(57) **CLAIM**

FIG. 20 is a twentieth image thereof;

I claim the ornamental design for a display screen or portion thereof with animated graphical user interface, as shown and described.

FIG. 21 is a twenty-first image thereof;

FIG. 22 is a twenty-second image thereof; and,

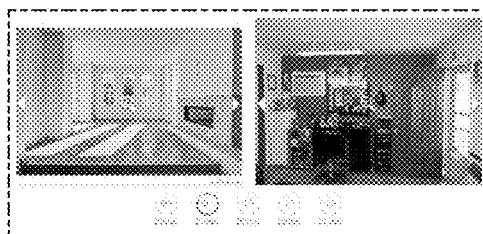

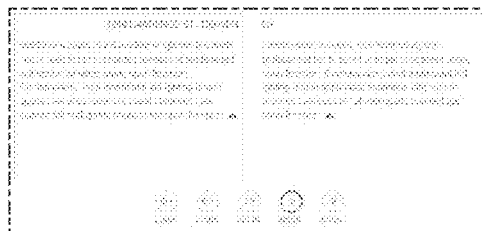

FIG. 23 is a twenty-third image thereof.

The dot-dash broken lines in the Figures illustrate the display screen or portion thereof.

The appearance of the animated graphical user interface sequentially transitions between the images shown in FIGS.

1-23. The process or period in which one image transitions to another forms no part of the claimed design.
