**When you give to change a life, yours will never be the same.**

Helping talented students benefit from Nova Southeastern University's experience is one of the most meaningful ways to give to NSU. With an annual gift of \$1,000 committed for five years, you can establish a *Changing Lives Scholarship* in your name, or in honor/memory of a loved one, friend, mentor, or your family.

Your scholarship can be awarded to a specific college, regional campus, or athletics team, or you can choose for it to be distributed wherever the need is greatest. Your named *Changing Lives Scholarship* will benefit academically talented students for whom financial assistance will make a difference in being able to attend NSU. *(For each year you contribute to your scholarship, you will also be recognized as a member of the President's Associates Society.)*

**Changing Lives Scholarships (CLS) Guidelines**

Letters will be sent to CLS donors notifying them of the name(s) of student(s) to whom their scholarship has been awarded. To qualify, a student must be a full-time NSU student in good academic standing with demonstrated financial need and must complete the required application. Scholarship recipients will be selected by Enrollment and Student Services (ESS) for undergraduate students, or a scholarship committee at each school for graduate students.

A student may receive annual CLS for no more than four academic years (unless they are advancing from undergraduate to graduate programs). A student may be awarded more than one of these scholarships at the same time. The total of awards from CLS awarded to a student annually shall be a minimum of \$1,000 and a maximum of \$10,000.
