

### BCD 2 genomic location of peaks

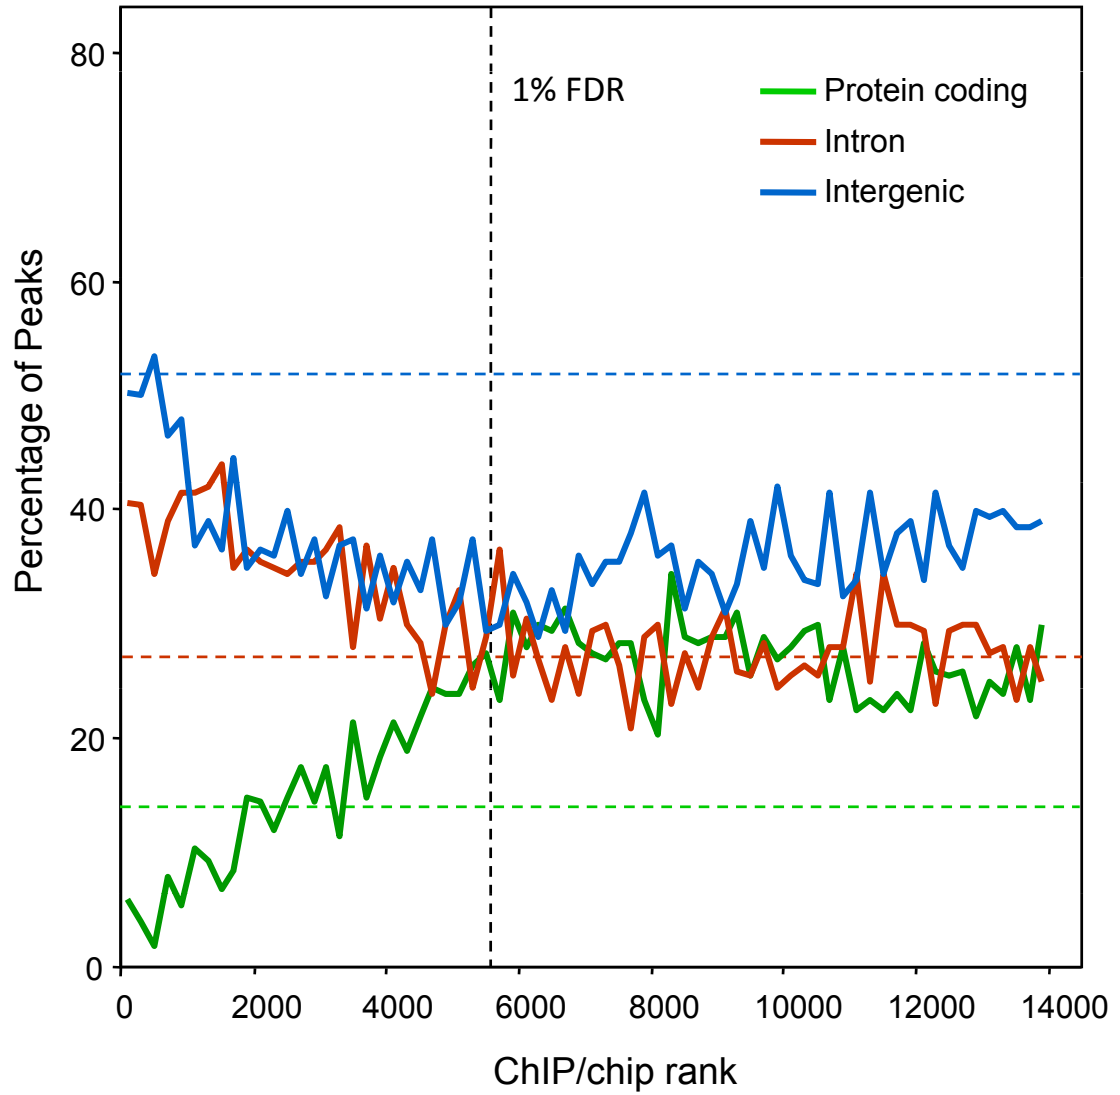

### CAD 1 genomic location of peaks

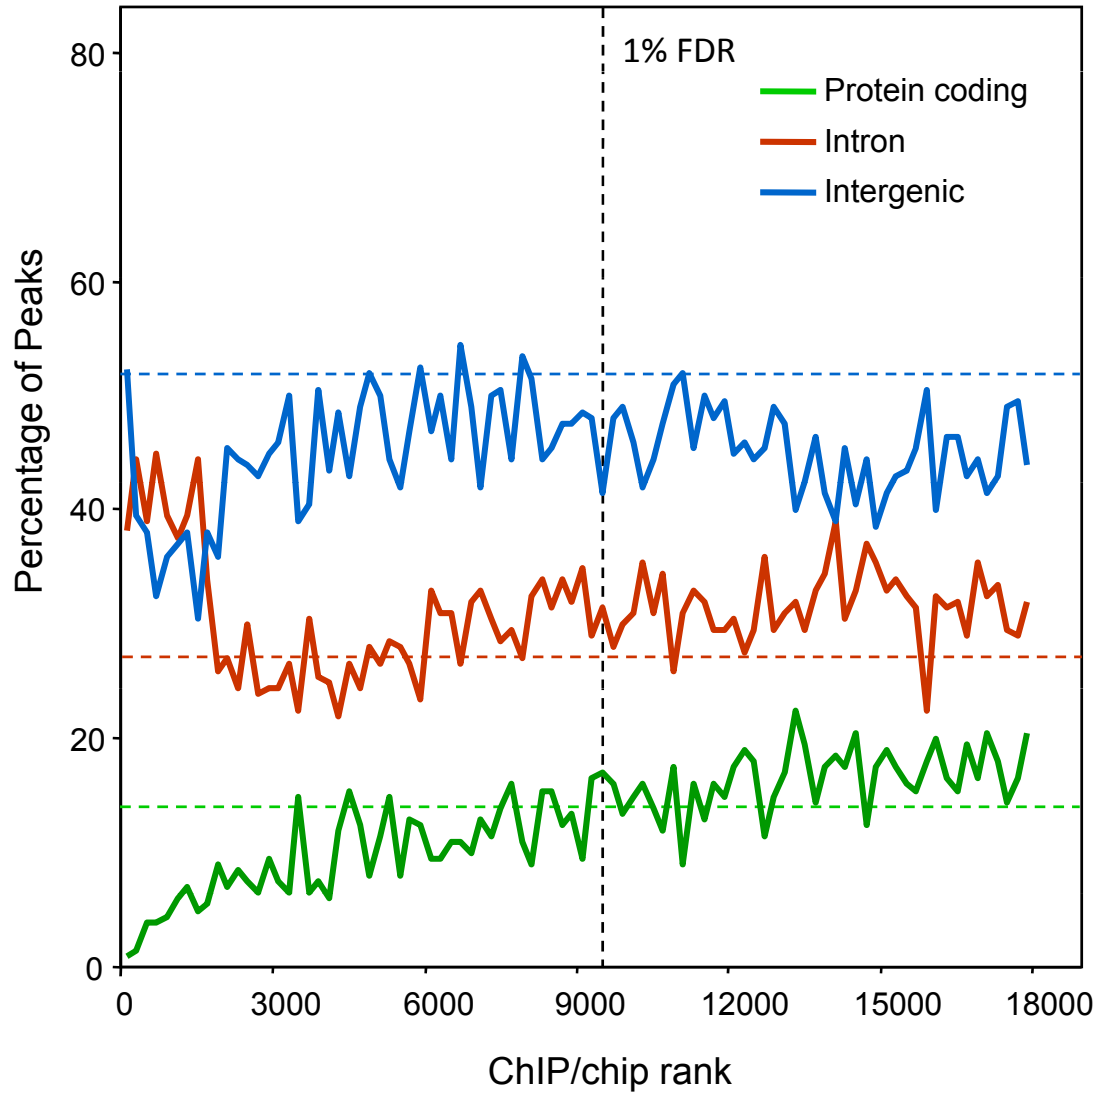

### D 1 genomic location of peaks

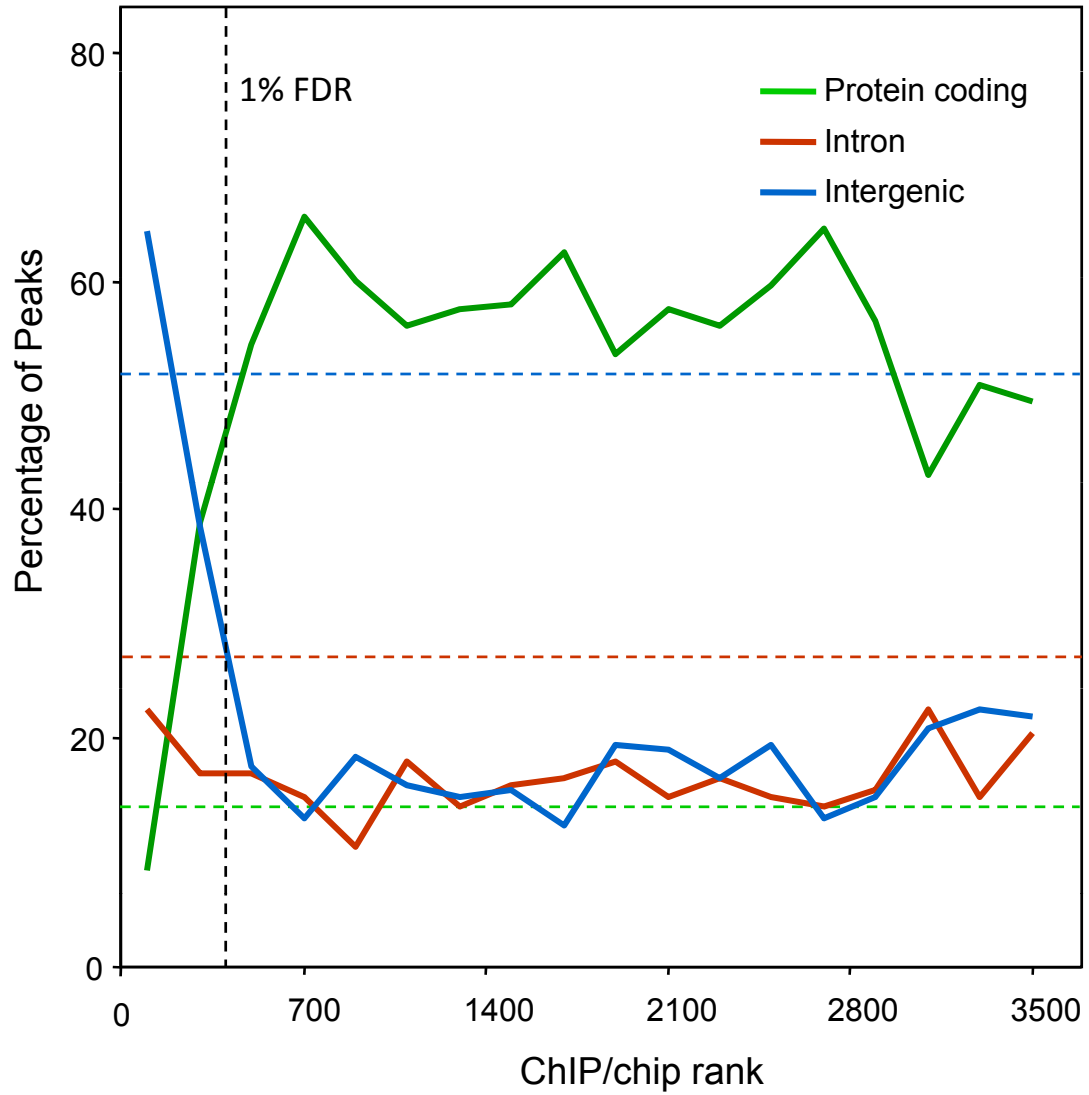

### DA 2 genomic location of peaks

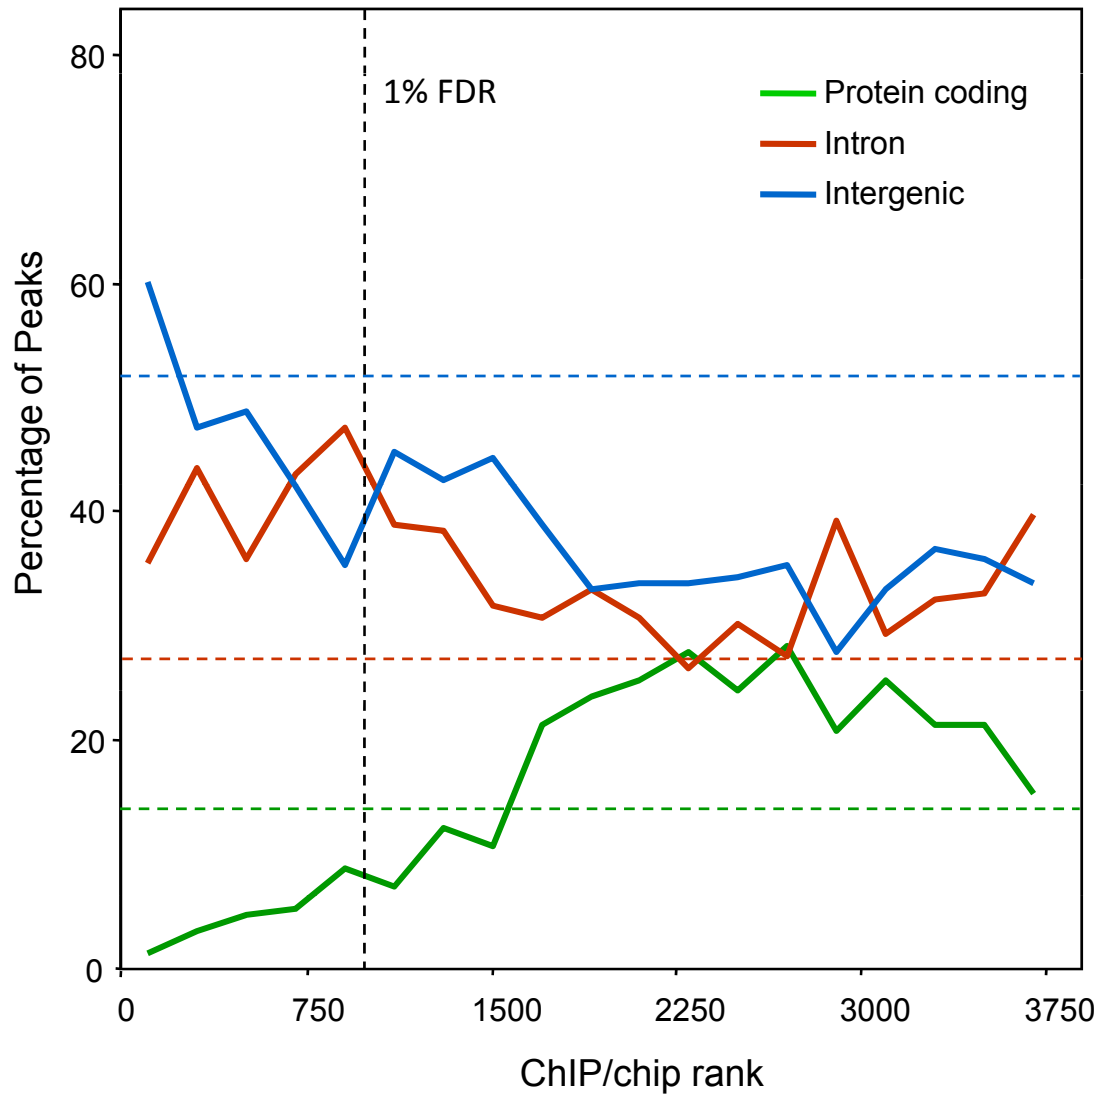

### DL 3 genomic location of peaks

### FTZ 3 genomic location of peaks

### GT 2 genomic location of peaks

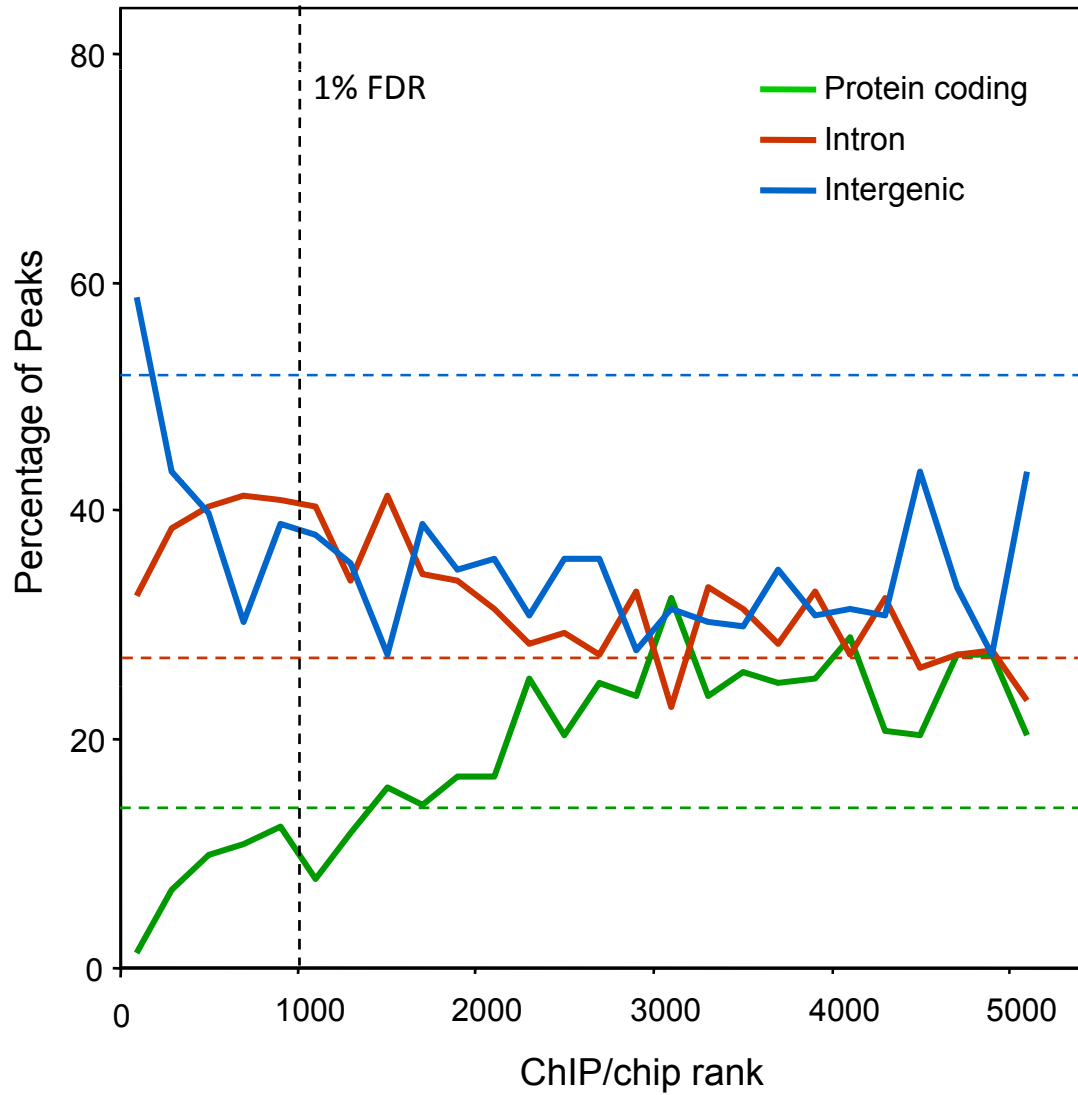

### HB 1 genomic location of peaks

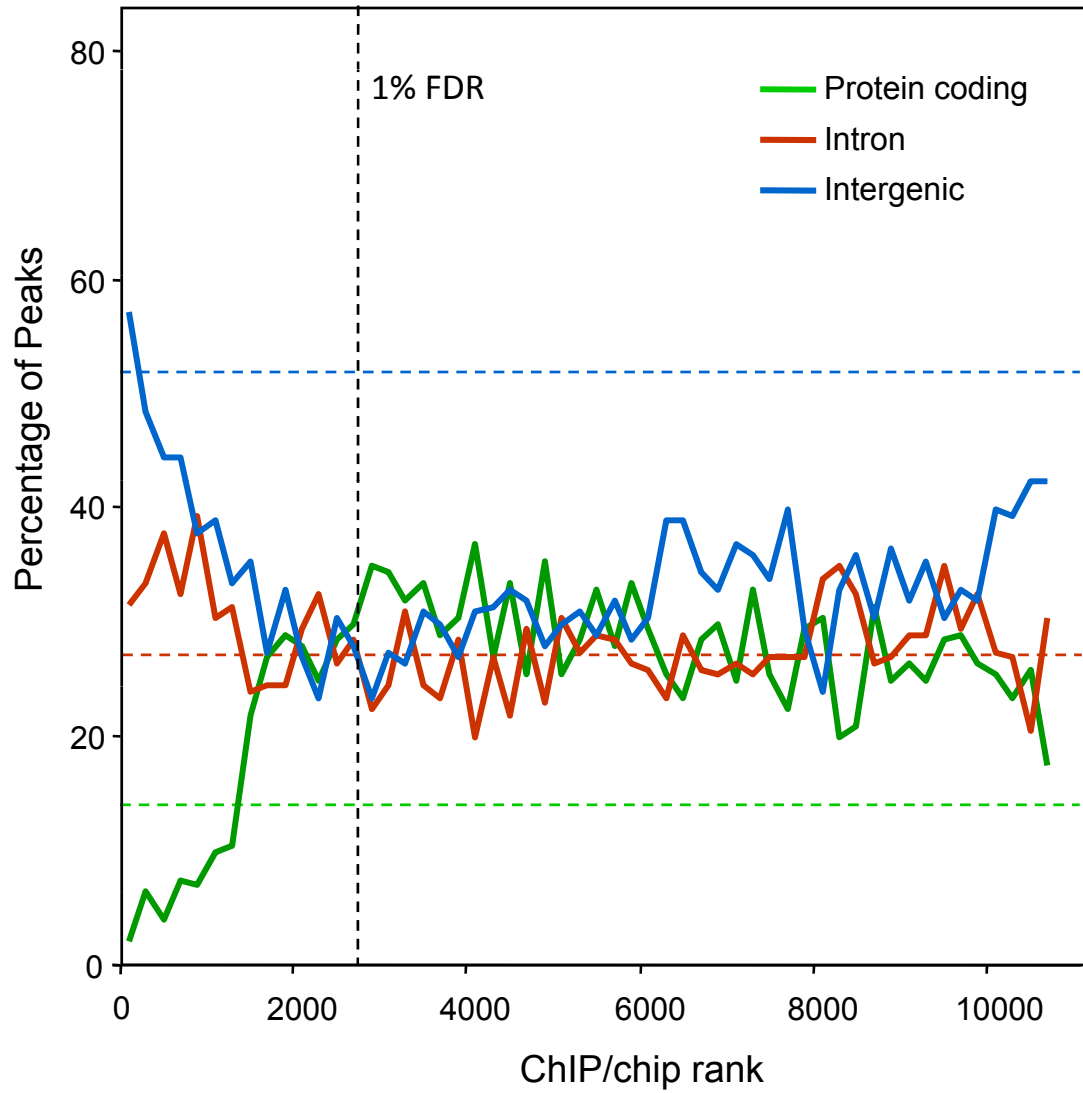

### HKB 1 genomic location of peaks

### HRV 2 genomic location of peaks

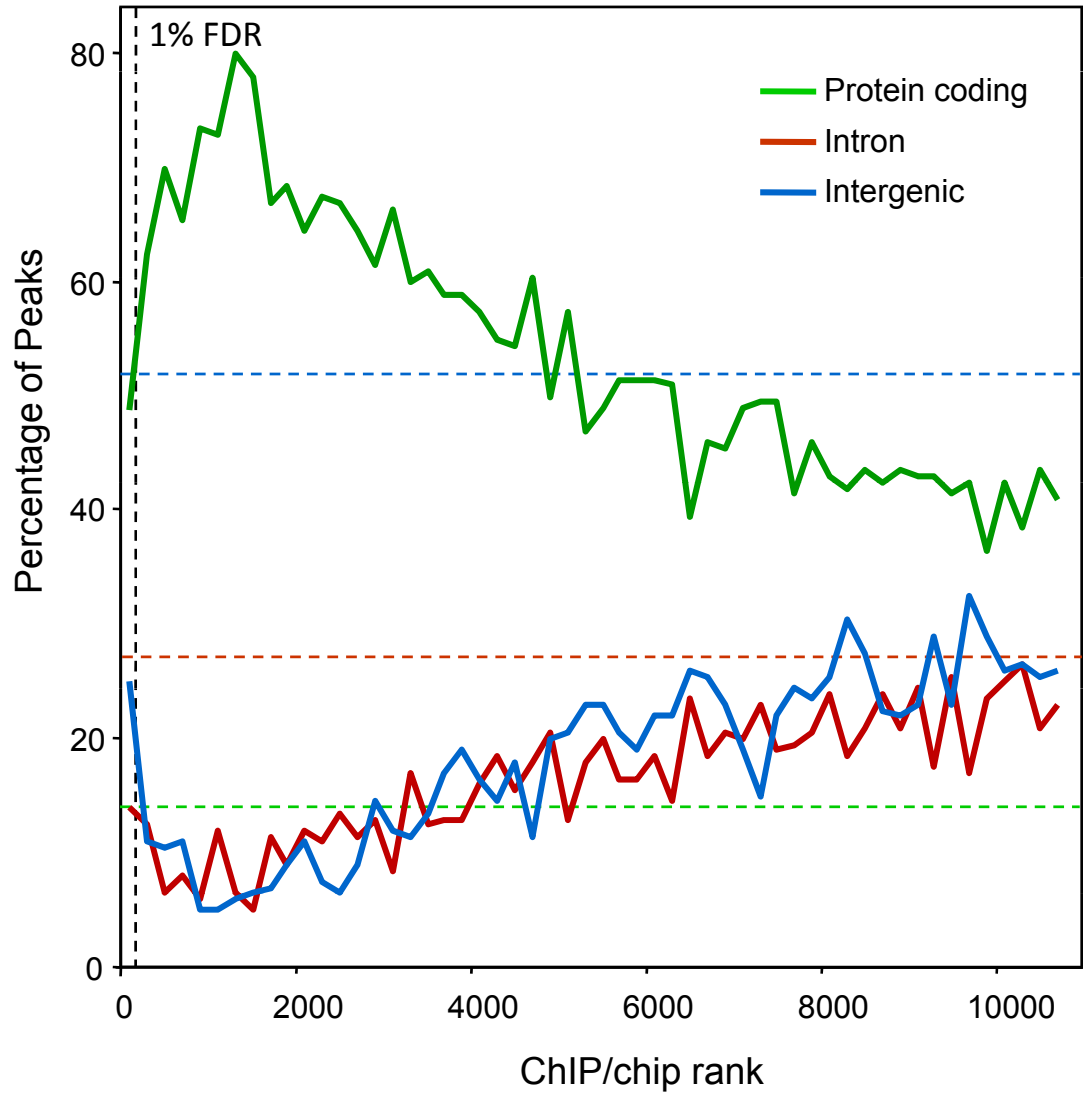

### KNI 2 genomic location of peaks

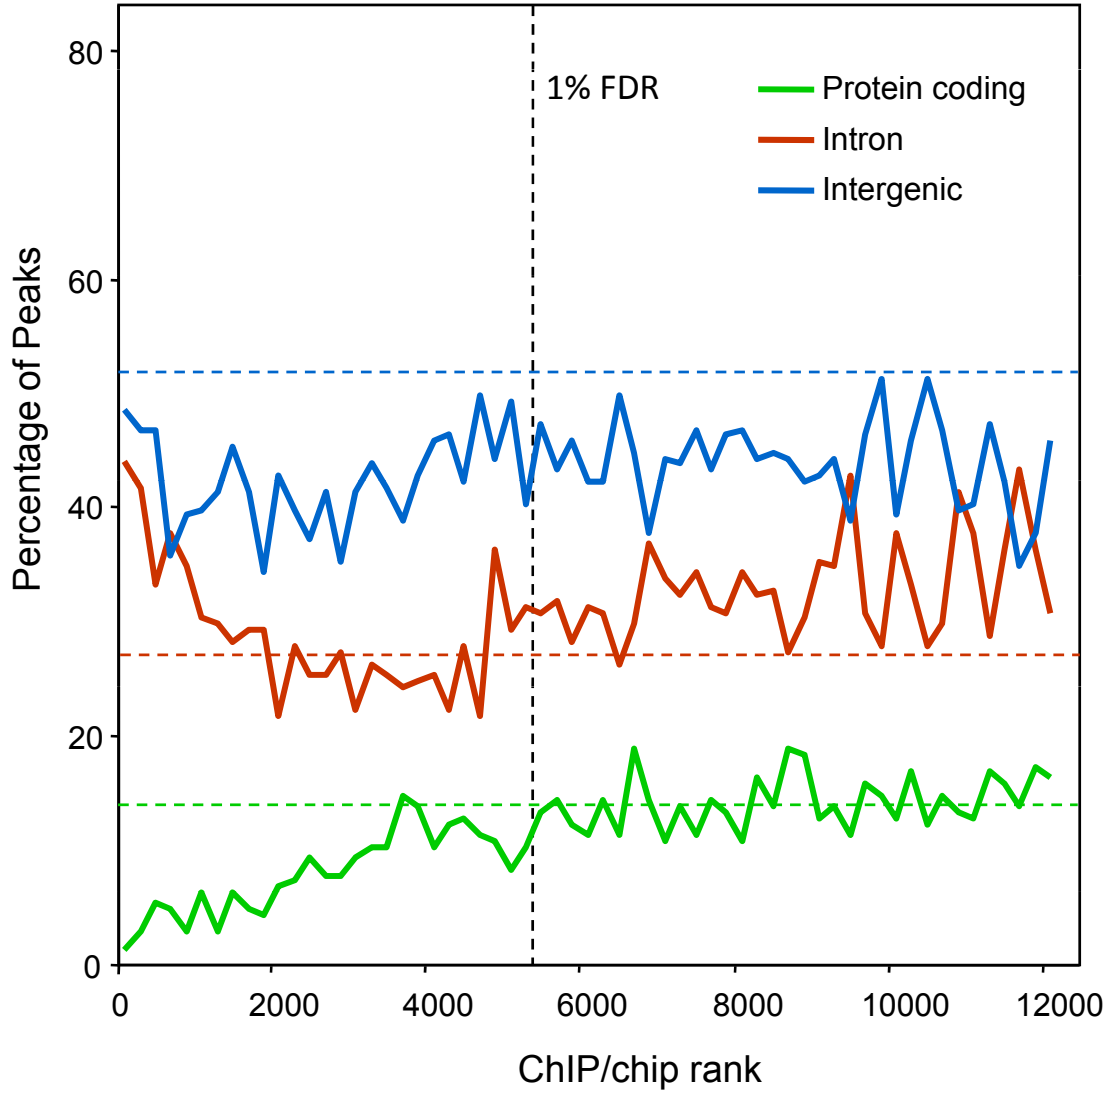

### KR 2 genomic location of peaks

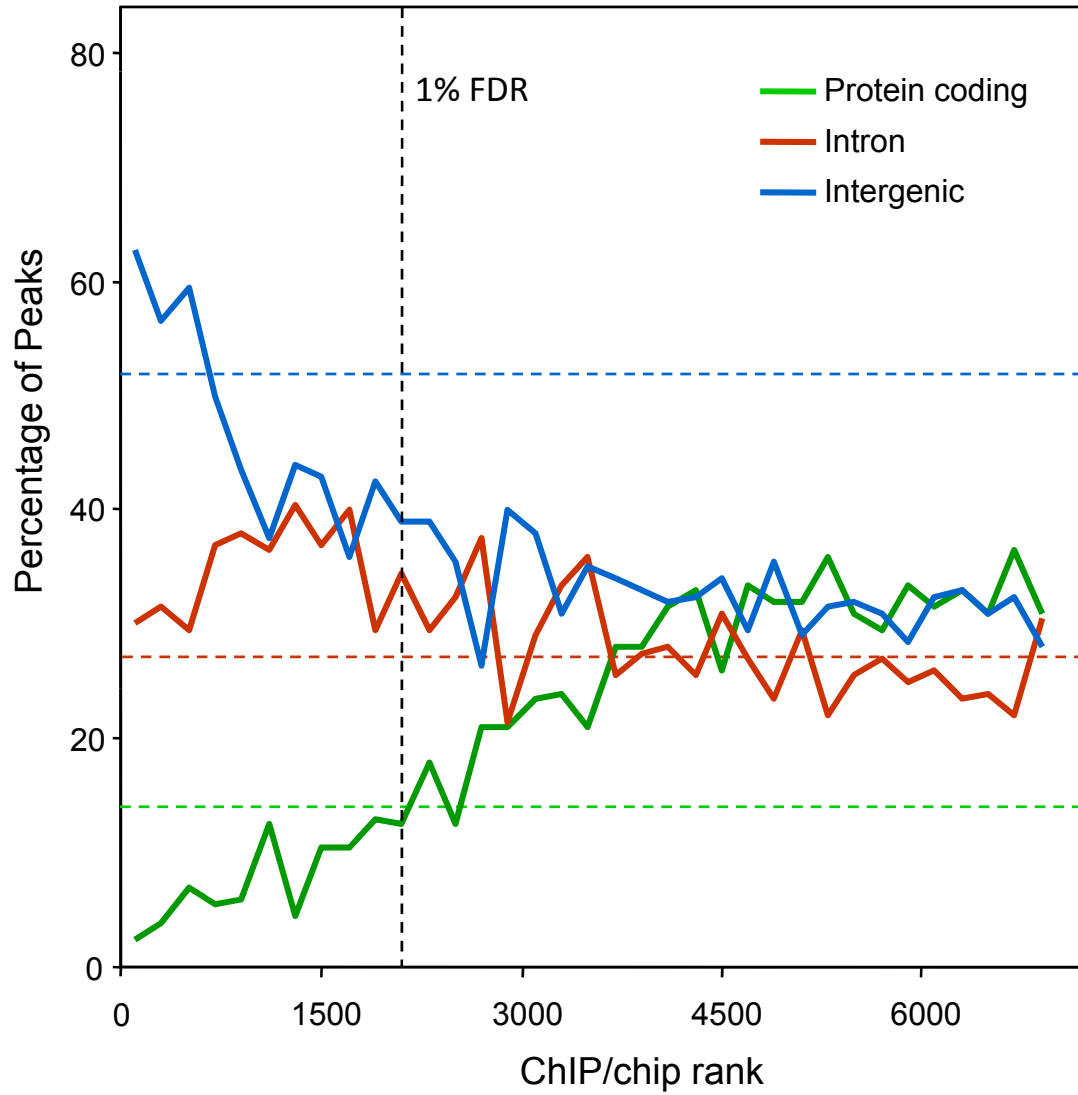

### MAD 2 genomic location of peaks

### MED 2 genomic location of peaks

### PRD 1 genomic location of peaks

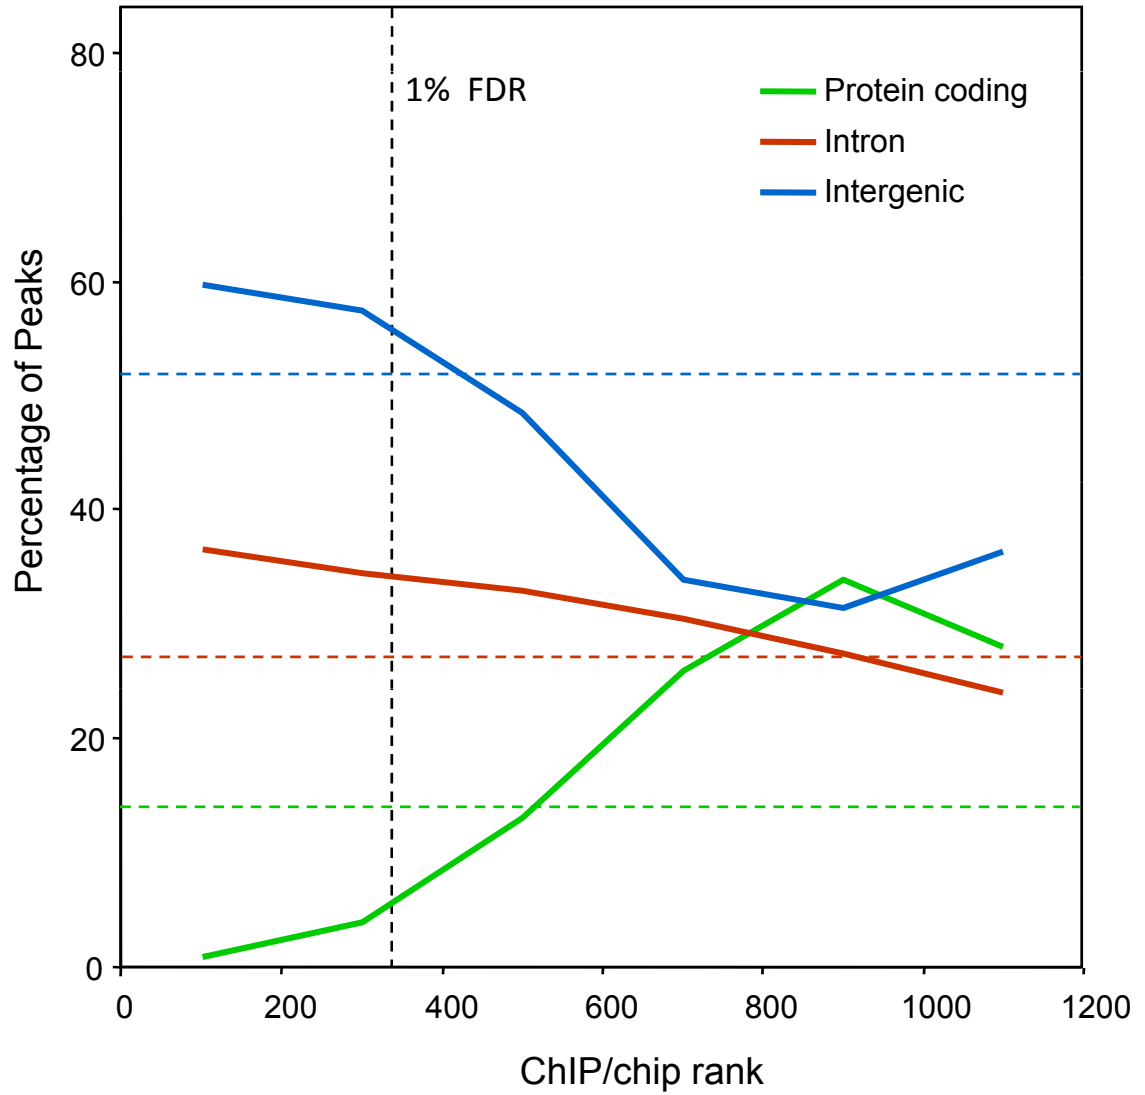

### RUN 1 genomic location of peaks

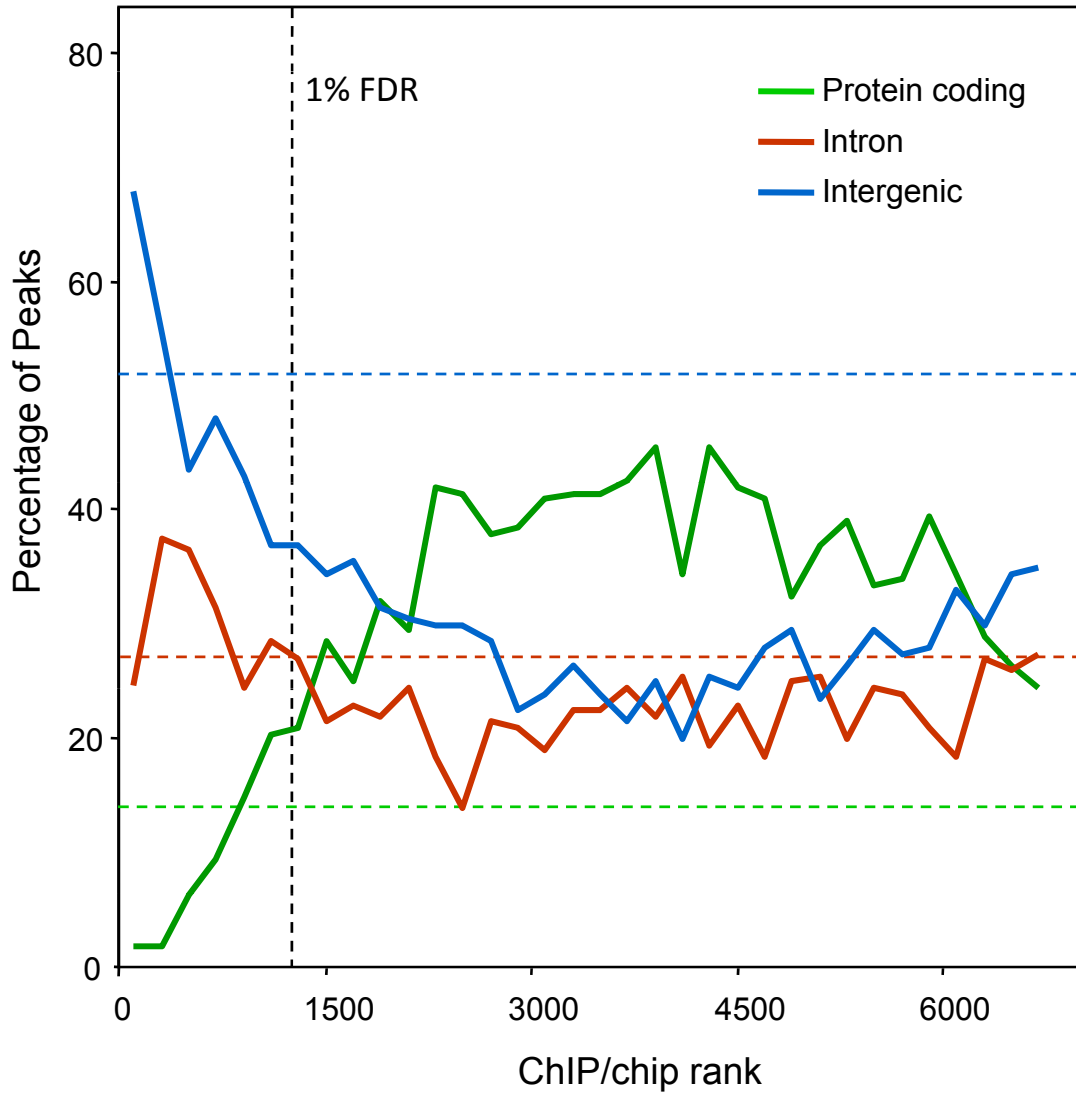

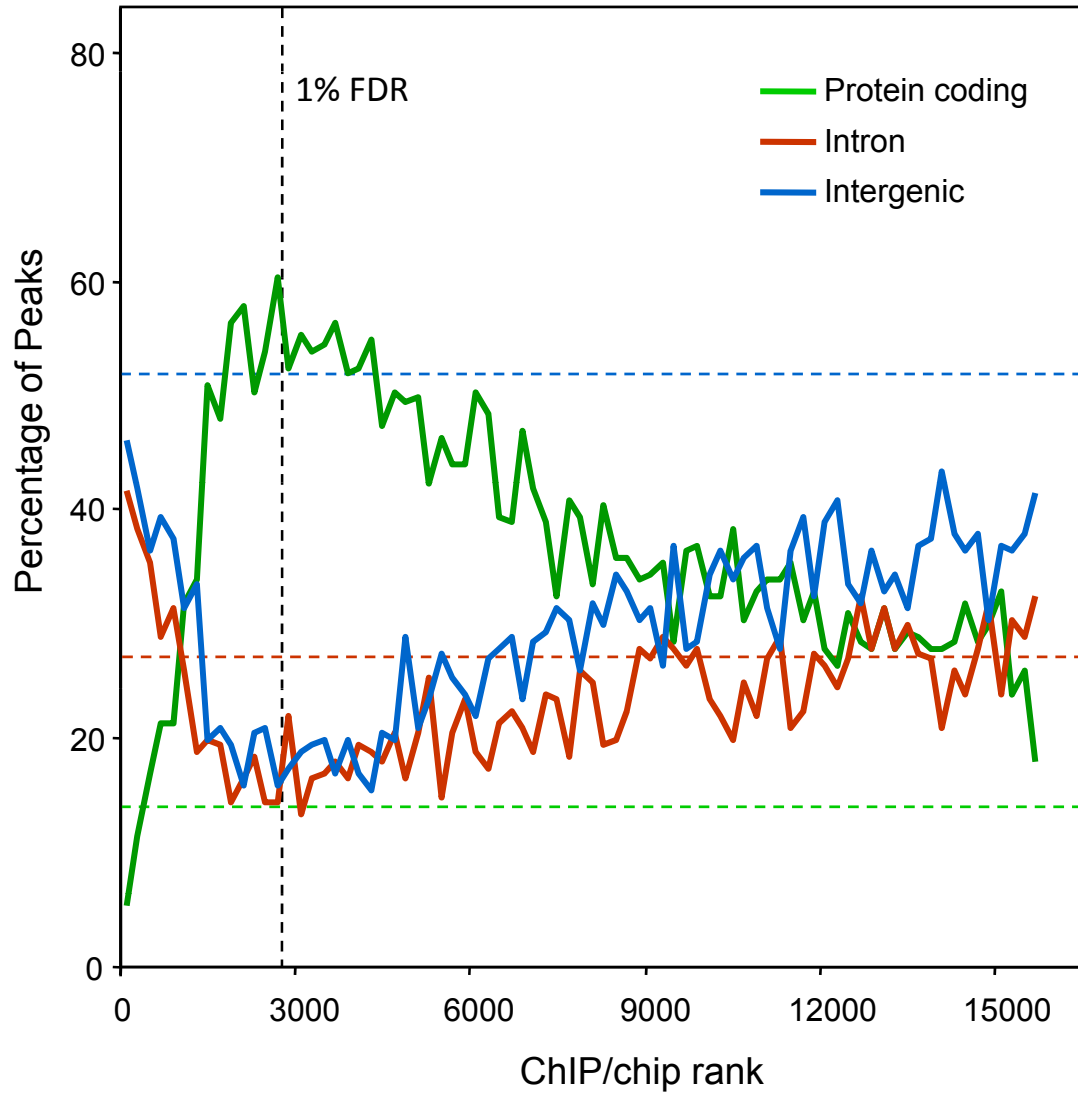

### SHN 2 genomic location of peaks

### SLP1 1 genomic location of peaks

### SNA 2 genomic location of peaks

### TLL 1 genomic location of peaks

### TWI 2 genomic location of peaks
