ANNUAL REPORT

2022
2023

A MESSAGE FROM THE COLLEGE PRESIDENT

We are grateful to serve our high school students through opportunities to earn college credits. Our faculty and staff at Southwest Tech care about the success of our students. We are striving to help every single student have a plan for success. We guide students to select the program that is best for them, provide cutting-edge work-based learning opportunities, and help students get great jobs after they graduate. We appreciate the high school teachers who help many of our learners get started.

As you read this report, I hope you will recognize the strong partnerships we have with our local high schools. Our school districts are part of the reason Southwest Tech is one of the best 2-year colleges in the country. We want to continue improving so please let me know if there is something you think we can do better. In the meantime, thank you for your support of Southwest Tech.

Sincerely,

JASON S. WOOD, PH.D.

DUAL CREDIT OPPORTUNITIES WITH AREA HIGH SCHOOLS

Southwest Tech partners with local high schools to offer dual credit opportunities for students allowing for a seamless transition from secondary to post-secondary education. At this time, Southwest Tech currently offers the following dual credit opportunities:

ADVANCED STANDING

High school course that meets the competencies of a technical college course. Students earning a B or better are awarded the course credit upon enrollment in a program at the technical college.

TRANSCRIPTED CREDIT

College-level course taught by a WTCS certified high school instructor at the high school during the traditional school day. Student receives technical college credit upon completion of the course.

START COLLEGE NOW

Program established by the State of Wisconsin that allows high school juniors and seniors to enroll in technical college courses that are not comparable to courses offered at the high school.

COLLEGE UP

A program established through a partnership between Southwest Tech and CESA #3 allowing students to earn a technical diploma or portions of an associate degree program while still enrolled in high school.

38.14 CONTRACTED COURSES

Southwest Tech courses taught face-to-face at the high school or virtually by Southwest Tech faculty at a time that will work within the high school schedule.

TRANSCRIPTED CREDIT & ADVANCED STANDING

In the 2022-2023 school year, 25 school districts had agreements with Southwest Tech for transcribed credit or advanced standing courses.

Students are able to apply their transcribed credit or advanced standing by enrolling in programs at Southwest Tech following high school graduation. In the fall of 2023, 251 students with transcribed credit enrolled in programs with 49 of these students continuing in the same program of study as their transcribed credit courses.

The following agreements were in place during the 2022-2023 school year. All agreements are transcribed credit unless noted as advanced standing.

DUAL CREDIT PARTICIPATION RECOGNITION

Southwest Tech recognizes the importance of partnerships with our area school districts providing dual credit opportunities to their high school students. Two awards programs have been established for this purpose.

DUAL CREDIT EXCELLENCE AWARD

This annual award recognizes the top four performing school districts for largest percentage increase from the previous year for students enrolling in the dual credit programs of **ColLEDGE Up, Start College Now, and 38.14 contracted courses**. Each of the four districts receives a monetary award provided by an anonymous Foundation donor. The designated monetary awards are #1—\$5,000, #2—\$2,500, #3—\$1,500, and #4—\$1,000.

To determine the overall percentage increase or decrease, the number of unduplicated students enrolled in ColLEDGE Up, Start College Now and 38.14 contracted courses is divided by the total number of high school students for the given year, and the previous year percentage is subtracted from the current year percentage.

SCHOOL DISTRICTS WITH THE LARGEST PERCENTAGE INCREASES IN 2022-2023

\$5,000 AWARD RECIPIENT

Belmont School District: \uparrow 11.88%

\$2,500 AWARD RECIPIENT

Platteville School District: \uparrow 10.91%

\$1,500 AWARD RECIPIENT

School District of Black Hawk: \uparrow 10.66%

\$1,000 AWARD RECIPIENT

Benton School District: \uparrow 7.69%

DUAL CREDIT PARTICIPATION LEVEL AWARD

This annual award recognizes school districts for participating in two or more dual credit programs of COLLEGE Up, Start College Now, 38.14 contracted courses, and transcribed credit and the overall percentage of high school students enrolled in dual credit programs during a given school year. The

number of unduplicated students enrolled in dual credit programs is divided by the total number of high school students. Districts achieving recognition are provided with a banner to display in their school building along with a graphic to display on their website or social media page.

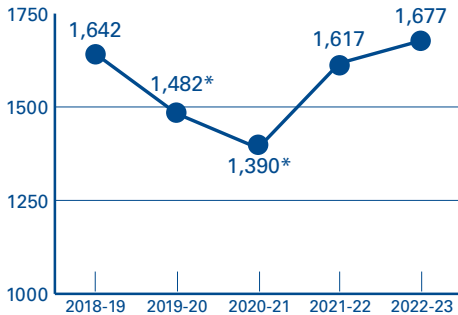

2022–2023 DUAL CREDIT RECOGNITION			
LEVEL	SCHOOL DISTRICT	# OF PROGRAMS	% OF HIGH SCHOOL STUDENTS ENROLLED
PLATINUM Student enrollment in three or more dual credit programs and 65% or more of high school students enrolled.	Prairie du Chien	4	74.5%
GOLD Student enrollment in three or more dual credit programs and 50%–64% high school students enrolled.	Pecatonica	3	64.2%
	Fennimore	3	59.7%
	Lancaster	3	55.1%
	River Ridge	3	53.1%
SILVER Student enrollment in two or more dual credit programs and 35% or more of high school students enrolled.	Boscobel	3	43.2%
	North Crawford	3	40.3%
	Darlington	3	38.6%
	Platteville	4	38.5%
	Riverdale	3	37.4%
BRONZE Student enrollment in two or more dual credit programs and 20%–34% of high school students enrolled.	Iowa-Grant	3	33.5%
	Barneveld	3	32.8%
	Black Hawk	3	31.2%
	Potosi	3	30.8%
	Argyle	2	27.9%
	Southwestern	3	27.5%
	Dodgeville	4	26.2%
	Weston	2	25.9%
	Kickapoo	3	22.9%
	Cassville	3	22.8%
	Mineral Point	2	21.2%

DUAL ENROLLMENT

5-YEAR OVERVIEW OF TOTAL UNDUPLICATED DUAL ENROLLMENT STUDENT PARTICIPATION

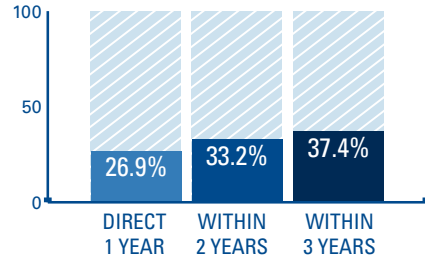

Includes Transcribed Credit, Start College Now, Youth Options, Course Options, Youth Apprenticeship, COLLEGE Up, and 38.14 contracts

* Overall decrease in these years was due to a reduction in transcribed credit agreements with the implementation of HLC credentialing requirements for high school dual credit instructors. Other dual enrollment programs showed increased participation.

3-YEAR ENROLLMENT TREND of Graduates from Southwest Tech Region High Schools at a Technical College

HIGH SCHOOL CLASS OF 2020 1,277 GRADUATES

“Ask the question because I guarantee you they have at least something they can do that will get you the credits that you want and get you the experience that you want before you decide what you want to do with your life. So, just ask someone if you can do dual credit. It may seem like it’s going to be really challenging and it may be a little bit harder than the regular classes, but you’re getting free college, you’re getting extra help that you need with it. It’s definitely worth it.”

Josie 2023 GRADUATE
PRAIRIE DU CHIEN HIGH SCHOOL

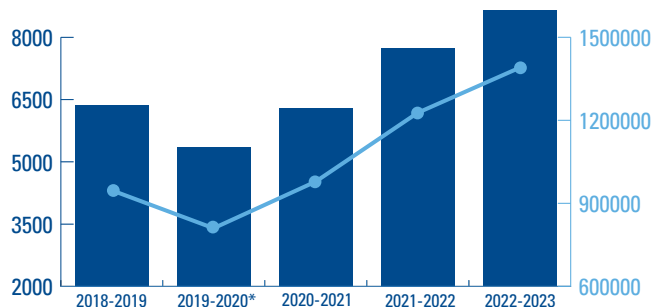

62.1% of 2022 high school graduates earned dual credit.

73.5% of 2022 high school graduates within the Southwest Tech region who enroll at a technical college chose Southwest Tech.

SUCCESS OF STUDENTS IN DUAL CREDIT COURSES

Courses Completed with a Grade of C or Higher

* Decrease may be attributed to implementation of HLC credentialing requirements for high school dual credit instructors and lower course completion rates due to COVID-19.

START COLLEGE NOW

The Start College Now program is an opportunity for students in grades 11 and 12 currently enrolled in a Wisconsin public high school to attend a Wisconsin technical college for the purpose of taking one or more courses to earn credit toward a high school diploma and a college degree at the same time.

During 2022-2023, 196 unduplicated students from 25 school districts enrolled in 436 courses for 1,234 credits. The following is a brief summary of participation by school district and success rate of students.

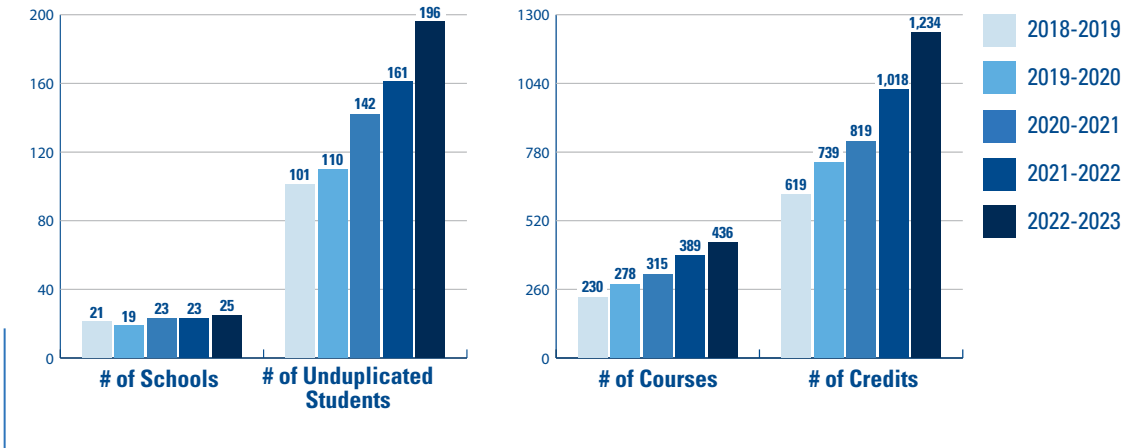

2022-2023 START COLLEGE NOW					
Participation by High School

COLLEDGE UP

The COLLEDGE Up program was established through a partnership with **CESA #3** as well as **Southwest Health Center** for the Nursing pathway and the **Wisconsin Department of Corrections** for the Criminal Justice Studies pathway. COLLEDGE Up allows students to earn a technical diploma or portions of an associate degree program while still enrolled in high school. Current pathways include:

- Gear up: Transferable General Education Courses
- Healthcare Careers
- 11-12-14 Nursing
- Education
- Criminal Justice Studies
- Emergency Medical Technician (EMT)/ Firefighter
- One and Done-Laboratory Science Technician
- Computer Numerical Control (CNC) Machine Operator/Programmer
- Pistons to Pathways Automotive

In the 2022-2023 school year, a total of 266 unduplicated students were enrolled in a total of 638 courses totaling 1,523 post-secondary credits.

2022-2023 COLLEDGE UP PARTICIPATION BY HIGH SCHOOL					
SCHOOL DISTRICT	# OF STUDENTS		SCHOOL DISTRICT	# OF STUDENTS

SUMMER PARTNERSHIPS WITH DISTRICTS

In summer 2023 Southwest Tech partnered with area school districts to enroll high school students in Southwest Tech online courses that would count towards school district summer school enrollments. This partnership assisted schools in enhancing local summer school programming for high school students by providing additional opportunities for students that may have otherwise not been available through the school district.

118.15 COMPULSORY EDUCATION

Since the enactment of Wisconsin State Statute 118.15 Compulsory School Attendance, Southwest Tech has been committed to providing this service for area high schools. Through a contract initiated by their local high school, students may participate in a program that assists them in earning a state-issued high school diploma.

For program eligibility, a student must be age 17 or older, one year (minimum) behind their class in credits earned, at a minimum 9th grade reading level, and at-risk status.

2022-2023 118.15 CONTRACT PARTICIPATION BY HIGH SCHOOL

42 Unduplicated Students Enrolled

- 29 successfully attained an HSED
- 3 will return to complete in Fall 2023
- 7 did not complete
- 2 had contracted revoked
- 1 moved from the area prior to completing

76% of students successfully completed the HSED in 2022-2023 or planned to continue instruction in 2023-2024.

Southwest Tech Outreach Centers provide convenient access and assistance for those interested in achieving a GED or HSED. Outreach Centers are located in Boscobel, Darlington, Dodgeville, Fennimore, Platteville, Prairie du Chien, and Richland Center. For current locations and hours, visit www.swtc.edu/outreach.

TECH TREK

On July 25–28, 2022, Southwest Tech hosted Tech Trek on the Southwest Tech Campus. Students who would be entering 7th, 8th, or 9th grade in the fall semester participated in fun hands-on activities to explore and increase their knowledge of technical careers led by Southwest Tech program instructors. Sessions during the camp included:

- NitroX
- Surgical Exploration
- Design Your Own T-shirt
- Fire & EMS Response
- Hands-Free Driving in Agriculture
- Unmanned Aerial Systems (UAS) in Agriculture
- Got Milk? Let's Make Dairy Products
- Gearhead's Tech Time
- Basic Welding
- Strengths Explorer
- Introduction to Early Childhood Care & Activities
- Red Carpet Ready!
- At the Heart of Medical Assisting
- Basic Crime Scene Processing
- Microscopy: A Glimpse at a World Too Small to See
- Lineman Challenge
- Computer Numerical Control
