26th International Conference on Distributed Computing and Networking

IIT HYDERABAD

ICDCN 2025

JANUARY 4TH - 7TH , 2025

The 26th edition of International Conference on Distributed Computing and Networking (ICDCN) is set to take place at the Indian Institute of Technology Hyderabad, India from Jan 4 to 7, 2025. It is a premier international conference on all topics related to distributed computing and networking. Previous editions of this conference have been organised in prestigious institutes like IIT Madras, IIT Kharagpur, IIT BHU, IISc Bangalore and abroad as well (Japan, Singapore etc). ICDCN has been seeing a steady rise in the number of participants; this year, we expect at least 150! The success of the activities depends on the valuable contributions of benefactors like you. ICDCN provides a fantastic opportunity for sponsors to network with the best experts and prospective hires in the area (from India & around the world) and also offers excellent visibility. We will, of course, duly acknowledge all sponsors on our website and at the conference.
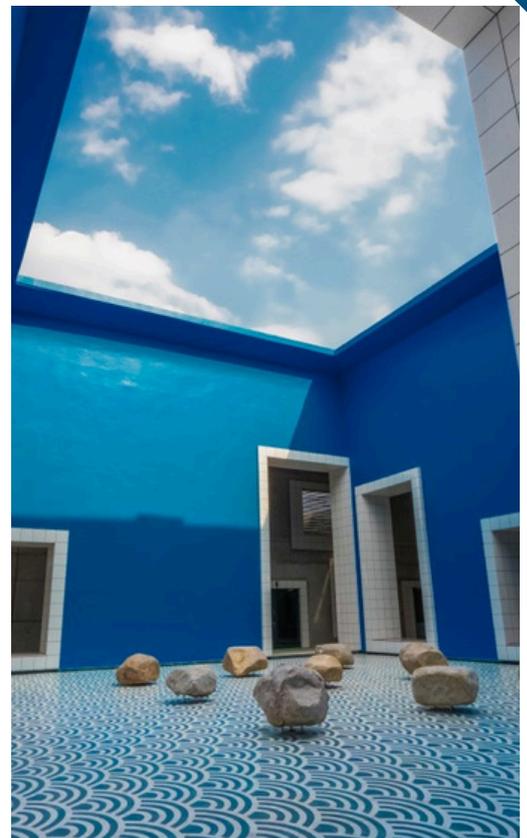

International Conference on Distributed Computing and Networking (ICDCN)

We look forward to seeing you in ICDCN 2025 !
