THE POWER OF SOUTH ALABAMA

- South Alabama is a dynamic public institution located in the city of Mobile serving as home to more than 14,000 undergraduate and graduate students.
- The unique and beautiful Gulf Coast region is a catalyst for discovery and innovation, and South Alabama's 1,200 acre campus has been transformed over the past decade with new facilities and resources for teaching, student services, recreation, health sciences, the arts, engineering, computer science, and athletics.
- In addition to its vibrant campus life, the University also boasts a robust and comprehensive health system that significantly impacts healthcare across the region.
