; Econ 701(C).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 752 Labor Economics II**

3 cr. Graduate.

Income distribution and inequality; migration and immigration; fertility, family structure, human capital and labor supply; unemployment and job search; selection bias; specialization and work organization.

**Prerequisites:** grad st; Econ 701(C).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 753 Collective Bargaining**

3 cr. Graduate.

Economic and behavioral theories of collective bargaining, bargaining structure, impasses and truces, union effects, management goals, terms of the agreement and national policy.

**Prerequisites:** grad st; Ind Rel 701(R).

**Course Rules:** May not be substituted for Econ 751 or 752 in meeting the concentration req of the Econ MA Non-thesis option or in preparing for Ph D prelims.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 755 Comparative Labor Markets and Employment Relations**

3 cr. Graduate.

Labor market institutions, practices and performance. The U.S. is compared with western europe, japan and elsewhere.

**Prerequisites:** grad st; Econ 210(P) & 415(451)(P) or cons instr.

**Course Rules:** May not substitute for Econ 751 or 752.

**Last Taught:** Spring 2014, Spring 2010, Spring 2008, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 774 Economic Development - Theory**

3 cr. Graduate.

Theories relating to production, distribution, and capital formation in less-developed nations.

**Prerequisites:** grad st; Econ 301(P) & 302(P).

**Last Taught:** Fall 2023, Spring 2022, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 775 Economic Development - Policy**

3 cr. Graduate.

Graduate seminar course for MA and PhD students in applied economic growth, innovation, global warming, inequality, and development.

**Prerequisites:** graduate standing; ECON 301(P) and ECON 302(P).

**Last Taught:** Fall 2022, Fall 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 790 Research Seminar for M.A. Students**

3 cr. Graduate.

Basic research methods and guidance in developing a research proposal and writing a formal research paper.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 801 Advanced Microeconomic Theory I**

3 cr. Graduate.

Decision-making under risk and over time, general equilibrium and welfare, market failure, and applications, including demand systems, household production, interpersonal economics, and hedonic pricing.

**Prerequisites:** grad st; Econ 701(P) & 506(P). Econ 606(R).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 802 Advanced Macroeconomic Theory I**

3 cr. Graduate.

Money, credit, and governmental operations in aggregative analysis; critical study of some aggregative and analytical systems.

**Prerequisites:** grad st; Econ 702(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 803 Advanced Microeconomic Theory II**

3 cr. Graduate.

Theory of the firm, imperfect competition, game theory, asymmetric information, transaction costs and applications including matching/search, factor markets, contract theory, mechanism design and specialization.

**Prerequisites:** grad st; Econ 506 (P) & 701(P); Econ 606 (R).

**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 804 Advanced Macroeconomic Theory II**

3 cr. Graduate.

Foundations of macroeconomics with a focus on global challenges, including innovation, unemployment, global warming, and the balance between markets and government regulations.

**Prerequisites:** graduate standing and ECON 802(P).

**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ECON 806 Mathematical Economics**

3 cr. Graduate.

Applications of dynamic optimization technique to modern economic problems; optimal economic growth, optimal pricing, optimal stabilization policies, etc.

**Prerequisites:** Econ 706(P).**Last Taught:** Fall 2006, Spring 2006, Spring 2005, Spring 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 831 Monetary Theory and Policy**

3 cr. Graduate.

Study of money, credit, and liquidity as related to income, employment, and prices. Study of goals and effectiveness of monetary and banking policy.

**Prerequisites:** grad st; Econ 701(P). Econ 702(C) or cons instr.**Last Taught:** Spring 2019, Spring 2015, Spring 2014, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 835 Econometric Methods II**

3 cr. Graduate.

Time series econometrics and data analytics for macroeconomics and finance. ARMA, VAR, Forecasting, Cointegration, State Space Models, Machine Learning Models.

**Prerequisites:** graduate standing and ECON 735(P).**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 871 The Pure Theory of International Trade**

3 cr. Graduate.

Examines for both static and growing economies the impact of trade upon relative prices of goods and factors of production.

**Prerequisites:** grad st; Econ 701(P).**Last Taught:** Fall 2020, Fall 2017, Fall 2016, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 872 Money in the International Economy**

3 cr. Graduate.

Examines the theory and measurement of the balance of payments, appropriate policies for internal and external balance, the problems of making international payments and the issue of exchange rate flexibility.

**Prerequisites:** Econ 702(P) & 455(576)(P).**Last Taught:** Spring 2021, Spring 2020, Spring 2018, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Spring 2022, Summer 2021, Spring 2017, Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 905 Seminar: Banking and Monetary Theory.**

3 cr. Graduate.

Consideration of the relationship between monetary policy and short-run fluctuations and long-run economic trends.

**Prerequisites:** grad st; Econ 831(P) or cons instr.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Fall 2020, Fall 2017, Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 915 Seminar: Econometric Methods:**

3 cr. Graduate.

Selected advanced topics in econometric methods and their application to current economic problems.

**Prerequisites:** grad st; Econ 835(P).**Course Rules:** Retakable w/chg in topic to 6 cr max.**Last Taught:** Fall 2020, Fall 2012, Fall 2011, Spring 1994.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 931 Seminar: Regulated Industries:**

3 cr. Graduate.

Research in the field of public utilities and other regulated industries, with emphasis on changing the emerging transportation problems.

**Prerequisites:** grad st; Econ 701(P).**Course Rules:** Retakable w/chg in topic to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 947 Seminar: Public Finance:**

3 cr. Graduate.

Advanced study of public finance problems and literature. Research.

**Prerequisites:** grad st; Econ 701(P) & 702(P).**Course Rules:** Retakable w/chg in topic to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 974 Seminar: Economic Development and Growth:**

3 cr. Graduate.

Analysis of advanced topics relating to the process of economic development and theory of growth.

**Prerequisites:** grad st; Econ 774(P) & 775(P).**Course Rules:** Retakable w/chg in topic to 6 cr max.**Last Taught:** Spring 2007, Spring 2006, Fall 2005, Spring 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 990 Graduate Thesis**

1-3 cr. Graduate.

Reserved for research in connection with doctoral thesis.

**Prerequisites:** grad st; cons major prof.**Course Rules:** Retakable as necessary to fulfill thesis requirements.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 991 Workshop in Economic Research:**

2-3 cr. Graduate.

Individual research and group discussion of selected problems in economic theory and its applications.

**Prerequisites:** grad st & cons instr.**Course Rules:** Retakable with change in topic to 9 cr max.**Last Taught:** Spring 2015, Spring 2001, Fall 1992.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ECON 999 Independent Work**

1-3 cr. Graduate.

**Prerequisites:** grad st; cons instr.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Education-Interdepartmental (EDUC)

### EDUC 701 Critical Issues in Urban Education

3 cr. Graduate.

Examines critical issues within urban education and explores debates from historical and sociological frameworks.

**Prerequisites:** graduate standing and admitted to a School of Education doctoral program.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### EDUC 801 Seminar in Urban Education

3 cr. Graduate.

Continued examination and deeper analysis of critical issues in urban education. Focus on developing, exploring, and producing a literature review on a potential dissertation topic.

**Prerequisites:** graduate standing, admitted to a School of Education doctoral program, and EDUC 701 (P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### EDUC 881 Action Research

3 cr. Graduate.

Perspectives on action research, its forms in various contexts, and how it contributes to knowledge and improved practice.

**Prerequisites:** admis to Urban Ed PhD prog; Educ 701(C) or cons instr.

**Last Taught:** Spring 2005, Spring 2004, Spring 2002, Spring 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### EDUC 882 Multicultural Studies Practicum

3 cr. Graduate.

Intensive fieldwork/seminar with emphases on intercultural experience, integration of knowledge bases, and collaboration in community and university settings.

**Prerequisites:** Prereq: admis to Urban Ed PhD prog; Educ 881(P).

**Last Taught:** Summer 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### EDUC 900 Doctoral Seminar in Urban Education:

2-3 cr. Graduate.

Topics will vary. Overview of areas of study focuses upon problems in urban education. Emphasis placed upon research and potential research and potential search projects.

**Prerequisites:** admis to phd in urban educ prog.

**Course Rules:** May be repeated to max of 9 cr.

**Last Taught:** Fall 2008, Fall 2004, Fall 2002, Spring 1989.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### EDUC 901 Advanced Seminar in Urban Education

3 cr. Graduate.

Focus on research design and methodology based on a dissertation topic in consultation with the major advisor. Analytical plan includes equity, diversity, and justice frameworks.

**Prerequisites:** graduate standing, admitted to a School of Education doctoral program, and EDUC 801 (P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Educational Policy and Community Studies (ED POL)

### ED POL 100 Prior Professional Education Experience

3 cr. Undergraduate.

Allows Community Engagement & Education majors only to earn credits for their prior professional education experiences. Course credits may only be used towards lower electives.

**Prerequisites:** Admis to CEED.

**Course Rules:** Cr/no cr only.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### ED POL 101 Prior Professional Education Experience Topics

1-42 cr. Undergraduate.

Second semester lower division curriculum: includes development of prior educational experience statement, personal goal analysis, learning agreement, continued acquisition of skills and understandings leading to competence, practice.

**Prerequisites:** ED POL 100 or consent of instructor.

**Course Rules:** Less than 42 cr available to students possessing some equivalent skills and/or understandings.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### ED POL 111 Introduction to Community Action and Change

3 cr. Undergraduate.

Basic concepts and strategies for fostering collective action and change in communities and neighborhoods.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### ED POL 112 Introduction to Community Education, Engagement, and Development

3 cr. Undergraduate.

Examines the strategies for community education, engagement, and development and discusses the different roles of education within a community setting.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### ED POL 113 The Milwaukee Community

3 cr. Undergraduate.

An overview of communities and neighborhood groups in Milwaukee.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### ED POL 114 Community Issues, Policies, and Solutions

3 cr. Undergraduate.

Examines how social issues impact communities and neighborhoods while exploring strategies for change.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 179 Special Topics in Community Education:**

1-3 cr. Undergraduate.

**Prerequisites:** none.

**Course Rules:** May be retaken w/content chg to 12 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 200 Community Education III**

1-15 cr. Undergraduate.

Third semester lower division curriculum: emphasizes acquisition of skills and understandings leading to basic competence as set forth in student learning agreements. Includes fieldwork practice.

**Prerequisites:** Ed Pol 101 or cons instr.

**Course Rules:** Variable cr based on skills & understanding to be acquired & nature of practice.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 201 Community Education IV**

1-15 cr. Undergraduate.

Fourth semester of lower division curriculum: emphasizes final development of skills and understandings leading to basic competence as set forth in student learning agreements and continuation of fieldwork practice. Includes final evaluation of basic competence.

**Prerequisites:** Ed Pol 200 or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 202 Community Service Volunteer**

1-6 cr. Undergraduate.

**Prerequisites:** none.

**Course Rules:** Cr/no cr only. May be retaken to max of 6 cr.

**Last Taught:** Spring 2023, Spring 2020, Fall 2019, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 203 Communities and Neighborhoods in America**

3 cr. Undergraduate.

Students will construct a survey of their neighborhoods, examine theories of community structure, and analyze neighborhood improvement movements. Fulfills Ed Pol 113 req for CED.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 208 Experiential Learning Professional and Civic Development Course**

1 cr. Undergraduate.

Examination of students' internships in the local context of the Milwaukee metropolitan area, exploring both current and historic themes.

**Prerequisites:** an internship experience is required in conjunction with this course.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 212 Educational Issues in Spanish Speaking Communities**

3 cr. Undergraduate.

This course presents an overview of the educational issues in the Spanish-speaking communities in the United States and how these issues affect the total society.

**Prerequisites:** none.

**General Education Requirements:** CD, HU

**Last Taught:** Spring 2019, Spring 2014, Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 279 Current Topics in Educational Policy and Community Studies:**

1-3 cr. Undergraduate.

Variable content course. Specific topic announced in the Schedule of Classes.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2021, Spring 2021, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** cons instr; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 299 Independent Reading**

1-3 cr. Undergraduate.

For the benefit of undergraduate students unable to secure needed content in regular courses.

**Prerequisites:** cons instr.

**Course Rules:** May be retaken to max of 6 cr.

**Last Taught:** Spring 2019, Summer 2018, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 302 Approaches to Relationships in the Child Care Setting**

3 cr. Undergraduate.

Communication and conflict resolution in relationships in the child care setting, emphasizing parent-child, teacher-child, teacher-teacher and parent-teacher relationships.

**Prerequisites:** consent of advisor if admitted to the Community Education program; junior standing or consent of instructor for all other individuals.

**Last Taught:** Spring 2021, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 315 Group Process and Civic Engagement:**

1-3 cr. Undergraduate.

Explore group process and identity and relate these issues to future civic engagement for emerging student leaders.

**Prerequisites:** none.

**Course Rules:** Not open to students with cr in Ed Pol 279 Emerging Leaders topics. May be retaken to 4 cr max.

**Last Taught:** Fall 2018, Fall 2017, Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 375 Cultural Foundations of Education**

3 cr. Undergraduate.

Critical examination of cultural influences in American society as they affect education.

**Prerequisites:** soph st or cons instr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 377 Conceptual and Development Formulation for Prior Educational Experience**

3-6 cr. Undergraduate.

**Prerequisites:** C/NC only. May be retaken to 12 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 379 Current Topics in Community Education:**

1-6 cr. Undergraduate.

The specific topics and prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** jr st or cons instr.

**Course Rules:** May be retaken w/chg in topic to max of 12 cr.

**Last Taught:** Summer 2010, Fall 2009, Fall 1999, Fall 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 381 Introduction to Child Care:**

3 cr. Undergraduate.

An introductory course for students who are new to the field of child care. Enables students to begin working effectively with young children.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 383 Child Care Programming:**

1-3 cr. Undergraduate.

Study of child care programming as it relates to the child's social milieu: family, community, and child care center. Comparative examination of child care programs and their supporting theories.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Last Taught:** Spring 2021, Summer 2020, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 416 Analysis of Child Care Environments**

3-6 cr. Undergraduate.

Introduces students to a variety of special designs for child care settings and to an understanding of evaluation process for environmental changes.

**Prerequisites:** consent of advisor if admitted to the Community Education program; junior standing or consent of instructor for all other individuals.

**Last Taught:** Spring 2021, Summer 2020, Spring 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 442 Intermediate Community Education Practice I**

3-9 cr. Undergraduate.

Supervised fieldwork in Area of Specialty (upper divisional majors in C.E.). Emphasizes acquisition of new skills understandings and their application to practice.

**Prerequisites:** Ed Pol 508(P) & cons instr.

**Course Rules:** May be retaken to 9 cr max.

**Last Taught:** Spring 2023, Spring 2017, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 460 The Chicano Experience**

3 cr. Undergraduate.

This course surveys important issues shaping the Chicano experience in U.S. society by focusing on immigration, the Barrio, Repatriation, Zoot Suit, Chicano-police riots, etc.

**Prerequisites:** none.

**General Education Requirements:** CD, HU

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st, cons instr, acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2014, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st, cons instr, acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2014, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 499 Independent Reading**

1-3 cr. Undergraduate.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken for cr.

**Last Taught:** Fall 2023, Summer 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 500 Sociology and Policy of Urban Communities and Schools**

3 cr. Undergraduate/Graduate.

Selected contemporary social issues analyzed for their bearing on urban communities and schools.

**Prerequisites:** jr st.

**Last Taught:** Summer 2006, Summer 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 500G Sociology and Policy of Urban Communities and Schools**

3 cr. Undergraduate/Graduate.

Selected contemporary social issues analyzed for their bearing on urban communities and schools.

**Prerequisites:** jr st.

**Last Taught:** Summer 2006, Summer 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 501G Community Change and Engagement**

3 cr. Graduate.

Concepts and strategies for community change and engagement in low-income urban settings.

**Prerequisites:** grad st or cons instr.

**Course Rules:** Not open to students with credit for ED POL 111.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 506 Research Techniques for Community Organizers and Community Educators**

3 cr. Undergraduate.

Introduction to basic research techniques and the specific skills needed for the community organizer and/or educator.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 507 Action Research on Milwaukee Institutions**

3 cr. Undergraduate/Graduate.

Examination and analysis of the organization, philosophy, and history of specific Milwaukee institutions. Emphasis placed on how these institutions affect the lives of community residents and appropriate alternatives to current arrangements.

**Prerequisites:** jr st or cons instr.**Last Taught:** Spring 2012, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 507G Action Research on Milwaukee Institutions**

3 cr. Undergraduate/Graduate.

Examination and analysis of the organization, philosophy, and history of specific Milwaukee institutions. Emphasis placed on how these institutions affect the lives of community residents and appropriate alternatives to current arrangements.

**Prerequisites:** jr st or cons instr.**Last Taught:** Spring 2012, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 508 Advanced Problems in Community Change and Engagement**

3 cr. Undergraduate/Graduate.

Advanced training in community engagement with reflective paper.

**Prerequisites:** Ed Pol 111(P) & cons instr.**Last Taught:** Summer 2022, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 508G Advanced Problems in Community Change and Engagement**

3 cr. Undergraduate/Graduate.

Advanced training in community engagement with reflective paper.

**Prerequisites:** Ed Pol 111(P) & cons instr.**Last Taught:** Summer 2022, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 509 Fieldwork/Practicum in Education and the Community**

1-3 cr. Undergraduate/Graduate.

Advanced fieldwork/practicum for students to acquire skills for educational and community practice.

**Prerequisites:** none.**Course Rules:** May be retaken to 6 cr max. Fieldwork hours correspond to credit value; 50 hours for 1 cr, 75 hours for 2 crs, 100 hours for 3 crs.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 509G Fieldwork/Practicum in Education and the Community**

1-3 cr. Undergraduate/Graduate.

Advanced fieldwork/practicum for students to acquire skills for educational and community practice.

**Prerequisites:** none.**Course Rules:** May be retaken to 6 cr max. Fieldwork hours correspond to credit value; 50 hours for 1 cr, 75 hours for 2 crs, 100 hours for 3 crs.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 510 Human Relations for Community Organizations & Community Engagement**

3 cr. Undergraduate/Graduate.

Analysis of selected concepts and resources bearing on human relations training. Various approaches, e.g., Harvard case studies, to human relations will be evaluated.

**Prerequisites:** jr st.**General Education Requirements:** SS**Last Taught:** Fall 1996, Spring 1996.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 510G Human Relations for Community Organizations & Community Engagement**

3 cr. Undergraduate/Graduate.

Analysis of selected concepts and resources bearing on human relations training. Various approaches, e.g., Harvard case studies, to human relations will be evaluated.

**Prerequisites:** jr st.**General Education Requirements:** SS**Last Taught:** Fall 1996, Spring 1996.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 519 Peer Programs and Mediation: Youth Mentoring and Supporting Youth**

3 cr. Undergraduate/Graduate.

Theory and practice of peer programs and how they are developed and sustained.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of Ed Pol 579 w/same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 519G Peer Programs and Mediation: Youth Mentoring and Supporting Youth**

3 cr. Undergraduate/Graduate.

Theory and practice of peer programs and how they are developed and sustained.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of Ed Pol 579 w/same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 520 Peace Education**

3 cr. Undergraduate/Graduate.

Discusses how education and community education can address the threats of violence and prepares students to teach about peace, nonviolence, and conflict resolution.

**Prerequisites:** jr st or cons instr. Minimum of 9 hrs Soc Sci division course work.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 520G Peace Education**

3 cr. Undergraduate/Graduate.

Discusses how education and community education can address the threats of violence and prepares students to teach about peace, nonviolence, and conflict resolution.

**Prerequisites:** jr st or cons instr. Minimum of 9 hrs Soc Sci division course work.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 521 Nonviolence in Education**

3 cr. Undergraduate/Graduate.

An overview of different theories of nonviolence and an examination of their applications in educational setting.

**Prerequisites:** jr st; Ed Pol 520(R); Psych 201(R) or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 521G Nonviolence in Education**

3 cr. Undergraduate/Graduate.

An overview of different theories of nonviolence and an examination of their applications in educational setting.

**Prerequisites:** jr st; Ed Pol 520(R); Psych 201(R) or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 530 Urban Education: Foundations**

3 cr. Undergraduate/Graduate.

Application of basic social science concepts to study of education in the urban setting.

**Prerequisites:** Prereq; jr st.**Last Taught:** Summer 2019, Summer 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 530G Urban Education: Foundations**

3 cr. Undergraduate/Graduate.

Application of basic social science concepts to study of education in the urban setting.

**Prerequisites:** Prereq; jr st.**Last Taught:** Summer 2019, Summer 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 531 Alternative Schools**

3 cr. Undergraduate/Graduate.

Examine the alternative schools movement.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of Ed Pol 330.**Last Taught:** Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 531G Alternative Schools**

3 cr. Undergraduate/Graduate.

Examine the alternative schools movement.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of Ed Pol 330.**Last Taught:** Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 533 Educating Black Males-Theories, Methods and Strategies**

3 cr. Undergraduate/Graduate.

This course will develop skills and strategies to affect changes in the lives of black males in the school system, k through 12 grade.

**Prerequisites:** jr st; Ed Pol 112 or 375 or equiv or teacher certification.**Last Taught:** Fall 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 533G Educating Black Males-Theories, Methods and Strategies**

3 cr. Undergraduate/Graduate.

This course will develop skills and strategies to affect changes in the lives of black males in the school system, k through 12 grade.

**Prerequisites:** jr st; Ed Pol 112 or 375 or equiv or teacher certification.**Last Taught:** Fall 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 534 Students Placed At Risk: Deconstructing Risk, Defining Promise**

3 cr. Undergraduate/Graduate.

Helps teachers to identify and understand the personal, social, cultural and community contexts which contribute to risk discourse and the labeling of public school students.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 534G Students Placed At Risk: Deconstructing Risk, Defining Promise**

3 cr. Undergraduate/Graduate.

Helps teachers to identify and understand the personal, social, cultural and community contexts which contribute to risk discourse and the labeling of public school students.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 535 Educating Students Placed At Risk: Pedagogies of Engagement**

3 cr. Undergraduate/Graduate.

Development of skills and techniques to enable teachers to be instructionally effective with students placed at risk.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 535G Educating Students Placed At Risk: Pedagogies of Engagement**

3 cr. Undergraduate/Graduate.

Development of skills and techniques to enable teachers to be instructionally effective with students placed at risk.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 541 Wisconsin Juvenile Justice System and the Law for School Personnel**

1 cr. Undergraduate/Graduate.

Provides students and school personnel with knowledge of Wisconsin juvenile justice system, and legal responsibilities of all school personnel, emphasizing current code.

**Prerequisites:** jr st.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 541G Wisconsin Juvenile Justice System and the Law for School Personnel**

1 cr. Undergraduate/Graduate.

Provides students and school personnel with knowledge of Wisconsin juvenile justice system, and legal responsibilities of all school personnel, emphasizing current code.

**Prerequisites:** jr st.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 550 Comparative Education**

3 cr. Undergraduate/Graduate.

Survey of foreign school systems with attention to cultural setting and major purposes.

**Prerequisites:** jr st.**Last Taught:** Spring 2007, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 550G Comparative Education**

3 cr. Undergraduate/Graduate.

Survey of foreign school systems with attention to cultural setting and major purposes.

**Prerequisites:** jr st.**Last Taught:** Spring 2007, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 560 Education and Hispanics**

3 cr. Undergraduate/Graduate.

Examination of the educational experiences of Hispanics in schools in the USA.

**Prerequisites:** jr st.**General Education Requirements:** CD, SS**Last Taught:** Spring 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 560G Education and Hispanics**

3 cr. Undergraduate/Graduate.

Examination of the educational experiences of Hispanics in schools in the USA.

**Prerequisites:** jr st.**General Education Requirements:** CD, SS**Last Taught:** Spring 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 561 Education Issues in American Indian Communities**

3 cr. Undergraduate/Graduate.

Unique political-legal, social-cultural contexts of Native Education, intergovernmental involvement and role in addressing social/cultural and developmental needs of tribal societies.

**Prerequisites:** jr st or cons instr.**General Education Requirements:** CD**Last Taught:** Spring 2010, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 561G Education Issues in American Indian Communities**

3 cr. Undergraduate/Graduate.

Unique political-legal, social-cultural contexts of Native Education, intergovernmental involvement and role in addressing social/cultural and developmental needs of tribal societies.

**Prerequisites:** jr st or cons instr.**General Education Requirements:** CD**Last Taught:** Spring 2010, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 575G Foundations of Education**

3 cr. Graduate.

Focuses on the development of public schooling in the US, particularly large urban districts, and contexts of foundations of education. Explores the school-society relationship from critical, normative, and interpretive perspectives.

**Prerequisites:** graduate standing.**Course Rules:** Counts as repeat of ED POL 375 taken at the undergraduate level.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 579 Current Topics in Cultural Foundations of Education:**

1-6 cr. Undergraduate/Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to max of 9 credits, including credits earned under ED POL 779.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 579G Current Topics in Cultural Foundations of Education:**

1-6 cr. Undergraduate/Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to max of 9 credits, including credits earned under ED POL 779.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 580 An Overview of Child/Youth Care**

3 cr. Undergraduate/Graduate.

Survey of skills, theories and approaches of the youth work field. Emphasis on interactive, developmental and relationship-building approaches in a variety of settings.

**Prerequisites:** jr st or cons instr.**Course Rules:** Ed Pol/ExcEduc/Soc Wrk 580 are jointly offered & count as repeats of each other.**Last Taught:** Fall 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 580G An Overview of Child/Youth Care**

3 cr. Undergraduate/Graduate.

Survey of skills, theories and approaches of the youth work field. Emphasis on interactive, developmental and relationship-building approaches in a variety of settings.

**Prerequisites:** jr st or cons instr.**Course Rules:** Ed Pol/ExcEduc/Soc Wrk 580 are jointly offered & count as repeats of each other.**Last Taught:** Fall 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 581 Youth Work Practice**

3 cr. Undergraduate/Graduate.

Applies the skills, theories and approaches of the youth work field to settings such as schools, community centers, and residential programs.

**Prerequisites:** jr st; Ed Pol/Soc Wrk 580(P); or grad st or cons instr.**Course Rules:** Ed Pol/Soc Wrk 581 are jointly offered & count as repeats of each other.**Last Taught:** Spring 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 581G Youth Work Practice**

3 cr. Undergraduate/Graduate.

Applies the skills, theories and approaches of the youth work field to settings such as schools, community centers, and residential programs.

**Prerequisites:** jr st; Ed Pol/Soc Wrk 580(P); or grad st or cons instr.**Course Rules:** Ed Pol/Soc Wrk 581 are jointly offered & count as repeats of each other.**Last Taught:** Spring 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 582 Operations Management in Early Childhood Programs**

3 cr. Undergraduate/Graduate.

An introduction to systems and operations theory. Students explore and apply management concepts, systems, policies, and procedures to improve the quality of programs and services.

**Prerequisites:** junior standing; AD LDSP 581(P); or consent of instructor.

**Course Rules:** AD LDSP 582 and ED POL 582 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 582G Operations Management in Early Childhood Programs**

3 cr. Undergraduate/Graduate.

An introduction to systems and operations theory. Students explore and apply management concepts, systems, policies, and procedures to improve the quality of programs and services.

**Prerequisites:** junior standing; AD LDSP 581(P); or consent of instructor.

**Course Rules:** AD LDSP 582 and ED POL 582 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 584 Early Childhood Programs and the External Environment**

3 cr. Undergraduate/Graduate.

Examines external influences that impact daycare. Students explore issues of culture, community, diversity, and policy as well as technical issues related to program quality.

**Prerequisites:** junior standing and AD LDSP 581(P); or consent of instructor.

**Last Taught:** Summer 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 584G Early Childhood Programs and the External Environment**

3 cr. Undergraduate/Graduate.

Examines external influences that impact daycare. Students explore issues of culture, community, diversity, and policy as well as technical issues related to program quality.

**Prerequisites:** junior standing and AD LDSP 581(P); or consent of instructor.

**Last Taught:** Summer 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 585 Supervised Practicum in Child and Youth Care**

2-4 cr. Undergraduate/Graduate.

Supervised practicum in residential agencies and settings which utilize child and youth care workers and serve behaviorally, cognitively and/or physically disabled youth.

**Prerequisites:** jr st; ED POL 580/EXCEDUC 580/SOC WRK 580(P), or grad st; cons instr.

**Course Rules:** ED POL 585/EXCEDUC 585 are jointly offered & count as repeats of each other.

**Last Taught:** Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 597 Public Schools, Church-State Issues: Educational Foundations**

3 cr. Undergraduate/Graduate.

Examination of the intersection between church and state in public education, including historical, legal, and moral issues; discussions of religious conflicts.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 597G Public Schools, Church-State Issues: Educational Foundations**

3 cr. Undergraduate/Graduate.

Examination of the intersection between church and state in public education, including historical, legal, and moral issues; discussions of religious conflicts.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 601 Foundations of Community-Based Organizations**

3 cr. Undergraduate/Graduate.

Overview of community based organizations, their structures, functions, & administration. Students will also be taught proposal writing skills.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 601G Foundations of Community-Based Organizations**

3 cr. Undergraduate/Graduate.

Overview of community based organizations, their structures, functions, & administration. Students will also be taught proposal writing skills.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 602 Proposal Writing and Fundraising Skills for Community-Based Organizations**

3 cr. Undergraduate/Graduate.

Course prepares students to research, identify and apply for government funded community programs.

**Prerequisites:** jr st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 602G Proposal Writing and Fundraising Skills for Community-Based Organizations**

3 cr. Undergraduate/Graduate.

Course prepares students to research, identify and apply for government funded community programs.

**Prerequisites:** jr st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 603 Community Policy Analysis**

3 cr. Undergraduate/Graduate.

Overview of policy analysis theory and approaches and techniques used to make sound policy decisions.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 603G Community Policy Analysis**

3 cr. Undergraduate/Graduate.

Overview of policy analysis theory and approaches and techniques used to make sound policy decisions.

**Prerequisites:** jr st or cons instr.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 604 Marketing for Community-Based Organizations**

3 cr. Undergraduate/Graduate.

Basic theories of marketing and the application of marketing strategies used by community-based organizations.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 604G Marketing for Community-Based Organizations**

3 cr. Undergraduate/Graduate.

Basic theories of marketing and the application of marketing strategies used by community-based organizations.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 605 Community-Based Organization Funding**

3 cr. Undergraduate/Graduate.

Overview of basic fiscal issues (funding types and sources, accountability issues, oversight systems, etc) impacting community-based organizations.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 605G Community-Based Organization Funding**

3 cr. Undergraduate/Graduate.

Overview of basic fiscal issues (funding types and sources, accountability issues, oversight systems, etc) impacting community-based organizations.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 607 Service Learning and Community Engagement**

3 cr. Undergraduate/Graduate.

Examines theories and practices of Service Learning and Community Engagement. Provides frameworks for reflection and action. Explores power, inequality and approaches to social justice.

**Prerequisites:** jr st or cons instr.**Course Rules:** Part of concentration in Community Engagement and Partnerships.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 607G Service Learning and Community Engagement**

3 cr. Undergraduate/Graduate.

Examines theories and practices of Service Learning and Community Engagement. Provides frameworks for reflection and action. Explores power, inequality and approaches to social justice.

**Prerequisites:** jr st or cons instr.**Course Rules:** Part of concentration in Community Engagement and Partnerships.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 608 Social Media and Technology for Community Engagement**

3 cr. Undergraduate/Graduate.

Introduces a variety of current visions of social media and approaches to community informatics.

**Prerequisites:** jr st or cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 608G Social Media and Technology for Community Engagement**

3 cr. Undergraduate/Graduate.

Introduces a variety of current visions of social media and approaches to community informatics.

**Prerequisites:** jr st or cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 609 Community Partnerships**

3 cr. Undergraduate/Graduate.

Explores different partnership environments, including: community-campus partnerships, inter-agency non-profit partnerships; governmental-non-profit partnerships; and public-private partnerships through theory and practice.

**Prerequisites:** jr st or cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 609G Community Partnerships**

3 cr. Undergraduate/Graduate.

Explores different partnership environments, including: community-campus partnerships, inter-agency non-profit partnerships; governmental-non-profit partnerships; and public-private partnerships through theory and practice.

**Prerequisites:** jr st or cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 610 Reproduction of Minoritized Communities**

3 cr. Undergraduate/Graduate.

Analysis of the social, economic, and cultural forces behind the formation and reproduction of minoritized communities in the United States.

**Prerequisites:** junior standing; or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 610G Reproduction of Minoritized Communities**

3 cr. Undergraduate/Graduate.

Analysis of the social, economic, and cultural forces behind the formation and reproduction of minoritized communities in the United States.

**Prerequisites:** junior standing; or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED POL 611 Community Policies and Urban Minority Youths**

3 cr. Undergraduate/Graduate.

Focus on how community policies impact urban minority youths.

**Prerequisites:** jr st.**Last Taught:** Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 611G Community Policies and Urban Minority Youths**

3 cr. Undergraduate/Graduate.

Focus on how community policies impact urban minority youths.

**Prerequisites:** jr st.

**Last Taught:** Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 612 Community Participation and Power**

3 cr. Undergraduate/Graduate.

Strategies for community participation in policy and practice; importance of understanding power relations for success. Students choose individual focus: e.g., housing, public health, education, etc.

**Prerequisites:** jr st.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 612G Community Participation and Power**

3 cr. Undergraduate/Graduate.

Strategies for community participation in policy and practice; importance of understanding power relations for success. Students choose individual focus: e.g., housing, public health, education, etc.

**Prerequisites:** jr st.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 613 Context and Foundations of Educational Policy**

3 cr. Undergraduate/Graduate.

Defines educational policy, studies philosophical, historical, and social contexts of educational policy, examines context of educational policy, and presents contemporary educational concerns.

**Prerequisites:** jr st.

**Last Taught:** Fall 2012, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 613G Context and Foundations of Educational Policy**

3 cr. Undergraduate/Graduate.

Defines educational policy, studies philosophical, historical, and social contexts of educational policy, examines context of educational policy, and presents contemporary educational concerns.

**Prerequisites:** jr st.

**Last Taught:** Fall 2012, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 620 History of the Education of African Americans**

3 cr. Undergraduate/Graduate.

Study of the history, biographies, trends, cultural influences, and movements in the education of African Americans: Africa to slavery to the present. Comparison with 'white education.'

**Prerequisites:** jr st.

**Last Taught:** Spring 2019, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 620G History of the Education of African Americans**

3 cr. Undergraduate/Graduate.

Study of the history, biographies, trends, cultural influences, and movements in the education of African Americans: Africa to slavery to the present. Comparison with 'white education.'

**Prerequisites:** jr st.

**Last Taught:** Spring 2019, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 621 History of Native Education and Policy Development**

3 cr. Undergraduate/Graduate.

Historic policy development affecting the education of American Indians including the development of schools and the relationship of education to federal Indian policy.

**Prerequisites:** jr st or cons instr.

**General Education Requirements:** CD

**Last Taught:** Fall 2013, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 621G History of Native Education and Policy Development**

3 cr. Undergraduate/Graduate.

Historic policy development affecting the education of American Indians including the development of schools and the relationship of education to federal Indian policy.

**Prerequisites:** jr st or cons instr.

**General Education Requirements:** CD

**Last Taught:** Fall 2013, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 624 Gender and Education**

3 cr. Undergraduate/Graduate.

Overview of the major discussions and debates in the area of gender, focusing on the intersections of gender, race, class, ethnicity, and sexuality.

**Prerequisites:** jr st.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 624G Gender and Education**

3 cr. Undergraduate/Graduate.

Overview of the major discussions and debates in the area of gender, focusing on the intersections of gender, race, class, ethnicity, and sexuality.

**Prerequisites:** jr st.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 625 Race Relations in Education**

3 cr. Undergraduate/Graduate.

Study and analysis of historical and theoretical bases of racism/race relations in america and their influences on contemporary educational policies and practices.

**Prerequisites:** jr st.

**General Education Requirements:** CD

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 625G Race Relations in Education**

3 cr. Undergraduate/Graduate.

Study and analysis of historical and theoretical bases of racism/race relations in america and their influences on contemporary educational policies and practices.

**Prerequisites:** jr st.

**General Education Requirements:** CD

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 626 Antiracist Education**

3 cr. Undergraduate/Graduate.  
Comparative perspectives on racism and antiracism in society and education.  
**Prerequisites:** jr st.  
**Course Rules:** Counts as repeat of Ed Pol 579 with same topic.  
**Last Taught:** Fall 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 626G Antiracist Education**

3 cr. Undergraduate/Graduate.  
Comparative perspectives on racism and antiracism in society and education.  
**Prerequisites:** jr st.  
**Course Rules:** Counts as repeat of Ed Pol 579 with same topic.  
**Last Taught:** Fall 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 627 Theories and Issues of Racial Justice in Education**

3 cr. Undergraduate/Graduate.  
Explores the tenets and application of Critical Race Theory in the field of education including relevant application to Culturally Responsive Pedagogy in schools.  
**Prerequisites:** junior standing.  
**Course Rules:** Counts as a repeat of and not open for credit to students with credit in ED POL 579 with topic Critical Race Theory/Schools/Culturally Relevant Pedagogy.  
**Last Taught:** Spring 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 627G Theories and Issues of Racial Justice in Education**

3 cr. Undergraduate/Graduate.  
Explores the tenets and application of Critical Race Theory in the field of education including relevant application to Culturally Responsive Pedagogy in schools.  
**Prerequisites:** junior standing.  
**Course Rules:** Counts as a repeat of and not open for credit to students with credit in ED POL 579 with topic Critical Race Theory/Schools/Culturally Relevant Pedagogy.  
**Last Taught:** Spring 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 630 Race, Ethnicity, and Public Policy in Urban America**

3 cr. Undergraduate/Graduate.  
Examination of the relationship between race, ethnicity, and public policy with emphasis on issues (housing, crime, welfare reform, poverty, employment, discrimination, etc.) impacting urban communities.  
**Prerequisites:** junior standing or consent of instructor.  
**Last Taught:** Spring 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 630G Race, Ethnicity, and Public Policy in Urban America**

3 cr. Undergraduate/Graduate.  
Examination of the relationship between race, ethnicity, and public policy with emphasis on issues (housing, crime, welfare reform, poverty, employment, discrimination, etc.) impacting urban communities.  
**Prerequisites:** junior standing or consent of instructor.  
**Last Taught:** Spring 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 633 Community Development: History, Structure, Process-Empowering Communities**

3 cr. Undergraduate/Graduate.  
Introduction to the principles, ideas, and techniques of community empowerment and the development of minoritized communities.  
**Prerequisites:** junior standing; or consent of instructor.  
**Last Taught:** Fall 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 633G Community Development: History, Structure, Process-Empowering Communities**

3 cr. Undergraduate/Graduate.  
Introduction to the principles, ideas, and techniques of community empowerment and the development of minoritized communities.  
**Prerequisites:** junior standing; or consent of instructor.  
**Last Taught:** Fall 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 636 Issues in African American Education**

3 cr. Undergraduate/Graduate.  
Contemporary issues in African American education, including special education, poverty, and academics, and their historical contexts.  
**Prerequisites:** jr st.  
**Last Taught:** Fall 2017, Fall 2016.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 636G Issues in African American Education**

3 cr. Undergraduate/Graduate.  
Contemporary issues in African American education, including special education, poverty, and academics, and their historical contexts.  
**Prerequisites:** jr st.  
**Last Taught:** Fall 2017, Fall 2016.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 639 Milwaukee Black Community**

3 cr. Undergraduate/Graduate.  
Overview of the social, historical, economic and political developments of Milwaukee's Black community.  
**Prerequisites:** jr st.  
**Last Taught:** Spring 2015.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 639G Milwaukee Black Community**

3 cr. Undergraduate/Graduate.  
Overview of the social, historical, economic and political developments of Milwaukee's Black community.  
**Prerequisites:** jr st.  
**Last Taught:** Spring 2015.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 640 The Rise and Fall of America's Southern Civil Rights Movement**

3 cr. Undergraduate/Graduate.  
African Americans' struggle for Civil Rights in the South, focusing on issues such as education, housing, and politics; social and historical context for related policies.  
**Prerequisites:** jr st.  
**Last Taught:** Spring 2014, Fall 2011.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 640G The Rise and Fall of America's Southern Civil Rights Movement**

3 cr. Undergraduate/Graduate.

African Americans' struggle for Civil Rights in the South, focusing on issues such as education, housing, and politics; social and historical context for related policies.

**Prerequisites:** jr st.

**Last Taught:** Spring 2014, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 650 The Civil Rights Movement in Northern Cities**

3 cr. Undergraduate/Graduate.

Exploration of the Civil Rights Movement in northern cities, focusing on issues such as education, housing, and politics; social and historical context for related policies.

**Prerequisites:** jr st.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 650G The Civil Rights Movement in Northern Cities**

3 cr. Undergraduate/Graduate.

Exploration of the Civil Rights Movement in northern cities, focusing on issues such as education, housing, and politics; social and historical context for related policies.

**Prerequisites:** jr st.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 688 Fieldwork in Multicultural Education**

1-6 cr. Undergraduate/Graduate.

Fieldwork in multicultural settings appropriate for cultural research, analysis and study. Individualized requirements and evaluation criteria to be determined by faculty on individualized bases.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 688G Fieldwork in Multicultural Education**

1-6 cr. Undergraduate/Graduate.

Fieldwork in multicultural settings appropriate for cultural research, analysis and study. Individualized requirements and evaluation criteria to be determined by faculty on individualized bases.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 698 Fieldwork in International Education**

1-6 cr. Undergraduate/Graduate.

Fieldwork in intercultural settings appropriate for cultural research, analysis and study. Requirements and evaluation criteria to be determined by faculty on individualized basis.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2019, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 698G Fieldwork in International Education**

1-6 cr. Undergraduate/Graduate.

Fieldwork in intercultural settings appropriate for cultural research, analysis and study. Requirements and evaluation criteria to be determined by faculty on individualized basis.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2019, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 702 Cultural Foundations of Education Graduate Seminar**

3 cr. Graduate.

Introduction to graduate studies. Provides students the skills and knowledge needed to succeed in graduate school.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 705 Sociology of Education and Community Engagement**

3 cr. Graduate.

Focus on education and communities as social systems. Examination of race/ethnicity, socioeconomic class, and gender in communities and schools.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 710 Research Methods for Education and Community Engagement**

3 cr. Graduate.

Critical examination of historical, philosophical, sociological and comparative research methods and strategies and their implications for community engagement and educational change.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 721 Data Analysis for Educational Policy & Community Engagement**

3 cr. Graduate.

Provides students with basic quantitative skills needed for gathering, organizing, interpreting, reporting and presenting data to impact community policies.

**Prerequisites:** grad st.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 740 Modern Philosophies of Education and Community**

3 cr. Graduate.

Analysis of philosophies of education and of community processes; exploration of beliefs about values and knowledge within cultural contexts.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 750 History of Education in American Communities**

3 cr. Graduate.

Study of consensus and conflict in the ideas and issues shaping education and community in the changing U.S. society; includes an emphasis on the education and engagement of immigrants, minorities and women in and outside of mainstream society..

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 780 Urban Education Policies and Community: Problems and Opportunities**

3 cr. Graduate.

Issues impacting urban school districts.

**Prerequisites:** grad st.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 791 Action Research: Capstone Workshop**

3 cr. Graduate.

Capstone research course for students in the Cultural Foundations of Education MS program

**Prerequisites:** grad st; Ed Pol 710 and 705 (P), 740 & 750 (P) or (C) plus 6 addl cr; cons instr.

**Course Rules:** Open to Cultural Foundations Students only.

**Last Taught:** Fall 2023, Spring 2022, Fall 2021, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 799 Independent Reading**

1-3 cr. Graduate.

For benefit of grad students unable to secure needed content in regular courses.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 805 Sociology of Education: Seminar**

3 cr. Graduate.

Evaluation of theory, scholarly research, and issues in the sociology of education, with emphasis on empirical studies of social stratification and social mobility.

**Prerequisites:** Doctoral st or cons instr.

**Last Taught:** Spring 2021, Spring 2020, Spring 2018, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 822 Global Educational Studies**

3 cr. Graduate.

Study of education worldwide as well as issues that affect education internationally, including inequalities between and within countries.

Examination of proposed reforms, innovations and technologies.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2015, Spring 2014, Fall 2012, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 823 Multicultural Education**

3 cr. Graduate.

Study of cultural diversity and its relationship to educational theory and practice. Emphasis upon developing and analyzing programs with a multicultural emphasis.

**Prerequisites:** grad st; Ed Pol 705(P) or 750(P) or cons instr.

**Last Taught:** Summer 2014, Summer 2003, Summer 2002, Summer 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 837 Emergent Methods in Qualitative Research for Social Foundations**

3 cr. Graduate.

Provides students an advance overview of state-of-the-art qualitative research methods.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 840 Seminar in Educational Theory**

3 cr. Graduate.

Examination of prominent theories of education and society and application to current educational issues and contexts.

**Prerequisites:** Doctoral st or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 850 Seminar in History of American Education**

3 cr. Graduate.

Historical background of contemporary debates and controversies in American education.

**Prerequisites:** Doctoral st or cons instr.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2019, Fall 2018, Summer 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 990 Research or Thesis**

1-3 cr. Graduate.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED POL 999 Independent Reading**

1-3 cr. Graduate.

Variable content course.

**Prerequisites:** master's degree.

**Course Rules:** Retakeable to max of 9 cr.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Educational Psychology (ED PSY)

**ED PSY 100 Learning Skills Laboratory**

2 cr. Undergraduate.

**Prerequisites:** none. Not open to jr & sr st except as auditors.

**Last Taught:** Spring 2016, Fall 2015, Spring 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 101 Foundations of Academic Success**

1 cr. Undergraduate.

A variable content course designed to increase retention through self-assessment, career exploration, decision-making, study skills, goal setting, and available resources at UWM.

**Prerequisites:** none.

**Course Rules:** Credit/No Credit only. Retakeable to 6 credits max.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 102 Success in Academics and Athletics**

1 cr. Undergraduate.

Offers information concerning topics that impact the Division I student-athlete experience. Topics include time management, NCAA Rules and Regulations, academic major exploration, career planning, and campus resources exploration.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of ED PSY 101 with topic Success in Academics and Athletics.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 104 Pathways to Success at UWM:**

3 cr. Undergraduate.

Provides students with knowledge of and connection to campus resources, helping with study skills and time management in order to be successful at UWM.

**Prerequisites:** none.

**Course Rules:** May not be retaken for credit. Counts as repeat of Ed Psy 101 with same topic.

**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 105 Motivation Strategies**

3 cr. Undergraduate.

Enhances student success and retention and helps students create greater success in college and life. Strategies for creating academic, professional, and personal success.

**Prerequisites:** none.

**Last Taught:** Spring 2018, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 110 Planning Your Major, Career**

3 cr. Undergraduate.

Understanding the career planning process for making decisions about academic majors and careers.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of Ed Psy 101 with same topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 123 Jumpstart: First Year Student Experience and Success**

1 cr. Undergraduate.

University experience course for first-year students with a declared major in the School of Education; focus on student transition to college, success, and belonging.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of ED PSY 279 with topic Jumpstart: First Year Student Experience Success.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 212 Career Planning and Development for the Multicultural Workplace**

3 cr.

Understanding of and preparation for multicultural work environments; critical reflection on cultural identities, connecting personal history to social and historical forces, understanding bias and oppression.

**Prerequisites:** OWC Part A or CGS ENG 102(P).

**Course Rules:** CGS PSY 212 and ED PSY 212 are jointly offered and count as repeats of one another.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 220 Positive Psychology Applied to Culture, Learning, & Development**

3 cr.

Introduction to topics related to happiness and positive aspects of the learning experience, positive psychological constructs that optimize learning.

**Prerequisites:** OWC Part A or CGS ENG 102(P).

**Course Rules:** CGS PSY 220 and ED PSY 220 are jointly offered and count as repeats of one another.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 230 Orientation Leader Training**

2 cr. Undergraduate.

Overview of academic policies and procedures; leadership, group facilitation, and presentation skills development for orientation leadership positions.

**Prerequisites:** none.

**Course Rules:** Not open for credit to students with credit in ED PSY 279 with the topic Orientation Leader Training.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 277 Cross-Cultural Conversations**

3 cr. Undergraduate.

Multicultural dialogue on issues of race, ethnicity, social class, gender, sexual orientation, and other aspects of identity and impacts on personal lives, communities, and society.

**Prerequisites:** none.

**General Education Requirements:** SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 279 Current Topics in Educational Psychology:**

1-3 cr. Undergraduate.

Specific topic announced in Schedule of Classes each time course is offered; any additional prerequisites are included in announcement.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Fall 2022, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 290 Individual Research**

1-3 cr. Undergraduate.

**Prerequisites:** cons instr.

**Last Taught:** Spring 2005, Spring 2001, Spring 2000.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** cons instr; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 299 Independent Reading**

1-3 cr. Undergraduate.

For benefit of undergraduate students unable to secure needed content in regular courses.

**Prerequisites:** cons instr.

**Last Taught:** Fall 2019, Summer 2012, Spring 2011, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 301 Successful Career Transitions: Ideas, Strategies, Accomplishments**

2 cr. Undergraduate.

Help for students to clarify post graduation education or employment goals and successfully address employer/career research, resume development, employer targeting, networking and interview preparation.

**Prerequisites:** jr st.

**Course Rules:** Credit/No Credit only.

**Last Taught:** Fall 2017, Spring 2017, Fall 2016, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 320 Principles of Classroom Appraisal and Evaluation**

2-3 cr. Undergraduate.

Principles of evaluation with major emphasis upon nonstandardized and informal techniques of appraisal.

**Prerequisites:** jr st.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 325 Practice of Classroom Assessment**

2-3 cr. Undergraduate.

Introduces the principles and practices of student-centered classroom assessment. Students gain an understanding of when and how to use a variety of assessment techniques.

**Prerequisites:** admis to School of Educ.

**Course Rules:** 1 cr counts as repeat of Ed Psy 326.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 330 Introduction to Learning and Development**

3 cr. Undergraduate.

Principles and concepts of learning and development that contribute to the understanding and direction of school learning.

**Prerequisites:** sophomore standing.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st, cons instr, acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st, cons instr, acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 505 Positive Psychology: Theory and Application in Learning Contexts**

1-3 cr. Undergraduate/Graduate.

Introduction to positive psychology and its application in school and learning settings.

**Prerequisites:** junior standing.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 505G Positive Psychology: Theory and Application in Learning Contexts**

1-3 cr. Undergraduate/Graduate.

Introduction to positive psychology and its application in school and learning settings.

**Prerequisites:** junior standing.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 541 Assessment in Science and Math I**

1 cr. Undergraduate/Graduate.

First of a three part assessment series for MACSTEP students.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Ed Psy 579 with topic 'Alternative Assess-Sci/Math.'

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 541G Assessment in Science and Math I**

1 cr. Undergraduate/Graduate.

First of a three part assessment series for MACSTEP students.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Ed Psy 579 with topic 'Alternative Assess-Sci/Math.'

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 542 Assessment in Science and Math II**

1 cr. Undergraduate/Graduate.

Second in a three part assessment series for MACSTEP students.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Ed Psy 579 with topic 'Alternative Assess-Sci/Math.'

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 542G Assessment in Science and Math II**

1 cr. Undergraduate/Graduate.

Second in a three part assessment series for MACSTEP students.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Ed Psy 579 with topic 'Alternative Assess-Sci/Math.'

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 543 Assessment in Science and Math III**

1 cr. Undergraduate/Graduate.

Third of a three part assessment series for MACSTEP students.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Ed Psy 579 with topic 'Alternative Assess-Sci/Math.'

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 543G Assessment in Science and Math III**

1 cr. Undergraduate/Graduate.

Third of a three part assessment series for MACSTEP students.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Ed Psy 579 with topic 'Alternative Assess-Sci/Math.'

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 550 Social and Affective Issues in Urban Classrooms**

3 cr. Undergraduate/Graduate.

Explore the social/emotional aspects of children's development as related to schooling and present a framework for creating conducive classroom learning environments.

**Prerequisites:** jr st; admis to School of Educ.

**Last Taught:** Spring 2003, Fall 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 550G Social and Affective Issues in Urban Classrooms**

3 cr. Undergraduate/Graduate.

Explore the social/emotional aspects of children's development as related to schooling and present a framework for creating conducive classroom learning environments.

**Prerequisites:** jr st; admis to School of Educ.

**Last Taught:** Spring 2003, Fall 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 551 Social and Affective Issues: Case-Based Problem-Solving**

1 cr. Undergraduate/Graduate.

Students will critique various strategies presented in Ed Psy 550 and engage in a problem-solving process focusing on social/emotional issues and classroom interventions.

**Prerequisites:** jr st; Ed Psy 550(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 551G Social and Affective Issues: Case-Based Problem-Solving**

1 cr. Undergraduate/Graduate.

Students will critique various strategies presented in Ed Psy 550 and engage in a problem-solving process focusing on social/emotional issues and classroom interventions.

**Prerequisites:** jr st; Ed Psy 550(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 575 Infant and Early Childhood Assessment**

3 cr. Undergraduate/Graduate.

Theoretical and applied aspects of early childhood assessment. Experience administering specific individual and group (screening) tests. Assessment of language, cognition, motor, adaptive behavior, developmental delay.

**Prerequisites:** jr st or grad st.

**Last Taught:** Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 575G Infant and Early Childhood Assessment**

3 cr. Undergraduate/Graduate.

Theoretical and applied aspects of early childhood assessment. Experience administering specific individual and group (screening) tests. Assessment of language, cognition, motor, adaptive behavior, developmental delay.

**Prerequisites:** jr st or grad st.

**Last Taught:** Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 579 Current Topics in Educational Psychology:**

1-3 cr. Undergraduate/Graduate.

Specific topic and prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Fall 2011, Summer 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 579G Current Topics in Educational Psychology:**

1-3 cr. Undergraduate/Graduate.

Specific topic and prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Fall 2011, Summer 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 613 Infant and Early Childhood Assessment**

3 cr. Undergraduate/Graduate.

Theoretical and applied aspects of early childhood assessment. Experience administering specific individual and group (screening) tests. Assessment of language, cognition, motor, adaptive behavior, developmental delay.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Ed Psy 575. Jointly offered with and counts as repeat of ExcEduc 613.

**Last Taught:** Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 613G Infant and Early Childhood Assessment**

3 cr. Undergraduate/Graduate.

Theoretical and applied aspects of early childhood assessment. Experience administering specific individual and group (screening) tests. Assessment of language, cognition, motor, adaptive behavior, developmental delay.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Ed Psy 575. Jointly offered with and counts as repeat of ExcEduc 613.

**Last Taught:** Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 624 Educational Statistical Methods I**

3 cr. Undergraduate/Graduate.

Overview of common statistical techniques used in educational research, including univariate and bivariate descriptive statistics, inferential statistics, one-way analysis of variance, and linear regression.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 624G Educational Statistical Methods I**

3 cr. Undergraduate/Graduate.

Overview of common statistical techniques used in educational research, including univariate and bivariate descriptive statistics, inferential statistics, one-way analysis of variance, and linear regression.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 631 Cognition: Learning, Problem Solving and Thinking**

3 cr. Undergraduate/Graduate.

Overview of historical theories of learning and current theories of cognition. Emphasis on application to instruction, school subjects, workplace training, self-directed learning.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 631G Cognition: Learning, Problem Solving and Thinking**

3 cr. Undergraduate/Graduate.

Overview of historical theories of learning and current theories of cognition. Emphasis on application to instruction, school subjects, workplace training, self-directed learning.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 637 The Psychology of Informal Learning Contexts**

3 cr. Undergraduate/Graduate.

Overview of theory and research about how people learn in informal contexts, i.e. after-school settings, online immersive environments, science centers, museums and cultural institutions.

**Prerequisites:** jr st.**Last Taught:** Fall 2010, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 637G The Psychology of Informal Learning Contexts**

3 cr. Undergraduate/Graduate.

Overview of theory and research about how people learn in informal contexts, i.e. after-school settings, online immersive environments, science centers, museums and cultural institutions.

**Prerequisites:** jr st.**Last Taught:** Fall 2010, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 640 Human Development: Theory and Research**

3 cr. Undergraduate/Graduate.

Survey of theory and research in human development from conception to death, emphasizing the child and adolescent periods of growth.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 640G Human Development: Theory and Research**

3 cr. Undergraduate/Graduate.

Survey of theory and research in human development from conception to death, emphasizing the child and adolescent periods of growth.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 710 Child and Adolescent Mental Health Issues in Schools**

3 cr. Graduate.

Understanding of mental health disorders and treatment among children and adolescents in school-based settings. Developmental and risk factors associated with behavioral and emotional health problems.

**Last Taught:** Spring 2023, Summer 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 711 Cultural Context of Children's Mental Health**

3 cr. Graduate.

Influence of culture on the mental health of children; topography of cultural difference in the US, culture-bound syndromes, influence of cultural variables on mental health.

**Prerequisites:** grad st**Course Rules:** Counts as repeat of Ed Psy 779 with same topic.**Last Taught:** Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 712 Mentally Healthy Classroom and School Environments**

3 cr. Graduate.

Issues pertaining to socio-emotional learning in school settings; techniques, leadership, & collaboration for fostering emotionally healthy school environments.

**Prerequisites:** grad st**Last Taught:** Spring 2016, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 713 Mental Health Needs in Urban Environments**

3 cr. Graduate.

Introduction for educators to the unique context and characteristics of urban environments, cultivation of understanding of factors that can shape the mental health of developing children.

**Prerequisites:** grad st**Last Taught:** Summer 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 720 Techniques of Educational and Psychological Measurement**

3 cr. Graduate.

Overview of principles of measurement in educational and psychological testing. Topics include test reliability, test validity, test bias, test score interpretation, and standardized tests.

**Prerequisites:** graduate standing and ED PSY 624(P).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 724 Educational Statistical Methods II**

4 cr. Graduate.

Applications of common statistical techniques used in educational research, including two-way analysis of variance, multiple mean comparisons, and multiple regression.

**Prerequisites:** grad st; Ed Psy 624(P)**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 725 Improving Teaching and Learning with Classroom-Based Assessments**

3 cr. Graduate.

Development and implementation of classroom-based assessment instruments within existing large-scale state and district accountability systems.

**Prerequisites:** grad st.**Course Rules:** Jointly offered w/ & counts as repeat of CurrInls 725.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 728 Techniques of Educational Research**

3 cr. Graduate.

Study of major design and analysis strategies used in educational research with emphasis upon the critique of existing studies and the planning of future studies.

**Prerequisites:** grad st & Ed Psy 624(P).

**Last Taught:** Fall 2023, Spring 2022, Fall 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 731 Cognition and the Design of Instruction**

3 cr. Graduate.

Review of theories of human learning and cognition; emphasis on research on learning from text and the design of text and learning adjuncts.

**Prerequisites:** grad st; Ed Psy 631(P) or equiv.

**Last Taught:** Summer 2010, Spring 1994, Spring 1993, Spring 1992.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 732 Cognitive Behavioral Intervention Strategies in Education**

3 cr. Graduate.

Theory and application of effective behavioral treatments for children with adjustment problems in school. Emphasis on principles and techniques of cognitive and multimodal behavioral therapy.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 733 Educational Applications of Social Psychology**

3 cr. Graduate.

Implications of theory and research in socialization, attitude development and change, group processes, social perception and role behavior for classroom practices and teacher-student interaction.

**Prerequisites:** grad st.

**Last Taught:** Spring 2000, Spring 1998, Fall 1995, Spring 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 734 Contextual Determinants of Motivation**

3 cr. Graduate.

Review of research concerning the effects of teacher expectations, school and classroom climate, and psycho-social variables on student motivation. Focus on problem-solving.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2022, Fall 2020, Spring 2016, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 735 Social Cognition in Educational Psychology**

3 cr. Graduate.

Theory and research on basic cognitive elements and processes used in understanding the self and others with emphasis on applications in educational and counseling settings.

**Prerequisites:** grad st; Ed Psy 631(P) or 640(P); or cons instr.

**Last Taught:** Spring 2022, Fall 2017, Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 741 Cognitive Development**

3 cr. Graduate.

Examination of theory and research in cognitive development and applications to developmental assessment and instruction.

**Prerequisites:** grad st; Ed Psy 640(P) or equiv or cons instr.

**Last Taught:** Fall 1999, Spring 1998, Fall 1996, Spring 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 742 Personality Theories and the Educational Process**

3 cr. Graduate.

A study of the major theories of personality growth and development. An emphasis upon the application of the theories to the educational process.

**Prerequisites:** grad st.

**Last Taught:** Spring 2009, Fall 1997, Spring 1996, Fall 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 743 Human Development: Study of Infancy and Early Childhood**

3 cr. Graduate.

Study of physical, intellectual, social and emotional development from birth to six years.

**Prerequisites:** grad st, Ed Psy 640(P) or cons instr.

**Last Taught:** Fall 2012, Fall 2011, Fall 2010, Summer 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 745 Human Development: Study of Middle Childhood**

3 cr. Graduate.

Study of the physical, intellectual, social, and emotional development of children from 6-12 years of age.

**Prerequisites:** grad st & Ed Psy 640(P) or equiv or cons instr.

**Last Taught:** Fall 2000, Spring 1999, Fall 1997, Spring 1996.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 746 Human Development: Study of the Adolescent**

3 cr. Graduate.

Study of physical, intellectual, social and emotional development during adolescents.

**Prerequisites:** grad st; Ed Psy 640(P) or cons instr.

**Last Taught:** Fall 2022, Spring 2020, Fall 2017, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 747 Human Development: Study of the Adult**

3 cr. Graduate.

Physical, social, affective and cognitive development which characterizes the period from young adulthood through aging.

**Prerequisites:** grad st & Ed Psy 640(P) or equiv or cons instr.

**Last Taught:** Spring 2021, Spring 2015, Spring 2010, Summer 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 748 Oral Language, Cognition, and Literacy**

3 cr. Graduate.

Psychological and linguistic bases of speaking, reading, and writing in children and adults from diverse populations. The importance of language and cognition for literacy development.

**Prerequisites:** graduate standing and a college-level course in language acquisition or reading or child development or linguistics; or consent of instructor.

**Course Rules:** ED PSY 748 and LINGUIS 748 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 751 Professional and Historical Issues in School Psychology**

3 cr. Graduate.

Introduction to the practice of psychology in the schools. This course includes the history and systems of psychology, and professional practice issues.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 752 Developmental Psychopathology**

3 cr. Graduate.

Study of characteristics, definitions, developmental course, correlates, causes, contexts, and outcomes of psychopathology in children and adolescents. Explores interventions within a developmental systems perspective.

**Prerequisites:** Ed Psy 755 or Couns 710 or equiv.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 755 Cognitive Assessment: School Age Children**

4 cr. Graduate.

Introduction to school psychology practices in cognitive assessment for school age students. Includes didactic and clinical experiences.

**Prerequisites:** graduate standing or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 756 Assessment and Intervention: Early Childhood**

3 cr. Graduate.

Introduction to school psychology practices in assessment and intervention for early childhood children and families. Didactic and clinical experiences are included.

**Prerequisites:** grad st; Ed Psy 755; cons instr.**Last Taught:** Summer 2003, Summer 2002, Summer 2001, Fall 1998.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 760 Academic Intervention and Alternative Assessment**

3 cr. Graduate.

Reviews and critiques major educational reforms in regular and exceptional education. Alternative assessment paradigms, context variables in classrooms, teacher-child interactions, and change strategies are examined.

**Prerequisites:** grad st.; Ed Psy 755 (P)**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 779 Current Topics in Educational Psychology:**

1-3 cr. Graduate.

Specific topic and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** grad st.**Course Rules:** May be repeated with change in topic to max of 9 cr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 790 Research or Thesis**

1-3 cr. Graduate.

Master's level course.

**Prerequisites:** grad st & cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 799 Independent Reading**

1-3 cr. Graduate.

For benefit of superior graduate students unable to secure needed content in regular courses.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 801 Urban Education: Doctoral Seminar in Educational Psychology**

3 cr. Graduate.

Overview of theory and research in educational psychology with emphasis on problems and issues in urban settings.

**Prerequisites:** grad st admis to urban educ doctoral prog; Educ 701.**Last Taught:** Summer 2010, Summer 2009, Spring 2008, Summer 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 814 Cognition and Emotion: The Affective Components of Human Thought**

3 cr. Graduate.

Intersection of cognition and emotion with particular focus on affective processes.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 820 Multiple Regression**

3 cr. Graduate.

Basic and advanced topics in linear regression analysis, including prediction, mediation and moderation effects, curvilinear relationship, categorical predictors, and other general linear models like ANCOVA.

**Prerequisites:** grad st; Ed Psy 724(P) or cons instr.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 821 Psychometric Theory and Practice**

3 cr. Graduate.

Advanced topics in psychometrics, covering classical test theory, generalizability theory, and item response theory, test bias, item analysis, and test equating and linking.

**Prerequisites:** graduate standing and ED PSY 720(P) or equivalent; or consent of instructor.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 822 Item Response Theory**

3 cr. Graduate.

A survey of IRT models and their applications in measurement issues, such as latent trait estimation, model fit, differential item functioning, and computerized adaptive testing.

**Prerequisites:** graduate standing and ED PSY 624(P) or equivalent; or consent of instructor.**Last Taught:** Spring 2019, Spring 2017, Spring 2015, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ED PSY 823 Structural Equation Modeling**

3 cr. Graduate.

Study of applied structural equation modeling including path analysis, confirmatory factor analysis and other latent variable models; exposure to computer programs used for model analysis.

**Prerequisites:** grad st; Ed Psy 825 (P) or 820 (P) or equiv; cons instr.**Last Taught:** Fall 2014, Spring 2012, Spring 2010, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 824 Advanced Experimental Design and Analysis**

3 cr. Graduate.

Advanced topics in the design and statistical analysis of experiments applied to educational research, including n-way analysis of variance and repeated measures analysis of variance. Prereq: grad st; Ed Psy 724(P) or equiv

**Last Taught:** Spring 2023, Spring 2021, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 825 Multivariate Methods**

3 cr. Graduate.

Multivariate analysis methods such as MANOVA, discriminant analysis, factor analysis, and principal components analysis, and their applications in the social sciences.

**Prerequisites:** grad st; Ed Psy 724(P) or cons instr; Ed Psy 820(R).

**Last Taught:** Spring 2022, Spring 2018, Fall 2015, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 826 Analysis of Cross-Classified Categorical Data**

3 cr. Graduate.

Use of methods that include chi-square, log linear, and logistic regression models to analyze cross-classified categorical data with applications in the social sciences.

**Prerequisites:** grad st; Ed Psy 724(P).

**Last Taught:** Fall 2022, Fall 2020, Fall 2016, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 827 Survey Research Methods**

3 cr. Graduate.

Advanced topics in survey design, administration, and analysis. Topics include sampling designs, data collection mode, measurement error, and small- and large-scale survey data analysis techniques.

**Prerequisites:** graduate standing, ED PSY 624(P) or equivalent; or consent of instructor.

**Last Taught:** Spring 2022, Spring 2018, Spring 2016, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 828 Program Evaluation in Education**

3 cr. Graduate.

An examination of the issues related to educational program evaluation; application of statistical and measurement methods to evaluation strategies and designs.

**Prerequisites:** grad st; Ed Psy 724(P).

**Last Taught:** Spring 1986, Spring 1985, Spring 1984.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 829 Instrument Development**

3 cr. Graduate.

Students will develop an instrument to measure some psychological construct of research interest. Topics include construct development, test and item specifications, item writing, conducting reliability and validity studies.

**Prerequisites:** grad st; Ed Psy 724(P).

**Last Taught:** Fall 2011, Fall 2009, Fall 2007, Fall 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 831 Cognition: Theory and Research**

3 cr. Graduate.

A detailed look at cognitive theory and research underlying learning and instruction. Aimed at students who expect to use some aspect of cognitive theory in their research.

**Prerequisites:** grad st; Ed Psy 631(P), 731(P) or course in human verbal learning.

**Last Taught:** Fall 2004, Fall 2002, Spring 2001, Fall 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 832 Theory of Hierarchical Linear Modeling**

3 cr. Graduate.

Theories and applications of the statistical techniques for analyzing multilevel data in which individuals are nested within clusters or repeated measures are nested within individuals.

**Prerequisites:** grad st; Ed Psy 820(P) or cons instr.

**Last Taught:** Spring 2020, Spring 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 833 Social Psychology of Group Differences: Race and Ethnicity**

3 cr. Graduate.

Social psychological research and theory concerning race, ethnicity and racial and ethnic relations in American society with applications to a variety of educational situations.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 834 The Psychology of Achievement Motivation**

3 cr. Graduate.

Review of research on personality factors that influence achievement motivation. Designed for those interested in incorporating aspects of motivation theory into their research.

**Prerequisites:** grad st; Ed Psy 734(P) or cons instr.

**Last Taught:** Spring 2008, Spring 2007, Spring 2005, Spring 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 838 Research Practicum in Educational Psychology**

3 cr. Graduate.

Supervised research practicum, strategies for dissertation writing process and presentation.

**Prerequisites:** grad st.

**Course Rules:** Retakable to 12 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 840 Theory and Issues in Human Development**

3 cr. Graduate.

Study of theory, experimental design, and research in human development.

**Prerequisites:** grad st; Ed Psy 640(P).

**Last Taught:** Fall 2023, Spring 2019, Spring 2016, Spring 1993.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 844 The Multicultural Family**

3 cr. Graduate.

Course examines theory and research for studying development in the family context as it applies to ethnic minority groups in the u.s.

**Prerequisites:** grad st; Ed Psy 640(P).

**Last Taught:** Fall 2020, Fall 2018, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 845 Immigrant Child in Developmental Perspective**

3 cr. Graduate.

Examines immigrant children and families from a developmental perspective. Focus on current issues in theory and research on the study of immigrant children.

**Prerequisites:** grad st; Ed Psy 640 (P)

**Last Taught:** Fall 2021, Fall 2019, Fall 2016, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 850 Objective Personality Assessment**

3 cr. Graduate.

Objective diagnostic techniques used in the personality assessment of school-age populations.

**Prerequisites:** grad st, Ed Psy 755 & 756. Course in behavior disorders of children or in abnormal psychology recom.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 851 Assessment and Interventions: Personality, Social and Emotional Functioning**

3 cr. Graduate.

Introduction to school psychology practices of assessment and interventions for psychological, social, and emotional functioning of children and adolescents. Didactic and clinical experiences included.

**Prerequisites:** ED PSY 742, ED PSY 752, and written consent of instructor.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 852 Social, Psychological, and Biological Basis of Learning Disorders**

3 cr. Graduate.

Current assessment and intervention in the approaches to learning and emotional difficulties. Includes social, psychological, cultural, educational, and biological factors affecting children and adolescents.

**Prerequisites:** grad st; Ed Psy 751 or Couns 710 or equiv.

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 853 Biological Basis of Childhood Disorders**

3 cr. Graduate.

Current theory, research, and clinical findings in the biological basis of childhood disorders. Neurodevelopmental assessment and implications for intervention with cognitive behavioral, and psychosocial disorders.

**Prerequisites:** grad st; Ed Psy 755 or cons instr.

**Last Taught:** Summer 2005, Summer 2002, Fall 1999, Summer 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 879 Current Topics in Educational Psychology:**

1-3 cr. Graduate.

Specific topic announced in schedule of classes each time course is offered; any additional prerequisites are included in announcement.

**Prerequisites:** grad st.

**Course Rules:** May be repeated with change in topic to max of 9 cr.

**Last Taught:** Fall 1991.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 880 Proseminar in Urban Education: Educational Psychology**

2 cr. Graduate.

An examination of selected problems and issues in urban education.

**Prerequisites:** grad st; admis to urban educ doctoral prog.

**Last Taught:** Spring 1985, Fall 1984, Spring 1984.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Summer 2022, Summer 2019, Spring 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 922 Seminar in Measurement and Evaluation:**

3 cr. Graduate.

Specific topic and any additional prerequisites are announced in Timetable each time course is offered.

**Prerequisites:** grad st & cons instr.

**Course Rules:** May be repeated with change in topic to max of 9 cr.

**Last Taught:** Fall 2003, Fall 2001, Fall 1995, Fall 1992.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 929 Seminar in Statistics and Research Design**

3 cr. Graduate.

Specific topic and any prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** grad st; cons instr.

**Course Rules:** May be repeated with change in topic to max of 9 cr.

**Last Taught:** Spring 2011, Spring 1996, Fall 1990, Spring 1990.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 939 Seminar in Human Learning**

3 cr. Graduate.

Specific topic and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** grad st; cons instr.

**Course Rules:** May be repeated with change in topic to max of 9 cr.

**Last Taught:** Spring 1990.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 949 Seminar in Human Development:**

3 cr. Graduate.

Specific topic and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** grad st; cons instr.

**Course Rules:** May be repeated with change in topic to max of 9 cr.

**Last Taught:** Spring 1999, Fall 1997, Spring 1996, Spring 1992.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 952 Pediatric Psychology in Urban Settings**

3 cr. Graduate.

Theory, research and clinical practice addressing the mental health needs of children in urban settings. Risk and protective factors are explored within a resiliency framework.

**Prerequisites:** Ed Psy 752(R), Ed Psy 755(R) or cons instr.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 955 Advanced Therapeutic Interventions**

3 cr. Graduate.

Develop theoretical understanding and competencies related to advance-level prevention and intervention work, including group prevention and intervention and family intervention.

**Prerequisites:** grad st, writ cons instr, Ed Psy 732 or equiv.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 959 Seminar in School Psychology:**

3 cr. Graduate.

Specific topic and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** May be repeated with change in topic to max of 9 cr.

**Last Taught:** Summer 2023, Summer 2022, Fall 2016, Summer 1996.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 960 Evidence-Based Practices in School Psychology: Prevention & Intervention**

3 cr. Graduate.

Evidence-based practices for school psychologists and other professionals working in school and clinic settings.

**Prerequisites:** grad st.

**Last Taught:** Spring 2017, Spring 2013, Spring 2011, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 974 Beginning Practicum in School Psychology**

1-6 cr. Graduate.

Supervised practice in schools or institutions. Practical experience in assessment, intervention, consultation, and school-wide practices.

**Prerequisites:** graduate standing, enrollment in the School Psychology program, and consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 975 Advanced Practicum in School Psychology**

3-9 cr. Graduate.

Advanced psycho-diagnostic practice in schools, clinics or institutions under supervision of a psychologist.

**Prerequisites:** grad st; Ed Psy 974; writ cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 976 MS Internship in School Psychology**

1-6 cr. Graduate.

Provides opportunity for masters students to acquire advanced clinical skills in consultation, interventions, and psychological assessment. Supervised experiences in schools.

**Prerequisites:** graduate standing; completion of all course requirements for School Psychology certification; written consent of instructor.

**Course Rules:** Repeatable to 12 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 977 Advanced Practicum in Intervention**

1-3 cr. Graduate.

Training in the design, implementation, and evaluation of therapeutic assessments and interventions.

**Prerequisites:** grad st; Ed Psy 732 or equiv.

**Course Rules:** Sat/Unsat grade only. Retakable to 6 cr max.

**Last Taught:** Spring 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 978 Advanced Practicum in Supervision**

1-3 cr. Graduate.

Didactic and experiential training in supervision in school psychology.

**Prerequisites:** grad st; Ed Psy 732 or equiv.

**Course Rules:** Re-takeable up to 6 credits.

**Last Taught:** Fall 2023, Spring 2022, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 986 Doctoral Internship in School Psychology**

3-6 cr. Graduate.

Provides opportunity for doctoral students to acquire advanced clinical skills in consultation, intervention, and assessment practices. Supervised experiences in school, mental health, and medical setting.

**Prerequisites:** grad st; writ cons instr; admis to Urban Educ doctoral prog & identification of specific specialization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 990 Research or Thesis**

1-3 cr. Graduate.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ED PSY 999 Independent Reading**

1-3 cr. Graduate.

For doctoral students unable to secure needed content in regular courses.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Fall 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Electrical Engineering (ELECENG)

**ELECENG 101 Fundamentals of Electrical Engineering**

3 cr. Undergraduate.

Principles of electrical engineering including intro to fundamental electrical quantities and circuit analysis. Lab with reenforcing experiments, introduction to electrical test equipment, computer simulation techniques, and team project.

**Prerequisites:** MATH 116(C).

**Course Rules:** Counts as repeat of ELECENG 299 with same topic. Not open to students who have completed ELECENG 301.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 140 Intro to Embedded Computing I: Digital Logic and Microprocessors**

3 cr. Undergraduate.

Explores the foundations of computing and programming in terms of the bits and gates that carry out computations. A module on Matlab is included.

**Prerequisites:** MATH 116(P) or MATH 231(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 150 Electronic Technology in the World Around Us**

3 cr. Undergraduate.

An introductory course that explains the modern technology affecting our everyday life. Topics include: digital communication, satellites, television, stereo system, computer, radar, microwaves, lasers.

**Prerequisites:** none.

**General Education Requirements:** NS

**Last Taught:** Fall 2019, Spring 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 234 Analytical Methods in Engineering**

4 cr. Undergraduate.

Mathematical techniques for linear systems. Solutions of ordinary differential equations by classical and transform techniques. Elementary aspects of linear algebra. Complex Numbers.

**Prerequisites:** a grade of C or better in MATH 232(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 240 Intro to Embedded Computing II: C Programming for Embedded Applications**

4 cr. Undergraduate.

Introduction to C programming with a focus on how programming constructs of the C language are realized in a model computer. Student programming is done on an industrial development board.

**Prerequisites:** ELECENG 140(P).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 299 Topics in Electrical Engineering:**

1-3 cr. Undergraduate.

Work on new material in electrical engineering. Section title and credits announced whenever course is offered.

**Prerequisites:** specific courses dependent on topic.**Course Rules:** May be retaken with change in topic to max of 6 cr max.**Last Taught:** Fall 2011, Fall 2010, Fall 2005, Fall 1998.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 301 Electrical Circuits I**

3 cr. Undergraduate.

Circuit laws and analysis, resistive circuits, energy storage, AC circuits and power, three-phase circuits, computer-aided analysis.

**Prerequisites:** PHYSICS 210(C) or PHYSICS 220(C).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 305 Electrical Circuits II**

4 cr. Undergraduate.

Transformers, transient response, network functions, s-domain, response, filters, fourier analysis, two-ports.

**Prerequisites:** ELECENG 234(P) and ELECENG 301(P).**Course Rules:** 3 hr lec/2 hr lab.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 306 Introduction to Electrical Engineering**

4 cr. Undergraduate.

An introduction to electrical circuits with laboratory. Topics include dc and ac circuits, signal transients, motors, transformers and operational amplifiers.

**Prerequisites:** PHYSICS 210(P); ELECENG 234(P).**Last Taught:** Spring 2016, Fall 2015, Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 310 Signals and Systems**

3 cr. Undergraduate.

Analysis techniques for signals and systems in both continuous and discrete time. Signal representation, including fourier and laplace transforms; system definitions and properties.

**Prerequisites:** ELECENG 234(P) and ELECENG 301(P); or graduate standing; or special student.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 330 Electronics I**

4 cr. Undergraduate.

Op-amps, diodes, bipolar junction transistors, mos field effect circuit applications.

**Prerequisites:** ELECENG 234(P) and ELECENG 301(P); or graduate standing.**Course Rules:** Counts as repeat of ELECENG 331.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 335 Electronics II**

4 cr. Undergraduate.

CMOS Logic Gates, Differential and multistage amplifiers, IC techniques, frequency response.

**Prerequisites:** ELECENG 330(P) and ELECENG 310(C).**Course Rules:** Counts as repeat of ELECENG 332.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 340 Embedded Systems I: C and C++ Programming for Embedded Applications**

3 cr. Undergraduate.

Realizing embedded applications with specific hardware requirements, including digital I/O, analog I/O, precision timing, serial and wireless communications; project design and execution; C and C++ programming.

**Prerequisites:** ELECENG 240(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 354 Digital Logic**

3 cr. Undergraduate.

Number systems and binary codes; Boolean Algebra and basic results; switching functions; minimization techniques; analysis and design of combinational and sequential logic circuits.

**Prerequisites:** COMPSCI 240(P) or COMPSCI 250(P).**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 361 Electromagnetic Fields**

3 cr. Undergraduate.

Principles of electrostatics and electromagnetics; laws of fields; resistance, inductance, and capacitance; dielectrics; energy storage; Maxwell's field equation.

**Prerequisites:** PHYSICS 210(P) and PHYSICS 215(P) or PHYSICS 220(P); ELECENG 234(P), and MATH 233(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 362 Electromechanical Energy Conversion**

4 cr. Undergraduate.

Principles of electrical and electromechanical energy conversion; transformers, polyphase induction and synchronous machines, d.c. machines, single phase motors, including design parameters and testing.

**Prerequisites:** ELECENG 234(P) and ELECENG 301(P); or graduate standing. Special students must satisfy course prerequisites.**Course Rules:** 3 hr lec recitation and 2 hr lab per week.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 367 Introduction to Microprocessors**

4 cr. Undergraduate.

Fundamentals of microprocessors, including assembly language programming, hardware design, interfacing peripherals and programmable I/O devices, and social/ethical issues in engineering design and practice. Lab.

**Prerequisites:** COMPSCI 240(P) or COMPSCI 250(P); and a grade of C or better in ELECENG 354(P).

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 410 Digital Signal Processing**

3 cr. Undergraduate/Graduate.

Spectral computation including DFT and FFT, sampling of continuous signals, digital filter design including FIR and IIR filters.

**Prerequisites:** junior standing and ELECENG 310(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 410G Digital Signal Processing**

3 cr. Undergraduate/Graduate.

Spectral computation including DFT and FFT, sampling of continuous signals, digital filter design including FIR and IIR filters.

**Prerequisites:** junior standing and ELECENG 310(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 411 Machine Learning and Applications**

3 cr. Undergraduate/Graduate.

Important topics and application in machine learning, including deep learning. Provides hands-on experience with machine learning software and libraries.

**Prerequisites:** completion of one of the following: COMPSCI 202(P), COMPSCI 241(P), or COMPSCI 250(P); or consent of instructor.

**Course Rules:** COMPSCI 411 and ELECENG 411 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 411G Machine Learning and Applications**

3 cr. Undergraduate/Graduate.

Important topics and application in machine learning, including deep learning. Provides hands-on experience with machine learning software and libraries.

**Prerequisites:** completion of one of the following: COMPSCI 202(P), COMPSCI 241(P), or COMPSCI 250(P); or consent of instructor.

**Course Rules:** COMPSCI 411 and ELECENG 411 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 420 Random Signals and Systems**

3 cr. Undergraduate/Graduate.

Fundamental probability and random process theory, power spectral density. Linear systems and random signals, auto- and cross-correlation, optimum MSE filter design.

**Prerequisites:** junior standing and ELECENG 310(P); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 420G Random Signals and Systems**

3 cr. Undergraduate/Graduate.

Fundamental probability and random process theory, power spectral density. Linear systems and random signals, auto- and cross-correlation, optimum MSE filter design.

**Prerequisites:** junior standing and ELECENG 310(P); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 421 Communication Systems**

3 cr. Undergraduate/Graduate.

Basic concepts of information; modulation, transmission and demodulation; presentation of information; practical communication systems.

**Prerequisites:** junior standing and ELECENG 335(C).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 421G Communication Systems**

3 cr. Undergraduate/Graduate.

Basic concepts of information; modulation, transmission and demodulation; presentation of information; practical communication systems.

**Prerequisites:** junior standing and ELECENG 335(C).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 430 Energy Modeling**

3 cr. Undergraduate/Graduate.

Electrical/thermal energy modeling through lectures and hands-on classroom work along with use of energy modeling software.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** ELECENG 430 and MECHENG 430 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 430G Energy Modeling**

3 cr. Undergraduate/Graduate.

Electrical/thermal energy modeling through lectures and hands-on classroom work along with use of energy modeling software.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** ELECENG 430 and MECHENG 430 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 436 Introduction to Medical Instrumentation**

3 cr. Undergraduate/Graduate.

Biopotential signals and electrodes; Biopotential Amplifiers and Signal Processing; Sensors, Detectors, and Sources; Electrical Safety; Specifications; Error Analysis; Device Approval Process.

**Prerequisites:** junior standing and ELECENG 305(P) or equivalent.

**Last Taught:** Fall 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 436G Introduction to Medical Instrumentation**

3 cr. Undergraduate/Graduate.

Biopotential signals and electrodes; Biopotential Amplifiers and Signal Processing; Sensors, Detectors, and Sources; Electrical Safety; Specifications; Error Analysis; Device Approval Process.

**Prerequisites:** junior standing and ELECENG 305(P) or equivalent.

**Last Taught:** Fall 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 437 Introduction to Biomedical Imaging**

3 cr. Undergraduate/Graduate.

Biomedical imaging modalities and underlying principles: X-radiography, computerized tomography, Radon transforms; image reconstruction techniques; ultrasonic imaging; nuclear medicine; magnetic resonance imaging; experimental techniques.

**Prerequisites:** senior standing; completion of BME 310(P) or ELECENG 310(P).

**Course Rules:** BME 437/ELECENG 437 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 437G Introduction to Biomedical Imaging**

3 cr. Undergraduate/Graduate.

Biomedical imaging modalities and underlying principles: X-radiography, computerized tomography, Radon transforms; image reconstruction techniques; ultrasonic imaging; nuclear medicine; magnetic resonance imaging; experimental techniques.

**Prerequisites:** senior standing; completion of BME 310(P) or ELECENG 310(P).

**Course Rules:** BME 437/ELECENG 437 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 439 Introduction to Biomedical Optics**

3 cr. Undergraduate/Graduate.

Tissue Optical Properties, Light Transport, Fourier Transforms in Spatial Domain, Wave theory, Spectroscopy, Optical imaging, Laser-Tissue interaction, Photoconversion, Photodynamic Therapy, Microscopy, Fluorescence imaging, and OCT.

**Prerequisites:** senior standing; ELECENG 310(P) or BME 310 (P).

**Course Rules:** BME 439/ELECENG 439 are jointly offered and count as repeats of each other.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 439G Introduction to Biomedical Optics**

3 cr. Undergraduate/Graduate.

Tissue Optical Properties, Light Transport, Fourier Transforms in Spatial Domain, Wave theory, Spectroscopy, Optical imaging, Laser-Tissue interaction, Photoconversion, Photodynamic Therapy, Microscopy, Fluorescence imaging, and OCT.

**Prerequisites:** senior standing; ELECENG 310(P) or BME 310 (P).

**Course Rules:** BME 439/ELECENG 439 are jointly offered and count as repeats of each other.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 440 Embedded Systems II: Advanced Embedded Systems**

3 cr. Undergraduate.

Real time operating systems for embedded microcontroller systems; implementation of multitasking, synchronization and protection; major project.

**Prerequisites:** ELECENG 340(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 451 Introduction to VLSI Design**

3 cr. Undergraduate/Graduate.

Introduction to design of VLSI circuits. Ic fundamentals including: energy band diagrams, transistor optimization, design approaches including both customs and semi-custom.

**Prerequisites:** junior standing, ELECENG 330(P), and ELECENG 354(P).

**Last Taught:** Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 451G Introduction to VLSI Design**

3 cr. Undergraduate/Graduate.

Introduction to design of VLSI circuits. Ic fundamentals including: energy band diagrams, transistor optimization, design approaches including both customs and semi-custom.

**Prerequisites:** junior standing, ELECENG 330(P), and ELECENG 354(P).

**Last Taught:** Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 457 Digital Logic Laboratory**

3 cr. Undergraduate/Graduate.

Digital design using a hardware description language and FPGAs. Topics include VHDL, Design Methodologies, Finite State Machines, Multiple clock domains, Timing Analysis, Simulation and Verification.

**Prerequisites:** junior standing and ELECENG 354(P).

**Last Taught:** Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 457G Digital Logic Laboratory**

3 cr. Undergraduate/Graduate.

Digital design using a hardware description language and FPGAs. Topics include VHDL, Design Methodologies, Finite State Machines, Multiple clock domains, Timing Analysis, Simulation and Verification.

**Prerequisites:** junior standing and ELECENG 354(P).

**Last Taught:** Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 458 Computer Architecture**

3 cr. Undergraduate/Graduate.

Processor organization, memory hierarchy, pipelining, computer architectures exploiting instruction/data/thread level parallelism, warehouse scale computers.

**Prerequisites:** sophomore standing and a grade of C or better in COMPSCI 241 (P) or COMPSCI 251 (P).

**Course Rules:** COMPSCI 458 and ELECENG 458 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 458G Computer Architecture**

3 cr. Undergraduate/Graduate.

Processor organization, memory hierarchy, pipelining, computer architectures exploiting instruction/data/thread level parallelism, warehouse scale computers.

**Prerequisites:** sophomore standing and a grade of C or better in COMPSCI 241 (P) or COMPSCI 251 (P).

**Course Rules:** COMPSCI 458 and ELECENG 458 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 461 Microwave Engineering**

3 cr. Undergraduate/Graduate.

Review from electromagnetics, transmission lines and waveguides; impedance matching, passive components, stripline and microstrip line circuits, dielectric waveguide, laboratory experiments, industrial and biomedical applications.

**Prerequisites:** junior standing and ELECENG 361(P) or equivalent.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 461G Microwave Engineering**

3 cr. Undergraduate/Graduate.

Review from electromagnetics, transmission lines and waveguides; impedance matching, passive components, stripline and microstrip line circuits, dielectric waveguide, laboratory experiments, industrial and biomedical applications.

**Prerequisites:** junior standing and ELECENG 361(P) or equivalent.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 462 Antenna Theory**

3 cr. Undergraduate/Graduate.

Analysis and design of antennas: antenna fundamentals; wire antennas; dipole, monopole, and loop antennas; antenna arrays; aperture antennas; horn, slot, and parabolic dish antennas.

**Prerequisites:** junior standing and ELECENG 361(P).

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 462G Antenna Theory**

3 cr. Undergraduate/Graduate.

Analysis and design of antennas: antenna fundamentals; wire antennas; dipole, monopole, and loop antennas; antenna arrays; aperture antennas; horn, slot, and parabolic dish antennas.

**Prerequisites:** junior standing and ELECENG 361(P).

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 464 Fundamentals of Photonics**

3 cr. Undergraduate/Graduate.

Fundamentals of ray, electromagnetic, and beam optics; polarization and polarization-based devices; optics of layered media; and guided-wave optics, including optical fibers.

**Prerequisites:** junior standing and ELECENG 361(P); or graduate standing.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 464G Fundamentals of Photonics**

3 cr. Undergraduate/Graduate.

Fundamentals of ray, electromagnetic, and beam optics; polarization and polarization-based devices; optics of layered media; and guided-wave optics, including optical fibers.

**Prerequisites:** junior standing and ELECENG 361(P); or graduate standing.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 465 Broadband Optical Networks**

3 cr. Undergraduate/Graduate.

Multichannel lightwave systems based on wavelength-division, time-division, and subcarrier multiplexing; optical devices and coding techniques for implementing optical networks.

**Prerequisites:** junior standing, ELECENG 305(P), and ELECENG 361(P); or graduate standing.

**Course Rules:** Counts as repeat of ELECENG 490 with the same topic.

**Last Taught:** Spring 2018, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 465G Broadband Optical Networks**

3 cr. Undergraduate/Graduate.

Multichannel lightwave systems based on wavelength-division, time-division, and subcarrier multiplexing; optical devices and coding techniques for implementing optical networks.

**Prerequisites:** junior standing, ELECENG 305(P), and ELECENG 361(P); or graduate standing.

**Course Rules:** Counts as repeat of ELECENG 490 with the same topic.

**Last Taught:** Spring 2018, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 471 Electric Power Systems**

3 cr. Undergraduate/Graduate.

Elements of a typical power system. Per-unit quantities; load flow study; economic dispatch; symmetrical components; fault study; system protection; stability.

**Prerequisites:** junior standing and ELECENG 362(C).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 471G Electric Power Systems**

3 cr. Undergraduate/Graduate.

Elements of a typical power system. Per-unit quantities; load flow study; economic dispatch; symmetrical components; fault study; system protection; stability.

**Prerequisites:** junior standing and ELECENG 362(C).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 472 Introduction to Wind Energy**

3 cr. Undergraduate/Graduate.

Principles of wind turbines; wind characteristics; rotor dynamics of wind turbines; turbine design and integration; controls and electrical systems; grid connection.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** ELECENG 472 and MECHENG 472 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 472G Introduction to Wind Energy**

3 cr. Undergraduate/Graduate.

Principles of wind turbines; wind characteristics; rotor dynamics of wind turbines; turbine design and integration; controls and electrical systems; grid connection.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** ELECENG 472 and MECHENG 472 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 474 Introduction to Control Systems**

4 cr. Undergraduate/Graduate.

Modeling of continuous systems; stability considerations, analysis and design of feedback control systems in time and frequency domains.

**Prerequisites:** junior standing; ELECENG 310(P), and COMPSC 240(P); or graduate standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 474G Introduction to Control Systems**

4 cr. Undergraduate/Graduate.

Modeling of continuous systems; stability considerations, analysis and design of feedback control systems in time and frequency domains.

**Prerequisites:** junior standing; ELECENG 310(P), and COMPSC 240(P); or graduate standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 481 Electronic Materials**

3 cr. Undergraduate/Graduate.

Modern principles of semiconductor fabrication, crystals, electrical and thermal conductivity phenomena, band gap and structure, doping effects, dielectric and optical properties, semiconductor homo and hetero-junctions, solar cells, thermo-electric materials; with projects.

**Prerequisites:** junior standing and PHYSICS 210(P) or PHYSICS 220(P); or consent of instructor.**Course Rules:** MATLENG 481 and ELECENG 481 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 481G Electronic Materials**

3 cr. Undergraduate/Graduate.

Modern principles of semiconductor fabrication, crystals, electrical and thermal conductivity phenomena, band gap and structure, doping effects, dielectric and optical properties, semiconductor homo and hetero-junctions, solar cells, thermo-electric materials; with projects.

**Prerequisites:** junior standing and PHYSICS 210(P) or PHYSICS 220(P); or consent of instructor.**Course Rules:** MATLENG 481 and ELECENG 481 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 482 Introduction to Nanoelectronics**

3 cr. Undergraduate/Graduate.

Wave properties of electrons, diffraction, Schrödinger's equation, quantum confinement, band theory, tunnel junctions, Coulomb blockade, quantum dots and wires, quantum conductance and ballistic transport.

**Prerequisites:** junior standing, ELECENG 330(C), and ELECENG 361(C).**Last Taught:** Fall 2016, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 482G Introduction to Nanoelectronics**

3 cr. Undergraduate/Graduate.

Wave properties of electrons, diffraction, Schrödinger's equation, quantum confinement, band theory, tunnel junctions, Coulomb blockade, quantum dots and wires, quantum conductance and ballistic transport.

**Prerequisites:** junior standing, ELECENG 330(C), and ELECENG 361(C).**Last Taught:** Fall 2016, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 490 Topics in Electrical Engineering:**

1-3 cr. Undergraduate/Graduate.

Specific topics, credits, and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 490G Topics in Electrical Engineering:**

1-3 cr. Undergraduate/Graduate.

Specific topics, credits, and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 541 Integrated Circuits and Systems**

3 cr. Undergraduate/Graduate.

Differential and operational amplifier circuits. Linear integrated circuits: comparators, regulators, amplifiers and phase locked loops. Digital integrated circuits: mos shift registers, ram, a-to-d converters.

**Prerequisites:** junior standing and ELECENG 330(P); or graduate standing.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 541G Integrated Circuits and Systems**

3 cr. Undergraduate/Graduate.

Differential and operational amplifier circuits. Linear integrated circuits: comparators, regulators, amplifiers and phase locked loops. Digital integrated circuits: mos shift registers, ram, a-to-d converters.

**Prerequisites:** junior standing and ELECENG 330(P); or graduate standing.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 545 FPGA Embedded CPUs & Firmware Development**

3 cr. Undergraduate/Graduate.

Use of modern embedded system central processor units (CPUs) with integrated field-programmable gate arrays (FPGAs). Design and implementation of firmware for these devices.

**Prerequisites:** junior standing, ELECENG 367(P) and ELECENG 457(P).**Course Rules:** COMPSCI 545 and ELECENG 545 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 545G FPGA Embedded CPUs & Firmware Development**

3 cr. Undergraduate/Graduate.

Use of modern embedded system central processor units (CPUs) with integrated field-programmable gate arrays (FPGAs). Design and implementation of firmware for these devices.

**Prerequisites:** junior standing, ELECENG 367(P) and ELECENG 457(P).**Course Rules:** COMPSCI 545 and ELECENG 545 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 562 Telecommunication Circuits**

3 cr. Undergraduate/Graduate.

Radio frequency communication systems, terrestrial and satellite communication systems, mixers, oscillators, filters, design considerations for receivers and transmitters.

**Prerequisites:** senior standing and ELECENG 330(P); or graduate standing.

**Last Taught:** Fall 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 562G Telecommunication Circuits**

3 cr. Undergraduate/Graduate.

Radio frequency communication systems, terrestrial and satellite communication systems, mixers, oscillators, filters, design considerations for receivers and transmitters.

**Prerequisites:** senior standing and ELECENG 330(P); or graduate standing.

**Last Taught:** Fall 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 565 Optical Communication**

3 cr. Undergraduate/Graduate.

Overview of communication systems, light and electromagnetic waves, optical fibers, lasers, led, photodetectors, receivers, optical fiber communication systems.

**Prerequisites:** senior standing, ELECENG 361(P), and ELECENG 330(P) or ELECENG 465(P); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 565G Optical Communication**

3 cr. Undergraduate/Graduate.

Overview of communication systems, light and electromagnetic waves, optical fibers, lasers, led, photodetectors, receivers, optical fiber communication systems.

**Prerequisites:** senior standing, ELECENG 361(P), and ELECENG 330(P) or ELECENG 465(P); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 568 Applications of Digital Signal Processing**

3 cr. Undergraduate/Graduate.

Introduction to the use of modern digital signal processor (DSP) units in DSP applications such as digital filtering and speech signal processing.

**Prerequisites:** ELECENG 310(P) and ELECENG 367(P); or graduate standing.

**Course Rules:** Counts as repeat of ELECENG 490 and ELECENG 890 with similar topic;

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 568G Applications of Digital Signal Processing**

3 cr. Undergraduate/Graduate.

Introduction to the use of modern digital signal processor (DSP) units in DSP applications such as digital filtering and speech signal processing.

**Prerequisites:** ELECENG 310(P) and ELECENG 367(P); or graduate standing.

**Course Rules:** Counts as repeat of ELECENG 490 and ELECENG 890 with similar topic;

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 572 Power Electronics**

3 cr. Undergraduate/Graduate.

Power diodes and transistors; static converters; D.C. power supplies; power transistor circuits; SCR's; classical and modern forced-commutation inverters; choppers; cycloconverters, applications in power.

**Prerequisites:** senior standing and ELECENG 335(C); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 572G Power Electronics**

3 cr. Undergraduate/Graduate.

Power diodes and transistors; static converters; D.C. power supplies; power transistor circuits; SCR's; classical and modern forced-commutation inverters; choppers; cycloconverters, applications in power.

**Prerequisites:** senior standing and ELECENG 335(C); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 574 Intermediate Control Systems**

3 cr. Undergraduate/Graduate.

State space; frequency domain methods of modelling, analysis and design of control systems; digital control; and multivariate systems.

**Prerequisites:** senior standing and MECHENG 474(P) or ELECENG 474(P); or graduate standing.

**Course Rules:** ELECENG 574 and MECHENG 574 are jointly offered and count as repeats of each other. Not open for cr to students who have cr in ELECENG 503 or MECHENG 478.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 574G Intermediate Control Systems**

3 cr. Undergraduate/Graduate.

State space; frequency domain methods of modelling, analysis and design of control systems; digital control; and multivariate systems.

**Prerequisites:** senior standing and MECHENG 474(P) or ELECENG 474(P); or graduate standing.

**Course Rules:** ELECENG 574 and MECHENG 574 are jointly offered and count as repeats of each other. Not open for cr to students who have cr in ELECENG 503 or MECHENG 478.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 575 Analysis of Electric Machines and Motor Drives**

3 cr. Undergraduate/Graduate.

Reference frame analysis, computer simulation, permanent magnet synchronous machines, induction machines, power electronic inverters, pulsewidth modulation, vector control.

**Prerequisites:** junior standing, ELECENG 330(P) and ELECENG 362(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 575G Analysis of Electric Machines and Motor Drives**

3 cr. Undergraduate/Graduate.

Reference frame analysis, computer simulation, permanent magnet synchronous machines, induction machines, power electronic inverters, pulsewidth modulation, vector control.

**Prerequisites:** junior standing, ELECENG 330(P) and ELECENG 362(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 588 Fundamentals of Nanotechnology**

3 cr. Undergraduate/Graduate.

Nanofabrication, self-assembly, principles of scanning tunneling/atomic force microscopy, operators, energy quantization; density of states, quantum dots, nanowires, carbon nanotubes: electronic properties and applications.

**Prerequisites:** junior standing; non-Electrical Engineering major; and ELECENG 361(P) or equivalent.

**Last Taught:** Fall 2014, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 588G Fundamentals of Nanotechnology**

3 cr. Undergraduate/Graduate.

Nanofabrication, self-assembly, principles of scanning tunneling/atomic force microscopy, operators, energy quantization; density of states, quantum dots, nanowires, carbon nanotubes: electronic properties and applications.

**Prerequisites:** junior standing; non-Electrical Engineering major; and ELECENG 361(P) or equivalent.

**Last Taught:** Fall 2014, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 595 Capstone Design Project**

5 cr. Undergraduate.

Team project in simulated industrial environment. Each team develops solutions to complex real world design problems and reports results in professional writing and oral presentation.

**Prerequisites:** senior standing; ELECENG 335(P) and ELECENG 367(P).

**Course Rules:** Counts as repeat of ELECENG 355.

**Last Taught:** Spring 2022, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 596 Capstone Design I**

3 cr. Undergraduate.

Introduction to a real-world design process and team project in a simulated industrial environment. Each team develops solutions to complex real-world design problems and reports results in a professional oral slide presentation.

**Prerequisites:** senior standing and ELECENG 335(C) or ELECENG 440(C) or ELECENG 362(C).

**Course Rules:** Counts as a repeat of ELECENG 595.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 597 Capstone Design II**

2 cr. Undergraduate.

Introduction to a real-world design process and team project in a simulated industrial environment. Each team realizes and demonstrates a project prototype and reports results in a professionally written report.

**Prerequisites:** senior standing, ELECENG 335(P) or ELECENG 362(P) or ELECENG 440(P), and ELECENG 596(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 599 Senior Thesis**

1-3 cr. Undergraduate.

Independent research under the direction of a faculty member; submission of a written thesis is required. 3 cr total required.

**Prerequisites:** senior standing and consent of instructor.

**Course Rules:** May be retaken to max of 3 cr.

**Last Taught:** Fall 2020, Fall 2014, Spring 2014, Spring 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 699 Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing and consent of instructor; or graduate standing and consent of instructor.

**Course Rules:** May be retaken to max of 6 cr toward the undergraduate degree.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 699G Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing and consent of instructor; or graduate standing and consent of instructor.

**Course Rules:** May be retaken to max of 6 cr toward the undergraduate degree.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 700 CEAS Graduate Seminar**

1-3 cr. Graduate.

Seminar in professional ethics, oral and written communication, contemporary social issues, career development, time management, and laboratory safety.

**Prerequisites:** graduate standing.

**Course Rules:** CV ENG 700, COMPSCI 700, ELECENG 700, IND ENG 700, MATLENG 700 and MECHENG 700 are jointly offered and count as repeats of one another

**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 701 Advanced Linear System Analysis**

3 cr. Graduate.

Theory and analysis of linear dynamic systems; discrete and continuous state models; linear algebra for dynamic systems; state transition matrix, numerical methods; and applications.

**Prerequisites:** graduate standing.

**Course Rules:** ELECENG 701 and MECHENG 701 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 710 Artificial Intelligence**

3 cr. Graduate.

AI programming, search techniques game playing, knowledge representation, knowledge acquisition, expert systems, selected topics from learning. Natural language understanding, vision and robotics.

**Prerequisites:** graduate standing, COMPSCI 351 or COMPST 751, and COMPSCI 535(P).

**Course Rules:** COMPSCI 710 and ELECENG 710 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2019, Spring 2016, Fall 2014, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 711 Introduction to Machine Learning**

3 cr. Graduate.

Introduction to machine learning techniques and applications, including optimal classification, regression, support vector machines, boosting, deep learning, and clustering.

**Prerequisites:** graduate standing.**Course Rules:** COMPSCI 711 and ELECENG 711 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 712 Image Processing**

3 cr. Graduate.

This course covers the materials required to process and enhance photographic images, remote sensor multispectral scanner data and others. Topics include transform techniques, recorders, discriminate function, and associated hardware.

**Prerequisites:** graduate standing.**Course Rules:** COMPSCI 712 and ELECENG 712 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 716 Tomography: Imaging and Image Reconstruction**

3 cr. Graduate.

In-depth examination of the fundamentals of tomographic imaging and tomographic image reconstruction algorithms.

**Prerequisites:** graduate standing, ELECENG 410(P) and ELECENG 420(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 717 Tomography: Image Quality and Artifact Correction**

3 cr. Graduate.

In depth study of the factors affecting tomographic image quality. State-of-the-art techniques and practices for artifact correction.

**Prerequisites:** graduate standing and ELECENG 716(P).**Last Taught:** Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 718 Nonlinear Control Systems**

3 cr. Graduate.

Advanced concepts and methodologies in modeling and design of nonlinear control systems. Lyapunov theory; describing functions; variable structure control.

**Prerequisites:** graduate standing, ELECENG 474(P) or MECHENG 474(P) or equivalent; ELECENG 701(P) or MECHENG 701(P); or consent of instructor.**Course Rules:** ELECENG 718 and MECHENG 718 are jointly offered and count as repeats of one another. Not open for credit to students with credit in MECHENG 778.**Last Taught:** Fall 2021, Fall 2016, Fall 2010, Spring 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 721 Digital Communications**

3 cr. Graduate.

Fundamentals of design and analysis of digital communication systems in the presence of noise; application of satellite, phone, and computer communication systems.

**Prerequisites:** graduate standing and ELECENG 421(P); or graduate standing.**Last Taught:** Spring 2011, Fall 2009, Fall 2007, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 733 Sensors and Systems**

3 cr. Graduate.

Physical principles and working of sensors, interfacing, and sensor networks.

**Prerequisites:** graduate standing and ELECENG 305(P) or consent of instructor.**Course Rules:** BME 733, ELECENG 733, and MECHENG 733 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 737 Medical Imaging Signals and Systems**

3 cr. Graduate.

Medical imaging physics; physical parameters of imaging systems; imaging system models; physical measurements; image reconstruction; image characteristics; biomedical applications.

**Prerequisites:** graduate standing, ELECENG 310(P) and PHYSICS 210(P); or consent of instructor.**Last Taught:** Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 741 Electromagnetic Fields and Waves**

3 cr. Graduate.

Propagation, radiation and scattering of electromagnetic waves and their applications in electrical engineering.

**Prerequisites:** graduate standing and ELECENG 361(P) or equivalent.**Last Taught:** Fall 2019, Fall 2013, Fall 2010, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 742 Electromagnetic Wave Theory**

3 cr. Graduate.

Electromagnetics of layered media and open waveguides; surface waves, radiation modes, and plasmons; asymptotic methods; Dyadic green's functions; integral equation methods

**Prerequisites:** graduate standing and ELECENG 361(P).**Last Taught:** Spring 2018, Fall 2015, Spring 2012, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 755 Information and Coding Theory**

3 cr. Graduate.

Information measures, entropy, source coding, Shannon's theorems, channel capacity, error correcting codes, linear codes, convolutional codes, arithmetic codes, encoding and decoding algorithms.

**Prerequisites:** graduate standing.**Course Rules:** COMPSCI 755 and ELECENG 755 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ELECENG 758 Advanced Computer Architecture**

3 cr. Graduate.

Advanced topics in computer architecture including pipeline processing, multiple and parallel processing systems, performance enhancement issues and vlsi computing structures.

**Prerequisites:** graduate standing and COMPSCI 458(NP) or ELECENG 458(NP).**Course Rules:** COMPSCI 758 and ELECENG 758 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 760 Computer Systems Performance Evaluation**

3 cr. Graduate.

Performance measurement and tools, workload characterization, markov models, queueing theory, simulation, benchmarks, data analysis, parallel systems performance analysis.

**Prerequisites:** graduate standing, COMPSC 458(P) or ELECENG 458(P).

**Course Rules:** COMPSCI 760 and ELECENG 760 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2017, Fall 2016, Fall 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 762 Fault-Tolerant Computing**

3 cr. Graduate.

Faults in digital circuits, fault detection, fault location, system reconfiguration or repair, system recovery, design for testability, self-checking circuits, fault-tolerant interconnection networks, systems level fault-diagnosis, fault-tolerant software.

**Prerequisites:** graduate standing and ELECENG 354(P).

**Course Rules:** Not open to students with cr for COMPSCI 762.

**Last Taught:** Spring 2002, Spring 2000, Spring 1992, Spring 1991.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 765 Introduction to Fourier Optics and Optical Signal Processing**

3 cr. Graduate.

Two dimensional linear systems, scalar diffraction theory, imaging properties of lenses, optical imaging systems, spatial filtering, wavefront reconstruction.

**Prerequisites:** graduate standing, ELECENG 310(P) and ELECENG 361(P).

**Last Taught:** Spring 2020, Spring 2019, Spring 2018, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 766 Introduction to Nonlinear Optics**

3 cr. Graduate.

Characteristics and efficiency of various nonlinear optical processes that find applications in communications, signal processing and computing.

Topics include optical switching devices, mixers and solitons.

**Prerequisites:** graduate standing and ELECENG 361(P).

**Last Taught:** Spring 2014, Fall 2011, Fall 2009, Spring 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 781 Advanced Synchronous Machinery**

3 cr. Graduate.

Machine construction, direct and quadrature axis reactances, steady state performance, unbalanced operating conditions, transient performance, motor starting, standards.

**Prerequisites:** graduate standing and ELECENG 362(P).

**Last Taught:** Fall 2023, Fall 2020, Spring 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 810 Foundations for Advanced Machine Learning and Signal Processing**

3 cr. Graduate.

Detection, estimation, optimal filtering, monte carlo methods, Markov decision processes, machine learning and signal processing applications.

**Prerequisites:** graduate standing and ELECENG 420(P).

**Last Taught:** Spring 2015, Fall 2011, Spring 2010, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 811 Advanced Machine Learning**

3 cr. Graduate.

Advanced topics and applications in machine learning, including deep learning, recurrent neural networks, EM algorithm and clustering, reinforcement learning, Markov models and MCMC, and variational inference.

**Prerequisites:** ELECENG 711(P) or ELECENG 420(P) and COMPSCI 411(P); or consent of instructor.

**Course Rules:** COMPSCI 811 and ELECENG 811 are jointly offered and count as repeats of one another; they also count as a repeat of COMPSCI 890 or ELECENG 890 with similar topic 'Advanced Machine Learning'.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 816 Optimal Control Theory**

3 cr. Graduate.

Analysis and synthesis of discrete and continuous optimal control systems; linear quadratic regulators; dynamic programming and variational methods; applications.

**Prerequisites:** graduate standing, ELECENG 474(P) or MECHENG 474(P) or equivalent, and ELECENG 701(P) or MECHENG 701(P); or consent of instructor.

**Course Rules:** ELECENG 816 and MECHENG 816 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2017, Spring 2011, Fall 2008, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 819 Adaptive Control Theory**

3 cr. Graduate.

Adaptive control systems including mathematical foundations, estimation, model reference adaptive control, self tuning regulators, numerical methods, applications.

**Prerequisites:** graduate standing, ELECENG 474(P) or MECHENG 474(P), and ELECENG 701(P) or MECHENG 701(P); or consent of instructor.

**Course Rules:** ELECENG 819 and MECHENG 819 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2018, Spring 2014, Spring 2009, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 872 Computer Analysis of Electric Power Systems**

3 cr. Graduate.

Graph theory, matrix algebra and numerical analysis applied to computer solution of power system problems; mathematical models; algorithms and solution techniques for load flow and fault studies.

**Prerequisites:** graduate standing and ELECENG 471(P).

**Last Taught:** Fall 2009, Spring 2007, Spring 2004, Spring 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 880 Bioengineering Seminar**

1 cr. Graduate.

Presentations by bioengineering affiliated faculty, invited speakers, and graduate students.

**Prerequisites:** graduate standing.

**Course Rules:** CIV ENG 880, COMPSCI 880, ELECENG 880, IND ENG 880, MATLENG 880, and MECHENG 880 are jointly offered and count as repeats of one another. May be repeated to 3 cr max.

**Last Taught:** Fall 2018, Spring 2018, Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2019, Summer 2019, Summer 2018, Summer 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 890 Special Topics:**

3 cr.

Lectures on special topics in electrical engineering.

**Prerequisites:** graduate standing.

**Course Rules:** May be repeated with change in topic to 9 cr max. Variable content course. Specific topics and any additional prerequisites will be announced in the schedule of classes each time the course is offered.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 990 Masters Thesis**

1-9 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 998 Doctoral Thesis**

1-12 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor and graduate program committee.

**Course Rules:** Repeatable.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ELECENG 999 Advanced Independent Study**

1-3 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 15 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Engineering and Applied Science (EAS)

**EAS 1 Engineering Co-op Work Period**

1 cr. Undergraduate.

One semester work period in an industrial environment.

**Prerequisites:** prior consent of co-op director.

**Course Rules:** Considered full time for FA purposes. Credit/No Credit only. May be retaken but only 3 cr count toward graduation.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 100 CEAS Freshman Orientation**

1 cr. Undergraduate.

An introduction to problem solving in engineering and computer science.

**Prerequisites:** none.

**Course Rules:** Credit/No Credit grading option only.

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 110 Fundamentals of Smart Systems Engineering I**

2 cr. Undergraduate.

Electrical sources, resistance, Kirchhoff's laws, Resistive sensors, application, introduction to robotics, laboratory experiments and projects.

**Prerequisites:** MATH 115(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 200 Professional Seminar**

1 cr. Undergraduate.

Professional orientation and career planning. Current issues in the profession.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 210 Fundamentals of Smart Systems Engineering II**

2 cr. Undergraduate.

Electrical capacitance, inductance, simple circuit application, diodes, opamps, digital logic, microcontroller basics, laboratory experiments and projects.

**Prerequisites:** EAS 110(P).

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 290 Topics in Engineering and Applied Science:**

1-3 cr. Undergraduate.

Lectures on new introductory material in engineering and applied science. Variable-content course.

**Prerequisites:** specified in semester Schedule whenever required for topic.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 297 Study Abroad:**

1-5 cr. Undergraduate.

Designed to enroll students in UWM sponsored program. Course work, content, and credits determined at the time of offering.

**Prerequisites:** acceptance to Study Abroad Prog; cons CEAS assoc dean for academic prog.

**Course Rules:** Retakable with change in topic to 12 cr max.

**Last Taught:** Summer 2022, Spring 2022, Fall 2021, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 299 Independent Study**

1-3 cr. Undergraduate.

Independent study on a topic of choice. Credit hours to be arranged between student and staff on an individual basis.

**Prerequisites:** consent of instructor.

**Course Rules:** May be retaken for degree cr.

**Last Taught:** Spring 2019, Summer 2018, Spring 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 350 Senior Leadership Seminar**

1 cr. Undergraduate.

Elements of historical and modern social and professional leadership, preparing for a leadership position in industry, leadership and entrepreneurship, engineering management techniques.

**Prerequisites:** sr st.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 490 Sustainable Design for Community Development**

3 cr. Undergraduate/Graduate.

Transdisciplinary students will work on sustainable projects and designs to address complex societal problems that require consideration of economy, environment, politics, and technology that leverage community-based knowledge.

**Prerequisites:** junior standing or consent of instructor; MECHENG 320(R).

**Course Rules:** EAS 490, FRSHWTR 490, and PEACEST 490 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 490G Sustainable Design for Community Development**

3 cr. Undergraduate/Graduate.

Transdisciplinary students will work on sustainable projects and designs to address complex societal problems that require consideration of economy, environment, politics, and technology that leverage community-based knowledge.

**Prerequisites:** junior standing or consent of instructor; MECHENG 320(R).

**Course Rules:** EAS 490, FRSHWTR 490, and PEACEST 490 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 497 Study Abroad:**

1-5 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program. Course work, level, content, and credits determined at the time of offering.

**Prerequisites:** acceptance to Study Abroad Prog; cons CEAS assoc dean for academic prog.

**Course Rules:** May be retaken w/chg in topic to 12 cr max for undergrad & 9 cr max for grad.

**Last Taught:** Summer 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 497G Study Abroad:**

1-5 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program. Course work, level, content, and credits determined at the time of offering.

**Prerequisites:** acceptance to Study Abroad Prog; cons CEAS assoc dean for academic prog.

**Course Rules:** May be retaken w/chg in topic to 12 cr max for undergrad & 9 cr max for grad.

**Last Taught:** Summer 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 701 Effective Academic Writing**

1 cr. Graduate.

Principles and practices for effective academic research writing.

**Prerequisites:** graduate standing.

**Course Rules:** Counts as a repeat of MECHENG 890 with similar topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 702 Preparing Future Engineering Faculty & Professionals**

2 cr. Graduate.

A survey of the graduate student experience and of academic and professional life after graduation

**Prerequisites:** graduate standing.

**Course Rules:** Counts as a repeat of MECHENG 890 with similar topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EAS 710 Managing Human Resources and Teams**

3 cr. Graduate.

A survey of the major functions and processes of human resource management and team management covering talent acquisition, development, management, evaluation, and optimization and foundations of team building and management.

**Prerequisites:** graduate standing.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## English (ENGLISH)

**ENGLISH 90 Basic Writing**

0 cr. Undergraduate.

Sustained writing and revision to develop fluency in articulating ideas and familiarity with writing conventions. Fourth instructional hr required.

**Prerequisites:** level 0 on English Placement Test.

**Course Rules:** May not be taken cr/no cr. Audit not allowed. Fee for 3 cr assessed; credits count toward credit load for Financial Aid and enrollment verification only.

**Last Taught:** Summer 2016, Spring 2006, Fall 2005, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 95 Fundamentals of Composition**

0 cr. Undergraduate.

Critical reading and writing, with an emphasis on the processes of writing and revision. Students produce a portfolio of revised essays.

**Prerequisites:** level 0 on English Placement Test.

**Course Rules:** May not be taken cr/no cr. Fee for 3 cr assessed; credits count toward credit load for Financial Aid and enrollment verification only.

**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 100 Introduction to College Writing and Reading**

4 cr. Undergraduate.

Critical reading and writing, with emphasis on the processes of writing, revision, and academic conventions. Students produce a portfolio of revised essays.

**Prerequisites:** Level 1 earned via ACT, SAT, Guided English Placement (GEP), or English Placement Test (scores from 2019 or earlier), or grade of C or better in ENGLISH 95.

**Course Rules:** May not be taken cr/no cr. Not open to students who have taken ENGLISH 101.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 101 Introduction to College Writing**

3 cr. Undergraduate.

Critical reading, writing, and revision, with an emphasis on reflective inquiry and academic writing conventions. Students produce a portfolio of revised essays.

**Prerequisites:** Level 2 earned via ACT, SAT, Guided English Placement (GEP), or English Placement Test (scores from 2019 or earlier), or grade of C or better in ENGLISH 95.

**Course Rules:** May not be taken cr/no cr. Not open to students who have taken ENGLISH 100. ESL 118 counts as a repeat of ENGLISH 101.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 102 College Writing and Research**

3 cr. Undergraduate.

Extensive engagement with foundational concepts in information literacy, critical thinking, and writing with genre awareness to approach research as a rhetorical endeavor.

**Prerequisites:** Level 3 earned via ACT, SAT, Guided English Placement (GEP), or English Placement Test (scores from 2019 or earlier), or a grade of C or better in English 100, English 101, EAP 101, or EAP 118.

**Course Rules:** May not be taken Credit/No Credit. Counts as repeat of ENGLISH 112, HONORS 102, or HONORS 112.

**General Education Requirements:** ENG, OWCA

**Last Taught:** UWinterIM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 111 Entertainment Arts: Film, Television, and the Internet**

3 cr. Undergraduate.

History of film, television, and the internet. Focus on economic and aesthetic features of these media and interrelationships among them.

Models for critiquing each form.

**Prerequisites:** none

**Course Rules:** ArtHist 111, English 111, & FilmStd 111 are jointly offered; they count as repeats of one another.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 150 Multicultural America**

3 cr. Undergraduate.

Cross-cultural study of U.S. ethnic and racial identities through materials from literature, history, and the media, with attention to African-, Asian-, Hispanic-, and Native American experiences.

**Prerequisites:** none.

**Course Rules:** Cultures and Communities Prog course; req'd service learning component.

**General Education Requirements:** CD, HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 192 First-Year Seminar**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 6 cr max.

**Last Taught:** Fall 2011, Spring 2010, Summer 2009, Spring 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 201 Strategies for Academic Writing**

3 cr. Undergraduate.

Intensive practice in expository writing designed to continue development of already proficient writers.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 205 Business Writing**

3 cr. Undergraduate.

Instruction and practice in writing business reports, memos, and letters. Particularly appropriate for students in business and related areas.

**Prerequisites:** soph st; grade of C or better in English 102(P) or score at level 4 on EPT.

**Course Rules:** May not be taken cr/no cr.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 206 Technical Writing**

3 cr. Undergraduate.

Instruction and practice in writing technical reports, proposals, and other technical writing forms. Particularly appropriate for students in science, engineering, architecture, and other applied sciences.

**Prerequisites:** satisfaction of GER English Composition competency requirement.

**Course Rules:** May not be taken cr/no cr.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 206X Technical Writing**

3 cr. Undergraduate.

Instruction and practice in writing technical reports, proposals, and other technical writing forms. Particularly appropriate for students in science, engineering, architecture, and other applied sciences.

**Prerequisites:** satisfaction of GER English Composition competency requirement.

**Course Rules:** May not be taken cr/no cr.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 207 Health Science Writing**

3 cr. Undergraduate.

Instruction and practice in writing reports and research papers for health science professions. Particularly appropriate for students in health related fields, including pre-medical, dental, etc.

**Prerequisites:** satisfaction of GER English Composition competency req.

**Course Rules:** May not be taken cr/no cr.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 209 Language in the United States**

3 cr. Undergraduate.

Survey of the languages of the U.S., discussing social and political aspects of language use and issues of interethnic communication.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2012, Summer 2012, Spring 2011, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 210 Global Englishes**

3 cr. Undergraduate.

Varieties of English spoken around the world; history and spread of English; use of English as a national and international language.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2023, Spring 2023, Spring 2021, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 211 Aspects of the English Language:**

3 cr. Undergraduate.

Introductory projects in such areas as social or specialized usages, modern grammars, dialects, English language history, theoretical and practical studies of language in literary forms.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.**Course Rules:** May not be retaken for cr.**Last Taught:** Fall 1988, Spring 1987, Fall 1986, Spring 1986.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 212 Grammar and Usage**

3 cr. Undergraduate.

The basic concepts and categories of English grammar, with emphasis on usage and writing problems.

**Prerequisites:** none.**Last Taught:** Fall 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 214 Writing in the Professions:**

3 cr. Undergraduate.

Adaptation of writing to situations and requirements of specific professional writing genres, such as criminal justice, government, and environmental writing.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.**Course Rules:** May be retaken w/chg in topic; no cr limit.**General Education Requirements:** OWCB**Last Taught:** Spring 2022, Fall 2021, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 215 Introduction to English Studies**

3 cr. Undergraduate.

Writing-intensive introduction to multiple forms and contexts of literary and nonliterary texts and discourses in English, in a cultural, historical, and global framework.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.**Course Rules:** Required for English & secondary education English majors.**General Education Requirements:** HU, OWCB**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 222 English Writers, 1800 to the Present**

3 cr. Undergraduate.

Works of English literary tradition from the Romantics through the present. Combines close reading with study of historical and social context of literature.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.**General Education Requirements:** HU**Last Taught:** Fall 2022, Fall 2009, Fall 2008, Fall 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 233 Introduction to Creative Writing**

3 cr. Undergraduate.

An introduction to the writing of poetry and fiction.

**Prerequisites:** none.**General Education Requirements:** A**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 240 Rhetoric, Writing, and Culture:**

3 cr. Undergraduate.

Major concerns in cultural criticism, including race, gender, class, cultural identity, technology, and ideology; examines how rhetoric, writing, and media influence our thinking about these concerns.

**Prerequisites:** grade of C or better in ENGLISH 102(P) or score at level 4 on EPT.**Course Rules:** May be retaken with change in topic to 9 cr max.**General Education Requirements:** HU, OWCB**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 243 Introduction to Literature by Women:**

3 cr. Undergraduate.

Ways in which women have expressed their views of women's roles and goals in literature.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Fall 2023, Spring 2023, Spring 2019, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 245 The Life, Times, and Work of a Literary Artist:**

3 cr. Undergraduate.

A writer in a cultural, historical, and biographical context.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Spring 2012, Spring 2010, Spring 2009, Fall 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ENGLISH 247 Literature and Human Experience:**

3 cr. Undergraduate.

Focus upon the portrayal of a universal theme in literature of the past and present.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Spring 2014, Spring 2013, Spring 2012, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 248 Literature and Contemporary Life:**

3 cr. Undergraduate.

Literary portrayal of the character issues and concerns of the contemporary world as reflected in literature.

**Prerequisites:** grade of C or better in ENGLISH 102(P) or score at level 4 on EPT.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Fall 2013, Spring 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 251 Fantasy in Literature:**

3 cr. Undergraduate.

Forms of fantasy in literature from the medieval period to the present.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** UWinteriM 2018, UWinteriM 2017, UWinteriM 2016, UWinteriM 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 253 Science Fiction:**

3 cr. Undergraduate.

Selected works of literary science fiction by theme, type, period, or origin.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2014, Spring 2013, Spring 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 260 Introduction to Poetry:**

3 cr. Undergraduate.

Selected works of poetry by theme or type.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 of EPT.

**Course Rules:** May be retaken w/chg of topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2013, Spring 2010, Fall 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**Last Taught:** Fall 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 383G Cinema, Television, and Genre:**

3 cr. Undergraduate/Graduate.

Stylistic and thematic analyses of film and/or television genres (e.g., melodrama, film noir, sitcom). Consideration of writers, directors, producers and stars whose works represent forms of a genre.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 290(P) or 6 cr in courses approved for hum breadth cr.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 383 and FILMSTD 383 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 390 Classical Film Criticism and Theory**

3 cr. Undergraduate/Graduate.

Survey of the history of film theory, with particular attention to developing critical skills in film theoretical writing.

**Prerequisites:** jr st, satisfaction of GER English Composition competency req, English 290(P), & ArtHist 205(P); or cons instr.

**Course Rules:** English 390 & FilmStd 390 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 390G Classical Film Criticism and Theory**

3 cr. Undergraduate/Graduate.

Survey of the history of film theory, with particular attention to developing critical skills in film theoretical writing.

**Prerequisites:** jr st, satisfaction of GER English Composition competency req, English 290(P), & ArtHist 205(P); or cons instr.

**Course Rules:** English 390 & FilmStd 390 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 391 Television Criticism and Theory**

3 cr. Undergraduate/Graduate.

Study of the forms and representational strategies of television narrative, and the various modes of analysis that may be applied to television viewers and texts.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 291(P) or cons instr.

**Course Rules:** English 391 & FilmStd 391 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 391G Television Criticism and Theory**

3 cr. Undergraduate/Graduate.

Study of the forms and representational strategies of television narrative, and the various modes of analysis that may be applied to television viewers and texts.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 291(P) or cons instr.

**Course Rules:** English 391 & FilmStd 391 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 393 Entertainment Industries:**

3 cr. Undergraduate.

In-depth look at contemporary media industries both in the U.S. and globally. Emphasis on changing content, production and viewing practices.

**Prerequisites:** jr st; satisfaction of OWC-A; English 290(P), English 291(P), or cons instr.

**Course Rules:** English 393 & FilmStd 393 are jointly offered; w/same topic, they count as repeats of one another. May be retaken w/change in topic to 9 cr max.

**Last Taught:** Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 394 Theories of Digital Culture:**

3 cr. Undergraduate/Graduate.

An examination of theories of digital and new media in relation to cinema, television, literature, and other arts.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 290(P) or ENGLISH 291(P) or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max. ENGLISH 394 and FILMSTD 394 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 394G Theories of Digital Culture:**

3 cr. Undergraduate/Graduate.

An examination of theories of digital and new media in relation to cinema, television, literature, and other arts.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 290(P) or ENGLISH 291(P) or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max. ENGLISH 394 and FILMSTD 394 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 395 Feminist Media Criticism and Theory:**

3 cr. Undergraduate.

Theories of representation, spectatorship, and analyses of gender and identity in relation to film, television, and/or digital media.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 395 and FILMSTD 395 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Spring 1996, Fall 1993.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 400 Introduction to English Linguistics**

3 cr. Undergraduate/Graduate.

Application of linguistic theory and techniques to modern English. Course is required of all English majors and minors in the College of Community Engagement & Professions' School of Education.

**Prerequisites:** junior standing and satisfaction of GER English Composition competency requirement.

**Course Rules:** ENGLISH 400 and LINGUIS 400 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 400G Introduction to English Linguistics**

3 cr. Undergraduate/Graduate.

Application of linguistic theory and techniques to modern English. Course is required of all English majors and minors in the College of Community Engagement & Professions' School of Education.

**Prerequisites:** junior standing and satisfaction of GER English Composition competency requirement.

**Course Rules:** ENGLISH 400 and LINGUIS 400 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 401 History of the English Language**

3 cr. Undergraduate/Graduate.

The origins of the English language and its changing structure.

**Prerequisites:** jr st; satisfaction of GER English Composition Competency req.

**Last Taught:** Spring 2014, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 401G History of the English Language**

3 cr. Undergraduate/Graduate.

The origins of the English language and its changing structure.

**Prerequisites:** jr st; satisfaction of GER English Composition Competency req.

**Last Taught:** Spring 2014, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 402 Theories of Language and Literature:**

3 cr. Undergraduate/Graduate.

Various topics involving some theoretical aspect(s) of language and literature.

**Prerequisites:** jr st, satisfaction of GER English Composition competency req; an intro course in linguistics (e.g. English/Linguistics 400, English 401, or Linguistics 350).

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Last Taught:** Spring 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 402G Theories of Language and Literature:**

3 cr. Undergraduate/Graduate.

Various topics involving some theoretical aspect(s) of language and literature.

**Prerequisites:** jr st, satisfaction of GER English Composition competency req; an intro course in linguistics (e.g. English/Linguistics 400, English 401, or Linguistics 350).

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Last Taught:** Spring 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 403 Survey of Modern English Grammar**

3 cr. Undergraduate/Graduate.

Studies in elements of grammar, noun and verb phrase, clause and sentence connection, and complex noun phrase.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 403G Survey of Modern English Grammar**

3 cr. Undergraduate/Graduate.

Studies in elements of grammar, noun and verb phrase, clause and sentence connection, and complex noun phrase.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 404 Language, Power, and Identity**

3 cr. Undergraduate/Graduate.

The use of distinctive language varieties to construct identity and maintain power relations within a society.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2023, Fall 2022.

**ENGLISH 404G Language, Power, and Identity**

3 cr. Undergraduate/Graduate.

The use of distinctive language varieties to construct identity and maintain power relations within a society.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 406 Advanced English Grammar**

3 cr. Undergraduate/Graduate.

Continuation of English 403 with emphasis on the analysis of complex sentences and discourse syntax.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 403(P).

**Course Rules:** English 406 & Linguis 406 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 1995, Spring 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 406G Advanced English Grammar**

3 cr. Undergraduate/Graduate.

Continuation of English 403 with emphasis on the analysis of complex sentences and discourse syntax.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 403(P).

**Course Rules:** English 406 & Linguis 406 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 1995, Spring 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 412 Global Cinema and Media:**

3 cr. Undergraduate/Graduate.

Study of cinema and media in the context of globalization; cinema and media's changing impact beyond national borders.

**Prerequisites:** junior standing or ENGLISH 290(P); and satisfaction of GER English Composition competency requirement.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 412 and FILMSTD 412 are jointly offered; with the same topic, they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 412G Global Cinema and Media:**

3 cr. Undergraduate/Graduate.

Study of cinema and media in the context of globalization; cinema and media's changing impact beyond national borders.

**Prerequisites:** junior standing or ENGLISH 290(P); and satisfaction of GER English Composition competency requirement.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 412 and FILMSTD 412 are jointly offered; with the same topic, they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 414 Special Topics in Creative Writing:**

3 cr. Undergraduate/Graduate.

Readings, discussion and assigned writing in specialized areas of creative writing.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 233(P), ENGLISH 234(P), ENGLISH 235(P), or ENGLISH 236(P); or graduate standing.

**Course Rules:** May be retaken with change in topic to 9 cr max. May not be retaken for major cr. Students may not enroll concurrently in a second section of ENGLISH 414 or in ENGLISH 415, ENGLISH 416, ENGLISH 615, or ENGLISH 616.

**Last Taught:** Spring 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 414G Special Topics in Creative Writing:**

3 cr. Undergraduate/Graduate.

Readings, discussion and assigned writing in specialized areas of creative writing.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 233(P), ENGLISH 234(P), ENGLISH 235(P), or ENGLISH 236(P); or graduate standing.

**Course Rules:** May be retaken with change in topic to 9 cr max. May not be retaken for major cr. Students may not enroll concurrently in a second section of ENGLISH 414 or in ENGLISH 415, ENGLISH 416, ENGLISH 615, or ENGLISH 616.

**Last Taught:** Spring 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 415 Fiction Workshop**

3 cr. Undergraduate.

Classroom analysis and discussion of student writing. Content varies.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 233(P) or 234(P).

**Course Rules:** May be retaken to 6 cr max. Students may not enroll concurrently in a second section of English 415 or in English 414, 416, 615, or 616.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 416 Poetry Workshop**

3 cr. Undergraduate.

Classroom analysis and discussion of student poetry. Content varies.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 233(P) or 235(P).

**Course Rules:** May be retaken to 6 cr max. Students may not enroll concurrently in a second section of English 416 or in English 414, 415, 615, or 616.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ENGLISH 417 Readings for Writers:**

3 cr. Undergraduate.

A literature course exploring literary traditions, formal or aesthetic problems of interest to creative writers.

**Prerequisites:** jr st; satisfaction of English Composition competency req; English 233(203)(P), 234(P), 235(P), or 236(204)(P).

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Ethnic Studies, Comparative (ETHNIC)

**ETHNIC 101 The Multi-Racial Origins of American Cultures**

3 cr. Undergraduate.

Origins and development of racial and ethnic identities in the Americas, with specific attention to Wisconsin history and contemporary issues.

**Prerequisites:** none.**Course Rules:** 2 hrs lec, 1 section. Not retakable for cr; may be repeated for higher grade.**General Education Requirements:** CD, HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 102 Transnational Migrations: People on the Move**

3 cr. Undergraduate.

Modern and contemporary social and cultural processes of migration and identity; role of law as 'gatekeeping'; history of nativism, interethnic relations, and community formation. Experiences of migrants, refugees &amp; asylum-seekers.

**Prerequisites:** none.**General Education Requirements:** CD, HU**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 192 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).**General Education Requirements:** HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 193 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).**General Education Requirements:** SS**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 199 Independent Study: Lower Division**

1-3 cr. Undergraduate.

For further information, consult Ethnic Studies coordinator.

**Prerequisites:** 2.25 gpa on at least 12 graded cr; writ cons instr & prog coord.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2016, Summer 2009, Spring 2007, Fall 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 200 Racial Minorities in the United States**

3 cr. Undergraduate.

A survey of the historical and the contemporary experiences of American Indians, Asians, African-Americans, and Hispanics in the United States.

**Prerequisites:** none.**General Education Requirements:** CD, SS**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 245 Indians, Artists, and Conquistadores: The U.S. Southwest**

3 cr. Undergraduate.

Interaction of diverse Indian, European, and Latino cultures in the U.S. southwest.

**Prerequisites:** none.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 250 Selected Topics in Ethnic Studies:**

3 cr. Undergraduate.

This course will focus on one individual ethnic group, or one particular aspect of an ethnic group.

**Prerequisites:** none.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2015, Spring 2014, Fall 2011, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 255 Migration and Gender: Starbucks, Sex Trafficking, and Nannies**

3 cr. Undergraduate.

Changing roles of women in the global marketplace; effects of migration on gender and family life.

**Prerequisites:** none.**Course Rules:** Counts as a repeat of Ethnic 250 with similar title.**General Education Requirements:** CD, HU**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 265 Hmong Americans: History, Culture, and Contemporary Life**

3 cr. Undergraduate.

Hmong American history, the effects of the Vietnam War on Hmong culture, and the history of the resulting refugee immigrants in America.

**Prerequisites:** none.**Course Rules:** Ethnic 265 & Hmong 265 are jointly offered; they count as repeats of one another.**General Education Requirements:** CD, SS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 275 Queer Migrations**

3 cr. Undergraduate.

How gender, race, and sexuality shape the migration processes; how concerns about sexuality shape U.S. immigration and citizenship policy; how mass migrations transform diverse queer communities.

**Prerequisites:** none.**Course Rules:** No cr for students w/cr in Ethnic 250 w/similar topic.

Ethnic 275 & LGBT 275 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, HU**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 285 Cultures of Contemporary Russia**

3 cr. Undergraduate.

Ethnic conflict and struggles over language, territory, culture, and politics after the dissolution of the Soviet Union.

**Prerequisites:** none.**Course Rules:** Counts as a repeat of Ethnic 250 w/similar title.**Last Taught:** Spring 2012, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 289 Internship in Ethnic Studies, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of ethnic studies in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in ethnic; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. Retakable to 6 cr max.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**ETHNIC 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Last Taught:** UWinterIM 2013, UWinterIM 2011, Summer 2005, UWinterIM 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Summer 1997, Summer 1990, Spring 1986.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 325 Gender, Race, and Ethnicity in Milwaukee:**

3 cr. Undergraduate.

Influxes into the U.S. of migrants from Europe, Latin America, and elsewhere; evolution of conflict and division; particular attention to Civil Rights and deindustrialization.

**Prerequisites:** jr st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**General Education Requirements:** CD, HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 350 Advanced Topics in Comparative Ethnic Studies:**

3 cr. Undergraduate.

Various advanced topics in the field of comparative ethnic studies.

**Prerequisites:** Ethnic 101(P); 102(P), or 250(P), or cons instr.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2011, Fall 2010, Spring 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 355 Muslims and American Popular Culture**

3 cr. Undergraduate.

History of Muslims in American pop culture; sub-cultures of various Muslim ethnic groups from the perspective of film, literature, and music.

**Prerequisites:** jr st or Ethnic 101(P) or 102(P).

**Last Taught:** Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 360 Villainy, Sex, & Blood: Race, Gender & Ethnicity in Pop Culture**

3 cr. Undergraduate.

Exploration of the ways in which popular culture creates, maintains, and challenges notions of race, gender, and ethnicity throughout the American historical experience.

**Prerequisites:** jr st.

**Course Rules:** Counts as a repeat of Ethnic 250 w/ similar topic.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 375 Global Violence, Disease, and Death**

3 cr. Undergraduate.

Development schemas, health policies, and the role of international organizations in global incidents of suffering, violence, and death.

**Prerequisites:** jr st or Ethnic 101(P) or 102(P).

**Last Taught:** Fall 2023, Spring 2019, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 489 Internship in Ethnic Studies, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of ethnic studies in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in ethnic stds; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. Retakable to 6 cr max.

**Last Taught:** Spring 2021, Fall 2020, Spring 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** UWinteriM 2014, UWinteriM 2013, UWinteriM 2011, Summer 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 550 Senior Seminar in Comparative Ethnic Studies:**

3 cr. Undergraduate.

Focus on specific aspects (social, cultural) of ethnic and racial identity, based on readings and presentation of original student research.

**Prerequisites:** sr st; cons instr.

**Course Rules:** Topic varies; not retakable for cr. May be repeated for higher grade. Satisfies L&S Seminar req.

**Last Taught:** Spring 2021, Spring 2008, Spring 2006, Summer 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ETHNIC 699 Advanced Independent Work**

1-3 cr. Undergraduate.

See Independent Study. For further information consult Ethnic Studies coord.

**Prerequisites:** jr st; 2.5 gpa; writ cons instr, prog coord, & asst dean for SAS.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2012, Summer 2011, Spring 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Exceptional Education (EXCEDUC)

**EXCEDUC 200 Fieldwork in Exceptional Education:**

1-4 cr. Undergraduate.

Field experience designed to allow pre-education students to participate and observe in exceptional education setting.

**Prerequisites:** none.

**Course Rules:** Cr/no cr only. Fieldwork may not be dropped after the second week of classes. May be retaken w/chg in topic to max of 6 cr.

**Last Taught:** Spring 2004, Fall 2003, Spring 2003, Fall 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** cons instr; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2017, Summer 2012, Summer 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 299 Independent Reading**

1-3 cr. Undergraduate.

**Prerequisites:** cons instr.

**Course Rules:** May be retaken to max of 6 cr.

**Last Taught:** UWinterIM 2005, Spring 2002, Fall 2000, Summer 2000.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 300 The Exceptional Individual**

3 cr. Undergraduate.

An introduction to etiology, historic background, current service provisions, and issues and trends related to individuals with learning, sensory, behavioral, or physical handicapping conditions.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 301 American Sign Language I**

3 cr. Undergraduate.

This course will introduce basic American Sign Language structure and study of deaf culture. Basic fingerspelling principles are also introduced.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 302 American Sign Language II**

3 cr. Undergraduate.

This course will continue skills in American Sign Language, fingerspelling and the study of deaf culture.

**Prerequisites:** C or better in EXCEDUC 301(P) or Level 1 ASLPI score.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 303 American Sign Language III**

3 cr. Undergraduate.

Focus is on the development of intermediate level skills in American Sign Language, its structure and study of deaf culture.

**Prerequisites:** C or better in EXCEDUC 302(P) or Level 1+ ASLPI score

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 304 American Sign Language IV**

3 cr. Undergraduate.

Focus on the continuing development of intermediate level skills in American Sign Language, its structure and the study of deaf culture.

**Prerequisites:** C or better in EXCEDUC 303(P) or Level 2 ASLPI score.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 305 American Sign Language V**

3 cr. Undergraduate.

Advanced American Sign Language focusing on classifiers, fingerspelling, numeric techniques and grammar.

**Prerequisites:** C or better in EXCEDUC 304 (P) or Level 2+ ASLPI score.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 306 American Sign Language VI**

3 cr. Undergraduate.

Advanced American Sign Language focusing on register, colloquialisms, storytelling and poetry.

**Prerequisites:** C or better in EXCEDUC 305(P).

**Last Taught:** Summer 2023, Summer 2022, Spring 2022, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 320 Introduction to Interpreting: English to American Sign Language**

3 cr. Undergraduate.

Theoretical and practical examination and development of various techniques of interpreting from English into American Sign Language through discourse analysis.

**Prerequisites:** grade of B- or better in EXCEDUC 303(P).

**Last Taught:** Summer 2023, Summer 2021, Summer 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 321 Introduction to Interpreting: American Sign Language to English**

3 cr. Undergraduate.

Theoretical and practical examination and development of various techniques of interpreting from American Sign Language to English through discourse analysis.

**Prerequisites:** grade of B- or better in EXCEDUC 303(P).

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 324 ASL IV Lab**

1 cr. Undergraduate.

Specific language immersion for ASL IV; additional language development exercises with support of language coach.

**Prerequisites:** EXCEDUC 304(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 325 ASL V Lab**

1 cr. Undergraduate.

Specific language immersion for ASL V; additional language development exercises with support of language coach.

**Prerequisites:** EXCEDUC 305(C).

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 326 ASL VI Lab**

1 cr. Undergraduate.

Specific language immersion for ASL VI; additional language development exercises with support of language coach.

**Prerequisites:** EXCEDUC 306(C).

**Last Taught:** Summer 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 327 Classifiers Lab**

1 cr. Undergraduate.

Specific language immersion for Classifiers; additional language development exercises with support of language coach.

**Prerequisites:** EXCEDUC 510(C).

**Last Taught:** Fall 2023, Fall 2022, Summer 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 328 Skills Development: ASL Depiction**

1 cr. Undergraduate.

Skill development in ASL depiction by providing an immersion experience to build fluency and confidence using Visual-Gestural Communication.

**Prerequisites:** grade of C or better in EXCEDUC 302(P) or Level 2 ASLPI score.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 330 Deaf History**

3 cr. Undergraduate.

History of the Deaf Community in America primarily as well as in other countries.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 335 Educational Interpreting I**

3 cr. Undergraduate.

Explores issues related to interpreting for children in settings from pre-kindergarten through elementary. Analysis of impact of transitions on professional roles, responsibilities, and ethics.

**Prerequisites:** admis. to ITP program.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 336 Postsecondary Interpreting I**

3 cr. Undergraduate.

Introductory knowledge/skills-based course that examines interpreting in a postsecondary environment, including both the technical college and university level.

**Prerequisites:** admis. to ITP program.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 337 Video Relay Services Interpreting I**

3 cr. Undergraduate.

Introductory knowledge/skills-based course that examines interpreting via distance technology, including video relay and video remote interpreting.

**Prerequisites:** admis. to ITP program.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 338 Introduction to Healthcare Interpreting**

3 cr. Undergraduate.

Introduction to the unique challenges of and skills for sign language interpreting in medical settings.

**Prerequisites:** admis. to ITP.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 345 Foundations of English to ASL Interpreting**

3 cr. Undergraduate.

Techniques for changing an auditory English message into American Sign Language and vice versa.

**Prerequisites:** jr st & admis to ITP or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 346 Skill Development: Semantics**

3 cr. Undergraduate.

Analysis of American Sign Language linguistics semantics. Focus of individual sign meanings, semantic grammar structure including colloquialisms and cultural influences on meanings of signs.

**Prerequisites:** sophomore standing; for ASL Studies program students: grade of C or better in EXCEDUC 304(P), or Level 2+ ASLPI score; for Interpreter Training Program students: EXCEDUC 303(P), EXCEDUC 320(P), and EXCEDUC 321(P), or Level 2+ ASLPI score; or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 347 Foundations of ASL to English Interpreting**

3 cr. Undergraduate.

Development of English skills for the purposes of providing appropriate interpretations.

**Prerequisites:** admis to ITP or cons instr.

**Course Rules:** Not open to students with cr in EXCEDUC 326(426).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 348 Introduction to the Profession of Interpreting**

3 cr. Undergraduate.

Introduction to the professions and practices of interpreting. Focus on its history, philosophies, ethics, roles, resources and credentialing within the profession.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 349 Field Work: Interacting in the Deaf Community I**

3 cr. Undergraduate.

Experiences of observation, actual interpreting, sign teaching and interaction with deaf community. Weekly seminar provides forum for feedback and processing experiences.

**Prerequisites:** junior standing and admis to ITP; or consent of instructor.

**Course Rules:** Not open for cr to students with cr in EXCEDUC 322.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 350 Interpreting: Spoken English to ASL II**

3 cr. Undergraduate.

Practical application of the process of taking a spoken English message and converting it into American Sign Language. Emphasis on the consecutive mode.

**Prerequisites:** jr st & admis to ITP, or cons instr.

**Course Rules:** Not open for cr to students with cr in EXCEDUC 315.

**Last Taught:** Spring 2018, Spring 2017, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 351 Interpreting ASL to Spoken English II**

3 cr. Undergraduate.

Continues to develop the skill of changing a message signed in ASL into spoken English. Consecutive mode practiced; individual appointments emphasized.

**Prerequisites:** admis to ITP, EXCEDUC 345(P).

**Course Rules:** Not open for cr to students with cr in EXCEDUC 316.

**Last Taught:** Spring 2018, Spring 2017, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 352 American Deaf Culture**

3 cr. Undergraduate.

The impact of Deaf culture on the Deaf community and Deaf education, understanding the Deaf person in a cultural context.

**Prerequisites:** none.

**Course Rules:** Not open for cr to students with cr in EXCEDUC 340(650).

**General Education Requirements:** SS

**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 353 Introduction to Culturally Diverse Community Resources**

3 cr. Undergraduate/Graduate.

Overview of community resources serving consumers with hearing impairments. Professionals and consumers from agencies and organizations will address needs as they relate to interpreting.

**Prerequisites:** jr st & admis to ITP, or grad st, or cons instr.

**Course Rules:** Not open for cr to students with cr in EXCEDUC 342(421).

**Last Taught:** Spring 2010, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 353G Introduction to Culturally Diverse Community Resources**

3 cr. Undergraduate/Graduate.

Overview of community resources serving consumers with hearing impairments. Professionals and consumers from agencies and organizations will address needs as they relate to interpreting.

**Prerequisites:** jr st & admis to ITP, or grad st, or cons instr.

**Course Rules:** Not open for cr to students with cr in EXCEDUC 342(421).

**Last Taught:** Spring 2010, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 354 Field Work: Interacting in the Deaf Community II**

3 cr. Undergraduate.

Continuation of EXCEDUC 349. Requires time observing, interpreting, teaching and community interaction. Weekly seminars continue to provide forum for processing of experiences.

**Prerequisites:** junior standing, admis to ITP, and EXCEDUC 349(P).

**Course Rules:** Not open for cr to students with cr in EXCEDUC 323.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 355 Interpreting: ASL to Spoken English III**

3 cr. Undergraduate.

Developing intermediate to advanced skills in simultaneously converting American Sign Language to spoken English.

**Prerequisites:** EXCEDUC 345(P) & EXCEDUC 350(P); & admis to ITP.

**Course Rules:** Not open for cr to students with cr in EXCEDUC 318 or EXCEDUC 319.

**Last Taught:** Fall 2017, Fall 2016, Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 356 Transliteration II**

3 cr. Undergraduate.

Skills and theory necessary to change a spoken English message into the form of a signed English message and vice-versa.

**Prerequisites:** admis to ITP, or cons instr.

**Course Rules:** Not open for cr to students with cr in EXCEDUC 327 or EXCEDUC 328.

**Last Taught:** Fall 2017, Fall 2016, Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 357 Issues and Trends for Educational Interpreters**

3 cr. Undergraduate.

Historical and current issues affecting the education of students who are deaf and hard-of-hearing and their influence on the field of educational interpreting.

**Prerequisites:** admis to ITP.

**Last Taught:** Fall 2017, Fall 2016, Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 358 ASL/English Linguistics I**

3 cr. Undergraduate.

The linguistics of American Sign Language, exploring its structure and grammar, emphasizing its phonology and its comparison to English.

**Prerequisites:** a grade of C or better in EXCEDUC 306(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 359 Fieldwork: Interacting in the Deaf Community III**

3 cr. Undergraduate.

Continuation of EXCEDUC 323: requires greater emphasis on interpreting, less on observation, teaching and community interaction. Weekly seminar continues for processing of experiences.

**Prerequisites:** EXCEDUC 354(P) or EXCEDUC 349(P); & admis to ITP.

**Course Rules:** Not open for cr to students with cr in EXCEDUC 324.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 360 Transliteration/Oral I**

3 cr. Undergraduate.

Introduction of the mechanics and skills needed for Transliteration and Oral Interpreting.

**Prerequisites:** admis to ITP, EXCEDUC 350(P) & EXCEDUC 355(P); or cons instr.

**Course Rules:** Not open to students with cr in EXCEDUC 320.

**Last Taught:** Spring 2018, Spring 2017, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 361 Interpreting: Spoken English to ASL III**

3 cr. Undergraduate.

Developing intermediate to advanced skills in simultaneously converting spoken English into American Sign Language. Students will work with a variety of stimulus materials.

**Prerequisites:** admis to ITP, EXCEDUC 351(P) & EXCEDUC 355(P), or cons instr.

**Course Rules:** Not open for cr to students who have cr in EXCEDUC 321.

**Last Taught:** Fall 2017, Fall 2016, Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 362 Specialized Interpreting Across Diverse Settings**

3 cr. Undergraduate.

Guidelines for interpreting, transliterating, and voicing in a variety of settings, including vocational, legal, health related and performing arts.

**Prerequisites:** admis to ITP.**Last Taught:** Spring 2018, Spring 2017, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 363 ASL/English Linguistics II**

3 cr. Undergraduate.

Focus on the linguistics of American Sign Language, including emphasis on its morphology and syntax and its comparison to English.

**Prerequisites:** junior standing and a grade of C or better in EXCEDUC 358(P); or consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 364 Fieldwork: Interacting in the Deaf Community IV**

6-12 cr. Undergraduate.

Continuation of EXCEDUC 359: requiring 70% focus on actual interpreting, the remainder on observation, teaching and community interaction.

Seminar offers forum for processing experiences.

**Prerequisites:** EXCEDUC 354(P) & EXCEDUC 359(P) & admis to ITP.**Course Rules:** May be retaken to 12 cr max. Not open for cr to students with cr in EXCEDUC 325.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 365 Educational Interpreting II**

3 cr. Undergraduate.

Issues related to interpreting for children from 6th through 12th grade. Use of various sign systems in educational settings, working conditions and attitudes, and DPI certification issues.

**Prerequisites:** admis. to ITP.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 366 Postsecondary Interpreting II**

3 cr. Undergraduate.

Advanced knowledge/skills-based course that examines interpreting in a postsecondary environment, including technical college and university level.

**Prerequisites:** admis. to ITP.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 367 Video Relay Services Interpreting II**

3 cr. Undergraduate.

Continuation of the VRS Foundations I course and will continue to be a knowledge/skills-based course that examines interpreting via distance technology, including video relay and video remote interpreting.

**Prerequisites:** admis. to ITP.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 368 Medical and Mental Healthcare Interpreting**

3 cr. Undergraduate.

Explores unique challenges of sign language interpreting in medical and mental health settings. Variety of settings and the systems and structures for patient care.

**Prerequisites:** admis. to ITP.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 371 Strategies for the National Interpreter Certification Exam**

1 cr. Undergraduate.

Techniques and strategies for the knowledge and ethical skills required for the RID-NIC Knowledge Exam.

**Prerequisites:** EXCEDUC 354(C) and admis to the Interpreter Training Program; or consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 372 Interpreter Training Program Capstone**

3 cr. Undergraduate.

Integrates coursework, knowledge, skills and experiential learning to enable the student to demonstrate a broad mastery of learning across the curriculum for a promise of employability and further career advancement.

**Prerequisites:** EXCEDUC 364(C).**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 375 Using Technology for Teaching and Learning**

1 cr. Undergraduate.

Introduce students to various forms of technology used in the PK-12 classrooms.

**Prerequisites:** none.**Course Rules:** Jointly offered with and counts as repeat of CURRINS 375.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 376 Understanding and Developing the edTPA**

1 cr. Undergraduate.

In-depth overview of all components of the edTPA; practice of skills including video recording, uploading and compressing video, writing summaries.

**Prerequisites:** none.**Course Rules:** Credit/no credit only. Jointly offered with and counts as repeat of CURRINS 376.**Last Taught:** Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 377 Wisconsin Foundations of Reading**

1 cr. Undergraduate.

Foundational literacy assessment and instruction for diverse learners to prepare for the Wisconsin Foundations of Reading test. Focus on reading development grades PreK-8.

**Prerequisites:** none.**Course Rules:** Jointly offered with and counts as repeat of CURRINS 377. Credit/No Credit only.**Last Taught:** Spring 2021, Spring 2020, Fall 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 456 Seminar in Student Teaching**

1-3 cr. Undergraduate.

Discussion seminar designed to bring continuity to the professional semester. Material will relate directly to the concurrent practicum experience of the students.

**Prerequisites:** jr st & conc reg in student teaching.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 472 Student Teaching with Students Having Hearing Impairments**

1-12 cr. Undergraduate.

**Prerequisites:** sr st & cons dept; EXCEDUC 650(P).**Course Rules:** May be retaken to 15 cr max.**Last Taught:** Summer 2006, Fall 2005, Spring 2003, Spring 1999.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 473 Student Teaching with Students Having Cognitive Disabilities**

1-12 cr. Undergraduate.

**Prerequisites:** sr st & cons dept; EXCEDUC 640(P).**Course Rules:** May be retaken to 15 cr max.**Last Taught:** Fall 2005, Spring 2002, Fall 2000, Fall 1999.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 475 Student Teaching with Students Having Emotional Disturbance**

1-12 cr. Undergraduate.

**Prerequisites:** sr st & cons dept; EXCEDUC 620(P).**Course Rules:** May be retaken to 15 cr max.**Last Taught:** Fall 2005, Spring 2003, Spring 2002, Fall 2001.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 478 Student Teaching with Students Having Learning Disabilities**

1-12 cr. Undergraduate.

**Prerequisites:** sr st & cons dept; EXCEDUC 610(P).**Course Rules:** May be retaken to 15 cr max.**Last Taught:** Fall 2004, Spring 2002, Spring 2001, Fall 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 481 Student Teaching with Students Having Early Childhood Exceptional Ed Needs**

1-12 cr. Undergraduate.

**Prerequisites:** sr st & cons dept; EXCEDUC 630(P).**Course Rules:** May be retaken to 18 cr max.**Last Taught:** Spring 2023, Fall 2022, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 486 Linking Seminar: Developing Reflective Practice**

1-3 cr. Undergraduate.

Links formal course work and teaching experience. Focus on teaching in urban schools, accommodating diverse learners developing reflective practice and/or creating a professional development portfolio.

**Prerequisites:** admis to School of Educ.**Course Rules:** Cr/no cr only; May not be retaken for cr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 487 Linking Seminar II: Primary/Middle-Behavioral Support, Planning, Assessment**

1 cr. Undergraduate.

Links formal course work and teaching experience. Focus on becoming a reflective practitioner and development as a special education teacher.

**Prerequisites:** Cr/no cr only; prereq: jr st; admis Post-Bac Cert prog or cons instr.**Last Taught:** Summer 2011, Summer 2010, Spring 2010, Summer 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 488 Linking Seminar: Professional Development**

1 cr. Undergraduate/Graduate.

Links formal coursework and teaching experience. Focus on teacher as advocate and change agent and professional development.

**Prerequisites:** jr st; admis to School of Educ.**Course Rules:** Cr/no cr only;**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 488G Linking Seminar: Professional Development**

1 cr. Undergraduate/Graduate.

Links formal coursework and teaching experience. Focus on teacher as advocate and change agent and professional development.

**Prerequisites:** jr st; admis to School of Educ.**Course Rules:** Cr/no cr only;**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 489 Linking Seminar II: Middle/High-Behavioral Support, Planning & Assessment**

1 cr. Undergraduate.

Links formal coursework and teaching experience. Focus on organizing for instruction and emotional/behavioral support at the middle and high school level.

**Prerequisites:** EXCEDUC 635(C) & EXCEDUC 587(C); admis to ExcEduc prog; or cons instr.**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Fall 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 496 Linking Seminar III: Middle/High - Professional Development**

1 cr. Undergraduate.

Links formal course work and teaching experience. Focus on supporting students with behavioral challenges, planning for and managing day-to-day teaching responsibilities, transition planning.

**Prerequisites:** admis to School of Educ.**Course Rules:** Cr/no cr only;**Last Taught:** Spring 2020, Spring 2019, Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** jr st, cons instr, acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Summer 2022, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** jr st, cons instr, acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Summer 2022, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 500 Fingerspelling & Numbers**

3 cr. Undergraduate.

Introduction to fingerspelling and numbers in ASL.

**Prerequisites:** sophomore standing and a grade of C or better in EXCEDUC 302(P) or Level 2+ ASLPI score; or consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 503 Job Development and On the Job Support for Students with Disabilities**

3 cr. Undergraduate.

Overview of the career development process and a person-centered framework for job development and job support.

**Prerequisites:** EXCEDUC 679(P)**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 505 Transition Assessment for Individuals with Disabilities**

3 cr. Undergraduate.

Transition assessments related to training, education, employment, and living skills for students with disabilities.

**Prerequisites:** EXCEDUC 679(P) or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 507 Linking Academics and Self-Determination to Transition Planning**

3 cr. Undergraduate.

Youth development and the importance of preparing youth to take the lead in their education, career development, and community participation.

**Prerequisites:** EXCEDUC 679(P) or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 510 Classifiers**

3 cr. Undergraduate.

Study of the classifier system of ASL.

**Prerequisites:** sophomore standing; for ASL Studies program students:

a grade of C or better in EXCEDUC 305(P) or EXCEDUC 306(P);

for Interpreter Training Program students: EXCEDUC 304(P),

EXCEDUC 320(P) and EXCEDUC 321 (P); or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Summer 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 520 ASL Literature**

3 cr. Undergraduate.

Introduction to the analysis of ASL Literature.

**Prerequisites:** sophomore standing and a grade of C or better in

EXCEDUC 305(P); or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 531 Inclusion for Secondary Educators: Humanities, the Arts, Foreign Language**

3 cr. Undergraduate/Graduate.

Understanding the needs of secondary level students with handicaps, emphasizing methods of assessment and programming in mainstreamed settings.

**Prerequisites:** jr st & admis to School of Educ; or grad st.**Course Rules:** Counts as repeat of EXCEDUC 530 and EXCEDUC 605.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 531G Inclusion for Secondary Educators: Humanities, the Arts, Foreign Language**

3 cr. Undergraduate/Graduate.

Understanding the needs of secondary level students with handicaps, emphasizing methods of assessment and programming in mainstreamed settings.

**Prerequisites:** jr st & admis to School of Educ; or grad st.**Course Rules:** Counts as repeat of EXCEDUC 530 and EXCEDUC 605.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 532 Assessment and Monitoring**

3 cr. Undergraduate/Graduate.

Roles and responsibilities in district-wide and alternative assessment, developing monitoring systems, report writing, equitable and just assessment practices.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 532G Assessment and Monitoring**

3 cr. Undergraduate/Graduate.

Roles and responsibilities in district-wide and alternative assessment, developing monitoring systems, report writing, equitable and just assessment practices.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 533 Assessment/Monitoring : Deaf & Hard of Hearing**

1 cr. Undergraduate/Graduate.

Roles and Responsibilities in District-Wide and Alternative Assessment, Developing Monitoring Ssystems, Report Writing Promotive, Equitable and Just Assessment Practices.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr.**Last Taught:** Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 533G Assessment/Monitoring : Deaf & Hard of Hearing**

1 cr. Undergraduate/Graduate.

Roles and Responsibilities in District-Wide and Alternative Assessment, Developing Monitoring Ssystems, Report Writing Promotive, Equitable and Just Assessment Practices.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr.**Last Taught:** Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 536 Inclusion for Secondary Science and Math Educators**

1 cr. Undergraduate/Graduate.

History and legislation related to Special Education, characteristics of various disabilities, overview of universal design for learning (UDL), and accommodations and modifications of curriculum and instruction to meet the needs of all learners.

**Prerequisites:** jr st; admis to teacher cert prog.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 536G Inclusion for Secondary Science and Math Educators**

1 cr. Undergraduate/Graduate.

History and legislation related to Special Education, characteristics of various disabilities, overview of universal design for learning (UDL), and accommodations and modifications of curriculum and instruction to meet the needs of all learners.

**Prerequisites:** jr st; admis to teacher cert prog.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 537 Math and Science Methods for All Learners**

1 cr. Undergraduate/Graduate.

Lesson and unit planning that incorporates curriculum and instructional strategies designed to include students with identified disabilities, in collaboration with special educators.

**Prerequisites:** jr st; admis to teacher cert prog.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 537G Math and Science Methods for All Learners**

1 cr. Undergraduate/Graduate.

Lesson and unit planning that incorporates curriculum and instructional strategies designed to include students with identified disabilities, in collaboration with special educators.

**Prerequisites:** jr st; admis to teacher cert prog.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 538 Teaching Math and Science to All Learners**

1 cr. Undergraduate/Graduate.

Practicum working with students with disabilities in general education settings focused on the planning and delivery of lessons in inclusive classrooms, in collaboration with special educators.

**Prerequisites:** jr st; admis to teacher cert prog.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 538G Teaching Math and Science to All Learners**

1 cr. Undergraduate/Graduate.

Practicum working with students with disabilities in general education settings focused on the planning and delivery of lessons in inclusive classrooms, in collaboration with special educators.

**Prerequisites:** jr st; admis to teacher cert prog.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 547 Comparative Special Education**

3 cr. Undergraduate/Graduate.

Special education legislation, instruction, and policies in a variety of social and cultural contexts.

**Prerequisites:** jr st., completion of OWC-Part A

**General Education Requirements:** OWCB

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 547G Comparative Special Education**

3 cr. Undergraduate/Graduate.

Special education legislation, instruction, and policies in a variety of social and cultural contexts.

**Prerequisites:** jr st., completion of OWC-Part A

**General Education Requirements:** OWCB

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 548 Introduction to Disability Studies**

3 cr. Undergraduate/Graduate.

Focuses on understanding disability from a variety of perspectives: historical, political, social, cultural, literary, personal, and artistic. Disability is viewed in a manner closer to ethnic, gender, and sexuality studies.

**Prerequisites:** jr st, OWC Part A; or grad st.

**General Education Requirements:** OWCB

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 548G Introduction to Disability Studies**

3 cr. Undergraduate/Graduate.

Focuses on understanding disability from a variety of perspectives: historical, political, social, cultural, literary, personal, and artistic. Disability is viewed in a manner closer to ethnic, gender, and sexuality studies.

**Prerequisites:** jr st, OWC Part A; or grad st.

**General Education Requirements:** OWCB

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 558 Communication in the Classroom I: Deaf/Hard of Hearing**

3 cr. Undergraduate/Graduate.

Developing proficiency and instructional skills in using manual communication for individuals who are deaf or hard of hearing in the educational context.

**Prerequisites:** must pass competency test in basic aspects of manual communication prior to registration; jr st; admis to Post-Bac Cert prog or cons instr.

**Last Taught:** Summer 2009, Summer 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 558G Communication in the Classroom I: Deaf/Hard of Hearing**

3 cr. Undergraduate/Graduate.

Developing proficiency and instructional skills in using manual communication for individuals who are deaf or hard of hearing in the educational context.

**Prerequisites:** must pass competency test in basic aspects of manual communication prior to registration; jr st; admis to Post-Bac Cert prog or cons instr.

**Last Taught:** Summer 2009, Summer 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 559 Communication in the Classroom II: Deaf/Hard of Hearing**

3 cr. Undergraduate/Graduate.

Linguistic analysis and curriculum planning for facilitating the development of communication in students who are deaf or hard of hearing.

**Prerequisites:** EXCEDUC 680(P) & EXCEDUC 681(P). Admis to Post-Bac Cert prog or cons instr.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 559G Communication in the Classroom II: Deaf/Hard of Hearing**

3 cr. Undergraduate/Graduate.

Linguistic analysis and curriculum planning for facilitating the development of communication in students who are deaf or hard of hearing.

**Prerequisites:** EXCEDUC 680(P) & EXCEDUC 681(P). Admis to Post-Bac Cert prog or cons instr.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 560 Foundations of Autism Spectrum Disorders**

3 cr. Undergraduate/Graduate.

Examination of characteristics of individuals with autism spectrum disorders. Focus on causes, prevalence, assessment, diagnosis, and impact on personal lives.

**Prerequisites:** jr st or cons instr; grade of C or better in ENGLISH 102(P) or score at level 4 on EPT.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 560G Foundations of Autism Spectrum Disorders**

3 cr. Undergraduate/Graduate.

Examination of characteristics of individuals with autism spectrum disorders. Focus on causes, prevalence, assessment, diagnosis, and impact on personal lives.

**Prerequisites:** jr st or cons instr; grade of C or better in ENGLISH 102(P) or score at level 4 on EPT.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 561 Methods for Working with Individuals with Autism Spectrum Disorders**

3 cr. Undergraduate.

Strategies for special education teachers and others for effectively working with individuals with autism spectrum disorders. Overview of instructional issues, inclusion, and curriculum development.

**Prerequisites:** a grade of C or better in EXCEDUC 560(P) or consent of instructor.

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 562 Hearing Science**

3 cr. Undergraduate/Graduate.

Overview of physical and psycho-physical concepts of hearing science, speech mechanism, audiological evaluation and implications for the educational context.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr.

**Last Taught:** Summer 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 562G Hearing Science**

3 cr. Undergraduate/Graduate.

Overview of physical and psycho-physical concepts of hearing science, speech mechanism, audiological evaluation and implications for the educational context.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr.

**Last Taught:** Summer 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 563 Speechreading/Auditory Rehabilitation**

3 cr. Undergraduate/Graduate.

Techniques for teaching speech, speechreading, listening, and auditory training for children who are deaf or hard of hearing.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr; EXCEDUC 562(P); jr st.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 563G Speechreading/Auditory Rehabilitation**

3 cr. Undergraduate/Graduate.

Techniques for teaching speech, speechreading, listening, and auditory training for children who are deaf or hard of hearing.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr; EXCEDUC 562(P); jr st.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 564 Communication Methods Practicum**

3 cr. Undergraduate/Graduate.

Field experience with individuals with hearing impairments in schools.

Emphasis on spoken and sign language development. Includes scheduled class and demonstrations.

**Prerequisites:** jr st; admis to School of Educ or grad st; EXCEDUC 541, EXCEDUC 562 & EXCEDUC 563, or cons instr.

**Last Taught:** Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 564G Communication Methods Practicum**

3 cr. Undergraduate/Graduate.

Field experience with individuals with hearing impairments in schools.

Emphasis on spoken and sign language development. Includes scheduled class and demonstrations.

**Prerequisites:** jr st; admis to School of Educ or grad st; EXCEDUC 541, EXCEDUC 562 & EXCEDUC 563, or cons instr.

**Last Taught:** Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 565 Techniques of Teaching School Subjects to Individuals w/ Hearing Impairments II**

3 cr. Undergraduate/Graduate.

Methods of teaching social studies, science, and mathematics as related to the language needs of students with hearing impairments and academic deficiencies.

**Prerequisites:** jr st & admis to School of Educ, or grad st; EXCEDUC 560 & EXCEDUC 561 or cons instr.

**Last Taught:** Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 565G Techniques of Teaching School Subjects to Individuals w/Hearing Impairments II**

3 cr. Undergraduate/Graduate.

Methods of teaching social studies, science, and mathematics as related to the language needs of students with hearing impairments and academic deficiencies.

**Prerequisites:** jr st & admis to School of Educ, or grad st; EXCEDUC 560 & EXCEDUC 561 or cons instr.

**Last Taught:** Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 568 Curriculum and Methods for Special Education: Birth to Three**

3 cr. Undergraduate/Graduate.

Designed for teachers serving infants and toddlers with disabilities and their families.

**Prerequisites:** junior standing, admission to Exceptional Education program, and EXCEDUC 647(C).

**Course Rules:** Counts as a repeat of TCH LRN 568 or CURRINS 301.

**Last Taught:** Summer 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 568G Curriculum and Methods for Special Education: Birth to Three**

3 cr. Undergraduate/Graduate.

Designed for teachers serving infants and toddlers with disabilities and their families.

**Prerequisites:** junior standing, admission to Exceptional Education program, and EXCEDUC 647(C).**Course Rules:** Counts as a repeat of TCH LRN 568 or CURRINS 301.**Last Taught:** Summer 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 569 Curriculum and Methods for Special Education: Preschool**

3 cr. Undergraduate/Graduate.

Designed for teachers serving preschool children with disabilities and their families.

**Prerequisites:** junior standing, admission an Exceptional Education program, and EXCEDUC 648(C).**Course Rules:** Counts as a repeat of TCH LRN 569.**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 569G Curriculum and Methods for Special Education: Preschool**

3 cr. Undergraduate/Graduate.

Designed for teachers serving preschool children with disabilities and their families.

**Prerequisites:** junior standing, admission an Exceptional Education program, and EXCEDUC 648(C).**Course Rules:** Counts as a repeat of TCH LRN 569.**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 570 Curriculum and Methods for Special Education: Primary**

3 cr. Undergraduate/Graduate.

Designed for teachers serving primary children with disabilities and their families.

**Prerequisites:** junior standing; admission to an Exceptional Education program, and EXCEDUC 649(C).**Course Rules:** Counts as a repeat of TCH LRN 570.**Last Taught:** Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 570G Curriculum and Methods for Special Education: Primary**

3 cr. Undergraduate/Graduate.

Designed for teachers serving primary children with disabilities and their families.

**Prerequisites:** junior standing; admission to an Exceptional Education program, and EXCEDUC 649(C).**Course Rules:** Counts as a repeat of TCH LRN 570.**Last Taught:** Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 571 Curriculum Accommodations I: Primary/Middle**

1-3 cr. Undergraduate/Graduate.

Determine individualized goals within a broad curriculum framework and develop strategies for making accommodations in teaching methods, materials and class set-up.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr; jr st; EXCEDUC 587(C).**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Fall 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 571G Curriculum Accommodations I: Primary/Middle**

1-3 cr. Undergraduate/Graduate.

Determine individualized goals within a broad curriculum framework and develop strategies for making accommodations in teaching methods, materials and class set-up.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr; jr st; EXCEDUC 587(C).**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Fall 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 574 Curriculum Accommodations II: Primary/Middle**

3 cr. Undergraduate/Graduate.

In-depth experience in IEP planning and scheduling to accommodate students with highly individualized needs within the academic curriculum.

**Prerequisites:** EXCEDUC 571(P), 588(C). Admis to post-bac cert prog or cons instr.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 574G Curriculum Accommodations II: Primary/Middle**

3 cr. Undergraduate/Graduate.

In-depth experience in IEP planning and scheduling to accommodate students with highly individualized needs within the academic curriculum.

**Prerequisites:** EXCEDUC 571(P), 588(C). Admis to post-bac cert prog or cons instr.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 575 Field Experience in Autism Spectrum Disorders**

3 cr. Undergraduate.

Experience in supporting students with autism in an urban classroom setting. Online discussion and assignments focus on analyzing observations for evidence-based methods and strategies that support autism neurology.

**Prerequisites:** EXCEDUC 560(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 576 Curriculum Accommodations III: Functional for Middle to High Students**

3 cr. Undergraduate/Graduate.

Planning and scheduling for students with highly individualized goals, including school-to-work, while striving to integrate these goals into a well-coordinated program.

**Prerequisites:** admis to Post-Bac cert prog or cons instr.**Last Taught:** Fall 2005, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 576G Curriculum Accommodations III: Functional for Middle to High Students**

3 cr. Undergraduate/Graduate.

Planning and scheduling for students with highly individualized goals, including school-to-work, while striving to integrate these goals into a well-coordinated program.

**Prerequisites:** admis to Post-Bac cert prog or cons instr.**Last Taught:** Fall 2005, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 579 Current Topics in Exceptional Education:**

1-3 cr. Undergraduate/Graduate.

Specific topic announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Summer 2015, Summer 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 579G Current Topics in Exceptional Education:**

1-3 cr. Undergraduate/Graduate.

Specific topic announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Summer 2015, Summer 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 580 An Overview of Child/Youth Care**

3 cr. Undergraduate/Graduate.

Survey of skills, theories and approaches of the youth work field.

Emphasis on interactive, developmental and relationship-building approaches in a variety of settings.

**Prerequisites:** jr st or cons instr.

**Course Rules:** ED POL 580/EXCEDUC 580/SOC WRK 580 are jointly offered & count as repeats of each other.

**Last Taught:** Fall 2014, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 580G An Overview of Child/Youth Care**

3 cr. Undergraduate/Graduate.

Survey of skills, theories and approaches of the youth work field.

Emphasis on interactive, developmental and relationship-building approaches in a variety of settings.

**Prerequisites:** jr st or cons instr.

**Course Rules:** ED POL 580/EXCEDUC 580/SOC WRK 580 are jointly offered & count as repeats of each other.

**Last Taught:** Fall 2014, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 585 Supervised Practicum in Child and Youth Care**

2-4 cr. Undergraduate/Graduate.

Supervised practicum in residential agencies and settings which utilize child and youth care workers and serve behaviorally, cognitively and/or physically disabled youth.

**Prerequisites:** jr st; ED POL 580/EXCEDUC 580/SOC WRK 580(P), or grad st; cons instr.

**Course Rules:** ED POL 585/EXCEDUC 585 are jointly offered & count as repeats of each other.

**Last Taught:** Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 586 Teaching Experience I**

1-12 cr. Undergraduate/Graduate.

Placement with a regular education teacher. Focus on understanding regular curriculum framework and experience teaching small groups.

**Prerequisites:** jr st; admis to Post-Bac Cert prog.

**Course Rules:** Cr/no cr only; may be retaken to 15 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 586G Teaching Experience I**

1-12 cr. Undergraduate/Graduate.

Placement with a regular education teacher. Focus on understanding regular curriculum framework and experience teaching small groups.

**Prerequisites:** jr st; admis to Post-Bac Cert prog.

**Course Rules:** Cr/no cr only; may be retaken to 15 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 587 Teaching Experience II**

1-12 cr. Undergraduate/Graduate.

Placement with exceptional education teacher. Focus on small group instruction, understanding teaching responsibilities and collaboration. On-the-job option available through application.

**Prerequisites:** jr st; admis to cert prog in ExcEduc; or cons instr.

**Course Rules:** May be retaken to 15 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 587G Teaching Experience II**

1-12 cr. Undergraduate/Graduate.

Placement with exceptional education teacher. Focus on small group instruction, understanding teaching responsibilities and collaboration. On-the-job option available through application.

**Prerequisites:** jr st; admis to cert prog in ExcEduc; or cons instr.

**Course Rules:** May be retaken to 15 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 588 Teaching Experience III**

1-12 cr. Undergraduate/Graduate.

Placement with exceptional education teacher. Full teaching responsibility is assumed. On-the-job option available through special application.

**Prerequisites:** jr st; admis to cert prog in ExcEduc; or cons instr.

**Course Rules:** May be retaken to 15 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 588G Teaching Experience III**

1-12 cr. Undergraduate/Graduate.

Placement with exceptional education teacher. Full teaching responsibility is assumed. On-the-job option available through special application.

**Prerequisites:** jr st; admis to cert prog in ExcEduc; or cons instr.

**Course Rules:** May be retaken to 15 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 589 Workshop in Exceptional Education:**

1-6 cr. Undergraduate/Graduate.

Variable content format examines assessment and/or methodological strategies appropriate for educators working with broad range of handicapped children and adolescents.

**Prerequisites:** jr st; cons instr or workshop dir.

**Course Rules:** May be retaken w/chg in topic to max of 6 cr.

**Last Taught:** Summer 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 589G Workshop in Exceptional Education:**

1-6 cr. Undergraduate/Graduate.

Variable content format examines assessment and/or methodological strategies appropriate for educators working with broad range of handicapped children and adolescents.

**Prerequisites:** jr st; cons instr or workshop dir.

**Course Rules:** May be retaken w/chg in topic to max of 6 cr.

**Last Taught:** Summer 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 595 Technology Applications for Diverse Learners**

3 cr. Undergraduate/Graduate.

Explores the use of technology to enhance the academic performance of diverse students in inclusive classrooms.

**Prerequisites:** jr st.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 595G Technology Applications for Diverse Learners**

3 cr. Undergraduate/Graduate.

Explores the use of technology to enhance the academic performance of diverse students in inclusive classrooms.

**Prerequisites:** jr st.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 600 Survey of Exceptional Education**

3 cr. Undergraduate/Graduate.

History, theories, research, and practices related to individuals with learning, sensory, behavioral or physical handicapping conditions.

**Prerequisites:** sr st & admis to School of Educ; or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 600G Survey of Exceptional Education**

3 cr. Undergraduate/Graduate.

History, theories, research, and practices related to individuals with learning, sensory, behavioral or physical handicapping conditions.

**Prerequisites:** sr st & admis to School of Educ; or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 601 Behavioral Supports**

3 cr. Undergraduate/Graduate.

Addresses needs of students with challenging behaviors. Emphasis on working collaboratively to conduct functional behavioral analysis.

**Prerequisites:** admis to Post Bac Cert prog or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 601G Behavioral Supports**

3 cr. Undergraduate/Graduate.

Addresses needs of students with challenging behaviors. Emphasis on working collaboratively to conduct functional behavioral analysis.

**Prerequisites:** admis to Post Bac Cert prog or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 602 Resources and Instruction in American Sign Language**

3 cr. Undergraduate/Graduate.

Course focuses on assessment and methodology components in teaching ASL as a foreign language.

**Prerequisites:** jr st.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 602G Resources and Instruction in American Sign Language**

3 cr. Undergraduate/Graduate.

Course focuses on assessment and methodology components in teaching ASL as a foreign language.

**Prerequisites:** jr st.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 605 Child, Learner, Disabilities**

3 cr. Undergraduate/Graduate.

Perspectives on disability; learning characteristics associated with disabilities; historical, legal and philosophical foundations; child mentoring and advocacy linked with a family-based practicum.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr.

**Course Rules:** Counts as repeat of EXCEDUC 530 and EXCEDUC 531.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 605G Child, Learner, Disabilities**

3 cr. Undergraduate/Graduate.

Perspectives on disability; learning characteristics associated with disabilities; historical, legal and philosophical foundations; child mentoring and advocacy linked with a family-based practicum.

**Prerequisites:** admis to Post-Bac Cert prog or cons instr.

**Course Rules:** Counts as repeat of EXCEDUC 530 and EXCEDUC 531.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 607 Working with Culturally Diverse Deaf Students**

3 cr. Undergraduate/Graduate.

Discusses the educational and culturally diverse backgrounds of deaf students in the schools.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of EXCEDUC 579 with similar topic.

**Last Taught:** Summer 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 607G Working with Culturally Diverse Deaf Students**

3 cr. Undergraduate/Graduate.

Discusses the educational and culturally diverse backgrounds of deaf students in the schools.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of EXCEDUC 579 with similar topic.

**Last Taught:** Summer 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 608 Multicultural Learning and Teaching in Special Education**

3 cr. Undergraduate/Graduate.

Covers theoretical and practical applications of multicultural issues to learning and teaching in special education.

**Prerequisites:** jr st.

**Last Taught:** Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 608G Multicultural Learning and Teaching in Special Education**

3 cr. Undergraduate/Graduate.

Covers theoretical and practical applications of multicultural issues to learning and teaching in special education.

**Prerequisites:** jr st.

**Last Taught:** Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 612 Collaborations for Teachers with Families, Schools, and Communities**

3 cr. Undergraduate/Graduate.

Theory/strategies for developing effective family-school relationships, with a focus on urban issues, inclusive classrooms, teacher-family communications, family education and support, and community resources for teachers.

**Prerequisites:** jr st; admis to SOE; or cons instr.

**Course Rules:** Counts as repeat of CURRINS 505 and EXCEDUC 651.

Jointly offered with and counts as repeat of CURRINS 612.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 612G Collaborations for Teachers with Families, Schools, and Communities**

3 cr. Undergraduate/Graduate.

Theory/strategies for developing effective family-school relationships, with a focus on urban issues, inclusive classrooms, teacher-family communications, family education and support, and community resources for teachers.

**Prerequisites:** jr st; admis to SOE; or cons instr.

**Course Rules:** Counts as repeat of CURRINS 505 and EXCEDUC 651.

Jointly offered with and counts as repeat of CURRINS 612.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 613 Infant and Early Childhood Assessment**

3 cr. Undergraduate/Graduate.

Theoretical and applied aspects of early childhood assessment. Experience administering specific individual and group (screening) tests. Assessment of language, cognition, motor, adaptive behavior, developmental delay.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of ED PSY 575. Jointly offered with and counts as repeat of ED PSY 613.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 613G Infant and Early Childhood Assessment**

3 cr. Undergraduate/Graduate.

Theoretical and applied aspects of early childhood assessment. Experience administering specific individual and group (screening) tests. Assessment of language, cognition, motor, adaptive behavior, developmental delay.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of ED PSY 575. Jointly offered with and counts as repeat of ED PSY 613.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 630 Survey of EC Intervention: Young Children with Special Needs, Families**

3 cr. Undergraduate/Graduate.

Introduction to etiology, historic background, current service provisions, and issues and trends as related to infants, toddlers, and preschoolers with disabilities and their families.

**Prerequisites:** junior standing and admission to the School of Education; or graduate standing.

**Course Rules:** Counts as a repeat of TCH LRN 430.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 630G Survey of EC Intervention: Young Children with Special Needs, Families**

3 cr. Undergraduate/Graduate.

Introduction to etiology, historic background, current service provisions, and issues and trends as related to infants, toddlers, and preschoolers with disabilities and their families.

**Prerequisites:** junior standing and admission to the School of Education; or graduate standing.

**Course Rules:** Counts as a repeat of TCH LRN 430.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 631 Methods for Teaching Commun Skills to Students with Severe Disabilities**

3 cr. Undergraduate/Graduate.

Study of assessment, instructional, and augmentative techniques for teaching and providing communication (vocal and non-vocal) to students with severe disabilities.

**Prerequisites:** sr st; EXCEDUC 665(410)(P), COMSDIS 240(P), or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 631G Methods for Teaching Commun Skills to Students with Severe Disabilities**

3 cr. Undergraduate/Graduate.

Study of assessment, instructional, and augmentative techniques for teaching and providing communication (vocal and non-vocal) to students with severe disabilities.

**Prerequisites:** sr st; EXCEDUC 665(410)(P), COMSDIS 240(P), or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 633 Interdisciplinary Team Field Experience in Urban Settings**

2 cr. Undergraduate/Graduate.

Field experience is designed to develop student's skills as members of interdisciplinary teams in urban community settings.

**Prerequisites:** jr st; EXCEDUC 634(C).

**Last Taught:** Summer 2006, Summer 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 633G Interdisciplinary Team Field Experience in Urban Settings**

2 cr. Undergraduate/Graduate.

Field experience is designed to develop student's skills as members of interdisciplinary teams in urban community settings.

**Prerequisites:** jr st; EXCEDUC 634(C).

**Last Taught:** Summer 2006, Summer 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 634 Collaborative Consultation/Teaming-Serving Young Children with Disabilities**

3 cr. Undergraduate/Graduate.

Focus on development of collaboration and consultation skills for professionals employed in interdisciplinary and interagency settings.

**Prerequisites:** jr st.

**Course Rules:** EXCEDUC 634, OCCTHPY 634, & COMSDIS 634 are jointly offered; they count as repeats of one another.

**Last Taught:** Summer 2007, Summer 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 634G Collaborative Consultation/Teaming-Serving Young Children with Disabilities**

3 cr. Undergraduate/Graduate.

Focus on development of collaboration and consultation skills for professionals employed in interdisciplinary and interagency settings.

**Prerequisites:** jr st.

**Course Rules:** EXCEDUC 634, OCCTHPY 634, & COMSDIS 634 are jointly offered; they count as repeats of one another.

**Last Taught:** Summer 2007, Summer 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 635 Individualized Planning & Instructional Methods**

2-3 cr. Undergraduate/Graduate.

Methods and strategies for teaching and evaluating adolescents with disabilities. Special emphasis given to individual educational programs, lesson planning and scheduling.

**Prerequisites:** jr st; admis to Post-Bac cert prog or cons instr; EXCEDUC 487(C) & EXCEDUC 587(C) or cons instr.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 635G Individualized Planning & Instructional Methods**

2-3 cr. Undergraduate/Graduate.

Methods and strategies for teaching and evaluating adolescents with disabilities. Special emphasis given to individual educational programs, lesson planning and scheduling.

**Prerequisites:** jr st; admis to Post-Bac cert prog or cons instr; EXCEDUC 487(C) & EXCEDUC 587(C) or cons instr.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 636 Curriculum Accommodations**

2-3 cr. Undergraduate/Graduate.

Methods and strategies for teaching and evaluating adolescents with learning disabilities, emotional disturbance and cognitive disabilities. Special emphasis given to developing individual adaptations and modifications.

**Prerequisites:** jr st; admis to Post-Bac Cert prog or cons instr; EXCEDUC 635(P); EXCEDUC 488(C) & EXCEDUC 588(C) or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 636G Curriculum Accommodations**

2-3 cr. Undergraduate/Graduate.

Methods and strategies for teaching and evaluating adolescents with learning disabilities, emotional disturbance and cognitive disabilities. Special emphasis given to developing individual adaptations and modifications.

**Prerequisites:** jr st; admis to Post-Bac Cert prog or cons instr; EXCEDUC 635(P); EXCEDUC 488(C) & EXCEDUC 588(C) or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 644 Enhancing Literacy Learning for Diverse Learners:**

3 cr. Undergraduate/Graduate.

Teaching reading and writing to diverse learners.

**Prerequisites:** currently teaching with at least 2 yrs experience; cons instr.

**Course Rules:** Jointly offered with & subtitles count as repeat of same title of CURRINS 644. CURRINS 644 & EXCEDUC 644 may be retaken with change of topic to combined 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 644G Enhancing Literacy Learning for Diverse Learners:**

3 cr. Undergraduate/Graduate.

Teaching reading and writing to diverse learners.

**Prerequisites:** currently teaching with at least 2 yrs experience; cons instr.

**Course Rules:** Jointly offered with & subtitles count as repeat of same title of CURRINS 644. CURRINS 644 & EXCEDUC 644 may be retaken with change of topic to combined 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 647 Early Childhood Special Education Field Experience: 0 to 3 Yrs**

3 cr. Undergraduate/Graduate.

Provides urban experiences in early intervention programs to develop teaching skills in birth to three programs.

**Prerequisites:** jr st; admis to ExcEduc prog.

**Course Rules:** May be retaken to 9 cr max.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 647G Early Childhood Special Education Field Experience: 0 to 3 Yrs**

3 cr. Undergraduate/Graduate.

Provides urban experiences in early intervention programs to develop teaching skills in birth to three programs.

**Prerequisites:** jr st; admis to ExcEduc prog.

**Course Rules:** May be retaken to 9 cr max.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 648 Early Childhood Special Education Field Experience: Preschool**

3 cr. Undergraduate/Graduate.

Practicum provides urban teaching experiences in preschool programs to develop skills for working with 3-to-5 year olds with special needs and their families.

**Prerequisites:** junior standing and admission to an Exceptional Education program.

**Course Rules:** May be retaken to 9 cr max. Counts as a repeat of TCH LRN 309 or CURRINS 340.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 648G Early Childhood Special Education Field Experience: Preschool**

3 cr. Undergraduate/Graduate.

Practicum provides urban teaching experiences in preschool programs to develop skills for working with 3-to-5 year olds with special needs and their families.

**Prerequisites:** junior standing and admission to an Exceptional Education program.

**Course Rules:** May be retaken to 9 cr max. Counts as a repeat of TCH LRN 309 or CURRINS 340.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 649 Early Childhood Special Education Field Experience: Primary**

3 cr. Undergraduate/Graduate.

Practicum provides urban teaching experiences in primary school-age programs to develop skills for working with 1st to 3rd graders with special needs and their families.

**Prerequisites:** junior standing and admission to Exceptional Education program.

**Course Rules:** May be retaken to 9 cr max. Counts as a repeat of TCH LRN 409 or CURRINS 440.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 649G Early Childhood Special Education Field Experience: Primary**

3 cr. Undergraduate/Graduate.

Practicum provides urban teaching experiences in primary school-age programs to develop skills for working with 1st to 3rd graders with special needs and their families.

**Prerequisites:** junior standing and admission to Exceptional Education program.

**Course Rules:** May be retaken to 9 cr max. Counts as a repeat of TCH LRN 409 or CURRINS 440.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 651 Working With Families in Urban Communities**

3 cr. Undergraduate/Graduate.

Familial and ecological factors affecting individuals with disabilities and their caregivers including in-depth experiences with a family who has a young child with special needs.

**Prerequisites:** jr st.

**Last Taught:** Spring 2015, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 651G Working With Families in Urban Communities**

3 cr. Undergraduate/Graduate.

Familial and ecological factors affecting individuals with disabilities and their caregivers including in-depth experiences with a family who has a young child with special needs.

**Prerequisites:** jr st.

**Last Taught:** Spring 2015, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 652 Developmental Evaluation of Young Children with Disabilities**

3 cr. Undergraduate/Graduate.

The major functions of assessment used by Early Childhood Special Educators.

**Prerequisites:** junior standing.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 652G Developmental Evaluation of Young Children with Disabilities**

3 cr. Undergraduate/Graduate.

The major functions of assessment used by Early Childhood Special Educators.

**Prerequisites:** junior standing.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 655 Introduction to Education of Individuals Who are Deaf and Hard of Hearing**

3 cr. Undergraduate/Graduate.

Overview of educational programs and policies for pre K-12 students who are deaf and hard of hearing.

**Prerequisites:** jr st.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 655G Introduction to Education of Individuals Who are Deaf and Hard of Hearing**

3 cr. Undergraduate/Graduate.

Overview of educational programs and policies for pre K-12 students who are deaf and hard of hearing.

**Prerequisites:** jr st.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 662 Collaborative Strategies**

3 cr. Undergraduate/Graduate.

Provides the teacher with techniques that will assist in establishing relationships with other professionals, parents, and community agencies.

**Prerequisites:** jr st; EXCEDUC 300(P), EXCEDUC 600(P), or EXCEDUC 605(P); admis to Post-Bac Cert prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 662G Collaborative Strategies**

3 cr. Undergraduate/Graduate.

Provides the teacher with techniques that will assist in establishing relationships with other professionals, parents, and community agencies.

**Prerequisites:** jr st; EXCEDUC 300(P), EXCEDUC 600(P), or EXCEDUC 605(P); admis to Post-Bac Cert prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 665 Language and Literacy for the Exceptional Student**

3 cr. Undergraduate/Graduate.

An overview of the theoretical underpinnings for language and literacy practices, assessments, and methods of facilitating growth in students with exceptional education needs.

**Prerequisites:** EXCEDUC 300 or equiv; COMSDIS 240; jr st & admis to School of Educ or grad st.

**Last Taught:** Summer 2004, Summer 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 665G Language and Literacy for the Exceptional Student**

3 cr. Undergraduate/Graduate.

An overview of the theoretical underpinnings for language and literacy practices, assessments, and methods of facilitating growth in students with exceptional education needs.

**Prerequisites:** EXCEDUC 300 or equiv; COMSDIS 240; jr st & admis to School of Educ or grad st.

**Last Taught:** Summer 2004, Summer 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 671 Behavior Support & Intervention for Mid/High Students with Disabilities**

3 cr. Undergraduate/Graduate.

Techniques in arranging academic and social environments for adolescents having learning and social problems.

**Prerequisites:** admis to Middle/High prog; cons instr.

**Last Taught:** Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 671G Behavior Support & Intervention for Mid/High Students with Disabilities**

3 cr. Undergraduate/Graduate.

Techniques in arranging academic and social environments for adolescents having learning and social problems.

**Prerequisites:** admis to Middle/High prog; cons instr.

**Last Taught:** Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 676 Learning Strategies II: Cognitiv/Metacognitiv Intervntns-Mild Hndicppd Stdnts**

3 cr. Undergraduate/Graduate.

Indepth analysis of strategy instruction for use with adolescents with mild handicaps.

**Prerequisites:** jr st; EXCEDUC 675; cons instr; teacher certification.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 676G Learning Strategies II: Cognitiv/Metacognitiv Intervntns-Mild Hndicppd Stdnts**

3 cr. Undergraduate/Graduate.

Indepth analysis of strategy instruction for use with adolescents with mild handicaps.

**Prerequisites:** jr st; EXCEDUC 675; cons instr; teacher certification.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 679 Critical Issues in Transition Planning for Students with Disabilities**

3 cr. Undergraduate/Graduate.

Understanding transition planning and tools to effectively assist students with disabilities in the transition process.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of EXCEDUC 589 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 679G Critical Issues in Transition Planning for Students with Disabilities**

3 cr. Undergraduate/Graduate.

Understanding transition planning and tools to effectively assist students with disabilities in the transition process.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of EXCEDUC 589 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 680 Literacy I**

3 cr. Undergraduate/Graduate.

Observing and assessing reading and writing; implementing basic strategies toward supporting reading and writing development; becoming a motivated reader/writer.

**Prerequisites:** admis to the Post-Bac Cert prog or cons instr.

**Last Taught:** Summer 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 680G Literacy I**

3 cr. Undergraduate/Graduate.

Observing and assessing reading and writing; implementing basic strategies toward supporting reading and writing development; becoming a motivated reader/writer.

**Prerequisites:** admis to the Post-Bac Cert prog or cons instr.

**Last Taught:** Summer 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 681 Literacy II**

3 cr. Undergraduate/Graduate.

Organizing and implementing literacy instruction. Addressing the individual strengths and needs in communication of students with disabilities.

**Prerequisites:** EXCEDUC 680(P); admis to the Post-Bac Cert prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 681G Literacy II**

3 cr. Undergraduate/Graduate.

Organizing and implementing literacy instruction. Addressing the individual strengths and needs in communication of students with disabilities.

**Prerequisites:** EXCEDUC 680(P); admis to the Post-Bac Cert prog or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 682 Language and Literacy in Early Childhood Special Education**

3 cr. Undergraduate/Graduate.

Methods in language and literacy instruction for children with special needs including study of first and second language development in children birth through age eight.

**Prerequisites:** jr st; admis to Post-Bac cert prog, or cons instr.

**Last Taught:** Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 682G Language and Literacy in Early Childhood Special Education**

3 cr. Undergraduate/Graduate.

Methods in language and literacy instruction for children with special needs including study of first and second language development in children birth through age eight.

**Prerequisites:** jr st; admis to Post-Bac cert prog, or cons instr.**Last Taught:** Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 684 Multisensory Structured Language Teaching**

3 cr. Undergraduate/Graduate.

Advanced study of dyslexia and how to implement remedial approaches to literacy. Includes a required practicum experience.

**Prerequisites:** Post-bac status or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 684G Multisensory Structured Language Teaching**

3 cr. Undergraduate/Graduate.

Advanced study of dyslexia and how to implement remedial approaches to literacy. Includes a required practicum experience.

**Prerequisites:** Post-bac status or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 685 Advanced Methods in Learning Disabilities**

3 cr. Undergraduate/Graduate.

Examination of recommended instructional practices in the areas of literacy, mathematics, organization and study skills, social interactions and self-advocacy.

**Prerequisites:** grad st or admis to Post-Bac Cert prog or cons instr.**Course Rules:** Counts as repeat of EXCEDUC 589 with same topic.**Last Taught:** Spring 2011, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 685G Advanced Methods in Learning Disabilities**

3 cr. Undergraduate/Graduate.

Examination of recommended instructional practices in the areas of literacy, mathematics, organization and study skills, social interactions and self-advocacy.

**Prerequisites:** grad st or admis to Post-Bac Cert prog or cons instr.**Course Rules:** Counts as repeat of EXCEDUC 589 with same topic.**Last Taught:** Spring 2011, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 699 Independent Reading**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** jr st & admis to School of Educ or grad st; cons instr.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 699G Independent Reading**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** jr st & admis to School of Educ or grad st; cons instr.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 703 Job Development and On the Job Support for Individuals with Disabilities**

3 cr. Graduate.

Overview of the career development process and a person-centered framework for job development and job support.

**Prerequisites:** grad st; EXCEDUC 679(P) or cons instr.**Last Taught:** Spring 2022, Fall 2019, Spring 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 705 Transition Assessment for Individuals with Disabilities**

3 cr. Graduate.

Transition assessments related to training, education, employment, and living skills for students with disabilities.

**Prerequisites:** grad st; EXCEDUC 679(P); or cons instr.**Last Taught:** Fall 2022, Fall 2021, Fall 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 707 Linking Academics and Self-Determination to Transition Planning**

3 cr. Graduate.

Youth development and the importance of preparing youth to take the lead in their education, career development, and community participation.

**Prerequisites:** grad st; EXCEDUC 679(P); or cons instr.**Last Taught:** Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 708 Student, Family & Community Involvement in the Transition Planning Process**

3 cr. Graduate.

This course is designed to explore trends & strategies relative to the development of self determination skills, person-centered planning & educators as consultants in transition planning.

**Prerequisites:** grad st; EXCEDUC 679(P); cons instr.**Last Taught:** Fall 2001.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 715 Issues and Trends in Exceptional Education**

3 cr. Graduate.

Designed for students with entry level experience in exceptional education, the course reviews the exceptional education populations, methodology and current issues and trends.

**Prerequisites:** grad st; EXCEDUC 300 or equiv or cons dept.**Last Taught:** Summer 2023, Fall 2021, Fall 2020, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 716 Ethics in Applied Behavior Analysis**

3 cr. Graduate.

Ethical and professional practice of applied behavior analysis.

**Prerequisites:** graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 718 Behavioral Assessment**

3 cr. Graduate.

Assessments in applied behavior analysis for both clinical and educational settings.

**Prerequisites:** graduate standing; PSYCH 702(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 720 Behavior Change**

4 cr. Graduate.

Specific behavior-change procedures including how to select and implement evidence-based practices.

**Prerequisites:** graduate standing; PSYCH 714(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 724 Personnel and Supervision in Applied Behavior Analysis**

2 cr. Graduate.

Effective supervisory strategies including evaluation, feedback, and training tactics for behavior analysts.

**Prerequisites:** graduate standing; PSYCH 714(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 726 Racial Equity in Behavior Analysis**

1 cr. Graduate.

Critical race and disability studies lens applied to the field of behavior analysis.

**Prerequisites:** graduate standing.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 730 Assistive and Instructional Technology for Students with Disabilities**

3 cr. Graduate.

Introduction to special education technology emphasizing applications for students with disabilities and their teachers.

**Prerequisites:** grad st.

**Last Taught:** Spring 2011, Spring 2010, Spring 2009, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 735 Technology & Instruction for Students with Disabilities**

3 cr. Graduate.

Curriculum intergration models and technology integration strategies for enhancing educational outcomes of students with disabilities.

**Prerequisites:** grad st.

**Last Taught:** Spring 2011, Spring 2010, Spring 2009, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 740 Universal Design for Learning: Research and Practice**

3 cr. Graduate.

Study of research in universal design for learning and design of classroom interventions that enhance the performance of students with disabilities and their non-handicapped peers.

**Prerequisites:** grad st.

**Course Rules:** Counts as repeat of EXCEDUC 779 with same topic.

**Last Taught:** Spring 2011, Summer 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 742 Single Case Experimental Design**

3 cr. Graduate.

Readings, discussions, and learning experiences in single-case research methodology. Learners acquire knowledge and skills to plan, implement and analyze single-case interventions.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** EXCEDUC 742 and OCCTHPY 742 are jointly offered and count as repeats of one another. Counts as a repeat of OCCTHPY 590 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 760 Foundations of Autism Spectrum Disorders**

3 cr. Graduate.

Examination of characteristics of individuals with autism spectrum disorders. Focus on causes, prevalence, assessment, diagnosis, and impact on personal lives.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 761 Methods for Working with Individuals with Autism**

3 cr. Graduate.

Strategies for special education teachers and others for effectively working with individuals with autism spectrum disorders. Overview of instructional issues, inclusion, and curriculum development.

**Prerequisites:** grad st.; EXCEDUC 760(P) or cons instr.

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 762 Academic/Social Challenges of Individuals with ASD: Adv Interventions**

3 cr. Graduate.

Intervention and Supports for Individuals with high functioning Autism and Asperger Syndrome.

**Prerequisites:** grad st.; EXCEDUC 760(P) and EXCEDUC 761(P) or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 765 Assistive Technology Service Delivery in Schools**

3 cr. Graduate.

Introduction to legal, legislative, and policy foundations guiding the creation and delivery of assistive technology services in schools, clinics and agencies.

**Prerequisites:** grad st.

**Last Taught:** Summer 2021, Summer 2019, Summer 2016, Summer 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 770 Seminar: Research on Individuals With Special Needs**

3 cr. Graduate.

Recent research relevant to individuals with handicapping conditions.

**Prerequisites:** grad st; EXCEDUC 300(P) or EXCEDUC 600(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 771 Field Work with Students Having Exceptional Education Needs**

3 cr. Graduate.

**Prerequisites:** grad st; cons dept.

**Course Rules:** Retakable to 9 cr max.

**Last Taught:** Summer 2020, Fall 2018, Spring 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 772 Field Work with Students Having Hearing Impairments**

1-3 cr. Graduate.

**Prerequisites:** grad st; cons dept.

**Course Rules:** Retakable to 9 cr max.

**Last Taught:** Fall 2017, Fall 2016, Summer 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 773 Field Work with Students Having Cognitive Disabilities**

3 cr. Graduate.

**Prerequisites:** grad st; cons dept.

**Course Rules:** Retakable to 9 cr max.

**Last Taught:** Fall 2004, Spring 1997, Summer 1988.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 775 Field Work: Individuals with Autism Spectrum Disorders**

3 cr. Graduate.

**Prerequisites:** grad st; EXCEDUC 760(P) & EXCEDUC 761(C) or cons instr.

**Last Taught:** Summer 2022, Fall 2017, Spring 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 776 Fieldwork with Students Having Early Childhood-Exceptional Education Needs**

1-3 cr. Graduate.

**Prerequisites:** grad st; cons dept.

**Course Rules:** Retakable to 9 cr max.

**Last Taught:** Spring 2022, Fall 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 777 Fieldwork in Assistive Technology**

1-6 cr. Graduate.

Provides students with a school- or clinic-based experience in the delivery of assistive technology services.

**Prerequisites:** grad st & cons instr.

**Course Rules:** EXCEDUC 777 & OCCTHPY 777 are jointly offered; they count as repeats of one another. May be retaken for 9 cr max.

**Last Taught:** Spring 2016, Fall 2014, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 778 Field Work with Students Having Learning Disabilities**

3 cr. Graduate.

**Prerequisites:** grad st; cons dept.

**Course Rules:** Retakable to 9 cr max.

**Last Taught:** Fall 2008, Spring 2008, Fall 2003, Spring 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 779 Current Topics in Exceptional Education:**

1-3 cr. Graduate.

Specific topic announced in schedule of classes each time course is offered.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Spring 2009, Spring 1989, Fall 1988.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 790 Administration of Pupil Services**

3 cr. Graduate.

Review and analysis of pupil service programs in K-12 education, considers historical, legal and professional proactive standards.

**Prerequisites:** grad st; AD LDSP 710(P), AD LDSP 752(P); cons instr.

**Last Taught:** Fall 2004, Spring 2004, Fall 2003, Summer 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 799 Independent Reading**

1-3 cr. Graduate.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Spring 2023, Summer 2021, Spring 2021, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 801 Urban Education: Doctoral Seminar in Exceptional Education**

3 cr. Graduate.

Examination of research on exceptional education in urban settings including topics related to students in general and special education environments.

**Prerequisites:** grad st; admis to urban educ doctoral prog; EDUC 701.

**Last Taught:** Spring 2009, Spring 2006, Spring 2003, Fall 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 815 Capstone Course In Special Education**

3 cr. Graduate.

Culmination of course work during the graduate program leading to the development of the thesis or graduate project.

**Prerequisites:** grad st; EXCEDUC 715 (P).

**Last Taught:** Fall 2014, Summer 2014, Fall 2013, Summer 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 880 Proseminar in Urban Education: Exceptional Education**

3 cr. Graduate.

An examination of selected problems and issues in urban education.

**Prerequisites:** grad st; admis to Urban Educ doctoral prog.

**Last Taught:** Fall 2023, Spring 2022, Summer 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2019, Fall 2015, Summer 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 890 Master's Research Project**

1-6 cr. Graduate.

Research project for master's degree in Exceptional Education.

**Prerequisites:** grad st; cons instr

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 900 Seminar: Urban Issues in Exceptional Education**

3 cr. Graduate.

Analysis of societal forces affecting special education, teachers, and pupils in an urban environment. Emphasis on social-political-economic and human-relations factors operant in special education programs.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Spring 2023, Summer 2022, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 950 Seminar: Research on Mental Retardation**

3 cr. Graduate.

Review of literature in mental retardation. Evaluation of recent research.

**Prerequisites:** grad st; EXCEDUC 640.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**EXCEDUC 953 Semnr-Resrch on Early Intrvntn: Infnts/Young Chldrn w/ Spcl Needs & Families**

3 cr. Graduate.

Analysis of research and contemporary issues in early intervention for infants, toddlers, and preschoolers with special needs and their families.

**Prerequisites:** grad st; EXCEDUC 630 or EXCEDUC 640 or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 955 Seminar: Research on Students with Severe Handicaps**

3 cr. Graduate.

Analysis of the contemporary issues and trends in the field of the education of students with severe handicaps.

**Prerequisites:** grad st; EXCEDUC 556 or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 960 Seminar: Administration/Supervision of Programs for Exceptional Individuals**

3 cr. Graduate.

Administration, supervision, philosophy, organization, and federal and state legislation affecting individuals with handicapping conditions.

**Prerequisites:** grad st; EXCEDUC 300 or EXCEDUC 600.**Last Taught:** Fall 2023, Fall 2022, Fall 2017, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 975 Seminar: Research on Individuals with Hearing Impairments**

3 cr. Graduate.

Review of literature on hearing impairments and education of individuals with hearing impairments. Evaluation of recent research.

**Prerequisites:** grad st; EXCEDUC 650.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 990 Research or Thesis**

1-6 cr. Graduate.

**Prerequisites:** grad st & cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**EXCEDUC 999 Independent Reading**

1-3 cr. Graduate.

For benefit of superior graduate students unable to secure needed content in regular courses.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2019, Fall 2017, Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Film Studies (FILMSTD)

**FILMSTD 111 Entertainment Arts: Film, Television, and the Internet**

3 cr. Undergraduate.

History of film, television, and the internet. Focus on economic and aesthetic features of these media and interrelationships among them. Models for critiquing each form.

**Prerequisites:** none.**Course Rules:** ArtHist 111, English 111, & FilmStd 111 are jointly offered; they count as repeats of one another.**General Education Requirements:** HU**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILMSTD 192 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).**General Education Requirements:** HU**Last Taught:** Fall 2019, Fall 2015, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILMSTD 205 History of Film I: Development of an Art**

3 cr. Undergraduate.

The technology, style, history, and theory of the medium. Aesthetic advances from silent to color and sound films. Contributions of various nationalities and artists.

**Prerequisites:** none.**Course Rules:** ArtHist 205 & FilmStd 205 are jointly offered; they count as repeats of one another.**General Education Requirements:** HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILMSTD 206 History of Film II: Development of an Art**

3 cr. Undergraduate.

The technology, style, history, and theory of the medium. Aesthetic advances from silent to color and sound films. Contributions of various nationalities and artists.

**Prerequisites:** none.**Course Rules:** ArtHist 206 & FilmStd 206 are jointly offered; they count as repeats of one another.**General Education Requirements:** HU**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILMSTD 212 Intermediate Topics in Film and Television Studies:**

3 cr. Undergraduate.

Stylistic, generic, historical, or theoretical issues in film and/or television studies.

**Prerequisites:** sophomore standing or ENGLISH 290(P).**Course Rules:** Retakable with change in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILMSTD 286 Writing about Film and Television**

3 cr. Undergraduate.

Intensive practice and study of the critical and technical elements of writing with emphasis on close reading and writing about media images and narratives.

**Prerequisites:** grade of C or better in English 102(P) or score at level 4 on EPT.**Course Rules:** English 286 & FilmStd 286 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 290 Introduction to Film Studies**

3 cr. Undergraduate.

Analysis of formal, thematic, and generic components of narrative, documentary, and avant garde filmmaking.

**Prerequisites:** none.

**Course Rules:** English 290 & FilmStd 290 are jointly offered; they count as repeats of one another.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 291 Introduction to Television Studies**

3 cr. Undergraduate.

The forms, images, and narratives particular to television.

**Prerequisites:** none.

**Course Rules:** English 291 & FilmStd 291 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 292 Classic Dramas in Film:**

1 cr. Undergraduate.

A sampling of great plays in film versions, with performances by acclaimed actors.

**Prerequisites:** none.

**Course Rules:** Offered on a cr/no cr basis. Retakable w/chg in topic to 3 cr max. English 292 & FilmStd 292 are jointly offered; w/same topic, they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 294 Game Culture**

3 cr. Undergraduate.

Critical study of games, digital and otherwise; forms, conventions, and practices that inform design and reception of games; place of games in contemporary culture.

**Prerequisites:** GER OWC-A.

**Course Rules:** Counts as repeat of English 380 w/same topic. English 294 & FilmStd 294 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 295 Women and Film**

3 cr. Undergraduate.

A study of the representation of women in narrative, documentary, and avant garde film, television and/or video, including a survey of psychoanalytic theories of spectatorship and feminist analyses of mass culture.

**Prerequisites:** soph st.

**Course Rules:** English 295 & FilmStd 295 are jointly offered; they count as repeats of one another.

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM-sponsored program before coursework levels, content, and credits are determined and/or in specially-prepared program coursework.

**Prerequisites:** acceptance for Study Abroad Program.

**Course Rules:** Retakable w/change in topic.

**Last Taught:** Spring 2022, Fall 2019, Spring 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 305 Film Analysis I: Method and Theory**

3 cr. Undergraduate/Graduate.

Film language, critical methods, and theory applied to selected works of film art. Cross-cultural analysis of styles and themes. Study of major film artists.

**Prerequisites:** jr st.

**Course Rules:** ArtHist 305 & FilmStd 305 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 305G Film Analysis I: Method and Theory**

3 cr. Undergraduate/Graduate.

Film language, critical methods, and theory applied to selected works of film art. Cross-cultural analysis of styles and themes. Study of major film artists.

**Prerequisites:** jr st.

**Course Rules:** ArtHist 305 & FilmStd 305 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 306 Film Analysis II: Method and Theory**

3 cr. Undergraduate/Graduate.

Film language, critical methods, and theory applied to selected works of major national film artists. Cross-cultural analysis of styles and themes.

**Prerequisites:** jr st.

**Course Rules:** ArtHist 306 & FilmStd 306 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 306G Film Analysis II: Method and Theory**

3 cr. Undergraduate/Graduate.

Film language, critical methods, and theory applied to selected works of major national film artists. Cross-cultural analysis of styles and themes.

**Prerequisites:** jr st.

**Course Rules:** ArtHist 306 & FilmStd 306 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 307 Film Directors:**

3 cr. Undergraduate/Graduate.

Comprehensive analysis of the technique, style, and themes of specific major film artists. Biographical, cultural, artistic influences on artists' work.

**Prerequisites:** jr st; ArtHist 205(R) or 305(R).

**Course Rules:** Retakable w/chg in topic to 9 cr max. ArtHist 307 & FilmStd 307 are jointly offered; w/same topic they count as repeats of one another.

**Last Taught:** Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 307G Film Directors:**

3 cr. Undergraduate/Graduate.

Comprehensive analysis of the technique, style, and themes of specific major film artists. Biographical, cultural, artistic influences on artists' work.

**Prerequisites:** jr st; ArtHist 205(R) or 305(R).

**Course Rules:** Retakable w/chg in topic to 9 cr max. ArtHist 307 & FilmStd 307 are jointly offered; w/same topic they count as repeats of one another.

**Last Taught:** Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 308 Film Styles:**

3 cr. Undergraduate/Graduate.

A stylistic analysis of film of major filmmakers made within the structures of particular genres, such as gangsters, musicals, westerns, horror, science fiction and studios.

**Prerequisites:** jr st.

**Course Rules:** Retakable w/chg in topic to 9 cr max. ArtHist 308 & FilmStd 308 are jointly offered; w/same topic they count as repeats of one another.

**Last Taught:** Fall 2014, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 308G Film Styles:**

3 cr. Undergraduate/Graduate.

A stylistic analysis of film of major filmmakers made within the structures of particular genres, such as gangsters, musicals, westerns, horror, science fiction and studios.

**Prerequisites:** jr st.

**Course Rules:** Retakable w/chg in topic to 9 cr max. ArtHist 308 & FilmStd 308 are jointly offered; w/same topic they count as repeats of one another.

**Last Taught:** Fall 2014, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 312 Topics in Film, Television and Digital Studies:**

3 cr. Undergraduate.

Study of stylistic, generic, historical, or theoretical issues in film, television and/or digital studies.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 290(P).

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 312 and FILMSTD 312 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 316 World Cinema:**

3 cr. Undergraduate.

National cinemas in first, second, and/or third world nations; relationships among representation, narrative, and social forms.

**Prerequisites:** jr. st or English 290(P); satisfaction of OWC-A.

**Course Rules:** Retakable w/chg in topic to 9 cr max. ComplLit 316, English 316 & FilmStd 316 are jointly offered; w/same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 320 Studies in Film and Television Authorship:**

3 cr. Undergraduate.

The function of authorship in the cinema and/or in television; the roles of producer, director, screenwriter, and star.

**Prerequisites:** junior standing or ENGLISH 290(P), and satisfaction of GER English Composition competency requirement.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 320 and FILMSTD 320 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Spring 2023, Fall 2021, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 329 Film and Literature**

3 cr. Undergraduate/Graduate.

Capabilities and limitations of narrative film and literature, emphasizing the distinctiveness of each artistic mode.

**Prerequisites:** jr st, English 290(P), satisfaction of GER English Composition competency req; or cons instr.

**Course Rules:** English 329 & FilmStd 329 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 329G Film and Literature**

3 cr. Undergraduate/Graduate.

Capabilities and limitations of narrative film and literature, emphasizing the distinctiveness of each artistic mode.

**Prerequisites:** jr st, English 290(P), satisfaction of GER English Composition competency req; or cons instr.

**Course Rules:** English 329 & FilmStd 329 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 330 Film and Drama:**

3 cr. Undergraduate.

Capabilities and limitations of narrative film and drama, emphasizing the distinctiveness of each artistic mode.

**Prerequisites:** jr st or English 290(P); satisfaction of GER English Composition competency req.

**Course Rules:** Retakable w/chg in topic to 9 cr max. English 330 & FilmStd 330 are jointly offered; w/same topic, they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 350 Global Jewish Film and Television:**

3 cr. Undergraduate.

Global Jewish identity in its historic and contemporary cultural dimensions through film and media texts, analysis, and criticism.

**Prerequisites:** junior standing.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 350, FILMSTD 350, and JEWISH 350 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 380 Media and Society:**

3 cr. Undergraduate/Graduate.

An examination of film, television, and/or digital media culture, with attention to class, gender, race, sexuality, nation and the environment.

**Prerequisites:** junior standing and ENGLISH 290(P) or ENGLISH 291 (P) or 6 cr in courses approved for hum breadth cr.

**Course Rules:** May be retaken with change in topic to 9 cr max.

ENGLISH 380 and FILMSTD 380 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 380G Media and Society:**

3 cr. Undergraduate/Graduate.

An examination of film, television, and/or digital media culture, with attention to class, gender, race, sexuality, nation and the environment.

**Prerequisites:** junior standing and ENGLISH 290(P) or ENGLISH 291 (P) or 6 cr in courses approved for hum breadth cr.

**Course Rules:** May be retaken with change in topic to 9 cr max.

ENGLISH 380 and FILMSTD 380 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 383 Cinema, Television, and Genre:**

3 cr. Undergraduate/Graduate.

Stylistic and thematic analyses of film and/or television genres (e.g., melodrama, film noir, sitcom). Consideration of writers, directors, producers and stars whose works represent forms of a genre.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 290(P) or 6 cr in courses approved for hum breadth cr.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 383 and FILMSTD 383 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 383G Cinema, Television, and Genre:**

3 cr. Undergraduate/Graduate.

Stylistic and thematic analyses of film and/or television genres (e.g., melodrama, film noir, sitcom). Consideration of writers, directors, producers and stars whose works represent forms of a genre.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 290(P) or 6 cr in courses approved for hum breadth cr.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 383 and FILMSTD 383 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 390 Classical Film Criticism and Theory**

3 cr. Undergraduate/Graduate.

Survey of the history of film theory, with particular attention to developing critical skills in film theoretical writing.

**Prerequisites:** jr st, satisfaction of GER English Composition competency req, English 290(P), & ArtHist 205(P); or cons instr.

**Course Rules:** English 390 & FilmStd 390 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 390G Classical Film Criticism and Theory**

3 cr. Undergraduate/Graduate.

Survey of the history of film theory, with particular attention to developing critical skills in film theoretical writing.

**Prerequisites:** jr st, satisfaction of GER English Composition competency req, English 290(P), & ArtHist 205(P); or cons instr.

**Course Rules:** English 390 & FilmStd 390 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 391 Television Criticism and Theory**

3 cr. Undergraduate/Graduate.

Study of the forms and representational strategies of television narrative, and the various modes of analysis that may be applied to television viewers and texts.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 291 (P) or cons instr.

**Course Rules:** English 391 & FilmStd 391 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 391G Television Criticism and Theory**

3 cr. Undergraduate/Graduate.

Study of the forms and representational strategies of television narrative, and the various modes of analysis that may be applied to television viewers and texts.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 291 (P) or cons instr.

**Course Rules:** English 391 & FilmStd 391 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 392 Contemporary Film Criticism and Theory:**

3 cr. Undergraduate/Graduate.

Current issues in film criticism and theory and an exploration of critical perspectives (psychoanalysis, feminism, structuralism, post-structuralism) informing recent debates in film studies.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 290(P) or 291 (P) or cons instr.

**Course Rules:** Retakable w/chg in topic to 9 cr max. English 392 & FilmStd 392 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 392G Contemporary Film Criticism and Theory:**

3 cr. Undergraduate/Graduate.

Current issues in film criticism and theory and an exploration of critical perspectives (psychoanalysis, feminism, structuralism, post-structuralism) informing recent debates in film studies.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 290(P) or 291 (P) or cons instr.

**Course Rules:** Retakable w/chg in topic to 9 cr max. English 392 & FilmStd 392 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 393 Entertainment Industries:**

3 cr. Undergraduate.

In-depth look at contemporary media industries both in the U.S. and globally. Emphasis on changing content, production and viewing practices.

**Prerequisites:** jr st; satisfaction of OWC-A; English 290(P), English 291(P), or cons instr.

**Course Rules:** English 393 & FilmStd 393 are jointly offered; w/same topic, they count as repeats of one another. May be retaken w/change in topic to 9 cr max.

**Last Taught:** Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 394 Theories of Digital Culture:**

3 cr. Undergraduate/Graduate.

An examination of theories of digital and new media in relation to cinema, television, literature, and other arts.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 290(P) or ENGLISH 291(P) or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max. ENGLISH 394 and FILMSTD 394 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 394G Theories of Digital Culture:**

3 cr. Undergraduate/Graduate.

An examination of theories of digital and new media in relation to cinema, television, literature, and other arts.

**Prerequisites:** junior standing, satisfaction of GER English Composition competency requirement, and ENGLISH 290(P) or ENGLISH 291(P) or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max. ENGLISH 394 and FILMSTD 394 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 395 Feminist Media Criticism and Theory:**

3 cr. Undergraduate.

Theories of representation, spectatorship, and analyses of gender and identity in relation to film, television, and/or digital media.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 395 and FILMSTD 395 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 412 Global Cinema and Media:**

3 cr. Undergraduate/Graduate.

Study of cinema and media in the context of globalization; cinema and media's changing impact beyond national borders.

**Prerequisites:** junior standing or ENGLISH 290(P); and satisfaction of GER English Composition competency requirement.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 412 and FILMSTD 412 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 412G Global Cinema and Media:**

3 cr. Undergraduate/Graduate.

Study of cinema and media in the context of globalization; cinema and media's changing impact beyond national borders.

**Prerequisites:** junior standing or ENGLISH 290(P); and satisfaction of GER English Composition competency requirement.

**Course Rules:** Retakable with change in topic to 9 cr max. ENGLISH 412 and FILMSTD 412 are jointly offered; with the same topic, they count as repeats of one another.

**Last Taught:** Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILMSTD 489 Internship in Film Studies, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of film studies in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in FilmStd; 2.25 gpa; cons supervising faculty member.

3 cr. Undergraduate.

Post-foundation studio in 16mm film production.

**Prerequisites:** FILM 180(P), FILM 181(P), and 6 credits of FILM 110(P); and film or animation major; or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILM 221 Basic Elements of Filmmaking II**

6 cr. Undergraduate.

Theory and practice of 16mm non-sync sound techniques. Emphasis on project development, cinematography, editing, sound recording, audio transfers and mixing.

**Prerequisites:** grade B or above in Film 220; or cons instr.**Last Taught:** Spring 2007, Fall 2006, Spring 2006, Fall 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILM 222 Digital Filmmaking**

3 cr. Undergraduate.

Post-foundation studio in digital filmmaking and editing techniques.

**Prerequisites:** Animation or Film major and completion of 6 cr FILM 110(P), FILM 180(P), and FILM 181(P); or Film minor and completion of 6 cr FILM 110(P) and FILM 180(P) or FILM 181(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILM 231 Writing for Film**

3 cr. Undergraduate.

A practice-driven course on developing skills for conceptualizing and writing for short-form cinema.

**Prerequisites:** FILM 180(P), FILM 181(P), and 6 credits of FILM 110(P); and film or animation major; or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILM 232 Animation I**

3 cr. Undergraduate.

Introduction to single-frame cinematic principles and techniques including drawing, collage, and kinetic analysis for short animated film projects.

**Prerequisites:** FILM 180(P), FILM 181(P), and 6 credits of FILM 110(P); and film or animation major; or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FILM 234 Introduction to the Screenplay**

3 cr. Undergraduate.

Approaches to screenwriting from both artistic and professional points of view from the cultivation of an idea to the realization of a scenario.

**Prerequisites:** FILM 180(P), FILM 181(P), and 6 credits of FILM 110(P); and film or animation major; or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 250 Internship/Professional Practice**

3 cr. Undergraduate.

This project-oriented course supports student engagement in professional internships, production of a media project for a non-profit organization or curating a media arts event/series.

**Prerequisites:** consent of instructor.

**Course Rules:** May be retaken to max of 6 cr.

**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 251 Theory/Practice Workshop:**

3-4 cr. Undergraduate.

Development of techniques for projects in the theory and practice of media arts.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in content to 9 cr max.

**Last Taught:** Fall 2009, Fall 2008, Summer 2005, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 255 Introduction to Digital Arts**

3 cr. Undergraduate.

Post-foundation studio in digital art practices.

**Prerequisites:** FILM 180(P), FILM 181(P), and 6 credits of FILM 110(P); and film or animation major; or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 297 Study Abroad:**

1-12 cr. Undergraduate.

Production and special problems designed to provide relevant course work for a study abroad program in the media arts.

**Prerequisites:** acceptance in Study Abroad Prog.

**Course Rules:** May be retaken with change in topic to max of 12 cr.

**Last Taught:** Fall 2023, Spring 2020, Fall 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 299 Independent Study**

1-6 cr. Undergraduate.

Individual program of supervised study in media arts theory & practice.

**Prerequisites:** cons instr.

**Course Rules:** May be retaken for cr.

**Last Taught:** Summer 2018, Fall 2016, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 301 Film Art for Non-Majors**

3 cr. Undergraduate.

Provides non-Film majors with a technical and historical context for the study of film as an art form while examining the psychological, emotional, and social aspects of the cinematic experience.

**Prerequisites:** not open to film majors.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 303 Current Topics in Media Arts Production**

3 cr. Undergraduate.

Lectures, screening, discussions, and workshops in media arts production from the artist's point of view. Development of ideas/proposals for possible production in subsequent film department courses.

**Prerequisites:** FILM 180(P), FILM 181(P), and 6 credits of FILM 110(P); and film or animation major; or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 305 Digital Cinema and the Computer**

3 cr. Undergraduate.

Relation of digital cinema to the cultural, philosophical, and technical implications of computing technology.

**Prerequisites:** none.

**Course Rules:** Satisfies GER-Art and Oral & Writ Commun (OWC) Part B requirements.

**General Education Requirements:** A, OWCB

**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 314 Topics in Conceptual Studies:**

3 cr. Undergraduate.

Consideration of issues in critical studies including ethnographic film, found-footage filmmaking, experimental documentary or surrealist film.

**Prerequisites:** Film 114(214)(P) or 210(P); or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Summer 2011, Fall 2010, Summer 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 316 Filmmaker as Theorist/Practitioner:**

3 cr. Undergraduate.

Examines filmmakers particularly engaged in theory/practice investigations of film form including Chantal Ackerman, Jean-Luc Godard, Sergei Eisenstein, Laura Mulvey & Trinh T. Minh-ha.

**Prerequisites:** Film 114(214)(P) or 210(P); or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Summer 2008, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 318 Film and the Visual and Performing Arts:**

3 cr. Undergraduate.

Consideration of film's relationship to a specific art form, its formal similarities and historical intersections including film and painting, film and dance, and film and music.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Spring 2023, Spring 2019, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 319 Theory/Practice Seminar:**

3 cr. Undergraduate.

Formal investigation of cinema in national & international contexts. Critical writing and creative production assignments will foreground conventions & their transformations in film history.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 320 The Art of the Short Film**

3 cr. Undergraduate.

A collection of contemporary short films in order to study their structure and value. Students will view short films, read scripts, interview directors and design creative projects.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 319 with similar topic.

**Last Taught:** Spring 2022, Fall 2010, Fall 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 323 Film as a Modernist Art Form**

3 cr. Undergraduate.

Examines the arts and culture between 1850 and 1950 wherein we'll take into consideration the concerns of Modernism as an influence on the conventions of film art.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Contextual elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 324 Genre and the Horror Film**

3 cr. Undergraduate.

Explores the historical emergence and stylistic/thematic development of the horror film while engaging with its aesthetic content through creative projects and written exercises.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 319 with similar topic. Contextual elective.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 325 Indie Cinema**

3 cr. Undergraduate.

Explores various facets of independent filmmaking such as aesthetics, narrative structure, means of production and distribution, and its relationship to the mainstream Hollywood industry.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 319 with a similar topic. Contextual elective.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 326 Philosophy and Film**

3 cr. Undergraduate.

Formal investigation of what comprises a film genre across both national and international contexts. Critical writing and production assignments will foreground conventions and their transformations in film history.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 319 with similar topic. Contextual elective.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 327 Cartoons, Animation, and the Graphic Novel**

3 cr. Undergraduate.

Examines cartoons, animation, and the graphic novel, and how these forms work the way they do to grab our attention, tell a story, and convey a message.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 or FILM 341 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 328 Radical Cinema**

3 cr. Undergraduate.

A survey of film topics that include global cinematic art movements and production development and methods of making as a response to social, political, cultural and historical events.

**Prerequisites:** advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as repeat of FILM 319 or FILM 341 with similar topic. Contextual elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 329 Sociological Cinema**

3 cr. Undergraduate.

Examines narrative films that offer a social critique.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 319 or FILM 341 with similar topic. Contextual elective.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 330 Structuring Gaps**

3 cr. Undergraduate.

Theory/practice course about our individual processes as makers.

Projects will include such modes as textual accompaniment, jokes, irony, direct address, adaptation, and karaoke.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 341 with similar topic. Contextual elective.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 331 The Animated Short**

3 cr. Undergraduate.

Examines the ways that drawn and animated images have explored aspects of society, culture, and even ourselves, and just what it is about them that ignite our imaginations.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 or FILM 341 with similar topic.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 332 Miyazaki Shorts and Features**

3 cr. Undergraduate.

Examines Hayao Miyazaki's career as an animation director.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 or FILM 341 with similar topic.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 336 Visual Effects and Illusion in Cinema**

3 cr. Undergraduate.

Focuses on the historical, aesthetic, and technical development of visual effects in film and other media.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 319 with similar topic. Contextual elective.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 341 Theory/Practice Seminar**

3 cr. Undergraduate.

Theoretical/practical approaches to film and video production.

**Prerequisites:** advanced to Film BFA major milestone, or consent of instructor.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** Fall 2021, Summer 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 342 Milwaukee Underground Film Festival**

3 cr. Undergraduate.

Designed to teach students the ins and outs of running a film festival all while actually organizing and running the Milwaukee Underground Film Festival (film selection, tech, promotion, etc).

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203, FILM 380, FILM 420, or FILM 460 with similar topic. Professional practice elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 343 The Business of Animation**

3 cr. Undergraduate.

Focuses on knowledge and skills that will help students get their career off to a strong start, including how to create a good demo reel and resume.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203 or FILM 341 with similar topic. Professional practice elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 344 The Producer's Role**

3 cr. Undergraduate.

Comprehensive understanding of the many business and creative roles and responsibilities of a producer in the collaborative worlds of independent, Hollywood, short, and documentary filmmaking.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 or FILM 341 with similar topic. Professional practice elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 345 The Screenwriting Business**

3 cr. Undergraduate.

Comprehensive understanding of the writer's role in both the Hollywood studio system and independent film world, including film industry standards for premise, structure, character and story.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203 or 341 with similar topic. Professional practice elective.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 346 Documentary Projects: doc/UWM**

3 cr. Undergraduate.

Provides students a firsthand experience of professional documentary and post production for a real-world client from Milwaukee. Students will research, produce, write, direct, shoot and edit projects.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380, FILM 420, and FILM 460 with similar topic.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 347 Introduction to 3D Animation**

3 cr. Undergraduate.

Intended as an intensive introduction for students with no prior 3D experience. Topics include polygonal modeling tools, texturing, principles of 3D animation, (very) basic rigging, camera, lighting and rendering.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380 and FILM 420 with similar topic.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 348 Mechanics of Animation**

3 cr. Undergraduate.

The primary goal of this course is to help students develop a deeper understanding of the mechanics of animation and gain the skills necessary to create engaging, dynamic movement.

**Prerequisites:** FILM 222(P), FILM 232(P), and completion of one of the following: FILM 220(P), FILM 231(P) or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203, FILM 380, FILM 420, or FILM 460 with similar topic. Portfolio elective.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 360 Portfolio Topics:**

3 cr. Undergraduate.

Students will produce self-authored creative work in relation to a course topic.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Repeatable to 9 cr max. Counts as a repeat of FILM 380, FILM 420, or FILM 460 with similar topic. Portfolio elective.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 361 Animation Studio**

3 cr. Undergraduate.

Advanced animation course that offers the serious animator a chance to hone their craft and add to their portfolio. Each student will be required to create/finish a unique piece.

**Prerequisites:** FILM 222(P) and FILM 232(P) or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203, FILM 380, FILM 420, or FILM 460 with similar topic. Portfolio elective.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 362 Documenting Community**

3 cr. Undergraduate.

Introduction to specialized production methods for developing and producing short documentary portraits of people, organizations or events within urban Milwaukee.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203 or FILM 380 with similar topic. Portfolio elective.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 363 Mumblecore: Fundamental Cinema**

3 cr. Undergraduate.

Examines conventions of realism and the use of available means in DIY Filmmaking. Students will learn the strategies behind this kind of cinema in order to create their own films.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203 or FILM 380 with a similar topic. Portfolio elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 364 Music Video Production**

3 cr. Undergraduate.

Introduction to the art and practice of music video production. Students will study contemporary approaches to music video production, from pitching to promotion and will create their own video.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203 or FILM 380 with similar topic. Portfolio elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 365 Sex and Gender in Film and Video**

3 cr. Undergraduate.

Introduces theoretical concepts of gender in moving image and to consider them from the perspective of an artist/maker/filmmaker, through screenings, readings, and self-authored creative projects.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203 or FILM 380 with similar topic. Portfolio elective.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 366 Experimental Sound Techniques**

3 cr. Undergraduate.

Provides students with an avenue in which to explore the creative and expressive use of sounds and tools for audio production, performance, and recording, including the space between image and sound.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 with similar topic. Portfolio elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 367 Personal Cinema**

3 cr. Undergraduate.

Students will study and make films/videos in which the director is a distinct presence, including essay film, personal documentary, diaries and travelogues.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 or FILM 460 with similar topic. Portfolio elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 368 Dreams: Yours, Mine, Ours**

3 cr. Undergraduate.

Students will creatively expand upon the content, images, symbols, structures, and relationships contained within dreams, towards the completion of a short video/film work.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 203, FILM 380, FILM 420, or FILM 460 with a similar topic. Portfolio elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 379 Storyboarding**

3 cr. Undergraduate.

Students will work with their own (or someone else's) writing, dialogue, or voice-over to create a full blown storyboard, animatic and final work. Useful for animation and live action.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 with similar topic. Production elective.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 380 Production Topics:**

3 cr. Undergraduate.

Post-foundation course introducing specialized production skills in film, video, audio or new genres.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** May be retaken with change in topic to max of 15 cr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 381 Acting for Animation**

3 cr. Undergraduate.

Animation techniques for conveying the proper emotions and situations needed to deliver strong and believable animations.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 or FILM 380 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 382 Visual Effects**

3 cr. Undergraduate.

Focuses on the use of After Effects (AE) as a powerful digital tool to produce and meaningfully apply visual effects to individual creative projects.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380 or FILM 420 with similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 383 Character Design and Animation**

3 cr. Undergraduate.

Students will create characters for animated productions.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of ART 302, FILM 203, or FILM 380 with similar topic. Production elective.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 384 Drawing for Animation**

3 cr. Undergraduate.

For students pursuing a degree in the animation field. Designed to build a solid foundation in drawing with an emphasis in the human figure in motion.

**Prerequisites:** FILM 222(P), FILM 232(P), and completion of one of the following: FILM 220(P), FILM 231(P) or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 385 Experimental Animation**

3 cr. Undergraduate.

Introduces options for creating animated imagery using various analog and digital techniques from paper cut outs to rotoscoping and paint. Students will create several pieces.

**Prerequisites:** FILM 222(P) and FILM 232(P) or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203, FILM 380, or FILM 420 with similar topic. Production elective.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 386 Interactive Animation**

3 cr. Undergraduate.

Students will explore how to make animations react to something a viewer does. Using Adobe Animate and other tools, students will learn a wide variety of animation techniques and tools.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 or FILM 380 with similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **FILM 387 Puppetry**

3 cr. Undergraduate.

Introduces students to the art of puppetry, various forms of puppetry, methods of construction, and performing the puppet, and will culminate in a student-created original short form collaborative puppetry performance.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203, FILM 380, or FILM 420 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **FILM 388 Stop Motion Animation**

3 cr. Undergraduate.

Designed to provide a solid grounding in the principles and practices of stop motion animation and help students animate engaging characters.

**Prerequisites:** FILM 222(P) and FILM 232(P) or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203, FILM 380, or FILM 420 with similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **FILM 390 Directing**

3 cr. Undergraduate.

Covers various methods of film directing through consideration of cinematic language, storytelling, working with crew and actors, technologies and concepts. Students will work through a project from start to finish.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380 or FILM 420 with similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **FILM 391 Cinematography**

3 cr. Undergraduate.

Focuses on the aesthetic design of moving images, across genres and methods of cinematography. In-class demos, labs, readings, and workshops will be undertaken in service of developing a robust aesthetic practice.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as repeat of FILM 380 with a similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **FILM 392 Documentary Filmmaking**

3 cr. Undergraduate.

Provides students experience in documentary film production with practical projects and provide an understanding of different forms, methods and features of documentary films.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203, FILM 380, FILM 420 with topic of Intro to Documentary Film Production, Intro to Documentary or Documentary. Production elective.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **FILM 393 Sound Design**

3 cr. Undergraduate.

Intermediate-level studio class devoted to exploring the different tools, strategies, and creative potential of sound recording and sound design for cinema.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380 with similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **FILM 394 Film Score Studio**

3 cr. Undergraduate.

Explores the nature of the collaboration between the filmmaker and the composer. The main goal of this class is to create an entirely new work with original music.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 or FILM 380 with similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **FILM 395 Preproduction**

3 cr. Undergraduate.

Focuses on the preproduction process of documentary and narrative film; examines the main stages of preproduction and presents different preparation methods of filmmaking.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 or FILM 380 with similar topic. Production elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 396 Video Installation**

3 cr. Undergraduate.

Offers students an avenue to working outside of the traditional cinema space. Through group and individual production exercises and with various technologies, students will construct their own project installation spaces.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380 with similar topic. Production elective.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 397 Drawing for Filmmakers**

3 cr. Undergraduate.

Students will tap into and exercise one of the basic human senses, and one that is taken as primary in cinema: sight.

**Prerequisites:** advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 203 with similar topic. Productive elective.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 398 Editing and Post-Production**

3 cr. Undergraduate.

Dedicated to honing your individual editing practice. Students will be introduced to both conventional and alternative editing strategies that can be applied towards narrative, non-fiction and experimental cinema.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 with similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 399 Advanced Independent Study**

1-6 cr. Undergraduate.

Individual program of supervised study for the advanced student of film and/or video.

**Prerequisites:** FILM 222(P) and completion of one of the following: FILM 220(P), FILM 231(P), FILM 232(P), or FILM 255(P); or consent of instructor.

**Course Rules:** Repeatable to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 410 Junior Project**

6 cr. Undergraduate.

Individual production projects in film or video facilitated by critiques and technical demonstrations tailored to student needs.

**Prerequisites:** admis to upper level course per portfolio review or cons instr. In case of over-enrollment, admission based on grade point average in major.

**Last Taught:** Spring 2007, Fall 2006, Spring 2006, Fall 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 419 Advanced Theory/Practice Seminar.**

3 cr. Undergraduate.

Advanced cinema study with emphasis on history, aesthetics, and creative production.

**Prerequisites:** Film or Animation milestone; or consent of instructor.

**Course Rules:** Repeatable to 9 cr max. Counts as repeat of FILM 319, FILM 341, and FILM 434 with similar topic.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 420 Intermediate Media Arts Module:**

3 cr. Undergraduate/Graduate.

Intermediate level course in specialized production skills in film, video, audio or new genres.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** May be retaken with change in topic to 12 cr max.

**Last Taught:** Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 420G Intermediate Media Arts Module:**

3 cr. Undergraduate/Graduate.

Intermediate level course in specialized production skills in film, video, audio or new genres.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** May be retaken with change in topic to 12 cr max.

**Last Taught:** Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 434 Film Aesthetics:**

3 cr. Undergraduate.

Consideration of a particular aesthetic aspect of film including performance, sound, decor, frame/sequence, color, narrative & narration, temporality.

**Prerequisites:** jr st., Film 210(P); or const instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2022, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 442 Media Internship**

1-3 cr. Undergraduate.

Supports internships in a professional context related to their field of study.

**Prerequisites:** Film or Animation milestone.

**Course Rules:** Repeatable to 6 cr max. Counts as repeat of FILM 450. Professional practice.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 446 Advanced Documentary Projects: doc/UWM**

3 cr. Undergraduate.

Professional documentary filmmaking for real-world clients. Advanced students will work on a doc/UWM project and collaborate with doc/UWM staff and other professionals.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 460 with similar topic.

Professional practices elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 450 Advanced Internship/Professional Practice**

1-6 cr. Undergraduate/Graduate.

This project-oriented course supports student engagement in professional internships, production of a media project for a non-profit organization or curating a media arts event/series.

**Prerequisites:** admitted to upper-level Film classes per portfolio review, consent of instructor.

**Course Rules:** May be retaken to max of 6 cr.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 450G Advanced Internship/Professional Practice**

1-6 cr. Undergraduate/Graduate.

This project-oriented course supports student engagement in professional internships, production of a media project for a non-profit organization or curating a media arts event/series.

**Prerequisites:** admitted to upper-level Film classes per portfolio review, consent of instructor.

**Course Rules:** May be retaken to max of 6 cr.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 455 Integrated Film/Video Exploration**

6 cr. Undergraduate/Graduate.

A study of the relationship between film/video production and film/video analysis, team taught by an artist and a critic.

**Prerequisites:** jr st. Film majors: portfolio review and/or cons instr; non-film majors: cons instr.

**Course Rules:** Jointly offered with ArtHist/English/JMC 310.

**Last Taught:** Spring 2010, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 455G Integrated Film/Video Exploration**

6 cr. Undergraduate/Graduate.

A study of the relationship between film/video production and film/video analysis, team taught by an artist and a critic.

**Prerequisites:** jr st. Film majors: portfolio review and/or cons instr; non-film majors: cons instr.

**Course Rules:** Jointly offered with ArtHist/English/JMC 310.

**Last Taught:** Spring 2010, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 460 Advanced Portfolio Topics:**

3 cr. Undergraduate/Graduate.

Advanced level portfolio elective wherein students produce self-authored creative work in relation to a course topic.

**Prerequisites:** junior standing or greater and Film or Animation milestone; or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 460G Advanced Portfolio Topics:**

3 cr. Undergraduate/Graduate.

Advanced level portfolio elective wherein students produce self-authored creative work in relation to a course topic.

**Prerequisites:** junior standing or greater and Film or Animation milestone; or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 461 Landscape Cinema**

3 cr. Undergraduate.

Time-based media production course that offers space for the investigation of landscape as a conceptual framework. Through research and creative project, students will engage with landscape's relevance to contemporary art.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 or FILM 460 with similar topic.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 462 Humor and Filmmaking**

3 cr. Undergraduate.

Investigates how comedy works, what makes it original and how to direct and perform humor as it's related to filmmaking through a series of workshops and projects.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 or FILM 460 with similar topic. Portfolio elective.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 463 Experimental Documentary**

3 cr. Undergraduate.

Exploration of experimental documentary through readings, screenings, and self-authored time-based creative work.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 or FILM 460 with similar topic. Portfolio elective.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 464 Observational Documentary**

3 cr. Undergraduate.

Introduction to the ideas, methods, and works that form the sub-genre observational documentary.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as repeat of FILM 420 and FILM 460 with similar topic. Portfolio elective.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 465 Experimental Narrative**

3 cr. Undergraduate.

Storytelling that pushes against the boundaries of the traditional three, act narrative cinema. Coursework will combine screenings, readings, class discussions, writing and independent video projects.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380 or FILM 420 with similar topic. Portfolio elective.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 466 Appropriated Media**

3 cr. Undergraduate.

Thematic exploration of the use of appropriated media in moving image art. Students use appropriated media as our primary source material towards the production of two video projects.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 380, FILM 420, or FILM 460 with similar topic. Portfolio elective.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 470 Advanced Media Arts Workshop:**

1-6 cr. Undergraduate/Graduate.

Individual student projects exploring portable and studio media arts production techniques. Students will submit production proposals for faculty approval.

**Prerequisites:** Film 389(P); or grad st; or cons instr.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Last Taught:** Spring 1999, Fall 1991.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 470G Advanced Media Arts Workshop:**

1-6 cr. Undergraduate/Graduate.

Individual student projects exploring portable and studio media arts production techniques. Students will submit production proposals for faculty approval.

**Prerequisites:** Film 389(P); or grad st; or cons instr.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Last Taught:** Spring 1999, Fall 1991.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 480 Advanced Production Topics:**

3 cr. Undergraduate.

Advanced production course introducing specialized production skills in film, video, audio or new genres.

**Prerequisites:** junior or senior standing and Animation or Film milestone; or consent of instructor.

**Course Rules:** Repeatable with change in topic to 15 cr max. Counts as a repeat of FILM 380, FILM 420, or FILM 460 with similar topic. Production elective.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 481 Advanced 16MM Film Production**

3 cr. Undergraduate.

Designed for those who want to seriously engage with the creative potential of analog film through an immersive, hands-on workshop.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 460 with similar topic.

Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 482 Advanced Cinematography**

3 cr. Undergraduate.

Designed to build upon the aesthetics lectures and technical skills from FILM 391 through lighting set-ups, location shoots, student-designed set-ups, group work and solo projects.

**Prerequisites:** junior standing, FILM 391, and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Production elective.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 483 Post-Production Sound**

3 cr. Undergraduate.

Advanced-level studio focusing on the development of soundtracks for film and the advancement of students' competencies in digital audio and sound design.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 with similar topic.

Production elective.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 484 Field Recording and Digital Audio**

3 cr. Undergraduate.

Advanced-level course focused on techniques for recording sound 'in the field' as well as the digital processing, editing, and composition of field recordings.

**Prerequisites:** junior standing and advanced to the Animation or Film major or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420 with similar topic.

Production elective.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 486 Advanced Animation**

3 cr. Undergraduate.

Introduces students to the concepts and methods involved in creating an animated film (digital and material) where the soundtrack gives the film its timing and direction.

**Prerequisites:** junior standing, FILM 232(P), and advanced to the Animation or Film major; or consent of instructor.

**Course Rules:** Production elective.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 497 Study Abroad:**

1-12 cr. Undergraduate.

Production and special problems designed to provide relevant course work for a study abroad program in the media arts.

**Prerequisites:** admis to upper-level Film classes per portfolio review, or cons instr.

**Course Rules:** May be retaken w/chg in topic to max of 12 cr.

**Last Taught:** Spring 2020, Fall 2017, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 498 Advanced Editing**

3 cr. Undergraduate.

Dedicated to refining your existing editing practice through the introduction of new techniques and advanced tools. Designed for advanced students who wish to expand their basic toolset.

**Prerequisites:** junior standing, FILM 398, and advanced to Film major; or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 480 with similar topic. Production elective.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 509 Senior Project I**

3 cr. Undergraduate.

Pre-production/production of individual media arts projects facilitated by critiques and work sessions.

**Prerequisites:** completion of 9+ credits Advanced Production, which includes FILM 347, 370-398, 420, or 480-499; and completion of 3+ credits of Advanced Portfolio, which includes FILM 360-369, 399, or 460-469; or completion of 6+ credits Advanced Production and completion of 6+ credits of Advanced Portfolio.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 510 Senior Project II**

6 cr. Undergraduate.

Continuation of capstone project started in Film 509. Emphasis on production and post-production, facilitated by critiques, work sessions and preparations for a public presentation.

**Prerequisites:** Successful completion of Film 509(P); or cons instr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 512 Senior Project in Conceptual Studies**

6 cr. Undergraduate.

Capstone seminar investigates and interrogates relationship between filmmaking, theory and history. Archival research and critical analysis will produce final multimedia project.

**Prerequisites:** Film 320(P), 455(P).

**Last Taught:** Spring 2010, Spring 2009, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 700 Professional Practice: Production**

3 cr. Graduate.

Professional production internship with area film-related enterprise to develop specialized technical skills or practical experience in film exhibition.

**Prerequisites:** grad st & cons advising faculty member.

**Course Rules:** May be repeated to max of 9 cr.

**Last Taught:** Fall 2017, Spring 2017, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 710 Graduate Film Studio/Seminar I**

3 cr. Graduate.

Each student to pursue a film production project to completion. Lectures and readings in seminar format to address issues facing independent film production and distribution.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 712 Graduate Film Studio/Seminar II**

3 cr. Graduate.

Faculty advised film production studio course. Instruction in advanced production skills and directed reading relevant to the nature of proposed film projects.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 714 Graduate Film Studio/Seminar III**

3 cr. Graduate.

Faculty advised film production studio course to introduce and familiarize students with specific crew member responsibilities of collaborative filmmaking.

**Prerequisites:** second year Cinematic Arts graduate student.

**Course Rules:** Retakeable to 6 cr max.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 720 Graduate Media Arts Workshop I**

1-6 cr. Graduate.

Conceptualization and production of student-initiated media arts projects.

**Prerequisites:** graduate standing in film.

**Course Rules:** Retakeable to 14 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 722 Graduate Media Arts Workshop II**

1-6 cr. Graduate.

Conceptualization and production of student-initiated media arts projects. For 2nd-year MFA students.

**Prerequisites:** graduate standing and FILM 720(P) or consent of instructor.

**Course Rules:** Retakable to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 730 Advanced Research in Film I**

3 cr. Graduate.

Faculty advised, pre-production research leading to the completion of a shooting script and production schedule for the thesis film project.

**Prerequisites:** grad st; two of the following: Film 710, 712 & 714.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 732 Advanced Research in Film II**

3-6 cr. Graduate.

Independent study with selected faculty member adviser for the production and post-production phase of the thesis film project.

**Prerequisites:** grad st; Film 710(P), 712(P), 714(P), 730(P).

**Course Rules:** May be retaken to max of 6 cr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 760 Film/Video Module: Post-Production Sound**

3 cr. Graduate.

Course in sound post-production for the media arts.

**Prerequisites:** grad st; cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 761 Landscape Cinema**

3 cr. Graduate.

Landscape Cinema is a time-based media production course that offers space for the investigation of landscape as a conceptual framework. Through research and creative project, students will engage with landscape's relevance to contemporary art.

**Prerequisites:** Film MFA or consent of instructor.

**Course Rules:** Counts as repeat of FILM 420G with similar topic.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 763 Experimental Documentary**

3 cr. Graduate.

An exploration of experimental documentary through readings, screenings, and self-authored time-based creative work.

**Prerequisites:** graduate standing.

**Course Rules:** Counts as repeat of FILM 420G with similar topic. Portfolio elective.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 764 Observational Documentary**

3 cr. Graduate.

Provides a basic introduction to the ideas, methods and works that form the sub-genre of documentary called observational documentary.

**Prerequisites:** graduate standing.

**Course Rules:** Counts as repeat of FILM 420G with similar topic. Portfolio elective.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 781 Advanced 16MM Film Production**

3 cr. Graduate.

Advanced 16mm film production course designed for students who want to seriously engage with the creative potential of analog film through immersive workshops.

**Prerequisites:** graduate student in Cinematic Arts MFA or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420G with similar topic.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 782 Visual Effects**

3 cr. Graduate.

Focuses on the use of After Effects as a powerful digital tool to produce and meaningfully apply visual effects to individual creative projects.

**Prerequisites:** graduate in Cinematic Arts MFA or consent of instructor.

**Course Rules:** Counts as a repeat of FILM 420G with similar topic.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 799 Independent Graduate Study:**

1-6 cr. Graduate.

Variable content. Supervised independent study, production and non-production for the grad student in film/video.

**Prerequisites:** grad st; cons instr.

**Course Rules:** May be repeated to max of 9 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FILM 900 Graduate Studio**

3 cr. Graduate.

Ongoing critique of individual studio research in students' chosen medium(s). Emphasis on developing and maintaining interdisciplinary dialogue. Studio research, individual and group critiques required.

**Prerequisites:** first year Cinematic Arts graduate student.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Fitness, Wellness and Sport (FITWELL)

**FITWELL 110 Physical Conditioning**

1 cr. Undergraduate.

Theory & practice of physical conditioning.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 112 Yoga I**

1 cr. Undergraduate.

Theory and practice of yoga.

**Prerequisites:** none. It is highly recommended that students bring a mat and a blanket or towel for their comfort. These items are not provided by the department.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 113 Yoga II**

1 cr. Undergraduate.

Theory and practice of yoga II.

**Prerequisites:** SPT&REC 112(P). It is highly recommended that students bring a mat and a blanket or towel for their comfort. These items are not provided by the department.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 114 Weight Training I**

1 cr. Undergraduate.

Theory and practice of weight training.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 115 Weight Training II**

1 cr. Undergraduate.

Theory and practice of weight training II.

**Prerequisites:** SPT&REC 114(P).

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 120 Swim I**

1 cr. Undergraduate.

Theory and practice of swim I.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 121 Swim II**

1 cr. Undergraduate.

Theory and practice of swim II.

**Prerequisites:** Spt&Rec 120(P) or swim one length of pool (25 yards) any stroke.

**Last Taught:** Fall 2023, Spring 2022, Spring 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 126 Beginning Scuba**

1 cr. Undergraduate.

Introduction to scuba diving through academic and confined water training. Learn basic skills such as mask and regulator clearing, emergency air management, and dive planning. This course follows the PADI Open Water Diver curriculum.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 130 Ballroom Dance I**

1 cr. Undergraduate.

Theory and practice of ballroom dancing.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 161 Bowling I**

1 cr. Undergraduate.

Theory and practice of bowling

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 162 Bowling II**

1 cr. Undergraduate.

Theory and practice of bowling.

**Prerequisites:** Spt&Rec 161(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 166 Golf**

1 cr. Undergraduate.

Theory and practice of golf.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 172 Tae Kwon-Do**

1 cr. Undergraduate.

Theory and practice of tae kwon-do.

**Prerequisites:** none.

**Last Taught:** Spring 2020, Fall 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 173 Tae Kwon-Do II**

1 cr. Undergraduate.

Theory and practice of tae kwon-do.

**Prerequisites:** SPT&REC 172(P) or equivalent.

**Last Taught:** Spring 2020, Fall 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 174 Self-Defense**

1 cr. Undergraduate.

Theory and practice of self-defense.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 176 Basketball**

1 cr. Undergraduate.

Theory and practice of basketball.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 179 Handball**

1 cr. Undergraduate.

Theory and practice of handball.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 180 Racquetball I**

1 cr. Undergraduate.

Theory and practice of racquetball.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Spring 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 181 Racquetball II**

1 cr. Undergraduate.

Theory and practice of racquetball.

**Prerequisites:** SPT&REC 180(P).

**Last Taught:** Spring 2017, Spring 2016, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 182 Tennis I**

1 cr. Undergraduate.

Theory and practice of tennis.

**Prerequisites:** none.

**Last Taught:** Spring 2022, Fall 2021, Summer 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 183 Tennis II**

1 cr. Undergraduate.

Theory and practice of tennis.

**Prerequisites:** EPT&REC 182(P).

**Last Taught:** Spring 2013, Spring 2012, Spring 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 185 Karate I**

1 cr. Undergraduate.

Theory and practice of karate.

**Prerequisites:** none.

**Last Taught:** Fall 2021, Spring 2020, Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 186 Karate II**

1 cr. Undergraduate.

Theory and practice of karate.

**Prerequisites:** SPT&REC 170(P) or SPT&REC 185(P).

**Last Taught:** Spring 2020, Spring 2018, Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 187 Karate III**

1 cr. Undergraduate.

Theory and practice of karate.

**Prerequisites:** SPT&REC 171(P) or SPT&REC 186(P) or equivalent.

**Last Taught:** Spring 2020, Spring 2018, Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 191 Volleyball**

1 cr. Undergraduate.

Theory and practice of volleyball.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 192 Volleyball II**

1 cr. Undergraduate.

Theory and practice of volleyball.

**Prerequisites:** Spt&Rec 178(P) or 191(P) or equiv.

**Last Taught:** Fall 2023, Fall 2021, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 201 Field Experience in Kinesiology**

1 cr. Undergraduate.

Lecture/discussion/site visitation exploring the broad field of Kinesiology and typical service delivery systems, e.g., campus, community, commercial, industrial and clinical.

**Prerequisites:** KIN 202(C).

**Course Rules:** Counts as repeat of KIN 210.

**Last Taught:** Spring 2011, Fall 2010, Spring 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 289 General Recreation Activities:**

1-2 cr. Undergraduate.

Topics of current interest focusing on life-long participation and skill development in general recreation and leisure activities. Credits for specific topics announced in Schedule of Classes.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Counts as repeat of Spt&Rec 290 with same topic. May be retaken w/chg in topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 290 Ad Hoc Course in Sport and Recreation:**

1-3 cr. Undergraduate.

Topics of current interest in health, leisure, and recreation. May be retaken w/chg in topic. Special course fees may be required depending on course. Prereq: specified in semester Schedule whenever required for a topic

**Last Taught:** Spring 2023, Spring 2016, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 291 Recreational Arts and Crafts:**

1-2 cr. Undergraduate.

Topics of current interest focusing on life-long participation and skill development in the area of Arts and Crafts. Credits for specific topics announced in Schedule of Classes.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Counts as repeat of Spt&Rec 290 with same topic. May be retaken w/chg in topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 292 Social and Creative Dance:**

1-2 cr. Undergraduate.

Topics of current interest focusing on life-long participation and skill development in the area of Social and Creative Dance. Credits for specific topics announced in Schedule of Classes.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Counts as repeat of Spt&Rec 290 with same topic. May be retaken w/chg in topic.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 293 Martial Arts:**

1-2 cr. Undergraduate.

Topics of current interest focusing on life-long participation and skill development in martial arts. Credits for specific topics announced in Schedule of Classes.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Counts as repeat of Spt&Rec 290 with same topic. May be retaken w/chg in topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 294 Wilderness Adventure and Outdoor Activities:**

1-2 cr. Undergraduate.

Topics of current interest focusing on life-long participation and skill development in the areas of Wilderness Adventure and Outdoors Activities. Credits for specific topics announced in Schedule of Classes.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Counts as repeat of Spt&Rec 290 with same topic. May be retaken w/chg in topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 295 Organized Sport:**

1-2 cr. Undergraduate.

Topics of current interest focusing on life-long participation and skill development in the area of sport. Credits for specific topics announced in Schedule of Classes.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Counts as repeat of FITWELL 290 with same topic. May be retaken with change in topic.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 296 Exercise and Fitness Activities:**

1-2 cr. Undergraduate.

Topics of current interest focusing on life-long participation and skill development in the area of Exercise and Fitness. Credits for specific topics announced in Schedule of Classes.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Counts as repeat of FITWELL 290 with same topic. May be retaken w/chg in topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FITWELL 298 Meditation, Relaxation, and Wellness:**

1-2 cr. Undergraduate.

Topics of current interest focusing on life-long participation and skill development in the areas of meditation, relaxation, and wellness. Credits for specific topics announced in Schedule of Classes.

**Prerequisites:** none, except as required for specific topic.

**Course Rules:** Counts as repeat of FITWELL 290 with same topic. May be retaken with change in topic.

**Last Taught:** UWinterIM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Food & Beverage Studies (FOODBEV)

**FOODBEV 699 Advanced Independent Study**

1-3 cr. Undergraduate.

Advanced-level independent study work under the supervision of a faculty or academic staff member.

**Prerequisites:** junior standing; 2.0 GPA; consent of instructor, program coordinator, and Assistant Dean for Student Academic Services.

**Course Rules:** Retakable to 9 cr max.

2-4 cr. Undergraduate.

A specific aspect of French culture combining class lectures and on-site visits.

**Prerequisites:** French 303(215)(P) or cons instr; acceptance for Study Abroad Prog; conc reg in French 595(C).

**Course Rules:** May not enroll conc in French 449. May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2004, Spring 2003, Spring 2002, Spring 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 357 Literature of the French-Speaking World in Translation:**

3 cr. Undergraduate.

Topic/genre in selected works by major writers from one or more French-speaking regions (France, Belgium, Switzerland, Quebec, the Caribbean, Africa, Southeast Asia, etc.).

**Prerequisites:** jr st or cons instr.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2017, Fall 2016, Fall 2013, Fall 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 383 Honors Seminar:**

3 cr. Undergraduate.

Reading and discussion of selected works.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Spring 2017, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 392 Phonetics**

3 cr. Undergraduate.

Theory of French sounds; phonetic transcription; practice in pronunciation in class and in language laboratory.

**Prerequisites:** French 303(215)(P) or cons instr.

**Course Rules:** Required of teaching majors & minors.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 397 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before coursework level, content, and credits are determined and/or in specially-prepared program coursework.

**Prerequisites:** French 203(P); acceptance for Study Abroad Prog; conc reg in French 595(C).

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2023, Summer 2022, Spring 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 410 French Immersion: Advanced**

1-2 cr. Undergraduate/Graduate.

Concentrated, structured practice of spoken French; contemporary topics; small-group setting with native speakers simulates immersion experience. Build vocabulary, improve communication skills. Weekend, interim, or short-term summer modules. Specific credits announced in Schedule whenever course is offered.

**Prerequisites:** French 324(327)(P) & 325(P), or cons instr.

**Course Rules:** May be retaken to 4 cr max.

**Last Taught:** Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 410G French Immersion: Advanced**

1-2 cr. Undergraduate/Graduate.

Concentrated, structured practice of spoken French; contemporary topics; small-group setting with native speakers simulates immersion experience. Build vocabulary, improve communication skills. Weekend, interim, or short-term summer modules. Specific credits announced in Schedule whenever course is offered.

**Prerequisites:** French 324(327)(P) & 325(P), or cons instr.

**Course Rules:** May be retaken to 4 cr max.

**Last Taught:** Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 415 Introduction to Translation: French to English**

3 cr. Undergraduate.

Introduction to basic skills necessary to professional translation.

Translation of texts from French into English. Summarizing texts. Sight translation.

**Prerequisites:** junior standing; a grade of B or better in FRENCH 325(P); FRENCH 324(P) or FRENCH 332(P).

**Last Taught:** Fall 2010, Fall 2009, Fall 2008, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 426 Growing Up French**

3 cr. Undergraduate/Graduate.

French civilization from the point of view of the French child, with emphasis on materials familiar to French children and adolescents.

**Prerequisites:** junior standing and two French courses numbered 320 or above; or consent of instructor.

**Last Taught:** Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 426G Growing Up French**

3 cr. Undergraduate/Graduate.

French civilization from the point of view of the French child, with emphasis on materials familiar to French children and adolescents.

**Prerequisites:** junior standing and two French courses numbered 320 or above; or consent of instructor.

**Last Taught:** Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 427 Advanced Written Expression**

3 cr. Undergraduate/Graduate.

Development of writing proficiency in a variety of genres through close analysis and imitation of good French writing; emphasis on usage, syntax, and authentic French expression.

**Prerequisites:** jr st & French 324(327)(P) & 325(P), or grad st.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 427G Advanced Written Expression**

3 cr. Undergraduate/Graduate.

Development of writing proficiency in a variety of genres through close analysis and imitation of good French writing; emphasis on usage, syntax, and authentic French expression.

**Prerequisites:** jr st & French 324(327)(P) & 325(P), or grad st.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 428 Castles, Cathedrals, and Common People: The Foundations of French Culture**

3 cr. Undergraduate/Graduate.

Study of major aspects of French society and its cultural expressions from the Middle Ages through the Renaissance.

**Prerequisites:** jr st; French 332(322)(P); French 324(327)(P) or 325(P); or cons instr.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 428G Castles, Cathedrals, and Common People: The Foundations of French Culture**

3 cr. Undergraduate/Graduate.

Study of major aspects of French society and its cultural expressions from the Middle Ages through the Renaissance.

**Prerequisites:** jr st; French 332(322)(P); French 324(327)(P) or 325(P); or cons instr.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 429 Royalty, Reason, and Revolution: The Golden Age of French Culture**

3 cr. Undergraduate/Graduate.

Major aspects of French society and its cultural expressions from the Renaissance through the Revolution.

**Prerequisites:** jr st; French 332(322)(P); French 324(327)(P) or 325(P); or cons instr.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 429G Royalty, Reason, and Revolution: The Golden Age of French Culture**

3 cr. Undergraduate/Graduate.

Major aspects of French society and its cultural expressions from the Renaissance through the Revolution.

**Prerequisites:** jr st; French 332(322)(P); French 324(327)(P) or 325(P); or cons instr.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 430 Reaction and Innovation: French Culture of the 19th and 20th Centuries**

3 cr. Undergraduate/Graduate.

French politics, society, and culture from Napoleon's First Empire to De Gaulle's Fifth Republic, 1804-1958.

**Prerequisites:** jr st; French 332(322)(P); French 324(327)(P) or 325(P); or cons instr.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 430G Reaction and Innovation: French Culture of the 19th and 20th Centuries**

3 cr. Undergraduate/Graduate.

French politics, society, and culture from Napoleon's First Empire to De Gaulle's Fifth Republic, 1804-1958.

**Prerequisites:** jr st; French 332(322)(P); French 324(327)(P) or 325(P); or cons instr.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 431 Seminar in Literature of the Francophone World:**

3 cr. Undergraduate.

Works written in French by writers of Africa, North Africa, the Caribbean, and Quebec.

**Prerequisites:** junior standing, FRENCH 325(P), and FRENCH 332(P); or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Spring 2023, Fall 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 432 Seminar in French and Francophone Cultures:**

1-3 cr. Undergraduate.

In-depth study of selected topics in the cultures of France or French-speaking countries.

**Prerequisites:** FRENCH 324(P) or FRENCH 325(P), or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2022, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 433 Seminar in French Literature:**

3 cr. Undergraduate.

In-depth study of important works of French literature.

**Prerequisites:** jr st; French 325(P) & 332(322)(P).

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2020, Spring 2014, Fall 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 450 Institutions and Culture of Contemporary France**

3 cr. Undergraduate/Graduate.

Major political, social, cultural and economic forces shaping France today. France within the European Union and the Francophone world.

**Prerequisites:** jr st; French 325(P); one add'l 300-level French course or cons instr.

**Last Taught:** Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 450G Institutions and Culture of Contemporary France**

3 cr. Undergraduate/Graduate.

Major political, social, cultural and economic forces shaping France today. France within the European Union and the Francophone world.

**Prerequisites:** jr st; French 325(P); one add'l 300-level French course or cons instr.

**Last Taught:** Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 451 Cinema of the French-Speaking World:**

3 cr. Undergraduate/Graduate.

Narrative techniques and thematic content of French-language cinema.

**Prerequisites:** jr st; two of French 324(327)(P), 325(P), 332(322)(P) or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max. First enrollment only counts toward French major.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 451G Cinema of the French-Speaking World:**

3 cr. Undergraduate/Graduate.

Narrative techniques and thematic content of French-language cinema.

**Prerequisites:** jr st; two of French 324(327)(P), 325(P), 332(322)(P) or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max. First enrollment only counts toward French major.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 457 Topics in French and Francophone Studies in Translation:**

3 cr. Undergraduate/Graduate.

Critical reading, lectures, and discussion of important works on a topic, genre, or historical period, with particular emphasis on intellectual and cultural context.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** COMPLIT 457 & FRENCH 457 are jointly offered; they count as repeats of one another. May be retaken with change in topic to 9 cr max.

**Last Taught:** Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 457G Topics in French and Francophone Studies in Translation:**

3 cr. Undergraduate/Graduate.

Critical reading, lectures, and discussion of important works on a topic, genre, or historical period, with particular emphasis on intellectual and cultural context.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** COMPLIT 457 & FRENCH 457 are jointly offered; they count as repeats of one another. May be retaken with change in topic to 9 cr max.

**Last Taught:** Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 489 Internship in French**

1-6 cr. Undergraduate.

Application of advanced principles of French in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; a 300-level or above course in French; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** French 203(P); acceptance for Study Abroad Prog; conc reg in French 595(C).

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2004, Summer 2003, Spring 2003, Fall 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 510 Seminar on Masterpieces of Literature Written in French:**

3 cr. Undergraduate/Graduate.

Representative works of a major writer or writers.

**Prerequisites:** jr st; French 325(P) & 332(322)(P); or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 510G Seminar on Masterpieces of Literature Written in French:**

3 cr. Undergraduate/Graduate.

Representative works of a major writer or writers.

**Prerequisites:** jr st; French 325(P) & 332(322)(P); or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 520 Seminar in Contemporary French Literature:**

3 cr. Undergraduate/Graduate.

Trends and schools in contemporary novels, theatre, and poetry.

**Prerequisites:** jr st; French 325(P) & 332(322)(P); or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2010, Fall 1990.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 520G Seminar in Contemporary French Literature:**

3 cr. Undergraduate/Graduate.

Trends and schools in contemporary novels, theatre, and poetry.

**Prerequisites:** jr st; French 325(P) & 332(322)(P); or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2010, Fall 1990.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 592 Seminar in French Language:**

3 cr. Undergraduate/Graduate.

Historic, social, geographic, phonological, and lexical evolution of French. How French fits into global and regional contexts.

**Prerequisites:** jr st; two of French 324(327)(P), 325(P), & 332(322)(P);

French 392(P); or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 592G Seminar in French Language:**

3 cr. Undergraduate/Graduate.

Historic, social, geographic, phonological, and lexical evolution of French. How French fits into global and regional contexts.

**Prerequisites:** jr st; two of French 324(327)(P), 325(P), & 332(322)(P);

French 392(P); or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 599 Tools and Techniques of Research in French**

1 cr. Undergraduate.

Library resources available for research in French language and literature, including online academic databases, the library catalogue, and reference books.

**Prerequisites:** jr st; conc reg in one of French 428(C), 429(C), 430(C), 431(C), 432(C), 433(C), 450(C), 510(C), or 592(C).

**Last Taught:** Fall 2009, Spring 2009, Fall 2008, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 697 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 697G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 699 Advanced Independent Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a French faculty or instructional academic staff member. For further information, consult French prog coord.

**Prerequisites:** jr st; two 300-level French courses, 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 2021, Spring 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 700 Practicum in French Language Teaching Methods**

1 cr. Graduate.

Practical application within French of methods and concepts taught in MALLT(MAFL) 700.

**Prerequisites:** grad st; MALLT(MAFL) 700(C) or cons instr.

**Course Rules:** Retakable to 2 cr max.

**Last Taught:** Spring 2019, Spring 2018, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 731 Seminar in Literature of the Francophone World:**

3 cr. Graduate.

Works written in French by writers of Africa, North Africa, the Caribbean, and Quebec.

**Prerequisites:** graduate standing.

**Course Rules:** Retakable with change in topic to 9 cr max.

**Last Taught:** Spring 2023, Fall 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 732 Topics in French and Francophone Culture:**

1-3 cr. Graduate.

Advanced study of selected topics in the cultures of France or french-speaking countries.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Retakable with change in topic to 9 cr max. Not open for cr to students with cr in FRENCH 432 with the same subtitle.

**Last Taught:** Fall 2022, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 733 Seminar in French Literature:**

3 cr. Graduate.

In-depth study of important works of French literature.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2020, Fall 2017, Spring 2014, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 797 Study Abroad:**

1-6 cr. Graduate.

Designed to enroll graduate students in UWM sponsored program before course work, level, content, and credits are determined and/or in specially-prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Fall 2019, Spring 2013, Fall 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRENCH 799 Independent Study:**

1-3 cr. Graduate.

Supervised study with a member of the graduate faculty.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Retakable w/chg in topic to 6 cr max.

**Last Taught:** Spring 2023, Spring 2017, Fall 2016, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Freshwater Sciences (FRSHWTR)

**FRSHWTR 101 Elements of Water**

3 cr. Undergraduate.

The most important natural resource on Earth is freshwater. This course will address the importance of water in biological, ecological, physical, climate and economic systems, and the consequences of disrupting the natural water cycle.

**Prerequisites:** none.

**General Education Requirements:** NS

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 120 Preparing for a Career in Freshwater Sciences**

1 cr. Undergraduate.

Provides students with an introduction to student success strategies and campus support services, an understanding of the freshwater sciences major's academic requirements, and an opportunity to explore careers, internships, and scholarships in the freshwater sciences.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 190 Topics in Freshwater Sciences:**

1-3 cr. Undergraduate.

Current issues in freshwater sciences for undergraduates.

**Prerequisites:** none, except as may be required for specific topics.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Summer 2023, Spring 2023, Spring 2022, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 191 Great Lakes Ecology**

3 cr. Undergraduate.

A select history of Great Lakes ecosystem change.

**Prerequisites:** none.**Course Rules:** Counts as repeat of Frshwtr 190 with similar topic.**Last Taught:** Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 201 The Water Environment**

3 cr. Undergraduate.

The water environment is the complex of physical, chemical, and biotic factors that act upon an organism and ultimately determine its form and survival.

**Prerequisites:** FRSHWTR 101(P), CHEM 104(P) or CHEM 115(P), and BIO SCI 152(P); or consent of instructor.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 202 Life in Water**

4 cr. Undergraduate.

How organisms interact with each other and their environment. An interdisciplinary approach will expose students to the vast diversity of life forms inhabiting different aquatic environments.

**Prerequisites:** a grade of C or better in BIO SCI 150(P) or equivalent, CHEM 102(P) or equivalent, and MATH 105(P) or equivalent; or consent of instructor.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 296 UROP Apprenticeship, Lower-Level**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff. One credit for 45 hours of research.

**Prerequisites:** freshman or sophomore standing and acceptance to UROP.**Course Rules:** May be retaken up to 9 cr max in any combination of UROP Apprenticeship courses. Not open to juniors and seniors.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 300 Topics in Freshwater Sciences:**

1-3 cr. Undergraduate.

Current issues in freshwater sciences for upper-level undergraduates.

**Prerequisites:** junior standing or greater, BIO SCI 150(P), and CHEM 100(P).**Course Rules:** May be taken with change in topic to 9 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 321 Exploration of Inland Seas**

3 cr. Undergraduate.

An introduction to the unique physical, chemical and biological properties of Earth's largest lakes and their history of research and management.

**Prerequisites:** junior standing or above, or consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 322 Ecology and Evolution of Freshwater Organisms**

3 cr. Undergraduate/Graduate.

Explores the fundamental concepts of population, community, and ecosystem ecology and evolution applied to aquatic ecosystems.

**Prerequisites:** junior standing, BIO SCI 150(P), BIO SCI 152(P), and BIO SCI 310(P); graduate standing; or consent of instructor.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 322G Ecology and Evolution of Freshwater Organisms**

3 cr. Undergraduate/Graduate.

Explores the fundamental concepts of population, community, and ecosystem ecology and evolution applied to aquatic ecosystems.

**Prerequisites:** junior standing, BIO SCI 150(P), BIO SCI 152(P), and BIO SCI 310(P); graduate standing; or consent of instructor.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 341 Sanitation and Sustainability**

3 cr. Undergraduate.

Examines the impacts of human populations on the natural environment and highlight the engineered systems and infrastructure that minimize these impacts.

**Prerequisites:** BIO SCI 152(P) and CHEM 102(P); or consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 342 Water Pollution, Technology and Management**

3 cr. Undergraduate.

Overview of the types of pollutants found in freshwater systems, their origin and movement. Various approaches to cleanup, water and wastewater treatment will also be discussed.

**Prerequisites:** completion of one of the following: CHEM 102(P), CHEM 104(P), BIO SCI 150(P), BIO SCI 152(P) or consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 361 Introduction to Environmental Data Systems**

3 cr. Undergraduate.

Introduction to approaches to acquire, manage, and process data and use the analysis outcomes to solve social-environmental and ecological problems.

**Prerequisites:** completion of one of the following: MTHSTAT 215, MATH 213, MATH 221, MATH 231, or COMPSCI 202; or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 362 Calculating Nature**

3 cr. Undergraduate.

Provides students with a fundamental set of mathematical tools and techniques for characterizing environmental systems.

**Prerequisites:** CHEM 104(P) and MATH 231(P) or consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 381 Honors Seminar:**

3 cr. Undergraduate.

Selected topics in freshwater sciences.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.**Course Rules:** May be retaken with change in topic to 9 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 391 Water and Natural Resource Economics**

3 cr. Undergraduate.

Economic theory and tools for analyzing environmental management decisions are developed and applied to water and other natural resources.

**Prerequisites:** ECON 103(P) or consent of instructor.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 392 Water, Energy, Food, and Climate**

3 cr. Undergraduate.

Identify social and environmental dimensions of environmental systems at their interlinkages. Analyze policy and economic aspects of sustainability as it relates to water and related environmental issues such as climate, energy, and food.

**Prerequisites:** sophomore standing or higher.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 393 Water Law, Policy, and the Environment**

3 cr. Undergraduate.

Processes and complexities of environmental policy, legal-political responsiveness, and social-ecological resilience.

**Prerequisites:** sophomore standing or greater.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 421 Molecular Level Tools to Understand Larger Scale Change**

3 cr. Undergraduate.

An exploration of the tools and methods used to obtain and then scale-up molecular level data to understand freshwater ecosystems.

**Prerequisites:** junior standing or greater, CHEM 104(P), BIO SCI 152(P), FRSHWTR 201(P), and FRSHWTR 202(P); or consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 461 Politics and Policy of Sustainability**

3 cr. Undergraduate/Graduate.

Principles of environmental policy, governance, and management for global sustainability.

**Prerequisites:** junior standing; CES 210(P) or consent of instructor.**Course Rules:** CES 461, FRSHWTR 461, & GLOBAL 461 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 461G Politics and Policy of Sustainability**

3 cr. Undergraduate/Graduate.

Principles of environmental policy, governance, and management for global sustainability.

**Prerequisites:** junior standing; CES 210(P) or consent of instructor.**Course Rules:** CES 461, FRSHWTR 461, & GLOBAL 461 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 464 Chemical Hydrogeology**

4 cr. Undergraduate/Graduate.

Natural chemical processes that occur in groundwater systems, how they are modified by human activity and contamination, and attempts to regulate them. 3 hrs lec, 3 hrs lab.

**Prerequisites:** jr st; CHEM 102(P).**Course Rules:** FRSHWTR 464 & GEO SCI 464 are jointly-offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 464G Chemical Hydrogeology**

4 cr. Undergraduate/Graduate.

Natural chemical processes that occur in groundwater systems, how they are modified by human activity and contamination, and attempts to regulate them. 3 hrs lec, 3 hrs lab.

**Prerequisites:** jr st; CHEM 102(P).**Course Rules:** FRSHWTR 464 & GEO SCI 464 are jointly-offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 471 Introduction to Sensing Networks**

3 cr. Undergraduate/Graduate.

A combination of satellite and underwater sensors are analyzed for surface water quantity observation. Students will learn modelling techniques for multiple sources of data.

**Prerequisites:** MTHSTAT 215(P) or FRSHWTR 583(P) and MATH 213(P) or MATH 231(P); or graduate standing; or consent of instructor.**Course Rules:** Counts as a repeat of FRSHWTR 650 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 471G Introduction to Sensing Networks**

3 cr. Undergraduate/Graduate.

A combination of satellite and underwater sensors are analyzed for surface water quantity observation. Students will learn modelling techniques for multiple sources of data.

**Prerequisites:** MTHSTAT 215(P) or FRSHWTR 583(P) and MATH 213(P) or MATH 231(P); or graduate standing; or consent of instructor.**Course Rules:** Counts as a repeat of FRSHWTR 650 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 490 Sustainable Design for Community Development**

3 cr. Undergraduate/Graduate.

Transdisciplinary students will work on sustainable projects and designs to address complex societal problems that require consideration of economy, environment, politics, and technology that leverage community-based knowledge.

**Prerequisites:** junior standing or consent of instructor; MECHENG 320(R).**Course Rules:** EAS 490, FRSHWTR 490, and PEACEST 490 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 490G Sustainable Design for Community Development**

3 cr. Undergraduate/Graduate.

Transdisciplinary students will work on sustainable projects and designs to address complex societal problems that require consideration of economy, environment, politics, and technology that leverage community-based knowledge.

**Prerequisites:** junior standing or consent of instructor; MECHENG 320(R).**Course Rules:** EAS 490, FRSHWTR 490, and PEACEST 490 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 496 UROP Apprenticeship, Upper-Level**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff. One credit for 45 hrs of research.

**Prerequisites:** junior standing, acceptance to UROP, and prior or concurrent registration in UROP seminar.

**Course Rules:** May be retaken to 9 cr max in any combination of UROP apprenticeship courses.

**Last Taught:** Spring 2017, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** UWinterIM 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** UWinterIM 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 498 Undergraduate Research**

1-3 cr. Undergraduate.

Undergraduate research on faculty-supervised research projects.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 502 Aquatic Ecosystem Dynamics**

3 cr. Undergraduate/Graduate.

Interdisciplinary, quantitative approach to understanding large lake dynamic processes, including geological formation, hydrology, hydrodynamics, chemistry and the dynamics of plankton and fish communities.

**Prerequisites:** jr st; 1 sem calculus or algebra; 2 sem Physics, Chem, or Bio Sci; or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 502G Aquatic Ecosystem Dynamics**

3 cr. Undergraduate/Graduate.

Interdisciplinary, quantitative approach to understanding large lake dynamic processes, including geological formation, hydrology, hydrodynamics, chemistry and the dynamics of plankton and fish communities.

**Prerequisites:** jr st; 1 sem calculus or algebra; 2 sem Physics, Chem, or Bio Sci; or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 504 Quantitative Freshwater Analysis**

3 cr. Undergraduate/Graduate.

A fundamental set of tools for the quantitative analysis of environmental data sets, with an emphasis on the calculation of reservoirs, residence times and rates in aquatic systems.

**Prerequisites:** jr st; 1 sem calculus, Physics, Chem, & Bio Sci; or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 504G Quantitative Freshwater Analysis**

3 cr. Undergraduate/Graduate.

A fundamental set of tools for the quantitative analysis of environmental data sets, with an emphasis on the calculation of reservoirs, residence times and rates in aquatic systems.

**Prerequisites:** jr st; 1 sem calculus, Physics, Chem, & Bio Sci; or cons instr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 506 Environmental Health of Freshwater Ecosystems**

3 cr. Undergraduate/Graduate.

The influences of human-induced environmental change on the health of freshwater ecosystems and humans who interact with these systems.

**Prerequisites:** jr st.

**Last Taught:** Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 506G Environmental Health of Freshwater Ecosystems**

3 cr. Undergraduate/Graduate.

The influences of human-induced environmental change on the health of freshwater ecosystems and humans who interact with these systems.

**Prerequisites:** jr st.

**Last Taught:** Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 510 Economics, Policy and Management of Water**

3 cr. Undergraduate/Graduate.

The impact of economics, policy and management decisions on our freshwater resources and how science and economics affect these decisions.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 510G Economics, Policy and Management of Water**

3 cr. Undergraduate/Graduate.

The impact of economics, policy and management decisions on our freshwater resources and how science and economics affect these decisions.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 511 Ichthyology**

3 cr. Undergraduate/Graduate.

The diverse biology of fishes focusing on behavioral, biomechanical, genetic, and physiological adaptations to diverse ecological systems.

**Prerequisites:** junior standing and a grade of C or better in BIO SCI 310(P); or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 511G Ichthyology**

3 cr. Undergraduate/Graduate.

The diverse biology of fishes focusing on behavioral, biomechanical, genetic, and physiological adaptations to diverse ecological systems.

**Prerequisites:** junior standing and a grade of C or better in BIO SCI 310(P); or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 512 Freshwater Sciences Practicum:**

2-4 cr. Undergraduate/Graduate.

Diverse opportunities for practical, hands-on experience in the practice of freshwater science with emphasis on team work, problem solving, field work, and dissemination of results.

**Prerequisites:** junior standing, FRSHWTR 502(P), and FRSHWTR 504(P); or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 512G Freshwater Sciences Practicum:**

2-4 cr. Undergraduate/Graduate.

Diverse opportunities for practical, hands-on experience in the practice of freshwater science with emphasis on team work, problem solving, field work, and dissemination of results.

**Prerequisites:** junior standing, FRSHWTR 502(P), and FRSHWTR 504(P); or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 513 Field Experimentation and Analysis in Freshwater Sciences**

3 cr. Undergraduate/Graduate.

Student acquisition of comprehensive investigative procedures in freshwater ecology focusing on field and laboratory interactive assignments.

**Prerequisites:** jr st; Bio Sci 152(P); Chem 104(P); or grad st.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 513G Field Experimentation and Analysis in Freshwater Sciences**

3 cr. Undergraduate/Graduate.

Student acquisition of comprehensive investigative procedures in freshwater ecology focusing on field and laboratory interactive assignments.

**Prerequisites:** jr st; Bio Sci 152(P); Chem 104(P); or grad st.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 514 Analytical Techniques in Freshwater Sciences**

3 cr. Undergraduate/Graduate.

Modern analytical techniques and genomics principles and methods in freshwater sciences.

**Prerequisites:** jr st; Bio Sci 152(P); Chem 104(P); or grad st.

**Course Rules:** Counts as repeat of Frshwtr 650 w/same topic.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 514G Analytical Techniques in Freshwater Sciences**

3 cr. Undergraduate/Graduate.

Modern analytical techniques and genomics principles and methods in freshwater sciences.

**Prerequisites:** jr st; Bio Sci 152(P); Chem 104(P); or grad st.

**Course Rules:** Counts as repeat of Frshwtr 650 w/same topic.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 524 Introduction to Stable and Radioactive Isotopes**

3 cr. Undergraduate/Graduate.

Principles and applications of stable and radioactive isotopes and other biogeochemical tracers in aquatic environments.

**Prerequisites:** junior standing, CHEM 102(P), and CHEM 104(P); or graduate standing; or consent of instructor.

**Last Taught:** Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 524G Introduction to Stable and Radioactive Isotopes**

3 cr. Undergraduate/Graduate.

Principles and applications of stable and radioactive isotopes and other biogeochemical tracers in aquatic environments.

**Prerequisites:** junior standing, CHEM 102(P), and CHEM 104(P); or graduate standing; or consent of instructor.

**Last Taught:** Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 541 Contaminants of Emerging Concern**

3 cr. Undergraduate/Graduate.

Various emerging contaminants such as pharmaceuticals, plasticizers, nanomaterials, and their use, distribution, potential impacts on the environment.

**Prerequisites:** junior standing or higher.

**Course Rules:** Counts as repeat of FRSHWTR 650 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 541G Contaminants of Emerging Concern**

3 cr. Undergraduate/Graduate.

Various emerging contaminants such as pharmaceuticals, plasticizers, nanomaterials, and their use, distribution, potential impacts on the environment.

**Prerequisites:** junior standing or higher.

**Course Rules:** Counts as repeat of FRSHWTR 650 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 563 Finfish Aquaculture and Nutrition Principles**

3 cr. Undergraduate/Graduate.

Principles of aquaculture and fish nutrition; emphasis on Great Lakes; future challenges to aquaculture development in North America.

**Prerequisites:** junior standing, BIO SCI 152(P), and CHEM 104(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 563G Finfish Aquaculture and Nutrition Principles**

3 cr. Undergraduate/Graduate.

Principles of aquaculture and fish nutrition; emphasis on Great Lakes; future challenges to aquaculture development in North America.

**Prerequisites:** junior standing, BIO SCI 152(P), and CHEM 104(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 567 Fish Health**

3 cr. Undergraduate/Graduate.

Overview of current and emerging fish diseases and treatment strategies to diagnose and identify pathogens and disease to mitigate spread of disease.

**Prerequisites:** junior standing, BIO SCI 152(P), and CHEM 104(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 567G Fish Health**

3 cr. Undergraduate/Graduate.

Overview of current and emerging fish diseases and treatment strategies to diagnose and identify pathogens and disease to mitigate spread of disease.

**Prerequisites:** junior standing, BIO SCI 152(P), and CHEM 104(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 583 Cost-Benefit Analysis for Environmental Resource Decisions**

3 cr. Undergraduate/Graduate.

Development and illustration of cost-benefit analysis concepts, principles, and techniques through applications to environmental resource decisions.

**Prerequisites:** junior standing.**Course Rules:** Counts as repeat of FRSHWTR 650 with similar topic.**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 583G Cost-Benefit Analysis for Environmental Resource Decisions**

3 cr. Undergraduate/Graduate.

Development and illustration of cost-benefit analysis concepts, principles, and techniques through applications to environmental resource decisions.

**Prerequisites:** junior standing.**Course Rules:** Counts as repeat of FRSHWTR 650 with similar topic.**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 584 Aquatic Ecosystem Services Valuation**

3 cr. Undergraduate/Graduate.

Economic theory and methods in valuing aquatic and related terrestrial ecosystems.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of Frshwtr 650 with same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 584G Aquatic Ecosystem Services Valuation**

3 cr. Undergraduate/Graduate.

Economic theory and methods in valuing aquatic and related terrestrial ecosystems.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of Frshwtr 650 with same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 585 Applied Water Statistics and Data Manipulation**

3 cr. Undergraduate/Graduate.

Principles of data analysis, probability, and statistical inference are developed and applied to freshwater science and policy issues using the R software environment.

**Prerequisites:** junior status or above; or consent of instructor.**Course Rules:** Counts as repeat of FRSHWTR 650 with similar topic.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 585G Applied Water Statistics and Data Manipulation**

3 cr. Undergraduate/Graduate.

Principles of data analysis, probability, and statistical inference are developed and applied to freshwater science and policy issues using the R software environment.

**Prerequisites:** junior status or above; or consent of instructor.**Course Rules:** Counts as repeat of FRSHWTR 650 with similar topic.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 630 Leadership in Science: Tackling Wicked Problems**

3 cr. Undergraduate/Graduate.

Extends learning and practice into the role and relationships with individuals and groups in the leadership process in the context of wicked problems.

**Prerequisites:** jr st. or higher.**Course Rules:** Counts as repeat of Frshwtr 650 with similar topic.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 630G Leadership in Science: Tackling Wicked Problems**

3 cr. Undergraduate/Graduate.

Extends learning and practice into the role and relationships with individuals and groups in the leadership process in the context of wicked problems.

**Prerequisites:** jr st. or higher.**Course Rules:** Counts as repeat of Frshwtr 650 with similar topic.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 640 Sequence Analysis**

3 cr. Undergraduate/Graduate.

Molecular biology underlying nucleic and amino acid analyses and the tools available to conduct comparative sequence analysis.

**Prerequisites:** jr st; BIO SCI 152(P), BIO SCI 325(P), & CHEM 104(P); or grad st.**Course Rules:** Counts as repeat of Frshwtr 512 with similar topic.**Last Taught:** Spring 2023, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 640G Sequence Analysis**

3 cr. Undergraduate/Graduate.

Molecular biology underlying nucleic and amino acid analyses and the tools available to conduct comparative sequence analysis.

**Prerequisites:** jr st; BIO SCI 152(P), BIO SCI 325(P), & CHEM 104(P); or grad st.**Course Rules:** Counts as repeat of Frshwtr 512 with similar topic.**Last Taught:** Spring 2023, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 650 Topics in Freshwater Sciences:**

1-3 cr. Undergraduate/Graduate.

Current issues in freshwater sciences.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 650G Topics in Freshwater Sciences:**

1-3 cr. Undergraduate/Graduate.

Current issues in freshwater sciences.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 660 Professional and Capstone Planning**

1 cr. Undergraduate.

Preparation to work and communicate with environmental professionals, agencies, or clients and develop a written proposal to solve an environmental application or problem.

**Prerequisites:** junior or senior standing in the BS Freshwater program.**Course Rules:** Repeat required for students who do not pass.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 661 Undergraduate Capstone**

3 cr. Undergraduate.

Student teams develop analytical solutions to a freshwater or environmental problem in a multidisciplinary framework and in collaboration with environmental professionals, agencies, or clients.

**Prerequisites:** junior standing, FRSHWTR 660(P), and consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 662 Thesis Research Planning and Proposal Development**

1 cr. Undergraduate.

Prepares students for their thesis research through the process of writing a research proposal and understanding how to write a scientific paper.

**Prerequisites:** junior standing and completion of 24 credits in Freshwater Sciences, or instructor permission.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 663 Undergraduate Research and Thesis**

3 cr. Undergraduate.

Intensive independent study course for students undertaking the research and writing of a senior thesis.

**Prerequisites:** FRSHWTR 662(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 690 Undergraduate Seminar in Freshwater Sciences:**

1-3 cr. Undergraduate.

Seminar on topics of current interest in freshwater sciences.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2018, Fall 2017, Fall 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 695 Independent Study in Freshwater Sciences for Biological Sciences Students**

1-3 cr. Undergraduate.

Independent and original research on a topic not available as a regular course; conducted under the direction of faculty or staff scientist from the School of Freshwater Science.

**Prerequisites:** jr st; Bio Sci 325 (P); one of Bio Sci 310(P), 315(P)/316(P), or 383(P); 2.500 GPA; writ cons instr, dept chair, & asst dean for SAS.**Course Rules:** Bio Sci 695 & Frshwtr 695 are jointly offered; w/ same subject, they count as repeats of one another. May be retaken to 6 cr max. Satisfies Bio Sci research req; does not count as a Bio Sci lab course.**Last Taught:** Spring 2023, Fall 2020, Summer 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 699 Independent Study for Undergraduates**

1-3 cr. Undergraduate.

Independent study on a topic not available as a regular course; conducted under the supervision of a faculty member; requires approved study proposal.

**Prerequisites:** jr st; cons instr.**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2022, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 781 Water Law for Scientists and Policy Makers**

3 cr. Graduate.

The course is formatted to provide five (5) classes each on the Clean Water Act and basic common law concepts of Water Law; The Great Lakes Compact; and Wisconsin's Groundwater Protection Act. Counts as repeat of Frsh Wtr 650 with similar topic.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 784 Water Consulting Experience**

3 cr. Graduate.

Diverse opportunities for practical, hands-on experience in the consulting practice of freshwater science and policy with emphasis on team work, problem solving, research and writing, and presentation of results.

**Prerequisites:** graduate standing.**Course Rules:** Counts as repeat of FRSHWTR 512 with the topic Freshwater Policy and Management.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 810 Professional Development for Water Leaders**

3 cr. Graduate.

Exploration of skill set needed for lifelong career development: research ethics, communications, teamwork, interpersonal relationships, administration, entrepreneurship, project management, and leadership.

**Prerequisites:** Counts as repeat of FrshWtr 650 with similar topic. Prereq grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**FRSHWTR 888 Candidate for Degree**

0 cr. Graduate.

Available for grad students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Summer 2023, Spring 2020, Fall 2019, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 890 Science Communication**

3 cr. Graduate.

Effective communication of science behind critical water issues at different levels of complexity and to diverse audiences.

**Prerequisites:** graduate standing.**Course Rules:** Counts as repeat of FRSHWTR 650 with similar topic. Counts as repeat of ENGLISH 890 for students in the freshwater programs.**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 900 Colloquium in Freshwater Sciences**

1 cr. Graduate.

Lectures by staff and visitors on research in various areas of freshwater sciences.

**Prerequisites:** grad st.**Course Rules:** Retakable up to 2 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 901 Seminar in Freshwater Sciences:**

1-3 cr. Graduate.

Seminar on topics of current interest in freshwater sciences.

**Prerequisites:** grad st.**Course Rules:** May be repeated w/ chg in topic to 9 cr max.**Last Taught:** Fall 2018, Spring 2018, Fall 2017, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 980 Graduate Internship**

1-3 cr. Graduate.

Students earn credits for serving in an internship that involves work related to freshwater sciences disciplines.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Retakable to 6 cr max. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 985 Master's Research and Thesis**

1-6 cr. Graduate.

Research and writing of the master's thesis under the supervision of the major professor.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 990 Doctoral Research and Dissertation**

1-9 cr. Graduate.

Research and writing of the doctoral dissertation under the supervision of the major professor.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**FRSHWTR 999 Independent Study**

1-3 cr. Graduate.

For graduate students unable to secure needed content in regular courses.

**Prerequisites:** grad st; cons instr.**Course Rules:** Retakable w/ chg in topic to 6 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Geography (GEOG)

**GEOG 105 Introduction to Human Geography**

3 cr. Undergraduate.

How humans interact with and alter the Earth through cultural, political, and economic processes; how these processes are dependent on and affect Earth's natural resources. 2 hrs lec, 1 hr dis.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 110 The World: Peoples and Regions**

3 cr. Undergraduate.

Introduction to regional cultural geography through a study of representative and significant areas of the earth.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 114 Geography of Race in the United States**

3 cr. Undergraduate.

Contemporary geographic issues of segregation, assimilation, belonging, and exclusion facing African-American, white, Asian, Latino, Native American and either groups in the U.S. 2 hrs lec, 1 hr dis.

**Prerequisites:** none.**General Education Requirements:** CD, SS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 115 Globalization and Economic Development**

3 cr. Undergraduate.

Geographic perspectives on world economy: geographic organization of contemporary production and consumption around the world; historical development of capitalist economy; economic geography of globalization processes.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 120 Our Physical Environment**

3 cr. Undergraduate.

Characteristics and significance of world land form, climate, soils, vegetation, and mineral and water resources. 2 hrs lec, 2 hrs lab/dis.

**Prerequisites:** none.**Course Rules:** Not open for cr to students w/cr in Geog 121(ER), 122(ER).**General Education Requirements:** NS+**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 125 Introduction to Environmental Geography**

3 cr. Undergraduate.

Introduction to environmental geography and related environmental problems aimed at understanding of the earth's systems in our daily encounter with them.

**Prerequisites:** none.**General Education Requirements:** NS**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 140 Our Urban Environment: Introduction to Urban Geography**

3 cr. Undergraduate.

Site and situation, central functions, spatial patterns of socio-economic and demographic characteristics of urban population. Spatial patterns of urban economy.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2023, Fall 2022, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Spring 2006, Spring 2004, Summer 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 213 Geography of Asia**

3 cr. Undergraduate.

Population, resources, development, and diversity. Regions discussed are East Asia, Southeast Asia, South Asia, and Central Asia.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2023, Spring 2018, Spring 2015, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 215 Introduction to Geographic Information Science**

3 cr. Undergraduate.

Geographic objects, their representation and analysis. Topics include special nature of spatial data; concepts of space, mapping, spatial relationships; and use of geographic information systems. 2 hrs lec, 2 hrs lab.

**Prerequisites:** none.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 247 Quantitative Analysis in Geography**

3 cr. Undergraduate.

Application of quantitative measures to geographic problems. Topics include descriptive statistics, statistical inference, and bivariate relationships.

**Prerequisites:** Satisfaction of GER Quantitative Literacy - Part A.**Course Rules:** 2 hrs lec, 2 hrs lab.**General Education Requirements:** QL B**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 289 Internship in Geography, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of geography in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Geog; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.**Last Taught:** Summer 2008, Spring 2006, Fall 2005, Summer 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance into UROP; prior or concurrent registration in UROP seminar.**Course Rules:** One credit for 45 hrs research. May be retaken to 9 cr max in any combination of UROP apprenticeship courses. Not open to jrs & srs.**Last Taught:** Fall 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2023, Summer 2022, Spring 2022, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 1998, Spring 1989, Spring 1986.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 304 Human Impact on the Environment**

3 cr. Undergraduate.

Geographical and temporal distribution of human effects on land and resources; historical background of human concern for deleterious effects of impacts on environments.

**Prerequisites:** jr st; intro course in Geog or a life sci recom.**General Education Requirements:** SS**Last Taught:** Fall 2022, Spring 2017, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEOG 306 Natural Hazards**

3 cr. Undergraduate.

An introduction to processes and conditions responsible for natural hazards, reasons for geographic patterns of hazards' occurrence, and modes of adjustment to natural hazards.

**Prerequisites:** jr st; a physical geog course recom.**General Education Requirements:** NS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 309 Nationalities and Nations of the World**

3 cr. Undergraduate.

Geographies of national identities and nationalism. Changing borders of countries, transnational migration, refugees. Use of memorial spaces rel. to national identity and legacies of colonialism. Transnational human rights activism, fascism, neoliberalism and its opposition.

**Prerequisites:** junior standing or one of the following: GEOG 110(P), GEOG 114(P), ETHNIC 101(P), or ETHNIC 102(P); or consent of instructor.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 310 General Climatology**

3 cr. Undergraduate.

Global patterns of climate and the processes that shape them. Climatic elements, upper-atmospheric waves, internet data, Midwest climate, climate classification, and climate change.

**Prerequisites:** jr st; Geog 120(R), Atm Sci 100(R), or Atm Sci 240(R).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 330 Europe: East and West**

3 cr. Undergraduate.

Europe's lands and peoples, physical and cultural diversities and similarities.

**Prerequisites:** jr st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 333 Muslim Geographies: Identities and Politics**

3 cr. Undergraduate.

Origins and main features of Islam and the diversity of Muslim cultures in various geographical, social, cultural, and political contexts.

**Prerequisites:** none.

**Course Rules:** Previously GEOG 231.

**General Education Requirements:** SS

**Last Taught:** Spring 2019, Spring 2017, Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 340 Biogeography**

3 cr. Undergraduate.

An introduction to the geography of the biosphere, the earth's surface, and the plants and animals which live there.

**Prerequisites:** jr st; a physical geog or a biology course recom.

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 350 Conservation of Natural Resources**

3 cr. Undergraduate.

Analysis of environmental ethics; the positive and negative consequences of resource development with emphasis on strategies designed to resolve environmental conflicts.

**Prerequisites:** jr st or a geog course.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 381 Honors Seminar.**

3 cr. Undergraduate.

Selected topics in geography.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** SS

**Last Taught:** Spring 2023, Spring 2022, Fall 2019, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 403 Remote Sensing: Environmental and Land Use Analysis**

4 cr. Undergraduate.

Use of aerial photographs and digital imagery in environmental and land use analysis, including urban areas. 3 hrs lec; 2 hrs lab. PC/Windows familiarity recom.

**Prerequisites:** jr st & Geog 215(P).

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 405 Cartography**

4 cr. Undergraduate.

Thematic cartography; map communication, design principles, illustration and mapping software. 3 hrs lec, 2 hrs lab.

**Prerequisites:** jr st & Geog 215(P).

**Last Taught:** Spring 2022, Spring 2019, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 410 Gendered Geographies**

3 cr. Undergraduate/Graduate.

Various ways feminist geographers have analyzed gender in relation to phenomena such as the body, home, work, the nation, colonization, and globalization.

**Prerequisites:** jr st & one of Geog 105(P) or 110(P) or Wmns 200(P) or 201(P) or equiv; or grad st.

**Last Taught:** Spring 2011, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 410G Gendered Geographies**

3 cr. Undergraduate/Graduate.

Various ways feminist geographers have analyzed gender in relation to phenomena such as the body, home, work, the nation, colonization, and globalization.

**Prerequisites:** jr st & one of Geog 105(P) or 110(P) or Wmns 200(P) or 201(P) or equiv; or grad st.

**Last Taught:** Spring 2011, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 415 Hydrogeography**

3 cr. Undergraduate/Graduate.

Role of water in geographic systems. Interaction of water with physical and human systems, key hydrological processes, spatial and temporal variations of water, data collection, modeling.

**Prerequisites:** junior standing and GEOG 120(P) or GEOG 125(P); or graduate standing.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 415G Hydrogeography**

3 cr. Undergraduate/Graduate.

Role of water in geographic systems. Interaction of water with physical and human systems, key hydrological processes, spatial and temporal variations of water, data collection, modeling.

**Prerequisites:** junior standing and GEOG 120(P) or GEOG 125(P); or graduate standing.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 437 Qualitative Methods in Geography**

3 cr. Undergraduate.

Research design, interview, focus group, ethnography, survey, and discourse analysis; epistemological debates and the methodological and ethical issues that arise throughout the research process.

**Prerequisites:** jr st; Geog 105(P), 110(P), 114(P), or 140(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 441 Geography of Cities and Metropolitan Areas**

3 cr. Undergraduate/Graduate.

Extent, localization, and geographic relations of land uses, facilities, and internal circulation, with particular reference to large North American cities.

**Prerequisites:** jr st & intro course in geog or acceptable course in an urban related field, e.g. Econ, UrbPlan, Urb Std; or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 441G Geography of Cities and Metropolitan Areas**

3 cr. Undergraduate/Graduate.

Extent, localization, and geographic relations of land uses, facilities, and internal circulation, with particular reference to large North American cities.

**Prerequisites:** jr st & intro course in geog or acceptable course in an urban related field, e.g. Econ, UrbPlan, Urb Std; or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 443 Cities of the World: Comparative Urban Geography**

3 cr. Undergraduate/Graduate.

Geographic analysis of world urban systems with emphasis on the cultural traditions, form, function and socio-economic development of cities.

**Prerequisites:** jr st & Geog 110(P), 115(P), or 140(P).

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 443G Cities of the World: Comparative Urban Geography**

3 cr. Undergraduate/Graduate.

Geographic analysis of world urban systems with emphasis on the cultural traditions, form, function and socio-economic development of cities.

**Prerequisites:** jr st & Geog 110(P), 115(P), or 140(P).

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 450 Climates of the Past and Climate Change**

3 cr. Undergraduate/Graduate.

Climatic history of the earth and climate models. Milankovitch theory, quaternary climates, temporal-spatial scales of change, general circulation, and earth system models.

**Prerequisites:** jr st, Geog 120(P) or Atm Sci 100(P) or 240(P), & Geog 310(R); or grad st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 450G Climates of the Past and Climate Change**

3 cr. Undergraduate/Graduate.

Climatic history of the earth and climate models. Milankovitch theory, quaternary climates, temporal-spatial scales of change, general circulation, and earth system models.

**Prerequisites:** jr st, Geog 120(P) or Atm Sci 100(P) or 240(P), & Geog 310(R); or grad st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 464 Environmental Problems**

3 cr. Undergraduate/Graduate.

General discussion and case studies of geographical contexts and historical roots of modern environmental problems. History of human concern over adverse environmental impacts.

**Prerequisites:** jr st & an intro course in a life science or environmental science.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 464G Environmental Problems**

3 cr. Undergraduate/Graduate.

General discussion and case studies of geographical contexts and historical roots of modern environmental problems. History of human concern over adverse environmental impacts.

**Prerequisites:** jr st & an intro course in a life science or environmental science.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 489 Internship in Geography, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of geography in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Geog; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Last Taught:** Summer 2023, Summer 2022, Fall 2019, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 496 UROP Apprenticeship, Upper Level**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff. One credit for 45 hrs research.

**Prerequisites:** jr st; acceptance to UROP.

**Course Rules:** May be retaken to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 515 Watershed Analysis and Modeling**

3 cr. Undergraduate.

Theories and applications of analytical and modeling techniques for watershed processes, including geographic information systems (GIS), statistics, and computer simulations.

**Prerequisites:** junior standing; working knowledge of GIS; GEOG 415(R), GEO SCI 463(R), or GEOG 562(R).

**Last Taught:** Fall 2023, Spring 2020, Fall 2016, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 520 Physical Geography of the City**

3 cr. Undergraduate/Graduate.

Spatial aspects and interactions of plants, animals, climate, soils, and water resources relevant to human activities in the urban environment.

**Prerequisites:** jr st & Geog 120(P) or 125(P); or grad st.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 520G Physical Geography of the City**

3 cr. Undergraduate/Graduate.

Spatial aspects and interactions of plants, animals, climate, soils, and water resources relevant to human activities in the urban environment.

**Prerequisites:** jr st & Geog 120(P) or 125(P); or grad st.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 525 Geographic Information Science**

4 cr. Undergraduate.

Geographic and information theoretical foundations of geographic information science (GIS). Use of macro languages in a software project to expand GIS functionality. 3 hrs lec, 2 hrs lab.

**Prerequisites:** jr st, & Geog 215(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 540 Globalization and the City**

3 cr. Undergraduate/Graduate.

Spatial aspects of globalization and their impact on the city. Topics include emergence of global cities, impacts on urban development, and global era urban strategies.

**Prerequisites:** jr st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 540G Globalization and the City**

3 cr. Undergraduate/Graduate.

Spatial aspects of globalization and their impact on the city. Topics include emergence of global cities, impacts on urban development, and global era urban strategies.

**Prerequisites:** jr st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 547 Spatial Analysis**

4 cr. Undergraduate.

Advanced analysis techniques, including multivariate relationships and spatial modeling.

**Prerequisites:** jr st; Geog 247(P) or dept-approved equiv.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 564 Urban Environmental Change and Social Justice**

3 cr. Undergraduate/Graduate.

Spatial aspects of contributors to urban environmental change affecting social justice. Inequitable distribution of environmental risks and benefits; challenge of developing policies.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 564G Urban Environmental Change and Social Justice**

3 cr. Undergraduate/Graduate.

Spatial aspects of contributors to urban environmental change affecting social justice. Inequitable distribution of environmental risks and benefits; challenge of developing policies.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 600 Perspectives on Geography**

3 cr. Undergraduate.

Seminar on concepts, methods, and approaches to geographic inquiry. Discussion of professional geographic materials, bibliographic procedures and methodologies.

**Prerequisites:** sr st; declared geography major; writ cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 625 Intermediate Geographic Information Science**

4 cr. Undergraduate.

Concepts and techniques of geographic information science (GIS), with emphasis on GIS-based spatial analysis, associated applications, and technology. 3 hrs lec, 2 hrs lab.

**Prerequisites:** jr st: Geog 525(P) or UrbPlan 591(P) or 791(P); or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 650 Geography Field Work**

3 cr. Undergraduate/Graduate.

Geographic field work research techniques and field work research projects.

**Prerequisites:** junior standing; written consent of instructor.

**Course Rules:** Students will pay fieldwork expenses. May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 650G Geography Field Work**

3 cr. Undergraduate/Graduate.

Geographic field work research techniques and field work research projects.

**Prerequisites:** junior standing; written consent of instructor.

**Course Rules:** Students will pay fieldwork expenses. May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 696 Independent Work in Physical Geography**

1-3 cr. Undergraduate.

Independent reading or project on a physical geography topic under the supervision of a geography faculty member.

**Prerequisites:** jr st; 2.5 GPA; writ cons instr, dept chair, & asst dean for SAS.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Last Taught:** Spring 2017, Spring 2015, Fall 2012, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 698 GIS/Cartography Internship**

1-6 cr. Undergraduate.

Practical GIS/cartography experience with government agency or private firm under supervision of working expert and faculty member. Intern's contract specifies duties and duration.

**Prerequisites:** jr st; Geog 215(P); writ cons instr & dept chair.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 699 Independent Work**

1-3 cr. Undergraduate.

Independent reading or project. See Advanced Independent Study.

**Prerequisites:** jr st, 2.0 GPA, consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 6 cr max.

**Last Taught:** Summer 2020, Spring 2020, Spring 2019, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 704 Remote Sensing: Environmental and Land Use Analysis**

4 cr. Graduate.

Use of aerial photographs and digital imagery in environmental and land use analysis, including urban areas. 3 hrs lec; 2 hrs lab

**Prerequisites:** PC/Windows familiarity recom.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 705 Cartography**

4 cr. Graduate.

Thematic cartography; map communication, design principles, illustration and mapping software. 3 hrs lec, 2 hrs lab.

**Prerequisites:** grad st.

**Course Rules:** Counts as repeat of Geog 405. Not open for cr to students w/grad cr in Geog 405.

**Last Taught:** Spring 2022, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 716 Watershed Analysis and Modeling**

3 cr. Graduate.

Theories and applications of analytical and modeling techniques for watershed processes, including geographic information systems (GIS), statistics, and computer simulations.

**Prerequisites:** grad st; working knowledge of GIS.

**Course Rules:** Not open for cr to students w/grad cr in Geog 515.

**Last Taught:** Fall 2023, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 726 Geographic Information Science**

4 cr. Graduate.

Geographic and information theoretical foundations of geographic information science (GIS). Use of macro languages in a software project to expand GIS functionality. 3 hrs lec, 2 hrs lab.

**Prerequisites:** grad st.

**Course Rules:** Not open for cr to students w/ grad cr in Geog 525.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 737 Qualitative Research**

3 cr. Graduate.

Qualitative research as applied in geography, including the relationship between quantitative and qualitative approaches, issues of interpretation, and ethics of field work.

**Prerequisites:** graduate standing.

**Course Rules:** Previously GEOG 827.

**Last Taught:** Spring 2020, Spring 2019, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 747 Spatial Analysis**

4 cr. Graduate.

Advanced analysis techniques, including multivariate relationships and spatial modeling.

**Prerequisites:** grad st.

**Course Rules:** Not open for cr to students w/grad cr in GEOG 547.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 798 GIS/Cartography Internship**

1-4 cr. Graduate.

Practical GIS/cartography experience with government agency or private firm under supervision of working expert and faculty member. Intern's contract specifies duties and duration.

**Prerequisites:** graduate standing, written consent of instructor and department chair.

**Course Rules:** May be retaken to 8 cr max.

**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 804 Advanced Remote Sensing**

3 cr. Graduate.

Advanced techniques of image processing and analysis, including classification, georegistration, and spatial modeling.

**Prerequisites:** grad st; Geog 704(P)

**Course Rules:** Counts as a repeat of Geog 703.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 810 Introduction to Techniques of Research and Presentation**

3 cr. Graduate.

Proseminar on the scholarly use of materials in all aspects of geography; training for effective presentation in both written and oral form.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 826 Intermediate Geographic Information Science**

4 cr. Graduate.

Concepts and techniques of geographic information science (GIS), with emphasis on GIS-based spatial analysis, associated applications, and technology. 3 hrs lec, 2 hrs lab.

**Prerequisites:** grad st; Geog 525(P) or Geog 726(P) or UrbPlan 591(P) or UrbPlan 791(P).

**Course Rules:** Counts as a repeat of Geog 625. Not open for cr to students w/grad cr in Geog 625.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 870 Contemporary Geographic Approaches:**

3 cr. Graduate.

Foundations of geographic inquiry, with emphasis on the roles of sub-disciplines, and generalist/specialist approaches in the development of geographic science.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 6 cr max.

**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirements.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2023, Fall 2022, Spring 2021, Summer 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 889 Internship in Geography**

1-6 cr. Graduate.

Application of advanced principles of geography in a business, organizational, educational, political, or other appropriate setting. Intern's contract specifies duties and duration.

**Prerequisites:** grad st; Geog 810(P); writ cons instr & dept chair.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Fall 2021, Summer 2021, Summer 2020, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 890 Research and Master Thesis**

1-6 cr. Graduate.

Research connected with master thesis.

**Prerequisites:** graduate standing.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 905 Seminar: Selected Topics in Geography:**

3 cr. Graduate.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/topic chg to 9 cr max.

**Last Taught:** Spring 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 910 Techniques of Research and Presentation**

3 cr. Graduate.

Seminar on theoretical and practical aspects of geographic research, funding, presentation, and publication.

**Prerequisites:** grad st in Geog Ph.D. program.

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 945 The Internal Structure of the City**

3 cr. Graduate.

The interaction of forces responsible for the evolution of the city as a spatial form and the allocation of economic and social activity within the spatial configuration.

**Prerequisites:** grad st.

**Course Rules:** Geog 945 & Urb Std 945 are jointly-offered; they count as repeats of one another.

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 990 Research and Doctoral Dissertation**

1-12 cr. Graduate.

Research projects connected with dissertation.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Retakeable as necessary to fulfill thesis requirements. Consult coordinator/chair of graduate studies.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEOG 999 Independent Work**

1-6 cr. Graduate.

Independent reading or project.

**Prerequisites:** graduate standing.

**Course Rules:** Retakable with change in topic to 12 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Geosciences (GEO SCI)

### GEO SCI 100 Introduction to the Earth

3 cr. Undergraduate.

Study of earth processes and materials as they relate to people and the environment. Lec, lab.

**Prerequisites:** none.

**Course Rules:** Voluntary field trip for which fee is assessed. No credit for students with credit in GEO SCI 185.

**General Education Requirements:** NS+

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 102 Principles of Historical Geology

3 cr. Undergraduate.

Principles for interpreting the physical and paleontological history of the earth using case studies from the rock record. 2 hrs lec, 3 hrs lab.

**Prerequisites:** none.

**Course Rules:** Field trip for which fee is assessed.

**General Education Requirements:** NS+

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 105 Earth, Air, Fire and Water

3 cr. Undergraduate.

A study of planet Earth from formation through history to modern-day oceans, atmosphere, continents, and interior; how all interact to form the human environment.

**Prerequisites:** none.

**General Education Requirements:** NS

**Last Taught:** UWinterIM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 106 The Earth Environment

3 cr. Undergraduate.

The Earth and its environment; emphasis on the interrelationships of humans with the Earth's processes and responses. Lec.

**Prerequisites:** none.

**Course Rules:** Voluntary field trip for which fee is assessed.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 108 A History of Life

3 cr. Undergraduate.

Major features of the history of life; how paleontologists reconstruct this history. 2 hrs lec, 2 hrs lab.

**Prerequisites:** none.

**General Education Requirements:** NS+

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 109 Dinosaurs

3 cr. Undergraduate.

The natural history of dinosaurs and how geologists and paleontologists reconstruct that history.

**Prerequisites:** none.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 120 Geology of the Planets

3 cr. Undergraduate.

Geological features of the planets, similarities and differences in materials and processes, significance of space exploration to geology. Lec/Lab.

**Prerequisites:** none.

**General Education Requirements:** NS+

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 150 Introduction to Ocean Sciences

3 cr. Undergraduate.

Survey of the interdisciplinary sciences supporting oceanography. Designed for students who do not plan to major in geological sciences but are interested in the recent advances of marine sciences. Lec, voluntary dis.

**Prerequisites:** none.

**Course Rules:** Not open for cr to students who have had Geo Sci 460.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 151 Ocean Sciences Laboratory

1 cr. Undergraduate.

Laboratory exercises and demonstrations of the physical, chemical and biological processes operating in the oceans and how scientists study these processes. 2 hrs lab.

**Prerequisites:** Geo Sci 150(C).

**Course Rules:** Not open for cr to students who have had Geo Sci 460 or 461.

**General Education Requirements:** NS+

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 194 First-Year Seminar.

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** NS

**Last Taught:** Fall 2019, Fall 2017, Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### GEO SCI 199 Independent Study

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Spring 2013, Fall 2011, Summer 2011, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2020, Fall 2019, Spring 2018, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 301 Principles of Mineralogy**

4 cr. Undergraduate.

Major rock-forming minerals, their associations, geologic occurrence, and importance with an emphasis on identification using physical properties and other techniques. 3 hrs lec, 3 hrs lab.

**Prerequisites:** GEO SCI 100(P); course in college chem.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 302 Elementary Petrology**

4 cr. Undergraduate.

Continuation of GEO SCI 301. Igneous and metamorphic rocks, including classification, genesis, field identification, and petrographic microscope study. 3 hrs lec, 3 hrs lab.

**Prerequisites:** GEO SCI 301(P).

**Course Rules:** Required field trip for which fee is assessed.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 316 Introduction to Geophysics**

4 cr. Undergraduate.

Geophysical methods and their applications to the understanding of the interior of the Earth and global tectonics. 3 hrs lec, 3 hrs lab.

**Prerequisites:** GEO SCI 100(P) or GEO SCI 101(P); and PHYSICS 209(P) or PHYSICS 209(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 381 Honors Seminar:**

3 cr. Undergraduate.

Selected topics.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.

**Course Rules:** May be retaken with change in topic to 9 cr max. Field trips may be required.

**General Education Requirements:** NS

**Last Taught:** Spring 2023, Spring 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 400 Water Quality**

4 cr. Undergraduate/Graduate.

Water availability and water quality in surface and subsurface water bodies; management of water as a resource.

**Prerequisites:** junior standing and CHEM 102(P) or consent of instructor.

**Course Rules:** 3 hrs lec, 3 hrs lab.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 400G Water Quality**

4 cr. Undergraduate/Graduate.

Water availability and water quality in surface and subsurface water bodies; management of water as a resource.

**Prerequisites:** junior standing and CHEM 102(P) or consent of instructor.

**Course Rules:** 3 hrs lec, 3 hrs lab.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 409 Process Geomorphology**

4 cr. Undergraduate/Graduate.

Study of geological processes and their effect on the formation and evolution of land forms. 3 hrs lec, 3 hrs lab, field trips for which fee is assessed.

**Prerequisites:** jr st; GEO SCI 100(P), GEOG 120(P), or GEOG 121(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 409G Process Geomorphology**

4 cr. Undergraduate/Graduate.

Study of geological processes and their effect on the formation and evolution of land forms. 3 hrs lec, 3 hrs lab, field trips for which fee is assessed.

**Prerequisites:** jr st; GEO SCI 100(P), GEOG 120(P), or GEOG 121(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 414 Structural Geology**

4 cr. Undergraduate.

Description and analysis of primary and secondary geological structures; regional and global frameworks of geological structures. 3 hrs lec, 3 hrs lab.

**Prerequisites:** junior standing; Math Placement Level 40; GEO SCI 302(C).

**Course Rules:** Field trip for which fee is assessed.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 420 Methods in Paleomagnetism and Environmental Magnetism**

3 cr. Undergraduate.

Theoretical and practical foundation in paleomagnetism and environmental magnetism, including hands-on work with samples and real data.

**Prerequisites:** jr st; MATH 231(R); PHYSICS 210(R) or PHYSICS 122(R).

**Course Rules:** Counts as a repeat of GEO SCI 696 with the same topic.

Not open to students w/ credit in GEO SCI 720.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 421 Conservation Paleontology**

3 cr. Undergraduate.

Application of theories and analytical tools of paleontology to biodiversity conservation.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** Counts as a repeat of GEO SCI 696 with topic 'Conservation Paleontology'.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 422 Plant-Insect Interactions in Deep Time**

3 cr. Undergraduate.

Fossil record of interactions between plants and insects, focusing on herbivory and pollination; basic overview of the fossil record and evolutionary history of plants and insects.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** Counts as a repeat of GEO SCI 696 with topic 'Plant and Insect Relationships in Deep Time'.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 435 History of Geologic Thought**

3 cr. Undergraduate/Graduate.

History of development of the major concepts in geology.

**Prerequisites:** jr st; Geo Sci 102(P) or cons instr.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 435G History of Geologic Thought**

3 cr. Undergraduate/Graduate.

History of development of the major concepts in geology.

**Prerequisites:** jr st; Geo Sci 102(P) or cons instr.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 443 Glacial and Pleistocene Geology**

4 cr. Undergraduate/Graduate.

Mechanics of glacial flow, Pleistocene stratigraphy, and laboratory techniques. 3 hrs lec, 3 hrs lab.

**Prerequisites:** jr st; GEO SCI 100(P), GEO SCI 101(P), GEOG 120(P), or GEOG 121(P). GEO SCI 102(R) or GEO SCI 108(R).

**Course Rules:** Field trips for which fees are assessed.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 443G Glacial and Pleistocene Geology**

4 cr. Undergraduate/Graduate.

Mechanics of glacial flow, Pleistocene stratigraphy, and laboratory techniques. 3 hrs lec, 3 hrs lab.

**Prerequisites:** jr st; GEO SCI 100(P), GEO SCI 101(P), GEOG 120(P), or GEOG 121(P). GEO SCI 102(R) or GEO SCI 108(R).

**Course Rules:** Field trips for which fees are assessed.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 455 Field Geology**

3-8 cr. Undergraduate.

Geologic field work and mapping. Taken off-campus, usually during the summer.

**Prerequisites:** sr st; Geo Sci 302(P) & 414(P).

**Course Rules:** May be retaken to 8 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 463 Physical Hydrogeology**

4 cr. Undergraduate/Graduate.

Study of ground water occurrence, its interrelationship with surface water, aquifer properties, groundwater flow and water supply development, including well hydraulics, water quality, and groundwater law. 3 hrs lec, 3 hrs lab, & field trip.

**Prerequisites:** jr st; GEO SCI 100(P) or GEO SCI 101(P); MATH 232(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 463G Physical Hydrogeology**

4 cr. Undergraduate/Graduate.

Study of ground water occurrence, its interrelationship with surface water, aquifer properties, groundwater flow and water supply development, including well hydraulics, water quality, and groundwater law. 3 hrs lec, 3 hrs lab, & field trip.

**Prerequisites:** jr st; GEO SCI 100(P) or GEO SCI 101(P); MATH 232(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 464 Chemical Hydrogeology**

4 cr. Undergraduate/Graduate.

Natural chemical processes that occur in groundwater systems, how they are modified by human activity and contamination, and attempts to regulate them. 3 hrs lec, 3 hrs lab.

**Prerequisites:** jr st; CHEM 102(P).

**Course Rules:** FRSHWTR 464 & GEO SCI 464 are jointly-offered; they count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 464G Chemical Hydrogeology**

4 cr. Undergraduate/Graduate.

Natural chemical processes that occur in groundwater systems, how they are modified by human activity and contamination, and attempts to regulate them. 3 hrs lec, 3 hrs lab.

**Prerequisites:** jr st; CHEM 102(P).

**Course Rules:** FRSHWTR 464 & GEO SCI 464 are jointly-offered; they count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2015, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2015, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 1996, Summer 1988.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 511 Stratigraphy and Sedimentation**

4 cr. Undergraduate/Graduate.

Techniques and principles of sedimentology and stratigraphy, including methods of correlation, analysis of facies, stratigraphic mapping, and tectonic controls of sedimentation. 3 hrs lec, 3 hrs lab, and field trips.

**Prerequisites:** jr st; GEO SCI 102(P) or equiv.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 511G Stratigraphy and Sedimentation**

4 cr. Undergraduate/Graduate.

Techniques and principles of sedimentology and stratigraphy, including methods of correlation, analysis of facies, stratigraphic mapping, and tectonic controls of sedimentation. 3 hrs lec, 3 hrs lab, and field trips.

**Prerequisites:** jr st; GEO SCI 102(P) or equiv.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 515 Physical Sedimentology**

4 cr. Undergraduate/Graduate.

Physical properties, processes, and environments of clastic sediments. 3 hrs lec, 3 hrs lab, field trip for which fee is assessed.

**Prerequisites:** jr st; GEO SCI 511(P).**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 515G Physical Sedimentology**

4 cr. Undergraduate/Graduate.

Physical properties, processes, and environments of clastic sediments. 3 hrs lec, 3 hrs lab, field trip for which fee is assessed.

**Prerequisites:** jr st; GEO SCI 511(P).**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 520 Introduction to Paleontology**

4 cr. Undergraduate/Graduate.

General study of fossils and theoretical principles used in the study of paleontology. 3 hrs lec, 3 hrs lab, and field trips.

**Prerequisites:** jr st; GEO SCI 102 or GEO SCI 108.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 520G Introduction to Paleontology**

4 cr. Undergraduate/Graduate.

General study of fossils and theoretical principles used in the study of paleontology. 3 hrs lec, 3 hrs lab, and field trips.

**Prerequisites:** jr st; GEO SCI 102 or GEO SCI 108.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 525 Terroir: Geology in a Glass**

3 cr. Undergraduate/Graduate.

The geology, soil types, and climate of famous wine regions; factors that influence the production of fine wine.

**Prerequisites:** jr st; Geo Sci 100(P).**Course Rules:** No cr for students w/cr in Geo Sci 696 w/same topic.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 525G Terroir: Geology in a Glass**

3 cr. Undergraduate/Graduate.

The geology, soil types, and climate of famous wine regions; factors that influence the production of fine wine.

**Prerequisites:** jr st; Geo Sci 100(P).**Course Rules:** No cr for students w/cr in Geo Sci 696 w/same topic.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 545 X-Ray Analytical Methods**

3 cr. Undergraduate/Graduate.

Methods in x-ray diffractometry and spectrometry. Nature and generation of x-rays, collection and interpretation of powder diffraction patterns and elemental analysis using x-ray spectrometry.

**Prerequisites:** jr st; Geo Sci 301(P); satisfaction of OWC-A req; Chem 102(C).**General Education Requirements:** OWCB**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 545G X-Ray Analytical Methods**

3 cr. Undergraduate/Graduate.

Methods in x-ray diffractometry and spectrometry. Nature and generation of x-rays, collection and interpretation of powder diffraction patterns and elemental analysis using x-ray spectrometry.

**Prerequisites:** jr st; Geo Sci 301(P); satisfaction of OWC-A req; Chem 102(C).**General Education Requirements:** OWCB**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 558 Conducted Field Trip:**

1-3 cr. Undergraduate/Graduate.

Field trip to a classical geologic area. Preceded by a seminar.

**Prerequisites:** jr st; cons instr.**Course Rules:** May be retaken w/chg in topic to 9 cr max, only 3 cr of which may be applied toward geo sci major.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 558G Conducted Field Trip:**

1-3 cr. Undergraduate/Graduate.

Field trip to a classical geologic area. Preceded by a seminar.

**Prerequisites:** jr st; cons instr.**Course Rules:** May be retaken w/chg in topic to 9 cr max, only 3 cr of which may be applied toward geo sci major.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 562 Environmental Surface Hydrology**

3 cr. Undergraduate/Graduate.

Land-atmosphere interactions, modeling of runoff generation, and water movement in the vadose zone. 3 hrs lec.

**Prerequisites:** jr st; Math 232(P); or cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 562G Environmental Surface Hydrology**

3 cr. Undergraduate/Graduate.

Land-atmosphere interactions, modeling of runoff generation, and water movement in the vadose zone. 3 hrs lec.

**Prerequisites:** jr st; Math 232(P); or cons instr.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 563 Field Methods in Hydrogeology**

4 cr. Undergraduate/Graduate.

Introduction to current equipment and methodology used in field evaluation of hydrologic systems. Well installation and monitoring, stream gauging, indirect surface observations. Lab, field trip for which fee is assessed.

**Prerequisites:** jr st; GEO SCI 463(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 563G Field Methods in Hydrogeology**

4 cr. Undergraduate/Graduate.

Introduction to current equipment and methodology used in field evaluation of hydrologic systems. Well installation and monitoring, stream gauging, indirect surface observations. Lab, field trip for which fee is assessed.

**Prerequisites:** jr st; GEO SCI 463(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 564G Field Methods in Hydrogeology**

4 cr. Undergraduate/Graduate.

Introduction to current equipment and methodology used in field evaluation of hydrologic systems. Well installation and monitoring, stream gauging, indirect surface observations. Lab, field trip for which fee is assessed.

**Prerequisites:** jr st; GEO SCI 463(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 614 Advanced Structural Geology**

3 cr. Undergraduate/Graduate.

Advanced analysis of deformation as applied to geological structures from microscopic through regional scales. Lec, field trip for which fee is assessed.

**Prerequisites:** jr st; Geo Sci 414(P); Math 231(C).

**Last Taught:** Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 614G Advanced Structural Geology**

3 cr. Undergraduate/Graduate.

Advanced analysis of deformation as applied to geological structures from microscopic through regional scales. Lec, field trip for which fee is assessed.

**Prerequisites:** jr st; Geo Sci 414(P); Math 231(C).

**Last Taught:** Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 635 Volcanology**

3 cr. Undergraduate/Graduate.

Why and when volcanoes erupt; predicting whether eruptions will be explosive or passive.

**Prerequisites:** jr st; Geo Sci 302(P) or cons instr.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 635G Volcanology**

3 cr. Undergraduate/Graduate.

Why and when volcanoes erupt; predicting whether eruptions will be explosive or passive.

**Prerequisites:** jr st; Geo Sci 302(P) or cons instr.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 637 Planetary Geology**

3 cr. Undergraduate/Graduate.

Advanced study of planetary geology, for advanced undergraduate and graduate students.

**Prerequisites:** jr st; Geo Sci 301(P) or Astron 211(P) or 400(P); completion of OWC-A GER (English 102 or equiv placement).

**Course Rules:** No cr for students w/cr in Geo Sci 697 w/same topic.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 637G Planetary Geology**

3 cr. Undergraduate/Graduate.

Advanced study of planetary geology, for advanced undergraduate and graduate students.

**Prerequisites:** jr st; Geo Sci 301(P) or Astron 211(P) or 400(P); completion of OWC-A GER (English 102 or equiv placement).

**Course Rules:** No cr for students w/cr in Geo Sci 697 w/same topic.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 638 Advanced Igneous Petrology**

3 cr. Undergraduate/Graduate.

Recent trends and applications in the fields of igneous petrology. Quantitative modelling of important petrologic processes. Critical reading of journal articles in petrology. Lec.

**Prerequisites:** jr st; Geo Sci 302(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 638G Advanced Igneous Petrology**

3 cr. Undergraduate/Graduate.

Recent trends and applications in the fields of igneous petrology. Quantitative modelling of important petrologic processes. Critical reading of journal articles in petrology. Lec.

**Prerequisites:** jr st; Geo Sci 302(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 655 Topics in Structure and Tectonics:**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** jr st; Geo Sci 414(P) or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 655G Topics in Structure and Tectonics:**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** jr st; Geo Sci 414(P) or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 694 Undergraduate Seminar:**

1-3 cr. Undergraduate.

Intensive study of a selected topic in a seminar format.

**Prerequisites:** jr st; cons instr.**Course Rules:** May be retaken w/chg in topic to 9 cr max, of which up to 3 cr may count in major requirements.**Last Taught:** Spring 2011, Fall 2010, Fall 2009, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 695 Internship in Geoscience**

1-3 cr. Undergraduate/Graduate.

An internship consistent with the student's plan of study in geosciences.

Requirements and evaluation determined by the department on an individual basis.

**Prerequisites:** jr st; cons dept.**Last Taught:** Summer 2015, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 695G Internship in Geoscience**

1-3 cr. Undergraduate/Graduate.

An internship consistent with the student's plan of study in geosciences.

Requirements and evaluation determined by the department on an individual basis.

**Prerequisites:** jr st; cons dept.**Last Taught:** Summer 2015, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 696 Topics in the Geological Sciences:**

1-3 cr. Undergraduate/Graduate.

Add'l prereqs announced in Schedule of Classes each time course offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 696G Topics in the Geological Sciences:**

1-3 cr. Undergraduate/Graduate.

Add'l prereqs announced in Schedule of Classes each time course offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 697 Seminar in the Geological Sciences:**

1-3 cr. Undergraduate/Graduate.

Specific credits and additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 697G Seminar in the Geological Sciences:**

1-3 cr. Undergraduate/Graduate.

Specific credits and additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 699 Advanced Independent Reading**

1-3 cr. Undergraduate.

Advanced independent geologic study under supervision of Geo Sci faculty or instructional academic staff member. Students must submit a study proposal. For more information, consult supervising instr or dept chair.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken with change in topic to 3 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 720 Methods in Paleomagnetism and Environmental Magnetism**

3 cr. Graduate.

This course is designed to provide students with a theoretical and practical foundation in paleomagnetism and environmental magnetism, including hands-on work with samples and real data.

**Prerequisites:** grad st; MATH 231(R); PHYSICS 210(R) or PHYSICS 122(R)**Course Rules:** Counts as a repeat of GEO SCI 696 with the same topic.

Not open to students w/ credit in GEO SCI 420.

**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 721 Conservation Paleontology**

3 cr. Graduate.

Application of theories and analytical tools of paleontology to biodiversity conservation.

**Prerequisites:** graduate standing.**Course Rules:** Counts as a repeat of GEO SCI 696 with topic 'Conservation Paleontology'.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 722 Plant-Insect Interactions in Deep Time**

3 cr. Graduate.

Fossil record of interactions between plants and insects, focusing primarily on herbivory and pollination; basic overview of the fossil record and evolutionary history of plants and insects.

**Prerequisites:** graduate standing.**Course Rules:** Counts as a repeat of GEO SCI 696 with topic 'Plant and Insect Relationships in Deep Time'.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 730 Modelling Techniques for Hydrogeology**

3 cr. Graduate.

Study and application of modelling techniques in hydrogeology. Includes finite difference and finite element techniques for groundwater flow, contaminant transport, and geochemistry.

**Prerequisites:** grad st; Geo Sci 463; knowledge of fortran or equiv; cons instr.**Last Taught:** Spring 2023, Spring 2021, Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 740 Carbonate Sedimentology**

3 cr. Graduate.

Depositional processes, environments and stratigraphic analysis of carbonate rocks. Lec, lab, field trip, for which fee is assessed.

**Prerequisites:** grad st; Geo Sci 511 or equiv.**Course Rules:** Field trip for which fee is assessed.**Last Taught:** Fall 2023, Fall 2019, Fall 2017, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GEO SCI 749 Biogeochemistry of Soils**

3 cr. Graduate.

Biogeochemical processes in soils and their impact on water quality.

**Prerequisites:** graduate standing and GEO SCI 464(P) or consent of instructor.**Course Rules:** 3 hrs lec.**Last Taught:** Spring 2020, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 750 Contaminant Hydrogeology**

3 cr. Graduate.

Transport and fate of contaminants in aquifers, aquitards, and unsaturated geologic materials.

**Prerequisites:** grad st; Geo Sci 464(C).**Last Taught:** Fall 2022, Fall 2019, Fall 2017, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 790 Graduate Seminar in the Geological Sciences:**

1-3 cr. Graduate.

Add'l prereqs announced in schedule of classes each time course offered.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2015, Spring 2006, Spring 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 888 Candidate for Degree**

0 cr. Graduate.

Available for grad students who must meet minimum cr load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2017, Fall 2016, Summer 2016, Summer 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 990 Master's Thesis**

1-8 cr. Graduate.

**Prerequisites:** grad st; cons instr & completed thesis proposal.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 997 Doctoral Externship**

1-12 cr. Graduate.

**Prerequisites:** grad st; admis to candidacy for Ph.D.**Last Taught:** Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 998 Doctoral Dissertation**

1-12 cr. Graduate.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GEO SCI 999 Advanced Independent Reading**

1-4 cr. Graduate.

Independent geologic study.

**Prerequisites:** grad st & cons instr.**Course Rules:** Retakable to 4 cr max.**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## German (GERMAN)

**GERMAN 101 First-Semester German**

4 cr. Undergraduate.

Introductory course for students who have had no previous work in German.

**Prerequisites:** 0-2 yrs of HS German or level 1 score on German placement test.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GERMAN 102 Second-Semester German**

4 cr. Undergraduate.

Continuation of German 101.

**Prerequisites:** grade of C or better in German 101(P) or level 2 score on German placement test. Generates L&S credit for demonstrated equivalent preparation (4 retro crs).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GERMAN 111 German Life and Civilization: Part I**

3 cr. Undergraduate.

The historical and cultural heritage of Germany from earliest times to 1806: major figures and developments in German art, literature, music, philosophy, and language. In English.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2017, Fall 2016, Fall 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GERMAN 112 German Life and Civilization: Part II:**

3 cr. Undergraduate.

The historical and cultural heritage of Germany from 1806 to the present: major figures and developments in German art, literature, music, education, and philosophy. In English.

**Prerequisites:** none.**Course Rules:** Not retakable for credit.**General Education Requirements:** HU**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GERMAN 145 Views of Germany:**

3 cr. Undergraduate.

In-depth study of selected aspects of German civilization as reflected in literature.

**Prerequisites:** none.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GERMAN 192 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).**General Education Requirements:** HU**Last Taught:** Fall 2002, Fall 2001, Fall 2000, Fall 1999.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 197 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** acceptance for Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Spring 2023, Summer 2022, Summer 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 199 Independent Study**

1-3 cr. Undergraduate.

**Prerequisites:** soph st; 2.0 GPA, consent of instructor, and department chair.

**Course Rules:** May not be retaken.

**Last Taught:** Fall 2023, Spring 2014, Fall 2013, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 203 Third-Semester German**

3 cr. Undergraduate.

Continuation of German 102.

**Prerequisites:** grade of C or better in German 102(P) or level 3 score on German placement test. Generates L&S credit for demonstrated equivalent preparation (8 retro cr).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 204 Fourth-Semester German**

3 cr. Undergraduate.

Continuation of GERMAN 203. Grammar structures; vocabulary development through reading, writing, and speaking about subjects in students' fields of study; inter- and cross-disciplinary studies.

**Prerequisites:** grade of C or better in GERMAN 203(P) or level 4 score on German placement test. Generates L&S credit for demonstrated equivalent preparation (11 retro cr).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 289 Internship in German, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of German in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in German; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Last Taught:** Fall 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2022, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2000, Fall 1999, Summer 1997, Fall 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 331 German Grammar in Practice**

3 cr. Undergraduate.

Review of major structures in German grammar; application of those structures through writing and speaking. Emphasis on written accuracy and proficiency.

**Prerequisites:** GERMAN 204(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (14 retro cr).

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 332 Presentation and Composition**

3 cr. Undergraduate.

Practice in presentation and composition, with emphasis on issues in post-war and contemporary German culture, written accuracy, and proficiency.

**Prerequisites:** German 204(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (14 retro cr).

**General Education Requirements:** HU

**Last Taught:** Fall 2022, Spring 2022, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 333 Texts and Contexts**

3 cr. Undergraduate.

Reading and analysis of literary and non-literary texts in German; introduction to basic textual analysis skills.

**Prerequisites:** GERMAN 331(P) or GERMAN 332(P).

**General Education Requirements:** HU

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 334 Introduction to German Studies**

3 cr. Undergraduate.

Survey of German literature and culture from 1750 to the present.

**Prerequisites:** GERMAN 331(P) or GERMAN 332(P).

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 341 Undergrad Seminar in German-Amer Studies: Germans in Wisconsin & Milwaukee**

3 cr. Undergraduate.

Student projects and presentations on the various aspects of the German heritage in Wisconsin and Milwaukee.

**Prerequisites:** jr st.

**Course Rules:** Required of ethnic studies majors with a German-American concentration.

**Last Taught:** Fall 2016, Fall 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 360 German for the Global World**

3 cr. Undergraduate.

Vocabulary, writing, reading, and oral German skills needed for the global world.

**Prerequisites:** GERMAN 331(P) or GERMAN 332(P).

**Last Taught:** Fall 2021, Fall 2019, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 371 German Phonetics**

3 cr. Undergraduate.

Focus on English-German contrasts and pronunciation difficulties; phonetic transcription; drills in pronunciation.

**Prerequisites:** junior standing or consent of instructor; GERMAN 331(P) or GERMAN 332(P).

**Course Rules:** Previously GERMAN 671.

**Last Taught:** Fall 2018, Fall 2016, Fall 2014, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 397 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/ change in topic.

**Last Taught:** UWinterIM 2023, Spring 2022, UWinterIM 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 415 Topics in German Studies:**

3 cr. Undergraduate/Graduate.

Exploration of selected topics in German Studies. Critical analysis of a variety of texts and contexts.

**Prerequisites:** GERMAN 331(P) or GERMAN 332(P).

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 415G Topics in German Studies:**

3 cr. Undergraduate/Graduate.

Exploration of selected topics in German Studies. Critical analysis of a variety of texts and contexts.

**Prerequisites:** GERMAN 331(P) or GERMAN 332(P).

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 425 Introduction to German Translation**

3 cr. Undergraduate.

Introduction to skills necessary to professional translation from German to English, including text analysis, summarizing texts, and terminology research.

**Prerequisites:** GERMAN 331(P) or GERMAN 332(P).

**Last Taught:** Fall 2022, Fall 2019, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 456 German Literature from the Turn of the Century to World War II**

3 cr. Undergraduate.

Major literary movements, writers, and works of the first half of the twentieth century; expressionism, 'Neue Sachlichkeit,' and exile literature.

**Prerequisites:** GERMAN 333(P) or GERMAN 334(P).

**Last Taught:** Spring 2016, Fall 2010, Fall 2006, Fall 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 460 German Literature from 1945 to the Present**

3 cr. Undergraduate/Graduate.

Literary writers and works of the German-speaking countries from 1945 to the present.

**Prerequisites:** GERMAN 333(P) or GERMAN 334(P).

**Last Taught:** Fall 2014, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 460G German Literature from 1945 to the Present**

3 cr. Undergraduate/Graduate.

Literary writers and works of the German-speaking countries from 1945 to the present.

**Prerequisites:** GERMAN 333(P) or GERMAN 334(P).

**Last Taught:** Fall 2014, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 474 German for Professional Purposes**

3 cr. Undergraduate/Graduate.

Language and structures of Germany's professional world. Historical, political, legal, economic, social and cultural forces shaping Germany today.

**Prerequisites:** jr st; GERMAN 332(P) and completion of 3 cr upper-division German electives.

**Last Taught:** Spring 2023, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 474G German for Professional Purposes**

3 cr. Undergraduate/Graduate.

Language and structures of Germany's professional world. Historical, political, legal, economic, social and cultural forces shaping Germany today.

**Prerequisites:** jr st; GERMAN 332(P) and completion of 3 cr upper-division German electives.

**Last Taught:** Spring 2023, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 475 Seminar on the History and Structure of German**

3 cr. Undergraduate/Graduate.

Historical development of the German language from its beginnings to the present.

**Prerequisites:** jr st; GERMAN 332(P) and completion of 3 cr upper-division German electives.

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 475G Seminar on the History and Structure of German**

3 cr. Undergraduate/Graduate.

Historical development of the German language from its beginnings to the present.

**Prerequisites:** jr st; GERMAN 332(P) and completion of 3 cr upper-division German electives.

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 478 Reading Older German Handwriting**

3 cr. Undergraduate.

Study of German writing styles typical in older documents. Analysis and transliteration of birth certificates, letters, and family histories along with other documents of cultural importance.

**Prerequisites:** junior standing; GERMAN 332(P); and completion of at least 3 cr upper-division GERMAN elective coursework.

**Course Rules:** Previously GERMAN 488.

**Last Taught:** Spring 2021, Spring 2017, Spring 2014, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 483 Seminar on German Studies:**

3 cr. Undergraduate/Graduate.

In-depth study of major themes, genres, or authors in German-language literature and culture; particular theoretical ideas and methods applied to selected texts.

**Prerequisites:** jr st; GERMAN 332(P); and completion of at least 3 cr upper-division German electives.

**Course Rules:** May be retaken w/ change in topic to 9 cr max.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 483G Seminar on German Studies:**

3 cr. Undergraduate/Graduate.

In-depth study of major themes, genres, or authors in German-language literature and culture; particular theoretical ideas and methods applied to selected texts.

**Prerequisites:** jr st; GERMAN 332(P); and completion of at least 3 cr upper-division German electives.

**Course Rules:** May be retaken w/ change in topic to 9 cr max.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 484 Seminar on Themes and Motifs in German Literature:**

3 cr. Undergraduate/Graduate.

Recurring themes, patterns, and figures in German-language literature.

**Prerequisites:** jr st; GERMAN 332(P); and completion of at least 3 cr upper-division German electives.

**Course Rules:** May be retaken w/ change in topic to 9 cr max.

**Last Taught:** Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 484G Seminar on Themes and Motifs in German Literature:**

3 cr. Undergraduate/Graduate.

Recurring themes, patterns, and figures in German-language literature.

**Prerequisites:** jr st; GERMAN 332(P); and completion of at least 3 cr upper-division German electives.

**Course Rules:** May be retaken w/ change in topic to 9 cr max.

**Last Taught:** Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 489 Internship in German, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of German in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** German 332(426)(P), 333(P), & 334(P); 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. May be retaken to 6 cr max.

**Last Taught:** Fall 2022, Fall 2018, Spring 2016, Summer 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2023, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2023, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2018, Fall 2016, Spring 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 597 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 597G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 697 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 697G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GERMAN 699 Independent Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a German faculty or instructional academic staff member. Students must submit a study proposal. For more information, consult the German program coord.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2023, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Global Studies (GLOBAL)

**GLOBAL 101 Introduction to Global Studies I: People and Politics**

3 cr. Undergraduate.

Fundamental aspects of globalization; how economic, political, and cultural globalism affects contemporary societies.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 102 Introduction to Global Languages and Cultures**

3 cr. Undergraduate.

Introduction to key ideas surrounding the ways in which language and literature intersect with culture, gender, and power.

**Prerequisites:** none.

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 192 First-Year Seminar.**

3 cr. Undergraduate.

Specific topics announced in Schedule of Classes each time course is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 194 First-Year Seminar.**

3 cr. Undergraduate.

Selected topics announced in Schedule of Classes each time course is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** NS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 201 Introduction to Global Studies II: Economics and the Environment**

3 cr. Undergraduate.

Link between International trade and environmental change; conditions related to global economy; political impact of environmental change; human dimensions of international trade and environmental change.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 202 Introduction to Global Studies III: Globalization and Technology**

3 cr. Undergraduate.

Globalization and information technology: history of and current trends in global transfer of technology; contemporary issues in information technology; media convergences and divisions.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 203 Introduction to Peace and Conflict Studies**

3 cr. Undergraduate.

Theories and approaches for understanding and managing conflict; skills and strategies for building peace.

**Prerequisites:** none.

**Course Rules:** GLOBAL 203 and PEACEST 203 are jointly offered and count as repeats of one another. Previously PEACEST 201.

**General Education Requirements:** SS

**Last Taught:** Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 289 Internship in Global Studies, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of global studies in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** GLOBAL 101(P); 2.25 gpa; cons supervising faculty member.

**Course Rules:** Min 40 hrs in internship required for 1 cr. Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Program.

**Course Rules:** Retakable with change in topic.

**Last Taught:** Fall 2023, Summer 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Spring 2013, Fall 2012, Spring 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 301 Introduction to Global Health**

3 cr. Undergraduate.

Overview of the broad field of global health, using the United Nations (U.N.) Sustainable Development Goals as a framework for the class.

**Prerequisites:** none.

**Course Rules:** GLOBAL 301 and NURS 301 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 311 Contexts for Global Management**

3 cr. Undergraduate.

How globalization can impact the success or failure of business decisions; how business decisions can impact globalization; management in a global context.

**Prerequisites:** junior standing.**Last Taught:** Fall 2021, Fall 2019, Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 351 Language, Media, and Social Practice in Global Communications**

3 cr. Undergraduate.

Explores the impact of global communications on languages and cultures; examines implications of globalization for technologically mediated forms of communication and related social practices.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 361 Environment and Sustainability**

3 cr. Undergraduate/Graduate.

Different answers to 'what is sustainability?' given by ecological and social thinkers.

**Prerequisites:** junior standing.**Last Taught:** Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 361G Environment and Sustainability**

3 cr. Undergraduate/Graduate.

Different answers to 'what is sustainability?' given by ecological and social thinkers.

**Prerequisites:** junior standing.**Last Taught:** Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 362 System Failure: Globalization and Language Extinction**

3 cr. Undergraduate/Graduate.

Role of globalization in the projected extinction of a large number of the world's languages within the next century.

**Prerequisites:** junior standing; a course in social science; a course in linguistic anthropology; or consent of instructor.**Course Rules:** AIS 362, ANTHRO 362, & GLOBAL 362 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2014, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 362G System Failure: Globalization and Language Extinction**

3 cr. Undergraduate/Graduate.

Role of globalization in the projected extinction of a large number of the world's languages within the next century.

**Prerequisites:** junior standing; a course in social science; a course in linguistic anthropology; or consent of instructor.**Course Rules:** AIS 362, ANTHRO 362, & GLOBAL 362 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2014, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 371 Rethinking Global Security**

3 cr. Undergraduate.

Basic concepts for international security in the age of globalization; sources of security and insecurity from a historical perspective.

**Prerequisites:** junior standing.**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 381 Honors Seminar in the Social Sciences:**

3 cr. Undergraduate.

Selected topics in Global Studies from a social sciences perspective.

**Prerequisites:** sophomore standing; HONORS 200(P); and consent of Honors College director.**Course Rules:** May be retaken with change in topic to 9 cr max.**General Education Requirements:** SS**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 383 Environmental Political Theory**

3 cr. Undergraduate.

Environmental political theory from a global perspective, emphasizing the interlinked nature of security and sustainability.

**Prerequisites:** junior standing.**Course Rules:** GLOBAL 383 and POL SCI 383 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 391 Black Lives Matter: A Global Comparative Study**

3 cr. Undergraduate.

Internationally focused comparative course on the Black Lives Matter (BLM) Movement in the United States and abroad, including the history of BLM, and how it has developed and been practiced in multiple locales.

**Prerequisites:** sophomore standing.**Last Taught:** Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 421 Cities in the Global Economy**

3 cr. Undergraduate.

How and why globalization leaves different imprints on cities; how cities in turn constantly restructure the form of the global economy.

**Prerequisites:** junior standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 439 Culture and Global Health**

3 cr. Undergraduate/Graduate.

Contemporary global health through the lens of cultural anthropology and related social sciences; local communities' response to globally-directed intervention into disease.

**Prerequisites:** junior standing.**Course Rules:** ANTHRO 439 & GLOBAL 439 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 439G Culture and Global Health**

3 cr. Undergraduate/Graduate.

Contemporary global health through the lens of cultural anthropology and related social sciences; local communities' response to globally-directed intervention into disease.

**Prerequisites:** junior standing.

**Course Rules:** ANTHRO 439 & GLOBAL 439 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 442 Humanitarianism in Global Perspective**

3 cr. Undergraduate/Graduate.

Anthropological study of global humanitarianism through specific case studies. Themes include politics of representation, intervention, war, genocide, trauma, child soldiers, and human trafficking.

**Prerequisites:** junior standing; previous completion of a social science course.

**Course Rules:** ANTHRO 442 & GLOBAL 442 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2019, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 442G Humanitarianism in Global Perspective**

3 cr. Undergraduate/Graduate.

Anthropological study of global humanitarianism through specific case studies. Themes include politics of representation, intervention, war, genocide, trauma, child soldiers, and human trafficking.

**Prerequisites:** junior standing; previous completion of a social science course.

**Course Rules:** ANTHRO 442 & GLOBAL 442 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2019, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 443 Medicine and Pharmaceuticals in the Global Age**

3 cr. Undergraduate/Graduate.

The practices of medicine and the distribution of pharmaceuticals globally.

**Prerequisites:** junior standing; ANTHRO 440(R).

**Course Rules:** ANTHRO 443 & GLOBAL 443 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 443G Medicine and Pharmaceuticals in the Global Age**

3 cr. Undergraduate/Graduate.

The practices of medicine and the distribution of pharmaceuticals globally.

**Prerequisites:** junior standing; ANTHRO 440(R).

**Course Rules:** ANTHRO 443 & GLOBAL 443 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 446 The Re-Configuring Global Order**

3 cr. Undergraduate/Graduate.

Contemporary and past global forces re-configuring our world systems and economic and political orders.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 446G The Re-Configuring Global Order**

3 cr. Undergraduate/Graduate.

Contemporary and past global forces re-configuring our world systems and economic and political orders.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 447 The Global Politics of Human Rights**

3 cr. Undergraduate/Graduate.

Historical and theoretical context of human rights discourse; anthropology of human rights; case studies of efforts to protect human rights in particular social settings.

**Prerequisites:** junior standing; ANTHRO 102(R).

**Course Rules:** ANTHRO 447 & GLOBAL 447 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2020, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 447G The Global Politics of Human Rights**

3 cr. Undergraduate/Graduate.

Historical and theoretical context of human rights discourse; anthropology of human rights; case studies of efforts to protect human rights in particular social settings.

**Prerequisites:** junior standing; ANTHRO 102(R).

**Course Rules:** ANTHRO 447 & GLOBAL 447 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2020, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 451 Access, Security, and Intercultural Contexts in Global Communications**

3 cr. Undergraduate.

Information equity and access in a globalized context, including issues of security, intercultural communication, and current uses of communication technologies.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2021, Fall 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 461 The Politics and Policy of Sustainability**

3 cr. Undergraduate/Graduate.

Principles of environmental policy, governance, and management for global sustainability.

**Prerequisites:** junior standing; CES 210(P) or consent of instructor.

**Course Rules:** CES 461, FRSHWTR 461, & GLOBAL 461 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 461G The Politics and Policy of Sustainability**

3 cr. Undergraduate/Graduate.

Principles of environmental policy, governance, and management for global sustainability.

**Prerequisites:** junior standing; CES 210(P) or consent of instructor.

**Course Rules:** CES 461, FRSHWTR 461, & GLOBAL 461 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 471 Strategies for Realizing Security in Global Contexts**

3 cr. Undergraduate.

Present-day strategies of those working to create or effect greater security in a global context.

**Prerequisites:** junior standing.**Last Taught:** Fall 2019, Fall 2016, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 488 Domestic Internship in Global Studies**

1-9 cr. Undergraduate.

Application of basic principles of global studies in a business, organizational, educational, political, or other appropriate work setting.

**Prerequisites:** junior standing; 6 cr Global 300-level or above; 2.5 GPA; and consent of supervising faculty member.**Course Rules:** Credit granted for academic work based on 40 hours in internship for each credit. Retakable to 9 cr max.**Last Taught:** Fall 2023, Summer 2021, Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 489 International Internship in Global Studies, Upper Division**

1-9 cr. Undergraduate.

Application of basic principles of global studies in a business, organizational, educational, political, or other appropriate work setting.

**Prerequisites:** junior standing; 6 cr Global 300-level or above; 2.5 GPA; and consent of supervising faculty member.**Course Rules:** Credit granted for academic work based on 40 hours in internship for each credit. Retakable to 9 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** junior standing and acceptance for Study Abroad Program.**Course Rules:** Retakable with change in topic.**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** junior standing; add'l prereqs may be assigned to specific topic.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Fall 2021, Fall 2008, Fall 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 541 Cross-Cultural Management**

3 cr. Undergraduate.

Business cultures around the world; the impact of cultural differences in international management and negotiations.

**Prerequisites:** jr st; BUS ADM 330(P); admis to Bus Adm major or declared Global Studies program.**Course Rules:** BUS ADM 541 & GLOBAL 541 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 550 Global Studies Integrated Capstone:**

3 cr. Undergraduate/Graduate.

Integration of coursework for students in the Global Communications, Health, Security, Sustainability, and Urban Development tracks.

**Prerequisites:** jr st; satisfaction of OWC-A GER; declared Global Studies major or cons instr.**Course Rules:** May be taken w/chg in topic to 6 cr max.**General Education Requirements:** OWCB**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 550G Global Studies Integrated Capstone:**

3 cr. Undergraduate/Graduate.

Integration of coursework for students in the Global Communications, Health, Security, Sustainability, and Urban Development tracks.

**Prerequisites:** jr st; satisfaction of OWC-A GER; declared Global Studies major or cons instr.**Course Rules:** May be taken w/chg in topic to 6 cr max.**General Education Requirements:** OWCB**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 575 Global Health: Ethics and Human Rights**

3 cr. Undergraduate.

Explores the ethics and human rights issues related to disparities in financial, educational, technological, environmental, and political resources available to support healthy populations across the globe.

**Prerequisites:** none.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 597 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying or interning abroad to receive course credit at appropriate level.

**Prerequisites:** junior standing; Global Studies or MSP advisor approval.**Course Rules:** Retakable with change in topic.**Last Taught:** UWinteriM 2024, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 597G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying or interning abroad to receive course credit at appropriate level.

**Prerequisites:** junior standing; Global Studies or MSP advisor approval.**Course Rules:** Retakable with change in topic.**Last Taught:** UWinteriM 2024, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**GLOBAL 620 Global Food Security and Systems**

3 cr. Undergraduate/Graduate.

In-depth investigation of global food systems and their impact on food security and development.

**Prerequisites:** junior standing or greater, or consent of instructor.**Course Rules:** GLOBAL 620 and NURS 620 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 690 Global Health Governance: Key Players, Financing and Challenges**

3 cr. Undergraduate/Graduate.

Historical evolution and mandate of global health institutions; changing role of key global actors in health governance; challenges and successes in responding to global health crises and pandemics.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** GLOBAL 690 and NURS 690 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 690G Global Health Governance: Key Players, Financing and Challenges**

3 cr. Undergraduate/Graduate.

Historical evolution and mandate of global health institutions; changing role of key global actors in health governance; challenges and successes in responding to global health crises and pandemics.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** GLOBAL 690 and NURS 690 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 697 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying or interning abroad to receive course credit at appropriate level.

**Prerequisites:** junior standing; Global Studies or MSP advisor approval.

**Course Rules:** Retakable with change in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 697G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying or interning abroad to receive course credit at appropriate level.

**Prerequisites:** junior standing; Global Studies or MSP advisor approval.

**Course Rules:** Retakable with change in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GLOBAL 699 Advanced Independent Study**

1-3 cr. Undergraduate.

See Independent Study in current catalog. For further information, consult Global Studies Coordinator.

**Prerequisites:** jr st; 2.5 gpa; writ cons instr, prog coord, & asst dean for SAS.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2016, Fall 2013, Summer 2013, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Graduate Studies (GRAD)

**GRAD 801 Preparing Future Faculty & Professionals:**

1 cr. Graduate.

Content varies. Includes seminars, workshops, and discussions to better understand institutional expectations, improve success in graduate studies, and help pursue academic or professional career paths.

**Prerequisites:** grad st.

**Course Rules:** May be retaken to 3 cr max with change in topic. S/U only.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GRAD 803 Teaching & Learning in College: Reflections on Theory and Practice**

1 cr. Graduate.

Teaching and learning theories and strategies; reflection on personal beliefs and expectations about the role of teacher and student and understanding of professional practice and development in higher education.

**Prerequisites:** grad st.

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Greek (GREEK)

**GREEK 103 First Semester Greek**

4 cr. Undergraduate.

Systematic introduction to the morphology, syntax, and vocabulary of ancient Greek.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 104 Second Semester Greek**

4 cr. Undergraduate.

Continuation of Greek 103; systematic introduction to the morphology, syntax, and vocabulary of Greek.

**Prerequisites:** Greek 103(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (4 retro crs).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2018, Fall 2013, Spring 2009, Spring 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 205 Third Semester Greek**

4 cr. Undergraduate.

Continuation of Greek 104; systematic introduction to the morphology, syntax, and vocabulary of Greek.

**Prerequisites:** Greek 104(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (8 retro crs).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 289 Internship in Greek, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Greek in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Greek; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 306 Readings in Ancient Greek Literature:**

3 cr. Undergraduate.

Reading of texts of Greek literature, with emphasis on morphology, syntax, and vocabulary.

**Prerequisites:** GREEK 205(P) or equivalent; equivalent HS prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (12 retro crs).

**Course Rules:** Counts as repeat of only 1 cr of GREEK 304 regardless of the number of times GREEK 306 is taken. May be retaken with change in topic; no max cr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 489 Internship in Greek, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of Greek in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Greek; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 501 Readings in Classical Greek Prose:**

3 cr. Undergraduate/Graduate.

Extensive reading in a major author, or in related authors, of ancient Greek prose; e.g., Herodotus, Thucydides, Plato, the Attic Orators, Aristotle, Lucian.

**Prerequisites:** junior standing, GREEK 306(P) or equivalent, and equivalent high school prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (16 retro cr).

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2013, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 501G Readings in Classical Greek Prose:**

3 cr. Undergraduate/Graduate.

Extensive reading in a major author, or in related authors, of ancient Greek prose; e.g., Herodotus, Thucydides, Plato, the Attic Orators, Aristotle, Lucian.

**Prerequisites:** junior standing, GREEK 306(P) or equivalent, and equivalent high school prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (16 retro cr).

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2013, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 502 Readings in Ancient Greek Poetry:**

3 cr. Undergraduate/Graduate.

Extensive reading in a major author, or related authors, of ancient Greek poetry; e.g., Homer, the Greek lyric poets, the Attic tragedians, Aristophanes, Menander, Theocritus.

**Prerequisites:** jr st; Greek 306(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (16 retro cr).

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 502G Readings in Ancient Greek Poetry:**

3 cr. Undergraduate/Graduate.

Extensive reading in a major author, or related authors, of ancient Greek poetry; e.g., Homer, the Greek lyric poets, the Attic tragedians, Aristophanes, Menander, Theocritus.

**Prerequisites:** jr st; Greek 306(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (16 retro cr).

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**GREEK 699 Directed Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a Classics faculty or instructional academic staff member. Students must submit a study proposal. For more information, consult Classics prog coord.

**Prerequisites:** jr st; 2.0 GPA; instructor consent, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Spring 2019, Fall 2013, Fall 2012, Summer 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Health Care Administration (HCA)

**HCA 203 Human Life Cycle**

3 cr. Undergraduate.

Views of leading theorists and recent research in the field of human development will be presented with emphasis on biopsychosocial aspects of the five major stages of development from prenatal through senescence.

**Prerequisites:** soph st or cons instr.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 212 Drugs Used and Abused**

3 cr. Undergraduate.

An introduction to the mechanisms, actions, uses and abuses of selected licit and illicit drugs from a public health perspective.

**Prerequisites:** soph st or cons instr.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 220 Leading Healthcare Professionals**

3 cr. Undergraduate.

Introduction to effective healthcare leadership of self, others, and groups in complex healthcare settings. Emphasis on leader understanding own temperament and values and healthcare context.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 220X Leading Healthcare Professionals**

3 cr. Undergraduate.

Introduction to effective healthcare leadership of self, others, and groups in complex healthcare settings. Emphasis on leader understanding own temperament and values and healthcare context.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 245 Client Diversity in Health Sciences: An Interdisciplinary Perspective**

3 cr. Undergraduate.

Interdisciplinary instruction on effective service delivery in the health sciences to culturally diverse individuals and families. Emphasis on the complexity of an individual's cultural identity.

**Prerequisites:** soph st or cons instr.

**Course Rules:** BMS(C L Sci)/ComSDis/HCA/Kin(HMS)/OccThpy/TherRec 245 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 249 Writing for Professional Development in Health Administration**

3 cr. Undergraduate.

Administrative writing and communication for professional development in the health professions, focused the preparation of health care administration students for a professional work setting.

**Prerequisites:** Satisfaction of OWC-A.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 260 Gerontology for Health Care Administrators**

3 cr. Undergraduate.

The administrator's responsibility for improving resident quality of life in long-term care organizations through an overview of sociological, psychological, and biological aspects of aging.

**Prerequisites:** none.

**Last Taught:** Spring 2013, Spring 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 290 Selected Topics in Health Information Administration:**

1-3 cr. Undergraduate.

Content to be determined as instructional need arises.

**Prerequisites:** none, except as specified for topic.

**Course Rules:** May be retaken for cr w/chg in topic.

**Last Taught:** Spring 2010, Fall 2009, Fall 2008, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 297 Study Abroad**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance to Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2018, Fall 2010, Summer 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 300 Professional Development Seminar for Health Administration Students**

1 cr. Undergraduate.

This course prepares health care administration undergraduate students to explore related career options and to succeed in obtaining internships, jobs and/or graduate school admission.

**Prerequisites:** junior standing and admitted to HCA major; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 307 Epidemiology for the Health Sciences**

3 cr. Undergraduate.

Introduction to the etiology and distribution of disease and risk factors associated with the determination of disease; applications of epidemiology to the health science professions.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 333 Health Organizations Professional Practice Standards**

2 cr. Undergraduate.

Overview of regulatory statutes, licensure requirements, accreditation and other professional practice standards that affect healthcare organizations.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 340 Healthcare Process Measurement**

3 cr. Undergraduate.

Compilation and presentation of healthcare statistics; use of statistical analysis and graphic presentation of data to examine healthcare processes and support decision-making.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 361 Post-Acute Care and Management**

3 cr. Undergraduate.

Examines healthcare services provided after leaving a hospital; emphasizes the management and coordination of these services and organizations that provide them, to ensure optimal transitions between healthcare services and settings.

**Prerequisites:** jr st or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 362 Legal and Regulatory Aspects of Long-Term Care Facilities**

3 cr. Undergraduate.

Legal and regulatory environment of the nursing facility. Reviews state and federal requirements and overviews the survey process designed to protect resident well-being

**Prerequisites:** HCA 311(C) & 361(P); or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 400 Healthcare Marketing**

3 cr. Undergraduate.

Examines basic marketing principles and applies them to the healthcare field; analyzes the diversity of the healthcare consumer's definition of care, and the need to distinguish between individual patients versus corporate America as customer.

**Prerequisites:** junior standing or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 411 Disease Classification Systems I**

3 cr. Undergraduate.

Disease classification systems with emphasis on hospital applications.

**Prerequisites:** HCA 222(HIA 222)(P) or equiv; or cons instr.**Last Taught:** Fall 2003, Fall 2002, Fall 2001, Fall 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 421 Operations Management in Healthcare Organizations**

3 cr. Undergraduate.

Application of operations management principles to management of healthcare organizations. Emphasis on tools to plan, organize and control.

**Prerequisites:** BUS ADM 350(P) or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 422 Human Resource Management in Healthcare Organizations**

3 cr. Undergraduate.

Introduction of human relation concepts as it applies to the health care organizations. Emphasis on the application of management responsibilities.

**Prerequisites:** junior standing or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 423 Health Information Administration in Specialized Healthcare Facilities**

4 cr. Undergraduate.

Study of health information systems in ambulatory, long-term, home health, and other non-hospital settings; site visits and site-specific projects.

**Prerequisites:** sr st in HCA or cons instr.**Last Taught:** Spring 2003, Spring 2002, Spring 2001, Spring 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 430 Patient Registration Management**

3 cr. Undergraduate.

**Prerequisites:** none.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 444 Introduction to Text Retrieval and Its Applications in Biomedicine**

3 cr. Undergraduate/Graduate.

Introduction to text retrieval, text classification and their biomedical applications; topics include: indexing, query processing, and document retrieval methods.

**Prerequisites:** junior standing; COMPSCI 351(P) or HCA 442(P).**Course Rules:** COMPSCI 444 and HCA 444 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 444G Introduction to Text Retrieval and Its Applications in Biomedicine**

3 cr. Undergraduate/Graduate.

Introduction to text retrieval, text classification and their biomedical applications; topics include: indexing, query processing, and document retrieval methods.

**Prerequisites:** junior standing; COMPSCI 351(P) or HCA 442(P).**Course Rules:** COMPSCI 444 and HCA 444 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 450 Healthcare Quality Management**

3 cr. Undergraduate.

Theory and development of quality assessment programs in healthcare for patient care improvement; focus on outcomes assessment, operations assessment and improvement; governance, administration, medical staff involvement including quality, patient experience, safety, risk and utilization management.

**Prerequisites:** KIN 270(P) or MTHSTAT 215(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 460 Healthcare Reimbursement Systems and Policies**

3 cr. Undergraduate.

History and functioning of healthcare reimbursement systems. Emphasis on the policies and procedures of government and major third party systems.

**Prerequisites:** HCA 421(P) or consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 480 Competency-Based Internship in Long-Term Care Facilities**

3 cr. Undergraduate.

A supervised clinical practicum serving as the capstone fieldwork experience for HCA majors obtaining a sub-major in long-term care administration.

**Prerequisites:** HCA 362(C) & cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 497 Study Abroad**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance to Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** UWinterIM 2019, Summer 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 497G Study Abroad**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance to Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** UWinterIM 2019, Summer 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 502 Healthcare Delivery Systems: National and International Perspectives**

3 cr. Undergraduate.

An analysis of health delivery systems in the U.S. and abroad.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 520 Clinical Practicum**

3 cr. Undergraduate.

Assignments to local health information centers for practical experience; weekly meetings and projects also required.

**Prerequisites:** sr st in HCA.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 521 Advanced Systems Thinking and Strategy for Healthcare Leaders**

3 cr. Undergraduate.

Provides a view of organizational theory and strategy with applications to the institutional operations in the healthcare industry; capstone course providing an in-depth view of systems theory, strategy formulation and implementation in healthcare leadership.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 540 Health Information Professional Practice**

4 cr. Undergraduate.

Four-week professional practice working with and under supervision of an information manager. Pre-practice meetings and post-practice seminar.

**Prerequisites:** sr st in HCA, HCA 520 (HIA 520)(P).

**Last Taught:** Spring 2022, Fall 2021, Summer 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 541 Healthcare Information Systems Analysis and Design**

3 cr. Undergraduate/Graduate.

Overview of health facility computerized information systems. Information systems theory, systems analysis, and implementation of computer systems from a managerial/planning perspective.

**Prerequisites:** junior standing or greater; or consent of instructor.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 541G Healthcare Information Systems Analysis and Design**

3 cr. Undergraduate/Graduate.

Overview of health facility computerized information systems. Information systems theory, systems analysis, and implementation of computer systems from a managerial/planning perspective.

**Prerequisites:** junior standing or greater; or consent of instructor.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 542 Healthcare Database Design and Management**

3 cr. Undergraduate/Graduate.

Study of database structure, data models, and operations issues. Emphasis on data security, integrity, integration, and access. Healthcare database applications.

**Prerequisites:** jr st, HCA 541(P); or grad st.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 542G Healthcare Database Design and Management**

3 cr. Undergraduate/Graduate.

Study of database structure, data models, and operations issues. Emphasis on data security, integrity, integration, and access. Healthcare database applications.

**Prerequisites:** jr st, HCA 541(P); or grad st.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 580 Health Care Administration Internship**

4 cr. Undergraduate.

Capstone course/Internship experience with administrators in health care agencies and health-related organizations (e.g., hospitals/health systems, ambulatory care/group practices, managed care, rehabilitation facilities, residential/long-term care).

**Prerequisites:** senior standing in HCA program or consent of instructor; consent of internship coordinator.

**Course Rules:** May be retaken to max of 12 cr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 590 Topics in Health Sciences:**

1-3 cr. Undergraduate/Graduate.

Topics of current interest within the field of health sciences. The theme for each semester's offering will be posted.

**Prerequisites:** junior standing; consent of instructor for graduate credit.

**Course Rules:** May be retaken with change in topic to max of 9 cr for grad students.

**Last Taught:** Fall 2018, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 590G Topics in Health Sciences:**

1-3 cr. Undergraduate/Graduate.

Topics of current interest within the field of health sciences. The theme for each semester's offering will be posted.

**Prerequisites:** junior standing; consent of instructor for graduate credit.

**Course Rules:** May be retaken with change in topic to max of 9 cr for grad students.

**Last Taught:** Fall 2018, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 699 Advanced Independent Study:**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** U: jr st, 2.5 gpa, writ cons instr; G: grad st; writ cons instr.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 699G Advanced Independent Study:**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** U: jr st, 2.5 gpa, writ cons instr; G: grad st; writ cons instr.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 800 Value Based Care Models**

3 cr. Graduate.

Overview of the major issues related to design, function, management, regulation, and evaluation of health insurance and managed care plans and implications for population health management.

**Prerequisites:** graduate standing and admission to MHA major or admission to Value-Based Healthcare certificate; or consent of instructor.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 801 Design of Health and Human Service Systems**

3 cr. Graduate.

Develop and apply skills in analysis, synthesis and evaluation of systemic components necessary to delivery health care services in the United States of America. Counts as repeat of HCA 590 of same topic.

**Prerequisites:** grad st; admis to MHA major; or cons instr**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 813 Health Regulatory Policy and Politics**

3 cr. Graduate.

Social and political foundations of healthcare regulations including legal factors affecting patient/client care, operations, the administration of healthcare facilities and systems.

**Prerequisites:** grad st; admis to MHA major; or cons instr**Course Rules:** Counts as repeat of HCA 590 of same topic.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 821 Operations Management in Healthcare Organizations**

3 cr. Graduate.

Fundamental principles, concepts, and approaches regarding health care operations management, quality management, and process improvement.

**Prerequisites:** grad st; admis to MHA major; or cons instr**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 822 Human Resources Management for Healthcare Executives**

3 cr. Graduate.

Human resources management functions, processes and systems within healthcare organizations including recruitment, selection, training of personnel and the legal and regulatory environment.

**Prerequisites:** grad st; admis to MHA major; or cons instr.**Course Rules:** Counts as repeat of HCA 590 of same topic.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 823 Strategic Planning in Health Care Organizations**

3 cr. Graduate.

Application of decision support for strategic planning in health care organizations. Counts as repeat of HCA 590 of same topic.

**Prerequisites:** grad st; admis to MHA major; or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 830 Social Media & Healthcare: Opportunities & Pitfalls**

3 cr. Graduate.

Social media for healthcare providers, self-management, disease surveillance, mood/depression detection, social support for patients with chronic diseases. Social media as platforms for collaboration.

**Prerequisites:** grad st; admis to MHA or MS-HCI program; or cons instr**Course Rules:** Counts as repeat of HCA 590 of same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 835 Patient-Provider Communication: Strategies & Practices**

3 cr. Graduate.

Communication techniques including technological skills, social media skills, inter-cultural skills and the ability to understand the new and evolving empowered patients. Counts as repeat of HCA 590 of same topic.

**Prerequisites:** grad st; admis to MHA or MS-HCI program; or cons instr**Last Taught:** Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 843 Quantitative Methods for Healthcare Administrators**

3 cr. Graduate.

Basic and intermediate methods that healthcare administrators and their teams use to analyze quantifiable data, including individual and group exploration into the terminology, application, selection, evaluation, and communication of these methods and their results.

**Prerequisites:** grad st; admis to MHA major; or cons instr.**Course Rules:** Counts as repeat of HCA 590 with similar topic.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 865 Financial Management for Health Care Organizations**

3 cr. Graduate.

Skills in analysis, synthesis and evaluation of advanced financial management theories, principles, concepts and techniques important to health management.

**Prerequisites:** grad st; admis to MHA major; or cons instr**Course Rules:** Counts as repeat of HCA 590 of same topic.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HCA 866 Leading Change & Innovation in a System**

3 cr. Graduate.

Management of innovation business projects, including multi-tier contracting, virtual manufacturing, quality targeting and pursuit, and global operations. Counts as repeat of HCA 590 of same topic.

**Prerequisites:** grad st; admis to MHA major; or cons instr**Last Taught:** Spring 2023, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 867 Global Population Health Management**

3 cr. Graduate.

Examines the challenges and opportunities to improving health within and across populations, as well as models of value-driven accountable care.

**Prerequisites:** graduate standing and admis to MHA program; or consent of instructor.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 868 Health Law and Ethics**

3 cr. Graduate.

Critical examination for healthcare specific issues and differences from other industries; financial and accounting practice; legal requirements and constraints; ethical issues facing healthcare managers.

**Prerequisites:** grad st; admis to MHA major; or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 869 Health Care Compliance**

3 cr. Graduate.

Fundamentals of health care compliance, following Health Care Compliance Association expectations. Partial preparation for Certification in Healthcare Compliance (CHC) exam offered by Compliance Certification Board.

**Prerequisites:** grad st; or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 870 Internship in Health Care Administration**

2 cr. Graduate.

Fieldwork placement in a staff or administrative position.

**Prerequisites:** grad st; admis to MHA program; or cons instr

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 871 MHA Capstone**

1 cr. Graduate.

Capstone course in which students demonstrate mastery of integration and synthesis of didactic and experiential coursework. Facilitates the turning point from education to professional practice.

**Prerequisites:** grad st; admis to MHA; or cons instr

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 909 Guided Teaching Experience in Health Sciences**

3 cr. Graduate.

This course provides the student, under the supervision of a faculty member, with the opportunity to design, deliver, and evaluate an undergraduate course.

**Prerequisites:** graduate standing, one of the following: ATRAIN 900(P), OCCTHPY 900(P), PRPP 900(P), or PT 900(P), and consent of instructor.

**Course Rules:** Satisfactory/Unsatisfactory only. ATRAIN 909, BMS 909, COMSDIS 909, HCA 909, KIN 909, OCCTHPY 909, PT 909, and PRPP 909 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HCA 990 Research and Dissertation**

1-6 cr. Graduate.

Research in HealthCare Administration and Informatics.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Health Care Informatics (HI)

**HI 537 Health Information Technology and Management**

3 cr. Undergraduate/Graduate.

Introduction to origins, sources and content of healthcare data; technologies used to manage and control healthcare databases.

Introduction to key components of healthcare databases, telecommunications technology, electronic medical record (EMR), project management, and systems evaluation.

**Prerequisites:** junior standing in Health Sciences program or minor in HCA or HCI cert or cons instr; HS 224(P), INFOST 110(P), or BUS ADM 230(P).

**Course Rules:** Previously HCA 537.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 537G Health Information Technology and Management**

3 cr. Undergraduate/Graduate.

Introduction to origins, sources and content of healthcare data; technologies used to manage and control healthcare databases.

Introduction to key components of healthcare databases, telecommunications technology, electronic medical record (EMR), project management, and systems evaluation.

**Prerequisites:** junior standing in Health Sciences program or minor in HCA or HCI cert or cons instr; HS 224(P), INFOST 110(P), or BUS ADM 230(P).

**Course Rules:** Previously HCA 537.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 700 Introduction to Health Care Informatics**

3 cr. Graduate.

An introduction to the history, theory, applications, and organizational context of health informatics.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 700.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 721 Health Information Technology Procurement**

3 cr. Graduate.

A study of the concepts related to acquisition of information technology, including evaluation, selection, and contracts. Emphasis on integration of information technology and strategic planning.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 721.

**Last Taught:** Spring 2017, Spring 2016, Summer 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 722 Legal, Ethical and Social Issues in Health Care Informatics**

3 cr. Graduate.

Legal, ethical and social issues in the use of health care computer-based technology and information systems.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 722.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 723 Health Care Systems Applications - Administrative and Clinical**

3 cr. Graduate.

A study of the administrative and clinical applications of health information systems with emphasis on content, functional and technical requirements.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 723.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 740 Introduction to Biomedical Database Applications**

3 cr. Graduate.

The course surveys the emerging field of biomedical database applications, which includes recurrent themes in biomedical database design.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 740.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 741 Essential Programming for Health Informatics**

3 cr. Graduate.

Study of programming topics and skills necessary to perform commonly encountered computational tasks in the field of biomedical and health informatics.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 741.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 742 Computational Intelligence in Health Informatics**

3 cr. Graduate.

Study of computational intelligence as applied to biomedical and health care informatics.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 742.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 743 Predictive Analytics in Healthcare**

3 cr. Graduate.

Study of predictive analytics methods and their healthcare applications.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 743.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 744 Text Retrieval and Its Applications in Biomedicine**

3 cr. Graduate.

Fundamental issues and current research in text retrieval, text classification and their biomedical applications; programming and use of indexing, query processing, and document retrieval methods.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** COMPSCI 744 and HI 744 are jointly offered and count as repeats of one another. Not open to students who have cr in COMPSCI 744, COMPSCI 444 or HCA 444.

**Last Taught:** Fall 2016, Fall 2015, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 745 Health Big Data Processing Platforms**

3 cr. Graduate.

Study of big data processing techniques in healthcare.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 745.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 760 Biomedical and Healthcare Terminology and Ontology**

3 cr. Graduate.

Theory and application of ontology, controlled terminology, and coding to health information systems.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 760.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 776 Biomedical Natural Language Processing**

3 cr. Graduate.

Study of basic and essential concepts, techniques, and tools of Natural Language Processing for its application to the biomedical domain.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 776.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 789 Biomedical Information Extraction**

3 cr. Graduate.

Applications of Natural Language Processing Methods to Biomedical Information Extraction Tasks.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 789.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 890 Health Care Informatics Research and Thesis**

1-6 cr. Graduate.

Preparation of a thesis under the direction of the student's major professor.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 890. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 891 Health Care Informatics Professional Project**

3 cr. Graduate.

Preparation of a professional project under the supervision of the student's major professor.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Previously HCA 891. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HI 990 Research and Dissertation**

1-6 cr. Graduate.

Research in Health Care Informatics.

**Prerequisites:** graduate standing.

**Course Rules:** Repeatable.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Health Sciences (HS)

**HS 101 Introduction to Health and Disease**

2 cr. Undergraduate.

A survey of health promotion and disease prevention including fitness, nutrition, disease transmission, mental health, drug use, and other current health-related topics.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 102 Healthcare Delivery in the United States**

3 cr.

An introduction to healthcare delivery focusing on consumers, providers, organization, financing, quality and utilization of services, health planning, and political and governmental impacts.

**Prerequisites:** none.

**Course Rules:** CGS HES 102 and HS 102 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 102X Healthcare Delivery in the United States**

3 cr.

An introduction to healthcare delivery focusing on consumers, providers, organization, financing, quality and utilization of services, health planning, and political and governmental impacts.

**Prerequisites:** none.

**Course Rules:** CGS HES 102 and HS 102 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 105 Survey of the Health Professions**

3 cr.

An introduction to health professions, professional pathways, their work settings, and roles on the healthcare team. Other topics include: patient-professional communication, patient characteristics, medical terminology.

**Prerequisites:** none.

**Course Rules:** CGS HES 105 and HS 105 are jointly offered and count as repeats of one another.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 105X Survey of the Health Professions**

3 cr.

An introduction to health professions, professional pathways, their work settings, and roles on the healthcare team. Other topics include: patient-professional communication, patient characteristics, medical terminology.

**Prerequisites:** none.

**Course Rules:** CGS HES 105 and HS 105 are jointly offered and count as repeats of one another.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 222 Language of Medicine**

3 cr. Undergraduate.

Medical terms used in oral and written communication; reviews terminology by body system with emphasis on application.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 224 Computational Tools for Healthcare Professionals**

3 cr. Undergraduate.

Healthcare focused introduction to computational tools for information management, including system architecture, process and ethical concepts. Incorporates training in office application software.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 250 Allied Health Information Methods**

2 cr. Undergraduate.

Techniques and processes used by allied health personnel to translate thought and behavior into an acceptable style and format for documentation of activities.

**Prerequisites:** soph st; grade of C or better in English 102(P) or score at level 4 on EPT.

**Last Taught:** Spring 2019, Fall 2018, Spring 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 251 Health Documentation**

1 cr. Undergraduate.

Appropriate health documentation techniques will be addressed including the medical; legal and reimbursement issues of patient assessment, problem identification, and patient care plans.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 311 Law and Ethics for Healthcare Professionals**

3 cr. Undergraduate.

An introduction to law and ethics as it relates to healthcare including bioethics. Topics include contracts, torts, damages, negligence, malpractice, litigation and trial proceedings, and ethics in clinical and business decision-making.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HS 311X Law and Ethics for Healthcare Professionals**

3 cr. Undergraduate.

An introduction to law and ethics as it relates to healthcare including bioethics. Topics include contracts, torts, damages, negligence, malpractice, litigation and trial proceedings, and ethics in clinical and business decision-making.

**Prerequisites:** junior standing or consent of instructor.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HS 917 Seminar in Health Outcomes Assessment**

3 cr. Graduate.

Conceptual innovations and methodological strategies in outcomes research including implementation in clinical research and practice.

**Prerequisites:** grad st ; cons instr**Last Taught:** Fall 2014, Fall 2013, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Hebrew (HEBREW)

**HEBREW 101 First Semester Hebrew**

4 cr. Undergraduate.

For students with no previous knowledge of Hebrew. Elements of reading and grammar, vocabulary building, and fundamental principles of the language. Reading in simple narrative Hebrew prose. Language laboratory required.

**Prerequisites:** none.**Course Rules:** Not open to native speakers of Hebrew. May not be taken for cr by students who have completed HEBREW 51 or HEBREW 52.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HEBREW 102 Second Semester Hebrew**

4 cr. Undergraduate.

Continuation of HEBREW 101. Language laboratory required.

**Prerequisites:** HEBREW 101(P) or HEBREW 51(P) and HEBREW 52(P).

Generates L&amp;S credit for demonstrated equivalent preparation (4 retro cr).

**Course Rules:** Not open to native speakers of Hebrew. No cr for students who have cr in HEBREW 53 and HEBREW 54.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HEBREW 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Spring 2020, Fall 2011, Fall 2006, Spring 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HEBREW 201 Third-Semester Hebrew**

4 cr. Undergraduate.

Advanced grammar and idiom. Easy selections from the Bible and later Hebrew literature.

**Prerequisites:** HEBREW 102(P) or HEBREW 54(P). Generates L&S credit for demonstrated equivalent preparation (8 retro cr).**Course Rules:** Not open to native speakers of Hebrew.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HEBREW 202 Fourth-Semester Hebrew**

4 cr. Undergraduate.

Continuation of HEBREW 201.

**Prerequisites:** HEBREW 201(P). Generates L&S credit for demonstrated equivalent preparation (11 retro cr).**Course Rules:** Not open to native speakers of Hebrew.**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HEBREW 301 Modern Hebrew Literature I in Hebrew**

3 cr. Undergraduate.

Selections from modern Hebrew prose and poetry up to 1948. Course conducted substantially in Hebrew.

**Prerequisites:** jr st. Generates L&S credit for demonstrated equivalent preparation (14 retro cr).**Course Rules:** Not open for cr to students w/ cr in HEBREW 303.**General Education Requirements:** HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HEBREW 302 Modern Hebrew Literature II in Hebrew**

3 cr. Undergraduate.

Selections from modern Hebrew prose and poetry from 1948 to the present. Course conducted substantially in Hebrew.

**Prerequisites:** jr st. Generates L&S credit for demonstrated equivalent preparation (14 retro cr).**Course Rules:** Not open for cr to students w/cr in HEBREW 304.**General Education Requirements:** HU**Last Taught:** Spring 2023, Spring 2022, Spring 2011, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## History (HIST)

**HIST 101 Western Civilization: Ancient World to 1500**

3 cr. Undergraduate.

A survey of major themes in the social, political, and cultural development of the western world from its ancient origins to 1500.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 102 Western Civilization: 1500 to the Present**

3 cr. Undergraduate.

A survey of major themes in the social, political, and cultural development of the western world from 1500 to the present.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 110 Football and American Society**

3 cr. Undergraduate.

Football as a game and institution in American society and culture.

Topics include gender, militarism, patriotism, labor, tax, and race issues in the US.

**Prerequisites:** none**Course Rules:** Counts as a repeat of Hist 404 with a similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 131 World History to 1500**

3 cr. Undergraduate.

Global perspective on the development of the civilizations of Europe, Africa, Asia, and the Americas from prehistoric times to the dawn of the modern era.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 132 World History Since 1500**

3 cr. Undergraduate.

Global perspective on the development and integration of the civilizations of the world from the age of European expansion to the present.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** UWinteriM 2024, Summer 2023, Spring 2023, UWinteriM 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 141 Global History of the Family, Gender, and Sexuality**

3 cr. Undergraduate.

A thematic survey of global history exploring the changing concepts of gender, sexuality, and the family from prehistory to the present. Topics include genealogy, demography, kinship, law, artistic representation, feminist analysis, and sexual diversity studies.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2021, Fall 2020, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 150 Multicultural America**

3 cr. Undergraduate.

Cross-cultural study of U.S. ethnic and racial identities through materials from literature, history, and the media, with attention to African-, Asian-, Hispanic-, and Native-American experiences.

**Prerequisites:** none.

**Course Rules:** Cultures and Communities Prog course; req'd service learning component.

**General Education Requirements:** CD, HU

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 151 American History: 1607 to 1877**

3 cr. Undergraduate.

Survey of American social, political and economic development to 1877.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 152 American History: 1877 to the Present**

3 cr. Undergraduate.

Survey of American social, political, diplomatic, and economic development, from 1877 to the present.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 175 East Asian Civilization to 1600**

3 cr. Undergraduate.

Survey of the culture, history, and institutions of China, Korea, and Japan from earliest times.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2022, Fall 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 176 East Asian Civilization Since 1600**

3 cr. Undergraduate.

Survey of the culture, history, and institutions of China, Korea, and Japan since 1600.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 180 Latin American Society and Culture**

3 cr. Undergraduate.

Lecture course designed to familiarize students with the broad parameters of Latin American history, emphasis on themes of continuity and change.

**Prerequisites:** none.

**Course Rules:** No cr for students with cr in Hist 388, 389, or 390.

**General Education Requirements:** SS

**Last Taught:** Spring 2019, Fall 2014, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 192 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2018, Spring 2018, Summer 2017, Summer 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 193 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Last Taught:** Fall 2019, Fall 2007, Fall 2006, Fall 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 6 cr max.

**Last Taught:** Spring 2021, Fall 2016, Spring 2012, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 200 Historical Roots of Contemporary Issues:**

3 cr. Undergraduate.

This course examines the historical dimensions and demonstrates the importance of historical thinking for the understanding of contemporary problems and crises.

**Prerequisites:** none.**Course Rules:** May be retaken with change in topic.**General Education Requirements:** SS**Last Taught:** Spring 2020, Fall 2018, Fall 2017, Summer 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 201 The Ancient World: The Near East and Greece**

3 cr. Undergraduate.

Mesopotamians, biblical Palestinians, Assyrians, Medes, Persians, and Greeks to 323 B.C.E.

**Prerequisites:** none.**Course Rules:** Not open for cr to students who have had any Hist courses numbered 121, 303, or 304.**General Education Requirements:** HU**Last Taught:** Spring 2017, Fall 2014, Fall 2013, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 202 The Ancient World: The Roman Republic and Empire**

3 cr. Undergraduate.

Survey of the history of ancient Rome from its beginnings to the time of Constantine the Great.

**Prerequisites:** none.**Course Rules:** Not open for cr to students who have had any Hist courses numbered 122, 307 or 308.**General Education Requirements:** HU**Last Taught:** Spring 2021, Fall 2019, Fall 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 203 The History of Medieval Europe: The Early Middle Ages**

3 cr. Undergraduate.

Studies in the history of Europe and the Mediterranean world from the fourth to the tenth centuries.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 204 The History of Medieval Europe: The High Middle Ages**

3 cr. Undergraduate.

Studies in the history of Europe and the Mediterranean world from the eleventh to the fourteenth centuries.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 206 Europe and the Modern World: 1815 to the Present**

3 cr. Undergraduate.

Survey of the political, economic, social, and cultural history of modern western civilization.

**Prerequisites:** none.**Course Rules:** Not open for cr to students w/cr in Hist 374 or 375.**General Education Requirements:** SS**Last Taught:** Spring 2019, Fall 2004, Spring 2004, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 210 The Twentieth Century: A Global History**

3 cr. Undergraduate.

War, revolution, colonialism in global perspective; role of science, communication, and technology; shifting concepts of gender, class, race, and authority; internationalization of ideas and commerce.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 215 History of Capitalism**

3 cr. Undergraduate.

Examines the role of property rights, technology, forms of enterprise, and business-state relations and the economic benefits and social costs of economic change.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2021, Fall 2020, Fall 2018, Fall 1993.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 229 History of Race, Science, and Medicine in the United States**

3 cr. Undergraduate.

Education and professionalization of minorities in science, medicine, and nursing; minorities as patients and scientific subjects; biographies of minority scientists; scientific theories of racial inferiority.

**Prerequisites:** none.**General Education Requirements:** CD, HU**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 235 English History to 1688**

3 cr. Undergraduate.

Celtic period, Roman occupation, the Anglo-Saxons, Christianization of England, Norman conquest, feudalism, medieval peasantry, Black Death, rise of the Tudors, Renaissance, Reformation, English revolution.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Spring 2019, Spring 2018, Spring 2017, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 236 Britain Since 1688: Rise and Decline of a Great Power**

3 cr. Undergraduate.

Examines change and continuities in British life from 1688 to the present against the backdrop of industrialization, imperial expansion, industrial decline, and decolonization.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2013, Spring 2009, Spring 2008, Spring 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 239 Poland and its Neighbors, 1795-1914**

3 cr. Undergraduate.

The Polish lands and Central Europe in the 19th century, from the Napoleonic era to the First World War.

**Prerequisites:** none.**Last Taught:** Spring 2020, Fall 2007, Spring 1997, Spring 1994.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 241 Women and Gender in Europe: 1350 to 1750**

3 cr. Undergraduate.

Social, economic, cultural, religious, and political aspects of the history of women from the Middle Ages to the Enlightenment.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 242 Women and Gender in Europe: 1750 to the Present**

3 cr. Undergraduate.

Social, economic, cultural, religious and political aspects of the history of women and gender from the Enlightenment to the present.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Spring 2022, Fall 2019, Spring 2017, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 243 History of Women in American Society**

3 cr. Undergraduate.

The changing, economic, social, and political roles of American women, their relationship to public and private life, and their evolving self-consciousness.

**Prerequisites:** none.**Course Rules:** Not open to students who have taken Hist 423.**General Education Requirements:** HU**Last Taught:** Fall 2016, Spring 2016, Fall 2014, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 248 The First World War**

3 cr. Undergraduate.

Origins and course of what became the Great War. The peace settlements. Emphasis on economic and social change as well as military and diplomatic matters.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 249 The Second World War in Europe**

3 cr. Undergraduate.

The origins and course of the war in Europe from 1939 to 1945. Emphasis on political and diplomatic aspects as well as military matters.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 262 North American Indian History to 1887**

3 cr. Undergraduate.

A survey of Native American history from aboriginal times to 1887. Emphasis will be placed on American policies and change within Indian societies.

**Prerequisites:** none.**Course Rules:** AIS 262 & HIST 262 are jointly offered; they count as repeats of one another.**General Education Requirements:** CD, SS**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 263 North American Indian History Since 1887**

3 cr. Undergraduate.

A survey of American Indian history since 1887 with emphasis on federal policies and changing Indian societies in the twentieth century.

**Prerequisites:** none.**Course Rules:** AIS 263 & Hist 263 are jointly offered; they count as repeats of one another.**General Education Requirements:** CD, SS**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 266 Race, Racial Thought, and Prejudice in the United States, 1607 - Present**

3 cr. Undergraduate.

A history of racial attitudes and their impact on racial minorities in the United States from 1607 to the present.

**Prerequisites:** none.**Course Rules:** Not open to students with cr in Hist 165(ER).**General Education Requirements:** CD, HU**Last Taught:** Fall 1997, Fall 1995, Summer 1994, Summer 1992.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 267 The History of Latinos in the United States**

3 cr. Undergraduate.

History and culture of Latinos in the United States from the colonial period to the present; emphasis on Mexican American, Puerto Rican, and Cuban experiences.

**Prerequisites:** none.**Course Rules:** Hist 267 & Latino 267 are jointly offered; they count as repeats of one another.**General Education Requirements:** CD, HU**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 268 History of the American West**

3 cr. Undergraduate.

The American frontier experience; Indian policy, expansion; fur trade; settlement; communications, mining frontier; cattle frontier, and the impact of westward expansion on the nation.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2023, Fall 2008, Fall 2007, Fall 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 269 Asian Americans in Historical Perspective**

3 cr. Undergraduate.

The history of Asians in the United States from 1849 to the present emphasizing the Chinese, Japanese, Filipino, Korean, and southeast Asian experiences of immigration, discrimination, and assimilation in different regions in the United States.

**Prerequisites:** none.**General Education Requirements:** CD, HU**Last Taught:** Fall 2021, Spring 2019, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 270 Topics in American History.**

3 cr. Undergraduate.

American historical topics of current importance.

**Prerequisites:** none.**Course Rules:** May be retaken w/chg in topic. Students may take any combination of Hist 250, 270 & 290 not to exceed 9 cr.**Last Taught:** Fall 2016, Fall 2015, Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 271 The 1960s in the United States: A Cultural History**

3 cr. Undergraduate.

Overview of social upheavals; how 1960s shaped racial and ethnic identities, youth culture, sexual mores, community activism, art and fashion, political values; decade's enduring influence.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 274 Ancient Egyptian Civilization**

3 cr. Undergraduate.

Culture of Egypt, with particular attention to its literature reflecting social, political, and religious conditions; emphasis on Egyptian-Hebrew contacts during the second millennium.

**Prerequisites:** none.**Course Rules:** Classic (Hebr St) 274 & Hist 274 are jointly offered; they count as repeats of one another.**General Education Requirements:** HU**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 280 Islamic Civilization: The Formative Period, ca. 500-1258**

3 cr. Undergraduate.

The rise and spread of Islam in medieval times; its social and political history and its contribution to world civilization.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2018, Fall 2017, Fall 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 282 The Modern Middle East in the Nineteenth and Twentieth Centuries**

3 cr. Undergraduate.

The challenge of colonialisms--Ottoman, Portuguese, French and British--and the response of nationalisms--Arab, Turkish, Persian, and Zionist; also the Arab-Israeli conflict.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 284 Buddhism Across Asia**

3 cr. Undergraduate.

History of Buddhism from the 5th century BCE to the present.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Spring 2019, Fall 2016, Fall 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 286 The Korean War**

3 cr. Undergraduate.

Origins, conduct, and meaning of the Korean conflict, 1950-1953.

**Prerequisites:** none.**Last Taught:** Spring 2009, Spring 2008, Spring 2007, Fall 1989.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 287 The Vietnam War**

3 cr. Undergraduate.

A political, social, and cultural history of the Vietnamese and American dimensions of the war in Vietnam.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Spring 2023, Spring 2022, Spring 2021, UWinterIM 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 289 Internship in History, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of history in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Hist; 2.50 gpa; writ cons supervising faculty member & dept chair.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.**Last Taught:** Fall 2012, Spring 2007, Summer 2005, Fall 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 290 Topics in Global History.**

3 cr. Undergraduate.

Global, comparative, and non-western historical topics of current importance.

**Prerequisites:** none.**Course Rules:** May be retaken w/chg in topic. Students may take any combination of Hist 250, 270, & 290 not to exceed 9 cr.**Last Taught:** Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 294 Seminar on Historical Method: Research Techniques**

3 cr. Undergraduate.

The practical problems of historical research: question-framing, research design, use of sources, bibliography, archives and manuscript collections, quantification; evidence, verification, and exposition.

**Prerequisites:** none.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 295 Historical Encounters:**

3 cr. Undergraduate.

Studies in history of contacts and conflicts between differing civilizations. European, Near Eastern, Asian, African, and American topics are treated in cross-cultural perspective.

**Prerequisites:** none.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** UWinterIM 2008, Spring 2002, Spring 1993, Spring 1992.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.

**Course Rules:** One credit for 45 hrs research. May be retaken to 9 cr max in any combination of UROP apprenticeship courses. Not open to jrs & srs.

**Last Taught:** Spring 2017, Fall 2007, Spring 2007, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before coursework level, content and credits are determined and/or in specially prepared program coursework.

**Prerequisites:** acceptance for Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2018, Fall 1997, Spring 1995, Summer 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 303 A History of Greek Civilization: The Greek City-State**

3 cr. Undergraduate/Graduate.

Greek history from prehistoric times to the death of Alexander the Great.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 303G A History of Greek Civilization: The Greek City-State**

3 cr. Undergraduate/Graduate.

Greek history from prehistoric times to the death of Alexander the Great.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 304 A History of Greek Civilization: The Age of Alexander the Great**

3 cr. Undergraduate/Graduate.

The Macedonian state to the death of Alexander the Great; the Hellenistic states.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 304G A History of Greek Civilization: The Age of Alexander the Great**

3 cr. Undergraduate/Graduate.

The Macedonian state to the death of Alexander the Great; the Hellenistic states.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 307 A History of Rome: The Republic**

3 cr. Undergraduate/Graduate.

Roman history from the beginnings of the Roman state to the death of Julius Caesar.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 307G A History of Rome: The Republic**

3 cr. Undergraduate/Graduate.

Roman history from the beginnings of the Roman state to the death of Julius Caesar.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 308 A History of Rome: The Empire**

3 cr. Undergraduate/Graduate.

Roman history from the death of Julius Caesar to the fall of the empire in the west.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 308G A History of Rome: The Empire**

3 cr. Undergraduate/Graduate.

Roman history from the death of Julius Caesar to the fall of the empire in the west.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 318 Medieval Civilization: The High Middle Ages**

3 cr. Undergraduate/Graduate.

The intellectual development of medieval Europe, from the twelfth century to the fourteenth century.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 318G Medieval Civilization: The High Middle Ages**

3 cr. Undergraduate/Graduate.

The intellectual development of medieval Europe, from the twelfth century to the fourteenth century.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 319 The Era of the Crusades**

3 cr. Undergraduate/Graduate.

A consideration of the relationships between western Europe and the East in the period of the Crusades.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 319G The Era of the Crusades**

3 cr. Undergraduate/Graduate.

A consideration of the relationships between western Europe and the East in the period of the Crusades.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 320 History of Medieval Warfare**

3 cr. Undergraduate/Graduate.

Evolution of warfare in the Middle Ages; technology, tactics, strategy, and interaction with politics and culture.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 320G History of Medieval Warfare**

3 cr. Undergraduate/Graduate.

Evolution of warfare in the Middle Ages; technology, tactics, strategy, and interaction with politics and culture.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 329 The Roman Catholic Church, 1500 to the Present**

3 cr. Undergraduate/Graduate.

History of the Catholic Church from the Renaissance to the present.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2011, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 329G The Roman Catholic Church, 1500 to the Present**

3 cr. Undergraduate/Graduate.

History of the Catholic Church from the Renaissance to the present.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2011, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 330 The Papacy in History**

3 cr. Undergraduate/Graduate.

Examination of the papacy, the world's most visible and influential religious office, from its origins to the present.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Course Rules:** Not open to students w/cr in Hist 600 w/same topic.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 330G The Papacy in History**

3 cr. Undergraduate/Graduate.

Examination of the papacy, the world's most visible and influential religious office, from its origins to the present.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Course Rules:** Not open to students w/cr in Hist 600 w/same topic.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 341 Imperial Russia**

3 cr. Undergraduate/Graduate.

Development of autocracy and expansion of Russia's multi-ethnic empire; Russian economic, political, and intellectual developments under the tsars; reform and revolution.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 341G Imperial Russia**

3 cr. Undergraduate/Graduate.

Development of autocracy and expansion of Russia's multi-ethnic empire; Russian economic, political, and intellectual developments under the tsars; reform and revolution.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 343 Russia Since 1917**

3 cr. Undergraduate/Graduate.

Russian cultural, social, and political history since the revolutions of 1917.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 343G Russia Since 1917**

3 cr. Undergraduate/Graduate.

Russian cultural, social, and political history since the revolutions of 1917.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 346 Poland and Its Neighbors, 1914-1945**

3 cr. Undergraduate/Graduate.

The effects of two world wars in East-Central Europe. The independence and subjugation of Poland, Czechoslovakia, Hungary and the Baltic States.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 346G Poland and Its Neighbors, 1914-1945**

3 cr. Undergraduate/Graduate.

The effects of two world wars in East-Central Europe. The independence and subjugation of Poland, Czechoslovakia, Hungary and the Baltic States.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 348 Poland and Its Neighbors, 1945 to the Present**

3 cr. Undergraduate/Graduate.

Developments in Poland, East Germany, Czechoslovakia, and Hungary since the Second World War. The origins, development, decline, and fall of communist rule in Central Europe.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2021, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 348G Poland and Its Neighbors, 1945 to the Present**

3 cr. Undergraduate/Graduate.

Developments in Poland, East Germany, Czechoslovakia, and Hungary since the Second World War. The origins, development, decline, and fall of communist rule in Central Europe.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2021, Spring 2018.

**HIST 370 Topics in the History of Religious Thought:**

3 cr. Undergraduate/Graduate.

Selected topics in the history of religious thought, for graduate and advanced undergraduate students. Intensive reading and student reports will be stressed.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 370G Topics in the History of Religious Thought:**

3 cr. Undergraduate/Graduate.

Selected topics in the history of religious thought, for graduate and advanced undergraduate students. Intensive reading and student reports will be stressed.

**Prerequisites:** jr st; satisfaction of English Composition competency req.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 371 Topics in European History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in European history.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 371G Topics in European History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in European history.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 372 Topics in Global History:**

3 cr. Undergraduate/Graduate.

Selected issues in global history.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 372G Topics in Global History:**

3 cr. Undergraduate/Graduate.

Selected issues in global history.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 373 Topics in Gender and History:**

3 cr. Undergraduate/Graduate.

Selected topics in the history of gender, family, and sexuality.

**Prerequisites:** junior standing and satisfaction of English Composition competency requirement.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 373G Topics in Gender and History:**

3 cr. Undergraduate/Graduate.

Selected topics in the history of gender, family, and sexuality.

**Prerequisites:** junior standing and satisfaction of English Composition competency requirement.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 375 Contemporary European History, 1945 to the Present**

3 cr. Undergraduate/Graduate.

The Cold War; the recovery of Europe; student revolutions and spiritual crisis; economic stagnation; moves toward European unification; breakup of the Soviet bloc.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.**Last Taught:** Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 375G Contemporary European History, 1945 to the Present**

3 cr. Undergraduate/Graduate.

The Cold War; the recovery of Europe; student revolutions and spiritual crisis; economic stagnation; moves toward European unification; breakup of the Soviet bloc.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.**Last Taught:** Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 376 Premodern China**

3 cr. Undergraduate/Graduate.

History of China from prehistoric times to 1600; attention to development of distinctive qualities of Chinese philosophy, politics, society, and material culture.

**Prerequisites:** junior standing and satisfaction of English Composition competency requirement.**Last Taught:** Spring 2013, Fall 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 376G Premodern China**

3 cr. Undergraduate/Graduate.

History of China from prehistoric times to 1600; attention to development of distinctive qualities of Chinese philosophy, politics, society, and material culture.

**Prerequisites:** junior standing and satisfaction of English Composition competency requirement.**Last Taught:** Spring 2013, Fall 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 377 Modern China**

3 cr. Undergraduate/Graduate.

China in the nineteenth and twentieth centuries, from the Opium Wars to the establishment of People's Republic in 1949. Major political, economic and social issues.

**Prerequisites:** jr st; satisfaction of English Composition competency req.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 377G Modern China**

3 cr. Undergraduate/Graduate.

China in the nineteenth and twentieth centuries, from the Opium Wars to the establishment of People's Republic in 1949. Major political, economic and social issues.

**Prerequisites:** jr st; satisfaction of English Composition competency req.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 378 Revolution in China**

3 cr. Undergraduate/Graduate.

History of the socialist revolution in China. Background examination of the Chinese communist movement, but major emphasis on People's Republic from 1949 to the present.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.**Last Taught:** Spring 2021, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 378G Revolution in China**

3 cr. Undergraduate/Graduate.

History of the socialist revolution in China. Background examination of the Chinese communist movement, but major emphasis on People's Republic from 1949 to the present.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 379 Introduction to Jewish History**

3 cr. Undergraduate.

Historical survey of major currents in Jewish culture and society from antiquity to the present day, with particular focus on the modern era.

**Prerequisites:** junior standing and satisfaction of GER English Composition competency requirement.

**Course Rules:** HIST 379 and JEWISH 379 are jointly offered; they count as repeats of one another.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 380 Buddhism: A Cultural History**

3 cr. Undergraduate/Graduate.

Development of Buddhist culture in Asia and contemporary globalized world; intertwining themes of individual purification and Buddhist visions of just and unjust societies.

**Prerequisites:** jr st; completion GER English Composition competency req.

**Last Taught:** Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 380G Buddhism: A Cultural History**

3 cr. Undergraduate/Graduate.

Development of Buddhist culture in Asia and contemporary globalized world; intertwining themes of individual purification and Buddhist visions of just and unjust societies.

**Prerequisites:** jr st; completion GER English Composition competency req.

**Last Taught:** Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 386 Africans in World History: Communities, Cultures, and Ideas**

3 cr. Undergraduate/Graduate.

Survey of themes in African history before 1850, prior to the onset of the establishment of widespread "formal" colonial rule.

**Prerequisites:** junior standing and satisfaction of OWC-A GER.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 386G Africans in World History: Communities, Cultures, and Ideas**

3 cr. Undergraduate/Graduate.

Survey of themes in African history before 1850, prior to the onset of the establishment of widespread "formal" colonial rule.

**Prerequisites:** junior standing and satisfaction of OWC-A GER.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 387 Colonization in Africa: A History of Resistance and Adaptation**

3 cr. Undergraduate/Graduate.

Examines various forms of resistance and responses by Africans to processes of colonization from the 16th to late 20th centuries.

**Prerequisites:** jr st; satisfaction of OWC-A GER.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 387G Colonization in Africa: A History of Resistance and Adaptation**

3 cr. Undergraduate/Graduate.

Examines various forms of resistance and responses by Africans to processes of colonization from the 16th to late 20th centuries.

**Prerequisites:** jr st; satisfaction of OWC-A GER.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 392 The History of Southern Africa**

3 cr. Undergraduate/Graduate.

Surveys the history of South Africa and Zimbabwe with special reference to the twentieth century, comparing their struggles for majority rule.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2022, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 392G The History of Southern Africa**

3 cr. Undergraduate/Graduate.

Surveys the history of South Africa and Zimbabwe with special reference to the twentieth century, comparing their struggles for majority rule.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Spring 2022, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 393 History of Mexico**

3 cr. Undergraduate/Graduate.

An upper-division survey course spanning all periods of Mexican history, with special emphasis on the historical origins and development of major contemporary issues.

**Prerequisites:** jr st or cons instr; satisfaction of GER English composition competency req.

**Last Taught:** Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 393G History of Mexico**

3 cr. Undergraduate/Graduate.

An upper-division survey course spanning all periods of Mexican history, with special emphasis on the historical origins and development of major contemporary issues.

**Prerequisites:** jr st or cons instr; satisfaction of GER English composition competency req.

**Last Taught:** Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 394 History of Japan to 1600**

3 cr. Undergraduate/Graduate.

Japanese political, economic, and social development, cultural change, and major historical figures, from ancient times to 1600.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Last Taught:** Spring 2009, Fall 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 394G History of Japan to 1600**

3 cr. Undergraduate/Graduate.

Japanese political, economic, and social development, cultural change, and major historical figures, from ancient times to 1600.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Last Taught:** Spring 2009, Fall 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 395 History of Japan Since 1600**

3 cr. Undergraduate/Graduate.

Japan's rise as modern nation-state and economic power; evolution of social, political, cultural institutions from establishment of Tokugawa shogunate through Meiji restoration to present.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Last Taught:** Fall 2014, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 395G History of Japan Since 1600**

3 cr. Undergraduate/Graduate.

Japan's rise as modern nation-state and economic power; evolution of social, political, cultural institutions from establishment of Tokugawa shogunate through Meiji restoration to present.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Last Taught:** Fall 2014, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 396 Decolonization, Revolution, and Independence in African History**

3 cr. Undergraduate/Graduate.

History of decolonization and independence in Africa: African adaptations to colonial rule; processes of decolonization; nationalism; and notions of sovereignty. Prereq: Prereq: jr st; satisfaction of OWC-A GER.

**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 396G Decolonization, Revolution, and Independence in African History**

3 cr. Undergraduate/Graduate.

History of decolonization and independence in Africa: African adaptations to colonial rule; processes of decolonization; nationalism; and notions of sovereignty. Prereq: Prereq: jr st; satisfaction of OWC-A GER.

**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 398 Honors Seminar:**

3 cr. Undergraduate.

Reading, discussion, and presentation of papers to help students acquire an understanding of important historical problems from a humanities perspective.

**Prerequisites:** sophomore standing; HONORS 200(P); consent of Honors College director.**Course Rules:** May be retaken with change in topic to combined 9 cr max in HIST 398 & HIST 399. Counts as repeat of HIST 270 & HIST 404 with similar topic.**General Education Requirements:** HU**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 399 Honors Seminar:**

3 cr. Undergraduate.

Readings, discussion, and presentation of papers to help students acquire an understanding of important historical problems from a social science perspective.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.**Course Rules:** May be retaken w/chg in topic to combined 9 cr max in HIST 398 and HIST 399.**General Education Requirements:** SS**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 400 Topics in Latin American and Caribbean History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in the history of South America, Central America, and the Caribbean Islands.

**Prerequisites:** junior standing and completion of GER English Composition competency requirement.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 400G Topics in Latin American and Caribbean History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in the history of South America, Central America, and the Caribbean Islands.

**Prerequisites:** junior standing and completion of GER English Composition competency requirement.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 401 Topics in Middle Eastern History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in Middle Eastern history.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Fall 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 401G Topics in Middle Eastern History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in Middle Eastern history.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Fall 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 402 Topics in Asian History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in the history of Asia.

**Prerequisites:** jr st; completion of GER English Composition competency req.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Fall 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 402G Topics in Asian History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in the history of Asia.

**Prerequisites:** jr st; completion of GER English Composition competency req.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2023, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 404 Topics in American History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in the history of the United States.

**Prerequisites:** junior standing and completion of GER English Composition competency requirement.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 404G Topics in American History:**

3 cr. Undergraduate/Graduate.

Selected themes and issues in the history of the United States.

**Prerequisites:** junior standing and completion of GER English Composition competency requirement.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 405 The Age of the American Revolution, 1750-1789**

3 cr. Undergraduate/Graduate.

Background to revolution; British policy and American protest; political, social, diplomatic, and military phases of the War for Independence; Articles of Confederation; Constitution of 1787.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 405G The Age of the American Revolution, 1750-1789**

3 cr. Undergraduate/Graduate.

Background to revolution; British policy and American protest; political, social, diplomatic, and military phases of the War for Independence; Articles of Confederation; Constitution of 1787.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 409 Causes of the Civil War, 1828-1861**

3 cr. Undergraduate/Graduate.

Examination of the relationship between sectional conflict and political and social developments; the explanation of the causes and timing of the Civil War.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 409G Causes of the Civil War, 1828-1861**

3 cr. Undergraduate/Graduate.

Examination of the relationship between sectional conflict and political and social developments; the explanation of the causes and timing of the Civil War.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req.

**Last Taught:** Fall 2023.

**HIST 716 Professional and Pedagogical Issues in History**

3 cr. Graduate.

Seminar on professional and pedagogical aspects of historical work, including course management, lecture writing, grading, and grant writing.

**Prerequisites:** grad st.

**Last Taught:** Spring 2022, Spring 2019, Fall 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 717 History and the New Media**

3 cr. Graduate.

Seminar on uses of new forms of technology in historical research and teaching.

**Prerequisites:** grad st.

**Last Taught:** Fall 2021, Fall 2020, Fall 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 740 Approaches to the Modern I**

3 cr. Graduate.

Seminar on major figures and intellectual forces that have shaped multiple approaches to the modern across the academy.

**Prerequisites:** grad st.

**Course Rules:** English 740, Hist 740, & MALLT 740 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2017, Fall 2011, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 741 Approaches to the Modern II**

3 cr. Graduate.

Seminar on major figures and intellectual forces that have shaped approaches to the modern across periods.

**Prerequisites:** grad st.

**Course Rules:** English 741, Hist 741 & MALLT 741 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2013, Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 800 Colloquium on U.S. History:**

3 cr. Graduate.

Seminar on issues and problems in U.S. history. Specific topics announced in Timetable each time course is offered.

**Prerequisites:** graduate standing.

**Course Rules:** Retakable with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2022, Spring 2021, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 833 Colloquium on Urban History:**

3 cr. Graduate.

Seminar on issues and problems in urban development and institutions. Specific topics announced in Schedule of Classes each time course is offered.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/ chg in topic to 9 cr max.

**Last Taught:** Spring 2012, Spring 2009, Fall 2006, Spring 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 839 Approaches to Global History**

3 cr. Graduate.

Seminar on historiography and practices of global and comparative history.

**Prerequisites:** grad st.

**Last Taught:** Spring 2013, Spring 2011, Fall 2007, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 840 Colloquium on Global History:**

3 cr. Graduate.

Seminar on historical developments from a global or comparative perspective. Specific topics announced in Timetable each time course is offered.

**Prerequisites:** graduate standing.

**Course Rules:** Retakable with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 841 Colloquium on Modern Studies:**

3 cr. Graduate.

Seminar on historical developments from a modern studies perspective. Specific topics and any additional prerequisites announced in Timetable each time course is offered.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2023, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 850 Colloquium on European History:**

3 cr. Graduate.

Seminar on issues and problems in European history. Specific topics announced in Timetable each time course is offered.

**Prerequisites:** graduate standing.**Course Rules:** Retakable with change in topic to 9 cr max.**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 880 Colloquium: European Diplomatic History**

3 cr. Graduate.

Studies in modern European diplomatic history, emphasizing historiography, interpretation, and archival sources.

**Prerequisites:** grad st; cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Spring 2020, Fall 2019, Fall 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 900 Seminar on U.S. History:**

3 cr. Graduate.

Topics in U.S. history. Specific topics announced in Timetable each time course is offered.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 904 Seminar in Modern America**

3 cr. Graduate.

Research in United States history since 1921.

**Prerequisites:** grad st.**Last Taught:** Spring 2010, Spring 1984.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 907 Seminar on U.S. Intellectual and Cultural History**

3 cr. Graduate.

Intellectual and cultural figures and movements in U.S. history.

3 cr. Graduate.

Historical developments from a global or comparative perspective. Specific topics announced in Timetable each time course is offered.

**Prerequisites:** graduate standing.**Course Rules:** Retakable with change in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 950 Seminar on European History:**

3 cr. Graduate.

Topics in European history.

**Prerequisites:** graduate standing.**Course Rules:** Retakable with change in topic to 9 cr max. Specific topics announced in the Schedule of Classes each time course is offered.**Last Taught:** Fall 2023, Spring 2022, Fall 2021, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 970 Seminar on European Political History**

3 cr. Graduate.

State, society, revolution, war and empire in European history.

**Prerequisites:** grad st.**Last Taught:** Fall 2011, Spring 2009, Fall 2006, Fall 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 971 Seminar on the History of American Urban Problems**

3 cr. Graduate.

Historical analysis of the current problems of housing, race relations, the powers and functions of municipal government, law enforcement, and city planning in the United States.

**Prerequisites:** grad st.**Course Rules:** Hist 971 & Urb Std 971 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 980 Growth of Urban Society**

3 cr. Graduate.

Seminar in historical, social, and ecological growth and development of urban agglomerations. Comparative framework will be used to examine the urban process.

**Prerequisites:** grad st.**Course Rules:** Hist 980 & Urb Std 980 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2016, Spring 2014, Fall 2010, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 985 Master's Capstone**

1-6 cr. Graduate.

Research credits for MA capstone (thesis, projects, etc.) for all options (A, B, C).

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Retakable to 6 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HIST 989 Master's Level Independent Work**

1-3 cr. Graduate.

Independent study on topics selected in agreement with supervising professor.

**Prerequisites:** grad st; cons instr.**Course Rules:** Retakable to 9 cr max.**Last Taught:** Summer 2022, Spring 2022, Fall 2021, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 990 Dissertation Research**

1-6 cr. Graduate.

Research or dissertation work for students in the doctoral program in History.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Retakable as necessary to fulfill dissertation requirements.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HIST 999 Doctoral Level Independent Work**

1-3 cr. Graduate.

Independent study on topics selected in agreement with supervising professor.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Hmong Studies (HMONG)

**HMONG 107 First-Semester Hmong Literacy**

3 cr. Undergraduate.

Introduction to literacy skills in Hmong. Intended for speakers of Hmong.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**HMONG 108 Second-Semester Hmong Literacy**

3 cr. Undergraduate.

Continuation of Hmong 107(FLL 107/Linguis 161).

**Prerequisites:** Hmong 107(FLL 107/Linguis 161)(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 192 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** CD, HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 193 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** CD, SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 199 Independent Study:**

1-3 cr. Undergraduate.

Independent work under supervision of faculty or academic staff member. For further information, consult the program director. Students must submit a study proposal.

**Prerequisites:** 2.0 GPA; consent of instructor, program director, and Assistant Dean for Student Academic Services.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Spring 2023, Summer 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 207 Third-Semester Hmong Literacy**

3 cr. Undergraduate.

Continuation of HMONG 108.

**Prerequisites:** HMONG 108(P) or consent of instructor (based on instructor placement).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 208 Fourth-Semester Hmong Literacy**

3 cr. Undergraduate.

Continuation of HMONG 207.

**Prerequisites:** HMONG 207(P) or consent of instructor (based on instructor placement).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 265 Hmong Americans: History, Culture, and Contemporary Life**

3 cr. Undergraduate.

Hmong American history, the effects of the Vietnam War on Hmong culture, and the history of the resulting refugee immigrants in America.

**Prerequisites:** none.

**Course Rules:** Ethnic 265 & Hmong 265 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 289 Internship in Hmong Studies, Lower Division:**

1-6 cr. Undergraduate.

Application of basic principles of Hmong Studies in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** 2.50 gpa, cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 296 UROP Apprenticeship:**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.

**Course Rules:** One credit for 45 hrs research. Retakable to 9 cr max in any combination of UROP apprenticeship courses.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM-sponsored program before course work levels, content, and credits are determined and/or in specially-prepared course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HMONG 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Course Rules:** Requires only program dir & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem. Retakable w/ chg in topic.**Last Taught:** Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HMONG 489 Internship in Hmong Studies, Upper Division**

1-6 cr. Undergraduate.

Application of basic principles of Hmong Studies in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 2.50 gpa, cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hrs in internship. Retakable to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HMONG 496 Advanced UROP Apprenticeship:**

1-3 cr. Undergraduate.

Advanced undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior UROP apprenticeship or equiv rsrch experience.**Course Rules:** One credit for 45 hrs research. Retakable to 9 cr max in any combination of UROP apprenticeship courses.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HMONG 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM-sponsored program before course work levels, content, and credits are determined and/or in specially-prepared course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Last Taught:** UWinterIM 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HMONG 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** Requires only program dir & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem. Retakable w/ chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HMONG 699 Advanced Independent Study:**

1-3 cr. Undergraduate.

Advanced level independent work under supervision of a Hmong Studies faculty or academic staff member. Students must submit a study proposal.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, program coordinator, and Assistant Dean of Student Academic Services.**Course Rules:** Retakable with change in topic.**Last Taught:** Fall 2022, UWinterIM 2022, Summer 2021, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Honors College (HONORS)

**HONORS 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult department chair.

**Prerequisites:** admission to Honors College; consent of Honors College director.**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HONORS 200 Honors Seminar: The Shaping of the Modern Mind:**

3 cr. Undergraduate.

Introduction to honors work through seminar study of basic texts and problems in the development of modern civilization.

**Prerequisites:** satisfaction of OWC-A and consent of Honors College Director.**Course Rules:** Not open to students with credit in Honors courses at the 300-level or above. Retakable once with change in topic. Students may not select CR/NC option.**General Education Requirements:** HU, OWCB**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HONORS 297 Study Abroad:**

1-9 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog & cons Honors College dir.**Course Rules:** Retakable w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HONORS 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Spring 1995, Fall 1994, Spring 1994, Fall 1993.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**HONORS 310 Introduction to Clinical Medicine for Premedical Students**

1 cr. Undergraduate.

Through both lecture/discussion and experience, students will explore various components of the medical profession in a clinical setting.

**Prerequisites:** soph st; Bio Sci 150 or Chem 102; cons both Honors College dir & premedical advisor, L&S.**Last Taught:** Fall 2009, Fall 2008, Fall 2007, Fall 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 350 Honors Seminar in the Humanities:**

3 cr. Undergraduate.

Seminar on interdisciplinary topics or on the broader implications of a faculty member's research.

**Prerequisites:** sophomore standing; HONORS 200(P); consent of Honors College Director.

**Course Rules:** Retakable with change in topic to 9 credits max. Credit/No Credit not permitted.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 351 University Honors Seminar in the Social Sciences:**

3 cr. Undergraduate.

Seminar on inter-disciplinary topics or on the broader implications of a faculty member's research.

**Prerequisites:** sophomore standing; HONORS 200(P); consent of Honors College Director.

**Course Rules:** Retakable with change in topic to 9 cr max. Credit/no credit not permitted.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 352 Honors Seminar in the Natural Sciences:**

3 cr. Undergraduate.

Seminar on interdisciplinary topics or on the broader implications of a faculty member's research.

**Prerequisites:** soph st; Honors 200(P); cons Honors College dir.

**Course Rules:** Retakable w/chg in topic to 9H cr max. Cr/no cr not permitted.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 380 Honors Seminar in the Arts:**

3 cr. Undergraduate.

Selected topics in the theory and practice of creative and expressive arts. Taught by practicing artists.

**Prerequisites:** sophomore standing; HONORS 200(P); and consent of Honors College director.

**Course Rules:** Retakable once with change in topic.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 497 Honors Study Abroad:**

1-9 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog; cons Honors College dir.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Summer 2022, Summer 2019, Summer 2017, Summer 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Spring 2022, Fall 2020, Spring 1996.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 685 Honors Tutorial**

1-3 cr. Undergraduate.

Advanced study in interdisciplinary topics.

**Prerequisites:** jr st in Honors College, cons instr & Honors College dir.

**Course Rules:** Retakable to max of 6 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 686 Research in Honors**

3-6 cr. Undergraduate.

Student assists with a faculty member's current research, then designs and completes original major research paper under the faculty member's supervision.

**Prerequisites:** jr st in Honors College, 9 cr in Honors, cons instr & Honors College dir.

**Course Rules:** Retakable once to 6H cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 687 Senior Honors Project**

3-6 cr. Undergraduate.

Performance, exhibit, musical composition, or technical/professional project completed under supervision of faculty member. For students in majors in which a thesis is not appropriate.

**Prerequisites:** sr st in Honors College, cons instr & Honors College dir.

**Course Rules:** Not open for cr or enroll to students with Honors 689(ER). Retakable once to 6H cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**HONORS 689 Senior Honors Thesis**

3-6 cr. Undergraduate.

Independent research project under faculty supervision. Honors with Distinction awarded for successful completion of thesis.

**Prerequisites:** sr st in Honors College; cons instr & Honors College dir.

**Course Rules:** Not open for cr or enroll to students with Honors 687(ER). Retakable once to 6H cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Industrial and Labor Relations (IND REL)

**IND REL 701 Industrial and Labor Relations**

3 cr. Graduate.

Industrial relations systems, unions and management as institutions, work place as a socio-economic unit, labor market analysis, human resource management and collective bargaining.

**Prerequisites:** grad st or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND REL 712 Employment Law**

3 cr. Graduate.

Introduction to federal laws and regulations covering such topics as wage standards, unemployment compensation, osha, alien employment, social security, employee safety and prohibited discrimination.

**Prerequisites:** grad st or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 715 Workplace Dispute Resolution**

3 cr. Graduate.

Examination of the processes for dispute resolution; their usefulness and application in both union and non-union settings.

**Prerequisites:** grad st & Econ 753(P), or cons instr.**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 725 Total Rewards Compensation**

3 cr. Graduate.

Advanced workplace perspective for aligning business and reward strategies including developing, administering and evaluating compensation and benefit programs.

**Prerequisites:** grad st or cons instr.**Course Rules:** Counts as a repeat of Ind Rel 800 w/the same topic.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 731 Research Tools for Practitioners in Human Resources and Labor Relations**

3 cr. Graduate.

Planning and carrying out simple surveys; evaluating policies, programs, and procedures in organizations; interpreting, evaluating and using research conducted by others.

**Prerequisites:** grad st; Econ 210(P) or Bus Adm 210(P) or cons instr.**Course Rules:** Ind Rel 731 and BusMgmt 731 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 754 Worker Participation**

3 cr. Graduate.

Analyzes worker participation programs using history, economic and industrial relations theories, and empirical research and case studies.

**Prerequisites:** grad st; Econ 447(451)(P) or cons instr.**Course Rules:** Jointly-offered w/& counts as repeat of Econ 754.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 800 Current Issues in Industrial Relations:**

1-3 cr. Graduate.

Topics course covering subjects such as quality work, innovations, employee testing, dispute resolution.

**Prerequisites:** grad st; Ind Rel 701(P) or cons instr.**Course Rules:** Retakable w/chg in topic to 6 cr max.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 801 Research Project in Industrial and Labor Relations**

3 cr. Graduate.

Work with a faculty advisor on the development and preparation of a research project on a current industrial relations issue.

**Prerequisites:** completion of 24 cr in MHRLR Prog; cons instr.**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2021, Fall 2016, Summer 2013, Fall 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 921 Internship in Industrial Relations**

1-6 cr. Graduate.

An internship with a company, union or a governmental agency in the field of human resources and labor relations. Project paper required. Retakeable to a total of 6 crs.

**Prerequisites:** grad st; 8 cr in MHRLR Prog completed.**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND REL 999 Independent Study**

1-3 cr. Graduate.

Supervised investigation of a particular topic area either not covered by other industrial relations courses or a level of sophistication beyond that in other courses.

**Prerequisites:** grad st; cons instr.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Industrial and Manufacturing Engineering (IND ENG)

**IND ENG 111 Introduction to Engineering**

3 cr. Undergraduate.

Introduction to Engineering Disciplines, problem solving methods, teamwork, technical communication, professionalism, and ethics.

**Prerequisites:** MATH 116(C).**Course Rules:** Counts as repeat of IND ENG 210.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 112 Engineering Drawing & Computer Aided Design/Drafting**

3 cr. Undergraduate.

Visualization, engineering drawing, CAD, Geographic Information Systems (GIS), group project, team work.

**Prerequisites:** MATH 116(P).**Course Rules:** Counts as repeat of of IND ENG 101.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 290 Elementary Topics in Systems Design**

1-3 cr. Undergraduate.

Selected topics of current interest in an area of systems-design for freshmen and sophomore students.

**Prerequisites:** consent of instructor.**Course Rules:** Repeatable with change in topic to 9 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 299 Independent Reading and Work**

1-3 cr. Undergraduate.

Credit hours to be arranged between student and staff on an individual basis.

**Prerequisites:** consent of instructor.

**Last Taught:** Spring 1994, Spring 1987.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 350 Manufacturing Processes**

3 cr. Undergraduate.

Broad study of processes and equipment used in modern production.

Design considerations, economic factors, automation, metals and plastics processing, fabrication of electronic materials.

**Prerequisites:** MATLENG 201(P).

**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 360 Engineering Economic Analysis**

3 cr. Undergraduate.

Concept of time value of money. Economical evaluation of alternate projects and replacement policies using methods such as present worth, rate of return, and annual cost. Engineering investment decision analysis.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 367 Introductory Statistics for Physical Sciences and Engineering Students**

3 cr. Undergraduate.

Concepts of probability and statistics; probability distributions of engineering applications; sampling distributions; hypothesis testing; parameter estimation; regression analysis.

**Prerequisites:** B- or better in MATH 211(P), B- or better in MATH 213(P), C or better in MATH 221(P), or C or better in MATH 231(P)

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 369 Introduction to Probability and Statistical Inference**

1 cr. Undergraduate.

Concepts of probability and statistics.

**Prerequisites:** MATH 221(P) or MATH 231(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 370 Introduction to Operations Analysis**

3 cr. Undergraduate.

Functions and philosophies of the contemporary engineer in the production/service environment as it is planned, designed, manufactured/delivered, maintained, controlled and distributed.

**Prerequisites:** MATH 233(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 390 Senior Thesis**

1-3 cr. Undergraduate.

Independent research under the direction of a faculty member; submission of a written thesis is required.

**Prerequisites:** senior standing and consent of instructor.

**Course Rules:** 3 cr total required. Need not all be taken during the same semester.

**Last Taught:** Summer 1988, Spring 1987, Fall 1986, Spring 1986.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 455 Operations Research I**

3 cr. Undergraduate/Graduate.

Fundamental optimization methods; linear programming, integer programming, network models, and dynamic programming methods of operations research. Modeling and applications of these methods in practical situations.

**Prerequisites:** junior standing and MATH 233(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 455G Operations Research I**

3 cr. Undergraduate/Graduate.

Fundamental optimization methods; linear programming, integer programming, network models, and dynamic programming methods of operations research. Modeling and applications of these methods in practical situations.

**Prerequisites:** junior standing and MATH 233(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 465 Operations Research II**

3 cr. Undergraduate/Graduate.

Concepts and methods of probabilistic modeling in queueing, forecasting, and inventory problems for design and analysis of manufacturing and service operations.

**Prerequisites:** junior standing and IND ENG 367(P) or MTHSTAT 467(P) or equiv course in statistics.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 465G Operations Research II**

3 cr. Undergraduate/Graduate.

Concepts and methods of probabilistic modeling in queueing, forecasting, and inventory problems for design and analysis of manufacturing and service operations.

**Prerequisites:** junior standing and IND ENG 367(P) or MTHSTAT 467(P) or equiv course in statistics.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 470 Methods Engineering**

3 cr. Undergraduate/Graduate.

Use of production machine for producing a simple product. Study of production sequence, material flow, plant layout; time and motion; and the economics of materials and methods of fabrication. Redesign of the product and the methods of production to minimize total costs within physical, social and aesthetic constraints.

**Prerequisites:** junior standing and IND ENG 367(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 470G Methods Engineering**

3 cr. Undergraduate/Graduate.

Use of production machine for producing a simple product. Study of production sequence, material flow, plant layout; time and motion; and the economics of materials and methods of fabrication. Redesign of the product and the methods of production to minimize total costs within physical, social and aesthetic constraints.

**Prerequisites:** junior standing and IND ENG 367(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 475 Simulation Methodology**

3 cr. Undergraduate/Graduate.

Fundamentals of discrete-event simulation. Random number and random variable generation for simulation modeling and analysis using simulation software.

**Prerequisites:** IND ENG 367(P) and concurrent enrollment in one of the following: COMPSCI 151(C), COMPSCI 202(C), COMPSCI 240(C), or COMPSCI 250(C).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 475G Simulation Methodology**

3 cr. Undergraduate/Graduate.

Fundamentals of discrete-event simulation. Random number and random variable generation for simulation modeling and analysis using simulation software.

**Prerequisites:** IND ENG 367(P) and concurrent enrollment in one of the following: COMPSCI 151(C), COMPSCI 202(C), COMPSCI 240(C), or COMPSCI 250(C).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 485 Senior Design Project**

3 cr. Undergraduate.

Capstone design projects involving design of a production/service system. Progress reports, final report, and presentation.

**Prerequisites:** senior standing, IND ENG 370(P), IND ENG 455(P), IND ENG 465(C), IND ENG 470(C), IND ENG 475(P), IND ENG 571(C), IND ENG 580(C), IND ENG 583(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 499 Ad Hoc:**

1-12 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

**Prerequisites:** consent of instructor; additional prerequisites may be assigned to specific topics.

**Course Rules:** Requires department and associate dean approval. In exceptional circumstances, can be offered in one additional term. May be retaken with change in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 540 Foundations of Systems Engineering**

3 cr. Undergraduate/Graduate.

Fundamental concepts of systems engineering to provide the students the basic knowledge to facilitate transformation of operational needs to a well-defined system.

**Prerequisites:** senior standing or graduate standing.

**Last Taught:** Fall 2004, Spring 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 540G Foundations of Systems Engineering**

3 cr. Undergraduate/Graduate.

Fundamental concepts of systems engineering to provide the students the basic knowledge to facilitate transformation of operational needs to a well-defined system.

**Prerequisites:** senior standing or graduate standing.

**Last Taught:** Fall 2004, Spring 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 550 Control of Automated Manufacturing Systems**

3 cr. Undergraduate/Graduate.

Theoretical and practical skills to design and control automated manufacturing systems and industrial processes through science-based theoretical advancements and state-of-the-art industrial applications.

**Prerequisites:** junior standing, ELECENG 234(P), and ELECENG 301(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 550G Control of Automated Manufacturing Systems**

3 cr. Undergraduate/Graduate.

Theoretical and practical skills to design and control automated manufacturing systems and industrial processes through science-based theoretical advancements and state-of-the-art industrial applications.

**Prerequisites:** junior standing, ELECENG 234(P), and ELECENG 301(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 555 Manufacturing Systems Integration**

3 cr. Undergraduate/Graduate.

Integration and interfacing of computerized manufacturing systems, programmable logic controllers and sequential programming, sensor implementation strategies, automated fixturing and robotic workcell creation.

**Prerequisites:** jr st; Ind Eng 450(R).

**Last Taught:** Spring 2004, Spring 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 555G Manufacturing Systems Integration**

3 cr. Undergraduate/Graduate.

Integration and interfacing of computerized manufacturing systems, programmable logic controllers and sequential programming, sensor implementation strategies, automated fixturing and robotic workcell creation.

**Prerequisites:** jr st; Ind Eng 450(R).

**Last Taught:** Spring 2004, Spring 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 571 Quality Control**

3 cr. Undergraduate/Graduate.

Statistical process quality design and control. Process control charts, six sigma and process capability assessment.

**Prerequisites:** junior standing and IND ENG 367(P), or equivalent course in statistics; or graduate standing.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 571G Quality Control**

3 cr. Undergraduate/Graduate.

Statistical process quality design and control. Process control charts, six sigma and process capability assessment.

**Prerequisites:** junior standing and IND ENG 367(P), or equivalent course in statistics; or graduate standing.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 572 Reliability Engineering**

3 cr. Undergraduate/Graduate.

Concepts and methods for designing, testing, and estimation of component and system reliabilities. Failures/failure rates; life tests; series-parallel and standby systems; stress levels; redundancy and reliability apportionment; maintainability, availability, and safety; reliability design/implementation.

**Prerequisites:** junior standing and IND ENG 467(P) or equivalent.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 572G Reliability Engineering**

3 cr. Undergraduate/Graduate.

Concepts and methods for designing, testing, and estimation of component and system reliabilities. Failures/failure rates; life tests; series-parallel and standby systems; stress levels; redundancy and reliability apportionment; maintainability, availability, and safety; reliability design/implementation.

**Prerequisites:** junior standing and IND ENG 467(P) or equivalent.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 575 Design of Experiments**

3 cr. Undergraduate/Graduate.

Statistical principles, designs and analyses for planned experimentation; factorial and fractional factorial designs, inner-outer designs, robustness, confounding and blocking, and response surface methodology.

**Prerequisites:** IND ENG 367(P) or equivalent.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 575G Design of Experiments**

3 cr. Undergraduate/Graduate.

Statistical principles, designs and analyses for planned experimentation; factorial and fractional factorial designs, inner-outer designs, robustness, confounding and blocking, and response surface methodology.

**Prerequisites:** IND ENG 367(P) or equivalent.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 577 Dimensional Measurement and Tolerancing**

3 cr. Undergraduate/Graduate.

Measurement techniques; implementation and integration of precision measuring equipment and gages in manufacturing systems; geometric dimensioning and tolerancing; and devices for statistical process control.

**Prerequisites:** senior standing and IND ENG 467(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 577G Dimensional Measurement and Tolerancing**

3 cr. Undergraduate/Graduate.

Measurement techniques; implementation and integration of precision measuring equipment and gages in manufacturing systems; geometric dimensioning and tolerancing; and devices for statistical process control.

**Prerequisites:** senior standing and IND ENG 467(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 580 Ergonomics**

3 cr. Undergraduate/Graduate.

Broad study of ergonomics principles and stresses in design and analysis of workplaces and physical environment.

**Prerequisites:** IND ENG 367(P); CIV ENG 201(P) or CIV ENG 203(P).

**Course Rules:** 2 hrs lec & 2 hrs lab/week.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 580G Ergonomics**

3 cr. Undergraduate/Graduate.

Broad study of ergonomics principles and stresses in design and analysis of workplaces and physical environment.

**Prerequisites:** IND ENG 367(P); CIV ENG 201(P) or CIV ENG 203(P).

**Course Rules:** 2 hrs lec & 2 hrs lab/week.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 582 Ergonomic Job Evaluation Techniques**

3 cr. Undergraduate/Graduate.

Review of popular, contemporary methods of job evaluation for risk of low back pain and distal upper extremity.

**Prerequisites:** senior standing and IND ENG 580(P).

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 582G Ergonomic Job Evaluation Techniques**

3 cr. Undergraduate/Graduate.

Review of popular, contemporary methods of job evaluation for risk of low back pain and distal upper extremity.

**Prerequisites:** senior standing and IND ENG 580(P).

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 583 Facility Layout and Material Handling**

3 cr. Undergraduate/Graduate.

Basics in facility planning; design and integration of plant layout, material handling, and warehousing; quantitative models for facility location problems.

**Prerequisites:** senior standing, IND ENG 370(P), and IND ENG 455(C).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 583G Facility Layout and Material Handling**

3 cr. Undergraduate/Graduate.

Basics in facility planning; design and integration of plant layout, material handling, and warehousing; quantitative models for facility location problems.

**Prerequisites:** senior standing, IND ENG 370(P), and IND ENG 455(C).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 584 Biodynamics of Human Motion**

3 cr. Undergraduate/Graduate.

Techniques for collecting, analyzing and interpreting human motion data. Special emphasis will be placed on performing data analysis using the software package, Matlab.

**Prerequisites:** junior standing, ELECENG 234(P), and CIV ENG 202(C).

**Course Rules:** IND ENG 584 and MECHENG 584 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 584G Biodynamics of Human Motion**

3 cr. Undergraduate/Graduate.

Techniques for collecting, analyzing and interpreting human motion data. Special emphasis will be placed on performing data analysis using the software package, Matlab.

**Prerequisites:** junior standing, ELECENG 234(P), and CIV ENG 202(C).**Course Rules:** IND ENG 584 and MECHENG 584 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2013, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 587 Lean Production Systems**

3 cr. Undergraduate/Graduate.

An integrated approach to efficient manufacturing of products with high quality, low cost, and timely delivery including one-piece flow, pull system, and visual factory.

**Prerequisites:** IND ENG 350(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 587G Lean Production Systems**

3 cr. Undergraduate/Graduate.

An integrated approach to efficient manufacturing of products with high quality, low cost, and timely delivery including one-piece flow, pull system, and visual factory.

**Prerequisites:** IND ENG 350(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 590 Topics in Industrial and Systems Engineering:**

1-3 cr. Undergraduate/Graduate.

Selected topics of current interest in an area of systems design.

**Prerequisites:** senior standing.**Course Rules:** May be retaken with change in topic to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 590G Topics in Industrial and Systems Engineering:**

1-3 cr. Undergraduate/Graduate.

Selected topics of current interest in an area of systems design.

**Prerequisites:** senior standing.**Course Rules:** May be retaken with change in topic to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 699 Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing and consent of instructor.**Course Rules:** Limited to max of 6 cr applied toward undergraduate degree.**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 699G Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing and consent of instructor.**Course Rules:** Limited to max of 6 cr applied toward undergraduate degree.**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 700 CEAS Graduate Seminar**

1-3 cr. Graduate.

Seminar in professional ethics, oral and written communication, contemporary social issues, career development, time management, and laboratory safety.

**Prerequisites:** graduate standing.**Course Rules:** CV ENG 700, COMPSCI 700, ELECENG 700, IND ENG 700, MATLENG 700 and MECHENG 700 are jointly offered and count as repeats of one another**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 715 Data Acquisition and Visualization for Decision Making**

3 cr. Graduate.

Addresses big data challenges that need to be conquered when converting data into information. Students will gain knowledge of current data acquisition techniques, especially in operations.

**Prerequisites:** graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 716 Engineering Statistical Analysis**

3 cr. Graduate.

Statistical methods and their applications to solve engineering decision-making problems, integrating computer usage. Inference, probability and probability distributions, data analysis, regression analysis, and anova.

**Prerequisites:** graduate standing.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 717 Operations Research in Engineering Management**

3 cr. Graduate.

Various operations research techniques for engineering management decision-making. Linear programming, integer programming, network models, multi-objective decision-making, decision analysis, and queuing models.

**Prerequisites:** graduate standing and IND ENG 716(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 741 Foundational Technologies for Connected Systems**

1 cr. Graduate.

World trends and innovations that enabled current connectedness of enterprises, with a key focus to manufacturing enterprises. Introduction to business models and company culture that enabled the connected enterprise.

**Prerequisites:** graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 742 Cloud Architecture for Connected Systems**

1 cr. Graduate.

Principles and concepts that affect a workforce that interacts with cloud infrastructure technologies, IoT, architecture, performance metrics, security aspects, and business factors.

**Prerequisites:** graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 750 Group Technology and Process Planning**

3 cr. Graduate.

Group technology and computer-aided process planning; classification and coding schemes, machine loading, production planning/scheduling models, process planning, expert systems in capp.

**Prerequisites:** graduate standing, IND ENG 450(P) and IND ENG 455(P).

**Last Taught:** Spring 2007, Spring 2003, Spring 2001, Fall 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 751 Flexible Manufacturing Systems**

3 cr. Graduate.

Hierarchy of manufacturing control, process control, advanced concepts in fms, optimal design planning and production scheduling in fms.

**Prerequisites:** graduate standing, IND ENG 450(P) and IND ENG 455(P).

**Last Taught:** Spring 2023, Fall 2021, Fall 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 765 Operations Research Methods**

3 cr. Graduate.

Formulation and application of mathematical models for the design of industrial systems. Mathematical programming, network flow, decision theory and simulation techniques are used for solving single and multi-stage production, inventory and service problems.

**Prerequisites:** graduate standing, IND ENG 465, and IND ENG 767.

**Last Taught:** Spring 2021, Spring 2020, Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 772 Facilities Planning**

3 cr. Graduate.

Modern techniques in facilities planning, location of the facility; systems approach, factors and evaluation. Systematic layout planning, computerized methods. Assembly line balancing, simulation techniques. Cpm and pert. Projects and laboratory work.

**Prerequisites:** graduate standing, IND ENG 445(P) and IND ENG 470(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 777 Scheduling and realtime resource management**

3 cr. Graduate.

Scheduling (allocation of resources over time) and realtime resource management techniques in highly informative production and service systems.

**Prerequisites:** graduate standing, IND ENG 370(P), IND ENG 475(P), IND ENG 455(P), and IND ENG 465(P); or consent of instructor.

**Last Taught:** Spring 2020, Spring 2017, Spring 2015, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 780 Advanced Ergonomics - Low Back Pain**

3 cr. Graduate.

An in-depth study of lbp causes, risk factors, preventive approaches, job evaluation/design techniques. 2 hr lec & 2 hr lab/week.

**Prerequisites:** graduate standing, IND ENG 580(P); and a course in anatomy & physiology; or consent of instructor.

**Last Taught:** Spring 2019, Spring 2013, Fall 2009, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 783 Advanced Ergonomics - Upper Extremity**

3 cr. Graduate.

In depth study of musculoskeletal disorders of upper extremity, personal and job risk factors, job analysis, design and prevention. 2 hr lec & 2 hr lab/week.

**Prerequisites:** graduate standing, IND ENG 580(P), and a course in Anatomy & Physiology; or consent of instructor.

**Last Taught:** Spring 2011, Fall 2008, Fall 2006, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 790 Design Project**

2-3 cr. Graduate.

Integration and application of concepts learned in other ergonomic courses to analyze and abate ergonomic hazards in a scientific manner.

**Prerequisites:** graduate standing, IND ENG 780(P), IND ENG 783(P), IND ENG 786(P), and IND ENG 788(P); or consent of instructor.

**Course Rules:** IND ENG 790 and OCCTHPY 790 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2007, Fall 2004, Fall 2003, Spring 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 880 Bioengineering Seminar**

1 cr. Graduate.

Presentations by bioengineering affiliated faculty, invited speakers, and graduate students.

**Prerequisites:** graduate standing.

**Course Rules:** CIV ENG 880, COMPSCI 880, ELECENG 880, IND ENG 880, MATLENG 880, and MECHENG 880 are jointly offered and count as repeats of one another. May be repeated to 3 cr max.

**Last Taught:** Fall 2018, Spring 2018, Spring 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2020, Summer 2017, Summer 2016, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 890 Advanced Topics in Industrial and Systems Engineering:**

1-3 cr. Graduate.

Advanced topics of current interest in an area of systems-design; review of recent literature. Subject matter may be student initiated. Specific topics and any additional prerequisites will be announced in the Schedule of Classes.

**Prerequisites:** graduate standing.

**Course Rules:** May be repeated with change in topic to max of 15 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 990 Masters Thesis**

1-9 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 12 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**IND ENG 998 Doctoral Thesis**

1-12 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor and graduate program committee.**Course Rules:** Repeatable.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**IND ENG 999 Advanced Independent Study**

1-3 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor and graduate program committee.**Course Rules:** Repeatable to 15 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Information Studies (INFOST)

**INFOST 101 Information Literacy**

1 cr. Undergraduate.

Emphasis on techniques in information gathering for students to build expertise in exploring information sources and services. Provides foundation for independent life-long learning experiences.

**Prerequisites:** none.**Last Taught:** Spring 2013, Fall 2012, Spring 2012, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 105 Orientation for Information Science & Technology Students**

1 cr. Undergraduate.

Provides students with an understanding of the Information Science and Technology major, academic requirements, career development, and strategies for academic and personal success.

**Prerequisites:** none.**Course Rules:** Counts as a repeat of INFOST 291 with similar topic.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 110 Introduction to Information Science and Technology**

3 cr.

Introduces basic issues in information science, including the nature of information, information policy, knowledge organization, information services, and the relationships between information technologies and society.

**Prerequisites:** none.**Course Rules:** CGS IST 110 and INFOST 110 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 110X Introduction to Information Science and Technology**

3 cr.

Introduces basic issues in information science, including the nature of information, information policy, knowledge organization, information services, and the relationships between information technologies and society.

**Prerequisites:** none.**Course Rules:** CGS IST 110 and INFOST 110 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 120 Information Technology Ethics**

3 cr.

Comprehensive overview of the current ethical issues in information and technology use.

**Prerequisites:** none.**Course Rules:** CGS IST 120 and INFOST 120 are jointly offered and count as repeats of one another.**General Education Requirements:** HU**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 120X Information Technology Ethics**

3 cr.

Comprehensive overview of the current ethical issues in information and technology use.

**Prerequisites:** none.**Course Rules:** CGS IST 120 and INFOST 120 are jointly offered and count as repeats of one another.**General Education Requirements:** HU**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 150 Introduction to Information Resources on the Internet**

3 cr. Undergraduate.

Overview of the internet and its resources and services. Introduction to information retrieval and research skills on the internet.

**Prerequisites:** none.**Last Taught:** Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 150X Introduction to Information Resources on the Internet**

3 cr. Undergraduate.

Overview of the internet and its resources and services. Introduction to information retrieval and research skills on the internet.

**Prerequisites:** none.**Last Taught:** Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 210 Information Resources for Research**

3 cr. Undergraduate.

Introduction to research processes necessary for effective, college-level, library research. Emphasizes analysis of research questions, development of search strategies, and critical evaluation of materials.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Summer 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 210X Information Resources for Research**

3 cr. Undergraduate.

Introduction to research processes necessary for effective, college-level, library research. Emphasizes analysis of research questions, development of search strategies, and critical evaluation of materials.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Summer 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 240 Web Design I**

3 cr.

Uses popular authoring tools to cover the basics of organizing information.

**Prerequisites:** none.

**Course Rules:** CGS IST 240 and INFOST 240 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 240X Web Design I**

3 cr.

Uses popular authoring tools to cover the basics of organizing information.

**Prerequisites:** none.

**Course Rules:** CGS IST 240 and INFOST 240 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 250 Introduction to Network and Systems Administration**

3 cr. Undergraduate.

Introduction to the fundamental concepts of network and systems administration.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 250X Introduction to Network and Systems Administration**

3 cr. Undergraduate.

Introduction to the fundamental concepts of network and systems administration.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 290 Project Teams, Leadership, and Communication**

3 cr. Undergraduate.

Provides the opportunity for IST students to gain knowledge and experience of relevant transferable professional skills in project management, teamwork, and communication.

**Prerequisites:** INFOST 110(C) and Information Science & Technology major.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 290X Project Teams, Leadership, and Communication**

3 cr. Undergraduate.

Provides the opportunity for IST students to gain knowledge and experience of relevant transferable professional skills in project management, teamwork, and communication.

**Prerequisites:** INFOST 110(C) and Information Science & Technology major.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 291 Special Topics in Information Science and Technology:**

1-3 cr. Undergraduate.

New developments and research in information science & technology. Specific credits and any additional prereqs announced in Schedule of Classes whenever course is offered.

**Prerequisites:** none.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2021, Fall 2019, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2020, Spring 2018, Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 310 Human Factors in Information Seeking and Use**

3 cr. Undergraduate.

Overview of human information needs, seeking, and processing, including human factors in the design, development and evaluation of information services.

**Prerequisites:** InfoSt 110(C).

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 310X Human Factors in Information Seeking and Use**

3 cr. Undergraduate.

Overview of human information needs, seeking, and processing, including human factors in the design, development and evaluation of information services.

**Prerequisites:** InfoSt 110(C).

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 315 Knowledge Organization for Information Science and Technology**

3 cr. Undergraduate.

Introduction to the organization of knowledge for information science and technology. Covers theory and construction of knowledge organization systems (taxonomies, ontologies, controlled vocabularies, metadata schema) and data structures for information sharing.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 320 Web Design II**

3 cr. Undergraduate.

Examination and utilization of advanced technologies and practices being employed in web usability and design.

**Prerequisites:** InfoSt 240(P).

**Course Rules:** Counts as repeat of InfoSt 491 Advanced Web Design.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 320X Web Design II**

3 cr. Undergraduate.

Examination and utilization of advanced technologies and practices being employed in web usability and design.

**Prerequisites:** InfoSt 240(P).**Course Rules:** Counts as repeat of InfoSt 491 Advanced Web Design.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 325 Information Security I**

3 cr. Undergraduate.

Introduction to issues and practices related to the protection of information and other digital assets.

**Prerequisites:** sophomore standing or greater.**Course Rules:** Counts as repeat of INFOST 491 with the same topic.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 330 Electronic Information Retrieval Systems**

3 cr. Undergraduate.

Basics of using electronic information retrieval systems, emphasizing internet and commercial services, in order to obtain information. Includes weekly laboratory sessions.

**Prerequisites:** InfoSt 210(P) & 110(P).**Last Taught:** Spring 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 330X Electronic Information Retrieval Systems**

3 cr. Undergraduate.

Basics of using electronic information retrieval systems, emphasizing internet and commercial services, in order to obtain information. Includes weekly laboratory sessions.

**Prerequisites:** InfoSt 210(P) & 110(P).**Last Taught:** Spring 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 340 Introduction to Systems Analysis**

3 cr. Undergraduate.

Theories, principles, and tools for planning, organizing, assessing, and evaluating information. Emphasizes the importance of user's perspective. Covers the various stages of systems analysis and outlines the appropriate methods for each stage.

**Prerequisites:** InfoSt 310(C) & 410(C).**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 340X Introduction to Systems Analysis**

3 cr. Undergraduate.

Theories, principles, and tools for planning, organizing, assessing, and evaluating information. Emphasizes the importance of user's perspective. Covers the various stages of systems analysis and outlines the appropriate methods for each stage.

**Prerequisites:** InfoSt 310(C) & 410(C).**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 350 Introduction to Application Development**

3 cr. Undergraduate.

Introduction to the fundamental concepts of application development. Basic application development concepts will be explained, analyzed, and practiced.

**Prerequisites:** InfoSt 110(C) or cons instr.**Course Rules:** Counts as repeat of InfoSt 291 with topic Intro to Programming.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 350X Introduction to Application Development**

3 cr. Undergraduate.

Introduction to the fundamental concepts of application development. Basic application development concepts will be explained, analyzed, and practiced.

**Prerequisites:** InfoSt 110(C) or cons instr.**Course Rules:** Counts as repeat of InfoSt 291 with topic Intro to Programming.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 370 Data Analysis and Visualization for the Information Professional**

3 cr. Undergraduate.

Introduction to data analysis and visualization using simple statistical analyses to create graphical depictions of data that can improve comprehension, communication, and decision making.

**Prerequisites:** satisfaction of GER QL Part A.**General Education Requirements:** QL B**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 370X Data Analysis and Visualization for the Information Professional**

3 cr. Undergraduate.

Introduction to data analysis and visualization using simple statistical analyses to create graphical depictions of data that can improve comprehension, communication, and decision making.

**Prerequisites:** satisfaction of GER QL Part A.**General Education Requirements:** QL B**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 375 Multimedia Web Design**

3 cr. Undergraduate.

Fundamentals of interactive Web development and scripting, allowing students to create Web animations and render interactivity of information on the Web.

**Prerequisites:** InfoSt 240(P).**Course Rules:** Counts as repeat of InfoSt 491 with topic of Flash.**Last Taught:** Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 375X Multimedia Web Design**

3 cr. Undergraduate.

Fundamentals of interactive Web development and scripting, allowing students to create Web animations and render interactivity of information on the Web.

**Prerequisites:** InfoSt 240(P).

**Course Rules:** Counts as repeat of InfoSt 491 with topic of Flash.

**Last Taught:** Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 383 Native Mobile Applications**

3 cr. Undergraduate.

Fundamentals of native mobile application development including development environments, mobile OS considerations, and the potential and limitations of mobile applications.

**Prerequisites:** INFOST 350(P) or consent of instructor.

**Course Rules:** Counts as repeat of INFOST 491 w/ similar topic.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 385 Information Security II**

3 cr. Undergraduate.

Advanced topics and practices in information security including social, technological, educational and economic implications of information security and privacy.

**Prerequisites:** InfoSt 325(P).

**Course Rules:** Counts as repeat of InfoSt(L&I Sci) 491 w/same topic.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 399 Independent Study**

1-3 cr. Undergraduate.

Guided readings or research under faculty supervision.

**Prerequisites:** jr st; 24 cr in IST major; cons instr.

**Course Rules:** May be retaken to max of 6 cr.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, UWinterIM 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 408 Nonprofit Information Technology**

3 cr. Undergraduate.

Provides experiential project-based learning opportunities to UWM students while working on a technology project for a local nonprofit organization.

**Prerequisites:** none.

**Course Rules:** ART 408, DAC 408, and INFOST 408 are jointly offered and count as repeats of one another. Repeatable to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 410 Database Information Retrieval Systems**

3 cr. Undergraduate.

Introduces the design and development of different types of electronic information systems, including database types, design issues, application development, and software selection and evaluation.

**Prerequisites:** sophomore standing.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 410X Database Information Retrieval Systems**

3 cr. Undergraduate.

Introduces the design and development of different types of electronic information systems, including database types, design issues, application development, and software selection and evaluation.

**Prerequisites:** sophomore standing.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 430 Multimedia Application Development**

3 cr. Undergraduate.

This course covers the basic concepts of multimedia and their applications in information services, including image representation and processing and multimedia information delivery.

**Prerequisites:** InfoSt(L&I Sci) 310(P).

**Last Taught:** Fall 2016, Fall 2015, Spring 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 440 Web Application Development**

3 cr. Undergraduate.

The interactive web design server interaction. Special emphasis on database connectivity and application development on the Internet.

**Prerequisites:** INFOST 240(P), INFOST 350(P), and INFOST 410(C); or consent of instructor.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 440X Web Application Development**

3 cr. Undergraduate.

The interactive web design server interaction. Special emphasis on database connectivity and application development on the Internet.

**Prerequisites:** INFOST 240(P), INFOST 350(P), and INFOST 410(C); or consent of instructor.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 465 Legal Aspects of Information Products and Services**

3 cr. Undergraduate/Graduate.

Introduction to legal environment surrounding development and use of information products and services, including intellectual property, and issues specific to internet and other digital mediums.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 465G Legal Aspects of Information Products and Services**

3 cr. Undergraduate/Graduate.

Introduction to legal environment surrounding development and use of information products and services, including intellectual property, and issues specific to internet and other digital mediums.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 465X Legal Aspects of Information Products and Services**

3 cr. Undergraduate/Graduate.

Introduction to legal environment surrounding development and use of information products and services, including intellectual property, and issues specific to internet and other digital mediums.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 481 Web Application Penetration Testing**

3 cr. Undergraduate.

Introduction to the cyber security concept of web application penetration testing, covering the OWASP Top 10 web vulnerabilities using hands-on labs and activities.

**Prerequisites:** junior standing.**Course Rules:** Counts as a repeat of INFOST 491 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 490 Senior Capstone**

3 cr. Undergraduate.

Analysis, design, development and presentation of an information retrieval system project for an information organization.

**Prerequisites:** senior standing; INFOST 290(P), INFOST 340(P), INFOST 410(P), and INFOST 440(P).**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 490X Senior Capstone**

3 cr. Undergraduate.

Analysis, design, development and presentation of an information retrieval system project for an information organization.

**Prerequisites:** senior standing; INFOST 290(P), INFOST 340(P), INFOST 410(P), and INFOST 440(P).**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 491 Advanced Topics in Information Science & Technology**

1-3 cr. Undergraduate.

Advanced examination of emerging developments and research in information science & technology.

**Prerequisites:** jr st; additional prereq announced each offering.**Course Rules:** May be retaken w/chg in topic to 15 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 495 Information Internship**

1-3 cr. Undergraduate.

Field experience of 50-150 hours under faculty and field supervisor guidance. Student must also complete a supervised field project.

**Prerequisites:** 12 cr in the IST major; cons instr.**Course Rules:** May enroll in 2 sections in same term to 9 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Summer 2019, Summer 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Summer 2019, Summer 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 501 Foundations of Library and Information Science**

3 cr. Undergraduate/Graduate.

Historical introduction to library and information science (LIS); outline of the role of information agencies in disseminating knowledge to users; overview of research in LIS.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 501G Foundations of Library and Information Science**

3 cr. Undergraduate/Graduate.

Historical introduction to library and information science (LIS); outline of the role of information agencies in disseminating knowledge to users; overview of research in LIS.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 511 Organization of Information**

3 cr. Undergraduate/Graduate.

Introduction to basic concepts in the theoretical, practical, and technological aspects of information organization.

**Prerequisites:** jr st.**Course Rules:** Not open for cr to students with cr in InfoSt(L&I Sci) 530.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 511G Organization of Information**

3 cr. Undergraduate/Graduate.

Introduction to basic concepts in the theoretical, practical, and technological aspects of information organization.

**Prerequisites:** jr st.**Course Rules:** Not open for cr to students with cr in InfoSt(L&I Sci) 530.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 520 Managing Library Collections**

3 cr. Undergraduate/Graduate.

Theory and practice of collection management across formats including selection tools and criteria, acquisition and evaluation of collections, deselection, preservation, and other collection development topics.

**Prerequisites:** jr st; InfoSt(L&I Sci) 501(P) or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 520G Managing Library Collections**

3 cr. Undergraduate/Graduate.

Theory and practice of collection management across formats including selection tools and criteria, acquisition and evaluation of collections, deselection, preservation, and other collection development topics.

**Prerequisites:** jr st; InfoSt(L&I Sci) 501(P) or cons instr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 521 Introduction to Reference Services and Resources**

3 cr. Undergraduate/Graduate.

An investigation into reference services, reference interviews, and organization, including critical examination of basic reference sources.

**Prerequisites:** jr st; INFOST 501(P), INFOST 571(P); or consent of instructor.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 521G Introduction to Reference Services and Resources**

3 cr. Undergraduate/Graduate.

An investigation into reference services, reference interviews, and organization, including critical examination of basic reference sources.

**Prerequisites:** jr st; INFOST 501(P), INFOST 571(P); or consent of instructor.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 524 Management of Libraries and Information Services**

3 cr. Undergraduate/Graduate.

The library/information center as a service organization. Management of the library/information center: planning, budgeting, decision making, leadership styles, motivation, communication, personnel and financial management.

**Prerequisites:** jr st; InfoSt( L&I Sci) 501(P); or cons instr.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 524G Management of Libraries and Information Services**

3 cr. Undergraduate/Graduate.

The library/information center as a service organization. Management of the library/information center: planning, budgeting, decision making, leadership styles, motivation, communication, personnel and financial management.

**Prerequisites:** jr st; InfoSt( L&I Sci) 501(P); or cons instr.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 543 Student Teaching Experience in School Libraries**

6 cr. Undergraduate/Graduate.

Student teaching experience in a school library for students who are working towards initial licensure in K-12 school library media.

**Prerequisites:** junior standing; school library media certification program - students on Pathway 2A & 2B only; INFOST 520(P); INFOST 645(P) or INFOST 646(P); INFOST 642(P); and INFOST 643(P); or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 543G Student Teaching Experience in School Libraries**

6 cr. Undergraduate/Graduate.

Student teaching experience in a school library for students who are working towards initial licensure in K-12 school library media.

**Prerequisites:** junior standing; school library media certification program - students on Pathway 2A & 2B only; INFOST 520(P); INFOST 645(P) or INFOST 646(P); INFOST 642(P); and INFOST 643(P); or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 547 User-Centered Interaction Design**

3 cr. Undergraduate/Graduate.

Introduction of human-computer interaction theories and design processes. Emphasis is on applied user experience (UX) design.

**Prerequisites:** senior standing.

**Course Rules:** COMPSCI 547 and INFOST 547 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 547G User-Centered Interaction Design**

3 cr. Undergraduate/Graduate.

Introduction of human-computer interaction theories and design processes. Emphasis is on applied user experience (UX) design.

**Prerequisites:** senior standing.

**Course Rules:** COMPSCI 547 and INFOST 547 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 571 Information Access and Retrieval**

3 cr. Undergraduate/Graduate.

An overview of the concepts and theory related to information retrieval.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 571G Information Access and Retrieval**

3 cr. Undergraduate/Graduate.

An overview of the concepts and theory related to information retrieval.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 582 Introduction to Data Science**

3 cr. Undergraduate/Graduate.

Introduces basic concepts, background, theoretical, practical and technological aspects of data science.

**Prerequisites:** jr st; or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 582G Introduction to Data Science**

3 cr. Undergraduate/Graduate.

Introduces basic concepts, background, theoretical, practical and technological aspects of data science.

**Prerequisites:** jr st; or cons instr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 583 Survey of Information Security**

3 cr. Undergraduate/Graduate.

Introduces information security concepts, issues, and technological practices related to privacy, trust, and protection of information and digital assets.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 583G Survey of Information Security**

3 cr. Undergraduate/Graduate.

Introduces information security concepts, issues, and technological practices related to privacy, trust, and protection of information and digital assets.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 584 Survey of Web and Mobile Content Development**

3 cr. Undergraduate/Graduate.

Current best practices and theory for the development of content and applications across different platforms, systems, and devices emphasizing responsive design and frameworks.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 584G Survey of Web and Mobile Content Development**

3 cr. Undergraduate/Graduate.

Current best practices and theory for the development of content and applications across different platforms, systems, and devices emphasizing responsive design and frameworks.

**Prerequisites:** jr st or cons instr.**Last Taught:** Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 603 History of Books and Printing**

3 cr. Undergraduate/Graduate.

The people, ideas, and events in the history of bookmaking from ancient times to the 1890's.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 603G History of Books and Printing**

3 cr. Undergraduate/Graduate.

The people, ideas, and events in the history of bookmaking from ancient times to the 1890's.

**Prerequisites:** jr st.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 611 Cataloging for Small Libraries**

1 cr. Undergraduate/Graduate.

Survey of the application of standards and rules to the creation and management of library catalogs for small libraries.

**Prerequisites:** graduate standing and INFOST 511(P), or enrollment in the School Library Certification program.**Course Rules:** Previously INFOST 711.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 611G Cataloging for Small Libraries**

1 cr. Undergraduate/Graduate.

Survey of the application of standards and rules to the creation and management of library catalogs for small libraries.

**Prerequisites:** graduate standing and INFOST 511(P), or enrollment in the School Library Certification program.**Course Rules:** Previously INFOST 711.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 619 Topics in Information Organization:**

1-3 cr. Undergraduate/Graduate.

Study of particular topics in Information Organization. Specific topics announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st & InfoSt(L&I Sci) 511(P); or cons instr.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 619G Topics in Information Organization:**

1-3 cr. Undergraduate/Graduate.

Study of particular topics in Information Organization. Specific topics announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st & InfoSt(L&I Sci) 511(P); or cons instr.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 622 Information Marketing**

3 cr. Undergraduate/Graduate.

Concepts and principles of marketing and strategic planning as they apply to libraries and information agencies; case studies in information brokering and repackaging.

**Prerequisites:** jr st.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 622G Information Marketing**

3 cr. Undergraduate/Graduate.

Concepts and principles of marketing and strategic planning as they apply to libraries and information agencies; case studies in information brokering and repackaging.

**Prerequisites:** jr st.**Last Taught:** Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 627 Music Librarianship**

3 cr. Undergraduate/Graduate.

Examination of materials used in obtaining music information and in establishing bibliographic control. Emphasis on reference, library instruction, collection management, and organization of music collections.

**Prerequisites:** jr st; InfoSt(L&I Sci) 511(531)(P), 571(P); or cons instr.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 627G Music Librarianship**

3 cr. Undergraduate/Graduate.

Examination of materials used in obtaining music information and in establishing bibliographic control. Emphasis on reference, library instruction, collection management, and organization of music collections.

**Prerequisites:** jr st; InfoSt(L&I Sci) 511(531)(P), 571(P); or cons instr.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 630 Strategies for Managing Group Learning and Assessment in Libraries**

3 cr. Undergraduate/Graduate.

Drawing on inclusive pedagogical theories, students will develop their skills in designing effective instructional experiences to manage group learning and assessment in a library setting.

**Prerequisites:** junior standing or higher, or consent of instructor.

**Course Rules:** Counts as a repeat of CURRINS 510 and ED PSY 325.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 630G Strategies for Managing Group Learning and Assessment in Libraries**

3 cr. Undergraduate/Graduate.

Drawing on inclusive pedagogical theories, students will develop their skills in designing effective instructional experiences to manage group learning and assessment in a library setting.

**Prerequisites:** junior standing or higher, or consent of instructor.

**Course Rules:** Counts as a repeat of CURRINS 510 and ED PSY 325.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 637 Library Services for Young Children**

1 cr. Undergraduate/Graduate.

Successful public and school library personnel who serve young children must have knowledge of how to utilize materials, programming, technologies, research, and evaluation tools to create the best services possible for this age group.

**Prerequisites:** junior standing, concurrent enrollment or previous completion of INFOST 645 or INFOST 646; or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 647.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 637G Library Services for Young Children**

1 cr. Undergraduate/Graduate.

Successful public and school library personnel who serve young children must have knowledge of how to utilize materials, programming, technologies, research, and evaluation tools to create the best services possible for this age group.

**Prerequisites:** junior standing, concurrent enrollment or previous completion of INFOST 645 or INFOST 646; or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 647.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 638 Library Services for School-Aged Children**

1 cr. Undergraduate/Graduate.

A foundation for developing, planning, and implementing library services to meet the needs and interests of elementary school-aged children.

**Prerequisites:** junior standing; previous completion or concurrent enrollment in INFOST 645 or INFOST 646; or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 647.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 638G Library Services for School-Aged Children**

1 cr. Undergraduate/Graduate.

A foundation for developing, planning, and implementing library services to meet the needs and interests of elementary school-aged children.

**Prerequisites:** junior standing; previous completion or concurrent enrollment in INFOST 645 or INFOST 646; or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 647.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 639 Library Services for Teens**

1 cr. Undergraduate/Graduate.

A foundation for developing, planning, and implementing library services to meet the needs and interests of middle and high school-aged young adults.

**Prerequisites:** junior standing; previous completion or concurrent enrollment in INFOST 645 or INFOST 646; or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 647.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 639G Library Services for Teens**

1 cr. Undergraduate/Graduate.

A foundation for developing, planning, and implementing library services to meet the needs and interests of middle and high school-aged young adults.

**Prerequisites:** junior standing; previous completion or concurrent enrollment in INFOST 645 or INFOST 646; or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 647.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 640 Information Literacy Instruction**

3 cr. Undergraduate/Graduate.

Concepts and principles involved in teaching information literacy; emphasis on organizing and developing courses and individual sessions.

**Prerequisites:** junior standing and INFOST 501(P) or consent of instructor.

**Course Rules:** Previously INFOST 740.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 640G Information Literacy Instruction**

3 cr. Undergraduate/Graduate.

Concepts and principles involved in teaching information literacy; emphasis on organizing and developing courses and individual sessions.

**Prerequisites:** junior standing and INFOST 501(P) or consent of instructor.

**Course Rules:** Previously INFOST 740.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 642 School Library Media Programs and Resources**

3 cr. Undergraduate/Graduate.

A study of the functions of the school library media center as an educational component including service, administration, collection development and utilization of materials.

**Prerequisites:** junior standing; INFOST 511(P); INFOST 520(P); INFOST 571(P); or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 642G School Library Media Programs and Resources**

3 cr. Undergraduate/Graduate.

A study of the functions of the school library media center as an educational component including service, administration, collection development and utilization of materials.

**Prerequisites:** junior standing; INFOST 511(P); INFOST 520(P); INFOST 571(P); or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 643 Pre-Student Teaching Experience in School Libraries**

1-3 cr. Undergraduate/Graduate.

A 50-150 hour (1cr. = 50hr.) school library pre-student teaching experience for students working towards their K-12 library media license who are not already certified teachers.

**Prerequisites:** jr st; School Library Media Certification program students on Pathway 2A & 2B only. INFOST 520(P); INFOST 645 or INFOST 646(P) and INFOST 642(C). or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 643G Pre-Student Teaching Experience in School Libraries**

1-3 cr. Undergraduate/Graduate.

A 50-150 hour (1cr. = 50hr.) school library pre-student teaching experience for students working towards their K-12 library media license who are not already certified teachers.

**Prerequisites:** jr st; School Library Media Certification program students on Pathway 2A & 2B only. INFOST 520(P); INFOST 645 or INFOST 646(P) and INFOST 642(C). or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 644 Clinical Experience in School Libraries**

1-12 cr. Undergraduate/Graduate.

Field experience of 1-4 U/G credits (50-200 hours of clinical practice) to 12 undergrad credits (a full semester student teaching) in elementary and secondary school library media services under faculty and field supervisor guidance.

**Prerequisites:** jr st; school library media certification program students only; INFOST 642(C); or cons instr.

**Course Rules:** Retakable to 12 credits max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 644G Clinical Experience in School Libraries**

1-12 cr. Undergraduate/Graduate.

Field experience of 1-4 U/G credits (50-200 hours of clinical practice) to 12 undergrad credits (a full semester student teaching) in elementary and secondary school library media services under faculty and field supervisor guidance.

**Prerequisites:** jr st; school library media certification program students only; INFOST 642(C); or cons instr.

**Course Rules:** Retakable to 12 credits max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 645 Library Materials for Children**

3 cr. Undergraduate/Graduate.

Introduction to print and media resources available in library collections; selection procedures, evaluation criteria, access and promotion of use of materials.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 645G Library Materials for Children**

3 cr. Undergraduate/Graduate.

Introduction to print and media resources available in library collections; selection procedures, evaluation criteria, access and promotion of use of materials.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 646 Library Materials for Young Adults**

3 cr. Undergraduate/Graduate.

Criteria for evaluation and selection of materials for young adults, emphasizing current resources, techniques of reading guidance and book talks.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 646G Library Materials for Young Adults**

3 cr. Undergraduate/Graduate.

Criteria for evaluation and selection of materials for young adults, emphasizing current resources, techniques of reading guidance and book talks.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 647 Library Services for Children and Young Adults**

3 cr. Undergraduate/Graduate.

A foundation for developing, planning, and programming library services to meet the needs and interests of children and teens.

**Prerequisites:** junior standing and INFOST 645(P), INFOST 646(P), or INFOST 646(C); or consent of instructor.

**Course Rules:** Previously INFOST 745. Counts as a repeat of INFOST 637, INFOST 638, and INFOST 639.

**Last Taught:** Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 647G Library Services for Children and Young Adults**

3 cr. Undergraduate/Graduate.

A foundation for developing, planning, and programming library services to meet the needs and interests of children and teens.

**Prerequisites:** junior standing and INFOST 645(P), INFOST 646(P), or INFOST 646(C); or consent of instructor.

**Course Rules:** Previously INFOST 745. Counts as a repeat of INFOST 637, INFOST 638, and INFOST 639.

**Last Taught:** Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 650 An Introduction to Modern Archives Administration**

3 cr. Undergraduate/Graduate.

An introduction to the archives profession, archives administration, main uses of primary sources in academic research, and archival issues regarding the Internet and other technologies.

**Prerequisites:** jr st; InfoSt 501(C).

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 650G An Introduction to Modern Archives Administration**

3 cr. Undergraduate/Graduate.

An introduction to the archives profession, archives administration, main uses of primary sources in academic research, and archival issues regarding the Internet and other technologies.

**Prerequisites:** jr st; InfoSt 501(C).

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 655 Information and Records Management:**

3 cr. Undergraduate/Graduate.

Principles and practices of information and records management: organizational information needs, retention, schedules, vital records protection, micrographics, records centers and records management policy.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 655G Information and Records Management:**

3 cr. Undergraduate/Graduate.

Principles and practices of information and records management: organizational information needs, retention, schedules, vital records protection, micrographics, records centers and records management policy.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 656 Electronic Documents and Records Management**

3 cr. Undergraduate/Graduate.

Advanced concepts, unique challenges, and on-going issues of electronic records management, including automated systems, information lifecycle management, access, legality, media stability, migration, and long-term preservation.

**Prerequisites:** jr st; InfoSt(L&I Sci) 655(P) or cons instr.

**Course Rules:** Counts as repeat of InfoSt(L&I Sci) 691 w/same topic.

**Last Taught:** Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 656G Electronic Documents and Records Management**

3 cr. Undergraduate/Graduate.

Advanced concepts, unique challenges, and on-going issues of electronic records management, including automated systems, information lifecycle management, access, legality, media stability, migration, and long-term preservation.

**Prerequisites:** jr st; InfoSt(L&I Sci) 655(P) or cons instr.

**Course Rules:** Counts as repeat of InfoSt(L&I Sci) 691 w/same topic.

**Last Taught:** Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 660 Information Policy**

3 cr. Undergraduate/Graduate.

Explore various aspects of information policy including privacy, intellectual property, and intellectual freedom; covers applicable methodologies.

**Prerequisites:** jr st.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 660G Information Policy**

3 cr. Undergraduate/Graduate.

Explore various aspects of information policy including privacy, intellectual property, and intellectual freedom; covers applicable methodologies.

**Prerequisites:** jr st.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 661 Information Ethics**

3 cr. Undergraduate/Graduate.

Ethical traditions, concepts, and principles for the information professions in the global information society; ethical implications of information technologies.

**Prerequisites:** jr st & InfoSt(L&I Sci) 110(P); 501(P) or cons instr.

**Course Rules:** Counts as a repeat of L&I Sci 691 with similar topic/title.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 661G Information Ethics**

3 cr. Undergraduate/Graduate.

Ethical traditions, concepts, and principles for the information professions in the global information society; ethical implications of information technologies.

**Prerequisites:** jr st & InfoSt(L&I Sci) 110(P); 501(P) or cons instr.

**Course Rules:** Counts as a repeat of L&I Sci 691 with similar topic/title.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 670 Instructional Technologies**

3 cr. Undergraduate/Graduate.

Traditional technologies, multimedia formats, and computer-based technologies for instructional purposes.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 670G Instructional Technologies**

3 cr. Undergraduate/Graduate.

Traditional technologies, multimedia formats, and computer-based technologies for instructional purposes.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 671 Applied Web 3.0: Artificial Intelligence and Blockchain**

3 cr. Undergraduate/Graduate.

Introduction and broad survey of Web 3.0 including Artificial Intelligence AI and Blockchain. Topics: AI programming, blockchain technology and development, Artificial Intelligence, and machine learning.

**Prerequisites:** junior standing and one of the following: INFOST 350(P) or COMPSCI 351(P); or graduate standing and COMPSCI 702(P) or COMPSCI 751(P); or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 691 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 671G Applied Web 3.0: Artificial Intelligence and Blockchain**

3 cr. Undergraduate/Graduate.

Introduction and broad survey of Web 3.0 including Artificial Intelligence AI and Blockchain. Topics: AI programming, blockchain technology and development, Artificial Intelligence, and machine learning.

**Prerequisites:** junior standing and one of the following: INFOST 350(P) or COMPSCI 351(P); or graduate standing and COMPSCI 702(P) or COMPSCI 751(P); or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 691 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 674 The Search Engine Society**

3 cr. Undergraduate/Graduate.

Critical examination of the role of search engines in contemporary society, including impact on information organization and retrieval, information institutions, information policy, law, and ethics.

**Prerequisites:** jr st; InfoSt(L&I Sci) 501(P) or cons instr.

**Course Rules:** Counts as repeat of InfoSt(L&I Sci) 691 w/similar topic.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 674G The Search Engine Society**

3 cr. Undergraduate/Graduate.

Critical examination of the role of search engines in contemporary society, including impact on information organization and retrieval, information institutions, information policy, law, and ethics.

**Prerequisites:** jr st; InfoSt(L&I Sci) 501(P) or cons instr.

**Course Rules:** Counts as repeat of InfoSt(L&I Sci) 691 w/similar topic.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 675 Information Technology and Organizations**

3 cr. Undergraduate/Graduate.

Topical seminar, exploring the relationship between information technology (IT) culture, organizations and the organization of work, cultures, subcultures; sociology of IT work; enterprise systems; knowledge management; data mining and IT careers.

**Prerequisites:** jr st.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 675G Information Technology and Organizations**

3 cr. Undergraduate/Graduate.

Topical seminar, exploring the relationship between information technology (IT) culture, organizations and the organization of work, cultures, subcultures; sociology of IT work; enterprise systems; knowledge management; data mining and IT careers.

**Prerequisites:** jr st.

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 676 Content Management Systems**

3 cr. Undergraduate/Graduate.

Introduction to creating highly functional websites with various tools without using web development languages and coding scripts, but with open source web-based content management systems.

**Prerequisites:** junior standing; basic HTML knowledge preferred.

**Course Rules:** Counts as a repeat of INFOST 691 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 676G Content Management Systems**

3 cr. Undergraduate/Graduate.

Introduction to creating highly functional websites with various tools without using web development languages and coding scripts, but with open source web-based content management systems.

**Prerequisites:** junior standing; basic HTML knowledge preferred.

**Course Rules:** Counts as a repeat of INFOST 691 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 676X Content Management Systems**

3 cr. Undergraduate/Graduate.

Introduction to creating highly functional websites with various tools without using web development languages and coding scripts, but with open source web-based content management systems.

**Prerequisites:** junior standing; basic HTML knowledge preferred.

**Course Rules:** Counts as a repeat of INFOST 691 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 682 Digital Libraries**

3 cr. Undergraduate/Graduate.

Concepts and technologies for development of digital libraries. Topics include tools for multimedia digitization, organization of digital resources, and evaluation of digital libraries and gateways.

**Prerequisites:** jr st & InfoSt(L&I Sci) 110(P); 501(P); or cons instr.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 682G Digital Libraries**

3 cr. Undergraduate/Graduate.

Concepts and technologies for development of digital libraries. Topics include tools for multimedia digitization, organization of digital resources, and evaluation of digital libraries and gateways.

**Prerequisites:** jr st & InfoSt(L&I Sci) 110(P); 501(P); or cons instr.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 685 Electronic Publishing and Web Design**

3 cr. Undergraduate/Graduate.

An introduction to principles of visual communications related to electronic media with emphasis on website development, electronic documents, and production and dissemination of electronic information.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of InfoSt(L&I Sci) 691 w/similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 685G Electronic Publishing and Web Design**

3 cr. Undergraduate/Graduate.

An introduction to principles of visual communications related to electronic media with emphasis on website development, electronic documents, and production and dissemination of electronic information.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of InfoSt(L&I Sci) 691 w/similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 687 Data Analysis for Data Science**

3 cr. Undergraduate/Graduate.

Development and use of data science analysis skills in statistics, probability, forecasting, prediction, optimization, clustering and visualization.

**Prerequisites:** junior standing and completion of one of the following: INFOST 370(P), INFOST 582(P), or INFOST 799(P).

**Course Rules:** Counts as a repeat of INFOST 691 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 687G Data Analysis for Data Science**

3 cr. Undergraduate/Graduate.

Development and use of data science analysis skills in statistics, probability, forecasting, prediction, optimization, clustering and visualization.

**Prerequisites:** junior standing and completion of one of the following: INFOST 370(P), INFOST 582(P), or INFOST 799(P).

**Course Rules:** Counts as a repeat of INFOST 691 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 691 Special Topics in Information Science:**

1-3 cr. Undergraduate/Graduate.

An exploration of current topics in information science.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** Course prerequisites vary by topic; please consult the syllabus or contact the instructor for topic-specific prerequisites. May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 691G Special Topics in Information Science:**

1-3 cr. Undergraduate/Graduate.

An exploration of current topics in information science.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** Course prerequisites vary by topic; please consult the syllabus or contact the instructor for topic-specific prerequisites. May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 691X Special Topics in Information Science:**

1-3 cr. Undergraduate/Graduate.

An exploration of current topics in information science.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** Course prerequisites vary by topic; please consult the syllabus or contact the instructor for topic-specific prerequisites. May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 692 Special Topics in Information Science and Technology**

1-3 cr. Undergraduate/Graduate.

An exploration of current topics in information science and technology. Specific topics and any additional prerequisites will be announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st or cons instr.

**Course Rules:** May be retaken w/ chg in topic to max of 9 cr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 692G Special Topics in Information Science and Technology**

1-3 cr. Undergraduate/Graduate.

An exploration of current topics in information science and technology. Specific topics and any additional prerequisites will be announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st or cons instr.

**Course Rules:** May be retaken w/ chg in topic to max of 9 cr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 695 Ethical Hacking I**

3 cr. Undergraduate/Graduate.

Fundamental concepts in computer security testing, the evolution of ethical hacking and the latest tools used in cyber security to test different computer systems.

**Prerequisites:** INFOST 325(P) or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 695G Ethical Hacking I**

3 cr. Undergraduate/Graduate.

Fundamental concepts in computer security testing, the evolution of ethical hacking and the latest tools used in cyber security to test different computer systems.

**Prerequisites:** INFOST 325(P) or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 696 Ethical Hacking II**

3 cr. Undergraduate/Graduate.

Advanced concepts in computer security testing, the latest tools used in cyber security to test different computer systems and the creation of personal testing tools.

**Prerequisites:** INFOST 695(P) or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 696G Ethical Hacking II**

3 cr. Undergraduate/Graduate.

Advanced concepts in computer security testing, the latest tools used in cyber security to test different computer systems and the creation of personal testing tools.

**Prerequisites:** INFOST 695(P) or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 697 Cisco Routing & Switching I**

3 cr. Undergraduate/Graduate.

Networking and security, including IP Address translation (masking), subnetting, access lists, port security, VPNs, routing protocols and passwords.

**Prerequisites:** jr st.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 697G Cisco Routing & Switching I**

3 cr. Undergraduate/Graduate.

Networking and security, including IP Address translation (masking), subnetting, access lists, port security, VPNs, routing protocols and passwords.

**Prerequisites:** jr st.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 712 Resource Description for Library Catalogs**

3 cr. Graduate.

Application of standards and rules to the construction of tools for information retrieval, primarily digital resources and catalogs in library and information environments.

**Prerequisites:** grad st; InforSt 511 (P) or cons instr**Last Taught:** Fall 2022, Spring 2022, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 714 Metadata**

3 cr. Graduate.

Principles and application of metadata for networked information resource organization, representation, retrieval, and interoperability using a variety of schemes; focus on cultural heritage digital repositories.

**Prerequisites:** grad st; MLIS prereqs: InfoSt 511(P); InfoSt 571(R) MSIST prereqs: InfoSt 582(P).**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 717 Information Architecture**

3 cr. Graduate.

Introduction to information architecture and user experience design, focusing on designing user-centered organization, labeling, navigation, search, metadata, and knowledge organization systems for websites.

**Prerequisites:** grad st; InfoSt(L&I Sci) 511(531)(P).**Last Taught:** Fall 2023, Spring 2021, Spring 2020, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 719 Advanced Topics in Information Organization**

3 cr. Graduate.

Advanced study of a particular topic in Information Organization.

**Prerequisites:** grad st; InfoSt(L&I Sci) 511(P) or cons instr.**Course Rules:** May be repeated w/ chg in topic to 9 cr. max.**Last Taught:** Spring 2015, Fall 2014, Summer 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 722 Entrepreneurship and Innovation for LIS Professionals**

3 cr. Graduate.

Introduces entrepreneurial concepts and practices in the library and information science professions, examines alternative career options, and provides an opportunity to apply entrepreneurial methods and processes.

**Prerequisites:** InfoSt 501(P) or cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 734 Library Services and Resources for Adults**

3 cr. Graduate.

Introduction to the wide range of services and materials with which the library meets the needs of adult patrons.

**Prerequisites:** grad st; InfoSt(L&I Sci) 520(C), 571(P); or cons instr**Last Taught:** Fall 2023, Fall 2022, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 735 The Academic Library**

3 cr. Graduate.

Administration of the college and university library, including a study of budgets, personnel, building and collections requirements, and cooperative programs.

**Prerequisites:** grad st; InfoSt(L&I Sci) 501(C); 511(531)(P); 520(C); 524(540)(R); & 571(C); or cons instr**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 736 The Public Library**

3 cr. Graduate.

Overview of issues and functions of American public libraries; including trends in governance, program planning and evaluation, community analysis, alternative funding, library use and users.

**Prerequisites:** graduate standing and INFOST 501(C), or consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 738 Legal Information Sources and Services**

3 cr. Graduate.

A study of legal sources of federal and Wisconsin law including the use of law finders, statutes, cases and digests.

**Prerequisites:** grad st; InfoSt(L&I Sci) 571(P)**Last Taught:** Fall 2007, Spring 2006, Spring 2004, Spring 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 739 Digital Information Services**

3 cr. Graduate.

Examination of major issues involved in digital information services.

Comparison of differences and similarities between digital and face-to-face services, evaluation of DIS and current trends.

**Prerequisites:** graduate standing, INFOST 521(P), INFOST 571(P), and INFOST 682(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 741 Multicultural Children's Literature**

3 cr. Graduate.

Exploration of children's literature representing racialized groups in the United States; discussion will focus on evaluating and selecting material.

**Prerequisites:** grad st; InfoSt(L&I Sci) 645(P) or equivalent; or cons instr.**Course Rules:** Counts as repeat of 691 w/ same topic.**Last Taught:** Spring 2019, Fall 2015, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 750 Arrangement and Description in Archives**

3 cr. Graduate.

Development of the intellectual framework and critical evaluation skills necessary for the arrangement and description of archival collections.

**Prerequisites:** grad st; InfoSt(L&I Sci) 650(681)(C) or cons instr.**Last Taught:** Fall 2023, Fall 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 752 Archival Outreach: Programs and Services**

3 cr. Graduate.

An introduction to archival outreach and reference services for sustaining an archival program committed to public service.

**Prerequisites:** grad st; InfoSt 650(C) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 753 Preserving Information Media**

3 cr. Graduate.

Examines all aspects of archival preservation of multiple media formats. Includes discussions of preservation practice, policy and programming in an archives.

**Prerequisites:** grad st; InfoSt(L&I Sci) 650(P) or cons instr.

**Course Rules:** InfoSt(L&I Sci) 791 with similar topic counts as repeat of 753.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 756 Community Archives**

3 cr. Graduate.

Exploration of community archives by illustrating the reasons for their creation, challenges that they present to traditional archives, and obstacles to their success.

**Prerequisites:** graduate standing and INFOST 650(C); or consent of instructor.

**Course Rules:** Counts as a repeat of INFOST 791 with the same topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 758 Technology Issues in Archives**

3 cr. Graduate.

This course addresses technology issues facing archivists today and its theoretical and practical implications in collection management, arrangement and description, reference, digitization, and electronic records.

**Prerequisites:** grad st; INFOST 650; or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 759 Fieldwork in Archives and Manuscripts**

1-3 cr. Graduate.

Field experience of 50 to 150 hours in an archives or manuscript repository under faculty and field supervisor guidance. Student must also complete a supervised field project.

**Prerequisites:** graduate standing and completion of one of the following: INFOST 524(P), INFOST 571(P), INFOST 650(P), or HIST 775(P); or consent of instructor.

**Course Rules:** May be repeated for total of 6 cr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 763 Topics in Information Policy**

1-3 cr. Graduate.

An array of coursework specifically related to the social, ethical, economic, legal, and philosophical aspects of information.

**Prerequisites:** grad st

**Course Rules:** May be repeated w/chg in topic to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 771 Data Curation**

3 cr. Graduate.

Covers concepts and issues relevant to the curation, storage, management, and access of data including data management plans, open data initiatives, and repositories.

**Prerequisites:** graduate standing and INFOST 511(P) or INFOST 582(P); or consent of instructor.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 774 Online Information Retrieval**

3 cr. Graduate.

Study of bibliographic, non-bibliographic, full-text databases, including document delivery alternatives, evaluation and testing.

**Prerequisites:** grad st; InfoSt 501(P); 571(P); or cons instr.

**Last Taught:** Summer 2023, Summer 2021, Summer 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 781 Applied Information and Internet Technologies**

3 cr. Graduate.

Introduces information and network concepts and technologies in information science professions, such as libraries and provides opportunities to apply information theories in problem solving processes.

**Prerequisites:** graduate standing.

**Course Rules:** Previously INFOST 632.

**Last Taught:** Summer 2011, Fall 2010, Summer 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 784 Information Security Management**

3 cr. Graduate.

Investigation of key aspects of information security management such as policy, risk analysis and management, education and awareness training, legal compliance, ethical and legal conduct.

**Prerequisites:** grad st; InfoSt 583 (P).

**Last Taught:** Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 785 Database Management Systems for Information Professionals**

3 cr. Graduate.

Study of microcomputer data base management software (DBMS) and information retrieval (IR) systems and their potential applications for information services.

**Prerequisites:** grad st

**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 790 Project Design, Implementation, and Evaluation**

3 cr. Graduate.

Culminating experience for MSIST degree program comprising the design, implementation, and evaluation of a capstone project related to the MSIST degree tracks.

**Prerequisites:** graduate standing, MSIST degree candidate, INFOST 582(P), INFOST 583(P), COMPST 701(P), and COMPST 703(P); or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 791 Topics in Library and Information Science:**

1-3 cr. Graduate.

Graduate level treatment of current topics in library and information science. Specific topic and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** grad st; InfoSt 501(P) or cons instr**Course Rules:** May be repeated w/chg in topic to 9 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 799 Research Methods in Information Studies**

3 cr. Graduate.

Knowledge of research concepts, methods, and evaluation in library and information science, and applications of research in the information professions.

**Prerequisites:** grad st; InfoSt(L&I Sci) 501(P); 511(531)(P); 571(P), or cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 850 Seminar in Modern Archives Administration**

3 cr. Graduate.

In-depth exploration of several aspects of archival work through extensive readings, discussions, practical exercises and a major seminar paper.

**Prerequisites:** grad st; InfoSt(L&I Sci) 650(681)(P) or cons instr.**Course Rules:** Counts as repeat of Hist 777.**Last Taught:** Spring 2011, Fall 2009, Spring 2008, Spring 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 855 Advanced Appraisal**

3 cr. Graduate.

An overview of the history of archival appraisal and manuscript collecting, surveys recent appraisal methodologies and theories, providing practical experience in the application of appraisal theory and assessing the value of organizational records.

**Prerequisites:** grad st; INFOST 650; or cons instr**Last Taught:** Spring 2023, Fall 2020, Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 861 Seminar in Intellectual Freedom**

3 cr. Graduate.

Principles and practices of intellectual freedom, as related to the information professions. Emphasizes, but is not limited to, current issues in the U.S.

**Prerequisites:** graduate standing.**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 862 Legal Issues for Library and Information Managers**

3 cr. Graduate.

Legal issues arising in various library settings, including access rights, privacy and confidentiality, copyright, intellectual freedom and information liability and malpractice.

**Prerequisites:** grad st; InfoSt(L&I Sci) 501(P) or cons instr**Last Taught:** Spring 2023, Summer 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 863 Feminism, Librarianship, and Information**

3 cr. Graduate.

The nature of librarianship as a profession, issues related to information and technology, and practices of information services from gendered perspectives using applicable feminist theories.

**Prerequisites:** grad st; InfoSt 501(P); InfoSt 591(P)**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 864 Critical Approaches to Public Librarianship**

3 cr. Graduate.

Explores advanced concepts of the public library as a political institution in the public sphere. Includes investigations of legislative foundations, funding, governance and social engagement.

**Prerequisites:** grad st; InfoSt 501(P), 736(P) or cons instr.**Course Rules:** Counts as repeat of InfoSt 891 Philosophy, Policy, Politics.**Last Taught:** Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 888 Candidate for Degree:**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2019, Spring 2019, Fall 2017, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 891 Advanced Topics in Library and Information Science:**

1-3 cr. Graduate.

Seminar in advanced current topics in library and information science. Specific topics and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** graduate standing; consent of instructor.**Course Rules:** May be repeated with change in topic to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 897 Information Science and Technology Independent Study**

1-3 cr. Graduate.

Advanced study under instructor guidance on a special topic in information science and technology. Regular instructor consultation and written report(s) required.

**Prerequisites:** graduate standing; MSIST degree candidate or consent of instructor.**Course Rules:** Repeatable to 6 cr max. A max of 6 cr between INFOST 897 and INFOST 999 may count toward the MSIST.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**INFOST 898 Master's Thesis**

1-3 cr. Graduate.

Research and writing in consultation with SOIS thesis advisor for M.L.I.S. candidates pursuing the Thesis Option. May be repeated until completion and defense of the thesis.

**Prerequisites:** grad st; InfoSt(L&I Sci) 890(P) or equiv; cons of thesis advisor.**Last Taught:** Fall 2017, Spring 2017, Summer 2016, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 899 MLIS Independent Study**

3 cr. Graduate.

Advanced study under faculty guidance, on a special aspect of library and information services. Regular faculty consultation and written report(s) required.

**Prerequisites:** graduate standing, INFOST 501(P), INFOST 511(P), INFOST 571(P), or consent of instructor.

**Course Rules:** A max of 6 cr between INFOST 899 and INFOST 999 may count toward the MLIS.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 901 Current Issues in Information Studies**

3 cr. Graduate.

Current topical issues in information studies, socializes doctoral students to research culture, and analyzes current research topics in the field.

**Prerequisites:** grad st (doctoral st); or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 902 Theoretical Foundations in Information Studies**

3 cr. Graduate.

This doctoral seminar introduces students to a range of fundamental theoretical foundations and models relevant to information studies.

**Prerequisites:** grad st (doctoral st) or cons instr.

**Last Taught:** Spring 2017, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 903 Qualitative Research Methods**

3 cr. Graduate.

Qualitative research design, data collection, data analysis tools and techniques as well as theory building in the context of information study research.

**Prerequisites:** grad st (doctoral st) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 904 Quantitative Research Methods**

3 cr. Graduate.

Quantitative research designs, data process and analysis, inferential statistical methods and theories, applications in information studies, and evaluation of quantitative research studies.

**Prerequisites:** grad st (doctoral st) or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 905 Mixed Methods Research for Information Studies**

3 cr. Graduate.

Presents techniques for designing and executing mixed methods research in information studies as well as arguments for and against the use of mixed methods for theory building.

**Prerequisites:** Counts as repeat of INFOST 891 w/same topic. Prereqs:

For MLIS: InfoSt 799(591)(P) or equiv or cons instr. For PhD: InfoSt 903(P); InfoSt 904(P); or cons of instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 910 Doctoral Seminar in the Organization of Information**

3 cr. Graduate.

In-depth and critical study of the historical, philosophical, theoretical, and methodological foundation of the organization of information.

**Prerequisites:** grad st (doctoral st); or cons instr.

**Last Taught:** Fall 2023, Spring 2022, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 960 Doctoral Seminar in Information Policy**

3 cr. Graduate.

Examination of the conceptual, institutional, and practical foundations of information policy, law, and ethics.

**Prerequisites:** grad st (doctoral st); or cons instr.

**Last Taught:** Fall 2022, Fall 2020, Spring 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 970 Doctoral Seminar in Information Retrieval**

3 cr. Graduate.

Advanced research concepts, methods, and applications for information retrieval (IR) and its evaluation, and current topics of research interest to the IR community.

**Prerequisites:** grad st (doctoral st); or cons instr.

**Last Taught:** Spring 2023, Fall 2021, Spring 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 990 Fieldwork in Library and Information Science Services**

1-3 cr. Graduate.

Fieldwork experience of 50 to 150 hours under faculty and field supervisor guidance. Student must also complete a supervised field project.

**Prerequisites:** grad st; InfoSt(L&I Sci) 501(P), 511(531)(P), 571(P); cons instr.

**Course Rules:** May be repeated to max of 6 cr with cons adviser.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, UWinterIM 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 991 Fieldwork in Information Science and Technology**

1-3 cr. Graduate.

Practical experience in an information science and technology field. Regular faculty consultation and written report(s) required.

**Prerequisites:** graduate standing, INFOST 582(P), INFOST 583(P), COMPST 701(P), COMPST 703(P), or consent of instructor.

**Course Rules:** May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 997 Preliminary Examinations**

1-6 cr. Graduate.

Available for doctoral students taking preliminary exams. May be repeated twice to a max of 6 cr with cons of adviser.

**Prerequisites:** graduate standing.

**Course Rules:** Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2023, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 998 Doctoral Dissertation**

1-3 cr. Graduate.

Doctoral dissertation research and advisement for information studies PhD candidates and PhD candidates with an emphasis in library and information science.

**Prerequisites:** doctoral candidacy & cons doctoral advisor.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INFOST 999 Independent Research**

1-3 cr. Graduate.

Primary research under faculty guidance, on a special aspect of library and information services. Regular faculty consultation and written research report(s) required.

**Prerequisites:** graduate standing; INFOST 501(P), INFOST 511(P), INFOST 571(P), and INFOST 799(P), or consent of instructor.

**Course Rules:** Carries 3 cr limit for MLIS; may be repeated to 6 cr max for advanced certificate students.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## International Studies (INTLST)

**INTLST 193 First-Year Seminar.**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 250 Introduction to Study Abroad**

2 cr. Undergraduate.

Discussion of study abroad programs by addressing objectives, cross-cultural communication; specific programs and pre-departure information.

**Prerequisites:** none.

**Course Rules:** No degree cr for students with cr in IntlSt 350 'Studying in the World's Regions'(ER). Cr/no cr only; audit not permitted.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 260 Introduction to International Careers**

2 cr. Undergraduate.

Introduction to a wide variety of career options in area of international studies, partly through lectures with academics and professionals from relevant fields.

**Prerequisites:** none.

**Course Rules:** No degree cr for students with cr in IntlSt 350 'Careers in the World's Regions'(ER). Cr/no cr only; audit not permitted.

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in a UWM sponsored program before course level, content, and credits are determined and/or in a specially prepared program course. Section title(s) and credits announced whenever course is offered.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 450 Internship in International Studies**

2-6 cr. Undergraduate.

Internship offering on the job experience to selected majors in international studies. Student enrolls for a specific number of credits.

**Prerequisites:** jr or sr st; gpa of 3.0; writ cons prog coord.

**Course Rules:** Retakable to 6 cr max. Cr/no cr only; audit not permitted.

**Last Taught:** Spring 2023, Summer 2022, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Fall 2019, Summer 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 498 Applied Foreign Language**

1 cr. Undergraduate.

Independent reading in a foreign language as companion to courses in international studies. To be arranged with International Studies coordinator.

**Prerequisites:** 2 yrs college-level work in a foreign language or equiv; cons IntlSt coord.

**Course Rules:** Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 550 Senior Seminar in International Studies:**

3 cr. Undergraduate/Graduate.

Interdisciplinary seminar with emphasis on functional/regional problems in world affairs.

**Prerequisites:** declared International Studies major or minor, or consent of instructor or program coordinator.

**Course Rules:** Retakable with change in topic to 9 cr max.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 550G Senior Seminar in International Studies:**

3 cr. Undergraduate/Graduate.

Interdisciplinary seminar with emphasis on functional/regional problems in world affairs.

**Prerequisites:** declared International Studies major or minor, or consent of instructor or program coordinator.

**Course Rules:** Retakable with change in topic to 9 cr max.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**INTLST 699 Independent Study**

1-6 cr. Undergraduate.

Advanced independent work under the supervision of an IntlSt faculty or instructional academic staff member. Students must submit a study proposal. For more information, consult prog coord or advisor.

**Prerequisites:** jr st; 2.5 GPA; writ cons instr, prog coord, & asst dean for SAS.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Summer 2009, Summer 2008, Spring 2007, Summer 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Italian (ITALIAN)

**ITALIAN 20 Great Italians:**

1 cr. Undergraduate.

An introduction to the life and works of a major figure in Italian cultural history.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 3 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 103 First-Semester Italian**

4 cr. Undergraduate.

Introductory course for students who have not studied Italian previously. Oral practice, grammar, reading.

**Prerequisites:** none.

**Course Rules:** Students are required to spend an additional hr each week in the language lab in oral drill & comprehension. Counts as repeat of Italian 113.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 104 Second-Semester Italian**

4 cr. Undergraduate.

Continuation of ITALIAN 103. Expands oral, written, and reading skills.

**Prerequisites:** grade of C- or better in ITALIAN 103(P) or ITALIAN 113(P), or consent of instructor.

**Course Rules:** Counts as repeat of ITALIAN 114. Generates L&S credit for demonstrated equivalent preparation (4 retro cr).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 110 Italian for Travelers**

2 cr. Undergraduate.

Basic conversational Italian for travelers. For students with no knowledge of Italian as well as for those with a basic foundation in the language.

**Prerequisites:** none.

**Last Taught:** Summer 2007, Summer 2006, Summer 2005, Summer 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 112 Italian Language and Culture for Professional Communication**

4 cr. Undergraduate.

Basic conversational Italian and discussions in English of contemporary culture; for those doing business in Italy.

**Prerequisites:** none.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 143 Multi-Racial Italy Today**

3 cr. Undergraduate.

Investigation on the various representations of Jewish people, Chinese people, and African people as essential and constitutive components of Italian national identity.

**Prerequisites:** none.

**Course Rules:** Counts as a repeat of ITALIAN 145 with the same topic.

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 145 Views of Italy:**

3 cr. Undergraduate.

Variable content, with specific topics focusing on the interrelation of literary works and sociocultural values and traditions of Italy.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 146 Italians and the Mafia**

3 cr. Undergraduate.

Examination of the Italian mafias and antimafia organizations through historical writings, fiction, documentaries, and digital media.

**Prerequisites:** none.

**Course Rules:** Counts as a repeat of ITALIAN 145 with the same topic.

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 155 Masterpieces of Italian Literature in Translation**

3 cr. Undergraduate.

Major works of different periods and genres. Introduction to the critical reading of literary texts.

**Prerequisites:** none.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 192 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2008, Fall 1999, Fall 1997, Spring 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 197 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance in Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2018, Spring 2018, Spring 2013, Fall 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 203 Third-Semester Italian**

3 cr. Undergraduate.

Development of reading, writing, and oral skills; review and further study of grammar.

**Prerequisites:** grade of C- or better in ITALIAN 104(P) or ITALIAN 114(P), or consent of instructor.

**Course Rules:** Generates L&S credit for demonstrated equivalent preparation (8 retro cr).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 204 Fourth-Semester Italian**

3 cr. Undergraduate.

Continuation of ITALIAN 203.

**Prerequisites:** grade of C- or better in ITALIAN 203(P) or consent of instructor.

**Course Rules:** Generates L&S credit for demonstrated equivalent preparation (11 retro cr).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 215 Italian Conversation**

3 cr. Undergraduate.

Development of ability to speak and write Italian, with emphasis on everyday speech.

**Prerequisites:** Italian 104(P) or 114(P) or placement.

**Course Rules:** Should be taken conc with Italian 203 or 204. May be retaken to 6 cr max.

**Last Taught:** Spring 2022, Fall 2005, Spring 2005, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 242 Topics in Italian American Studies:**

3 cr. Undergraduate.

Interdisciplinary study of aspects of Italian American ethnicity, history, and culture.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 243 Topics in Italian American Film:**

3 cr. Undergraduate.

Study of selected topics in Italian American film.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 245 Italy and Its Global Fictions:**

3 cr. Undergraduate.

Themes or figures as they appear throughout Italian literature, film and media, and global representations.

**Prerequisites:** none.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2016, Spring 2015, Fall 2014, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**ITALIAN 256 Introduction to Italian Food Studies: A Cultural History**

3 cr. Undergraduate.

Interdisciplinary study of Italian cooking and cuisine in fiction and non-fiction works from the Etruscan and Roman times to the present.

**Prerequisites:** none.

**Course Rules:** Taught in English.

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**JAMS 113 Internet Culture**

3 cr. Undergraduate.

Social, cultural, and historical dimensions of the Internet.

**Prerequisites:** none.**Course Rules:** DAC 113 and JAMS 113 are jointly offered and count as repeats of one another.**General Education Requirements:** HU**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 116 Journalism, Documentary, and Democracy**

3 cr. Undergraduate.

The role of journalism and documentary in democracy examined through a variety of media products.

**Prerequisites:** none.**Last Taught:** Fall 2016, Summer 2015, Summer 2014, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 192 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).**General Education Requirements:** HU**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 193 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics announced in Schedule of Classes each time course is offered.

**Prerequisites:** none.**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).**General Education Requirements:** SS**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.5 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Spring 2011, Summer 2008, Spring 2008, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 201 Media Writing**

3 cr. Undergraduate.

Techniques and strategies for writing that can communicate effectively with media audiences; emphasizes innovation and creativity within the constraints of good grammar and style.

**Prerequisites:** satisfaction of OWC-A GER**General Education Requirements:** OWCB**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 204 News Writing**

3 cr. Undergraduate.

Writing for print/online, audio, and video journalism.

**Prerequisites:** a grade of C or better in JAMS 101(P) and JAMS 201(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 207 Introduction to Advertising and Public Relations**

3 cr. Undergraduate.

A practical approach to developing, implementing, and evaluating advertising and public relations strategies.

**Prerequisites:** C or better in JAMS 101(P) and JAMS 201(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 212 Introduction to Corporate Communication**

3 cr. Undergraduate.

The profession of corporate communication; focus on the variety of mass communication strategies in the field.

**Prerequisites:** none.**Last Taught:** Fall 2017, Fall 2016, Fall 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 214 Advertising in American Society**

3 cr. Undergraduate.

A critical survey of advertising's development and current practices as well as its impact on knowledge, attitudes, and behaviors.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2022, UWinterIM 2020, Fall 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 231 Publication Design**

3 cr. Undergraduate.

Principles of print layout and design.

**Prerequisites:** none.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 232 Photojournalism**

3 cr. Undergraduate.

The history of photography and the practice of photojournalism, including aesthetic, conceptual, and technical developments. Digital production and distribution.

**Prerequisites:** soph st.**Last Taught:** Spring 2020, Summer 2015, Summer 2014, Summer 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 262 Principles of Media Studies**

3 cr. Undergraduate.

Central issues and concerns in the field of media studies. Cultural study of media industries and production practices. Analysis of media texts and audiences.

**Prerequisites:** C or better in JAMS 101(P) and JAMS 201(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**JAMS 280 Selected Topics in Mass Communication:**

3 cr. Undergraduate.

Selected topics not addressed in regularly-approved courses.

**Prerequisites:** soph st; add'l prereqs, if any, announced in the Schedule of Classes.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**JAMS 620 Seminar in Global Media**

3 cr. Undergraduate/Graduate.

Economic, regulatory, and cultural characteristics of national and global mass media.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**JAMS 620G Seminar in Global Media**

3 cr. Undergraduate/Graduate.

Economic, regulatory, and cultural characteristics of national and global mass media.

**Prerequisites:** jr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**JAMS 660 Seminar in Contemporary Issues in Media Studies:**

3 cr. Undergraduate/Graduate.

Research-oriented approaches to theoretical and social issues in mass communication.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 660G Seminar in Contemporary Issues in Media Studies:**

3 cr. Undergraduate/Graduate.

Research-oriented approaches to theoretical and social issues in mass communication.

**Prerequisites:** junior standing.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 661 Seminar in Media Communication and Society:**

3 cr. Undergraduate/Graduate.

Topics related to the mass media; the research process; development of a seminar paper based on original research.

**Prerequisites:** junior standing; additional prerequisites, if any, announced in the Schedule of Classes.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 661G Seminar in Media Communication and Society:**

3 cr. Undergraduate/Graduate.

Topics related to the mass media; the research process; development of a seminar paper based on original research.

**Prerequisites:** junior standing; additional prerequisites, if any, announced in the Schedule of Classes.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 699 Advanced Independent Study**

1-6 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** jr st, 2.0 GPA, consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 700 Approaches to Media Studies**

3 cr. Graduate.

Review and analysis of research in media studies; preparation for scholarly writing.

**Prerequisites:** admis to MA prog in Media Studies or cons instr.**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 701 Media Studies Research Design**

3 cr. Graduate.

Qualitative and quantitative research methods in media studies; preparation of a research proposal.

**Prerequisites:** admis to MA prog in Media Studies or cons instr.**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 815 Media and Cultural Studies**

3 cr. Graduate.

Cultural approaches to the study of media; design and execution of a research project.

**Prerequisites:** grad st.**Last Taught:** Fall 2020, Fall 2016, Spring 2007, Fall 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 820 Persuasion in Media**

3 cr. Graduate.

Examination of theoretical approaches, research methods, and findings in the study of persuasive media; design and execution of a research project.

**Prerequisites:** grad st.**Last Taught:** Fall 2008, Spring 1999, Spring 1997, Fall 1994.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 830 Topics in Media History:**

3 cr. Graduate.

Historical approaches to the study of media; design and execution of a research project.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2021, Spring 2020, Spring 2018, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 840 Topics in Media Law and Ethics:**

3 cr. Graduate.

In-depth study and discussion of law and ethics as they relate to the mass media; development of original research for publication in scholarly journals.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 6 cr max.**Last Taught:** Spring 2017, Fall 2015, Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 845 Topics in Gender, Sexuality, and Media:**

3 cr. Graduate.

Analysis of gender, sexuality, and other aspects of identity in and related to media.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 850 Global Media and Local Cultures**

3 cr. Graduate.

Seminar covering major theories and critiques of globalization, with a particular emphasis on the study of media and culture.

**Prerequisites:** grad st.**Last Taught:** Spring 2008, Fall 2005, Fall 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 855 Topics in New Media:**

3 cr. Graduate.

History, theory, and/or criticism of new media.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Fall 2020, Spring 2017, Fall 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**JAMS 860 Seminar in Media Studies:**

3 cr. Graduate.

In-depth study and discussion of a current topic in media studies.

Specific topics announced in the Schedule of Classes.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 6 cr max.**Last Taught:** Spring 2020, Fall 2019, Fall 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 888 Candidate for Degree**

0 cr. Graduate.

Available for grad students who must meet minimum cr load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2020, Spring 2020, Summer 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 990 Research and Thesis**

1-6 cr. Graduate.

Production of a thesis under the supervision of the student's major professor with the consultation of the degree committee.

**Prerequisites:** grad st; cons instr.**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 991 Professional Project**

1-6 cr. Graduate.

Preparation and execution of a project which applies mass communication research and theory in a professional setting.

**Prerequisites:** grad st; cons instr.**Course Rules:** Students enroll under major prof with consultation of degree committee.**Last Taught:** Spring 2021, Spring 2020, Fall 2019, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**JAMS 999 Graduate Independent Study**

1-3 cr. Graduate.

Supervised research of a particular topic area either not covered by other courses or at a level of sophistication beyond that of courses which cover the topic.

**Prerequisites:** grad st; 3.00 grad gpa; writ cons grad dir.**Course Rules:** Retakable to 6 cr max.**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Kinesiology (KIN)

**KIN 190 Topics Course in Physical Activity:**

1-3 cr. Undergraduate.

Introductory level topics of current interest in health and physical activity.

Special course fees may be required depending on topic.

**Prerequisites:** none, except as required for specific topic.**Course Rules:** Counts as repeat of Spt&Rec 290 & Kin 290 with same topic. May be retaken w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 200 Introduction to Kinesiology**

3 cr. Undergraduate.

Introduction to the discipline of kinesiology and its subdisciplines of exercise physiology, motor behavior, biomechanics, and psychology and sociology of physical activity.

**Prerequisites:** none.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 202 Field Work in Kinesiology**

1 cr. Undergraduate.

Practical, supervised, service-learning in the field of kinesiology.

**Prerequisites:** Kin 201(C).**Course Rules:** Counts as repeat of Kin 210.**Last Taught:** Spring 2011, Fall 2010, Spring 2010, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 211 First Aid and Cardiopulmonary Resuscitation**

1 cr. Undergraduate.

CPR for adults, children, and infants; AED; and First Aid.

**Prerequisites:** none.**Last Taught:** UWinterIM 2014, Spring 2009, Fall 2008, Summer 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 212 Fieldwork in Athletic Training**

1 cr. Undergraduate.

On-site observation of the athletic training profession. Students will rotate through different on-campus sites.

**Prerequisites:** Kin 310(C).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 216 Organization and Administration of Athletic Training**

3 cr. Undergraduate.

Delivery of athletic training services in various settings. Topics include program, personnel, information management, budgeting, documentation, insurance, legal considerations and current topics.

**Prerequisites:** admitted to athletic training maj; Kin 316(P); Kin 410(C) & Kin 416(C); or cons instr.**Last Taught:** Spring 2017, Spring 2016, Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 220 Anatomical Kinesiology**

3 cr. Undergraduate.

Anatomical analysis of the human body including joint actions, anatomical, muscular, and neuromuscular control aspects necessary for movement.

**Prerequisites:** none.**Course Rules:** Previously KIN 325.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 230 Health Aspects of Exercise and Nutrition**

3 cr. Undergraduate.

Examines physical fitness and proper nutrition as lifestyle choices in maintaining optimal health and minimizing health risks.

**Prerequisites:** none.**Course Rules:** Not open to students with credit in KIN 530, KIN 532, or PRPP 736. KIN 230 and NUTR 230 are jointly offered; they count as repeats of one another.**General Education Requirements:** NS**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 245 Client Diversity in Health Sciences: An Interdisciplinary Perspective**

3 cr. Undergraduate.

Interdisciplinary instruction on effective service delivery in the health sciences to culturally diverse individuals and families. Emphasis on the complexity of an individual's cultural identity.

**Prerequisites:** soph st or cons instr.

**Course Rules:** BMS/ComSDis/HCA/Kin/OccThpy/TherRec 245 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 255 Women in Sport and Physical Activity**

3 cr. Undergraduate.

Introduction theory and research on female participation in sport and physical activity.

**Prerequisites:** soph st or cons instr.

**General Education Requirements:** SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 270 Statistics in the Health Professions: Theory and Practice**

3 cr. Undergraduate.

Overview of statistical theory and practical application for health professionals. Includes problem solving strategies, descriptive and inferential techniques, and critical evaluation of research design.

**Prerequisites:** Satisfaction of Quantitative Literacy Part A.

**General Education Requirements:** QL B

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 289 Seminar in Athletic Training**

0 cr. Undergraduate.

Exposure to peer presentations, guest lectures on current topics, current literature updates/discussion, and program information updates.

**Prerequisites:** acceptance into Athletic Training prog.

**Course Rules:** Must be taken by student in the ATEP each sem of prog. Fee for 1 cr assessed.

**Last Taught:** Spring 2008, Fall 2007, Spring 2007, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 290 Special Topics in Human Movement Sciences:**

1-3 cr. Undergraduate.

Topics of current interest in kinesiology, health, and fitness. Special course fees may be required depending on course.

**Prerequisites:** specified in semester Schedule whenever required for a topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 296 UROP Research Study:**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising faculty member. One credit for 45 hours research.

**Prerequisites:** Acceptance to UROP prior or conc reg in UROP sem; cons instr.

**Course Rules:** May be retaken to 9 cr max in any combination of UROP Research Study courses.

**Last Taught:** Spring 2019, Fall 2017, Fall 2016, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specifically prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2018, Spring 2010, Fall 2009, Summer 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 298 Independent Projects**

1-3 cr. Undergraduate.

Designed for individual and small group research projects under faculty supervision.

**Prerequisites:** writ cons instr.

**Last Taught:** Fall 2021, Spring 2020, Fall 2016, Summer 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 299 Independent Reading**

1-3 cr. Undergraduate.

Designed for individual and small groups in special study. Meetings/nature of study to be arranged with staff/faculty chosen to supervise.

**Prerequisites:** cons instr.

**Last Taught:** Spring 2020, Spring 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 300 Professional Preparation Seminar**

1 cr. Undergraduate.

Seminar lecture/discussion to prepare students for internships and other professional opportunities. Topics include goal setting, resume-writing, site selection, interviewing techniques, and professional development.

**Prerequisites:** KIN 200(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 301 Field Experience in Kinesiology - I**

1 cr. Undergraduate.

Science and methods of exercise instruction for leading groups.

**Prerequisites:** admis to Kin major.

**Course Rules:** Counts as repeat of Kin 290 w/same topic.

**Last Taught:** Fall 2017, Spring 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 302 Field Experience in Kinesiology - II**

1 cr. Undergraduate.

Science and methods of exercise instruction for coaching and training individuals.

**Prerequisites:** admis to Kin major.

**Last Taught:** Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 303 Field Experience in Kinesiology - III**

1 cr. Undergraduate.

Continued exposure to hands-on aspect of the field; prepare students for internship and develop advanced professional skills and conduct.

**Prerequisites:** Kin 302(P); & Kin 325(P), 336(C), 430(C) or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 310 Responding to Emergencies**

1 cr. Undergraduate.

Focus on the development of skills necessary for professionals to act as 'first responders' in providing emergency medical care.

**Prerequisites:** Kin 212(C).**Course Rules:** Credit/No Credit only.**Last Taught:** Fall 2014, Fall 2013, Fall 2012, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 311 CPR/AED Recertification**

1 cr. Undergraduate.

CPR/AED recertification and review of basic First Aid.

**Prerequisites:** Kin 211 or CPR & standard first aid certification.**Last Taught:** Spring 1990, Spring 1989, Fall 1987, Fall 1986.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 312 Introduction to Prevention, Recognition, and Treatment of Athletic Injuries**

3 cr. Undergraduate.

Introduction to athletic training principles and techniques necessary for the prevention, recognition, care, and rehabilitation of athletic injuries.

**Prerequisites:** enrolled in ATEP Program, Kin 310(P); or cons instr.**Last Taught:** Spring 2015, Spring 2014, Spring 2013, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 314 Recognition and Evaluation of Injuries: Lower Extremity**

3 cr. Undergraduate.

Techniques/knowledge necessary to perform examination, treatment, prevention, and rehabilitation of sport-related injuries and illnesses of the lower extremity and associated areas.

**Prerequisites:** admis to athletic training major; Kin 413(C), & 416(C); or cons instr.**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 315 Recognition and Evaluation of Injuries: Upper Extremity**

3 cr. Undergraduate.

Techniques/knowledge necessary to perform examination, treatment, prevention, and rehabilitation of sport-related injuries and illnesses of the upper extremity and associated areas.

**Prerequisites:** admis to athletic training major; Kin 413(P), & 416(C); or cons instr.**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 316 Recognition and Evaluation of Athletic Injuries: Head, Neck, and Trunk**

3 cr. Undergraduate.

Techniques/knowledge necessary to perform examination, treatment, prevention, and rehabilitation of sport-related injuries and illnesses of the head, neck, and torso.

**Prerequisites:** admis to athletic training major; Kin 315(P), 414(C) & 416(C); or cons instr.**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 320 Biomechanics**

3 cr. Undergraduate.

Application of physical laws and mechanical principles to human movement.

**Prerequisites:** KIN 220(P) and satisfaction of GER Quantitative Literacy Part B; or consent of instructor.**Course Rules:** Not open to students with credit in KIN 520.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 330 Exercise Physiology**

4 cr. Undergraduate.

Study of the physiological responses to exercise and the adaptations to physical training.

**Prerequisites:** KIN 230(P) and satisfaction of GER Quantitative Literacy Part B; or consent of instructor.**Course Rules:** Not open to students with credit in KIN 530, KIN 532, or KIN 536.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 335 Exercise Testing: Assessing Physical Fitness**

3 cr. Undergraduate.

Guidelines and methods for administering, interpreting, and communicating health-related physical fitness assessments for individuals. Combines lecture and discussion with hands-on laboratory experience.

**Prerequisites:** KIN 200(P), KIN 230(P), and valid CPR/AED certification.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 336 Principles of Strength and Conditioning**

3 cr. Undergraduate.

Basic principles necessary to understand the effects of exercise and conditioning on human physiology. Exercise techniques and measures used to assess performance outcome.

**Prerequisites:** KIN 220(325)(P) and KIN 330(P); or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 337 Exercise Prescription: Principles of Exercise Program Design**

3 cr. Undergraduate.

Guidelines and methods for designing, implementing, and evaluating exercise programs for individuals. Combines lecture and discussion with hands-on laboratory experience.

**Prerequisites:** KIN 200(P), KIN 220(P), KIN 230(P), and valid CPR/AED certification.**Last Taught:** Fall 2023, Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 350 Psychological Aspects of Sport and Exercise**

3 cr. Undergraduate.

Examines relationships between psychological function and participation in sport and exercise. Topics include motivation, stress, group dynamics, and performance enhancement.

**Prerequisites:** Satisfaction of GER Quantitative Literacy Part B or consent of instructor.**Course Rules:** Not open to students with credit in KIN 550, KIN 551, or KIN 552.**General Education Requirements:** SS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 351 Sociological Aspects of Health and Human Movement**

3 cr. Undergraduate.

Introduction to sociology of physical activity. Examination of diversity and social inequality as they relate to health and physical activity.

**Prerequisites:** satisfaction of GER Quantitative Literacy Part B or consent of instructor.

**Course Rules:** Not open to students with credit in KIN 570.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 360 Motor Development Across the Lifespan**

3 cr. Undergraduate.

Introduction to gross motor behavior development through the lifespan (neo-natal to senior adult). Growth, maturation, environmental influences, and developmental theories.

**Prerequisites:** satisfaction of GER Quantitative Literacy Part B or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 361 Principles of Motor Learning**

3 cr. Undergraduate.

An overview of the principles of motor skill acquisition emphasizing variables related to the learner and the learning environment.

**Prerequisites:** satisfaction of GER Quantitative Literacy Part B or consent of instructor.

**Course Rules:** Not open to students with credit in KIN 561.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 365 Health Aspects of Mind and Body Practices**

3 cr. Undergraduate.

Exploration of the scientific research available on the effectiveness of common mind and body practices and the mechanisms through which these practices affect health.

**Prerequisites:** BMS 260(C) or equiv.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 368 Intervention Strategies in Complementary and Integrative Health Approaches**

3 cr. Undergraduate.

Examination of the efficacy of commonly used strategies and therapies considered to be Complementary and Alternative Medicine.

**Prerequisites:** BMS 260(P) or equiv.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 400 Ethics and Values in the Health and Fitness Professions**

3 cr. Undergraduate.

Exploration of morality and ethics and their importance in the allied health professions.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 400X Ethics and Values in the Health and Fitness Professions**

3 cr. Undergraduate.

Exploration of morality and ethics and their importance in the allied health professions.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 410 Medical Aspects of Illness Management**

3 cr. Undergraduate.

Knowledge and techniques used in identification and management of common medical conditions and illnesses in physically active populations.

**Prerequisites:** admis to Athletic Training major; Kin 316(P), 216(C), & 416(C), or cons instr.

**Last Taught:** Spring 2017, Spring 2016, Spring 2015, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 412 Foundations of Injury Prevention & Performance**

3 cr. Undergraduate.

The foundational knowledge, skills, and science that inform injury prevention, rehabilitation, and performance in sport and physical activity.

**Prerequisites:** Admis to athletic training prog; Kin 315(P), 320(P), & 416(C); or cons instr.

**Course Rules:** Counts as repeat of Kin(HMS) 290 w/same topic.

**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 413 Therapeutic Modalities in Athletic Training**

3 cr. Undergraduate.

Introduction to tissue healing, pain control, indications, contraindications, protocols, and the body's responses to various therapeutic modalities.

**Prerequisites:** admis to athletic training major; Kin 314(C), & 416(C); or cons instr.

**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 414 Therapeutic Exercise and Rehabilitation Techniques in Athletic Training**

3 cr. Undergraduate.

Introduction to the theory and practical aspects of therapeutic exercise and rehabilitation techniques used in the care of musculo-skeletal injuries.

**Prerequisites:** admis to athletic training prog; Kin 412(P) & 416(C); or cons instr.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2017, Spring 2016, Spring 2015, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 416 Competencies in Athletic Training**

2 cr. Undergraduate.

Practice, testing, and practical field application of educational competencies and clinical proficiencies in athletic training.

**Prerequisites:** acceptance into student Athletic Training prog.

**Course Rules:** May be retaken to 10 cr max.

**Last Taught:** Spring 2017, Fall 2016, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 430 Exercise Testing for Fitness Assessment and Exercise Prescription**

3 cr. Undergraduate.

Methods for assessing physical fitness in various populations, guidelines for graded exercise testing and exercise prescription. Integrates lecture material with laboratory experience.

**Prerequisites:** Kin 330(P) or cons instr; current CPR/AED cert.**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 440 Innovative Approaches to Health and Wellness Coaching**

3 cr. Undergraduate.

Study of health and wellness coaching theory and practice related to health behavior change.

**Prerequisites:** senior standing or consent of instructor.

**Course Rules:** Counts as repeat of KIN 590 with same topic. KIN 440 was previously KIN 482. KIN 440 and NUTR 440 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 480 Organization and Administration in the Exercise and Fitness Industry**

3 cr. Undergraduate.

Study of the delivery of exercise services in relationship to organization and administration of programs with emphasis on promotions, budget, supervision, equipment and facilities.

**Prerequisites:** admis to Kin major; or Kin minor; or cons instr.**Last Taught:** Fall 2019, Fall 2018, Fall 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 481 Program Development and Evaluation in the Exercise and Fitness Industry**

3 cr. Undergraduate.

Study of systematic program design and evaluation including systems approach, evaluation models, problem solving by objectives, management by objectives and accountability.

**Prerequisites:** Kin 330(P), 350(P), 351(P); or cons instr. Preference is given to students in the Health Promotion track.**Last Taught:** Spring 2019, Spring 2018, Spring 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 489 Kinesiology Internship**

1-6 cr. Undergraduate.

Application of kinesiology principles through guided, intensive field experience in exercise, sport, and health settings. Supervised development of professional skills and career exploration.

**Prerequisites:** advanced to Kin major, KIN 200(P), KIN 220(P), KIN 300(P), min GPA 2.0, and proof of CPR/AED.**Course Rules:** May be retaken to max of 6 cr. Not open for cr to students with cr in SPT&REC 489(ER).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Summer 2023, Summer 2019, Summer 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 520 Introduction to Biomechanics Research**

3 cr. Undergraduate/Graduate.

Introduction to biomechanics experimental methods and instrumentation. Emphasis on understanding the research literature and research process, from study design to data analysis.

**Prerequisites:** a grade of C or better in KIN 320(P); or graduate standing; or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 520G Introduction to Biomechanics Research**

3 cr. Undergraduate/Graduate.

Introduction to biomechanics experimental methods and instrumentation. Emphasis on understanding the research literature and research process, from study design to data analysis.

**Prerequisites:** a grade of C or better in KIN 320(P); or graduate standing; or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 522 Biomechanics of Athletic Performance**

3 cr. Undergraduate/Graduate.

Exploration of the mechanical factors that affect performance in a variety of athletic activities with a focus on methods to detect and correct faults in technique.

**Prerequisites:** junior standing; grade of C or better in KIN 320(P); or graduate standing; or consent of instructor.**Last Taught:** Fall 2021, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 522G Biomechanics of Athletic Performance**

3 cr. Undergraduate/Graduate.

Exploration of the mechanical factors that affect performance in a variety of athletic activities with a focus on methods to detect and correct faults in technique.

**Prerequisites:** junior standing; grade of C or better in KIN 320(P); or graduate standing; or consent of instructor.**Last Taught:** Fall 2021, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 530 Physiology of Performance**

3 cr. Undergraduate/Graduate.

Advanced study of the physiological responses to exercise and the adaptations to physical training.

**Prerequisites:** junior standing; grade of C or better in KIN 330(P); Kinesiology major or intended major; or graduate standing.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 530G Physiology of Performance**

3 cr. Undergraduate/Graduate.

Advanced study of the physiological responses to exercise and the adaptations to physical training.

**Prerequisites:** junior standing; grade of C or better in KIN 330(P); Kinesiology major or intended major; or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 531 Clinical Exercise Physiology**

3 cr. Undergraduate/Graduate.

Study of the physiological responses to exercise and the adaptations to physical training for those with chronic diseases, conditions and/or physical shortcomings.

**Prerequisites:** junior standing, a grade of C or better in KIN 330(P), and Kinesiology major or intended major; or graduate standing.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 531G Clinical Exercise Physiology**

3 cr. Undergraduate/Graduate.

Study of the physiological responses to exercise and the adaptations to physical training for those with chronic diseases, conditions and/or physical shortcomings.

**Prerequisites:** junior standing, a grade of C or better in KIN 330(P), and Kinesiology major or intended major; or graduate standing.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 532 Electrocardiography Interpretation**

3 cr. Undergraduate/Graduate.

In depth study of the 12 lead EKG and selected cardiovascular medications encountered in preventative and rehabilitative exercise programs.

**Prerequisites:** jr st; grade of C or better in Kin 330(P); 430(R); or grad st or cons instr.

**Course Rules:** Counts as repeat of Kin 590(HMS 590) with similar title.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 532G Electrocardiography Interpretation**

3 cr. Undergraduate/Graduate.

In depth study of the 12 lead EKG and selected cardiovascular medications encountered in preventative and rehabilitative exercise programs.

**Prerequisites:** jr st; grade of C or better in Kin 330(P); 430(R); or grad st or cons instr.

**Course Rules:** Counts as repeat of Kin 590(HMS 590) with similar title.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 533 Physiology of Performance: Testing and Application**

3 cr. Undergraduate/Graduate.

Practical exercise testing knowledge and application of typical performance measures.

**Prerequisites:** junior standing and KIN 335(P); or consent of instructor; or graduate standing.

**Course Rules:** Previously KIN 733.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 533G Physiology of Performance: Testing and Application**

3 cr. Undergraduate/Graduate.

Practical exercise testing knowledge and application of typical performance measures.

**Prerequisites:** junior standing and KIN 335(P); or consent of instructor; or graduate standing.

**Course Rules:** Previously KIN 733.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 534 Physical Activity, Exercise and Health**

3 cr. Undergraduate/Graduate.

The role of physical activity and exercise in the prevention and treatment of various chronic conditions and diseases.

**Prerequisites:** junior standing or greater; or graduate standing.

**Course Rules:** Previously KIN 732.

**Last Taught:** Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 534G Physical Activity, Exercise and Health**

3 cr. Undergraduate/Graduate.

The role of physical activity and exercise in the prevention and treatment of various chronic conditions and diseases.

**Prerequisites:** junior standing or greater; or graduate standing.

**Course Rules:** Previously KIN 732.

**Last Taught:** Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 550 Psychological Aspects of Human Movement**

3 cr. Undergraduate/Graduate.

Study of the relationships between psychological factors and human physical activity. Introduction to research relevant to sport and exercise psychology.

**Prerequisites:** jr st; must have obtained a grade of C or better in Kin 350(P) or cons instr.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 550G Psychological Aspects of Human Movement**

3 cr. Undergraduate/Graduate.

Study of the relationships between psychological factors and human physical activity. Introduction to research relevant to sport and exercise psychology.

**Prerequisites:** jr st; must have obtained a grade of C or better in Kin 350(P) or cons instr.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 555 Exercise Psychology**

3 cr. Undergraduate/Graduate.

Psychological antecedents and consequences of physical activity in relation to mental health and public health.

**Prerequisites:** jr st; Grade C or better in Kin 350(P) or cons instr.

**Course Rules:** Counts as repeat of Kin 590 with same topic.

**Last Taught:** Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 555G Exercise Psychology**

3 cr. Undergraduate/Graduate.

Psychological antecedents and consequences of physical activity in relation to mental health and public health.

**Prerequisites:** jr st; Grade C or better in Kin 350(P) or cons instr.**Course Rules:** Counts as repeat of Kin 590 with same topic.**Last Taught:** Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 556 Multilevel Approaches to Changing Physical Activity and Eating Behaviors**

3 cr. Undergraduate/Graduate.

An introduction to key theoretical and conceptual frameworks for understanding health-related behavior and evidence-based practical approaches for promoting behavior change.

**Prerequisites:** a grade of C or better in KIN 350(P); or graduate standing; or consent of instructor.**Course Rules:** Counts as repeat of KIN 590 with the same topic. KIN 556 and NUTR 556 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 556G Multilevel Approaches to Changing Physical Activity and Eating Behaviors**

3 cr. Undergraduate/Graduate.

An introduction to key theoretical and conceptual frameworks for understanding health-related behavior and evidence-based practical approaches for promoting behavior change.

**Prerequisites:** a grade of C or better in KIN 350(P); or graduate standing; or consent of instructor.**Course Rules:** Counts as repeat of KIN 590 with the same topic. KIN 556 and NUTR 556 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 561 Investigating Motor Behavior in Health, Aging, and Disease**

3 cr. Undergraduate/Graduate.

An introduction to the major theoretical and empirical perspectives used to examine how the nervous system and musculoskeletal system work cooperatively to produce human movement in health, aging, and disease.

**Prerequisites:** junior standing; a grade of C or better in KIN 361(P) or consent of instructor.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 561G Investigating Motor Behavior in Health, Aging, and Disease**

3 cr. Undergraduate/Graduate.

An introduction to the major theoretical and empirical perspectives used to examine how the nervous system and musculoskeletal system work cooperatively to produce human movement in health, aging, and disease.

**Prerequisites:** junior standing; a grade of C or better in KIN 361(P) or consent of instructor.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 570 Sociological Aspects of Physical Activity**

3 cr. Undergraduate/Graduate.

Relationships between sociological factors and human physical activity. Introduction to research relevant to the sociology of sport and other forms of physical activity.

**Prerequisites:** junior standing and a grade of C or better in KIN 351(P); or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 570G Sociological Aspects of Physical Activity**

3 cr. Undergraduate/Graduate.

Relationships between sociological factors and human physical activity. Introduction to research relevant to the sociology of sport and other forms of physical activity.

**Prerequisites:** junior standing and a grade of C or better in KIN 351(P); or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 573 Body Image: Influences and Health-Related Implications**

3 cr. Undergraduate/Graduate.

In-depth examination of the multidimensional body image construct: body image development, assessment, and modification; impact on health and behavior; body image in special populations.

**Prerequisites:** jr st; Psych 101(P).**Course Rules:** Counts as repeat of Kin 590 with same topic.**Last Taught:** Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 573G Body Image: Influences and Health-Related Implications**

3 cr. Undergraduate/Graduate.

In-depth examination of the multidimensional body image construct: body image development, assessment, and modification; impact on health and behavior; body image in special populations.

**Prerequisites:** jr st; Psych 101(P).**Course Rules:** Counts as repeat of Kin 590 with same topic.**Last Taught:** Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**KIN 574 Obesity and Weight Management**

3 cr. Undergraduate/Graduate.

Examination of the epidemiology of obesity, genetic and environmental contributors, body weight regulation, health and psychosocial consequences, and approaches to assessment, prevention, and treatment.

**Prerequisites:** junior standing and a grade of C or better in BMS 232(P) or NUTR 235(P).**Course Rules:** Counts as repeat of KIN 590 with same topic. KIN 574 and NUTR 574 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 574G Obesity and Weight Management**

3 cr. Undergraduate/Graduate.

Examination of the epidemiology of obesity, genetic and environmental contributors, body weight regulation, health and psychosocial consequences, and approaches to assessment, prevention, and treatment.

**Prerequisites:** junior standing and a grade of C or better in BMS 232(P) or NUTR 235(P).

**Course Rules:** Counts as repeat of KIN 590 with same topic. KIN 574 and NUTR 574 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 575 The Social Construction of Obesity**

3 cr. Undergraduate/Graduate.

Examines how obesity is socially constructed and how it shapes conceptions of fitness and physical activity.

**Prerequisites:** jr st; grade of C or better in Kin 351(P); or cons instr.

**Course Rules:** Counts as repeat of HMS 590 with same topic.

**Last Taught:** Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 575G The Social Construction of Obesity**

3 cr. Undergraduate/Graduate.

Examines how obesity is socially constructed and how it shapes conceptions of fitness and physical activity.

**Prerequisites:** jr st; grade of C or better in Kin 351(P); or cons instr.

**Course Rules:** Counts as repeat of HMS 590 with same topic.

**Last Taught:** Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 580 Sports Nutrition**

3 cr. Undergraduate/Graduate.

The integration and application of nutrition and exercise science principles to maximize health, fitness, and sport performance.

**Prerequisites:** junior standing and a grade of C or better in NUTR 235(P) or BMS 232(P).

**Course Rules:** Counts as a repeat of NUTR 550, or BMS 590 or KIN 590 with similar topic. NUTR 580 and KIN 580 are jointly offered; they count as repeats of one another.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 580G Sports Nutrition**

3 cr. Undergraduate/Graduate.

The integration and application of nutrition and exercise science principles to maximize health, fitness, and sport performance.

**Prerequisites:** junior standing and a grade of C or better in NUTR 235(P) or BMS 232(P).

**Course Rules:** Counts as a repeat of NUTR 550, or BMS 590 or KIN 590 with similar topic. NUTR 580 and KIN 580 are jointly offered; they count as repeats of one another.

**Last Taught:** Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 590 Current Topics in Human Kinetics:**

1-3 cr. Undergraduate/Graduate.

The specific topic will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing; consent of instructor for graduate credit.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Summer 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 590G Current Topics in Human Kinetics:**

1-3 cr. Undergraduate/Graduate.

The specific topic will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing; consent of instructor for graduate credit.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Summer 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 642G Professionalism and Ethos of Care**

3 cr. Undergraduate/Graduate.

The ethics of professional practice, fiduciary relationships, rights, duties associated with the patient/therapist relationship, and the role character plays in ethical decision-making.

**Prerequisites:** grad st; good standing in DPT prog

**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 701 Seminar in Human Movement Sciences**

1-3 cr. Graduate.

Research in the Human Movement Sciences subdisciplines including critical review of theories, perspectives and methods. Faculty, student presentations of current work.

**Prerequisites:** grad st

**Course Rules:** Retakable to 3 cr max.

**Last Taught:** Spring 2013, Spring 2012, Fall 2011, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 702 Statistical Analysis in the Health Sciences**

3 cr. Graduate.

Univariate, bivariate, and multivariate analyses as they apply to health science research.

**Prerequisites:** grad st; intro level statistics course at U/G or G level.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 703 Research Methods in Kinesiology**

3 cr. Graduate.

Methods for multi-disciplinary human movement inquiry; problem/statistical design; critique of available literature; preliminary thesis/project design.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 706 Research & Applied Statistics in Physical Therapy**

3 cr. Graduate.

Specific quantitative research designs and statistics with an emphasis on clinical research; methods for critically evaluating research literature.

**Prerequisites:** grad st, admis to DPT program; or cons instr.

**Last Taught:** Spring 2017, Spring 2016, Spring 2015, Summer 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 710 Evidence Based Practice: Levels of Evidence**

1 cr. Graduate.

Strategies for evaluating the evidence underlying physical therapy practice as a framework for creating and evaluating best practice decisions.

**Prerequisites:** grad st, admis to DPT Program; or cons instr.

**Last Taught:** Summer 2009, Summer 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 711 Evidence Based Practice: Interventions**

1 cr. Graduate.

Focus on information access and retrieval from research literature used to inform physical therapy interventions for treatment of movement disorders.

**Prerequisites:** grad st; admis to DPT Program or cons instr.

**Last Taught:** Fall 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 712 Evidence Based Practice: Tests & Measures**

1 cr. Graduate.

Focus on the critical analysis of published clinical research related to physical therapy tests and measures.

**Prerequisites:** grad st; admis to DPT program or cons instr.

**Last Taught:** Spring 2010, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 713 Professional Issues in Physical Therapy**

1 cr. Graduate.

Strategies for growth & adaptation of physical therapy practice in the context of a changing health care environment.

**Prerequisites:** grad st; valid license to practice physical therapy or cons instr

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 714 Evidence for Practice I**

3 cr. Graduate.

Provides clinicians with a rubric for searching & evaluating the published literature supporting physical therapy practice & informing best practice decisions.

**Prerequisites:** grad st; valid license to practice physical therapy or cons instr

**Last Taught:** Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 715 Evidence for Practice II**

3-6 cr. Graduate.

Synthesis of prior coursework in the development and presentation of a clinical practice decision supported with best evidence practices.

**Prerequisites:** grad st; valid license to practice physical therapy.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Summer 2008, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 716 Seminar: The Culture of Evidence**

1 cr. Graduate.

The role of evidence in physical therapy clinical decision making with application to current interventions.

**Prerequisites:** grad st; valid license to practice physical therapy or cons instr

**Last Taught:** Summer 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 717 Pharmacology In Rehabilitation**

2 cr. Graduate.

Pharmacologic agents encountered in physical therapy rehabilitation settings focusing on pharmacodynamics, pharmacokinetics, biotransformation of drugs, and clinical application for relevant drug classifications.

**Prerequisites:** grad st, admis to DPT Program; or cons instr

**Last Taught:** Spring 2013, Spring 2012, Fall 2011, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 720 Advanced Biomechanics Research**

3 cr. Graduate.

Introduction to advanced biomechanics collection techniques. Course focuses on basic programming, data collection/analysis, and presentation skills.

**Prerequisites:** grad st; Kin 520(C); or cons instr

**Course Rules:** Counts as repeat of Kin 590 with same topic.

**Last Taught:** Fall 2021, Fall 2018, Fall 2016, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 721 Muscle Mechanics & Modeling**

3 cr. Graduate.

An in-depth background in muscle mechanics. Basic muscle mechanics, classic research studies, and the development of a computer muscle model to understand force production and movement control through musculoskeletal modeling.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Counts as repeat of KIN 590 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 725 Interdisciplinary Themes in Biomechanics**

3 cr. Graduate.

Emphasis on biomechanical research themes of an interdisciplinary character. Readings drawn from primary research literature.

**Prerequisites:** grad st; Kin 520(P) or cons instr.

**Last Taught:** Fall 2014, Fall 2010, Spring 2006, Fall 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 743 Health Systems Review**

2 cr. Graduate.

Provides systems overview of screening procedures necessary to provide a comprehensive physical therapy diagnosis with an emphasis on screening for referral.

**Prerequisites:** grad st; valid license to practice physical therapy or cons instr

**Last Taught:** Spring 2008, Spring 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 761 Concepts of Human Motor Control**

3 cr. Graduate.

A systematic examination of neuromotor control mechanisms and critical review of research in human motor behavior focusing on variables limiting or facilitating performance and/or skill acquisition.

**Prerequisites:** grad st, Kin 561(P) or cons instr.

**Last Taught:** Spring 2022, Fall 2019, Fall 2017, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 762 Research Practicum in Motor Control**

3 cr. Graduate.

Demonstration/participation laboratory focused on human motor control experimental design. Topics include sampling, subject protection, techniques for quantification of motor performance characteristics and neuromuscular correlates.

**Prerequisites:** grad st; Kin 561(P) or cons instr.

**Last Taught:** Spring 2018, Spring 2017, Spring 2008, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 763 Neural Control of Movement**

3 cr. Graduate.

Fundamental concepts and current issues in how the brain and other neurological structures contribute to the control of movement.

**Prerequisites:** grad st, Kin 561(P) or cons instr.

**Last Taught:** Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 764 Neurophysiology of Human Movement**

3 cr. Graduate.

A neurophysiologic perspective on key areas of human motor control.

**Prerequisites:** grad st, Kin 561(P) or cons instr.

**Course Rules:** Counts as repeat of Kin(HMS) 590 with same topic.

**Last Taught:** Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 780 Clinical Teaching**

2 cr. Graduate.

Exploration of patient education intervention focusing on patient adherence in the context of learning theory, adult learning, and learning domains.

**Prerequisites:** grad st, admis to DPT Program; or cons instr.

**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 798 Independent Project**

1-6 cr. Graduate.

Student research in consultation with and supervised by a graduate faculty member.

**Prerequisites:** grad st; cons instr

**Course Rules:** Retakable w/ chg in topic to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 799 Independent Reading**

1-3 cr. Graduate.

Independent study of a topic selected by the student in consultation with the supervising graduate faculty member.

**Prerequisites:** grad st; cons instr.

**Course Rules:** May be repeated with change in topic to max of 6 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 830 Physiological Adaptations to Exercise**

3 cr. Graduate.

Physiological factors related to performing physical activity and exercise on a chronic basis; various environmental influences on physical performance.

**Prerequisites:** grad st; a grade of C or better in Kin 530(P).

**Last Taught:** Fall 2013, Fall 2011, Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 850 Seminar in Psychological Aspects of Physical Activity:**

3 cr. Graduate.

Advanced seminar on selected topics in the psychology of physical activity.

**Prerequisites:** grad st; Kin 550(P) or cons instr.

**Course Rules:** May be repeated with change in topic to max of 6 cr.

**Last Taught:** Spring 2018, Spring 2017, Spring 2015, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 871 Socialization and Physical Activity**

3 cr. Graduate.

Advanced seminar on research relevant to the development/lack of development of physically active lifestyles.

**Prerequisites:** grad st; Kin 870(P) or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Summer 2019, Summer 2018, Spring 2018, Summer 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 890 Capstone Project**

1-6 cr. Graduate.

Preparation of a research project under the supervision of the student's major professor.

**Prerequisites:** grad st.

**Course Rules:** Not open to students selecting options A.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 891 Research Seminar**

3 cr. Graduate.

Advanced seminar on the synthesis and critique of research literature within the student's primary and secondary subdisciplines.

**Prerequisites:** grad st; completion of all or conc reg in remaining coursework for degree.

**Course Rules:** Not open to option A or C students.

**Last Taught:** Summer 2013, Summer 2012, Spring 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 895 Research and Thesis**

1-6 cr. Graduate.

Preparation of a thesis under the direction of the student's primary and secondary advisors.

**Prerequisites:** grad st; cons instr

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 909 Guided Teaching Experience in Health Sciences**

3 cr. Graduate.

This course provides the student, under the supervision of a faculty member, with the opportunity to design, deliver, and evaluate an undergraduate course.

**Prerequisites:** graduate standing, one of the following: ATRAIN 900(P), OCCTHPY 900(P), PRPP 900(P), or PT 900(P), and consent of instructor.

**Course Rules:** Satisfactory/Unsatisfactory only. ATRAIN 909, BMS 909, COMSDIS 909, HCA 909, KIN 909, OCCTHPY 909, PT 909, and PRPP 909 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 910 Advanced Seminar in Health Sciences**

1 cr. Graduate.

Faculty, graduate students, and invited guests will present their research and engage in discussion around themes of broad interest, e.g., public health.

**Prerequisites:** grad st

**Course Rules:** Retakable to 4 cr max.

**Last Taught:** Spring 2021, Spring 2019, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 930 Seminar in Exercise Physiology**

1-3 cr. Graduate.

Evaluation of current research and methodology in exercise physiology.

**Prerequisites:** grad st; cons instr

**Course Rules:** Retakable to 9 cr max w/change in topic.

**Last Taught:** Spring 2021, Fall 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 990 Research and Thesis**

1-6 cr. Graduate.

Preparation of a thesis under the direction of the student's primary and secondary advisors.

**Prerequisites:** grad st.

**Course Rules:** May be repeated to max of 6 cr. Not open to students selecting options B or C.

**Last Taught:** Summer 2007, Spring 2007, Fall 2006, Summer 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 991 Doctoral Dissertation**

1-12 cr. Graduate.

Dissertation research

**Prerequisites:** grad st; admit to Ph.D. candidacy

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KIN 999 Advanced Independent Study**

1-6 cr. Graduate.

Independent study on topic selected by student and supervising graduate faculty member.

**Prerequisites:** grad st; cons instr

**Last Taught:** Fall 2022, Summer 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Korean (KOREAN)

**KOREAN 101 First-Semester Korean**

5 cr. Undergraduate.

Beginning Korean for students with no previous knowledge of the language.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 102 Second-Semester Korean**

5 cr. Undergraduate.

Continuation of Korean 101.

**Prerequisites:** Korean 101(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (4 retro cr).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 192 First-Year Seminar**

3 cr. Undergraduate.

Specific humanities topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 199 Independent Study**

1-3 cr. Undergraduate.

Independent work under supervision of faculty or academic staff member. For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 201 Third Semester Korean**

5 cr. Undergraduate.

Continuation of Korean 102.

**Prerequisites:** Korean 102(NP) or equiv. Generates L&S credit for demonstrated equivalent preparation (8 retro cr).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 202 Fourth Semester Korean**

5 cr. Undergraduate.

Continuation of Korean 201.

**Prerequisites:** Korean 201(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (12 retro cr).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 221 Korean Culture and Society**

3 cr. Undergraduate.

Exploration of Korean history, language, religion, and social values through literature, film, and discussion.

**Prerequisites:** none.

**Course Rules:** Counts as a repeat of FLL 216 w/same topic.

**General Education Requirements:** HU

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 289 Internship in Korean, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Korean in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** 2.50 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc regin UROP seminar.

**Course Rules:** One cr for 45 hrs research. May be retaken to 9 cr max in any combination of UROP apprenticeship courses. Not open to jrs & srs.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 301 Fifth Semester Korean**

3 cr. Undergraduate.

First half of a third year course designed for those who have successfully completed Korean language study up through the 200-level.

**Prerequisites:** KOREAN 202(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (16 retro cr).

**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 302 Sixth Semester Korean**

3 cr. Undergraduate.

Sixth semester course of the Korean language sequence. Korean language skills in speaking, writing, listening, and reading at the intermediate/advanced level.

**Prerequisites:** KOREAN 301(P).

**Course Rules:** Generates L&S credit for demonstrated equivalent preparation (16 retro cr).

**Last Taught:** Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 325 Korean Contemporary Culture and the Korean Wave**

3 cr. Undergraduate.

Korean contemporary culture, including diverse Korean media products such as cinema, drama, and music, focusing on contemporary Korean media contents referred to 'Hallyu (the Korean Wave)'.

**Prerequisites:** junior standing or greater and completion of OWC-A.

**General Education Requirements:** OWCB

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 489 Internship in Korean, Upper Division**

1-6 cr. Undergraduate.

Application of basic principles of Korean in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 2.50 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2018, Spring 2017, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**KOREAN 699 Advanced Independent Study**

1-3 cr. Undergraduate.

Advanced level independent work under the supervision of a Korean faculty or academic staff member.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2022, Fall 2021, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Latin (LATIN)

**LATIN 103 First Semester Latin**

4 cr. Undergraduate.

A systematic introduction to the morphology, syntax, and vocabulary of Latin.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LATIN 104 Second Semester Latin**

4 cr. Undergraduate.

Continuation of Latin 103: systematic introduction to the morphology, syntax, and vocabulary of Latin.

**Prerequisites:** Latin 103(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (4 retro crs).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 150 Intensive Latin**

4 cr. Undergraduate.

Rapid introduction to Latin for students in fields other than classics who require a knowledge of Latin for continued work in their fields. Readings concentrate on medieval Latin.

**Prerequisites:** none.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken to 6 cr max.**Last Taught:** Summer 2020, Fall 2008, Summer 2008, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 205 Third Semester Latin**

4 cr. Undergraduate.

Continuation of Latin 104: systematic introduction to the morphology, syntax, and vocabulary of Latin.

**Prerequisites:** Latin 104(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (8 retro crs).**Course Rules:** Counts as repeat of Latin 201.**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 289 Internship in Latin, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Latin in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Latin; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one additional semester.

**Prerequisites:** none; additional prerequisites may be assigned to specific topic.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 306 Readings in Latin Literature:**

3 cr. Undergraduate.

Reading of texts of Latin literature with emphasis on morphology, syntax, vocabulary; a transition to 500 level courses.

**Prerequisites:** LATIN 205(P) or equivalent HS prep as determined by placement test. Generates L&S credit for demonstrated equivalent preparation (12 retro crs).**Course Rules:** Counts as repeat of 2 cr of LATIN 203 & 1 cr of LATIN 310. May be retaken with change in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 489 Internship in Latin, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of Latin in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Latin; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.**Last Taught:** Spring 2005, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 2010, Spring 2001, Fall 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 501 Readings in Latin Prose:**

3 cr. Undergraduate/Graduate.

Extensive reading in a major author or related major authors; e.g., Cicero, Caesar, the historians, Seneca, Pliny the Younger.

**Prerequisites:** junior standing and LATIN 306(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (16 retro crs).**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2021, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LATIN 501G Readings in Latin Prose:**

3 cr. Undergraduate/Graduate.

Extensive reading in a major author or related major authors; e.g., Cicero, Caesar, the historians, Seneca, Pliny the Younger.

**Prerequisites:** junior standing and LATIN 306(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (16 retro crs).**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2021, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LATIN 502 Readings in Latin Poetry:**

3 cr. Undergraduate/Graduate.

Extensive reading in a major or related major authors, e.g., the comic dramatists, the lyric poets, the elegists, the satirists, the writers of epic.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LATIN 502G Readings in Latin Poetry:**

3 cr. Undergraduate/Graduate.

Extensive reading in a major or related major authors, e.g., the comic dramatists, the lyric poets, the elegists, the satirists, the writers of epic.

**Prerequisites:** jr st; Latin 306(P) or equiv; equiv H.S. prep determined by placement test. Generates L&S credit for demonstrated equivalent preparation (16 retro crs)..

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LATIN 508 Latin Prose Composition**

3 cr. Undergraduate/Graduate.

Survey of Latin syntax and idioms, with appropriate exercises in prose composition. Required of Latin majors.

**Prerequisites:** Latin 310(P) or equiv prep as judged by instr.

**Last Taught:** Spring 2007, Spring 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LATIN 508G Latin Prose Composition**

3 cr. Undergraduate/Graduate.

Survey of Latin syntax and idioms, with appropriate exercises in prose composition. Required of Latin majors.

**Prerequisites:** Latin 310(P) or equiv prep as judged by instr.

**Last Taught:** Spring 2007, Spring 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LATIN 699 Directed Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a Classics faculty or instructional academic staff member. Students must submit a study proposal. For more information, consent of instructor, department chair, and Assistant Dean for Student Academic

**Last Taught:** Fall 2023, Fall 2022, Fall 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Latin American and Caribbean Studies (LACS)

**LACS 101 Introduction to Latin American and Caribbean Studies**

3 cr. Undergraduate.

Lectures and discussion of a range of topics relating to Latin America and the Caribbean that lead to an understanding of the cultures of these areas.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 192 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 193 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 199 Independent Study:**

1-3 cr. Undergraduate.

Independent work under supervision of faculty or academic staff member. For further information, consult the program director.

**Prerequisites:** 2.0 GPA, consent of instructor, program director, and Assistant Dean for Student Academic Services.

**Course Rules:** Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 201 Special Topics in Latin American and Caribbean Studies:**

3 cr. Undergraduate.

Topics concerning Latin America and/or the Caribbean, with little or no focus on their diasporas.

**Prerequisites:** none.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 289 Internship in Latin American/Caribbean Studies, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of history in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** 2.50 gpa, cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.

**Course Rules:** One credit for 45 hrs research. Retakable to 9 cr max in any combinations of UROP apprenticeship courses.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM-sponsored program before course work levels, content, and credits are determined and/or in specially-prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Summer 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only progr dir & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 301 Advanced Topics in Latin American and Caribbean Studies:**

3 cr. Undergraduate.

Advanced-level topics concerning Latin America and/or the Caribbean, with little or no focus on their diasporas.

**Prerequisites:** jr st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 326 Brazilian Politics and Society**

3 cr. Undergraduate.

Puzzles and complexities of governing Brazil in 20th and 21st centuries. Historical and institutional foundations of the Brazilian state; current political, economic, and social environment.

**Prerequisites:** jr st.

**Course Rules:** Comparative politics course. LACS 326 & Pol Sci 326 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 489 Internship in Latin American/Caribbean Studies, Upper Division**

1-6 cr. Undergraduate.

Application of basic principles of Latin American/Caribbean studies in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 2.50 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. Retakable to 6 cr max.

**Last Taught:** Spring 2017, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 496 Advanced UROP Apprenticeship**

1-3 cr. Undergraduate.

Advanced undergraduate research participation in a project developed with a supervising member of the faculty of staff.

**Prerequisites:** acceptance to UROP; prior UROP apprenticeship or equiv rsrch experience.

**Course Rules:** One cr for 45 hrs research. Retakable to 9 cr max in any combination of UROP apprenticeship courses.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM-sponsored program before course work level, content, and credits are determined and/or in specially-prepared program course work.

**Prerequisites:** junior standing and acceptance for Study Abroad Program.

**Course Rules:** Retakable with change in topic.

**Last Taught:** Summer 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM-sponsored program before course work level, content, and credits are determined and/or in specially-prepared program course work.

**Prerequisites:** junior standing and acceptance for Study Abroad Program.

**Course Rules:** Retakable with change in topic.

**Last Taught:** Summer 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only progr dir & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 699 Advanced Independent Study**

1-3 cr. Undergraduate.

Advanced level independent work under the supervision of a Latin American/Caribbean studies faculty or academic staff member.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, program director, and Assistant Dean for Student Academic Services.

**Course Rules:** Retakable with change in topic to 9 cr max in any combination of LACS/Latino 698, LACS 699, and Latino 699.

**Last Taught:** Fall 2021, Spring 2021, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACS 789 Graduate Internship in Latin American and Caribbean Studies**

1-3 cr. Graduate.

Application of basic principles of Latin American/Caribbean Studies in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** One cr earned for academic work based on 40 hrs in internship. Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Latin American, Caribbean, and U.S. Latinx Studies (LACUSL)

**LACUSL 199 Independent Study**

1-3 cr. Undergraduate.

Independent work under supervision of faculty or academic staff member. For further information, consult the program coordinator.

**Prerequisites:** 2.0 GPA; consent of instructor, program coordinator, and Assistant Dean for Student Academic Services.

**Course Rules:** Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LACUSL 200 Special Topics in Latin American, Caribbean, and U.S. Latinx Studies:**

3 cr. Undergraduate.

Various topics that integrate the experiences of Latin American, Caribbean, and U.S. Latinx populations, environments, and/or cultures.

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Fall 2000, Spring 1998.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**L&S NS 489 Internship in Natural Sciences, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of natural sciences in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in natural sciences; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hrs work in internship. Retakable to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**L&S NS 496 UROP Apprenticeship, Upper Level**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff. One credit for 45 hrs research.

**Prerequisites:** jr st; acceptance to UROP; prior or conc reg in UROP seminar.**Course Rules:** Retakable to 9 cr max in any combination of UROP Apprenticeship courses.**Last Taught:** Spring 2019, Fall 2017, Spring 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**L&S NS 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Last Taught:** UWinterIM 2024, UWinterIM 2023, UWinterIM 2020, UWinterIM 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S NS 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Letters and Science-Social Sciences (L&S SS)

**L&S SS 100 Experiential Learning**

1-3 cr. Undergraduate.

Provides reflection, journaling, and other practices designed to make experiential learning activities more meaningful and impactful.

**Prerequisites:** none.

**Course Rules:** May be retaken twice, for a max of 6 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 193 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 268 Practicum in Mock Trial I**

1-3 cr. Undergraduate.

Introduction to the issues, concepts, and practice of mock trial.

**Prerequisites:** none.

**Course Rules:** Retakable to 6 cr max. Students may not earn more than a total of 9 cr in Pol Sci/L&S SS 268/468 combined.

**Last Taught:** Fall 2019, Spring 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 289 Internship in Social Sciences, Lower Division:**

1-6 cr. Undergraduate.

Application of basic principles of social sciences in a business, organizational, educational, political, or other appropriate settings.

**Prerequisites:** intro course in social sciences; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs work in internship. Retakable to 6 cr max.

**Last Taught:** Spring 2018, Fall 2017, Summer 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 291 UROP Seminar**

1 cr. Undergraduate.

Discussion of the methodology and intellectual underpinnings of academic research. Required of all UROP participants.

**Prerequisites:** acceptance to UROP; conc reg in UROP apprenticeship.

**Course Rules:** Retakable to max 4 cr in any combination of L&S SS 291, 294, & 295.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.

**Course Rules:** One credit for 45 hrs research. Retakable to 9 cr max in any combination of UROP apprenticeship courses.

**Last Taught:** Fall 2018, Spring 2018, Fall 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Program.

**Course Rules:** Retakable with change in topic.

**Last Taught:** Fall 2023, Summer 2022, Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires department and associate dean approval. In exceptional circumstances, can be offered in one additional semester.

**Prerequisites:** none; additional prerequisites may be assigned to specific topic.

**Course Rules:** Retakable with change in topic.

**Last Taught:** Fall 2023, Spring 1997, Fall 1996, Spring 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 468 Practicum in Mock Trial II**

1-3 cr. Undergraduate.

Continuation of the study of the issues, concepts, and practice of mock trial.

**Prerequisites:** jr st; Commun/Pol Sci 268(P); satisfaction of GER English Composition competency req.

**Course Rules:** Retakable to 6 cr max. Students may not earn more than a total of 9 cr in Pol Sci/L&S SS 268/468 combined.

**Last Taught:** Fall 2019, Spring 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 489 Internship in Social Sciences, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of social sciences in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in social sciences; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. Retakable to 6 cr max.

**Last Taught:** Spring 2019, Fall 2014, Summer 2014, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**L&S SS 496 UROP Apprenticeship, Upper-Level**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff. One credit for 45 hrs research.

**Prerequisites:** jr st; acceptance to UROP; prior or conc reg in UROP seminar.**Course Rules:** Retakable to 9 cr max in any combination of UROP Apprenticeship courses.**Last Taught:** Spring 2023, Spring 2020, Fall 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**L&S SS 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Spring 2020, Spring 2018, Spring 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**L&S SS 498 Washington Internship**

9 cr. Undergraduate.

Thirty-six hours of work per week in approved internships in Washington, D.C. supervised by the Washington Center for Learning Alternatives. Weekly seminar attendance.

**Prerequisites:** jr st, nomination by Washington Intern Committee, & conc reg in appropriate 699 or other independent study course.**Course Rules:** Cr/no cr only.**Last Taught:** Summer 2014, Spring 2013, Fall 2011, Summer 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**L&S SS 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** Retakable w/chg in topic.**Last Taught:** Fall 1997, Spring 1997, Fall 1996.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Linguistics (LINGUIS)

**LINGUIS 100 The Diversity of Human Language**

3 cr. Undergraduate.

Survey course on the nature and diversity of human language. Topics include language and society, dialects, language and culture, language acquisition, and language typology.

**Prerequisites:** none.**General Education Requirements:** CD, HU**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 199 Independent Study**

1-3 cr. Undergraduate.

**Prerequisites:** 2.0 GPA, consent of instructors, and either Linguis 100 or any Linguis course 200 or above.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Spring 2007, Spring 2006, Fall 2005, Spring 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 210 Power of Words**

3 cr. Undergraduate.

Dynamic role of language in interpersonal relations, social attitudes and behavior. Topics include: patterns of culture and language, language as identification; prejudice, politics, and advertisement.

**Prerequisites:** none.**General Education Requirements:** CD, HU**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 211 Origins of Words**

3 cr. Undergraduate.

Vocabulary of English from historical origins to the present; how words and word patterns change over time under influences of both internal and external forces.

**Prerequisites:** none.**General Education Requirements:** HU**Last Taught:** Fall 2012, Spring 2011, Spring 2007, Fall 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 212 Language and Gender**

3 cr. Undergraduate.

How patterns of speaking reflect, perpetuate, and create our experience of gender; how gender interacts with race, class, socioeconomic status, age, occupational and social roles.

**Prerequisites:** none.**Course Rules:** Counts as a repeat of Linguis 200 with same topic.**General Education Requirements:** SS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 289 Internship in Linguistics, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of linguistics in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Linguis; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM-sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/topic chg.**Last Taught:** Fall 2019, Spring 2019, Fall 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 303 Fifth Semester of an Uncommonly Taught Language:**

3-4 cr. Undergraduate.

Continuation of FLL/Linguis 204(Linguis 232). Number of credits earned by student is determined by the credit value assigned to section number.

**Prerequisites:** FLL/Linguis 204(Linguis 232)(P) in same language.**Course Rules:** May be retaken w/chg in language. FLL 303 & Linguis 303 are jointly offered; w/same topic, they count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 304 Sixth Semester of an Uncommonly Taught Language:**

3 cr. Undergraduate.

Continuation of AMLLC 303 and LINGUIS 303. Number of credits earned by student is determined by the credit value assigned to section number.

**Prerequisites:** AMLLC 303(P) or LINGUIS 303(P) in the same language.

**Course Rules:** Previously FLL 304. May be retaken with change in language. AMLLC 304 and LINGUIS 304 are jointly offered; with the same topic, they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 350 Introduction to Linguistics**

3 cr. Undergraduate.

Introduction to basic linguistic principles and concepts. Elementary analysis of sentence patterns, sound systems and language change.

**Prerequisites:** jr st or a linguistics course.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 398 Topics in Linguistics:**

1-6 cr. Undergraduate/Graduate.

Topics in any of several recognized areas of linguistics.

**Prerequisites:** jr st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2016, Summer 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 398G Topics in Linguistics:**

1-6 cr. Undergraduate/Graduate.

Topics in any of several recognized areas of linguistics.

**Prerequisites:** jr st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2016, Summer 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 400 Introduction to English Linguistics**

3 cr. Undergraduate/Graduate.

Application of linguistic theory and techniques to modern English. Course is required of all English majors and minors in the College of Community Engagement & Professions' School of Education.

**Prerequisites:** junior standing and satisfaction of GER English Composition competency requirement.

**Course Rules:** ENGLISH 400 and LINGUIS 400 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 400G Introduction to English Linguistics**

3 cr. Undergraduate/Graduate.

Application of linguistic theory and techniques to modern English. Course is required of all English majors and minors in the College of Community Engagement & Professions' School of Education.

**Prerequisites:** junior standing and satisfaction of GER English Composition competency requirement.

**Course Rules:** ENGLISH 400 and LINGUIS 400 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 406 Advanced English Grammar**

3 cr. Undergraduate/Graduate.

Continuation of English 403 with emphasis on the analysis of complex sentences and discourse syntax.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 403(P).

**Course Rules:** English 406 & Linguistics 406 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 406G Advanced English Grammar**

3 cr. Undergraduate/Graduate.

Continuation of English 403 with emphasis on the analysis of complex sentences and discourse syntax.

**Prerequisites:** jr st; satisfaction of GER English Composition competency req; English 403(P).

**Course Rules:** English 406 & Linguistics 406 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 415 First Language Acquisition**

3 cr. Undergraduate/Graduate.

Examination of research on what individuals know about their first language at different ages and the kinds of theories offered to explain these data.

**Prerequisites:** jr st & Linguistics 350(P); or grad st & cons instr.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 415G First Language Acquisition**

3 cr. Undergraduate/Graduate.

Examination of research on what individuals know about their first language at different ages and the kinds of theories offered to explain these data.

**Prerequisites:** jr st & Linguistics 350(P); or grad st & cons instr.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 420 Introduction to Second Language Acquisition**

3 cr. Undergraduate/Graduate.

Principles and methods of describing and comparing the structure of two or more languages with emphasis on the implications of this comparison for language learning.

**Prerequisites:** jr st; Linguistics 350(P) or equiv.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 420G Introduction to Second Language Acquisition**

3 cr. Undergraduate/Graduate.

Principles and methods of describing and comparing the structure of two or more languages with emphasis on the implications of this comparison for language learning.

**Prerequisites:** jr st; Linguistics 350(P) or equiv.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 430 Language and Society**

3 cr. Undergraduate/Graduate.

The influence of society on language and of language on society. Language as social interaction, speech styles, social dialects; effects on language change.

**Prerequisites:** jr st & LINGUIS 350(P).**General Education Requirements:** SS**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 430G Language and Society**

3 cr. Undergraduate/Graduate.

The influence of society on language and of language on society. Language as social interaction, speech styles, social dialects; effects on language change.

**Prerequisites:** jr st & LINGUIS 350(P).**General Education Requirements:** SS**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 432 Urban Dialects**

3 cr. Undergraduate/Graduate.

Study of language variation in urban areas. Structure of black English vernacular and its relation to other dialects. Social and educational implications of dialect variation.

**Prerequisites:** jr st & LINGUIS 100 or 350.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 432G Urban Dialects**

3 cr. Undergraduate/Graduate.

Study of language variation in urban areas. Structure of black English vernacular and its relation to other dialects. Social and educational implications of dialect variation.

**Prerequisites:** jr st & LINGUIS 100 or 350.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 440 Psycholinguistics**

3 cr. Undergraduate/Graduate.

A survey of the history, goals, methods, and findings of psycholinguistics. Principal topics: phonetic perception, speech production, syntactic processing, linguistic memory, meaning, and language acquisition.

**Prerequisites:** jr st; LINGUIS 350(R) or PSYCH 101(R); or grad st & cons instr.**General Education Requirements:** SS**Last Taught:** Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 440G Psycholinguistics**

3 cr. Undergraduate/Graduate.

A survey of the history, goals, methods, and findings of psycholinguistics. Principal topics: phonetic perception, speech production, syntactic processing, linguistic memory, meaning, and language acquisition.

**Prerequisites:** jr st; LINGUIS 350(R) or PSYCH 101(R); or grad st & cons instr.**General Education Requirements:** SS**Last Taught:** Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 441 Introduction to TESOL Methods**

3 cr. Undergraduate.

Overview of the various approaches to teaching English as a second language (TESOL) to adult/university-level learners.

**Prerequisites:** junior standing or consent of instructor.**Course Rules:** Previously LINGUIS 565.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 450 Introduction to Phonetics**

3 cr. Undergraduate.

Introduction to phonetics, the basics of speech production and speech acoustics.

**Prerequisites:** junior standing.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 455 Semantics**

3 cr. Undergraduate.

The study of meaning in language; its role in grammatical description. Basic concepts used in semantic analysis and discussion of their place in grammatical theory.

**Prerequisites:** jr st & LINGUIS 350(P) or PHILOS 211(P), cons instr.**Course Rules:** Previously LINGUIS 466.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 461 Introduction to Phonology**

3 cr. Undergraduate.

Basic properties of sounds, sound patterns, and sound processes of spoken language.

**Prerequisites:** jr st & LINGUIS 350(P); or cons instr.**Course Rules:** Previously LINGUIS 460.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 464 Introduction to Syntax**

3 cr. Undergraduate/Graduate.

Study of word and sentence formation in languages. Practice in analysis and argumentation using data from various languages.

**Prerequisites:** jr st & LINGUIS 350(P); or grad st & cons instr.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 464G Introduction to Syntax**

3 cr. Undergraduate/Graduate.

Study of word and sentence formation in languages. Practice in analysis and argumentation using data from various languages.

**Prerequisites:** jr st & LINGUIS 350(P); or grad st & cons instr.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 468 Language in its Various Forms:**

3 cr. Undergraduate/Graduate.

Analysis and description of various language types. Topics may include language change, language development, dialectology, and language typology.

**Prerequisites:** junior standing and LINGUIS 350(P); or graduate standing; or consent of instructor.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 468G Language in its Various Forms:**

3 cr. Undergraduate/Graduate.

Analysis and description of various language types. Topics may include language change, language development, dialectology, and language typology.

**Prerequisites:** junior standing and LINGUIS 350(P); or graduate standing; or consent of instructor.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 470 Historical/Comparative Linguistics**

3 cr. Undergraduate/Graduate.

The study of language change; introduction to internal reconstruction and the comparative method; generative approaches to historical change.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 470G Historical/Comparative Linguistics**

3 cr. Undergraduate/Graduate.

The study of language change; introduction to internal reconstruction and the comparative method; generative approaches to historical change.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 474 Language Typology and Language Universals**

3 cr. Undergraduate/Graduate.

Comparison of phonetic, syntactic, and lexical patterns of different languages, with emphasis on deriving statements about properties of all languages or of significant subclasses of languages.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Last Taught:** Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 474G Language Typology and Language Universals**

3 cr. Undergraduate/Graduate.

Comparison of phonetic, syntactic, and lexical patterns of different languages, with emphasis on deriving statements about properties of all languages or of significant subclasses of languages.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Last Taught:** Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 476 Linguistic Theory**

3 cr. Undergraduate/Graduate.

Survey of twentieth century American linguistic theories from traditionalism through American structuralism to generative grammar, including discussion of some current issues.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 476G Linguistic Theory**

3 cr. Undergraduate/Graduate.

Survey of twentieth century American linguistic theories from traditionalism through American structuralism to generative grammar, including discussion of some current issues.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 489 Internship in Linguistics, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of linguistics in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in linguistics; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. May be retaken to 6 cr max.

**Last Taught:** Spring 2010, Fall 2005, Spring 2005, Spring 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 490 Field Methods**

3 cr. Undergraduate/Graduate.

Work with a native speaker of a foreign language. Gathering and collation of data. Evaluation of possible phonemic and grammatical analyses.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Last Taught:** Fall 2014, Fall 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 490G Field Methods**

3 cr. Undergraduate/Graduate.

Work with a native speaker of a foreign language. Gathering and collation of data. Evaluation of possible phonemic and grammatical analyses.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Last Taught:** Fall 2014, Fall 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 510 Methodologies in English Language Teaching**

3 cr. Undergraduate.

Students develop comprehensive understanding of sound methodological approaches that can be used in teaching of reading, writing, grammar, and listening/speaking to ESL/EFL learners.

**Prerequisites:** junior standing or above and LINGUIS 441(P) (previously LINGUIS 565).

**Course Rules:** Previously LINGUIS 410.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 520 Advanced Second Language Acquisition:**

3 cr. Undergraduate/Graduate.

Readings, discussions, and analyses of current issues in second-language acquisition theory.

**Prerequisites:** jr st; Linguis 420(P) or equiv.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 520G Advanced Second Language Acquisition:**

3 cr. Undergraduate/Graduate.

Readings, discussions, and analyses of current issues in second-language acquisition theory.

**Prerequisites:** jr st; Linguis 420(P) or equiv.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 550 Advanced Phonetics**

3 cr. Undergraduate.

Auditory phonetics; issues in speech production and speech acoustics; quantitative study of speech sounds in linguistic contexts; independent experimental research on topic selected by student.

**Prerequisites:** junior standing and LINGUIS 450(P) or consent of instructor.

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 555 Advanced Semantics**

3 cr. Undergraduate.

Readings, discussion, and analysis of current issues in formal semantics for natural language.

**Prerequisites:** junior standing and LINGUIS 466(P) or equivalent.

**Course Rules:** Previously LINGUIS 566.

**Last Taught:** Fall 2022, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 561 Advanced Phonology**

3 cr. Undergraduate.

Fundamental issues in generative phonology; emphasis on comparing alternative models of phonological description.

**Prerequisites:** junior standing and LINGUIS 460(P).

**Course Rules:** Previously LINGUIS 560.

**Last Taught:** Fall 2022, Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 564 Advanced Syntax**

3 cr. Undergraduate/Graduate.

Continuation of Linguis 464, with greater emphasis on the evaluation and justification of competing solutions and competing models of grammar.

**Prerequisites:** jr st & Linguis 464(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 564G Advanced Syntax**

3 cr. Undergraduate/Graduate.

Continuation of Linguis 464, with greater emphasis on the evaluation and justification of competing solutions and competing models of grammar.

**Prerequisites:** jr st & Linguis 464(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 567 Materials and Curriculum for TESOL**

3 cr. Undergraduate.

Designed for prospective ESL/EFL teachers. Focus on planning and designing courses to meet the needs of specific populations of language learners.

**Prerequisites:** junior standing or above and LINGUIS 441(P) (previously LINGUIS 565).

**Course Rules:** ENGLISH 567 and LINGUIS 567 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 569 Practicum in Teaching ESL to Adult Learners**

3 cr. Undergraduate.

A structured, supervised practicum in language teaching to students in the adult/university TESOL certificate program.

**Prerequisites:** junior standing or above, LINGUIS 441(P) (previously 565) and LINGUIS 510(P) (previously 410).

**Course Rules:** ENGLISH 569 and LINGUIS 569 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 570 Issues in Bilingualism**

3 cr. Undergraduate/Graduate.

Study of bilingual competence, bilingual community, and second language acquisition from sociolinguistic, psycholinguistic, and general linguistic standpoints.

**Prerequisites:** jr st.

**Course Rules:** Anthro 570 & Linguis 570 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 570G Issues in Bilingualism**

3 cr. Undergraduate/Graduate.

Study of bilingual competence, bilingual community, and second language acquisition from sociolinguistic, psycholinguistic, and general linguistic standpoints.

**Prerequisites:** jr st.

**Course Rules:** Anthro 570 & Linguis 570 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 590 Morphology**

3 cr. Undergraduate/Graduate.

Introduction to morphology, which is the study of word formation in human language.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Course Rules:** Counts as repeat of Linguis 763.

**Last Taught:** Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 590G Morphology**

3 cr. Undergraduate/Graduate.

Introduction to morphology, which is the study of word formation in human language.

**Prerequisites:** jr st & Linguis 350(P); or grad st & cons instr.

**Course Rules:** Counts as repeat of Linguis 763.

**Last Taught:** Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 699 Independent Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a Linguis faculty or instructional academic staff member. Students must submit a study proposal. For more information, consult dept chair.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 12 cr max.

**Last Taught:** Spring 2023, Spring 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 708 Proseminar in Linguistics**

3 cr. Graduate.

Presents a range of linguistic constructs, demonstrating through readings, problems, and exercises how these concepts can be used in the analysis of language.

**Prerequisites:** grad st.

**Course Rules:** Linguis 708(701) & MALLT 708 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 715 First Language Acquisition**

3 cr. Graduate.

Examination of research on what individuals know about their first language at different ages and the kinds of theories offered to explain these data.

**Prerequisites:** graduate standing.

**Course Rules:** No credit for students with graduate credit in LINGUIS 415.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 720 Introduction to Second Language Acquisition**

3 cr. Graduate.

Introduction to theories of second language acquisition.

**Prerequisites:** grad st.

**Course Rules:** Previously LINGUIS 766.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 741 Introduction to TESOL Methods**

3 cr. Graduate.

Designed for prospective ESL/EFL teachers. Graduate level introduction to the field of adult TESOL.

**Prerequisites:** graduate standing.

**Course Rules:** Previously LINGUIS 767.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 750 Introduction to Phonetics**

3 cr. Graduate.

Introduction to phonetics, the basics of speech production and speech acoustics.

**Prerequisites:** graduate standing.

**Course Rules:** Not open for cr to students w/ graduate credit in LINGUIS 450.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 755 Semantics**

3 cr. Graduate.

The study of meaning in language; its role in grammatical description. Basic concepts used in semantic analysis and discussion of their place in grammatical theory.

**Prerequisites:** graduate standing.

**Course Rules:** No credit for students with graduate credit in LINGUIS 455.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 760 Research Methods in Linguistics and ESL**

3 cr. Graduate.

Introduction to basic research methodology in linguistics and ESL.

**Prerequisites:** grad st; cons instr.

**Course Rules:** English 760 & Linguis 760 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 761 Introduction to Phonology**

3 cr. Graduate.

Introduction to the basic properties of sounds, sound patterns, and sound processes of spoken language.

**Prerequisites:** grad st; Linguis 350(P) or equiv.

**Course Rules:** Counts as repeat of LINGUIS 460.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 763 Morphology**

3 cr. Graduate.

A graduate-level introduction to morphological theory.

**Prerequisites:** grad st; Linguis 460(P) & 464(P) or equiv.

**Last Taught:** Fall 2020, Fall 2019, Fall 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 764 Introduction to Syntax**

3 cr. Graduate.

Investigation of the syntax or sentence structure properties of human language.

**Prerequisites:** grad st.

**Course Rules:** Not open for cr to students w/grad cr in LINGUIS 464.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 765 Pragmatics**

3 cr. Graduate.

Investigation of selected topics in the relationship between linguistic expressions and those who use them.

**Prerequisites:** grad st; Linguis 466(P) or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 768 Language in its Various Forms:**

3 cr. Graduate.

Analysis and description of various language types. Topics may include language change, language development, dialectology, and language typology.

**Prerequisites:** graduate standing.

**Course Rules:** May be retaken with change in topic to 9 cr max; counts as repeat of LINGUIS 468G if the topic is identical.

**Last Taught:** Fall 2023, Spring 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 770 Historical and Comparative Linguistics**

3 cr. Graduate.

The study of phonological and morphological change by studying the process of internal reconstruction, the comparative method, and the historical processes of analogical, grammatical, and semantic change in languages.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2023, Spring 2022, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 774 Language Typology and Universals**

3 cr. Graduate.

Comparison of phonetic, syntactic, and lexical patterns of different languages, with emphasis on deriving statements about properties of all languages or of significant subclasses of languages.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 798 Internship in Linguistics**

1-3 cr. Graduate.

Application of advanced principles of linguistics in an internship experience in a business, organizational, educational, political, governmental or other appropriate setting.

**Prerequisites:** grad st.**Course Rules:** One cr earned for academic work based on minimum 40 hrs in internship. Paper or project req'd.**Last Taught:** Summer 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 799 Independent Reading and Research for Master's Students**

1-3 cr. Graduate.

Independent reading and/or research under the supervision of a Linguistics faculty member on a linguistics topic relating to the student's area of interest.

**Prerequisites:** grad st; cons instr.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 801 Seminar in Syntax and Semantics:**

3 cr. Graduate.

Advanced topics in the theory of syntax, including but not limited to, syntactic description, variation, and typology.

**Prerequisites:** grad st**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 802 Seminar in Phonology and Phonetics:**

3 cr. Graduate.

Advanced topics in phonological theory, including, but not limited to, phonological description, variation, and typology.

**Prerequisites:** grad st**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Fall 2022, Spring 2020, Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 803 Seminar in Language Acquisition:**

3 cr. Graduate.

Theory of adult language acquisition, including, but not limited to, interpretation of learner errors, description of acquisition strategies, and analysis of learning sequences.

**Prerequisites:** grad st**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2022, Fall 2018, Fall 2015, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 804 Seminar in Language Variation:**

3 cr. Graduate.

Advanced topics in social dialects, including, but not limited to, language variation, social markers, and the concept of a standard language.

**Prerequisites:** grad st**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2021, Fall 2019, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 806 Seminar in Linguistics:**

3 cr. Graduate.

Advanced-level seminar in which students do in-depth research on a particular area of linguistics through readings, class discussion, and writing a research paper.

**Prerequisites:** graduate standing; consent of instructor.**Course Rules:** Retakable with change in topic to 9 cr max.**Last Taught:** Spring 2022, Fall 2021, Spring 2021, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 810 Methodologies in English Language Teaching**

3 cr. Graduate.

Methodological approaches that can be used in the teaching of reading, writing, grammar, and listening/speaking to ESL/EFL learners.

**Prerequisites:** graduate standing and completion of LINGUIS 741 (previously 767).**Course Rules:** Counts as a repeat of LINGUIS 410G.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 850 Advanced Phonetics**

3 cr. Graduate.

Auditory phonetics; issues in speech production and speech acoustics; quantitative study of speech sounds in linguistic contexts; independent experimental research on topic selected by student.

**Prerequisites:** graduate standing.**Last Taught:** Spring 2023, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**LINGUIS 855 Advanced Semantics**

3 cr. Graduate.

Readings, discussion, and analysis of current issues in formal semantics for natural language.

**Prerequisites:** graduate standing.**Course Rules:** No credit for students with graduate credit in LINGUIS 555.**Last Taught:** Fall 2023, Fall 2022, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 861 Advanced Phonology**

3 cr. Graduate.

Fundamental issues in generative phonology; emphasis on comparing alternative models of phonological description.

**Prerequisites:** graduate standing.

**Course Rules:** No credit for students with graduate credit in LINGUIS 561.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 864 Advanced Syntax**

3 cr. Graduate.

Emphasis on the evaluation and justification of competing solutions and competing models of grammar/syntax.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 867 Materials and Curriculum for TESOL**

3 cr. Graduate.

Designed for prospective ESL/EFL teachers. Focus on planning and designing materials and curriculum to meet the needs of specific populations of language learners.

**Prerequisites:** graduate standing and LINGUIS 741(P) (previously 767).

**Course Rules:** Counts as repeat of LINGUIS 567G or ENGLISH 567G.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 869 Practicum in Teaching ESL to Adult Learners**

1-6 cr. Graduate.

Field experience in teaching English as a second language to adult learners.

**Prerequisites:** graduate standing, completion of LINGUIS 741 (previously 767) and LINGUIS 810 (formerly 410G), and program director consent.

**Course Rules:** Repeatable to 6 cr max. Previously LINGUIS 789 and ENGLISH 789. LINGUIS 869 and ENGLISH 869 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 888 Candidate for Degree**

0 cr. Graduate.

Available for students who must meet minimum credit requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable to 10 cr max. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2019, Spring 2016, Fall 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 990 Research in Linguistics**

1-3 cr. Graduate.

Research and writing of the doctoral dissertation under the supervision of the major professor.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**LINGUIS 999 Independent Reading for Doctoral Students**

1-3 cr. Graduate.

Individual work directed by a member of the graduate faculty; for doctoral students unable to secure needed content in regular courses.

**Prerequisites:** grad st; cons instr

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## M.A. in Language, Literature, and Translation (MALLT)

**MALLT 700 Language Teaching Methods**

3 cr. Graduate.

Introduction to practical issues of language instruction for new teaching assistants and language teachers; explores some theoretical issues related to second- and foreign language learning.

**Prerequisites:** grad st

**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 703 Seminar in Language and Communication:**

3 cr. Graduate.

Survey of basic theories on the nature of language and of the modes of verbal communication, with emphasis on the socio-cultural aspects.

**Prerequisites:** grad st; proficiency in a language other than English

**Last Taught:** Fall 2011, Spring 2011, Spring 2009, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 706 Seminar in Foreign Language Methodology and Pedagogy**

3 cr. Graduate.

Nature and direction of recent developments in foreign language methodology and instructional principles.

**Prerequisites:** grad st

**Last Taught:** Spring 2013, Spring 2010, Fall 2006, Fall 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 708 Proseminar in Linguistics**

3 cr. Graduate.

Presents a range of linguistic constructs, demonstrating through readings, problems, and exercises how these concepts can be used in the analysis of language.

**Prerequisites:** grad st.

**Course Rules:** Linguis 708(701) & MALLT 708 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 709 Seminar in Literary and Cultural Translation**

3 cr. Graduate.

Development of translation strategies focusing on a variety of literary genres, using theoretical premises influencing literary translation and tackling practical matters such as publication processes.

**Prerequisites:** graduate standing.

**Course Rules:** MALLT 709 and TRNSLTN 709 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2020, Spring 2018, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 712 Bibliographic and Research Methodology in Foreign Language and Literature**

3 cr. Graduate.

Discussion of types of research in languages and literatures, bibliographic resources and sources of research support.

**Prerequisites:** grad st

**Last Taught:** Spring 2010, Fall 1999, Fall 1998, Fall 1996.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 721 The Old Testament in Literature and the Arts**

3 cr. Graduate.

The impact of the Old Testament on literature and the arts; its influence on major subsequent religious classics and through them on music, philosophy, and the visual arts.

**Prerequisites:** grad st.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 728 Literary Translation**

3 cr. Graduate.

Seminar in literary translation focusing on various genres including prose, poetry, essays, and theater; publication and copyright matters.

**Prerequisites:** grad st; admission to Translation Program.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 740 Approaches to the Modern I**

3 cr. Graduate.

Seminar on the major figures and intellectual forces that have shaped multiple approaches to the modern across the academy.

**Prerequisites:** grad st.

**Course Rules:** English 740, Hist 740, & MALLT 740 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2021, Spring 2017, Fall 2013, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 741 Approaches to the Modern II**

3 cr. Graduate.

Seminar on major figures and intellectual forces that have shaped approaches to the modern across periods.

**Prerequisites:** grad st.

**Course Rules:** English 741, Hist 741 & MALLT 741 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2020, Spring 2013, Fall 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 781 Graduate Study Abroad: Language and Culture:**

1-3 cr. Graduate.

Coursework in a foreign language or culture taken in a UWM exchange program at a foreign university; subject to review and evaluation of the MALLT program faculty.

**Prerequisites:** grad st; cons MALLT coord comm chair.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2017, Summer 2014, Summer 2012, Summer 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 782 Graduate Study Abroad: Pre-1900 Literature:**

1-3 cr. Graduate.

Coursework in pre-1900 literature taken in a UWM exchange program at a foreign university; subject to review and evaluation of the MALLT program faculty.

**Prerequisites:** grad st; cons MALLT coord comm chair.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 1999, Fall 1998, Spring 1996, Fall 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 783 Graduate Study Abroad: Post-1900 Literature:**

1-3 cr. Graduate.

Coursework in post-1900 literature taken in a UWM exchange program at a foreign university; subject to review and evaluation of the MALLT program faculty.

**Prerequisites:** grad st; cons MALLT coord comm chair.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2007, Fall 2006, Fall 2002, Spring 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 790 Thesis**

1-6 cr. Graduate.

Independent study and research on a master's thesis under supervision of the student's advisory committee.

**Prerequisites:** grad st; cons advisory committee.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Spring 2020, Fall 2017, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 791 Reading and Research - Greek or Latin**

1-3 cr. Graduate.

Reading and research under the direction of a member of the MALLT faculty.

**Prerequisites:** grad st.

**Last Taught:** Fall 2016, Spring 2014, Spring 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 792 Reading and Research - Comparative Literature**

1-3 cr. Graduate.

Reading and research under the direction of a member of the MALLT faculty.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Spring 2017, Fall 2014, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 793 Reading and Research - French or Italian**

1-3 cr. Graduate.

Reading and research under the direction of a member of the MALLT faculty.

**Prerequisites:** grad st.

**Last Taught:** Summer 2021, Spring 2018, Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 794 Reading and Research - German**

1-3 cr. Graduate.

Reading and research under the direction of a member of the MALLT faculty.

**Prerequisites:** grad st.

**Last Taught:** Fall 2017, Spring 2014, Spring 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 795 Reading and Research - Hebrew or Arabic**

1-3 cr. Graduate.

Reading and research under the direction of a member of the MALLT faculty.

**Prerequisites:** grad st.

**Last Taught:** Fall 2010, Fall 2009, Summer 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MALLT 796 Reading and Research - Language**

1-3 cr. Graduate.

Reading and research under the direction of a member of the MALLT faculty.

**Prerequisites:** grad st.**Last Taught:** Fall 2007, Fall 2004, Fall 1996, Spring 1996.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MALLT 797 Reading and Research - Polish or Russian or Serbo-Croatian**

1-3 cr. Graduate.

Reading and research under the direction of a member of the MALLT faculty.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Spring 2021, Spring 2020, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MALLT 798 Reading and Research - Spanish or Portuguese**

1-3 cr. Graduate.

Reading and research under the direction of a member of the MALLT faculty.

**Prerequisites:** grad st.**Last Taught:** Spring 2002, Spring 2000, Spring 1999, Fall 1998.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MALLT 799 Reading and Research**

1-3 cr. Graduate.

Directed reading and research on a topic selected by the student in consultation with his/her advisory committee.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Fall 2020, Fall 2018, Summer 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MALLT 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Spring 2021, Summer 2020, Summer 2019, Summer 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Materials Science and Engineering (MATLENG)

**MATLENG 150 It's a Material World: The Role of Materials in Society**

3 cr. Undergraduate.

Introductory course on the nature of materials and their role in the development of society. Historical perspectives, current societal issues, and future trends are discussed.

**Prerequisites:** none.**General Education Requirements:** NS+**Last Taught:** Spring 2009, Spring 2008, Spring 2007, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 201 Engineering Materials**

4 cr. Undergraduate.

Basic behavior and processing of engineering materials emphasizing metals and alloys and including ceramics and plastics. Laboratory work is included.

**Prerequisites:** MATH 231(C), score of 1 on chemistry placement test or a grade C or better in CHEM 100(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 299 Topics in Materials:**

1-3 cr. Undergraduate.

Work on new material in materials. Section title and credits announced whenever course is offered.

**Prerequisites:** specific courses dependent on topic.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Fall 2008, Spring 2006, Fall 2005, Spring 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 316 Thermodynamics of Materials**

3 cr. Undergraduate.

Chemical thermodynamics and application of thermodynamics to single and multi-component materials systems. Topics include heat and mass balance, enthalpy, entropy, free energy, reaction equilibria, behavior of solutions; phase diagrams.

**Prerequisites:** MATH 233(P), PHYSICS 209(P) or PHYSICS 219(P), MATLENG 201(P) and CHEM 104(P) OR CHEM 105(P).**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 316G Thermodynamics of Materials**

3 cr. Undergraduate.

Chemical thermodynamics and application of thermodynamics to single and multi-component materials systems. Topics include heat and mass balance, enthalpy, entropy, free energy, reaction equilibria, behavior of solutions; phase diagrams.

**Prerequisites:** MATH 233(P), PHYSICS 209(P) or PHYSICS 219(P), MATLENG 201(P) and CHEM 104(P) OR CHEM 105(P).**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 330 Materials and Processes in Manufacturing**

3 cr. Undergraduate.

Principles and practice of manufacturing processes for engineering materials. Processes include casting, forging, rolling, extrusion, sintering and machining. Laboratory work is included.

**Prerequisites:** MATLENG 201(P).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 380 Engineering Basis for Materials Selection**

3 cr. Undergraduate.

The study of the basis for materials selection in the design of engineering systems. Materials design parameters, classes of materials case studies in material's selections.

**Prerequisites:** MATLENG 201(P).**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 385 Introduction to Biomaterials**

3 cr. Undergraduate.

Introduction to the fundamentals of biomaterials including ceramics, metals, and polymers. Important issues in the selection, design, manufacturing, and evaluation of biomaterials. Current applications, and emerging technologies.

**Prerequisites:** junior standing and MATLENG 201(P).

**Last Taught:** Spring 2021, Spring 2020, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 402 Physical Metallurgy**

3 cr. Undergraduate/Graduate.

Crystal binding and electron theory of solids, phase diagrams, diffusion, nucleation and growth, recrystallization, precipitation hardening, solidification, austenite decomposition.

**Prerequisites:** junior standing and MATLENG 201(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 402G Physical Metallurgy**

3 cr. Undergraduate/Graduate.

Crystal binding and electron theory of solids, phase diagrams, diffusion, nucleation and growth, recrystallization, precipitation hardening, solidification, austenite decomposition.

**Prerequisites:** junior standing and MATLENG 201(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 410 Mechanical Behavior of Materials**

3 cr. Undergraduate/Graduate.

An introduction to the mechanical behavior of metals, ceramics, polymers and composite materials. Topics include elastic, plastic and viscoelastic deformation, fracture, fatigue, and creep.

**Prerequisites:** junior standing and MATLENG 201(P); or graduate standing; or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 410G Mechanical Behavior of Materials**

3 cr. Undergraduate/Graduate.

An introduction to the mechanical behavior of metals, ceramics, polymers and composite materials. Topics include elastic, plastic and viscoelastic deformation, fracture, fatigue, and creep.

**Prerequisites:** junior standing and MATLENG 201(P); or graduate standing; or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 411 Materials Laboratory**

3 cr. Undergraduate.

Experiments demonstrating the basic laws governing the processing, structure, and properties of materials.

**Prerequisites:** junior standing and MATLENG 201(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 431 Welding Engineering**

3 cr. Undergraduate/Graduate.

An engineering course on joining processes; reaction of materials to welding, brazing and soldering; distortion; process and material selection and structural engineering considerations.

**Prerequisites:** junior standing and MATLENG 201(P).

**Last Taught:** Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 431G Welding Engineering**

3 cr. Undergraduate/Graduate.

An engineering course on joining processes; reaction of materials to welding, brazing and soldering; distortion; process and material selection and structural engineering considerations.

**Prerequisites:** junior standing and MATLENG 201(P).

**Last Taught:** Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 443 Transport Phenomena in Materials Processing**

3 cr. Undergraduate/Graduate.

A study of phenomena related to transport of mass, energy, and momentum with applications to materials processing.

**Prerequisites:** junior standing, MATLENG 316(P); and ELECENG 234(P) or MATH 234(P); or graduate standing.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 443G Transport Phenomena in Materials Processing**

3 cr. Undergraduate/Graduate.

A study of phenomena related to transport of mass, energy, and momentum with applications to materials processing.

**Prerequisites:** junior standing, MATLENG 316(P); and ELECENG 234(P) or MATH 234(P); or graduate standing.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 452 Ceramic Materials**

3 cr. Undergraduate/Graduate.

Ceramic bonding, crystallography and structure, defects and Brouwer diagram, mass and electrical transport of ceramics, phase equilibria, mechanical properties, and processing of ceramics including sintering.

**Prerequisites:** junior standing and MATLENG 201(P) or graduate standing.

**Course Rules:** Not open for cr to students with cr in MATLENG 451(ER).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 452G Ceramic Materials**

3 cr. Undergraduate/Graduate.

Ceramic bonding, crystallography and structure, defects and Brouwer diagram, mass and electrical transport of ceramics, phase equilibria, mechanical properties, and processing of ceramics including sintering.

**Prerequisites:** junior standing and MATLENG 201(P) or graduate standing.

**Course Rules:** Not open for cr to students with cr in MATLENG 451(ER).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 453 Polymeric Materials**

3 cr. Undergraduate/Graduate.

Structure, crystallinity of polymers, amorphous polymers and elastomers, synthesis method, polymerization, copolymerization, polymer characterization, polymer solutions, and viscoelasticity, deformation mechanics of polymers.

**Prerequisites:** junior standing, MATLENG 201(P), and MATLENG 316(P) or MECHENG 301(P).

**Course Rules:** Not open for credit to students with credit in MATLENG 451(ER).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 453G Polymeric Materials**

3 cr. Undergraduate/Graduate.

Structure, crystallinity of polymers, amorphous polymers and elastomers, synthesis method, polymerization, copolymerization, polymer characterization, polymer solutions, and viscoelasticity, deformation mechanics of polymers.

**Prerequisites:** junior standing, MATLENG 201(P), and MATLENG 316(P) or MECHENG 301(P).

**Course Rules:** Not open for credit to students with credit in MATLENG 451(ER).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 456 Metal Casting Engineering**

3 cr. Undergraduate/Graduate.

Pattern and core design; molding technology; pouring and feeding castings; metallurgy of cast engineering alloys and their foundry practice; casting design.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 456 and MECHENG 456 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 456G Metal Casting Engineering**

3 cr. Undergraduate/Graduate.

Pattern and core design; molding technology; pouring and feeding castings; metallurgy of cast engineering alloys and their foundry practice; casting design.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 456 and MECHENG 456 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 457 Engineering Composites**

3 cr. Undergraduate/Graduate.

Study of the structure-property relationships in composite materials. Properties of fibers and other reinforcements. Metal, polymer and ceramic matrix composites.

**Prerequisites:** junior standing and MATLENG 201(P); or graduate standing.

**Course Rules:** MATLENG 457 and MECHENG 457 are jointly offered and count as repeats of each other.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 457G Engineering Composites**

3 cr. Undergraduate/Graduate.

Study of the structure-property relationships in composite materials. Properties of fibers and other reinforcements. Metal, polymer and ceramic matrix composites.

**Prerequisites:** junior standing and MATLENG 201(P); or graduate standing.

**Course Rules:** MATLENG 457 and MECHENG 457 are jointly offered and count as repeats of each other.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 460 Nanomaterials and Nanomanufacturing**

3 cr. Undergraduate/Graduate.

Structure, properties, processing and manufacture of nanoparticles, nanotubes, nanofibers, bulk nanomaterials, nanocomposites including polymer, metal, ceramic, natural and biocomposites; nanofluidics, nanorheology, nanomachines, and nanotribology.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 460 and MECHENG 460 are jointly offered; they count as repeats of each other.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 460G Nanomaterials and Nanomanufacturing**

3 cr. Undergraduate/Graduate.

Structure, properties, processing and manufacture of nanoparticles, nanotubes, nanofibers, bulk nanomaterials, nanocomposites including polymer, metal, ceramic, natural and biocomposites; nanofluidics, nanorheology, nanomachines, and nanotribology.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 460 and MECHENG 460 are jointly offered; they count as repeats of each other.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 461 Environmental Degradation of Materials**

3 cr. Undergraduate/Graduate.

Technical and economic aspects of material degradation including corrosion and corrosion control. Forms of corrosion, other degradation mechanisms, thermodynamics, kinetics, materials, design, protection strategies.

**Prerequisites:** junior standing and MATLENG 201(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 461G Environmental Degradation of Materials**

3 cr. Undergraduate/Graduate.

Technical and economic aspects of material degradation including corrosion and corrosion control. Forms of corrosion, other degradation mechanisms, thermodynamics, kinetics, materials, design, protection strategies.

**Prerequisites:** junior standing and MATLENG 201(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 465 Friction and Wear**

3 cr. Undergraduate/Graduate.

Friction and wear of engineering materials. Effect of environment, surface interactions, lubrication, and material properties. Techniques of analysis and measurement.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 465 and MECHENG 465 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 465G Friction and Wear**

3 cr. Undergraduate/Graduate.

Friction and wear of engineering materials. Effect of environment, surface interactions, lubrication, and material properties. Techniques of analysis and measurement.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 465 and MECHENG 465 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 471 Heat Treatment of Materials**

3 cr. Undergraduate/Graduate.

Study of the heat treatment processes and their effect on the microstructure and properties of metals. Emphasis is on steels, but all alloy systems of importance are covered.

**Prerequisites:** junior standing and MATLENG 201(P); or graduate standing.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 471G Heat Treatment of Materials**

3 cr. Undergraduate/Graduate.

Study of the heat treatment processes and their effect on the microstructure and properties of metals. Emphasis is on steels, but all alloy systems of importance are covered.

**Prerequisites:** junior standing and MATLENG 201(P); or graduate standing.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 481 Electronic Materials**

3 cr. Undergraduate/Graduate.

Modern principles of semiconductor fabrication, crystals, electrical and thermal conductivity phenomena, band gap and structure, doping effects, dielectric and optical properties, semiconductor homo and hetero-junctions, solar cells, thermo-electric materials; with projects.

**Prerequisites:** junior standing and PHYSICS 210(P) or PHYSICS 220(P); or consent of instructor.

**Course Rules:** MATLENG 481 and ELECENG 481 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 481G Electronic Materials**

3 cr. Undergraduate/Graduate.

Modern principles of semiconductor fabrication, crystals, electrical and thermal conductivity phenomena, band gap and structure, doping effects, dielectric and optical properties, semiconductor homo and hetero-junctions, solar cells, thermo-electric materials; with projects.

**Prerequisites:** junior standing and PHYSICS 210(P) or PHYSICS 220(P); or consent of instructor.

**Course Rules:** MATLENG 481 and ELECENG 481 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 483 Materials for Energy Systems**

3 cr. Undergraduate/Graduate.

Processing, structure, and properties of materials used in energy systems. Focus on materials applied to solid oxide fuel cells, photovoltaics, and advanced secondary batteries.

**Prerequisites:** junior standing and MATLENG 201(P); or graduate standing.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 483G Materials for Energy Systems**

3 cr. Undergraduate/Graduate.

Processing, structure, and properties of materials used in energy systems. Focus on materials applied to solid oxide fuel cells, photovoltaics, and advanced secondary batteries.

**Prerequisites:** junior standing and MATLENG 201(P); or graduate standing.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 485 Introduction to Computational Materials Modeling and Simulations**

3 cr. Undergraduate/Graduate.

Basic principles of materials modeling and molecular simulation techniques used to study the properties and behavior of materials at the molecular level.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** Counts as a repeat of MATLENG 690 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 485G Introduction to Computational Materials Modeling and Simulations**

3 cr. Undergraduate/Graduate.

Basic principles of materials modeling and molecular simulation techniques used to study the properties and behavior of materials at the molecular level.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** Counts as a repeat of MATLENG 690 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 490 Senior Design Projects I**

1 cr. Undergraduate.

Project identification and planning; proposals, project management, ethics, professional responsibilities, standards and team procedures. Written and oral engineering reports and proposals. For first semester seniors.

**Prerequisites:** senior standing and MATLENG 411(C).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 491 Senior Design Projects II**

3 cr. Undergraduate.

Independent and team design projects under the direction of a faculty member. Written and oral engineering reports must be submitted on each design project undertaken.

**Prerequisites:** MATLENG 490(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 511 Advanced Materials Characterization**

3 cr. Undergraduate/Graduate.

Theory and operation of advanced materials characterization instrumentation including thermal analysis (TGA, DSC, DMA), XRD, SEM/EDS, FTIR/Raman, 3D confocal microscopy. Prereq: junior standing and MATLENG 411(P).

**Last Taught:** Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 511G Advanced Materials Characterization**

3 cr. Undergraduate/Graduate.

Theory and operation of advanced materials characterization instrumentation including thermal analysis (TGA, DSC, DMA), XRD, SEM/EDS, FTIR/Raman, 3D confocal microscopy. Prereq: junior standing and MATLENG 411(P).

**Last Taught:** Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 585 Advanced Biomaterials**

3 cr. Undergraduate/Graduate.

Theory and application of advanced biomaterials including cardiovascular devices, orthopedic applications, drug delivery systems, biosensors, and tissue engineering.

**Prerequisites:** senior standing; MATLENG 385(P) or BME 385(P); or consent of instructor.

**Course Rules:** BME 585 and MATLENG 585 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 585G Advanced Biomaterials**

3 cr. Undergraduate/Graduate.

Theory and application of advanced biomaterials including cardiovascular devices, orthopedic applications, drug delivery systems, biosensors, and tissue engineering.

**Prerequisites:** senior standing; MATLENG 385(P) or BME 385(P); or consent of instructor.

**Course Rules:** BME 585 and MATLENG 585 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 690 Topics in Materials:**

3 cr. Undergraduate/Graduate.

Lectures on special topics in materials engineering and science.

**Prerequisites:** junior standing or greater or consent of instructor.

**Course Rules:** May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 690G Topics in Materials:**

3 cr. Undergraduate/Graduate.

Lectures on special topics in materials engineering and science.

**Prerequisites:** junior standing or greater or consent of instructor.

**Course Rules:** May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 699 Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing or greater or consent of instructor.

**Course Rules:** May be retaken to max of 6 cr applied toward undergraduate degree.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 699G Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing or greater or consent of instructor.

**Course Rules:** May be retaken to max of 6 cr applied toward undergraduate degree.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 700 CEAS Graduate Seminar**

1-3 cr. Graduate.

Seminar in professional ethics, oral and written communication, contemporary social issues, career development, time management, and laboratory safety.

**Prerequisites:** graduate standing.

**Course Rules:** CV ENG 700, COMPSCI 700, ELECENG 700, IND ENG 700, MATLENG 700 and MECHENG 700 are jointly offered and count as repeats of one another

**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 701 Properties of Solids**

3 cr. Graduate.

The applications of physics to the understanding of the properties of solids, including lattice mechanics, band theory, electrical, thermal, magnetic, and defect properties.

**Prerequisites:** graduate standing and MATLENG 402(P).

**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 702 Advanced Materials Thermodynamics**

3 cr. Graduate.

Thermodynamics of materials including solutions, mixtures, and interfaces. Topics including statistical interpretation of entropy, chemical reactions, Ellingham diagrams, phase diagrams, and intermediate phases.

**Prerequisites:** graduate standing and MATLENG 442(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2020, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 710 Advanced Mechanical Behavior of Materials**

3 cr. Graduate.

Advanced topics on the mechanical properties of materials including plasticity, anelasticity, fracture, creep, fatigue, and the effects of temperature, rates, and processing history.

**Prerequisites:** graduate standing and MATLENG 410(P).**Last Taught:** Spring 2021, Spring 2019, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 720 Kinetic Processes in Materials**

3 cr. Graduate.

Absolute reaction rate theory, defects in materials, diffusion, phase transformation in metals.

**Prerequisites:** graduate standing and MATLENG 442(P).**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 731 Deformation Processing**

3 cr. Graduate.

Application of engineering principles to shape generation by deformation processing. Analysis of forging, stamping, drawing. Effect of deformation material properties and behavior.

**Prerequisites:** graduate standing and MATLENG 410(P).**Last Taught:** Fall 2021, Fall 2019, Fall 2017, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 732 Solidification Processing**

3 cr. Graduate.

Solidification phenomena and its engineering application to metals, semiconductors, ceramics, properties of cast products. Foundry processes.

**Prerequisites:** graduate standing and MATLENG 330(P).**Course Rules:** MATLENG 732 and MECHENG 732 are jointly offered and count as repeats of one other.**Last Taught:** Fall 2018, Fall 2016, Fall 2014, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 740 Heterogeneous Equilibria**

3 cr. Graduate.

Quantitative description of heterogeneous equilibria for unary, binary, and ternary systems from the thermodynamic point of view; composite systems and current experimental techniques in high temperature materials.

**Prerequisites:** graduate standing, MECHENG 301(P), and

MATLENG 201(P).

**Last Taught:** Fall 2013, Fall 2011, Fall 2009, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 750 Thin Solid Films**

3 cr. Graduate.

Application of materials science to thin films. Nucleation, growth, and characterization. Discussion of optical, electrical, and mechanical behavior in terms of atomic order and chemistry. Consideration of specific deposition methods and applications.

**Prerequisites:** graduate standing, MATLENG 201(P), and PHYSICS 210(P).**Last Taught:** Spring 2010, Spring 2007, Spring 2003, Fall 1997.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 760 Surface Analysis of Solids**

3 cr. Graduate.

Introduction to thermodynamics, structure and quantum theory of surfaces. Fundamentals of spectroscopic methods for analysis of surfaces. Applications to practical surface analysis problems: catalysis, thin films, polymers, ceramics, metallurgy and corrosion, coatings, glasses and composites.

**Prerequisites:** graduate standing or consent of instructor.**Last Taught:** Spring 2015, Spring 2002, Spring 1997, Fall 1994.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 783 Electrochemistry of Fuel Cells and Batteries**

3 cr. Graduate.

Covers the electrochemistry of fuel cells, batteries and electrolytic methods, including thermodynamics and kinetics of electrode reactions and associated mass transport in electrochemical systems, and measurement techniques in electrochemical systems.

**Prerequisites:** MATLENG 316(P), MATLENG 443(P), or MATLENG 483(P); or consent to instructor.**Course Rules:** Advanced course that builds upon MATLENG 483. Counts as a repeat of MATLENG 890 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 785 Atomistic Modeling and Simulation of Materials**

3 cr. Graduate.

Fundamental principles describing materials in terms of electrons and atoms; relations with macroscopic behaviors; modeling and simulation techniques including ab initio, density functional theory, molecular dynamics, and others.

**Prerequisites:** graduate standing.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 880 Bioengineering Seminar**

1 cr. Graduate.

Presentations by bioengineering affiliated faculty, invited speakers, and graduate students.

**Prerequisites:** graduate standing.**Course Rules:** CIV ENG 880, COMPSCI 880, ELECENG 880, IND ENG 880, MATLENG 880, and MECHENG 880 are jointly offered and count as repeats of one another. May be repeated to 3 cr max.**Last Taught:** Spring 2017, Fall 2015, Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirements.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Summer 2023, Summer 2018, Spring 2016, Summer 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 890 Advanced Topics in Materials:**

3 cr. Graduate.

Lectures on special topics in materials engineering and science.

**Prerequisites:** graduate standing; consent of instructor.**Course Rules:** May be repeated with change in topic to max of 9 cr.**Last Taught:** Fall 2022, Fall 2021, Fall 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATLENG 990 Masters Thesis**

1-9 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Repeatable to 12 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 998 Doctoral Thesis**

1-12 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Repeatable.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATLENG 999 Advanced Independent Study**

1-3 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor and graduate program committee.**Course Rules:** Repeatable to 15 cr max.**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Mathematical Sciences (MATH)

**MATH 75 Math Success Strategies**

0 cr. Undergraduate.

Highly interactive format providing mathematics instruction and instilling study skills and strategies for succeeding in mathematics courses.

**Prerequisites:** none.**Course Rules:** Fee for variable credit assessed (1-6) depending on contact hours; credits count toward credit load for Financial Aid and enrollment verification only. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 90 Basic Mathematics**

0 cr. Undergraduate.

Arithmetic operations involving whole numbers, integers, positive and negative rational numbers; decimals, percents; ratio, proportion; radicals; descriptive statistics; units of measure; geometry; introduction to algebra.

**Prerequisites:** none.**Course Rules:** Fee for 3 cr assessed; credits count toward credit load for Financial Aid and enrollment verification only. Not open to students eligible for math courses that carry graduation credit.**Last Taught:** Summer 2019, Summer 2018, Summer 2017, Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 92 Mathematical Literacy for College Students I**

0 cr. Undergraduate.

Introduction to numeracy, proportional reasoning, algebraic reasoning, and functions. Emphasis on developing conceptual and procedural tools that support the use of key mathematical concepts in context.

**Prerequisites:** none.**Course Rules:** Fee for 3 cr assessed; counts as 3 cr toward cr load for Financial Aid & enrollment verification. Not recommended for students planning to take Calculus or Chem 100.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 94 Foundations of Elementary Mathematics**

0 cr. Undergraduate.

Arithmetic, geometry, and beginning algebra; develops mathematical reasoning, problem solving, and facility with basic mathematical objects and their relationships. Individualized instruction via adaptive learning software.

**Prerequisites:** none.**Course Rules:** Fee for 6 cr assessed; credits count toward credit load for Financial Aid and enrollment verification only. Math 94 counts as repeat of Math 90 & 95.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 95 Essentials of Algebra**

0 cr. Undergraduate.

Number systems; linear equations, inequalities; exponent notation, radicals; polynomials, operations, factoring, rational expressions; coordinate geometry; linear systems; quadratic equations.

**Prerequisites:** a grade of C or better in MATH 90(P) or MATH 102(P); or grade of D in MATH 94(P); or Math Placement Level 10.**Course Rules:** Fee for 3 cr assessed; credits count toward credit load for Financial Aid and enrollment verification only.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 98 Algebraic Literacy I**

0 cr. Undergraduate.

Arithmetic number systems; linear equations, inequalities; exponent notation, radicals; polynomials, operations, factoring; modeling; coordinate geometry; linear systems; quadratic equations.

**Prerequisites:** a grade of C or better in MATH 90(P) or MATH 102(P); or grade of D in MATH 94(P); or Math Placement Level 10.**Course Rules:** Fee for 3 cr assessed; counts as 3 cr toward credit load for Fin Aid & enrollment verification only.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 100 Supplemental Math**

1-2 cr. Undergraduate.

Development of foundational skills and concepts to allow concurrent enrollment in certain credit-bearing mathematics courses in place of prerequisite enrollment.

**Prerequisites:** department consent.**Course Rules:** Retakeable to 2 cr max. Specific topic and additional prerequisites announced in schedule of classes each time course is offered.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 102 Mathematical Literacy for College Students II**

3 cr. Undergraduate.

Continuation of MATH 92, with an integrated approach to numeracy, proportional reasoning, algebraic reasoning, and functions.

**Prerequisites:** a grade of C or better in MATH 92(P) or MATH 90(P); or grade of D in MATH 94(P); or Math Placement Level 10.**General Education Requirements:** MTH, QLA**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 102X Mathematical Literacy for College Students II**

3 cr. Undergraduate.

Continuation of MATH 92, with an integrated approach to numeracy, proportional reasoning, algebraic reasoning, and functions.

**Prerequisites:** a grade of C or better in MATH 92(P) or MATH 90(P); or grade of D in MATH 94(P); or Math Placement Level 10.**General Education Requirements:** MTH, QLA**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 103 Contemporary Applications of Mathematics**

3 cr. Undergraduate.

Selected topics in applied mathematics and statistics, such as, but not limited to, voting theory, fair division, apportionment, graph theory, financial mathematics, and statistical inference.

**Prerequisites:** a grade of C or better in MATH 90(P) or MATH 102(P); or grade of D in MATH 94(P); or Math Placement Level 10.**Course Rules:** Not recommended for students planning to take Calculus or CHEM 100.**General Education Requirements:** MTH, QLA**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 105 Introduction to College Algebra**

3 cr. Undergraduate.

Algebraic techniques with polynomials, rational expressions, equations and inequalities, exponential and logarithmic functions, rational exponents, systems of linear equations.

**Prerequisites:** a grade of C or better in MATH 94(P), MATH 95(P), or MATH 98(P); or Math Placement Level 20.**Course Rules:** Counts as repeat of MATH 108.**General Education Requirements:** MTH, QLA**Last Taught:** UWinterIM 2024, Fall 2023, Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 108 Algebraic Literacy II**

3 cr. Undergraduate.

Continuation of MATH 98 in polynomials, equations, and inequalities; exponential, logarithmic, and periodic functions; rational expressions and exponents; and systems of linear equations.

**Prerequisites:** C or better MATH 98.**Course Rules:** Counts as repeat of MATH 105.**General Education Requirements:** MTH, QLA**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 111 Introduction to Logic - Critical Reasoning**

3 cr. Undergraduate.

Students learn a broad variety of fundamental logical methods - techniques used to identify, analyze, model, evaluate, and criticize different types of real-world reasoning.

**Prerequisites:** a grade of C or better in MATH 90(P) or MATH 102(P); or grade of D in MATH 94(P); or Math Placement Level 10.**Course Rules:** PHILOS 111 and MATH 111 are jointly offered; they count as repeats of one another.**General Education Requirements:** HU, QLA**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 115 Precalculus**

4 cr. Undergraduate.

Essential topics from college algebra and trigonometry for students intending to enroll in calculus.

**Prerequisites:** a grade of C or better in MATH 105(P), MATH 108(P), or MATH 116(P); or Math Placement Level 30.**Course Rules:** Repeats 2 cr of MATH 116 & 2 cr of MATH 117.**General Education Requirements:** QLA**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 116 College Algebra**

3 cr. Undergraduate.

Function concepts. Polynomial, rational, exponential, and logarithmic functions. Systems of equations and inequalities. Matrices and determinants. Sequences and series. Analytic geometry and conic sections. Induction.

**Prerequisites:** a grade of C or better in MATH 94(P), MATH 95(P), or MATH 98; or Math Placement Level 20.**Course Rules:** 2 cr may be used to repeat 2 cr of MATH 115.**General Education Requirements:** MTH, QLA**Last Taught:** Summer 2020, Spring 2020, Fall 2019, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 117 Trigonometry**

2 cr. Undergraduate.

Trigonometric functions; graphs, identities, equations, inequalities; inverse trigonometric functions; solutions of triangles with applications; complex numbers; polar coordinates.

**Prerequisites:** a grade of C or better in MATH 105(P), MATH 108(P), or MATH 116(P); or Math Placement Level 30.**Course Rules:** Counts as a repeat of 2 cr of MATH 115.**Last Taught:** Summer 2020, Spring 2020, UWinterIM 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 175 Mathematical Explorations for Elementary Teachers I**

3 cr. Undergraduate.

Theory of arithmetic of whole numbers, fractions, and decimals. Introduction to algebra, estimation and problem-solving strategies.

**Prerequisites:** Registration in elementary, early childhood, or exceptional education curriculum; and either a grade of C or better in MATH 94(P), MATH 95(P), MATH 98(P), MATH 102(P) or MATH 103(P); or Math Placement Level of at least 20.**General Education Requirements:** MTH, QLA**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 176 Mathematical Explorations for Elementary Teachers II**

3 cr. Undergraduate.

A continuation of MATH 175 in geometry, statistics, and probability.

**Prerequisites:** grade of C or better in MATH 175(P).**General Education Requirements:** QL B**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 194 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** NS

**Last Taught:** Fall 2002, Fall 2001, Fall 2000, Spring 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 199 Independent Study**

1-3 cr. Undergraduate.

Regularly offered courses may not be taken as Independent Study.

**Prerequisites:** 2.0 GPA in all previous math courses; consent of instructor, department chair and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Spring 2016, UWinterIM 2014, Spring 2011, Summer 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 205 Introductory Finite Mathematics**

3 cr. Undergraduate.

Elementary deterministic and probabilistic discrete mathematics and applications to a wide variety of disciplines. Topics may include linear programming, Markov chains, optimization, stochastic processes.

**Prerequisites:** a grade of C or better in MATH 105(P), MATH 108(P), or MATH 116(P); or Math Placement Level 30.

**General Education Requirements:** NS, QLB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 208 Quantitative Models for Business**

4 cr. Undergraduate.

Applications of algebra, functions, and optimization methods in business and economics settings.

**Prerequisites:** a grade of C or better in MATH 105(P), MATH 108(P), or MATH 116(P); or Math Placement Level 30.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 211 Survey in Calculus and Analytic Geometry I**

4 cr. Undergraduate.

A one-semester survey with applications to business administration, economics, and non-physical sciences. Topics include coordinate systems, equations of curves, limits, differentiation, integration, applications.

**Prerequisites:** a grade of C or better in MATH 105(P), MATH 108(P), or MATH 116(P); or Math Placement Level 30.

**Course Rules:** May not be used as a prerequisite for MATH 232. No cr for students with cr in MATH 213, MATH 221, or MATH 231.

**General Education Requirements:** NS, QLB

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 212 Survey in Calculus and Analytic Geometry II**

4 cr. Undergraduate.

Continuation of first semester survey of calculus with applications to business administration, economics, and non-physical sciences. Topics include integration, multivariable calculus, Taylor polynomials and applications.

**Prerequisites:** grade of C or better in one of the following: MATH 208(P), MATH 211(P), MATH 213(P), MATH 221(P), or MATH 231(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 213 Calculus with Life Sciences Applications**

4 cr. Undergraduate.

Limits, derivatives, graphing. Antiderivatives, the definite integral, and the fundamental theorem of calculus. Additional techniques and applications pertinent to the life sciences throughout the course.

**Prerequisites:** a grade of C or better in MATH 115(P); or both Proficiency in Trigonometry (grade of C or better in MATH 117(P), or Level 26 or 36 on Math Placement Test) and Proficiency in Algebra (grade of C or better in MATH 116(P) or MATH 211(P), or Level 35 on Math Placement Test); or Math Placement Level 40.

**Course Rules:** No credit for students with credit in MATH 221 or MATH 231.

**General Education Requirements:** NS, QLB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 221 Honors Calculus I**

5 cr. Undergraduate.

Calculus of functions of one and several variables; sequences, series, differentiation, integration; introduction to differential equations; vectors and vector functions; applications.

**Prerequisites:** consent of instructor or Honors College Director and grade of A- or better in MATH 115(P), or in both of MATH 116(P) and MATH 117(P); or Level 40 on a Math Placement Test & ACT math subscore 30 or higher; or Math Placement Level 45.

**Course Rules:** Max 6 cr in combination of MATH 221 and MATH 222 may count toward Honors College requirements.

**General Education Requirements:** NS, QLB

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 222 Honors Calculus II**

5 cr. Undergraduate.

Continuation of MATH 221.

**Prerequisites:** a grade of C or better in MATH 221(P) or a grade of B or better in MATH232(P); consent of instructor.

**Course Rules:** Max of 6 cr in combination of MATH 221 and MATH 222 may count toward Honors College requirements.

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 231 Calculus and Analytic Geometry I**

4 cr. Undergraduate.

Limits, derivatives, and graphs of algebraic, trigonometric, exponential, and logarithmic functions; antiderivatives, the definite integral, and the fundamental theorem of calculus, with applications.

**Prerequisites:** a grade of C or better in MATH 115(P); or both Proficiency in Trigonometry (grade of C or better in MATH 117(P), or Level 26 or 36 on Math Placement Test) and Proficiency in Algebra (grade of C or better in MATH 116(P) or MATH 211(P), or Level 35 on Math Placement Test); or Math Placement Level 40.**Course Rules:** No credit for students with credit in MATH 213.**General Education Requirements:** NS, QLB**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 232 Calculus and Analytic Geometry II**

4 cr. Undergraduate.

Continuation of Math 231. Applications of integration, techniques of integration; infinite sequences and series; parametric equations, conic sections, and polar coordinates.

**Prerequisites:** grade of C or better in Math 231(P) or grade of B or better in Math 213(P).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 233 Calculus and Analytic Geometry III**

4 cr. Undergraduate.

Continuation of MATH 232. Three-dimensional analytic geometry and vectors; partial derivatives; multiple integrals; vector calculus, with applications.

**Prerequisites:** grade of C or better in MATH 232(P).**Course Rules:** Counts as repeat of MATH 229.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 234 Linear Algebra and Differential Equations**

4 cr. Undergraduate.

Elementary differential equations. Vectors; matrices; linear transformations; quadratic forms; eigenvalues; applications.

**Prerequisites:** grade of C or better in Math 232(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 240 Matrices and Applications**

3 cr. Undergraduate.

Vector spaces, systems of linear equations, matrices, determinants, linear transformations, eigenvalues, eigenvectors; selected topics in applications. Emphasizes basic concepts and concrete examples.

**Prerequisites:** a grade at least C in a MATH or MTHSTAT course numbered 200 or higher; or grade at least C in MATH 115(P); or both Proficiency in Trigonometry (a grade of C or better in MATH 117(P), or Level 26 or 36 on Math Placement Test) and Proficiency in Algebra (a grade of C or better in MATH 116(P) or MATH 211(P), or Level 35 on Math Placement Test); or Math Placement Level 40.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 275 Problem Solving/Critical Thinking for Elementary Education Majors**

3 cr. Undergraduate.

Course provides a strong foundation in the exploration, teaching and communication (oral and written) of mathematical concepts via problem-solving experiences and discussion.

**Prerequisites:** grade of C or better in Math 175(P) or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 276 Algebraic Structures for Elementary Education Majors**

3 cr. Undergraduate.

Topics for K-8 teachers. Basic patterns and rules that govern number systems, geometric transformations, and manipulation of algebraic expressions.

**Prerequisites:** grade of C or better in Math 175(P) or cons instr.**Course Rules:** Counts as repeat of Math 299 w/same topic.**Last Taught:** Spring 2021, Spring 2020, Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 277 Geometry for Elementary Education Majors**

3 cr. Undergraduate.

Topics for K-8 teachers. Geometry as measuring tool-congruence, similarity, area, volume, and coordinates; geometry as axiomatic system-definitions, conjectures, proofs, counterexamples; rigid motions, symmetry.

**Prerequisites:** grade of C or better in Math 176(P) or cons instr.**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 290 Topics in Mathematics:**

3 cr. Undergraduate.

Specific topics and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** satisfaction of Quantitative Literacy Part A GER.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored programs before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2019, Fall 2018, Fall 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2012, Summer 2007, Spring 2007, Summer 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 305 Introduction to Mathematical and Computational Modeling**

3 cr. Undergraduate/Graduate.

Construction and analysis of discrete and continuous mathematical models in applied, natural, and social sciences. Elements of programming, simulations, case studies from scientific literature.

**Prerequisites:** junior standing; a grade of C or better in MATH 211(P) & one additional 200-level or higher MATH or MTHSTAT course, or grade of C or better in MATH 213(P) or MATH 231(P), or consent of instructor.

**Course Rules:** Counts as repeat of MATH 690(675) with topic 'Adv Math Models with Apps'.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 305G Introduction to Mathematical and Computational Modeling**

3 cr. Undergraduate/Graduate.

Construction and analysis of discrete and continuous mathematical models in applied, natural, and social sciences. Elements of programming, simulations, case studies from scientific literature.

**Prerequisites:** junior standing; a grade of C or better in MATH 211(P) & one additional 200-level or higher MATH or MTHSTAT course, or grade of C or better in MATH 213(P) or MATH 231(P), or consent of instructor.

**Course Rules:** Counts as repeat of MATH 690(675) with topic 'Adv Math Models with Apps'.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 313 Linear Programming and Optimization**

3 cr. Undergraduate/Graduate.

Primal and dual formulations of linear programming problems; simplex and related methods of solution; algorithms for transportation; optimization.

**Prerequisites:** jr st; grade of C or better in Math/ElecEng 234(P) or Math 240(P); or grad st.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 313G Linear Programming and Optimization**

3 cr. Undergraduate/Graduate.

Primal and dual formulations of linear programming problems; simplex and related methods of solution; algorithms for transportation; optimization.

**Prerequisites:** jr st; grade of C or better in Math/ElecEng 234(P) or Math 240(P); or grad st.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 315 Mathematical Programming and Optimization**

3 cr. Undergraduate/Graduate.

Introduction to operations research. Network analysis; integer programming; game theory; nonlinear programming; dynamic programming.

**Prerequisites:** jr st, grade of C or better in either Math 234(P) or 240(P), & grade of C or better in either Math 211(P) or 233(P); or cons instr; or grad st.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 315G Mathematical Programming and Optimization**

3 cr. Undergraduate/Graduate.

Introduction to operations research. Network analysis; integer programming; game theory; nonlinear programming; dynamic programming.

**Prerequisites:** jr st, grade of C or better in either Math 234(P) or 240(P), & grade of C or better in either Math 211(P) or 233(P); or cons instr; or grad st.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 318 Topics in Discrete Mathematics**

3 cr. Undergraduate.

Number theory topics related to cryptography; discrete structures including graphs, partial orders, Latin squares and block designs; advanced counting techniques.

**Prerequisites:** a grade of C or better in COMPSCI 317(P) or MATH 341(P).

**Course Rules:** COMPSCI 318 and MATH 318 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 320 Introduction to Differential Equations**

3 cr. Undergraduate/Graduate.

Elementary types and systems of differential equations, series solutions, numerical methods, Laplace transforms, selected applications.

**Prerequisites:** jr st, grade of C or better in both Math 232(P) & 240(P), or grade of C or better in Math/ElecEng 234(P); or grad st.

**Course Rules:** No grad cr in Math Sci.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 320G Introduction to Differential Equations**

3 cr. Undergraduate/Graduate.

Elementary types and systems of differential equations, series solutions, numerical methods, Laplace transforms, selected applications.

**Prerequisites:** jr st, grade of C or better in both Math 232(P) & 240(P), or grade of C or better in Math/ElecEng 234(P); or grad st.

**Course Rules:** No grad cr in Math Sci.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 322 Introduction to Partial Differential Equations**

3 cr. Undergraduate/Graduate.

Partial differential equations of mathematical physics, boundary value problems in heat flow, vibrations, potentials, etc. Solved by Fourier series; Bessel functions and Legendre polynomials.

**Prerequisites:** jr st, Math 320(P), & grade of C or better in Math 233(P); or grad st.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 322G Introduction to Partial Differential Equations**

3 cr. Undergraduate/Graduate.

Partial differential equations of mathematical physics, boundary value problems in heat flow, vibrations, potentials, etc. Solved by Fourier series; Bessel functions and Legendre polynomials.

**Prerequisites:** jr st, Math 320(P), & grade of C or better in Math 233(P); or grad st.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 325 Vector Analysis**

3 cr. Undergraduate/Graduate.

Topics selected from vector algebra; scalar and vector fields; line, surface, and volume integrals; theorems of Green, Gauss, and Stokes; vector differential calculus.

**Prerequisites:** junior standing and a grade of C or better in MATH 233(P); or graduate standing.

**Course Rules:** Previously MATH 321.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 325G Vector Analysis**

3 cr. Undergraduate/Graduate.

Topics selected from vector algebra; scalar and vector fields; line, surface, and volume integrals; theorems of Green, Gauss, and Stokes; vector differential calculus.

**Prerequisites:** junior standing and a grade of C or better in MATH 233(P); or graduate standing.

**Course Rules:** Previously MATH 321.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 341 Seminar: Introduction to the Language and Practice of Mathematics**

3 cr. Undergraduate.

Facility with mathematical language and method of conjecture, proof and counter example, with emphasis on proofs. Topics: logic, sets, functions and others.

**Prerequisites:** a grade of C or better in MATH 115(P); or both Proficiency in Trigonometry (a grade of C or better in MATH 117(P), or Level 26 or 36 on Math Placement Test) and Proficiency in Algebra (grade of C or better in MATH 116(P) or MATH 211(P), or Level 35 on Math Placement Test); or Math Placement Level 40.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 345 Mathematics from a Historical Perspective:**

3 cr. Undergraduate.

Topics from the development of mathematics, such as famous problems, mathematicians, calculating devices; chronological outlines. Significant reading and writing assignments.

**Prerequisites:** a grade of C or better in MATH 212(P) or MATH 232(P) and satisfaction of OWC-A.

**Course Rules:** May be retaken with change in topic to 9 cr max. Additional prerequisites announced in the Schedule of Classes with each offering.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2021, Fall 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 381 Honors Seminar.**

3 cr. Undergraduate.

Significant topics to illustrate to non-mathematicians the characteristic features of mathematical thought. Only H.S. algebra and geometry assumed.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.

**Course Rules:** May be retaken with change in topic to 9 cr max. Not open for cr toward a major in Math.

**General Education Requirements:** NS

**Last Taught:** Fall 2015, Fall 2013, Spring 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 405 Mathematical Models and Applications**

3 cr. Undergraduate/Graduate.

Modeling techniques for analysis and decision-making in social and life sciences and industry. Deterministic and stochastic modeling. Topics may vary with instructors.

**Prerequisites:** jr st; one of: grade of C or better in Math 211(P), grade of B or better in Math 213(P), or grade of C or better in Math 231(P); & grade of C or better in either Math/ElecEng 234(P) or Math 240(P); or grad st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 405G Mathematical Models and Applications**

3 cr. Undergraduate/Graduate.

Modeling techniques for analysis and decision-making in social and life sciences and industry. Deterministic and stochastic modeling. Topics may vary with instructors.

**Prerequisites:** jr st; one of: grade of C or better in Math 211(P), grade of B or better in Math 213(P), or grade of C or better in Math 231(P); & grade of C or better in either Math/ElecEng 234(P) or Math 240(P); or grad st.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 413 Introduction to Numerical Analysis**

3 cr. Undergraduate/Graduate.

Root finding and solution of nonlinear systems; direct solution of linear systems; interpolation & approximation of functions; least squares; fast Fourier transform; quadrature.

**Prerequisites:** jr st, grade of C or better in Math 233(C), & grade of C or better in Math/ElecEng 234(C); or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 413G Introduction to Numerical Analysis**

3 cr. Undergraduate/Graduate.

Root finding and solution of nonlinear systems; direct solution of linear systems; interpolation & approximation of functions; least squares; fast Fourier transform; quadrature.

**Prerequisites:** jr st, grade of C or better in Math 233(C), & grade of C or better in Math/ElecEng 234(C); or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 415 Introduction to Scientific Computing**

3 cr. Undergraduate/Graduate.

Nonlinear systems; iterative solution of linear systems; initial value problems in ordinary differential equations; boundary value problems in ordinary and partial differential equations.

**Prerequisites:** jr st, grade of C or better in Math 233(C), & grade of C or better in Math/ElecEng 234(C); or grad st.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 415G Introduction to Scientific Computing**

3 cr. Undergraduate/Graduate.

Nonlinear systems; iterative solution of linear systems; initial value problems in ordinary differential equations; boundary value problems in ordinary and partial differential equations.

**Prerequisites:** jr st, grade of C or better in Math 233(C), & grade of C or better in Math/ElecEng 234(C); or grad st.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 417 Computational Linear Algebra**

3 cr. Undergraduate/Graduate.

Direct solution of linear systems; iterative solution of linear systems; least squares; eigenvalue problems.

**Prerequisites:** jr st & grade of C or better in Math/ElecEng 234(P) or Math 240(P); or grad st.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 417G Computational Linear Algebra**

3 cr. Undergraduate/Graduate.

Direct solution of linear systems; iterative solution of linear systems; least squares; eigenvalue problems.

**Prerequisites:** jr st & grade of C or better in Math/ElecEng 234(P) or Math 240(P); or grad st.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 431 Modern Algebra with Applications**

3 cr. Undergraduate/Graduate.

Groups, rings, fields, Boolean algebras with emphasis on their applications to computer science and other areas.

**Prerequisites:** junior standing and a grade of C or better in MATH 212(P) or MATH 232(P); or graduate standing.**Course Rules:** Does not carry graduate credit in math sci.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 431G Modern Algebra with Applications**

3 cr. Undergraduate/Graduate.

Groups, rings, fields, Boolean algebras with emphasis on their applications to computer science and other areas.

**Prerequisites:** junior standing and a grade of C or better in MATH 212(P) or MATH 232(P); or graduate standing.**Course Rules:** Does not carry graduate credit in math sci.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 451 Axiomatic Geometry**

3 cr. Undergraduate/Graduate.

An axiomatic approach to Euclidean and non-Euclidean geometry (historic role of the parallel postulate and models).

**Prerequisites:** junior standing and a grade of C or better in MATH 341(P); or graduate standing.**Course Rules:** Department consent required for graduate credit in math sci.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 451G Axiomatic Geometry**

3 cr. Undergraduate/Graduate.

An axiomatic approach to Euclidean and non-Euclidean geometry (historic role of the parallel postulate and models).

**Prerequisites:** junior standing and a grade of C or better in MATH 341(P); or graduate standing.**Course Rules:** Department consent required for graduate credit in math sci.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 489 Internship in Mathematics, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of mathematics in a business, organizational, educational, governmental, or other appropriate setting.

**Prerequisites:** jr st; 6 cr 300-level or above in math or math stats; 2.5 gpa in the major; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 490 Topics in Mathematics:**

3 cr. Undergraduate/Graduate.

Specific topics and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** junior standing; grade of C or better in a MATH or MTHSTAT course at the 200 level or above; or graduate standing.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Summer 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 490G Topics in Mathematics:**

3 cr. Undergraduate/Graduate.

Specific topics and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** junior standing; grade of C or better in a MATH or MTHSTAT course at the 200 level or above; or graduate standing.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Summer 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored programs before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored programs before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2010, Spring 2008, Fall 2007, Fall 1999.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 511 Symbolic Logic**

3 cr. Undergraduate/Graduate.

First-order predicate calculus; formal properties of theoretical systems; chief results of modern mathematical logic; advanced topics such as completeness and computability.

**Prerequisites:** junior standing; PHILOS 212(P) or 6 cr of Math at the 300-level or above; or graduate standing.

**Course Rules:** COMPSCI 511, MATH 511 and PHILOS 511 are jointly offered and count as repeat of each other.

**Last Taught:** Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 511G Symbolic Logic**

3 cr. Undergraduate/Graduate.

First-order predicate calculus; formal properties of theoretical systems; chief results of modern mathematical logic; advanced topics such as completeness and computability.

**Prerequisites:** junior standing; PHILOS 212(P) or 6 cr of Math at the 300-level or above; or graduate standing.

**Course Rules:** COMPSCI 511, MATH 511 and PHILOS 511 are jointly offered and count as repeat of each other.

**Last Taught:** Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 523 Advanced Calculus I**

3 cr. Undergraduate/Graduate.

Fundamental notions of sets and functions; limits, continuity; Riemann integral, improper integral; infinite series; uniform convergence; power series; improper integrals with a parameter.

**Prerequisites:** junior standing and a grade of C or better in MATH 232(P) and MATH 341(P); or graduate standing.

**Course Rules:** Previously MATH 521.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 523G Advanced Calculus I**

3 cr. Undergraduate/Graduate.

Fundamental notions of sets and functions; limits, continuity; Riemann integral, improper integral; infinite series; uniform convergence; power series; improper integrals with a parameter.

**Prerequisites:** junior standing and a grade of C or better in MATH 232(P) and MATH 341(P); or graduate standing.

**Course Rules:** Previously MATH 521.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 524 Advanced Calculus II**

3 cr. Undergraduate/Graduate.

Linear functions; differentiation of functions of several variables (implicit functions, Jacobians); change of variable in multiple integrals; integrals over curves, surfaces; Green, Gauss, Stokes theorems.

**Prerequisites:** junior standing, MATH 523(521)(P), a grade of C or better in MATH 233(P), and a grade of C or better in MATH 234(P) or MATH 240(P); or graduate standing.

**Course Rules:** Previously MATH 522.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 524G Advanced Calculus II**

3 cr. Undergraduate/Graduate.

Linear functions; differentiation of functions of several variables (implicit functions, Jacobians); change of variable in multiple integrals; integrals over curves, surfaces; Green, Gauss, Stokes theorems.

**Prerequisites:** junior standing, MATH 523(521)(P), a grade of C or better in MATH 233(P), and a grade of C or better in MATH 234(P) or MATH 240(P); or graduate standing.

**Course Rules:** Previously MATH 522.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 529 Structure of Real and Complex Numbers**

3 cr. Undergraduate/Graduate.

Construction of the real and complex number systems; topology of the real line and the complex plane; sequences and series of complex numbers.

**Prerequisites:** junior standing and MATH 341(P); or graduate standing.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 529G Structure of Real and Complex Numbers**

3 cr. Undergraduate/Graduate.

Construction of the real and complex number systems; topology of the real line and the complex plane; sequences and series of complex numbers.

**Prerequisites:** junior standing and MATH 341(P); or graduate standing.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 531 Modern Algebra**

3 cr. Undergraduate/Graduate.

Integers; groups; rings; fields; emphasis on proofs.

**Prerequisites:** jr st; grade of C or better in Math 341(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 531G Modern Algebra**

3 cr. Undergraduate/Graduate.

Integers; groups; rings; fields; emphasis on proofs.

**Prerequisites:** jr st; grade of C or better in Math 341(P).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 535 Linear Algebra**

3 cr. Undergraduate/Graduate.

Vector spaces; systems of linear equations; linear transformations and matrices; bilinear, quadratic, and Hermitian forms; eigentheory; canonical forms; selected topics. Emphasizes theory and proof.

**Prerequisites:** junior standing, a grade of C or better in MATH 234(P) or MATH 240(P), and a grade of C or better in MATH 341(P); or graduate standing.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 535G Linear Algebra**

3 cr. Undergraduate/Graduate.

Vector spaces; systems of linear equations; linear transformations and matrices; bilinear, quadratic, and Hermitian forms; eigentheory; canonical forms; selected topics. Emphasizes theory and proof.

**Prerequisites:** junior standing, a grade of C or better in MATH 234(P) or MATH 240(P), and a grade of C or better in MATH 341(P); or graduate standing.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 537 Number Theory**

3 cr. Undergraduate/Graduate.

Number theoretic functions; distribution of primes; Diophantine approximation; partitions; additive number theory; quadratic reciprocity.

**Prerequisites:** jr st, grade of C or better in both Math 232(P) & 341(P); or grad st.

**Last Taught:** Spring 2019, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 537G Number Theory**

3 cr. Undergraduate/Graduate.

Number theoretic functions; distribution of primes; Diophantine approximation; partitions; additive number theory; quadratic reciprocity.

**Prerequisites:** jr st, grade of C or better in both Math 232(P) & 341(P); or grad st.

**Last Taught:** Spring 2019, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 551 Elementary Topology**

3 cr. Undergraduate/Graduate.

General theory of point sets in Euclidean spaces, with emphasis on topology of two-dimensional and three-dimensional spaces; elementary notions of metric spaces; applications.

**Prerequisites:** jr st; grades of C or better in Math 233(P) & 341(P); or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 551G Elementary Topology**

3 cr. Undergraduate/Graduate.

General theory of point sets in Euclidean spaces, with emphasis on topology of two-dimensional and three-dimensional spaces; elementary notions of metric spaces; applications.

**Prerequisites:** jr st; grades of C or better in Math 233(P) & 341(P); or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 553 Differential Geometry**

3 cr. Undergraduate/Graduate.

The theory of curves and surfaces by differential methods.

**Prerequisites:** jr st, grade of C or better in all of Math 233(P), 234(P) & 341(P); or grad st.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 553G Differential Geometry**

3 cr. Undergraduate/Graduate.

The theory of curves and surfaces by differential methods.

**Prerequisites:** jr st, grade of C or better in all of Math 233(P), 234(P) & 341(P); or grad st.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 575 High School Mathematics from an Advanced Viewpoint**

3 cr. Undergraduate/Graduate.

Number systems; algebra of polynomials; theory of equations; functions; modeling; geometric measurement; geometric transformations; connections between advanced mathematics and high school topics.

**Prerequisites:** jr st, MATH 341(P) and an additional 6 credits of Math at the 300 level or above; or cons instr; or grad st.

**Course Rules:** Counts as repeat of MATH 690 with similar topic.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 575G High School Mathematics from an Advanced Viewpoint**

3 cr. Undergraduate/Graduate.

Number systems; algebra of polynomials; theory of equations; functions; modeling; geometric measurement; geometric transformations; connections between advanced mathematics and high school topics.

**Prerequisites:** jr st, MATH 341(P) and an additional 6 credits of Math at the 300 level or above; or cons instr; or grad st.

**Course Rules:** Counts as repeat of MATH 690 with similar topic.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 583 Introduction to Probability Models**

3 cr. Undergraduate.

Probability review, Markov chains in discrete and continuous time. Random walks, branching processes, birth and death processes. Queuing theory. Applications to physical sciences, engineering, mathematics.

**Prerequisites:** junior standing; a grade of C or better in MATH 233(P); a grade of C or better in MATH 234(P)/ELECENG 234(P) or in both MATH 240(P) and MATH 320(P); and one calculus-based course in statistics or probability at the 300 level or above; or graduate standing.

**Course Rules:** Previously MATH 571.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 591 Undergraduate Seminar**

1 cr. Undergraduate.

Specific topics and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken w/chg in topic to 4 cr max.

**Last Taught:** Spring 2023, Fall 2022, Spring 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 599 Capstone Experience**

1 cr. Undergraduate.

Student writes a paper under supervision of an advisor on an approved topic not covered in the student's regular course work.

**Prerequisites:** sr st; cons instr.

**Course Rules:** May be retaken w/chg in topic to 2 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 603 Advanced Engineering Mathematics I**

3 cr. Undergraduate.

Sequences and series, elementary complex analysis; Fourier series; linear and nonlinear ordinary differential equations; matrix theory, elementary functional analysis; elementary solution of partial differential equations.

**Prerequisites:** junior standing; a grade of C or better in both of MATH 233(P) and MATH/ELECENG 234(P); 3 cr Math at 300-level or above; or consent of instructor; or graduate standing.**Course Rules:** Previously MATH 601.**Last Taught:** Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 604 Advanced Engineering Mathematics II**

3 cr. Undergraduate.

Continuation of MATH 603(601). Partial differential equations, Fourier and Laplace transforms, convolutions, special functions, mathematical modeling.

**Prerequisites:** junior standing; MATH 603(601)(P).**Course Rules:** Previously MATH 602.**Last Taught:** Spring 2021, Spring 2019, Spring 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 610 Numerical Solution of Partial Differential Equations**

3 cr. Undergraduate.

Finite difference solution of elliptic boundary value problems and of evolution problems; solution of hyperbolic conservation laws; finite volume methods; finite element methods.

**Prerequisites:** junior standing; MATH 413(P), MATH 415(414)(P), or MATH 417(416)(P); MATH 322(P) or MATH 604(602)(P); or consent of instructor.**Course Rules:** Previously MATH 615.**Last Taught:** Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 617 Optimization**

3 cr. Undergraduate.

Unconstrained and constrained optimization: linear, nonlinear, and dynamic programming; barrier, penalty, and Lagrangian methods; Karush-Kuhn-Tucker theory, quadratic, and sequential quadratic programming; evolutionary algorithms.

**Prerequisites:** junior standing; MATH 325(321)(P) or MATH 604(602)(P); or graduate standing; or consent of instructor.**Last Taught:** Spring 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 623 Introduction to Analysis I**

3 cr. Undergraduate.

Topology of Euclidean space; continuity; differentiation of real and vector-valued functions; Riemann-Stieltjes integration.

**Prerequisites:** junior standing; a grade of C or better in MATH 233(P), MATH 341(P), and either MATH 234(P) or MATH 240(P); consent of department advisor; or graduate standing.**Course Rules:** Previously MATH 621.**Last Taught:** Fall 2023, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 624 Introduction to Analysis II**

3 cr. Undergraduate.

Continuation of MATH 623(621). Sequences and series of functions; uniform convergence; power series; functions of several variables; inverse and implicit function theorems; differential forms; Stokes' theorem.

**Prerequisites:** junior standing; MATH 623(621)(P) or consent of instructor; or graduate standing.**Course Rules:** Previously MATH 622.**Last Taught:** Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 635 Modern Algebra I**

3 cr. Undergraduate.

Group theory, including normal subgroups, quotients, permutation groups, Sylow's theorems, Abelian groups; field theory; linear algebra over general fields.

**Prerequisites:** junior standing; a grade of C or better in MATH 341(P) and either MATH 234(P) or MATH 240(P); consent of department advisor; or graduate standing.**Course Rules:** Previously MATH 631.**Last Taught:** Fall 2023, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 636 Modern Algebra II**

3 cr. Undergraduate.

Continuation of MATH 635(631). Ring theory, including ideals, quotient rings, Euclidean rings, polynomial rings, unique factorization; modules, including vector spaces, linear transformations, canonical forms; bilinear forms.

**Prerequisites:** junior standing; MATH 635(631)(P) or consent of instructor; or graduate standing.**Course Rules:** Previously MATH 632.**Last Taught:** Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 690 Topics in Mathematics:**

3 cr. Undergraduate/Graduate.

Specific topics and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st, at least one U/G Math or MthStat course; cons instr; or grad st.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 690G Topics in Mathematics:**

3 cr. Undergraduate/Graduate.

Specific topics and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st, at least one U/G Math or MthStat course; cons instr; or grad st.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 699 Independent Reading**

1-3 cr. Undergraduate.

See Advanced Independent Study. For further information, consult dept chair.

**Prerequisites:** jr st; 2.0 GPA, consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Spring 2023, Fall 2022, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 703 Advanced Engineering Mathematics I**

3 cr. Graduate.

Sequences and series, elementary complex analysis; Fourier series; linear and nonlinear ordinary differential equations; matrix theory, elementary functional analysis; elementary solution of partial differential equations.

**Prerequisites:** graduate standing; or junior standing; grade of C or better in both MATH 233(P) and MATH/ELECENG 234(P); 3 cr MATH at 300-level or above; or consent of instructor.

**Course Rules:** No credit for students with credit in MATH 603.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 704 Advanced Engineering Mathematics II**

3 cr. Graduate.

Continuation of MATH 703. Partial differential equations, Fourier and Laplace transforms, convolutions, special functions, mathematical modeling.

**Prerequisites:** graduate standing and MATH 703(P).

**Course Rules:** No credit for students with credit in MATH 604.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 710 Numerical Solution of Partial Differential Equations**

3 cr. Graduate.

Finite difference and finite element methods for boundary value and evolution problems; solution of hyperbolic conservation laws; consistency, convergence, and stability; iterative methods for related linear systems.

**Prerequisites:** graduate standing; MATH 413(P), MATH 415(414)(P), or MATH 417(416)(P); MATH 322(P), MATH 604(602)(P), or MATH 704(P); or consent of instructor.

**Course Rules:** No credit for students with credit in MATH 610(615).

Previously MATH 707.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 717 Optimization**

3 cr. Graduate.

Introduction of numerical algorithms for unconstrained and constrained optimization, nonlinear programming, least-squares problems, quadratic programming, Karush-Kuhn-Tucker theory, penalty and augmented Lagrangian methods.

**Prerequisites:** graduate standing; MATH 313(P), MATH 315(P), MATH 417(P), MATH 604(602)(P), or MATH 704(P); or consent of instructor.

**Course Rules:** No credit for students with credit in MATH 617. Previously MATH 708.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 723 Introduction to Analysis I**

3 cr. Graduate.

Topology of Euclidean space; continuity; differentiation of real and vector-valued functions; Riemann-Stieltjes integration.

**Prerequisites:** graduate standing; consent of instructor.

**Course Rules:** No credit for students with credit in MATH 623(621).

**Last Taught:** Fall 2023, Fall 2022, Spring 1987.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 724 Introduction to Analysis II**

3 cr. Graduate.

Continuation of MATH 723. Sequences and series of functions; uniform convergence; power series; functions of several variables; inverse and implicit function theorems; differential forms; Stokes' theorem.

**Prerequisites:** graduate standing; MATH 723(P) or consent of instructor.

**Course Rules:** No credit for students with credit in MATH 624(622).

Previously MATH 722.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 735 Modern Algebra I**

3 cr. Graduate.

Group theory, including normal subgroups, quotients, permutation groups, Sylow's theorems, Abelian groups; field theory; linear algebra over general fields.

**Prerequisites:** graduate standing.

**Course Rules:** No credit for students with credit in MATH 635(631).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 736 Modern Algebra II**

3 cr. Graduate.

Continuation of MATH 735. Ring theory, including ideals, quotient rings, Euclidean rings, polynomial rings, unique factorization; modules, including vector spaces, linear transformations, canonical forms; bilinear forms.

**Prerequisites:** graduate standing.

**Course Rules:** No credit for students with credit in MATH 636(632).

**Last Taught:** Spring 2023, Fall 2005, Fall 1991, Fall 1988.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 783 Introduction to Probability Models**

3 cr. Graduate.

Probability review, Markov chains in discrete and continuous time. Random walks, branching processes, birth and death processes. Queuing theory. Applications to physical sciences, engineering, mathematics.

**Prerequisites:** graduate standing or consent of instructor; recommended are courses in multivariable calculus, elementary linear algebra and differential equations, and one calculus-based course in statistics or probability at the 300 level or above.

**Course Rules:** No credit for students with credit in MATH 583(571).

**Last Taught:** Spring 2023, Fall 2021, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 799 Seminar in Mathematics:**

1-3 cr. Graduate.

Specific topics and any additional prerequisites announced in Timetable each time course is offered.

**Prerequisites:** grad st & cons instr.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 803 Industrial Mathematics I**

3 cr. Graduate.

Elementary functional analysis, wavelets, control theory. Use of mathematical software emphasized throughout.

**Prerequisites:** graduate standing in natural science discipline; MATH 524(522)(P), MATH 604(602)(P), MATH 624(622)(P), or MATH 704(P).**Course Rules:** Previously MATH 701.**Last Taught:** Fall 2021, Fall 2019, Fall 2017, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 804 Industrial Mathematics II**

3 cr. Graduate.

Optimal control theory, digital signal processing, image processing, linear programming, nonlinear optimization, artificial neural networks. Use of mathematical software emphasized throughout.

**Prerequisites:** graduate standing in natural science discipline; MATH 803(701)(P).**Course Rules:** Previously MATH 702.**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 807 Group Theory and Its Applications to Physics**

3 cr. Graduate.

Representations of discrete and continuous groups, including rotation groups, unitary groups and crystal point and space groups. Symmetries of elementary particles. Molecular orbitals, energy bands.

**Prerequisites:** grad st; Physics 532(P).**Course Rules:** Counts as a repeat of Physics 807.**Last Taught:** Spring 2021, Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 810 Numerical Analysis I**

3 cr. Graduate.

Polynomial interpolation and approximation; numerical differentiation and integration; direct and iterative methods for linear systems; and iterative methods for nonlinear algebraic equations.

**Prerequisites:** graduate standing; MATH 413(P); MATH 523(521)(P), MATH 623(621)(P), or MATH 723(P).**Course Rules:** Previously MATH 715.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 811 Numerical Analysis II**

3 cr. Graduate.

Numerical methods for initial value problems of ordinary differential equations; gradient descent and conjugate gradient methods and preconditioning techniques for solving large scale sparse linear systems; orthogonal polynomials and least squares techniques.

**Prerequisites:** graduate standing; MATH 810(P) or consent of instructor.**Course Rules:** Previously MATH 805.**Last Taught:** Spring 1993, Fall 1985.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 816 Ordinary Differential Equations**

3 cr. Graduate.

Existence and uniqueness theorems for systems of ode; qualitative properties of solutions, including stability and asymptotic behavior; general theory of linear systems; sturm-liouville problems.

**Prerequisites:** graduate standing; MATH 524(522)(P), MATH 624(622)(P), or MATH 724(P).**Course Rules:** No credit for students with credit in MATH 716.**Last Taught:** Fall 2023, Spring 2010, Spring 2006, Spring 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 819 Partial Differential Equations**

3 cr. Graduate.

First and second order equations; characteristics, cauchy problem; classical solutions of linear elliptic, parabolic and hyperbolic equations.

**Prerequisites:** graduate standing; MATH 524(522)(P), MATH 624(622)(P), or MATH 724(P); MATH 320(P).**Course Rules:** No credit for students with credit in MATH 719.**Last Taught:** Fall 2000, Fall 1996, Spring 1996, Fall 1991.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 823 Theory of Functions of a Real Variable I**

3 cr. Graduate.

Equivalence relations; cardinal and ordinal numbers; topology of real line; cantor and borel sets; lebesgue measure on real line; baire and measurable functions; lebesgue integral.

**Prerequisites:** graduate standing; MATH 524(522)(P) and MATH 551(P); or MATH 624(622)(P) or MATH 724(P).**Course Rules:** No credit for students with credit in MATH 711.**Last Taught:** Fall 2023, Fall 2022, Spring 1989.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 824 Theory of Functions of a Real Variable II**

3 cr. Graduate.

Lebesgue integration; modes of convergence; lp spaces; vitali covering and lebesgue density theorems; dini derivatives; differentiation; fundamental theorem of the lebesgue integral calculus; fubini's theorem.

**Prerequisites:** graduate standing; MATH 823(P).**Course Rules:** Previously MATH 712.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 825 Functional Analysis I**

3 cr. Graduate.

Basic notions of functional analysis in hilbert space will be introduced. The concepts will be illustrated by applications to elementary differential and integral equation problems.

**Prerequisites:** graduate standing; MATH 524(522)(P), MATH 624(622)(P), or MATH 724(P).**Course Rules:** No credit for students with credit in MATH 726.**Last Taught:** Fall 2023, Spring 2013, Fall 1998, Fall 1994.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MATH 826 Functional Analysis II**

3 cr. Graduate.

Continuation of MATH 825.

**Prerequisites:** graduate standing and MATH 825(P).**Last Taught:** Spring 1999, Spring 1994, Spring 1993.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 827 Theory of Functions of a Complex Variable I**

3 cr. Graduate.

Complex numbers; linear transformations; elementary functions; conformal mapping; complex integration; infinite sequences; dirichlet problem; multivalued functions.

**Prerequisites:** graduate standing; MATH 524(522)(P), MATH 623(621)(P), or MATH 723(P).

**Course Rules:** No credit for students with credit in MATH 713.

**Last Taught:** Fall 2022, Spring 1995, Spring 1991, Spring 1987.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 828 Theory of Functions of a Complex Variable II**

3 cr. Graduate.

Continuation of MATH 827.

**Prerequisites:** graduate standing; MATH 827(P).

**Course Rules:** Previously MATH 714.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 835 Abstract Algebra I**

3 cr. Graduate.

Basic course which is prerequisite for all other 800-899 level courses in algebra; groups, rings, fields, galois theory, modules, and categories.

**Prerequisites:** graduate standing; MATH 636(632)(P) or MATH 736(P); consent of instructor.

**Course Rules:** Previously MATH 731.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 836 Abstract Algebra II**

3 cr. Graduate.

Continuation of MATH 835(731).

**Prerequisites:** graduate standing; MATH 835(731)(P).

**Course Rules:** Previously MATH 732.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 843 Homological Algebra I**

3 cr. Graduate.

Modules; diagrams; categories; functors; complexes; cohomology; extensions; resolutions; injective and projective systems; graded modules; homological dimension; spectral sequences; derived functors.

**Prerequisites:** graduate standing; MATH 835(731)(P).

**Last Taught:** Fall 2019, Fall 2015, Fall 2010, Fall 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 844 Homological Algebra II**

3 cr. Graduate.

Continuation of Math 843.

**Prerequisites:** grad st; Math 843(P).

**Last Taught:** Spring 2020, Spring 2016, Spring 2011, Spring 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 853 Differential Geometry**

3 cr. Graduate.

Theory of curves, surfaces, and manifolds in modern terminology. Global results on closed surfaces, geodesics, differential forms and tensor calculus. Introduction to Riemannian geometry.

**Prerequisites:** graduate standing; MATH 524(522)(P), MATH 624(622)(P), or MATH 724(P).

**Course Rules:** Previously MATH 709.

**Last Taught:** Fall 2007, Fall 2000.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 854 Topics in Differential Geometry:**

1-3 cr. Graduate.

Topics may be selected from Riemannian geometry, minimal surfaces and surfaces of prescribed mean curvature, geometric partial differential equations, or related areas of geometry.

**Prerequisites:** graduate standing; consent of instructor.

**Course Rules:** Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered. Retakable with change in topic to 24 cr max. Previously MATH 809.

**Last Taught:** Spring 2008, Spring 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 855 Introductory Topology I**

3 cr. Graduate.

Fundamental properties and examples of topological spaces and continuous functions, including compactness, connectedness, metrizable, completeness, product and quotient spaces, homeomorphisms, embedding, extension, and euclidean spaces.

**Prerequisites:** graduate standing; MATH 524(522)(P), MATH 623(621)(P), or MATH 723(P).

**Course Rules:** Previously MATH 751.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 856 Introductory Topology II**

3 cr. Graduate.

Continuation of MATH 855(751).

**Prerequisites:** graduate standing; MATH 855(751)(P).

**Course Rules:** Previously MATH 752.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 857 Introduction to Algebraic Topology I**

3 cr. Graduate.

Homology theory; complexes and simplicial homology theory; general homology theories; cohomology rings; applications to manifolds, fixed point theorems, etc.

**Prerequisites:** graduate standing; MATH 636(632)(P) or MATH 736(P); MATH 551(P) or MATH 855(751)(P) or consent of instructor.

**Course Rules:** No credit for students with credit in MATH 753.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 858 Introduction to Algebraic Topology II**

3 cr. Graduate.

Continuation of MATH 857.

**Prerequisites:** graduate standing; MATH 857(P).

**Course Rules:** Previously MATH 754.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 883 Theory of Probability**

3 cr. Graduate.

Measure-theoretic foundations; limit-law theorems; weak and strong laws of large numbers; central limit problem; conditional expectations, martingales; stochastic processes.

**Prerequisites:** graduate standing; MATH 824(712)(C).

**Course Rules:** Previously MATH 771.

**Last Taught:** Fall 2023, Spring 2022, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 884 Stochastic Calculus and Applications**

3 cr. Graduate.

Basic stochastic analysis and control theories and techniques; their applications to model and analyze real-world applications in which random noises are inherent.

**Prerequisites:** graduate standing; MATH 883(P) or consent of instructor.

**Course Rules:** Previously MATH 777.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Summer 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 890 Master's Thesis**

1-3 cr. Graduate.

Course for students completing supervised Master's Thesis.

**Prerequisites:** graduate standing; consent of instructor.

**Course Rules:** Credit(s) count toward Master's degree only if student completes thesis option. Repeatable to 12 cr max. Previously MATH 790.

**Last Taught:** Summer 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 891 Master's Seminar**

1-3 cr. Graduate.

Course for students completing Master's Project.

**Prerequisites:** graduate standing; consent of instructor.

**Course Rules:** May not be taken for credit more than once. Previously MATH 791.

**Last Taught:** Spring 2020, Summer 2018, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 892 Industrial Internship**

1-3 cr. Graduate.

Students earn credits for serving in an industrial internship that involves work of an advanced mathematical nature. They must prepare a report based on the internship.

**Prerequisites:** graduate standing; consent of instructor.

**Course Rules:** Retakable to 6 cr max. Previously MATH 792.

**Last Taught:** Summer 2022, Summer 2021, Summer 2019, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 893 Scientific Computational Laboratory:**

1-2 cr. Graduate.

Scientific programming and numerical study (in Python/Matlab) on numerical algorithms for solving linear and nonlinear systems, data interpolation/fitting, and differential equations (initial and boundary value problems).

**Prerequisites:** graduate standing; MATH 810(715)(C).

**Course Rules:** Retakable with change in topic to 6 cr max. Previously MATH 793.

**Last Taught:** Fall 2022, Spring 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 899 Seminar in Advanced Mathematics**

1-3 cr. Graduate.

Specific topics and any additional prerequisites announced in the Schedule of Classes each time course is offered.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Retakable with change in topic to 24 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 901 Topics in Applied Mathematics:**

3 cr. Graduate.

Specific topics in applied mathematics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** graduate standing; consent of instructor.

**Course Rules:** Retakable with change in topic to 24 cr max. Previously MATH 801.

**Last Taught:** Spring 2022, Fall 2021, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 910 Topics in Numerical Analysis:**

3 cr. Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** graduate standing; MATH 810(715)(P).

**Course Rules:** Retakable with change in topic to 24 cr max. Previously MATH 815.

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 921 Advanced Topics in Real Analysis:**

3 cr. Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** graduate standing; MATH 824(712)(P).

**Course Rules:** Retakable with change in topic to 24 cr max. Previously MATH 821.

**Last Taught:** Spring 2019, Fall 2017, Fall 2012, Fall 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 941 Advanced Topics in Algebra:**

3 cr. Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** graduate standing; MATH 836(732)(P); consent of instructor.

**Course Rules:** Retakable with change in topic to 24 cr max. Previously MATH 841.

**Last Taught:** Fall 2023, Fall 2022, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 951 Advanced Topics in Topology:**

3 cr. Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** graduate standing; MATH 856(752)(P); consent of instructor.

**Course Rules:** Retakable with change in topic to 24 cr max. Previously MATH 851.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 983 Advanced Topics in Probability:**

3 cr. Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Retakable with change in topic to 24 cr max. Previously MATH 873.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MATH 990 Reading and Research**

1-6 cr. Graduate.

To be arranged with your instructor and department chair.

**Prerequisites:** grad st.

**Course Rules:** Retakable.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Mathematical Statistics (MTHSTAT)

**MTHSTAT 194 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshman. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** NS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 215 Elementary Statistical Analysis**

3 cr. Undergraduate.

Elementary probability theory; descriptive statistics; sampling distributions; basic problems of statistical inference including estimation; tests of statistical hypothesis in both one- and two- sample cases.

**Prerequisites:** satisfaction of Quantitative Literacy Part A GER.

**General Education Requirements:** NS, QLB

**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 216 Introduction to Statistical Computing and Data Science**

3 cr. Undergraduate.

Introduction to hands-on data analysis, performed on large, complex and realistic data sets, using a scientific programming language like R.

**Prerequisites:** MTHSTAT 215(P), IND ENG 367(P), BUS ADM 210(P), ECON 210(P), PSYCH 210(P), SOCIOL 261(P), or KIN 270(P); or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 361 Introduction to Mathematical Statistics I**

3 cr. Undergraduate/Graduate.

Probability spaces; discrete and continuous, univariate and multivariate distributions; moments; independence, random sampling, sampling distributions; normal and related distributions; point and interval estimation.

**Prerequisites:** junior standing and MATH 212(P) or MATH 233(P).

**Course Rules:** Not recommended for graduate students in math, or students not planning to take MTHSTAT 362.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 361G Introduction to Mathematical Statistics I**

3 cr. Undergraduate/Graduate.

Probability spaces; discrete and continuous, univariate and multivariate distributions; moments; independence, random sampling, sampling distributions; normal and related distributions; point and interval estimation.

**Prerequisites:** junior standing and MATH 212(P) or MATH 233(P).

**Course Rules:** Not recommended for graduate students in math, or students not planning to take MTHSTAT 362.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 362 Introduction to Mathematical Statistics II**

3 cr. Undergraduate/Graduate.

Testing statistical hypothesis; linear hypothesis; regression; analysis of variance and experimental designs; distribution-free methods; sequential methods.

**Prerequisites:** jr st; MthStat 361(P).

**Course Rules:** Not recom for grad students in math.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 362G Introduction to Mathematical Statistics II**

3 cr. Undergraduate/Graduate.

Testing statistical hypothesis; linear hypothesis; regression; analysis of variance and experimental designs; distribution-free methods; sequential methods.

**Prerequisites:** jr st; MthStat 361(P).

**Course Rules:** Not recom for grad students in math.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 489 Internship in Mathematical Statistics, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of mathematical statistics in a business, organizational, educational, governmental, or other appropriate setting.

**Prerequisites:** jr st; 6 cr 300-level or above in Math or MthStat; 2.5 gpa in the major; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. May be retaken to 6 cr max.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 560 Data Preparation and Exploration**

3 cr. Undergraduate.

Data preparation, including data cleaning, imputation of missing data, detection of outliers, feature selection, data transformations, and data exploration.

**Prerequisites:** junior standing; MTHSTAT 362(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 562 Design of Experiments**

3 cr. Undergraduate/Graduate.

Latin squares; incomplete block designs; factorial experiments; confounding; partial confounding; split-plot experiments; fractional replication.

**Prerequisites:** jr st; MthStat 362(P); Math 234(P) or 240(P).

**Last Taught:** Fall 2008, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 562G Design of Experiments**

3 cr. Undergraduate/Graduate.

Latin squares; incomplete block designs; factorial experiments; confounding; partial confounding; split-plot experiments; fractional replication.

**Prerequisites:** jr st; MthStat 362(P); Math 234(P) or 240(P).

**Last Taught:** Fall 2008, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 563 Regression Analysis**

3 cr. Undergraduate/Graduate.

Straight line, polynomial and multiple regression; multiple and partial correlation; testing hypotheses in regression; residual analysis.

**Prerequisites:** jr st; MthStat 467(P) or 362(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 563G Regression Analysis**

3 cr. Undergraduate/Graduate.

Straight line, polynomial and multiple regression; multiple and partial correlation; testing hypotheses in regression; residual analysis.

**Prerequisites:** jr st; MthStat 467(P) or 362(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 564 Time Series Analysis**

3 cr. Undergraduate/Graduate.

Autocorrelation; spectral density; linear models; forecasting; model identification and estimation.

**Prerequisites:** jr st; MthStat 362(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 564G Time Series Analysis**

3 cr. Undergraduate/Graduate.

Autocorrelation; spectral density; linear models; forecasting; model identification and estimation.

**Prerequisites:** jr st; MthStat 362(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 565 Nonparametric Statistics**

3 cr. Undergraduate/Graduate.

Sign, rank and permutation tests; tests of randomness and independence; methods for discrete data and zeroes and ties; power and efficiency of nonparametric tests.

**Prerequisites:** jr st; MthStat 362(P).

**Last Taught:** Spring 2012, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 565G Nonparametric Statistics**

3 cr. Undergraduate/Graduate.

Sign, rank and permutation tests; tests of randomness and independence; methods for discrete data and zeroes and ties; power and efficiency of nonparametric tests.

**Prerequisites:** jr st; MthStat 362(P).

**Last Taught:** Spring 2012, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 566 Computational Statistics**

3 cr. Undergraduate/Graduate.

Basics of programming and optimization techniques; resampling, bootstrap, and Monte Carlo methods; design and analysis of simulation studies.

**Prerequisites:** jr st; MthStat 362(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 566G Computational Statistics**

3 cr. Undergraduate/Graduate.

Basics of programming and optimization techniques; resampling, bootstrap, and Monte Carlo methods; design and analysis of simulation studies.

**Prerequisites:** jr st; MthStat 362(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 568 Multivariate Statistical Analysis**

3 cr. Undergraduate/Graduate.

Multivariate normal distribution; Wishart distribution; Hotelling's T<sub>2</sub>; multivariate normal distribution; multivariate analysis of variance; classification problems.

**Prerequisites:** jr st; MthStat 362(P); Math 234(P) or 240(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 568G Multivariate Statistical Analysis**

3 cr. Undergraduate/Graduate.

Multivariate normal distribution; Wishart distribution; Hotelling's T<sup>2</sup>; multivariate normal distribution; multivariate analysis of variance; classification problems.

**Prerequisites:** jr st; MthStat 362(P); Math 234(P) or 240(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 760 Data Preparation and Exploration**

3 cr. Graduate.

Data preparation, including data cleaning, imputation of missing data, detection of outliers, feature selection, data transformations, and data exploration.

**Prerequisites:** graduate standing and MTHSTAT 362(P); or consent of instructor.

**Course Rules:** No cr for students with cr in MTHSTAT 560.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 763 Regression Analysis**

3 cr. Graduate.

Introduction to linear statistical models and methods. Core topics include: simple and multiple linear regression, model checking, variable transformations, outlier diagnostics, variable selection, and generalized linear models such as logistic regression.

**Prerequisites:** graduate standing; MTHSTAT 362(P) or MTHSTAT 467(P); or consent of instructor.

**Course Rules:** No credit for students with credit in MTHSTAT 563.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 764 Time Series Analysis**

3 cr. Graduate.

Introduction to statistical models and methods for time series data analysis. Core topics include: exponential smoothing, ARIMA models, transfer functions and intervention models, state-space models, GARCH models.

**Prerequisites:** graduate standing; MTHSTAT 362(P) or MTHSTAT 467(P); or consent of instructor.

**Course Rules:** No credit for students with credit in MTHSTAT 564.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 766 Computational Statistics**

3 cr. Graduate.

Introduction to statistical computer programming. Main topics include: basics of programming in R or similar language; optimization and root-finding algorithms; Monte Carlo numerical integration; random sample generation; bootstrap and permutation tests; comparative simulation studies.

**Prerequisites:** graduate standing; MTHSTAT 362(P) or MTHSTAT 467(P), or consent of instructor.

**Course Rules:** No credit for students with credit in MTHSTAT 566.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 768 Multivariate Statistical Analysis**

3 cr. Graduate.

Introduction to statistical models and methods for multivariate data analysis. Core topics include: multivariate random vectors and distributions, principal component analysis, canonical correlation analysis, factor analysis, classification and discrimination, clustering techniques, and multidimensional scaling.

**Prerequisites:** graduate standing; MTHSTAT 362(P) or MTHSTAT 467(P), or consent of instructor.

**Course Rules:** No credit for students with credit in MTHSTAT 568.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 869 Advanced Topics in Mathematical Statistics:**

3 cr. Graduate.

Specific topics and any additional prerequisites will be announced in the Timetable each time the course is offered.

**Prerequisites:** graduate standing and MTHSTAT 762(P).

**Course Rules:** Retakable w/chg in topic to 24 cr max.

**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 871 Mathematical Statistics I**

3 cr. Graduate.

Probability and distribution theory; point and interval estimation; testing hypotheses; large sample inference; nonparametric inference; sequential analysis.

**Prerequisites:** graduate standing and MATH 524(522)(C), MATH 624(622)(C), or MATH 724(C).

**Course Rules:** Previously MTHSTAT 761.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MTHSTAT 872 Mathematical Statistics II**

3 cr. Graduate.

Continuation of MTHSTAT 871(761).

**Prerequisites:** graduate standing and MTHSTAT 871(761)(P).

**Course Rules:** Previously MTHSTAT 762.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Mechanical Engineering (MECHENG)

**MECHENG 101 Computational Tools for Engineers**

2 cr. Undergraduate.

Introduction to the use of spreadsheets and equation solvers. Basic engineering and financial applications using these tools.

**Prerequisites:** MATH 231(C) or MATH 221(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 110 Engineering Fundamentals I**

4 cr. Undergraduate.

Introduction to engineering disciplines, problem-solving, visualization, technical communication, and data collection and analysis.

**Prerequisites:** MATH 231(C) or MATH 225(C), admis to College of Engineering & Applied Science.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 111 Engineering Fundamentals II**

3 cr. Undergraduate.

Intermediate problem-solving skills, experimentation, technical communication and introduction to engineering design.

**Prerequisites:** MECHENG 110(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 150 How Things Work: Understanding Technology**

3 cr. Undergraduate.

An introductory course that explains the technology that affects our everyday life. Topics include: automobiles, computers, telephone, radio, television, etc.

**Prerequisites:** none.**General Education Requirements:** NS+**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 270 Computer Aided Engineering Laboratory**

2 cr. Undergraduate.

Introduction to mechanical design and analysis using parametric CAE tools. Students obtain a foundation in computer-aided design and analysis.

**Prerequisites:** MECHENG 101(P) and MECHENG 111(P); MATH 231(C) or MATH 231(P).**Course Rules:** Previously MECHENG 370.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 301 Basic Engineering Thermodynamics**

3 cr. Undergraduate.

Basic energy concepts and definitions; First and Second Laws of Thermodynamics; ideal and real gases; thermodynamic properties; introductory cycle analysis.

**Prerequisites:** MATH 233(P) and PHYSICS 209(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 302 Introduction to System Dynamics**

3 cr. Undergraduate.

Modeling and analysis of mechanical, electrical, electromechanical, fluid, and combinations thereof; laboratory experiments.

**Prerequisites:** MECHENG 101(P), PHYSICS 210 (P), and a grade of C or better in ELECENG 234(P) and CIV ENG 202(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 320 Introduction to Fluid Mechanics**

3 cr. Undergraduate.

Basic law of fluid mechanics with applications to engineering problems and with discussion.

**Prerequisites:** CIV ENG 202(P), ELECENG 234(P) and PHYSICS 209(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 321 Basic Heat Transfer**

4 cr. Undergraduate.

Introduction to conduction, convection and radiation heat transfer; heat exchangers; mass transfer analogies; laboratory experiments.

**Prerequisites:** junior standing or greater, MECHENG 301(P) and MECHENG 324(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 323 Fluid Mechanics Laboratory**

1 cr. Undergraduate.

Hands-on experiments involving applications of potential flows, boundary layer flows, gas dynamics, aerodynamics, and fluid power.

**Prerequisites:** junior standing and MECHENG 320(P).**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 324 Introduction to Fluid Mechanics**

4 cr. Undergraduate.

Introduction to fluid mechanics, fluid statics, integral relations for a control volume, dimensional analysis and similarity, viscous flow in ducts, flow past immersed bodies, open-channel flow, a set of hands-on experiments.

**Prerequisites:** junior standing, CIV ENG 202(P), ELECENG 234(P), and MECHENG 301(P).**Course Rules:** Students who have previously completed both MECHENG 320 and MECHENG 323 may not receive credit for MECHENG 324.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 360 Mechanical Design I**

3 cr. Undergraduate.

Kinematic and dynamic analysis of machine members and design applications to linkages, cams, gears, machine balancing and mechanical systems subject to various constraints.

**Prerequisites:** MECHENG 101(P), MECHENG 111(P), and CIV ENG 202(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 364 Advanced Mechanics of Materials and Design of Machine Elements 1**

3 cr. Undergraduate.

Design processes, loads and stresses in 3 dimensions, stress and strain relations, 3 dimensional principle stresses, static failure criteria, fatigue failure criteria, and structural stability applied to the design of Machine Elements like shafts.

**Prerequisites:** CIV ENG 203(P), MATLENG 201(P), MECHENG 110(P), and MECHENG 111(P).**Course Rules:** Students with have previously completed MECHENG 366 may not receive credit for MECHENG 364 and MECHENG 368.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 366 Design of Machine Elements**

4 cr. Undergraduate.

Design of mechanical components under steady and fatigue loads.

Design of columns, shafts, fasteners, springs, bearings, gearing, etc. Mini-design projects.

**Prerequisites:** MECHENG 101(P), MECHENG 111(P); MATLENG 201(P); and CIV ENG 303(P).**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 368 Design of Machine Elements 2**

3 cr. Undergraduate.

Application of static and fatigue failure criterion to the design of machine elements including: mechanical fasteners, fastener patterns, welds and bonding, mechanical springs, bearings, gears, clutches, and brakes.

**Prerequisites:** MECHENG 364(P).

**Course Rules:** Students with credit in MECHENG 366 may not receive credit for MECHENG 364 and MECHENG 368.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 379 Introduction to Mechatronics**

3 cr. Undergraduate.

Basic electrical circuit analysis. Design and analysis of computer-controlled mechanical systems.

**Prerequisites:** junior standing and MECHENG 302(C) or MECHENG 302(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 402 Thermo-Fluid Engineering**

3 cr. Undergraduate.

Analysis and design of systems involving applications of thermodynamics, heat transfer, and fluid mechanics. Applications include heat exchangers, power generation, refrigeration systems, and environmental control.

**Prerequisites:** MECHENG 321(P) and MECHENG 320(P) or MECHENG 324(P).

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 405 Product Realization**

3 cr. Undergraduate/Graduate.

This interdisciplinary course for engineering and art students considers the diverse aspects of the product realization process.

**Prerequisites:** junior standing and advanced to major in an Art & Design program; or BME 305(P), BME 310(P), and BME 325(P); or IND ENG 350(P), IND ENG 360(P), and IND ENG 370(P); or MECHENG 321(C), MECHENG 360(P), MECHENG 368(P), and MECHENG 370(P); or graduate standing and consent of instructor.

**Course Rules:** ART 405 and MECHENG 405 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 405G Product Realization**

3 cr. Undergraduate/Graduate.

This interdisciplinary course for engineering and art students considers the diverse aspects of the product realization process.

**Prerequisites:** junior standing and advanced to major in an Art & Design program; or BME 305(P), BME 310(P), and BME 325(P); or IND ENG 350(P), IND ENG 360(P), and IND ENG 370(P); or MECHENG 321(C), MECHENG 360(P), MECHENG 368(P), and MECHENG 370(P); or graduate standing and consent of instructor.

**Course Rules:** ART 405 and MECHENG 405 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 411 Heat Transfer**

3 cr. Undergraduate/Graduate.

Concepts of heat transfer including conduction, convection, and radiation; steady-state and transient conduction; laminar and turbulent convection; phase changes; black-body and real surface radiation; heat exchangers.

**Prerequisites:** junior standing and MECHENG 321(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 411G Heat Transfer**

3 cr. Undergraduate/Graduate.

Concepts of heat transfer including conduction, convection, and radiation; steady-state and transient conduction; laminar and turbulent convection; phase changes; black-body and real surface radiation; heat exchangers.

**Prerequisites:** junior standing and MECHENG 321(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 415 Modern Thermomanufacturing Processes**

3 cr. Undergraduate/Graduate.

An introduction to thermal management and techniques applied to chemical vapor deposition, welding, thermal spraying, and machining (cutting and grinding).

**Prerequisites:** junior standing, CIV ENG 303(P), and MECHENG 321(P) or equivalent; or consent of instructor.

**Last Taught:** Spring 2010, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 415G Modern Thermomanufacturing Processes**

3 cr. Undergraduate/Graduate.

An introduction to thermal management and techniques applied to chemical vapor deposition, welding, thermal spraying, and machining (cutting and grinding).

**Prerequisites:** junior standing, CIV ENG 303(P), and MECHENG 321(P) or equivalent; or consent of instructor.

**Last Taught:** Spring 2010, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 420 Intermediate Fluid Mechanics**

3 cr. Undergraduate/Graduate.

Navier-Stokes Equations; CFD package training; Potential Flows; Boundary-Layer Approximation; Turbulent Flows; Porous-Media Flows, Turbomachinery Flows.

**Prerequisites:** junior standing and MECHENG 320(P).

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 420G Intermediate Fluid Mechanics**

3 cr. Undergraduate/Graduate.

Navier-Stokes Equations; CFD package training; Potential Flows; Boundary-Layer Approximation; Turbulent Flows; Porous-Media Flows, Turbomachinery Flows.

**Prerequisites:** junior standing and MECHENG 320(P).

**Last Taught:** Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 423 Applied Fluid Mechanics**

3 cr. Undergraduate/Graduate.

Principles of fluid mechanics as applied to elements of fluid machinery, power transmission devices and control systems.

**Prerequisites:** junior standing and MECHENG 320(P).**Last Taught:** Fall 2003, Fall 1997.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 423G Applied Fluid Mechanics**

3 cr. Undergraduate/Graduate.

Principles of fluid mechanics as applied to elements of fluid machinery, power transmission devices and control systems.

**Prerequisites:** junior standing and MECHENG 320(P).**Last Taught:** Fall 2003, Fall 1997.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 425 Aerodynamics of Wind Turbines**

3 cr. Undergraduate/Graduate.

Introductory and intermediate wind turbine aerodynamics; wind and wind turbine interaction in energy transmission.

**Prerequisites:** junior standing and MECHENG 320(P); or consent of instructor.**Last Taught:** Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 425G Aerodynamics of Wind Turbines**

3 cr. Undergraduate/Graduate.

Introductory and intermediate wind turbine aerodynamics; wind and wind turbine interaction in energy transmission.

**Prerequisites:** junior standing and MECHENG 320(P); or consent of instructor.**Last Taught:** Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 430 Energy Modeling**

3 cr. Undergraduate/Graduate.

Electrical/thermal energy modeling through lectures and hands-on classroom work along with use of energy modeling software.

**Prerequisites:** junior standing or consent of instructor.**Course Rules:** ELECENG 430 and MECHENG 430 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 430G Energy Modeling**

3 cr. Undergraduate/Graduate.

Electrical/thermal energy modeling through lectures and hands-on classroom work along with use of energy modeling software.

**Prerequisites:** junior standing or consent of instructor.**Course Rules:** ELECENG 430 and MECHENG 430 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 432 Internal Combustion Engines**

3 cr. Undergraduate/Graduate.

Thermodynamic principles of internal combustion engines; cycles, combustion, engine operation; carburation, ignition, performance analysis; engine balancing; super charging.

**Prerequisites:** junior standing and MECHENG 301(P).**Last Taught:** Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 432G Internal Combustion Engines**

3 cr. Undergraduate/Graduate.

Thermodynamic principles of internal combustion engines; cycles, combustion, engine operation; carburation, ignition, performance analysis; engine balancing; super charging.

**Prerequisites:** junior standing and MECHENG 301(P).**Last Taught:** Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 434 Air Conditioning System Design**

3 cr. Undergraduate/Graduate.

The design of systems for heating and cooling spaces. Selection and design of central heating, cooling and energy distribution systems.

**Prerequisites:** junior standing, MECHENG 321(P), and IND ENG 210(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 434G Air Conditioning System Design**

3 cr. Undergraduate/Graduate.

The design of systems for heating and cooling spaces. Selection and design of central heating, cooling and energy distribution systems.

**Prerequisites:** junior standing, MECHENG 321(P), and IND ENG 210(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 435 Power Plant Theory and Design**

3 cr. Undergraduate/Graduate.

Application of engineering principles to design and analysis of power-production systems. Fossil fuel, nuclear, and gas-turbine power plants. Alternative power generation. Environmental aspects.

**Prerequisites:** junior standing and MECHENG 301(P).**Last Taught:** Fall 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 435G Power Plant Theory and Design**

3 cr. Undergraduate/Graduate.

Application of engineering principles to design and analysis of power-production systems. Fossil fuel, nuclear, and gas-turbine power plants. Alternative power generation. Environmental aspects.

**Prerequisites:** junior standing and MECHENG 301(P).**Last Taught:** Fall 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 436 Solar Engineering**

3 cr. Undergraduate/Graduate.

Estimation of energy needs for solar heating and cooling systems for buildings; insolation; solar collector/energy storage design; applications to space heating/cooling, water heating.

**Prerequisites:** junior standing and MECHENG 301(P).**Last Taught:** Spring 2016, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 436G Solar Engineering**

3 cr. Undergraduate/Graduate.

Estimation of energy needs for solar heating and cooling systems for buildings; insolation; solar collector/energy storage design; applications to space heating/cooling, water heating.

**Prerequisites:** junior standing and MECHENG 301(P).**Last Taught:** Spring 2016, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 438 Mechanical Engineering Experimentation**

3 cr. Undergraduate.

Training and understanding data acquisition systems; experiment planning; sensor calibration; professional report writing and communication; industrial projects.

**Prerequisites:** IND ENG 369(P); MECHENG 302(P), MECHENG 360(P), and MECHENG 368(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 451 Applied Optics in Engineering**

3 cr. Undergraduate/Graduate.

Principles of geometric and physical optics. Introduction to lasers. Topics from current engineering uses of optics, including measurement systems and laser machining.

**Prerequisites:** senior standing and PHYSICS 210(P); or consent of instructor.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 451G Applied Optics in Engineering**

3 cr. Undergraduate/Graduate.

Principles of geometric and physical optics. Introduction to lasers. Topics from current engineering uses of optics, including measurement systems and laser machining.

**Prerequisites:** senior standing and PHYSICS 210(P); or consent of instructor.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 453 Design Thinking Studio**

3 cr. Undergraduate.

This is an interdisciplinary course that will introduce students to a designer's mindset and will foster key design abilities in an experiential learning environment.

**Prerequisites:** none.

**Course Rules:** Counts as a repeat of MECHENG 490 with similar topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 455 Processing of Plastics**

3 cr. Undergraduate/Graduate.

Description of plastics as polymers and polymer composites. Study of various technologies to manufacture plastics. Analytical description of flow and heat transfer in polymers.

**Prerequisites:** MECHENG 320(P) and MECHENG 321(P).

**Last Taught:** Fall 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 455G Processing of Plastics**

3 cr. Undergraduate/Graduate.

Description of plastics as polymers and polymer composites. Study of various technologies to manufacture plastics. Analytical description of flow and heat transfer in polymers.

**Prerequisites:** MECHENG 320(P) and MECHENG 321(P).

**Last Taught:** Fall 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 456 Metal Casting Engineering**

3 cr. Undergraduate/Graduate.

Pattern and core design; molding technology; pouring and feeding castings; metallurgy of cast engineering alloys and their foundry practice; casting design.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 456 and MECHENG 456 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 456G Metal Casting Engineering**

3 cr. Undergraduate/Graduate.

Pattern and core design; molding technology; pouring and feeding castings; metallurgy of cast engineering alloys and their foundry practice; casting design.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 456 and MECHENG 456 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 457 Engineering Composites**

3 cr. Undergraduate/Graduate.

Study of the structure-property relationships in composite materials. Properties of fibers and other reinforcements. Metal, polymer and ceramic matrix composites.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MECHENG 457 and MATLENG 457(455) are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 457G Engineering Composites**

3 cr. Undergraduate/Graduate.

Study of the structure-property relationships in composite materials. Properties of fibers and other reinforcements. Metal, polymer and ceramic matrix composites.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MECHENG 457 and MATLENG 457(455) are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 460 Nanomaterials and Nanomanufacturing**

3 cr. Undergraduate/Graduate.

Structure, properties, processing and manufacture of nanoparticles, nanotubes, nanofibers, bulk nanomaterials, nanocomposites including polymer, metal, ceramic, natural and biocomposites; nanofluidics, nanorheology, nanomachines, and nanotribology.

**Prerequisites:** junior standing and MATLENG 201(P).

**Course Rules:** MATLENG 460 and MECHENG 460 are jointly offered; they count as repeats of each other.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 460G Nanomaterials and Nanomanufacturing**

3 cr. Undergraduate/Graduate.

Structure, properties, processing and manufacture of nanoparticles, nanotubes, nanofibers, bulk nanomaterials, nanocomposites including polymer, metal, ceramic, natural and biocomposites; nanofluidics, nanorheology, nanomachines, and nanotribology.

**Prerequisites:** junior standing and MATLENG 201(P).**Course Rules:** MATLENG 460 and MECHENG 460 are jointly offered; they count as repeats of each other.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 462 Intermediate Design of Machinery**

3 cr. Undergraduate/Graduate.

Consideration of complicated loadings and combined stresses. Design against fatigue. Design and analysis of machine systems. Consideration of special topics in machine element design.

**Prerequisites:** junior standing and MECHENG 366(P).**Last Taught:** Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 462G Intermediate Design of Machinery**

3 cr. Undergraduate/Graduate.

Consideration of complicated loadings and combined stresses. Design against fatigue. Design and analysis of machine systems. Consideration of special topics in machine element design.

**Prerequisites:** junior standing and MECHENG 366(P).**Last Taught:** Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 463 Introduction to Finite Elements**

3 cr. Undergraduate/Graduate.

Generation and assembly of finite element matrices in one- and two-dimensional problems. Modeling and practical applications in solid mechanics, heat transfer and fluid flow.

**Prerequisites:** junior standing; CIV ENG 203(P), CIV ENG 303(P), or ELECENG 234(P); and MECHENG 311(C), MECHENG 320(C), or MECHENG 321(C).**Course Rules:** CIV ENG 463 and MECHENG 462 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 463G Introduction to Finite Elements**

3 cr. Undergraduate/Graduate.

Generation and assembly of finite element matrices in one- and two-dimensional problems. Modeling and practical applications in solid mechanics, heat transfer and fluid flow.

**Prerequisites:** junior standing; CIV ENG 203(P), CIV ENG 303(P), or ELECENG 234(P); and MECHENG 311(C), MECHENG 320(C), or MECHENG 321(C).**Course Rules:** CIV ENG 463 and MECHENG 462 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 465 Friction and Wear**

3 cr. Undergraduate/Graduate.

Friction and wear of engineering materials. Effect of environment, surface interactions, lubrication, and material properties. Techniques of analysis and measurement.

**Prerequisites:** junior standing and MATLENG 201(P).**Course Rules:** MATLENG 465 and MECHENG 465 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 465G Friction and Wear**

3 cr. Undergraduate/Graduate.

Friction and wear of engineering materials. Effect of environment, surface interactions, lubrication, and material properties. Techniques of analysis and measurement.

**Prerequisites:** junior standing and MATLENG 201(P).**Course Rules:** MATLENG 465 and MECHENG 465 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 466 Design of Composite Structures**

3 cr. Undergraduate/Graduate.

Hands-on design, analysis, and manufacturing of composite fiber reinforced plastic beams, columns, and plates; failure analysis and damage tolerance design of composite structures; bolted and bonded joints.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P)**Course Rules:** CIV ENG 466 and MECHENG 466 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 466G Design of Composite Structures**

3 cr. Undergraduate/Graduate.

Hands-on design, analysis, and manufacturing of composite fiber reinforced plastic beams, columns, and plates; failure analysis and damage tolerance design of composite structures; bolted and bonded joints.

**Prerequisites:** junior standing and CIV ENG 203(P) or CIV ENG 303(P)**Course Rules:** CIV ENG 466 and MECHENG 466 are jointly offered and count as repeats of one another.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 469 Introduction to Biomechanical Engineering**

3 cr. Undergraduate/Graduate.

Mathematical modeling of human body; dynamics of human motion; neuromuscular control human movement; stress analysis of bones and joints; concurrent mechanical problems in medicine.

**Prerequisites:** CIV ENG 202(P) and CIV ENG 303 (P); or consent of instructor.**Course Rules:** MECHENG 469 and CIV ENG 469 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 469G Introduction to Biomechanical Engineering**

3 cr. Undergraduate/Graduate.

Mathematical modeling of human body; dynamics of human motion; neuromuscular control human movement; stress analysis of bones and joints; concurrent mechanical problems in medicine.

**Prerequisites:** CIV ENG 202(P) and CIV ENG 303 (P); or consent of instructor.

**Course Rules:** MECHENG 469 and CIV ENG 469 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 472 Introduction to Wind Energy**

3 cr. Undergraduate/Graduate.

Principles of wind turbines; wind characteristics; rotor dynamics of wind turbines; turbine design and integration; controls and electrical systems; grid connection.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** ELECENG 472 and MECHENG 472 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 472G Introduction to Wind Energy**

3 cr. Undergraduate/Graduate.

Principles of wind turbines; wind characteristics; rotor dynamics of wind turbines; turbine design and integration; controls and electrical systems; grid connection.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** ELECENG 472 and MECHENG 472 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 473 Applied Dynamics**

3 cr. Undergraduate/Graduate.

Application of dynamic principles to a variety of engineering situations. Behavior of particle systems and rigid body motion in space. Analysis of traffic accidents, shock machines, rockets and satellites, missiles and projectiles, dynamic balancing, gyroscopes and inertial navigation.

**Prerequisites:** junior standing and CIV ENG 202(P).

**Last Taught:** Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 473G Applied Dynamics**

3 cr. Undergraduate/Graduate.

Application of dynamic principles to a variety of engineering situations. Behavior of particle systems and rigid body motion in space. Analysis of traffic accidents, shock machines, rockets and satellites, missiles and projectiles, dynamic balancing, gyroscopes and inertial navigation.

**Prerequisites:** junior standing and CIV ENG 202(P).

**Last Taught:** Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 474 Introduction to Control Systems**

4 cr. Undergraduate/Graduate.

Modeling of continuous systems; stability considerations, analysis and design of feedback control systems in time and frequency domains.

**Prerequisites:** senior standing, ELECENG 301(P); a grade of C or better in ELECENG 234(P) and CIV ENG 202(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 474G Introduction to Control Systems**

4 cr. Undergraduate/Graduate.

Modeling of continuous systems; stability considerations, analysis and design of feedback control systems in time and frequency domains.

**Prerequisites:** senior standing, ELECENG 301(P); a grade of C or better in ELECENG 234(P) and CIV ENG 202(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 475 Vibrations in Mechanical Design**

3 cr. Undergraduate/Graduate.

Integrated treatment of mathematical modeling and analysis of mechanical systems, analysis of vibrations and performance under different loading conditions.

**Prerequisites:** senior standing, CIV ENG 202(P), and ELECENG 234(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 475G Vibrations in Mechanical Design**

3 cr. Undergraduate/Graduate.

Integrated treatment of mathematical modeling and analysis of mechanical systems, analysis of vibrations and performance under different loading conditions.

**Prerequisites:** senior standing, CIV ENG 202(P), and ELECENG 234(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 476 Introduction to Robotics**

3 cr. Undergraduate/Graduate.

Fundamentals of manipulators, sensors, actuators, end-effectors and product design for automation, computer vision and pattern recognition.

**Prerequisites:** ELECENG 234(P) and MECHENG 360(P).

**Last Taught:** Fall 2023, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 476G Introduction to Robotics**

3 cr. Undergraduate/Graduate.

Fundamentals of manipulators, sensors, actuators, end-effectors and product design for automation, computer vision and pattern recognition.

**Prerequisites:** ELECENG 234(P) and MECHENG 360(P).

**Last Taught:** Fall 2023, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 479 Advanced Mechatronics**

3 cr. Undergraduate/Graduate.

Semiconductor electronics; embedded programming; sensor instrumentation; digital and analog electronics; filtering, actuators; advanced communication protocols; wireless communications; mobile robot modeling for mechatronics application; design, development and feedback control of a mechatronic system.

**Prerequisites:** senior standing or consent of instructor; MECHENG 379(P).

**Last Taught:** Summer 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 479G Advanced Mechatronics**

3 cr. Undergraduate/Graduate.

Semiconductor electronics; embedded programming; sensor instrumentation; digital and analog electronics; filtering, actuators; advanced communication protocols; wireless communications; mobile robot modeling for mechatronics application; design, development and feedback control of a mechatronic system.

**Prerequisites:** senior standing or consent of instructor; MECHENG 379(P).

**Last Taught:** Summer 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 490 Topics in Mechanical Engineering:**

1-3 cr. Undergraduate/Graduate.

Recent theoretical and applied topics in mechanical engineering.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 490G Topics in Mechanical Engineering:**

1-3 cr. Undergraduate/Graduate.

Recent theoretical and applied topics in mechanical engineering.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 496 Senior Design Project**

3 cr. Undergraduate.

Engineering design project in a simulated industrial environment. Student design team works on a problem in collaboration with college faculty and vendors. Formal report writing.

**Prerequisites:** MECHENG 270(P), MECHENG 321(C), MECHENG 360(P), and MECHENG 368(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 542 Introduction to Technology Entrepreneurship**

3 cr. Undergraduate.

Introductory concepts related to technology entrepreneurship including opportunity identification, analysis and new venture planning. Prepares students to recognize and pursue viable technology-based entrepreneurial opportunities.

**Prerequisites:** junior standing and admis to Technology Entrepreneurship Certificate or admis to business or engineering major.

**Course Rules:** Counts as repeat of BUS ADM 495 or MECHENG 490 with same topic. BUS ADM 542 and MECHENG 542 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 543 Introduction to Technology Management and Innovation**

3 cr. Undergraduate.

Introductory concepts related to technology management and technological innovation. Prepares students to evaluate and plan technology commercialization projects.

**Prerequisites:** junior standing and admis to Technology Entrepreneurship Certificate or admis to business or engineering major.

**Course Rules:** Counts as repeat of BUS ADM with the same topic.

BUS ADM 542 and MECHENG 543 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 544 New Product Development**

3 cr. Undergraduate/Graduate.

Concepts related to product development including product concept development and testing, and product design. Prepares students to work in cross-functional product development teams.

**Prerequisites:** junior standing or greater and admis to Technology Entrepreneurship Certificate; or admis to business or engineering major.

**Course Rules:** Counts as repeat of BUS ADM 795 with same topic.

BUS ADM 544 and MECHENG 544 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 544G New Product Development**

3 cr. Undergraduate/Graduate.

Concepts related to product development including product concept development and testing, and product design. Prepares students to work in cross-functional product development teams.

**Prerequisites:** junior standing or greater and admis to Technology Entrepreneurship Certificate; or admis to business or engineering major.

**Course Rules:** Counts as repeat of BUS ADM 795 with same topic.

BUS ADM 544 and MECHENG 544 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 546 Global Innovation Management**

3 cr. Undergraduate/Graduate.

Concepts related to collaborative innovation in global networks including diverse collaboration models, innovation processes, and capabilities. Prepares students to manage global collaborative innovation projects.

**Prerequisites:** junior standing or greater and admis to Technology Entrepreneurship Certificate; or admis to business or engineering major.

**Course Rules:** Counts as repeat of BUS ADM 795 with same topic.

BUS ADM 546 and MECHENG 546 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 546G Global Innovation Management**

3 cr. Undergraduate/Graduate.

Concepts related to collaborative innovation in global networks including diverse collaboration models, innovation processes, and capabilities.

Prepares students to manage global collaborative innovation projects.

**Prerequisites:** junior standing or greater and admis to Technology Entrepreneurship Certificate; or admis to business or engineering major.

**Course Rules:** CCounts as repeat of BUS ADM 795 with same topic. BUS ADM 546 and MECHENG 546 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 548 Technology Venturing Project**

3 cr. Undergraduate.

A capstone course for students to demonstrate their knowledge and skills related to technology/product commercialization. Prepares students to lead their (or corporate) technology ventures.

**Prerequisites:** junior standing or greater; admis to Technology Entrepreneurship Certificate or admis to business or engineering major; BUS ADM 543(P) or MECHENG 542(P).

**Course Rules:** BUS ADM 548 and MECHENG 548 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 574 Intermediate Control Systems**

3 cr. Undergraduate/Graduate.

State space; frequency domain methods of modelling, analysis and design of control systems; digital control; and multivariate systems.

**Prerequisites:** senior standing and MECHENG 474(P) or ELECENG 474(P); or graduate standing.

**Course Rules:** ELECENG 574 and MECHENG 574 are jointly offered and count as repeats of each other. Not open for cr to students who have cr in ELECENG 503 or MECHENG 478.

**Last Taught:** Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 574G Intermediate Control Systems**

3 cr. Undergraduate/Graduate.

State space; frequency domain methods of modelling, analysis and design of control systems; digital control; and multivariate systems.

**Prerequisites:** senior standing and MECHENG 474(P) or ELECENG 474(P); or graduate standing.

**Course Rules:** ELECENG 574 and MECHENG 574 are jointly offered and count as repeats of each other. Not open for cr to students who have cr in ELECENG 503 or MECHENG 478.

**Last Taught:** Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 584 Biodynamics of Human Motion**

3 cr. Undergraduate/Graduate.

Techniques for collecting, analyzing and interpreting human motion data.

Special emphasis will be placed on performing data analysis using the software package, Matlab.

**Prerequisites:** junior standing, ELECENG 234(P), and CIV ENG 202(C).

**Course Rules:** IND ENG 584 and MECHENG 584 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 584G Biodynamics of Human Motion**

3 cr. Undergraduate/Graduate.

Techniques for collecting, analyzing and interpreting human motion data.

Special emphasis will be placed on performing data analysis using the software package, Matlab.

**Prerequisites:** junior standing, ELECENG 234(P), and CIV ENG 202(C).

**Course Rules:** IND ENG 584 and MECHENG 584 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 699 Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** Limited to max of 6 cr applied toward undergrad degree.

**Last Taught:** Spring 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 699G Independent Study**

1-3 cr. Undergraduate/Graduate.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** Limited to max of 6 cr applied toward undergrad degree.

**Last Taught:** Spring 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 700 CEAS Graduate Seminar**

1-3 cr. Graduate.

Seminar in professional ethics, oral and written communication, contemporary social issues, career development, time management, and laboratory safety.

**Prerequisites:** graduate standing.

**Course Rules:** CV ENG 700, COMPSCI 700, ELECENG 700, IND ENG 700, MATLENG 700 and MECHENG 700 are jointly offered and count as repeats of one another

**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 701 Advanced Linear System Analysis**

3 cr. Graduate.

Theory and analysis of linear dynamic systems; discrete and continuous state models; linear algebra for dynamic systems; state transition matrix, numerical methods; and applications.

**Prerequisites:** graduate standing.

**Course Rules:** ELECENG 701 and MECHENG 701 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 702 Advanced Engineering Thermodynamics**

3 cr. Graduate.

Laws of thermodynamics, property relations, equations of state; introduction to statistical and irreversible thermodynamics; applications to perfect gases, perfect crystals, and homogeneous solutions.

**Prerequisites:** graduate standing, MECHENG 301(P) and MECHENG 321(P) or equivalent.

**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 703 Principles of Combustion**

3 cr. Graduate.

Chemical kinetics and thermodynamics, conservation equations for multicomponent reacting systems, detonation, premix, diffusion and turbulent flames.

**Prerequisites:** graduate standing, MECHENG 302(P) and MECHENG 321(P) or equivlanet.

**Last Taught:** Fall 2020, Fall 2018, Spring 2004, Spring 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 706 Continuum Mechanics**

3 cr. Graduate.

Basic concepts of the continuum models used in the various fields of mechanics including fluid mechanics, rheology, elasticity, fracture mechanics, and plasticity.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2022, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 707 Transport in Porous Media**

3 cr. Graduate.

Introduction to fluid mechanics in porous media, single- and multi-phase flows, volume averaged transport equations, convection heat transfer, consolidating porous media, volume averaging theory, applications.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Fall 2021, Spring 2020, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 710 Advanced Transport Processes**

2 cr. Graduate.

Vector and tensor analysis of practical engineering problems; basic laws of mass, momentum and energy transport; transport phenomena in porous media reacting and non-reaction media.

**Prerequisites:** graduate standing and MECHENG 321(P) or equivalent.

**Last Taught:** Fall 2023, Spring 2022, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 711 Thermal Radiation and Conduction**

3 cr. Graduate.

Radiative properties of and radiative transfer in absorbing, emitting and scattering media; transient and steady state heat conduction; multi-mode heat transfer applications.

**Prerequisites:** graduate standing and MECHENG 311(P) or MECHENG 321(P).

**Last Taught:** Spring 2022, Fall 2020, Fall 2018, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 712 Convection Heat and Mass Transfer**

3 cr. Graduate.

Conservation equations; laminar developed and developing flows; laminar boundary layers; high speed flows; turbulent flow and heat transfer; natural convection; mass transfer; special engineering applications.

**Prerequisites:** graduate standing and MECHENG 311(P) or MECHENG 321(P).

**Last Taught:** Spring 2019, Fall 2016, Spring 2015, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 714 Energy Transport in Microscale Systems**

3 cr. Graduate.

Introducing thermophysics of microscale systems including statistical, non-equilibrium thermodynamics, particle transport theory, energy carriers in different materials and phases, and applications including mems and nanotechnology.

**Prerequisites:** graduate standing, MECHENG 320(P) and MECHENG 321(P).

**Last Taught:** Fall 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 715 Numerical Methods in Engineering**

3 cr. Graduate.

Differential equation solutions with finite difference and finite volume methods; grid generation technique; finite element methods; applications to solid mechanics, heat transfer, and fluid mechanics.

**Prerequisites:** graduate standing and MATH 413(P) or consent of instructor.

**Last Taught:** Spring 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 718 Nonlinear Control Systems**

3 cr. Graduate.

Advanced concepts and methodologies in modeling and design of nonlinear control systems. Lyapunov theory; describing functions; variable structure control.

**Prerequisites:** graduate standing, ELECENG 474(P) or MECHENG 474(P) or equivalent; ELECENG 701(P) or MECHENG 701(P); or consent of instructor.

**Course Rules:** ELECENG 718 and MECHENG 718 are jointly offered and count as repeats of one another. Not open for credit to students with credit in MECHENG 778.

**Last Taught:** Fall 2021, Fall 2016, Fall 2010, Spring 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 721 Fundamentals of Fluid Flow**

3 cr. Graduate.

Inviscid, viscous and compressible flow; potential flow in aerodynamics; analytical solutions of navier-stokes equation; laminar and turbulent boundary layers, jets, wakes, and separating flows; applications.

**Prerequisites:** graduate standing and MECHENG 320(P).

**Last Taught:** Fall 2023, Spring 2022, Spring 2021, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 722 Advanced Fluid Mechanics**

3 cr. Graduate.

Formulations of navier-stokes and energy equations; turbulence models; solutions to wall, free shear layer, and recirculating flows; turbulence energy spectrum; applications to industrial problems.

**Prerequisites:** graduate standing and MECHENG 320(P).

**Last Taught:** Spring 2019, Fall 2016, Spring 2015, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 723 Computational Fluid Dynamics and Heat Transfer**

3 cr. Graduate.

Finite difference methods for solving boundary layer equations, navier-stokes equations, etc. Laminar and turbulent flows.

**Prerequisites:** graduate standing or consent of instructor.

**Last Taught:** Spring 2017, Fall 2015, Spring 2009, Spring 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 725 Fluid Power and Turbomachinery**

2 cr. Graduate.

Concept of hydraulic systems; hydraulic motors; valves; hydraulic circuits; pneumatic systems; axial and radial gas turbines, pumps, compressors; steam turbines; hydraulic turbines; wind turbines.

**Prerequisites:** graduate standing and MECHENG 320(P).

**Last Taught:** Fall 2022, Spring 2021, Spring 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 726 Mechanical Vibrations**

3 cr. Graduate.

Free and forced vibrations of multiple degree of freedom systems using modern matrix methods.

**Prerequisites:** graduate standing; MECHENG 475(P) or equivalent.

**Course Rules:** CIV ENG 726 and MECHENG 726 are jointly offered and count as repeats of one another. Students may not receive credit for both courses.

**Last Taught:** Fall 2020, Spring 2019, Spring 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 732 Solidification Processing**

3 cr. Graduate.

Solidification phenomena and its engineering application to metals, semiconductors, ceramics, properties of cast products. Foundry processes.

**Prerequisites:** graduate standing and MATLENG 330(P).

**Course Rules:** MATLENG 732 and MECHENG 732 are jointly offered and count as repeats of one other.

**Last Taught:** Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 733 Sensors and Systems**

3 cr. Graduate.

Physical principles and working of sensors, interfacing, and sensor networks.

**Prerequisites:** graduate standing and ELECENG 305(P) or consent of instructor.

**Course Rules:** BME 733, ELECENG 733, and MECHENG 733 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 760 Dynamic Problems in Design**

3 cr. Graduate.

Analytical methods for solution of typical vibrating and balancing problems encountered in mechanical systems. Special emphasis on methods of suppression and control.

**Prerequisites:** graduate standing and MECHENG 360(P).

**Last Taught:** Spring 2023, Fall 2019, Fall 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 762 Mechanical Systems Analysis**

3 cr. Graduate.

An integrated treatment of mathematical modeling and analysis of mechanical systems. Modeling of machine elements and systems; performance under transient, periodic and random loads.

**Prerequisites:** graduate standing and MECHENG 365(P).

**Last Taught:** Spring 2002, Fall 2000, Spring 1999, Fall 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 765 Mechanical Reliability and Probabilistic Design**

3 cr. Graduate.

Advanced design theory and methodology incorporating probabilistic and statistical concepts. Design of mechanical and structural members for specific reliability and confidence level. Case histories and applications.

**Prerequisites:** graduate standing, MECHENG 360(P) and MECHENG 365(P); or consent of instructor.

**Last Taught:** Spring 2021, Spring 2020, Spring 2016, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 773 Advanced Dynamics**

3 cr. Graduate.

General theory of dynamic behavior from the viewpoint of Lagrangian and Hamiltonian mechanics. Application of energy principles to dynamical analysis of mechanical systems.

**Prerequisites:** graduate standing; MECHENG 580(P) or CIV ENG 580(P); or consent of instructor.

**Course Rules:** CIV ENG 773 and MECHENG 773 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 785 Optimization Methods in Engineering**

3 cr. Graduate.

Optimization as engineering design tool; nonlinear programming; computational techniques for unconstrained and constrained problems; conjugate gradient, sumt, reduced gradient, feasible directions methods; design applications.

**Prerequisites:** graduate standing; ELECENG 234(P), and COMPSCI 151(P) or equivalent.

**Course Rules:** IND ENG 785 and MECHENG 785 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 816 Optimal Control Theory**

3 cr. Graduate.

Analysis and synthesis of discrete and continuous optimal control systems; linear quadratic regulators; dynamic programming and variational methods; applications.

**Prerequisites:** graduate standing, ELECENG 474(P) or MECHENG 474(P) or equivalent, and ELECENG 701(P) or MECHENG 701(P); or consent of instructor.

**Course Rules:** ELECENG 816 and MECHENG 816 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2017, Spring 2011, Fall 2008, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 819 Adaptive Control Theory**

3 cr. Graduate.

Adaptive control systems including mathematical foundations, estimation, model reference adaptive control, self tuning regulators, numerical methods, applications.

**Prerequisites:** graduate standing, ELECENG 474(P) or MECHENG 474(P), and ELECENG 701(P) or MECHENG 701(P); or consent of instructor.

**Course Rules:** ELECENG 819 and MECHENG 819 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2018, Spring 2014, Spring 2009, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MECHENG 880 Bioengineering Seminar**

1 cr. Graduate.

Presentations by bioengineering affiliated faculty, invited speakers, and graduate students.

**Prerequisites:** graduate standing.**Course Rules:** CIV ENG 880, COMPSCI 880, ELECENG 880, IND ENG 880, MATLENG 880, and MECHENG 880 are jointly offered and count as repeats of one another. May be repeated to 3 cr max.**Last Taught:** Spring 2017, Fall 2016, Spring 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Summer 2019, Fall 2018, Summer 2017, Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 890 Advanced Topics in Mechanical Engineering:**

1-3 cr. Graduate.

Recent theoretical and applied developments in mechanical engineering. Topics selected from areas in thermal-fluid engineering, machine design and controls, and chemical process engineering.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** May be repeated with change in topic to max of 9 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 990 Masters Thesis**

1-9 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Repeatable.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 998 Doctoral Thesis**

1-12 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor and graduate program committee.**Course Rules:** Repeatable.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MECHENG 999 Advanced Independent Study**

1-3 cr. Graduate.

**Prerequisites:** graduate standing and consent of instructor and graduate program committee.**Course Rules:** Repeatable to 15 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Military Science (MIL SCI)

**MIL SCI 101 Military Physical Training and Conditioning I**

1 cr. Undergraduate.

Goal-oriented, small unit approach to physical conditioning and military drill.

**Prerequisites:** none.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MIL SCI 102 Military Physical Training and Conditioning II**

1 cr. Undergraduate.

Goal-oriented, small unit approach to physical conditioning and military drill.

**Prerequisites:** Mil Sci 101(P) or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MIL SCI 110 Leadership and Personal Development**

1 cr. Undergraduate.

Personal challenges and competencies that are critical for effective leadership and the structure of the ROTC.

**Prerequisites:** none.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MIL SCI 120 Introduction to Leadership**

1 cr. Undergraduate.

Issues and competencies that are central to a commissioned officer's responsibilities.

**Prerequisites:** Mil Sci 110(P) or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MIL SCI 201 Military Physical Training and Conditioning III**

1 cr. Undergraduate.

Goal-oriented, small unit approach to physical conditioning and military drill.

**Prerequisites:** Mil Sci 102(P) or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MIL SCI 202 Military Physical Training and Conditioning IV**

1 cr. Undergraduate.

Goal-oriented, small unit approach to physical conditioning and military drill.

**Prerequisites:** Mil Sci 201(P) or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MIL SCI 210 Foundations of Leadership**

2 cr. Undergraduate.

The dimensions of creative and innovative tactical leadership strategies and styles.

**Prerequisites:** Mil Sci 120(P) or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 220 Foundations of Tactical Leadership**

2 cr. Undergraduate.

The challenges of leading teams in the complex operational environment.

**Prerequisites:** Mil Sci 210(P) or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 301 Military Physical Training and Conditioning V**

1 cr. Undergraduate.

Goal-oriented, small unit approach to physical conditioning and military drill.

**Prerequisites:** Mil Sci 202(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 302 Military Physical Training and Conditioning VI**

1 cr. Undergraduate.

Goal-oriented, small unit approach to physical conditioning and military drill.

**Prerequisites:** Mil Sci 301(P) or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 310 Adaptive Team Leadership**

3 cr. Undergraduate.

The study, practice and application of Army leadership in team or squad situations.

**Prerequisites:** Mil Sci 220(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 320 Applied Team Leadership**

3 cr. Undergraduate.

The study and practice of small unit tactics at the team and squad level.

**Prerequisites:** Mil Sci 310(P) or cons instr.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 401 Military Physical Training and Conditioning VII**

1 cr. Undergraduate.

Goal-oriented, small unit approach to physical conditioning and military drill.

**Prerequisites:** Mil Sci 302(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 402 Military Physical Training and Conditioning VIII**

1 cr. Undergraduate.

Goal-oriented, small unit approach to physical conditioning and military drill.

**Prerequisites:** Mil Sci 401(P) or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 410 Adaptive Leadership**

2 cr. Undergraduate.

Methods of training, mentoring and evaluating subordinate personnel.

**Prerequisites:** Mil Sci 320(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MIL SCI 420 Leadership in a Complex World**

2 cr. Undergraduate.

Differences in customs and courtesies, military law, principles of war, COIN, and Rules of Engagement in the face of persistent conflict.

**Prerequisites:** Mil Sci 410(P) or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Music (MUSIC)

**MUSIC 1 Theory Fundamentals**

2 cr. Undergraduate.

Basic music theory covering written proficiency at an introductory level. For music majors needing remedial work. Not for fulfillment of curriculum requirements.

**Prerequisites:** Music major or cons instr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 30 University Community Band**

1 cr. Undergraduate.

A concert band which performs concerts on and off campus. Designed as a continuing playing experience for students.

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 30(P), MUSIC 40(P), MUSIC 42(P), MUSIC 81(P), MUSIC 181(P), MUSIC 182(P), MUSIC 334(P), MUSIC 340(P), MUSIC 342(P), or MUSIC 382(P); or consent of instructor.

**Course Rules:** MUSIC 30 and MUSIC 334 may be retaken to combined max of 10 sem. Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 40 Symphony Band**

1 cr. Undergraduate.

Performs symphonic works for band, performing regularly on campus, statewide tours and national conventions.

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 30(P), MUSIC 40(P), MUSIC 42(P), MUSIC 81(P), MUSIC 181(P), MUSIC 182(P), MUSIC 334(P), MUSIC 340(P), MUSIC 342(P), or MUSIC 382(P); or consent of instructor.

**Course Rules:** MUSIC 40 and MUSIC 340 may be retaken to combined max of 10 sem.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 42 Wind Ensemble**

1 cr. Undergraduate.

Performs music ranging from octet to forty players, stressing the single player per part concept, embracing a commitment to quality wind and percussion music. Presents concerts on campus and national tours.

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 30(P), MUSIC 40(P), MUSIC 42(P), MUSIC 81(P), MUSIC 181(P), MUSIC 182(P), MUSIC 334(P), MUSIC 340(P), MUSIC 342(P), or MUSIC 382(P); or consent of instructor.

**Course Rules:** MUSIC 42 and MUSIC 342 may be retaken to combined max of 10 sem.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 44 Alta Voce Singers**

1 cr. Undergraduate.

Large choir of students who prefer to sing soprano or alto rehearses & performs music of various styles and cultures. Open to all students by audition.

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 44(P), MUSIC 44(P), MUSIC 45(P), MUSIC 52(P), MUSIC 56(P), MUSIC 352(P), or MUSIC 395(P); or consent of instructor.

**Course Rules:** Music 44 & MUSIC 45 may be retaken to combined max of 10 cr. Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 45 Alta Voce Singers**

3 cr. Undergraduate.

Large choir of students who prefer to sing soprano or alto rehearses & performs music of various styles and cultures. Open to all students by audition.

**Prerequisites:** non-Music major and consent of instructor.

**Course Rules:** Music 44 & 45 may be retaken to combined max of 10 cr. Audition required.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 50 Kameraden Chorus**

1 cr. Undergraduate.

Large choir of students who prefer to sing tenor or bass rehearses & performs music of various styles and historical periods.

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 50(P), MUSIC 56(P), MUSIC 350(P), or MUSIC 395(P); or consent of instructor.

**Course Rules:** MUSIC 50 and MUSIC 350 may be retaken to combined max of 10 cr. Open to all students by audition.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 52 Bella Voce**

1 cr. Undergraduate.

Highly select treble choir performs music of various styles, cultures, and historical periods. For students with significant choral experience.

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 52(P), MUSIC 56(P), MUSIC 352(P), or MUSIC 395(P); or consent of instructor.

**Course Rules:** MUSIC 52 and MUSIC 352(53) may be retaken to combined max of 10 cr. Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 56 Concert Chorale**

1 cr. Undergraduate.

This highly select mixed ensemble performs advanced-level music from various styles, cultures, and historical periods and tours annually. Students chosen by competitive audition.

**Prerequisites:** Music major or minor; audition; & cons instr.

**Course Rules:** Music 56 may be retaken to combined max of 10 sem.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 62 University Community Gospel Choir**

1 cr. Undergraduate.

The gospel choir performs the music of the African-American culture in its many styles and genres. Auditions 1st week each sem.

**Prerequisites:** music major or minor; cons instr; audition.

**Course Rules:** May be retaken to max of 10 sem.

**General Education Requirements:** A

**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 81 University Community Orchestra**

2 cr. Undergraduate.

Composed primarily of non-music majors and community members; provides a continuing opportunity for rehearsal and performance.

**Prerequisites:** non-music major.

**Course Rules:** Music 81 & 181 may be retaken to combined max of 10 sem.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 100 Introduction to Classical Music**

3 cr. Undergraduate.

A guide to musical enjoyment and understanding, including listening experiences in the various styles and forms of music, through assigned reading, the use of recorded music, sound films and attendance at concerts. Not accepted as part of a Music major.

**Prerequisites:** none.

**General Education Requirements:** A

**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 101 Fundamentals of Music**

3 cr. Undergraduate.

An activities approach to music fundamentals through singing, playing, listening, note reading and creativity for the general university student.

**Prerequisites:** none.

**Course Rules:** Not accepted as part of a Music major.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 102 American Popular Music**

3 cr. Undergraduate.

A guide to understanding and enjoying American popular music from 1900 to the present. Students survey all popular genres and focus on chosen style.

**Prerequisites:** none.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 106 Foundations of Music**

3 cr. Undergraduate.

Engage music major freshman in active discussion in academic and abstract ways necessary to formal music study.

**Prerequisites:** Freshman Music Majors only.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 107 Music Convocation**

0 cr. Undergraduate.

A general assembly of the Department of Music held Fridays at 12:00 pm during the academic year. Includes musical presentations by Music Department faculty and students as well as guest events.

**Prerequisites:** Music majors only.

**Course Rules:** Fee for 1 cr assessed. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 108 The Concert Experience**

3 cr. Undergraduate.

Meets, in part, concurrently with the Music Department Convocation (or similar concerts), concentrates on the concert as an event: history, traditions, form, make-up, and interpretation.

**Prerequisites:** none.

**Course Rules:** May not be used as part of the music req for music majors.

**General Education Requirements:** A

**Last Taught:** Spring 2015, Spring 2014, Fall 2013, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 120 Composition Colloquium:**

0 cr. Undergraduate.

Guest lectures and workshops with visiting composers and performers presenting current compositional and aesthetic techniques.

**Prerequisites:** Music major or cons instr.

**Course Rules:** Fee for 1 cr assessed. May be retaken; 4 sem minimum required for composition majors.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 123 Aural Theory I**

1 cr. Undergraduate.

Basic study of sight singing and dictation in diatonic music: solfege, diatonic melodies, primary harmonies, basic rhythms and beat divisions. Aural application of Music 127.

**Prerequisites:** theory placement exam; Music major; Music 127(C) & Music 001(P) with grade of B or better or equiv.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 124 Aural Theory II**

1 cr. Undergraduate.

The singing and dictation of melodies, progressions, and counterpoint with chromatic alteration, modulation, complex rhythmic patterns, 7th chords and inversions. Aural application of Music 128.

**Prerequisites:** Music Major; Music 128(C), 123(P) & 127(P) with grade of 'C-' or better or equiv.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 127 Materials of Theory I**

2 cr. Undergraduate.

Basic study of the elements and diatonic organization of music through music literature.

**Prerequisites:** theory placement exam; Music major; Music 123 (C) & Music 1(P) with grade of 'C-' or better or equiv.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 128 Materials of Theory II**

3 cr. Undergraduate.

Intermediate study of the elements and chromatic organization of music through music literature.

**Prerequisites:** Music Major; Music 124(C) & 123(P); & 127(P) with grade of 'C-' or better or equiv.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 130 Beginning Piano Level I**

3 cr. Undergraduate.

A practical introduction to the piano and musical notation, intended to serve as a sound foundation for further study.

**Prerequisites:** none.

**Course Rules:** May be retaken to max of 6 cr.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 131 Beginning Piano Level II**

3 cr. Undergraduate.

The varying uses of the piano is continued and expanded through reading, technique, interpretation, and theory as based on materials presented in Music 130.

**Prerequisites:** Music 130(P); cons instr.

**Course Rules:** May be retaken to max of 6 cr.

**General Education Requirements:** A

**Last Taught:** Spring 2018, Spring 2017, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 140 Class Voice Level I**

3 cr. Undergraduate.

The group study of singing, including posture, breathing, resonance, range and projection through vocal exercises, varied song repertoire and solo singing.

**Prerequisites:** some knowledge of music helpful but not required; cons instr.

**Course Rules:** May be retaken to max of 4 cr.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 141 Class Voice Level II**

3 cr. Undergraduate.

Continuation for students completing Class Voice Level I including vocal health, posture, breathing, phonation, resonance to include repertoire expansion of jazz, popular, folk and blues.

**Prerequisites:** Music 140(P), or cons instr; & ability to read notation.

**General Education Requirements:** A

**Last Taught:** Spring 2020, Spring 2019, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 142 Class Voice for Musical Theater Level I**

2 cr. Undergraduate.

Fundamentals of vocal technique, including audition preparation and understanding of Musical Theater repertoire and style.

**Prerequisites:** Musical Theatre major and consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 143 Class Voice for Music Theatre Level II**

2 cr. Undergraduate.

Continuation of Class Voice for Musical Theatre Level I including vocal health, posture, breathing, phonation, resonance to include repertoire expansion of jazz, popular, folk and blues.

**Prerequisites:** MUSIC 142(P) or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 150 Beginning Guitar**

3 cr. Undergraduate.

Beginning class instruction on guitar as an accompanying instrument for folk and pop songs. Basic chording, strumming, and finger picking.

**Prerequisites:** none.

**Course Rules:** May be retaken to max of 6 cr.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 151 Intermediate Guitar I**

3 cr. Undergraduate.

Intermediate instruction on guitar. Finger picking, barre chord, bass runs, melody playing, and reading music.

**Prerequisites:** Music 150(345)(P); or cons instr.

**Course Rules:** May be retaken to max of 6 cr.

**General Education Requirements:** A

**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 152 Intermediate Guitar II**

3 cr. Undergraduate.

Students learn pieces ranging from popular to classical repertoire further developing position playing, moveable chord forms, solo arrangements and accompaniment, accommodating students at a variety of levels.

**Prerequisites:** Music 151(P), or cons instr; & ability to read notation.

**Course Rules:** May be retaken to max of 6 cr.

**General Education Requirements:** A

**Last Taught:** Fall 2015, Spring 2015, Fall 2014, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 181 University Community Orchestra**

1 cr. Undergraduate.

Provides a continuing opportunity for rehearsal and performance for Music Majors playing secondary instrument(s).

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 30(P), MUSIC 40(P), MUSIC 42(P), MUSIC 81(P), MUSIC 181(P), MUSIC 182(P), MUSIC 334(P), MUSIC 340(P), MUSIC 342(P), or MUSIC 382(P); or consent of instructor.

**Course Rules:** MUSIC 81 and MUSIC 181 may be retaken to combined max of 10 sem.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 182 Symphony Orchestra**

1 cr. Undergraduate.

This class will rehearse, study and perform orchestral works from the 18th, 19th and 20th centuries.

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 30(P), MUSIC 40(P), MUSIC 42(P), MUSIC 81(P), MUSIC 181(P), MUSIC 182(P), MUSIC 334(P), MUSIC 340(P), MUSIC 342(P), or MUSIC 382(P); or consent of instructor.

**Course Rules:** MUSIC 182 and MUSIC 382 may be retaken to combined max of 10 sem.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 211 General History of Western Music I**

3 cr. Undergraduate.

An introduction to the development of musical styles in western music from the Renaissance through the end of the 18th century.

**Prerequisites:** sophomore standing and two semesters of music theory.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 212 General History of Western Music II**

3 cr. Undergraduate.

The development of western art music from the 19th century to the present and in relation to developments in other art forms.

**Prerequisites:** sophomore standing, three semesters of music theory, and MUSIC 211(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 220 Introduction to Computers and Music**

3 cr. Undergraduate.

Introduction to digital audio, acoustics, psychoacoustics, electronic music composition, and history. Survey and application of software audio production tools through individual creative projects.

**Prerequisites:** Music major; previous experience in computers & music; or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 225 Materials of Theory III**

3 cr. Undergraduate.

Advanced study of the elements and extended chromatic organization of music through music literature.

**Prerequisites:** Music Major; Music 226(C) & Music 124(P), & 128(P) with grade of 'C-' or better or equiv; successful completion of QL-A; or cons instr.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 226 Aural Theory III**

1 cr. Undergraduate.

Continuation of Music 124. Advanced work developing sight-singing and melodic, contrapuntal, and harmonic dictation as related to music literature. Aural application of Music 225.

**Prerequisites:** Music Major; Music 225(C); 124(P) & 128(P) with grade of 'C-' or better or equiv.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 241 Guitar Technique**

1 cr. Undergraduate.

Self-study tools and solutions on performing music accurately to advance and develop skills and expand the relative and absolute sense of touch.

**Prerequisites:** Music major; or cons instr.

**Course Rules:** Counts as repeat of Music 489 w/same topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 242 Fretboard Essentials**

2 cr. Undergraduate.

Music theory as it relates to the guitar fingerboard, including major/minor and harmonized scales, triads, 7th chords and inversions, and arpeggios.

**Prerequisites:** Music major;

**Course Rules:** Counts as repeat of Music 280 w/same topic.

**Last Taught:** Spring 2023, Spring 2020, Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 244 Basic Diction in Singing**

1 cr. Undergraduate.

Principles of the international phonetic alphabet as they apply to the english language and the singing of assigned vocal repertoire.

**Prerequisites:** admis to Musical Theatre prog; or cons instr.

**Last Taught:** Spring 2022, Spring 2019, Spring 2017, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 245 Basic and Italian Lyric Diction**

1 cr. Undergraduate.

Principles of Basic and Italian lyric diction as taught through the use of the international phonetic alphabet, and the singing of assigned vocal repertoire.

**Prerequisites:** Music major or consent of instructor.

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 246 German and French Lyric Diction**

1 cr. Undergraduate.

Principles of German and French lyric diction as taught through use of the international phonetic alphabet, and the singing of assigned vocal repertoire.

**Prerequisites:** music major or consent of instructor.

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 248 Sight-Reading for Guitar I**

1 cr. Undergraduate.

Skill development of sight-reading staff notation for the guitar.

**Prerequisites:** cons instr, Music major.

**Course Rules:** Counts as repeat of Music 280 with same topic.

**Last Taught:** Spring 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 259 Accompanying**

2 cr. Undergraduate.

The piano as an accompanying instrument; study of basic principles of accompanying; sight reading and standard repertoire; transposition; laboratory experience.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Spring 2023, Fall 2022, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 271 Jazz Ensemble**

1 cr. Undergraduate.

A performance and laboratory group for the study of jazz ensemble techniques.

**Prerequisites:** Music major or minor; or cons instr.

**Course Rules:** May be retaken to max of 10 cr.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 274 Guitar Repertoire and Ensemble**

1 cr. Undergraduate.

Exploration of the guitar ensemble and solo literature. Performance laboratory.

**Prerequisites:** music majors or cons instr.

**Course Rules:** May be retaken to combined max of 8 sem.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 275 Keyboard Performance Repertoire**

1-2 cr. Undergraduate.

Section 1: piano. Section 2: organ. An analysis of applied piano or organ literature, including representative works from all periods.

**Prerequisites:** jr st & cons instr.

**Last Taught:** Fall 2023, Fall 2021, Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 276 Keyboard Performance Repertoire**

1-2 cr. Undergraduate.

Section 1: piano. Section 2: organ. Continuation of Music 275.

**Prerequisites:** Music 275.

**Last Taught:** Spring 2022, Spring 2017, Spring 2011, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 278 Afro-Caribbean and Latin American Guitar Styles**

2 cr. Undergraduate.

An overview of guitar accompaniment and lead styles used in various Latin-American and Caribbean genres.

**Prerequisites:** cons instr.

**Course Rules:** Counts as repeat of Music 489 with same topic.

**Last Taught:** Fall 2007, Spring 2007, Fall 2006, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 280 Special Studies in Music:**

1-3 cr. Undergraduate.

Specific topic will be announced in the Schedule of Classes when offered.

**Prerequisites:** none.

**Course Rules:** May be retaken for cr when course content is different.

**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 297 Study Abroad:**

1-12 cr. Undergraduate.

Studio and special studies designed to provide relevant course work for a study abroad program in music.

**Prerequisites:** cons instr & acceptance for Study Abroad prog.

**Course Rules:** May be retaken w/chg in topic to max of 12 cr.

**Last Taught:** Spring 2022, Spring 2019, Fall 2018, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 307 General History of Western Music III**

3 cr. Undergraduate.

The development of music at the end of the 19th century and throughout the 20th century, including art music in the western tradition and American popular and vernacular musics.

**Prerequisites:** jr st, 3 sem music theory, Music 211(P) & 212(P).**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 308 Selected Topics in Music History and Literature:**

3 cr. Undergraduate/Graduate.

An in-depth study of selected genres in western music, the composers and their works. Topic to be announced in Schedule of Classes.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P); 4 semesters of music theory.**Course Rules:** May be retaken w/chg in topic to max of 9 cr.**Last Taught:** Spring 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 308G Selected Topics in Music History and Literature:**

3 cr. Undergraduate/Graduate.

An in-depth study of selected genres in western music, the composers and their works. Topic to be announced in Schedule of Classes.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P); 4 semesters of music theory.**Course Rules:** May be retaken w/chg in topic to max of 9 cr.**Last Taught:** Spring 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 309 American Folk and Popular Music**

2 cr. Undergraduate/Graduate.

A survey of American folk and popular music from 1750 to the present. Study of European and African music elements and their intersection in American musical forms.

**Prerequisites:** jr st or cons instr.**General Education Requirements:** A**Last Taught:** Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 309G American Folk and Popular Music**

2 cr. Undergraduate/Graduate.

A survey of American folk and popular music from 1750 to the present. Study of European and African music elements and their intersection in American musical forms.

**Prerequisites:** jr st or cons instr.**General Education Requirements:** A**Last Taught:** Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 310 Introduction to World Musics**

3 cr. Undergraduate/Graduate.

Study of musical genres from selected world cultures with an emphasis on musical sound and structure, and performance in cultural context.

**Prerequisites:** jr st, successful completion of OWC-A (English 102 or equiv); or cons instr.**General Education Requirements:** A, OWCB**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 310G Introduction to World Musics**

3 cr. Undergraduate/Graduate.

Study of musical genres from selected world cultures with an emphasis on musical sound and structure, and performance in cultural context.

**Prerequisites:** jr st, successful completion of OWC-A (English 102 or equiv); or cons instr.**General Education Requirements:** A, OWCB**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 311 Music of the Baroque Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of music from the baroque era in which selected composers and their compositions will be studied.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P); 4 sem of music theory.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 311G Music of the Baroque Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of music from the baroque era in which selected composers and their compositions will be studied.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P); 4 sem of music theory.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 312 Music of the Classic Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of music from the classical era in which selected composers and their compositions will be studied.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P); 4 sem of music theory.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 312G Music of the Classic Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of music from the classical era in which selected composers and their compositions will be studied.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P); 4 sem of music theory.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 313 Music of the Romantic Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of music from the romantic era in which selected composers and their compositions will be studied.

**Prerequisites:** jr st, Music 211(P), 212(P), 307(P); 4 sem music theory.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 313G Music of the Romantic Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of music from the romantic era in which selected composers and their compositions will be studied.

**Prerequisites:** jr st, Music 211(P), 212(P), 307(P); 4 sem music theory.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 314 Music since 1900**

3 cr. Undergraduate/Graduate.

A general or topical survey of music since 1900, in which selected composers and their compositions will be studied.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P); 4 sem music theory.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 314G Music since 1900**

3 cr. Undergraduate/Graduate.

A general or topical survey of music since 1900, in which selected composers and their compositions will be studied.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P); 4 sem music theory.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 317 Introduction to American Music**

3 cr. Undergraduate/Graduate.

Introductory survey of folk, indigenous, popular and art music of the United States.

**Prerequisites:** jr st or grad st.**Last Taught:** Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 317G Introduction to American Music**

3 cr. Undergraduate/Graduate.

Introductory survey of folk, indigenous, popular and art music of the United States.

**Prerequisites:** jr st or grad st.**Last Taught:** Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 321 Counterpoint**

3 cr. Undergraduate.

Introduction to species counterpoint and contrapuntal techniques in music. Study of and exercises in contrapuntally oriented musical structures: passacaglia, chaconne, chorale prelude, canon, and fugue.

**Prerequisites:** Music 230(P).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 323 Instrumental and Choral Orchestration**

3 cr. Undergraduate.

Techniques of arranging for voice, strings, woodwinds, brass, and percussion. Study of representative scores, demonstrations of suitable arrangements.

**Prerequisites:** Music 225(P), 226(P), & 220(P) for composition majors, (R) for others; or knowledge of computer music notation as determined by instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 326 Advanced Aural Theory**

1 cr. Undergraduate/Graduate.

Continuation of Aural Theory 226 with advanced work in the development of aural skills and dictation in linear and vertical aspects of diatonic, chromatic and atonal music.

**Prerequisites:** jr st; Music 225(P) & 226(P).**Last Taught:** Spring 2015, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 326G Advanced Aural Theory**

1 cr. Undergraduate/Graduate.

Continuation of Aural Theory 226 with advanced work in the development of aural skills and dictation in linear and vertical aspects of diatonic, chromatic and atonal music.

**Prerequisites:** jr st; Music 225(P) & 226(P).**Last Taught:** Spring 2015, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 327 Studio Techniques**

3 cr. Undergraduate/Graduate.

Introduction to recording studio techniques, electronic synthesis, acoustics, psychoacoustics, and mixing. Individual creative projects in electronic music recording and synthesizer studios.

**Prerequisites:** junior standing and music major; or consent of instructor; MUSIC 220(R).**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 327G Studio Techniques**

3 cr. Undergraduate/Graduate.

Introduction to recording studio techniques, electronic synthesis, acoustics, psychoacoustics, and mixing. Individual creative projects in electronic music recording and synthesizer studios.

**Prerequisites:** junior standing and music major; or consent of instructor; MUSIC 220(R).**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 328 Interactive Electronic Music**

3 cr. Undergraduate/Graduate.

Introduction to creative coding for computer music, real-time digital signal processing, multimedia, live performance, interactive projects, and computer assisted composition. Individual projects in electronic music studios.

**Prerequisites:** junior standing, Music major, and MUSIC 327(P); or consent of instructor.**Course Rules:** Previous experience in computers and music recommended.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 328G Interactive Electronic Music**

3 cr. Undergraduate/Graduate.

Introduction to creative coding for computer music, real-time digital signal processing, multimedia, live performance, interactive projects, and computer assisted composition. Individual projects in electronic music studios.

**Prerequisites:** junior standing, Music major, and MUSIC 327(P); or consent of instructor.**Course Rules:** Previous experience in computers and music recommended.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 334 University Community Band**

3 cr. Undergraduate.

A concert band which performs concerts on and off campus. Designed as a continuing playing experience for students.

**Prerequisites:** non-Music major.

**Course Rules:** Music 30 & 334(31) may be retaken to combined max of 10 sem.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 340 Symphony Band**

3 cr. Undergraduate.

Symphony band performs symphonic works for band, performing regularly on campus, statewide tours and national conventions.

**Prerequisites:** non-Music major; audition; & cons instr.

**Course Rules:** Music 40 & 340(41) may be retaken to combined max of 10 sem.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 342 Wind Ensemble**

3 cr. Undergraduate.

Performs music ranging from octet to forty players, stressing the single player per part concept, embracing a commitment to quality wind and percussion music. Presents concerts on campus and national tours.

**Prerequisites:** non-Music major; audition; & cons instr.

**Course Rules:** Music 42 & 342 'Wind Ensemble' may be retaken to combined max of 10 sem.

**Last Taught:** Spring 2023, Spring 2019, Spring 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 348 Sight-Reading for Guitar II**

1 cr. Undergraduate.

Solutions for accurate sight-reading of style-specific repertoire.

**Prerequisites:** Music major or consent of instructor.

**Course Rules:** Counts as repeat of MUSIC 280 with same topic.

**Last Taught:** Fall 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 349 Classical Guitar History and Literature**

3 cr. Undergraduate.

A guided analytical and historical survey of the music, composers, performers, cultures, and literature for guitar from the sixteenth to twenty-first centuries.

**Prerequisites:** jr st; Music 226(P); 248(R), 348(R); cons instr.

**Last Taught:** Spring 2022, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 350 Kameraden Chorus**

3 cr. Undergraduate.

Large choir of students who prefer to sing tenor or bass rehearses & performs music of various styles and historical periods.

**Prerequisites:** consent of instructor.

**Course Rules:** MUSIC 50 and MUSIC 350 may be retaken to combined max of 10 credits. Audition required.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 352 Bella Voce**

3 cr. Undergraduate.

Highly select treble choir performs music of various styles, cultures, and historical periods. For students with significant choral experience.

**Prerequisites:** Music major or minor; or completion of one of the following: MUSIC 44(P), MUSIC 45(P), MUSIC 52(P), MUSIC 56(P), MUSIC 352(P), or MUSIC 395(P); or consent of instructor.

**Course Rules:** MUSIC 52 and MUSIC 352 may be retaken to combined max of 10 cr. Audition required.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 353 Conducting**

2 cr. Undergraduate.

Manual technique and rehearsal techniques for both choral and instrumental groups. Class forms a laboratory ensemble.

**Prerequisites:** junior standing, music major, MUSIC 225(P), and consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 354 Instrumental Conducting**

2 cr. Undergraduate.

Continuation of Music 353 with emphasis on conducting techniques: study and analysis of orchestral or wind band scores, with practical application for music education and performance majors.

**Prerequisites:** Music 353(P) or 253(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 357 Choral Conducting**

2 cr. Undergraduate.

Advanced techniques of gesture, score study, style periods and performance practice, rehearsal and vocal techniques.

**Prerequisites:** Music major and MUSIC 353(P); or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 361 Ensemble - Piano**

1-2 cr. Undergraduate.

Opportunity for pianists to perform and study the chamber literature (duets, trios, quartets, etc) of the last three centuries.

**Prerequisites:** consent of instructor.

**Course Rules:** Open to advanced performers on piano. May not be substituted for the required credits in applied music, band or orchestra except by special permission. May be retaken for cr.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 365 Ensemble - Woodwind**

1-2 cr. Undergraduate.

Opportunity for woodwind students to perform and study the chamber literature (duets, trios, quartets, etc) of the last three centuries.

**Prerequisites:** Music major or minor; or consent of instructor.

**Course Rules:** Open to advanced performers on woodwind. May not be substituted for the required credits in applied music, band or orchestra except by special permission. May be retaken for credit.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 367 Ensemble - Brass**

1-2 cr. Undergraduate.

Opportunity for brass students to perform and study the chamber literature (duets, trios, quartets, etc) of the last three centuries.

**Prerequisites:** Music major or minor; or consent of instructor.

**Course Rules:** Open to advanced performers on brass. May not be substituted for the required credits in applied music, band or orchestra except by special permission. May be retaken for credit.

**Last Taught:** Fall 2019, Spring 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 369 Ensemble - Strings**

1-2 cr. Undergraduate.

Opportunity for string students to perform and study the chamber literature (duets, trios, quartets, etc) of the last three centuries.

**Prerequisites:** Music major minor; or consent of instructor.

**Course Rules:** Open to advanced performers on stringed instruments. May not be substituted for the required credits in applied music, band or orchestra except by special permission. May be retaken for cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 370 Chamber Ensemble - Mixed**

1-2 cr. Undergraduate.

Opportunity for students of mixed instrument families to perform and study the chamber literature (duets, trios, quartets, etc) of the last three centuries.

**Prerequisites:** consent of instructor.

**Course Rules:** Open to advanced performers of all instruments. May not be substituted for the required credits in applied music, band or orchestra except by special permission. May be retaken for cr.

**Last Taught:** Fall 2023, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 377 Song Literature I: Italy, Germany, France, Great Britain**

2 cr. Undergraduate.

Art songs and vocal literature of Italy, Great Britain, Germany and France through recordings, student performances and lectures. Given alternate years in fall semester.

**Prerequisites:** 2 yrs collegiate voice study & cons instr.

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 378 Song Literature II: United States and Select European Countries**

2 cr. Undergraduate.

Art songs and vocal literature of the United States, European countries, South America, and Spain through recordings, student performances and lectures. Given alternate years in spring semester. Given alternate years in spring semester.

**Prerequisites:** 2 yrs collegiate voice study & cons instr.

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 382 Symphony Orchestra**

3 cr. Undergraduate.

This class will rehearse, study and perform orchestral works from the 18th, 19th and 20th centuries.

**Prerequisites:** non-Music major; audition; & cons instr.

**Course Rules:** Music 182 & 382(82) may be retaken to combined max of 10 sem.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 395 Concert Chorale**

3 cr. Undergraduate.

This highly select mixed ensemble performs advanced-level music from various styles, cultures, and historical periods and tours annually. Students chosen by competitive audition.

**Prerequisites:** non-Music major; sophomore standing or higher; cons instr; audition.

**Course Rules:** Music 395(57) may be retaken to combined max of 10 sem.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 402 Jazz Combo**

1-2 cr. Undergraduate.

Study of jazz music's origin, development and styles from early forms to contemporary trends. Emphasis on playing various styles in sequential periods of jazz history.

**Prerequisites:** consent of instructor.

**Course Rules:** May be retaken for cr. Jazz Studies majors enroll for 2 credits; all others enroll for 1 credit.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 409 Folk Music in Contemporary Culture**

3 cr. Undergraduate/Graduate.

American Folk Music and its impact on contemporary culture.

**Prerequisites:** jr st, Music 102(P); or cons instr.

**Course Rules:** Counts as repeat of Music 280/680 with the same topic.

**Last Taught:** Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 409G Folk Music in Contemporary Culture**

3 cr. Undergraduate/Graduate.

American Folk Music and its impact on contemporary culture.

**Prerequisites:** jr st, Music 102(P); or cons instr.

**Course Rules:** Counts as repeat of Music 280/680 with the same topic.

**Last Taught:** Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 410 Topics in World Music:**

3 cr. Undergraduate/Graduate.

Topics vary. Covers the music of a single country, geographic region, or aspects of a particular topic in world music in depth.

**Prerequisites:** jr st & Music 310(P); or grad st or cons instr.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 410G Topics in World Music:**

3 cr. Undergraduate/Graduate.

Topics vary. Covers the music of a single country, geographic region, or aspects of a particular topic in world music in depth.

**Prerequisites:** jr st & Music 310(P); or grad st or cons instr.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 415 Choral Literature Survey**

2 cr. Undergraduate.

A historical overview of choral literature with emphasis on major composers and styles of each period. Repertoire studied is selected from the WSMA Contest list.

**Prerequisites:** junior standing, music major, MUSIC 225(P), and consent of instructor.

**Last Taught:** Spring 2016, Fall 2014, Fall 2013, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 420 Advanced Electronic Music and Sound Art:**

3 cr. Undergraduate/Graduate.

Rotating topics course covering advanced techniques in programming and design for live electro-acoustic music, sound art, multimedia, and instrument building. Individual and group projects utilizing the electronic music studios.

**Prerequisites:** junior standing, music major, and MUSIC 328(P) or consent of instructor.

**Course Rules:** May be retaken with change in topic to 6 cr max. Previous experience in computers and music recommended.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 420G Advanced Electronic Music and Sound Art:**

3 cr. Undergraduate/Graduate.

Rotating topics course covering advanced techniques in programming and design for live electro-acoustic music, sound art, multimedia, and instrument building. Individual and group projects utilizing the electronic music studios.

**Prerequisites:** junior standing, music major, and MUSIC 328(P) or consent of instructor.

**Course Rules:** May be retaken with change in topic to 6 cr max. Previous experience in computers and music recommended.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 421 Materials of Theory IV**

3 cr. Undergraduate/Graduate.

Study and analysis of techniques and styles in contemporary music.

**Prerequisites:** MUSIC 225(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 421G Materials of Theory IV**

3 cr. Undergraduate/Graduate.

Study and analysis of techniques and styles in contemporary music.

**Prerequisites:** MUSIC 225(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 444 Vocal Pedagogy I**

2 cr. Undergraduate/Graduate.

Techniques for training the singing voice derived from the study of vocal anatomy, various pedagogy texts, and the observation and teaching of voice lessons.

**Prerequisites:** jr st & cons instr.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 444G Vocal Pedagogy I**

2 cr. Undergraduate/Graduate.

Techniques for training the singing voice derived from the study of vocal anatomy, various pedagogy texts, and the observation and teaching of voice lessons.

**Prerequisites:** jr st & cons instr.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 445 Vocal Pedagogy II**

2 cr. Undergraduate/Graduate.

Advanced techniques for vocal teaching; including anatomy, pedagogic observation and advanced study of acoustics explore their relationship to voice pedagogy, laryngologists/speech-language pathologists, and vocal pathology.

**Prerequisites:** jr st; Music 444(446)(P); or cons instr.

**Last Taught:** Spring 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 445G Vocal Pedagogy II**

2 cr. Undergraduate/Graduate.

Advanced techniques for vocal teaching; including anatomy, pedagogic observation and advanced study of acoustics explore their relationship to voice pedagogy, laryngologists/speech-language pathologists, and vocal pathology.

**Prerequisites:** jr st; Music 444(446)(P); or cons instr.

**Last Taught:** Spring 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 447 String Pedagogy in the Studio**

2 cr. Undergraduate/Graduate.

Topics include: technique (instrument hold, shifting, vibrato, spiccato, etc.), historical survey (tartini, baillot, auer, flesch, etc). Information delivery techniques, master teacher profile, recent trends.

**Prerequisites:** junior standing and consent of instructor.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 447G String Pedagogy in the Studio**

2 cr. Undergraduate/Graduate.

Topics include: technique (instrument hold, shifting, vibrato, spiccato, etc.), historical survey (tartini, baillot, auer, flesch, etc). Information delivery techniques, master teacher profile, recent trends.

**Prerequisites:** junior standing and consent of instructor.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 448 Piano Pedagogy**

2 cr. Undergraduate.

Techniques for training the elementary level piano student, derived from the study of methods and materials, discussion and guest lectures. Given alternate years.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Fall 2022, Fall 2006, Fall 2005, Spring 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 449 Women in Music:**

3 cr. Undergraduate/Graduate.

Women's roles in musical life; their contributions as performers and composers to various musical styles and repertoires; comparison of their activities with those of men. Specific topics and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken w/chg in topic to max of 6 cr.

**General Education Requirements:** A

**Last Taught:** Spring 2011, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 449G Women in Music:**

3 cr. Undergraduate/Graduate.

Women's roles in musical life; their contributions as performers and composers to various musical styles and repertoires; comparison of their activities with those of men. Specific topics and any additional prerequisites announced in Schedule of Classes each time course is offered.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May be retaken w/chg in topic to max of 6 cr.

**General Education Requirements:** A

**Last Taught:** Spring 2011, Spring 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 450 Introduction to Musicology**

3 cr. Undergraduate/Graduate.

Study of the development of modern musicological methodology and its fields of research including ethnomusicology.

**Prerequisites:** jr st; cons instr.

**Last Taught:** Spring 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 450G Introduction to Musicology**

3 cr. Undergraduate/Graduate.

Study of the development of modern musicological methodology and its fields of research including ethnomusicology.

**Prerequisites:** jr st; cons instr.

**Last Taught:** Spring 2023, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 452 Early Music Ensemble**

1-2 cr. Undergraduate/Graduate.

Vocal and instrumental groups devoted to the study and performance of music from twelfth through the eighteenth century.

**Prerequisites:** Music major or minor; or consent of instructor.

**Course Rules:** Music majors enroll for 1 credit per semester; others for 1 or 2 credits.

**General Education Requirements:** A

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 452G Early Music Ensemble**

1-2 cr. Undergraduate/Graduate.

Vocal and instrumental groups devoted to the study and performance of music from twelfth through the eighteenth century.

**Prerequisites:** Music major or minor; or consent of instructor.

**Course Rules:** Music majors enroll for 1 credit per semester; others for 1 or 2 credits.

**General Education Requirements:** A

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 454 Contemporary Music Ensemble**

1 cr. Undergraduate.

Study of various forms in contemporary music, with an emphasis on indeterminacy and improvisation. Works composed in the course are performed on a concert during the semester.

**Prerequisites:** Music major or minor; or consent of instructor.

**Course Rules:** May be retaken to 4 cr max.

**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 457 Opera Theatre**

0-3 cr. Undergraduate/Graduate.

A concentrated study of the literature and techniques for the musical stage.

**Prerequisites:** Music major or minor; or consent of instructor & major teacher.

**Course Rules:** May be retaken to max of 4 semesters. Students not needing cr should enroll for 0 credit; those needing 1-3 credit(s) should enroll for a specific number of credits. Students who enroll for 0 cr will be assessed a fee for 1 credit.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 457G Opera Theatre**

0-3 cr. Undergraduate/Graduate.

A concentrated study of the literature and techniques for the musical stage.

**Prerequisites:** Music major or minor; or consent of instructor & major teacher.

**Course Rules:** May be retaken to max of 4 semesters. Students not needing cr should enroll for 0 credit; those needing 1-3 credit(s) should enroll for a specific number of credits. Students who enroll for 0 cr will be assessed a fee for 1 credit.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 464 Percussion Ensemble**

1 cr. Undergraduate/Graduate.

Provides percussionists with a diverse chamber music experience through performing repertoire of varying instrumentation, styles, and time periods, and developing strong ensemble skills through rehearsal and performance.

**Prerequisites:** music major or consent instructor.

**Course Rules:** Repeatable to 8 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 464G Percussion Ensemble**

1 cr. Undergraduate/Graduate.

Provides percussionists with a diverse chamber music experience through performing repertoire of varying instrumentation, styles, and time periods, and developing strong ensemble skills through rehearsal and performance.

**Prerequisites:** music major or consent instructor.**Course Rules:** Repeatable to 8 cr max.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 489 Workshop:**

1-4 cr. Undergraduate/Graduate.

Specific topic announced in the Schedule of Classes.

**Prerequisites:** jr st; additional prereq announced each offering.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 489G Workshop:**

1-4 cr. Undergraduate/Graduate.

Specific topic announced in the Schedule of Classes.

**Prerequisites:** jr st; additional prereq announced each offering.**Last Taught:** Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Studio and special studies designed to provide relevant course work for a study abroad program in music.

**Prerequisites:** jr st; cons instr & acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic to max of 12 cr.**Last Taught:** Spring 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Studio and special studies designed to provide relevant course work for a study abroad program in music.

**Prerequisites:** jr st; cons instr & acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic to max of 12 cr.**Last Taught:** Spring 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 520 Voice Performance in Popular Music Styles**

2 cr. Undergraduate.

Opportunities for singers to engage with various musical styles within the genre of Contemporary Commercial Music.

**Prerequisites:** Music major and concurrently enrolled in applied voice lessons; or consent of instructor.**Last Taught:** Spring 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 521 Popular Music Ensemble**

1-2 cr. Undergraduate/Graduate.

Allows students to perform music from pop, rock, and related genres in an ensemble environment. Students will be assigned to small ensembles (duets, trios, quartets, etc) and perform as soloist, backup, and instrumental accompanist.

**Prerequisites:** Music major or consent of instructor.**Course Rules:** Repeatable to 8 cr max.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 521G Popular Music Ensemble**

1-2 cr. Undergraduate/Graduate.

Allows students to perform music from pop, rock, and related genres in an ensemble environment. Students will be assigned to small ensembles (duets, trios, quartets, etc) and perform as soloist, backup, and instrumental accompanist.

**Prerequisites:** Music major or consent of instructor.**Course Rules:** Repeatable to 8 cr max.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 553 Advanced Conducting I**

2 cr. Undergraduate/Graduate.

Advanced study and analysis of conducting techniques. Score reading and interpretation of masterpieces from the standard repertoire.

**Prerequisites:** sr st & cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 553G Advanced Conducting I**

2 cr. Undergraduate/Graduate.

Advanced study and analysis of conducting techniques. Score reading and interpretation of masterpieces from the standard repertoire.

**Prerequisites:** sr st & cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 554 Advanced Conducting II**

2 cr. Undergraduate/Graduate.

Continuation of Music 553.

**Prerequisites:** sr st, Music 553(P) & cons instr.**Last Taught:** Spring 2023, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 554G Advanced Conducting II**

2 cr. Undergraduate/Graduate.

Continuation of Music 553.

**Prerequisites:** sr st, Music 553(P) & cons instr.**Last Taught:** Spring 2023, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 559 The Wind Band: Its History and Literature**

3 cr. Undergraduate/Graduate.

Examination of origins and historical significance of the wind band, including a survey of its instrumentation and literature.

**Prerequisites:** jr st; cons instr.**Last Taught:** Fall 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 559G The Wind Band: Its History and Literature**

3 cr. Undergraduate/Graduate.

Examination of origins and historical significance of the wind band, including a survey of its instrumentation and literature.

**Prerequisites:** jr st; cons instr.**Last Taught:** Fall 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 561 Advanced Chamber Music**

1-3 cr. Undergraduate/Graduate.

Upper level undergraduate and graduate students to perform and study the chamber literature (duets, trios, quartets, etc.)

**Prerequisites:** Music major or minor; or consent of instructor.

**Course Rules:** Open to performance majors. May not be substituted for the required credits in applied music, band or orchestra except by special permission. May be retaken to max of 9 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 561G Advanced Chamber Music**

1-3 cr. Undergraduate/Graduate.

Upper level undergraduate and graduate students to perform and study the chamber literature (duets, trios, quartets, etc.)

**Prerequisites:** Music major or minor; or consent of instructor.

**Course Rules:** Open to performance majors. May not be substituted for the required credits in applied music, band or orchestra except by special permission. May be retaken to max of 9 cr.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 604 Business for Performing Artists**

3 cr. Undergraduate/Graduate.

Students will be guided through business subjects of the performing industry such as marketing, tax preparation, branding, resume writing, and website construction.

**Prerequisites:** junior standing and admitted to PSOA performance program (Music, Dance, or Theatre).

**Course Rules:** Counts as a repeat of MUSIC 680 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 604G Business for Performing Artists**

3 cr. Undergraduate/Graduate.

Students will be guided through business subjects of the performing industry such as marketing, tax preparation, branding, resume writing, and website construction.

**Prerequisites:** junior standing and admitted to PSOA performance program (Music, Dance, or Theatre).

**Course Rules:** Counts as a repeat of MUSIC 680 with similar topic.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 611 Music of the Medieval Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of medieval music, including the study of representative works, medieval theory and performance practices.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P), & 4 sem Music theory.

**Last Taught:** Spring 2012, Fall 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 611G Music of the Medieval Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of medieval music, including the study of representative works, medieval theory and performance practices.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P), & 4 sem Music theory.

**Last Taught:** Spring 2012, Fall 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 612 Music of the Renaissance and Early Modern Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of renaissance and early modern music, including the study of representative works, renaissance theory and performance practices.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P) & 4 sem Music theory.

**Last Taught:** Fall 2016, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 612G Music of the Renaissance and Early Modern Era**

3 cr. Undergraduate/Graduate.

A general or topical survey of renaissance and early modern music, including the study of representative works, renaissance theory and performance practices.

**Prerequisites:** jr st; Music 211(P), 212(P), 307(P) & 4 sem Music theory.

**Last Taught:** Fall 2016, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 620 Percussion History, Literature and Pedagogy**

2 cr. Undergraduate/Graduate.

Survey of the history and development of percussion instruments and repertoire from multiple cultures from the 1500s to present day, along with effective teaching techniques and the development of materials for a professional career.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 620G Percussion History, Literature and Pedagogy**

2 cr. Undergraduate/Graduate.

Survey of the history and development of percussion instruments and repertoire from multiple cultures from the 1500s to present day, along with effective teaching techniques and the development of materials for a professional career.

**Prerequisites:** junior standing.

**Last Taught:** Fall 2023, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 659 Junior Recital**

0 cr. Undergraduate.

Independent supervised preparation and performance on recital program as determined by performance instructor.

**Prerequisites:** jr st; cons instr.

**Course Rules:** Fee for 1 cr assessed.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 660 Senior Recital:**

0-2 cr. Undergraduate.

Independent supervised preparation and performance in recital to fulfill degree requirements.

**Prerequisites:** sr st & recital hearing before area faculty.

**Course Rules:** Students in the multiple woodwinds performance major may fulfill the requirement for two senior recitals (1 cr for primary instrument and 2 cr for secondary instrument) by enrolling in two sections of Music 660 during the same sem. Students not needing cr should enroll for 0 cr; those needing 1-2 cr should enroll for a specific number of cr. Students who enroll for 0 cr will be assessed fee for 1 credit. May be retaken to max of 3 cr or two sem.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 680 Special Studies in Music:**

1-3 cr. Undergraduate/Graduate.  
Specific topic will be announced in Schedule of Classes when offered.  
**Prerequisites:** jr st or cons instr.  
**Course Rules:** May be retaken w/chg in topic to max of 9 cr.  
**Last Taught:** Fall 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 680G Special Studies in Music:**

1-3 cr. Undergraduate/Graduate.  
Specific topic will be announced in Schedule of Classes when offered.  
**Prerequisites:** jr st or cons instr.  
**Course Rules:** May be retaken w/chg in topic to max of 9 cr.  
**Last Taught:** Fall 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 691 Senior Thesis**

2 cr. Undergraduate/Graduate.  
**Prerequisites:** sr st. Not available for grad cr at this time.  
**Last Taught:** Fall 2015, Fall 2012.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 691G Senior Thesis**

2 cr. Undergraduate/Graduate.  
**Prerequisites:** sr st. Not available for grad cr at this time.  
**Last Taught:** Fall 2015, Fall 2012.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 693 Apprenticeship:**

1-4 cr. Undergraduate/Graduate.  
Open to select advanced students who will work as paraprofessionals under the guidance of a program designed jointly by the student, the music department curriculum committee, and a professional mentor approved by the curriculum committee.  
**Prerequisites:** jr st; cons curric comm.  
**Last Taught:** Fall 2021, Spring 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 693G Apprenticeship:**

1-4 cr. Undergraduate/Graduate.  
Open to select advanced students who will work as paraprofessionals under the guidance of a program designed jointly by the student, the music department curriculum committee, and a professional mentor approved by the curriculum committee.  
**Prerequisites:** jr st; cons curric comm.  
**Last Taught:** Fall 2021, Spring 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 699 Advanced Independent Work (Undergraduate)**

1-3 cr. Undergraduate.  
Enroll for a specific number of credits.  
**Prerequisites:** cons dept chair.  
**Course Rules:** May be retaken for cr.  
**Last Taught:** Spring 2023, Fall 2022, Summer 2022, Fall 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 703 Graduate Theory Review**

3 cr. Graduate.  
A course for graduate students to include tonal/atonal theory, keyboard harmony, sight singing and ear training. The course may not be taken to fulfill a graduate music degree requirement.  
**Prerequisites:** grad st; recom of theory faculty.  
**Last Taught:** Fall 2023, Fall 2019, Fall 2018, Fall 2017.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 704 Graduate Music History**

3 cr. Graduate.  
An intensive study of selected musical styles and representative repertory in the western tradition from the middle ages through the present, with a focus on listening and score study, the comparison of musical styles from different periods, and discussion of important historical trends.  
**Prerequisites:** grad st; recom of music history faculty.  
**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 710 Graduate Studies in Music**

3 cr. Graduate.  
Bibliography and methods for research and paper writing in the field of music.  
**Prerequisites:** grad st.  
**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 711 Graduate Seminar in Music History:**

3 cr. Graduate.  
An in-depth study of selected musical works, focusing on a close analysis of scores, historical research, and paper writing.  
**Prerequisites:** graduate standing and MUSIC 710 or MUS ED 710(P).  
**Course Rules:** Specific topics and any additional prerequisites announced in schedule of classes each time course is offered. May be repeated with change in topic to max of 9 cr.  
**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 715 Choral Literature**

3 cr. Graduate.  
In-depth investigation of choral repertoire from 1450 to present day, including a study of major genres, composers, styles, and performance practice.  
**Prerequisites:** grad st.  
**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2016.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 718 Violin and Viola Pedagogy Level I**

2 cr. Graduate.  
A systematic methodology for taking a student through the formative stages of violin and viola playing. Lecture classes, observation or group and individual lessons, supervised teaching in lab setting.  
**Prerequisites:** grad st or cons instr; Music major.  
**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 719 Violin and Viola Pedagogy Level II**

2 cr. Graduate.

A systematic methodology for taking a student from the formative stages of violin and viola playing through the technically and musically more advanced levels. Lecture classes, observation of group and individual instruction, supervised teaching in lab setting.

**Prerequisites:** grad st; music major; Music 718(P); or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 720 Violin Pedagogy Level III**

2 cr. Graduate.

Advanced emphasis on the teaching of advanced scales, significant violin etudes and major repertoire. Lecture and demonstration classes, observation of group and individual instruction, supervised teaching in lab setting.

**Prerequisites:** grad st; Music 719(P); or cons instr.**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 721 Viola Pedagogy Level III**

2 cr. Graduate.

Advanced emphasis on the teaching of advanced scales, significant etudes (Kreutzer & Campagnoli), orchestral excerpts as teaching etudes, and selected study of advanced viola repertoire. Lecture and demonstration classes, observation of group and individual lessons, supervised teaching in lab setting.

**Prerequisites:** grad st; Music 719(P); or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 722 Cello Pedagogy Level I**

2 cr. Graduate.

A systematic methodology for taking a student from the first lessons through the formative stage of cello playing. Lecture classes, observation of group and individual lessons, supervised teaching in lab setting.

**Prerequisites:** grad st or cons instr.**Last Taught:** Fall 2021, Fall 2018, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 723 Cello Pedagogy Level II**

2 cr. Graduate.

A systematic methodology for taking a student from the formative stage of cello playing through the technically and musically more advanced level. Specific skills include how to teach vibrato and shifting. Lecture classes, observation of group and individual instruction, supervised teaching in lab setting.

**Prerequisites:** grad st; Music 722(P); or cons instr.**Last Taught:** Fall 2022, Spring 2019, Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 724 Cello Pedagogy Level III**

2 cr. Graduate.

Advanced emphasis on the teaching of advanced scales, significant etudes and selected study of major repertoire. Lecture and demonstration classes; observation of group and individual instruction, supervised teaching in a lab setting.

**Prerequisites:** grad st; Music 723(P); or cons instr.**Last Taught:** Spring 2023, Fall 2019, Fall 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 730 University Community Band**

1 cr. Graduate.

A concert band that performs concerts on and off campus. Designed as a continuing playing experience for students. Music 730 may be retaken to combined max of 6 sem.

**Prerequisites:** grad st; cons instr; audition.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 731 Contemporary Composition Techniques**

3 cr. Graduate.

Contemporary compositional techniques; their theoretical, aesthetic, and historical relationship. Advanced analysis of scores utilizing these techniques.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 732 Score Reading**

3 cr. Graduate.

Reading at the piano from full score. Procedure and practice in piano reduction are studied and applied. The classical, romantic, and contemporary periods are emphasized.

**Prerequisites:** grad st; some ability at key board.**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 740 Symphony Band**

1 cr. Graduate.

Performs symphonic works for band, performing regularly on campus, statewide tours and national conventions.

**Prerequisites:** grad st & cons instr.**Course Rules:** For Music majors with advanced playing experience.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 741 Guitar Technique**

1 cr. Graduate.

Self-study tools and solutions on performing music accurately to advance and develop skills and expand the relative and absolute sense of touch.

**Prerequisites:** graduate standing or consent of instructor.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 742 Fretboard Essentials**

2 cr. Graduate.

Music theory as it relates to the guitar fingerboard, including major/minor and harmonized scales, triads, 7th chords and inversions, and arpeggios.

**Prerequisites:** grad st; or cons instr.**Last Taught:** Spring 2023, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 744 Graduate Theory Seminar**

3 cr. Graduate.

Current theoretical approaches to a wide range of musical styles.

**Prerequisites:** grad st; diagnostic test or Music 703 with grade of B or better.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 749 Classical Guitar History and Literature**

3 cr. Graduate.

A guided analytical and historical survey of the music, composers, performers, cultures, and literature for guitar from the sixteenth to twenty-first centuries.

**Prerequisites:** grad st; cons instr.**Last Taught:** Spring 2022, Spring 2020, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 750 Kameraden Chorus**

1 cr. Graduate.

Large choir of students who prefer to sing tenor or bass rehearses and performs music of various styles and historical periods.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Retakeable to 6 cr max. Audition required. Open to all students by audition.**Last Taught:** Fall 2022, Fall 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 751 Advanced Piano Repertoire I**

2 cr. Graduate.

Advanced study of the piano repertoire, including works of all representative periods.

**Prerequisites:** grad st; Music 276.**Last Taught:** Fall 2021, Fall 2017, Fall 2016, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 752 Advanced Piano Repertoire II**

2 cr. Graduate.

Advanced study of the piano repertoire, including works of all representative periods.

**Prerequisites:** grad st; Music 751(P).**Last Taught:** Spring 2022, Spring 2017, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 753 Advanced Song Literature I**

2 cr. Graduate.

Art songs and vocal literature of Italy, Great Britain, Germany and France through recordings, student performances and lectures. Given alternate years in fall semester.

**Prerequisites:** grad st & cons instr.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 754 Advanced Song Literature II**

2 cr. Graduate.

Art songs and vocal literature of the United States, European countries, South America, and Spain through recordings, student performances and lectures. Given alternate years in spring semester.

**Prerequisites:** grad st; Music 753(P); or cons instr.**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 755 Advanced Instrumental Repertoire I: Strings**

2 cr. Graduate.

Comprehensive study of the solo and ensemble literature for string instruments through study, performance, and listening.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 756 Advanced Instrumental Repertoire II: Strings**

2 cr. Graduate.

Comprehensive study of solo and ensemble literature for string instruments through study, performance, and listening.

**Prerequisites:** grad st; cons instr.**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 757 Advanced Instrumental Repertoire I: Brass and Woodwinds**

2 cr. Graduate.

Comprehensive study of the solo and ensemble literature for brass and woodwind instruments through study, performance, and listening.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 758 Advanced Instrumental Repertoire II: Brass and Woodwinds**

2 cr. Graduate.

Comprehensive study of the solo and ensemble literature for brass and woodwind instruments through study, performance, and listening.

**Prerequisites:** grad st; cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2016, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 762 Contemporary Music Ensemble**

3 cr. Graduate.

For music majors with advanced instrumental and vocal competence.

Rehearsals and concert series devoted to complex works by contemporary composers.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2017, Fall 2015, Fall 2013, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 763 Advanced Percussion Performance Repertoire**

2 cr. Graduate.

A comprehensive study of the solo and ensemble repertoire for tympani/ percussion through study, performance and listening.

**Prerequisites:** grad st; Music 279 or cons instr.**Last Taught:** Fall 2011, Spring 2000, Fall 1999, Fall 1990.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 765 Advanced Instrumental Repertoire I: Guitar**

2 cr. Graduate.

Comprehensive study of the solo and ensemble literature for guitar through study, performance, and listening.

**Prerequisites:** graduate standing or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 766 Advanced Instrumental Repertoire II: Guitar**

2 cr. Graduate.

Continuing study of solo and ensemble literature for guitar through study, performance, listening.

**Prerequisites:** graduate standing and MUSIC 765(P) or consent of instructor.**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSIC 769 Graduate Choral Conducting I**

2 cr. Graduate.

Study of conducting problems in choral works of divergent styles/periods.

**Prerequisites:** graduate standing in MM choral performance or music education (choral emphasis); undergraduate choral conducting course(s); professional conducting experience; consent of instructor.**Course Rules:** Projects assigned to meet specific student need.**Last Taught:** Spring 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 770 Graduate Choral Conducting II**

2 cr. Graduate.

Continuing study of conducting problems in choral works of divergent styles/periods. Projects assigned to meet specific student need.

**Prerequisites:** graduate standing and MUSIC 769(P) or MUSIC 553(P); consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 771 Graduate Choral Conducting III**

2 cr. Graduate.

Advanced analysis of architectural, stylistic and gestural concerns in choral works of divergent styles/periods. Projects assigned to meet specific student need. Supervised conducting time with student's own ensemble.

**Prerequisites:** grad st; Music 770(P) or 554(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 772 Advanced Instrumental Conducting**

2 cr. Graduate.

Study of conducting problems in instrumental works of all periods. Projects will be assigned to meet the background and needs of students. Practical experience will be gained by conducting university groups.

**Prerequisites:** grad st & Music 554.**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 781 University Community Orchestra**

1 cr. Graduate.

Rehearsal and performance of orchestral music. Intended for non-music majors, music majors playing their secondary instrument, and community members.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 782 Symphony Orchestra**

1 cr. Graduate.

For music majors with advanced playing experience. Rehearsals are devoted to reading orchestral literature of the 18th, 19th, and 20th centuries.

**Prerequisites:** grad st & cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 789 Wind Ensemble**

1 cr. Graduate.

**Prerequisites:** grad st & cons instr.**Course Rules:** For Music majors with advanced playing experience.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 795 Concert Chorale**

1 cr. Graduate.

This highly select mixed ensemble performs advanced level music from all periods of choral literature, utilizing instruments when appropriate. Auditions take place during the first week of each new semester.

**Prerequisites:** grad st; audition & cons instr.**Course Rules:** May be retaken to combined max of 6 sem.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 797 Vocal Jazz Ensemble**

1 cr. Graduate.

Jazz arrangements of standard popular songs, including ballads, swing, bebop, and current fusion styles, performed with rhythm section accompaniment.

**Prerequisites:** grad st, cons instr**Last Taught:** Spring 2013, Spring 1988, Fall 1987, Spring 1987.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 798 Bella Voce**

1 cr. Graduate.

Highly select treble choir performs music of various styles, cultures, and historical periods. For students with significant choral experience.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Retakeable to 6 cr max. Audition required.**Last Taught:** Spring 2019, Fall 2018, Fall 2016, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 799 Advanced Independent Work**

1-3 cr. Graduate.

The student must apply for scheduling advanced independent work with the graduate committee, if possible during the semester preceding the project.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 806 Chamber Music Master Class**

1 cr. Graduate.

Student participation and stage performance of chamber music with discussion of critiques by institute faculty and guest artists.

**Prerequisites:** grad st; admis to ICM, writ cons director of ICM.**Course Rules:** May be repeated to max of 4 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 811 Seminar In Baroque Music**

3 cr. Graduate.

Investigation of problems of the Music of the Baroque era with reference to the evolution of musical styles in Western Europe from 1600-1750.

**Prerequisites:** grad st; cons instr**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSIC 829 Seminar: Historical Perspectives On Violin, Viola And Cello Pedagogy**

2 cr. Graduate.

Traces evolution of modern instruments and teaching methods, and explores interdisciplinary tools and resources for the string teacher.

**Prerequisites:** grad st; Music 720(P), 721(P), 724(P); or cons instr.**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSIC 835 Chamber Music Coaching**

2 cr. Graduate.

Weekly ensemble coaching by ICM faculty and guest artists. Public performance required.

**Prerequisites:** grad st; admis to ICM; writ cons director of ICM.

**Course Rules:** May be repeated to a max of 8 cr.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSIC 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirements.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2023, Fall 2022, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSIC 911 Seminar In Musicology I**

3 cr. Graduate.

Research seminar devoted to the investigation of musical problems. May serve as a basis for developing thesis projects, research papers, and lecture-recitals.

**Prerequisites:** grad st

**Last Taught:** Spring 2022, Spring 2020, Spring 2016, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSIC 990 Research of Thesis**

1-3 cr. Graduate.

Thesis or thesis equivalent in music history, recital, lecture-recital, public performance, or composition. Approval of subject and assignment to staff member by the graduate committee.

**Prerequisites:** grad st.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSIC 991 Recital And Lecture Demonstration**

1 cr. Graduate.

Public recital and lecture demonstration for string pedagogy students. Approval of subject by student's major teacher and the music graduate committee required.

**Prerequisites:** grad st; cons instr

**Course Rules:** Open only to string pedagogy students.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSIC 999 Research (Independent Work)**

1-3 cr. Graduate.

Approval of project and assignment to staff member by graduate committee.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022, Fall 2021, Spring 2021, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## **Music Education (MUS ED)**

### **MUS ED 249 Diction Survey**

2 cr. Undergraduate.

Survey of Diction for Music Education. An in depth study of IPA covering germanic, romance and other languages as needed.

**Prerequisites:** none.

**Last Taught:** Fall 2016, Fall 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 260 Making Music Connections with Children**

3 cr. Undergraduate.

Experiencing music through interactive participation by singing, listening, moving, creating, and playing classroom instruments. Collaboratively teach multiethnic music for children in class.

**Prerequisites:** junior standing and admitted to the School of Education; or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 331 Keyboard Skills for Music Educators I**

1 cr. Undergraduate.

Functional use of the keyboard for accompanying, sight reading and improvising.

**Prerequisites:** a grade of C- or better in MUSIC 128(P) and Music major; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 332 Keyboard Skills for Music Educators II**

1 cr. Undergraduate.

Functional use of the keyboard for accompanying and reading open score.

**Prerequisites:** MUS ED 331(P) and student in Teacher Certification program; or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 350 Introduction to Teaching Music**

2 cr. Undergraduate.

Exploration of the profession of music teaching including observation in area music programs. Successful exit audition required for admission to the certification program.

**Prerequisites:** Music major or special student.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 351 Folk Instrument and Popular Instrument Pedagogy and Technique**

2 cr. Undergraduate.

Practical experience with folk and popular instruments, e.g. guitar, electric bass, ukulele, etc. Methods and materials for use with children K-12.

**Prerequisites:** music education major or consent of instructor.

**Last Taught:** Fall 2023, Spring 2022, Fall 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 352 Technology in Music Education**

2 cr. Undergraduate.

Awareness of music education software and hardware to incorporate technology into planning, implementation and assessment of musical learning experiences.

**Prerequisites:** music education major or consent of instructor

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 385 Guitar Pedagogy**

2 cr. Undergraduate.

Studies in the pedagogy of guitar for class and private studios.

**Prerequisites:** jr st; cons instr.

**Last Taught:** Fall 2022, Spring 2019, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 450 Field Experience in Music Education**

2 cr. Undergraduate.

Experience working with diverse student populations in cooperating schools to address issues of urban teaching.

**Prerequisites:** Music Major; admis to teacher cert prog.

**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 451 Teaching Instrumental Music: Elementary and Middle Levels**

2 cr. Undergraduate.

Group ensemble pedagogical techniques in elementary and middle schools; survey of band and orchestra literature; marching and jazz techniques; organization and administration of instrumental music.

**Prerequisites:** Music Major; admis to teacher cert prog.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 460 Pedagogy and Practice for Teaching General Music K-12**

4 cr. Undergraduate.

Methods, materials, and observation of teaching general music in grades pre K-12.

**Prerequisites:** student in Music Education Teacher Certification program; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 461 Teaching Secondary General Music**

2 cr. Undergraduate.

Methods and materials for teaching classroom music; work with creating, performing, and listening techniques; model course designs; related arts-humanities format; and appropriate resources. Sixth grade through adult.

**Prerequisites:** Music Major; admis to teacher cert prog; or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 462 Teaching Secondary Choral Music**

3 cr. Undergraduate.

Methods and techniques for teaching choral music; work with organization choral program, auditioning, choosing music, program planning; rehearsal techniques, public relations, and setting up a choral library. Sixth grade through adult.

**Prerequisites:** Music Major and student in Teacher Certification program; or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 463 Teaching Instrumental Music**

3 cr. Undergraduate.

Group ensemble pedagogical techniques; survey of band and orchestra literature; marching and jazz techniques; organization and administration of the instrumental music program.

**Prerequisites:** student in Music Education Teacher Certification program; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 477 Student Teaching in Music - Elementary Level**

1-9 cr. Undergraduate.

Teaching experience in cooperating school systems in or near Milwaukee; supervision by critic teacher and members of the music faculty.

**Prerequisites:** Music Major; admis to teacher cert prog; and program approval.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 478 Student Teaching in Music - Secondary Level**

1-9 cr. Undergraduate.

Teaching experience in cooperating school systems in or near Milwaukee; supervision by critic teacher and members of the music faculty.

**Prerequisites:** Music Major; admis to teacher cert prog; and program approval.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 479 Seminar in Student Teaching**

1 cr. Undergraduate.

A seminar meeting to review teacher field observations, portfolio development, and preparation of resume and job application materials.

**Prerequisites:** Music Major; admis to teacher cert prog; and program approval.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 680 Special Studies in Music Education:**

1-3 cr. Undergraduate/Graduate.

Current issues in music education techniques, pedagogy, and practice at all levels of music teaching. Variable Topics.

**Prerequisites:** admis to U/G MusEd prog or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 680G Special Studies in Music Education:**

1-3 cr. Undergraduate/Graduate.

Current issues in music education techniques, pedagogy, and practice at all levels of music teaching. Variable Topics.

**Prerequisites:** admis to U/G MusEd prog or cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUS ED 710 Research in Music Education**

3 cr. Graduate.

Qualitative and quantitative methods in music education research.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2021, Fall 2019, Spring 2016, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 777 Foundations of Music Education**

3 cr. Graduate.

Studies in the history and philosophy of music education, aesthetics, and basic research design. Discussion of current curricular practices as compared with traditional music education.

**Prerequisites:** grad st.

**Last Taught:** Summer 2021, Summer 2019, Fall 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 778 Recent Developments in Music Education**

3 cr. Graduate.

Studies in music curriculum trends and related socio-cultural factors. Influences of Orff, Kodaly, Dalcroze, Manhattanville, CMP, the Yale seminar, and the Tanglewood symposium.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022, Summer 2020, Summer 2015, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 780 General Music Methods and Materials**

2 cr. Graduate.

New approaches to secondary general music--particularly jr high related arts/humanities, films, filmstrip packages, records and book resources. Development of teaching units.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022, Spring 2022, Fall 2014, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 781 Seminar in Elementary Music**

2-3 cr. Graduate.

Study of the principal approaches to teaching elementary classroom music. Work with appropriate resources.

**Prerequisites:** grad st.

**Last Taught:** Spring 2014, Spring 2010, Fall 1990, Fall 1989.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 782 Music Education Seminar**

1-3 cr. Graduate.

Special offerings on subjects not covered by the basic seminars and other elective music education courses.

**Prerequisites:** grad st.

**Last Taught:** Fall 2021, Fall 2020, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 799 Independent Study in Music Education**

1-3 cr. Graduate.

Detailed independent work under a major professor in an area of Music Education not covered by available courses.

**Prerequisites:** grad st & cons instr.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUS ED 990 Thesis or Final Project**

1-6 cr. Graduate.

Formal written thesis, lecture/recital, major annotated bibliography, curriculum synthesis, or other type of music education project. Must submit proposal to advisor in Music Education and be approved by the Graduate Committee.

**Prerequisites:** grad st.

**Course Rules:** Retakeable to max of 6 cr.

**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## **Music Performance (MUSPERF)**

### **MUSPERF 1 Fundamentals of Piano:**

1 cr. Undergraduate.

Small group instruction in piano fundamentals. Course has two progressive levels.

**Prerequisites:** Music major; audition principal instrument; successful completion of lower level; or cons instr.

**Course Rules:** May be retaken w/chg in topic to max of 2 cr. Repeat of level only by prior cons instr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSPERF 101 Lessons in Piano**

1 cr. Undergraduate.

Private lessons in piano.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSPERF 102 Lessons in Organ**

1 cr. Undergraduate.

Private lessons in organ.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSPERF 103 Lessons in Harpsichord**

1 cr. Undergraduate.

Private lessons in harpsichord.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2008, Fall 2007, Spring 1984.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSPERF 111 Lessons in Voice**

1 cr. Undergraduate.

Private lessons in voice.

**Prerequisites:** Music minor, Music major (secondary instrument), or Theatre major, and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **MUSPERF 121 Lessons in Flute**

1 cr. Undergraduate.

Private lessons in flute.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken with change to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 122 Lessons in Oboe**

1 cr. Undergraduate.

Private lessons in oboe.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2022, Spring 2019, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 123 Lessons in Clarinet**

1 cr. Undergraduate.

Private lessons in clarinet.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 124 Lessons in Saxophone**

1 cr. Undergraduate.

Private lessons in saxophone.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 125 Lessons in Bassoon**

1 cr. Undergraduate.

Private lessons in bassoon.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 131 Lessons in French Horn**

1 cr. Undergraduate.

Private lessons in french horn.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 132 Lessons in Trumpet**

1 cr. Undergraduate.

Private lessons in trumpet.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2021, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 133 Lessons in Trombone**

1 cr. Undergraduate.

Private lessons in trombone.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Fall 2021, Spring 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 134 Lessons in Euphonium**

1 cr. Undergraduate.

Private lessons in euphonium.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2020, Spring 2012, Spring 2011, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 135 Lessons in Tuba**

1 cr. Undergraduate.

Private lessons in tuba.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2021, Spring 2012, Spring 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 141 Lessons in Violin**

1 cr. Undergraduate.

Private lessons in violin.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 142 Lessons in Viola**

1 cr. Undergraduate.

Private lessons in viola.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2021, Fall 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 143 Lessons in Cello**

1 cr. Undergraduate.

Private lessons in cello.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Fall 2021, Spring 2020, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 144 Lessons in Double Bass**

1 cr. Undergraduate.

Private lessons in double bass.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 145 Lessons in Harp**

1 cr. Undergraduate.

Private lessons in harp.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 146 Lessons in Guitar: Classical**

1 cr. Undergraduate.

Private lessons in a non-principal guitar style.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 4 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 148 Lessons in Guitar: Jazz**

1 cr. Undergraduate.

Private lessons in a non-principal style.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 4 cr max.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 151 Lessons in Percussion**

1 cr. Undergraduate.

Private lessons in percussion.

**Prerequisites:** Music minor or Music major (secondary instrument), and audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 152 Lessons in Drum Set**

1 cr. Undergraduate.

Private lessons in drum set.

**Prerequisites:** Music minor; Music major (secondary instrument); audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max.

**Last Taught:** Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 201 Lessons in Piano**

1 cr. Undergraduate.

Private lessons in piano.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 202 Lessons in Organ**

1 cr. Undergraduate.

Private lessons in organ.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2016, Spring 2016, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 203 Lessons in Harpsichord:**

1 cr. Undergraduate.

Private lessons in harpsichord. Course has eight progressive performance levels.

**Prerequisites:** music major; audition principal instrument; successful completion of each lower level; or cons instr.

**Course Rules:** May be retaken w/chg in topic to 8 cr max. Conc reg in approved performance organization. Repeat of level only by prior cons instr.

**Last Taught:** Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 211 Lessons in Voice**

1 cr. Undergraduate.

Private lessons in voice.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 221 Lessons in Flute**

1 cr. Undergraduate.

Private flute lessons, studio class, and convocation for Music Education students.

**Prerequisites:** Music Education BFA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 222 Lessons in Oboe**

1 cr. Undergraduate.

Private lessons in oboe.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 223 Lessons in Clarinet**

1 cr. Undergraduate.

Private lessons in clarinet.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2021, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 224 Lessons in Saxophone**

1 cr. Undergraduate.

Private lessons in saxophone.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 225 Lessons in Bassoon**

1 cr. Undergraduate.

Private lessons in bassoon.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2018, Spring 2018, Fall 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 231 Lessons in French Horn**

1 cr. Undergraduate.

Private lessons in french horn.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2022, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 232 Lessons in Trumpet**

1 cr. Undergraduate.

Private lessons in trumpet.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2021, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 233 Lessons in Trombone**

1 cr. Undergraduate.

Private lessons in trombone.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 234 Lessons in Euphonium**

1 cr. Undergraduate.

Private lessons in euphonium.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 235 Lessons in Tuba**

1 cr. Undergraduate.

Private lessons in tuba.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 241 Lessons in Violin**

1 cr. Undergraduate.

Private lessons in violin.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2022, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 242 Lessons in Viola**

1 cr. Undergraduate.

Private lessons in viola.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 243 Lessons in Cello**

1 cr. Undergraduate.

Private lessons in cello.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 244 Lessons in Double Bass**

1 cr. Undergraduate.

Private lessons in double bass.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 245 Lessons in Harp**

1 cr. Undergraduate.

Private lessons in harp.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2018, Spring 2005, Spring 2004, Fall 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 246 Lessons in Guitar: Classical**

1 cr. Undergraduate.

Private lessons in a guitar style.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 251 Lessons in Percussion**

1 cr. Undergraduate.

Private lessons in percussion.

**Prerequisites:** Music Education major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 7 cr max. Senior half recital must be completed in 7th semester. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 301 Lessons in Piano**

2 cr. Undergraduate.

Private lessons in piano.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 302 Lessons in Organ**

2 cr. Undergraduate.

Private lessons in organ.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2009, Spring 2007, Spring 2005, Spring 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 304 Lessons in Collaborative Piano-Vocal**

2 cr. Undergraduate.

Private lessons in Collaborative Piano-Vocal.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2016, Fall 2015, Spring 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 311 Lessons in Voice**

2 cr. Undergraduate.

Private lessons in voice.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 315 Brass Pedagogy and Techniques**

3 cr. Undergraduate.

Prepares students to teach brass instruments in K-12 school settings. Classroom instruction in horn, trumpet, trombone, euphonium, tuba and related brass instruments.

**Prerequisites:** Music major; or cons instr.

**Course Rules:** Counts as repeat of MusPerf 31, 32, 33, 34, & 35.

**Last Taught:** Fall 2022, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 316 String Pedagogy and Techniques**

3 cr. Undergraduate.

Prepares students for classroom instruction in teaching violin, viola, cello and string bass with appropriate pedagogical and repertoire choices for all K-12 school.

**Prerequisites:** Music major; or cons instr.

**Course Rules:** Counts as repeat of MusPerf 41, 42, 43, 44, and Mus Ed 452.

**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 317 Woodwind Pedagogy and Techniques**

3 cr. Undergraduate.

Prepares students for classroom instruction in flute, oboe, clarinet, bassoon and saxophone with appropriate pedagogical and repertoire choices for all K-12 school.

**Prerequisites:** Music major; or cons instr.

**Course Rules:** Counts as repeat of MusPerf 21, 22, 23, 24.

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 318 Percussion Pedagogy and Techniques**

2 cr. Undergraduate.

Instruments and methods for teaching various percussion instruments and methods including snare drum, timpani, keyboard percussion instruments, accessory percussion instruments, and hand drums.

**Prerequisites:** Music major; or cons instr.

**Course Rules:** Counts as repeat of MusPerf 51.

**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 321 Lessons in Flute**

2 cr. Undergraduate.

Private lessons in flute.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2023, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 322 Lessons in Oboe**

2 cr. Undergraduate.

Private lessons in oboe.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 323 Lessons in Clarinet**

2 cr. Undergraduate.

Private lessons in clarinet.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 324 Lessons in Saxophone**

2 cr. Undergraduate.

Private lessons in saxophone.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2021, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 325 Lessons in Bassoon**

2 cr. Undergraduate.

Private lessons in bassoon.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 331 Lessons in French Horn**

2 cr. Undergraduate.

Private lessons in french horn.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2023, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 332 Lessons in Trumpet**

2 cr. Undergraduate.

Private lessons in trumpet.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 333 Lessons in Trombone**

2 cr. Undergraduate.

Private lessons in trombone.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 334 Lessons in Euphonium**

2 cr. Undergraduate.

Private lessons in euphonium.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2007, Fall 2006, Spring 2004, Fall 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 335 Lessons in Tuba**

2 cr. Undergraduate.

Private lessons in tuba.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2021, Spring 2019, Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 341 Lessons in Violin**

2 cr. Undergraduate.

Private lessons in violin.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 342 Lessons in Viola**

2 cr. Undergraduate.

Private lessons in viola.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Fall 2021, Spring 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 343 Lessons in Cello**

2 cr. Undergraduate.

Private lessons in cello.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 344 Lessons in Double Bass**

2 cr. Undergraduate.

Private lessons in double bass.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2022, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 345 Lessons in Harp**

2 cr. Undergraduate.

Private lessons in harp.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2016, Fall 2015, Fall 2009, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 346 Lessons in Guitar: Classical**

2 cr. Undergraduate.

Private lessons in a principal guitar style.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 348 Lessons in Guitar: Jazz**

2 cr. Undergraduate.

Private lessons in a principal guitar style.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 351 Lessons in Percussion**

2 cr. Undergraduate.

Private lessons in percussion.

**Prerequisites:** Music BA major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 352 Jazz Drum Set:**

2 cr. Undergraduate.

Lessons in Jazz Drum Set. Course has two progressive levels.

**Prerequisites:** Jazz Studies major; audition principal instrument; successful completion of each lower level; or cons instr.

**Course Rules:** May be retaken w/chg in topic to 4 cr max. Conc reg in approved performance organization. Repeat of level only by prior cons instr.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 361 Lessons in Composition**

1 cr. Undergraduate.

Private lessons in composition.

**Prerequisites:** Music major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 8 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 401 Lessons in Piano**

3 cr. Undergraduate.

Private lessons in piano.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 402 Lessons in Organ**

3 cr. Undergraduate.

Private lessons in organ.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2005, Spring 2005, Fall 2004, Spring 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 404 Lessons in Collaborative Piano**

3 cr. Undergraduate.

Private lessons in Collaborative Piano.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2014, Spring 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 411 Lessons in Voice**

3 cr. Undergraduate.

Private lessons in voice.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 412 Voice Lessons for Musical Theatre**

2-3 cr. Undergraduate.

Private lessons in voice for Musical Theatre majors.

**Prerequisites:** Musical Theatre major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken 12 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 421 Lessons in Flute**

3 cr. Undergraduate.

Private lessons in flute.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 422 Lessons in Oboe**

3 cr. Undergraduate.

Private lessons in oboe.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 423 Lessons in Clarinet**

3 cr. Undergraduate.

Private lessons in clarinet.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 424 Lessons in Saxophone**

3 cr. Undergraduate.

Private lessons in saxophone.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 425 Lessons in Bassoon**

3 cr. Undergraduate.

Private lessons in bassoon.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 431 Lessons in French Horn**

3 cr. Undergraduate.

Private lessons in french horn.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 432 Lessons in Trumpet**

3 cr. Undergraduate.

Private lessons in trumpet-cornet.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2018, Spring 2018, Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 433 Lessons in Trombone**

3 cr. Undergraduate.

Private lessons in trombone.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2017, Fall 2016, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 434 Lessons in Euphonium**

3 cr. Undergraduate.

Private lessons in euphonium.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2007, Fall 2006, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 435 Lessons in Tuba**

3 cr. Undergraduate.

Private lessons in tuba.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2021, Spring 2021, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 441 Lessons in Violin**

3 cr. Undergraduate.

Private lessons in violin.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 442 Lessons in Viola**

3 cr. Undergraduate.

Private lessons in viola.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2021, Spring 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 443 Lessons in Cello**

3 cr. Undergraduate.

Private lessons in cello.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 444 Lessons in Double Bass**

3 cr. Undergraduate.

Private lessons in double bass.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 445 Lessons in Harp**

3 cr. Undergraduate.

Private lessons in harp.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Spring 2018, Fall 2017, Spring 2017, Fall 2016.

**MUSPERF 446 Lessons in Guitar: Classical**

3 cr. Undergraduate.

Private lessons in a principal guitar style.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 448 Lessons in Guitar: Jazz**

3 cr. Undergraduate.

Private lessons in a principal guitar style.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 451 Lessons in Percussion**

3 cr. Undergraduate.

Private lessons in percussion.

**Prerequisites:** Music Performance major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 24 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 461 Lessons in Composition**

2 cr. Undergraduate.

Private lesson in composition.

**Prerequisites:** Music major or non-major; audition principal instrument; or consent of instructor.

**Course Rules:** May be retaken to 16 cr max. Concurrent registration in approved performance organization.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 701 Keyboard Instruments: Piano**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr. Audition required.

**Last Taught:** Fall 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 702 Keyboard Instruments: Organ**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 16 cr. Audition required.**Last Taught:** Spring 2003, Fall 2002, Spring 2002, Fall 2001.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 703 Collaborative Piano-Vocal**

3 cr. Graduate.

Study and performance of the art song repertoire; development of sight reading, transposition, and vocal coaching skills.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 12 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Spring 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 704 Collaborative Piano: Instrumental**

3 cr. Graduate.

Study and performance of the standard wind and string solo and ensemble repertoire (excluding string sonatas); piano reductions of orchestral accompaniments.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 12 credits. Audition required.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 705 Techniques of Opera Coaching and Accompanying**

2 cr. Graduate.

Introduction to opera coaching and accompanying skills. Students will observe and accompany opera workshop rehearsals and public performances.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 8 cr. Audition required.**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 706 Sonatas, Piano and String**

2 cr. Graduate.

Study and performance of the standard piano and string sonata repertoire from all periods.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 8 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 711 Voice**

4 cr. Graduate.

Principal performance study for graduate students in Music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 24 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 721 Lessons in Flute**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 24 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 722 Woodwind Instruments: Oboe**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 24 cr. Audition required.**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 723 Woodwind Instruments: Clarinet**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 24 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 724 Woodwind Instruments: Saxophone**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 24 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 725 Woodwind Instruments: Bassoon**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 24 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 731 Brass Instruments: French Horn**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 24 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 732 Brass Instruments: Trumpet**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.**Course Rules:** May be repeated to a max of 24 cr. Audition required.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 733 Brass Instruments: Trombone**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr. Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 734 Brass Instruments: Euphonium**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr. Audition required.

**Last Taught:** Spring 2022, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 735 Brass Instruments: Tuba**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr. Audition required.

**Last Taught:** Fall 2023, Spring 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 741 String Instruments: Violin**

3-4 cr. Graduate.

Principal performance study for graduate students concentrating in violin performance (4 cr), or principal instrumental study for graduate students concentrating in string pedagogy (3 cr).

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr (performance students), or 12 cr (string pedagogy students). Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 742 String Instruments: Viola**

3-4 cr. Graduate.

Principal performance study for graduate students concentrating in viola performance (4 cr), or principal instrumental study for graduate students concentrating in string pedagogy (3 cr).

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr (performance students), or 12 cr (string pedagogy students). Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 743 String Instruments: Violoncello**

3-4 cr. Graduate.

Principal performance study for graduate students concentrating in violoncello performance (4 cr), or principal instrumental study for graduate students concentrating in string pedagogy (3 cr).

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to max of 24 cr (performance students), or 12 cr (string pedagogy students). Audition required.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 744 String Instruments: Bass**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr. Audition required.

**Last Taught:** Fall 2009, Spring 1989, Fall 1988, Spring 1985.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 745 String Instruments: Harp**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr. Audition required.

**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 746 Guitar**

4 cr. Graduate.

Principal performance study for graduate students concentrating in guitar performance.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr. Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 751 Percussion**

4 cr. Graduate.

Principal performance study for graduate students in music in their major area.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 24 cr. Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 752 Lessons in Drum Set**

2 cr. Graduate.

Stylistic, technical and musical demands of the drum set player, including the musical styles of Afro-Cuban, Brazilian, funk, and rock, and other topics.

**Prerequisites:** graduate standing in music or consent of instructor.

**Course Rules:** Repeatable to 8 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 761 Advanced Composition**

3 cr. Graduate.

Advanced independent performance study in musical composition.

**Prerequisites:** graduate standing in Music or consent of instructor.

**Course Rules:** May be repeated to a max of 12 cr. Audition required.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 801 Keyboard Instruments, Piano**

2 cr. Graduate.

Principal performance study in solo and chamber works for institute of chamber music students on their major instrument. Public performance required.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Open to ICM students only.

**Last Taught:** Fall 2018, Spring 2016, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 821 Woodwind Instruments, Flute**

2 cr. Graduate.

Principal performance study in solo and chamber works for institute of chamber music students on their major instrument. Public performance required.

**Prerequisites:** grad st; cons instr.**Course Rules:** Open to ICM students only.**Last Taught:** Spring 2019, Fall 2018, Spring 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 822 Woodwind Instruments, Oboe**

2 cr. Graduate.

Principal performance study for solo and chamber works for institute of chamber music students on their major instrument. Public performance required.

**Prerequisites:** grad st; cons instr.**Course Rules:** Open to ICM students only.**Last Taught:** Spring 2002, Fall 2001, Spring 2001, Fall 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 823 Woodwind Instruments, Clarinet**

2 cr. Graduate.

Principal performance study in solo and chamber works for institute of chamber music students on their major instrument. Public performance required.

**Prerequisites:** grad st; cons instr.**Course Rules:** Open to ICM students only.**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 825 Woodwind Instruments, Bassoon**

2 cr. Graduate.

Principal performance study in solo and chamber works for institute of chamber music students on their major instrument. Public performance required.

**Prerequisites:** grad st; cons instr.**Course Rules:** Open to ICM students only.**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 841 String Instruments, Violin**

2 cr. Graduate.

Principal performance study in solo and chamber works for institute of chamber music students on their major instrument. Public performance required.

**Prerequisites:** grad st; cons instr.**Course Rules:** Open to ICM students only.**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 842 String Instruments, Viola**

2 cr. Graduate.

Principal performance study in solo and chamber works for institute of chamber music students on their major instrument. Public performance required.

**Prerequisites:** grad st; cons instr.**Course Rules:** Open to ICM students only.**Last Taught:** Spring 2020, Fall 2019, Spring 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 843 String Instruments, Violoncello**

2 cr. Graduate.

Principal performance study in solo and chamber works for institute of chamber music students on their major instrument. Public performance required.

**Prerequisites:** grad st; cons instr.**Course Rules:** Open to ICM students only.**Last Taught:** Spring 2020, Fall 2019, Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 855 Instrumental Master Class**

1 cr. Graduate.

Discussion of individual instrumental techniques in chamber music playing. Literature studied depending on group experience and interest.

**Prerequisites:** grad st; admis to ICM; writ cons director of ICM.**Course Rules:** May be repeated to max of 4 cr.**Last Taught:** Fall 2020, Spring 2020, Fall 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 901 Keyboard Instruments, Piano**

1 cr. Graduate.

Principal performance study for graduate students in music in their non-major areas.

**Prerequisites:** grad st; cons instr.**Course Rules:** Counts as repeat of MusPerf 601. May be repeated to max of 6 cr. Music majors only.**Last Taught:** Fall 2023, Spring 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 902 Keyboard Instruments, Organ**

1 cr. Graduate.

Principal applied music study for graduate students in music in their non-major areas.

**Prerequisites:** grad st; cons instr.**Course Rules:** Counts as repeat of MusPerf 601. May be repeated to max of 6 cr. Music majors only.**Last Taught:** Fall 2020, Fall 2017, Spring 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 903 Keyboard Instruments, Harpsichord**

1 cr. Graduate.

Principal applied music study for graduate students in music in their non-major areas.

**Prerequisites:** grad st; cons instr.**Course Rules:** Counts as repeat of MusPerf 603. May be repeated to max of 6 cr. Music majors only.**Last Taught:** Spring 2007, Fall 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**MUSPERF 911 Voice**

1 cr. Graduate.

Principal performance study for graduate students in music in their non-major area.

**Prerequisites:** grad st; cons instr.**Course Rules:** Counts as repeat of MusPerf 601. May be repeated to max of 6 cr. Music majors only.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 921 Performance Studies in Flute**

1-2 cr. Graduate.  
Principal applied music study for graduate students in music in their non-major areas.  
**Prerequisites:** graduate standing in Music or consent of instructor.  
**Course Rules:** May be repeated to a max of 8 cr. Audition required.  
**Last Taught:** Fall 2017, Spring 2017, Fall 2016, Spring 2015.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 922 Woodwind Instruments, Oboe**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as repeat of MusPerf 621. May be repeated to max of 6 cr. Music majors only.  
**Last Taught:** Spring 2022, Fall 2021, Spring 2004, Fall 2003.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 923 Woodwind Instruments, Clarinet**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as repeat of MusPerf 623. May be repeated to max of 6 cr. Open to music majors only.  
**Last Taught:** Spring 2013, Fall 2012, Spring 2009, Fall 2008.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 924 Woodwind Instruments, Saxophone**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as repeat of MusPerf 624. May be repeated to max of 6 cr. Open to music majors only.  
**Last Taught:** Spring 2023, Fall 2022, Spring 2011, Fall 2010.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 925 Woodwind Instruments, Bassoon**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as repeat of MusPerf 625. May be repeated to max of 6 cr. Open to music majors only.  
**Last Taught:** Spring 2020, Fall 2019, Fall 2007, Fall 2006.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 931 Brass Instruments, French Horn**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as repeat of MusPerf 631. May be repeated to max of 6 cr. Open to music majors only.  
**Last Taught:** Spring 2015, Fall 2013, Spring 2013, Spring 2008.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 932 Brass Instruments, Trumpet**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** May be repeated to max of 6 cr.  
**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 933 Brass Instruments, Trombone**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as a repeat of MusPerf 633. May be repeated to max of 6 cr. Open to music majors only.  
**Last Taught:** Fall 2008, Spring 2007, Fall 2006, Spring 2006.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 934 Brass Instruments, Euphonium**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major areas.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** May be repeated to max of 6 cr.  
**Last Taught:** Fall 2007, Fall 2006, Spring 2005.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 935 Brass Instruments, Tuba**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as repeat of MusPerf 635. May be repeated to max of 6 cr. Open to music majors only.  
**Last Taught:** Spring 2023, Fall 2022, Spring 2018, Spring 2014.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 941 String Instruments, Violin**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as repeat of MusPerf 641. May be repeated to max of 6 cr. Open to Music majors only.  
**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Spring 2020.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 942 String Instruments, Viola**

1 cr. Graduate.  
Principal performance study for graduate students in music in their non-major area.  
**Prerequisites:** grad st; cons instr.  
**Course Rules:** Counts as repeat of MusPerf 642. May be repeated to max of 6 cr. Open to Music majors only.  
**Last Taught:** Fall 2023, Spring 2022, Fall 2021, Spring 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 943 String Instruments, Violoncello**

1 cr. Graduate.

Principal performance study for graduate students in music in their non-major area.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Counts as repeat of Musperf 643. May be repeated to max of 6 cr. Open to Music majors only.

**Last Taught:** Spring 2023, Fall 2022, Fall 2008, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 944 String Instruments, Bass Viol**

1 cr. Graduate.

Principal applied music study for graduate students in music in their non-major areas.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Counts as repeat of MusPerf 644. May be repeated to max of 6 cr. Open to Music majors only.

**Last Taught:** Spring 2017, Fall 2016, Spring 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 945 String Instruments, Harp**

1 cr. Graduate.

Principal applied music study for graduate students in music in their non-major areas.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Counts as repeat of MusPerf 645. May be repeated to max of 6 cr. Open to Music majors only.

**Last Taught:** Spring 1998, Fall 1997, Spring 1997, Fall 1996.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 946 Guitar**

1 cr. Graduate.

Principal performance study for graduate students in music in their non-major area.

**Prerequisites:** grad st; cons instr

**Course Rules:** May be repeated to a 6 cr max. Open to Music majors only.

**Last Taught:** Spring 2023, Fall 2021, Spring 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**MUSPERF 951 Percussion**

1 cr. Graduate.

Principal applied music study for graduate students in music in their non-major areas.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Counts as repeat of MusPerf 651. May be repeated to max of 6 cr. Open to Music majors only.

**Last Taught:** Fall 2015, Spring 2010, Fall 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Neuroscience (NEURO)

**NEURO 690 Undergraduate Research in Neuroscience**

3 cr. Undergraduate.

Independent neuroscience research under the supervision of a faculty member. Project must be approved by one of the Neuroscience BS directors to enroll.

**Prerequisites:** BIO SCI 150(P), BIO SCI 152(P), PSYCH 101(P), PSYCH 254(P), and consent of program director.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NEURO 699 Independent Study**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a Neuroscience faculty member.

**Prerequisites:** junior standing; 2.0 GPA; consent of instructor, Neuroscience director, and Assistant Dean for Student Success and Academic Services.

**Course Rules:** Repeatable to 3 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Nonprofit Administration (NONPROF)

**NONPROF 705 Professionals and Volunteers in Nonprofit Organizations**

3 cr. Graduate.

Seminar in techniques of management of professionals and volunteers in nonprofit organizations.

**Prerequisites:** graduate standing.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 725 Governance of Nonprofit Organizations**

3 cr. Graduate.

Roles and responsibilities of governing boards and executive leaders.

Critical review of alternative governance and executive leadership models. Counts as repeat of BusMgmt 725 and Pub Adm 958 w/same title.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 740 Executive Leadership of Nonprofit Organizations**

3 cr. Graduate.

Nonprofit administration course designed to prepare students for a career in leadership and executive roles in nonprofit organizations. Counts as a repeat of Pub Adm 958 w/same topic.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 750 Social Entrepreneurship in the Nonprofit Sector**

3 cr. Graduate.

In-depth exploration and examination of the concept of social entrepreneurship and how it is being understood, applied and practiced in the nonprofit sector.

**Prerequisites:** grad st.

**Last Taught:** Spring 2021, Spring 2019, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 765 International Nongovernmental Organizations**

3 cr. Graduate.

International nongovernmental organizations (INGOs) and the roles they play in relief and development work in developing countries.

**Prerequisites:** grad st.

**Course Rules:** Counts as a repeat of Pol Sci 958 & Pub Adm 958 w/same topc.

**Last Taught:** Spring 2021, Fall 2016, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 770 Leveraging Technology in the Public and Nonprofit Sectors**

3 cr. Graduate.

Application of information technology (IT) concepts and tools to challenges and opportunities in the public and nonprofit sectors. Counts as a repeat of Pub Adm 958 w/same topic.

**Prerequisites:** grad st.

**Last Taught:** UWinterIM 2024, UWinterIM 2023, UWinterIM 2022, UWinterIM 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 785 Managing Change in Public and Nonprofit Organizations**

3 cr. Graduate.

Methods and techniques in the research and practice of organization development.

**Prerequisites:** grad st.

**Course Rules:** Counts as repeat of Pol Sci 958 & Pub Adm 958 w/same topic.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 789 Theory and Role of Nonprofit Organizations**

3 cr. Graduate.

Graduate-level introduction to nonprofit administration, including an examination of the role of the nonprofit sector in contemporary society.

**Prerequisites:** grad st.

**Last Taught:** Spring 2015, Spring 2014, Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 791 Nonprofit Advocacy and Public Policy**

3 cr. Graduate.

Strategies and methods of nonprofit advocacy and their use by nonprofit organizations in shaping public policy. Implications of the public policy process for nonprofit organizations.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 792 Decision-Making for Nonprofit and Public Organizations**

3 cr. Graduate.

Research methods including research design, measurement, and analysis. Qualitative and quantitative decision-making methods. Understanding and using basic statistical concepts and techniques in decision making.

**Prerequisites:** grad st

**Course Rules:** Nonprof 792 & Pub Adm 792(Pol Sci 792) are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 793 Law of Nonprofit Organizations**

3 cr. Graduate.

Legal concepts and issues relevant to the formations and operations of nonprofit organizations. Complying with applicable federal and state states and regulations.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 795 Introduction to Nonprofit Revenue Streams and Portfolios**

3 cr. Graduate.

Trends and issues surrounding nonprofit finance in an attempt to sketch a portrait of nonprofit finance theory.

**Prerequisites:** grad st.

**Course Rules:** Counts as repeat of Pol Sci 958 & Pub Adm 958 w/ Financing Nonprofits topic.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2019, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 921 Nonprofit Administrative Internship**

1-3 cr. Graduate.

Combines supervised field placement in a nonprofit organization with class sessions and assignments designed to augment the work experience.

**Prerequisites:** grad st; cons instr

**Last Taught:** Fall 2022, Fall 2019, Spring 2018, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 958 Seminar in Nonprofit Administration:**

3 cr. Graduate.

Selected topics covering different aspects of nonprofit administration. Counts as repeat of Pub Adm 958 w/same topic. Retakable w/change in topic to 9 cr max.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NONPROF 999 Independent Study**

1-3 cr. Graduate.

Independent study in a subject area of special need or interest after consultation with a faculty member.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Nursing (NURS)

**NURS 101 Cultural Diversity in Health Care**

3 cr. Undergraduate.

Enables student to conceptualize cultural diversity as a basic component of American society with implications for sensitivity and respect in health promotion and human relations.

**Prerequisites:** none.

**General Education Requirements:** CD, SS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 103 Freshman Seminar in Professional Nursing**

1 cr. Undergraduate.

Designed to orient students to nursing through self-assessment, career exploration, problem solving, study skills, and goal setting.

**Prerequisites:** admis to Pre-Nursing prog.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 172 Health and Health Care Practices**

2 cr. Undergraduate.

Focuses on health, health care practices, personnel, and services related to obtaining reliable information on health care needs and practices, and available community services.

**Prerequisites:** none.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 190 Special Studies in Nursing**

1-5 cr. Undergraduate.

Independent study course. Students establish credits, objectives and learning experiences with approval of instructor.

**Prerequisites:** cons instr.**Course Rules:** May be retaken to max of 5 cr.**Last Taught:** Summer 2023, Summer 2022, Spring 2018, Summer 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 203 Human Growth and Development Across the Life Span**

4 cr. Undergraduate.

Introduction to physical, cognitive, and psychosocial growth of human organism from conception through older adulthood with application to health care.

**Prerequisites:** Psych 101(P).**General Education Requirements:** SS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 204 Global Maternal and Child Health: From Evidence to Action**

3 cr. Undergraduate.

Critical issues impacting the health of mothers, newborns and children, using a global perspective and a life course analytical approach.

**Prerequisites:** none.**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 205 Clinical Pharmacology**

3 cr. Undergraduate.

The principles of pharmacology and administration; legislative controls; mechanisms of drug actions; contraindications; adverse and toxic effects and lifespan considerations.

**Prerequisites:** Nurs 320(C) or cons instr.**General Education Requirements:** OWCB**Last Taught:** Fall 2015, Spring 2015, Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 211 Health Assessment**

3 cr. Undergraduate.

Concepts and skills to comprehensively assess the health status of individuals. History taking, physical examination techniques, developmental, and other assessments.

**Prerequisites:** Admis to major or cons instr.**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 262 Exploring Human Sexuality**

3 cr. Undergraduate.

Historical and contemporary issues involving human sexuality as seen through the lenses of nursing, psychology, biology, and sociology.

**Prerequisites:** none.**Last Taught:** Spring 2012, Summer 1986, Summer 1985, Spring 1984.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 290 Special Studies in Nursing**

1-5 cr. Undergraduate.

Independent study course. Students establish credits, objectives and learning experiences with approval of instructor.

**Prerequisites:** cons instr.**Course Rules:** May be retaken to max of 5 cr.**Last Taught:** Fall 2017, Fall 2016, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM-sponsored program before course work level, content, and credits are determined and/or in especially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** May be retaken with change in topic.**Last Taught:** UWinteriM 2024, UWinteriM 2023, UWinteriM 2020, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 299 Ad Hoc:**

1-12 cr. Undergraduate.

Created expressly for offering in a specified enrollment period. Specific credits and additional prereqs, if any, will be specified in Schedule of Classes whenever course is offered.

**Prerequisites:** none.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2014, Spring 2014, Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 300 Introduction to Research Principles and Methods**

2 cr. Undergraduate.

Introduction to the significance, principles, purpose, and methods of the research process in order to create good consumers of research literature.

**Prerequisites:** none.**Last Taught:** Spring 2015, Fall 2014, Summer 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 301 Introduction to Global Health**

3 cr. Undergraduate.

Overview of the broad field of global health, using the United Nations (U.N.) Sustainable Development Goals as a framework for the class.

**Prerequisites:** none.**Course Rules:** GLOBAL 301 and NURS 301 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 315 Nursing Science I: Concepts of Promoting and Maintaining Health**

2 cr. Undergraduate.

Nursing science related to health promotion, disease prevention, and maintaining health; responses of individual and families in acute and community settings.

**Prerequisites:** admis to Nurs major.**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 316 Palliative Care**

3 cr. Undergraduate.

A review of palliative care and life limiting illness.

**Prerequisites:** Admission to the RN-BS-Nursing Program or consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 316X Palliative Care**

3 cr. Undergraduate.

A review of palliative care and life limiting illness.

**Prerequisites:** Admission to the RN-BS-Nursing Program or consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 317X Health Assessment**

3 cr. Undergraduate.

Techniques of health history and physical examination to ascertain normal from variations of normal health conditions, in addition cultural and developmental variations are considered.

**Prerequisites:** admis to Collaborative Degree Prog or cons instr.**Last Taught:** Fall 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 320 Concepts of Illness I**

3 cr. Undergraduate.

Mechanisms, manifestations, diagnosis, and treatment of disease states for selected body systems.

**Prerequisites:** Bio Sci 101(P) & 203(P), Chem 103(P); or cons instr.**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 321 Concepts of Illness II**

3 cr. Undergraduate.

Mechanisms, manifestations, diagnosis and treatment of disease states for selected body systems. Continuation of Nurs 320.

**Prerequisites:** Nurs 320(P) or cons instr.**Last Taught:** Fall 2015, Spring 2015, Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 326 Nursing Science II: Concepts of Aging and Long Term Health Care**

3 cr. Undergraduate.

Identification and management of factors influencing and compromising health and functional ability of older adults and exploration of long-term health care in various settings.

**Prerequisites:** admis to Nurs major.**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 327 Nursing Science III: Health Concepts-Women & Children**

4 cr. Undergraduate.

Nursing science related to the acute, chronic, and health promotion care of women and children and their families in acute and community care settings.

**Prerequisites:** Nurs 211(P), 320(P), 321(C); 331(P)**Last Taught:** Fall 2015, Summer 2015, Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 328 Nursing Science IV: Concepts of Health Care of the Adult**

4 cr. Undergraduate.

Nursing science related to adults with acute and chronic health problems in both acute and community care settings. Individual and family responses.

**Prerequisites:** Nurs 321(C); 331(P).**Last Taught:** Fall 2015, Spring 2015, Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 331 Foundations of Clinical Practice I**

5 cr. Undergraduate.

Introductory course includes communication, philosophy, theory, and decision making content, and psychomotor skills to be used as a base for planning and providing nursing care.

**Prerequisites:** admis to Nurs major.**Last Taught:** Spring 2015, Fall 2014, Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 334 Foundations of Clinical Practice II**

3 cr. Undergraduate.

Refine clinical decision making skills within the nursing process, professional communication, and psychomotor skills necessary for helping clients needing nursing care.

**Prerequisites:** Nurs 205(C), 321(C); 331(P).**Last Taught:** Fall 2015, Spring 2015, Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 351 Professional Role 1: Foundations of Professional Practice**

2 cr. Undergraduate.

Exploration of selected foundational concepts and principles essential to the professional nursing role.

**Prerequisites:** advanced to the Nursing major.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 352 Health and Illness Concepts 1: Introduction**

3 cr. Undergraduate.

Introduction of selected foundational health and illness concepts essential to nursing practice.

**Prerequisites:** admis to nurs major.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 353 Clinical Practicum 1: Foundations**

3 cr. Undergraduate.

Clinical practicum which introduces the application of foundational knowledge, skills, and attitudes in the provision of nursing care.

**Prerequisites:** admis to nurs major.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 354 Clinical Nursing Skills 1**

1 cr. Undergraduate.

Mastery of basic nursing skills for a variety of settings and phases of care using clinical judgment as the foundation for interventions. Study of concepts essential for demonstrating competencies in the safe performance of care.

**Prerequisites:** advanced to the professional nursing major and NURS 353(C).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 365 Current Topics of Nursing:**

1-3 cr. Undergraduate.

Current thought, issues, and research in nursing and implications for practice.

**Prerequisites:** jr st or cons instr.

**Course Rules:** May be retaken with topic change to a combined max of 12 cr for Nurs 365.

**Last Taught:** Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 365X Current Topics of Nursing:**

1-3 cr. Undergraduate.

Current thought, issues, and research in nursing and implications for practice.

**Prerequisites:** jr st or cons instr.

**Course Rules:** May be retaken with topic change to a combined max of 12 cr for Nurs 365.

**Last Taught:** Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 369 Clinical Pharmacology**

3 cr. Undergraduate.

Pharmacological concepts, including legal ethical implications, pharmaco-kinetics, dynamics, -therapeutics, and pharmacogenomics. Major categories of pharmacological agents and associated alternative/complementary and nutritional therapies are examined.

**Prerequisites:** admission to the RN-BS-Nursing Program or consent of instructor.

**Last Taught:** Spring 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 369X Clinical Pharmacology**

3 cr. Undergraduate.

Pharmacological concepts, including legal ethical implications, pharmaco-kinetics, dynamics, -therapeutics, and pharmacogenomics. Major categories of pharmacological agents and associated alternative/complementary and nutritional therapies are examined.

**Prerequisites:** admission to the RN-BS-Nursing Program or consent of instructor.

**Last Taught:** Spring 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 373 Alternative and Complementary Therapies in Holistic Health Care - Theory**

2 cr. Undergraduate.

Investigative theories underlying alternative and complementary therapies (CAT) commonly used in holistic Health Care.

**Prerequisites:** none.

**Course Rules:** Can be taken simultaneously with Nurs 374.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 374 Alternative and Complementary Therapies in Holistic Health Care - Field Work**

1 cr. Undergraduate.

Experiential course with select alternative and complementary therapies (CAT) commonly used in holistic health care.

**Prerequisites:** none.

**Course Rules:** Can be taken simultaneously with Nurs 373.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 375 Genetics and Genomics for Health Professionals**

3 cr. Undergraduate.

Emphasizes relationships between science of genetics, study of genomes and application of these concepts by healthcare providers in the screening, assessment, diagnosis, treatment and evaluation of patients.

**Prerequisites:** Admis to RN to BSN prog.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 375X Genetics and Genomics for Health Professionals**

3 cr. Undergraduate.

Emphasizes relationships between science of genetics, study of genomes and application of these concepts by healthcare providers in the screening, assessment, diagnosis, treatment and evaluation of patients.

**Prerequisites:** Admis to RN to BSN prog.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 380 Honors Seminar.**

3 cr. Undergraduate.

Selected topics in nursing and healthcare. May be retaken with change in topic to 9 cr max.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 390 Special Studies in Nursing**

1-5 cr. Undergraduate.

Independent study course. Students establish credits, objectives and learning experiences with approval of instructor.

**Prerequisites:** cons instr.

**Course Rules:** May be retaken to max of 5 cr.

**Last Taught:** Spring 2023, Spring 2018, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 398 Health Assessment and Promotion in Nursing Practice**

3 cr. Undergraduate.

Application of nursing concepts and skills to promote health and comprehensively assess the health status of individuals using a nursing framework.

**Prerequisites:** admis to nurs major.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 399 Concepts of Pathophysiology and Pharmacotherapeutics 1**

4 cr. Undergraduate.

Pathophysiology and pharmacology concepts for nursing across the lifespan.

**Prerequisites:** admis to nurs major.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 400 Concepts of Pathophysiology and Pharmacotherapeutics: 2**

4 cr. Undergraduate.

Pathophysiology and pharmacology concepts for nursing across the lifespan.

**Prerequisites:** Nurs 399(P).**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 401 Global Patterns of Disease**

3 cr. Undergraduate.

Global patterns of disease and epidemiological trends highlighting communicable, non-communicable diseases, injuries and outbreaks impacting the health of diverse populations.

**Prerequisites:** jr st; Nurs 110(P); or cons instr.**Last Taught:** Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 403 Practice, Research and Leadership Role Development**

3 cr. Undergraduate.

Explore and evaluate role of the professional nurse as practitioner, researcher, manager and leader.

**Prerequisites:** Nurs 334(P), 442(C).**General Education Requirements:** OWCB**Last Taught:** Spring 2016, Fall 2015, Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 407X Foundations of Professional Nursing Practice**

3 cr. Undergraduate.

Philosophical perspectives, theories, and standards are applied to the practice of professional nursing. Factors influencing nursing/health care delivery are analyzed. Professional communication skills are enhanced. Writing emphasis course.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Course Rules:** Counts as repeat of UWS NSG 341.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 415 Nursing Science V: Concepts of Community Health Care of Aggregates**

3 cr. Undergraduate.

Nursing care of individuals, families and communities; aggregates and special populations in the community; roles of community health nurses.

**Prerequisites:** Nurs 334(P).**Last Taught:** Spring 2016, Fall 2015, Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 419 Concepts of Evidence-based Nursing Practice**

3 cr. Undergraduate.

Introduction to an integration of concepts relevant to evidence-based nursing practice.

**Prerequisites:** Nurs 420(P).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 420 Professional Role 2: Provider of Care**

2 cr. Undergraduate.

Examination of selected concepts and principles essential to the provision of patient care.

**Prerequisites:** NURS 351(P).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 421 Health and Illness Concepts 2: Acute and Chronic Conditions**

3 cr. Undergraduate.

Nursing care of individuals and families experiencing acute and chronic health conditions using a holistic approach.

**Prerequisites:** Nurs 352(P).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 422 Clinical Practicum 2: Acute & Chronic Conditions**

3 cr. Undergraduate.

Clinical practicum focusing on providing nursing care for individuals and families with acute and chronic conditions.

**Prerequisites:** Nurs 353(P).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 423 Clinical Nursing Skills 2**

1 cr. Undergraduate.

Mastery of nursing skills related to care of individuals and families with acute and chronic conditions. Competencies performed in a variety of healthcare settings and phases of care, requiring clinical judgment.

**Prerequisites:** advanced to the professional nursing major and

NURS 422(C).

**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 431 Health and Illness Concepts IV: Lifespan**

3 cr. Undergraduate.

Integration of selected concepts in the care of individuals and families across the lifespan.

**Prerequisites:** Nurs 421(P).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 432 Health and Illness Concepts III: Population Health**

3 cr. Undergraduate.

Promotion and improvement of the health of populations and communities.

**Prerequisites:** Nurs 431(C).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 433 Clinical Practicum 3: Population Health**

3 cr. Undergraduate.

Clinical practicum focusing on applying concepts and providing population based nursing care to aggregates.

**Prerequisites:** Nurs 422(P).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 434 Nursing Informatics and Technology**

3 cr. Undergraduate.

Basic concepts of informatics are introduced with focus on application to clinical practice to improve safety and quality of care.

**Prerequisites:** Nurs 419(P).**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 435 Concepts of Pathophysiology and Pharmacotherapeutics III**

3 cr. Undergraduate.

Pathophysiology and pharmacology concepts for nursing across the lifespan.

**Prerequisites:** advanced to the professional nursing major, NURS 399(P), and NURS 400(P); or consent of instructor.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 440 Nursing Specialty:**

2 cr. Undergraduate.

Topics of current interest in nursing specialty areas.

**Prerequisites:** Nurs 442(P).**Course Rules:** May be retaken w/chg in topic to 8 cr. max with cons instr.**Last Taught:** Fall 2016, Spring 2016, Fall 2015, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 441X Chronic Care Management**

3 cr. Undergraduate.

Exploration of interaction of biological, psychological, social, and environmental factors important to understanding management of chronic conditions at the individual, family, community, and societal levels.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 442 Nursing Practice I**

8 cr. Undergraduate.

Clinical practice course for providing nursing care for adults and children experiencing acute and/or chronic health problems.

**Prerequisites:** Nurs 334(P) & 403(C); or cons instr.**Last Taught:** Summer 2016, Spring 2016, Fall 2015, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 443 Nursing Practice II**

8 cr. Undergraduate.

Clinical practice course for providing nursing care to individuals, families, groups, and communities.

**Prerequisites:** Nurs 442(P) or cons instr.**Last Taught:** Fall 2016, Spring 2016, Fall 2015, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 445 Capstone Practicum for Registered Nurses**

3 cr. Undergraduate.

Synthesis of knowledge from current and past learning experiences and application of clinical decision making to provide comprehensive nursing care to individuals, families, groups, and communities.

**Prerequisites:** Prior to Fall, 2014: UWS Nsg 317(P), 341(P), 434(P), 437(P), & 444(P). Fall, 2014 and beyond: UWS Nsg/Nurs/Flex 407(P), 441(P), 446(P), 447(P), 453(P) & 454(P), English 102 (P).**Course Rules:** Counts as repeat of Nurs 445X.**General Education Requirements:** OWCB**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 445X Capstone Practicum for Registered Nurses**

3 cr. Undergraduate.

Synthesis of knowledge from current and past learning experiences and application of clinical decision making to provide comprehensive nursing care to individuals, families, groups, and communities.

**Prerequisites:** Prior to Fall, 2014: UWS Nsg 317(P), 341(P), 434(P), 437(P), & 444(P). Fall, 2014 and beyond: UWS Nsg/Nurs/Flex 407(P), 441(P), 446(P), 447(P), 453(P) & 454(P), English 102 (P).**Course Rules:** Counts as repeat of Nurs 445X.**General Education Requirements:** OWCB**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 446X Research and Evidence-Based Practice**

3 cr. Undergraduate.

Introduces the importance of research to improve clinical practice, strategies to evaluate the quality of research and evidence, and increase integration of research into practice.

**Prerequisites:** admis to BSN @ Home prog or cons instr, Math 105(P).**Course Rules:** Counts as repeat of UWS NSG 434.**General Education Requirements:** QLB**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 447X Leadership and Management**

3 cr. Undergraduate.

Examines nursing leadership and management using relevant theories and concepts. Analyze decision-making in relation to communication, delegation, supervision and group process.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Course Rules:** Counts as repeat of UWS NSG 437.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 448 Mental Health Across the Care Continuum**

3 cr. Undergraduate.

This course focuses on nursing care of individuals, groups, and families experiencing acute and chronic mental health conditions across the lifespan and the continuum of care.

**Prerequisites:** none.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 448X Mental Health Across the Care Continuum**

3 cr. Undergraduate.

This course focuses on nursing care of individuals, groups, and families experiencing acute and chronic mental health conditions across the lifespan and the continuum of care.

**Prerequisites:** none.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 453X Information Management and Healthcare Technology**

3 cr. Undergraduate.

Utilize computer and information/decision science to support quality and safety in health care. Explore informatics issues and examine nursing's role in healthcare technology.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 454X Community Health Nursing**

3 cr. Undergraduate.

Nursing care of populations and communities to facilitate optimal health outcomes.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.

**Course Rules:** Counts as repeat of UWS NSG 444.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 460 Legal Aspects of Nursing**

2 cr. Undergraduate.

Current legal aspects and issues in nursing, including courts, licensure problems, legal status of nursing and health personnel, contracts, torts, negligence, crimes, and wills.

**Prerequisites:** jr st or cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 476 Professional Role 4: Leading in Complex Systems**

3 cr. Undergraduate.

Synthesis of knowledge, skills, and attitudes for leading in complex healthcare environments.

**Prerequisites:** NURS 432(P).

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 477 Health and Illness Concepts 5: Complex**

3 cr. Undergraduate.

Application of selected concepts to individuals/families with complex health and illness needs.

**Prerequisites:** Nurs 432(P).

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 478 Clinical Practicum IV: Complex Care**

6 cr. Undergraduate.

Nursing leadership and nursing care management of individuals, families, and groups experiencing complex health problems.

**Prerequisites:** NURS 422(P), NURS 433(P), and NURS 353(P).

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 480 Transition to Professional Practice**

3 cr. Undergraduate.

Exploration of the new graduate professional role to enable a smooth transition to the first registered nurse position. Course is delivered in hybrid format.

**Prerequisites:** NURS 432(P).

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 490 Special Studies in Nursing**

1-5 cr. Undergraduate.

Independent study course. Students establish credits, objectives and learning experiences with approval of instructor.

**Prerequisites:** consent of instructor.

**Course Rules:** May be retaken to max of 5 cr.

**Last Taught:** Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 490X Special Studies in Nursing**

1-5 cr. Undergraduate.

Independent study course. Students establish credits, objectives and learning experiences with approval of instructor.

**Prerequisites:** consent of instructor.

**Course Rules:** May be retaken to max of 5 cr.

**Last Taught:** Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM-sponsored program before course work levels, content, and credits are determined and/or in especially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken with change in topic; max of 9 cr for grad students.

**Last Taught:** UWinterIM 2024, UWinterIM 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM-sponsored program before course work levels, content, and credits are determined and/or in especially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken with change in topic; max of 9 cr for grad students.

**Last Taught:** UWinterIM 2024, UWinterIM 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 575 Global Health: Ethics and Human Rights**

3 cr. Undergraduate.

Explores the ethics and human rights issues related to disparities in financial, educational, technological, environmental, and political resources available to support healthy populations across the globe.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 620 Global Food Security and Systems**

3 cr. Undergraduate/Graduate.

In-depth investigation of global food systems and their impact on food security and development.

**Prerequisites:** junior standing or greater, or consent of instructor.

**Course Rules:** GLOBAL 620 and NURS 620 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 620G Global Food Security and Systems**

3 cr. Undergraduate/Graduate.

In-depth investigation of global food systems and their impact on food security and development.

**Prerequisites:** junior standing or greater, or consent of instructor.

**Course Rules:** GLOBAL 620 and NURS 620 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 653G Foundations in Pathophysiology for Nursing Practice**

4 cr. Graduate.

Mechanisms, manifestations, diagnosis and treatment of disease states for selected body systems as a foundation for nursing management of selected conditions.

**Prerequisites:** Admis to Master of Nursing prog.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 654G Health Assessment and Promotion**

3 cr. Graduate.

Application of concepts and skills to comprehensively assess the health status of individuals using functional health patterns as a framework.

**Prerequisites:** Admis to Masters in Nurs Prog or cons instr**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 657G Pharmacotherapeutics for Nursing Practice**

3 cr. Graduate.

Pharmacologic and pharmacotherapeutic concepts in the management of patients with complex conditions and illnesses across the continuum of care.

**Prerequisites:** Admis to Masters in Nurs Prog or cons instr**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 663G Transformation to Professional Practice**

2 cr. Graduate.

Direct entry students investigate the transformation from being a student nurse to becoming a registered nurse and prepare to practice at the graduate level while progressing toward advanced clinical generalist and leadership roles.

**Prerequisites:** NURS 688(P) or NURS 688(C).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 670G Nursing Care of Adults and Older Adults I**

3 cr. Graduate.

Nursing science related to health promotion, prevention, and illness management for adults and older adults within families, communities, and populations.

**Prerequisites:** Admis to Masters in Nurs Prog, NURS 653(C), NURS 657(C).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 671G Nursing Care of Adults and Older Adults II**

3 cr. Graduate.

Nursing science related to health promotion, prevention, and illness management for adults and older adults within families, communities, and populations.

**Prerequisites:** Admis to Masters in Nurs Prog, NURS 654(P), NURS 670(P).**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 672G Nursing Care of Women and Infants**

2 cr. Graduate.

Nursing science related to care of women, infants, and families in institutional and community care.

**Prerequisites:** Admis to Masters in Nurs Prog.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 673G Nursing Care of Children and Families**

2 cr. Graduate.

Nursing science related to care of children and families in acute, institutional, and community care settings.

**Prerequisites:** Admis to Masters in Nurs Prog.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 674G Mental Health Nursing Care Across the Lifespan**

2 cr. Graduate.

Nursing science, principles, and processes for the promotion of mental health and the prevention and management of mental illness across the lifespan.

**Prerequisites:** Admis to Masters in Nurs Prog.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 675G Nursing and Society**

3 cr. Graduate.

Introduces the student to professional nursing experiences nursing, via simulation, field work and post-clinical discussions. Begins the development of professional communication, clinical decision-making, and psychomotor skills necessary for the practice of professional nursing.

**Prerequisites:** graduate standing and in Master of Nursing program.**Course Rules:** Previously NURS 680G.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 681G Professional Role in Health Care Systems**

3 cr. Graduate.

Exploration and analysis of entry level professional nursing roles in health care systems.

**Prerequisites:** Admis to Masters in Nurs Prog; NURS 680(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 682G Professional Role in Health Care Systems II**

2 cr. Graduate.

Exploration and analysis of organizational environments, communication, and quality initiatives within interdisciplinary health care systems.

**Prerequisites:** Nurs 681(P).**Last Taught:** Summer 2010, Summer 2009, Summer 2008, Summer 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 683 Healthcare-Immigrants/Refugees**

3 cr. Undergraduate/Graduate.

Enables students to analyze the healthcare needs of immigrant and refugee populations and to identify potential healthcare interventions that would enhance health promotion and health protection for these populations.

**Prerequisites:** junior standing or graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 683G Healthcare-Immigrants/Refugees**

3 cr. Undergraduate/Graduate.

Enables students to analyze the healthcare needs of immigrant and refugee populations and to identify potential healthcare interventions that would enhance health promotion and health protection for these populations.

**Prerequisites:** junior standing or graduate standing.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 684 Death and Dying Around the World**

3 cr. Undergraduate/Graduate.

Enables students to analyze the sociocultural considerations in the dying process for different regions of the world and the healthcare needs of different populations at the end of life.

**Prerequisites:** junior standing or graduate standing.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 684G Death and Dying Around the World**

3 cr. Undergraduate/Graduate.

Enables students to analyze the sociocultural considerations in the dying process for different regions of the world and the healthcare needs of different populations at the end of life.

**Prerequisites:** junior standing or graduate standing.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 685G Clinical Reasoning**

5 cr. Graduate.

Development and refinement of, and practice with, the clinical reasoning skills required for professional nursing practice.

**Prerequisites:** NURS 653(P), NURS 680(P), and NURS 657(C).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 686G Professional Nursing Practicum I**

3 cr. Graduate.

Intensive practicum experience providing nursing care to individuals, families, and groups within diverse populations across the health care continuum.

**Prerequisites:** Admis to Masters in Nurs Prog; NURS 685(P) and NURS 657(P).

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 687G Professional Nursing Practice Internship**

1 cr. Graduate.

Intensive clinical practice experience in a selected area of nursing.

**Prerequisites:** Nurs 686

**Last Taught:** Fall 2010, Fall 2009, Fall 2008, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 688G Professional Nursing Practicum II**

4 cr. Graduate.

Intensive practicum experience providing nursing care to individuals, families and groups within diverse populations across the health care continuum.

**Prerequisites:** Admis to Masters in Nurs Prog, NURS 686(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 690 Global Health Governance: Key Players, Financing and Challenges**

3 cr. Undergraduate/Graduate.

Historical evolution and mandate of global health institutions; changing role of key global actors in health governance; challenges and successes in responding to global health crises and pandemics.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** GLOBAL 690 and NURS 690 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 690G Global Health Governance: Key Players, Financing and Challenges**

3 cr. Undergraduate/Graduate.

Historical evolution and mandate of global health institutions; changing role of key global actors in health governance; challenges and successes in responding to global health crises and pandemics.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** GLOBAL 690 and NURS 690 are jointly offered; they count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 699G Transformation to Clinical Leadership**

1 cr. Graduate.

Prepares students for beginning a career as an advanced generalist registered nurse, with option for Certified Nurse Leader certification, in complex and changing healthcare environments.

**Prerequisites:** NURS 734(P).

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 702 Advanced Practice Nursing Adult-Gerontology Chronic Illness**

3 cr. Graduate.

Advanced practice nurse role in the assessment, differential diagnosis, and treatment of the adult-gerontology population with chronic health problems.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 703 Advanced Practice Nursing Adult-Gerontology Acute Illness**

3 cr. Graduate.

Advanced practice nurse role in the assessment, differential diagnosis, and treatment of the adult-gerontology population with acute health problems.

**Prerequisites:** grad st.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 704 Advanced Practice Nursing Adult-Gerontology Critical Illness**

3 cr. Graduate.

Advanced practice nurse role in the assessment, differential diagnosis, and treatment of the adult-gerontology population with critical health problems.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 705 Instructional Strategies for Patient Education**

3 cr. Graduate.

Study of instructional strategies applicable in patient education; opportunity to select, develop and evaluate the effectiveness of particular strategies in individual and/or group situations.

**Prerequisites:** grad st or cons instr.

**Last Taught:** Fall 2011, Summer 1992, Summer 1991, Summer 1990.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 706 Clinical Outcomes Management and Information Systems**

3 cr. Graduate.

Synthesis of advanced generalist nursing knowledge, processes and practices that influence point of care health outcomes related to health promotion, risk reduction, and illness management.

**Prerequisites:** Admis grad prog in nursing or cons instr

**Last Taught:** Fall 2016, Fall 2015, Fall 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 707 Advanced Pharmacology: Application to Advanced Nursing Practice**

3 cr. Graduate.

Advanced knowledge related to use of pharmacotherapeutics in management of common health problems, nursing prescriptive authority, and development and use of clinical practice guidelines.

**Prerequisites:** grad st; admis to Nursing degree program; Nurs 753(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 708 Global Maternal and Child Health: From Evidence to Action**

3 cr. Graduate.

This course will focus on critical issues impacting the health of mothers, newborns, and children, using a global and a life course analytic approach.

**Prerequisites:** Grad st.

**Last Taught:** Spring 2022, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 709 Leading and Managing in Systems of Care**

3 cr. Graduate.

Evaluation of emerging nursing leadership and management concepts, theories, and research within diverse healthcare systems.

**Prerequisites:** grad st; admis to grad prog in nursing or cons instr

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 711 Economics of Health Care and Health Care Systems**

3 cr. Graduate.

Use of economic theory, models and principles to analyze decision-making by individuals, providers, third-party payers and governments in health and health care.

**Prerequisites:** Counts as repeat of NURS 779 with similar topic.

**Last Taught:** Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 712 Health Promotion Perspectives**

3 cr. Graduate.

Nursing and inter-professional health promotion concepts including planning, delivery and evaluation of health promotion strategies at the point of care in diverse settings.

**Prerequisites:** grad st; admis grad prog in nursing or cons instr

**Last Taught:** UWinteriM 2024, UWinteriM 2023, UWinteriM 2022, UWinteriM 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 716 Theoretical Foundations of Nursing Education**

3 cr. Graduate.

Introduction to the fundamental theories of teaching and learning applied within nursing education and philosophy.

**Prerequisites:** graduate standing or consent of instructor.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 717 Community Health Nursing**

3 cr. Graduate.

Nursing science related to the care of populations with focus on disease prevention and health promotion. Roles of community health nurses are explored.

**Prerequisites:** Admis to Masters in Nurs Prog; Nurs 727 (C)

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 718 Master of Nursing Education Residency I**

3 cr. Graduate.

Nursing curriculum development and the application of methods of teaching didactic nursing in classroom and online environments.

**Prerequisites:** NURS 716(P) and AD LDSP 757(P) or consent of instructor.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 719 Master of Nursing Education Residency II**

3 cr. Graduate.

Application of methods of teaching nursing within clinical and simulation environments.

**Prerequisites:** NURS 718(P).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 720 Biostatistics and Applications for Nursing Practice**

3 cr. Graduate.

Introduction to biostatistics with special emphasis on the identification, description, application, and interpretation of clinical data about nursing phenomena and nursing practice.

**Prerequisites:** grad st; undergrad statistics course w/ grade of B or better w/in last 5 yrs or cons inst

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 721 Pathophysiology and Pharmacology for the Advanced Generalist**

3 cr. Graduate.

Integration of pathophysiologic and pharmacologic therapy interventions for selected health conditions

**Prerequisites:** Admis grad prog in nursing or cons instr

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 723 Evidence-Based Care Management**

3 cr. Graduate.

Analysis of evidence-based interventions and design of a program to address a priority issue in population health and health care delivery.

**Prerequisites:** grad st; Nurs 725(P)

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 725 Evidence Based Practice in Healthcare**

3 cr. Graduate.

Introduction to evidence based practice and research methods. Emphasis is on retrieval of information, critique and application in diverse health care practice settings.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 726 Advanced Perspectives on Cultural Diversity and Disparities in Health Care**

3 cr. Graduate.

This course will critically examine relationships between cultural diversity, health disparities and health care delivery to vulnerable populations.

**Prerequisites:** Admission to Doctor of Nursing Practice Program.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 728 Epidemiological Principles for Population Health**

3 cr. Graduate.

Study of the distribution and determinants of health and disease in populations, including related methods and application.

**Prerequisites:** Admission to Doctor of Nursing Practice Program.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 729 Organizational Systems**

3 cr. Graduate.

Study of systems of healthcare delivery emphasizing emerging healthcare models, financing and regulation of healthcare and the creation and evaluation of effective healthcare strategies.

**Prerequisites:** grad st; admis to grad degree program or cons instr.

**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 731 Practicum and Seminar in Health Professional Education**

3 cr. Graduate.

Observation, participation, and practice in teaching in a health professional educational program.

**Prerequisites:** grad st

**Last Taught:** Spring 2021, Fall 2018, Fall 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 733 Integrated Clinical Concepts**

3 cr. Graduate.

Integrates advanced concepts of pathophysiology, pharmacology, and health assessment within the contexts of individual, family, and populations through use of clinical exemplars.

**Prerequisites:** Admission to Master of Nursing program, NURS 653(P), NURS 654(P), and NURS 657(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 734 Master of Nursing Residency I**

3 cr. Graduate.

Clinical practicum focused on providing evidence-based nursing care to a cohort of patients and families within a specific clinical setting.

**Prerequisites:** grad st; previously completed or concurrent enrollment in the following courses: NURS 707, NURS 723, NURS 753, and NURS 754.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 735 Theory for Advanced Practice**

3 cr. Graduate.

Study of knowledge base of nursing science. Concepts, frameworks and theories for nursing practice, for advanced roles with individuals, aggregates and systems.

**Prerequisites:** grad st; admis to Nursing degree program or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 741 Psychiatric Mental Health Theory I**

3 cr. Graduate.

This course provides a foundation in psychopathology for clinical assessment and patient management across the lifespan.

**Prerequisites:** NURS 781(C); NURS 707(P); NURS 753(P); NURS 754(P); and NURS 753(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 742 Psychiatric Mental Health Theory II**

3 cr. Graduate.

Introduction to psychiatric history taking, assessment, diagnostic evaluation, treatment modalities, and determinants of mental health for patients and families across the life span.

**Prerequisites:** NURS 782(C); NURS 741(P) and NURS 781(P).

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 743 Psychiatric Mental Health Theory III**

3 cr. Graduate.

Addresses issues and roles essential to the psychiatric mental health nurse practitioner. Promotes skill refinement in assessment, diagnostic formulation, and evidence-based treatment planning.

**Prerequisites:** NURS 783(C); NURS 742(P) and NURS 782(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 750 Outcomes and Quality Management**

3 cr. Graduate.

Examination, development and utilization of frameworks and tools for implementation and evaluation of health care program outcomes and quality management for groups of patients.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 751 Teaching in Practice Disciplines**

3 cr. Graduate.

Issues, theories, and strategies used for teaching in disciplines that require clinical learning for the development of needed critical thinking and performance abilities.

**Prerequisites:** grad st; cons instr

**Last Taught:** Summer 2013, Summer 2010, UWinteriM 2009, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 752 Curriculum Development in Nursing Education**

3 cr. Graduate.

Principles and techniques of nursing curriculum design, development, implementation and evaluation.

**Prerequisites:** grad st

**Last Taught:** Summer 2014, Summer 2012, Summer 2011, UWinteriM 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 753 Pathophysiologic Basis of Advanced Nursing Practice**

3 cr. Graduate.

Human physiologic responses to actual and potential health problems, methods of measurement, developmental and environmental influences, and implications for advance nursing practice.

**Prerequisites:** grad st; admis to Nursing degree program or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 754 Comprehensive Assessment of Health: Implications for Clinical Decision-Making**

3 cr. Graduate.

Comprehensive assessment of health in individuals and aggregates, including measurement of health status, appraisal of needs, analysis of environmental contexts, and development of diagnostic strategies.

**Prerequisites:** grad st; admis to Nursing degree program; Nurs 753(P); or cons instr.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 757 Family Nurse Practitioner Practicum I**

3 cr. Graduate.

First of a three-practicum sequence designed to provide practice experience caring for individuals, families, and populations in primary care settings.

**Prerequisites:** grad st; Nurs 707(P); Nurs 725(P); Nurs 727(P); Nurs 729(P); Nurs 735(P); Nurs 754(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 758 Family Nurse Practitioner Practicum II**

3 cr. Graduate.

Second of a three-practicum sequence focused on family nurse practitioner practice based on understanding the centrality of the patient-provider relationship.

**Prerequisites:** Nurs 757(P); 767(P); & 725(C).

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 759 Family Nurse Practitioner Practicum III**

3 cr. Graduate.

This is the last of a three-sequence practicum. Emphasis is on health policy, ethical, and professional issues that influence clinical decision-making in primary care.

**Prerequisites:** grad st; Nurs 758(P); 768(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 760 Processes of Aging**

3 cr. Graduate.

An overview of the processes of aging including biological, psychological, and sociological perspectives. Emphasis on theories of development, gerontological research findings, and health services applications.

**Prerequisites:** grad st or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 762 Family Theory and Intervention Strategies for Advanced Nursing Practice**

3 cr. Graduate.

Cognitive, affective, and behavioral principles related to the functioning of the family and its members. Emphasis on therapeutic interventions used in advanced nursing practice.

**Prerequisites:** grad st or cons instr.

**Last Taught:** Fall 2001, Fall 2000, Summer 2000, Fall 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 763 Issues in Women's Health and Development**

3 cr. Graduate.

Current physical, mental health, and developmental issues affecting women. Examination of the role of gender in health care research and clinical practice.

**Prerequisites:** grad st or cons instr.

**Last Taught:** Summer 2022, Summer 2020, Summer 2019, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 764 Changing Health Behaviors**

3 cr. Graduate.

Enhancement of knowledge related to the process of behavioral change, models of change, factors that affect change behavior, and issues related to measuring change.

**Prerequisites:** grad st or cons instr.

**Last Taught:** Summer 2010, Fall 1991.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 766 Advanced Practice Nursing: Care of the Child and Family**

3 cr. Graduate.

Course focuses on the responsibilities of the advanced practice nurse specializing in the diagnosis and treatment of the pediatric population with chronic health problems.

**Prerequisites:** graduate standing.

**Course Rules:** Counts as a repeat of NURS 779 with similar topic.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 767 Family Nurse Practitioner Theory I**

3 cr. Graduate.

Introductory course designed to prepare family nurse practitioners to deliver health care to individuals, families, and populations

**Prerequisites:** grad st; Nurs 707(P); Nurs 725(P); Nurs 727(P); Nurs 729(P); Nurs 735(P); Nurs 754(P)

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 768 Family Nurse Practitioner Theory II**

3 cr. Graduate.

Second of a three-course sequence focused on the delivery of primary care services within a relationship-centered care framework.

**Prerequisites:** Nurs 757(P); 767(P); & 725(C).

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 769 Family Nurse Practitioner Theory III**

3 cr. Graduate.

Last of a three-sequence course focused on health policy and professional issues that affect the delivery of primary care by family nurse practitioners.

**Prerequisites:** Nurs 758(P); 768(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 770 Nursing Administration**

3 cr. Graduate.

Relevant topics grounded in research and theory that are related to professional development of nursing leadership and management roles in health care organizations.

**Prerequisites:** grad st or cons instr.

**Last Taught:** Spring 2021, Spring 2019, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 771 Nursing Administration Practicum**

3 cr. Graduate.

Applying theory and research, the student will explore, discuss, and actively participate in an advanced administration practice role in a healthcare organization.

**Prerequisites:** grad st or cons instr.**Last Taught:** Fall 2014, Spring 2014, Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 772 Advanced Practice Nursing: Maternal-Infant and Women's Health**

3 cr. Graduate.

Course focuses on the integration of advanced practice nursing management for the population of women, mothers, and infants across the continuum of care.

**Prerequisites:** graduate standing.**Course Rules:** Counts as a repeat of NURS 779 with similar topic.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 773 Information Systems to Support Clinical Decision-Making**

3 cr. Graduate.

Basic concepts of nursing informatics are examined with emphasis on application to clinical practice to improve the quality of care.

**Prerequisites:** grad st**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 774 Trauma Counseling I: Theory and Research**

3 cr. Graduate.

Seminar examining impact of trauma experience on individuals, groups and communities following a catastrophic event. Explores traumatic events, mental injuries and impact on memory, learning, physical health and dysfunctional behavior.

**Prerequisites:** grad st**Course Rules:** Couns 774, Nurs 774, OccThpy 774, and Soc Wrk 774 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 775 Trauma Counseling II: Diagnosis and Treatment**

3 cr. Graduate.

Seminar on diagnosis and assessment instruments as well as intervention and therapeutic techniques used to address trauma issues in counseling acute and chronic traumatized clients.

**Prerequisites:** graduate standing, COUNS 744(P), NURS 775(P), OCCTHPY 774(P) or SOC WRK 774(P); or consent of instructor.**Course Rules:** COUNS 775, NURS 775, OCCTHPY 775, and SOC WRK 775 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2023, Spring 2020, Spring 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 776 Clinical Informatics**

3 cr. Graduate.

Examine the development, implementation and evaluation of clinical informatics solutions to facilitate the use of information and communication technologies within and across health care delivery systems.

**Prerequisites:** grad st**Course Rules:** Online only.**Last Taught:** Fall 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 779 Special Topics Seminar:**

1-5 cr. Graduate.

Specific topic and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** grad st or cons instr.**Course Rules:** May be repeated with change in topic to max of 9 cr.**Last Taught:** UWinteriM 2024, Spring 2023, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 780 Study Abroad:**

1-9 cr. Graduate.

Designed to enroll graduate students in UWM-sponsored program before content and credits are determined and/or in especially prepared program course work.

**Prerequisites:** Acceptance for Study Abroad Program.**Course Rules:** May be taken w/ chg in topic to 9 cr max.**Last Taught:** Summer 2019, UWinteriM 2018, Summer 2017, UWinteriM 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 781 Psychiatric Mental Health NP Practicum I**

3 cr. Graduate.

This is the first of a three-sequence practicum. Emphasis is on beginning clinical assessment, diagnostic evaluation, and beginning management of patients with psychiatric disorders.

**Prerequisites:** NURS 754 or its equivalent; NURS 753 or its equivalent; NURS 707 or its equivalent (Grad assessment; patho and pharm). Taken concurrently with NURS 741**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 782 Psychiatric Mental Health NP Practicum II**

3 cr. Graduate.

This is the second of a three-sequence practicum. Emphasis is on advanced clinical assessment (including social/environmental determinants of health), diagnostic evaluation, and treatment planning.

**Prerequisites:** NURS 741 and NURS 781. Taken concurrently with NURS 742**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 783 Psychiatric Mental Health NP Practicum III**

3 cr. Graduate.

This is the third of a three-sequence practicum. Emphasis is on developing progressive competence in diagnosis and treatment of patients and families with complex needs.

**Prerequisites:** NURS 742 and NURS 782. Taken concurrently with NURS 743.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 784 Advanced Nursing Practice Interventions**

3 cr. Graduate.

Advanced knowledge and skills for developing, implementing, and evaluating nursing interventions for common nursing phenomena with individuals and aggregates.

**Prerequisites:** grad st; NURS 725(P); admis to Nursing degree program or cons instr.**Last Taught:** Spring 2012, Fall 2011, Spring 2011, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 789 Master of Nursing Residency II**

3 cr. Graduate.

Intensive clinical immersion experience during which students implement the role of the masters-prepared nurse.

**Prerequisites:** grad st and NURS 734(P).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 791 Clinical Informatics Practicum I**

3 cr. Graduate.

First semester of a 3-semester practicum focused on the application of clinical informatics within healthcare settings to facilitate evidence-based nursing practice and improve outcomes.

**Prerequisites:** grad st**Course Rules:** Clinical practicum hours for each student will take place at the assigned clinical site as negotiated with the clinical preceptor and faculty.**Last Taught:** Spring 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 792 Clinical Informatics Practicum II**

3 cr. Graduate.

Second semester of a 3-semester practicum focused on the application of clinical informatics within healthcare settings to facilitate evidence-based nursing practice and improve outcomes.

**Prerequisites:** grad st**Course Rules:** Clinical practicum hours for each student will take place at the assigned clinical site as negotiated with the clinical preceptor and faculty.**Last Taught:** Summer 2017, Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 793 Clinical Informatics Practicum III**

3 cr. Graduate.

Third semester of a 3-semester practicum focused on the application of clinical informatics within healthcare settings to facilitate evidence-based nursing practice and improve outcomes.

**Prerequisites:** grad st**Course Rules:** Clinical practicum hours for each student will take place at the assigned clinical site as negotiated with the clinical preceptor and faculty.**Last Taught:** Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 797 Independent Study for Graduate Students**

1-6 cr. Graduate.

Opportunity for students to pursue study in a subject area of special need or interest under guidance of graduate faculty.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2022, Spring 2018, Fall 2016, Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 801 Foundations of Inquiry for Health Research**

3 cr. Graduate.

Study of historical evolution of contemporary health science in terms of important philosophical and empirical antecedents.

**Prerequisites:** admis to doctoral prog in Nursing or cons instr.**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 802 The Science of Nursing**

3 cr. Graduate.

Study of nursing science through the exploration of the interrelationships among the theory, research, and practice of nursing.

**Prerequisites:** admis to doctoral prog in nursing or cons instr; Nurs 801(NP).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 803 Health Policy**

3 cr. Graduate.

Explores the roles and accountability of health care providers and scientists in responding to the health and social needs of the public and shaping of public policy.

**Prerequisites:** admis to doctoral prog or cons instr**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 804 Healthcare Organization and Systems Leadership for Advanced Practice**

3 cr. Graduate.

This course focuses on synthesis of leadership concepts for advanced practice nurses in complex healthcare delivery systems.

**Prerequisites:** Admission to Doctor of Nursing Practice Program.**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 805 Translational and Implementation Science**

3 cr. Graduate.

In depth exploration of approaches to use of translational and implementation science in the development of practice guidelines and protocols and evaluation of practice change.

**Prerequisites:** NURS 725.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 808 Multivariate Statistics for Healthcare**

3 cr. Graduate.

A study of commonly used multivariate statistical methods as well as their applications to practical data analysis with emphasis on nursing and health care research.

**Prerequisites:** Grad st**Last Taught:** Summer 2023, Spring 2023, Spring 2022, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 809 Integrative Studies**

3 cr. Graduate.

Synthesis of ideology and content in the student's specialty area with regard to the research, theory development, and policy roles of the emerging nurse scholar.

**Prerequisites:** grad st or cons instr.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 810 Leadership for Advanced Practice in Healthcare**

3 cr. Graduate.

Synthesis of leadership concepts of advanced nursing practice. Interdisciplinary and ethical practice and leading multiple constituencies are emphasized from an evidence based perspective.

**Prerequisites:** grad st**Last Taught:** Fall 2019, Spring 2019, Fall 2018, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 811 Clinical Nurse Specialist Practicum I-Psychiatric/Mental Health**

3 cr. Graduate.

First semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the psychiatric/mental health population.

**Prerequisites:** grad st; Nurs 707(P), 725(P), 754(P)**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 812 Clinical Nurse Specialist Practicum II-Psychiatric/Mental Health**

3 cr. Graduate.

Second semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the psychiatric/mental health population.

**Prerequisites:** grad st: Nurs 811(P)**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 813 Clinical Nurse Specialist Practicum III-Psychiatric/Mental Health**

3 cr. Graduate.

Third semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the psychiatric/mental health population.

**Prerequisites:** grad st: Nurs 812(P)**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 814 Clinical Nurse Specialist Practicum I-Maternal/Infant**

3 cr. Graduate.

First semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the maternal/infant population.

**Prerequisites:** grad st; NURS 707(P), 725(P), 754(P)**Last Taught:** Spring 2022, Spring 2020, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 815 Clinical Nurse Specialist Practicum II-Maternal/Infant**

3 cr. Graduate.

Second semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the maternal/infant population.

**Prerequisites:** grad st: Nurs 814(P)**Last Taught:** Summer 2022, Summer 2020, Summer 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 816 Clinical Nurse Specialist Practicum III-Maternal/Infant**

3 cr. Graduate.

Third semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the maternal/infant population.

**Prerequisites:** grad st; NURS 815(P)**Last Taught:** Fall 2022, Fall 2020, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 817 Clinical Nurse Specialist Practicum I-Pediatric**

3 cr. Graduate.

First semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the pediatric population.

**Prerequisites:** grad st; NURS 707(P), 725(P), 754(P)**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 818 Clinical Nurse Specialist Practicum II-Pediatric**

3 cr. Graduate.

Second semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the pediatric population.

**Prerequisites:** grad st; NURS 817(P)**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 819 Clinical Nurse Specialist Practicum III-Pediatric**

3 cr. Graduate.

Third semester of a 3-semester practicum focused on advanced practice nursing in a Clinical Nurse Specialist role with the pediatric population.

**Prerequisites:** grad st; NURS 818(P)**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 820 Analysis of Nursing Phenomena**

3 cr. Graduate.

Exploration of selected phenomena relevant to nursing through the evaluation and synthesis of scientific knowledge and grant proposal development.

**Prerequisites:** Admis to doctoral prog in Nursing; Nurs 802(P)**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 822 Adult-Gerontology Acute Care Nurse Practitioner Practicum I**

3 cr. Graduate.

First semester of a 3-semester practicum focused on advanced practice nursing in an Acute Care Nurse Practitioner role with the adult-gerontology population.

**Prerequisites:** NURS 707(P), NURS 753(P) and NURS 754(P).**Last Taught:** Spring 2023, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 823 Adult-Gerontology Acute Care Nurse Practitioner Practicum II**

3 cr. Graduate.

Second semester of a 3-semester practicum focused on advanced practice nursing in an Acute Care Nurse Practitioner role with the adult-gerontology population.

**Prerequisites:** NURS 822(P).**Last Taught:** Summer 2023, Summer 2022, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 824 Adult-Gerontology Acute Care Nurse Practitioner Practicum III**

3 cr. Graduate.

Third semester of a 3-semester practicum focused on advanced practice nursing in an Acute Care Nurse Practitioner role with the adult-gerontology population.

**Prerequisites:** NURS 823(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 825 Evidence Based Practice in Healthcare II**

3 cr. Graduate.

In depth exploration of approaches to development of practice guidelines and protocols and evaluation of practice change.

**Prerequisites:** grad st; NURS 725(P); grad level course in biostatistics**Last Taught:** Summer 2019, Summer 2018, Summer 2017, Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 826 Nurse Executive Practicum I**

3 cr. Graduate.

First semester of a 3-semester practicum focused on the application of theory and research in nurse executive practice.

**Prerequisites:** Nurs 810(P).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 827 Nurse Executive Practicum II**

3 cr. Graduate.

Second semester of a 3-semester practicum focused on the application of theory and research in nurse executive practice.

**Prerequisites:** Nurs 826(P).**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 828 Nurse Executive Practicum III**

3 cr. Graduate.

Third semester of a 3-semester practicum focused on the application of theory and research in nurse executive practice.

**Prerequisites:** Nurs 827(P).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 829 Advanced Community/Public Health Nursing Practicum I**

3 cr. Graduate.

First semester of a three-semester practicum focused on the application of theory and research in advanced community/public nursing health practice.

**Prerequisites:** Nurs 835(P).**Last Taught:** Spring 2017, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 830 Advanced Community/Public Health Nursing Practicum II**

3 cr. Graduate.

Second semester of a three-semester practicum focused on the application of theory and research in advanced community/public nursing health practice.

**Prerequisites:** Nurs 836(P), 829(P).**Last Taught:** Summer 2017, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 831 Advanced Community/Public Health Nursing Practicum III**

3 cr. Graduate.

Third semester of a three-semester practicum focused on the application of theory and research in advanced community/public nursing health practice.

**Prerequisites:** Nurs 830(P).**Last Taught:** Fall 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 832 Clinical Nurse Specialist Practicum I-Adult/Gerontology**

3 cr. Graduate.

First semester of a 3-semester practicum focused on advanced practice nursing in a clinical nurse specialist role with the adult / geriatric population.

**Prerequisites:** grad s; NURS 707(P), 725(P), 754(P)**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 833 Clinical Nurse Specialist Practicum II-Adult/Gerontology**

3 cr. Graduate.

Second semester of a 3-semester practicum focused on advanced practice nursing in a clinical nurse specialist role with the adult/geriatric population.

**Prerequisites:** grad st; NURS: 832(P)**Last Taught:** Summer 2023, Summer 2022, Summer 2020, Summer 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 834 Clinical Nurse Specialist Practicum III-Adult/Gerontology**

3 cr. Graduate.

Third semester of a 3-semester practicum focused on advanced practice nursing in a clinical nurse specialist role with the adult/geriatric population.

**Prerequisites:** grad st; NURS 833(P)**Last Taught:** Fall 2023, Fall 2022, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 835 Theoretical Basis for Advanced Community / Public Health Nursing**

3 cr. Graduate.

Theoretical knowledge, skills, and attitudes relevant to advanced community/public health practice, education, management and research.

**Prerequisites:** Admis to Nurs doctoral prog**Last Taught:** Fall 2015, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 836 Advanced Community Health Nursing - Assessment, Program Planning, Evaluation**

3 cr. Graduate.

Knowledge, skills and attitudes required for community assessment, program planning and evaluation.

**Prerequisites:** grad st; Nurs 835(P) or cons instr**Last Taught:** Spring 2016, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 879 Special Topics in Nursing Research:**

1-3 cr. Graduate.

Intensive study of selected research methodologies used to investigate nursing phenomena; topics vary by sections.

**Prerequisites:** admis to doctoral prog in nursing or cons instr.**Course Rules:** May be repeated with change of topic to max of 9 cr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 881 Measurement for Health Research**

3 cr. Graduate.

Study of theories of measurement and scaling, properties of research instruments, design and testing of instruments for health research.

**Prerequisites:** admis to doctoral prog in nursing or cons instr.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**NURS 882 Qualitative Methods in Health Research**

3 cr. Graduate.

Diverse qualitative design and analysis strategies used in the study of health phenomena. Emphasis will be to critique existing research and to plan future research.

**Prerequisites:** admis to doctoral prog in nursing or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 883 Quantitative Methods in Health Research**

3 cr. Graduate.

Major quantitative designs and data management/analysis strategies used in clinical health research. Emphasis will be to critique existing research and to plan future research.

**Prerequisites:** admis to doctoral prog in Nursing or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 884 Computer Applications for Qualitative Analysis**

1 cr. Graduate.

Types, uses, and implications of computer applications for qualitative data analysis; includes in-depth experience with a selected program.

**Prerequisites:** Nurs 882 (P), or Ad Ldsp 729 (P), or Urb Std 979 (P), or Educ 881 (P); or cons instr.

**Last Taught:** UWinteriM 2007, UWinteriM 2005, UWinteriM 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 885 Advanced Quantitative Methods in Health Research**

3 cr. Graduate.

In depth study of quantitative research methods with an emphasis on decision making for intervention studies and research with large data sets, advanced analytic strategies, communicating and interpreting results.

**Prerequisites:** grad st; Nurs 883(P), Nurs 881(P), Multivariate Statistics(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 886 Advanced Qualitative Methods in Health Research**

3 cr. Graduate.

Enable student to acquire the advanced knowledge and skills needed to design and implement studies best suited to qualitative modes of investigation.

**Prerequisites:** grad st; Nurs 882(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Summer 2016, Fall 2010, Summer 2010, Summer 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 890 Issues in Scholarship**

3 cr. Graduate.

Critical analysis of issues in scholarship and development of skills in literature review, scholarly discourse, and ethical conduct of research.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 897 Independent Study for Doctoral Students**

1-6 cr. Graduate.

Opportunity for the student to pursue study in a subject area of special need or interest under the guidance of graduate faculty.

**Prerequisites:** doctoral student status; cons instr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 899 Practicum in Nursing:**

1-6 cr. Graduate.

Mastery of research skills and techniques through participation in faculty research, some of which may include skill development in leadership/ education.

**Prerequisites:** graduate standing in doctoral program in nursing or consent of instructor.

**Course Rules:** May be repeated to a total of 6 cr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 991 Research and Thesis**

1-3 cr. Graduate.

Independent research and thesis writing under the supervision of member of graduate faculty.

**Prerequisites:** grad st; cons advisor UWM School of Nursing.

**Course Rules:** May be retaken to max of 3 cr.

**Last Taught:** Summer 2015, Spring 2015, Fall 2014, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 993 DNP Project I: Plan**

2 cr. Graduate.

The focus of the course is identifying a mentor and beginning to analyze a complex problem or issue within a health care or community-based setting.

**Prerequisites:** DNP student; NURS 750, NURS 804 and NURS 805.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 994 DNP Project II: Proposal**

2 cr. Graduate.

The focus of the course is developing a detailed plan for a DNP project that addresses a complex problem or issue and demonstrates clinical scholarship.

**Prerequisites:** NURS 993.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 995 DNP Project III: Leadership Practice Immersion**

1-4 cr. Graduate.

The focus of the course is implementation and evaluation of a DNP project that demonstrates leadership and the foundation for future practice scholarship.

**Prerequisites:** grad st, admis to candidacy for the DNP, and NURS 994.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NURS 997 Doctoral Dissertation**

3 cr. Graduate.

**Prerequisites:** grad st; admis to candidacy for the PhD; cons advisor.

**Course Rules:** May be repeated.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Nutritional Sciences (NUTR)

### NUTR 101 New Student Seminar in Nutritional Sciences & Pre-Dietetics

1 cr. Undergraduate.

Introduction to the Nutritional Sciences major, and nutrition and dietetics-related professions.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 110 Introduction to Food Principles & Preparation

3 cr. Undergraduate.

Introduction to the physical and chemical properties of foods, food safety and sanitation, food preparation procedures, and evaluation of prepared food products in a lab setting.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 210 Food Science

3 cr. Undergraduate.

Continued study of the physical/chemical properties of foods; topics include food composition and nutrition, food additives and regulations, food safety and processing, food engineering.

**Prerequisites:** grade of C or better in Nutr 110(P).

**Last Taught:** Fall 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 230 Health Aspects of Exercise and Nutrition

3 cr. Undergraduate.

Examines physical fitness and proper nutrition as lifestyle choices in maintaining optimal health and minimizing health risks.

**Prerequisites:** none.

**Course Rules:** Not open to students with credit in KIN 530, KIN 532, or PRPP 736. KIN 230 and NUTR 230 are jointly offered; they count as repeats of one another.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 235 Introduction to Nutrition for the Health Professions

3 cr. Undergraduate.

A broad, science-based, practical knowledge of nutritional science and metabolism to prepare for health and nutrition professions.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of KIN 290 with the same topic.

**Last Taught:** Spring 2022, Fall 2021, Summer 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 240 Nutrition for Exercise and Wellness

3 cr. Undergraduate.

The role of nutrition in supporting health, wellness, and exercise on a national, state, community, and individual level.

**Prerequisites:** grade of C or better in Nutr 235(P) or BMS 232(P).

**Course Rules:** Counts as repeat of Kin 290 w/same topic.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 241 Why We Eat What We Eat: An Ecological Approach

3 cr. Undergraduate.

Examination of food choice and eating behavior using a multilevel, social ecological perspective. Nutrition and health implications will be discussed.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 245 Life Cycle Nutrition

3 cr. Undergraduate.

An exploration of physiological, sociological, and developmental factors that affect humans nutritional needs and recommendations throughout the life cycle.

**Prerequisites:** a grade of C or better in NUTR 235(P) or BMS 232(P).

NUTR 241(R).

**Course Rules:** Counts as a repeat of BMS 290 with the same topic.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 290 Special Topics in Nutritional Sciences:

1-3 cr. Undergraduate.

Topics of current interest in nutritional sciences, food, and health. Special course fees may be required depending on course. May be retaken w/chg in topic.

**Prerequisites:** specified in sem schedule whenever required for a topic.

**Last Taught:** Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 297 Study Abroad:

1-12 cr. Undergraduate.

Designed to enroll students in a UWM sponsored program before course work level, content, and credits are determined and/or in specifically prepared program course work.

**Prerequisites:** acceptance for Study Abroad Program.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 305 Hunger at Home: Food and Nutrition Security in Milwaukee County

3 cr. Undergraduate.

Course informed by stakeholders and community leaders involved in anti-hunger/food security initiatives in Milwaukee County. Integration of problem-based learning challenges students to work in small groups to seek solutions to complex problems and real-world scenarios.

**Prerequisites:** BMS 232(R) or NUTR 235(R).

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### NUTR 350 Nutrition Communication and Education

3 cr. Undergraduate.

Approaches to nutrition and health communication and education; development of nutrition and health-related communication materials for target audiences.

**Prerequisites:** COMMUN 103(P); ENGLISH 102(P); a grade of C or better in the following: NUTR 110(P), NUTR 230(P) or KIN 230(P), NUTR 235(P) or BMS 232(P), and NUTR 241(P) or NUTR 241(C).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 355 Modifying Nutrition and Eating Behavior**

3 cr. Undergraduate.

Introduction to nutrition assessment and evidence-based approaches to facilitate dietary change. Determinants of eating behavior, including cultural considerations, will be integrated throughout the course.

**Prerequisites:** a grade of C or better in NUTR 245(P), or concurrent enrollment in NUTR 245.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 430 Advanced Nutrition and Metabolism**

3 cr. Undergraduate/Graduate.

Study of nutrients and their specific functions in metabolic processes; integrating physiology, biochemistry, and nutrition.

**Prerequisites:** CHEM 103(P) or previous completion or concurrent enrollment in CHEM 501 and a grade of C or better in NUTR 245(P); or graduate standing enrolled in the MPH Nutrition & Dietetics track; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 430G Advanced Nutrition and Metabolism**

3 cr. Undergraduate/Graduate.

Study of nutrients and their specific functions in metabolic processes; integrating physiology, biochemistry, and nutrition.

**Prerequisites:** CHEM 103(P) or previous completion or concurrent enrollment in CHEM 501 and a grade of C or better in NUTR 245(P); or graduate standing enrolled in the MPH Nutrition & Dietetics track; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 435 Nutrition and Disease Prevention**

3 cr. Undergraduate.

Evidence-based examination of the role of food, nutrients, dietary patterns, and eating behaviors in the primary, secondary, and tertiary prevention of chronic disease.

**Prerequisites:** BIO SCI 150(P); BIO SCI 203(P); a grade of C or better in NUTR 230(P) or KIN 230(P), and NUTR 245(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 440 Innovative Approaches to Health and Wellness Coaching**

3 cr. Undergraduate.

Study of health and wellness coaching theory and practice related to health behavior change.

**Prerequisites:** senior standing or consent of instructor.

**Course Rules:** Counts as repeat of KIN 590 with same topic. KIN 440 was previously KIN 482. KIN 440 and NUTR 440 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 470 Nutritional Sciences Capstone Experience**

3 cr. Undergraduate.

Supervised internship experience and professional preparation course to be taken the last semester of the undergraduate Nutritional Sciences major.

**Prerequisites:** senior standing, declared Nutritional Sciences major, a grade of C or higher in NUTR 350(P) and NUTR 435(P) or (C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 484 Community Nutrition Supervised Practice I**

2 cr.

Guided by a preceptor, students are introduced to organizations delivering nutrition care in community settings; introductory skills for dissemination of nutrition information are practiced.

**Prerequisites:** Nutr 345(C) & 355(C); admis Coord Prog in Dietetics.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** Retakeable w/chg in topic.

**Last Taught:** Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 555 Public Health Nutrition and Food Politics**

3 cr. Undergraduate/Graduate.

This course highlights the role of food and nutrition in public health programs and services.

**Prerequisites:** junior standing and a grade of C or better in NUTR 245(P); PH 101(R) and NUTR 350(R); or graduate standing and PH 705(R).

**Course Rules:** Counts as repeat of BMS(KIN) 290 with the same topic.

**Last Taught:** Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 555G Public Health Nutrition and Food Politics**

3 cr. Undergraduate/Graduate.

This course highlights the role of food and nutrition in public health programs and services.

**Prerequisites:** junior standing and a grade of C or better in NUTR 245(P); PH 101(R) and NUTR 350(R); or graduate standing and PH 705(R).

**Course Rules:** Counts as repeat of BMS(KIN) 290 with the same topic.

**Last Taught:** Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 556 Multilevel Approaches to Changing Physical Activity and Eating Behaviors**

3 cr. Undergraduate/Graduate.

An introduction to key theoretical and conceptual frameworks for understanding health-related behavior and evidence-based practical approaches for promoting behavior change.

**Prerequisites:** a grade of C or better in KIN 350(P); or graduate standing; or consent of instructor.

**Course Rules:** Counts as repeat of KIN 590 with the same topic. KIN 556 and NUTR 556 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 556G Multilevel Approaches to Changing Physical Activity and Eating Behaviors**

3 cr. Undergraduate/Graduate.

An introduction to key theoretical and conceptual frameworks for understanding health-related behavior and evidence-based practical approaches for promoting behavior change.

**Prerequisites:** a grade of C or better in KIN 350(P); or graduate standing; or consent of instructor.

**Course Rules:** Counts as repeat of KIN 590 with the same topic. KIN 556 and NUTR 556 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 574 Obesity and Weight Management**

3 cr. Undergraduate/Graduate.

Examination of the epidemiology of obesity, genetic and environmental contributors, body weight regulation, health and psychosocial consequences, and approaches to assessment, prevention, and treatment.

**Prerequisites:** junior standing and a grade of C or better in BMS 232(P) or NUTR 235(P).

**Course Rules:** Counts as repeat of KIN 590 with same topic. KIN 574 and NUTR 574 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 574G Obesity and Weight Management**

3 cr. Undergraduate/Graduate.

Examination of the epidemiology of obesity, genetic and environmental contributors, body weight regulation, health and psychosocial consequences, and approaches to assessment, prevention, and treatment.

**Prerequisites:** junior standing and a grade of C or better in BMS 232(P) or NUTR 235(P).

**Course Rules:** Counts as repeat of KIN 590 with same topic. KIN 574 and NUTR 574 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 580 Sports Nutrition**

3 cr. Undergraduate/Graduate.

The integration and application of nutrition and exercise science principles to maximize health, fitness, and sport performance.

**Prerequisites:** junior standing and a grade of C or better in NUTR 235(P) or BMS 232(P).

**Course Rules:** Counts as a repeat of NUTR 550, or BMS 590 or KIN 590 with similar topic. NUTR 580 and KIN 580 are jointly offered; they count as repeats of one another.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 580G Sports Nutrition**

3 cr. Undergraduate/Graduate.

The integration and application of nutrition and exercise science principles to maximize health, fitness, and sport performance.

**Prerequisites:** junior standing and a grade of C or better in NUTR 235(P) or BMS 232(P).

**Course Rules:** Counts as a repeat of NUTR 550, or BMS 590 or KIN 590 with similar topic. NUTR 580 and KIN 580 are jointly offered; they count as repeats of one another.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 701 Nutrition Counseling**

3 cr. Graduate.

Students will learn and practice evidence-based, client-centered techniques used in individual and group counseling, within the scope of practice for dietetic professionals. Select aspects of nutritional assessment are integrated into the course.

**Prerequisites:** graduate standing enrolled in the MPH Nutrition & Dietetics track.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 702 Advanced Nutrition Education**

3 cr. Graduate.

A practical course for future nutrition educators on how to design, deliver, and evaluate educational interventions and programs for diverse audiences that are grounded in scientific evidence and theory.

**Prerequisites:** graduate standing enrolled in the MPH Nutrition & Dietetics track; PH 706(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 703 Culinary Medicine for Nutrition & Dietetic Professionals**

3 cr. Graduate.

Through demonstrations and hands-on practice of fundamental culinary skills, students will learn how to integrate nutrition and culinary knowledge and skills to facilitate health, well-being, and prevention and treatment of disease in individuals and groups.

**Prerequisites:** graduate standing enrolled in the MPH Nutrition & Dietetics track; NUTR 701(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 704 Current and Emergent Issues in Nutrition & Dietetics**

1 cr. Graduate.

Examines current and emergent issues in nutrition and dietetics. Students will utilize peer-reviewed research, evidence-based analyses, and national and international nutrition guidelines and recommendations while exploring timely nutrition-related topics and trends.

**Prerequisites:** graduate standing, enrolled in the MPH in Nutrition and Dietetics track, and NUTR 430(P); or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 721 Medical Nutrition Therapy I**

4 cr. Graduate.

First course in the medical nutrition therapy series which explores disease pathology, nutrition assessment, and nutrition intervention for various disease states with an emphasis on chronic disease.

**Prerequisites:** graduate standing, enrolled in the MPH in Nutrition and Dietetics track, and NUTR 430(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 722 Medical Nutrition Therapy II**

4 cr. Graduate.

Second course in the medical nutrition therapy series which continues to explore disease pathology, nutrition assessment, and nutrition intervention for various disease states with an emphasis on critical illness.

**Prerequisites:** graduate standing, enrolled in the MPH in Nutrition and Dietetics track, and NUTR 721(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 795 Food Systems Management & Field Experience**

5 cr. Graduate.

Introduces students to foodservice operations, quantity food production, design of foodservice facilities, and management of foodservice operations. In the second half of the course, students will participate in a supervised food systems management field experience.

**Prerequisites:** graduate standing enrolled in the MPH Nutrition & Dietetics track; NUTR 703(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 796 Medical Nutrition Therapy Field Experience**

5 cr. Graduate.

Students will engage in supervised experiential learning opportunities in medical nutrition therapy within clinical practice settings, including the application of the nutrition care process to increasingly complex medical conditions.

**Prerequisites:** graduate standing enrolled in the MPH Nutrition & Dietetics track; NUTR 722(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**NUTR 800 Professional Preparation in Nutrition & Dietetics**

2 cr. Graduate.

Students in the last semester of their program will explore topics and develop skills important to professional life including ethics, developing a professional development portfolio, licensure/certification, and preparing for the RDN exam and job market.

**Prerequisites:** graduate standing enrolled in the MPH in Nutrition and Dietetics track.

**Course Rules:** Must be taken in the final semester of the program.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Occupational Therapy (OCCTHPY)

**OCCTHPY 151 Foundations of Scientific Inquiry for Occupational Science and Technology**

3 cr. Undergraduate.

Foundation of basic inquiry skills needed to pursue a career in health sciences. Attention is paid to observation, collection, visualization and reporting skills.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of OCCTHPY 290 with the same topic.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 201 Introduction to Occupational Science and Technology**

3 cr. Undergraduate.

Survey of professions related to disability, occupation, assistive and quality of life technologies and rehabilitation.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 220 Gizmos and Gadgets: Introduction to Assistive Technology**

1-3 cr. Undergraduate.

Survey of historical, current, and emerging assistive technology devices, services, and rehabilitation and disability through use of internet resources, print resources and guest speakers.

**Prerequisites:** none.

**Course Rules:** Counts as repeat of OccThpy 290 w/same topic. May be retaken to 3 cr max.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 245 Client Diversity in Health Sciences: An Interdisciplinary Perspective**

3 cr. Undergraduate.

Interdisciplinary instruction on effective service delivery in the health sciences to culturally diverse individuals and families. Emphasis on the complexity of an individual's cultural identity.

**Prerequisites:** sophomore standing or consent of instructor.

**Course Rules:** BMS 245, COMSDIS 245, HCA 245, KIN 245, OCCTHPY 245, and THERREC 245 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 250 Concepts of Time and Occupation**

3 cr. Undergraduate.

Examines the science and application of time related to human occupation, activity, and health through interactive and hands-on learning activities, videos and guest speakers.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 260 Enhancing Health Through Activity, Occupation and Technology I**

3 cr. Undergraduate.

Introduction to the role of activities, occupations, and technology in the promotion of good health and as interventions for individuals, groups and communities.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 280 Applied Human Anatomy for Health Professionals**

3 cr. Undergraduate.

In-depth study of the human body with emphasis on applications pertinent to health professionals.

**Prerequisites:** Bio Sci 203(P) or cons instr.

**Course Rules:** Special course fee assessed for lab materials.

**Last Taught:** Spring 2009, Fall 2008, Spring 2008, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 290 Topics in Occupational Therapy:**

1-3 cr. Undergraduate.

Topics of current interest in occupational therapy. See Schedule of Classes for course offerings. May be retaken with change in topic to max of 9 cr. Prereq: none. Additional prereqs will be listed in the schedule of classes as appropriate.

**Prerequisites:** none.

**Course Rules:** May be retaken with change in topic to max of 9 cr.

**Last Taught:** Spring 2018, Spring 2017, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 297 Study Abroad - Occupational Therapy:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared course work.

**Prerequisites:** acceptance to Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 301 Applied Neuroscience for Health Professionals**

3 cr. Undergraduate.

A functional approach to the human nervous system and neuropathology. Orientation to evaluation and treatment for neurological disorders.

**Prerequisites:** admis to Occupational Therapy program; KIN 325(P) or (C), or consent of instructor.

**Last Taught:** Spring 2015, Spring 2014, Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 305 Applied Psychopathology**

3 cr. Undergraduate.

Survey of psychopathology, psychosocial rehabilitative treatment theory and practice used in mental health settings.

**Prerequisites:** acceptance in Occupational Therapy program or consent of instructor.

**Last Taught:** Fall 2014, Fall 2013, Fall 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 308 Musculoskeletal Pathology and Occupational Function**

2 cr. Undergraduate.

The origin, nature, and course of musculoskeletal disorders are described and analyzed within the context of occupational performance and occupational biomechanics.

**Prerequisites:** admitted to the Occupational Therapy program.

**Last Taught:** Spring 2015, Spring 2014, Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 315 Group Process in Rehabilitation**

3 cr. Undergraduate.

Study of, and participation in, group process specific to rehabilitation programs. Experimental.

**Prerequisites:** junior standing in Occupational Therapy or Therapeutic recreation program, OCCTHPY 305(P) or THERREC 308(P); or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 320 Introduction to Ergonomics for Healthcare Professionals**

3 cr. Undergraduate.

Introduction to ergonomics and work-related musculoskeletal disorders with special focus on work and settings relevant to Occupational Therapy and other healthcare professions.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 322 Program Development in Rehabilitation**

2 cr. Undergraduate.

Study of the development process for programs in rehabilitation. Lecture, Discussion, Experiential learning.

**Prerequisites:** junior standing in the Occupational Therapy program or consent of instructor.

**Last Taught:** Summer 2015, Summer 2014, Summer 2013, Summer 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 323 Program Management in Rehabilitation**

2 cr. Undergraduate.

Study of the management of programs in rehabilitation.

**Prerequisites:** senior standing in the Occupational Therapy program or consent of instructor.

**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 326 Occupational Therapy in Pediatrics I**

3 cr. Undergraduate.

Evaluation of occupational performance and planning for treatment for the birth to 21 y/o population with occupational dysfunction. Includes experiential component.

**Prerequisites:** junior standing in the Occupational Therapy program; OCCTHPY 301 (P).

**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 328 Occupational Therapy in Physical Rehabilitation I**

3 cr. Undergraduate.

Application of biomechanical principles to OT evaluation and treatment.

**Prerequisites:** acceptance to the Occupational Therapy program.

**Last Taught:** Spring 2015, Spring 2014, Fall 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 329 Occupational Therapy in Gerontology**

3 cr. Undergraduate/Graduate.

In-depth study of occupational therapy principles and practice in working with the elderly in institutions and the community.

**Prerequisites:** junior standing in the Occupational Therapy program.

**Last Taught:** Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 329G Occupational Therapy in Gerontology**

3 cr. Undergraduate/Graduate.

In-depth study of occupational therapy principles and practice in working with the elderly in institutions and the community.

**Prerequisites:** junior standing in the Occupational Therapy program.

**Last Taught:** Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 330 Foundations of Professional Practice in Occupational Therapy**

1-3 cr. Undergraduate.

Foundation for successful professional practice in the field of occupational therapy. Students will apply knowledge of core professional documents, ethics and leadership. Specific cr announced in Schedule of Classes each time course is offered.

**Prerequisites:** junior standing in the Occupational Therapy program.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Summer 2015, Summer 2014, Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 340 Evidenced for Practice I: Applications of Biostatistics**

3 cr. Undergraduate.

Applications of instrumentation, biostatistics and epidemiology in occupational studies. Emphasizes research design, measurement and interpretation of statistical results.

**Prerequisites:** junior standing, OCCTHPY 151(P), and KIN 270(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 341 Evidence for Practice II: Appraising Evidence**

3 cr. Undergraduate.

Critically examines current research evidence in occupational studies and health care. Emphasizes spectrum of quantitative and qualitative approaches. Prereq: OCCTHPY 340(C).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 350 Professional Development Seminar I**

1 cr. Undergraduate.

Integrate academic knowledge with observation skills; refine skills through client observation; complete facility tours and paired visits to OT-related sites.

**Prerequisites:** acceptance to the Occupational Therapy program or consent of instructor.

**Last Taught:** Fall 2014, Fall 2013, Fall 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 360 Enhancing Health Through Activity, Occupation and Technology II**

3 cr. Undergraduate.

Integrate understanding of relationship of occupation and health, occupation-based intervention and technology. Reflect on personal occupations and design interventions for individuals, groups, communities.

**Prerequisites:** acceptance to the Occupational Therapy program or consent of instructor.

**Last Taught:** Fall 2014, Fall 2013, Fall 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 390 Professional Development Seminar II**

1 cr. Undergraduate.

Integrate OT academic knowledge with observation and intervention skills; refine skills through client interaction; complete 1st Level I fieldwork

**Prerequisites:** junior standing in the Occupational Therapy program and OCCTHPY 350(P); or consent of instructor.

**Last Taught:** Spring 2015, Spring 2014, Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 401 Overview of Medical Conditions**

3 cr. Undergraduate.

Overview of common impairments and related diagnoses such as spinal cord injury, head injury, burns, cognitive disorders and psychiatric disorders with implications for OT practice.

**Prerequisites:** THERREC 202(P) or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 405 Occupational Therapy in Physical Rehabilitation II**

3 cr. Undergraduate.

Neurodevelopmental evaluation and treatment procedures for persons with central nervous system damage. Lec, lab.

**Prerequisites:** senior standing in the Occupational Therapy program, OCCTHPY 308(P), and OCCTHPY 401(P).

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 411 Occupational Therapy and Psychosocial Rehabilitation**

3 cr. Undergraduate.

Advanced clinical techniques in psychosocial occupational therapy emphasizing social skills training, life coping skills, OT evaluations and intervention planning in rehabilitation and community settings.

**Prerequisites:** senior standing in the Occupational Therapy program; OCCTHPY 305(P); and OCCTHPY 315(P).

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 420 Principles of Human Factors and Usability**

3 cr. Undergraduate.

Introduction to principles of human factors, interaction, and usability as they pertain to the design of consumer devices and assistive technologies.

**Prerequisites:** junior standing and OCCTHPY 220(P); or consent of instructor.

**Course Rules:** Counts as repeat of OCCTHPY 590 with the same topic.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 425 Occupational Therapy Senior Seminar**

2 cr. Undergraduate.

Summary and analysis of occupational therapy services primarily in physical dysfunction treatment situations. 4-week mini-course.

**Prerequisites:** second semester senior in the Occupational Therapy program.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 426 Occupational Therapy in Pediatrics II**

3 cr. Undergraduate.

Evaluation of occupational performance and treatment implementation for the birth to 21 y/o population with occupational dysfunction. Lec and lab.

**Prerequisites:** senior standing in the Occupational Therapy program and OCCTHPY 326(P).

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 427 Essentials of Splinting**

3 cr. Undergraduate/Graduate.

Evaluation and splint fabrication of upper and lower extremity and trunk. Hands-on lab experience in splint design using various patterns, applications, and materials.

**Prerequisites:** BIO SCI 203(P) and KIN 320(P) or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 427G Essentials of Splinting**

3 cr. Undergraduate/Graduate.

Evaluation and splint fabrication of upper and lower extremity and trunk. Hands-on lab experience in splint design using various patterns, applications, and materials.

**Prerequisites:** BIO SCI 203(P) and KIN 320(P) or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 460 Professional Development Seminar III**

1 cr. Undergraduate.

Integrate OT academic knowledge with observation and interaction skills; develop clinical techniques and analyze and reflect on skills; complete 2nd Level I fieldwork

**Prerequisites:** senior standing in the Occupational Therapy program and OCCTHPY 390(P) or consent of instructor.

**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 490 Professional Development Seminar IV**

1 cr. Undergraduate.

Integrate OT academic knowledge with interaction skills; develop clinical techniques and analyze/reflect on skills; work on preparation for Level II fieldwork.

**Prerequisites:** senior standing in the Occupational Therapy program and OCCTHPY 460(P).

**Last Taught:** Spring 2016, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 497 Study Abroad - Occupational Therapy:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared course work.

**Prerequisites:** acceptance to Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2015, UWinterIM 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 497G Study Abroad - Occupational Therapy:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared course work.

**Prerequisites:** acceptance to Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2015, UWinterIM 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 505 Work and Disability**

3 cr. Undergraduate.

Constructs related to employment of people with disabilities (e.g. legislation; theories; interventions; accommodations; job placement, development, support) taught through experiential learning and case studies.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 519 Therapeutic Communication**

3 cr. Undergraduate/Graduate.

Development of therapeutic communication skills necessary for all occupational therapy practice settings.

**Prerequisites:** senior standing or graduate standing in the Occupational Therapy program; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 519G Therapeutic Communication**

3 cr. Undergraduate/Graduate.

Development of therapeutic communication skills necessary for all occupational therapy practice settings.

**Prerequisites:** senior standing or graduate standing in the Occupational Therapy program; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 521 Essentials of Assistive and Rehabilitation Technology**

3 cr. Undergraduate.

Fundamentals and applications of assistive and rehabilitation technology for the home, school, hospital, work place and community.

**Prerequisites:** junior standing and OCCTHPY 220(P) or consent of instructor.

**Last Taught:** Spring 2021, Spring 2020, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 522 Health, Performance, & Injury Monitoring in Organizations**

3 cr. Undergraduate/Graduate.

The physical, psychosocial, and technical systems of the health-performance continuum that influence injury, performance, and productivity will be introduced through exploration of populations including the industrial worker, public service, performing arts, sports, and disabled athletes.

**Prerequisites:** junior standing or higher and in good standing or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 522G Health, Performance, & Injury Monitoring in Organizations**

3 cr. Undergraduate/Graduate.

The physical, psychosocial, and technical systems of the health-performance continuum that influence injury, performance, and productivity will be introduced through exploration of populations including the industrial worker, public service, performing arts, sports, and disabled athletes.

**Prerequisites:** junior standing or higher and in good standing or consent of instructor.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 530 Contemporary Issues and Professional Preparation in OST**

3 cr. Undergraduate.

Exploration of contemporary issues and careers in the general areas of occupational science and technology. Attention is on preparation for entry level employment and/or graduate education.

**Prerequisites:** senior standing, OCCTHPY 401(C), or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 540 Evidence for Practice I**

3 cr. Undergraduate/Graduate.

Introduction to research methods and measurement in occupational therapy with a focus on the scientific process and evidence.

**Prerequisites:** senior standing or graduate standing in an Occupational Therapy program.

**Last Taught:** Summer 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 540G Evidence for Practice I**

3 cr. Undergraduate/Graduate.

Introduction to research methods and measurement in occupational therapy with a focus on the scientific process and evidence.

**Prerequisites:** senior standing or graduate standing in an Occupational Therapy program.

**Last Taught:** Summer 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 541 Evidence for Practice III: Creating Evidence**

3 cr. Undergraduate/Graduate.

Seminar to study the research process, review of relevant research literature and use of basic research tools necessary for thesis/project development.

**Prerequisites:** senior standing in the Occupational Therapy program and OCCTHPY 341(P); or graduate standing in an Occupational Therapy program; or consent of instructor.

**Last Taught:** Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 541G Evidence for Practice III: Creating Evidence**

3 cr. Undergraduate/Graduate.

Seminar to study the research process, review of relevant research literature and use of basic research tools necessary for thesis/project development.

**Prerequisites:** senior standing in the Occupational Therapy program and OCCTHPY 341(P); or graduate standing in an Occupational Therapy program; or consent of instructor.

**Last Taught:** Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 542 Evidence for Practice II**

3 cr. Undergraduate/Graduate.

Study of the research process, review of relevant research literature and use of basic research tools necessary for thesis/project development.

**Prerequisites:** senior standing or graduate standing in an Occupational Therapy program; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 542G Evidence for Practice II**

3 cr. Undergraduate/Graduate.

Study of the research process, review of relevant research literature and use of basic research tools necessary for thesis/project development.

**Prerequisites:** senior standing or graduate standing in an Occupational Therapy program; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 550G Upper Extremity Evaluation and Treatment in Hand Therapy**

3 cr. Graduate.

Evaluation and treatment of the upper extremity. Techniques of patient evaluation, pertinent anatomy, and recovery.

**Prerequisites:** graduate standing in the Occupational Therapy or Physical Therapy program; or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 590 Topics in Occupational Therapy:**

1-3 cr. Undergraduate/Graduate.

Topics of current interest in O.T. see Schedule of Classes for course offerings.

**Prerequisites:** junior standing in Occupational Therapy program or consent of instructor.

**Course Rules:** May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 590G Topics in Occupational Therapy:**

1-3 cr. Undergraduate/Graduate.

Topics of current interest in O.T. see Schedule of Classes for course offerings.

**Prerequisites:** junior standing in Occupational Therapy program or consent of instructor.

**Course Rules:** May be retaken with change in topic to max of 9 cr.

**Last Taught:** Fall 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 592 Innovative Solutions in Human Factors and Performance**

3 cr. Undergraduate/Graduate.

Students will work as part of an entrepreneurial student-team to design, test, and produce process prototype solutions for real-world injury, health, and performance problems presented from community and industrial partners.

**Prerequisites:** OCCTHPY 522(P) or consent of instructor.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 592G Innovative Solutions in Human Factors and Performance**

3 cr. Undergraduate/Graduate.

Students will work as part of an entrepreneurial student-team to design, test, and produce process prototype solutions for real-world injury, health, and performance problems presented from community and industrial partners.

**Prerequisites:** OCCTHPY 522(P) or consent of instructor.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 593 Introduction to Biomedical and Rehabilitation Instrumentation**

3 cr. Undergraduate/Graduate.

Familiarizes students with medical instrumentation in post acute care settings. Basic electrical, electronic and mechanical terminologies.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 593G Introduction to Biomedical and Rehabilitation Instrumentation**

3 cr. Undergraduate/Graduate.

Familiarizes students with medical instrumentation in post acute care settings. Basic electrical, electronic and mechanical terminologies.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 595 Vision I: Introduction to Low Vision & Visual Impairment**

3 cr. Undergraduate/Graduate.

Introduces student to visual impairment including blindness and 'low vision'. Structure and function of the visual system and most common types of pathology.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Spring 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 595G Vision I: Introduction to Low Vision & Visual Impairment**

3 cr. Undergraduate/Graduate.

Introduces student to visual impairment including blindness and 'low vision'. Structure and function of the visual system and most common types of pathology.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Spring 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 596 Vision II: Practical Aspects of Visual Impairment & Low Vision Intervention**

3 cr. Undergraduate/Graduate.

Functional implications of visual system pathology; focus on practical aspects of adapting to visual impairment, low vision evaluation and access to service/resources.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 596G Vision II: Practical Aspects of Visual Impairment & Low Vision Intervention**

3 cr. Undergraduate/Graduate.

Functional implications of visual system pathology; focus on practical aspects of adapting to visual impairment, low vision evaluation and access to service/resources.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 599 Independent Study I**

1-6 cr. Undergraduate/Graduate.

Independent study under the supervision of Occupational Science & Technology or Occupational Therapy program faculty.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken for degree credit.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 599G Independent Study I**

1-6 cr. Undergraduate/Graduate.

Independent study under the supervision of Occupational Science & Technology or Occupational Therapy program faculty.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken for degree credit.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 610 Advances in Occupational Science**

3 cr. Undergraduate/Graduate.

Explores origins and recent developments in occupational science. Examines the multidimensional nature of occupation; the dynamics of person, environment, occupation interaction; applications to practice.

**Prerequisites:** senior standing in the Occupational Therapy program or graduate standing.

**Last Taught:** Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 610G Advances in Occupational Science**

3 cr. Undergraduate/Graduate.

Explores origins and recent developments in occupational science. Examines the multidimensional nature of occupation; the dynamics of person, environment, occupation interaction; applications to practice.

**Prerequisites:** senior standing in the Occupational Therapy program or graduate standing.

**Last Taught:** Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 620 Introduction to Assistive and Rehabilitation Technology**

3 cr. Undergraduate/Graduate.

Principles of assistive and rehabilitation technology application and foundation skills for professionals working with people with disabilities to evaluate products and strategies for their use.

**Prerequisites:** junior standing and OCCTHPY 410(P) or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 620G Introduction to Assistive and Rehabilitation Technology**

3 cr. Undergraduate/Graduate.

Principles of assistive and rehabilitation technology application and foundation skills for professionals working with people with disabilities to evaluate products and strategies for their use.

**Prerequisites:** junior standing and OCCTHPY 410(P) or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 625 Design and Disability**

3 cr. Undergraduate/Graduate.

Universal design principles/theories related to creating access for individuals with disabilities. Enables professionals to evaluate and provide recommendations for product and environment universal design.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 625G Design and Disability**

3 cr. Undergraduate/Graduate.

Universal design principles/theories related to creating access for individuals with disabilities. Enables professionals to evaluate and provide recommendations for product and environment universal design.

**Prerequisites:** junior standing or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 634 Collaborative Consultation/Teaming-Serving Young Children with Disabilities**

3 cr. Undergraduate/Graduate.

Focus on development of collaboration and consultation skills for professionals employed in interdisciplinary and interagency settings.

**Prerequisites:** junior standing.

**Course Rules:** EXCEDUC 634, OCCTHPY 634, and COMSDIS 634 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 634G Collaborative Consultation/Teaming-Serving Young Children with Disabilities**

3 cr. Undergraduate/Graduate.

Focus on development of collaboration and consultation skills for professionals employed in interdisciplinary and interagency settings.

**Prerequisites:** junior standing.

**Course Rules:** EXCEDUC 634, OCCTHPY 634, and COMSDIS 634 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 701 Advanced Measurement and Instrumentation in Health Care**

3 cr. Graduate.

Reviews and critiques measurement theories and instruments used by health related researchers and professionals. Includes traditional, outcome and contemporary methods differing from classical psychometric theory.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2022, Fall 2020, Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 703 Applied Neuroscience**

3 cr. Graduate.

Emphasizes neurophysiology, neuroanatomy and disorders of the nervous system. Focus on relationship between structure and function of the nervous system as applied to OT.

**Prerequisites:** graduate standing in an Occupational Therapy program.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 704 Musculoskeletal Analysis and Occupational Function**

3 cr. Graduate.

The origin, nature, and course of musculoskeletal and neurological disorders and their relationship to clinical biomechanics and occupational performance.

**Prerequisites:** graduate standing in an Occupational Therapy program.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 705 Occupational Therapy in Physical Rehabilitation I**

3 cr. Graduate.

Development of assessment skills for common medical conditions that occupational therapists encounter in physical rehabilitation settings.

**Prerequisites:** graduate standing in an Occupational Therapy program.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 706 Occupational Therapy in Physical Rehabilitation II**

2-6 cr. Graduate.

Clinical application of occupational therapy interventions in a variety of rehabilitation settings.

**Prerequisites:** graduate standing in an Occupational Therapy program.

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 707 Professional Development Seminar I**

1 cr. Graduate.

Exploration of social and cultural factors that impact occupational therapy practice; includes 30 hours of service learning.

**Prerequisites:** graduate standing in the MSOT program.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 708 Professional Development Seminar II**

1 cr. Graduate.

Development of skills in critical evaluation of OT practice through integration of academic knowledge and 40 hours of Level I fieldwork experience.

**Prerequisites:** graduate standing in the MSOT program and a grade of B- or better in OCCTHPY 707(P); or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 709 Professional Development Seminar III**

1 cr. Graduate.

Critical evaluation of OT practice and preparation for Level II fieldwork through integration of academic knowledge and 40 hour Level I fieldwork experience.

**Prerequisites:** graduate standing in the MSOT program and a grade of B- or better in OCCTHPY 708(P); or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 710 Community Models of Occupational Therapy Practice**

2 cr. Graduate.

Evaluation and application of occupational therapy knowledge to a wide array of community settings.

**Prerequisites:** graduate standing in an Occupational Therapy program or consent of instructor.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 711 Professional Leadership for Occupational Therapists**

3 cr. Graduate.

Critical analysis of trends, practice issues and strategies in the field of occupational therapy.

**Prerequisites:** graduate standing in an Occupational Therapy program.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 718 Occupational Therapy in Acute Care**

1-3 cr. Graduate.

This course provides a foundation for entry-level OT practitioners in the acute care setting with an awareness of common medical conditions and their treatment implications.

**Prerequisites:** graduate standing in an Occupational Therapy program or consent of instructor.

**Course Rules:** retakeable to 3 cr max.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 719 Occupational Therapy in Psychosocial Practice**

3 cr. Graduate.

The nature of human occupation, areas of occupation, performance skills, and performance patterns within varied contexts for persons with behavioral and psychiatric disorders.

**Prerequisites:** graduate standing in an Occupational Therapy program.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 720 Application of Occupational Science and Occupational Therapy Theory**

3 cr. Graduate.

Critical analysis of occupational science and occupational therapy theories as they relate to practice issues, strategies, and research.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 721 Foundations of Professional Practice in Occupational Therapy**

2 cr. Graduate.

Foundations for successful professional practice in the field of occupational therapy.

**Prerequisites:** graduate standing in an Occupational Therapy program.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 724 Advanced Design and Disability**

3 cr. Graduate.

Accessible and universal design principles, theories and practices are taught enabling evaluation and design of products and environments for people with and without disabilities.

**Prerequisites:** graduate standing; one class in assistive technology prior to this course is recommended.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 725 Occupational Therapy Field Service I**

6 cr. Graduate.

Provides students with opportunity to apply knowledge and practice in clinical setting through participation in therapy under supervision; integrates academic with professional knowledge.

**Prerequisites:** graduate standing and successful completion of required professional entry courses.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 735 Occupational Therapy Field Service II**

6 cr. Graduate.

Provides students with opportunity to apply knowledge and practice in clinical setting through participation in therapy under supervision; development of advanced knowledge and skills.

**Prerequisites:** graduate standing and OCCTHPY 725(C).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 740 Occupational Therapy with Children and Families**

1-4 cr. Graduate.

Examines current practices and future trends for evaluation and treatment of occupational performance between birth and 21 years of age within family and community contexts.

**Prerequisites:** graduate standing in an Occupational Therapy program.

**Course Rules:** Re-takeable to 4 cr max w/ chg in topic.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 742 Single Case Experimental Design**

3 cr. Graduate.

Readings, discussions, and learning experiences in single-case research methodology. Learners acquire knowledge and skills to plan, implement and analyze single-case interventions.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** EXCEDUC 742 and OCCTHPY 742 are jointly offered and count as repeats of one another. Counts as a repeat of OCCTHPY 590 with similar topic.

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 743 Advances in Child and Family Centered Occupational Therapy**

2-3 cr. Graduate.

Exploration of child development and family systems from an ecological perspective. Current evaluation and intervention strategies are studied through contemporary trends and evidence for practice.

**Prerequisites:** graduate standing and OCCTHPY 740(P) or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 744 Advanced Occupational Therapy for Aging Adults**

1-3 cr. Graduate.

The aging of America has wide-ranging implications for occupational therapy. This course provides students with knowledge and skills to evaluate and work with older adults.

**Prerequisites:** graduate standing in Occupational Therapy program or consent instructor.

**Course Rules:** Retakable to 3 cr max.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 745 Occupational Therapy Field Service III**

1-6 cr. Graduate.

Additional, optional field placement beyond ACOTE requirements to accommodate special interests in treatment, health care systems and other professional settings.

**Prerequisites:** graduate standing and OCCTHPY 735(C).

**Last Taught:** Spring 2016, Fall 2014, Summer 2014, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 750 Computer Applications in Occupational Therapy Practice**

3 cr. Graduate.

Exploration of the current and future uses of computer technology in the field of occupational therapy. Completion of a student-designed software application.

**Prerequisites:** graduate standing.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 760 Assistive and Rehabilitation Technology**

3 cr. Graduate.

Surveys the use of assistive technology devices and applications for people with motor, sensory, and cognitive impairments.

**Prerequisites:** graduate standing and college-level computer course or equivalent; or consent of instructor.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 770 Assessment in Assistive Technology and Accessible Design**

3 cr. Graduate.

Background theory, principles of selection, application in practice, and procedures for applying assistive technology (AT) and universal design (UD) assessment and instrumentation.

**Prerequisites:** graduate standing and OCCTHPY 620(P) or consent of instructor.

**Last Taught:** Fall 2023, Summer 2023, Summer 2022, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 774 Trauma Counseling I: Theory and Research**

3 cr. Graduate.

Seminar examining impact of trauma experience on individuals, groups and communities following a catastrophic event. Explores traumatic events, mental injuries and impact on memory, learning, physical health and dysfunctional behavior.

**Prerequisites:** graduate standing.

**Course Rules:** COUNS 774, NURS 774, OCCTHPY 774, and SOC WRK 774 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 775 Trauma Counseling II: Diagnosis and Treatment**

3 cr. Graduate.

Seminar on diagnosis and assessment instruments as well as intervention and therapeutic techniques used to address trauma issues in counseling acute and chronic traumatized clients.

**Prerequisites:** graduate standing, COUNS 744(P), NURS 775(P), OCCTHPY 774(P) or SOC WRK 774(P); or consent of instructor.

**Course Rules:** COUNS 775, NURS 775, OCCTHPY 775, and SOC WRK 775 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 777 Fieldwork in Assistive Technology**

1-6 cr. Graduate.

Provides students with a school- or clinic-based experience in the delivery of assistive technology services.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** EXCEDUC 777 and OCCTHPY 777 are jointly offered; they count as repeats of one another. May be retaken for 9 cr max.

**Last Taught:** Fall 2015, Fall 2014, Fall 2013, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 780 Physical Agents in Rehabilitation**

1-3 cr. Graduate.

Application of physical agents to restore functional abilities in a rehabilitation setting; includes review of research literature and competency testing.

**Prerequisites:** graduate standing in an Occupational Science program or consent of instructor.

**Course Rules:** Retakable to 3 cr max.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 788 Legal Issues and Regulatory Agencies in Ergonomics**

1 cr. Graduate.

Understanding of ergonomic regulations, regulatory sets, and agencies' and workers' compensations laws.

**Prerequisites:** graduate standing, IND ENG 580(P), and a course in statistics; or consent of instructor.

**Course Rules:** IND ENG 788 and OCCTHPY 788 are jointly offered and count as repeats of one another.

**Last Taught:** Summer 2010, Fall 2005, UWinterIM 2005, UWinterIM 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 790 Design Project**

2-3 cr. Graduate.

Integration and application of concepts learned in other ergonomic courses to analyze and abate ergonomic hazards in a scientific manner.

**Prerequisites:** graduate standing, IND ENG 780(P), IND ENG 783(P), IND ENG 786(P), and IND ENG 788(P); or consent of instructor.

**Course Rules:** IND ENG 790 and OCCTHPY 790 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2021, Fall 2016, Spring 2016, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 799 Independent Study II**

1-6 cr. Graduate.

Intermediate level independent study under the supervision of Occupational Therapy faculty.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 810 Critical Evaluation of Theory, Research and Practice**

2 cr. Graduate.

Appraisal and application of knowledge and concepts acquired in academic and fieldwork education to occupational therapy practice.

**Prerequisites:** graduate standing in an Occupational Science program or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 820 Occupational Science Evidence When Serving Individuals and Populations**

3 cr. Graduate.

Origins, epistemology and recent developments in occupational science. Examines the multidimensional nature of occupation and complex relationships to health and health disparities from an occupational science lens.

**Prerequisites:** graduate standing.

**Course Rules:** Designed for post-professional graduate students.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 880 Master's Project**

1-6 cr. Graduate.

Preparation of an individual project under the supervision of the student's major advisor.

**Prerequisites:** graduate standing and consent of advisor.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 890 Research and Thesis**

1-6 cr. Graduate.

Production of a thesis under the supervision of the student's major professor with the consultation of the degree committee.

**Prerequisites:** graduate standing and consent of advisor.

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 900 Teaching, Learning and Educational Leadership in the Health Sciences**

3 cr. Graduate.

Overview of higher education in the health sciences and the responsibilities of the professoriate in fulfilling the missions of research, teaching, and service.

**Prerequisites:** graduate standing.

**Course Rules:** ATRAIN 900, OCCTHPY 900, PRPP 900, and PT 900 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2017, Fall 2016, Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 901 Seminar in Occupational Therapy**

1-3 cr. Graduate.

Scholarly discussion forum for graduate students, moderated by program faculty.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Repeatable to 9 cr max. Previously OCCTHPY 741.

**Last Taught:** Spring 2014, Fall 2013, Spring 2011, Summer 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 909 Guided Teaching Experience in Health Sciences**

3 cr. Graduate.

This course provides the student, under the supervision of a faculty member, with the opportunity to design, deliver, and evaluate an undergraduate course.

**Prerequisites:** graduate standing, one of the following: ATRAIN 900(P), OCCTHPY 900(P), PRPP 900(P), or PT 900(P), and consent of instructor.

**Course Rules:** Satisfactory/Unsatisfactory only. ATRAIN 909, BMS 909, COMSDIS 909, HCA 909, KIN 909, OCCTHPY 909, PT 909, and PRPP 909 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 990 Research and Dissertation**

1-6 cr. Graduate.

Production of a dissertation under the supervision of the student's major professor with the consultation of the degree committee.

**Prerequisites:** graduate standing and consent of advisor.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**OCCTHPY 999 Advanced Independent Study**

1-3 cr. Graduate.

Supervised investigation of particular topic area either not covered by other occupational therapy courses or at a level of sophistication beyond that in a course.

**Prerequisites:** graduate standing and consent of instructor.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

# Peace Studies (PEACEST)

**PEACEST 203 Introduction to Peace and Conflict Studies**

3 cr. Undergraduate.

Theories and approaches for understanding and managing conflict; skills and strategies for building peace.

**Prerequisites:** none.

**Course Rules:** GLOBAL 203 and PEACEST 203 are jointly offered and count as repeats of one another. Previously PEACEST 201.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PEACEST 219 Topics in Power and Conflict**

3 cr. Undergraduate.

Examination of topics concerned with power, conflict, and non-violent methods of conflict resolution.

**Prerequisites:** none.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PEACEST 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Spring 2022, Fall 2019, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PEACEST 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PEACEST 489 Internship in Peace Studies, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of social sciences in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in social sciences; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. Retakable to 6 cr max.

**Last Taught:** Summer 2022, Summer 2021, Spring 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PEACEST 490 Sustainable Design for Community Development**

3 cr. Undergraduate/Graduate.

Transdisciplinary students will work on sustainable projects and designs to address complex societal problems that require consideration of economy, environment, politics, and technology that leverage community-based knowledge.

**Prerequisites:** junior standing or consent of instructor; MECHENG 320(R).

**Course Rules:** EAS 490, FRSHWTR 490, and PEACEST 490 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PEACEST 490G Sustainable Design for Community Development**

3 cr. Undergraduate/Graduate.

Transdisciplinary students will work on sustainable projects and designs to address complex societal problems that require consideration of economy, environment, politics, and technology that leverage community-based knowledge.

**Prerequisites:** junior standing or consent of instructor; MECHENG 320(R).

**Course Rules:** EAS 490, FRSHWTR 490, and PEACEST 490 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PEACEST 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Spring 2017, Spring 2016, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PEACEST 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PEACEST 699 Advanced Independent Study**

1-6 cr. Undergraduate.

Advanced level independent work under the supervision of a peace studies faculty or academic staff member.

**Prerequisites:** jr st; 2.5 GPA; writ cons instr, dept chair, & asst dean for SAS.

**Course Rules:** Retakeable w/chg in topic.

**Last Taught:** Spring 2020, Spring 2013, Spring 2011, Summer 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## **Performance Rehabilitation and Performance Psychology (PRPP)**

### **PRPP 296 Undergraduate Research**

1-3 cr. Undergraduate.

Undergraduate research under the direction of Performance Psychology faculty.

**Prerequisites:** consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PRPP 551 Psychology of Injury: Prevention, Rehabilitation & Return to Participation**

3 cr. Undergraduate/Graduate.

Explores the psychology of injury prevention, rehabilitation, and return to participation.

**Prerequisites:** KIN 350(P), or MSAT student, or graduate student in good standing with consent of instructor.

**Course Rules:** Previously KIN 551.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PRPP 551G Psychology of Injury: Prevention, Rehabilitation & Return to Participation**

3 cr. Undergraduate/Graduate.

Explores the psychology of injury prevention, rehabilitation, and return to participation.

**Prerequisites:** KIN 350(P), or MSAT student, or graduate student in good standing with consent of instructor.

**Course Rules:** Previously KIN 551.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PRPP 552 Psychology of Personal Excellence**

3 cr. Undergraduate/Graduate.

Research on elite athletes, performing artists, and corporate executives is used to discuss characteristics of peak performance and identify strategies to facilitate personal excellence.

**Prerequisites:** junior standing or graduate standing or consent of instructor.

**Course Rules:** Previously KIN 552.

**Last Taught:** Summer 2018, Summer 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PRPP 552G Psychology of Personal Excellence**

3 cr. Undergraduate/Graduate.

Research on elite athletes, performing artists, and corporate executives is used to discuss characteristics of peak performance and identify strategies to facilitate personal excellence.

**Prerequisites:** junior standing or graduate standing or consent of instructor.

**Course Rules:** Previously KIN 552.

**Last Taught:** Summer 2018, Summer 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PRPP 553 Psychological Considerations for Optimizing Health & Performance**

3 cr. Undergraduate/Graduate.

Psychological factors linked to health and performance will be explored in depth to enable health care providers to optimize care to their clients and contribute meaningfully within interprofessional health care teams.

**Prerequisites:** junior standing or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PRPP 553G Psychological Considerations for Optimizing Health & Performance**

3 cr. Undergraduate/Graduate.

Psychological factors linked to health and performance will be explored in depth to enable health care providers to optimize care to their clients and contribute meaningfully within interprofessional health care teams.

**Prerequisites:** junior standing or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### **PRPP 599 Independent Study I**

1-6 cr. Undergraduate/Graduate.

Advanced undergraduate or beginning graduate level independent study under Performance Psychology faculty.

**Prerequisites:** junior standing or greater; or graduate standing; consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 599G Independent Study I**

1-6 cr. Undergraduate/Graduate.

Advanced undergraduate or beginning graduate level independent study under Performance Psychology faculty.

**Prerequisites:** junior standing or greater; or graduate standing; consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 790 Advanced Topics in Performance Psychology:**

1-3 cr. Graduate.

Specific topic is announced in the Schedule of Classes each semester the course is offered.

**Prerequisites:** graduate standing.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 799 Independent Study II**

1-6 cr. Graduate.

Intermediate graduate level independent study under the direction of Performance Psychology faculty.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 854 Professional Studies in Sport & Performance Psychology**

3 cr. Graduate.

Foundations of successful and ethical professional practice in sport and performance psychology.

**Prerequisites:** Repeatable up to 6 credits. Graduate student in good standing; Grade of C or higher in Psychological Aspects of Human Movement (KIN 550); Grade of C or higher in Psychology of Personal Excellence (KIN 552); or consent of instructor.

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 855 Mentored Fieldwork in Sport and Performance Psychology**

1-3 cr. Graduate.

Mentored fieldwork experience with an emphasis on application of consulting skills and behaviors in sport and performance psychology settings.

**Prerequisites:** Graduate student in good standing; Grade of C or higher in Psychological Aspects of Human Movement (KIN 550); Grade of C or higher in Psychology of Personal Excellence (KIN 552); Grade of B or higher in PRPP 854; or consent of instructor.

**Course Rules:** Repeatable for 9 credits.

**Last Taught:** Fall 2023, Fall 2021, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 888 Candidate for Degree**

0 cr. Graduate.

Available for students who have completed all credit requirements and who need to enroll to complete other graduation requirements.

**Prerequisites:** consent of instructor.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 890 Research and Thesis**

1-6 cr. Graduate.

Production of a thesis under the supervision of the student's major professor with the consultation of the degree committee.

**Prerequisites:** graduate standing.

**Course Rules:** Repeatable to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 895 Capstone**

1-6 cr. Graduate.

Production of a capstone project the supervision of the student's major professor.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 6 cr max. Satisfactory/Unsatisfactory only.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 900 Teaching, Learning and Educational Leadership in the Health Sciences**

3 cr. Graduate.

Overview of higher education in the health sciences and the responsibilities of the professoriate in fulfilling the missions of research, teaching, and service.

**Prerequisites:** graduate standing.

**Course Rules:** ATRAIN 900, OCCTHPY 900, PRPP 900, and PT 900 are jointly offered and count as repeats of one another.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 901 Seminar in Performance Psychology**

1-3 cr. Graduate.

This seminar critically evaluates current research and applied topics in performance psychology.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 909 Guided Teaching Experience in Health Sciences**

3 cr. Graduate.

This course provides the student, under the supervision of a faculty member, with the opportunity to design, deliver, and evaluate an undergraduate course.

**Prerequisites:** graduate standing, one of the following: ATRAIN 900(P), OCCTHPY 900(P), PRPP 900(P), or PT 900(P), and consent of instructor.

**Course Rules:** Satisfactory/Unsatisfactory only. ATRAIN 909, BMS 909, COMSDIS 909, HCA 909, KIN 909, OCCTHPY 909, PT 909, and PRPP 909 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 990 Research and Dissertation**

1-12 cr. Graduate.

Production of a dissertation under the supervision of the student's major professor with the consultation of the degree committee.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 18 cr max. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PRPP 999 Advanced Independent Study**

1-6 cr. Graduate.

Advanced graduate level independent study.

**Prerequisites:** graduate standing.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Philosophy (PHILOS)

**PHILOS 101 Introduction to Philosophy:**

3 cr. Undergraduate.

Introduction to the philosophical thinking through examination of such topics as Plato's and Aristotle's contribution to Western civilization; free will and moral responsibility; God, morality, and knowledge.

**Prerequisites:** none.

**Course Rules:** May not be retaken for add'l cr; may be repeated for higher grade.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 111 Introduction to Logic - Critical Reasoning**

3 cr. Undergraduate.

Students learn a broad variety of fundamental logical methods - techniques used to identify, analyze, model, evaluate, and criticize different types of real-world reasoning.

**Prerequisites:** a grade of C or better in MATH 90(P) or MATH 102(P); or grade of D in MATH 94(P); or Math Placement Level 10.

**Course Rules:** PHILOS 111 and MATH 111 are jointly offered; they count as repeats of one another.

**General Education Requirements:** HU, QLA

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 192 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2022, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2021, Spring 2006, Fall 2002, Fall 1999.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 204 Introduction to Asian Religions**

3 cr. Undergraduate.

Philosophy of Asian religions; emphasis on the Indian experience of Hinduism and Buddhism, and the Chinese experience of Buddhism, Confucianism, and Taoism.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 207 Religion and Science**

3 cr. Undergraduate.

The alleged conflict between science and religion: case histories, analysis of the issues, implications for the concepts of religious beliefs and scientific knowledge.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 211 Elementary Logic**

3 cr. Undergraduate.

Introduction to traditional and modern logic; the concepts of argument, validity; proof, fallacy, persuasion, and reasoning; the development of certain practical skills.

**Prerequisites:** satisfaction of QL-A.

**General Education Requirements:** HU, QLB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 212 Modern Deductive Logic**

3 cr. Undergraduate.

A second course in symbolic logic that develops the skills in symbolic translation and proof construction acquired in Philos 211, investigates more abstractly the properties of formal systems of proof.

**Prerequisites:** grade C or better in Philos 211(P).

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 213 Introduction to the Philosophy of Science**

3 cr. Undergraduate.

Course for beginning students dealing with such problems as induction vs deduction; hypotheses and theories and their relation to observation; explanation and prediction.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Spring 2019, Spring 2010, Spring 2009, Summer 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 215 Belief, Knowledge, and Truth: An Introduction to the Theory of Knowledge**

3 cr. Undergraduate.

Grounds of rational belief and knowledge and methods used for obtaining them, with particular emphasis on problems of evidence and truth.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 217 Introduction to Metaphysics**

3 cr. Undergraduate.

Introduction to the major problems of metaphysics, such as the mind-body problem, the free will-determinism issue, and the nature of causality.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2020, Fall 2019, Spring 2017, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 232 Topics in Philosophy.**

3 cr. Undergraduate.

A course for beginning students dealing with such philosophical problems as freedom of will, skepticism, or a historical figure or movement.

**Prerequisites:** none.

**Course Rules:** May be retaken with change in topic to 6 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2021, Spring 2020, Spring 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 235 Philosophical Aspects of Feminism**

3 cr. Undergraduate.

A course for beginning students dealing with selected philosophical issues underlying feminist ideas and problems.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2022, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 237 Technology, Values, and Society**

3 cr. Undergraduate.

Discussion of controversies over whether modern technology is a progressive or regressive force in human life; impact of technology on individual and institutional values.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 241 Introductory Ethics**

3 cr. Undergraduate.

Development of moral ideas. Criticism of ethical theories and of social institutions such as state, property, and family.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 242 Introduction to Social and Political Philosophy**

3 cr. Undergraduate.

Opposing philosophical views about man and his political and social life.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Spring 2021, Fall 2015, Spring 2014, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 243 Moral Problems:**

1 cr. Undergraduate.

Intensive study of one moral issue of current relevance.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 244 Ethical Issues in Health Care:**

3 cr. Undergraduate.

Study of ethical issues facing patients, providers, and public policy planners: e.g., ethical response to terminal illness, equity in health care delivery.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 245 Critical Thinking and the Law:**

3 cr. Undergraduate.

Development of critical and analytical skills using legal reasoning as a model and law texts as sources.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2010, Fall 2009, Spring 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 250 God, Faith and Reason**

3 cr. Undergraduate.

Major questions: What is God? Can God's existence (or non-existence) be proved? How? What is religious faith? Is faith rational? Is faith ethical or wise?

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 253 Philosophy of the Arts**

3 cr. Undergraduate.

The creation, appreciation, and criticism of works of art. Sources and use of standards.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2022, Summer 2014, Fall 2012, Fall 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 271 Philosophical Traditions:**

3 cr. Undergraduate.

Survey of one significant philosophical tradition.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**Last Taught:** Spring 2023, Spring 2009, Spring 2005, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 272 Philosophical Classics:**

1 cr. Undergraduate.  
Intensive study of one short work of special importance in the philosophic literature.  
**Prerequisites:** none.  
**Course Rules:** May be retaken w/chg in topic to 6 cr max.  
**Last Taught:** Fall 2007, Fall 2006, Spring 2004, Spring 2003.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 289 Internship in Philosophy, Lower Division**

1-6 cr. Undergraduate.  
Application of basic principles of philosophy in a business, organizational, educational, political, or other appropriate setting.  
**Prerequisites:** intro course in philos; 2.25 gpa; cons supervising faculty member.  
**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 297 Study Abroad:**

1-12 cr. Undergraduate.  
Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined, and/or in specially prepared program course work.  
**Prerequisites:** acceptance for Study Abroad Prog.  
**Course Rules:** May be retaken w/chg in topic.  
**Last Taught:** Spring 2022, Spring 2020, Fall 2019, Spring 2019.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 299 Ad Hoc:**

1-6 cr. Undergraduate.  
Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.  
**Prerequisites:** none; add'l prereqs may be assigned to specific topic.  
**Course Rules:** May be retaken w/chg in topic.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 303 Mind and Knowledge**

3 cr. Undergraduate/Graduate.  
Studies the natures of action, belief and knowledge and the constraint that knowledge imposes on responsible action and belief, both in individuals and across society.  
**Prerequisites:** jr st; Philos 101(P) or 215(P).  
**Last Taught:** Spring 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 303G Mind and Knowledge**

3 cr. Undergraduate/Graduate.  
Studies the natures of action, belief and knowledge and the constraint that knowledge imposes on responsible action and belief, both in individuals and across society.  
**Prerequisites:** jr st; Philos 101(P) or 215(P).  
**Last Taught:** Spring 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 304 Buddhist Philosophy**

3 cr. Undergraduate.  
Overview of the main philosophical teachings of Buddhism. Examination of key teachings in the Buddhist sutras; critical analysis of of key doctrines in Buddhist metaphysics, epistemology, and ethics.  
**Prerequisites:** sophomore standing or above and 3 credits in philosophy; or special student (incl University or School/College Specials; 2nd degree, post-baccalaureate, certificate).  
**Last Taught:** Fall 2023, Spring 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 317 Metaphysics**

3 cr. Undergraduate/Graduate.  
Study of perennial philosophical issues about the nature of the world and our relation to it; realism, idealism, causality, the mind-body problem, time, truth.  
**Prerequisites:** jr st & 3 cr in philos.  
**Last Taught:** Fall 2023, Spring 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 317G Metaphysics**

3 cr. Undergraduate/Graduate.  
Study of perennial philosophical issues about the nature of the world and our relation to it; realism, idealism, causality, the mind-body problem, time, truth.  
**Prerequisites:** jr st & 3 cr in philos.  
**Last Taught:** Fall 2023, Spring 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 324 Philosophy of Science**

3 cr. Undergraduate/Graduate.  
Study of traditional and recent views about the nature, aim and ways of evaluating scientific theories, with reference to both the natural and social sciences.  
**Prerequisites:** jr st & 3 cr in philos.  
**Last Taught:** Spring 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 324G Philosophy of Science**

3 cr. Undergraduate/Graduate.  
Study of traditional and recent views about the nature, aim and ways of evaluating scientific theories, with reference to both the natural and social sciences.  
**Prerequisites:** jr st & 3 cr in philos.  
**Last Taught:** Spring 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 332 Philosophical Problems:**

3 cr. Undergraduate.  
Specific philosophical topic or issue, such as contemporary aesthetics, personal identity, the mind-body problem, the nature of beauty, equality, the just-war doctrine.  
**Prerequisites:** junior standing and 3 cr PHILOS.  
**Course Rules:** Not open for credit to students with credit in PHILOS 381 with similar subtitle. May be retaken with change in topic to 9 cr max.  
**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Spring 2017.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 335 Philosophy of Biology**

3 cr. Undergraduate/Graduate.

Philosophical study of topics in the biological sciences, such as evolutionary explanations, genetic determinism, the definition of life, what constitutes a biological individual.

**Prerequisites:** jr st; 3 cr in philos.**Last Taught:** Fall 2010, Spring 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 335G Philosophy of Biology**

3 cr. Undergraduate/Graduate.

Philosophical study of topics in the biological sciences, such as evolutionary explanations, genetic determinism, the definition of life, what constitutes a biological individual.

**Prerequisites:** jr st; 3 cr in philos.**Last Taught:** Fall 2010, Spring 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 337 Environmental Ethics**

3 cr. Undergraduate/Graduate.

Theories of environmental ethics, practical application. Responsibilities to nature/future generations; moral value/status of environment and organisms; philosophical issues concerning environmental studies and ecology.

**Prerequisites:** jr st.**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 337G Environmental Ethics**

3 cr. Undergraduate/Graduate.

Theories of environmental ethics, practical application. Responsibilities to nature/future generations; moral value/status of environment and organisms; philosophical issues concerning environmental studies and ecology.

**Prerequisites:** jr st.**Last Taught:** Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 341 Modern Ethical Theories**

3 cr. Undergraduate.

Ethical theories and problems as discussed in the late nineteenth, twentieth, and twenty first-centuries.

**Prerequisites:** jr st; 3 cr in philos; satisfaction of OWC-A.**General Education Requirements:** OWCB**Last Taught:** Fall 2023, Fall 2022, Spring 2021, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 349 Great Moral Philosophers**

3 cr. Undergraduate/Graduate.

Major themes of moral philosophy from Plato and Aristotle to Bentham and Mill, with critical study of the outstanding works.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 349G Great Moral Philosophers**

3 cr. Undergraduate/Graduate.

Major themes of moral philosophy from Plato and Aristotle to Bentham and Mill, with critical study of the outstanding works.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 350 Introduction to the Comparative Study of Religion**

3 cr. Undergraduate/Graduate.

Analysis of the nature of religion, of various comparative typological classifications and methodological approaches; basic problems in understanding the varieties of religious experience and expression.

**Prerequisites:** jr st; Philos 204(P), Philos/Hist/Hebr St 275(P) or Anthro 203(P).**Last Taught:** Spring 2006, Spring 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 350G Introduction to the Comparative Study of Religion**

3 cr. Undergraduate/Graduate.

Analysis of the nature of religion, of various comparative typological classifications and methodological approaches; basic problems in understanding the varieties of religious experience and expression.

**Prerequisites:** jr st; Philos 204(P), Philos/Hist/Hebr St 275(P) or Anthro 203(P).**Last Taught:** Spring 2006, Spring 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 351 Philosophy of Mind**

3 cr. Undergraduate/Graduate.

Critical study of the nature of mind and its relation to body and matter, with emphasis on recent advances in philosophy and psychology.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 351G Philosophy of Mind**

3 cr. Undergraduate/Graduate.

Critical study of the nature of mind and its relation to body and matter, with emphasis on recent advances in philosophy and psychology.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 355 Political Philosophy**

3 cr. Undergraduate/Graduate.

Philosophical doctrines involved in justification of political decisions; analysis of fundamental concepts such as the common good, authority, justice, natural law, and natural rights.

**Prerequisites:** none.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 355G Political Philosophy**

3 cr. Undergraduate/Graduate.

Philosophical doctrines involved in justification of political decisions; analysis of fundamental concepts such as the common good, authority, justice, natural law, and natural rights.

**Prerequisites:** none.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 358 Action, Will, and Freedom**

3 cr. Undergraduate/Graduate.

The nature of the will, agency, intentional action, and the problem of free will and determinism.

**Prerequisites:** jr st, 3 cr philos; or grad st.**Last Taught:** Fall 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 358G Action, Will, and Freedom**

3 cr. Undergraduate/Graduate.

The nature of the will, agency, intentional action, and the problem of free will and determinism.

**Prerequisites:** jr st, 3 cr philos; or grad st.**Last Taught:** Fall 2022, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 360 Philosophy of Perception**

3 cr. Undergraduate/Graduate.

Major issues in the philosophy of perception: the nature of sensation, perception and inference, the relationship of perception and belief.

**Prerequisites:** jr st; 3 cr in Philos.**Last Taught:** Fall 2011, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 360G Philosophy of Perception**

3 cr. Undergraduate/Graduate.

Major issues in the philosophy of perception: the nature of sensation, perception and inference, the relationship of perception and belief.

**Prerequisites:** jr st; 3 cr in Philos.**Last Taught:** Fall 2011, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 381 Honors Seminar**

3 cr. Undergraduate.

Intensive study of selected philosophers, movements, or philosophical problems.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.**Course Rules:** May be retaken with change in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Fall 2006, Fall 2005, Spring 2005, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 384 The Philosophy of Law**

3 cr. Undergraduate/Graduate.

The idea of law and its relationship to morality. Issues of legal obligation, rights, responsibility, and punishment.

**Prerequisites:** jr st; 3 cr philos or previous course in political theory or law studies recom.**Course Rules:** Philos 384 & Pol Sci 384 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 384G The Philosophy of Law**

3 cr. Undergraduate/Graduate.

The idea of law and its relationship to morality. Issues of legal obligation, rights, responsibility, and punishment.

**Prerequisites:** jr st; 3 cr philos or previous course in political theory or law studies recom.**Course Rules:** Philos 384 & Pol Sci 384 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 430 Great Thinkers of the Ancient Period**

3 cr. Undergraduate/Graduate.

An examination of, and engagement with, the thought of some of the major philosophers of the ancient period, including the Pre-Socratics, Plato, and Aristotle.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 430G Great Thinkers of the Ancient Period**

3 cr. Undergraduate/Graduate.

An examination of, and engagement with, the thought of some of the major philosophers of the ancient period, including the Pre-Socratics, Plato, and Aristotle.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 431 History of Medieval Philosophy**

3 cr. Undergraduate/Graduate.

Critical and historical examination of writings of medieval philosophers such as Augustine, Anselm, Aquinas, Duns Scotus, Ockham, Al Farabi, Maimonides.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2009, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 431G History of Medieval Philosophy**

3 cr. Undergraduate/Graduate.

Critical and historical examination of writings of medieval philosophers such as Augustine, Anselm, Aquinas, Duns Scotus, Ockham, Al Farabi, Maimonides.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2009, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 432 Great Thinkers of the Modern Period**

3 cr. Undergraduate/Graduate.

An examination of the thought of representative philosophers of the 17th and 18th centuries.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 432G Great Thinkers of the Modern Period**

3 cr. Undergraduate/Graduate.

An examination of the thought of representative philosophers of the 17th and 18th centuries.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 433 Nineteenth-Century Philosophers**

3 cr. Undergraduate/Graduate.

Hegel, Schopenhauer, Marx, Kierkegaard, Nietzsche, and others. The conflict of idealistic, materialistic, and irrationalist philosophies of the nineteenth century and their influence on its social, literary, and religious movements.

**Prerequisites:** jr st & 3 cr in philos.**Last Taught:** Fall 2012, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 433G Nineteenth-Century Philosophers**

3 cr. Undergraduate/Graduate.

Hegel, Schopenhauer, Marx, Kierkegaard, Nietzsche, and others. The conflict of idealistic, materialistic, and irrationalist philosophies of the nineteenth century and their influence on its social, literary, and religious movements.

**Last Taught:** Spring 2022, Spring 2010, Fall 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2021, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2021, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 1988.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 511 Symbolic Logic**

3 cr. Undergraduate/Graduate.

First-order predicate calculus; formal properties of theoretical systems; chief results of modern mathematical logic; advanced topics such as completeness and computability.

**Prerequisites:** junior standing; PHILOS 212(P) or 6 cr of Math at the 300-level or above; or graduate standing.

**Course Rules:** COMPSCI 511, MATH 511 and PHILOS 511 are jointly offered and count as repeat of each other.

**Last Taught:** Spring 2019, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 511G Symbolic Logic**

3 cr. Undergraduate/Graduate.

First-order predicate calculus; formal properties of theoretical systems; chief results of modern mathematical logic; advanced topics such as completeness and computability.

**Prerequisites:** junior standing; PHILOS 212(P) or 6 cr of Math at the 300-level or above; or graduate standing.

**Course Rules:** COMPSCI 511, MATH 511 and PHILOS 511 are jointly offered and count as repeat of each other.

**Last Taught:** Spring 2019, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 516 Language and Meaning**

3 cr. Undergraduate/Graduate.

Philosophical issues of the semantics, syntax and pragmatics of language; relations between philosophy of language and metaphysics, epistemology and philosophy of science.

**Prerequisites:** jr st & Philos 101(P) or 432(P).

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 516G Language and Meaning**

3 cr. Undergraduate/Graduate.

Philosophical issues of the semantics, syntax and pragmatics of language; relations between philosophy of language and metaphysics, epistemology and philosophy of science.

**Prerequisites:** jr st & Philos 101(P) or 432(P).

**Last Taught:** Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 517 Special Problems in the Philosophy of Language and Linguistics:**

3 cr. Undergraduate/Graduate.

In depth study of one or more topics concerning the nature of language; its acquisition, use and formal structures.

**Prerequisites:** jr st; 3 cr in philos.

**Course Rules:** May be retaken w/chg in topic & cons advisor & instr to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 517G Special Problems in the Philosophy of Language and Linguistics:**

3 cr. Undergraduate/Graduate.

In depth study of one or more topics concerning the nature of language; its acquisition, use and formal structures.

**Prerequisites:** jr st; 3 cr in philos.

**Course Rules:** May be retaken w/chg in topic & cons advisor & instr to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 518 Philosophy of History**

3 cr. Undergraduate/Graduate.

The nature of historical knowledge and belief in terms of the justification of historical narration, explanation and prediction.

**Prerequisites:** jr st & 3 cr in philos.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 518G Philosophy of History**

3 cr. Undergraduate/Graduate.

The nature of historical knowledge and belief in terms of the justification of historical narration, explanation and prediction.

**Prerequisites:** jr st & 3 cr in philos.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 519 Special Problems in Metaphysics and Epistemology:**

3 cr. Undergraduate/Graduate.

Intensive study in such topics as perception, skepticism, induction, mathematical knowledge, universals, causality, substance, determinism, possibility.

**Prerequisites:** junior standing and 3 cr PHILOS.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 519G Special Problems in Metaphysics and Epistemology:**

3 cr. Undergraduate/Graduate.

Intensive study in such topics as perception, skepticism, induction, mathematical knowledge, universals, causality, substance, determinism, possibility.

**Prerequisites:** junior standing and 3 cr PHILOS.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 520 Philosophy of the Natural Sciences**

3 cr. Undergraduate/Graduate.

The nature and function of science; the logic of scientific method; clarification of such concepts as cause, law, theory, probability, determinism, and teleology.

**Prerequisites:** jr st & 3 cr in philos.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 520G Philosophy of the Natural Sciences**

3 cr. Undergraduate/Graduate.

The nature and function of science; the logic of scientific method; clarification of such concepts as cause, law, theory, probability, determinism, and teleology.

**Prerequisites:** jr st & 3 cr in philos.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 521 Philosophy of the Social Sciences**

3 cr. Undergraduate/Graduate.

The nature and scope of the social sciences; explanatory, interpretive, and normative concerns in theory construction, their interconnection, and their methodological implications.

**Prerequisites:** jr st & 3 cr in philos.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 521G Philosophy of the Social Sciences**

3 cr. Undergraduate/Graduate.

The nature and scope of the social sciences; explanatory, interpretive, and normative concerns in theory construction, their interconnection, and their methodological implications.

**Prerequisites:** jr st & 3 cr in philos.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 522 Special Topics in the Philosophy of Science:**

3 cr. Undergraduate/Graduate.

Consideration of one or more of the following: logic of theory construction, theoretical entities, measurement, nature of laws, conventionalism, operationalism, and induction.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 522G Special Topics in the Philosophy of Science:**

3 cr. Undergraduate/Graduate.

Consideration of one or more of the following: logic of theory construction, theoretical entities, measurement, nature of laws, conventionalism, operationalism, and induction.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 532 Philosophical Problems:**

3 cr. Undergraduate/Graduate.

Intensive study of one or two particular problems, such as determinism and freedom, ethical relativism, memory, or perception.

**Prerequisites:** junior standing and 3 cr PHILOS.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 532G Philosophical Problems:**

3 cr. Undergraduate/Graduate.

Intensive study of one or two particular problems, such as determinism and freedom, ethical relativism, memory, or perception.

**Prerequisites:** junior standing and 3 cr PHILOS.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 542 Punishment and Responsibility**

3 cr. Undergraduate/Graduate.

Views on the moral permissibility of punishment and other forms of penalization; the foundations of a general theory of moral responsibility.

**Prerequisites:** jr st & 3 cr in philos. Philos 241(R) or social science background recom.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 542G Punishment and Responsibility**

3 cr. Undergraduate/Graduate.

Views on the moral permissibility of punishment and other forms of penalization; the foundations of a general theory of moral responsibility.

**Prerequisites:** jr st & 3 cr in philos. Philos 241(R) or social science background recom.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 551 Aristotle**

3 cr. Undergraduate/Graduate.

Intensive study of one or more of Aristotle's major works or of themes and problems in Aristotle's thought. Particular attention to careful analysis of the texts.

**Prerequisites:** jr st; 3 cr philos; Philos 430(R).

**Last Taught:** Fall 2016, Spring 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 551G Aristotle**

3 cr. Undergraduate/Graduate.

Intensive study of one or more of Aristotle's major works or of themes and problems in Aristotle's thought. Particular attention to careful analysis of the texts.

**Prerequisites:** jr st; 3 cr philos; Philos 430(R).

**Last Taught:** Fall 2016, Spring 1995.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 554 Special Topics in the History of Modern Philosophy:**

3 cr. Undergraduate/Graduate.

Intensive study of a philosopher, movement, or historical problem in modern philosophy, e.g., Spinoza, British empiricists, Locke's influence upon the Enlightenment, overthrow of Hegelian idealism.

**Prerequisites:** junior standing and 3 credits in PHILOS; PHILOS 432(R); or consent of instructor.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 554G Special Topics in the History of Modern Philosophy:**

3 cr. Undergraduate/Graduate.

Intensive study of a philosopher, movement, or historical problem in modern philosophy, e.g., Spinoza, British empiricists, Locke's influence upon the Enlightenment, overthrow of Hegelian idealism.

**Prerequisites:** junior standing and 3 credits in PHILOS; PHILOS 432(R); or consent of instructor.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 555 Recent Philosophy:**

3 cr. Undergraduate/Graduate.

Intensive study of one or more philosophers or philosophical movements of the recent past.

**Prerequisites:** jr st; 3 cr philos.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2005, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 555G Recent Philosophy:**

3 cr. Undergraduate/Graduate.

Intensive study of one or more philosophers or philosophical movements of the recent past.

**Prerequisites:** jr st; 3 cr philos.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Spring 2005, Fall 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 562 Special Topics in Ethics and Social and Political Philosophy:**

3 cr. Undergraduate/Graduate.

Intensive study of issues such as the concept of law, punishment, liberty, civil disobedience, the public good, and the applicability of scientific method to social issues.

**Prerequisites:** junior standing and completion of 3 cr in PHILOS.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 562G Special Topics in Ethics and Social and Political Philosophy:**

3 cr. Undergraduate/Graduate.

Intensive study of issues such as the concept of law, punishment, liberty, civil disobedience, the public good, and the applicability of scientific method to social issues.

**Prerequisites:** junior standing and completion of 3 cr in PHILOS.**Course Rules:** May be retaken with change in topic to 9 cr max.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 681 Seminar in Advanced Topics:**

3 cr. Undergraduate/Graduate.

Seminar on a philosopher, philosophical movement, issue, or problem for majors and graduate students. Research papers required.

**Prerequisites:** senior standing and 12 cr in PHILOS at the 300-level or above; or graduate standing.**Course Rules:** May be retaken with change in topic to 9 cr max. Additional prerequisites announced in the Schedule of Classes each time course is offered.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 681G Seminar in Advanced Topics:**

3 cr. Undergraduate/Graduate.

Seminar on a philosopher, philosophical movement, issue, or problem for majors and graduate students. Research papers required.

**Prerequisites:** senior standing and 12 cr in PHILOS at the 300-level or above; or graduate standing.**Course Rules:** May be retaken with change in topic to 9 cr max. Additional prerequisites announced in the Schedule of Classes each time course is offered.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 685 Senior Capstone Research Seminar:**

3 cr. Undergraduate.

Seminar study of a philosopher, philosophical movement, text, or topic for senior philosophy majors. Research paper and presentation required.

**Prerequisites:** sr st; declared Philos major; or cons instr.**Course Rules:** Satisfies L&S research req. May be retaken w/chg in topic to 6 cr max.**Last Taught:** Fall 2022, Fall 2018, Fall 2017, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 699 Independent Work**

2-3 cr. Undergraduate.

See Advanced Independent Work, undergrad bulletin.

**Prerequisites:** jr st; 3.0 in major or 2.0 overall GPA, consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken w/chg in topic to 9 cr max. Only 6 cr count toward Philos major. No more than 3 cr with any one instr except with writ cons dept.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 712 Fundamentals of Formal Logic**

3 cr. Graduate.

A study of basic aspects of contemporary formal logic.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHILOS 756 Seminar in Major Movements in Philosophical Thought:**

3 cr. Graduate.

Intensive study of school or movement such as continental rationalism, empiricism; existentialism, phenomenology, etc. Specific topic and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** grad st; cons instr.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2017, Fall 2008, Spring 2007, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 758 Seminar in Major Philosophers:**

3 cr. Graduate.

Intensive study of the thought or system, or an important part of the thought or system, of a major figure in philosophy.

**Prerequisites:** graduate standing; consent of instructor.

**Course Rules:** Specific topics and any additional prerequisites announced in schedule of classes each time course is offered. Retakable with change in topic to 9 cr max.

**Last Taught:** Spring 2023, Fall 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 790 Advanced Topics in Philosophy:**

3 cr. Graduate.

Discussion of special advanced topics in Philosophy.

**Prerequisites:** graduate standing; additional prerequisites depending on topic.

**Course Rules:** Retakable with change in topic to 9 cr max. Specific topics may be jointly offered with COMPSCI.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 820 The Teaching of Philosophy**

0 cr. Graduate.

Discussion group with teaching assistants and their supervisor.

**Prerequisites:** Required for all teaching assistants teaching a Philosophy course.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2018, Summer 2017, Fall 2013, Summer 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 903 Seminar in Epistemology:**

2-3 cr. Graduate.

Specific topics and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Retakable with change in topic to 9 cr max.

**Last Taught:** Spring 2021, Fall 2019, Spring 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 911 Seminar in Logic:**

2-3 cr. Graduate.

Specific topics and any additional prerequisites announced in Timetable each time course is offered.

**Prerequisites:** grad st & cons instr.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 920 Seminar in the Philosophy of Science:**

2-3 cr. Graduate.

Specific topics and any additional prerequisites announced in Timetable each time course is offered.

**Prerequisites:** grad st & cons instr.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2019, Spring 2015, Spring 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 941 Seminar in Ethics and Social and Political Philosophy:**

2-3 cr. Graduate.

Specific topics and any additional prerequisites announced in Timetable each time course is offered.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Retakable with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 960 Seminar in Metaphysics:**

2-3 cr. Graduate.

Specific topics and any additional prerequisites announced in Timetable each time course is offered.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Retakable with change in topic to 9 cr max.

**Last Taught:** Spring 2023, Fall 2021, Fall 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 990 Thesis**

3 cr. Graduate.

**Prerequisites:** grad st in option B or in Language & Linguistics concentration; cons major prof & committee.

**Course Rules:** Retakable only once in option B. Not retakable by students in Language & Linguistics concentration.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHILOS 999 Advanced Independent Study**

1-3 cr. Graduate.

**Prerequisites:** grad st & cons dept chair.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Physical Therapy (PT)

**PT 599 Independent Study**

1-3 cr. Undergraduate/Graduate.

Advanced undergraduate study in Physical Therapy.

**Prerequisites:** junior standing or graduate standing; and consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 599G Independent Study**

1-3 cr. Undergraduate/Graduate.

Advanced undergraduate study in Physical Therapy.

**Prerequisites:** junior standing or graduate standing; and consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 700 Introduction to Physical Therapy Practice and Examination Techniques**

3 cr. Graduate.

Students will learn roles, professional behavior expectations, and patient examination techniques.

**Prerequisites:** graduate standing; good standing in DPT program or consent of instructor.

**Course Rules:** Previously KIN 526.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 701 Clinical Foundations of the Physical Therapy Examination**

5 cr. Graduate.

Instruction in the techniques of examining patients/clients.

**Prerequisites:** graduate standing and good standing in DPT program.

**Course Rules:** Previously KIN 541.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 702 Scientific Principles of Interventions**

5 cr. Graduate.

The basic therapeutic interventions used to treat impairments and functional limitations in the different biological systems that lead to movement dysfunction.

**Prerequisites:** graduate standing and good standing in DPT program; graduate level Human Gross Anatomy course with lab; Anatomy/Physiology, Physics, 8 credits each with labs.

**Course Rules:** Previously KIN 640.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 704 Physical Agents**

2 cr. Graduate.

The physiological basis, scientific rationale for, and clinical application of thermal, electrophysiology/electrotherapy and electromagnetic physical agents.

**Prerequisites:** graduate standing; good standing in MSAT or DPT program; or consent of instructor.

**Course Rules:** Previously PRPP 758. ATRAIN 758 and PT 704 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 709 Research Practicum**

2 cr. Graduate.

Development of strategies for evaluating and contributing to the evidence for physical therapy practice. Students will select and critically review evidence, develop, execute and present a case report to inform best practice.

**Prerequisites:** graduate standing and good standing in DPT program; or consent of instructor.

**Course Rules:** Repeatable to 4 cr max. Previously PRPP 709.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 711 Health Promotion/Wellness for Physical Therapy Practice**

2 cr. Graduate.

Explores many aspects of health and wellness.

**Prerequisites:** graduate standing and good standing in DPT program or consent of instructor.

**Course Rules:** Previously KIN 745.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 712 Case-Based Clinical Decision Making**

2 cr. Graduate.

Clinical decision-making in physical therapy including formulation of a diagnosis and plan of care supported by evidence from literature.

**Prerequisites:** graduate standing and admis to DPT program or consent of instructor.

**Course Rules:** Previously KIN 746.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 714 Professionalism and Leadership in Healthcare**

1 cr. Graduate.

Advanced application of professionalism and leadership skills and behaviors with a focus on transition to independent practice.

**Prerequisites:** graduate standing; good standing in MSAT or DPT program; or consent of instructor.

**Course Rules:** Previously PRPP 704. ATRAIN 704 and PT 714 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 716 Clinical Radiology**

1-2 cr. Graduate.

Medical diagnostics emphasizing indications & implications for imaging studies used to augment information obtained from the physical therapy examination.

**Prerequisites:** graduate standing and admis to DPT program; or consent of instructor.

**Course Rules:** Previously KIN 718.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 720 Human Gross Anatomy**

6 cr. Graduate.

A comprehensive consideration of the human anatomy including both neuro-musculoskeletal components and internal organ systems.

**Prerequisites:** graduate standing and good standing in DPT program or consent of instructor.

**Course Rules:** Previously KIN 525.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 721 Medical Physiology**

3 cr. Graduate.

Physiological principles related to rehabilitation in physical therapy practice setting and interaction of physiological systems during normal activities and after injury or disease.

**Prerequisites:** graduate standing and good standing in DPT program or consent of instructor.

**Course Rules:** Previously PRPP 721.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 722 Medical Physiology II**

3 cr. Graduate.

Pathologies and pharmacologic agents related to rehabilitation in physical therapy practice and/or athletic training setting.

**Prerequisites:** graduate standing; good standing in MSAT or DPT program; or consent of instructor.

**Course Rules:** Previously PRPP 753. ATRAIN 753 and PT 722 are jointly offered and count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 723 Physiological Regulation in Exertion & Disease**

3 cr. Graduate.

Overview of the physiological basis of activity.

**Prerequisites:** graduate standing and good standing in DPT program or consent of instructor.

**Course Rules:** ATRAIN 723 and PT 723 are jointly offered and count as repeats of one another. Previously PRPP 736.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 731 Professional Development 1**

1 cr. Graduate.

Introduction to clinical education including professionalism, compliance, assessment, and interprofessional education.

**Prerequisites:** graduate standing and in good standing in DPT program; or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 732 Professional Development 2**

2 cr. Graduate.

Introduction to ethical theory and morality with application to healthcare professions, and inter-professional practice.

**Prerequisites:** graduate standing and in good standing in DPT program; or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 733 Professional Development 3**

2 cr. Graduate.

Advanced application of professionalism and leadership skills and behaviors with a focus on transition to independent practice.

**Prerequisites:** graduate standing and in good standing in DPT program; or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 734 Professional Development 4**

1 cr. Graduate.

Advanced application of professionalism and leadership skills and behaviors with a focus on transition to independent practice.

**Prerequisites:** graduate standing and in good standing in DPT program; or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 735 Advanced Clinical Reasoning**

4 cr. Graduate.

A systems overview of considerations necessary to complete a comprehensive physical therapy evaluation including the ability to recognize patient health risk factors, detect atypical symptoms and signs, and effectively utilize review of systems.

**Prerequisites:** graduate standing and in good standing in DPT program; or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 740 Kinesiology & Biomechanics of Normal & Abnormal Movement**

4 cr. Graduate.

Principles & theories of the biomechanics of human motion presented to develop analytical skills to assess normal & abnormal movement.

**Prerequisites:** graduate standing and DPT student in good standing; graduate level Human Gross Anatomy with lab and 8 credits of undergraduate Physics.

**Course Rules:** Previously KIN 527.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 750 Functional Neuroanatomy**

3 cr. Graduate.

The anatomical basis of neuroscience in physical therapy.

**Prerequisites:** graduate standing and good standing in DPT program or consent of instructor.

**Course Rules:** Previously KIN 566.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 751 Motor Behavior**

3 cr. Graduate.

The theoretical and research evidence basis for normal and disordered movement via motor control, motor learning, and motor development literature.

**Prerequisites:** graduate standing, good standing in DPT program, and a graduate level Neuroanatomy course; or graduate standing and consent of instructor.

**Course Rules:** Previously PRPP 764.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 760 Foundations of Interprofessional Practice**

1 cr. Graduate.

Introductory knowledge of interprofessional teamwork of health care professionals within the health care system.

**Prerequisites:** graduate standing; good standing in MSAT or DPT program; or consent of instructor.

**Course Rules:** Previously PRPP 703. ATRAIN 703 and PT 760 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 788 PT Independent Learning**

1-6 cr. Graduate.

Supervised learning and investigation leading to professional development as a physical therapist either not covered by other physical therapy courses.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 6 cr max. Satisfactory/Unsatisfactory only.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 798 Independent Project**

1-6 cr. Graduate.

Student research not covered by other physical therapy courses in consultation with and supervision by a DPT faculty member.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 12 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 799 Independent Reading**

1-3 cr. Graduate.

Independent study of a topic selected by the student in consultation with the supervising DPT faculty member.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 9 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 820 Cardiopulmonary Evaluation & Treatment**

3 cr. Graduate.

The normal and abnormal structure and function of the cardiovascular, pulmonary and lymphatic systems with emphasis on medical and other therapeutic strategies.

**Prerequisites:** graduate standing and good standing in DPT program or consent of instructor.

**Course Rules:** Previously KIN 641.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 821 Integument System**

2 cr. Graduate.

Exploration of factors predisposing skin to breakdown; preventative measures, specific examination, and intervention techniques utilized in treating burns, wounds, and amputations.

**Prerequisites:** graduate standing and admis to DPT program or consent of instructor.

**Course Rules:** Previously KIN 643.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 840 Musculoskeletal System: Lower Extremities**

3 cr. Graduate.

Orthopedic physical therapy evaluation and treatment aspects of lower extremity musculoskeletal problems involving skeletal, connective tissue and muscular components.

**Prerequisites:** graduate standing and admis to DPT program or consent of instructor.

**Course Rules:** Previously KIN 741.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 841 Musculoskeletal: Upper Extremities**

3 cr. Graduate.

Orthopedic physical therapy evaluation and treatment aspects of upper extremity musculoskeletal problems involving skeletal, connective tissue and muscular components.

**Prerequisites:** graduate standing and admis to DPT program or consent of instructor.

**Course Rules:** Previously KIN 742.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 842 Musculoskeletal: Spine**

3 cr. Graduate.

Evaluation and treatment techniques for spinal dysfunction and injury including mechanical assessment, postural training, therapeutic exercise, manual therapy, and modalities.

**Prerequisites:** graduate standing and admis to DPT program or consent of instructor.

**Course Rules:** Previously KIN 740.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 850 Neuromuscular: Adult**

4 cr. Graduate.

Application of motor control and learning, neuroanatomy, and neurophysiology to physical therapy examination and treatment of adults with neurological diagnosis.

**Prerequisites:** graduate standing and admis to DPT program or consent of instructor.

**Course Rules:** Previously KIN 765.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 852 Neuromuscular: Pediatric**

4 cr. Graduate.

Pediatric onset diagnosis, related examination, interventions, clinical management, and legislation impacting pediatric physical therapy practice.

**Prerequisites:** graduate standing and admis to DPT program or consent of instructor.

**Course Rules:** Previously KIN 766.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 880 Clinical Fieldwork I**

1 cr. Graduate.

The student will be assigned to a clinically based learning experience with an emphasis on practicing recently learned clinical skills on a patient population.

**Prerequisites:** graduate standing and good standing in DPT program or consent of instructor.

**Course Rules:** Previously KIN 680.

**Last Taught:** UWinteriM 2024, UWinteriM 2023, UWinteriM 2022, UWinteriM 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 881 Fieldwork II: Basic Skills Experience**

2 cr. Graduate.

Clinically based learning experience focusing on patient evaluation and treatment skills while fostering professional behavior through clinical mentorship.

**Prerequisites:** graduate standing and admis to DPT program; PT 880(P); or consent of instructor.

**Course Rules:** Previously KIN 681.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PT 900 Teaching, Learning and Educational Leadership in the Health Sciences**

3 cr. Graduate.

Overview of higher education in the health sciences and the responsibilities of the professoriate in fulfilling the missions of research, teaching, and service.

**Prerequisites:** graduate standing.**Course Rules:** ATRAIN 900, OCCTHPY 900, PRPP 900, and PT 900 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PT 901 Seminar in Physical Therapy**

1-3 cr. Graduate.

Scholarly discussion forum for graduate students, moderated by program faculty

**Prerequisites:** graduate standing.**Course Rules:** Repeatable to 9 cr max.**Last Taught:** Summer 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PT 909 Guided Teaching Experience in Health Sciences**

3 cr. Graduate.

This course provides the student, under the supervision of a faculty member, with the opportunity to design, deliver, and evaluate an undergraduate course.

**Prerequisites:** graduate standing, one of the following: ATRAIN 900(P), OCCTHPY 900(P), PRPP 900(P), or PT 900(P), and consent of instructor.**Course Rules:** Satisfactory/Unsatisfactory only. ATRAIN 909, BMS 909, COMSDIS 909, HCA 909, KIN 909, OCCTHPY 909, PT 909, and PRPP 909 are jointly offered and count as repeats of one another.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PT 980 PT Clinical Internship I**

8 cr. Graduate.

The Doctor of Physical Therapy student will be assigned to a clinical facility for internship practice.

**Prerequisites:** graduate standing and DPT student in good standing.**Course Rules:** Previously KIN 880.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PT 981 PT Clinical Internship II**

8 cr. Graduate.

The Doctor of Physical Therapy student will be assigned to a clinical facility for internship practice.

**Prerequisites:** graduate standing and DPT student in good standing.**Course Rules:** Previously KIN 881.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PT 982 PT Clinical Internship III**

8 cr. Graduate.

The Doctor of Physical Therapy student will be assigned to a clinical facility for internship practice.

**Prerequisites:** graduate standing, PT 981(P), and DPT student in good standing.**Course Rules:** Previously KIN 882.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PT 988 Professional Physical Therapy Credential Preparation**

1 cr. Graduate.

Guidance in preparing for the Federation of State Boards of Physical Therapy licensing exam.

**Prerequisites:** DPT student in good standing or graduate standing and consent of instructor.**Course Rules:** Previously KIN 889. Course is offered in a distance learning format.**Last Taught:** Spring 2019, Spring 2018, Spring 2017, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PT 990 Research and Dissertation**

1-12 cr. Graduate.

Production of a dissertation under the supervision of the student's major professor with the consultation of the degree committee.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Repeatable to 18 cr max. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PT 999 Advanced Independent Study**

1-6 cr. Graduate.

Supervised investigation of particular topic area either not covered by other physical therapy courses or at a level of sophistication beyond that in a course.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Repeatable to 9 cr max.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Physics (PHYSICS)

**PHYSICS 100 Quantitative Preparation for Physics**

2 cr. Undergraduate.

Introductory course in general physics designed for the student with little or no previous science training.

**Prerequisites:** Math Placement Level 10.**Course Rules:** Fee for 3 cr assessed. Not open to students w/cr in Physics 110(ER), 120(ER), or 209(ER).**Last Taught:** Fall 2019, Spring 2015, Fall 2014, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 107 Physics in Everyday Life**

3 cr. Undergraduate.

Selected topics for citizens in a technological world. Emphasis on those aspects of science important to an understanding of our surroundings.

For non-science majors.

**Prerequisites:** Math Placement Level 10 or consent of instructor.**Course Rules:** May not be taken conc with or after having taken PHYSICS 120(ER) or PHYSICS 209(ER).**General Education Requirements:** NS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 108 Laboratory for Physics in Everyday Life**

1 cr. Undergraduate.

Experiments correlated with Physics 107.

**Prerequisites:** Physics 107(C).**General Education Requirements:** NS+**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 110 Physics for the Health Professions**

4 cr. Undergraduate.

An introductory course without laboratory for students in health-related pre-professional programs. Topics include mechanics, fluids, heat, sound, electricity, magnetism, electrical devices, optics, and radioactivity. 3 hrs lec, 1 hr dis.

**Prerequisites:** H.S. general science; Math Placement Level 20.

**Course Rules:** May not be taken conc with or after having taken Physics 120(ER) or 209(ER).

**General Education Requirements:** NS

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 120 General Physics I (Non-Calculus Treatment)**

4 cr. Undergraduate.

Mechanics, wave motion, heat, and sound. 3 hrs lec, 2 hrs dis.

**Prerequisites:** Math Placement Level 30 or grade of C or better in Physics 100(P); HS trig or Physics 100 strongly recom.

**Course Rules:** Any combination of Physics 120, 121, 209, 214, 219 carries max 5 cr toward graduation.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 121 General Physics Laboratory I (Non-Calculus Treatment)**

1 cr. Undergraduate.

Experiments correlated with lecture material of Physics 120.

**Prerequisites:** Physics 120(C).

**Course Rules:** Any combination of Physics 120, 121, 209, 214, 219 carries max 5 cr toward graduation.

**General Education Requirements:** NS+

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 122 General Physics II (Non-Calculus Treatment)**

4 cr. Undergraduate.

Electricity, optics, modern physics. 3 hrs lec, 2 hrs dis.

**Prerequisites:** Physics 120(NP).

**Course Rules:** Any combination of Physics 122, 123, 210, 215, 220 carries 5 cr max toward graduation.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 123 General Physics Laboratory II (Non-Calculus Treatment)**

1 cr. Undergraduate.

Experiments on topics related to the lecture material of Physics 122.

**Prerequisites:** Physics 122(C).

**Course Rules:** Any combination of Physics 122, 123, 210, 215, 220 carries 5 cr max toward graduation.

**General Education Requirements:** NS+

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 185 Basic Physics for Teachers**

3 cr. Undergraduate.

Simple machines; work, energy and power; heating and cooling; static electricity and elementary electrical circuits; waves. 2 hrs lec; 2 hrs lab/dis.

**Prerequisites:** Math 175(P) & cons instr.

**Course Rules:** Not open for cr to students with cr in Physics courses numbered 110 or above.

**General Education Requirements:** NS+

**Last Taught:** Spring 2014, Spring 2013, Spring 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 194 First-Year Seminar.**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** NS

**Last Taught:** Fall 2021, Fall 2019, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Spring 2016, Spring 2008, Fall 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 209 Physics I (Calculus Treatment)**

4 cr. Undergraduate.

Selected topics in mechanics, wave motion, sound, and heat. 3 hrs lec, 2 hrs dis.

**Prerequisites:** Math 227(C), 228(C), or 232(C).

**Course Rules:** Any combination of Physics 120, 121, 209, 214, 219 carries max 5 cr toward graduation.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 210 Physics II (Calculus Treatment)**

4 cr. Undergraduate.

Continuation of Physics 209. Electromagnetic field theory and optics. 3 hrs lec, 2 hrs dis.

**Prerequisites:** grade of C- or better in Physics 209(NP); Math 229(C) or 233(C).

**Course Rules:** Any combination of Physics 122, 123, 210, 215, 220 carries max 5 cr toward graduation.

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 214 Lab Physics I (Calculus Treatment)**

1 cr. Undergraduate.

Experiments in mechanics, wave motion, heat, and thermodynamics. 3 hrs lab.

**Prerequisites:** Physics 209(C).

**Course Rules:** Any combination of Physics 120, 121, 209, 214, 219 carries 5 cr max toward graduation.

**General Education Requirements:** NS+

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 215 Lab Physics II (Calculus Treatment)**

1 cr. Undergraduate.

Experiments in electricity, magnetism, and optics. 3 hrs lec.

**Prerequisites:** Physics 210(C).

**Course Rules:** Any combination of Physics 122, 123, 210, 215, 220 carries 5 cr max toward graduation.

**General Education Requirements:** NS+

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 219 Physics I: Calculus-Based, Studio Format**

5 cr. Undergraduate.

Basic kinematics; Newton. Selected topics in mechanics, wave motion, sound, and heat. 8 hrs lec/lab.

**Prerequisites:** Math 227(C), 228(C), or 232(C).

**Course Rules:** Not open to students w/cr in Physics 209. Any combination of Physics 120, 121, 209, 214, 219 carries max 5 cr toward graduation.

**General Education Requirements:** NS+

**Last Taught:** Fall 2018, Fall 2017, Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 220 Physics II: Calculus-Based, Studio Format**

5 cr. Undergraduate.

Electromagnetic field theory and optics.

**Prerequisites:** grade of C or better in Physics 219(NP); Math 229(C) or 233(C).

**Course Rules:** Not open to students w/cr in Physics 210. Any combination of Physics 122, 123, 210, 215, 220 carries max 5 cr toward graduation.

**General Education Requirements:** NS+

**Last Taught:** Spring 2018, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 265 Physics and the Energy Problem**

3 cr. Undergraduate.

Study of how the laws of physics (particularly 1st and 2nd Laws of Thermodynamics) limit society's options in dealing with scarcity of utilizable energy.

**Prerequisites:** H.S. algebra; Physics 107(P), 110(P), 120(P), or 209(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 270 Introduction to Computational Physics**

3 cr. Undergraduate.

Use of computers to solve physics problems, including particle collisions, chaotic systems, planetary motion, and other topics related to relativity and quantum mechanics.

**Prerequisites:** Physics 209(P); Math 233(C).

**Last Taught:** Spring 2008, Fall 2006, Fall 2005, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 289 Internship in Physics, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of physics in a research, business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in physics; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance into UROP; prior or conc reg in UROP seminar.

**Course Rules:** One cr for 45 hrs research. May be retaken to 9 cr max in any combination of UROP apprenticeship courses.

**Last Taught:** Spring 2022, Spring 2018, Spring 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2015, Summer 2011, Spring 2010, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2022, Fall 1994, Fall 1991, Spring 1991.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 305 Medical Physics**

3 cr. Undergraduate.

Applications of physics to living systems & medical diagnostics. 3 hrs lec.

**Prerequisites:** grade of B+ or better in Physics 209(P). (Conc reg in Physics 210 strongly recom).

**Course Rules:** Primarily for premed students and others in the medical & biological sciences. Approved for Premed Stds Cert Prog.

**Last Taught:** Spring 2011, Fall 2004, Spring 2003, Spring 2002.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 306 Introduction to Biophysics**

3 cr. Undergraduate.

Physical foundations of cellular phenomena; physical laws of complex biological systems; imaging and instrumentation for biophysics. 3 hrs lec.

**Prerequisites:** Physics 122(P) or 210(P); Chemistry 104(P) or 105(P).

**Course Rules:** Approved for Premed Stds Cert Prog.

**Last Taught:** Spring 2022, Spring 2020, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 309 Physics III: Modern Physics**

3 cr. Undergraduate.

Elementary quantum physics, atomic and molecular physics, solid state and nuclear physics.

**Prerequisites:** jr st; B- or better in either PHYSICS 210(NP) or PHYSICS 220(NP); B- or better in MATH 233; MATH 234(C) or ELECENG 234(C); or consent of instructor.**Course Rules:** Not open for cr to students who have cr in PHYSICS 341.**General Education Requirements:** QL B**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 317 Thermodynamics**

3 cr. Undergraduate.

Classical thermodynamics, including entropy, the use of thermodynamic potentials, and applications to pressure-volume and other systems. Some basic statistical physics may be included.

**Prerequisites:** Physics 210(NP).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 325 Optics**

4 cr. Undergraduate.

Geometric and physical optics, image formation, interference, diffraction, polarization, optical instruments, resolving power, coherence, lasers, holography. Selected experiments in optics. Studio-format course.

**Prerequisites:** Math 234(P) & Physics 309(C) or cons instr.**Course Rules:** Counts as repeat of Physics 325 & 2 cr of Physics 410.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 351 Basics of Condensed Matter Physics**

3 cr. Undergraduate.

Basic principles of condensed-matter physics. Crystals and amorphous materials; bonding; magnetic, thermal, and transport properties; band theory.

**Prerequisites:** Physics 309(P) or Chem 311(P).**Course Rules:** Counts as repeat of Physics 499 w/same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 370 Analytical and Numerical Methods in Physics**

3 cr. Undergraduate.

Solutions to various physics problems. Applications (both analytical and numerical) from mechanics, electrodynamics, quantum mechanics, astrophysics, condensed matter physics.

**Prerequisites:** B- or better in either Physics 210(NP) or Physics 220(NP); B- or better in Math 233(P); Math 234(C) or ElecEng 234(C); or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 381 Honors Seminar**

3 cr. Undergraduate.

Selected topics concerning history and the nature of physics as an intellectual discipline.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.**Course Rules:** May be retaken with change in topic to 9 cr max. No cr toward major.**General Education Requirements:** NS**Last Taught:** Fall 2017, Fall 2016, Fall 2013, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 391 Undergraduate Research Participation**

1-6 cr. Undergraduate.

Independent research for undergraduates on faculty-supervised research projects.

**Prerequisites:** Physics 309(P)); 3.25 GPA in physics courses; cons instr.**Course Rules:** May be retaken w/chg in topic to 6 cr max; non-repeatable for change of grade.**Last Taught:** Fall 2023, Spring 2022, Summer 2020, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 406 Introduction to Infrared Microspectroscopy**

3 cr. Undergraduate.

Microscopy and spectroscopy methods for identification of chemical composition introducing interdisciplinary opportunities in fundamental and industrial applications.

**Prerequisites:** Bio Sci 150(P) & 152(P); or Physics 209(P) & 210(P); or Chem 102(P) & 104(P); or Chem 105(P).**Last Taught:** Spring 2017, Spring 2016, Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 408 Experiments in Linear Electronics**

3 cr. Undergraduate/Graduate.

Transistor and integrated circuit characteristics; electronic measurement and control.

**Prerequisites:** jr st; Physics 210(P).**Course Rules:** No cr for students w/cr in ElecEng 330(R).**Last Taught:** Fall 2020, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 408G Experiments in Linear Electronics**

3 cr. Undergraduate/Graduate.

Transistor and integrated circuit characteristics; electronic measurement and control.

**Prerequisites:** jr st; Physics 210(P).**Course Rules:** No cr for students w/cr in ElecEng 330(R).**Last Taught:** Fall 2020, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 409 Modern Physics Laboratory**

3 cr. Undergraduate.

Selected experiments in modern physics using advanced lab instrumentation.

**Prerequisites:** jr st; Physics 309(P) or cons instr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 411 Mechanics**

4 cr. Undergraduate/Graduate.

Kinematics, vector analysis, conservation laws, oscillations, variational methods, chaos, Lagrangian and Hamiltonian mechanics.

**Prerequisites:** jr st; Physics 210(NP).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 411G Mechanics**

4 cr. Undergraduate/Graduate.

Kinematics, vector analysis, conservation laws, oscillations, variational methods, chaos, Lagrangian and Hamiltonian mechanics.

**Prerequisites:** jr st; Physics 210(NP).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 420 Electricity and Magnetism I**

3 cr. Undergraduate/Graduate.

Electrostatics, capacitance, boundary value problems, multipole expansion, dielectrics, magnetostatics, vector potential, magnetic properties of matter, motional emf, inductance, Maxwell's equations in differential form.

**Prerequisites:** junior standing, PHYSICS 210(NP), and a grade of B- or better in MATH 325(P); or MATH 325(P) and a grade of B- or better in PHYSICS 370(P); or graduate standing.

**Course Rules:** Counts as repeat of 2 cr of PHYSICS 421.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 420G Electricity and Magnetism I**

3 cr. Undergraduate/Graduate.

Electrostatics, capacitance, boundary value problems, multipole expansion, dielectrics, magnetostatics, vector potential, magnetic properties of matter, motional emf, inductance, Maxwell's equations in differential form.

**Prerequisites:** junior standing, PHYSICS 210(NP), and a grade of B- or better in MATH 325(P); or MATH 325(P) and a grade of B- or better in PHYSICS 370(P); or graduate standing.

**Course Rules:** Counts as repeat of 2 cr of PHYSICS 421.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 422 Electricity and Magnetism II**

3 cr. Undergraduate/Graduate.

Conservation laws in electrodynamics, Maxwell's stress tensor, electromagnetic waves, absorption, dispersion, reflection and transmission of plane electromagnetic waves, wave guides, retarded potentials, radiation, electrodynamics and relativity.

**Prerequisites:** jr st, C or better in PHYSICS 420(P); or grad st.

**Course Rules:** Counts as repeat of 2 cr of PHYSICS 421.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 422G Electricity and Magnetism II**

3 cr. Undergraduate/Graduate.

Conservation laws in electrodynamics, Maxwell's stress tensor, electromagnetic waves, absorption, dispersion, reflection and transmission of plane electromagnetic waves, wave guides, retarded potentials, radiation, electrodynamics and relativity.

**Prerequisites:** jr st, C or better in PHYSICS 420(P); or grad st.

**Course Rules:** Counts as repeat of 2 cr of PHYSICS 421.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 441 Introduction to Quantum Mechanics I**

4 cr. Undergraduate/Graduate.

Historical background and experimental basis, De Broglie waves, correspondence principle, uncertainty principle, Schroedinger equation; hydrogen atom, electron spin, Pauli Principle, applications of wave mechanics.

**Prerequisites:** junior standing, PHYSICS 309(NP), and MATH 325(C); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 441G Introduction to Quantum Mechanics I**

4 cr. Undergraduate/Graduate.

Historical background and experimental basis, De Broglie waves, correspondence principle, uncertainty principle, Schroedinger equation; hydrogen atom, electron spin, Pauli Principle, applications of wave mechanics.

**Prerequisites:** junior standing, PHYSICS 309(NP), and MATH 325(C); or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 442 Introduction to Quantum Mechanics II**

3 cr. Undergraduate/Graduate.

Continuation of PHYSICS 441, emphasizing perturbation theory and applications to multi-electron systems, including atoms, molecules, and solids.

**Prerequisites:** jr st; C or better in PHYSICS 441(NP); or grad st.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 442G Introduction to Quantum Mechanics II**

3 cr. Undergraduate/Graduate.

Continuation of PHYSICS 441, emphasizing perturbation theory and applications to multi-electron systems, including atoms, molecules, and solids.

**Prerequisites:** jr st; C or better in PHYSICS 441(NP); or grad st.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 489 Internship in Physics, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of physics in a research, business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Physics; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2014, Spring 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2014, Spring 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 498 Undergraduate Physics Seminar**

1 cr. Undergraduate.

Talks by faculty, visitors, and students on topics of current interest in physics, astronomy, and other science and engineering fields.

**Prerequisites:** sr st; Physics 411(C), 421(C), or 441(C).**Course Rules:** Cr/no cr only.**Last Taught:** Fall 2010, Spring 2010, Fall 2009, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2013, Spring 2011, Spring 2007, Spring 2004.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 501 Special Topics: Mathematical Models of Physical Problems I**

3 cr. Undergraduate/Graduate.

Selected topics in mathematics for study of the techniques and procedures for stating physical problems in mathematical terms and the physical interpretation of mathematical solutions.

**Prerequisites:** jr st; Physics 210(P); Math 234(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 501G Special Topics: Mathematical Models of Physical Problems I**

3 cr. Undergraduate/Graduate.

Selected topics in mathematics for study of the techniques and procedures for stating physical problems in mathematical terms and the physical interpretation of mathematical solutions.

**Prerequisites:** jr st; Physics 210(P); Math 234(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 502 Special Topics: Mathematical Models of Physical Problems II**

3 cr. Undergraduate/Graduate.

More selected topics in mathematical models.

**Prerequisites:** jr st; Physics 210(P); Math 234(P). Physics 501(R).**Last Taught:** Spring 2007, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 502G Special Topics: Mathematical Models of Physical Problems II**

3 cr. Undergraduate/Graduate.

More selected topics in mathematical models.

**Prerequisites:** jr st; Physics 210(P); Math 234(P). Physics 501(R).**Last Taught:** Spring 2007, Spring 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 515 Statistical Mechanics**

3 cr. Undergraduate/Graduate.

Brief survey of thermodynamics; statistical mechanics; classical and quantum gases.

**Prerequisites:** jr st; Physics 317(P) & 441(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 515G Statistical Mechanics**

3 cr. Undergraduate/Graduate.

Brief survey of thermodynamics; statistical mechanics; classical and quantum gases.

**Prerequisites:** jr st; Physics 317(P) & 441(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 517 Special Relativity**

3 cr. Undergraduate/Graduate.

Relativistic kinematics, the Lorentz transformation, tensor calculus, applications to motion of particles, electromagnetism.

**Prerequisites:** jr st; Physics 411(R) & 421(R).**Last Taught:** Fall 2017, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 517G Special Relativity**

3 cr. Undergraduate/Graduate.

Relativistic kinematics, the Lorentz transformation, tensor calculus, applications to motion of particles, electromagnetism.

**Prerequisites:** jr st; Physics 411(R) & 421(R).**Last Taught:** Fall 2017, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 531 Principles of Quantum Mechanics I**

3 cr. Undergraduate/Graduate.

Vector and Hilbert spaces; Schroedinger equation in 1, 2, and 3 dimensions; systems of many particles; symmetries; angular momentum.

**Prerequisites:** jr st; Physics 441(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 531G Principles of Quantum Mechanics I**

3 cr. Undergraduate/Graduate.

Vector and Hilbert spaces; Schroedinger equation in 1, 2, and 3 dimensions; systems of many particles; symmetries; angular momentum.

**Prerequisites:** jr st; Physics 441(P).**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 532 Principles of Quantum Mechanics II**

3 cr. Undergraduate/Graduate.

Continuation of 531. Spin; hydrogen atom; variational methods; WKB approximation; perturbation theory; scattering theory; Dirac equation.

**Prerequisites:** jr st; Physics 531(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 532G Principles of Quantum Mechanics II**

3 cr. Undergraduate/Graduate.

Continuation of 531. Spin; hydrogen atom; variational methods; WKB approximation; perturbation theory; scattering theory; Dirac equation.

**Prerequisites:** jr st; Physics 531(P).**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 541 Elementary Particles**

3 cr. Undergraduate/Graduate.

Accelerators and detectors; special unitary groups; quark model of hadrons; Feynman diagrams; electromagnetic, weak and strong interactions of quarks and leptons; Higgs boson.

**Prerequisites:** jr st; Physics 441(P).**Last Taught:** Fall 2011, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 541G Elementary Particles**

3 cr. Undergraduate/Graduate.

Accelerators and detectors; special unitary groups; quark model of hadrons; Feynman diagrams; electromagnetic, weak and strong interactions of quarks and leptons; Higgs boson.

**Prerequisites:** jr st; Physics 441(P).**Last Taught:** Fall 2011, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 551 Introduction to Solid State Physics I**

3 cr. Undergraduate/Graduate.

Crystal structure, reciprocal lattice; crystal binding; elastic waves; phonons, lattice vibrations; thermal properties of insulators; free electron Fermi gas. Band structure; semiconductor crystals; Fermi surface.

**Prerequisites:** jr st; Physics 441(P) or cons instr.**Last Taught:** Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 551G Introduction to Solid State Physics I**

3 cr. Undergraduate/Graduate.

Crystal structure, reciprocal lattice; crystal binding; elastic waves; phonons, lattice vibrations; thermal properties of insulators; free electron Fermi gas. Band structure; semiconductor crystals; Fermi surface.

**Prerequisites:** jr st; Physics 441(P) or cons instr.**Last Taught:** Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 575 Vacuum Science and Technology**

3 cr. Undergraduate/Graduate.

Viscous and molecular flow, vacuum materials and seals, metal-to-ceramic seals, evaporation and vapor pressures, vacuum pumps, vacuum gauges, mass spectrographs, chemical reactions at surfaces, outgassing.

**Prerequisites:** jr st; Physics 441(P).**Last Taught:** Spring 2011, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 575G Vacuum Science and Technology**

3 cr. Undergraduate/Graduate.

Viscous and molecular flow, vacuum materials and seals, metal-to-ceramic seals, evaporation and vapor pressures, vacuum pumps, vacuum gauges, mass spectrographs, chemical reactions at surfaces, outgassing.

**Prerequisites:** jr st; Physics 441(P).**Last Taught:** Spring 2011, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 606 Molecular, Cellular, and System Biophysics**

3 cr. Undergraduate.

Cell structure and the molecular basis of life. Molecular and cellular interactions. Supracellular organization, signaling, and communication. Selfsimilarity and cooperativity.

**Prerequisites:** jr st, Physics 210(P), & writ cons instr; or grad st.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 610 The Art and Science of Teaching Physics**

1 cr. Undergraduate/Graduate.

Participants critique lectures, videotapes of experienced teachers, each other; address conceptual problems facing beginning students; gain familiarity with demonstrations, classroom technology; discuss their own classes.

**Prerequisites:** appt as undergrad TA or grad st.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 610G The Art and Science of Teaching Physics**

1 cr. Undergraduate/Graduate.

Participants critique lectures, videotapes of experienced teachers, each other; address conceptual problems facing beginning students; gain familiarity with demonstrations, classroom technology; discuss their own classes.

**Prerequisites:** appt as undergrad TA or grad st.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 651 Introduction to Solid State Physics II**

3 cr. Undergraduate/Graduate.

Transport, superconductivity, dielectric properties, ferroelectric crystals, magnetism, magnetic resonance, optical phenomena in insulators, nanostructures, non-crystalline solids, point defects, alloys, dislocations.

**Prerequisites:** jr st; Physics 551(P).**Last Taught:** Fall 2021, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 651G Introduction to Solid State Physics II**

3 cr. Undergraduate/Graduate.

Transport, superconductivity, dielectric properties, ferroelectric crystals, magnetism, magnetic resonance, optical phenomena in insulators, nanostructures, non-crystalline solids, point defects, alloys, dislocations.

**Prerequisites:** jr st; Physics 551(P).**Last Taught:** Fall 2021, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 670 Electron Microscopy Laboratory**

3 cr. Undergraduate/Graduate.

Diffraction, imaging, and spectroscopy methods for study of morphology, crystallinity, and composition of solids in a transmission electron microscope.

**Prerequisites:** sr st; Physics 551(P) or cons instr.**Last Taught:** Fall 2012, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 670G Electron Microscopy Laboratory**

3 cr. Undergraduate/Graduate.

Diffraction, imaging, and spectroscopy methods for study of morphology, crystallinity, and composition of solids in a transmission electron microscope.

**Prerequisites:** sr st; Physics 551(P) or cons instr.**Last Taught:** Fall 2012, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 698 Research Experience for Teachers**

1-6 cr. Undergraduate/Graduate.

Enrichment of students' physics background. Work with faculty mentor to develop an innovative teaching program for use in students' own classroom.

**Prerequisites:** sr st; current teaching contract.**Course Rules:** Open only to practicing science teachers with demonstrable expertise in physics. May be retaken to 9 cr max.**Last Taught:** Summer 2010, Summer 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 698G Research Experience for Teachers**

1-6 cr. Undergraduate/Graduate.

Enrichment of students' physics background. Work with faculty mentor to develop an innovative teaching program for use in students' own classroom.

**Prerequisites:** sr st; current teaching contract.**Course Rules:** Open only to practicing science teachers with demonstrable expertise in physics. May be retaken to 9 cr max.**Last Taught:** Summer 2010, Summer 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 699 Advanced Independent Reading**

1-3 cr. Undergraduate.

Independent reading or research under supervision of faculty member. Study proposal required. For further information, consult dept chair or undergrad advising coord.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Summer 2018, Fall 2016, Summer 2015, Fall 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 705 Molecular, Cellular, and System Biophysics**

3 cr. Graduate.

Cell structure and the molecular basis for life. Molecular and cellular interactions. Supracellular organization, signalling, and communication. Self-similarity and cooperativity.

**Prerequisites:** grad st**Last Taught:** Spring 2022, Spring 2020, Fall 2017, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 706 Biophotonics**

3 cr. Graduate.

Biophotonics and bioimaging; overview of application of optics in biology and medicine based on the understanding of basic optics, spectroscopy, and imaging theory.

**Prerequisites:** grad st**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 707 Structural Molecular Biophysics**

3 cr. Graduate.

Methods in molecular biophysics.

**Prerequisites:** grad st; major in science-based discipline & Physics 210(P), or writ cons instr.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 711 Theoretical Physics-Dynamics**

3 cr. Graduate.

Lagrange equations, canonical formulation, principle of least action, normal coordinates, rigid bodies, special relativity, mathematical methods.

**Prerequisites:** grad st; Math 321(C) or 322(C); or 701(C) or 702(C).**Last Taught:** Spring 2023, Spring 2021, Fall 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 716 Advanced Topics in Statistical Physics**

3 cr. Graduate.

Systems of interacting particles; critical phenomena; transport theory; irreversible processes and fluctuations; model calculations for interacting systems of particles.

**Prerequisites:** grad st; Physics 515(P), 532(P).**Last Taught:** Spring 2016, Spring 2010, Spring 2008, Fall 1999.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 717 Gravitation**

3 cr. Graduate.

General theory of relativity. Metric, covariant derivative, and curvature. Einstein field equations. Newtonian and weak-field limits. Gravitational waves. Experimental tests. Black holes and relativistic stars.

**Prerequisites:** grad st; Physics 517(P).**Last Taught:** Fall 2023, Fall 2020, Spring 2018, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 718 White Dwarfs, Neutron Stars, and Black Holes**

3 cr. Graduate.

Physics of compact objects; newtonian and relativistic stellar structure and stability; pulsars, x-ray sources; accretion disks; gravitational collapse; stellar-size and supermassive black holes; quasars.

**Prerequisites:** grad st; Physics 717(P) or cons instr.**Last Taught:** Spring 2021, Spring 2019, Spring 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 720 Electrodynamics I**

3 cr. Graduate.

Maxwell's equations; Helmholtz theorem; scalar and vector potentials; boundary value problems; plane wave solutions.

**Prerequisites:** grad st; Physics 711(P).**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 721 Electrodynamics II**

3 cr. Graduate.

Wave guides, radiation by charges; radiation reaction; radiation scattering, damping and dispersion; covariant formulation of electrodynamics.

**Prerequisites:** grad st; Physics 720(P).**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 722 Advanced Classical Theoretical Physics**

3 cr. Graduate.

Selected topics in dynamics, electromagnetism, or other areas of classical physics.

**Prerequisites:** graduate standing; PHYSICS 721(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 731 Quantum Mechanics**

3 cr. Graduate.

Mathematical formalism of quantum mechanics. Observables and transformation theory, scattering perturbation, other approximation methods.

**Prerequisites:** grad st; Physics 532(P) & 711(P).**Last Taught:** Fall 2004, Fall 2002, Fall 1998, Fall 1993.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 735 High Energy Physics**

3 cr. Graduate.

Special relativity applied to high energy collisions, experimental techniques, ionization and radiation at high energy, weak interactions theory, II-meson and strange particle interactions, ultra-high energy phenomena.

**Prerequisites:** grad st & Physics 732(P).**Last Taught:** Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 751 Solid State Theory I**

3 cr. Graduate.

Phonons, plasmons, magnons, fermion fields and the hartree-fock approximation, and electron many-body techniques and the electron gas.

**Prerequisites:** grad st; Physics 531(P) & Physics 651(P).**Last Taught:** Spring 2018, Fall 2015, Fall 2013, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 752 Solid State Theory II**

3 cr. Graduate.

Dynamics of electrons in a magnetic field: energy bands, cyclotron resonance, impurity states, optical absorption and excitons in semiconductor crystals; electrodynamics of metals; green's functions.

**Prerequisites:** grad st & Physics 532(P) & 751(P).**Last Taught:** Spring 2014, Spring 2008, Spring 2006, Spring 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 770 Electron Microscopy**

3 cr. Graduate.

Kinematical and dynamical theory of electron diffraction. Transfer function theory of imaging. Electron and x-ray spectroscopies. Applications to surfaces and interfaces.

**Prerequisites:** grad st; Physics 551(P) or cons instr.**Last Taught:** Fall 2011, Spring 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 775 Surface Physics I**

3 cr. Graduate.

Survey of experimental techniques in surface physics research.

**Prerequisites:** grad st; Physics 515(P) & 575(P).**Last Taught:** Spring 2016, Spring 2012, Fall 2008, Fall 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 781 Medical Radiation Physics**

3 cr. Graduate.

Physical principles of the generation, interaction, detection, and measurement of radiation in medical applications; basics of radiation protection.

**Prerequisites:** grad st**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 782 Physics of Medical Imaging**

3 cr. Graduate.

Basic theoretical knowledge of the physics of diagnostic radiology using x-rays, magnetic resonance, nuclear medicine, and ultrasounds.

**Prerequisites:** grad st**Last Taught:** Spring 2021, Spring 2010, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 784 Radiotherapy Physics**

3 cr. Graduate.

Radiation physics for work as a hospital physicist, including accelerators for radiation therapy, quality characteristics of treatment beams, treatment planning, treatment techniques, quality assurance, oncology.

**Prerequisites:** grad st**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 786 Medical Physics Practicum**

3 cr. Graduate.

Training with clinical medical imaging and therapy equipment, and dosimetry instrumentation.

**Prerequisites:** grad st; Physics 781(P)**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 801 Special Topics in Theoretical Physics:**

2-3 cr. Graduate.

Discussion of recent research or advanced special topics.

**Prerequisites:** grad st & cons instr.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Fall 2021, Fall 2016, Spring 2015, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 807 Group Theory and Its Applications to Physics**

3 cr. Graduate.

Representations of discrete and continuous groups, including rotation groups, unitary groups and crystal point and space groups. Symmetries of elementary particles. Molecular orbitals, energy bands.

**Prerequisites:** grad st; Physics 532(P).**Course Rules:** Counts as repeat of Math 807.**Last Taught:** Spring 2021, Spring 2018, Spring 2013, Spring 2005.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 811 Nonlinear Dynamics and Chaos**

3 cr. Graduate.

Iteration of maps, numerical integration, strange attractors in dissipative systems, fractal dimensions, multifractals, entropy. Chaos in hamiltonian systems, perturbation theory, kam theorem. Quantum chaos.

**Prerequisites:** grad st; Physics 711(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 817 Gravitation and Cosmology II**

3 cr. Graduate.

Experimental tests in gravitation. Gravitational waves: generation, detection. Spinning black holes. Cosmology: idealised cosmologies; present state of the universe; nucleosynthesis; inflation; recent developments.

**Prerequisites:** grad st; Physics 717(P) or cons instr.**Last Taught:** Spring 2022, Fall 2019, Spring 2018, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PHYSICS 818 Advanced Topics in Gravitational Physics**

3 cr. Graduate.

Topics depend on student interest. Initial value problem. Spinors and positive mass. Singularity theorems. Modern kaluza-klein theory. Approaches to quantum gravity.

**Prerequisites:** grad st; Physics 717(P).**Last Taught:** Spring 2020, Spring 2016, Spring 2012, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 831 Quantum Field Theory I**

3 cr. Graduate.

Group theory, canonical and path integral quantization, feynman rules, quantum electrodynamics, renormalization, quantum chromodynamics, electroweak theory, spontaneous symmetry breaking.

**Prerequisites:** grad st; Physics 732(P).**Last Taught:** Spring 2023, Fall 2017, Fall 2013, Spring 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 852 Superconductivity**

3 cr. Graduate.

Properties of type I and type II superconductors, bcs and ginzburg-landau theory, vortices, and flux dynamics.

**Prerequisites:** grad st; Physics 532(P) & 651(P).**Last Taught:** Spring 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 853 Superfluidity**

3 cr. Graduate.

Bose-Einstein condensation. Properties of superfluid 4HE, 3HE and 3HE-4HE mixtures.

**Prerequisites:** grad st; Physics 551(P) & 651(P) or physics 515(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 854 Electron Phonon Interaction**

3 cr. Graduate.

Wave propagation in metals. Interaction of electrons with the lattice in normal metals, superconductors, and magnetic materials.

**Prerequisites:** grad st; Physics 532(P) & 651(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 890 Master's Thesis**

1-6 cr. Graduate.

Course for students completing supervised Master's Thesis.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Repeatable to 12 cr max. Satisfactory/Unsatisfactory only. Credit(s) count toward Master's degree only if student completes thesis option.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 891 Master's Capstone Project**

1-3 cr. Graduate.

Independent project supervised by student's advisor.

**Prerequisites:** graduate standing; consent of instructor and graduate program committee.**Course Rules:** May not be taken for credit more than once.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 900 Colloquium**

1 cr. Graduate.

Lectures by staff and visitors on research in various areas of physics.

**Prerequisites:** grad st.**Last Taught:** Fall 2017, Fall 2014, Spring 2013, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 903 Seminar in Theoretical Physics:**

1-3 cr. Graduate.

Discussion of special topics of interest to research students in theoretical physics. Retakable w/chg in topic to 9 cr max. Prereq: grad st & cons instr.

**Last Taught:** Spring 2023, Fall 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 904 Seminar in Surface Studies:**

1-3 cr. Graduate.

Special topics in the chemistry and physics of surface studies. Specific topics and any additional prerequisites announced in Timetable each time course is offered.

**Prerequisites:** grad st; cons instr.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Spring 2017, Spring 2016, Spring 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 906 Seminar in Biophysics:**

1-3 cr. Graduate.

Special topics in experimental biophysics. Retakable with change in topic to 9 cr max.

**Prerequisites:** grad st; cons instr.**Last Taught:** Spring 2021, Spring 2019, Fall 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 990 Research**

1-9 cr. Graduate.

**Prerequisites:** grad st & cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PHYSICS 999 Independent Reading**

1-3 cr. Graduate.

For the benefit of graduate students unable to secure needed content in regular courses.

**Prerequisites:** grad st, cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Polish (POLISH)

**POLISH 101 First-Semester Polish**

4 cr. Undergraduate.

A systematic introduction to the Polish language.

**Prerequisites:** none.**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 102 Second-Semester Polish**

4 cr. Undergraduate.

Continuation of POLISH 101.

**Prerequisites:** POLISH 101(P). Generates L&S credit for demonstrated equivalent preparation (4 retro cr).

**Last Taught:** Spring 2019, Spring 2018, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 192 First-Year Seminar**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 197 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 199 Independent Study**

1-4 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Fall 2022, Spring 2018, Fall 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 201 Third-Semester Polish**

3 cr. Undergraduate.

Review of grammar and readings.

**Prerequisites:** Polish 102(P). Generates L&S credit for demonstrated equivalent preparation (8 retro cr).

**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 202 Fourth-Semester Polish**

3 cr. Undergraduate.

Continuation of Polish 201.

**Prerequisites:** Polish 201(P). Generates L&S credit for demonstrated equivalent preparation (11 retro cr).

**Last Taught:** Spring 2013, Spring 2010, Spring 2009, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 236 Polish Culture in its Historical Setting**

3 cr. Undergraduate.

Major achievements of Polish culture during ten centuries of existence. Art, architecture, literature, music, and film viewed against crucial historical developments that formed Poland and its people.

**Prerequisites:** none.

**Course Rules:** May be used to repeat Geog 236.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 260 Survey of Polish Literature-in-Translation: 1863 to the Present**

3 cr. Undergraduate.

**Prerequisites:** none. One course in 100-level lit-in-trans or 200-level English lit advisable.

**General Education Requirements:** HU

**Last Taught:** Fall 2009, Fall 2008, Fall 2007, Spring 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 289 Internship in Polish, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Polish in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Polish; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 290 Summer Study in Poland:**

2-6 cr. Undergraduate.

Studies in Polish language, culture and civilization at a Polish university; lectures and field trips; credit level determined by length of program.

**Prerequisites:** cons instr.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2007, Summer 2006, Summer 2005, Summer 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Summer 2022, Summer 2019, Summer 2017, Summer 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 397 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POLISH 489 Internship in Polish, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of Polish in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Polish; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POLISH 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Summer 2017, Summer 2015, Summer 2014, Summer 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POLISH 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POLISH 597 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Summer 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POLISH 597G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Summer 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POLISH 697 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POLISH 697G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POLISH 699 Supervised Individual Reading**

1-6 cr. Undergraduate.

Advanced independent work under the supervision of a Slavic Lang faculty or instructional academic staff member. Students must submit a study proposal. For more information, consult Slavic Lang prog coord.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2020, Spring 2020, Spring 2012, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Political Science (POL SCI)

**POL SCI 103 Introduction to Political Science**

3 cr. Undergraduate.

An introduction to the systematic study of politics, including voting, parties, interest groups, executives, legislatures, courts, and political ideologies.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 104 Introduction to American Government and Politics**

3 cr. Undergraduate.

How the American political system works, with emphasis on the Constitution, elections, political parties, interest groups, Congress, the presidency, the courts, and national policy making.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 105 State Politics**

3 cr. Undergraduate.

Processes and functions of state governments and their relations with the national government and local governments; special emphasis on Wisconsin politics.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2023, Spring 2023, UWinteriM 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 106 Politics of the World's Nations**

3 cr. Undergraduate.

Introduction to political issues facing the governments of industrialized and developing nations, democratic and authoritarian, considering the similarities and differences between these nations and America.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 110 Sex and Power**

3 cr. Undergraduate.

Study of gender, sex, and sexuality as determined by law, power, and politics.

**Prerequisites:** none.**General Education Requirements:** SS**Last Taught:** Fall 2023, Fall 2019, Spring 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 150 Multicultural America: Minority Voting Rights and Representation**

3 cr. Undergraduate.

An introduction to minority voting rights, the Voting Rights Acts, and minority representation.

**Prerequisites:** none.

**Course Rules:** Cultures and Communities Prog course; req'd service learning component.

**General Education Requirements:** CD

**Last Taught:** Fall 2022, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 175 Introduction to International Relations**

3 cr. Undergraduate.

Introduction to international relations, including the major subfields.

Essential characteristics of the international system and the foreign policy objectives of states are discussed to give the beginning student a clearer view of world politics.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 193 First-Year Seminar.**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 201 Introduction to Public Service**

3 cr. Undergraduate.

Broad introduction to public service via scholarly and experiential learning.

**Prerequisites:** none.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 203 Introduction to Political Science Research**

3 cr. Undergraduate.

An overview of quantitative political science research. The role of theory, research design, and measurement.

**Prerequisites:** one pol sci course.

**Course Rules:** Research methods course.

**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, UWinteriM 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 210 American Public Policy**

3 cr. Undergraduate.

Introduction to substantive policy issues and forces which influence their progress. Emphasis upon major values within political conflicts and the gap between policy goals and program implementation.

**Prerequisites:** none.

**Course Rules:** American politics course.

**General Education Requirements:** SS

**Last Taught:** Fall 2021, Spring 2019, Fall 2015, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 213 Urban Government and Politics**

3 cr. Undergraduate.

The management, politics, and problems of city government.

**Prerequisites:** none.

**Course Rules:** American politics course.

**General Education Requirements:** SS

**Last Taught:** Fall 2020, Fall 2019, Spring 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 215 Ethnicity, Religion and Race in American Politics**

3 cr. Undergraduate.

Nationality, racial and religion-based groups in American domestic and foreign policy-making; significance of cultural pluralism as a factor in the American political experience.

**Prerequisites:** none.

**Course Rules:** American politics course.

**General Education Requirements:** CD, SS

**Last Taught:** Spring 2023, Summer 2022, Summer 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 216 Environmental Politics**

3 cr. Undergraduate.

Introductory course on the politics of environmental decisionmaking. Topics include the environmental movement, capitalism and the environment, climate change, and policymaking for environmental protection.

**Prerequisites:** none.

**Course Rules:** Counts as a repeat of Pol Sci 299 w/same topic.

**Last Taught:** Spring 2022, Spring 2021, Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 243 Public Administration**

3 cr. Undergraduate.

The means used to implement political values with emphasis on problems of administration in modern government.

**Prerequisites:** none.

**Course Rules:** Pol Sci 243 & Pub Adm 243 are jointly offered; they count as repeats of one another.

**General Education Requirements:** SS

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 250 Law and Society**

3 cr. Undergraduate.

The law and the operation of the legal system as they relate to contemporary social issues.

**Prerequisites:** none.

**Course Rules:** American politics course.

**Last Taught:** Summer 2023, Fall 2022, Summer 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 255 Great Issues of Politics**

3 cr. Undergraduate.

Major problems in political thought, such as war and peace, justice and power, liberty and authority, identity and alienation, and stability and change.

**Prerequisites:** none.

**Course Rules:** Political theory course.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 281 Classics of Political Theory**

3 cr. Undergraduate.

Power, authority, liberty, justice, law, and other basic ideas of politics and government as treated in the classic works of political thought.

**Prerequisites:** soph st.**Course Rules:** Political theory course.**Last Taught:** Spring 2023, Spring 2020, Fall 2012, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 284 Introduction to ULEAP**

1-3 cr. Undergraduate.

Undergraduate Laboratory for Empirical Analysis of Politics (ULEAP).

Hands-on research lab for recurring ULEAP projects. Students assist faculty with research projects, develop quantitative research skills.

**Prerequisites:** cons instr.**Course Rules:** Requires 40 hrs of supervised research per cr. May be retaken to 9 cr max.**Last Taught:** Spring 2012, Fall 2011, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance into UROP; prior or conc reg in UROP seminar.**Course Rules:** One credit for 45 hrs research. May be retaken to 9 cr max in any combination of UROP Apprenticeship courses. Not open to jrs & srs.**Last Taught:** Spring 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Program.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 2010, Spring 2010, Fall 2009, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 300 Western European Politics**

3 cr. Undergraduate.

Survey of government and politics in Western Europe; comparative perspectives on states, citizens, and public policies; current challenges.

**Prerequisites:** jr st or Pol Sci 106.**Course Rules:** Comparative politics course.**Last Taught:** Spring 2017, Fall 2011, Fall 2010, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 301 British Politics**

3 cr. Undergraduate/Graduate.

Political process in Great Britain in the context of contemporary national setting; emphasis on party system and constitutional order.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Fall 2013, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 301G British Politics**

3 cr. Undergraduate/Graduate.

Political process in Great Britain in the context of contemporary national setting; emphasis on party system and constitutional order.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Fall 2013, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 302 Politics of Eastern Europe**

3 cr. Undergraduate/Graduate.

Evolution of modern nation-state systems in Eastern Europe; interactions among nationalism, communism, and democracy in the countries of the region since 1945.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Spring 2011, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 302G Politics of Eastern Europe**

3 cr. Undergraduate/Graduate.

Evolution of modern nation-state systems in Eastern Europe; interactions among nationalism, communism, and democracy in the countries of the region since 1945.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Spring 2011, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 310 Russian and Post-Soviet Politics**

3 cr. Undergraduate/Graduate.

Domestic politics of Russia and the other states of the former Soviet Union; special emphasis is placed on transitions to and from authoritarianism, political institutions, and market reforms.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Fall 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 310G Russian and Post-Soviet Politics**

3 cr. Undergraduate/Graduate.

Domestic politics of Russia and the other states of the former Soviet Union; special emphasis is placed on transitions to and from authoritarianism, political institutions, and market reforms.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Fall 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 312 The Politics of Authoritarian Regimes**

3 cr. Undergraduate/Graduate.

Comparison of modern authoritarian regimes. Emphasis is on their domestic politics and methods of rule.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Spring 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 312G The Politics of Authoritarian Regimes**

3 cr. Undergraduate/Graduate.

Comparison of modern authoritarian regimes. Emphasis is on their domestic politics and methods of rule.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Spring 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 314 Chinese Politics and Foreign Policy**

3 cr. Undergraduate.

Historical background. Communism and its reform: leadership and political change; economic policy; corruption; human rights; population; environment; Tibet and Xinjiang; foreign policy.

**Prerequisites:** jr st or one pol sci course.**Course Rules:** Comparative politics course.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 316 International Law**

3 cr. Undergraduate/Graduate.

Rules and principles of behavior which govern nations in their relations with one another, as illustrated in texts and cases.

**Prerequisites:** jr st.**Course Rules:** International politics course.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 316G International Law**

3 cr. Undergraduate/Graduate.

Rules and principles of behavior which govern nations in their relations with one another, as illustrated in texts and cases.

**Prerequisites:** jr st.**Course Rules:** International politics course.**Last Taught:** Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 320 Politics of Developing Countries**

3 cr. Undergraduate/Graduate.

Comparative analysis of political problems confronting developing countries.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 320G Politics of Developing Countries**

3 cr. Undergraduate/Graduate.

Comparative analysis of political problems confronting developing countries.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Spring 2014, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 321 Politics of Revolution in Developing Nations**

3 cr. Undergraduate/Graduate.

The theory and description of political revolutions and rapid political change in the twentieth century.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 321G Politics of Revolution in Developing Nations**

3 cr. Undergraduate/Graduate.

The theory and description of political revolutions and rapid political change in the twentieth century.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 325 Latin American Politics**

3 cr. Undergraduate/Graduate.

Analysis of contemporary governments in Latin America, with particular emphasis on the social way of life, the politics of economic organization and government in action.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 325G Latin American Politics**

3 cr. Undergraduate/Graduate.

Analysis of contemporary governments in Latin America, with particular emphasis on the social way of life, the politics of economic organization and government in action.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 326 Brazilian Politics and Society**

3 cr. Undergraduate.

Puzzles and complexities of governing Brazil in 20th and 21st centuries. Historical and institutional foundations of the Brazilian state; current political, economic, and social environment.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course. LACS 326 & Pol Sci 326 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2015, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 328 The Arab-Israeli Conflict**

3 cr. Undergraduate/Graduate.

Competing views about the Arab-Israeli conflict, especially its Palestinian dimension. History and evolution of the conflict; current issues and possible solutions.

**Prerequisites:** jr st.**Course Rules:** Comparative politics course. Jewish 328 & Pol Sci 328 are jointly offered; they count as repeats of one another. Counts as a repeat of Hebr St 238 with same topic.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 328G The Arab-Israeli Conflict**

3 cr. Undergraduate/Graduate.

Competing views about the Arab-Israeli conflict, especially its Palestinian dimension. History and evolution of the conflict; current issues and possible solutions.

**Prerequisites:** jr st.

**Course Rules:** Comparative politics course. Jewish 328 & Pol Sci 328 are jointly offered; they count as repeats of one another. Counts as a repeat of Hebr St 238 with same topic.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 329 African Politics**

3 cr. Undergraduate/Graduate.

The process of political change in contemporary Africa, with emphasis on the problems of nationalism and nation-building.

**Prerequisites:** jr st; Pol Sci 106(R).

**Course Rules:** Comparative politics course.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 329G African Politics**

3 cr. Undergraduate/Graduate.

The process of political change in contemporary Africa, with emphasis on the problems of nationalism and nation-building.

**Prerequisites:** jr st; Pol Sci 106(R).

**Course Rules:** Comparative politics course.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 330 The Politics of International Economic Relations**

3 cr. Undergraduate/Graduate.

Politics of international trade, finance, and investment. Politics of industrial policy and economic development. Economic crisis and policy responses.

**Prerequisites:** jr st.

**Course Rules:** International politics course.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 330G The Politics of International Economic Relations**

3 cr. Undergraduate/Graduate.

Politics of international trade, finance, and investment. Politics of industrial policy and economic development. Economic crisis and policy responses.

**Prerequisites:** jr st.

**Course Rules:** International politics course.

**Last Taught:** Fall 2022, Fall 2021.

**POL SCI 333 Seminar in Comparative Politics:**

3 cr. Undergraduate/Graduate.

Intensive study in selected aspects of comparative politics.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to 9 cr max. Enrollment limited to 15 students. Comparative politics course.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 333G Seminar in Comparative Politics:**

3 cr. Undergraduate/Graduate.

Intensive study in selected aspects of comparative politics.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to 9 cr max. Enrollment limited to 15 students. Comparative politics course.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 334 German Politics and the New Europe**

3 cr. Undergraduate/Graduate.

Development of the two German republics after 1945; domestic and European issues of a unified Germany.

**Prerequisites:** jr st.

**Course Rules:** Comparative politics course.

**Last Taught:** Spring 2013, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 334G German Politics and the New Europe**

3 cr. Undergraduate/Graduate.

Development of the two German republics after 1945; domestic and European issues of a unified Germany.

**Prerequisites:** jr st.

**Course Rules:** Comparative politics course.

**Last Taught:** Spring 2013, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 335 Comparative Political Systems**

3 cr. Undergraduate/Graduate.

Government and politics in various Western and developing countries, stressing common experience as well as differences conditioned by diverse circumstances.

**Prerequisites:** jr st.

**Course Rules:** Comparative politics course.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 335G Comparative Political Systems**

3 cr. Undergraduate/Graduate.

Government and politics in various Western and developing countries, stressing common experience as well as differences conditioned by diverse circumstances.

**Prerequisites:** jr st.

**Course Rules:** Comparative politics course.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 337 International Organization and the United Nations**

3 cr. Undergraduate.

Institutions and politics. Collective security, peacekeeping, terrorism, and arms control. International legal tribunals and human rights. International trade and finance. Economic development.

**Prerequisites:** jr st or one pol sci course.

**Course Rules:** International politics course.

**Last Taught:** UWinterIM 2024, Summer 2023, UWinterIM 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 338 Seminar in International Relations:**

3 cr. Undergraduate/Graduate.

Intensive study in selected aspects of international relations. Add'l prereqs announced in Schedule of Classes each time course is offered.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to 6 cr max. International politics course.

**Last Taught:** Summer 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 338G Seminar in International Relations:**

3 cr. Undergraduate/Graduate.

Intensive study in selected aspects of international relations. Add'l prereqs announced in Schedule of Classes each time course is offered.

**Prerequisites:** junior standing.

**Course Rules:** May be retaken with change in topic to 6 cr max. International politics course.

**Last Taught:** Summer 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 339 European Integration**

3 cr. Undergraduate/Graduate.

Evolution of the European Union, its institutions, and key policy developments related to the single market, common currency, enlargement, and the democratic deficit.

**Prerequisites:** jr st.

**Course Rules:** Comparative or international politics course.

**Last Taught:** Fall 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 339G European Integration**

3 cr. Undergraduate/Graduate.

Evolution of the European Union, its institutions, and key policy developments related to the single market, common currency, enlargement, and the democratic deficit.

**Prerequisites:** jr st.

**Course Rules:** Comparative or international politics course.

**Last Taught:** Fall 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 340 Politics of Nuclear Weapons**

3 cr. Undergraduate/Graduate.

Survey of nuclear war issues, including the effects of nuclear weapons, defense against nuclear attack, arms control, nuclear weapons proliferation, and nuclear ethics.

**Prerequisites:** jr st; course in pol sci or related field recom.

**Course Rules:** International politics course.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 340G Politics of Nuclear Weapons**

3 cr. Undergraduate/Graduate.

Survey of nuclear war issues, including the effects of nuclear weapons, defense against nuclear attack, arms control, nuclear weapons proliferation, and nuclear ethics.

**Prerequisites:** jr st; course in pol sci or related field recom.

**Course Rules:** International politics course.

**Last Taught:** Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 341 Politics and Markets in Pacific-Rim Countries:**

3 cr. Undergraduate/Graduate.

Introduction to the political-economic relationships among Pacific-Rim countries.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to 6 cr max. Comparative politics course.

**Last Taught:** Fall 2013, Fall 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 341G Politics and Markets in Pacific-Rim Countries:**

3 cr. Undergraduate/Graduate.

Introduction to the political-economic relationships among Pacific-Rim countries.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to 6 cr max. Comparative politics course.

**Last Taught:** Fall 2013, Fall 1994.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 343 Asian International Relations**

3 cr. Undergraduate.

Analysis of recent relations of the major powers in East, Southeast, and South Asia, especially the problems of the smaller states and the role of the United States.

**Prerequisites:** jr st.

**Course Rules:** International politics course.

**Last Taught:** Spring 2020, Fall 2017, Fall 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 345 Korean Politics and Foreign Policy**

3 cr. Undergraduate.

Explores the changes in politics, economics, society and foreign policy in South Korea, which has rapidly moved from one of the poorest countries in the world to a thriving and important democracy.

**Prerequisites:** junior standing.

**Course Rules:** Counts as a repeat of POL SCI 338 with similar topic.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 346 U.S.-Latin American Relations**

3 cr. Undergraduate.

Historic and contemporary inter-American relations, including issues such as U.S.-Cuban relations, drug trafficking, trade integration, international finance, and migration.

**Prerequisites:** jr st.

**Course Rules:** International politics course.

**Last Taught:** Fall 2014, Fall 2010, Fall 2009, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 355 The Politics of Economic Inequality**

3 cr. Undergraduate.

The causes and political consequences of economic inequality.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Fall 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 359 Problems of American Foreign Policy**

3 cr. Undergraduate/Graduate.

Analysis of problems confronting the United States in principal regions of the world, emphasizing the content and instrumentalities of recent policy, and considering alternative solutions.

**Prerequisites:** jr st.**Course Rules:** International politics course.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 359G Problems of American Foreign Policy**

3 cr. Undergraduate/Graduate.

Analysis of problems confronting the United States in principal regions of the world, emphasizing the content and instrumentalities of recent policy, and considering alternative solutions.

**Prerequisites:** jr st.**Course Rules:** International politics course.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 361 History of International Political Thought**

3 cr. Undergraduate/Graduate.

History of international political thought. Statist and internationalist theories of sovereignty, war, intervention, and international law.

**Prerequisites:** jr st.**Course Rules:** Political theory or international politics course.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 361G History of International Political Thought**

3 cr. Undergraduate/Graduate.

History of international political thought. Statist and internationalist theories of sovereignty, war, intervention, and international law.

**Prerequisites:** jr st.**Course Rules:** Political theory or international politics course.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 365 Theories and Methods in International Politics**

3 cr. Undergraduate/Graduate.

Empirical, theoretical, and quantitative analyses of international relations.

**Prerequisites:** jr st.**Course Rules:** International politics course.**Last Taught:** Spring 2023, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 365G Theories and Methods in International Politics**

3 cr. Undergraduate/Graduate.

Empirical, theoretical, and quantitative analyses of international relations.

**Prerequisites:** jr st.**Course Rules:** International politics course.**Last Taught:** Spring 2023, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 368 Gender and Politics in Developing Nations**

3 cr. Undergraduate/Graduate.

Gender and politics in Latin America, East/South Asia, the Middle East, integrating works from political science, feminist theory, development studies, public health, women's studies.

**Prerequisites:** jr st.**Course Rules:** Counts as a repeat of Pol Sci 333 w/same subtitle.

Enrollment limited to 15 students. Comparative politics course.

**Last Taught:** Spring 2010, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 368G Gender and Politics in Developing Nations**

3 cr. Undergraduate/Graduate.

Gender and politics in Latin America, East/South Asia, the Middle East, integrating works from political science, feminist theory, development studies, public health, women's studies.

**Prerequisites:** jr st.**Course Rules:** Counts as a repeat of Pol Sci 333 w/same subtitle.

Enrollment limited to 15 students. Comparative politics course.

**Last Taught:** Spring 2010, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 370 International Conflict**

3 cr. Undergraduate/Graduate.

Theoretical and quantitative studies of international conflict and war. Includes individual, national, and systemic approaches.

**Prerequisites:** jr st.**Course Rules:** International politics course.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 370G International Conflict**

3 cr. Undergraduate/Graduate.

Theoretical and quantitative studies of international conflict and war. Includes individual, national, and systemic approaches.

**Prerequisites:** jr st.**Course Rules:** International politics course.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 371 Nationalism and Ethnic Conflict**

3 cr. Undergraduate.

Origins of nations. Nationalism and the decline of empires. Origins and strategies of ethnic wars. How ethnic wars end. International intervention. Case studies, such as Arab-Israeli and India-Pakistan conflicts. Comparative or international politics course. Prereq: jr st or one pol sci course.

**General Education Requirements:** SS**Last Taught:** Spring 2022, UWinterIM 2021, UWinterIM 2020, UWinterIM 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 372 Poverty and Politics:**

3 cr. Undergraduate.

Causes and political consequences of poverty and social inequality worldwide.

**Prerequisites:** jr st.**Course Rules:** Counts as repeat of Pol Sci 499 w/same topic. May be retaken w/chg in topic to 6 cr max.**Last Taught:** Fall 2016, Summer 2016, Summer 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 374 Health, Wealth, and Democracy**

3 cr. Undergraduate.

The relationship between the democracies and wealth, and health care outcomes.

**Prerequisites:** The relationship between the democracies and wealth, and health care outcomes.

**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 377 Elections in the Modern World**

3 cr. Undergraduate.

Role of elections in contemporary political regimes; representation, accountability, electoral institutions, elections in new democracies, and electoral authoritarian regimes.

**Prerequisites:** jr st.

**Last Taught:** Spring 2022, Fall 2020, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 379 Morality, Conflict and War**

3 cr. Undergraduate.

Examines the conditions that make for war and peace in world politics, and considers relevant moral and ethical arguments about war.

**Prerequisites:** jr st

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 380 Honors Seminar:**

3 cr. Undergraduate.

Selective topics in the study of politics.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.

**Course Rules:** May be retaken w/chg in topic to 9 cr max. Political theory course.

**General Education Requirements:** SS

**Last Taught:** Spring 2023, Fall 2020, Spring 2017, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 381 The Development of Western Political Thought**

3 cr. Undergraduate/Graduate.

Examination of European theories of politics in their imagined continuity from Greek & Roman antiquity to the present; how theorists argued for representational democracy, individual liberties, and legal transparency while justifying war, colonialism and genocide.

**Prerequisites:** junior standing and a grade of C or better in ENGLISH 102(P) or score level 4 on EPT.

**Course Rules:** Political theory course.

**Last Taught:** Fall 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 381G The Development of Western Political Thought**

3 cr. Undergraduate/Graduate.

Examination of European theories of politics in their imagined continuity from Greek & Roman antiquity to the present; how theorists argued for representational democracy, individual liberties, and legal transparency while justifying war, colonialism and genocide.

**Prerequisites:** junior standing and a grade of C or better in ENGLISH 102(P) or score level 4 on EPT.

**Course Rules:** Political theory course.

**Last Taught:** Fall 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 382 Modern Political Thought**

3 cr. Undergraduate/Graduate.

European and American political theory from the 17th to the 19th century, with a focus on the emergence of the nation-state and related concepts (e.g., authority, democracy, conservatism, liberalism, national economies, war, and patriotism).

**Prerequisites:** junior standing.

**Course Rules:** Political theory course.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 382G Modern Political Thought**

3 cr. Undergraduate/Graduate.

European and American political theory from the 17th to the 19th century, with a focus on the emergence of the nation-state and related concepts (e.g., authority, democracy, conservatism, liberalism, national economies, war, and patriotism).

**Prerequisites:** junior standing.

**Course Rules:** Political theory course.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 383 Environmental Political Theory**

3 cr. Undergraduate.

Environmental political theory from a global perspective, emphasizing the interlinked nature of security and sustainability.

**Prerequisites:** junior standing.

**Course Rules:** GLOBAL 383 and POL SCI 383 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 384 The Philosophy of Law**

3 cr. Undergraduate/Graduate.

The idea of law and its relationship to morality. Issues of legal obligation, rights, responsibility, and punishment.

**Prerequisites:** jr st; 3 cr in philos or previous course in political theory or law studies recom.

**Course Rules:** Philos 384 & Pol Sci 384 are jointly offered; they count as repeats of one another. Political theory course.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 384G The Philosophy of Law**

3 cr. Undergraduate/Graduate.

The idea of law and its relationship to morality. Issues of legal obligation, rights, responsibility, and punishment.

**Prerequisites:** jr st; 3 cr in philos or previous course in political theory or law studies recom.

**Course Rules:** Philos 384 & Pol Sci 384 are jointly offered; they count as repeats of one another. Political theory course.

**Last Taught:** Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 385 American Political Thought**

3 cr. Undergraduate/Graduate.

Survey of main currents of American political thought from colonial times to the present.

**Prerequisites:** jr st.

**Course Rules:** Political theory course.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 385G American Political Thought**

3 cr. Undergraduate/Graduate.

Survey of main currents of American political thought from colonial times to the present.

**Prerequisites:** jr st.

**Course Rules:** Political theory course.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 386 Contemporary Political Theory**

3 cr. Undergraduate/Graduate.

Survey of current work in different branches of political theory, including formal, analytical, and critical theory.

**Prerequisites:** jr st.

**Course Rules:** Political theory course.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 386G Contemporary Political Theory**

3 cr. Undergraduate/Graduate.

Survey of current work in different branches of political theory, including formal, analytical, and critical theory.

**Prerequisites:** jr st.

**Course Rules:** Political theory course.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 387 Topics in American Politics:**

3 cr. Undergraduate/Graduate.

Intensive study in selected aspects of American politics.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to 6 cr max. American politics course.

**Last Taught:** Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 387G Topics in American Politics:**

3 cr. Undergraduate/Graduate.

Intensive study in selected aspects of American politics.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to 6 cr max. American politics course.

**Last Taught:** Summer 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 388 Latino Politics**

3 cr. Undergraduate.

Contemporary Latino politics in the U.S.; demographic analysis; interplay between political incorporation and political institutional responses; Chicano movement, immigration policies, public opinion, voting behavior, representation.

**Prerequisites:** jr st.

**Course Rules:** Latino 388 & Pol Sci 388 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Spring 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 389 Politics and Philosophy:**

3 cr. Undergraduate/Graduate.

Ideas and methods in recent political theory, including the history of political thought, analytical political philosophy, and critical theory.

**Prerequisites:** jr st; one course in political theory.

**Course Rules:** Political theory course. May be retaken w/chg in topic to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 389G Politics and Philosophy:**

3 cr. Undergraduate/Graduate.

Ideas and methods in recent political theory, including the history of political thought, analytical political philosophy, and critical theory.

**Prerequisites:** jr st; one course in political theory.

**Course Rules:** Political theory course. May be retaken w/chg in topic to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 390 Political Data Analysis**

3 cr. Undergraduate/Graduate.

Research design, measurement, and techniques of political data analysis.

**Prerequisites:** jr st; satisfaction of GER Quantitative Literacy Part A req.

**Course Rules:** Research methods course.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 390G Political Data Analysis**

3 cr. Undergraduate/Graduate.

Research design, measurement, and techniques of political data analysis.

**Prerequisites:** jr st; satisfaction of GER Quantitative Literacy Part A req.

**Course Rules:** Research methods course.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 391 Current Crises and Events in International Relations**

3 cr. Undergraduate.

Examines several current crises or challenging international events--

defined as unstable, pressing international situations in which significant change appears imminent.

**Prerequisites:** jr st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 392 Survey Research**

3 cr. Undergraduate/Graduate.

Theory and practice of survey techniques. Planning, design, sampling, types of data, questionnaire construction, interviewing, field operation, and coding examples in a variety of fields.

**Prerequisites:** jr st.

**Course Rules:** Research methods course.

**Last Taught:** Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 392G Survey Research**

3 cr. Undergraduate/Graduate.

Theory and practice of survey techniques. Planning, design, sampling, types of data, questionnaire construction, interviewing, field operation, and coding examples in a variety of fields.

**Prerequisites:** jr st.**Course Rules:** Research methods course.**Last Taught:** Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 398 Cyberpolitics**

3 cr. Undergraduate.

Nature and implications of cyberpolitics, particularly international. Topics include our cyber world; cyberpower; resistance against and efforts to control cyberspace; cyberspace governance. Special thematic focuses: data, artificial intelligence, cybersecurity, cybercrime, election interference, cyberwarfare.

**Prerequisites:** junior standing and one social science course.**Course Rules:** May not be retaken for degree credit.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 405 State Government:**

3 cr. Undergraduate/Graduate.

Selected topics in state government and politics with special emphasis on Wisconsin.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 6 cr max. American politics course.**Last Taught:** Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 405G State Government:**

3 cr. Undergraduate/Graduate.

Selected topics in state government and politics with special emphasis on Wisconsin.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 6 cr max. American politics course.**Last Taught:** Fall 2013, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 408 The American Presidency**

3 cr. Undergraduate/Graduate.

Study of the office and powers of the president, with an analysis of his major roles as chief administrator, legislative leader, political leader, initiator of foreign policies, Commander-in-Chief and head of state.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 408G The American Presidency**

3 cr. Undergraduate/Graduate.

Study of the office and powers of the president, with an analysis of his major roles as chief administrator, legislative leader, political leader, initiator of foreign policies, Commander-in-Chief and head of state.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 410 Law Through Popular Culture**

3 cr. Undergraduate/Graduate.

Popular media representation of law and courts and attempts to ascertain the impact of those representations on public attitudes about courts, judges, and attorneys.

**Prerequisites:** junior standing.**Course Rules:** Counts as repeat of POL SCI 471 with equivalent topic.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 410G Law Through Popular Culture**

3 cr. Undergraduate/Graduate.

Popular media representation of law and courts and attempts to ascertain the impact of those representations on public attitudes about courts, judges, and attorneys.

**Prerequisites:** junior standing.**Course Rules:** Counts as repeat of POL SCI 471 with equivalent topic.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 411 Constitutional Law: Government Powers and Federalism**

3 cr. Undergraduate.

Constitutional interpretation, with emphasis on separation of powers, federalism, and property.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 412 Constitutional Law: Civil Rights and Liberties**

3 cr. Undergraduate/Graduate.

Cases in civil rights and liberties in such areas as equal protection, due process, and First Amendment freedoms.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 412G Constitutional Law: Civil Rights and Liberties**

3 cr. Undergraduate/Graduate.

Cases in civil rights and liberties in such areas as equal protection, due process, and First Amendment freedoms.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 415 The Politics of Race, Ethnicity and Immigration**

3 cr. Undergraduate.

Racial/ethnic histories in the US; political difference and commonality; influence of immigration on political behavior and attitudes.

**Prerequisites:** jr st.**General Education Requirements:** CD**Last Taught:** Spring 2021, Spring 2019, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 416 Judicial Politics**

3 cr. Undergraduate/Graduate.

Trial and appellate court structure; litigation in federal and state contexts; key actors in the judicial process, including litigants, lawyers, judges, and juries.

**Prerequisites:** junior standing.

**Course Rules:** American politics course.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 416G Judicial Politics**

3 cr. Undergraduate/Graduate.

Trial and appellate court structure; litigation in federal and state contexts; key actors in the judicial process, including litigants, lawyers, judges, and juries.

**Prerequisites:** junior standing.

**Course Rules:** American politics course.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 417 The Supreme Court**

3 cr. Undergraduate/Graduate.

Behavior of U.S. Supreme Court justices and other appellate judges and courts within the judicial and political systems.

**Prerequisites:** jr st.

**Course Rules:** American politics course.

**Last Taught:** Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 417G The Supreme Court**

3 cr. Undergraduate/Graduate.

Behavior of U.S. Supreme Court justices and other appellate judges and courts within the judicial and political systems.

**Prerequisites:** jr st.

**Course Rules:** American politics course.

**Last Taught:** Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 419 Constitutional Interpretation**

3 cr. Undergraduate/Graduate.

Analysis of contemporary interpretive themes, including judicial activism, the living Constitution, and critical theories of law.

**Prerequisites:** Pol Sci 411(P) or 412(P).

**Course Rules:** American politics course.

**Last Taught:** Fall 2000, Spring 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 419G Constitutional Interpretation**

3 cr. Undergraduate/Graduate.

Analysis of contemporary interpretive themes, including judicial activism, the living Constitution, and critical theories of law.

**Prerequisites:** Pol Sci 411(P) or 412(P).

**Course Rules:** American politics course.

**Last Taught:** Fall 2000, Spring 1997.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 421 Party Politics in America**

3 cr. Undergraduate/Graduate.

The role of political parties in the nominating process, campaigns, fund raising, voter choice, and the governing processes of Congress and the presidency.

**Prerequisites:** jr st; Pol Sci 103(P) or 104(P).

**Course Rules:** American politics course.

**Last Taught:** Spring 2021, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 421G Party Politics in America**

3 cr. Undergraduate/Graduate.

The role of political parties in the nominating process, campaigns, fund raising, voter choice, and the governing processes of Congress and the presidency.

**Prerequisites:** jr st; Pol Sci 103(P) or 104(P).

**Course Rules:** American politics course.

**Last Taught:** Spring 2021, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 423 Conduct of American Foreign Affairs**

3 cr. Undergraduate/Graduate.

Descriptive analysis of the way American foreign policy is formulated and carried out by federal agencies.

**Prerequisites:** jr st.

**Course Rules:** International Politics course.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 423G Conduct of American Foreign Affairs**

3 cr. Undergraduate/Graduate.

Descriptive analysis of the way American foreign policy is formulated and carried out by federal agencies.

**Prerequisites:** jr st.

**Course Rules:** International Politics course.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 425 Women in Politics**

3 cr. Undergraduate.

Political attitudes and behavior of women; socialization and selection of women for political offices; and women's issues in politics.

**Prerequisites:** jr st.

**Course Rules:** American politics course.

**Last Taught:** Spring 2023, Spring 2021, Spring 2011, Fall 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 426 Congressional Politics**

3 cr. Undergraduate/Graduate.

The role of Congress in shaping public policy, with emphasis on the impact of elections, lawmaking procedures, congressional committees, political parties, interest groups, and presidents.

**Prerequisites:** junior standing.

**Course Rules:** American politics course.

**Last Taught:** Fall 2023, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 426G Congressional Politics**

3 cr. Undergraduate/Graduate.

The role of Congress in shaping public policy, with emphasis on the impact of elections, lawmaking procedures, congressional committees, political parties, interest groups, and presidents.

**Prerequisites:** junior standing.**Course Rules:** American politics course.**Last Taught:** Fall 2023, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 444 Politics and the Bureaucracy**

3 cr. Undergraduate/Graduate.

The role of the bureaucracy in policymaking. Political resources of bureaucracy, its ability to influence policy outcomes. Political controls on bureaucracy, and proposals for reform.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Fall 2002, Fall 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 444G Politics and the Bureaucracy**

3 cr. Undergraduate/Graduate.

The role of the bureaucracy in policymaking. Political resources of bureaucracy, its ability to influence policy outcomes. Political controls on bureaucracy, and proposals for reform.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Fall 2002, Fall 2000.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 450 Urban Political Problems**

3 cr. Undergraduate/Graduate.

Reading and analysis of specific urban problems and governmental responses.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Summer 2007, Summer 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 450G Urban Political Problems**

3 cr. Undergraduate/Graduate.

Reading and analysis of specific urban problems and governmental responses.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Summer 2007, Summer 2006.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 452 Administrative Law**

3 cr. Undergraduate/Graduate.

An examination of due process, privacy, and other constitutional and legal issues as they arise in the regulatory, investigatory, and enforcement activities of administrative agencies.

**Prerequisites:** jr st.**Course Rules:** American politics course. Pol Sci 452 & Pub Adm 452 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 452G Administrative Law**

3 cr. Undergraduate/Graduate.

An examination of due process, privacy, and other constitutional and legal issues as they arise in the regulatory, investigatory, and enforcement activities of administrative agencies.

**Prerequisites:** jr st.**Course Rules:** American politics course. Pol Sci 452 & Pub Adm 452 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 464 Sex, Gender, and the Law**

3 cr. Undergraduate.

Topics in federal and state law pertaining to women, gender, and feminism, such as reproductive rights, domestic violence, and pay equity.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Spring 2023, Spring 2022, Summer 2020, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 467 Elections and Voting Behavior**

3 cr. Undergraduate/Graduate.

Psychological and social components of voting behavior, current electoral trends, and role of voters in the governing process.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Fall 2020, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 467G Elections and Voting Behavior**

3 cr. Undergraduate/Graduate.

Psychological and social components of voting behavior, current electoral trends, and role of voters in the governing process.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Fall 2020, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 471 Problems in Law Studies:**

3 cr. Undergraduate/Graduate.

Discussion of selected problems in contemporary law and politics, such as civil rights movements or law and sexuality.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 6 cr max. American politics course.**Last Taught:** Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 471G Problems in Law Studies:**

3 cr. Undergraduate/Graduate.

Discussion of selected problems in contemporary law and politics, such as civil rights movements or law and sexuality.

**Prerequisites:** jr st.**Course Rules:** May be retaken w/chg in topic to 6 cr max. American politics course.**Last Taught:** Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 473 Public Opinion**

3 cr. Undergraduate/Graduate.

Formation of opinions within and among political publics; role of public opinion in the development and practice of governmental policy.

**Prerequisites:** jr st.**Last Taught:** Spring 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 473G Public Opinion**

3 cr. Undergraduate/Graduate.

Formation of opinions within and among political publics; role of public opinion in the development and practice of governmental policy.

**Prerequisites:** jr st.**Last Taught:** Spring 2013, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 475 Political Psychology**

3 cr. Undergraduate.

Examination of the psychological origins of citizens' political beliefs and action. An overview of theories and methods in the field of political psychology.

**Prerequisites:** jr st.**Course Rules:** American politics course.**Last Taught:** Fall 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 489 Internship in Political Science**

1-6 cr. Undergraduate.

Application of advanced principles in political science in a governmental or political setting.

**Prerequisites:** jr st; 3.0 GPA; cons supervising faculty member.**Course Rules:** One cr earned for academic work related to each 40 hrs of internship work. May be retaken to 6 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** junior standing and acceptance for Study Abroad Program.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2013, Fall 2010, Spring 2010, Fall 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 500 Capstone Course in Political Science**

3 cr. Undergraduate.

Readings and discussions about fundamental political science problems; directed research project tailored to each student's special interests.

**Prerequisites:** sr st; declared pol sci major; Pol Sci 203(P), 390(P), or 392(P).**Last Taught:** Spring 2016, Fall 2015, Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 678 Advanced Undergraduate Laboratory for the Empirical Analysis of Politics**

1-3 cr. Undergraduate.

Advanced students enhance their research skills by assisting faculty members on political science research projects in collaboration with other students.

**Prerequisites:** jr st; cons instr.**Course Rules:** Requires 40 hrs of supervised research per cr. May be retaken to 9 cr max.**Last Taught:** Spring 2012, Fall 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 699 Independent Reading**

1-6 cr. Undergraduate.

Students with superior grade-point averages and special aptitudes may be given permission to earn up to 6 cr toward the major by writing a thesis or doing directed research or reading. See Advanced Independent Study for further information. Consult the Political Science Chair.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 700 Scope and Methods of Political Science**

3 cr. Graduate.

Critical examination of the normative and empirical methodologies of political science.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 701 Techniques of Political Science Research**

3 cr. Graduate.

Introduction to basic techniques of collecting, coding, processing, analyzing, and presenting political data.

**Prerequisites:** grad st; one undergrad stats course or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 702 Advanced Techniques of Political Science Research**

3 cr. Graduate.

Advanced course in quantitative analysis stressing the application of econometric techniques to the study of politics.

**Prerequisites:** grad st; Pol Sci 701(P).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 711 Current Topics in Political Science:**

1-3 cr. Graduate.

This course will address a specific topic or methodological approach of general disciplinary importance.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic & cons advisor & instr to 6 cr max.

**Last Taught:** Fall 2023, Fall 2022, Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 715 Introduction to Comparative Politics I**

3 cr. Graduate.

First part of a two-semester introductory seminar in comparative politics, emphasizing the logic of comparison and introducing broad themes in the subfield.

**Prerequisites:** grad st

**Last Taught:** Fall 2022, Fall 2020, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 716 Intro to Comparatv Politics II**

3 cr. Graduate.

The second course in a graduate introduction to comparative politics. Foundation for students considering further work in comparative politics; emphasis on empirical research literature.

**Prerequisites:** grad st; Pol Sci 715(P) or cons instr

**Last Taught:** Fall 2021, Spring 2013, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 720 Theoretical and Methodological Issues of Comparative Politics**

3 cr. Graduate.

Seminar on theory construction, research design, and the logic of comparative social inquiry.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Fall 2020, Fall 2007, Fall 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 725 Judicial Politics and Behavior**

3 cr. Graduate.

Readings in the field of judicial politics and behavior, with particular attention to decision making in collegial courts and to scientific methods of analysis.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022, Fall 2017, Fall 2013, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 727 Seminar in Constitutional Law**

3 cr. Graduate.

Major trends in constitutional case law and in critical analysis of the role of the court in american democracy.

**Prerequisites:** grad st; cons instr.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 749 Seminar in American Political Institutions**

3 cr. Graduate.

Overview of political institutions including executives, legislatures, bureaucracies, courts, interest groups and others and the role they play in the political and policy process.

**Prerequisites:** grad st.

**Last Taught:** Spring 2022, Fall 2019, Fall 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 750 Seminar in the Study of American Political Behavior**

3 cr. Graduate.

Readings and research on a broad range of topics related to political behavior. Concentration on the political science literature on mass political behavior with some attention to the behavior of political elites.

**Prerequisites:** grad st.

**Last Taught:** Fall 2021, Fall 2018, Fall 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 751 Seminar in Public Policy Formation**

3 cr. Graduate.

Nature and consequences of constraints upon policy-makers in political institutions.

**Prerequisites:** grad st.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 769 Analyzing and Evaluating Public Policies and Programs**

3 cr. Graduate.

Examination of methods, including cost-benefit analysis and decision analysis, that aid policy makers and administrators in understanding and assessing public and nonprofit sector policies and programs.

**Prerequisites:** grad st.

**Course Rules:** Pol Sci 769 & Pub Adm 769 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 801 Proseminar in Political Theory**

3 cr. Graduate.

Political theory for graduate students in any field, based on historical and contemporary texts that illustrate different understandings of politics and political theory.

**Prerequisites:** grad st

**Last Taught:** Spring 2020, Fall 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 814 Major Political Theorists:**

3 cr. Graduate.

Consideration of selected political theorists, periods, or traditions. Attention given to issues of textual interpretation, historical context, and conceptual analysis.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 6 cr max.

**Last Taught:** Fall 2021, Spring 2014, Spring 1990.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 815 Problems in Political Theory:**

3 cr. Graduate.

Selected concepts and controversies in the historical and contemporary literature of political theory, such as authority, obligation, equality, justice and the explanation of human conduct.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Spring 2019, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 816 Seminar in Positive Political Theory:**

3 cr. Graduate.

Selected topics in rationality-based approaches to the study of politics.

**Prerequisites:** grad st; Pol Sci 701(817)(P) & 875(P).

**Course Rules:** Retakable w/chg in topic to 6 cr max.

**Last Taught:** Fall 2011, Fall 2009, Fall 2007, Fall 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 817 Feminist Theory and Politics**

3 cr. Graduate.

Examination and analysis of historical and theoretical aspects of feminist theory and politics including liberal, cultural, radical, postmodern, and queer political theory.

**Prerequisites:** grad st.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 818 Theories of International Political Economy**

3 cr. Graduate.

Analysis of major political theories of international economic relations. Examine international political economy issues in industrial developing, and communist countries.

**Prerequisites:** grad st; intro courses in Econ & Intlrel.**Last Taught:** Fall 2023, Spring 2021, Fall 2018, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 855 Comparative Urban Politics**

3 cr. Graduate.

Examination of critical roles, structures, and processes of urban politics in different cultural settings. Selected to facilitate comparisons between the urban political process in developed and underdeveloped nations.

**Prerequisites:** second semester grad student.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirements.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Fall 2020, Summer 2017, Fall 2012, Summer 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 913 Seminar in Urban Political Process**

3 cr. Graduate.

Analysis of the forces and processes that shape urban political life, with particular emphasis on patterns of government, political culture, power structures, and civic participation in urban and metropolitan communities.

**Prerequisites:** grad st.**Course Rules:** Pol Sci 913 & Urb Std 913 are jointly-offered; they count as repeats of one another.**Last Taught:** Spring 2023, Fall 2019, Spring 2016, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 925 Applied Bayesian Modeling for the Social Sciences**

3 cr. Graduate.

Theoretical foundations of Bayesian in comparison to Frequentist inference as well as applications of MCMC simulation to GLMs, hierarchical, time-series and measurement models.

**Prerequisites:** grad st; Pol Sci 935(P) or equiv.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 926 Seminar in the Legislative Process**

3 cr. Graduate.

Analysis of the legislative process and the role of the legislature in the political system and research in legislative behavior.

**Prerequisites:** grad st.**Last Taught:** Spring 2018, Spring 2012, Fall 2010, Spring 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 929 Seminar in Voting Behavior**

3 cr. Graduate.

Voter decision making within and between elections.

**Prerequisites:** grad st.**Last Taught:** Spring 2021, Spring 2017, Fall 2011, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 935 Seminar in Advanced Political Science Methodology**

3 cr. Graduate.

An advanced seminar in selected topics on political science methodology.

**Prerequisites:** grad st; Pol Sci 701(817)(P).**Last Taught:** Fall 2022, Fall 2020, Spring 2015, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 936 Applied Bayesian Modeling for the Social Sciences**

3 cr. Graduate.

Theoretical foundations of Bayesian in comparison to Frequentist inference as well as applications of MCMC simulation to GLMs, hierarchical, time-series and measurement models.

**Prerequisites:** grad st; Pol Sci 935(P) or equiv.**Last Taught:** Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 950 Seminar in Comparative Politics: Western Nations**

3 cr. Graduate.

**Prerequisites:** grad st.**Last Taught:** Fall 2005, Spring 2002, Fall 1999, Spring 1998.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 952 The Politics of Developing Nations:**

3 cr. Graduate.

Variable content course.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic to 6 cr max.**Last Taught:** Spring 2020, Spring 2018, Spring 2016, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 953 Seminar in American Foreign Policy**

3 cr. Graduate.

Analysis-in-depth of selected issues in the formulation and execution of American foreign policy, emphasizing recent problems, changes in world conditions, and methods of studying American policy.

**Prerequisites:** grad st.**Last Taught:** Spring 2022, Spring 2019, Spring 2016, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 956 Political Culture and Behavior: Industrial Nations**

3 cr. Graduate.

Political culture and mass political behavior in industrialized societies, including theories of ideology, multiculturalism, and political parties. A data-based paper is required.

**Prerequisites:** grad st; Pol Sci 701(817)(P) or equiv prep in statistics.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 960 International Conflict**

3 cr. Graduate.

Examines positive theories and quantitative research pertaining to causes and resolution of international conflict.

**Prerequisites:** grad st.**Last Taught:** Fall 2021, Spring 2018, Fall 2015, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**POL SCI 961 International Political Theory**

3 cr. Graduate.

The study of the moral and political philosophy of international relations.

**Prerequisites:** grad st.**Last Taught:** Fall 2004, Fall 2002, Spring 2000, Fall 1995.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 962 Ethnic Conflict**

3 cr. Graduate.

Origins, strategies, duration, and termination of ethnic conflicts; international intervention.

**Prerequisites:** grad st**Last Taught:** Spring 2023, Fall 2019, Spring 2017, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 963 Seminar in Judicial Process and Behavior**

3 cr. Graduate.

**Prerequisites:** grad st.**Last Taught:** Spring 2012, Spring 2011, Fall 1993, Spring 1991.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 964 Seminar in Constitutional Politics**

3 cr. Graduate.

Various approaches to the study of constitutional politics, including law as ideology, noninterpretivism, originalism, and departmentalism.

**Prerequisites:** grad st; Pol Sci 727(P).**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 972 Interest Groups and Public Policy**

3 cr. Graduate.

Research seminar in the formal and informal role of interest groups in policy development enactment, and administration access and tactics of political pressure, analysis of private and public power relationships.

**Prerequisites:** grad st.**Last Taught:** Fall 2007, Fall 2005, Fall 2003, Spring 2002.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 973 Political Parties**

3 cr. Graduate.

Selection of problems and design of research on the organization and processes of political parties.

**Prerequisites:** grad st.**Last Taught:** Spring 2011, Spring 2009, Spring 2007, Spring 1987.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 974 Seminar in Politics and Public Policy**

3 cr. Graduate.

Research in the formulation and execution of public policy in a democratic society.

**Prerequisites:** grad st.**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 975 Comparative Authoritarianism**

3 cr. Graduate.

Domestic and international politics of authoritarian regimes; methods of rule, regime survival strategies, and political economy.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2021, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 976 Seminar in Comparative Public Policy:**

3 cr. Graduate.

Major theories and methods in comparative public policy relevant to specific areas of the world. Area focus varies from semester to semester.

**Prerequisites:** grad st.**Course Rules:** Retakable w/ chg in topic to 6 cr max.**Last Taught:** Spring 2022, Spring 2019, Spring 2015, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 990 Research and Thesis**

1-3 cr. Graduate.

**Prerequisites:** grad st; cons instr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**POL SCI 999 Independent Work**

1-3 cr. Graduate.

Individual work directed by a member of the graduate faculty.

**Prerequisites:** grad st & cons instr.**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Portuguese (PORTUGS)

**PORTUGS 103 First-Semester Portuguese**

4 cr. Undergraduate.

Beginner-level Portuguese; listening, speaking, reading, writing, and grammar.

**Prerequisites:** none.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PORTUGS 104 Second-Semester Portuguese**

4 cr. Undergraduate.

Continuation of Portugs 103.

**Prerequisites:** Portugs 103(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (4 retro cr).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PORTUGS 110 Accelerated Portuguese I**

3 cr. Undergraduate.

Accelerated beginner-level course designed to enable students to develop comprehensive listening, speaking, reading, and writing skills in Portuguese.

**Prerequisites:** none.**Last Taught:** Summer 2023, Summer 2022, Summer 2021, Summer 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PORTUGS 197 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** acceptance in Study Abroad Prog.**Course Rules:** May be retaken w/change in topic.**Last Taught:** Spring 2022, Spring 2020, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult department chair.

**Prerequisites:** 2.50 GPA, consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 6 cr max.

**Last Taught:** Spring 2022, Spring 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 202 Portuguese for Spanish Speakers**

3 cr. Undergraduate.

Content of PORTUGS 103 and PORTUGS 104 at a fast pace in one semester, building on students' knowledge of Spanish; similarities and differences between Spanish and Portuguese.

**Prerequisites:** SPANISH 204(P), Level 5 on the UW System Spanish Placement Test, or permission of instructor.

**Course Rules:** Students may not receive credit for PORTUGS 202 if they have taken PORTUGS 110 or PORTUGS 104.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 203 Third-Semester Portuguese**

3 cr. Undergraduate.

Intermediate-level continuation of Portugs 104. Development of listening, speaking, reading, and writing; review of first-year grammatical concepts. Readings in modern literary and non-literary texts.

**Prerequisites:** Portugs 104(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (8 retro cr).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 204 Fourth-Semester Portuguese**

3 cr. Undergraduate.

Intermediate-level continuation of Portugs 203. Development of listening, speaking, reading, and writing; review of first-year grammatical concepts. Readings in modern literary and non-literary texts.

**Prerequisites:** Portugs 203(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (11 retro cr).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 225 Understanding Brazil:**

3 cr. Undergraduate.

Topics in Brazilian culture and society.

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**General Education Requirements:** HU

**Last Taught:** Spring 2018, Spring 2015, Spring 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 289 Internship in Portuguese, Lower Division**

1-3 cr. Undergraduate.

Application of basic principles of Portuguese in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Portugs; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 3 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2022, Spring 2020, Spring 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2013, Fall 2012, Spring 2012, Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 310 Advanced Composition and Conversation**

3 cr. Undergraduate.

Designed to develop students' oral and writing skills.

**Prerequisites:** Portugs 204(P) or equiv. Generates L&S credit for demonstrated equivalent preparation (14 retro cr).

**Last Taught:** Fall 2023, Fall 2022, Fall 2015, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 313 Advanced Speaking and Listening**

3 cr. Undergraduate.

Practice in speaking and listening for advanced students through discussion of Luso-Brazilian audiovisual and/or multi-media cultural tools; follow-up reading, writing, and grammar activities.

**Prerequisites:** Portugs 204(P) or equiv.

**Course Rules:** Generates L&S credit for demonstrated equivalent preparation (14 retro crs).

**Last Taught:** Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 360 Luso-Brazilian Culture:**

3 cr. Undergraduate.

One or more aspects of contemporary culture in the Portuguese-speaking world.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** In English. May be retaken with change in topic to 12 cr max.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 397 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/change in topic.

**Last Taught:** Spring 2020, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 489 Internship in Portuguese, Upper Division**

1-3 cr. Undergraduate.

Application of advanced principles of Portuguese in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Portugs; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 3 cr max.

**Last Taught:** Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2017, Fall 2016, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 597 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 597G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 697 Study Abroad:**

1 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 697G Study Abroad:**

1 cr. Undergraduate/Graduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** jr st; acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PORTUGS 699 Independent Reading**

1-3 cr. Undergraduate.

Advanced independent work under supervision of a Portugs faculty or instructional academic staff member. Students must submit study proposal. For more information, consult dept chair.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken for cr.

**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Psychology (PSYCH)

**PSYCH 101 Introduction to Psychology**

3 cr. Undergraduate.

The scientific study of behavior.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 193 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 6 cr max.

**Last Taught:** Fall 2009, Spring 2009, Fall 2006, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 205 Personality**

3 cr. Undergraduate.

Principles of personality; an overview of adaptive and maladaptive behavior patterns.

**Prerequisites:** Psych 101(P).

**General Education Requirements:** SS

**Last Taught:** UWinteriM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 210 Psychological Statistics**

4 cr. Undergraduate.

Use of statistical techniques in Psychology. Lec & Lab.

**Prerequisites:** Psych 101(P); satisfaction of GER Quant Lit Part A req.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 211 Current Topics in Psychology:**

1-4 cr. Undergraduate.

The specific topics and additional prerequisites are announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** PSYCH 101(P).

**Course Rules:** Retakable with change in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 214 Introduction to Conditioning and Learning**

3 cr. Undergraduate.

Introduction to principles and procedures of conditioning and learning.

**Prerequisites:** Psych 101(P).

**General Education Requirements:** SS

**Last Taught:** Summer 2023, Fall 2022, Fall 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 220 Introduction to Cognitive Psychology**

3 cr. Undergraduate.

Introducing the fundamentals of how people think. Topics include perception, attention, learning and memory, language, and decision-making.

**Prerequisites:** PSYCH 101(P).

**Course Rules:** Counts as repeat of PSYCH 211 with same topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 230 Social Psychology: Psychological Perspectives**

3 cr. Undergraduate.

Areas of social psychology such as aggression, attitudes, interpersonal attraction, and group processes examined from a psychological perspective.

**Prerequisites:** Psych 101(P).

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 254 Introduction to Neuroscience**

3 cr. Undergraduate.

An introduction to neuroscience and the neurobiological bases of behavior.

**Prerequisites:** PSYCH 101(P).

**General Education Requirements:** NS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 260 Child Psychology**

3 cr. Undergraduate.

The development of the child.

**Prerequisites:** Psych 101(P).

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 290 Undergraduate Research: Lower Division**

1-3 cr. Undergraduate.

Independent research under the supervision of a faculty member.

**Prerequisites:** fr & soph st only; Psych 101(P) and sponsorship by a faculty member.

**Course Rules:** May be retaken for cr.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 292 Psychology Field Placement-Lower Division**

3 cr. Undergraduate.

**Prerequisites:** Psych 101(P); cons instr & placement supervisor.

**Course Rules:** May be retaken for cr.

**Last Taught:** Spring 2019, Fall 2018, Summer 2018, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.

**Course Rules:** One credit for 45 hrs research. May be retaken to 9 cr max in any combination of UROP apprenticeship courses. Not open to jrs & srs.

**Last Taught:** Spring 2018, Fall 2017, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored programs before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 319 LGBTIQ Psychology**

3 cr. Undergraduate.

Psychological theory and research on sexual orientation.

**Prerequisites:** junior standing and PSYCH 101(P).

**Course Rules:** Foundations course.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 320 Psychology of Gender**

3 cr. Undergraduate.

Psychological theory and research on how gender influences our thinking, feelings, and behavior.

**Prerequisites:** junior standing and PSYCH 101(P).

**Course Rules:** Foundations course.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 325 Research Methods in Psychology**

4 cr. Undergraduate.

Design and execution of psychological research. Collection, analysis, and reporting of data.

**Prerequisites:** a grade of C or better in PSYCH 101(P) and PSYCH 210(P); and a grade of C or better in ENGLISH 102(P) or score of level 4 on EPT.

**Course Rules:** Lec & Lab.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 407 Personality Theory**

3 cr. Undergraduate.

Theories of personality. 2 hrs lec, 1 hr dis

**Prerequisites:** Psych 205(P).

**Course Rules:** Systems course.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 412 Abnormal Psychology**

3 cr. Undergraduate.

Psychology of abnormal behavior; the nature and social-biological origins of psychotic, neurotic, and other behavioral abnormalities.

**Prerequisites:** Psych 101(P).

**Course Rules:** Foundations and Systems course.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 433 Neuropsychology**

3 cr. Undergraduate.

Introduction to the theory, research literature and assessment of the cognitive and emotional aspects of brain function. Systems course.

**Prerequisites:** PSYCH 254(P) or consent of instructor.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 454 Psychopharmacology and Addiction**

3 cr. Undergraduate.

Examination of mode of action, acute and chronic effects, and the neurobiological and psychological characteristics of psychoactive drugs with an emphasis on addiction.

**Prerequisites:** PSYCH 254(P) or consent of instructor.

**Course Rules:** Foundations course.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored programs before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored programs before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 1989.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 502 Applied Behavior Analysis**

4 cr. Undergraduate/Graduate.

Learning and motivation of human behavior in applied settings. Lab work in community agencies using operant methods, behavior modification, programmed instruction, AV systems. Lec, Lab.

**Prerequisites:** jr st; Psych 325(P).

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 502G Applied Behavior Analysis**

4 cr. Undergraduate/Graduate.

Learning and motivation of human behavior in applied settings. Lab work in community agencies using operant methods, behavior modification, programmed instruction, AV systems. Lec, Lab.

**Prerequisites:** jr st; Psych 325(P).

**Last Taught:** Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 503 Perception**

3 cr. Undergraduate/Graduate.

The nature of perception and its relation to environmental and internal processes.

**Prerequisites:** jr st; 9 cr in psych.

**Course Rules:** Systems course.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 503G Perception**

3 cr. Undergraduate/Graduate.

The nature of perception and its relation to environmental and internal processes.

**Prerequisites:** jr st; 9 cr in psych.

**Course Rules:** Systems course.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 505 Cognitive Processes**

4 cr. Undergraduate/Graduate.

Human information processing, emphasizing vision and language.

Topics: pattern recognition; sensory-specific memory systems, short- and long-term; modern approaches to mental imagery and operations. Lec, lab.

**Prerequisites:** jr st; Psych 325(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 505G Cognitive Processes**

4 cr. Undergraduate/Graduate.

Human information processing, emphasizing vision and language.

Topics: pattern recognition; sensory-specific memory systems, short- and long-term; modern approaches to mental imagery and operations. Lec, lab.

**Prerequisites:** jr st; Psych 325(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 510 Advanced Psychological Statistics**

3 cr. Undergraduate/Graduate.

Topics include probability and sampling theory, correlational methods, and nonparametric techniques. Foundations course.

**Prerequisites:** jr st & Psych 210(P); or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 510G Advanced Psychological Statistics**

3 cr. Undergraduate/Graduate.

Topics include probability and sampling theory, correlational methods, and nonparametric techniques. Foundations course.

**Prerequisites:** jr st & Psych 210(P); or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 540 Clinical Psychology: Science and Practice**

3 cr. Undergraduate.

Key concepts, findings, and their applications in the field of research and practice of clinical science.

**Prerequisites:** jr st.

**Course Rules:** Foundations course.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 550 History of Psychology**

3 cr. Undergraduate/Graduate.

The important philosophical and scientific antecedents of contemporary psychology.

**Prerequisites:** jr st; 9 cr in psych.

**Course Rules:** Systems course.

**Last Taught:** Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 550G History of Psychology**

3 cr. Undergraduate/Graduate.

The important philosophical and scientific antecedents of contemporary psychology.

**Prerequisites:** jr st; 9 cr in psych.

**Course Rules:** Systems course.

**Last Taught:** Fall 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 555 Health Psychology**

3 cr. Undergraduate.

Psychological contributions to physical health in areas such as changing health habits, stress and coping, pain, and chronic illness.

**Prerequisites:** Psych 254(P) or cons instr.

**Course Rules:** Systems course.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 578 Psychology of Race, Ethnicity, and Health**

3 cr. Undergraduate/Graduate.

Psychological theory and research on how health is related to race and ethnicity.

**Prerequisites:** jr st, Psych 101(P); or grad st.

**Course Rules:** Foundations course. No cr for students w/cr in Psych 611 w/similar topic.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 578G Psychology of Race, Ethnicity, and Health**

3 cr. Undergraduate/Graduate.

Psychological theory and research on how health is related to race and ethnicity.

**Prerequisites:** jr st, Psych 101(P); or grad st.

**Course Rules:** Foundations course. No cr for students w/cr in Psych 611 w/similar topic.

**Last Taught:** Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 610 Experimental Design**

3 cr. Undergraduate/Graduate.

Design and analysis of single and multi-factor experiments; tests for trends; multiple comparisons. Foundations course.

**Prerequisites:** jr st & Psych 210(P); or grad st.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 610G Experimental Design**

3 cr. Undergraduate/Graduate.

Design and analysis of single and multi-factor experiments; tests for trends; multiple comparisons. Foundations course.

**Prerequisites:** jr st & Psych 210(P); or grad st.

**Last Taught:** Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 611 Current Topics:**

1-4 cr. Undergraduate/Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing.

**Course Rules:** Foundations course. May be retaken with change in topic to 12 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 611G Current Topics:**

1-4 cr. Undergraduate/Graduate.

Specific topics and any additional prerequisites will be announced in the Schedule of Classes each time the course is offered.

**Prerequisites:** junior standing.

**Course Rules:** Foundations course. May be retaken with change in topic to 12 cr max.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 623 Perceptual Processes**

4 cr. Undergraduate.

Experimental investigation of perception.

**Prerequisites:** jr st & Psych 325(P)

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 627 Cognitive Neuroscience**

3 cr. Undergraduate.

How the brain enables the mind; broad introduction to cognitive neuroscience, with emphasis on a converging methods approach.

**Prerequisites:** jr st; Psych 210(P) & 254(P).

**Course Rules:** Systems course. Counts as repeat of Psych 611 w/same topic.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 630 Cellular and Molecular Neuroscience**

3 cr. Undergraduate.

Structural, electrophysiological, cellular, and molecular aspects of neural processes and how neuropsychiatric and neurodegenerative brain disorders impact them.

**Prerequisites:** junior standing or higher and PSYCH 254(P) or consent of instructor.

**Course Rules:** Foundations course. Counts as a repeat of PSYCH 611 with same topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 645 Hormones and Behavior**

3 cr. Undergraduate.

Effects of hormones on behavior and brain function in various species.

**Prerequisites:** junior standing and PSYCH 254(P), or consent of instructor.

**Course Rules:** Counts as repeat of PSYCH 611 with same topic.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 654 Advanced Behavioral Neuroscience**

4 cr. Undergraduate/Graduate.

Advanced topics in behavioral neuroscience focused on nervous system development, network-based organization, and neural plasticity. Lec, lab.

**Prerequisites:** junior standing or greater, PSYCH 254(P), and PSYCH 325(P).

**Course Rules:** Required special course fee assessed; announced in Schedule of Classes each term.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 654G Advanced Behavioral Neuroscience**

4 cr. Undergraduate/Graduate.

Advanced topics in behavioral neuroscience focused on nervous system development, network-based organization, and neural plasticity. Lec, lab.

**Prerequisites:** junior standing or greater, PSYCH 254(P), and PSYCH 325(P).

**Course Rules:** Required special course fee assessed; announced in Schedule of Classes each term.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 656 Psychophysiology**

4 cr. Undergraduate.

Experimental investigation of physiological factors in human behavior. Lec, lab.

**Prerequisites:** jr st; Psych 254(R) & 325(P).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 657 Neurobiology of Learning and Memory**

3 cr. Undergraduate/Graduate.

Functional and structural alterations in nervous system underlying organism's ability to learn/remember. Principles drawn from molecular and cellular neurobiology, neurophysiology, neuroanatomy, and behavioral neuroscience.

**Prerequisites:** jr st.

**Course Rules:** Systems course. Counts as repeat of Psych 611 w/same topic.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 657G Neurobiology of Learning and Memory**

3 cr. Undergraduate/Graduate.

Functional and structural alterations in nervous system underlying organism's ability to learn/remember. Principles drawn from molecular and cellular neurobiology, neurophysiology, neuroanatomy, and behavioral neuroscience.

**Prerequisites:** jr st.

**Course Rules:** Systems course. Counts as repeat of Psych 611 w/same topic.

**Last Taught:** Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 660 Experimental Child Psychology**

4 cr. Undergraduate/Graduate.

Experimental investigation of child behavior and development. Lec, lab.

**Prerequisites:** jr st; Psych 260(R) & 325(P).

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 660G Experimental Child Psychology**

4 cr. Undergraduate/Graduate.

Experimental investigation of child behavior and development. Lec, lab.

**Prerequisites:** jr st; Psych 260(R) & 325(P).

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 677 Experimental Social Psychology**

4 cr. Undergraduate/Graduate.

Experimental investigation of social behavior. Lec, lab.

**Prerequisites:** jr st; Psych 230(R) & 325(P).

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 677G Experimental Social Psychology**

4 cr. Undergraduate/Graduate.  
Experimental investigation of social behavior. Lec, lab.  
**Prerequisites:** jr st; Psych 230(R) & 325(P).  
**Last Taught:** Fall 2023, Fall 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 680 Psychology of Aging**

3 cr. Undergraduate/Graduate.  
Extension of principles of general psychology to the process of aging.  
**Prerequisites:** jr st; Psych 325(P) or cons instr.  
**Course Rules:** Systems course.  
**Last Taught:** Fall 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 680G Psychology of Aging**

3 cr. Undergraduate/Graduate.  
Extension of principles of general psychology to the process of aging.  
**Prerequisites:** jr st; Psych 325(P) or cons instr.  
**Course Rules:** Systems course.  
**Last Taught:** Fall 2023.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 682 The Aging Brain**

3 cr. Undergraduate.  
Effects of aging process on brain function; resulting effects on psychological function.  
**Prerequisites:** junior standing and PSYCH 254(P), or consent of instructor.  
**Course Rules:** Counts as repeat of PSYCH 611 with same topic.  
**Last Taught:** Spring 2022, Spring 2020, Fall 2017.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 690 Undergraduate Research: Upper Division**

1-3 cr. Undergraduate.  
Independent research under the supervision of a faculty member.  
**Prerequisites:** jr st; sponsorship by a faculty member.  
**Course Rules:** May be retaken for cr.  
**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 692 Field Placement in Psychology**

3 cr. Undergraduate.  
**Prerequisites:** jr st; cons instr & placement supervisor.  
**Course Rules:** May be retaken for cr.  
**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 697 Field or Research Placement in Psychology for Seniors**

3 cr. Undergraduate.  
**Prerequisites:** sr st; cons instr &, if appropriate, placement supervisor.  
**Course Rules:** Fulfills Capstone req.  
**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 698 Senior Thesis**

3 cr. Undergraduate.  
Completion of thesis under the supervision of faculty.  
**Prerequisites:** sr st; 3.5 gpa in all Psych course work or cons instr.  
**Course Rules:** May be retaken to 6 cr max.  
**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 699 Independent Study**

1-3 cr. Undergraduate.  
Advanced independent work under the supervision of a Psych faculty member. Students must submit study proposal to the prof with whom they wish to study. For additional information, consult supervising prof.  
**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair and Assistant Dean for Student Academic Services.  
**Course Rules:** May be retaken with change in topic.  
**Last Taught:** Fall 2023, Spring 2021, Fall 2020, Spring 2020.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 702 Applied Behavior Analysis**

3 cr. Graduate.  
Use of learning principles and procedures to solve behavior problems. 3 hrs lec, 1 hr dis.  
**Prerequisites:** grad st.  
**Last Taught:** Spring 2022, Fall 2021, Spring 2009, Spring 2005.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 710 Survey of Clinical Research Methods**

3 cr. Graduate.  
Various research methods in clinical psychology.  
**Prerequisites:** grad st.  
**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 711 Current Topics in Psychology:**

1-4 cr. Graduate.  
Specific topics and any additional prerequisites will be announced in the schedule of classes each time the course is offered.  
**Prerequisites:** graduate standing.  
**Course Rules:** Retakable with change in topic to 9 cr max.  
**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 712 Professional Ethics and Issues in Clinical Psychology**

3 cr. Graduate.  
Introduction to clinical practice and ethics.  
**Prerequisites:** grad st.  
**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 727 Cognitive Neuroscience**

3 cr. Graduate.  
How the brain enables the mind; broad introduction to cognitive neuroscience, with emphasis on a converging methods approach.  
**Prerequisites:** grad st.  
**Course Rules:** Counts as repeat of 711 w/same topic.  
**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Fall 2021.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 741 Foundations of Psychotherapy**

3 cr. Graduate.  
Introduction to psychotherapies: origins, orientations, procedures, and empirical support.  
**Prerequisites:** grad st.  
**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.  
**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 742 Empirically-Supported Interventions**

3 cr. Graduate.

Research-supported therapy protocols for a variety of behavioral disorders; didactic instruction and role-play practice/feedback.

**Prerequisites:** grad st; some background in psychopathology & systems of psychotherapy recom.

**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 745 Hormones and Behavior**

3 cr. Graduate.

Effects of hormones on behavior and brain function in various species.

Counts as repeat of Psych 711 with same topic.

**Prerequisites:** grad st

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 750 The History of Psychology**

3 cr. Graduate.

Examination of the grounding of modern psychological theory and practice in the history of western culture. 3 hrs lec, 1 hr dis.

**Prerequisites:** grad st.

**Course Rules:** Not open to students with cr in Psych 550(ER).

**Last Taught:** Fall 2022, Fall 2020, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 754 Proseminar in Neuroscience**

3 cr. Graduate.

Overview of current topics in neuroscience including neuropsychopharmacology, neuropsychology, psychophysiology, and behavioral medicine.

**Prerequisites:** acceptance to the PhD program in Psychology: Neuroscience program and consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 756 Psychophysiology**

3 cr. Graduate.

Experimental investigation of physiological factors in behavior. 2 hrs lec; 1 hr dis.

**Prerequisites:** grad st.

**Course Rules:** Not open to students with cr in Psych 656(ER).

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 760 Experimental Child Psychology**

3 cr. Graduate.

Investigation of experimental research relating to infant and child behavior. Lec, Lab, Dis.

**Prerequisites:** grad st.

**Course Rules:** No cr for students w/cr in Psych 660(ER).

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 782 The Aging Brain**

3 cr. Graduate.

Effects of aging process on brain function; resulting effects on psychological function. Counts as repeat of Psych 711 with same topic.

**Prerequisites:** grad st.

**Last Taught:** Spring 2022, Spring 2020, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 790 Masters Research**

1-6 cr. Graduate.

**Prerequisites:** grad st & cons advisory committee.

**Course Rules:** Retakable.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 799 Advanced Independent Study**

1-6 cr. Graduate.

**Prerequisites:** grad st & sponsorship by a faculty member.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Spring 2019, Spring 2018, Spring 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 802 First-Year Clinical Psychology Practicum**

3 cr. Graduate.

Administration of psychological tests to clinic clients; interviewing, contact with referred sources, feedback of test results to clients, written reports and co-therapy with experienced therapist.

**Prerequisites:** grad st; clinical training prog; cons instr.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 811 Community Placement in Clinical Psychology**

3 cr. Graduate.

Specific agency and additional prerequisites announced in the schedule of classes each time the course is offered.

**Prerequisites:** grad st; cons instr & placement supervisor.

**Course Rules:** Retakable w/chg of placement to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 812 Field Placement in Psychology**

3 cr. Graduate.

**Prerequisites:** grad st; cons instr & placement supervisor.

**Course Rules:** Retakable for cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 814 Clinical Psychology Multicultural Seminar**

1 cr. Graduate.

Development of foundation in cultural consciousness, models of cultural competency, and cultural humility; practice in dialogue on identity, power, implicit bias, health disparities and structural inequities.

**Prerequisites:** graduate standing.

**Course Rules:** Repeatable to 4 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 815 Cases in Clinical Neuropsychology**

1 cr. Graduate.

Didactic training in clinical neuropsychological evaluation, diagnosis, treatment, and consulting. Format includes lectures, journal reviews, and case conferences.

**Prerequisites:** Clinical psych doctoral student or cons instr.

**Course Rules:** Retakable to 5 cr max. Counts as repeat of Psych 711 w/ similar topic.

**Last Taught:** Spring 2023, Fall 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 821 Practicum in Assessment I**

3 cr. Graduate.

Practical experience utilizing techniques used in Assessment I (Psych 831).

**Prerequisites:** grad st; Psych 712(P), 801(P), 912(P); clinical training prog. Conc reg Psych 831(C) by clinical Psych students.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 822 Practicum in Assessment II**

1-3 cr. Graduate.

Practical experience utilizing techniques used in Assessment II (Psych 832).

**Prerequisites:** grad st; Psych 821(P); clinical training prog. Psych 832(C) by clinical psych students.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 831 Assessment I**

3 cr. Graduate.

Objective techniques used in the appraisal of personality and intellectual processes.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 832 Assessment II**

1 cr. Graduate.

Case conceptualization and group supervision for child and adult assessment.

**Prerequisites:** graduate standing; PSYCH 831(P).**Course Rules:** Repeatable to 6 cr max.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 833 Neuropsychology**

3 cr. Graduate.

Anatomy, pathology, and neuropsychology of the higher brain functions in humans. Prereq: grad st.

**Last Taught:** Spring 2022, Spring 2019, Spring 2015, Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 834 Seminar in Advanced Assessment:**

3 cr. Graduate.

Specific topics and any additional prerequisites will be announced in the Timetable each time the course is offered.

**Prerequisites:** grad st; Psych 831(P).**Course Rules:** Retakable w/chg in topic to 9 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 842 Practicum in Therapy**

4 cr. Graduate.

Supervised practicum experience with therapeutic techniques used in clinical psychology.

**Prerequisites:** grad st; Psych 712(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 844 Practicum in Clinical Supervision**

3 cr. Graduate.

Practicum to enhance theoretical and practical skills for supervising clinical work.

**Prerequisites:** grad st; completion of all required clinical Psych courses & practica.**Course Rules:** Retakable to 12 cr max.**Last Taught:** Spring 2016, Fall 2015, Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 845 Practicum in Empirically-Supported Interventions**

1-3 cr. Graduate.

Application of techniques learned in Psych 742 (Empirically-Supported Interventions).

**Prerequisites:** grad st; Psych 742(C).**Course Rules:** Retakable once to 3 cr max.**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 854 Behavioral Neuroscience**

3 cr. Graduate.

Introduction to current research and theory regarding the neural basis of behavior.

**Prerequisites:** grad st.**Course Rules:** Not open to students who have cr in Psych 654(ER).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Spring 2005, Summer 2004, Summer 2003, Fall 1999.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 890 Graduate Research**

1-6 cr. Graduate.

**Prerequisites:** grad st & sponsorship by a grad faculty member.**Course Rules:** Retakable.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 912 Developmental Psychopathology**

3 cr. Graduate.

Seminar on concepts and research in the scientific study of psychopathology across the lifespan

**Prerequisites:** grad st.**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PSYCH 930 Seminar in Social Psychology**

3 cr. Graduate.

**Prerequisites:** grad st.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 933 Seminar in Neuroscience**

2 cr. Graduate.

Student oral and poster presentations in cellular, molecular, behavioral, and cognitive neuroscience. Students will also write evaluations and summaries of external presentations.

**Prerequisites:** grad st in Bio Sci, Psych, or Ed Psych or cons instr

**Course Rules:** Retakable to 8 cr max. Psych 933 & Bio Sci 933 are jointly offered; students may enroll under only one of the curricular areas in any single semester.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 955 Seminar in Social Psychology and Health**

3 cr. Graduate.

Theoretical and empirical contributions of social psychology to health.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 961 Seminar in Child-Clinical Psychology**

1 cr. Graduate.

Diagnosis, etiology, therapy, and research in child-clinical psychology are discussed and criticized.

**Prerequisites:** graduate standing.

**Course Rules:** Counts as a repeat of PSYCH 711 with similar topic. Repeatable to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2007, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 990 Doctoral Research**

1-6 cr. Graduate.

**Prerequisites:** grad st & admis to candidacy for Ph.D. degree.

**Course Rules:** Retakable.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PSYCH 995 Clinical Psychology Internship**

1-3 cr. Graduate.

Required internship for students in the clinical psychology PhD program.

**Prerequisites:** clinical psych doctoral student; dissertator status; proposal hearing passed; cons instr.

**Course Rules:** Considered full time for FA purposes. Retakable. Students who have passed dissertation defense enroll for 1 cr; all others enroll for 3 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Public Administration (PUB ADM)

**PUB ADM 243 Public Administration**

3 cr. Undergraduate.

The means used to implement political values with emphasis on problems of administration in modern government.

**Prerequisites:** none.

**Course Rules:** Pol Sci 243 & Pub Adm 243 are jointly offered; they count as repeats of one another.

**General Education Requirements:** SS

**Last Taught:** Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 400 Ethics and Responsibility in Public Administration**

3 cr. Undergraduate/Graduate.

How public administrators make ethically-sound decisions; moral and value systems that shape public administration; temptations that can cause officials to stray from ethical standards.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Pol Sci 387 w/ Administrative Ethics & Responsibility subtitle.

**Last Taught:** Fall 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 400G Ethics and Responsibility in Public Administration**

3 cr. Undergraduate/Graduate.

How public administrators make ethically-sound decisions; moral and value systems that shape public administration; temptations that can cause officials to stray from ethical standards.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of Pol Sci 387 w/ Administrative Ethics & Responsibility subtitle.

**Last Taught:** Fall 2014, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 452 Administrative Law**

3 cr. Undergraduate/Graduate.

An examination of due process, privacy, and other constitutional and legal issues as they arise in the regulatory investigatory, and enforcement activities of administrative agencies.

**Prerequisites:** jr st.

**Course Rules:** American politics course. Pol Sci 452 & Pub Adm 452 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 452G Administrative Law**

3 cr. Undergraduate/Graduate.

An examination of due process, privacy, and other constitutional and legal issues as they arise in the regulatory investigatory, and enforcement activities of administrative agencies.

**Prerequisites:** jr st.

**Course Rules:** American politics course. Pol Sci 452 & Pub Adm 452 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 461 Organizational Theory and Practice**

3 cr. Undergraduate/Graduate.

Analysis of the role of organizations in contemporary society, with particular emphasis on governmental organizations that have formal regulation of individual group behavior as their basic functions.

**Prerequisites:** jr st.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 461G Organizational Theory and Practice**

3 cr. Undergraduate/Graduate.

Analysis of the role of organizations in contemporary society, with particular emphasis on governmental organizations that have formal regulation of individual group behavior as their basic functions.

**Prerequisites:** jr st.

**Last Taught:** Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 630 Budgeting and Finance in the Public Sector**

3 cr. Undergraduate/Graduate.

Examination of the budgeting process in the public sector; development of skills in budgeting and financial management. Topics include capital budgeting, debt management, revenue forecasting, and auditing.

**Prerequisites:** sr st or cons instr.

**Course Rules:** Jointly-offered w/& counts as repeat of UrbPlan 630.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 630G Budgeting and Finance in the Public Sector**

3 cr. Undergraduate/Graduate.

Examination of the budgeting process in the public sector; development of skills in budgeting and financial management. Topics include capital budgeting, debt management, revenue forecasting, and auditing.

**Prerequisites:** sr st or cons instr.

**Course Rules:** Jointly-offered w/& counts as repeat of UrbPlan 630.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 730 Budgeting for Public Sector Professionals**

3 cr. Graduate.

Budgeting skills for effective local and state government management; financial reporting, revenue collection and administration, pension funds, debt issuance, analytical techniques used in public budgeting.

**Prerequisites:** grad st

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 750 Public Administration Risk and Analysis**

3 cr. Graduate.

Efficiency analysis; return-on-investment analysis; shared services vs. privatization; total employee compensation as a management tool; risk mitigation; the government purchasing process.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 763 Scope and Dynamics of Public Administration**

3 cr. Graduate.

The field of public administration, including organization theory, public management, the politics of administration, and the role of government in policy-making.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 769 Analyzing and Evaluating Public Policies and Programs**

3 cr. Graduate.

Examination of methods, including cost-benefit analysis and decision analysis, that aid policy makers and administrators in understanding and assessing public and nonprofit sector policies and programs.

**Prerequisites:** grad st.

**Course Rules:** Pol Sci 769 & Pub Adm 769 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 792 Decision-Making for Nonprofit and Public Organizations**

3 cr. Graduate.

Research methods including research design, measurement, and analysis. Qualitative and quantitative decision-making methods. Understanding and using basic statistical concepts and techniques in decision making.

**Prerequisites:** grad st

**Course Rules:** Nonprof 792 & Pub Adm 792(Pol Sci 792) are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable to 12 cr max. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2016, Spring 2016, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 914 Seminar in Intergovernmental Relations**

3 cr. Graduate.

Policy issues in intergovernmental relations and the complex governmental context in which Americans live and work.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 921 Public Service Administrative Internship**

3 cr. Graduate.

This course combines a supervised field placement in a governmental agency or non-profit organization with class sessions and assignments designed to augment the work experience.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Fall 2020, Spring 2019, Spring 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 958 Seminar in Public Administration:**

3 cr. Graduate.

Selected topics covering different aspects of public administration.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 959 Capstone Seminar in Public Administration**

3 cr. Graduate.

Seminar in public administration focusing on administrative ethics and applied research. Requires written and oral presentation of research project.

**Prerequisites:** grad st; completion of MPA core curriculum.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PUB ADM 965 Municipal Management**

3 cr. Graduate.

The political, social, and economic contexts in which the urban manager functions, with an emphasis on managing municipal service delivery and resources.

**Prerequisites:** grad st.**Course Rules:** Pub Adm 965(Pol Sci 965) & Urb Std 965 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PUB ADM 999 Independent Study**

1-3 cr. Graduate.

Independent study in a subject area of special need or interest after consultation with a faculty member.

**Prerequisites:** grad st**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Public Health (PH)

**PH 100 New Student Experience in Public Health**

1 cr. Undergraduate.

Students new to UWM develop academic and life skills for success, explore campus resources, and reflect on personal development and careers in public health.

**Prerequisites:** none.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 101 Introduction to Public Health**

3 cr.

Introduction to history, science and philosophy of Public Health including scientific research, policy development and health education.

**Prerequisites:** none.**Course Rules:** PH 101 and CGS HES 101 are jointly offered; they count as repeats of one another.**General Education Requirements:** SS**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 142 Exploring Global Environmental Health**

3 cr. Undergraduate.

Introduction to the sciences underpinning the study and response to infectious, chemical, and physical environmental threats to human health within a global public health framework.

**Prerequisites:** none.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 201 Public Health from Cells to Society I**

3 cr. Undergraduate.

Introduces public health as a holistic interdisciplinary field spanning cell to society. Emphasizes active learning about current public health problems from multilevel and lifecourse perspectives.

**Prerequisites:** Prerequisites: PH 101(P) or PH 142(P); BioSci 102(C).**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 202 Public Health from Cells to Society II**

3 cr. Undergraduate.

Introduces multilevel societal drivers of health inequities over the lifecourse. Actively explores how social inequality gets under the skin to influence current public health problems.

**Prerequisites:** PH 201(P); KIN 270(R) or SOCIOL 261(R).**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 206 Child and Adolescent Health**

3 cr. Undergraduate.

Review evidence-based child and adolescent health promotion in school, community, and clinical settings; Adolescent risk behaviors of special interest.

**Prerequisites:** none.**Last Taught:** Spring 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** Retakable w/chg in topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 302 Health and Disease: Concepts and Contexts**

3 cr. Undergraduate.

Concepts of health and disease across social, historical, political, and cultural contexts, with particular attention to the workings of race, gender, and sexuality.

**Prerequisites:** jr st & satisfaction of OWC-B.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 303 Climate Change, the Environment and Human Health**

3 cr. Undergraduate.

Acquire knowledge about and be able to identify ways in which climate change adversely affects human health globally, nationally and locally.

**Prerequisites:** soph st; or cons instr.**General Education Requirements:** NS**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 304 Foundations of Epidemiology**

3 cr. Undergraduate.

Introduces descriptive and analytic epidemiology, determinants of health and health inequities in populations, and basic application of quantitative epidemiologic methods to public health.

**Prerequisites:** PH 101(P); KIN 270(C), SOCIOL 261(C), MTHSTAT 215(C), or equivalent; or consent of instructor.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 306 Adolescent Health & Development**

3 cr. Undergraduate.

A public health perspective on adolescent development and health/ mental health promotion Readings, assignments and activities focus on drug use, sexuality, obesity, trauma, depression and violence.

**Prerequisites:** Psych 101(P) or PH 101(P) or cons instr.

**General Education Requirements:** SS

**Last Taught:** Fall 2019, Spring 2019, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 319 Introduction to Health Disparities**

3 cr. Undergraduate.

An introduction to health inequalities as they pertain to racial and ethnic populations in the U.S. and an overview of key determinants of population health.

**Prerequisites:** PH 101(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 327 Foundations for Action in Public Health**

3 cr. Undergraduate.

History, perspectives, and theoretical foundations of taking action and making change in public health and related disciplines.

**Prerequisites:** sophomore standing; PH 101(P); satisfaction of GER OWC Part A.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 345 Green fish, green worms & more: animal models and their applications**

3 cr. Undergraduate.

An introduction to the field of applied public health biology where animal models are being utilized to determine how environmental contaminants influence human health.

**Prerequisites:** none.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 346 Environmental Health and Disease**

3 cr. Undergraduate.

Investigates how the environment and/or environmental factors impact human health and population health with an emphasis on the developmental origins of disease.

**Prerequisites:** Bio Sci 102(P) & PH 142(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 355 Public Health Research Methods I**

3 cr. Undergraduate.

Introduction to public health qualitative and quantitative research methods and considerations for conducting ethical public health research.

**Prerequisites:** KIN 270(C) or SOCIOL 261(C), PH 101(P), and PH 304(C).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 375 Topics in Public Health:**

1-3 cr. Undergraduate.

Topics of current interest in Public Health for undergradates.

**Prerequisites:** none.

**Course Rules:** May be retaken w/ chg in topic.

**Last Taught:** Spring 2015, Summer 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 408 Comparative Health Systems: A Social Determinants Approach**

3 cr. Undergraduate.

Building on a conceptual foundation and diverse examples, introduces the US and international healthcare systems, and their role in improving population health and health equity.

**Prerequisites:** jr st & POL SCI 103(P), 104(P), 175(P), or 210(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 410 True Lies: Consuming and Communicating Quantitative Information**

3 cr. Undergraduate.

Develops quantitative critical thinking skills, from elementary statistics to causal inference and data visualization. Examines how data are used in health-related sciences and mass-media reports.

**Prerequisites:** KIN 270(P) or SOCIOL 261(P); PH 304(P).

**Last Taught:** Spring 2023, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 427 Strategies for Action in Public Health**

3 cr. Undergraduate.

In-depth study of assessment and planning methods, theory application, and interdisciplinary community-engaged approaches and strategies for taking action to promote population health and health equity.

**Prerequisites:** PH 327(P) & satisfaction of OWC-B.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 428 Program Implementation & Evaluation for a Healthy Society**

3 cr. Undergraduate.

Introduces concepts and methods for developing strategies of implementation and evaluation of health programs. Fundamental knowledge and skills for implementing and evaluating health promotion programs.

**Prerequisites:** PH 427(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 455 Public Health Research Methods II**

3 cr. Undergraduate.

Application of qualitative and quantitative methods, interpretation of findings and communication of results in public health research.

**Prerequisites:** PH 355(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 467 History of Scientific Reasoning in Global Public Health and Epidemiology**

3 cr. Undergraduate.

Introduction to the historical development of public health and epidemiology, and how historical and social contexts shape scientific theories of disease distribution and determinants.

**Prerequisites:** HCA 307(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 478 Public Health Research Using Social Media**

3 cr. Undergraduate.

Hands-on research and discussion seminar in which students examine a selected issue tied to social media and public health.

**Prerequisites:** PH 455(P).

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 600 Public Health Integrative Experience (Service Learning)**

3 cr. Undergraduate.

Culmination of public health major. Integrates and applies core public health competencies through an experiential service learning placement in a community organization, and seminar-style discussions.

**Prerequisites:** sr st.; declared PH major; cons instr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 699 Independent Study**

1-3 cr. Undergraduate.

Independent study on a topic not available as a regular course.

**Prerequisites:** cons instr.

**Last Taught:** Summer 2023, Spring 2023, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 700 Structures of Inequality and Population Health**

3 cr. Graduate.

Foundations of public health, critical social theory, and social justice praxis, which provide essential interdisciplinary tools for analyzing sociostructural processes and advancing social and health equity.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 701 Public Health Principles and Practice**

3 cr. Graduate.

Examination of fundamental principles designed to improve the health of the public, public health theories, domains, and practices.

**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 702 Introduction to Biostatistics**

3 cr. Graduate.

Development and application of statistical reasoning and methods in addressing, analyzing and solving problems in public health. Includes lab section with introduction to SAS, including macros and core statistical analysis functions.

**Prerequisites:** grad st; Math 116 with B or better, or equivalent, or cons instr

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 703 Environmental Health Sciences**

3 cr. Graduate.

Survey of effects environment has on humans, and effects humans have on environment, emphasis on toxicology and infectious disease.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 704 Principles and Methods of Epidemiology**

3 cr. Graduate.

Quantitative study of patterns and determinants of health in human populations applying biomedical and social epidemiology perspectives. Problem-based lab includes surveillance, measurement, study design, and causal inference applications.

**Prerequisites:** grad st; PH 702(C) or cons instr

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 705 Principles of Public Health Policy and Administration**

3 cr. Graduate.

The role of policy in influencing population health, policies that promote public health, the policymaking process, and the planning and administration of health systems.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 706 Perspectives on Community & Behavioral Health**

3 cr. Graduate.

Philosophical underpinnings, conceptual frameworks, and strategies for the application of behavioral and social science concepts to the goals of public health. Prereq: grad st

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 708 Health Systems and Population Health**

3 cr. Graduate.

Using fundamental concepts of health systems design, international comparisons, and case studies, this course demonstrates strategies through which health systems could improve health and reduce inequities by addressing social vulnerabilities.

**Prerequisites:** grad st

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 710 Seminar in Biostatistics and Bioinformatics**

1 cr. Graduate.

This course provides general approaches and collection of biostatistics and bioinformatics methods and practice used in public health.

**Prerequisites:** gr st or consent of instructor.

**Last Taught:** Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 711 Intermediate Biostatistics**

3 cr. Graduate.

Introduction to modern multivariable statistical analysis, based on generalized linear models. Topics include linear regression, logistic regression, one-way and two-way ANOVA, longitudinal analysis, missing data, and mixed models.

**Prerequisites:** grad st; PH 702(P) or cons instr

**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 712 Probability and Statistical Inference**

3 cr. Graduate.

Introductory graduate-level course that provides students with a mathematical treatment and understanding of key concepts in probability and distribution theory and statistical inference, and their applications in public health.

**Prerequisites:** grad st; Math 231 (P) & 232 (P) or equivalent, or cons instr

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 714 Statistical Genetics and Genetic Epidemiology**

3 cr. Graduate.

Introduction to statistical methods for the analysis of family and population based genetic data, including methods can be used in linkage analysis, family-based and population-based association studies.

**Prerequisites:** grad st; PH 702(P) and PH 711(P) or cons instr

**Last Taught:** Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 715 Applied Categorical Data**

3 cr. Graduate.

Data analysis techniques for various kinds of categorical data for public health related examples using SAS.

**Prerequisites:** grad st; PH 711(P) and PH 712(P) or cons instr

**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 716 Applied Survival Analysis**

3 cr. Graduate.

This course covers basic concepts and techniques in the statistical analysis of survival data.

**Prerequisites:** Grad St; PH711(P) (or PH759(P)) and PH712(P); or consent of instructor.

**Last Taught:** Spring 2022, Spring 2021, Fall 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 717 Applied Longitudinal Data Analysis**

3 cr. Graduate.

This course will cover data analysis techniques for longitudinal data with focus on application in public health with related examples using SAS.

**Prerequisites:** PH 711 and PH 712; cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 718 Data Management and Visualization in R**

3 cr. Graduate.

This course covers basic concepts and techniques for statistical programming with the R computing language.

**Prerequisites:** PH711; cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 719 Social Justice in Public Health**

3 cr. Graduate.

This course is designed to introduce you to the major social variables (e.g., socioeconomic status, race, poverty, social support, neighborhood environment) that affect public health.

**Prerequisites:** grad st

**Last Taught:** Spring 2018, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 720 Special Topics in Biostatistics:**

1-3 cr. Graduate.

Survey of an area in Biostatistics. Specific credits and add'l prereqs announced in Schedule of Classes each time course is offered.

**Prerequisites:** grad st

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2019, Fall 2017, Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 721 Introduction to Translational Bioinformatics**

3 cr. Graduate.

Review bioinformatics knowledge and analytical skills, high-throughput technologies that produce various omic data, along with the methodologies to analyze and interpret different layers of information.

**Prerequisites:** grad st; PH 711(P) or cons instr

**Last Taught:** Spring 2021, Spring 2019, Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 722 An Introduction to Bayesian Statistics**

3 cr. Graduate.

In parallel to classical statistical frequentist approach, Bayesian statistics serves another way to make statistical inference, which not only rely on the sample information collected, but also on external prior knowledge.

**Prerequisites:** PH 702(P); PH 711(P); PH 712(P); and PH 718(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 723 Design, Conduct and Analysis of Clinical Trials**

3 cr. Graduate.

Introduction to the design, conduct and analysis of phase I-IV clinical trials, with an emphasis on phase III trials and ethical issues in clinical research.

**Prerequisites:** grad st; PH 711 (P), or cons instr

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 725 Theories and Models of Health Behavior**

3 cr. Graduate.

Examine theories of health behavior targeted to each level of the social ecological model, including historical and public health context. Assess utility of these theories in various domains.

**Prerequisites:** grad st

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 726 Community Health Assessment**

3 cr. Graduate.

Introduction to the concepts and techniques of community health assessment; conducting and critically analyzing community assessments.

**Prerequisites:** grad st; PH 701(P) or cons instr

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 727 Program Planning & Implementation in Public Health**

3 cr. Graduate.

Systematic approach to planning and implementing public health programs, examining program monitoring, methods of impact assessment, and measuring efficiency.

**Prerequisites:** grad st

**Last Taught:** Spring 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 728 Program Evaluation in Public Health**

3 cr. Graduate.

Students design and present research and evaluation plans, receive guidance on developing conceptual frameworks and hypotheses, collecting and analyzing data, and developing program evaluation plans.

**Prerequisites:** grad st; PH 702(P) or cons inst

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 729 Survey Research Methods in Public Health**

3 cr. Graduate.

The application of survey methods with emphases on sampling, survey design and planning, and data collection procedures.

**Prerequisites:** grad st; PH 702(P) or cons inst

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 730 Overview of Children with Special Health Care Needs**

3 cr. Graduate.

Overview of the complex issues affecting children with special health care needs and their families, including access/use of health programs and other services, policies, interventions, financing, and coordination/transition of care.

**Prerequisites:** graduate standing and PH 820(P) or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 733 Overview of Qualitative Methods for Public Health**

1 cr. Graduate.

Introduction to qualitative methods for public health.

**Prerequisites:** graduate standing or consent of instructor.

**Course Rules:** Counts as repeat of PH 740 with similar topic.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 740 Special Topics in Public Health:**

1-3 cr. Graduate.

Topics of current interest in public health.

**Prerequisites:** grad st.

**Course Rules:** May be repeated w/ chg in topic to 10 cr max.

**Last Taught:** Spring 2021, Fall 2020, Spring 2020, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 741 Environmental Public Health Microbiology**

3 cr. Graduate.

Environmental health microbiology is the study of microbial processes in water, land, and food that affect human health.

**Prerequisites:** grad st; completed minimum of one undergraduate microbiology course.

**Last Taught:** Spring 2021, Fall 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 743 Environmental Risk Assessment**

3 cr. Graduate.

Risk assessment practices from an environmental health perspective, complexities and challenges of regulation, management, and mitigation of risks for both human and ecosystem health.

**Prerequisites:** grad st; PH 702(P) & PH 703 (P) or cons instr

**Last Taught:** Spring 2023, Spring 2022, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 745 Developmental Toxicology**

3 cr. Graduate.

An introduction to the field of developmental toxicology and how environmental contaminants influence vertebrate development, including humans.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 750 Seminar in Environmental Health Sciences:**

1-3 cr. Graduate.

Survey of an area in environmental health.

**Prerequisites:** graduate standing.

**Course Rules:** Retakable with change in topic to 9 cr max. Specific credits and additional prerequisites announced in Schedule of Classes each time the course offered.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 752 Public Health and Mental Health**

3 cr. Graduate.

Understanding mental health and mental illness from a public health perspective; designed for an interdisciplinary audience of students, researchers and practitioners.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2020, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 758 Social Epidemiology**

3 cr. Graduate.

Foundations of social epidemiology, including key concepts, theoretical frameworks, and methods for studying social and structural determinants of population health and health inequity.

**Prerequisites:** grad st; PH 700(P), PH 702(P), and PH 704(P); or cons instr

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 759 Intro to Regression for Understanding the SDOH**

3 cr. Graduate.

Using STATA on real data to build regression models, perform diagnostics, and interpret results. Utilize social theory to put results into context.

**Prerequisites:** grad st; PH 700(P), PH 702(P), PH 704(P), or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 761 Epidemiology Field Methods**

3 cr. Graduate.

Prepares students to conduct epidemiologic field studies. Introduction of reviewing literature, designing questionnaires, developing surveillance systems, conducting emergency outbreak investigations, applying for IRB approval, and public relations.

**Prerequisites:** grad st; PH 700(P), 702(P), and PH 704 (P) or cons instr

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 762 Environmental Epidemiology**

3 cr. Graduate.

Expands upon basic epidemiological principles to tackle current problems in studies of health impacts of contaminants in air, water, food supply, consumer products, and indoor spaces, emphasizing a cross-disciplinary approach.

**Prerequisites:** grad st; PH 703(C) and PH 704(P) or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 763 Epidemiology for Equity**

3 cr. Graduate.

Students will integrate epidemiology methods with the principles, methods, and skills of participatory action research aimed at structural change to promote social and/or environmental justice and health equity.

**Prerequisites:** grad st; PH 700(P), 702(P), PH 704(P), and PH 790 (C); or consent of instructor

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 768 Cancer Epidemiology**

3 cr. Graduate.

The course will provide an introduction to cancer epidemiology and prevention evaluating methods to study cancer etiology and survival with a particular focus on understanding cancer disparities.

**Prerequisites:** grad st; PH 702(P) and PH 704(P); or cons instr grad st; PH 702(P) and PH 704(P); or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 769 Critical Perspectives on Nutritional Epidemiology and the Food System**

3 cr. Graduate.

This course offers a synthesis of nutritional epidemiological methods and food systems perspectives to build students critical understanding of diets, nutrition, and their public health implications.

**Prerequisites:** grad st; PH702(P), PH704(P), and PH705(P); or consent of instructor

**Last Taught:** Spring 2023, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 776 Qualitative Approaches in Public Health Policy**

3 cr. Graduate.

Introduces students to foundational approaches to qualitative research for use in public health policy and administration. Provides opportunities to practice foundational data collection, research analysis, reflexivity, and research design skills.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2021, Spring 2017, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 777 Quantitative Research Methods for Public Health Policy**

3 cr. Graduate.

Introduces quantitative methods commonly used in public health policy and administration decision-making, skills to analyze quantitative research and to apply knowledge generated from research to the public health policy and administration context.

**Prerequisites:** graduate standing, PH 702(P), and completion or concurrent enrollment in PH 704; or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 779 Public Health Policymaking and Policy Analysis**

3 cr. Graduate.

Introduces students to key frameworks for public health policymaking and policy analysis. Students apply concepts to a real world public health problem of their choice.

**Prerequisites:** grad st; PH705(P) or MSP760(P) or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 780 Seminar in Public Health Policy and Administration**

1-3 cr. Graduate.

Survey of an area in Public Health Policy and Administration. Specific credits and add'l prereqs announced in Schedule of Classes each time course offered.

**Prerequisites:** grad st

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 781 Public Health Administration**

3 cr. Graduate.

This course introduces basic concepts, best-practice leadership, and management principles with the emphasis on organizational behavior in public health settings.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 784 Social and Economic Policy as Health Policy**

3 cr. Graduate.

This course examines how social and economic policies, including education, income re-distribution, and housing shape population health. A broad overview of the social determinants of health is introduced/reviewed and current knowledge of the impact.

**Prerequisites:** grad st; a course covering multiple regression, including PH 711(P), PH 759(P), or cons inst.

**Last Taught:** Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 785 Principles of Public Health Economics**

3 cr. Graduate.

The course introduces the application of microeconomic theories and models to explain major topics and trends in public health and health care settings.

**Prerequisites:** grad st. or cons instr

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 790 Field Experience in Public Health**

1-6 cr. Graduate.

Apply skills learned in the classroom to real world public health problems in a mentored field placement, engaging both faculty and site preceptors.

**Prerequisites:** graduate standing and completion of 18 credits, including PH 702(P) and PH 704(P), 1-2 MPH core courses, and 2-3 track courses, based on track requirements; or consent of instructor.

**Course Rules:** Repeatable to 6 cr max.

**Last Taught:** UWinterIM 2024, Fall 2023, Summer 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 791 Leadership in Public Health**

1 cr. Graduate.

Complements the Field Experience. Presentations on leadership, negotiation, and inter-professional teamwork, participation in case workshops, and written papers foster the integration of core concepts, critical thinking and reflection skills.

**Prerequisites:** graduate standing; PH 790(P) or PH 790(C); or consent of instructor.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 800 Capstone in Public Health**

2 cr. Graduate.

Application of acquired public health knowledge, experience and competencies in developing a public health project that demonstrates readiness for professional practice. Satisfactory/Unsatisfactory only.

**Prerequisites:** grad st; PH 790(P) or cons instr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 801 Seminar in Public Health Research**

3 cr. Graduate.

Immersion in interdisciplinary collaborative approaches to public health research.

**Prerequisites:** grad st; 1 course in stats/biostats and 1 course in research methods; or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 804 Advanced Epidemiology**

3 cr. Graduate.

Advanced training in epidemiological concepts, principles and methods in the context of population health and health equity.

**Prerequisites:** grad st; PH758, PH823, or cons instr**Last Taught:** Fall 2023, Fall 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 808 Writing a Federal Grant in the Public Health Sciences**

3 cr. Graduate.

This course is designed to provide students a hands-on experience with all aspects of preparation of a hypothesis driven grant application to a federal agency such as the NIH or NSF.

**Prerequisites:** grad st. admis to a PhD program.**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 811 Causal Inference**

3 cr. Graduate.

This course will cover a variety of approaches to define and estimate causal effects, as well as the sensitivity analysis for both clinical trial and observational studies.

**Prerequisites:** grad st; Mthstat 762(C) or PH 911 (C) or cons instr**Last Taught:** Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 812 Statistical Learning & Data Mining**

3 cr. Graduate.

Analysis of data using modern data mining technique.

**Prerequisites:** Grad st; MathStat 761 and PH 718; or consent of instructor**Last Taught:** Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 813 Practice of Biostatistical Consulting**

3 cr. Graduate.

This course teaches the elements of statistical consulting, appropriate statistical analysis approaches, and how to interpret findings and effectively communicate with clients.

**Prerequisites:** grad st; PH 711, PH 713, & PH 718; or cons instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 818 Statistical Computing**

3 cr. Graduate.

This course will cover the theory and application of common algorithms used in statistical computing.

**Prerequisites:** grad st; PH 711(P), MthStat 762(P), and PH 718(P) or cons inst.**Last Taught:** Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 819 Social and Environmental Justice in Public Health**

3 cr. Graduate.

Social and environmental justice perspective on public health problems and concerns.

**Prerequisites:** grad st**Course Rules:** Jointly offered w/ & counts as a repeat of Soc Wrk 819.**Last Taught:** Fall 2023, Fall 2020, Spring 2014, Spring 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 820 Maternal and Child Health Foundations, Policy and Practice**

3 cr. Graduate.

The foundations of MCH, historical context, financing, challenges, and opportunities in advancing MCH at state, national and international level including the integration of men.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 821 Advanced Survey of Environmental Health**

3 cr. Graduate.

The role of environmental factors in determining human health, and human processes that degrade this interaction.

**Prerequisites:** graduate standing.**Course Rules:** Previously EOH 821.**Last Taught:** Spring 2023, Fall 2020, Fall 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 823 Applied Analysis of Binary Outcomes in Public Health Research**

3 cr. Graduate.

Apply principles of epidemiology, statistics, and study design in analyzing a public health dataset of choice, covering confounding, modification, bias, missing data, and interpretation in light of limitations.

**Prerequisites:** PH702 (P), PH 704(P), and doctoral standing; or consent of instructor.**Last Taught:** Fall 2021, Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 826 Principles of Community Intervention Research**

3 cr. Graduate.

Seminar covering classics in community-based public health research and the development of conceptual and methodological skills in community engagement.

**Prerequisites:** grad st.**Course Rules:** Counts a repeat of PH 740 with similar topic.**Last Taught:** Spring 2022, Fall 2019, Fall 2017, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**PH 827 Research Design in Community and Behavioral Health Promotion**

3 cr. Graduate.

Examination of experimental, quasi-experimental, and nonexperimental study designs, focus groups, and coding with qualitative software.

**Prerequisites:** grad st; admis to doctoral prog; PH 801(P) & 702(P) or cons instr.**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 830 Leadership and Advocacy in Maternal and Child Health**

1 cr. Graduate.

Overview of leadership, negotiation, and advocacy theory, skills, and styles in maternal and child health (MCH) and public health and their applications in policies, practice, and interventions to promote health equity.

**Prerequisites:** graduate standing enrolled in the MCH certificate program and PH 820(P); or consent of instructor.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 831 Community Engagement and Participatory Research Approaches in Public Health**

3 cr. Graduate.

Effective approaches to engaging communities in health interventions and addressing health disparities.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 859 Racial/Ethnic Health Disparities in the United States**

3 cr. Graduate.

The course will analyze studies of racial/ethnic health disparities, with a focus to include multi-level and temporal perspectives to better understand the social context in which the determinants of racial/ethnic health are embedded.

**Prerequisites:** grad st; a course covering multiple regression, including PH 711(P), PH 759(P), or cons instr.

**Course Rules:** Counts as repeat of PH 740 w/similar topic.

**Last Taught:** Spring 2020, Spring 2019, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 864 Research Ethics in Epidemiology and Public Health**

3 cr. Graduate.

Training in research ethics and ethical analysis in the context of public health and epidemiology research. Covers all topics outlined in the NIH's Responsible Conduct of Research Training.

**Prerequisites:** grad st; PH 801(P), PH 704(P), or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 865 Critical Methodologies for Health Equity Research**

3 cr. Graduate.

Analyzes interdisciplinary critical methodologies for researching health inequities across diverse axes of power and considers how to integrate these methodologies into epidemiologic and public health research to advance health equity.

**Prerequisites:** grad st; PH 700(P), and PH 758(P) or PH 859(P), or cons instr

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 868 Epidemiologic Links Between Infectious and Chronic Disease**

3 cr. Graduate.

Discussion of social patterning of infection, epidemiologic and physiologic links between infections and chronic disease, and methodological considerations in the evaluation of such associations.

**Prerequisites:** grad st; PH702(P), PH704(P), and PH759(P) or PH711(P); or consent of instructor

**Last Taught:** Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 870 Epidemiology in Health Policy and Advocacy**

3 cr. Graduate.

Using epidemiologic evidence to inform public health policy, through engagement with the policy process, communication with policymakers, and evidence-based appraisal of policy alternatives and advocacy for sound policy.

**Prerequisites:** grad st; PH 779(P), PH804; or cons instr

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 895 Research and Thesis for MS in Biostatistics**

3 cr. Graduate.

Research and writing of the master's thesis under the supervision of the major professor.

**Prerequisites:** grad st and cons instr.

**Course Rules:** Repeatable to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 904 Survey of Analytic Methods for Epidemiology**

3 cr. Graduate.

Survey of advanced analytic approaches to the conduct of epidemiologic research in the pursuit of causal inference.

**Prerequisites:** grad st; PH804 or permission of instructor.

**Last Taught:** Spring 2023, Spring 2022, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 911 Generalized Linear Models**

3 cr. Graduate.

This course will cover theory of advanced biostatistics models with focus on generalized linear models and will also cover generalized estimating equation, generalized linear mixed models. We will emphasize implementation in R.

**Prerequisites:** grad st; PH 711(P), MthStat 762(P), and PH 718(P) or cons instr.

**Last Taught:** Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 919 Core Seminar in Community and Behavioral Health Promotion**

1-3 cr. Graduate.

These seminars are intended as professional development to prepare students for successful careers in the area of Community and Health Behavior Promotion.

**Prerequisites:** Grad St

**Last Taught:** Spring 2023, Fall 2022, Fall 2021, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 960 Core Doctoral Seminar in Epidemiology**

3 cr. Graduate.

This advanced doctoral seminar discusses practical aspects of an epidemiology career, from developing a research question and study, to managing a grant, writing results and reporting results to the press.

**Prerequisites:** grad st; PH 758 (P), PH 823 (P), PH 779 (P) and PH 801(P), or cons instr

**Last Taught:** Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 990 Research and Dissertation**

1-8 cr. Graduate.

Original research in any public health discipline

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**PH 999 Independent Study**

1-3 cr. Graduate.

Independent study on a topic not available as a regular course, directed by a member of the graduate faculty.

**Prerequisites:** grad st; cons instr.

**Last Taught:** Fall 2022, Summer 2022, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Religious Studies (RELIGST)

**RELIGST 101 Introduction to World Religions**

3 cr. Undergraduate.

Basic concepts of world religions; broad overview of various religious traditions in ancient and modern configurations.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Fall 2022, Spring 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 192 First-Year Seminar**

3 cr. Undergraduate.

Specific humanities topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem Course (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 193 First-Year Seminar**

3 cr. Undergraduate.

Specific social science topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem Course (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 199 Independent Study**

1-3 cr. Undergraduate.

Independent work under supervision of faculty or academic staff member. For further information, consult dept chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 250 Selected Topics in Religious Studies:**

3 cr. Undergraduate.

Focus on a particular religion or religious issue.

**Prerequisites:** satisfaction of OWC-A.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**General Education Requirements:** OWCB

**Last Taught:** Fall 2019, Fall 2018, Spring 2012, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 289 Internship in Religious Studies, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Religious Studies in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 2.50 gpa; cons supervising faculty member

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 296 UROP Apprenticeship**

1-3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance to UROP; prior or conc reg in UROP seminar.

**Course Rules:** One credit for 45 hours research. Retakable to 9 cr max in any combination of UROP apprenticeship courses. Not open to jrs & srs.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work levels, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Program

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Fall 2022, Summer 2022, Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept and assoc dean approval. In exceptional circumstances, can be offered in one add'l semester.

**Prerequisites:** none. Additional prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 350 Advanced Topics in Religious Studies:**

3 cr. Undergraduate.

Advanced study of a particular religion or religious issue.

**Prerequisites:** jr st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2017, Fall 2016, Spring 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 395 Seminar in the Study of Religion: Theories of Religion**

3 cr. Undergraduate.

Critical inquiry into the questions of and about religion: what is religion, and how do we study it?

**Prerequisites:** jr st.

**Last Taught:** Spring 2023, Spring 2020, Spring 2019, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 489 Internship in Religious Studies, Upper Division**

1-6 cr. Undergraduate.

Application of basic principles of Religious Studies in business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 2.50 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hrs in internship. Retakable to 6 cr max.

**Last Taught:** Spring 2020, Spring 2019, Spring 2016, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 497 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** Retakable w/chg in topic.

**Last Taught:** Spring 2018, Fall 2017, Summer 2014, Summer 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept and assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st, add'l prereqs may be assigned to specific topic.

**Course Rules:** Retakable w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 699 Advanced Independent Study**

1-3 cr. Undergraduate.

Advanced level independent work under the supervision of ReligSt faculty or academic staff member.

**Prerequisites:** jr st; 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2023, Spring 2022, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RELIGST 751 Religious Practices and Values in Local and Global****Communities**

3 cr. Graduate.

Religious practices and values of six major world religions are examined in order to promote understanding and cooperation within a diverse community.

**Prerequisites:** grad st.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Russian (RUSSIAN)

**RUSSIAN 101 First-Semester Russian**

5 cr. Undergraduate.

A systematic introduction to the Russian language.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RUSSIAN 102 Second-Semester Russian**

5 cr. Undergraduate.

Continuation of Russian 101.

**Prerequisites:** Russian 101(P). Generates L&S credit for demonstrated equivalent preparation (4 retro cr).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RUSSIAN 192 First-Year Seminar:**

3 cr. Undergraduate.

The specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** HU

**Last Taught:** Fall 2006, Spring 2006, Fall 2005.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RUSSIAN 197 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** acceptance in Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RUSSIAN 199 Independent Study**

1-4 cr. Undergraduate.

For further information, consult dept chair.

**Prerequisites:** soph st, 2.0 GPA, consent of instructor, and Assistant Dean for Student Academic Services.

**Last Taught:** Spring 2001, Summer 1999, Spring 1999, Fall 1998.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**RUSSIAN 201 Third-Semester Russian**

4 cr. Undergraduate.

Review of grammar; practice in speaking, reading, and translation with integrated laboratory work.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 497 Study Abroad:**

1-6 cr. Undergraduate/Graduate.

Variable content (subtitle is area of concentration). Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** UWinterIM 2024.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 497G Study Abroad:**

1-6 cr. Undergraduate/Graduate.

Variable content (subtitle is area of concentration). Designed to enroll students in UWM sponsored program before course work level, content and credits are determined and/or in specially prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic to max of 9 cr.

**Last Taught:** UWinterIM 2024.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 562 Child and Family Services**

3 cr. Undergraduate/Graduate.

Introduction to child and family welfare services, including methods for assessing needs, existing treatment techniques, and institutional support systems.

**Prerequisites:** junior standing and completion of OWC Part A; one prior course in SOC WRK recommended; or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 562G Child and Family Services**

3 cr. Undergraduate/Graduate.

Introduction to child and family welfare services, including methods for assessing needs, existing treatment techniques, and institutional support systems.

**Prerequisites:** junior standing and completion of OWC Part A; one prior course in SOC WRK recommended; or graduate standing.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 564 Social Services for the Aging**

3 cr. Undergraduate/Graduate.

Individual and societal implications of the aging process, with an emphasis upon current resources and programs for the elderly.

**Prerequisites:** junior standing and satisfaction of the Oral & Written Communication Competency (OWC-B); one prior course in SOC WRK recommended; or graduate standing.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 564G Social Services for the Aging**

3 cr. Undergraduate/Graduate.

Individual and societal implications of the aging process, with an emphasis upon current resources and programs for the elderly.

**Prerequisites:** junior standing and satisfaction of the Oral & Written Communication Competency (OWC-B); one prior course in SOC WRK recommended; or graduate standing.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 580 An Overview of Child/Youth Care**

3 cr. Undergraduate/Graduate.

Survey of skills, theories and approaches of the youth work field. Emphasis on relationship-building, interactive and developmental approaches in a variety of settings.

**Prerequisites:** jr st or cons instr.

**Course Rules:** Ed Pol/ExcEduc/Soc Wrk 580 are jointly offered & count as repeats of each other.

**Last Taught:** Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 580G An Overview of Child/Youth Care**

3 cr. Undergraduate/Graduate.

Survey of skills, theories and approaches of the youth work field.

Emphasis on relationship-building, interactive and developmental approaches in a variety of settings.

**Prerequisites:** jr st or cons instr.

**Course Rules:** Ed Pol/ExcEduc/Soc Wrk 580 are jointly offered & count as repeats of each other.

**Last Taught:** Fall 2016, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 581 Youth Work Practice**

3 cr. Undergraduate/Graduate.

Applies the skills, theories and approaches of the youth work field to settings such as schools, community centers, and residential programs.

**Prerequisites:** jr st; Ed Pol/Soc Wrk 580(P); or grad st or cons instr.

**Course Rules:** Ed Pol/Soc Wrk 581 are jointly offered & count as repeats of each other.

**Last Taught:** Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 581G Youth Work Practice**

3 cr. Undergraduate/Graduate.

Applies the skills, theories and approaches of the youth work field to settings such as schools, community centers, and residential programs.

**Prerequisites:** jr st; Ed Pol/Soc Wrk 580(P); or grad st or cons instr.

**Course Rules:** Ed Pol/Soc Wrk 581 are jointly offered & count as repeats of each other.

**Last Taught:** Spring 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 591 Special Topics: Social Welfare and Social Work:**

1-3 cr. Undergraduate.

Selected topics in social welfare and social work. Specific credits and additional prerequisites announced in Schedule of Classes whenever course is offered.

**Prerequisites:** junior standing and completion of English competency; one prior course in SOC WRK recommended.

**Course Rules:** May be retaken with change in topic 6 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 592 Independent Research**

1-3 cr. Undergraduate.

Participation in an independent research project under faculty supervision.

**Prerequisites:** jr st; satisfy English competency; GER math requirement; 2.5 gpa; Soc Wrk 662(P), writ cons instr & dir Soc Wrk prog.

**Course Rules:** May be retaken to max of 6 cr.

**Last Taught:** Summer 2015, Spring 2012, Spring 2011, Spring 2010.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 599 Independent Reading**

1-3 cr. Undergraduate.

Intensive readings in fields related to student's preparation and training, under the supervision of a faculty member.

**Prerequisites:** sr st; satisfy English competency; 2.5 gpa; writ cons instr & dir Soc Wrk Prog.

**Course Rules:** May be retaken to 6 cr max.

**Last Taught:** Summer 2023, Spring 2021, Summer 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 604 Social Systems and Social Work Practice**

3 cr. Undergraduate/Graduate.

Analysis of organizations, community and social institutions and the impact they have on human behavior and how they provide the social context of social work practice.

**Prerequisites:** jr st; admis to Soc Wrk major, Soc Wrk 310(P); or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 604G Social Systems and Social Work Practice**

3 cr. Undergraduate/Graduate.

Analysis of organizations, community and social institutions and the impact they have on human behavior and how they provide the social context of social work practice.

**Prerequisites:** jr st; admis to Soc Wrk major, Soc Wrk 310(P); or grad st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 630 Families and Poverty**

3 cr. Undergraduate/Graduate.

Description of families in poverty and analysis of historical and contemporary national and state policies aimed at reducing poverty.

**Prerequisites:** junior standing; one prior course in SOC WRK recommended.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 630G Families and Poverty**

3 cr. Undergraduate/Graduate.

Description of families in poverty and analysis of historical and contemporary national and state policies aimed at reducing poverty.

**Prerequisites:** junior standing; one prior course in SOC WRK recommended.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 650 Social Welfare and the Law**

2 cr. Undergraduate/Graduate.

Collaborative principles of social work and the legal profession. Selected concepts and principles of legal and social provision for protection of family, children and adults.

**Prerequisites:** jr st, satisfy English competency, one prior course in Soc Wrk recom; or grad st.

**Last Taught:** Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 650G Social Welfare and the Law**

2 cr. Undergraduate/Graduate.

Collaborative principles of social work and the legal profession. Selected concepts and principles of legal and social provision for protection of family, children and adults.

**Prerequisites:** jr st, satisfy English competency, one prior course in Soc Wrk recom; or grad st.

**Last Taught:** Fall 2015, Fall 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 662 Methods of Social Welfare Research**

3 cr. Undergraduate/Graduate.

Analyze methods of social welfare research and problems in project design and programming. Characteristics of investigations directed to planning, administrative, practice, and scientific objectives.

**Prerequisites:** jr st, admis to Soc Wrk major, satisfaction of QL-A GER, Soc Wrk 100(P), 206(P), & 250(P); or grad st.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 662G Methods of Social Welfare Research**

3 cr. Undergraduate/Graduate.

Analyze methods of social welfare research and problems in project design and programming. Characteristics of investigations directed to planning, administrative, practice, and scientific objectives.

**Prerequisites:** jr st, admis to Soc Wrk major, satisfaction of QL-A GER, Soc Wrk 100(P), 206(P), & 250(P); or grad st.

**General Education Requirements:** QLB

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 665 Cultural Diversity and Social Work**

3 cr. Undergraduate/Graduate.

Emphasis on culture, race and ethnicity, theories of prejudice, and racial minority groups, and the politics of human services in multicultural society.

**Prerequisites:** jr st, admis to Soc Wrk major, satisfy English competency, Soc Wrk 100(P), 206(P), 250(350)(P); or grad st.

**General Education Requirements:** CD, SS

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 665G Cultural Diversity and Social Work**

3 cr. Undergraduate/Graduate.

Emphasis on culture, race and ethnicity, theories of prejudice, and racial minority groups, and the politics of human services in multicultural society.

**Prerequisites:** jr st, admis to Soc Wrk major, satisfy English competency, Soc Wrk 100(P), 206(P), 250(350)(P); or grad st.

**General Education Requirements:** CD, SS

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 680 Death and Dying**

3 cr. Undergraduate/Graduate.

Focus on multiple perspectives on death, dying, and bereavement; roles and skills for social workers and other helpers about end-of-life issues.

**Prerequisites:** jr st; or grad st.

**Course Rules:** Counts as repeat of Soc Wrk 591 & 791 with same topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 680G Death and Dying**

3 cr. Undergraduate/Graduate.

Focus on multiple perspectives on death, dying, and bereavement; roles and skills for social workers and other helpers about end-of-life issues.

**Prerequisites:** jr st; or grad st.

**Course Rules:** Counts as repeat of Soc Wrk 591 & 791 with same topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 685 Social Gerontology**

3 cr. Undergraduate/Graduate.

Exploration of individual aging experiences and interaction with social structures and social systems.

**Prerequisites:** jr st and one prior course in Soc Wrk recom; or grad st.**Course Rules:** Counts as repeat of Soc Wrk 591 & 791 with the same topic.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 685G Social Gerontology**

3 cr. Undergraduate/Graduate.

Exploration of individual aging experiences and interaction with social structures and social systems.

**Prerequisites:** jr st and one prior course in Soc Wrk recom; or grad st.**Course Rules:** Counts as repeat of Soc Wrk 591 & 791 with the same topic.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 690 Mindfulness and Community Building**

3 cr. Undergraduate/Graduate.

Seminar for upper level undergraduate and graduate students that offers didactic and experiential insights into trauma-informed care, community building and mindfulness.

**Prerequisites:** junior standing or graduate standing.**Course Rules:** Counts as a repeat of SOC WRK 591 or SOC WRK 791 with the same topic or "Community Building" topic.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 690G Mindfulness and Community Building**

3 cr. Undergraduate/Graduate.

Seminar for upper level undergraduate and graduate students that offers didactic and experiential insights into trauma-informed care, community building and mindfulness.

**Prerequisites:** junior standing or graduate standing.**Course Rules:** Counts as a repeat of SOC WRK 591 or SOC WRK 791 with the same topic or "Community Building" topic.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 691 Practice Methods in Social Work:**

1-3 cr. Undergraduate/Graduate.

Topics focused on Social Work practice methods. Specific topics and credits to be announced in Schedule of Classes.

**Prerequisites:** jr st.**Course Rules:** May be retaken with change in topic to max of 6 cr.**Last Taught:** Spring 2016, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 691G Practice Methods in Social Work:**

1-3 cr. Undergraduate/Graduate.

Topics focused on Social Work practice methods. Specific topics and credits to be announced in Schedule of Classes.

**Prerequisites:** jr st.**Course Rules:** May be retaken with change in topic to max of 6 cr.**Last Taught:** Spring 2016, Spring 2009.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 705 Individual Behavior and Social Welfare**

3 cr. Graduate.

The development and behavior of individuals in interaction with their social contexts; implications for social welfare.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 708 Social Work Methods I: Individuals and Families**

3 cr. Graduate.

Introduction to generalist social work practice with individuals and families, with emphasis on integration of theory and knowledge with professional practice.

**Prerequisites:** grad st; admis to MSW**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 709 Social Work Methods II: Groups, Organizations and Communities**

3 cr. Graduate.

Introduction to generalist social work practice with groups, organizations and communities, with emphasis on integration of theory and knowledge with professional practice.

**Prerequisites:** graduate standing in MSW program and SOC WRK 708(C).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 711 Direct Social Work Practice I**

3 cr. Graduate.

Methods of social work intervention employed in helping individuals, families and small groups. Addresses personal, interpersonal, environmental and resource issues with emphasis on interviewing, assessing, contracting and goal setting.

**Prerequisites:** graduate standing, SOC WRK 708(P), SOC WRK 709(P), and SOC WRK 722(C); SOC WRK 710(P); or BSW degree.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 712 Advanced Practice and Leadership in Organizations and Communities**

3 cr. Graduate.

Designing and implementing innovations with human service task groups, organizations and communities. Leadership practices that promote equity, diversity, and inclusion will be emphasized. Fiscal management, supervision and grant-writing skills will be developed.

**Prerequisites:** graduate standing; MSW Program Advanced Standing; SOC WRK 604(P) and SOC WRK 709(P) or approved exemption equivalents for each by MSW Program Coordinator.**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 713 Community Organization, Planning and Human Service Administration I**

3 cr. Graduate.

Knowledge and skill development in the activities, roles, styles, and ethical issues in community and administrative practice. Emphasis on needs assessment, planning methodologies, and change efforts.

**Prerequisites:** grad st; Soc Wrk 708 & 709(710) or BSW degree.**Last Taught:** Fall 2021, Fall 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 718 Introduction to SAS Programming**

3 cr. Graduate.

Fundamental instruction in programming, data management and exploratory data analysis using SAS software.

**Prerequisites:** grad st**Last Taught:** Fall 2019, Fall 2018, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 719 Advanced SAS Programming**

3 cr. Graduate.

Advanced instruction in programming, data management, and exploratory data analysis using SAS software.

**Prerequisites:** grad st; Soc Wrk 718(P) or cons instr**Last Taught:** Spring 2019, Spring 2017, Spring 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 721 Field Instruction I**

3 cr. Graduate.

Supervised social work practice in a social agency.

**Prerequisites:** grad st; Soc Wrk 710(P) or 708(P); 709(C) or 711(C).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 722 Field Instruction II**

3 cr. Graduate.

Supervised social work practice in a social agency.

**Prerequisites:** grad st; Soc Wrk 721(P) or BSW degree; Soc Wrk 713(C) or 711(C).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 750 Social Welfare Policy Development and Implementation**

3 cr. Graduate.

Examination of policy development, implementation, and models of analysis that describe and provide analytical guides for determining the efficacy of public policy in addressing human needs.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 753 Adult Psychopathology**

3 cr. Graduate.

Mental disorders and their implications for the social work profession, including assessment, intervention and prevention issues.

**Prerequisites:** grad st; Soc Wrk 705(P).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 754 Child and Adolescent Psychopathology**

3 cr. Graduate.

Mental and behavioral disorders of children and adolescents and their implications for the social work profession, including assessment, intervention and prevention issues.

**Prerequisites:** graduate standing and SOC WRK 705(P).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 765 Social Work Boundaries and Ethics in Professional Practice**

2-3 cr. Graduate.

Ethical issues faced by social work practitioners in professional practice. Topics include NASW Code of Ethics, boundary issues, ethical dilemmas, and risk management.

**Prerequisites:** grad st.**Last Taught:** Spring 2022, Spring 2020, Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 771 Development of the Family Over the Life Span**

3 cr. Graduate.

The family as a social system as it engages in various developmental tasks throughout the life cycle and in interaction with the social context; social work implications of relevant theories and research.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 774 Trauma Counseling I: Theory and Research**

3 cr. Graduate.

Seminar examining impact of trauma experience on individuals, groups and communities following a catastrophic event. Explores traumatic events, mental injuries and impact on memory, learning, physical health and dysfunctional behavior.

**Prerequisites:** grad st**Course Rules:** Couns 774, Nurs 774, OccThpy 774, and Soc Wrk 774 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 775 Trauma Counseling II: Diagnosis and Treatment**

3 cr. Graduate.

Seminar on diagnosis and assessment instruments as well as intervention and therapeutic techniques used to address trauma issues in counseling acute and chronic traumatized clients.

**Prerequisites:** graduate standing, COUNS 744(P), NURS 775(P), OCCTHPY 774(P) or SOC WRK 774(P); or consent of instructor.**Course Rules:** COUNS 775, NURS 775, OCCTHPY 775, and SOC WRK 775 are jointly offered and count as repeats of one another.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 791 Current Topics in Social Work:**

1-3 cr. Graduate.

Variable content course with specific topics to be announced in schedule of classes.

**Prerequisites:** graduate standing.**Course Rules:** May be repeated with change in topic to 9 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 793 Evaluation of Practice**

2 cr. Graduate.

Advanced problems and methods of research in social work practice.

**Prerequisites:** grad st; Soc Wrk 662(P) or equiv; Soc Wrk 721(C) or 722(C).**Last Taught:** Summer 2022, Spring 2022, Fall 2021, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 794 Evaluation of Programs**

2 cr. Graduate.

Provides students with the skills and knowledge base necessary to understand the program evaluation process as it applies to social welfare programs.

**Prerequisites:** grad st.**Last Taught:** Summer 2022, Spring 2022, Fall 2021, Summer 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 795 Evaluation of Social Work Practice and Programs**

3 cr. Graduate.

Advanced knowledge and skills in evaluating individual social work practice and evaluating human service programs. Students learn various, practical research methods for evaluating social work practice and programs.

**Prerequisites:** graduate standing, SOC WRK 662(P) or equivalent exemption by MSW Program Coordinator.**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 811 Direct Social Work Practice II:**

3 cr. Graduate.

A continuation of methods of social work intervention, with sections tailored to specialized concentration areas: gerontology, family and child welfare, and behavioral and physical health. Emphasis is on selection and implementation of appropriate intervention plans.

**Prerequisites:** grad st; Soc Wrk 711(P); 722(C).**Course Rules:** Repeatable with change in topic to 6 credit max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 813 Financial Management and Planning in Human Services**

2 cr. Graduate.

This course is designed to facilitate and understanding of selected areas of planning and management in human services with an emphasis on resource development and financial management.

**Prerequisites:** grad st; Soc Wrk 713(C) & 915(C) or cons reg; cons instr.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 818 Treatment of Co-Occurring Disorders**

3 cr. Graduate.

Knowledge on assessment and treatment strategies with substance misuse and mental health issues, along with research on etiology and best practices for addressing co-occurring disorders.

**Prerequisites:** grad st; Soc Wrk 711(P) or 713(P)**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 819 Social and Environmental Justice in Public Health**

3 cr. Graduate.

Social and environmental justice perspective on public health problems and concerns.

**Prerequisites:** grad st.**Course Rules:** Jointly offered w/ & counts as a repeat of PH 819.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 820 Seminar in Social Work Practice:**

3 cr. Graduate.

Critical examination of varied and specialized methodologies with emphasis on new professional directions, interdisciplinary coordination and integration of professional practice with behavioral sciences, research, and policy concerns.

**Prerequisites:** graduate standing and SOC WRK 711(P) or SOC WRK 713(P).**Course Rules:** May be repeated with change in topic to max of 12 cr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 821 Field Instruction III**

3-4 cr. Graduate.

Second-year supervised social work practice in a social agency.

**Prerequisites:** grad st; SOC WRK 811(C) or SOC WRK 915(C); SOC WRK 722(P); SOC WRK 711(P) or SOC WRK 713(P).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 822 Field Instruction IV**

3-4 cr. Graduate.

Advanced second-year supervised social work practice in a social agency with emphasis on integration of professional practice with methodology, behavioral sciences, research and policy concerns.

**Prerequisites:** grad st; SOC WRK 821(P).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 823 Coordinated Public Health and Social Work Field Education**

3 cr. Graduate.

Supervised social work and public health practice in an agency specially identified to provide both a professional social work and public health perspective. Integrate skills to real world social work and public health problems.

**Prerequisites:** graduate standing, Coordinated Public Health MPH/Social Work MSW student, SOC WRK 722(P), PH 701(P), PH 702(P), PH 703(P), PH 704(P), PH 705(P), PH 706(P), and PH 707(P); or consent of instructor**Course Rules:** May be retaken to 9 cr max.**Last Taught:** Fall 2023, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 830 Intervention Strategies for Correctional Clients**

3 cr. Graduate.

A review and analysis of intervention approaches and programs used with correctional clients, both juvenile and adult, with emphasis on diversion, prevention, and rehabilitation strategies.

**Prerequisites:** grad st.**Last Taught:** Fall 1995, Fall 1991, Spring 1990, Fall 1988.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 831 Models of Family Therapy**

2 cr. Graduate.

Introduction to the major family therapy approaches, including assessment and intervention techniques for each. Models include systemic, structural, strategic, interactional and multigenerational.

**Prerequisites:** grad st; Soc Wrk 811 or conc reg.**Last Taught:** Fall 2013, Fall 2012, Fall 2011, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 832 Social Work Practice with Couples**

2 cr. Graduate.

Intensive examination of varied methodologies to effect therapeutic change in couples. Includes assessing couples' interactional patterns and formulating therapeutic strategies.

**Prerequisites:** grad st; Soc Wrk 811 or conc reg; cons instr.**Last Taught:** Spring 2013, Spring 2012, Spring 2011, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 851 Social Issue and Policy Analysis:**

2-3 cr. Graduate.

Advanced level analysis of the relationship between selected problem areas, policy development and service system.

**Prerequisites:** grad st; Soc Wrk 750(P) or BSW degree.**Course Rules:** May be repeated with change in topic to max of 9 cr.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 855 Practice Skills and Concepts for Aging and Health**

3 cr. Graduate.

Intensive examination of the concepts and skills needed for effective practice with the aging population. Focus is on competency development in assessment and intervention planning from micro, mezzo, and macro perspectives.

**Prerequisites:** grad st; SOC WRK 705(P) or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.**Last Taught:** Summer 2021, Fall 2019, Fall 2016, Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 901 Philosophy of Science**

3 cr. Graduate.

Analyzes philosophical foundations of science, knowledge building processes, and the scope and nature of knowledge, emphasizing applications for the social and behavioral sciences.

**Prerequisites:** grad st; admis to the Soc Wrk Ph.D. program or written cons instr.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 915 Human Services Administration II**

3 cr. Graduate.

The role of the professional in the human services administrative organization, focusing on interpersonal relationships in supervision, evaluation and leadership.

**Prerequisites:** grad st; Soc Wrk 713; 722 or conc reg.**Last Taught:** Spring 2022, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 921 Field Instruction V**

1-4 cr. Graduate.

Optional advanced supervised social work practice in a social agency.

**Prerequisites:** grad st; SOC WRK 822 (P).**Course Rules:** May be retaken to 12 cr max.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 931 Theories of Poverty and Social Welfare Policy**

3 cr. Graduate.

Analyzes anti-poverty policies/programs, populations at risk, poverty dynamics, poverty-rate trends, circumstances of the poor, poverty etiology and government roles in income redistribution and social change.

**Prerequisites:** grad st; admis to the Social Work Ph.D. program or written cons instr**Last Taught:** Spring 2012, Spring 2010, Fall 2007.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 932 Theories and Research on Behavior Change**

3 cr. Graduate.

Theory and research of individual change from a social work perspective using classic to recent models, with application to diverse populations.

**Prerequisites:** grad st; admis to the Soc Wrk Ph.D. program or written cons instr.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 945 Family and Long-Term Care Across the Life Course**

3 cr. Graduate.

Seminar on the family role in the provision of long term care within the context of kinship care, and care of persons with chronic illnesses, developmental and adult disabilities.

**Prerequisites:** grad st; admis to the Soc Wrk Ph.D. prog or writ cons instr.**Last Taught:** Spring 2013, Spring 2011, Fall 2008.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 950 Systematic Reviews and Meta-Analysis**

3 cr. Graduate.

Introduces methods for conducting research synthesis of intervention studies using systematic reviews and meta-analysis, including the processes of problem formulation, data collection, data evaluation, data analysis, and interpretation of findings.

**Prerequisites:** doctoral student with graduate level research methods and statistics course such as ED PSYCH 725 or equivalent; or master's-level student with consent of instructor.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOC WRK 951 Quantitative Research Methods**

3 cr. Graduate.

An in-depth, hands-on review of experimental, quasi-experimental, and non-experimental approaches to the design and implementation of quantitative research studies.

**Prerequisites:** grad st; admis to the Social Work Ph.D. Program or written cons instr**Last Taught:** Spring 2021, Spring 2019, Spring 2016, Spring 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 952 Qualitative Research Methods in Social Work**

3 cr. Graduate.

Seminar on the philosophical and methodological issues of qualitative research. Students will conduct exploratory original field research and produce a research proposal based on their findings.

**Prerequisites:** grad st; admis to the Soc Wrk Ph.D. prog or writ cons instr.

**Last Taught:** Spring 2015, Spring 2013, Spring 2011, Fall 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 961 Introduction to Statistical Methods**

4 cr. Graduate.

Reviews basic parametric and nonparametric tests, including descriptive statistics, correlation, basic inferential statistics, one- and two-way ANOVA, OLS regression, nonparametric statistics, and handling missing data.

**Prerequisites:** grad st; admis to the Social Work Ph.D. program or written cons instr

**Last Taught:** Fall 2020, Fall 2019, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 962 Applied Multiple Regression Analysis**

3 cr. Graduate.

Multiple regression analysis concentrating on OLS regression techniques but also covering logistic and Poisson regression.

**Prerequisites:** grad st; admis to the Social Work Ph.D. program or written cons instr.

**Last Taught:** Spring 2021, Spring 2020, Spring 2019, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 963 Measurement Methods and Related Multivariate Statistics**

3 cr. Graduate.

Survey of concepts and applications of Classical True Score and Item Response Theory and multivariate statistical methods relevant to test evaluation and construction.

**Prerequisites:** grad st; SocWrk 961(P) & 962(P); admis to the Soc Wrk Ph.D. program or written cons instr.

**Last Taught:** Fall 2020, Fall 2018, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 964 Advanced Statistical Methods**

3 cr. Graduate.

Covers multivariate statistical procedures, including MANOVA, MANCOVA, canonical correlation and discriminant function analysis, Poisson regression, survival analysis, multilevel modeling, and analysis of longitudinal data.

**Prerequisites:** grad st; admis to the Soc Wrk Ph.D. program or written cons instr.

**Last Taught:** Spring 2010, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 970 Independent Research**

1-4 cr. Graduate.

Participation in an independent research project under faculty supervision.

**Prerequisites:** grad st; cons instr; Soc Wrk 662(P)

**Course Rules:** Students shall not take more than 6 cr total between courses Soc Wrk 970(P) & 999(P).

**Last Taught:** Summer 2017, Fall 2015, Fall 2014, Summer 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 990 Doctoral Research**

1-12 cr. Graduate.

Research connected with dissertation.

**Prerequisites:** grad st. & admis to candidacy for Ph.D. degree.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 991 Doctoral Proseminar**

1 cr. Graduate.

Variable content course with specific topics to be announced in schedule of classes.

**Prerequisites:** grad st; admis to the Social Work Ph.D. Program or written cons instr

**Course Rules:** May be repeated with change in topic to 6 cr max.

**Last Taught:** Fall 2023, Fall 2021, Spring 2021, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOC WRK 999 Independent Reading in Social Work**

1-3 cr. Graduate.

Work suited to individual graduate students arranged.

**Prerequisites:** grad st; completion of foundation courses for non-BSW students; writ cons instr & dir of Soc Wrk prog.

**Course Rules:** Students shall not take more than 6 cr total between courses Soc Wrk 970(P) & 999(P).

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Sociology (SOCIOL)

**SOCIOL 101 Introduction to Sociology**

3 cr. Undergraduate.

Sociology as a special field of social science. The relationship of the work of the sociologist to contemporary society; an examination of the sociological perspective.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 102 Solving Social Problems**

3 cr. Undergraduate.

Examines problems relating to social inequality, troubled institutions, social control and social change. Explains how sociological theories can address these problems and improve communities.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 103 World Society**

3 cr. Undergraduate.

Demographic and development trends related to political, economic, and eco-systems. Policy options and strategies regarding population growth, economic development, and selected institutional issues.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 104 Introduction to Social Psychology**

3 cr. Undergraduate.

An introduction to sociological social psychology, emphasizing such topics as the nature of self, identity, socialization, various aspects of social interaction, and dynamics of group behavior.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 199 Independent Study**

1-3 cr. Undergraduate.

For further information, consult department chair.

**Prerequisites:** 2.0 GPA; consent of instructor, department chair, and Assistant Dean for Student Academic Services.

**Course Rules:** May be retaken with change in topic to 6 credits max.

**Last Taught:** Spring 2018, Spring 2015, Spring 2014, Fall 2004.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 207 Work and Society**

3 cr. Undergraduate.

The sociology of work; changes in the structure of work. Theory and research on work settings: occupations, professions, housework, work subterranean. The future of work.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Spring 2022, Spring 2012, Fall 2011, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 224 Race and Ethnicity in the United States**

3 cr. Undergraduate.

Examines racial and ethnic relations in the U.S. in historical and contemporary contexts. Addresses racial inequality and American institutions (such as education, employment, healthcare, criminal justice, housing, and the environment).

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**General Education Requirements:** CD, SS

**Last Taught:** Summer 2023, Fall 2022, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 233 Social Inequality in the United States**

3 cr. Undergraduate.

A survey of intersecting inequalities, examining race, class, gender, sexuality, age, disability, and other identities. Introduction to competing stratification theories.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Summer 2022, Spring 2022, Fall 2021, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 235 Social Change in the Global Economy**

3 cr. Undergraduate.

Global nature of contemporary economic and social change; local dimensions of globalization, economic integration, dislocation, transnationalization, popular resistance, and backlash.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Fall 2018, Fall 2017, Spring 2014, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 241 Criminology**

3 cr. Undergraduate.

Analysis of competing perspectives on crime, with reference to the behavior of those who define, engage in, or become the victim of criminal behavior.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 246 Juvenile Delinquency**

3 cr. Undergraduate.

Study of personal and social determinants of juvenile delinquency and agencies for its control, treatment, and prevention.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Fall 2022, Spring 2021, Spring 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 248 Sociology of Education**

3 cr. Undergraduate.

Social structure of the contemporary schooling system in the United States. Topics include social class membership and education outcomes; school desegregation; high school attrition.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2018, Summer 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 250 Sex and Gender**

3 cr. Undergraduate.

The study of gendered behavior and gender inequality; the social construction of gender; the impact of changing work and family roles on gendered experiences; sociological understandings of sex and gender diversity.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 255 Sociology of Sexuality**

3 cr. Undergraduate.

The social construction of sexuality, the social history of sexual arrangements, and contemporary sexual theory and practice.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOLOGY course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 260 Blood, Sex, Money, Power: Families and Intimate Relationships**

3 cr. Undergraduate.

The social forces that shape inequality within, and the formation and maintenance of, marriage and other intimate relationships across diverse groups.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOLOGY course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2022, Fall 2019, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 261 Introduction to Statistical Thinking in Sociology**

3 cr. Undergraduate.

Introduction to basic statistical concepts and procedures and their selected application to sociological data. Covers both descriptive and inferential statistics.

**Prerequisites:** sophomore standing or higher or completion of a prior SOCIOLOGY course; and satisfaction of GER Quantitative Literacy Part A requirement; or consent of instructor. Open to special students.

**General Education Requirements:** QL B

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 282 Sociology of Aging**

3 cr. Undergraduate.

Introduction to social gerontology; examination of the social dynamics and institutional contexts of aging in modern society.

**Prerequisites:** sophomore standing or higher; or completion of a prior SOCIOLOGY course; or consent of the instructor. Open to special students.

**General Education Requirements:** SS

**Last Taught:** Fall 2017, Spring 2016, Spring 2015, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 289 Internship in Sociology, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Sociology in a business, organizational, educational, political or other appropriate setting.

**Prerequisites:** sophomore standing or higher, or completion of a prior SOCIOLOGY course; and 2.25 gpa or better; and consent of supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Last Taught:** Spring 2020, Spring 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** acceptance for Study Abroad Program and department consent.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Summer 2023, Fall 2022, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; additional prerequisites may be assigned to specific topic.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 1995, Spring 1990, Fall 1989, Spring 1989.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 302 Professional Development for Social Science Majors**

1 cr. Undergraduate.

Examination of the social forces that shape contemporary employment and job seeking experiences; learning to identify and describe the knowledge and skills they are acquiring as social science majors/minors.

**Prerequisites:** sophomore standing and declared or intended major or minor in anthropology, communication, economics, geography, political science, psychology, sociology, urban studies, women's and gender studies; or consent of instructor.

**Course Rules:** Previously SOCIOLOGY 202.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 304 Political Sociology**

3 cr. Undergraduate.

Examination of structural and cultural factors as related to the nature of political systems; consideration of the organization and roles of political and para-political groups.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOLOGY course; or consent of the instructor. Open to special students.

**Last Taught:** Fall 2022, Summer 2022, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 321 Contemporary Issues of the American Indian**

3 cr. Undergraduate.

Development of the institutional structure of American Indian affairs; current economic and social problems, contemporary manifestations of American Indian spirit, e.g. activism and cultural experiences.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOLOGY course; or consent of the instructor. Open to special students.

**Course Rules:** AIS 321 and SOCIOLOGY 321 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Spring 2018, Spring 2011, Spring 2010, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 323 Perspectives on Latino Communities**

3 cr. Undergraduate.

Sociological analysis of the experiences of Latinos. Examination of immigration and mode of incorporation from theoretical perspectives. Emphasis on Chicanos, Cubans, and Puerto Ricans.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Course Rules:** LATINX 323 and SOCIOL 323 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 324 Race and Ethnicity in Global Contexts**

3 cr. Undergraduate.

Analysis of racial and ethnic relations in historical and cross-cultural perspective. Origin, persistence, adaptation, and change in patterns of racial and ethnic relations in various world societies.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Spring 2023, Spring 2022, Summer 2021, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 325 Social Change**

3 cr. Undergraduate.

Study of change in society; integration and various theories of social change; examination of contemporary instances of social change.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Spring 2022, Fall 2021, Summer 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 327 Data, Technology, and Society**

3 cr. Undergraduate.

Examines the social implications of new and emerging technology, the diffusion of data and technology into practice, and the ways that data, technology, and society interact to reshape social relations and institutions.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Fall 2022, Spring 2018, Fall 2017, Summer 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 328 Science in Society**

3 cr. Undergraduate.

Comprehensive overview of social scientific approaches to understanding science in society. Topics covered include science studies, science communication, public understanding of science, and science as culture.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Course Rules:** Counts as a repeat of SOCIOL 495 with similar topic.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 330 Economy and Society**

3 cr. Undergraduate.

The sociological perspective applied to economic phenomena, including production, distribution, consumption, exchanges of goods, a country's economic development, and global market.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 331 Sociology of Health Care**

3 cr. Undergraduate.

Cultural, social, and social-psychological factors in disease processes; distribution of disease; social definitions of illness; organization of health professions and health facilities.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Summer 2022, Spring 2022, Fall 2018, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 338 Small Groups**

3 cr. Undergraduate.

Defining structure and functions of the group. Developing understanding of group processes. Recognizing and defining leadership, cliques and factions.

**Prerequisites:** Junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Spring 2020, Fall 2018, Fall 2016, Spring 2008.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 341 Sociology of Deviant Behavior**

3 cr. Undergraduate.

Analysis of the ways in which deviant behavior is socially constructed, individuals are labeled and stigmatized as deviants, and mechanisms of social control are activated or challenged.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Fall 2022, Spring 2022, Fall 2021, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 342 Sociology of Law**

3 cr. Undergraduate.

Examination of law as a social institution, the functions of law, evolution of legal systems, law and other social institutions, the legal profession.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Spring 2023, Spring 2020, Spring 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 343 Collective Behavior**

3 cr. Undergraduate.

Dynamic aspects of social and institutional change. The breakdown and transformation of the social system through cultural drift, collectivities, and social movements. Recruitment, ideology, and leadership.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course; or consent of the instructor. Open to special students.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 350 Environmental Sociology**

3 cr. Undergraduate.

Sociological analysis of the interaction between humans, their artifacts, and the natural environment.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOLOGY course; or consent of the instructor. Open to special students.**Last Taught:** Summer 2023, Spring 2022, Fall 2021, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 352 Social Networks**

3 cr. Undergraduate.

Introduction to the basic principles and methods of social network analysis; applications and methods that social scientists use to understand the structure and implications of social networks.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOLOGY course; or consent of the instructor. Open to special students.**Last Taught:** Spring 2023, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 361 Research Methods in Sociology**

3 cr. Undergraduate.

Scientific methods in the analysis of society, procedures in problem definition, hypotheses/construction, and collection, and evaluation of data.

**Prerequisites:** junior standing or higher, completion of six credits in SOCIOLOGY, and SOCIOLOGY 261(P) or other approved statistics course; or consent of the instructor. Open to special students.**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 375 Social Theory**

3 cr. Undergraduate.

Covers major historical and contemporary works of social thought.

**Prerequisites:** junior standing or higher and completion of six credits in SOCIOLOGY; or consent of instructor. Open to special students.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 376 Modern Sociological Theory**

3 cr. Undergraduate.

Major theoretical paradigms including functionalism, conflict and dialectical models, exchange theory, symbolic interactionism, and social phenomenology.

**Prerequisites:** SOCIOLOGY 375(P). Open to special students.**Last Taught:** Summer 2020, Spring 2020, Summer 2019, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 377 Urbanism and Urbanization**

3 cr. Undergraduate.

Theoretical perspectives, substantive themes, and methodological approaches to the study of cities. Impact of historical development and changing spatial patterns on social behavior in metropolitan areas.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOLOGY course or URB STD 250(P). Open to special students.**Course Rules:** SOCIOLOGY 377 and URB STD 377 are jointly-offered and count as repeats of one another.**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 380 Honors Seminar:**

3 cr. Undergraduate.

Selected topics in sociology.

**Prerequisites:** sophomore standing or above and admission to Honors College.**Course Rules:** May be retaken with change in topic to 9 cr max.**General Education Requirements:** SS**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 399 Independent Study-Upper Division**

1-3 cr. Undergraduate.

Independent work in specific areas of sociology under supervision.

**Prerequisites:** junior standing; 2.5 GPA; written consent of the instructor, department chair, and assistant dean for SAS.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Spring 2021, Summer 2020, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 442 The Work-Family Intersection**

3 cr. Undergraduate/Graduate.

Social forces shaping work and family patterns and ideologies; implications of social change for employers, workers, and families; survey of work-family policies.

**Prerequisites:** jr st; 6 cr 200-level or above Sociol.**Course Rules:** No cr for students w/cr in Sociol 495 w/similar topic.**Last Taught:** Spring 2019, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 442G The Work-Family Intersection**

3 cr. Undergraduate/Graduate.

Social forces shaping work and family patterns and ideologies; implications of social change for employers, workers, and families; survey of work-family policies.

**Prerequisites:** jr st; 6 cr 200-level or above Sociol.**Course Rules:** No cr for students w/cr in Sociol 495 w/similar topic.**Last Taught:** Spring 2019, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 443 Organizations, Occupations, and Professions**

3 cr. Undergraduate/Graduate.

Development of occupations and professions in industrial societies.

Study of professional concepts, ethical codes, work norms, specialization, recruitment, education, and work roles in an organizational context.

**Prerequisites:** junior standing; a 100-level Sociology course; or consent of instructor; or graduate standing.**Last Taught:** Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOLOGY 443G Organizations, Occupations, and Professions**

3 cr. Undergraduate/Graduate.

Development of occupations and professions in industrial societies.

Study of professional concepts, ethical codes, work norms, specialization, recruitment, education, and work roles in an organizational context.

**Prerequisites:** junior standing; a 100-level Sociology course; or consent of instructor; or graduate standing.**Last Taught:** Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 444 Sociology of the Body**

3 cr. Undergraduate/Graduate.

How the body is shaped by social forces. Relationship between the body, identity, and culture, focusing on gender, race/ethnicity, and disability.

**Prerequisites:** jr st & any Sociol course; or grad st.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 444G Sociology of the Body**

3 cr. Undergraduate/Graduate.

How the body is shaped by social forces. Relationship between the body, identity, and culture, focusing on gender, race/ethnicity, and disability.

**Prerequisites:** jr st & any Sociol course; or grad st.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 448 Sociology of Children and Adolescents**

3 cr. Undergraduate/Graduate.

Theoretical perspectives and research methods addressing substantive issues in children's and adolescents' lives, including peer cultures, schooling, families, gender, race, class, health, and work.

**Prerequisites:** jr st & any Sociol course; or grad st.**Last Taught:** Spring 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 448G Sociology of Children and Adolescents**

3 cr. Undergraduate/Graduate.

Theoretical perspectives and research methods addressing substantive issues in children's and adolescents' lives, including peer cultures, schooling, families, gender, race, class, health, and work.

**Prerequisites:** jr st & any Sociol course; or grad st.**Last Taught:** Spring 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 461 Social Data Analysis Using Regression**

3 cr. Undergraduate/Graduate.

Advanced practical training in multivariate regression using real, large datasets (surveys, census data, etc.); how multiple independent variables influence a dependent variable.

**Prerequisites:** junior standing and SOCIOL 261(P) or other approved statistics course; or consent of instructor.**Course Rules:** No cr for students with cr in SOCIOL 499 with similar topic.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 461G Social Data Analysis Using Regression**

3 cr. Undergraduate/Graduate.

Advanced practical training in multivariate regression using real, large datasets (surveys, census data, etc.); how multiple independent variables influence a dependent variable.

**Prerequisites:** junior standing and SOCIOL 261(P) or other approved statistics course; or consent of instructor.**Course Rules:** No cr for students with cr in SOCIOL 499 with similar topic.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 476 Sociology of International Public Health**

3 cr. Undergraduate/Graduate.

Social, economic, and political factors that influence inequality in health at the global level; interacting influence of micro and macro forces on public health.

**Prerequisites:** jr st; 9 cr in Sociol at 200-level or above; or grad st.**Last Taught:** Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 476G Sociology of International Public Health**

3 cr. Undergraduate/Graduate.

Social, economic, and political factors that influence inequality in health at the global level; interacting influence of micro and macro forces on public health.

**Prerequisites:** jr st; 9 cr in Sociol at 200-level or above; or grad st.**Last Taught:** Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 489 Internship in Sociology, Upper Division**

3 cr. Undergraduate.

Application of advanced principles of sociology in a business, organization, educational, political or other appropriate setting; includes course work and 120 hrs field work.

**Prerequisites:** junior standing; declared SOCIOL major or minor; SOCIOL 361(P); 2.75 GPA.**Last Taught:** Spring 2021, Fall 2019, Spring 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 495 Seminar in Sociology:**

3 cr. Undergraduate/Graduate.

Intensive study in a selected area of Sociology. Designed to encourage discussion, debate, and critical thinking.

**Prerequisites:** junior standing and 6 credits of SOCIOL coursework at the 200 level or above; or consent of instructor.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Spring 2023, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 495G Seminar in Sociology:**

3 cr. Undergraduate/Graduate.

Intensive study in a selected area of Sociology. Designed to encourage discussion, debate, and critical thinking.

**Prerequisites:** junior standing and 6 credits of SOCIOL coursework at the 200 level or above; or consent of instructor.**Course Rules:** May be retaken with change in topic to 6 cr max.**Last Taught:** Spring 2023, Fall 2012.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** junior standing and acceptance for Study Abroad Program.**Course Rules:** May be retaken with change in topic.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared program course work.

**Prerequisites:** junior standing and acceptance for Study Abroad Program.

**Course Rules:** May be retaken with change in topic.

**Last Taught:** Fall 2023, Summer 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2013, Fall 2007, Fall 2004, UWinterIM 2003.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 701 Professional Seminar**

1 cr. Graduate.

Fundamentals of academic and sociological reading, writing, and thinking. Orientation to graduate study, the sociological profession, and the tools of sociological research.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 715 Systematic Sociological Theory**

3 cr. Graduate.

A general examination of sociological theories, their construction, problems of conceptualization, and methodological requirements.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 750 Research Methods in Sociology**

3 cr. Graduate.

Application of scientific methods to the analysis of social phenomena, methodological orientations in sociology, types of research procedure, and nature of sociological variables.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 752 Fundamentals of Survey Methodology**

3 cr. Graduate.

Seminar in the principles of survey design that are the basis of standard practices in the field of sociology.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2015, Spring 2014, Spring 2013, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 760 Advanced Statistical Methods in Sociology**

3 cr. Graduate.

Review of elementary statistics. Probability theory and its applications. Multivariate analysis. Nonparametric statistical inference. Measurement theory. Selected statistical models for hypothesis testing and theory construction.

**Prerequisites:** graduate standing and a score of 85 on department diagnostic examination.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 790 Master's Level Thesis/Paper**

1-6 cr. Graduate.

Research or thesis/paper work for students in the master's program in sociology.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 15 cr max. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 794 Proseminar: The Teaching of Undergraduates**

2 cr. Graduate.

Designed to prepare and support new teachers of undergraduates in a variety of disciplines.

**Prerequisites:** graduate standing.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 799 Master's Level Reading and Research**

1-3 cr. Graduate.

Independent study of a topic selected by a student after consultation with member of graduate faculty.

**Prerequisites:** graduate standing and consent of instructor.

**Course Rules:** Repeatable to 12 cr max.

**Last Taught:** Fall 2023, Fall 2022, Spring 2022, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirements.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Summer 2023, Summer 2022, Summer 2020, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOLOGY 901 Urban Social Structure**

3 cr. Graduate.

Comprehensive analysis of the emergence and institutionalization of cultural and social patterns in urban settings; and future American urban social structures.

**Prerequisites:** graduate standing.

**Course Rules:** SOCIOLOGY 901 and URB STD 901 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023, Spring 2021, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 910 The Sociology of Inequality**

3 cr. Graduate.

Social, economic, cultural, and political forces behind the formation and reproduction of social inequalities in the United States.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 911 The Sociology of Institutions**

3 cr. Graduate.

Social institutions as a foundational sociological concept. Theory and research on institutional emergence, persistence, and change.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2021, Fall 2019, Fall 2017, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 920 Sociology of Race and Ethnicity**

3 cr. Graduate.

Patterns of racial and ethnic differentiation and how they originate and change over time.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2022, Fall 2013, Fall 2010, Fall 2003.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 923 Sociology of Culture**

3 cr. Graduate.

Selected themes in the sociology of culture, including symbols, language, forms of knowledge, power and practice, the arts, and media.

**Prerequisites:** graduate standing.**Course Rules:** No credit for students with credit in SOCIOL 927 with the same title.**Last Taught:** Spring 2021, Spring 2019, Fall 2016, Spring 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 925 Sex and Gender**

3 cr. Graduate.

Select survey of sociological theory and research about linkages among sex, gender, social institutions, and inequality.

**Prerequisites:** graduate standing.**Course Rules:** Counts as a repeat of SOCIOL 927 with similar topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 927 Seminar in Sociology of Contemporary Institutions:**

3 cr. Graduate.

Analysis of major social institutions in modern societies in terms of status orders, division of labor, normative systems, processes of social change, and conflict. Specific topics and any additional prerequisites announced in Schedule of Classes

**Prerequisites:** graduate standing.**Course Rules:** Retakable with change in topic and consent of adviser to 9 credits maximum.**Last Taught:** Spring 2023, Spring 2022, Spring 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 928 Seminar in Social Organization:**

3 cr. Graduate.

Study of conceptual approaches used in analyzing social organization: social stratification, complex organization, urbanization, small groups in mass society. Specific topics and any additional prerequisites announced in schedule of classes each time course is offered.

**Prerequisites:** grad st.**Course Rules:** Retakable w/chg in topic & cons advisor to 9 cr max.**Last Taught:** Fall 2021, Spring 2020, Fall 2019, Fall 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 951 Seminar in Research Methodology**

3 cr. Graduate.

Discussion of selected topics in research design, research methods, statistical analysis, and model construction.

**Prerequisites:** graduate standing.**Course Rules:** Retakeable to a max of 9 cr with consent of adviser.**Last Taught:** Fall 2023, Spring 2020, Spring 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 952 Social Network Analysis**

3 cr. Graduate.

Overview of classic and contemporary quantitative methods for social network analysis in sociology and other fields. Methodological issues and substantive applications. Use of network analysis software.

**Prerequisites:** graduate standing and a graduate-level statistics course or consent of instructor.**Course Rules:** Counts as a repeat of SOCIOL 951 with the same title.**Last Taught:** Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 979 Qualitative Research Methods**

3 cr. Graduate.

Seminar on logic, design, and presentation of social science research. Inductive and qualitative methods, theory construction, and ethics and procedures of research in natural settings.

**Prerequisites:** graduate standing.**Course Rules:** SOCIOL 979 and URB STD 979 are jointly-offered and count as repeats of one another.**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 982 Advanced Quantitative Analysis**

3 cr. Graduate.

Evaluation of different methods of generating data and their applications to the analysis of public policies and programs.

**Prerequisites:** graduate standing and a minimum score of 85 on department diagnostic exam.**Course Rules:** SOCIOL 982 and URB STD 982 are jointly offered; they count as repeats of one another.**Last Taught:** Fall 2022, Fall 2021, Fall 2020, Fall 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SOCIOL 990 Doctoral Dissertation**

1-6 cr. Graduate.

Research for dissertation.

**Prerequisites:** graduate standing; admission to candidacy for PhD degree; consent of major professor.**Course Rules:** Repeatable to 30 cr max.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SOCIOL 999 Doctoral Reading and Research**

1-6 cr. Graduate.

Independent study of a topic selected by a student after consultation with member of graduate faculty.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Retakable to 9 cr max.**Last Taught:** Fall 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Spanish (SPANISH)

**SPANISH 103 First-Semester Spanish**

4 cr. Undergraduate.

Introductory course for students who have had little or no previous work in Spanish.

**Prerequisites:** none.**Course Rules:** Open only to students with 2 yrs H.S. Spanish or less or a score of 1 on Spanish placement exam.**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 104 Second-Semester Spanish**

4 cr. Undergraduate.

Continuation of Spanish 103.

**Prerequisites:** grade of C- or better in Spanish 103(P) or level 2 score on Spanish placement exam.**Course Rules:** Generates L&S credits for demonstrated equivalent preparation (4 retro crs).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 197 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enable students studying language abroad to receive course credit at appropriate level.

**Prerequisites:** acceptance in Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Spring 2020, Fall 2019, Summer 2019, Summer 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 203 Third-Semester Spanish**

3 cr. Undergraduate.

Continuation of Spanish 104. Review of the main grammatical concepts. Readings in modern Spanish and Spanish-American literature.

**Prerequisites:** grade of C- or better in Spanish 104(P) or level 3 score on Spanish placement exam.**Course Rules:** Generates L&S credits for demonstrated equivalent preparation (8 retro crs).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 204 Fourth-Semester Spanish**

3 cr. Undergraduate.

Continuation of Spanish 203. Review of the main grammatical concepts. Readings in modern Spanish and Spanish-American literature.

**Prerequisites:** grade of C- or better in Spanish 203(P) or level 4 score on Spanish placement exam.**Course Rules:** Generates L&S credits for demonstrated equivalent preparation (11 retro crs).**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 225 Understanding the Hispanic World:**

3 cr. Undergraduate.

Different manifestations of Hispanic culture across continents and centuries studied from many angles.

**Prerequisites:** none.**Course Rules:** In English. May be retaken w/chg in topic to 9 cr max.**General Education Requirements:** HU**Last Taught:** Fall 2019, Fall 2018, Spring 2018, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 289 Internship in Spanish, Lower Division**

1-3 cr. Undergraduate.

Application of basic principles of Spanish in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Spanish; 2.25 gpa; cons supervising faculty member.**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 3 cr max.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 296 UROP Apprenticeship**

3 cr. Undergraduate.

Undergraduate research participation in a project developed with a supervising member of the faculty or staff.

**Prerequisites:** acceptance into UROP; prior or conc reg in UROP seminar.**Course Rules:** One credit for 45 hrs research. May be retaken to 9 cr max in any combination of UROP apprenticeship courses. Not open to jrs & srs.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before coursework level, content and cr are determined and/or in specially prepared program coursework.

**Prerequisites:** acceptance for Study Abroad Prog.**Course Rules:** May be retaken w/chg in topic.**Last Taught:** Fall 2023, Spring 2023, Summer 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept &amp; assoc dean approval. In exceptional circumstances, can be offered in one add'l sem. May be retaken w/chg in topic.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.**Last Taught:** Spring 2000, Fall 1999, Spring 1999, Spring 1998.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**SPANISH 308 Advanced Writing and Reading**

3 cr. Undergraduate.

Development of proficiency in different writing styles; emphasis on the most difficult aspects of Spanish through reading and other exercises.

**Prerequisites:** C- or better in Spanish 204(P), or score level 5 on Spanish placement exam, or cons instr.**Course Rules:** Counts as repeat of Spanish 305 and 316. Generates L&S credits for demonstrated equivalent preparation (14 retro credits).**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SPANISH 318 Advanced Speaking and Listening**

3 cr. Undergraduate.

Development of oral proficiency in relation to Hispanic culture.

**Prerequisites:** C- or better in Spanish 204(P), or score level 5 on Spanish placement exam, or cons instr.

**Course Rules:** For non-heritage Spanish speakers. Students cannot receive credit for both 318 and 319. Generates L&S credits for demonstrated equivalent preparation (14 retro cr).

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**SPANISH 319 Advanced Speaking and Listening for Heritage Speakers**

3 cr. Undergraduate.

Development of full proficiency in reading, writing, and speaking skills in Spanish for students with native/near-native command of these skills.

**Prerequisites:** C- or better in Spanish 204(P), or score level 5 on Spanish placement exam, or cons instr.

2 cr. Undergraduate.

Design of curriculum in inclusive early childhood settings including further investigation of developmentally appropriate teaching strategies and assessment.

**Prerequisites:** sophomore standing and admission to School of Education; or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 302.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### TCH LRN 309 Inclusive Early Childhood Field Experiences: Preschool and Kindergarten

3 cr. Undergraduate.

Field experience in the preschool/kindergarten classrooms; application of theoretical understandings within classroom settings.

**Prerequisites:** junior standing and admission to School of Education; or consent of instructor; TCH LRN 209(P), TCH LRN 502(C), and TCH LRN 569(C).

**Course Rules:** Counts as repeat of CURRINS 340 or EXCEDUC 648.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### TCH LRN 312 Models and Issues for Inclusive Early Childhood Education

3 cr. Undergraduate.

Overview of content, methods, and issues pertaining to the organization of inclusive early childhood programs for culturally and linguistically diverse learners.

**Prerequisites:** TCH LRN 109(C).

**Course Rules:** Counts as repeat of CURRINS 312.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### TCH LRN 323 Teaching of Social Studies: Inclusive Early Childhood Education

3 cr. Undergraduate.

Examination of the purposes of social studies education in the schools, including content selection, educational process, and the nature of inquiry.

**Prerequisites:** junior standing, admission to School of Education, TCH LRN 302(P), and TCH LRN 303(P); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 323.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### TCH LRN 338 Teaching of Science in Inclusive Early Childhood Education

3 cr. Undergraduate.

Objectives, materials, and teaching methods for science in early childhood classrooms.

**Prerequisites:** junior standing, admission to School of Education, TCH LRN 302(P), and TCH LRN 303(P); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 338.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### TCH LRN 409 Inclusive Early Childhood Field Experiences: Primary

3 cr. Undergraduate.

Field experiences in inclusive early childhood primary classrooms with opportunities to work with learners with diverse abilities.

**Prerequisites:** junior standing, admission to School of Education, TCH LRN 309(P), and TCH LRN 504(C); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 440 or EXCEDUC 649.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### TCH LRN 430 Perspectives on Disability in Early Childhood Education

3 cr. Undergraduate.

Overview of understanding and supporting young learners birth through age 8 with disabilities and their families.

**Prerequisites:** sophomore standing.

**Course Rules:** Counts as repeat of EXCEDUC 630.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### TCH LRN 501 Language Acquisition for Children of Diverse Backgrounds

3 cr. Undergraduate.

Examinations of theories of language acquisition and development for children of diverse backgrounds. Teaching methods for developing literacy and biliteracy.

**Prerequisites:** sophomore standing, TCH LRN 312(P), and TCH LRN 209(C); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 501.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

### TCH LRN 502 Emergent Literacy and Biliteracy in the Inclusive Early Childhood Classroom

3 cr. Undergraduate.

Study of literacy and biliteracy development of young children and teaching methods to support this development in the inclusive early childhood classroom.

**Prerequisites:** junior standing, admission to the School of Education, TCH LRN 501(P) and TCH LRN 309(C); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 502.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 504 Methods for Biliteracy and Language Arts in Inclusive Primary Classrooms**

3 cr. Undergraduate.

Study of literacy and biliteracy development of young children and teaching methods to support this development in inclusive primary classrooms.

**Prerequisites:** junior standing, admission to School of Education, TCH LRN 502(P) and TCH LRN 409(C); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 504.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 509 Advanced Field Experience in Inclusive Early Childhood Education**

3 cr. Undergraduate.

Advanced field experiences in inclusive early childhood classrooms designed for preparation of student teaching experience; focus on reflective practice, lesson components, and social emotional learning approaches.

**Prerequisites:** senior standing, admission to School of Education, and TCH LRN 409(P); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 540.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 511 Curriculum and Guidance for Social Emotional Learning**

3 cr. Undergraduate.

Study of teaching strategies and curriculum and guidance methods designed to enhance children's social/emotional learning.

**Prerequisites:** junior standing and admission to School of Education.

**Course Rules:** Counts as repeat of CURRINS 511.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 512 Reflective Practice in Inclusive Early Childhood Teaching and Learning**

3 cr. Undergraduate.

Examination of connections between the urban context, ways of understanding diversity, and professional practice in inclusive early childhood classrooms, including implications of pedagogy, curriculum, and instruction.

**Prerequisites:** sophomore standing and TCH LRN 312(P); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 512.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 520 Developing Mathematical Thinking in Young Children**

3 cr. Undergraduate/Graduate.

Teaching and learning of mathematics in PK-3. Emphasis on developmental learning trajectories, counting principles, subitizing, early number, spatial reasoning, problem-solving, and communication.

**Prerequisites:** junior standing, admission to the School of Education, and a grade of C or better in MATH 176(P); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 520.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 520G Developing Mathematical Thinking in Young Children**

3 cr. Undergraduate/Graduate.

Teaching and learning of mathematics in PK-3. Emphasis on developmental learning trajectories, counting principles, subitizing, early number, spatial reasoning, problem-solving, and communication.

**Prerequisites:** junior standing, admission to the School of Education, and a grade of C or better in MATH 176(P); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 520.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 568 Inclusive Early Childhood Care, Curriculum, and Teaching: Birth to Three**

3 cr. Undergraduate.

Approaches to infant/toddler care, early intervention, and early education for learners with and without disabilities; instructional material and techniques to foster infant/toddler development; strategies for administering and managing learning environments.

**Prerequisites:** sophomore standing, admission to School of Education, and TCH LRN 647(C); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 301 or EXCEDUC 568.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 569 Inclusive Early Childhood Curriculum and Methods: Preschool**

3 cr. Undergraduate.

Study of preschool teaching strategies and curriculum designed to apply theoretical understandings within early childhood settings.

**Prerequisites:** junior standing and TCH LRN 309(C).

**Course Rules:** Counts as repeat of EXCEDUC 569.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 570 Inclusive Early Childhood Curriculum and Teaching: Primary**

3 cr. Undergraduate.

Study of inclusive primary classroom teaching strategies and curriculum designed to apply theoretical understandings within classroom settings.

**Prerequisites:** junior standing and TCH LRN 409(C).

**Course Rules:** Counts as repeat of EXCEDUC 570.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 601 Student Teaching Seminar in Inclusive Early Childhood Education**

3 cr. Undergraduate.

Student teaching seminar class provides a space for teacher candidates to reflect, share, and examine experiences in inclusive early childhood setting.

**Prerequisites:** senior standing, admission to School of Education, and TCH LRN 609(C); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 601.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 608 Practicum in Inclusive Early Childhood Education Without Certification**

1-12 cr. Undergraduate.

Practicum to provide candidates with professional experience in an education-related setting.

**Prerequisites:** senior standing; admission to School of Education; TCH LRN 509(P); or consent of instructor.

**Course Rules:** Repeatable to 18 credits max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 609 Student Teaching in Inclusive Early Childhood Education**

1-12 cr. Undergraduate.

Student teaching in an inclusive early childhood classroom allows teacher candidates to apply theoretical understandings within classroom settings.

**Prerequisites:** senior standing; admission to the School of Education, TCH LRN 601(C), and TCH LRN 509(P); or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 640. Repeatable to 24 credits max.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 612 Collaborations for Teachers with Families, Schools, and Communities**

3 cr. Undergraduate.

Theory/strategies for developing effective family-school relationships, with a focus on urban issues, inclusive classrooms, teacher-family communications, family education and support, and community resources for teachers.

**Prerequisites:** junior standing, admission to School of Education; or consent of instructor.

**Course Rules:** Counts as repeat of CURRINS 612 or EXCEDUC 612.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 647 Inclusive Early Childhood Field Experiences: Birth to Three**

3 cr. Undergraduate.

Field experience in early intervention and birth to three natural settings. Allows teacher candidates to apply theoretical understandings within natural settings.

**Prerequisites:** junior standing.

**Course Rules:** Counts as repeat of EXCEDUC 647. Repeatable to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TCH LRN 652 Developmental Assessment of Young Children with Disabilities**

3 cr. Undergraduate.

The major functions of screening, assessment and progress monitoring implemented by inclusive early childhood educators.

**Prerequisites:** junior standing.

**Course Rules:** Counts as repeat of EXCEDUC 652.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Theatre (THEATRE)

**THEATRE 100 Introduction to the Theatre**

3 cr. Undergraduate.

Introduction to the theatre as a form of artistic, social and human expression from point-of-view of both theatre audience and theatre artist.

**Prerequisites:** none.

**General Education Requirements:** A

**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 101 Acting for Non-majors**

3 cr. Undergraduate.

An introduction to basic acting techniques of personalization, focus, and scene study explored through participatory and collaborative exercises and assignments.

**Prerequisites:** Non-Theatre major.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 110 Fundamentals of the Actor's Process**

3 cr. Undergraduate.

Basic acting techniques of personalization, focus of attention, theatricality and scenic truth explored through exercises, improvisation, development of ensemble and solo and partnered performance

**Prerequisites:** Theatre major or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 111 Theatre Games**

3 cr. Undergraduate.

An introduction to a wide variety of improvisations and games which are designed to free and channel the self expression of performers and non-performers.

**Prerequisites:** none.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 150 Multicultural America:**

3 cr. Undergraduate.

Cross cultural study of US ethnic and racial identities through materials drawn from a variety of theatrical arts practices.

**Prerequisites:** none

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**General Education Requirements:** A, CD

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 202 Theatre Practicum**

1-4 cr. Undergraduate.

Practical work on live performance productions. Credit earned by serving on publicity, house, stage, sound, light, or costume crews, or by stage managing or performing.

**Prerequisites:** grade of C or better in THEATRE 214(P) or THEATRE 225(P); or cons instr.

**Course Rules:** May be retaken to max of 4 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 204 Theatre and Social Change**

3 cr. Undergraduate.

Introduction to the study, methodologies, and practice of participatory theatre including happenings, environmental theatre, therapeutic theatre, and celebratory theatre.

**Prerequisites:** none**General Education Requirements:** A**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 213 Play Analysis**

3 cr. Undergraduate.

Methods of analysis of the dramatic text for production; the elements of a play through discussion and written analysis of selected works.

**Prerequisites:** none.**General Education Requirements:** A**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 214 Stagecraft**

4 cr. Undergraduate.

Principles and practices of theatrical construction techniques for scenery and props, lighting and sound installation emphasizing safety and craftsmanship. Requires scheduled work in production studios under faculty supervision.

**Prerequisites:** none**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 215 Properties Production**

3 cr. Undergraduate.

Introductory properties shop/management artisan skills with basic construction and finishing techniques for stage properties.

**Prerequisites:** a grade of C or better in THEATRE 214(P) or consent of instructor.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 218 Computer Modeling and Graphics for Live Performance**

3 cr. Undergraduate.

Development of basic techniques in computer aided design and graphic arts for the theatre.

**Prerequisites:** none.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 224 Make-Up**

3 cr. Undergraduate.

Emphasis on materials, effects of light, color and character analysis.

**Prerequisites:** none**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 225 Costume Construction**

2 cr. Undergraduate.

Mechanics and technology of art of costuming. Covers aspects of the costumer's craft focusing on practical work in shop.

**Prerequisites:** none.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 230 Acting 2: Text and Performance**

3 cr. Undergraduate.

Basic acting techniques in realism and extended realism through scene work and exercises exploring dramatic action, focus of attention and script analysis.

**Prerequisites:** a grade of C or better in THEATRE 110(P) or THEATRE 260(P); or consent of instructor.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 236 Theatre Production and Design**

3 cr. Undergraduate.

Design process exploring styles, methods, and presentation for scenery and costumes in traditional and non-traditional theatre.

**Prerequisites:** none.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 260 Storytelling:**

3 cr. Undergraduate.

Development of skills to locate, analyze, and tell stories from multicultural sources and ranging from personal experience to myths and legends.

**Prerequisites:** none.**Course Rules:** May be retaken with change in topic to max of 9 cr.

Additional prerequisites may be required for scheduled sections - check the Schedule of Classes for more information.

**General Education Requirements:** A**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 275 Performing Arts Management**

3 cr. Undergraduate.

Exploration of stage and theatre management processes including rehearsal and production management techniques and introductory management principles for non-profit theatre

**Prerequisites:** none.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 285 Costume Construction 2**

3 cr. Undergraduate.

Construction of costumes; advanced tailoring techniques, practical application of classwork in costume shop.

**Prerequisites:** a grade of C or better in THEATRE 225(P) or consent of instructor.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 303 Introduction to Design and Production for Performance**

3 cr. Undergraduate.

Exploring design concepts for performance / theatrical production environments. Emphasis on different production styles, creativity, and design collaboration.

**Prerequisites:** none.**General Education Requirements:** A**Last Taught:** Spring 2017, Fall 2015, Spring 2015, Fall 2014.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 304 Costume Design**

3 cr. Undergraduate.

Designing the play, understanding the basic principles of costume design. Rendering technique, color theory and the elements of design are covered.

**Prerequisites:** sophomore standing or consent of instructor.

**Last Taught:** Fall 2022, Fall 2020, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 305 The Theatrical Experience:**

3 cr. Undergraduate.

Performances, demonstrations, and lectures focusing on specific aspects of theatrical production. Attendance at live theatrical performances required

**Prerequisites:** none.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**General Education Requirements:** A

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 311 Improvisation**

3 cr. Undergraduate.

Participatory exploration of comedy improv, theatre games, and long-form improvisation designed to free and channel self expression and creativity. Open to performers or non-performers alike.

**Prerequisites:** none.

**Course Rules:** Repeatable to 6 cr max.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 314 Special Effects for Stage Scenery**

3 cr. Undergraduate.

Practical design, fabrication and installation of scenic effects emphasizing the use of pneumatics, electric motors and sensors.

**Prerequisites:** THEATRE 214(P) or consent of instructor

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 318 Scene Design**

3 cr. Undergraduate.

Development of design sensibility for stage set design from script analysis, research, and initial concept to model making of final design.

**Prerequisites:** sophomore standing or consent of instructor.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 319 Scenic Painting**

3 cr. Undergraduate.

Development of skills in stage painting techniques for scenery and properties.

**Prerequisites:** sophomore standing or consent of instructor.

**Last Taught:** Spring 2022, Spring 2020, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 321 The Theatre: Beginnings Through Realism**

3 cr. Undergraduate.

Study of the development of theatre art and its practice, performance, and scripts, from classical antiquity through the 19th century.

**Prerequisites:** soph st; satisfaction of GER OWC-A req.

**General Education Requirements:** A, OWCB

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 322 The Theatre: Modern and Contemporary Period**

3 cr. Undergraduate.

Study of the development of theatre art and its practice, performance, and scripts from 1900 to the present.

**Prerequisites:** soph st; satisfaction of GER OWC-A req.

**General Education Requirements:** A, OWCB

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 324 Theatre in the Americas: Latin American, Caribbean, and Latinx Theatre**

3 cr. Undergraduate.

Survey of Latin American, Caribbean, and U.S. Latinx theatre and performance. History and cultures of the Americas that shape these productions.

**Prerequisites:** junior standing.

**Course Rules:** Counts as repeat of LACS 324 or LATINO 324. LACUSL 324 and THEATRE 324 are jointly offered and count as repeats of one another.

**General Education Requirements:** A, CD

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 325 History of Costume**

3 cr. Undergraduate.

Study of costume and fashion from Egyptians to present. Emphasis on the sociological and cultural changes in patterns of dress and behavior.

**Prerequisites:** none.

**General Education Requirements:** A

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 330 Acting Topics:**

3 cr. Undergraduate.

Exploration of advanced acting techniques through various topic changes.

**Prerequisites:** May be retaken with change in topic.

**Last Taught:** Spring 2023, Spring 2022, Fall 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 337 Sound Production and Digital Editing for Stage and Studio**

3 cr. Undergraduate.

Exploration of sound recording and playback techniques for live performance including digital editing and computer based show control systems.

**Prerequisites:** sophomore standing or consent of instructor.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 338 Lighting Production**

3 cr. Undergraduate.

Hands-on exploration of seeing, making, and controlling light with emphasis on its practical application in live performance, video/film, architecture, and experiential design.

**Prerequisites:** sophomore standing or consent of instructor.

**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 343 Patternmaking**

3 cr. Undergraduate.

Exploration of flatpattern drafting for stage costumes.

**Prerequisites:** a grade of C or better in THEATRE 285(P) or consent of instructor.**Last Taught:** Spring 2022, Spring 2020, Fall 2017, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 354 Draping**

3 cr. Undergraduate.

Introduction to principles of draping techniques applied to stage costumes.

**Prerequisites:** a grade of C or better in THEATRE 343(P) or consent of instructor.**Last Taught:** Fall 2015, Fall 2013, Spring 2012, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 359 Playwriting**

3 cr. Undergraduate/Graduate.

Playwriting process through in-class exercises, writing assignments, critical analysis, and discussion.

**Prerequisites:** junior standing or consent of instructor.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 359G Playwriting**

3 cr. Undergraduate/Graduate.

Playwriting process through in-class exercises, writing assignments, critical analysis, and discussion.

**Prerequisites:** junior standing or consent of instructor.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 360 Theatre Practices:**

1-6 cr. Undergraduate.

Applied theatre practices and/or performance projects, that are developed through research, service-learning or in community settings.

**Prerequisites:** advanced to major in Theatre Education or consent of instructor.**Course Rules:** May be retaken to max of 6 cr.**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Fall 2021.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 380 Stage Management**

3 cr. Undergraduate.

Development of skills for the successful management of theatrical productions from auditions through rehearsal and performance.

**Prerequisites:** sophomore standing or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 400 Foundations**

1 cr. Undergraduate.

Exercises from various disciplines to stretch, energize, and prepare for the day's work in acting and production.

**Prerequisites:** Admis. to Theatre BFA Acting track.**Course Rules:** May be retaken for cr.**Last Taught:** Spring 2012, Fall 2011, Spring 2011, Fall 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 401 Advanced Costume & Properties Production**

3 cr. Undergraduate.

Advanced study and practical skill development related to work practices typical of theatrical costume and property shops.

**Prerequisites:** a grade of C or better in THEATRE 215(P) or THEATRE 285(P); or consent of instructor.**Last Taught:** Fall 2015, Fall 2013, Fall 2011, Spring 2010.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 408 Acting in Musical Theatre**

3 cr. Undergraduate.

Scene study in musical theatre, developing character through song, movement and text.

**Prerequisites:** advanced to major in Theatre BFA: Performance and a C grade or better in THEATRE 230(P); or consent of instructor.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 410 Stage Directing**

3 cr. Undergraduate/Graduate.

Basic skills of staging, play analysis, rehearsal technique, and production organization.

**Prerequisites:** jr st; Theatre 213(P) & 230 (P); or cons instr.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 410G Stage Directing**

3 cr. Undergraduate/Graduate.

Basic skills of staging, play analysis, rehearsal technique, and production organization.

**Prerequisites:** jr st; Theatre 213(P) & 230 (P); or cons instr.**Last Taught:** Fall 2023, Fall 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**THEATRE 412 Career Preparation and Development**

1-2 cr. Undergraduate.

Explore theatre careers, research job search methods/ processes- portfolio, resume, webpages- for job interviews/auditions and create a long-range career plan.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 475 Rehearsal and Performance:**

2-3 cr. Undergraduate.

Practical experience in the preparation, rehearsal, stage management or performance of theatrical productions.

**Prerequisites:** consent of instructor.

**Course Rules:** May be retaken for credit to max of 12 cr. Credit granted per production assignment.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 480 Leadership Skills for Theatre Management**

3 cr. Undergraduate.

Development of management skills for organizing and running theatrical productions by understanding personal leadership styles, communication techniques, conflict resolution, and problem-solving within the artistic process.

**Prerequisites:** sophomore standing or consent of instructor.

**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 484 Field Work in Theatre**

1-3 cr. Undergraduate/Graduate.

Theatre education field experiences in schools, agencies, and institutions.

**Prerequisites:** advanced to major in Theatre Education and consent of program.

**Course Rules:** May be retaken to max of 3 sem.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 484G Field Work in Theatre**

1-3 cr. Undergraduate/Graduate.

Theatre education field experiences in schools, agencies, and institutions.

**Prerequisites:** advanced to major in Theatre Education and consent of program.

**Course Rules:** May be retaken to max of 3 sem.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 485 Elementary Level Student Teaching in Theatre**

2-6 cr. Undergraduate/Graduate.

Student teaching experience in cooperating school systems in or near Milwaukee; supervision by mentor-teacher and members of Theatre faculty; weekly seminar; portfolio development.

**Prerequisites:** advanced to major in Theatre Education, consent of program, and completion of all track required courses, a minimum of 2.75 cumulative GPA; and a GPA of 3.0 in theatre core or Praxis II passing score.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 485G Elementary Level Student Teaching in Theatre**

2-6 cr. Undergraduate/Graduate.

Student teaching experience in cooperating school systems in or near Milwaukee; supervision by mentor-teacher and members of Theatre faculty; weekly seminar; portfolio development.

**Prerequisites:** advanced to major in Theatre Education, consent of program, and completion of all track required courses, a minimum of 2.75 cumulative GPA; and a GPA of 3.0 in theatre core or Praxis II passing score.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 486 Secondary Student Teaching in Theatre**

2-6 cr. Undergraduate/Graduate.

Student teaching experience in cooperating school systems in or near Milwaukee; supervision by mentor-teacher and members of the Theatre faculty; weekly seminar; portfolio development.

**Prerequisites:** advanced to major in Theatre Education, consent of program, and completion of all track required courses, a minimum of 2.75 cumulative GPA; and a GPA of 3.0 in theatre core or Praxis II passing score.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 486G Secondary Student Teaching in Theatre**

2-6 cr. Undergraduate/Graduate.

Student teaching experience in cooperating school systems in or near Milwaukee; supervision by mentor-teacher and members of the Theatre faculty; weekly seminar; portfolio development.

**Prerequisites:** advanced to major in Theatre Education, consent of program, and completion of all track required courses, a minimum of 2.75 cumulative GPA; and a GPA of 3.0 in theatre core or Praxis II passing score.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Spring 2023, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 490 Topics in Theatre:**

1-4 cr. Undergraduate/Graduate.

Various forms of theatre processes or theatrical presentation/production. Specific credits and add'l prereq's announced in Schedule of Classes whenever course is offered.

**Prerequisites:** jr st; see Schedule of Classes for add'l prereq's.

**Course Rules:** May be retaken w/chg in topic to max of 8 cr.

**Last Taught:** Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 490G Topics in Theatre:**

1-4 cr. Undergraduate/Graduate.

Various forms of theatre processes or theatrical presentation/production. Specific credits and add'l prereq's announced in Schedule of Classes whenever course is offered.

**Prerequisites:** jr st; see Schedule of Classes for add'l prereq's.

**Course Rules:** May be retaken w/chg in topic to max of 8 cr.

**Last Taught:** Fall 2017, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 497 Study Abroad in Theatre**

1-12 cr. Undergraduate.

Interdisciplinary and foundational exploration of world theatre through exchange programs, performance tours, or foreign cultural study.

**Prerequisites:** acceptance for Study Abroad Prog. Foreign language proficiency required for some programs.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2023, Fall 2018, Summer 2018, Spring 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 530 Stage Voice and Speech 3**

3 cr. Undergraduate.

Vocal exploration through analysis of verse and heightened language, recorded voice work, and beginning dialects for the stage.

**Prerequisites:** Theatre 431(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 531 Stage Voice and Speech 4**

3 cr. Undergraduate.

Advanced dialects for stage utilizing individual research and presentation of a dialect focusing on advanced voice and speech work.

**Prerequisites:** Theatre 530(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 540 Physical Performance 3**

3 cr. Undergraduate.

Development of and training in extended physical theatre techniques drawn from current performance research and text study.

**Prerequisites:** Theatre 441(P).

**Last Taught:** Fall 2023, Fall 2022, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 541 Physical Performance 4**

3 cr. Undergraduate.

Exploration of movement and acting challenges through rehearsal and performance of new play texts.

**Prerequisites:** Theatre 540(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 570 Acting 5**

3 cr. Undergraduate.

Scene work in pre-modern texts.

**Prerequisites:** Admis to Theatre BFA acting track, Theatre 471(P)

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 571 Acting 6**

3 cr. Undergraduate.

Contemporary Performance Techniques. Work in the development and performance of new and contemporary material through ensemble work and physical theatre techniques.

**Prerequisites:** Admis to Theatre BFA acting track; Theatre 570(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 575 Studio**

1-4 cr. Undergraduate.

Practical application of all phases of production, rehearsal, and performance.

**Prerequisites:** a grade of C or better in THEATRE 214(P) or THEATRE 225(P); or consent of instructor.

**Course Rules:** May be retaken to max of 16 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 675 Advanced Studio**

1-6 cr. Undergraduate.

Advanced practical application of all phases of production, rehearsal, and performance.

**Prerequisites:** Theatre 575(P) or 475(P); & cons instr.

**Course Rules:** May be retaken to max of 12 cr. Credit granted per production assignment.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 681 Seminar in Dramatic Literature:**

3 cr. Undergraduate.

Discussion and research in a specific area of dramatic literature.

**Prerequisites:** cons instr.

**Course Rules:** May be retaken w/chg in topic to 9 cr max.

**Last Taught:** Spring 2013, Spring 2005, Spring 2004, Spring 2001.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 685 Internship in Professional Theatre**

1-6 cr. Undergraduate/Graduate.

Engagement with a professional Theatre in individual discipline area.

**Prerequisites:** jr st.

**Course Rules:** May be retaken to max of 12 cr.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 685G Internship in Professional Theatre**

1-6 cr. Undergraduate/Graduate.

Engagement with a professional Theatre in individual discipline area.

**Prerequisites:** jr st.

**Course Rules:** May be retaken to max of 12 cr.

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 690 Independent Study--Make-Up**

1-6 cr. Undergraduate.

Individual program of supervised study in make-up.

**Prerequisites:** jr st, writ cons instr.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Fall 2018, Fall 2015, Spring 2014, Spring 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 697 Independent Study-Theatre Education and Theatre for Young Audiences**

1-6 cr. Undergraduate/Graduate.

Individual program of supervised study in theatre education and children's theatre.

**Prerequisites:** jr st & cons instr.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 697G Independent Study-Theatre Education and Theatre for Young Audiences**

1-6 cr. Undergraduate/Graduate.

Individual program of supervised study in theatre education and children's theatre.

**Prerequisites:** jr st & cons instr.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Spring 2022, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 699 Independent Study:**

1-6 cr. Undergraduate/Graduate.

Individual program of supervised study in the emphasis area of the instructor's expertise.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Fall 2023, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THEATRE 699G Independent Study:**

1-6 cr. Undergraduate/Graduate.

Individual program of supervised study in the emphasis area of the instructor's expertise.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** May be retaken to max of 9 cr.

**Last Taught:** Fall 2023, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Therapeutic Recreation (THERREC)

**THERREC 103 Life Balance: An Understanding of Leisure**

3 cr.

Introductory survey of the historical, philosophical, sociological, developmental, and cultural aspects of recreation, leisure, and play.

**Prerequisites:** none.

**Course Rules:** CGS HES 103 and THERREC 103 are jointly offered and count as repeats of one another.

**General Education Requirements:** HU

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 200 Psycho/Social Aspects of Leisure**

3 cr. Undergraduate.

Study of the psychological and sociological aspects of leisure participation.

**Prerequisites:** none.

**Last Taught:** Fall 2007, Spring 2007, Fall 2006, Spring 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 202 Disability: Society and the Person**

3 cr. Undergraduate.

Goals are to introduce and sensitize students to individuals with disabilities and to enable students to understand the psychological and social impact of disability.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 202X Disability: Society and the Person**

3 cr. Undergraduate.

Goals are to introduce and sensitize students to individuals with disabilities and to enable students to understand the psychological and social impact of disability.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 203 Therapeutic Recreation Process**

3 cr. Undergraduate.

Study of Therapeutic Recreation (TR) process including the values and underpinning of practice, and the inter-relationships between TR, health care and human service professionals.

**Prerequisites:** none.

**Course Rules:** Counts as a repeat of THERREC 390 with same topic.

Course taught completely online.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 245 Client Diversity in Health Sciences: An Interdisciplinary Perspective**

3 cr. Undergraduate.

Interdisciplinary instruction on effective service delivery in the health sciences to culturally diverse individuals and families. Emphasis on the complexity of an individual's cultural identity.

**Prerequisites:** soph st or cons instr.

**Course Rules:** BMS(C L Sci)/ComSDis/HCA/Kin(HMS)/OccThpy/TherRec 245 are jointly offered; they count as repeats of one another.

**General Education Requirements:** CD, SS

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 297 Study Abroad - Therapeutic Recreation:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially prepared course work.

**Prerequisites:** Acceptance to Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 300 Therapeutic Recreation Assessment and Documentation**

3 cr. Undergraduate.

Study and practice of therapeutic recreation assessment and documentation techniques.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 303 Inclusive and Disability Programs in the Community**

3 cr. Undergraduate.

Study of concepts and practices related to the delivery of community programs for individuals with disabilities.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 303X Inclusive and Disability Programs in the Community**

3 cr. Undergraduate.

Study of concepts and practices related to the delivery of community programs for individuals with disabilities.

**Prerequisites:** none.

**Last Taught:** Fall 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 308 Therapeutic Recreation in Physical Rehabilitation and Behavioral Health**

3 cr. Undergraduate.

Therapeutic recreation services for individuals with physical disabilities and psychiatric disorders.

**Prerequisites:** none.

**Course Rules:** Not open for cr for students with cr in THERREC 304(ER) or THERREC 305(ER).

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 309 Therapeutic Recreation in Pediatrics and Gerontology**

3 cr. Undergraduate.

Therapeutic recreation services for children/adolescents and elderly individuals.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** Not open for cr for students with credit in THERREC 306 or THERREC 307.

**Last Taught:** Summer 2023, Spring 2023, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 310 Facilitation Techniques in Therapeutic Recreation**

3 cr. Undergraduate.

Study of various facilitation techniques used in the field of Therapeutic Recreation (TR). Specific emphasis is placed on Leisure Education as a unique modality.

**Prerequisites:** none.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 390 Topics in Therapeutic Recreation:**

1-3 cr. Undergraduate.

Topics of current interest in therapeutic recreation. Specific credits and additional prerequisites will be announced in the Schedule of Classes whenever the course is offered.

**Prerequisites:** none.

**Last Taught:** Fall 2008, Spring 2008, Fall 2007, Fall 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 399 Independent Study in Therapeutic Recreation**

1-3 cr. Undergraduate.

Individualized experience which enables the student to study current topics of interest to the therapeutic recreation specialist.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** May be retaken to max of 3 cr.

**Last Taught:** Summer 2023, UWinterIM 2023, Fall 2022, Summer 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 400 Issues and Trends in Therapeutic Recreation (TR)**

3 cr. Undergraduate.

Examination of the most current issues and trends in the field and advancement of the profession.

**Prerequisites:** THERREC 308(P) or consent of instructor.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**THERREC 401 Therapeutic Recreation Internship and Seminar**

12 cr. Undergraduate.

Therapeutic recreation field instruction at approved agencies for forty hours per week for a full semester. Seminar to prepare students for professional involvement.

**Prerequisites:** must have completed all course work in the TherRec major.

**Last Taught:** Fall 2007, Spring 2007, Fall 2006, Summer 2006.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Translation and Interpreting (TRNSLTN)

**TRNSLTN 201 Introduction to Translation and Interpreting Studies**

3 cr. Undergraduate.

Linguistic and cultural aspects of globalization analyzed alongside emerging practices in various language service professions, exploration of multilingual communication and cross-cultural interaction in a range of fields and media.

**Prerequisites:** none.

**General Education Requirements:** HU

**Last Taught:** Spring 2020, Spring 2018, Spring 2016, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 400 Consecutive Interpreting**

3 cr. Undergraduate.

Professional protocols and practices of consecutive interpreting in different settings; exercises for improvement of split-attention, short-term memory, note-taking, information organization, and preparation.

**Prerequisites:** junior standing and sixth semester of a foreign language.

**Last Taught:** Fall 2023, Fall 2021, Fall 2017, Fall 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 411 Ethics in Translation and Interpreting**

3 cr. Undergraduate.

Frameworks for language-services provision; codes of ethics and standards of practice in different T&I environments; and ethical decision-making in hypothetical T&I scenarios.

**Prerequisites:** sixth semester of any language or consent of instructor.

**Last Taught:** Fall 2022, Fall 2018, Fall 2016, Fall 2012.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 420 Topics in Translation:**

1-3 cr. Undergraduate.

Specialized translation skills courses targeting the translation industry. **Prerequisites:** additional prerequisites may be required, depending on the topic.

**Course Rules:** Retakable with change in topic to 9 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 422 Simultaneous Interpreting**

3 cr. Undergraduate.

Professional protocols and practices of simultaneous interpreting in different settings; exercises for development of dual-tasking, preparation, and performance skills; exploration of standard and emerging technologies in simultaneous interpreting.

**Prerequisites:** junior standing and consent of instructor.

**Course Rules:** Counts as repeat of GLOBAL 499 with the same topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 427 Project Management in Translation**

3 cr. Undergraduate.

Principles of project management and quality assurance in translation industry; standards and techniques to prepare students for jobs in the language services market.

**Prerequisites:** junior standing.**Last Taught:** Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 430 Internship in Translation/Interpreting**

3 cr. Undergraduate.

Internship offering on-the-job experience to students with a background in translation, interpreting, or related language services.

**Prerequisites:** junior standing and consent of Translation Program Director.**Last Taught:** Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 450 Community Interpreting and Translation**

3 cr. Undergraduate.

Practice of simultaneous and consecutive interpreting; sight translation; note-taking; technology in interpreting.

**Prerequisites:** junior standing and consent of instructor.**Course Rules:** Previously TRNSLTN 550. Counts as repeat of GLOBAL 499 with the same topic.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 530 Business and Professional Aspects of Translation**

3 cr. Undergraduate/Graduate.

Practical skills and business planning needed to succeed as a freelancer or project manager in language services industry; topics include entrepreneurship, networking, marketing, financial planning, accounting, and risk management.

**Prerequisites:** junior standing and completion of one of the following: FRENCH 415(P), GERMAN 425(P), SPANISH 347(P), SPANISH 707(P), TRNSLTN 415(P), TRNSLTN 425(P), or TRNSLTN 707(P).**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 530G Business and Professional Aspects of Translation**

3 cr. Undergraduate/Graduate.

Practical skills and business planning needed to succeed as a freelancer or project manager in language services industry; topics include entrepreneurship, networking, marketing, financial planning, accounting, and risk management.

**Prerequisites:** junior standing and completion of one of the following: FRENCH 415(P), GERMAN 425(P), SPANISH 347(P), SPANISH 707(P), TRNSLTN 415(P), TRNSLTN 425(P), or TRNSLTN 707(P).**Last Taught:** Fall 2023, Spring 2022.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 699 Independent Reading**

1-3 cr. Undergraduate.

Advanced independent work under the supervision of a faculty or instructional academic staff member. Student must submit a study proposal. For further information, consult program coord.

**Prerequisites:** jr st; 2.5 GPA; writ cons instr, dept chair & asst dean for SAS.**Course Rules:** May be retaken w/chg in topic to 9 cr max.**Last Taught:** Summer 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 700 Consecutive Interpreting**

3 cr. Graduate.

Professional protocols and practices of consecutive interpreting in different settings; exercises for improvement of split-attention, short-term memory, note-taking, information organization, and preparation.

**Prerequisites:** graduate standing and consent of Translation Program Director.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 704 Introduction to Translation: Arabic to English**

3 cr. Graduate.

Translating texts from Arabic to English, including media articles, political texts, and literary and consumer-oriented texts. Identifying and developing translation strategies; proofreading and editing own work.

**Prerequisites:** graduate standing and admitted to the Translation Program, or consent of instructor.**Last Taught:** Fall 2017, Fall 2015, Fall 2013.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 706 Introduction to Translation: French to English**

3 cr. Graduate.

Basics of French to English translation, including translation of real world texts, document terminology, identify translation strategies and tools, research parallel texts, proofreading and editing.

**Prerequisites:** graduate standing in Translation Program or consent of instructor.**Course Rules:** FRENCH 706 and TRNSLTN 706 are jointly offered and count as repeats of one another. Counts as a repeat of FRENCH 415(425) or TRNSLTN 415(425) if taken for graduate credit.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 707 Introduction to Translation: Spanish to English**

3 cr. Graduate.

Basics of Spanish to English translation: including the translation of 'real world' texts, document terminology, identify translation strategies and tools, research parallel texts, proofreading and editing.

**Prerequisites:** graduate standing and SPANISH 308(P) or equivalent.**Course Rules:** Counts as a repeat of SPANISH 707. Not open for credit to students with graduate credit in SPANISH 347.**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 708 Introduction to Translation: German to English**

3 cr. Graduate.

Basic German translation skills using a variety of texts, focusing on general texts, such as historical immigrant letters and on specialized texts, including technical translation.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 709 Seminar in Literary and Cultural Translation**

3 cr. Graduate.

Development of translation strategies focusing on a variety of literary genres, using theoretical premises influencing literary translation and tackling practical matters such as publication processes.

**Prerequisites:** graduate standing.**Course Rules:** MALLT 709 and TRNSLTN 709 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 710 Comparative Systems for Translation**

3 cr. Graduate.

Comparative systems in society; how those systems relate to field of translation; how to make informed translation choices based on subtle differences in systems.

**Prerequisites:** graduate standing.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 711 Ethics in Translation and Interpreting**

3 cr. Graduate.

Frameworks for language-services provision; codes of ethics and standards of practice in different translation and interpreting environments; and ethical decision-making in hypothetical translation and interpreting scenarios.

**Prerequisites:** graduate standing and admitted to the Translation Program, or consent of instructor.**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 716 Seminar in Advanced Translation: French to English**

3 cr. Graduate.

Use of research and documentation strategies learned in TRNSLTN 706 to translate legal, financial, medical, and technical texts from French to English, gist translation and self-assessment skills.

**Prerequisites:** graduate standing or consent of instructor.**Course Rules:** FRENCH 716 and TRNSLTN 716 are jointly offered; they count as repeats of one another.**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 717 Seminar in Advanced Translation: Spanish to English**

3 cr. Graduate.

Use of research and documentation strategies learned in TRNSLTN 707 to translate legal, financial, medical, and technical texts from Spanish to English, gist translation and self-assessment skills.

**Prerequisites:** graduate standing and SPANISH 707(P), or graduate credit in SPANISH 347(P), or consent of Translation Program Director.**Course Rules:** Counts as repeat of SPANISH 717. Not open for credit to students with graduate credit in SPANISH 447.**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 718 Seminar in Advanced German Translation**

3 cr. Graduate.

Work in settings that mirror professional translation practice; incorporation of strategies learned in TRNSLTN 708, documentation of terminology, research of parallel texts, and critical assessment of work; legal, financial, medical and technical texts.

**Prerequisites:** graduate standing, a grade of B or better in TRNSLTN 708(P), and admitted to the Translation Program; or consent of instructor.**Last Taught:** Spring 2023, Spring 2021, Spring 2019, Spring 2017.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 719 Introduction to Translation: Russian to English**

3 cr. Graduate.

Basic Russian to English translation, focusing on honing research skills and identifying translation strategies and tools; translation texts used: personal documents, news, and medical.

**Prerequisites:** graduate standing.**Last Taught:** Fall 2023, Fall 2020, Fall 2018, Fall 2016.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 720 Topics in Translation:**

1-3 cr. Graduate.

Advanced and specialized translation skills courses targeting the translation industry.

**Prerequisites:** graduate standing. Additional prerequisites may be required, depending on topic.**Course Rules:** Retakable w/chg in topic to 9 cr max.**Last Taught:** Fall 2017, Spring 2017, Spring 2016, Spring 2011.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 722 Simultaneous Interpreting**

3 cr. Graduate.

Professional protocols and practices of simultaneous interpreting in different settings; exercises for development of dual-tasking, preparation, and performance skills; exploration of standard and emerging technologies in simultaneous interpreting.

**Prerequisites:** graduate standing and consent of instructor.**Course Rules:** Counts as a repeat of TRNSLTN 720 with the same topic.**Last Taught:** Spring 2022, Spring 2018.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**TRNSLTN 726 Computer-Assisted Translation**

3 cr. Graduate.

Introduction to computer-assisted translation (CAT) tools for professional translators focusing on the basic use of CAT tools, terminology management, translation memory creation/use, hands-on practice working with industry standard software programs.

**Prerequisites:** graduate standing and completion of an approved introductory graduate level translation course, or consent of instructor.**Last Taught:** Spring 2023, Spring 2021, Spring 2020, Spring 2019.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 727 Project Management in Translation**

3 cr. Graduate.

Principles of project management and quality assurance in the global language services industry; standards and techniques to prepare students for jobs in the language services market.

**Prerequisites:** graduate standing and admitted to the Translation Program.

**Course Rules:** Counts as repeat of TRNSLTN 720 with the same topic.

**Last Taught:** Spring 2021, Spring 2019, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 728 Editing for Translation**

3 cr. Graduate.

Translation industry standards and best practices for quality assurance. Students edit texts in English, applying style guides and implementing effective research techniques.

**Prerequisites:** graduate standing and consent of Translation Program Director.

**Course Rules:** Counts as repeat of TRNSLTN720 w/ same title.

**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 729 Seminar in Advanced Translation: Russian to English**

3 cr. Graduate.

Building of competence from TRNSLTN 719, including understanding of Russian syntax and grammar and translation techniques through discussions, practical exercises, self-assessment and self-markup assignments; translation texts used: business, medical, technical, and legal.

**Prerequisites:** graduate standing and TRNSLTN 719(P); or consent of instructor.

**Last Taught:** Spring 2021, Spring 2019, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 730 Internship in Translation/Interpreting**

3 cr. Graduate.

Internship offering on-the-job experience to graduate students in Translation and Interpreting Studies.

**Prerequisites:** TRNSLTN 726(P) and approved graduate level advanced translation course.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 750 Community Interpreting and Translation**

3 cr. Graduate.

Foundations of interpreting and translating in community settings; culturally affirming translation and interpreting practices; resiliency strategies for translation and interpreting professionals; skill building in translation and interpreting-adjacent language services.

**Prerequisites:** graduate standing and consent of instructor.

**Last Taught:** Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 790 Thesis**

1-6 cr. Graduate.

Independent study and research on a master's thesis under supervision of the student's advisory committee.

**Prerequisites:** graduate standing and consent of advisory committee.

**Course Rules:** Retakable to 6 cr max.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 799 Independent Study**

1-6 cr. Graduate.

Independent study.

**Prerequisites:** graduate standing.

**Course Rules:** Retakeable up to 9 cr w/ chg in topic.

**Last Taught:** Fall 2023, Summer 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 820 Translation Theory**

3 cr. Graduate.

Survey of translation theory from historical to contemporary thinkers; study of cultural and ideological forces shaping translation with research paper engaging in theoretical thought about translation.

**Prerequisites:** graduate standing.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**TRNSLTN 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Urban Planning (URBPLAN)

**URBPLAN 140 Issues in Contemporary Urban Planning**

3 cr. Undergraduate.

To examine issues that cities are working on, including sustainability, transportation, economic development, and housing, and learn how planners address these.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 141 Urban Planning Solutions to Contemporary Urban Problems**

3 cr. Undergraduate.

Professional role of urban planners in addressing social and economic justice considerations, including fair housing, economic opportunity, and health and environmental disparities.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 292 Current Planning Issues:**

3 cr. Undergraduate.

This course provides a format for the development and presentation of new material in Urban Planning on an experimental, one-term basis.

**Prerequisites:** soph st.

**Course Rules:** May be retaken w/content change to 9 cr max.

**Last Taught:** Spring 2011, Summer 1990, Fall 1989, Spring 1988.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 315 Great Cities of the World: Their Growth and Guided Urbanization**

3 cr. Undergraduate.

Great cities of the world, how they were built and developed. Culture, politics and economics, their role in urban planning and the built form.

**Prerequisites:** soph st.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 316 Planning for the Great Cities of America**

3 cr. Undergraduate.

The study of planning and development programs of large American cities and their approaches to growth, change, and decay, with a view to future solutions.

**Prerequisites:** soph st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 350 Social Justice, Urban Planning and the New Multicultural America**

3 cr. Undergraduate.

Examination of historical, sociological, economic and political relationships that impact urban communities. Community and social justice issues are addressed from a planning perspective.

**Prerequisites:** soph st.

**General Education Requirements:** CD

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 399 Independent Study**

3 cr. Undergraduate.

Independent investigation of issues related to urban planning.

**Prerequisites:** jr st; cons instr.

**Course Rules:** May not be retaken for cr.

**Last Taught:** Summer 2022, Spring 2022, Spring 2021, Summer 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 491 Urban Planning Internship**

3 cr. Undergraduate.

Practical urban planning experience with a government agency or private firm under the supervision of a working expert and a faculty member.

**Prerequisites:** sr st & cons instr.

**Last Taught:** Fall 2021, Spring 2020, Fall 2018, Summer 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 497 Study Abroad:**

3-12 cr. Undergraduate.

Field study designed to provide relevant course work for a study abroad program in urban planning.

**Prerequisites:** acceptance to Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** UWinteriM 2020, UWinteriM 2018, UWinteriM 2017, UWinteriM 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 591 Introduction to Urban Geographic Information Systems (GIS) in Planning**

3 cr. Undergraduate.

Use of spatially related information including GIS and land record systems for improved productivity and decision making in service delivery, management, policy planning and land development.

**Prerequisites:** jr st.

**Course Rules:** Counts as repeat of UrbPlan 692 with same title.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 630 Budgeting and Finance in the Public Sector**

3 cr. Undergraduate/Graduate.

Examination of the budgeting process in the public sector; development of skills in budgeting and financial management. Topics include capital budgeting, debt management, revenue forecasting, and auditing.

**Prerequisites:** sr st or cons instr.

**Course Rules:** Jointly-offered w/& counts as repeat of Pub Adm 630(Pol Sci 630).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 630G Budgeting and Finance in the Public Sector**

3 cr. Undergraduate/Graduate.

Examination of the budgeting process in the public sector; development of skills in budgeting and financial management. Topics include capital budgeting, debt management, revenue forecasting, and auditing.

**Prerequisites:** sr st or cons instr.

**Course Rules:** Jointly-offered w/& counts as repeat of Pub Adm 630(Pol Sci 630).

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 651 Land Use Planning Practice**

3 cr. Undergraduate/Graduate.

Specific land planning methods and applications (subdivision regulation, zoning, site plan review, building permit process) used to implement community plans.

**Prerequisites:** sr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 651G Land Use Planning Practice**

3 cr. Undergraduate/Graduate.

Specific land planning methods and applications (subdivision regulation, zoning, site plan review, building permit process) used to implement community plans.

**Prerequisites:** sr st.

**Last Taught:** Fall 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 655 Negotiation Theory and Practice for Urban Planners**

3 cr. Undergraduate/Graduate.

Negotiation theory and practice, focusing on skills used by planners in balancing the needs of general public with those of private interests.

**Prerequisites:** sr st or cons instr.

**Course Rules:** Counts as repeat of UrbPlan 692 with same title.

**Last Taught:** Spring 2023.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 655G Negotiation Theory and Practice for Urban Planners**

3 cr. Undergraduate/Graduate.

Negotiation theory and practice, focusing on skills used by planners in balancing the needs of general public with those of private interests.

**Prerequisites:** sr st or cons instr.**Course Rules:** Counts as repeat of UrbPlan 692 with same title.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 662 Public Sector Influence on Real Estate Development**

3 cr. Undergraduate/Graduate.

Introduction to contemporary trends in urban redevelopment; focus on planning and development techniques used to revitalize declining urban areas.

**Prerequisites:** jr st.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 662G Public Sector Influence on Real Estate Development**

3 cr. Undergraduate/Graduate.

Introduction to contemporary trends in urban redevelopment; focus on planning and development techniques used to revitalize declining urban areas.

**Prerequisites:** jr st.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 684 Planning Local Economic Development**

3 cr. Undergraduate/Graduate.

Exploration of the role of planning in the generation, evaluation, and implementation of policies for the development and revitalization of communities.

**Prerequisites:** jr st & cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 684G Planning Local Economic Development**

3 cr. Undergraduate/Graduate.

Exploration of the role of planning in the generation, evaluation, and implementation of policies for the development and revitalization of communities.

**Prerequisites:** jr st & cons instr.**Last Taught:** Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 692 Special Topics in Urban Planning:**

1-3 cr. Undergraduate/Graduate.

Provides a format for the development and presentation of new material in Urban Planning on an experimental, one-term basis. Specific cr &amp; any additional prereqs announced in Schedule of Classes whenever course is offered.

**Prerequisites:** junior standing or consent of instructor.**Course Rules:** May be retaken with change in topic to max of 9 cr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 692G Special Topics in Urban Planning:**

1-3 cr. Undergraduate/Graduate.

Provides a format for the development and presentation of new material in Urban Planning on an experimental, one-term basis. Specific cr &amp; any additional prereqs announced in Schedule of Classes whenever course is offered.

**Prerequisites:** junior standing or consent of instructor.**Course Rules:** May be retaken with change in topic to max of 9 cr.**Last Taught:** Fall 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 701 Introduction to Land Use Planning**

1 cr. Graduate.

Introduction to contemporary land use planning emphasizing the four primary tools of development regulation: comprehensive planning, zoning, subdivision regulation, and capital improvement programming.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 702 Introduction to Planning Law**

2 cr. Graduate.

Constitutional and statutory authority for and limits on local government regulation of land use. Application of key concepts, including police power, due process, and property.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 711 Planning Theories and Practice**

3 cr. Graduate.

Theories about how planners should act in the planning process. History, values, and ethics of the profession; methods of participation; discussion of power in planning.

**Prerequisites:** grad st.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 720 Urban Development Theory and Planning**

3 cr. Graduate.

Spatial, social, economic, and political processes that shape urban development. Application of these processes to formulate and critique urban plans and policies.

**Prerequisites:** grad st; admis to UrbPlan or cons instr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 721 Applied Planning Methods**

3 cr. Graduate.

Data sources and analysis techniques for urban planning. Survey design, economic analyses, benefit/cost analysis, market areas; the complexities of public and private data sources.

**Prerequisites:** grad st**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**URBPLAN 740 Data Analysis Methods I**

3 cr. Graduate.

Application of quantitative methods most commonly used in urban planning and analysis of the built environment.

**Prerequisites:** grad st; admis to UrbPlan prog, Arch prog, or cons istr.**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 750 Land Use Planning Practice**

3 cr. Graduate.

Specific land planning methods and applications (subdivision regulation, zoning, site plan review, building permit process) used to implement community plans.

**Prerequisites:** graduate standing.

**Course Rules:** Previously URBPLAN 651G.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 751 Introduction to Urban Design and Physical Planning**

3 cr. Graduate.

Planning for human needs as related to the physical layout and spatial design of urban environments.

**Prerequisites:** grad st.

**Last Taught:** Fall 2022, Fall 2020, Fall 2018, Fall 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 755 Negotiation Theory and Practice for Urban Planners**

3 cr. Graduate.

Negotiation theory and practice, focusing on skills used by planners in balancing the needs of general public with those of private interests.

**Prerequisites:** graduate standing.

**Course Rules:** Counts as repeat of URBPLAN 692 with same title.

Previously URBPLAN 655G.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 760 Public Sector Influence on Real Estate Development**

3 cr. Graduate.

Introduction to contemporary trends in urban redevelopment; focus on planning and development techniques used to revitalize declining urban areas.

**Prerequisites:** graduate standing.

**Course Rules:** Previously URBPLAN 662G.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 762 Housing Markets and Public Policy**

3 cr. Graduate.

An examination of national and local housing markets, their components and operations, and the impacts on them of a variety of public and private actions.

**Prerequisites:** grad st.

**Last Taught:** Spring 2023, Fall 2021, Fall 2020, Fall 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 771 Transportation Policy and Planning**

3 cr. Graduate.

Seminar on the evolution of urban transportation systems and policies, transportation finance, land use and transportation interactions, and transportation planning and policy evaluation techniques.

**Prerequisites:** grad st or cons instr.

**Last Taught:** Spring 2017, Spring 2016, Spring 2015, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 772 Pedestrian and Bicycle Transportation**

3 cr. Graduate.

Current practices in pedestrian and bicycle transportation, including institutional frameworks, benefits, safety, facility design, network development, demand estimation, suitability assessment, and performance measurement.

**Prerequisites:** grad st

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 784 Planning Local Economic Development**

3 cr. Graduate.

Trends affecting community growth with a focus on successful economic development and equitable practices.

**Prerequisites:** graduate standing.

**Course Rules:** Previously URBPLAN 684G.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 791 Introduction to Urban Geographic Information Systems for Planning**

3 cr. Graduate.

Use of spatially related information including gis and land records systems for improved productivity and decision making in service delivery, management, policy-planning, and land development.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 792 Using Urban Geographic Information Systems (GIS) for Planning**

3 cr. Graduate.

A 'hands on' course in GIS using commercial GIS software in a computer laboratory setting to provide experience solving problems related to planning and government.

**Prerequisites:** graduate standing and one of the following:

URBPLAN 791(P), GEGO 525(P), GEOG 726(P); or consent of instructor.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 793 Applied Projects in Urban Geographic Information Systems**

3 cr. Graduate.

Use of a geographic information system (GIS) and actual data from local government to analyze a real world problem or issue requiring spatial data analysis.

**Prerequisites:** grad st; Urbplan 791 or cons instr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 794 Internet Geographic Information Systems (GIS)**

3 cr. Graduate.

Seminar on theoretical background and hands-on experience with technologies for developing GIS applications on the Internet, the web, and wireless networks.

**Prerequisites:** grad st; UrbPlan 792(P) or Geog 625(P); or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 797 Study Abroad:**

3-12 cr. Graduate.

Field study designed to provide relevant course work for a study abroad program in urban planning.

**Prerequisites:** grad st; acceptance to Study Abroad Program

**Last Taught:** UWinteriM 2020, UWinteriM 2018, UWinteriM 2017, UWinteriM 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 810 Planning Policy Analysis**

6 cr. Graduate.

Application of planning analysis tools in the context of policy issues involving planners; a case studies approach stressing both policy analysis and the role of the planner.

**Prerequisites:** grad st; UrbPlan 701(P), 702(P), 711(P), 720(P), 721(P), 740(P); or cons instr.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 811 Applied Planning Workshop**

3 cr. Graduate.

Application of planning concepts, principles, processes and techniques to a selected realistic problem, issue, or project context at an appropriate scale ranging from the neighborhood to the state.

**Prerequisites:** grad st; UrbPlan 810(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 857 Urban Design as Public Policy**

3 cr. Graduate.

Orients students in urban planning to urban design problems as matters of public policy with focus on the analysis and implementation of urban design proposals rather than on the techniques used to generate such proposals.

**Prerequisites:** grad st.

**Course Rules:** Not open to students who have cr in Arch 749 which is identical to UrbPlan 857.

**Last Taught:** Fall 2023, Fall 2021, Fall 2019, Fall 2017.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 858 Studio in Urban Design and Physical Planning**

6 cr. Graduate.

Projects and seminars apply urban planning principles to problems of urban design and physical planning to develop students' abilities to evaluate and effectively criticize proposals.

**Prerequisites:** grad st; Urbplan 751(P) or 857(P).

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 880 Urban Sustainability**

3 cr. Graduate.

Urban sustainable challenges and opportunities that impact the built environment. Includes review of traditional and innovative sustainable practices and regulations.

**Prerequisites:** graduate standing.

**Course Rules:** GEOG 880 and URBPLAN 880 are jointly offered and counts as a repeat of one another.

**Last Taught:** Fall 2023, Spring 2016, Spring 2015, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 888 Candidate for Degree**

0 cr. Graduate.

Available for graduate students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable to 6 cr max. Satisfactory/Unsatisfactory only.

**Last Taught:** Fall 2017, Spring 2017, Fall 2016, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 990 Graduate Thesis**

3-6 cr. Graduate.

Thesis under the direction of graduate planning faculty.

**Prerequisites:** grad st, cons instr; successful completion of comprehensive exam.

**Course Rules:** May be retaken to max of 6 cr, which can be substituted for elective credits.

**Last Taught:** Fall 2018, Spring 2016, Fall 2014, Spring 2014.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 991 Legislative/Administrative Agency Internship**

3-6 cr. Graduate.

Research project assignments with elected legislative officials and administrative agencies. Assignments will be cooperatively developed and supported by an integrating seminar discussing both experience and theory in a planning implementation context.

**Prerequisites:** grad st; cons instr.

**Course Rules:** May be retaken with change in topic to max of 6 cr.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 992 Seminar in Urban Planning:**

1-3 cr. Graduate.

Advanced study of special topics in urban planning. Specific cr & any additional prereqs announced in schedule of classes whenever course is offered.

**Prerequisites:** grad st or cons instr.

**Course Rules:** Retakeable with topic change to max of 6 cr.

**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URBPLAN 999 Independent Study**

1-3 cr. Graduate.

Individual work in urban planning. Variable content course.

**Prerequisites:** grad st; cons instr.

**Course Rules:** Retakeable to max of 9 cr.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Urban Studies Program (URB STD)

**URB STD 150 Multicultural America**

3 cr. Undergraduate.

Cross-cultural study of U.S. ethnic and racial identities from an urban studies perspective, with attention to African-, Asian-, Hispanic-, and Native-American experiences.

**Prerequisites:** none.

**Course Rules:** Cultures and Communities Prog course; req'd service learning component.

**General Education Requirements:** CD, SS

**Last Taught:** UWinteriM 2024, Summer 2023, UWinteriM 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 193 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.

**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).

**General Education Requirements:** SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 250 Exploring the Urban Environment**

3 cr. Undergraduate.

The nature of the city, the processes that effect change, and the future of the city.

**Prerequisites:** none.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 289 Internship in Urban Studies, Lower Division**

1-6 cr. Undergraduate.

Application of basic principles of Urban Studies in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** intro course in Urb Std or related area; 2.25 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Last Taught:** Spring 2021, Summer 2017, Fall 2015, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 297 Study Abroad:**

1-12 cr. Undergraduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially-prepared program course work.

**Prerequisites:** acceptance for Study Abroad Prog.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2022, UWinterIM 2020, Fall 2019, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 299 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period. Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** none; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 360 Perspectives on the Urban Scene:**

3 cr. Undergraduate.

Topics related to the structure, growth, and change of the urban environment.

**Prerequisites:** jr st.

**Course Rules:** May be retaken w/chg in topic to 6 cr max.

**General Education Requirements:** SS

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 377 Urbanism and Urbanization**

3 cr. Undergraduate.

Theoretical perspectives, substantive themes, and methodological approaches to the study of cities. Impact of historical development and changing spatial patterns on social behavior in metropolitan areas.

**Prerequisites:** junior standing or higher and completion of a prior SOCIOL course or URB STD 250(P). Open to special students.

**Course Rules:** SOCIOL 377 and URB STD 377 are jointly-offered and count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023, Spring 2022, Spring 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 381 Honors Seminar:**

3 cr. Undergraduate.

Selected topics.

**Prerequisites:** sophomore standing, HONORS 200(P), and consent of Honors College director.

**Course Rules:** May be retaken with change in topic to 9 cr max.

**General Education Requirements:** SS

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 450 Urban Growth and Development: A Global View**

3 cr. Undergraduate/Graduate.

Urban growth and development from an international perspective.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Fall 2017, Spring 1985.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 450G Urban Growth and Development: A Global View**

3 cr. Undergraduate/Graduate.

Urban growth and development from an international perspective.

**Prerequisites:** jr st or cons instr.

**Last Taught:** Fall 2017, Spring 1985.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 489 Internship in Urban Studies, Upper Division**

1-6 cr. Undergraduate.

Application of advanced principles of urban studies in a business, organizational, educational, political, or other appropriate setting.

**Prerequisites:** jr st; 300-level or above course in Urb Std or related area; 2.5 gpa; cons supervising faculty member.

**Course Rules:** One cr earned for academic work based on 40 hours in internship. May be retaken to 6 cr max.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 497 Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially-prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog, contact CIE Overseas Programs, PER 166, 229-5182.

**Last Taught:** UWinterIM 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 497G Study Abroad:**

1-12 cr. Undergraduate/Graduate.

Designed to enroll students in UWM sponsored program before course work level, content, and credits are determined and/or in specially-prepared program course work.

**Prerequisites:** jr st; acceptance for Study Abroad Prog, contact CIE Overseas Programs, PER 166, 229-5182.

**Last Taught:** UWinterIM 2020, Spring 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 499 Ad Hoc:**

1-6 cr. Undergraduate.

Course created expressly for offering in a specified enrollment period.

Requires only dept & assoc dean approval. In exceptional circumstances, can be offered in one add'l sem.

**Prerequisites:** jr st; add'l prereqs may be assigned to specific topic.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Fall 2009, Summer 1986, Spring 1986, Summer 1984.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 600 Capstone Seminar in Urban Studies**

3 cr. Undergraduate.

Seminar on concepts, methods, and approaches to field of Urban Studies; readings and discussions on urban scholarship; students produce research proposals tailored to their interests.

**Prerequisites:** sr st; declared Urb Std major.

**Last Taught:** Spring 2023, Spring 2022, Spring 2021, Spring 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 699 Independent Reading**

3 cr. Undergraduate.

Advanced readings and study in Urban Studies.

**Prerequisites:** jr st; 2.5 gpa; cons instr, dept chair, & asst dean for SAS.

**Course Rules:** May be retaken w/chg in topic.

**Last Taught:** Spring 2015, Fall 2012, Spring 2012, Fall 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 888 Candidate for Degree**

0 cr. Graduate.

Available for master's students who must meet minimum credit load requirement.

**Prerequisites:** graduate standing.

**Course Rules:** Fee for 1 cr assessed; unit does not count towards credit load for Fin Aid. Repeatable. Satisfactory/Unsatisfactory only.

**Last Taught:** Summer 2022, Spring 2021, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 901 Urban Social Structure**

3 cr. Graduate.

Comprehensive analysis of the emergence and institutionalization of cultural and social patterns in urban settings; and future American urban social structures.

**Prerequisites:** graduate standing.

**Course Rules:** SOCIOL 901 and URB STD 901 are jointly offered and count as repeats of one another.

**Last Taught:** Fall 2023, Spring 2023, Spring 2021, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 913 Seminar in Urban Political Process**

3 cr. Graduate.

Analysis of the forces and processes that shape urban political life, with particular emphasis on patterns of government, political culture, power structures, and civic participation in urban and metropolitan communities.

**Prerequisites:** grad st.

**Course Rules:** Pol Sci 913 & Urb Std 913 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Fall 2019, Spring 2016, Spring 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 921 Seminar: Research Methods in Urban Studies**

3 cr. Graduate.

Methodological orientations and techniques in urban studies: philosophy of science, conceptualization measurements, research designs, data collection, data analysis.

**Prerequisites:** grad st.

**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 927 Urban Internship**

2-3 cr. Graduate.

Advanced application and analysis of theory and acquired skills in supervised agency assignment.

**Prerequisites:** grad st.

**Course Rules:** Retakable to 6 cr max.

**Last Taught:** Fall 2023, Spring 2018, Fall 2017, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 945 The Internal Structure of the City**

3 cr. Graduate.

The interaction of forces responsible for the evolution of the city as a spatial form and the allocation of economic and social activity within the spatial configuration.

**Prerequisites:** grad st.

**Course Rules:** Geog 945 & Urb Std 945 are jointly-offered; they count as repeats of one another.

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 965 Municipal Management**

3 cr. Graduate.

The political, social, and economic contexts in which the urban manager functions, with an emphasis on managing municipal service delivery and resources.

**Prerequisites:** grad st.

**Course Rules:** Pub Adm 965(Pol Sci 965) & Urb Std 965 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2023, Spring 2019, Spring 2017, Spring 2015.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 971 Seminar on the History of American Urban Problems**

3 cr. Graduate.

Historical analysis of the current problems of housing, race relations, the powers and functions of municipal government, law enforcement, and city planning in the United States.

**Prerequisites:** grad st.

**Course Rules:** Hist 971 & Urb Std 971 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Fall 2018.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 979 Qualitative Research Methods**

3 cr. Graduate.

Seminar on logic, design, and presentation of social science research. Inductive and qualitative methods, theory construction, and ethics and procedures of research in natural settings.

**Prerequisites:** graduate standing.

**Course Rules:** SOCIOL 979 and URB STD 979 are jointly-offered and count as repeats of one another.

**Last Taught:** Fall 2023, Fall 2021, Fall 2020, Spring 2011.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 980 Growth of Urban Society**

3 cr. Graduate.

Seminar in historical, social, and ecological growth and development of urban agglomerations. Comparative framework will be used to examine the urban process.

**Prerequisites:** grad st.

**Course Rules:** Hist 980 & Urb Std 980 are jointly offered; they count as repeats of one another.

**Last Taught:** Spring 2016, Spring 2014, Fall 2010, Spring 2009.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 981 Argument in Urban Studies Scholarship**

3 cr. Graduate.

Reading, recapitulating, critiquing, and writing urban-focused social science argument.

**Prerequisites:** grad st.

**Last Taught:** Fall 2012, Spring 2011, Spring 2009, Spring 2007.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 982 Advanced Quantitative Analysis**

3 cr. Graduate.

Evaluation of different methods of generating data and their applications to the analysis of public policies and programs.

**Prerequisites:** graduate standing and a minimum score of 85 on department diagnostic exam.

**Course Rules:** SOCIOL 982 and URB STD 982 are jointly offered; they count as repeats of one another.

**Last Taught:** Fall 2022, Fall 2019, Fall 2016, Fall 2013.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 983 Contemporary Urban Social Structure and Change**

3 cr. Graduate.

Range of research issues conceptualized in terms of major categorical and more intentional social structures that bear on urban social actions.

**Prerequisites:** grad st.

**Last Taught:** Spring 2022, Spring 2020, Spring 2018, Spring 2016.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 988 Seminar in Urban Social Institutions:**

3 cr. Graduate.

Historical and sociological forces shaping selected urban issues and social institutions.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Fall 2010, Fall 2009, Spring 2001, Spring 2000.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 990 Master's Research or Thesis**

1-3 cr. Graduate.

Research or thesis work for students in the master's program in Urban Studies.

**Prerequisites:** grad st.

**Last Taught:** Summer 2023, Spring 2023, Fall 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 991 Doctoral Research or Dissertation**

1-6 cr. Graduate.

Research or dissertation work for students in the doctoral program in Urban Studies.

**Prerequisites:** grad st.

**Course Rules:** Retakable.

**Last Taught:** Fall 2023, Spring 2023, Fall 2022, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 998 Independent Study for Master's Students**

1-3 cr. Graduate.

Independent study in a subject area of special need or interest after consultation with a faculty member.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2023, Fall 2022, Summer 2022, Spring 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**URB STD 999 Independent Study for Doctoral Students**

1-3 cr. Graduate.

Independent study in a subject area of special need or interest after consultation with a faculty member.

**Prerequisites:** grad st.

**Course Rules:** Retakable w/chg in topic to 9 cr max.

**Last Taught:** Spring 2023, Spring 2022, Spring 2020, Spring 2019.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## UWS Collaborative Nursing Program (UWS NSG)

**UWS NSG 316 Palliative Care**

3 cr. Undergraduate.

A review of palliative care and life limiting illness.

**Prerequisites:** Admission to the RN-BS-Nursing Program or consent of instructor.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**UWS NSG 317 Health Assessment**

3 cr. Undergraduate.

Techniques of health history and physical examination to ascertain normal from variations of normal health conditions, in addition cultural and developmental variations are considered.

**Prerequisites:** admis to Collaborative Degree Prog or cons instr.

**Last Taught:** Fall 2023, Fall 2021.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**UWS NSG 365 Current Topics of Nursing:**

1-6 cr. Undergraduate.

Current thought, issues and research in nursing and implications for practice.

**Prerequisites:** junior standing or consent of instructor.

**Course Rules:** May be retaken with change in topic to max of 12 cr.

**Last Taught:** Fall 2023, Summer 2023, Spring 2023, Fall 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**UWS NSG 369 Clinical Pharmacology**

3 cr. Undergraduate.

Pharmacological concepts, including legal ethical implications, pharmacokinetics, dynamics, -therapeutics, and pharmacogenomics. Major categories of pharmacological agents and associated alternative/complementary and nutritional therapies are examined.

**Prerequisites:** admission to the RN-BS-Nursing Program or consent of instructor.

**Last Taught:** Spring 2023, Summer 2022.

**Current Offerings:** <https://catalog.uwm.edu/course-search/>

**UWS NSG 375 Genetics and Genomics for Health Professionals**

3 cr. Undergraduate.

Relationships between science of genetics, study of genomes and application of these concepts by healthcare providers in the screening, assessment, diagnosis, treatment and evaluation of patients.

**Prerequisites:** Admis to RN to BSN prog.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**UWS NSG 407 Foundations of Professional Nursing Practice**

3 cr. Undergraduate.

Philosophical perspectives, theories, and standards are applied to the practice of professional nursing. Factors influencing nursing/health care delivery are analyzed. Professional communication skills are enhanced. Writing emphasis course.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Course Rules:** Counts as repeat of UWS NSG 341.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**UWS NSG 441 Chronic Care Management**

3 cr. Undergraduate.

Exploration of interaction of biological, psychological, social, and environmental factors important to understanding management of chronic conditions at the individual, family, community, and societal levels.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**UWS NSG 446 Research and Evidence-Based Practice**

3 cr. Undergraduate.

Introduces the importance of research to improve clinical practice, strategies to evaluate the quality of research and evidence, and increase integration of research into practice.

**Prerequisites:** admis to BSN @ Home prog or cons instr, Math 105(P).**Course Rules:** Counts as repeat of UWS NSG 434.**General Education Requirements:** QL B**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**UWS NSG 447 Leadership and Management**

3 cr. Undergraduate.

Examines nursing leadership and management using relevant theories and concepts. Analyze decision-making in relation to communication, delegation, supervision and group process.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Course Rules:** Counts as repeat of UWS NSG 437.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**UWS NSG 448 Mental Health Across the Care Continuum**

3 cr. Undergraduate.

This course focuses on nursing care of individuals, groups, and families experiencing acute and chronic mental health conditions across the lifespan and the continuum of care.

**Prerequisites:** Prereq; admis to BSN @Home Prog or con instr.**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**UWS NSG 453 Information Management and Healthcare Technology**

3 cr. Undergraduate.

Utilize computer and information/decision science to support quality and safety in health care. Explore informatics issues and examine nursing's role in healthcare technology.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Last Taught:** Fall 2023, Spring 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**UWS NSG 454 Community Health Nursing**

3 cr. Undergraduate.

Nursing care of populations and communities to facilitate optimal health outcomes.

**Prerequisites:** admis to BSN @ Home Prog or cons instr.**Course Rules:** Counts as repeat of UWS NSG 444.**Last Taught:** Fall 2023, Summer 2023.**Current Offerings:** <https://catalog.uwm.edu/course-search/>

## Women's and Gender Studies (WGS)

**WGS 150 Multicultural America**

3 cr. Undergraduate.

Cross-cultural and interdisciplinary study of U.S. ethnic and racial identities and experiences, with special attention paid to women's and gender issues.

**Prerequisites:** none.**Course Rules:** Cultures and Communities Prog course; req'd service learning component.**General Education Requirements:** CD, HU**Last Taught:** Fall 2023, Fall 2022, Fall 2021, Fall 2020.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**WGS 192 First-Year Seminar:**

3 cr. Undergraduate.

Specific topics are announced in the Schedule of Classes each time the class is offered.

**Prerequisites:** none.**Course Rules:** Open only to freshmen. Students may earn cr in just one L&S First-Year Sem (course numbers 192, 193, 194).**General Education Requirements:** HU**Last Taught:** Fall 2019, Fall 2017, Fall 2016, Fall 2015.**Current Offerings:** <https://catalog.uwm.edu/course-search/>**WGS 199 Independent Study**

1-3 cr. Undergraduate.
