

General Instructions

Note: This is the only approved TC-684 template for uploading your data.

Filing Instructions

To File a Return

1. Download the current template and save to your computer before using.
2. Follow the line-by-line instructions to complete and save your return.
3. Log into your account at Taxpayer Access Point (TAP).
4. Upload and submit your file.

Definition note: The “total value” (Schedules D-G) is the gross product value minus processing and transportation.

Important

- Don't copy or alter cells or their formatting. If you must paste from other data, use the PASTE VALUES or PASTE SPECIAL command.
- Don't leave blank lines in the spreadsheet. It will cause errors.
- Complete each schedule in order to avoid errors on the next schedule(s).
- Dropdown menus have been provided where possible.
- Recent versions of Microsoft Excel automatically saves files as .xlsx. You must save your file as .xls to upload.

TC-684 Return Instructions

Enter your contact information.

Note: For Amended returns only, mark the “Amended” box in the header on line 8 and report net total payments minus refunds on line 14.

Complete the green fields. The other fields will populate based on your entries in the schedules.
