Naga

Origin: Fiend (Fie)

Threat: High

Resistances: Acid

STILL HAVEN'T SOLVED
KIDNEY VS. GALLBLADDER MYSTERY.

The naga is a solitary hunter of fiendish origin. Paralyzes its prey with a fast-acting and potent venom, which is produced by glands in the throat. Natural spell-casting talent (sorcery).

Slime

EATS ANYTHING—
INCLUDING OTHER DANGERS.
CAN WE USE THAT?

Origin: Abomination (Astra)
Threat: Medium
Resistances: Physical damage

Wholly alien, utterly inscrutable.
Only encountered (so far) in cramped, dark spaces.
If it has any sort of mind, it isn't one we can fathom.

Pentanggalan

Origin: Fiend (Fie)
Threat: Highest
Resistances: Unknown.

**FROND, WE MAY NEED
A NEW SCALE OF
THREAT ASSESSMENT
AFTER THIS.**

A monstrous infection, this creature does its dark work slowly and insidiously, hollowing out its victim's body and mind until all that remains is the drive to destroy... and to infect others.
