**29.010 Authority and applicability.** Pursuant to NRS 463.372, the Commission hereby provides for the regulation of the counting of slot machines for the purpose of administering license fees and the annual tax.

(Adopted: 7/80.)

**29.020 Definition.** “Slot machine” has the meaning set forth in NRS 463.0191.

(Adopted: 7/80. Amended: 8/22.)

**29.030 Single slot machine.** Tax and license fees shall be paid on one slot machine when:

1. Only one person has the opportunity to insert one or more coins, currency, tokens or similar object into a single receptacle, or has the opportunity to pay any consideration whatsoever for playing or operating the slot machine; and

2. That person has the opportunity to receive cash, premiums, merchandise, tokens or anything of value whatsoever based upon a single means of determining such win or based upon multiple payout lines within a single display unit.

**29.040 Multiple slot machines.** Tax and license fees shall be paid on more than one machine and shall be assessed per player positions when:

1. The slot machine affords more than one person the opportunity to play; and

2. The slot machine affords each person the opportunity to win separate from any other person.

(Adopted: 7/80. Amended 8/22.)

**29.050 Counting of new or altered slot machines.** At the time a slot machine is licensed, pursuant to Regulation 14 and NRS 463.650–670 inclusive, the Commission, upon recommendation of the Board, will determine how the device will be counted for the purpose of administering license fees and the annual tax.

(Adopted: 7/80.)

**29.060 Responsible person available for count.**

(Adopted: 7/80.)

**29.070 Penalty for willful evasion.** Any licensee who willfully fails to report, pay or truthfully account for the tax shall be liable to a penalty in the amount of the tax evaded or not paid, which will be assessed and collected in the same manner as other charges, taxes, licenses, and penalties under NRS 463.

(Adopted: 7/80.)

**29.080 Violation of statute or regulation.** Violation of any provision of this regulation or statute shall constitute an unsuitable method of operation subjecting the license holder to disciplinary action.
