

HomeByMe Kitchen Experience

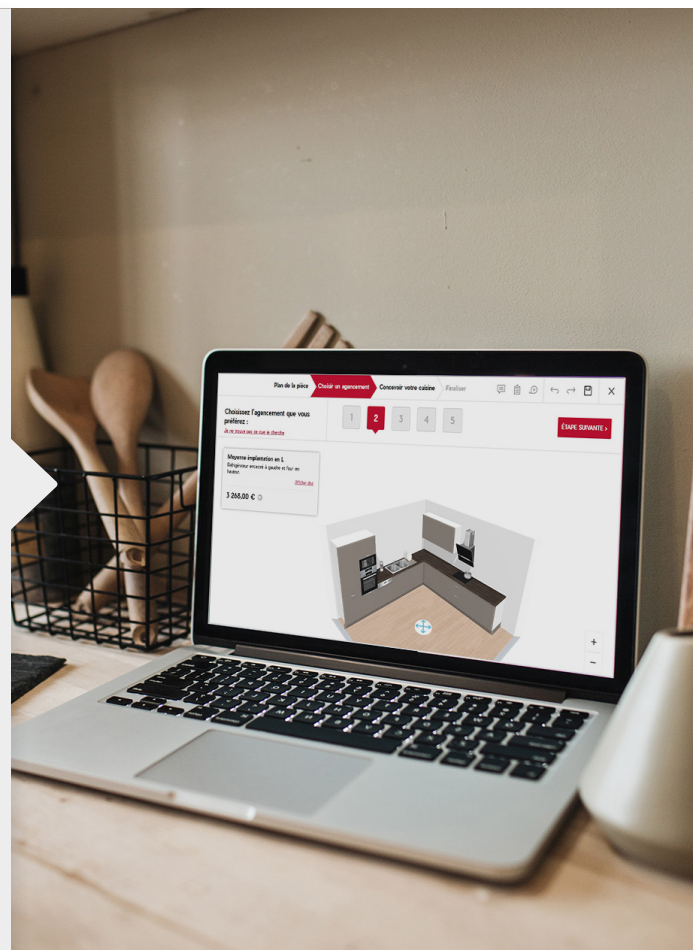

Transform your customers' design and purchase journey

Let your shoppers turn their dream kitchen into a reality with our end-to-end solution.

Kitchen Experience One seamless experience tailored to the needs of kitchen retailers

HomeByMe Kitchen Experience is everything you've been looking for to take your kitchen business to the next level. It goes so much further than a single product visualizer.

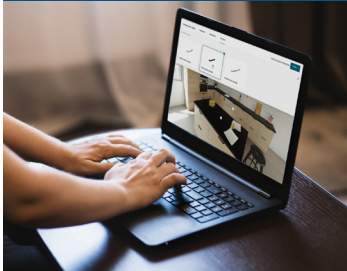

It's a **complete solution** that includes all the tools needed to deliver a rich and engaging kitchen buying journey - from inspiration and design, to collaboration with your sales associates, and end-to-end operations management.

Comprehensive, immersive, cloud-based

HomeByMe Kitchen Experience enables true collaboration between you and your customers at every stage of the kitchen buying journey.

What we do

HomeByMe provides a **powerful suite** of interior design, product configuration, space planning, visualization, content creation, and sales operations software, which personalizes the entire consumer buying experience.

With our **market-leading 3D space planning solutions**, businesses can introduce new ways for consumers to get inspired, evaluate their decisions, and purchase home goods. Kitchen, furniture, and DIY companies use our solutions to actively engage with consumers at every step of the purchase decision-making loop and exceed their expectations.
