

# To the readers of “Physics–Uspekhi”

(Message from the Editor-in-Chief)

As you know, *Physics–Uspekhi* (English version of the journal *Uspekhi Fizicheskikh Nauk*) has been distributed by the Institute of Physics Publishing Limited, Bristol, UK (IOPP). Notably, up to and including the issue of April 2022, all issues of *Physics–Uspekhi* are hosted on the IOPP site and are available on a subscription basis. By its letter of June 27, 2022, IOPP informed the *Physics–Uspekhi* Editorial Board of its decision to suspend the distribution of the journal for an indefinite period of time.

In view of this, the Editorial Board decided to publish the May 2022 issue and subsequent issues of *Physics–Uspekhi* on the site of *Uspekhi Fizicheskikh Nauk* (<https://ufn.ru/en/>) and possibly other sites as an open access publication. Both Russian and English versions of *Uspekhi Fizicheskikh Nauk* — *Physics–Uspekhi* must be available to the international scientific community without delay!

Editor-in-Chief of *Physics–Uspekhi*

*Valery Rubakov*
