OR

A Combo Installation with x1 2.5" HDD/SSD on top of the tray, and x1 3.5" HDD beneath it.

## CLEANING INSTRUCTIONS

Please use a clean damp cloth to clean the product properly. Do not apply any soap or solvent agent on the surface to preserve its integrity.

## SAFETY INSTRUCTIONS

For a proper use of the product, and to ensure your safety, please follow the following instructions:

1. Keep the device away from liquids, excess humidity or moisture to avoid any shock hazards. Should the device come into contact with liquids, please make sure to unplug the device immediately, store it in a dry place, and contact support for assistance.
2. Operate the device only within the specific temperature range of 0°C (32°F) to 40°C (104°F). Should the temperature exceed this range, unplug and/or switch off the device in order to let the temperature stabilize to an optimal level.
3. Should you have any other trouble operating the device properly and normal troubleshooting does not work, please unplug the device and contact our service for support.
4. Do not attempt to service or fix the device by yourself at any time.

## DURATION OF WARRANTY

ADATA Technology Co., Ltd. provides a two-year warranty period for this product unless regional laws and regulations state otherwise.

## LIMITATION OF WARRANTY

This limited warranty covers only repairs or replacements of products manufactured by ADATA Technology Co. Ltd. and its authorized partners.

Please note that ADATA is responsible for providing free repairs except for the following reasons:

1. The warranty label is altered, damaged or missing.
2. Product serial number does not conform to our original system.
3. Products purchased from an unauthorized agent.
4. Damage caused by natural calamity
5. Any abuse outside the intended product operation.
