

IPEC Foundation Announces 2024 Award Winners

The IPEC Foundation is pleased to announce the 2024 award winners. The winners will be recognized during the IPEC Foundation's annual awards ceremony that will take place Tuesday October 22, at the Hyatt Regency Hotel, Salt Lake City, Utah.

Congratulations to the award winners for their efforts and contributions to the field of excipients!

Ralph Shangraw Memorial Award – for individuals who have provided outstanding research contributions in the study of excipients or excipient-related technology:

Dr. Jean-Christophe Leroux, Institute of Pharmaceutical Sciences, Zurich, Switzerland

Patrick DeLuca Emerging Researcher Award (2 year) – Recognizes a beginning career scientist (post Ph.D.) who has demonstrated interest and dedication to the area of excipients:

Dr. Sichen Song, University of Minnesota, also a previous graduate student award winner in 2022

Dr. Sabrina Banella, University of Ferrara – 2nd year winner

Graduate Student Awards acknowledge excellence in research conducted at the graduate level.

Mr. Adwait Pradhan, The University of Texas at Austin
Mr. Akshay Narula, University of Connecticut
Mr. Henis Patel, St. John's University
Ms. Kinnari Arte, Purdue University
Ms. Rachana Sapkota, Purdue University

Congratulations!

The IPEC Foundation helps shape the future of medicines by energizing research in excipients through education and scholarship.
