

Constitution Day

Responsible Administrator: Dean of Student Services

The Consolidated Appropriations Act of 2005 stipulates that all educational institutions receiving federal funding must honor Constitution Day. Constitution Day must be held on September 17, commemorating the September 17, 1787, signing of the Constitution. During those years that September 17 falls on a weekend, programming will be held either during the preceding or following week. Southwest Wisconsin Technical College will conduct appropriate activities to honor the signing of the Constitution.
