

Born Open Access: The Horizon Europe Policy for Open Access to Publications in Context

Dr. Konstantinos Glinos, Head of Unit, Open Science, Directorate General for Research and Innovation & European Commission

This talk presents the European Commission's Open Access policy for scientific publications for the new framework programme for Research and Innovation, Horizon Europe. It presents the vision for born Open Access publications, that is a desired environment where publications are always Open Access from the outset, and presents its details. It places the new policy in the context of the broader open science Commission policy, of the collaboration with funders in cOAlition S and the broader concerns for a sustainable transition to an Open Access publishing environment.
