

OpticsPlanet, Inc. Selects Unique New Produce Line, Royal Canes

OpticsPlanet, Inc. – Now an Authorized Dealer of Cane and Walking Stick Manufacturer Royal Canes

Northbrook, IL, July 31, 2009 --(PR Log)-- Northbrook, Illinois – OpticsPlanet, Inc., the world’s largest specialized retailer of sport optics, rifle scopes, tactical and military gear, announced today that the company has teamed up with Royal Canes to begin carrying their line of walking canes and cane seats. Royal Canes products are known for their high quality and sophisticated designs. In addition to producing one of the broadest selections of canes and walking sticks on the market today, Royal Canes also offers cane seats and cane stands.

Product selection and performance are hallmarks of the Royal Canes brand. The most beautiful and exotic woods have been used to make the most sophisticated line of walking canes, hiking canes, hiking staff, canes walking sticks, seat canes, walking sticks and walking cane stands available anywhere in the world. OpticsPlanet initially will offer beautiful rosewood hiking staffs and Royal Canes hammock seats but many more canes and walking sticks will soon be added.

Royal Canes product line includes many unique cane designs not found with other cane manufacturers. The brandy flask smuggler cane, the Louisville slugger cane, the flashlight folding cane and the crystal ball handle cane are some of the innovative designs the company has developed. Carbon fiber canes and carbon fiber hiking sticks are lightweight and extremely durable alternatives to wooden canes.

Royal Canes are a great addition to the pages of OpticsPlanet.net. The addition of folding seat canes and walking sticks provides our customers the support and relief that any weary traveler needs. OpticsPlanet enthusiastically welcomes Royal Canes as a partner and is proud to include their wood cane; cane seat and cane stand collection to the extensive products already available on Opticsplanet.net.
