

Copyright Transfer Statement

Journal Name: *JUSTC*

Manuscript Number:

Title of Manuscript:

Author(s) [Please list all authors]:

1. Warranties and Representations:

The leading corresponding author warrants and represents for all authors that:

- This manuscript is original and has not been previously published. All necessary citations have been indicated whenever citing the research of others. This manuscript is free from the issues of multiple submissions and redundant publication, as well as plagiarism, fabrication, falsification, misrepresentation, or other academic misconducts.
- All authors have made substantial contributions to this manuscript. The author list is legitimate and correct, and the order is approved by all authors. The information of institutional affiliations of all authors is accurate. *JUSTC* will no longer accept the change of authors and institutional affiliations after this Copyright Transfer Statement is signed.
- Nothing in this manuscript infringes any duty of confidentiality that the authors might owe to any individual(s) or institution(s), or violates any express or implied contract. Any institutions in which the research recorded in this manuscript was created or conducted have authorized and approved both the research and publication. This manuscript does not contain any content that violates laws or regulations or infringes on the rights of others. In the event of infringement of rights or disclosure of confidential information, the authors shall assume full responsibility.
- All authors have read and agreed to the terms of this Copyright Transfer Statement. In the event of a breach of trust resulting in adverse consequences, the offender(s) shall be held liable for breach of contract.

2. Copyright Authorization Statement:

- All authors agree that, from the date of official publication of this manuscript (including online advance publication), the compilation rights of this entire manuscript and the parts that can be extracted from it, as well as rights of reproduction, distribution, and information dissemination via information network, translation, adaptation, E-publication ahead of print, and broadcasting of this manuscript, in both the paper and digital versions, are freely authorized to the editorial office of *JUSTC*, and the editorial office of *JUSTC* is empowered to authorize others to use them.
- By signing this Copyright Transfer Statement, all authors agree to the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0), available at <http://creativecommons.org/licenses/by-nc-nd/4.0/>. After the Open Access publication of this manuscript, the authors have all the rights granted by CC BY-NC-ND 4.0 .
- In accordance with the publication policy of *JUSTC*, neither does the editorial office of *JUSTC* charge the authors any publication fee after this manuscript has been approved for publication nor does it pay to the authors after this manuscript has been published. Moreover, if the editorial office of *JUSTC* republishes this manuscript in another form, no publication fee will be charged and no remuneration will be paid.
- Other matters not covered in this Copyright Transfer Statement shall be addressed in accordance with the *Copyright Law of the People's Republic of China* and pertinent laws and regulations.
