

OpticsPlanet, Inc. Announces Partnership with Evolution Gun Works.

OpticsPlanet now an Authorized Dealer of Evolution Gun Works rifle scope mounts, rings and accessories.

Northbrook, IL – February 16, 2010 – OpticsPlanet Inc., the leader of shooting accessories in the Internet arena, has just teamed up with Evolution Gun Works to begin carrying their specialty products. Evolution Gun Works has been known as the epitome of precision tactical mounting components and has now succeeded in partnering with a dominant force in the e-commerce sector. Evolution Gun Works brand shooting accessories have always been a supreme example of durability and precision. Known for customized and manufactured rifle scope mounts, bases, and rings; Evolution Gun Works has a reputation of exacting specifications, the tightest tolerances, and exceptional workmanship. Now that OpticsPlanet has become an authorized dealer of Evolution Gun Works gear, you get the savings you've come to expect in addition to the quality Picatinny rail scope mounts and tactical scope mount rings of Evolution Gun Works.

Evolution Gun Works has set the stage for constructing scope mounts, scope rails and scope rings with the hunter and shooter in mind. Self-defense and big game have been the motivation, and you will see the exacting details following this methodology. Evolution Gun Works products feature expert design with meticulous workmanship using only the most demanded of materials. Their reputation for providing better shooting with world class parts outshines all competitors

Evolution Tactical is bringing a new standard to the utility of gun accessories. Their use of the highest quality materials for maximum durability keeps their products in your family for years to come. They even offer specialized and customized tactical accessories such as Picatinny Shotgun scope mounts and Sig Sauer Scope mounts. Their mounts give your pistol, shotgun or rifle the ability to add panoply of tactical devices. Built to last, the team of OpticsPlanet and Evolution Gun Works intends on delivering quality goods well into the future.
