

# Ranking Economic Performance and Efficiency in the Global Market: Emerging Research and Opportunities

Part of the Advances in Finance, Accounting, and Economics Book Series

Benjamin Franklen Gussen (University of Southern Queensland, Australia & Australian Law and Economics Association, Australia)

## Description:

There are numerous determinants that drive and influence economic efficiency in contemporary nations. Critical insights can be gained from developing analytical models to understand the economies of the world.

**Ranking Economic Performance and Efficiency in the Global Market: Emerging Research and Opportunities** is an innovative source of scholarly information that discusses world rankings of modern national economies. Including a range of topics such as geopolitics, sovereignty, and jurisdictional considerations, this book is ideally designed for academics, researchers, professionals, and students interested in the relevant knowledge that can be extracted from the determinants of economic efficiency.
