PARTECIPANT DECALOGUE

Together, we can make this event an example of how sustainability can be both fun and rewarding.

Here are our suggestions for participants who want to join our commitment to sustainability during the event:

1. **Join the Organization's Efforts:** The organization is making every effort to make this event sustainable. Please follow the guidelines provided on-site.
2. **Conscious Planning:** Before coming to the event, think about how you can reduce the impact of your travel. Consider alternatives to driving, such as eco-friendlier options.
3. **Respect the Community:** The city hosting the conference is home to many people and will also be your home for these days. Treat it with respect.
4. **Waste Disposal:** We have provided recycling bins, so please use them properly.
5. **Energy Conservation:** Remember to turn off your devices when they are not needed. Even phones need a rest!
6. **Resource Sharing:** If you have extra materials or resources that could be useful to other participants, please share them!
7. **Water Conservation:** Water is precious, so let's use it sparingly.
8. **Education and Awareness:** Share what you know with other participants and inspire positive changes.
9. **Minimize Paper Use:** Save trees! Use digital means to access the program.
10. **Share on Social Media:** Make your voice heard! Share your sustainability efforts on social media and join the online conversation with the official hashtag [#ECCV2024](https://twitter.com/ECCV2024).

Thank you for your commitment!
