

**Dear Friends of Wake The Arts,**

We are so proud to share this special edition of our e-letter, spotlighting some of our newly-minted Wake alumni. As you'll see, these students have been Scales Fine Arts Center "regulars" and are an incredible, tenacious, and eclectic bunch. Studying biology, communications, computer science, economics, linguistics, mathematics, politics, and statistics in addition to all things artistic, they truly embody the engaged liberal arts experience at Wake Forest. Below are just a handful of these brilliant recent grads who we've been privileged to have in our Wake the Arts community. We can't wait to see what's next for them in their journeys!
