

Specific Privacy Statement

For the ERCC Portal Website

1. Description

The processing of personal data concerns: description of contacts list holding postal and/or telematic address details of individual or organisation-related persons.

This processing is managed at the Joint Research Centre (JRC) by the Disaster Directorate for Space, Security and Migration in relation with Horizon 2020 - the Framework Programme for Research and Innovation (2014-2020) for the purpose mentioned under point 2.

As this processing collects and further processes personal data, Regulation (EC) 45/2001, of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data, is applicable.

The Unit Head of "Inter-institutional, International Relations and Outreach" acts as Controller of the processing of personal data covered by generic notification "CONTACTS LISTS & NETWORK PARTNERS DATABASES AT THE JRC " (DPO-1924).

The JRC co-ordinator (e.g. Unit Head) of the Disaster Risk Management Unit, E1, manages the processing itself, under the responsibility of his Director who acts as Processor.

2. What personal information do we collect, for what purpose and through which technical means?

- Requested user role

Purpose

Personal data are collected and processed in order to communicate with the data subjects about the JRC research activities related to the Framework Programme for Research and Innovation (2014-2020). The data are mainly used to customize the access to the portal contents based on the authorization granted by the administrators.

Technical information

Personal data are normally collected through classical databases or Excel forms and stored on JRC servers.

3. Who has access to your information and to whom is it disclosed?

Access to the personal data is allowed to authorized officials and other staff of the JRC and ECHO. No personal data is transmitted to parties, which are outside the recipients and the legal framework mentioned.

4. How do we protect and safeguard your information?

The collected personal data is stored on the servers of JRC and underlie the Commission Decision C (2006) 3602 of 17/08/2006 “concerning the security of information systems used by the European Commission” defines IT security measures in force. Annex I defines the security requirements of EC Information Systems. Annex II defines the different actors and their responsibilities. Annex III defines the rules applicable by users.

5. How can you verify, modify or delete your information?

The data subject can personally request the deletion of the data from the system using the provided form.

Special attention is drawn to the consequences of a delete request, in which case any trace to be able to contact you will be lost.

6. How long do we keep your data?

Your personal data is kept as long as follow-up actions linked to the above mentioned purpose are necessary. All personal data will be deleted at the end of the Framework Programme for Research and Innovation (Horizon 2020).

7. Contact Information
