

## Deborah Kerr

**EXECUTIVE VICE PRESIDENT &  
CHIEF PRODUCT AND TECHNOLOGY OFFICER, SABRE**

Deborah Kerr is the executive vice president and chief product and technology officer at Sabre. In this role, she is responsible for leading the global product and technology organization.

Prior to this role, Deborah served as executive vice president and chief product and technology officer at FICO, a leader in predictive analytics and decision management technology. Before FICO, Deborah held senior leadership roles with Hewlett-Packard, Peregrine Systems, and NASA's Jet Propulsion Laboratory.

Deborah is a director of the DH Corporation Board, and is a member of the Governance and Nominating Committee and Compensation Committee. She is also a director of the EXL Service Holdings, INC Board. As part of the Sabre Passport to Freedom program, Deborah has participated as part of the Thorn Tech Task force, a nonprofit organization committed to defending the children online.

Deborah holds a Master's degree in Computer Science and a Bachelor's degree in Psychology.
