Voting in North Carolina?

Bring Your
Photo ID

North Carolina voters will be asked to show a photo ID when they check in to vote.

Most voters will use their driver's license, but many other forms of photo ID will be accepted. Voters who vote by mail will be asked to include a photocopy of their ID when returning their ballot.

All voters will be allowed to vote with or without photo ID.

Voters who do not have photo ID when they vote can make sure their vote counts by either (1) filling out a form explaining why they are unable to show ID, or (2) showing their ID at their county board of elections office **by 5 pm on March 14**, the ninth day after the election.
