

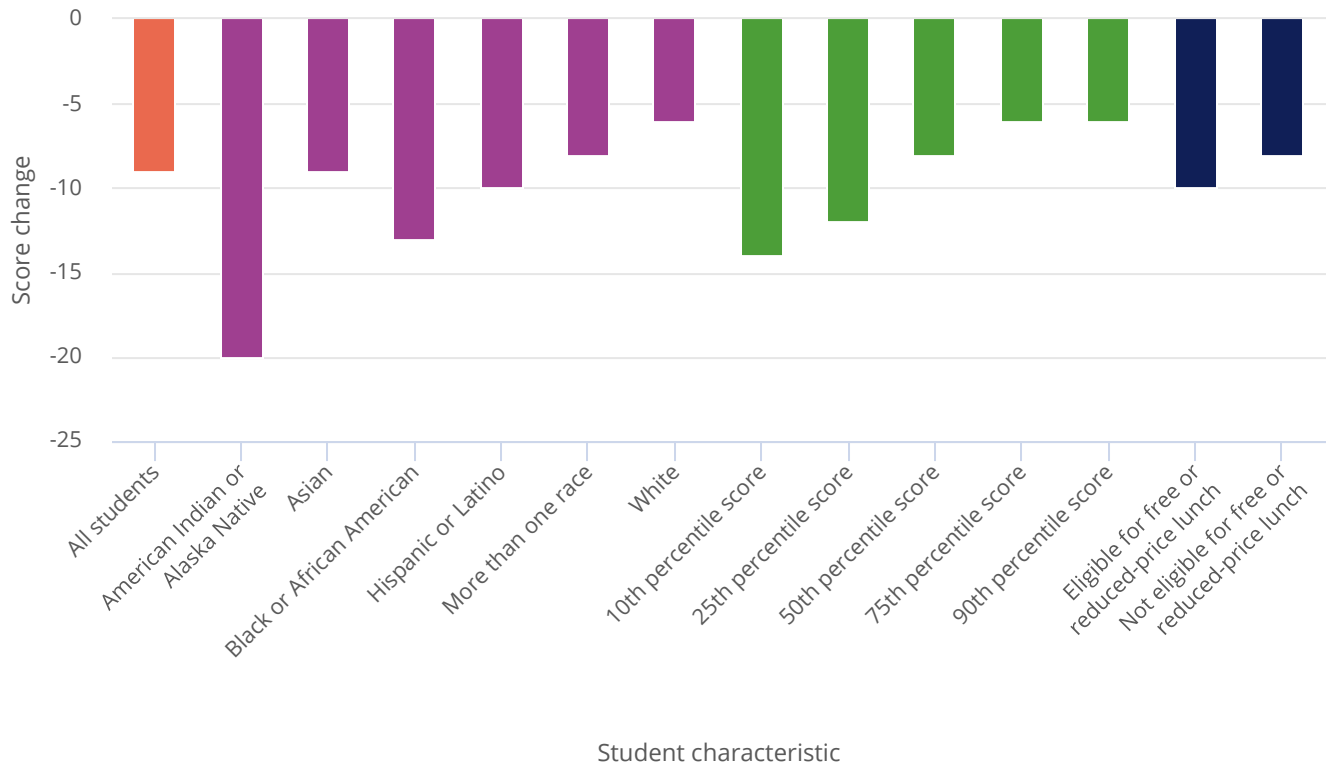

Figure 3

Change in average student scores for 13-year-old students on the NAEP long-term trend mathematics assessment, by student characteristic: 2020–23

**Note(s):**

NAEP is National Assessment of Educational Progress. Hispanic or Latino may be any race; race categories exclude Hispanic origin. Data for Native Hawaiian or Other Pacific Islander students are suppressed for reasons of confidentiality and/or reliability. Changes in average scores from 2020 to 2023 for all groups shown are statistically significant at the 0.10 level.
