

## **OpticsPlanet, Inc. Announces New Partnership with Meprolight**

*OpticsPlanet, Inc. – Expands its line of Tritium and Fiber-Optic Night Sights with the inclusion of Meprolight products*

Northbrook, IL, July 28, 2009 --(PR Log)-- Northbrook, Illinois – OpticsPlanet, Inc. the world's largest specialized retailer of sport optics, rifle scopes, tactical and military gear, has reached a new agreement with Meprolight to carry their line of self illuminated night sights for pistols, rifles, revolvers and shotguns as well as Meprolight electro optical illuminated night sights. Meprolight products are known for their military grade high quality and the strictest of standards.

OpticsPlanet is always looking to supply the military and law enforcement communities with "tomorrow's needs". The addition of Meprolight continues both companies' long tradition of providing state-of-the-art solutions for the day and night battlefield. MEPROLIGHT offers a range of optical and electro-optical sights that are a tremendous compliment to OpticsPlanet's expansive selection of night vision goggles, night vision sights and other night vision equipment. The Meprolight night sight line has proven to be a top choice for professional soldiers, law enforcement, and special operation forces. Among the largest users of their high quality night sights is the Israeli Ministry of Defense, Israeli police and special services.

Meprolight adjustable night sights are a great addition to the pages of OpticsPlanet.net. OpticsPlanet enthusiastically welcomes Meprolight as a partner and is proud to include their weapon sights among the high quality products they provide. Opticsplanet.net strives to provide a comprehensive selection of the best night vision sights on the market today and is pleased to add Meprolight as a partner.
