Biography

I am an Information Specialist in Health Sciences at the Medical library of the Université libre de Bruxelles. I hold a BA in Library and Documentation Sciences from HENaC (Belgium), a MA in Information and Communication Sciences and Technologies and a PhD in Information and Communication from ULB. My doctoral research explored the process of collaborative tagging and its resulting folksonomies. My principal research interests concern Web 2.0, information management and bibliometric indicators.

Visibility settings

Your ORCID iD connects with your ORCID record that can contain links to your research activities, affiliations, awards, other versions of your name, and more. You control this content and who can see it.

By default, who should be able to see information added to your ORCID Record?

-  **Everyone** (87% of users choose this) * ?
-  **Trusted parties** (5% of users choose this)
-  **Only me** (8% of users choose this)

Notification settings

ORCID sends email notifications about items related to your account, security, and privacy, including requests from ORCID member organizations for permission to update your record, and changes made to your record by those organizations.

You can also choose to receive emails from us about new features and tips for making the most of your ORCID record.

- Please send me quarterly emails about new ORCID features and tips**
To receive these emails, you will also need to verify your primary email address.

After you've registered, you can change your notification settings at any time in the account settings section of your ORCID record.

Terms of Use

- I consent to the [privacy policy](#) and [terms and conditions](#) of use, including agreeing to my data being processed in the US and being publicly accessible where marked Public.

You must accept the terms and conditions.
