

# Journal of Marine Science and Technology

An Open Access SCIE Journal

The journal is hosted on Digital Commons, an Elsevier Platform

## Special Issue: Moving forward to Resilient and Sustainable Future with Marine-Related Science, Technology and Management

Dear Colleagues,

The *Journal of Marine Science and Technology* welcomes submissions to the Special Issue "Moving forward to Resilient and Sustainable Future with Marine-Related Science, Technology and Management". All submissions must contain original unpublished work not being considered for publication elsewhere.

Research Areas to be covered but not limited in this special issue are:

### Maritime Science and Management

- Navigation and route optimization
- Fuel consumption
- Predictive maintenance
- Efficient control
- Safety and security management
- Green port
- Marine transportation policy and management
- Other related

### Marine Engineering

- Data science
- Computational mechanics
- Wind Energy
- Noise and Vibration Engineering
- Energy generation forecasting
- Marine Intelligent Transportation System
- Other related

### Ocean Science

- Ocean dynamics
- Ocean observation
- Ocean element forecasting
- Atmospheric modeling
- Marine pollution and Environmental pollution monitoring
- Ocean Remote sensing
- Air-Sea interaction
- Other related

### Marine Biology and Fishery Science

- Fisheries management
- Aquaculture management
- Food safety and risk management
- Marine biology
- Marine affair and resource management
- Other related

### Editor-in-Chief

Dist. Prof. Chen-Hsiu Laih,  
Department of Merchant  
Marine, National Taiwan Ocean  
University, 202301, Keelung,  
Taiwan.

Notice: We would like to offer Publication Fee (PF) discounts for accepted submission of this special issue (the original PF for accepted manuscript is US\$650).

1. Submissions receive during 3/1 ~ 5/31, 2024, PF will be US\$400.
2. Submissions receive during 6/1 ~ 8/31, 2024, PF will be US\$500.

Deadline for manuscript submissions: Aug. 31, 2024

Special Issue Articles accepted before September 30th will be published in Vol. 32. (Year 2024).
