Southwest Wisconsin Career Prep Consortium

ANNUAL REPORT

2021–2022

A PARTNERSHIP BETWEEN

Southwest Wisconsin TECHNICAL COLLEGE

AND AREA SCHOOL DISTRICTS

A Message FROM THE COLLEGE PRESIDENT

We appreciate the strong partnership with the 30 school districts in our five-county service area. The enclosed report highlights the accomplishments of our collaboration with an emphasis on the benefits to students.

For the first time in our history, we have awarded financial prizes to four of the school districts due to their growth in dual credit enrollment. Through a generous donation from an anonymous donor we will be able to do the same again next year. We are excited to continue to invest in the success of our students concurrently enrolled in high school.

Finally, thank you to the high school teachers and college instructors who make these learning opportunities for students. Their efforts help students learn skills needed to be successful in a variety of local careers. Because of the learning that happens in the classroom, we are proud to be one of the 10 best two-year colleges in the country according to the Aspen Prize for Community College Excellence.

If you have any feedback, please let me know. Thank you for supporting our students!

Sincerely,

JASON S. WOOD, PH.D.

DUAL CREDIT OPPORTUNITIES
WITH AREA HIGH SCHOOLS

Southwest Tech partners with local high schools to offer dual credit opportunities for students allowing for a seamless transition from secondary to post-secondary education. At this time, Southwest Tech currently offers the following dual credit opportunities:

ADVANCED STANDING
High school course that meets the competencies of a technical college course. Students earning a B or better are awarded the course credit upon enrollment in a program at the technical college.

TRANSCRIPTED CREDIT
College-level course taught by a WTCS certified high school instructor at the high school during the traditional school day. Student receives technical college credit upon completion of the course.

START COLLEGE NOW
Program established by the State of Wisconsin that allows high school juniors and and seniors to enroll in technical college courses that are not comparable to courses offered at the high school.

CollEDGE UP
A program established through a partnership between Southwest Tech and CESA #3 allowing students to earn a technical diploma or portions of an associate degree program while still enrolled in high school.

38.14 CONTRACTED COURSES
Southwest Tech courses taught face-to-face at the high school or virtually by Southwest Tech faculty at a time that will work within the high school schedule.

TRANSCRIPTED CREDIT & ADVANCED STANDING

In the 2021-2022 school year, 25 school districts had agreements with Southwest Tech for transcripted credit or advanced standing courses.

Students are able to apply their transcripted credit or advanced standing by enrolling in programs at Southwest Tech following high school graduation. In the fall of 2022, 195 students with transcripted credit enrolled in programs with 40 of these students continuing in the same program of study as their transcripted credit courses.

Southwest Tech is no longer accepting new transcripted credit or advanced standing agreement requests; however, current agreements will continue to be honored as long as there is no change in instructor or curriculum. The following agreements were in place during the 2021-2022 school year. All agreements are transcripted credit unless noted as advanced standing.

Agriculture, Food & Natural Resources

Agribusiness Management
Course #10-006-163

DUAL CREDIT PARTICIPATION RECOGNITION

Southwest Tech recognizes the importance of partnerships with our area school districts providing dual credit opportunities to their high school students. Two awards programs have been established for this purpose:

Dual Credit Excellence Award

This newly established annual award recognizes the top four performing school districts for largest percentage increase from the previous year for students enrolling in the dual credit programs of CollEDGE Up, Start College Now, and 38.14 contracted courses. Each of the four districts receives a monetary award provided by an anonymous Foundation donor. The designated monetary awards are #1: $5,000, #2: $2,500, #3: $1,500, and #4: $1,000.

To determine the overall percentage increase or decrease, the number of unduplicated students enrolled in CollEDGE Up, Start College Now and 38.14 contracted courses is divided by the total number of high school students for the given year, and the previous year percentage is subtracted from the current year percentage.

SCHOOL DISTRICTS WITH THE LARGEST PERCENTAGE INCREASES IN 2021-2022

$5,000 AWARD RECIPIENT
▲ Cassville School District: 14.37% Increase

$2,500 AWARD RECIPIENT
▲ Boscobel School District: 7.97% Increase

$1,500 AWARD RECIPIENT
▲ Riverdale School District: 7.57% Increase

$1,000 AWARD RECIPIENT
▲ Black Hawk School District: 6.70% Increase

Dual Credit Participation Level Award

This annual award recognizes school districts for participating in two or more dual credit programs of CollEDGE Up, Start College Now, 38.14 contracted courses, and transcripted credit and the overall percentage of high school students enrolled in dual credit programs during a given school year. The number of unduplicated students enrolled in dual credit programs is divided by the total number of high school students. Districts achieving recognition are provided with a banner to display in their school building along with a graphic to display on their website or social media page.

2021–2022 DUAL CREDIT RECOGNITION			
LEVEL	**SCHOOL DISTRICT**	**# OF PROGRAMS**	**% OF HIGH SCHOOL STUDENTS ENROLLED**
PLATINUM Student enrollment in **three or more** dual credit programs and **65% or more** of high school students enrolled.	Prairie du Chien	3	74.4%
GOLD Student enrollment in **three or more** dual credit programs and **50%–64%** high school students enrolled.	Fennimore	3	61.9%
	Lancaster	3	56.8%
SILVER Student enrollment in **two or more** dual credit programs and **35% or more** of high school students enrolled.	River Ridge	2	54.6%
	Pecatonica	2	44.7%
	Iowa-Grant	3	37.6%
	Black Hawk	2	36.5%
	Argyle	3	35.8%
	Boscobel	3	35.1%
BRONZE Student enrollment in **two or more** dual credit programs and **20%–34%** of high school students enrolled.	Platteville	4	32.5%
	Southwestern	3	32.0%
	Riverdale	3	31.3%
	Potosi	3	29.5%
	Darlington	3	28.3%
	North Crawford	3	25.7%
	Highland	3	23.1%
	Barneveld	2	23.0%
	Cassville	2	21.4%
	Weston	2	20.0%

DUAL ENROLLMENT

Brooklynn
ITHACA HIGH SCHOOL AND CollEDGE UP NURSING PROGRAM STUDENT

"The CollEDGE Up program has been a wonderful opportunity for me. I was able to start my college journey while still in high school. I have learned time management, critical thinking, teamwork, and many more important life skills and personal values. Because of this program, I will graduate with my associate degree and become an RN less than one year out of high school. I will forever be grateful for both Southwest Tech and my high school, Ithaca High, for allowing me such an opportunity. I encourage every student to take advantage of this opportunity by participating in the CollEDGE Up program."

5-YEAR OVERVIEW OF TOTAL UNDUPLICATED DUAL ENROLLMENT STUDENT PARTICIPATION
Includes Transcripted Credit, Start College Now, Youth Options, Course Options, Youth Apprenticeship, CollEDGE Up, and 38.14 contracts

Data points:
- 2017-18: 1,596
- 2018-19: 1,642
- 2019-20: 1,482*
- 2020-21: 1,390*
- 2021-22: 1,617

* Overall decrease in these years was due to a reduction in transcripted credit agreements with the implementation of HLC credentialing requirements for high school dual credit instructors. Other dual enrollment programs showed increased participation.

3-YEAR ENROLLMENT TREND
OF GRADUATES FROM SOUTHWEST TECH REGION HIGH SCHOOLS AT A TECHNICAL COLLEGE

HIGH SCHOOL CLASS OF 2019
1,342 GRADUATES

- DIRECT 1 YEAR: 28.4%
- WITHIN 2 YEARS: 34.7%
- WITHIN 3 YEARS: 38.4%
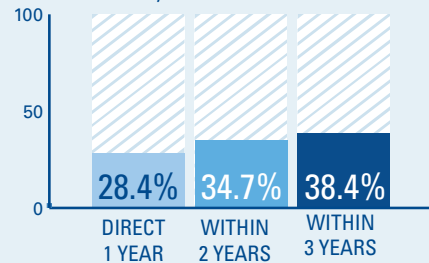

58.3% of 2021 high school graduates earned dual credit

72.5% of 2021 high school graduates within the Southwest Tech region who enroll at a technical college chose Southwest Tech

SUCCESS OF STUDENTS IN DUAL CREDIT COURSES
COURSES COMPLETED WITH A GRADE OF C OR HIGHER

Legend: CREDITS EARNED (bars), TUITION SAVINGS TO STUDENTS (line)

Years: 2017-2018, 2018-2019, 2019-2020, 2020-2021, 2021-2022

START COLLEGE NOW

The Start College Now program is an opportunity for students in grades 11 and 12 currently enrolled in a Wisconsin public high school to attend a Wisconsin technical college for the purpose of taking one or more courses to earn credit toward a high school diploma and a college degree at the same time.
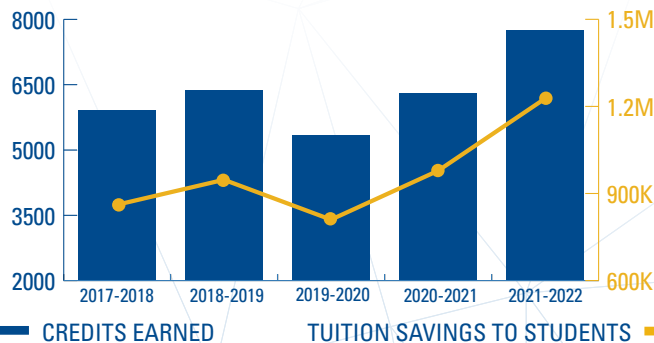

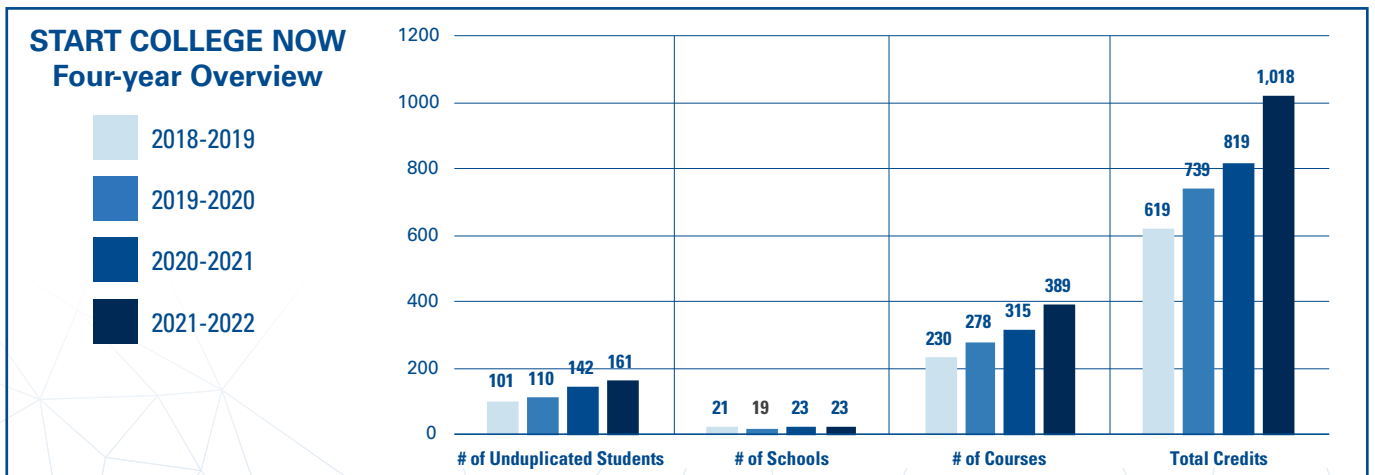

During 2021-2022, 161 unduplicated students from 23 school districts enrolled in 389 courses for 1,018 credits. The following is a brief summary of participation by school district and success rate of students.

2020-2021 START COLLEGE NOW Participation by High School

CollEDGE UP

The CollEDGE Up program was established through a partnership with **CESA #3** as well as **Southwest Health Center** for the Nursing pathway and the **Wisconsin Department of Corrections** for the Criminal Justice Studies pathway. CollEDGE Up allows students to earn a technical diploma or portions of an associate degree program while still enrolled in high school. Current pathways include:

- Gear up: Transferable General Education Courses
- Healthcare Careers
- 11-12-14 Nursing
- One and Done-Laboratory Science Technician
- Emergency Medical Technician (EMT)/ Firefighter
- Computer Numerical Control (CNC) Machine Operator/Programmer
- Pistons to Pathways Automotive

New pathway areas of Education and Criminal Justice Studies have been developed to begin in 2022-2023.

In the 2021-2022 school year, a total of 186 unduplicated students were enrolled in a total of 590 courses totaling 1,284 post-secondary credits.

2021-2022 COLLEDGE UP PARTICIPATION BY HIGH SCHOOL

SCHOOL DISTRICT	# OF STUDENTS		SCHOOL DISTRICT	# OF STUDENTS	
	Fall	Spring		Fall	Spring
Argyle	2	3	Lancaster	3	3

SUMMER PARTNERSHIPS
WITH DISTRICTS

In summer 2022 Southwest Tech partnered with area school districts to enroll high school students in Southwest Tech online courses that would count towards school district summer school enrollments. This partnership assisted schools in enhancing local summer school programming for high school students by providing additional opportunities for students that may have otherwise not been available through the school district.

118.15 COMPULSORY EDUCATION

Since the enactment of Wisconsin State Statute 118.15 Compulsory School Attendance, Southwest Tech has been committed to providing this service for area high schools. Through a contract initiated by their local high school, students may participate in a program that assists them in earning a state-issued high school diploma.

For program eligibility, a student must be age 17 or older, one year (minimum) behind their class in credits earned, at a minimum 9th grade reading level, and at-risk status.

50 Unduplicated Students Enrolled
- **42** students successfully attained an HSED
- **4** students successfully completed GED only
- **4** did not complete

84% of students successfully completed HSED in 2021-2022

2021-2022 118.15 CONTRACT PARTICIPATION BY HIGH SCHOOL

TECH TREK

On July 26 – 29, 2021, Southwest Tech returned to hosting Tech Trek in person on the Southwest Tech Campus. Students who would be entering 7th, 8th, or 9th grade in the fall semester participated in fun hands-on activities to explore and increase their knowledge of technical careers led by Southwest Tech program instructors. Sessions during the camp included:

- NitroX
- StrengthsExplorer
- Gearhead's Tech Time
- Basic Welding
- Intro to Stir Fry Cooking
- A Day of Fun in a Salon
- Exploring the Wonderful World of Nursing
- Cookie Baking Extravaganza
- Intro to Early Childhood Care and Activities
- Intro to Fire Service
- Mama Mia! Pizza Festa!
- Creating a Fairy Garden
- Lineman Challenge
- Exploring the First Nine Months of the Dairy Calf
- Microscopy: A Glimpse at a World Too Small to See
- Pie Making 101
